PRESIDENT POINCARÉ REVIEWED TROOPS.
Paris, Nov. 3.—(Special)—A bombardment of Furnes, in Belgium, 26 miles southwest of Bruges, by the Germans, did not prevent the review there yesterday of the French and Belgian troops by President Poincaré of France, King Albert of Belgium, and Alexandre Millerand, Minister of War for France. While the shells of the German guns, apparently directed against the railway station at Furnes, were exploding at frequent intervals, the President, King and War Minister were in the neighborhood of the Hotel de Ville.

BATTLE PROCEEDS ALLIES ADVANCE NIGHT AFTER NIGHT, DAY AFTER DAY ATTACKS ARE BEING MADE

Paris, November 3.—The battle proceeds, but less fiercely, amid the picturesque windmills of that small portion of Belgium near the coast which is still unconquered by the Germans. Night after night, day after day, attacks and counter attacks are being delivered and met with hardy bravery by both sides.

All the great sacrifices made by the German troops have proved futile, but still the invaders continue, despite the fact that they are encountering resistance which more than equals their own hardihood. Whenever the Allies have given way at any point in the field, they have recaptured the lost territory quickly; wherever they advance they maintain their position.

The Allies have occupied the village of Passchendaele, eleven miles northeast of Ypres, after terrific fighting, as a result of which the Germans were forced to quit their trenches by the British who took many prisoners, according to officers who arrived from the front.

ALLIES STEADILY ADVANCE
Around La Basse the engagement continues serious, but the Allies have not ceased advancing surely though slowly. Fierce fighting is progressing in the neighborhood of Lens and Arras. The Allies in the vicinity of Le Quesnoy-en-Santerre are strong, entrenched and have successfully beaten off the efforts of the Germans to make a breach in their lines. A little further south many isolated combats have taken place in which neither army scored much success.

FOOTBALLER HONORED
Sergeant Codson, the well known football player, has been decorated on the field of battle with the emblem of the Legion of Honor as a reward for the taking command of several batteries of artillery, after all the other officers were killed or wounded, and silencing a German battery. The General congratulated him before the entire army.

DAWN SEES TURN OF TIDE.
London, November 3.—A despatch to the Morning Post from a town in Belgium dated Saturday says:
"To-day was a cheering one for the allied troops along the front from Neuport to Dixmude. After a fortnight of ebb and flow the tide seemed to turn definitely in the Allies' favor with early dawn. The village of Ramskapelle, southeast from Neuport, was taken with a fierce bayonet charge of the Belgian and French infantry. The advantage was pushed home and the allied line of battle was securely set on the railway line from Neuport to Dixmude."

"Ten days ago the Allies were shelling on that line because the Germans were there. They had the establishment of ten or eleven divisions of infantry across the Yser, and one division was ahead of the railway line. This evening they can hardly be said to have any position safely established across the Yser, as the allied troops hold the full stretch of the railway embankment, which is on the average less than two miles southwest of the river."

The firm establishment of the Germans at Ramskapelle on the road from Ostend to Dunkirk, might have ultimately made necessary the falling back of the allied lines. The field after the battle this morning was a sight of horror. Probably at least five thousand were killed and wounded altogether, and the killed were more numerous than the wounded. The German troops on the Belgian front are now in numbers and disposition somewhat like this: On the coast there are four divisions of Ersatz reserves; next to them, coming along the line to the southeast are ranged the 2nd army corps, the 22nd army corps, the 23rd army corps and the 26th army corps. At Roulers are

some Ersatz and Landwehr troops. In reserve are four divisions of cavalry and the 19th army corps, and around Lille are the 18th, 13th and 14th army corps, with a great cavalry force.

If these observations are correct, there are about 600,000 German troops between Ostend and Lille.

KAISER WAS AT YPRES.
In Northern France, Monday.—(Correspondent, London Times)—The German Emperor ordered his troops to take Ypres at all costs. He came in person to the firing line to see them do it. The enemy opened the attack on our lines with a serious artillery fire. The infantry came into action and for one of the few times during the campaign charged our trenches with the bayonet. All day the battle raged. The fighting has been desperate and the losses very heavy. What is the outcome or whether the battle has had a definite result is not known, but this I have good reason to believe, that last night we still held Ypres.

RUSSIANS ARE ADVANCING MEET WITH SUCCESS ALL ALONG THE VISTULA FRONT

London, Tuesday, Nov. 3.—The Petrograd correspondent of the Morning Post sends the following:
"According to official news, the Russians are advancing with success along the whole Vistula front. Details are confined to information about that part of which the Austrians are retreating. The Russians have secured Piotrkow and other places in such positions as to suggest that the Austrians run the risk of being cut off from Cracow, their ultimate goal of retreat. A rear guard defence was attempted at Opaw, but without success, and the Russians took several hundred prisoners and six Maxim, with a supply train."

ITALY AND BRITAIN UNITE

Will Stand Together to Protect African Colonies Against Turkey

THIS UNDERSTANDING MAY BECOME OPERATIVE AT ANY MOMENT, SAYS DISPATCH.
Rome, Nov. 3.—(By Philip R. MacKenzie)—I am informed authoritatively that Italy and Great Britain have agreed to stand together for the common defence of their colonies in Africa if Turkey goes to war. The understanding may become operative at any moment.

In Government circles there is no longer an attempt to deny that in Libya (Tripoli) Italy is as much threatened by Turkey as England is in Egypt, while Somaliland and Eritrea are surrounded by British possessions. Hence, it is obviously indispensable for Italy and England, close friends and neighbors, to unite for mutual defence.

The canal has been under guard of Dominion troops since the outbreak of the war.

LLOYDS QUOTE ON ITALY.
London, November 3.—Lloyds is quoting 60 guineas per cent. against the declaration of war by Italy against one of the great powers before November 30th.

ALLIES' DEMAND ON TURKEY

Apology Offered by the Grand Vizier is Not Sufficient

FLEET MUST BE PUT OUT OF COMMISSION AND HER ARMY DISBANDED UNTIL CLOSE OF WAR.

London, Nov. 3.—The Grand Vizier of Turkey has apologized on behalf of his Government for the warlike operations of the Turkish fleet under German commanders in the Black Sea, but it was stated authoritatively last evening that the Porte will have to go very much farther than this before the powers of the Triple Entente will agree to resume friendly relations with the Ottoman Government.

It was disclosed in a statement issued by the French Government last evening that Turkey, in reply to a note presented by Great Britain, Russia and France on Friday last, agreed to recall her fleet from the Black Sea but refused to dismiss the German officers from her ships and that as it was believed she could not maintain a passive attitude without doing this, the ambassadors of the Entente powers demanded their passports and left Turkey.

There is every reason to believe that, despite the apology of the Grand Vizier, which it is understood comes from the peace party in the Turkish cabinet and may not be adhered to by Enver Pasha, the Minister of War, and his Young Turk followers, France, Great Britain and Russia not only will demand reparation for the warlike operations of the Turkish fleet in the Black Sea, but will insist that Turkey's entire fleet, or at any rate the cruisers Goeben, Breslau and Hamidieh, be put out of commission until after the war, Turkey's security being guaranteed in the meantime.

It is suggested also that demobilization of the Turkish army would be demanded, which would mean that those troops which have crossed the Egyptian frontier must be withdrawn.

However, as the terms of Turkey's apology, which apparently was made in London, have not been published and must be considered by the Entente powers before the apology is accepted or refused, there seems to be

HAVE NOT CROSSED EGYPTIAN BORDER.
London, November 3.—(Special)—A despatch to the Daily Mail from Cairo, Egypt, says: "The Turkish troops are reported near the border, which they have not crossed. The British are fully prepared to repulse an invasion, thanks to the measures taken by the Government. The public in Egypt are calm and not even aware of a Turco-Russian rupture. A press censorship will be established to-morrow."

TURKISH AMBASSADOR LEAVES RUSSIA.
Petrograd, Nov. 3.—(Special)—The Turkish Ambassador, Fahreddin Bey, has left the Russian capital. He is leaving for home via Finland.

A long way to go before diplomatic relations between the Ottoman Government and the allies can be resumed. An added difficulty to the situation is that the ambassadors of the powers have left Constantinople, which will make it troublesome to ascertain whether the whole Turkish cabinet concurs in any agreement reached. Meantime, a report comes from Constantinople of the seizure of another Russian steamer.

ALL HOPE NOT ABANDONED.
London, Nov. 3.—The Grand Vizier of Turkey has apologized for recent events in the Black Sea. The text of the Turkish apology was not announced yesterday afternoon. "It had been intimated during the day that Great Britain was delaying hostilities waiting for eleventh-hour amends from the Porte. That this would be forthcoming was seriously doubted. Nevertheless, in the absence of a formal declaration of war, all hope had not been abandoned, even though the British press treated the situation as beyond repair."

CANADIANS IN MAYOR'S SHOW

Three Hundred of the Overseas Contingent Will go to London From Salisbury Plain

NAVAL RESERVE BRIGADE, INCLUDING SOME WHO WERE AT ANTWERP, WILL BE IN PROCESSION.

London, Nov. 3.—The final details in connection with the Lord Mayor's show procession on Monday were settled at the Guildhall yesterday, when the Mayor and Sheriff's Committee met. It was announced that arrangements had been made with the War Office that the military contingent is to consist of detachments of the city's territorial units. In addition, the London Scottish will send a representation, and 300 Canadians are to come from Salisbury Plains. A strong body of sailors from the Naval Reserve Brigade at the Crystal Palace will also be included, among some of whom are those who fought at Antwerp.

BRITISH OCCUPY AKABAH

London, Nov. 3.—(Special)—The fortified town of Akabah, in Arabia, on an arm of the Red Sea, has been shelled and occupied by the British cruiser, Minerva.

Akabah is at the head of the Gulf of Akabah, ten miles east of Suez. The Admiralty announced this occurrence as follows:
"Upon arriving at Akabah the cruiser Minerva, Capt. Percival Warleigh found the place occupied by soldiers and armed natives. One of the soldiers had the appearance of a German officer."

"The Minerva then shelled the port and the troops. The town was evacuated and landing parties from the Minerva proceeded to destroy the forts, the barracks, the post office, and the stores.
"There was some loss to the enemy, but no British casualties."

MOSLEMS IN INDIA ARE LOYAL

Calcutta, Nov. 3.—The best test of the attitude of the younger school of Moslems in India is the opinion of Mohammed Ali's Delhi organ The Comrade. "If any cause can be ours" it says, "it is the British, and if Germany counts on us she is mistaken. It would be bad business also for Turkey to lavish on Germany the lives, energies and resources she needs for her own quarrels, since Germany never spared any for her when she was beset by still greater perils."

"We do not wish to be cynical, but self-preservation is the first law of nature, and nature is inexorable and ruthless in punishing disobedience to its decalogue.
"Germany has done nothing as yet for the Turks to deserve the sacrifice of a single man, much less a street riot in a single town or village by Moslem sympathisers of Turkey, with a view to embarrass their own government."

LIVELY SCENES AT COUNCIL

Mayor Adjourned the Session on Account of Personalities That Were Thrown Out

TROUBLE AROSE IN CONNECTION WITH CONSIDERATION OF VALUE OF MR. J. NICOL'S PROPERTY

The Council meeting last night was marked by a stormy ending and the Mayor adjourned the session on account of personalities.

The trouble arose during the hearing of valuation protests. The case under consideration was that of Mr. J. Nicol, whose property on Court Street had been assessed at \$7,000. In supporting his protest Mr. Nicol claimed the property was worth only \$5,000 at which sum he offered to sell it to the valuator. He complained of the inequalities of the assessments, and offered to give \$8,000 for Mr. May's property which was valued at \$5,000, and to buy a lot from Ald. Ewing for \$1,500 which stood at \$800 on the valuation roll. Mr. Nicol also threatened to take his case elsewhere, if the Council would not reduce the assessment to the actual value.

Mr. Dion, one of the valuers, recommended that the figures be reduced to \$6,000, as an error had been made in counting six tenements instead of three.
Mr. Nicol replied with some sarcasm about the "three tenements at \$1,000 and three at \$6,000." Thereupon Mr. Dion informed Mr. Nicol that his property was worth \$7,000.

Mr. Nicol retorted: "I don't think you know anything about valuations" and addressing the Council he said: "I think this gentleman ought to be ashamed of himself."
At this point the Mayor deemed it wise to adjourn the meeting. Ald. Ewing charged Mr. Nicol with insulting the Council and the Mayor after leaving the chair told Mr. Nicol he had no right to go there and insult the valuers.

Ald. Ewing declared he was quite willing to resign, whereupon Mr. Nicol replied: "You offered to resign before and yet you didn't."
LIVELY SCENES AFTER ADJOURNMENT
After the adjournment there were lively scenes both in the Council Chamber and in the office adjoining, where for several minutes many of the citizens heckled the aldermen upon valuation grievances and some of the aldermen made it quite plain they did not intend to be "insulted" when they gave their services to the city and were proceeding according to law.

ANOTHER CASE
Col. T. S. Somers who appealed against an assessment of \$7,600 produced sworn affidavits from six different authorities that the property was only worth between \$4,500 and \$5,000. The valuation was eventually reduced to \$7,000.

NORTH SEA NOW MILITARY AREA

Drastic Measures Adopted by the Admiralty to Halt Mine Laying

MERCHANT VESSELS ENTERING IT WILL BE EXPOSED TO THE GRAVEST DANGER.

London, Nov. 3.—The entire North Sea has been declared a military area, and merchant vessels entering it will be exposed to the gravest dangers from the mines which it has been necessary to lay and from the warships which are searching vigilantly by night and by day for suspicious craft.

This action has been taken as a reply to the laying of mines by the Germans in the waters north of Ireland.

HAND OF LORD FISHER.

London, Nov. 3.—The supremely important announcement issued by the Admiralty last night with reference to the North Sea came too late for editorial comment in most of the morning papers. It is regarded as the direct outcome of Lord Fisher's appearance as first Sea Lord of the Admiralty Board. Lord Fisher has always been known as an advocate of strong measures, and the half-hearted consideration which the Admiralty has hitherto given this question has speedily been transformed into action by his interposition.

The plan announced by the Admiralty puts a new aspect on North Sea naval strategy besides curtailing the possibilities of Germans, under cover of a neutral flag, laying mines outside the limit of what the English now refuse to call the German Ocean. It reduces the chances of any German fast cruiser slipping out for purposes of commerce raiding, a contingency which has been particularly apprehended since the exploits of the Emden and Karlsruhe have shown what can be done in this way.

HOW TO CURE STOMACH TROUBLES

Excessive acid in the stomach, or hyperacidity, as it is called, is primarily responsible for nearly all cases of indigestion, dyspepsia, gastritis and flatulence, and quite frequently leads to stomach ulcers. The successful treatment for prevention as well as cure of such cases depends entirely on neutralizing the excess acid, stopping the food fermentation, and healing the inflamed mucous membrane that lines the stomach. For this purpose specialists are now advising the use of pure bisulphate of magnesia, which has recently been found to be unequalled in the treatment of even the severest cases. It is responsible to a little water immediately after eating stops all pain almost instantly, neutralizes the acid and soothes the inflamed stomach, and if regularly used will quickly remove the cause of the trouble and effect complete relief.

LETTERS TO THE EDITOR

ALL BRITISH.

Editor of Record.

Dear Sir:—I have noticed recently in the large city dailies that there are a number of people who object strenuously to the use of "England" instead of "Britain" in the motto, "England expects every man to do his duty" certainly strikes the note right. We cannot be too careful in avoiding the use of these provincial distinctions. Let us in future use the word "British" instead of "English," "Scottish," "Irish" or "Welsh" etc. It really won't be too difficult.

I do not think any Britisher will ignore the heroic acts and true bravery as has been shown in the Irish, Scotch and Welsh regiments. If you will read any London or other English newspaper it will be noticed that the word "English" or "England" is not used other than when they mention certain English regiments. The terms used are "Great Britain," "Britain" or "United Kingdom." It is also well to notice that Great Britain is hardly right because it does not do justice to the Irish.

Let us in Canada try to remember that we are all British, whether we're English, Scotch or anything else.

Yours truly,

A BRITISHER.

PATRIOTIC FUND QUESTION.

Editor of the Record.

Sir:—I noticed in your issue of October 24 a report from Ulverton of amount collected for the Patriotic Fund. The would-be correspondent must have drawn on his imagination as the amount stated was incorrect, and there was no collector only, viz.: Mrs. Geo. T. Johnston, who, I think, deserves the thanks of the community for the time she spent. It is no more than right that she be given the honor that rightly belongs to her. The amount sent was \$72.50.

Also in the issue of October 23 "A Farmer of Kirkdale" writes about collectors in a general way, referring to them as somewhat suspicious characters, and refers to Mr. C. N. Lyster's letter, previously published to back up his statements. Now, as Mrs. Johnston is the only one who has collected for the Patriotic Fund in this vicinity, so far as I know, I see no reason why Mr. Lyster should feel more confident of the destination of his money if it were to pass through the hands of the municipal council. The residents here were not waited upon by an irresponsible person or a stranger, but one of our neighbors whose life gives proof of a most trustworthy character. No doubt other communities were treated in a like manner. If we have any reason to believe that the neighbor who solicits for this cause is less trustworthy than our municipal councillors we are free to give or not. Perhaps you will say the men who are elected to the office of councillor have or should have the confidence of the people, but they are not the only ones who are to be trusted.

Then again if the special tax of a quarter of a mill on the dollar were in effect it would not be a free gift, but a tax. Those who do not have as much confidence as Mr. Lyster of all municipal moneys being used wisely would be compelled to pay, not give, to that fund. This system would not reach all residents, only property holders. Do we not up to the present time as British subjects, voice in liberty and freedom? Then as St. Paul says, "Do not use your liberty as a cloak of maliciousness."

Do not be compelled to do what ought to be done without compulsion. It will be time enough to look for tax for everything that is needed if we find ourselves under the German Empire. Hoping this will find space in your valuable paper.

Yours truly,

A. G. HARRIMAN.

MARRIAGES

MILLER-McLAUGHLIN.

West Bolton, Nov. 3.—(Special)—A very pretty wedding took place on Wednesday, Oct. 28, at "Maple Hill Farm," the home of Mr. and Mrs. O. A. McLaughlin, when their only daughter, Hazel May, was united in marriage to Thomas Hugh, eldest son of Mr. and Mrs. T. E. Miller, of West Bolton. The ceremony was performed in the presence of about one hundred guests by the Rev. Canon Carmichael, of Knowlton, under a floral arch and bell design. The bride was given away by her father, while Miss Gladys Milner played the wedding march. The groom was supported by his brother, Mr. Carl Miller, of the Moosebank Bank staff. The bride was attended by Miss Lyle Miller, sister of the groom. The bride, who is one of West Bolton's popular young ladies, looked charming in a dress of ivory duchess satin with tulle of shadow lace and tulle veil held in place with orange blossoms. She carried an arm bouquet of cream roses, carnations and maidenhair fern. The bridesmaid was attired in pale blue duchess silk with tulle of shadow silk and veil, carrying an arm bouquet of pink roses and maidenhair fern. The groom's gift to the bride was a pearl necklace, brooches to the bridesmaid and organist, a stick pin to the groomsmen. Many were the evidences of esteem from the guests and friends, among which were substantial cheques, cut glass, silver, furniture, linen, china and bric-a-brac. After partaking of luncheon Mr. and Mrs. Miller, amidst showers of confetti, rice and good wishes, left in an auto for Foster station, where they took train for parts unknown to the guests. Upon their arrival they will reside at their fine farm home at West Bolton, recently purchased by the groom. Among those present from a distance were Mr. Arthur McLaughlin, of New York; Mr. and Mrs. F. G. Guthrie, of Bedford; Mrs. Gailkins, of Bridgeport, Conn.; Mrs. Bertha Townsend and son and Mr. and Mrs. Carr, of Sutton; Mrs. P. Miller and Mr. and Mrs. Arthur Miller, of Highwater; Mr. and Mrs. N. W. Miller and Mr. M. W. Miller, of Brome Centre; Mr. and Mrs. R. E. Miller, Brome; Mr. and Mrs. C. E. Soles, of Sherbrooke; Mr. Geo. Dryburgh, of Montreal; Mr. and Mrs. Wilson Needham, South Bolton, and many others from Knowlton and vicinity.

CONSTIPATION RELIEVED ENTIRELY AT OUR RISK

Unless Rexall Orderlies relieve your bowels and make you feel like coming back to thank us for telling you about them, then come back anyway, and ask us to give you back your money. This is just as strong as we can make this guarantee, and we want to make it strong, because we believe that Rexall Orderlies are the best bowel remedy made.

Swallowing and easy in action, they cleanse the bowels, thoroughly toning and strengthening them, and make you feel great. They promote easy and regular bowel action, help to promptly relieve constipation and overcome its cause. In these things they differ from old-fashioned, harsh, disconcerting salts and other purgatives which usually give only temporary relief and often leave the bowels in a worse condition than ever. They taste like candy and even children like them. They are particularly good for children and for delicate and aged people. In vest pocket tin boxes; 10c., 25c., 50c.

What are Pepps?

Pepps is the name bestowed upon a new scientific preparation put up into tablet—or pastille form, which provides an entirely new and effective treatment for coughs, colds and lung and throat troubles generally.

Did it never occur to you as peculiar that when you have a cough or a cold, or any chest trouble, you should apply medicine—not to your lungs, but to your stomach?

Look at it the other way round. Suppose you suffered from some stomach complaint—indigestion or ulceration. How strange you would think it if you were asked to take a medicine which had to be breathed in, and which went—not to your stomach, but to your lungs and breathing passages?

There is no connection between the stomach and the lungs (see diagram below), and when for a cold or a cough or any chest complaint you take some medicine, such as liquid cough mixtures, syrups, lozenges, which go—not to your lungs, but to your stomach—you are wasting time.

Pepp—this newest remedy for coughs, colds, and lung troubles—goes to the lungs and breathing-tubes, direct. Pepp are really fine fumes and certain highly beneficial medicinal extracts specially prepared by a new scientific process and then condensed into tablet form. It is like making a breathable gas solid!

You put a "Pepp" on your tongue and let it dissolve. As it does so the healing essences it contains turn into vapor, and you BREATHE them directly to your lungs and air passages!

These tissue-strengthening, pleasant fumes, so liberated from the dissolving Pepp, are not only healing in their operation, they are antiseptic. They kill the germs of consumption, catarrh, and many and varied throat and lung troubles so common to-day. Pepp fumes—like the fumes from nature's Pine woods—get direct to the lungs and chest, and give instant relief to colds, tightness, bronchitis, etc. In short, Pepp bring pine forest air to your home!

You have a nasty night cough? Take a Pepp before going to bed—your cough will not trouble you! Your lungs are a little weak, and going from the warm house into the cold air outside makes you cough? Just before going out put a Pepp in your mouth—there will be no coughing! Your throat feels "stuffed up," your chest feels tight, and your breathing troublesome? Pepp will put matters right for you very quickly.

Pepp, while gradually turning to vapor as soon as put into the mouth, will retain their goodness indefinitely if kept dry. Each little Pepp pastille is packed in an air-tight wrapping, which is easily removed, and they are packed in neat tin packet boxes. They are not sticky (the minister or public speaker can carry a few loose in the vest pocket); they do not spoil the appetite and ruin the digestion, like cough syrups and mixtures do; and they DO cure coughs, colds and lung trouble!

Just as the out-door treatment for consumption—the "breathing" treatment—is now admitted to be the only rational treatment, so the "Pepp" treatment for colds and lung troubles is the only rational home treatment.

Pepp cure catarrh, coughs, bronchitis, sore throat, tightness or aching across the chest, difficulty in breathing, night cough, hoarseness, asthma, laryngitis, smoker's throat, etc. Best for children because free from opium, morphine, or any poison.

ZAM-BUK

Healed Severe Cut

Mrs. J. E. Bierwirth, of Carnduff, Sask., writes: "My little son cut the end off his finger at the first joint. As it was such a severe cut I was going to take him to a doctor, but in the meantime, to ease the pain, I applied some Zam-Buk on a piece of lint. This stopped the bleeding and gave him such relief that he ceased crying and seemed quite at ease. I therefore decided to see if Zam-Buk would heal the wound. Next day I replaced the dressing, and continued to do so each day, using nothing but Zam-Buk. From the very first the cut began to heal and did so without any further trouble. There was no inflammation, no festering; and each day, when dressed, the wound seemed perfectly healthy. Healing was very rapid, and the little fellow seemed to have no pain whatever. Zam-Buk is a marvelous healing balm, and I cannot too strongly recommend mothers to always keep it at hand."

Mrs. Dennis Goodine, of Springfield, York Co., N.B., writes: "Zam-Buk has cured a bad case of eczema on my ankle, which a doctor's treatment failed to cure."

Zam-Buk is obtainable from all druggists and stores, or postpaid from Zam-Buk Co., Toronto, for 50¢, box, 3 boxes \$1.25.

This illustrates but one of the many uses to which Zam-Buk, the great herbal balm, is daily put. Accidents will happen—especially where there are children. Mothers should never be without Zam-Buk. Zam-Buk is the best "First Aid." Its strong antiseptic properties kill all germs, preventing blood-poisoning and inflammation. Its rich, herbal essences quickly ease pain and build up new, healthy tissue. Zam-Buk is a

Mr. H. L. Hastings to East Rich-
ford, Vt.; Mrs. J. W. Farth and her
son, Mr. Nelson Farth, of Worcester,
Mass., guests of friends here for a
few days; Mrs. Geo. Eddy who has
spent the summer with her grand-
mother, Mrs. Gleason, to Key West,
Florida, to join her husband; Mr.
Hamilton and daughter, of Bolton,
and Mrs. Hamilton, Sr., guests of
Mrs. H. D. Gleason; Mr. H. H. Scott
of Shawbridge, Que., home for a few
days, disposing of some stock and
arranging to again rent Maplehurst;
Mrs. John Raymond and Miss Mar-
jorie Raymond at Laroché with Mrs.
Ed. Dupre; Mrs. L. M. Church from
The Highlands, to Cowansville and
from thence to Montreal after a few
days.

Mrs. Henry Rumsby is preparing to
go to Montreal to have cataracts re-
moved from both eyes. A sad feature
of the case is that Mr. Andrew Brun-
ton, Mrs. Rumsby's father, is blind,
Mrs. Brunton, her mother, nearly so,
and Mr. Rumsby crippled badly by
rheumatism. They are certainly an
afflicted family. It is sincerely hoped
for their friends that both Mrs. Rum-
sby and her mother, who will accom-
pany her for treatment, may have
their eyesight restored.

A bonfire was built on Main Street
and the fire alarm sounded. This was
probably exceeding the limits of legiti-
mate sport, but they suffered for it
as the firemen turned the hose on to
the crowd and gave them a good
soaking.

Granby, Nov. 3. (Special)—Hal-
lowe'en was celebrated with the old
time enthusiasm on Saturday night
in the factory town, the proceedings
lasting well into the small hours of
the morning. About two hundred
boys marched through the streets
singing popular songs, "It's a Long

a favorite. They serenaded the May-
or, cheered and rang his door bell,
but his Worship was not to be lured
from his warm bed. They then march-
ed down to Councillor Pare's resi-
dence and gave him a few selections.
Mr. Pare appeared on the balcony
and after satisfying himself that
they were friends and not enemies,
made them a nice little speech and
invited them to partake of his hospi-
tality.

West Lebanon, N.H., Nov. 3. (Spe-

old and unmarried, a passenger on
the Boston & Maine train due in
White River Junction about mid-
night, was run over by a shunting
engine between that place and West Le-
banon sustaining frightful injuries.
One foot was cut off just above the
ankle and the other foot and most
of the leg were severed. One arm was
also cut off. He is in a critical con-
dition in Hanover Hospital.

Cans either jumped or fell from
the train, which was late and making
up time. The shunting engine followed
shortly after the passenger train. The
man had laid for some time in a par-
tially unconscious condition when dis-
covered. He was employed as a col-
lector and driver for a laundry con-
cern.

The injured man is a former resi-
dent of Richford, a son of the late
Myron Coons and brother of Edwin
W. and Walter M. Coons of this vil-
lage. The latter went to Hanover on

Mrs. E. O. Lawrence, Melbourne street, is the possessor of a remarkable plant which is indigenous to the Pacific Coast but is rare in the East. It is named "The Angel's Trumpet" and bears flowers on a tall stalk, with long, slender leaves. The flowers are white and trumpet shaped, of immense size, nearly six inches in length, and of corresponding breadth. It is a night-blooming flower, folding up at the approach of daylight into the smallest possible compass, the lines of folding being well marked, and expanding towards evening into a lovely blossom. The odd floral shape has attracted considerable attention since it has been in bloom.

Mrs. Albert G. Plummer, Alexander street, is doing well after an operation at the Sherbrooke Hospital, and expects to return home in about ten days.

When the musical spectacle, "The Prince of Tonight," comes to His Majesty's Theatre next Monday night, Nov. 9th, the theatre-goer will be entertained by some excellent singing, voices that blend in true harmony, and all that has been arranged by the musical director, Monsieur Omer Hebert, a clever French-Canadian, who made his home in Valleyfield, Que., for years and whose parents still reside in that city.

Monsieur Hebert was born a musician for when a mere boy he was playing in the Valleyfield Band, and often remarked to him that time that his one desire was to become a musical director, and now through constant efforts he is not only musical director of this delightful musical spectacle, but is general musical director of all the Le Comte and Flesher attractions and during the summer months is assigned to engaging the musical talent for their several companies.

Monsieur Hebert is considered by his brother musicians one of the ablest directors in the theatrical business, for his art of teaching close harmony is surpassed by none. There seems no end in sight as to what goal Monsieur Hebert may attain, for he is now only a young man and has come to the front like a meteor. Composition seems to now be his intention and if he directs his entire time to this particular branch it is safe to say that he will be equally successful. He has composed several selections and interpolated in the score of "The Prince of Tonight" is one of his compositions entitled "Mean Moon Man" for which he is responsible for lyrics and music.

Monsieur Hebert has many warm friends throughout Eastern Canada, and it will be good news to his friends in this city to know of his visit here and also to learn of his splendid success in his musical profession.

TELLS OF JOURNEY FROM BRUSSELS

MRS. EVA JONES WRITES TO HER BROTHER, MR. JOHN FALES, OF SHERBROOKE.

Letter from London, England, from Mrs. Eva Jones, Red Cross nurse, to her brother in Sherbrooke, Mr. John Fales, October 21:

"As you see, I am once more in civilization. We left Brussels October 5, 128 in number, all British Red Cross nurses, and were shipped through Germany at the convenience of and by whatever route the Germans chose to send us. After four days' very uncomfortable travel in fourth class carriages, sometimes without heat and at others with too much heat, with three feeds by the Germans in the four days, and many other vicissitudes, we arrived in Denmark and at once our German military guard left us, and the air was different. Even the children were friendly, and men, women and train guards smiled and waved at us from every hut and farm we passed. At Copenhagen the hospitality of the Danes knew no bounds, and we were taken to see all the points of interest, dined and entertained in a most lavish way by everyone, each vying with the other to do us honor. We left there on the 9th, going through Sweden and Norway and taking the boat at Bergen for Newcastle; arrived in England, receiving a very hearty welcome from my hostess, Miss Wyatt, whose brother I met in Brussels, and with whom all the nurses left Brussels at the invitation of the Germans. I hope to go to the Continent again, this time to care for our own wounded, that is, the Allies, and do not expect to return home until the war is over."

their friends to accompany them. Choir practice on Friday evening at eight o'clock.

LATE EDWARD ROBERGE.

The funeral of the late Mr. Edward Roberge, who passed away at his residence on Murray street, East Sherbrooke, after a short illness, took place Saturday. Mr. C. E. Therrien, M.P.P., acted as conductor and the pall bearers were Messrs. D. Dufour, P. Siméon, F. H. Hebert, C. Morissette, Thomas Fortier and Rosario Darche. The bearers were Messrs. Arthur Chevalier, C. Beauchêne, Joseph Siméon, Alfred Dion, G. Bégin and Willie Lacroix. The Knights of Columbus were well represented in the funeral cortege and by a magnificent cross on the casket. The mortal remains were conveyed to the station, thence to Montreal for interment.

PROF. SAWDON'S VIOLIN RECITAL.

Music lovers have the opportunity to hear a programme of rare merit at Bishop's College tonight. When Prof. Sawdon commenced the ordeal—four years ago—of establishing the Sherbrooke Symphony Orchestra, his other duties compelled him to forego his favorite instrument, the violin. Now that the standing of the orchestra is assured, he tonight, in the first of a series of recitals, resumes his violin playing on the standard of his old country reputation. His playing last Thursday before the boys of the school revealed his best form and there is no doubt but that tonight's recital will be a musical treat. Those assisting are Miss Stella Hawkins, Mr. F. W. Colwell and Mrs. (Dr.) Farwell. The proceeds are towards the Patriotic Fund.

Y.W.C.A. NOTES.

The third in the course of lectures on First Aid to the Injured will be given by Dr. Lambly this evening in the Y.W.C.A. Hall.

Next week being the annual Week of Prayer in all Y.W.C.A.'s throughout the world, a short service of prayer and song will be held every evening during the week in the Association Hall Wednesday evening, when the secretary will be glad to meet any young girl who wishes to improve her education.

WORK OF VICTORIAN ORDER OF NURSES IN SHERBROOKE.

The regular monthly meeting of the Victorian Order of Nurses was held yesterday. Mrs. T. M. Craig presided. Mrs. Jack McKill, convener of the Relief Committee, reported that the demand for clothing had been considerable, but less than usual for food or nourishment for the sick. Ways and means of raising funds for the inevitable work of the winter were discussed and plans formulated.

The report of Miss Orford, Victorian Order nurse, showed that splendid work along various lines had been done during the month. The number of visits was 154. Total number of cases nursed, 19; sixteen visits of investigation made for the Patriotic Association; 25 visits in connection with child welfare, also instruction given on care and feeding; lecture on "First Aid" to the Girl Guides, etc. It will be seen from the report that the work of the District Nurse is fast expanding and that her experience and knowledge are of great advantage in the local work in connection with the war.

IN AID OF LENNOXVILLE PATRIOTIC FUND.

The Halloween tea and entertainment in aid of the Lennoxville Patriotic Fund, which took place Saturday evening in the Town Hall under the auspices of the Ladies' Aid of the Methodist Church, was a gratifying success, and the receipts were especially satisfactory. The decorations of the hall were admirably carried out in harmony with the season. All the lights were shaded with paper "jack o' lanterns" of weird design, and the numerous white covered tables where tea and refreshments were served, were adorned with pumpkin candelabra, while one huge specimen near the entrance shed a yellow light.

The "Midway" with its various devices was a source of joy, especially to the younger visitors, and the homemade candy stand, where sweets were dispensed, and the fish

TRADE PAMPHLETS

SHERBROOKE BOARD OF TRADE

HAS LARGE AMOUNT OF INFORMATION ON TRADE SUBJECTS.

In these times of trade readjustment the British Board of Trade is taking an active part in securing trade, not only for the British Isles, but for all the self-governing colonies which form the British Empire.

The Board of Trade Journal, which is sent out at regular intervals, contains valuable information relative to trade expansion.

SPECIAL PAMPHLETS ISSUED.

Special pamphlets have been issued for all classes of articles manufactured in the British Empire, which formerly met with competition from similar goods manufactured in Germany and in Austria-Hungary. These pamphlets are very complete and show the extent to which the Germans and Austrians exploited the markets of all countries in competition with Great Britain. Although very concise, the information given in these various pamphlets is complete, and it should do a great deal in the way of giving the British manufacturers an intelligent grasp of the situation.

SHERBROOKE BOARD OF TRADE TAKES ADVANTAGE OF SERVICE.

Following an offer made by the British Board of Trade to give out detailed information to all interested parties, the secretary of the Sherbrooke Board of Trade wrote to the Commercial Intelligence Branch, setting forth the principal industries being worked in Sherbrooke, and asking for information which might be of value to them.

In response, there has arrived from the London Bureau a number of small pamphlets giving facts and figures regarding goods in the list given below.

There is a special pamphlet for each line. These are now on file in the Board of Trade office, and all interested parties are invited to examine them. The pamphlets received are under the following titles:

1. Tubes, pipes, fittings of iron and steel.

pond also proved most attractive. Fortunes were told and the future predicted by a veritable gypsy in a striking and very handsome costume. A tall, ghostly "spook" acted as cashier, and the younger attendants wore black masks and tall witches' hats, while the elders were distinguished by caps and aprons decorated with black cats, sacred, like many other traditions, to All Hallows Eve.

During the evening excellent music was furnished by Mr. F. Steele and his son, with violin and clarinet, and Mrs. H. McFadden and Mrs. Brown relieved each other at the piano. When the now familiar "Tipperary" was heard, all joined heartily in the swinging song. Much amusement was caused by Mr. Forrest Lord, who, in a fantastic costume, was an ideal organ grinder, and did most effective work.

The convenor, Mrs. Hugh McFadden, and the members of the committee are to be congratulated on the result of their patriotic work.

That Open Door

"The cold November days have come. As they have done before. And now we hear the old-time cry: Say! Will you shut that door?" J. P. W. Jr.

But the "old time cry" is growing less in evidence as the Liquid Door Check becomes more universally used.

No boy in brass buttons will close a door more softly, or more surely than it will, and the Liquid Check isn't always looking for an easier job. The price may be a trifle high but it is saved ten times over in the prevention of shattered nerves and shattered glass.

PATRIOTIC WORK AT FRELIGHSBURG

Frelighsburg, Nov. 3.—(Special)—A true patriotic spirit is very manifest in this little village and vicinity the past two months, in which about \$350 has been raised for patriotic work. First the L.V.I.S. voted \$25; the W. A. gave a short play, realizing \$32; then a baseball game was played, adding \$17. On September 13th the ladies organized a Patriotic Society, meeting every Tuesday, to make useful garments, etc., for the soldiers on the battlefield, or in hospitals. In the meantime a social concert, and an old fashioned dance have been given to raise funds to carry on the work, in which every one responded most heartily. Two boxes have been sent to the Belgians, containing 22 pairs of boots and shoes; 25 men's undershirts; 10 vests; 12 coats, 9 boys' and men's caps; 8 pairs of pants, 6 sweaters, 14 neckties, 2 pairs leggings, 12 pairs stockings, 19 suits women's underwear, 23 skirts, 10 dresses, 36 blouses, 37 ladies' jackets, 3 suits, 14 children's coats, 22 dresses and blouses, 2 night shirts, 2 quilts, 11 blankets, and a

SUCCESSOR TO BISHOP DUNN

Names of Rev. Dean Williams and Bishop Thornloe Are Prominently Mentioned

SPECIAL MEETING OF THE SYNOD OF THE DIOCESE WILL BE HELD ON DECEMBER 16

Quebec, Nov. 3.—The names of the Very Reverend Dean Williams, Quebec, and Bishop Thornloe of Algoma, formerly Rector of St. Peter's, Sherbrooke, are prominently mentioned in connection with the vacancy caused by the retirement of His Lordship Bishop Dunn of the Anglican Diocese of Quebec, which became effective on Sunday. A special meeting of the Synod of the Diocese will be held on December 16, to name a new Bishop. His Lordship the Bishop and Mrs. Dunn sail for England on Thursday next. At the morning service in the Cathedral inside the sanctuary rails, with the Very Rev. Dean Williams on his right and the Ven. Archdeacon Balfour on his left, addressed a few words to the congregation, bidding them an affectionate farewell. The scene was a most touching one, as the venerable prelate spoke and all present were deeply moved with His Lordship's words, and he himself was visibly affected.

WILL HOLD PATRIOTIC BAZAAR.

Coaticook, Nov. 3.—(Special)—A Patriotic Bazaar is being planned for by the leaders of the Patriotic Society which is to be held the last Thursday and Friday in November. It will be a Bazaar of the "Allies," which will consist of six booths, Canadian, French, Russian, English and Belgian. The Belgian Booth will be a memorial booth, in which all funds raised by the ladies will go to the Belgian Relief Fund. The hearty support of all in and around Coaticook is looked for by the officers of the Society who feel that the event will be one of considerable interest and should bring a good result.

COOKSHIRE LADIES PATRIOTIC.

Cookshire, Nov. 3.—(Special)—An important meeting of the Ladies' Patriotic Society was held at the home of the President, Mrs. R. H. Pope, last Friday afternoon, there being 35 members present. The ladies spent the whole afternoon knitting Balalaeva caps, shirts and pyjamas for the Canadian soldiers who have gone to the front and much praise is due the members of this society for their wholehearted efforts in behalf of this laudable work of providing the soldier boys with suitable winter clothing which will soon be much needed. The next meeting will be held at Mrs. F. E. Osgood's, on Friday evening, Nov. 6th, at 7 o'clock sharp, when it is hoped there will be a good attendance. Let everyone in some way, do his share in this great work now being carried on throughout the Dominion.

GOOD WORK AT CLARENCEVILLE

Clarenceville, Nov. 3.—(Special)—The entertainment held in Empire Hall, Clarenceville, under the auspices of the Clarenceville Branch of the Red Cross Society, was a splendid success. An admission of 15 cents was charged, and the proceeds amounted to \$54. If the weather had been fine, no doubt \$100 would have been raised. The singing by the gentlemen was much appreciated. The solos by Messrs. C. L. Young, Samuel Nester and J. L. McCabe, with Mr. Frank Young, Rev. Hubert Coffin, Messrs. Chas. Hewson and J. A. Tipping joining in the choruses, made a good combination, having all four parts. The quilt presented to the Red Cross Society by Mrs. Samuel Usher, valued at \$10, was drawn by Graham Macfie. The three large boxes sent to the Belgians last week as a contribution from Clarenceville and St. Thomas were worth about \$100.

FINE ENTERTAINMENT AT BISHOP'S CROSSING.

Bishop's Crossing, Nov. 3.—(Special)—An oyster supper was held in the Town Hall on Friday evening in aid of the Patriotic Fund of Duds-well and Marlton. The supper was furnished by the Ladies' Guilds and Ladies' Aids of Marlton and this place, assisted by friends. A quantity of the oysters were donated by Mr. Precourt, of Duds-well Jet., while the

INOPTORTUNE TIME FOR ACTION

Mayor Refers to Action Now Pending in Connection With Jenckes Machine Co.

CITY COUNCIL WAS LOOKING INTO MATTER, AND NO ASSISTANCE OF RATEPAYER WAS REQUIRED.

At the Council meeting last night, reference was made to the writ of mandamus which has been served on the city calling upon the Council to take measures to force the Jenckes Machine Company to return the loan made by the city on the ground that the company was not fulfilling its obligations. The Mayor said that at the next session of the Council he would introduce a by-law to amend the present by-law and which he thought would fully protect the city's interests and satisfy those who had taken the action. The Mayor said that the Council had already been attending to the question of the obligations between the Jenckes Machine Co. and the city and it did not require any ratepayer to take action against the city. This course was, he thought, somewhat of a reflection that the aldermen did not do their duty. The matter was receiving the city's attention, and, moreover, the present was a most inopportune time for an action of that kind as probably no living person had seen such conditions which now prevailed not only in Canada but all over the world.

remainder was given by some of the citizens of this place. At the close of the supper two contests which had been prepared were passed around for guessing, and which were, the weight of a cake and number of peas and beans in a pint jar, which also contained a one dollar bill. The former contest was won by Mr. R. M. Bishop and the latter by Mr. O. W. Cunningham.

An entertainment was then given which consisted of: Piano solo, "Napoleon's Last Charge," by Miss Maud Rolfe; chorus, "The Maple Leaf Forever," speech, the Rev. E. deGruchy, in French and English; tableau and chorus, "Tenting To-night," solo, "Sentinel Asleep," Mr. H. Harrison; speech, Rev. G. A. Mackintosh, of Sherbrooke; chorus, "We are the Soldiers of England's King," the words of which were composed by Mr. J. R. Andrews of this place; chorus, "It's a Long Long Way to Tipperary," chorus, "The British Navy," chorus, "We'll Never Let the Old Flag Fall," the verses of these three choruses were sung by Mr. R. C. Rolfe, and the words of the latter were composed by Mr. J. R. Andrews; "La Marseillaise," sung in French and

Gilbert on the guns, cannon, bullets, etc., which were used in the tableau, "Tenting To-night." The singing of "God Save the King" now brought the programme to a close. Dr. M. S. Macdonald, Mayor of Marlton, having acted as chairman.

Mr. A. Newman then auctioned off the remaining cooking from the supper, while the upper part of the hall was cleared for dancing which lasted for some hours.

The ladies who did the town collecting brought in about \$340 and the proceeds of the evening amounted to about \$145, a total of about \$500. Dr. Macdonald who had the entire management of this successful evening, deserves much credit for his untiring efforts to make it a success, both socially and financially, which were fully realized.
