Health Talk Health Meal At Rotary

It was ladies' night and health night and also another triumph for Len Beaupre at Rotary Club Monday in Shawville.

The ladies had been especially invited to hear Dr. Rabb's exposition on health services in Pontiac and also to taste and test Len's disposition of meat and vegetables in the most healthful manner.

Health in our County, said Dr. Rabb, is protected by an overall program of prevention which covers vaccinations, inoculations, polio and TB control, sanitary garbage disposal, water supply, milk supply, housing control, location for schools, industrial accidents, road accidents and drownings. Dr. Rabb's department also records vital statistics which revealed in 1958 in Pontiac 160 marriages, 623 births of which 20 were still-born and 227 deaths. With his able staff of assistants, Dr. Rabb looks into causes of all these things and works for the betterment of conditions incessantly.

Dr. Rabb advocated education as the best way to improve. He deplored the fact that local youngsters drop out of school to soon. Canada-wide, said Dr. Rabb, the picture isn't good either. He reminded us also that in Russia everyone is studying which has serious implications.

Returning to the subject of public health, Dr. Rabb finished up with a translation from a French proverb: "Good health is born of the earth, the sun and the cooking pot."

Returning to the subject of the cooking pot, the secret of vitamin preservation in the special "health week" meal was cooking each item separately in a jacket of foil.

Guests of the evening were Drs. McDowell, Green and Armitage with Rotarian Dr. Horner also being seated at the head table. Dr. Horner introduced the speaker, Nellis Hodgins thanked him and Mrs. Harland Rowat played for "The Queen" and "O Canada".

"Dirty Work" Will Keep You Aroused

By Albert Armstrong

Monday, Feb. 9th and Tuesday Feb. 10th at 8 p.m.

Well folks do you like a play that keeps you aroused from the time it starts until it finishes? We have just that play in the Shawville High School Auditorium. In this play there are heroes, villains and everything it takes to make an exciting play. In this you will see only Shawville High School pupils acting it out. If you would like to see a good play acted out with good actors, come out and bring your friends. "There are going to be two big nights only", Monday, February 9th and Tuesday February 10. Starting time of the play is 8:00 p.m. Be there early and get a good seat. The prices are very cheap for this extremely good play. Prices 25c and 40c.

Hospital Drive Nets \$300

Last week The Equity carried a report that the recent drive for funds by Pontiac Community Hospital netted a total of \$200. Mr. Tom Barclay, Hospital Administrator, has advised The Equity that Producers Dairy has this week made a donation of \$100 to the Hospital, bringing the total proceeds to \$300.

Columbus Clubs Annual Ice Carnival

The Pontiac Columbus Club held their annual Carnival at the Vinton School rink Sunday afternoon. A large crowd was on hand to watch Broom-ball, judging of costumes and races. The President of the Club acted as Master of Ceremonies. Judging the costumes were Rev. J. Legree of Campbell's Bay and Mrs. Audrey Leclair of Vinton. Prize winners were as follows: Best costume Gwen Wrinn. Girls up to 10 years D. McGuire. Boys up to 10 years Jim McGee. Girls 10 to 15 years Denise Morin. Boys 10 to 15 years Mike Sloan. Girls 16 years and over Eileen Desjardins.

In Broomball Vinton defeated Campbell's Bay 2 to 0 in the first game and Bryson trounced Vinton 1 to 0 in the second.

Public Speaking Contest Fri. 13

Pontiac Schools to have a Public Speaking Contest as part of an effort by the Pontiac Teachers' local association to try to encourage more competitive activities among the schools throughout the county, a public speaking contest is being held in the Shawville High School Auditorium, Friday February 13, at 8:00 p.m. The contest is being waged in three divisions, Junior A, Junior B, and Intermediate. Children eligible for Junior A must be in grades 4 and 5; Junior B, 6 and 7; and Intermediate, grades 8, 9, and 10.

Each school is to pick a finalist in each class or level to represent it the right of the contest. Schools with limited number of pupils or grades may enter a contestant in only one, or two of the classes. Some of these pupils have been quite some time preparing their speeches and it is hoped that there will be a good audience to give them encouragement; besides many will be surprised by the skill of the competitors, and will enjoy a Friday evening listening to speeches, some profound, others light and humorous, on topics as varied as the encyclopedia.

The chairman for the event will be Dr. Wallace Hodgins, timekeeper Rev. Gerard of Bristol, and the winners will be determined by three judges. Mrs. Paul Martineau, Campbell's Bay, Rev. Johnston of Shawville, and Mr. Leonard Coyne of Bryson.

Other inter-school contests to be held this year will be a square dancing competition in Ladysmith in April and a track meet in Shawville later this spring. A ping pong tournament is also being planned for next October.

In the public speaking contest on Friday the 13th judging will be on the basis of material, delivery, stance and time. The intermediates will speak 5 minutes and the junior 2 minutes. In the intermediate category contestants will also give an impromptu speech.

Kevin O'Brien of Bryson was the winner in the Club draw.

Following the games a bean supper was served by the wives of the members.

J. A. Tolhurst Will Be Hard To Replace

(by R. D. D.)

After twenty years of close association with Shawville High School, Jack Tolhurst has this week announced his intention to move away from here at the end of the present school year.

This resignation has not come about suddenly or for any particular reason but has come as the result of a lot of thought on the part of Mr. and Mrs. Tolhurst who feel that a change now would benefit all concerned.

"J. T.", as he is affectionately called, came to Shawville first in 1937 to teach grades 8 and 9 and Latin in grade 11. With a BA from McGill University, five months in the Student Mission field in Saskatchewan, three years teaching here, one at Noranda, a further principal's course at college and a year as principal of Dundee Intermediate School, Mr. Tolhurst was well qualified in 1942 to take over as principal of Shawville High School, replacing Mr. Cedric Douglas who went to Westmount High.

In 1942 Shawville had a few more than 300 pupils, 11 teachers and 11 rooms, counting the home economics area in the basement as a room. Most pupils in the school came from Shawville village as there were no busses nor snowmobiles. Those children from Clarendon who wished to take grades above 8 would come into Shawville to board for the winter months. There were 15 little one room schools in Clarendon.

One by one, during Mr. Tolhurst's terms here, the one-room schools closed and their pupils were brought in to come under his influence in the ever-growing Shawville High School. Overlapping into makeshift classrooms in the Hynes building (now Pontiac Bake-shop), the old school basement, the old Shawville Theatre (now Ruby's restaurant) and even into the dining hall in the Shawville Fair's big agricultural building, the extra children finally found safe, comfortable, haven in the brand new school on Center

Quebec Legion President Attends Pontiac Branch Banquet

Seventy two new members were listed for initiation at the Canadian Legion Pontiac Branch 162 Annual Banquet last night. Among the new members was Mrs. Lloyd C. Fulford, the former Margaret A. Caldwell (CWAC) who thus became the second distaff member of the Branch. Mrs. Chas. Routliffe whose husband is a Vice President was the first woman legionnaire in Pontiac.

Guest of honor at the banquet was Brigadier Trudeau, CBE, Provincial President. His

message was one of explaining the origins and purposes of the Legion organization and describing some of the good works being done.

Brig. Trudeau said as veterans get older their needs increase and at the same time their numbers decrease. This presents an ever changing problem to Legionnaires.

A very solemn installation service was performed by the Provincial Secretary Keith Wooley. The officers for 1959 are Pres. Andre Audet; Vice Presidents Ted Colton, Charlie Routliffe and Bill Fletcher; Padre, Father T. F. Tait, Secretary Billy Mousseau, Treasurer J. L. Muir, Executive Directors Neil Wilson, Joe Wrinn, Bill Black, Earl Bean, Sgt at Arms Tom Mousseau.

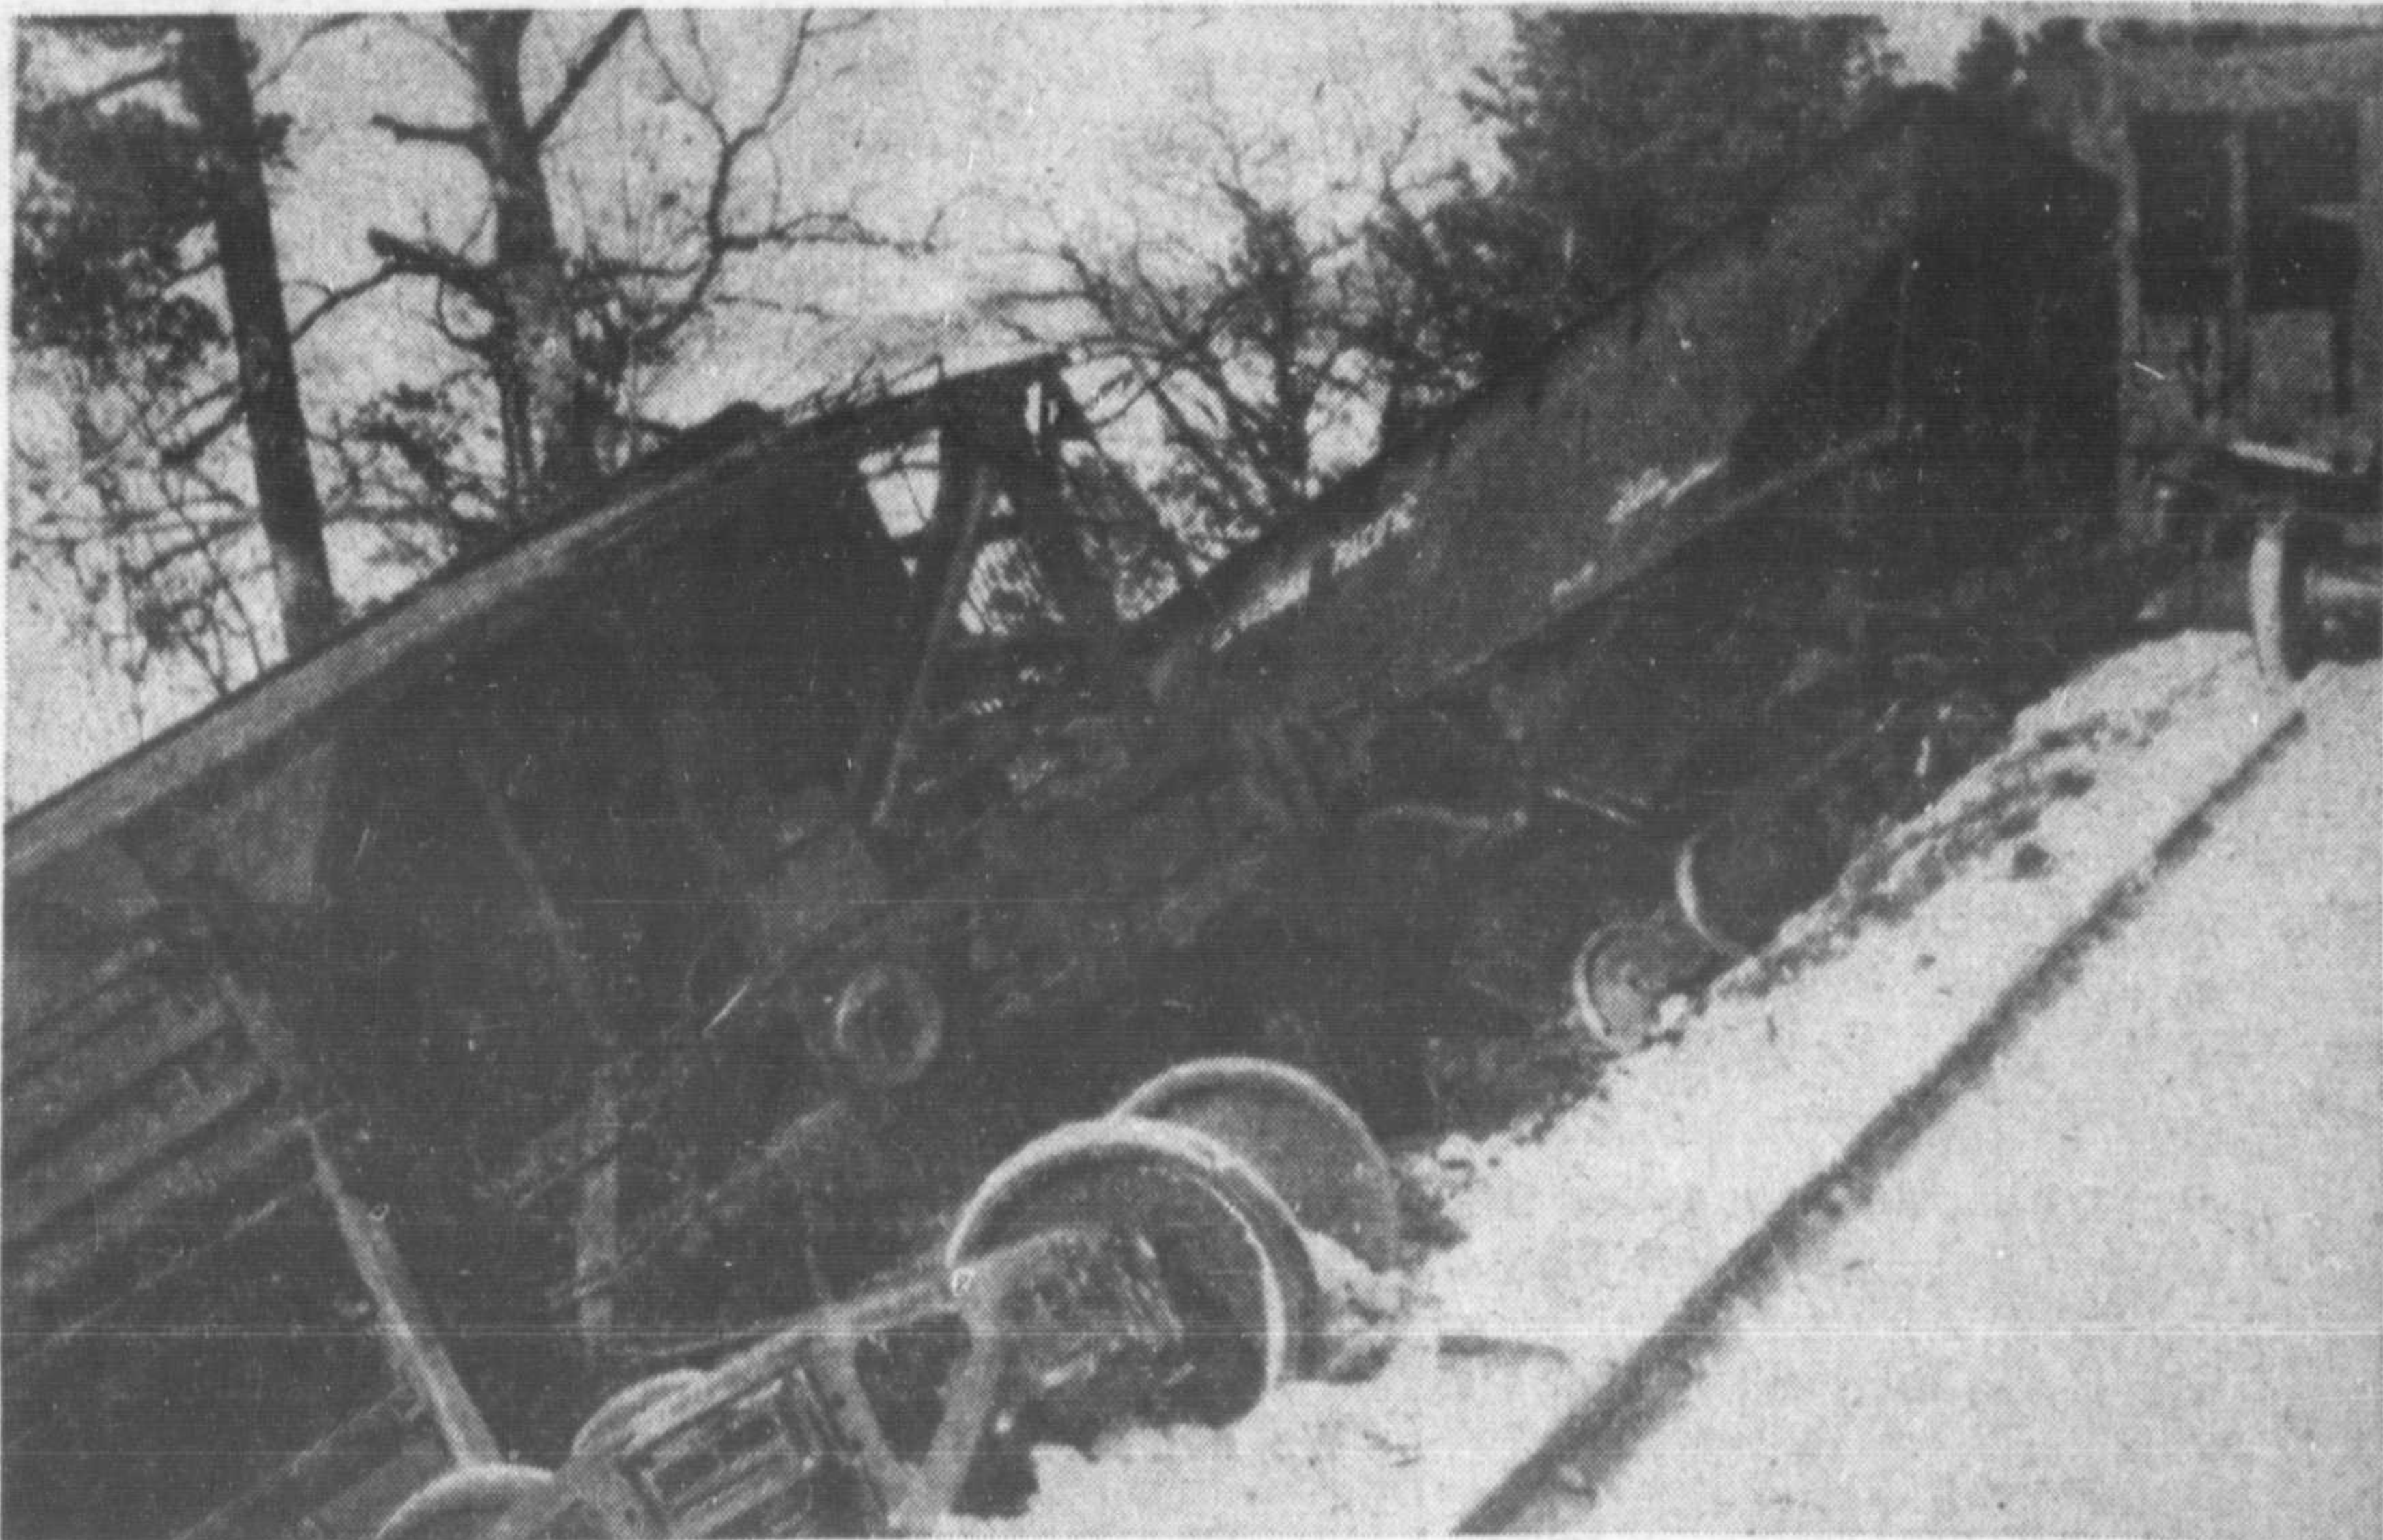

Comrade Bill Kenney assisted in the installation of officers, played the piano for singing and later for dancing, organized the collection for the March of Dimes during the evening and also assisted at the initiation of new members which was performed by Brigadier Jack Gillies.

At the head table were Mayor Dave Lunam of Campbell's Bay with Mrs. Lunam, Treasurer Jean Louis Muir and Mrs. Muir, Padre Father Tait, President Andre and Mrs. Audet, Prov. Pres. Brig. Trudeau, Prov. Sec. Keith Wooley, Brig. Jack Gillies, Mrs. Ray Johnston, Past Pres., Dick Bowie and Mrs. Bowie and Secretary Bill Mousseau.

Past President Dick Bowie told of the activities of the year in the Pontiac Branch. He said Shawville members supported the Bingos well and went home with 99 percent of the prizes. Dances were also a big help to finances of the branch. \$500 was spent on the polio campaign with three local children being fitted out with braces at Montreal. Sports, especially hockey, were supported by the Legion but the main objectives at the moment are raising money to pay for the hall which had to be built when the old Legion headquarters burned down.

Treasurer Muir gave an interesting report about the financial position of the branch but urged members not to rest on their laurels but to keep up the good work.

AN ERA SOON TO END

An era is coming to an end. Fortunately everyone has been given lots of warning so the next era can be planned and prepared for. There is plenty of time.

Mr. J. A. Tolhurst will have completed his seventeenth year as principal of Shawville High School in June of this year. This will be his last year here. From then on every one of the myriad big and little responsibilities taken on by "J.T." will have to be shouldered by others.

If our departing principal has one glaring fault it is that of doing more than one man can do. For him this is possible by working about twenty six hours a day and completely dedicating himself to his work here. But for any other to take over all his reins will not be easy.

The school board is now faced with a big responsibility. This is to pick a man to carry on where Jack leaves off and propel the school forward through the storms and stresses which it is bound to encounter. This new man has got to be good — there are no two ways about it.

In the past the school board has often turned the chore of teacher hiring over to someone else. When mistakes have been made Jack has always been able to juggle things around somehow to make the best of it. Now they will be on their own. If the elected members of the school board don't shoulder their responsibility conscientiously — if they allow a mistake to be made in this very important replacement — they'll be in hotter water than ever before and Jack won't be around to pull them out.

This is worth thinking about.

STRICTLY FOR THE BIRDS

Naturalists have in recent years become alarmed about the disappearance, and, in some cases, extinction of certain forms of wildlife. One reliable Canadian authority figures that from now on man can expect the disappearance of at least one form of life every year. In the balance of nature this can be exceedingly dangerous since every form of life contributes something to other living creatures. Wild birds, for instance, destroy insects which cause millions of dollars damage to farm crops.

The feeding of wild birds in wintertime by private citizens in one way in which the trend towards extinction of some species can be slowed down and halted. To this end the Audubon Society of Canada has made available to the public blueprints for the construction of a wind-vane bird feeding station. Copies of this plan are available free of charge and may be obtained by writing the Society at 423 Sherbourne St., Toronto, Ont.

The service at St. Andrews Presbyterian Church on Sunday morning last must, we believe, have established some kind of Canadian record. We doubt if it will be equalled anywhere, anytime. Any regular Sunday morning service at which the men outnumber the women is worth recording we think. The actual % of attendance was 63.1% men and 36.9% women.

Writing last week in this column about the recent controversy between some of the Caisses Populaire and the chartered banks, we noted that "in our corner" there were no caisses anywhere. Well, of course, we were wrong. There are active caisses at Calumet Island at Fort Coulonge, and at Luskville.

The MayLee Service Station break-in last Sunday night netted some chewing gum and candy for a very unimaginative crook. His license number has been given to Det. Audet.

We don't care what it says on the truck door, so they open it occasionally and shake a little salt out.

Bryson Council Joins Highway 8 Petition

The following important resolutions were adopted unanimously at the regular Council Meeting of the Municipal of the Village of Bryson, Que., held in the Town Hall Monday evening Feb. 2 at which all Councillors and the Mayor were present.

Concerning Winter maintenance of Highway No 8 in Pontiac and Gatineau counties to Aylmer, Que. "Be it resolved, That this Council join with Dave Dickson and The Equity in their effort to have the Provincial Government take over the maintenance of Highway No 8 with their own equipment and roadmen during the whole year and that the yearly tender for snow removal as is the present practice, be discontinued.

The second resolution concerning Municipal Finance as suggested by Union of Electors reads as follows.

"That this council request the Federal government to take the necessary steps to provide that the Bank of Canada should finance, through advances of Credit free of interest, those Municipal developments which are necessary to meet the needs of the people, thus freeing the council from the tasks of having to negotiate loans charged with interest rates, which latter increase very considerably the taxes which have to be imposed upon the taxpayers.

"That this Council ask the provincial government to press the Federal Government to obtain the financing of Municipal developments through advances of credit, interest free, by the Bank of Canada.

That this Council should send a copy of this resolution to the Prime Minister of Canada, the Premier of the Province and to the Federal and Provincial representatives of this constituency and to the press.

Things should improve — South Onslow is buying salt for No. 8.

Things should improve — Bryson Council joined the petition to get No. 8 looked after.

Things should improve — feeling is so strong that poems are being written about the highway.

Things should improve — our first count of signed petitions shows 129 people from Sheenboro, Waltham, Davidson, Campbell's Bay, Portage du Fort, Ladysmith, Charteris, Shawville, Maryland, Bristol, Norway Bay, Wyman and Quyon (as well as the entire Village of Bryson through its council) want the provincial government to take over the winter maintenance of Highway No. 8 and to ensure safe driving there at all times. Anyone who wishes to help get this accomplished can still send this names to Dave Dickson at Pontiac Printshop. Don't put it off.

Among the winners of the Eastern Star Card Party held Wednesday, Feb. 4 were: Canasta, Mrs. Mickey Hodgins; Bridge Head, Mrs. Wm. Shaw; Euchre, Perley Belsher; Door prize, Mrs. Percy Belsher. Numerous other prizes were drawn for.

No, No, Mr Coyne

Editor, The Equity,

Its astounding to read the economic remedies put forth by such organizations as the Chamber of Commerce to cure this boom depression, as Emelio Lemaire calls it, that our country has gotten into during the past few years. Of course during war time nothing like this happens, this is the time we kill off the youth of our country.

(No, no, Mr. Coyne, we kill off the youth of other countries. Ed.)

This does not disturb anybody, but now in boom-depression times the Chamber is quite disturbed. Note, Mr. Editor, the firm steps they urged—on the government in their annual submission. Taxes must be cut; no further welfare; and labor to be put in a straight jacket; long term credit to exporters, as we must export or die, no more annuities; subsidize industry and hold a World's Fair. What abortive efforts all his adds up to, Mr. Editor, especially from supposed businessmen, who should know that their own livelihood comes from a mark-up on the original cost of goods, i.e. spent in national production by manufacturers this past year \$30,000,000,000. Going to the retail trade, this amount of production is marked up for retailers livelihood 50%, or to \$45,000,000,000. Now there is not any \$15,000,000,000 in circulation, so that the cure is that the Government should put into circulation this \$15 billion or whatever it would take to move all the goods at the retail level. In short, issue and control of money by the Bank of Canada and a National Dividend is what is wanted. Chamber of Commerce members do not seem to know this, so lets tell them Mr. Editor.

Leonard Coyne.

Ed. Note—Assuming that the above figure of \$45 billion were correct, which it is not, there would not, nevertheless, be a need for a total of \$45 billion of cash. Our correspondent overlooks the fact that each dollar in circulation is spent more than once in each year. If each dollar were spent even twice in the year, there would be a need for only \$22½ billion, and so on. This factor, known as the velocity of circulation, hits to the root of the inflation problem. The Bureau of Statistics has figures to show that the velocity of circulation has been increasing steadily dur-

South Onslow Orders Salt For Highway

A regular meeting of the Municipal Council on Onslow South Part was held on Feb. 2nd, 1959 at its regular place of business. In attendance were Mayor John McBane and councillors, Draper, Mohr, Kennedy, O'Reilly and Davis.

Minutes of the previous meeting were adopted as read, Motion Crs. Draper and Mohr.

Lloyd Balharrie visited the board re calcium for highway No. 8 to overcome icy conditions and to solicit business.

A letter from Honore Chagnon, assistant engineer was read re road condition at Beech Grove.

Lloyd Henderson took his chair.

Motion Crs. Mohr and Davis that a grant of \$50.00 be given Canadian Red Cross Society in answer to its appeal for funds.

An indigent card was presented and signed for Mrs. Mary Hamilton, Wyman, Que. Further correspondence was read and discussed.

F. Fraser visited the board re snow condition on Mohr Station Road and reported refusal of one ratepayer to allow snow to be put on fence.

Motion Crs. O'Reilly and Draper that 200 bags of road salt be ordered through Quyon Milling Co.

Motion Crs. Mohr and Hen-

ing the post war years, with two minor exceptions in 1954-55 and early 1958. The volume of money in circulation in the fall of 1958, the latest figures now available, amounted to something over \$13 billion. The economist from the Bank of Canada with whom we discussed the matter stated that this amount was actually much more than was actually required to take care of the total annual expenditures of the country. Large amounts, he said, are held in idle balances and do not normally enter into financial transactions from year to year.

And In This Corner We Have . . .

Quyon, Que. Jan. 31/59.

Editor Of The Equity, Shawville, Que.

Dear Sir,

I will not try to tell you in this letter MR. EDITOR how my blood boiled when I picked up this weeks edition of The Equity and saw your petition to try and bring about the plowing of No. 8 highway by the Gov't of the province of Quebec, but I have a few opinions on this matter which I will tell you and your readers. They are as follows.

In the summer when the temperature is 65 to 85 degrees and equipment is available and easy to work with and conditions are perfect for making and maintaining good roads, what do we get?

I will tell you MR. EDITOR. We have Gov't maintained roads in this district with wash boards that would make a sailor sea sick, with rocks in the middle of them that could only be described as junior Gibraltor's and pot holes that could without much exaggeration be called junior Grand Canyons. These roads are often three weeks or more without seeing a grader and if a snow-plow was used in this way by the Gov't the only way we would get up the Pontiac would be by helicopter, not No 8 highway.

As far as salt and calcium are concerned pay the local plowmen more per mile and they will put it on. The present contracts call for salt or sand on hills and curves only.

In the previous five winters I drove an average of over 100 miles per day six days a week, approx. two thirds on Que. roads (No. 8 Highway)

person that Lot 2b, Range 5 be transferred from Laurie MacKechnie to S. W. MacKechnie. Authority of a letter;

Estate of Xavier Chevrier be listed in the name of Dame Mary Alexandrine (Mrs. Xavier) Chevrier. Presentation of deed, Carried.

Motion Crs. Mohr and O'Reilly the following bills were ordered paid viz:-

For erecting snow fence Edward Kennedy \$27.00; Wm. Clark \$26.50; Cecil Hutton \$14.40; Wm. Carswell \$4.00; Fairbanks Hotel, council board \$9.19; Jos. A. Steele, Poll Clerk Jan. 14 and 19, \$12.50; John Robinson, constable Jan. 19th, \$8.00; M. Idena Fraser, Returning Officer Jan. 14 and 19, \$8.; Canadian Oil Co. Ltd., gas and oil \$46.39; Pontiac Printshop, ballots \$18.65; Mrs. R. Hache, assistance for M. Ayotte \$10.01; The Ward Agency Reg'd., Premium Quebec Workmen's Compensation \$100.00; Department of Social Welfare and of Youth \$350.90.

Tenders will be received for the supply of a 3-4 ton truck, heavy duty for the Municipal Corporation of Onslow South Part. Truck to be equipped with 5 speed transmission; 2 speed rear axle; 6 cu. ft. dump body and hoist, 900 x 20 tires of 12 ply nylon. Tenders marked as such to be in the hands of the sec-treas. by 6 p.m., February 17, 1958. Lowest or any tender not necessarily accepted.

An order for 300 lbs of Warble Fly Powder be given H. A. Kelley.

Motion Crs. Draper and Kennedy that application be made to Raymond Johnston MLA for the erection of a bridge with a 25 ft span on River Road at intersection of Mohr Station Road. Carried

Motion Crs. O'Reilly and Henderson that tenders be called for one Road Foreman and One Grader Operator. Tenders to be in the hands of the sec-treas by 6 p.m. Feb. 28th, 1959. Lowest or any tender not necessarily accepted. Carried

No further business this meeting adjourned on motion Cr. Kennedy.

M. Idena Fraser, Sec.-Treas.

and one third in the Province of Ontario, and let me tell you SIR the roads are as good here as anywhere else You must remember MR EDITOR that our winter conditions are to say the least extreme. I have seen as many others have seen on Highway No 8 west of Aylmer snow drifting from north to South and twenty five feet further down the road blowing from south to north and this often happens. In a country like this where the temperature can rise or fall sixty degrees in twenty four hours, where it may rain, sleet, snow and blow all in the same day and where it may blow at 20 to 40 M.P.H. for three or four days at a time. Do you MR EDITOR truly believe that if we had two or three (or more) plows in this district with VOIRIE written on the cab door that this would solve our winter driving problems? I can tell you SIR it would not.

No matter how good any of us are at our work or at operating our businesses whether it be snowplowing, editing a paper or operating a dry cleaning establishment we could always do better and I believe we should do better before we criticize someone else.

You SIR can do better by instead of criticizing if you would use your powers of the press to PRAISE the plowmen of Pontiac for doing a DARN-ED good job of all our roads under the worst possible working conditions in this part of the country.

Hoping you give this petition business a little more thought as you had obviously not at press time on Jan 29th before going any further with it.

Yours truly,
Lester J. McCann

Pontiacs Defeat Deep River Rockets As Preliminaries Near Close

By Arnold Garrison

The Pontiacs defeated Deep River Friday night to give themselves an undisputed lead in the Upper Ottawa Hockey League. It was a fast game and the teams were very evenly matched most of the way but Shawville seemed to be able to take advantage of their scoring opportunities and piled up 8 goals while Deep River only got 2. Ron Thomas did a great job in the Shawville nets and hopes he can get a shut-out in Deep River this Sunday. Horick (the referee) did a good job of playing "Rover" for Deep River and should, in the opinion of the writer take off the O.D.H.A. sweater and wear the one that he has earned; a play-ground crest.

Another Win For Shawville Pontiacs

By Arnold Garrison

The Pontiacs met the RCHA team in Pembroke last night in one of the hardest hitting games of the season and beat them 10-2. Richardson, Powell, and O'Donnell led in the points race; Richardson getting four goals and one assist, Powell getting three goals and two assists, and O'Donnell got one goal and four assists. Ray Young, Bob Findlay, and Cecil McTiernan netted one apiece. Ronnie Thomas did a outstanding job for Shawville holding the army scoreless till late in the third period when a shot deflected off one of the defencemen into the net. The other army goal was scored from a scramble at the side of the net.

The army team has defeated the Guards and Deep River in rough games recently and thought that they could do the same thing with the Pontiacs last night, but our boys held their heads through all the chopping, slashing, and boarding to take the game with a high margin. Only in the last

Big High School Basketball Night Planned This Friday

By Albert Armstrong

Shawville High School Auditorium, Friday night, February 6th at 7:30 p.m.

Just one more big win. Yes fans, if Shawville High boys can manage to beat the Aylmer High boys they will have won themselves a very lovely trophy, which any team would like to win. The Shawville High boys know it will be a tough game right until the last sec-

ond, and will be out to play good basketball. So fans come out and root for Shawville High this Friday night. Bring your friends for a thrill packed game. Prices are 25c and 35c.

Also Friday night there is a girls basketball game. Although the girls will not be in first place with a win on Friday night, they will be in second, a few points behind the first place team. The Shawville girls are doing very well and with hard practicing and playing may win in the finals. The girls will be playing the first game.

We musn't forget our juniors who will be seniors in the future. They will be playing host to the juniors of Aylmer. This is not a league game. Come out to an evening of enjoyment this Friday night.

Exerpts From Paul Marlineau's Radio Speech

Many of you have let me have your views on current events and trends and this certainly has been most helpful. Many others have spoken to me of the needs of the Riding as well of their particular wants and I have tried faithfully to fulfill these in conformity with the mandate which you have given me.

The rate of increase in unemployment has been checked and recent figures indicate a downward trend. This has been achieved by vigorous action on the part of the Government by expediting a national works

Quyon Fair Sets 1959 Dates Choose Spring Again - June 26-27

The annual meeting of the Pontiac Agricultural Society Div. C held in Quyon Town Hall. The president, Ronald MacKechnie was in the chair. The minutes of the last Annual Meeting were read and it was moved by Russell Taber seconded by Walter Clarke that they be adopted. Carried

The auditors report was read and on motion of Carman Inglee and Warren Campbell it was accepted as read. Carried.

It was moved by W. J. Clarke and seconded by S. P. Henderson that this Society request the authorities of Quyon to have their constable police the fair grounds. Carried.

Moved by Mrs. F. Fraser seconded by Mrs. Roy Wiggins that the minutes of meetings of this Society be printed in the Shawville Equity. Carried.

The business of 1958 being finished it was moved by Warren Campbell seconded by Mrs. Fraser that this portion of the meeting be adjourned. Carried

Mr. N. A. Drummond official agronomist for Pontiac addressed the meeting relating some of the changes in times since Quyon Fair started in 1920.

Moved by Warren Campbell seconded by Mrs. S. Henderson that Mr. Drummond be appointed chairman for the election of officers for 1959. Carried

Moved by Carman Inglee, seconded by S. P. Henderson that the board of directors be as in 1958 with changes as marked by chairman in prize

programme, by programmes undertaken in co-operation with the Provinces and by encouraging Canadians generally to undertake construction activities in the winter season. Financial aid will be extended by the Federal Government to assist the municipalities in the financing of works of certain projects which otherwise would not be undertaken in the wintertime.

The throne speech forecast an amendment to the Unemployment Insurance Act to permit greater flexibility for the payment of benefits to claimants.

The Prime Minister was able to state that during 1958 Canadians worked more, earned more, spent more and saved more than in any other period in their history.

I am happy to report that two post offices will shortly be built in our County, one at Campbell's Bay and the other at Fort Coulonge. Moreover, an Unemployment Insurance office has been established provisionally at the County seat of Campbell's Bay and it is hoped if the number of claimants using this office are sufficient that these facilities will be maintained and expanded.

W. A. Brown Writes

W. A. Brown has written a letter dated Jan. 31 to Dr. Herb Hannam, President of Canadian Federation of Agriculture, a copy of which was sent to us. The letter is one of congratulation to Dr. Hannam on an article appearing in the January issue of the CFA Bulletin. The article was entitled "New Term—Specification Buying".

As many of our readers are aware, Mr. Brown is a strong supporter of the principle of quality standards and competition in the marketing of agricultural products, and it was in this spirit that his letter was written to Dr. Hannam. He sums up this viewpoint in the closing paragraph of the letter where he states:

"If the standards are high enough and sufficiently publicized, competition should largely take care of price at home and abroad. Provision in the program should also be made for the role of Government in policing the standards of quality, the sanctity of contracts, and in curbing the vagaries of labour."

list and with the following additions:

Quyon, Mrs. Lester McCann, Wm. Burke and George Pickles; South Onslow, Mrs. Carman Inglee and Lorne Draper; N. Onslow, Leo Davis; Bristol Louis Harkness, George Pirie and Eason Russell; Eardley, James Kennedy and Robert Bronson; Clarendon, Llewelyn Hodgins and Melvin Young; Shawville, Lawrence Hynes and Claude Elliott.

A directors meeting followed and on motion of Ronald MacKechnie seconded by Warren Campbell that Sherwood Henderson be elected President for 1959. Carried.

Moved by Russell Taber, sec. Roy Wiggins that Mrs. Fred Fraser be 1st Vice President; Carman Inglee, 2nd and Marcel Beaudoin 3rd. Carried.

Moved by Marcel Beaudoin sec. by Warren Campbell that Gervase O'Reilly be re-engaged as Sec-Treas. for 1959 at a salary of three hundred dollars (\$300.00). Carried.

Moved by Russell Taber sec. by Warren Campbell that the Fair dates be June 26-27. Carried.

Moved by Mrs. Fraser, sec. by Mrs. Wiggins that the plan of operations for the year be the same as in 1958. Carried.

Moved by Carman Inglee sec. by Marcel Beaudoin that the Secretary write Mr. Raymond Johnston M.P.P. requesting a special grant to help the Society carry out its Agricultural program for the year. Carried

Moved by Russell Taber sec. by Roy Wiggins that a vote of thanks be tendered the retiring President. Carried.

It was moved by Ronald MacKechnie that this meeting now adjourn. Carried.

Gervase O'Reilly, Sec-Treas.

J. A. Tolhurst

Continued From Page One

Not only in the forming and carrying out of school policy was Mr. Tolhurst's influence felt among the youth. In his first years here he organized Trail Rangers and Taxis — young boys' groups in the United Church. He also taught Sunday School and became the Superintendent of the Sunday School of Shawville United Church. He also was associated for many years with the Scout Movement, first as a Scout Master, then on the Scout Group Committee of which he became chairman, then as District Commissioner of Scouting for the area.

Mr. Tolhurst also took a more than usually responsible place in the affairs of the adults of the community. He was a charter member of the Rotary Club, an active member of the Official Board of the church and indeed was in his early years here a veritable mainstay of the church, taking services in Zion, Starks Corners, Fort Coulonge and Davidson at regular intervals. To Zion and Starks, Mr. Tolhurst travelled by cutter in those days when roads weren't passable any other way. To Davidson and Coulonge he took the train to help out where there was no local minister.

Having been Shawville's most eligible bachelor for fifteen years, Jack took himself a wife, the former Ruth Howie, in 1956. Ruth, whose educational background is unequalled in Pontiac County, has been called on to help out at the school on several emergency occasions and can also be held responsible for the sleek healthy appearance of our Principal.

Nobody knows where Jack and Ruth are going after Shawville. Even they are not decided. But Equity spies are everywhere and the minute their plans are known they will be published.

Also nobody knows who will be the new Principal at Shawville High but whoever it is they will have one heck of a time filling Jack's shoes in the community.

Johnston, Marlineau and QPP's Convene At New HQ Opening

Saturday afternoon at the fall hotel a very impressive event took place. Impressive because of the representative gathering of members of the Provincial Police in Fonti-lac, their wives, our elected representatives in both Quebec and Ottawa and also their wives.

The occasion was the official opening of the new offices of Quebec Provincial Police at Campbell's Bay, including a very clean and cozy cell block.

Ray Johnston cut a ribbon assisted by Ed. Romain and Det. Andre Audet to mark the opening officially although the rooms have been in use for some months.

Entertainment for the men present was mainly in the form of refreshment including sandwiches and giblets by Glen Saunders. When there was nothing left to eat the stalwart members of Quebec's finest force furthered their entertainment by locking all the ladies present in the cells. The ladies

thereupon examined their confined surroundings, discovered that the six beds and limited plumbing available were not sufficient for their needs and then hit upon an ingenious method of escape which they implemented. (This method will never be divulged as all those involved have sworn secrecy).

A round of the modern offices where the police will find it easy to make out their daily reports and the exercise room for police to keep in training was also a feature of the afternoon.

(Equity photos were taken of the ladies present but will not be published as bars in the foreground destroy the pictorial effect of even the prettiest faces.)

The Campbell's Bay detachment of the Quebec Provincial Police has moved its headquarters into the Court House, Campbell's Bay, where its officers now occupy most of the basement in that building.

The contract for finishing and partitioning the basement was let to Russell Judd of Shawville. Fred Martin of Campbell's Bay did the plumbing; Jack O'Neill, also of Campbell's Bay did the electrical work and J. C. McManus & Son of Renfrew painted the new quarters. Plans were drawn by Detective Andre Audet.

The new quarters provide offices for Detective Andre Audet; for his secretary, Miss Jacqueline Romain; for Constable Bennett; for Traffic Sgt. Romain; and one large office for the traffic officers. In addition, there is a reception desk and switchboard, which will shortly be staffed 24 hours per day. For this purpose two new clerks will be hired.

The detachment is planning to have its own photographic unit and fingerprinting equipment. An additional officer is to be hired to take care of this aspect of the work.

The new quarters contain two cells which will house persons arrested but not yet charged or sentenced.

A shooting gallery, and a gymnasium are planned for the near future.

Det. Andre Audet, in charge of the QPP completed headquarters of the Detachment in Detachment, seated at his desk in the recently the Court House at Campbell's Bay.

St Pauls Anglican Vestry Meeting

Favourable reports presented at the Annual Vestry meeting of St Paul's Anglican Church, Shawville, held last week, indicated that Temporal affairs of the church were sound and considerable progress had been made during the year past.

Financial reports revealed an increase in giving to all phases of church work. The Missionary Budget had been oversubscribed and debt on the heating system reduced to \$285.00. Both Senior and Junior Guilds had busy and successful years resulting in generous contributions to church maintenance and reduction of debt. The Women's Auxiliary also contributed in money and materials to work beyond the parish through sustained effort in sewing and knitting. The Sunday School, Girl's Aux-

iliary and Junior Auxiliary were all reported in flourishing state, all meeting necessary needs in preparing children and youth for their place in the life of the Church. The Fellowship Group which meets monthly, brings together parishioners of all ages, was thought to occupy a helpful place in the social life of the congregation.

The rector re-appointed Allan Smith as his warden and Keith Brownlee was elected People's Warden. Other officers are: J D Brown and Wm Shaw synod delegates, with Dr W Hodgins and Leonard Horner substitutes. Nora Hodgins, Vestry Clerk; Mrs C Allan Merritt, Treasurer; L H Moore, Auditor. Cemetery Committee: Allan Smith, Keith Brownlee, Leonard Horner, Lawrence Hynes, John Storey. Elected to Select Vestry for three year term to replace Carmen Bretzlaff, Russel Judd and the late Clifford Schwartz

were: Leonard Horner, Elwood Cameron and Wm Smiley. Willie Lang and Cyril Dagg co-chairman of sidesmen, with Wm Smiley, Frank Hobbs, Ivan Thrun, E A Cameron, Elwood Dale, Keith Wickens, Pearley Smith, W S Hanna, George Coles, Donald Horner, J E Horner, Harold Hobbs, Harry Hodgins, Lennis Barr, James McCord, Merlin Woods, Elgin Hobbs, Victor Tanner, J F Hodgins and John T Dagg sidesmen.

The rector who presided, in his remarks reviewed the work of the parish for the year and had words of commendation for all who in any way helped forward with what the church is attempting to accomplish. He thanked the wardens for their interest and loyalty, especially mentioning Leonard Horner, retiring People's Warden who had occupied that position for the past sixteen years and had given valued leadership in many projects, and had seen many improvements in that time. Also mentioned were Women's groups, Sunday School teachers, Youth leaders, sidesmen, organists, choir members and caretakers.

It was decided to proceed with re-decorating the interior of the church building during the coming summer. The Select Vestry and a representative from each Women's Group to arrange for having this work carried out. The Vestry also voted to accept an increase in the Missionary Budget as requested by Synod Budget Committee.

After an hour and a half of strenuous business, at the close of the meeting, tea, coffee sandwiches and cake served by the women of the parish were enjoyed.

St. Luke Caldwell

Members of St. Luke's Church, Caldwell met at the home of Mr. and Mrs. Jas. Tracy lately for their Annual Vestry Meeting, with the Rector The Rev. R. G. Elliot presiding.

David Fraser presenting the Financial report showed finances in a healthy condition. As an extra contribution beyond the parish a donation had been made to the Montreal Diocesan College. Mrs J Tracy report for the Women's Guild indicated that the ladies had a busy year. Along with contributing to maintenance of the church and rectory help was also given to the local hospital. The Anglican Nesbitt Residence, and the Springhill Disaster Relief.

The chairman thanked the wardens for their continued loyalty, Mrs Tracy for her faithfulness as organist and other members of the Tracy family who see to it that the church is always comfortable.

Rector's Officers elected were Miss G Fraser, Vestry Clerk; David Fraser, Warden and Gordon Angus, People's Warden.

Coulange WMS

Fort Coulange—The January meeting of the WMS of Fort Coulange United Church was held January 28 at the home of Mrs. Howard Smith.

Mrs. G. E. Colton, president, presided, assisted by secretary-treasurer, Mrs. Anne Fumerton.

The meeting opened with the Heme hymn and Lords Prayer in unison, followed by routine devotional period.

The meeting goes on record as to appointment of Worlds Day of Prayer to be held in St. Andrews Presbyterian Church, Friday, Feb. 13th.

The raising of talent money by each member will be continued during 1959. Paying of dues was the order of the day.

The February meeting is booked for to meet at the home of Mrs. Fumerton. Meeting closed with prayer after which refreshments were served by the hostess and a social hour enjoyed.

St. Thomas Anglican Vestry Meetings

The Annual vestry meeting of St. Thomas' Anglican Church Bristol took place in the home of Mrs K Musgrove on February 1st 1959. The Rev E. McColl opened the meeting with prayer and presided at the meeting.

The Treasurer, Miss L Thompson reported that all financial obligations had been met and included in these obligations were the portion paid by the Vestry to the Organ Fund, and the increase in the insurance coverage. A bank balance of \$895.51 was on hand as of December 31st 1958.

The Guild reported a very successful year having met all obligations including a generous donation to the Organ Fund.

Mr Musgrove, Chairman of the Organ Fund reported that the organ had been fully paid for and that the Fund was being kept open in order to reimburse the Vestry for any expense that it may have incurred in the purchase of the Organ.

During the year the following had been placed in the Church, the new electric organ one pair of candlesticks in memory of the late Mr. Haughton, and one new collection plate donated by Rev W. Armistage in memory of his Grandfather.

It was resolved to increase the required apportionment to the Stipend and Budget accounts for 1959, for the general benefit of the Diocese.

The following Officers were elected for 1959:

Rectors Warden Mr R Thompson; Peoples Warden, Mr C Zimmerling; Vestry Clerk, Mr K. Musgrove; Treasurer, Miss L. Thompson; Synod Delegate, Mr K. Musgrove; Rectory Committee, Mrs R. Thompson, Mrs K. Musgrove.

ELECTRIC LIVING

BE SURE TO HAVE PLENTY OF "REDDY BOXES"

In the 79 years since Thomas A. Edison invented the first practical incandescent lamp, electricity has become available in abundance and at low cost in countless ways that contribute to our health, safety, national strength and to our high standard of living. This record of progress is the reason for National Electrical Week, observed annually during the week of Edison's birthday.

The ladies of the W. A. served refreshments and a social hour was enjoyed.

Clarendon Charge Official Meetings

The congregational meetings were held in the week of the 15th of January and the Official Board meetings on January 26th.

All meetings were visited by Rev. Mary Dougherty and the meetings were presided over by the Pastor of the charge, K. Lunenburg, L.S.

The meetings were well attended in spite of the weather conditions. The official board meeting was attended by almost 100% of its members.

The year 1958 was a good one in financial matters and the spiritual life showed a greater understanding to all fellow Christians, as well as fellow men.

In Yarm United and Radford United Church new crosses have been dedicated.

In the year 1958 we lost four of our members and added two births. One marriage was performed in Wesley.

Nine new members were received in 1958.

The annual board meeting was held at the Parsonage, Yarm. Refreshments were provided by the W. A.

Council of Churches.

The delegates from Shawville and Starks Corners were guests in the homes of delegates from Ottawa.

Features of the weekend were sing songs led by Elizabeth Stevenson, recreation by Miss Jane Hoey, a film, and the Conference Banquet.

The leader in charge of the group from Shawville was Mrs. Don Dods, whose leadership is tremendously appreciated as it is every week in the CGIT meetings.

All the girls who attended enjoyed it very much, including the trip down and back by bus.

Health Sunday At Clarendon Churches

The Clarendon Pastoral Charge of the United Church observed Sunday, Feb. 1st as Health Sunday. The following Doctors and Nurses were assigned to the following congregations:

Yarm United Church, Mrs. F. I. Rice, R.N.; Wesley United Church, Dr. S. E. McDowell; Radford United Church, Mrs. Jean Murray R.N.

The service in Yarm could not be held on account of the weather condition. The Wesley service was held in the home of Mrs. Ellis Palmer for the same reason. The Radford service was held in the church but with the extreme cold only a small congregation turned out.

In the Meditation in Wesley Dr. McDowell explained it in the form of a discussion. He spoke also about various Scripture readings about miracles and faith healing, which were very interesting and a number of questions were asked by the congregation.

In Radford Mrs. Jean Murray R.N. gave a very interesting address on the subject of Public Health.

Radford Auxiliary

Ten ladies met in the Pent House on January 28th for the monthly meeting of Radford Hospital Auxiliary.

The president opened the meeting by the reading of II Corinthians, Chapter 13.

The Lord's Prayer was repeated. The minutes and the Treasurer's report were read and adopted on motion.

A motion was made that we purchase a three yard linen tablecloth; 6 tea towels and 2 dish cloths for use in the Pent house.

The buying committee was appointed to inquire into the cost of bed tray tables.

Collection was \$2.00; articles mended 36.

Mrs. Grant Eades and Mrs. Norval Horner served a delicious lunch.

Presbyterian Annual

Fort Coulonge—The annual congregational meeting of St. Andrews Presbyterian Church, Fort Coulonge was held last Wednesday evening at the home of Mr. and Mrs. E. F. Russell.

The minister, Rev. E. G. MacDonald, presided and Mr. Russell current elect, Sec.-Treas of the church acting as secretary for the meeting.

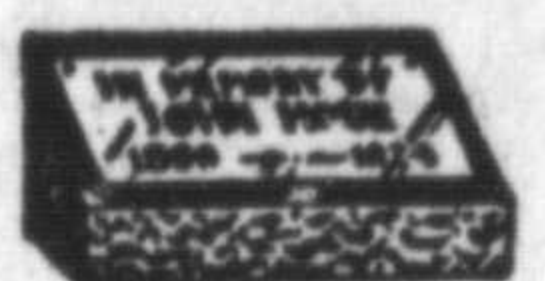

Following short devotional period, reports of various branches of church work, were submitted.

Rev. MacDonald reported, ministerial and session activities. Mr. Lloyd Neville, covered standing of Sunday School.

The Womens Auxilliary and Missionary Society operations were read by the secretary, Mrs. Sandford Smith.

All reports adopted as read, and officials re-appointed in cases where terms had expired and slate of officers remain the same.

The meeting closed with prayer and refreshments served by hostess.
