

ALLIES POINT OUT TO PEOPLE OF BULGARIA THAT THEY CANNOT BE FREED FROM RESPONSIBILITY

Reply to Letter from Bulgarian Delegation Sets Forth that the Conditions of Peace Were Not Inspired By Any Idea of Vengeance, and that the Allies Do Not Intend to Make Bulgaria Pay for All Her Mistakes—Decisions of Peace Conference Cannot Be Materially Changed, Reply States.

(Associated Press Despatch)

PARIS, Nov. 7.—In the letter of the Allied reply to the Bulgarian delegations, representations regarding the peace terms presented to Bulgaria, it is pointed out that the Bulgarian people cannot be freed from responsibility, and therefore the decisions of the Peace Conference cannot be materially changed.

The conditions of peace as they were handed to the Bulgarian delegation, the letter sets forth, were not inspired by any idea of vengeance, and the Allies do not intend to make Bulgaria pay for all her past mistakes. They wish only to establish a peace just, lasting and fertile, it is declared, and they remind Bulgaria in this connection that they guarantee her an outlet to the Aegean Sea.

YUDENITCH HAS SUCCEEDED IN EXTRICATING GREAT NUMBER OF HIS MEN AFTER HEAVY LOSSES

(Associated Press Despatch)

HELSINGFORS, Nov. 7.—The Estonian bureau learns that General Yudenitch has succeeded in extricating the greater number of his troops after suffering heavy losses, but that his forces in the region of Gatchina and Luga were completely cut off by Bolshevik cavalry.

Bolshevik reports attribute the defeat of General Yudenitch in this region to the cutting off of these troops.

FAVOR INTERVENTION IN PETROGRAD CAMPAIGN

(Associated Press Despatch)

STOCKHOLM, Nov. 7.—Citizens meeting in various parts of Finland, according to advices received by the Afton Tidningen from Helsinki, have voted in favor of intervention in the campaign against Petrograd as recommended in the recent letter of General Mannerheim, former Finnish Premier, to President Stahlberg, of Finland.

FINLAND NOT TO DISCUSS PEACE WITH BOLSHEVISTS

(Associated Press Despatch)

HELSINGFORS, Nov. 7.—Finland does not intend to discuss peace with the Bolsheviks and will not be officially represented at the conference, the Associated Press is informed. Nevertheless, the feeling prevails in some circles in Helsinki that if the Baltic states arrive at an understanding with the Bolsheviks and begin trade relations, Finland's commercial interests would be compelled to follow the example of the Baltic states.

PETITIONS OUT FOR CANDIDATES FOR MAYORALTY

L. H. Olivier and Dr. Ledoux Will Be Asked to Be Candidates—Many Other Rumors.

To add to the general activity in rumors of various sorts which have been taking the interest in municipal circles lately, and which have looked forward to the coming of civic elections in January, three more candidates have now been mentioned as mayoral possibilities.

Mr. D. O. E. Denault has apparently something of a following, while Dame Rumor has it that Mr. Ernest Sylvestre may run again. In addition to the petition being circulated, asking Mr. Denault to accept the candidature, however, lists of names have also been presented to Mr. L. H. Olivier and to Dr. Ledoux, asking them to be candidates for the mayoralty.

There is a veritable myriad of candidates suggested to fill the places of the retiring aldermen, and almost every hour brings forth a new rumor. The possibility of a referendum on a change of civic administration from the present aldermanic method to city management or commission government is now freely spoken of, and paying work forms a source of much discussion.

Altogether, ensuing days should bring about interesting developments in municipal realms.

SAYS MARTEL BORROWED CHAIN.

Mr. A. G. Campbell, of the Sherbrooke Iron Works, in regard to a statement made by Mr. P. C. Dubuc, stated today that he wished to correct any impression borrowed from his chain, he said, had been borrowed by Mr. Martel, who had said that the chain on the machine had broken. It was not defective, says Mr. Campbell, but, of course, was not exactly fitted for the mixer, since it had not been made especially for that purpose.

CRANDALL CASE OPENS UP WITH LONG ARGUMENT

Reading of Deposition of Absent Witness Causes Raising of Warmly Contested Discussion.

The reading of a deposition, given before the Magistrate's Court at the preliminary hearing, gave rise to a long and warmly contested legal argument between Mr. J. Nicol, K.C., crown prosecutor, and Mr. Emile Rioux, K.C., appearing for the defense, as the opening feature in the new trial granted by the Court of Appeal to Private Henry Crandall, accused of the murder of Aime Picard, while the former was a member of the Military Police and the latter a defaulter under the Military Service Act.

The point was brought up by Mr. Nicol at the beginning of the case yesterday afternoon, when he asked that the deposition of Romeo Latulippe, who was absent in the States, be read. He based his claim on an article of the Code, which states that a deposition given at a previous trial may be read if the witness has left Canada. There followed an argument as to the placing of a comma in the article, the Court questioning Mr. Nicol's claim that it was only necessary for the witness to be out of Canada, without any other point being essential. Mr. Wilfrid Lazure, advocate, was called to testify that he had received a letter, and had been told by Latulippe that the latter was going to the States. The witness had said that unless he was paid full expenses, as well as what he would lose, and also reimbursed for what he had never received from the Crown last year, he would not come. Mr. Charles White, K.C., who is counsel for the defense, was also called as a witness by Mr. Nicol, as he, too, had been told that Latulippe was going away. The calling of his opposing attorney by the prosecutor being highly unusual, gave rise to considerable amusement in the Court.

Mr. Rioux here asked why Mr. Nicol had started with the deposition of Deslauriers, another witness, and had suddenly switched to Latulippe. "He couldn't get in the door, so he's going around to the window," replied Mr. Desy, smiling.

"I may have to crawl through a knot-hole to get in, before I'm through," said Mr. Nicol, also jovially.

Mr. Rioux entered objection to the reading of the deposition, claiming that the letter was not signed and that there was no absolute proof that Latulippe was in the States. Moreover, the deposition had never been signed, and never signed by the Justice before whom it was made.

The Court said that the deposition might be transcribed and made ready for today, and this was done, the argument again coming up this morning. Mr. Nicol presented the deposition. (Continued on page 9.)

HUGO HASSE PASSED AWAY THIS MORNING

(Associated Press Despatch)

BERLIN, Nov. 7.—Hugo Hasse, President of the Independent Socialist party, died this morning from wounds received October 8, when he was shot three times when entering the Reichstag building.

Hugo Hasse, leader of the Independent Socialist party of Germany, had his right leg amputated October 27th. The operation was necessitated by the condition of the bone which had been smashed when a bullet was fired at him as he entered the Reichstag on October 8th.

Foreign Ships Cannot Refill Their Bunkers At American Ports, According To Order

New Restrictions Have Been Placed on the Use of Soft Coal By the United States Officials—Very Little Change in General Strike Situation—The Operators Claim that Many Miners are Returning to Work.

(Associated Press Despatch)

CHICAGO, Nov. 7.—New restrictions on the use of soft coal were announced today, the sixth day of the miners' strike. In some localities orders were more drastic than during the war, but the general situation showed no change.

While production in West Virginia and Colorado was reported increased yesterday, there was no noticeable change in the ranks of the 425,000 striking miners. Appeals for coal to prevent distress in many towns of Kansas and Alabama were sent to state and railroad officials.

Bunkering of foreign owned vessels at American ports was ordered stopped by the central coal committee of the Railroad Administration at Washington. The committee also authorized directors of railroads to suspend such train service as might not be regarded as absolutely necessary, but let it be known that no general curtailment was planned.

West Virginia operators reported forty-four mines in union districts in operation at the rate of sixty million tons a year, or about two-thirds of normal. A slight increase in production also was reported by Colorado operators, while those in New Mexico said but half the miners were on strike.

In Colorado the miners, upon whom eviction notices had been served by the Colorado Fuel and Iron Company, today were removing their belongings from the company houses in the Trinidad and Walsenburg camps.

MANY SHIPS IN PORT.

(Associated Press Despatch)

NEW YORK, Nov. 7.—There are 210 ships in the port of New York affected by an order of the railroad administration central control committee regarding discontinuance of foreign tonnage bunkering. Many of these, however, are British vessels, which it is believed will be able to proceed to Halifax for coal.

During the longshoremen's strike, it was pointed out many British liners were sent to the Canadian port for fuel. Shipping officials were unable to say what course was open to vessels of other nationalities, which may be unable to clear, although there is a possibility that some of these will also be able to reach Halifax.

At Least Three Persons Lost Their Lives And Many Hurt In Hotel Fire At Atlanta

Fire Broke Out at an Early Hour This Morning in Wilson Hotel—Firemen Rescued Many Persons Who Were Trapped By the Fire—One Woman Leaped to the Street and Was Killed.

(Associated Press Despatch)

ATLANTA, Ga., Nov. 7.—At least three persons lost their lives and nearly a score were injured, severely, in a fire at the Wilson Hotel here early this morning. Damage to the building at Beach Tree and Walton streets in the downtown section was confined to the interior. Scores of men and women were rescued by firemen. One of the dead was a woman who leaped to the street before the firemen arrived. Fire Chief Cody said he feared more bodies might be found in the building.

The fire apparently broke out in the second story of the three story building, the ground floor of which is occupied by stores and a moving picture theatre. The loss has not yet been estimated, nor had the cause been determined.

The flames when discovered were leaping out of the windows along the side of the building and five minutes later were sucked up toward the roof. By the time the firemen arrived, scores of men and women were hanging out of windows screaming for help. One woman leaped to her death, but the others who escaped the flames were brought down on fire ladders. None of the guests were able to save more than a few personal belongings hastily grabbed up, and most of them wore only their night clothes. The injured were rushed to the City Hospital, where it was said two or three might die.

REPORTED THAT ARCHDUKE OTTO IS ABOUT TO BE PROCLAIMED KING OF HUNGARY

(Associated Press Despatch)

BERLIN, Nov. 7.—A wireless message received here from Vienna reports that Archduke Otto is about to be proclaimed King of Hungary.

A message from Budapest says the Monarchist party has issued a statement saying that while it is desirous of re-establishing a kingdom, it does not favor the restoration of the throne to any member of the Hapsburg family.

INTERESTING ADDRESS BY OSCAR MORIN FOLLOWED BY DISCUSSION OF MUNICIPAL ADMINISTRATION

Deputy Minister of New Department of Municipal Affairs Speaks on Its Purposes Before Representative Gathering of Board of Trade—Discussion Which Followed Included Severe Criticism of Present Aldermanic System By Mr. A. M. Sangster—Talk of City Management.

A REVIEW of the history of municipal government, with an explanation of the purposes of the newly-formed department of Municipal Affairs at Quebec and the innovations introduced by this department for the assistance of the twelve-hundred-odd villages, towns and cities in the Province, were the subjects of an address by Mr. Oscar Morin, in an address before a representative gathering of the Board of Trade, at a dinner at the Chateau Frontenac. The speaker, who is the Deputy Minister of the department, touched on many subjects of interest to the people of Sherbrooke and particularly those connected with civic affairs, especially the points regarding the deposit of municipal sinking funds, and the prohibiting of granting bonuses to new industries.

The interest taken by a number of the city aldermen and other citizens present, was evident in the discussion which followed Mr. Morin's address, in which some rather startling statements were made, urging radical changes in the present system of municipal administration. City management and commission government were freely discussed, and their inception here urged, while there was much criticism of the present aldermanic system, which "but a man with insufficient time and no previous experience, at the head of an important department, which employs scores of men, and expends thousands of dollars."

The City Council, in fact, received criticism from all sides, particularly in connection with taxation, as based on the valuation roll, and the meeting descended to open argument, with subjects of municipal affairs the topic of warm discussion.

Mr. J. W. McKee, vice-president of the Board of Trade, took the chair and opened the meeting, introducing the speaker. He expressed a welcome to Mr. Morin, and also to the aldermen present, "from whom," he said, "we get something for nothing." A short time ago the Government at Quebec had established a department of Municipal Affairs, which in a quiet way, had been doing good work. The deputy minister of this department had come to Sherbrooke willingly, and was extremely welcome.

SPEAKER REVIEWS HISTORY OF CIVIC AFFAIRS AND TELLS THE PURPOSES OF NEW DEPARTMENT

Mr. Oscar Morin expressed his pleasure at being present, as he said it was his desire to spread the good work through every municipality in the province. He was particularly glad to see the aldermen, who had the administration of the city's affairs.

There followed a review of the history of municipal government. The speaker spoke in a lucid yet entertaining way of the great old cities of Egypt, which, though covered by the sands for generations, had been recently excavated. Nothing was known of their government, however, and the first real municipal administration recorded in history and bearing any similarity to the present system was that of ancient Rome, which had its elected representatives, its administrators, its police and fire department. The great aqueduct, after hundreds of years, still served its purpose, and built under the greatest of natural difficulties, it stood as one of the greatest engineering feats in history.

Coming down to Canada, Mr. Morin told of the early municipal systems in the old cities of Quebec and Montreal, where the Count of Frontenac had first started a system of city administration, but which had not lasted, and which had been revived only at the beginning of the nineteenth century. Both cities had been given charters, but these had lasted only four years, and the next charters were not given until 1840, which with various changes have held ever since.

In the formation of the new department, it had been seen that municipal autonomy must be respected, and the purpose of the department was merely to help the municipalities in any way possible. The officers were permanent, and in their work would acquire a great deal of experience, which would be placed at the disposal of the municipalities.

The department had introduced a number of innovations, which had been regarded with the greatest degree of interest, and much favorable comment had been expressed.

The first had been the law giving the government control over the sinking funds destined to meet the loans contracted by the municipalities. This gave the people seeking bond increases, confidence in the bonds of the municipalities of the Province, and insured the setting aside of ready money for the meeting of the obligations of each municipality. If it was found that the security was good, the municipality might, on application to the government, deposit the bonds elsewhere, but as the sinking fund must be carefully looked after, the advice of the department was to be had regarding the placing of the bonds.

NEW BY-LAW PROCEDURE

The law fixed a maximum term for the debts incurred by the municipalities for certain purposes, and made a change in the mode of procedure of voting on by-laws. Hitherto, a by-law was placed before the citizens only if six voters asked for a popular vote. The by-law was often kept quiet, however, and no application for popular vote being made, the measure went through "inapercu." To prevent these abuses, it was now required that every loan by-law must be voted upon, and must also mention the existing debts of the municipality, so that the voters may see the financial conditions under which the loan is to be made. Municipal bonds must bear the certificate of the Minister of Municipal Affairs, and if they did, they became valid, and their validity could not be questioned.

The last of the "innovations" introduced by the new department, had been the prohibiting of granting certain favors to new industries. Bonuses were not allowed, the sole remaining privilege being the exemption from municipal taxation. This measure came at the request of the municipalities themselves.

The speaker closed with an appeal for "civic patriotism"—a deep, unselfish, earnest, ever wakeful, active interest in the affairs of the municipality.

THE AMENDMENT TO POSTPONE CONSIDERATION OF THE GRAND TRUNK BILL WAS DEFEATED

Senator Ross' Amendment Was Defeated By a Majority of Four in the Senate—Opponents to Bill Laid Stress Upon the Problem of the Canadian Government Operating Railways in the United States, of the Danger of Diversion of Traffic from Canadian Ports and of the Inefficiency of Government Operation.

(Associated Press Despatch)

OTTAWA, Nov. 7.—By a vote of 39 to 35 the Senate at 1.30 this morning rejected the amendment of Senator Ross, Halifax, providing for the postponement of consideration of the Grand Trunk bill until next session. Second reading was then carried on the same divisions. It is not expected that the bill will pass the Senate before Saturday.

Senators McLennan, White, Cagrain, Smith, Power, Beique, Koch, Lynch-Staunton Fowler and Mitchell, all discussed the issue during the debate.

All oppose the bill except Senators Smith and Lynch-Staunton. In all the speeches of the opponents of the measure, great stress was laid upon the problem of the Canadian Government operating railways in the United States, of the danger of the diversion of traffic from Canadian ports and of the inefficiency of Government operation.

That the Government has decided to accept an amendment putting a limit on the amount the arbitrators will be allowed to fix as the value of Grand Trunk stock, was an interesting announcement made yesterday by Sir James Loughheed, in replying to a question by Senator E. D. Smith.

The figure beyond which the arbitrators would not be permitted to go had not been decided on, but it would be inserted in the bill when it reaches committee stage, Sir James said.

Senator McLennan opened his speech with opinion that nothing had happened which justified the view that the people of Canada favored Government ownership of railways. The general election of 1917 had been fought upon quite another issue. There had been no mandate from the people for the acquisition of the Grand Trunk. Early in October, Sir George Foster had stated that Parliament would propose within a few days and there was no good reason, given for the Government's change of attitude and the introduction of the Grand Trunk bill into the commons by the Government four days later. The argument that the C.P.R. would get the Grand Trunk if the bill was not passed this session was a mere bogey.

WOULD GREATLY INCREASE COUNTRY'S DEBT.

Senator Power, of Halifax, said that the estimate of the debt that would be added to Canada by the Grand Trunk purchase ranged from three to five hundred million dollars. With the debt of the country already in that vicinity, he could not see how parliament could endorse this. There was the alternative proposal which he had made in October, that the Government relieve the Grand Trunk of the burden of the Grand Trunk Pacific. It could then be operated profitably and could make a traffic and terminal agreement with the Canadian Government railway systems, as had been suggested by Senator Smith, of the New York Central, and as had been proposed last spring by Senator Kelley, of the Grand Trunk.

Senator Roche, of Halifax, predicted that the debt of Canada, as the result of projects already entered upon, would be three billions and the interest charged a hundred and fifty millions a year. He was against adding to the debt.

NO CONNECTION EXISTS BETWEEN SWEDEN AND SOVIET RUSSIA

(Associated Press Despatch)

STOCKHOLM, Nov. 7.—Sweden's reply to the Allied note concerning the imposition of a blockade on Soviet Russia will assert that no connection exists between Sweden and Soviet Russia, that no passports are issued and that it is necessary for Sweden to obtain special permission of the Swedish Government to travel in Russia.

ing to the charge by taking the Grand Trunk.

WILL OFFER AN AMENDMENT.

Senator Lynch-Staunton announced that in the committee stage of the bill he would offer an amendment limiting the amount that the arbitrators might give to 9,960,250 pounds sterling. He had arrived at this figure by taking the average of the annual payments for the ten years prior to 1913 on the first, second and third preference and the common stock of the Grand Trunk, which was \$1,988,021 and capitalizing it.

Senator Fowler, of New Brunswick, declared himself against the measure on the ground that the price was out of proportion to the value, that the success of Government ownership had not been established, that the present financial condition of the country did not warrant it, that the Government had no mandate, that it infringed on the principal of Canadian routes for Canadian trade, that it was not desirable to spend Canadian money for the purchase and maintenance of railways lines in the United States, that it would lead to discrimination against Canadian winter ports in favor of Portland.

Senator Mitchell expressed himself against the bill because he did not see why three arbitrators should be brought into perform a duty which should be performed by the Government and Parliament.

THE WEATHER

CLOUDY AND COOL.

Since yesterday morning the storm has been slowly dispersing south of Nova Scotia, while over the most part of the Dominion, the barometer has been steadily rising. The weather is cloudy in all the Provinces and the temperature continues low in the West.

Moderate northeast winds, cloudy and cool today and Saturday. Light snow in some localities.

SENDING MONEY ABROAD

If you wish to send money abroad, purchase a draft from the Canadian Bank of Commerce. It is the safest method and the cost is small. Should the money be required at once we shall be pleased to arrange the matter by cable.

THE CANADIAN BANK OF COMMERCE

CANADA'S PESTS.

Mrs. Mosquito Does All the Biting of Human Victims.

Whatever else may be said of the mosquito, there is one thing certain: he is a perfect gentleman. The male mosquito never bites. But, unfortunately, the same cannot be said of the female of the species, for it is the lady mosquito which helps to make life unbearable for us during the warm weather.

The female mosquito has the ability and desire to pierce the human skin with her needle-like mouth, if she gets the chance, and to suck a small drop of blood. If this were all she did it would be bad enough; but, when Mrs. Mosquito pierces the skin she also injects an irritating substance, saliva, which sometimes carries with it microscopic, unicellular animals, which cause malaria. Indeed, down the microscopic salivary duct of the mosquito has flowed the fluid, which has altered the fate of continents and played a conspicuous part in the destruction of the ancient civilizations of Greece and Rome, according to no lesser authority than Shilpie.

Mosquitoes live only in water, but the females of certain species display what might almost be called foresight; they lay their eggs on ground, which will later become covered with water, as on the mud of low places, along a salt marsh. The most familiar mosquito eggs are those of the rain-barrel species—eggs which are laid on end, side by side, in a boat shaped mass on the surface of the water in barrels, tubs and similar places.

The larva or "wigglers," which hatches from an egg has a very short breathing siphon on its back, at the tail end. The larva is lighter than water; when feeding or at rest it floats just below the surface and parallel to it; when disturbed it wriggles vigorously from side to side, the motion sometimes carrying it downward, but more frequently sideways. When at the surface the end of the breathing siphon pierces the "surface film," opens it, and exposes the ends of the tracheae, the tubes which convey air to all parts of the creature's body. In order to feed on the microscopic plants and other organic material floating at the surface, the larva twists its neck until its mouth is on a line with its back.

As a young insect feeds its flesh increases, but its skin does not stretch sufficiently to accommodate the enlarging body. Therefore, the old skin is cast from time to time and a new, larger skin is formed. Finally there comes a time, as in the case of such insects as moths and beetles, which like the mosquito have a complete metamorphosis or change, when the larva emerges from a larval skin something which is neither larva nor adult, and which is called the pupa.

The pupa of moths is, for the most part, immobile and frequently enclosed in a protective case, the cocoon, which is spun for it by the larva. The pupa of the mosquito, on the other hand, is active, but not so active as a larva, and it does not feed. It also differs from the larva in being hunched up, instead of slender and in having a pair of breathing siphons on its thorax, (the part of the body just back of the head), instead of a single siphon on the tail. The adult mosquito finally emerges from a split in the back of the cast pupal skin, which forms a miniature boat, upon which the adult may stand, while stretching itself before it flies away to perpetrate its species, perhaps at the expense of our studies. Studies on a common freshwater mosquito, recently made, showed that at 20 degrees C., the cycle was completed in 19.6 days, at 25 degrees, in 11.7 days, and at 30 degrees in 7.8 days.

EFFICIENCY.

"Yes," I'm on an investigation committee. We're investigating a committee of investigation that has been investigating the expenditure of an investigation committee."

mond, I in their car to Montgomery Centre, Vt.

Mr. and Mrs. J. W. Foote have removed from their apartments in the Hatley House to the farm of Mr. H. H. Brown, which has been leased for the following year. Mr. and Mrs. Brown will occupy their bungalow, a few rods south of the farm house, lately vacated by Mr. and Mrs. J. M. McLeone.

A chicken shoot was held recently at the farm of Mr. H. H. Brown, which provided an afternoon's diversion for several young men of the vicinity.

Mr. and Mrs. F. C. Ayer motored to Stanstead on Monday.

On Tuesday, Mr. and Mrs. H. F. Webster, in their car, to Coaticook, where they will attend the classes at the academy.

Messrs. L. Huntingdon and G. Foster, of Hillhurst, have been engaged in threshing for the farmers of the old Northburgh neighborhood.

Mr. R. F. Woodman, a friend leaving in the near future for Boston, Mass., where he has secured a position.

Master Douglas Spafford recently paid a short visit to Sherbrooke.

CUTICURA HEALS ECZEMA

All over baby's face. Came in water, rubbed and then formed a solid scale. Began to itch and burn so had to bandage his hands as he wanted to scratch. Face was badly disfigured. Trouble lasted 4 months. Began using Cuticura Soap and Ointment. Used one cake Soap and one box Ointment when he was healed.

From signed statement of Mrs. Albert Ellis, Westboro, N.S.

For every purpose of the toilet Cuticura Soap, Ointment and Talcum are supreme.

For free sample each of Cuticura Soap, Ointment and Talcum, address: Cuticura, Dept. A, Boston, U.S.A. Sold everywhere.

Your grandmother just had to put up with home wash day.

OUR POUND Wash Service

has shattered the traditions that cling around "Blue Monday" with all its discomforts in lots of Sherbrooke homes. We solicit a fair trial.

ST. FRANCIS DISTRICT--LOCAL HAPPENINGS

Daily Reports from Correspondents of What is Going on in Various Communities.

BURY

Wanted at once, boy to sell the Daily Record upon arrival of afternoon train from Sherbrooke. Apply by letter to Record Office, Sherbrooke.

A meeting of St. Thomas' Guild was held on Wednesday afternoon last at the residence of Mrs. Victor Bennett. In spite of the snowstorm, there was a good attendance. The afternoon was spent in knitting. Tea was served by the hostess, assisted by Mrs. Alden Allison and Mrs. Chauncey Allison.

A meeting of St. Paul's Guild will

be held on Wednesday, November 12, at the residence of Mrs. Walker Hamilton.

A meeting of the W. A. will be held on Thursday, November 13, at the residence of Mrs. S. J. Prangley.

A special meeting of the St. Thomas' Guild will be held on Saturday, November 8, at the residence of Mrs. Alex. Dougherty. There will be a box social and sale of work at the residence of Mr. Malcolm Smith on Tuesday next, November 11, Armistice Day. A good time is expected. The proceeds will be in aid of the St. Thomas' Guild.

As Influenza

is an exaggerated form of Grip, LAXATIVE BROMO QUININE Tablets should be taken in larger doses than is prescribed for ordinary Grip. A good plan is not to wait until you are sick, but PREVENT IT by taking LAXATIVE BROMO QUININE Tablets in time.

CANTERBURY

Mrs. Margaret Mayhew is visiting Mrs. Thomas Watson, of Galeson.

Rev. P. P. Roy visited the School on Tuesday, offering several prizes to the pupils as a stimulus to do better work.

Mr. Roy, B.S.A., with two gentlemen called on Mr. F. G. Bennett on Tuesday to inspect live stock, the Government being desirous of bettering the live stock in this county.

LAKE MEGANTIC

Mrs. Champagne, of Farnham, who has recently returned from Michigan, is visiting her mother, Mrs. Alex. Stewart, Victoria Hill.

Mr. and Mrs. J. R. McDonald and little girl, who is in Montreal for treatment with her mother, underwent an operation last Saturday, but further news of results is not to hand yet.

Mr. Lester McLeod, of Springfield, Mass., is visiting relatives here at present, and arranging for the transfer of the farm at Drum-A-Vack, which we understand has been sold.

Dr. Lynch, of Sherbrooke, was in town last week, called to see Mrs. Allan McIver, who was seriously ill for a few days, but is much improved since.

THREE VILLAGES

Mr. W. A. Daly, lately manager of the Gilmore Inn, at Rock Island, has accepted a position as manager of the A. and P. Company's Store at Derby Line, Vt., succeeding Mr. and Mrs. Perry Davis, who have returned to their home at North Thetford, Vt.

The big snow fall of Wednesday brought out the first sleighs of the season, making fairly good sleighing in less than six hours, after the starting of the snow fall.

Mr. Harold Rush, of Cleveland, Ohio, was a guest of his brother Roy and family, at the Gardine home on Sunday.

Mr. and Mrs. Matthew Crowe, of

East Charleston, Mrs. Oscar Sykes and Messrs. Everett and William Smith, of Holport, Vt., were guests recently of Mr. and Mrs. Clarence Crowe, and Miss Iva Crowe, of Beach Avenue.

Mrs. Nellie Clemens, of Boston, was a guest of her parents, Mr. and Mrs. C. W. Bennett, the past week. Mr. John Clemens, who has spent the past year at this place, returned to Boston with his daughter-in-law on Tuesday.

Miss Emma Farnsworth, of Cookshire, was a guest of friends here the past week.

Mr. and Mrs. George Kelly, of Quincy, Mass., are visiting relatives in this section.

Dr. A. Plante, of Montreal, was in town the past week, looking over the possibility of coming and opening an office at Rock Island.

Mr. and Mrs. Perry Davis, of the Atlantic and Pacific Company store, have been exchanged to the company's store at Springfield, and Mr. C. E. Booth, of Montpelier, is in temporary charge at the local store. Mr. and Mrs. Davis left on Monday for their home at North Thetford.

The new Victory Flag for Rock Island has been received, and is on display in the big windows of the Pike store. Over \$104,000 has been subscribed from only 114 subscribers. Come and let's double this amount.

The whistle at the Lay Whip Factory was again heard on Tuesday, after an all-summer vacation, the factory having been run by electric power during the warm weather.

AYER'S CLIFF

Miss Charlotte Camp, of Morrisville, Vt., is visiting her cousin, Mrs. E. P. Lyon.

Mrs. E. Gibson and son, Mansell, and Miss Bernice Gibson, of Stanstead, were guests of Mrs. W. Chamberlain, on Monday.

Miss Clemma Converse was at her home in Orleans, over Sunday.

Mr. and Mrs. Willis Dustin, of Tompkins, were guests of Mrs. Willard Rexford for the week end.

Miss Mildred Paul has taken the position of assistant in the Post Office.

Mr. and Mrs. Arthur Emberley returned on Tuesday from an auto trip to Montreal.

Mrs. Charles H. Libby entertained the Ladies' Aid at her home on Tuesday afternoon, over thirty ladies being present. Refreshments were served by the hostess, assisted by Mrs. L. Colby and Mrs. Lyon.

On Friday afternoon, an indoor picnic will be held in the Congregational Church Vestry, to which all the children of the village and vicinity are invited. Games will be played by all, followed by a supper.

Mr. and Mrs. Evelyn Standish have returned to their home in Casaville.

Mrs. Marion Edson is visiting her mother in Concord, N. H.

The Guild of St. George's Church will meet with Mrs. W. E. Ansell, at her home on Thursday afternoon, November 13.

COATICOOK

The Women's Mission Circle of the Baptist Church will hold their rummage sale in the Canada House on Main Street, beginning Friday, November 7, and following days.

The Young Girls' Club will be entertaining on Friday evening next by Mrs. B. J. Smith at her home on Compton Street.

Mrs. A. A. Woodman and Miss Ethel Cummings motored to Sherbrooke on Monday last.

Mr. and Mrs. Andre Rousseau were in Montreal on Tuesday last to meet their son, Pte. Hubert Rousseau, who has just returned from overseas.

Mr. A. A. Woodman, President of the Eastern Townships Immigration Society, was in Sherbrooke on Monday last on business in connection with the Society.

Miss M. F. Hoyt spent last week end in Sherbrooke, the guest of friends.

Mr. Bert Parsons, of Bloomfield, Ont., is the guest of his parents in town.

Mr. J. Croteau spent last week end in Richmond.

Mr. Tindel and Mr. Landier, of Ottawa, were in town recently.

Mrs. Walter Morgan will remain in Sherbrooke, a few weeks the guest of Mr. A. Williams.

One of the most pleasing events of the season took place last Friday evening, when a party was given by Miss Caroline Armitage at her home on Baldwin Street. Halfway 'em was appropriately celebrated in various ways, but nowhere more successfully than at this party given in the form of a relative guest masquerade. The relatives who were mostly from a distance were sent special invitations and requested to appear in costume. The guests were received by one of the party disguised as a ghost, after which they were conducted by a squaw, who relieved them of their wraps. Various interesting amusements took place, such as "Blowing Out the Candle," "Fortune Telling," "Visiting the Devil by the Hot Furnace," "Verses Composed Alphabetically" referring to each guest separately done up in a walnut shell, and tele-

How to Make Coffee

Allow one heaping tablespoonful of Seal Brand Coffee to each cup. Pour fresh, boiling water over the coffee. Simmer 5 minutes. Let stand a few minutes. Then serve. Be sure you use rich, full-bodied

SEAL BRAND COFFEE

Whole, ground—fine-ground for Tricolours and ordinary percolators. In 1/2, 1 and 2-lb. tins—at all good dealers; Write for "Perfect Coffee—Perfectly Made". Mailed free on request.

CHASE & SANBORN, MONTREAL

phone game where guests from out of town were caught on the line. Sumptuous refreshments were served at the midnight hour, after which popular songs were sung. Those from out of town who attended the party were Mr. and Mrs. Reid, Mr. and Mrs. Pierce, Mr. and Mrs. Pitts, Mr. and Mrs. E. Armitage, Mr. and Mrs. E. Armitage, Mr. and Mrs. Gordon Armitage, Miss Helen Armitage, Mr. and Miss Lizzie Nunn, of Montreal. Mrs. M. Armitage, all of Sherbrooke.

On Saturday evening last, there was a jam shower given to Miss Edith Mayhew at her home on Main Street, by Miss Doris Morgan and the Misses Dorothy and May Parsons, of Sherbrooke, also Miss Mayhew's many girl friends in town, in honor of her approaching marriage. Miss Mayhew received a goodly number of dainty parcels, which, when undone, proved to be jam for the coming winter. After spending a few pleasant

Catarrhal Deafness and Head Noises

TELLS SAFE AND SIMPLE WAY TO TREAT AND RELIEVE AT HOME.

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parnit (Double Strength). Take this home and add to it 1/4 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, headaches, dullness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent. of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Natural Color and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home is a troublesome task. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients, a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of mess.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

KINCSEY FALLS

Miss Eva Johnston is spending a few days in Danville.

Mr. E. A. Rockett, of Daquam, was here on Tuesday.

Mr. and Mrs. Wm. Currie and children are home from Montreal.

HATLEY

An unusually pleasant evening was spent on October 31 at the home of Mr. A. L. Hodges, on the Stanstead road, by a number of the young people of the village and vicinity. The costumes of those present and the decorations of the rooms of the old homestead were in keeping with the spirit of the occasion. During the evening refreshments were served, party separating shortly after the witching hour of midnight.

A few friends were entertained on Saturday evening at "The Locusts" by Mr. and Mrs. J. S. Webster.

A couple of returned soldiers who were here in connection with the purchase of farming properties, were recent guests of Pte. and Mrs. Geo. Macdonald, at "Brookbank."

Mr. J. E. Bayley, who lately disposed of the old family homestead in Compton, is removing his household goods to the dwelling house of Mr. Vuns, lately vacated by Mr. H. F. Webster.

The first sleigh of the season was observed on Wednesday, November 5, an unusually early date.

Mr. and Mrs. Hartwell were among those who attended the funeral of the late L. I. Bliss, at Compton on Tuesday afternoon. The late Mr. Bliss was a cousin of Messrs. H. F., J. S. and F. O. Webster, and Mrs. Thos. Walsh, of this place.

Rev. A. E. Shorten left on Monday night for Mansonville to attend the semi-annual meeting of the ministers of Stanstead district.

A number of the young men in this vicinity are planning to celebrate in some appropriate manner the first anniversary of the return of peace, which occurred on Tuesday, November 11.

Mr. B. R. Bowen and Mrs. H. Davis motored to Stanstead on Monday.

After the past fortnight at "Elmwood Farm," Mrs. Raymond returned on Monday morning with Mr. Ray-

HOT WATER FOR SICK HEADACHES

Tells Why Everyone Should Drink Hot Water With Phosphate in it Before Breakfast.

Headaches are caused by auto-intoxication—which means self-poisoning. Liver and bowel poisons, called toxins, sucked into the blood, excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head producing violent, throbbing pain and distress, called headache. You become nervous, despondent, sick, feverish and miserable, your meals sour and almost nauseate you. Then you resort to acetanilide, aspirin or the bromides which temporarily relieve but do not rid the blood of these irritating toxins.

A glass of hot water with a teaspoonful of limestone phosphate in it, drunk before breakfast, will not only wash these poisons from your system and cure you of headache but will cleanse, purify and freshen the entire alimentary canal.

Ask your pharmacist for a quarter pound of limestone phosphate. It is inexpensive, harmless as sugar.

If you aren't feeling your best, if tongue is coated or you wake up with bad taste, foul breath or have colds, indigestion, biliousness, constipation, or sour, acid stomach, begin the phosphate hot water cure to rid your system of toxins and poisons.

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain—How to Treat.

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Blaud's Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Blaud's Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

Like a Tidal Wave

Heart Disease and Nerve Troubles
Sweep the Country.

Probably at no period in the world's history have heart and nerve troubles been so prevalent as they are today. The heart can't stand the stress and strain of this busy, bustling age, and the care and worry, the anxiety and activity of business life constitute a serious drain on the nervous system.

The business of this work-a-day world goes with such a rush that the stoutest hearts and strongest nerves break down under the strain.

On the first approach of any breakdown of the system Milburn's Heart and Nerve Pills should be taken. The reconstructive power of these pills on the heart and nerve system is simply marvellous.

Mr. W. A. Wright, Hopewell Ave., Ottawa, Ont., writes: "After suffering for some time with my heart, I consulted a number of doctors, but got no relief. However, I read what Milburn's Heart and Nerve Pills had done for others, who had the same symptoms and thought I would give them a trial. Believe me, six boxes cured me completely. I am feeling fine now, and can attend to my work every day. I can recommend your pills to anyone suffering as I did."

Price 50c. a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

TONIGHT!

Take "Cascarets" if sick,
Bilious, Constipated.

Enjoy life! Straighten up! Your system filled with liver and bowel poison which keeps your skin sallow, your stomach upset, your head dull and aching. Your meals are turning into poison and you can't feel right. Don't stay bilious or constipated. Feel splendid all day by taking Cascarets occasionally. They act without griping or inconvenience. They never sicken you like Calomel, Salts, Oil or any harsh pills. They cost so little, too. Cascarets work while you sleep.

Temple. It is nineteen years since
Mr. Temple left Warden, so that he
still has many friends here.

This W. M. S. met with Mrs. J. M.
Smith on Tuesday afternoon. A lib-
eral offering for the "rest fund" was
taken, and general business transac-
ted.

Cottage prayer meeting will be held
at Mrs. W. N. Call's on Friday even-
ing. The central group of the (For-
ward Movement) will have charge of
it. All are invited to attend.

Dr. Elmer Gaw, Mrs. Gaw and two
children, of Perdue, Sask., are the
guests of relatives. Dr. Gaw was
summoned here by the illness of his
father, Mr. James Gaw.

Rev. Mr. Schafter and daughter
Mary, who are ill with diphtheria, are
improving nicely. Mr. Schafter had
quinsy also, which made his illness
doubly painful.

Mrs. Walter Smith, of Granby, is
the guest of Mr. and Mrs. W. P.
Smith, Lewis street.

Mrs. Pearl Carrington Vaudry left
for Montreal on Thursday, where she
will practice her profession. She is a
graduate nurse of the General Hospi-
tal of that city.

The house occupied by Mr. A. A.
Sargeant on Eastern avenue has been
sold, and Mr. Sargeant and family are
moving into part of Mrs. C. E. Har-
vey's house, Court street.

Rev. Gordon A. Sisco, of Clarenceville,
will conduct both services in the
Methodist Church on Sunday. Rev. P.
Pergau will be in Clarenceville for
special work that day.

Mr. and Mrs. A. A. Learned have
gone to Cookshire for a short holiday.
Mr. Learned will join a party on a
ten days' hunting trip. We all may
expect venison when he returns.

Mr. Percy Kendall and sister, of
Granby, were the week-end guests of
their parents, Mr. and Mrs. Gardner
Kendall.

Mrs. William Moynan left on Thurs-
day for Lennoxville to join his fam-
ily on the farm recently purchased
from Mr. John Nichol.

The social and sale recently held by
the Junior Auxiliary of St. Luke's
Church was a grand success. The
proceeds amounted to over \$30.

Mrs. J. G. McKernon took her two
children, Chester and Roger, to the
Western Hospital, Montreal, where
she had their tonsils removed by Dr.
Craig. They are visiting relatives
while there.

Mr. Archie Ashton returned Wednes-
day, after spending a few days in
Toronto, Ont.

Mr. Keith Nutting, of Ottawa, was
the week-end guest of his uncle, Mr.
C. A. Nutting, K.C., and Mrs. Nut-
ting.

Rev. P. Pergau and Mr. F. Barrington
attended the Waterloo district
meeting of the Methodist Church, in
Sutton on Wednesday.

The rally day service of the Ep-
worth League was held in the Meth-
odist Church on Sunday night. Short
addresses were given by the pastor on
"Intercession," by Mrs. Pergau on
"Stewardship," and Mr. A. E. Rivard
on "Investments that pay." The sing-
ing was bright and hearty. A large
congregation was present.

SWEETSBURG

Mrs. Morrison and Miss Morrison,
of Montreal, are the guests of Miss

HIGHWATER.

Last Friday an Halloween party
was given by Mr. and Mrs. E. N. Drap-
per, Customs Officer of this town.

Amongst those who attended were,
Mrs. Wells and O'Brien, Mr. and Mrs.
A. H. Miller and family, Mr. and Mrs.
E. Deslaurier, Mr. and Mrs. E. O.
Bailey and family, Mr. and Mrs. A.
Hardy and family, Mrs. M. O. Glad-
den and daughter, Mr. and Mrs. R.
Heath, Mrs. C. Clapper, Mr. Wm.
Gendron, Mr. C. L. Jones, Mr. R.
Londreville, Mr. W. J. Brightwell and
daughter, and niece, Miss Miltimore,
of East Richmond, Mr. E. Atwell, Mr.
H. Clark, Mr. K. B. McKay, Miss L.
Barrett, Miss D. Booy, sister of Mrs.
Draper, from Clarenceville. Every-
body had a very nice time and enjoy-
ed a very good lunch at midnight. Af-
ter lunch there was music, songs and
dances.

GRANBY

Miss Ruth MacDonald is home from
Stanstead Wesleyan College, suffer-
ing with a sprained wrist, the result
of a fall last February. Miss Ruth,
with her parents, Mr. and Mrs. W. T.
B. MacDonald, went to Montreal this
week to consult Dr. Garrow, who ad-
vises her to keep her arm in splints
for a few weeks, when it is hoped she
will have quite recovered.

BROME

Entertainment a Success.

The Halloween party and enter-
tainment given by the Junior Chau-
taqua boys and girls on Saturday
evening was a very pleasant affair and
much enjoyed by the grown-ups as
well as the younger ones. The stage
was appropriately decorated with corn
stalks, in which golden pumpkins were
seen hanging from their midst at the
back of the stage, where the veritable
old witch, black cat and cat-dragon
were to be seen, together with the
bright jack-o-lanterns, which gave a
very pleasing effect. The evening's
programme was inaugurated with a
grand march of the children, number-
ing between thirty-five and forty,
dressed in varied costumes and many
colored caps, after which all halted
and sang "God Save the King." Mas-
ter Donald Martin brought forth
many cheers when he recited "Only

a Boy of Seven," also Master Clare
and little Miss Arlene Patch recited
very nicely. Several more marches
and exercises were given by the chil-
dren. One of the last items was the
"Witch's Story" given by Miss K.
Draper, in which all gathered around
the proverbial cauldron to listen. The
scene was quite picturesque, and the
chorus "John Brown's Body," given by
the older girls, dressed as g-h-sts,
brought forth much laughter. Numer-
ous musical selections were listened to
on the victrola, which were much
enjoyed.

Miss Iris Tibbitts acted as pianist
for the evening. Dainty refreshments
were then served, after which all the
younger ones joined in games. Mrs.
H. E. Chandler as councillor and Miss
M. Hibbard as leader are to be con-
gratulated on the success and ad-
vancement made under their manage-
ment during the short time the club
has been in progress. The next en-
tertainment given by the club will
take place at Christmas time.

General Notes.

The heavy rains of last week caus-
ed considerable damage, many trees
and telephone poles were blown down
and the Mitchell bridge was in a dan-
gerous condition, the main props hav-
ing been washed away, and fears were
entertained that the whole bridge
would be washed away. However, the
water subsided during the night. It is
understood that the plans and spec-
ifications have been received for the
rebuilding of the bridge, and it is to
be hoped that work will start soon.

Mr. George Lafontaine, of Rich-
ford, was a week-end guest of rela-
tives here.

Mrs. Kenworthy and family, who
went to England last July, have re-
turned to Canada and will make their
home in Knowlton.

Mr. Guy Ladi, of Saskatchewan,

WHY EXPERIMENT?

Food scientists claim that the leavener is largely
responsible for the flavor, texture and whole-
someness of your home baking. That on no
other one ingredient does so much depend. It is
important, therefore, to use a baking powder
that you know possesses the necessary leavening
qualities.

MAGIC BAKING POWDER

Contains No Alum

and is the only strictly high class baking powder
in Canada selling at a moderate price. Its repu-
tation is built on purity and highest quality.

The only well known medium priced baking
powder made in Canada that does not contain
alum and that has all its ingredients plainly
stated on the label.

Made in Canada

TOWN COUNCIL AT
STANBRIDGE EAST
HOLDS MEETING

Delegates are Appointed to Meet
Government Regarding the De-
velopment of Government
Roads.

STANBRIDGE EAST, Nov. 7.—
The Municipal Council held its month-
ly meeting at 2 o'clock on Monday
last. In the absence of the Mayor,
Mr. Harvey Beatty, Councillor W. A.
Hodge presided. The other council-
ors present were Theo. Montague,
C. M. Blinn, J. B. Fournier and F. L.
Corey.

It was decided that delegates be
sent from this town to meet the Min-
ister of Roads, either in Montreal or
Quebec, to urge immediate action by
the Government for the construction
of the proposed highway between La-
colle and Knowlton. Something defi-
nite must be done next spring, as
delay is no longer possible owing to
the present condition of the route in
the different municipalities over which
this road is to be built.

Mayor H. Beatty and the secre-
tary, C. H. Hibbard, are the dele-
gates appointed to accompany Mr. A.
Saurette, the local member for the
county, to meet the Government.

General Notes.

A masquerade ball is being held at
the hotel hall on Friday evening, No-
vember 7, 1919.

Mr. M. S. Cornell and Miss Grace
Cornell entertained friends at dinner
on Sunday.

The Boy Scout entertainment pro-
gramme to be given by the 1st Stan-
bridge East Troop, assisted by the
Girl Guides, in the hotel hall, Stan-
bridge East, on Tuesday evening, No-
vember 11, is an excellent one. The
programme consists of recitations,
vocal solos, piano duets, vocal quart-
ette.

In the final scene of the Merchant
of Venice, the cast of characters is:
Portia, Miss Kate Wescott; Nerissa,
Miss Thelma Fairfield; Shylock,
Homer Bodes; Antonio, Keith Cooke;
Bassanio, Donald Blinn; Salerio,
Vivian Short; Duke, Roy Fortin; Gra-
tario, Clifford Richard.

In Scott's "Lady of the Lake" the
cast of characters follow: Ellen, Miss
Esther Black; Blanche of Devan, Miss
Arlene Buck; Roderick Dhu, Vivian
Short; James Fitz-James, Victor
Lehigh; Murdoch, Clifford Richard; also
henchmen.

An orchestra will furnish music.

FRELIGHSBURG

RESULTS OF SCHOOL EXAMS.

The results of a miscellaneous ex-
amination in the past week's work
of Frelighsburg High School are:
Grade IX.—Kenneth LaGrange, 79;
Laura Caspey, 50.
Grade VIII.—Marion Holden, 79;
Grade VII.—James Symington, 58;
Owen Shuffelt, 40.
Grade VI.—Walter LaGrange, 81;
Beatrice Holland, 65; Grace Caspey,
64; John Symington, 42; Ada Tait,
33.

General Notes.

Miss Maud Selby, of Dunham,
was calling on Mrs. Winch on Mon-
day.

Mr. Richard Spencer, of Montreal,
was with his parents, Mr. and Mrs.
H. T. Spencer on Monday.

Mrs. N. Thompson is home after
spending several months at Mystic,
Sutton and Knowlton, visiting rela-
tives and friends.

Mrs. N. N. Vincent and Miss Olive
Ensont are home from visiting friends
and relatives in Brome.

Mrs. Gertrude Holden was in Stan-
bridge on Tuesday.

Mr. Geo. Russell and Mr. Edson
Thompson spent the week end in
Montreal.

Miss Shobat, of Montreal, is the
guest of her aunt, Mrs. H. Boon.

ART AND REALISM.

"Your picture isn't complete, old
man. You've got the horse in, but
you haven't drawn the cart."
"Oh, I'm going to let the horse draw
the cart."

Bonnallie Lake, near Eastman, re-
cently, had the misfortune to get shot
in the foot by the accidental dis-
charge of his rifle.

GIRLS! A MASS
OF WAVY, GLEAMY
BEAUTIFUL HAIR

Let "Danderine" save and
glorify your hair

In a few moments you can transform your
plain, dull, flat hair. You can have it abun-
dant, soft, glossy and full of life. Just get at
any drug or toilet counter a small bottle of
"Danderine" for a few cents. Then moisten a
soft cloth with the Danderine and draw this
through your hair taking one small strand at a
time. Instantly, yes, immediately, you have
doubled the beauty of your hair. It will be a
mass so soft, lustrous, fluffy and so easy to do
up. All dust, dirt and excessive oil is removed.
Let Danderine put more life, color, vigor
and brightness in your hair. This stimulating
tonic will freshen your scalp, check dandruff
and falling hair, and help your hair to grow
long, thick, strong and beautiful.

health and new life that Wincarnis pro-
motes. Remember that your health is
your most valuable possession.

Wincarnis is a tonic, a restorative, a blood-builder
and a nerve food—all in one. Therefore it promotes
new strength, new blood, new nerve force and new
vitality. That's why over 10,000 Doctors recommend
Wincarnis. Wincarnis has been famous in Europe
for more than a third of a century. Thousands have
testified that it has restored them to health and
strength. Don't confuse it with the many inferior
preparations of apparently similar nature. Accept
no substitutes. Buy Wincarnis itself. Don't let the
hundred-and-one home worries make you forget to
buy yourself a bottle of Wincarnis to-day.

Ask your Doctor. Get it at your Druggist's.

In two sizes: \$1.00 and
(extra large bottle) \$1.75

Sherbrooke Must Win The PRINCE'S HONOR FLAG

Three Rivers has been allotted and is expected to lend \$1,000,000 of the Victory Loan 1919.

When this allotment is reached, we can fly the Prince's Honour Flag. The Prince said "The Victory Loan 1919 is the bridge between War and Peace, and which is finishing off the job. I hope every city and district will win my flag."

It is a white flag with a red border. In the upper left-hand corner is the grand old Union Jack—in the lower

right-hand corner the Prince's crest.

The day this flag is run up will be a proud one for Sherbrooke. It will mean that our citizens have once again done their full duty. It will mean that in this district the Victory Loan 1919 has gone "over the top."

And the Victory Loan 1919 must be a success. It is a matter of the utmost importance. It is needed to discharge our obligations to the army. It is needed to extend credit to those overseas countries

with which we were allied in the fight and which now want to buy our surplus food and other products.

The motto of the Prince of Wales is, "I serve."

Will you also serve your country?

Will you help to make the Victory Loan 1919 an overwhelming success? Will you help to earn for Sherbrooke the right to fly the Prince's Honour Flag?

Buy to the utmost.

VICTORY LOAN 1919

"Every Dollar Spent in Canada"

GOLDEN WEDDING OBSERVED BY MR. & MRS. M'MAHON

Large Number of Relatives and Friends Present at Celebration.

Mr. and Mrs. Thomas McMahon, of St. Joachim de Shefford, celebrated the fiftieth anniversary of their marriage on November 4. Relatives and friends from far and near assembled to assist at the very interesting event. Solemn High Mass was celebrated at the Parish Church by the Rev. Father Goyette, in the presence of a large congregation. The choir was assisted by Mr. Thomas Dunn, of West Shefford, who sang appropriate English hymns. Miss Kathleen Cleary presided at the organ and played the wedding march as Mr. and Mrs. McMahon entered the church, and also at the close of the ceremony, when they were leaving the church.

Relatives and friends numbering about one hundred drove to the family homestead, where a bountiful wedding dinner was served. Everyone seemed blessed with good health and did ample justice to the good things provided for them.

After the feast came the presentation, first two magnificent fur coats, the gifts of the immediate members of the family, and \$50 in new one dollar bills numbered consecutively from one up to fifty as a souvenir of their fifty years of married life. The gifts of the other relatives and friends present included two gold pieces given by Mr. and Mrs. John C. Cleary and Mr. and Mrs. James Ingram, and many other gifts from relatives who were not in time for the larger presentations. Mayor John P. Cleary, who is a first cousin of Mr. McMahon, was called upon to make the public presentation of all the beautiful gifts, and spoke a few words regarding the long and useful career of the recipients, saying in part that Mr. and Mrs. McMahon had come into the world in their young days, cleared up the farm and made it their home. He closed by wishing Mr. and Mrs. McMahon many years of health and happiness, a wish that was fully concurred in by all present. A letter of congratulation, with expression of personal regret that he could not be present, written by Mr. J. Bruce Payne, was duly read. Mr. Payne is on a business trip across the continent, so was unavoidably absent. Mr. and Mrs. McMahon were married on November 4, 1869, at the parish church at West Shefford, the bride of fifty years ago being a daughter of the late Mr. and Mrs. Dunlavy, of Bromé. They took up their residence on the farm where they still reside. Seventeen children were born to them, twelve of whom are living, and twenty-eight grandchildren. One daughter, Sister Oswald, who joined the Order of the Presentation, died about six years ago.

At the hour of departure Mr. and Mrs. McMahon thanked all the assembled guests for their good offices and good wishes. A dance was also given in the evening for the young people, with a very large attendance, and was greatly enjoyed. Mr. and Mrs. McMahon are in very good health and their relatives and friends hope to meet them again ten years hence at their diamond jubilee.

DUDSWELL JUNCTION

Miss Flossie MacKay spent the week-end in Sherbrooke, the guest of her sister, Miss Della MacKay, and attended the ball at the 53rd Armory.

Mr. H. George and P. E. Vincent attended the auction at Mr. John Thompson's.

Mr. Clifford Lowell, from Waterville, is visiting Mr. Albert Willard.

Mrs. S. Jenkinson was the guest of Mr. and Mrs. B. W. Jenkinson on Tuesday.

Rev. A. T. Love, from Marlinton, was calling on friends in this place on Monday.

Mr. Robert MacKay, from Erie, is the guest of his brother, Mr. L. J. MacKay.

COOKSHIRE

The Halowe'en orchestra dance given under the auspices of Planche's orchestra, which furnished the music for the evening, in Victoria hall on Thursday evening last, was a very enjoyable affair, although the attendance was small. The programme shortly before midnight delicious refreshments were served in the dining hall.

Rev. Ian A. R. Macdonald left on Monday to spend a few days in Ottawa, Ont.

Mr. Harry F. Goff was in town re-

REV. BLACKFORD DIED SUDDENLY AT DERBY LINE

Pastor of Universalist Church Passed Away After Very Brief Illness.

DERBY LINE, Nov. 7.—(Special)—Rev. A. N. Blackford, pastor of the Universalist church, passed away suddenly Wednesday forenoon at his home on Beach avenue, Derby Line, living only a few minutes after a sudden feeling of illness. Dr. Taylor was called, but Mr. Blackford was beyond hope when the doctor reached him, the cause being the bursting of a blood vessel at the base of the brain.

Mr. Blackford only took up this pastorate in May last, but in that short time he had made a host of friends, not only in his own parish but throughout the villages, and his bright, jovial ways will be sadly missed, not only here but in his former parishes and his boyhood home in Ohio. Mr. and Mrs. Blackford came here from Rochester, Vt., but his body will be taken to Hartland, Vt., for interment.

Mrs. Blackford and other relatives have the deepest and most sincere sympathy of the entire community in their sudden and great loss.

cently, from Lennoxville. Mrs. Charles I. Frasier left on Friday to spend a couple of weeks with her daughter, Mrs. Herbert Patton, of Lake Megantic.

Among those in Sherbrooke for the visit of H.R.H. the Prince of Wales were Mr. Samuel Vermette, Miss Annie Macdonald, Mr. Leon Gagnon, Mrs. Charles I. Frasier, Master Kenneth Frasier and Mr. Emile Vermette.

Miss Irene Chadwick, of Lennoxville, spent the week-end in town, the guest of her parents, Mr. and Mrs. Robert Chadwick.

Senator Rufus H. Pope is spending a few weeks in Ottawa.

Saturday being All Saints' Day, it was observed in the Anglican and Roman Catholic churches. At St. Peter's a celebration of the Holy Communion at 9 o'clock in the morning and an evening service at 7:30 o'clock, while masses were sung at the Roman Catholic Church of the parish of St. Camille in the morning. In the province of Quebec it is observed as a legal and bank holiday.

Major the Rev. Canon Scott, of Quebec, late of the First Canadian Division Chaplain Overseas Service, will be one of the speakers at the Armistice Day celebration, 11th November, which is being arranged by the Cookshire Concert Band in Victoria hall. The festivities will begin with an oyster and baked-bean supper, to be served from 5:30 o'clock to 8 o'clock, followed by a grand musical concert, including vocal and instrumental numbers, and band selections by the members of the local Cookshire Concert Band, which is comprised of many local musicians. At the conclusion of the programme a grand ball will be held. "Old-time" dances will be indulged in until supper, after which "new time" will be in vogue. Everyone should turn out to attend this affair.

SCOTSTOWN

PRESBYTERY HELD MEETING. The Presbytery of Quebec met in St. Andrew's Church here on Wednesday, Rev. Jas. Cormack, B.A., presiding as moderator, and Dr. MacLeod acting as clerk. Dr. MacLeod, as moderator of Lingwick, reported having moderated in a call which turned out in favor of Rev. Dr. K. MacLennan, of the Presbytery of Glengarry. The call and various documents bearing on the same were submitted. The call was sustained, and the clerk was instructed to forward the same as soon as some formalities not fully attended to by the managers of Lingwick congregation shall be attended. The presbytery appointed Rev. H. C. Sutherland, B.D., Lancaster, Ont., to represent this presbytery when the call shall be dealt with by the Presbytery of Glengarry.

In case the Presbytery of Glengarry grants Dr. MacLennan's translations, arrangements for induction were completed.

General Notes.

Mrs. A. G. Sherman went to Sherbrooke on Wednesday.

Mrs. Bella McInnis, from Granitville, has been the guest of her sisters, Mrs. C. H. Mayhew and Mrs. A. Sherman.

Mrs. McInnis was the guest of Mrs. D. McKenzie, while in Granitville.

Miss Margaret Morrison went to

Major Raymond Collishaw,
One of Canada's Airmen,
Possesses Unique Record

A LIST of the leading British aviators who figured in the Great War was compiled some time ago by Laurence La Tourette Driggs, one of the leading authorities on the subject of fighting in the air. It was extremely gratifying to Canadians to note that the two names which head the list were sons of our own Dominion. The first was Major Raymond Collishaw, who downed 77 Hunas, and the second was Col. William A. Bishop who downed 72 of the enemy and their machines. Strangely enough fame has not always gone to the men who have brought down the most machines. For example, no British aviator is so widely known as Capt. Albert Ball, a lad round whom a great deal of romance and admiration circled, and yet he brought down only 43 machines before he fell. Then readers of the papers and

MAJOR RAYMOND COLLISHAW.

magazines of the United States must possess the impression that Major R. Lufbery and Lieut. Putnam take positions that rather eclipse the leading airmen of the other Allies, but the former only accounted for 18 machines, and the latter for 13. It has become a custom in the premier ace of the Royal Flying Corps, and his brilliance in the air undoubtedly establishes his right to the title. But Canadians ought not to forget that another Canadian, Major Raymond Collishaw, stands second among the fliers of the world in the number of machines downed by him. The one man with a bigger record was Capt. von Richthofen, the young German killed in April, 1918, after downing 80 of the Allied airmen. Major Collishaw did not come forward until after the biggest flying reputations had been established. He is a British Columbia boy, and knew something of the risks of boating in the Pacific Ocean. He is still very youthful in his manner and appearance, and his exciting and desperate adventures have not given him that look of maturity which characterizes so many other leading airmen. Major Collishaw has a record which everyone hopes will remain unapproached forever in history of having downed 77 opponents in aerial warfare. He is a son of whom the most western province of Canada may well feel proud.

Montreal on Thursday, where he expects to take a business position.

Miss Grace Murray went to Montreal this week. Miss Murray expects to take a business position for the winter in that city.

Mrs. Malcolm MacKay expects soon to give up housekeeping and will sell all of her furniture by private sale as soon as possible.

Rev. James Cormack, B.A., of Lake Megantic, was in town attending the Presbytery meeting on Wednesday.

THAT FINE FLAVOR
—so deliciously different

Ice-cream made with Eagle Brand has that rich flavor found in French creams. It has body—is creamy and delicious. It is also more economical than cream.

Eagle Brand is simply rich, pure milk and refined sugar—its distinctive flavor is the result of the Borden process which unites them.

WATERVILLE

In order to correct the impression, inadvertently given, in the report of the formal opening of Waterville High School, regarding the standing of pupils in Grade X, in the examinations of June, 1919, the following statement is made: Highest number of marks obtainable, 900. All six pupils in the grade passed. The leaders ranked as follows: 1st, Frances Wilson, merce medal was not awarded.

668 marks; 2nd, Russell Osgood, 611 marks; 3rd, Stanley Howse, 609 marks. Highest marks in History, Dictation, Euclid, English, Latin and French, Frances Wilson. Highest marks in Composition and Physics, Stanley Howse. Highest marks in Algebra, Stanley Howse and Verda Hammond, equal. Owing to the fact that the names of the contestants were not submitted to the local manager in due season, the Bank of Commerce medal was not awarded.

WILL MISSISQUOI WIN 12 PRINCE OF WALES FLAGS?

It is possible for Missisquoi County to win twelve Prince of Wales Flags in the Victory Loan Campaign.

The figures that have been set in this connection are:

Bedford	\$70,000
Cowansville	\$140,000
Clarenceville and Noyan	\$70,000
Farnham	\$100,000
Frelighsburg	\$70,000
Notre Dame	\$20,000
No. Stanbridge	\$20,000
Philipsburg	\$35,000
St. Armand	\$20,000
Stanbridge East	\$35,000
Sweetsburg	\$70,000

For County \$650,000

Missisquoi is a wealthy county and this objective can be reached if the people have the will to accomplish it. And they would make, at the same time, the best investment of their money available anywhere today.

THE NEW ELEMENT.

The entrance of the Farmers' party into Canadian politics, in the recent overturn of old political parties in Ontario, is of immense reassurance to all who have studied the elements of unrest and change that are now affecting the countries of the civilized world. That a new element must come, all admitted, and that it has proved so conservative in nature is a promise of future safe government. The Bolshevik, the Socialist, parties, which are coming to the fore, are no longer to be feared when an element, as stable, as serious, as useful to the country, as the agricultural, takes prominence in politics. The man who knows how to work will serve his country better than the idle politician.

A pioneer philosopher has said that "no immediate danger threatens that country whose sons black their own boots and whose daughters darn their own stockings." So no immediate danger threatens any country's politics from the hands of those who know the value of honest toil.

CLEMENCEAU'S MESSAGE.

Premier Clemenceau, the "Tiger" of France, has delivered his last message as a political leader of his country, and has given as his solution of world unrest, the constant pleasure of work. All men of great activities, of great achievements, give this message to those who seek happiness. There is no solution to unrest, discontent, or trouble, save that of occupied minds and hands.

The joy of achievement, of good work done, is known to both artisan and artist, to the man in the city's crowded life, to the man in the solitudes of the forest. To work, to accomplish—there is no greater aim or reward.

Premier Clemenceau has been an inspiration to the world during France's dark days. In the time of peace he holds out as the hope of the world, these two—confidence and work. Possessing these as ideals, "the world must move steadily on."

THE PREMIER'S TWO REASONS.

Premier Sir Robert Borden, in a statement regarding the Grand Trunk proposal, gives the following two reasons why the Grand Trunk system should be taken over by the Government:—

"In the first place, our present system of national railways is so incomplete as to seriously jeopardize, if not absolutely prevent, its successful operation. It has in the west a development which gives promise of splendid results, but those results cannot possibly be obtained without the necessary complementary system in the east. That necessity can only be met by the acquisition of the Grand Trunk, which will give the Canadian people a well-rounded system of state railways capable of holding its own in competition with private interests and of giving inestimable service to the country."

"In the second place, the only practicable alternative to the Government's proposals is to hand over the national railways of Canada to a private corporation. There is little doubt but that would lead to control by a single corporation of practically all the railways of Canada. Such a corporation would necessarily be invested with power and influence so extensive, far-reaching and dangerous as to constitute a public menace. The Government, so long as I am at its head, will never listen to such a proposal."

The first reason will appeal to the business sense of the public. Having embarked upon railway ownership through the C.N.R. deal the country must keep on or fall disastrously.

The second reason advanced by the

Premier is that if the Government does not take over this system the whole must revert to private ownership and Canada will eventually find one company holding a monopoly of the country's railways.

If governments can buy railways, if they can grant powers to control them, they should be able to avert the danger of a monopoly to which Sir Robert refers.

The public will be interested in the Premier's statement as setting forth authoritatively the reasons that have prompted the Government to undertake the Grand Trunk purchase.

DEATHS REPORTED

MRS. PERKINS, KINGSEY FALLS.

KINGSEY FALLS, Nov. 7.—The funeral of the late Mrs. Azro Perkins, who died very suddenly on Sunday, was held at her home on Wednesday morning. The service was conducted by the Rev. Joseph Pinel, pastor of the Methodist Church, of which deceased was a member for many years, assisted by the Rev. James Lawson, of Thetford Mines, a former pastor. Appropriate music was rendered by the choir, and the bearers were Messrs. S. L. Shaw, A. F. Perkins, M. Marston and R. Johnston.

The late Mrs. Perkins, whose maiden name was Mary Jane Gibson, was the daughter of the late Alexander Gibson and Caroline Rankin, and leaves to mourn her loss a husband and son, also two brothers, Messrs. J. E. Gibson, of Massawippi, and Zora Gibson, of Brownleigh Place, and a half-brother, Mr. Emmons Gibson, of

Danville, all of whom were present at the funeral.

The interment was in Danville Cemetery.

MR. DONALD G. MACKAY, BISHOP'S CROSSING.

BISHOP'S CROSSING, Nov. 7.—The death occurred of Mr. Donald G. Mackay on Monday at the home of Mr. Alfred Atto. The deceased was not in the best of health for the past two months, and suddenly passed away in the morning from heart failure.

The funeral service was held on Tuesday afternoon at the house, the Rev. Mr. Stark officiating.

Deceased was very much respected by his relatives and friends, he being of a kind and genial disposition, ready to assist anyone in any good cause. He leaves to mourn his loss one brother-in-law, Mr. Alfred Atto, of this place; two sisters, Mrs. Finley McRitchie, of Gould, and Mrs. Marion Fraser, of Washington, and Mr. L. MacKay, of California, and other relatives.

The bearers were Messrs. George Rolfe, R. C. Rolfe, Chas. Hardcastle and L. B. Westman.

After the service the body was laid to rest in Lakeside Cemetery beside that of his sister, Mrs. Alfred Atto, who predeceased him six years ago.

MRS. LAPOINTE, STANBRIDGE EAST.

STANBRIDGE EAST, Nov. 7.—The death of Mrs. Mitchell Lapointe took place on Sunday morning. She was not very seriously ill, but had not been in good health for some time. She was eighty-one years old. The funeral service was held at the house on Tuesday and was conducted by Rev. Mr. Lehigh. Those attending from a distance were Mr. C. Lapointe, Montreal; Mr. and Mrs. C. Aldridge, Stanstead; Mr. and Mrs. W. Lapointe, Abercorn; A. Beck, Stanstead; Mr.

and Mrs. G. Borden, Frelighsburg; Mr. and Mrs. A. Laraway, Bedford; Mr. H. Clough and Mrs. Clough, Frelighsburg. Interment was held at the Miller Cemetery. The bearers were Messrs. H. G. Phelps, Edgar Carthy, R. Meller and H. Ried. She leaves to mourn her loss a husband and two daughters, Mrs. Edgar Beck and Mrs. Aldridge, and one son, Mr. C. Lapointe, as well as a large number of relatives and friends.

LATE MR. F. C. GINGRAS, MARBLETON.

MARBLETON, Nov. 7.—On October 24 the townspeople and those through the surrounding country received a great shock at the news of the sudden death of Mr. F. C. Gingras. The deceased had not been well for some time, but on the afternoon of the 24th, which was a nice day, he in company with his son Leo took a little auto drive to Weedon, and on arriving in the town he passed away without warning, sitting in his auto, the cause being heart failure.

The funeral was held on Tuesday, the 28th, at the Roman Catholic Church at St. Adolphe of Dudsell. The funeral service was sung by Rev. Father Larue, priest of the parish, assisted by the Rev. Father Hamel, of D'Irreil, Rev. Picard and Rev. Bulse, of Weedon.

The local choir was assisted on the occasion by many of the deceased's friends from the nearby towns, Messrs. Paul Charland and Elz. Cote, Mr. A. Lizotte, from South Ham, Mr. B. Tanguay, from Weedon, and Mr. A. E. Robert, from Dudsell Junction.

The Rev. Rural Dean Love was present at the funeral.

Mr. James Gingras, of Boston, youngest brother of the deceased, carried the cross, while the bearers were Messrs. George and Napoleon Gingras, of Ashland (brothers), and his four sons, Ernest, Leo, Eugene

and Emile. Mr. Bishop was in charge of the funeral, and Messrs. J. B. Nadeau and J. St. Hilaire acted as managers.

The church was filled to its utmost capacity, as everyone was anxious to pay a last tribute of devotion to one who has been a good citizen and who is mourned by his many friends, both French and English.

Among those from a distance who attended the funeral were P. M. Belisle, J. E. Michel, E. Nault, Paul Charland, Elzear Cote, Mr. and Miss Nault from Wotton; O. Lamoureux, J. Lamoureux, Mr. and Mrs. A. Lizotte, Mr. and Mrs. Nap. Couture, Mr. and Mrs. Dion, from South Ham; N. P. Tanguay, B. Tanguay, Dr. Lemieux, J. H. Bourgette, R. Tanguay, from Weedon; J. H. Crepeau, J. B. Charlier, V. Charland, E. Chartier, Mr. and Mrs. J. A. Dion, Mr. and Mrs. Aime Roche, Mrs. M. P. Caron, Mr. and Mrs. Wm. Bernard, H. Nault, Jos. Beaubien, Jos. Cote, H. Boisvert, Mr. and Mrs. F. X. Bernard, Miss Crepeau, H. Lemay, Miss Guin, Mr. and Mrs. Perrault, Mr. and Mrs. L. Nault, from Bromptonville; Mr. and Mrs. J. Gosselin, Ascot Corner; E. Fiset, James Staples, from Cookshire; J. A. Croteau, P. C. Lussier, J. E. Beaubien, from St. Girard; A. J. Briere, A. C. Beaubien, Mr. and Mrs. E. Clemeat, D. Clemeat, North Hatley; W. Dodier, Thetford Mines; P. Labrecque, D'Irreil; A. Nault, Woonsocket; Mr. and Mrs. Camille Nault and many others.

Among the floral offerings were: cross from the family; wreath from the Liberal Association of Richmond and Wolfe; cross from Mr. Wm. Hetherington, manager of Canadian Bank of Commerce and staff of Maribeton; wreath from Mr. J. M. Nault, Sherbrooke; wreath from Mr. Jos. A. Boisvert, Sherbrooke.

Offerings of masses amounted to fifty-six, while prayer offerings, letters, telegrams and cards of sympathy too numerous to mention came from all over the Eastern Townships, the

deceased being well known.

Mr. Gingras leaves to mourn his loss a widow, two daughters, Misses Antoinette and Fabiola Gingras, and four sons, Ernest, a commercial traveller, married and living in Maribeton; Leo, bachelor and living in Maribeton; Eugene, accountant, married and living in Quebec; and P. Emile, who has been three years at the front, and is now a student in Quebec; three brothers, who were present at the funeral, James, from Boston, Napoleon and George, from Ashland, N. H.; two sisters, Mrs. A. Bertrand, of Hamond, Ont., and Mrs. W. Roy, of Pontex, Sask.

The late Mr. F. C. Gingras was 67 years and six months of age when he passed away. He had been a storekeeper and trader of St. Camille for twenty-six years, when he bought out the store of Mr. W. T. Oughtred in 1912 and resided in Maribeton since. He was in both places a leading citizen, being active in all public affairs, and was councillor and school commissioner for a number of years.

He was Liberal chief politician in the Eastern Townships, being the president of the Richmond and Wolfe Liberal Association, and chief organizer of the Liberal party in the county of Wolfe for over twenty years.

He was a delegate representing the municipality of St. Camille at the Liberal caucus called by Sir Wilfrid Laurier at Ottawa in 1893, and again in 1919, twenty-six years later, a delegate to the great Liberal convention held in Ottawa in August last for the choice of a Liberal leader to succeed the late Sir Wilfrid Laurier. The candidature was offered to him many times, but it seems that he was always inclined to fight and work hard for the triumph of his principles, but did not care to have the honor and let the others have the benefit of his work.

Again in the last provincial election in June, 1919, just four months ago, he was chosen by the association

as the Liberal candidate and had the right to expect an election by acclamation, but greater ambition came in his path, and once more he sacrificed his personal political ambition in retiring, to the great sorrow of his supporters, who were numerous.

Though as all public men, he no doubt had his foes, every one today either French or English mourn his death and have for his memory the deepest respect and esteem, for he was honest, kind-hearted and devoted to everyone, regardless of class and society.

Nothing pleased him more than to give another the benefit of his experience, and his services were always free.

The following resolution of condolence was passed at a meeting of the Maribeton Council held on November 3, Mayor Mr. John B. Nadeau presiding:

Moved by Councillor Andrew Barber, and seconded by Councillor Francois Fontaine.

"Whereas it has pleased Divine Providence to take from our midst our late confrere, F. C. Gingras, a member of the council, at this first meeting of the council since that lamentable occurrence, we desire to place on record our deep sense of loss sustained by us and the community at large, by the removal of one who ever took a lively interest in, and who devoted much valuable time and pains-taking thought to municipal matters, and we also desire to express to his family our sincere condolence and heartfelt sympathy with them in their bereavement."

CASTLEBAR

Mr. Seth A. Olney has sold his house and land, known as the Thos. McKeag place, to the trustees of St. Augustine's Church for the purpose of making a parsonage for the Lorne Church.

The Young Man's Opportunity

"If you want to know if you are a success, ask yourself this question—'Can you save money?' If you can, you are a success. If you can't, drop out."

That's plain talk, but it's true.

That's something for the young man of Canada to think over. If you are not saving money—you are not getting anywhere.

You are lifting your feet and putting them down on the same spot day after day, marking time.

No man ever succeeded that way.

Take a grip on yourself and cut out those careless, useless expenditures you make day after day.

Victory Bonds are your opportunity.

Buy a "big block" of Victory Bonds.

Buy them on easy terms—under the instalment plan.

Grit your teeth—and pay for them! You can do it.

And think what this money saved may mean to you later in life. It may mean an interest in some business; it may mean the making of a home. It will mean that you can avail yourself of some investment opportunity that will ensure your financial or business success. The possession of some "ready money" has often been the foundation of a fortune.

Begin saving to-day.

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada.

Reproduction of Musical Tone

THE one great, fundamental consideration in a musical instrument is its tone. On its tone-quality alone it can rise to pre-eminence, or remain on the level of mediocrity.

The phonograph is not one musical instrument—it is a thousand. The myriad different instruments and voices it is asked to reproduce call for a tone quality and versatility infinitely beyond the requirements of other instruments.

The Aeolian-Vocalion has risen to its position of world-supremacy on the strength of its marvellous tone. No other features of interest or convenience have been required to make it great.

Its reproduction—particularly when playing the new and revolutionary Vocalion Record—possesses a richness, depth, purity and beauty that has brought the music world to a new appreciation of the value and meaning of the phonograph.

The Graduola

BUT the Aeolian-Vocalion has additional features that add their weight to its supremacy. It is equipped with a completely developed tone-control—the Graduola—which makes of every listener who desires, a performer also. Which gives the privilege of personal participation in the music to all who wish it. And which makes the Aeolian-Vocalion the only phonograph tone-control that fully meets all musical requirements.

It may be said, without fear of contradiction, that the Graduola device exclusively used on the Aeolian-Vocalion is the only phonograph tone-control that fully meets all musical requirements.

In choosing a Vocalion, you may feel confident that you are securing a phonograph of highest quality—superior in tone, in appearance, and richer in special features than any other phonograph on the market.

It will give us pleasure to demonstrate the Vocalion, and to play for you any music you wish to hear.

Lord's ambulance was called by Dr. Stenning to remove Mrs. Howard Lovell, of Coaticook, from the G. T. train to the Sherbrooke Hospital. Called by Dr. George Hume to remove Mr. Boisvert to the Sherbrooke Hospital, also called to remove Napoleon Pelland from the G. T. train to the St. Vincent de Paul Hospital.

A RUN ON MAPLE SUGAR. Following the first snow fall of the season, several in-promptu "sugar on snow" parties have been included in the social events of the week, and this Canadian delicacy, which is fast becoming a luxury, has been in great demand. "Cleaned right out" remarked a grocer yesterday when asked for some maple sugar. This statement does promise well for the many events always planned for the winter season when sugar on snow is a drawing card. However, there may be some being kept in reserve for these occasions, and unmistakably at a price that would cause our grandfathers to hold up their hands in horror.

LATE MR. WM. WIGHT LAID TO REST

The funeral service of the late Mr. William J. Wight, whose sudden death was so great a shock to the community, was held last evening, at the home of the deceased on Quebec Street. Rev. E. C. Russell, of St. Peter's Church, officiating. General sympathy was expressed by the large attendance of friends and neighbors. Mr. Wight having made many friends during his residence in this city. Mr. W. J. A. McKindsey and Mr. Alex. Berwick were present, with Mr. and Mrs. Wurtelle, of Lacatine, brother-in-law, and sister, the Misses Wight, sisters; Mrs. Alexander Wight, of St. Johns, sister-in-law; and Mr. J. T. Morrell, a connection. The mortal remains were conveyed to St. Johns this morning, accompanied by Mr. Wurtelle and Mr. Jack Morrell. The bearers, principally members of the Masonic fraternity, were Dr. W. S. Allen, Messrs. E. S. Stevens, W. Ballentine, Robert Bell, Alex. Berwick and T. K. Smith.

The funeral took place this afternoon with Masonic honors, the late Mr. Wight being a member of Dorchester Lodge A. F. & A. M.

DE LAVAL CHAPTER HELD DANCE

The De Laval Chapter, Daughters of the Empire, was at home last evening at the 53rd Regiment Armory, and a more delightful function has not been given this season, pre-eminently a gay one. Everything but the weather was propitious, and even the unprecedented storm did not prevent an attendance of some two hundred and fifty guests, who thoroughly enjoyed the occasion.

The decorations were most tasteful, consisting of many draped flags and festoons of bunting in conjunction with the brilliant electric lights and Japanese lanterns. The L.O.D.E. crest, surrounded by flags, was conspicuous above the platform, the symbol of the patriotic women of the Dominion.

The guests were received by the patronesses, Mrs. F. Campbell, Regent of the Chapter, Mrs. D. J. Steele, Mrs. J. H. Walsh and Mrs. L. H. Olivier, all wearing handsome gowns and occupying the carpeted and decorated dais arranged for them, while at the sides of the hall attractive cozy corners and sitting-out places invited the dancers to rest.

The music of Melver's orchestra was unusually inspiring and much applause followed every number.

Punch was served during the evening, and later a buffet supper, every detail being admirably managed.

Among those present were Mrs. F.

Campbell, the Misses Campbell, Mr. and Mrs. L. E. Dastous, the Misses Dastous, Mrs. H. R. Fraser, Mrs. F. A. Baldwin, Mr. and Mrs. F. A. Briggs, Dr. and Mrs. F. Bertrand, Dr. and Mrs. Darche, Mr. and Mrs. C. Picard, Mr. and Mrs. DeBaillets, Mrs. Valmore Olivier, the Misses Olivier, Mrs. Chagnon, Mrs. G. L. DeLottinville, Mr. and Mrs. J. E. Poirer, Mr. and Mrs. A. G. Sabourin, Mr. and Mrs. Tetreault, Mrs. Alex. Blue, Mr. and Mrs. L. Bachand, Mrs. Louis Bachand, Mrs. Montigny, Mrs. Montigny, Miss Thivierge, Mr. and Mrs. Victor Deseve, Miss Denault, Miss Codere, Mrs. Chapman, Dr. and Mrs. G. L. Hume, Miss Choquette, Miss Carrier, Miss Dorothy Farwell, Mrs. McSwiggan, Miss L. Steele, Mrs. M. Hawkins, Miss Hawkins, Judge Desy, Mrs. Morissette, Messrs. McAnulty, Rugg, Robinson, Carr, Darling, Kerr, Steele, Eustace, Denault, Mr. Maurice DeLottinville, Mr. Gregoire and many others.

MARRIAGES

RIEL-LING.
FRELIGHSBURG, Nov. 7.—A very pretty wedding took place in the B. B. M. Church on Wednesday afternoon, November 5, when Mr. Robert Riel, second son of Mr. and Mrs. John Riel, was united in holy wedlock to Miss Ethel Ling, eldest daughter of Mr. and Mrs. Harry Ling, by Rev. H. C. Winch. The bride was given away by her father, and was attended by Miss Cecelia Coates, who was attired in silk crepe de chine and carried a bouquet of pink roses. Mr. W. R. Batley, brother of the bride, acted as best man. Miss Muriel Gilbert, of Bishop's Crossing, played the wedding march. After the ceremony and congratulations, the wedding dinner was served in the dining-room, which was decorated in pink and white. The presents were numerous and costly, showing the high esteem in which the young couple are held. They will reside in North Brookbury, where the groom has recently purchased a home.

GREY-BATLEY.
BROOKBURY, Nov. 6.—A very pretty wedding took place at the home of Mr. and Mrs. Walter F. Batley on October 29, when their only daughter,

Miss Clara Olivia, was united in marriage to Mr. Ernest Leslie Grey, both of Brookbury. The ceremony was performed by the Rev. M. Brundage, pastor of the Methodist Church, in an alcove of the parlor, which was beautifully decorated with evergreens and scarlet geraniums, over one hundred invited guests being present. The bride wore white satin with trimmings of georgette crepe and pearl buttons, with a tulle veil and orange blossoms, and carried a shower bouquet of white roses. She was given away by her father, and was attended by Miss Cecelia Coates, who was attired in silk crepe de chine and carried a bouquet of pink roses. Mr. W. R. Batley, brother of the bride, acted as best man. Miss Muriel Gilbert, of Bishop's Crossing, played the wedding march. After the ceremony and congratulations, the wedding dinner was served in the dining-room, which was decorated in pink and white. The presents were numerous and costly, showing the high esteem in which the young couple are held. They will reside in North Brookbury, where the groom has recently purchased a home.

The presents were numerous and costly, showing the high esteem in which the young couple are held. They will reside in North Brookbury, where the groom has recently purchased a home.

A Social and Personal

Miss Mande Smith, of Lisgar, is the guest of Mrs. Charles Armstrong, Minto Street.

Miss Mamie Bissonnet returned to her home in Stanstead today, after a two weeks' visit to friends in this city.

Miss Bessie Fowler, of Windsor Mills, has completed Mr. A. E. Whitehead's course for pianoforte teaching, thereby securing the teachers diploma.

Miss Grace Libby, who has been spending the past week with Mrs. Ralph Whitcomb, has returned to her home in Ayer's Cliff.

Mr. George D. MacKinnon, who has been confined to the house through illness, for the past two weeks, is greatly improved and will probably be able to attend business again early next week.

Mrs. C. A. Baldwin, of Tomifobia, who has been the guest of her daughter, Mrs. Thomas Molyneux, Drummond Road, for the past week, returned home on Thursday.

CHOSE SITE FOR TUBERCULOSIS HOSPITAL HERE

The Municipal Chapter I.O.D.E. held a meeting yesterday at the headquarters of the order in the Art building, Mrs. G. L. Hume, the regent, presiding. All the primary chapters were represented by their officers, and many matters of interest were considered. The standard was raised, the members' prayer offered, and the minutes of the last meeting read and approved.

The treasurer's report indicated a fair return for the work of the chapters in catering for the two regiments, and that the proceeds, to be divided among the chapters, would be the nucleus of the tubercular sanitarium fund. The regent reported that a site which seemed very suitable for a sanitarium had been found and thoroughly inspected by the committee. It was situated on high ground in East Sherbrooke, within easy access of the car line, and offered many possibilities. The two members of the advisory board who had been consulted, approved, and it was believed that their opinion would be endorsed by the other members. It was moved and carried that an option be taken on the Woodward property on Woodward avenue, East Sherbrooke, and in the meantime, before the first of May, make an effort to raise the requisite funds. Various opinions were advanced as to the best method of obtaining so large a sum, and it was finally decided to organize a campaign early in the new year, the belief being expressed that the public response would be generous.

A letter was read from Hon. Walter G. Mitchell, provincial treasurer, stating that the Government would shortly grant a large sum of money for the enlargement of the tubercular hospital at Ste. Agathe, which should supply the needs of the province, but he had no doubt that should a small tubercular sanitarium be established in Sherbrooke, a yearly grant would be made by the Government, as in the case of similar institutions in Montreal and Quebec.

WAR MEMORIAL SCHEME.
At the request of the regent, Mrs. H. A. Odell, vice-regent, was asked to lay the subject of the I.O.D.E. war memorial scheme before the meeting. Mrs. Odell said that the scheme was magnificent and well worthy of an Imperial order. It was admitted by all who were familiar with conditions in Canada that the greatest need of the day is education, and is a matter of national importance.

The chapters had pledged themselves, through their representatives at the meeting of the National Chapter, to support the war memorial project, and it was their duty to do so. A large sum would be required by the first of the year, but the quota required from each chapter could be raised, though the amount was not obligatory. It was moved and carried that Mrs. McDougall, who is deeply interested in the scheme, and is making a tour of Eastern Canada, be asked to fix a date for a visit to Sherbrooke, when a mass meeting will be held and all information given to the members of the I.O.D.E. and the public.

Mrs. S. A. Jones reported on the new room, which had been very satisfactorily put in order, but each regent was requested to ask a member of her chapter to assist in forming a room committee to secure certain furniture and necessities required. A cordial vote of thanks was moved by Mrs. W. A. Farwell, seconded by Mrs. Odell, and carried, to the King Albert Club, now disbanded, for the donation of all their equipment, dishes, furniture, etc., which would be of use to the chapters.

It was decided to procure a supply of tubercular literature for distribution by the V. O. nurse and physicians, a pamphlet by Dr. Evers being specially recommended. The meeting then adjourned.

Mrs. C. H. Gale and little son, have returned from a three weeks' visit to Mrs. Harry Garwood, Westmount.

Mrs. Jowett, of Montreal, is the guest of her daughter, Mrs. C. K. Bartlett, 6 Walton Avenue.

Mrs. George LePan and young son, who arrived accompanying the body of the late, Mr. LePan, from Cuba, are guests at the Magog House, with Mr. A. D. LePan and Mrs. LePan, Sr.

Mr. E. W. Tobin, of "Woodhaven," Bromptonville, left this week for Mount Clemens, Mich., accompanied by Miss Kathleen Tobin, for the benefit of Mr. Tobin's health.

Mrs. Wurtele, of Lachine, and Mrs. Alexander Wight, of St. John, who were called to Sherbrooke by the death of the late W. J. Wight, are spending a few days with the Misses Wight, Quebec Street.

Mr. Gaudin Plamondon, East Sherbrooke, who was summoned to Quebec by the sudden death of his brother, Mr. Oliver L. Plamondon, remained to attend the funeral, accompanied by his son, Mr. Oliver Plamondon. There was a large gathering at the obsequies, the late Mr. Plamondon being a prominent citizen, well-known and highly respected.

Mrs. C. K. Bartlett received yesterday for the first time since her marriage at her home on Walton Avenue. Mrs. Bartlett was assisted in receiving the guests by her mother, Mrs. J. J. Jowett, of Montreal, while Mrs. A. H. Jowett, of Montreal, and Miss Rupert Wiggitt, ushered the visitors into the dining room. The floral decorations were yellow and white 'mums' with a table centre of roses, and refreshments were served. Mrs. James Price and Mrs. Hubert Ames poured tea, and Mrs. Spencer Le-Huray cut the ices, the hostess also being assisted by Mrs. W. Davy, Mrs. B. Baker, Mrs. F. Armstrong, and Miss Alberta Goff.

Mrs. R. Bennett, Main Street, Lennoxville, entertained yesterday at tea, and kitchen shower, for Miss Gabrielle Richard, whose marriage takes place next week. In addition to the guest of honor, those present included, Mrs. R. G. Ward, Mrs. J. G. Watson, Mrs. Herbert Reynolds, Mrs. E. G. Henry, Misses Marie Goodhue, Florence Bryant, Blanche Marschal, Misses Kathleen, Gertrude and Ave Walsh, and Miss Beauchessie. The gifts both pretty and useful were presented in a large basket, decorated in red and white, were duly and gratefully acknowledged. Tea was served in the dining room, the table being adorned with red and shaded candles. Mrs. Guy Ward presided, and the ices were cut by Mrs. J. G. Watson while Misses Goodhue and Bryant assisted in looking after the guests.

LOCAL VETERANS AGAINST GRAND TRUNK PURCHASE

Resolution Passed By G. W. V. A. Opposing the Measure—Other Business Attended to at Meeting.

That the local branch of the Great War Veterans' Association is against taking over the Grand Trunk Railway for the Government, and the subject of an important resolution adopted by that organization at its last meeting, held at the Dufferin avenue headquarters of the association, with Major E. H. Bowen in the chair.

Applications for membership were read from Mrs. Annie Wilson, Luc Veron, Arthur Pelletier, J. F. Racicot, Henry Milham, Sam Toussaint, J. Doyon, Stanley Beaudry, R. M. Levers, P. Lashman, Ed. F. Croft, Gordon Reid Moe, W. C. Elliott, A. E. Cowling, R. W. Smith, David Richards, Victor Adams, Norrey L. Wiggitt, J. J. Cummings and G. R. Drake, and these applications were accepted.

A resolution passed by the executive of the Montreal branch of the G.W.V.A. was then read by the secretary, and after some discussion the following motion was proposed by Cde. Brown and carried:

"Moved that this branch of the G.W.V.A. place itself upon record as being against the acquisition of the Grand Trunk Railway by the Government, especially in view of the Government's declared inability to finance the civil re-establishment of returned soldiers in an adequate manner.

A copy of this resolution was sent to the Dominion command of the G. W. V. A. at Ottawa.

On the motion of Cde. Brown, it was ordered that the current accounts, as read by the secretary, be paid.

A set of rules, drawn up by the Sons of England with regard to the forthcoming annual tournament for the Graves Cup, was then read and adopted, with the exception of the date on which the tournament was to take place. It was decided that the games were to be held on Thursday of each week, and that the first meeting was to be on the thirteenth. This cup, which is to become the property of the team winning it three years in succession, was last year won by the Veterans.

Recommendations from the sports committee that teams be formed to represent the association in basketball, hockey, indoor baseball and volleyball were then read, such teams to be entered in any league or competition held in the city. It was also suggested that suitable arrangements be entered into with the proprietors of the Stadium for the use of the rink for hockey practice.

A debating society is to be formed, to be open to all members of the association, and it is to be hoped that as many of the veterans as possible will attend its meetings and help make it the success it will doubtless become. The secretary was instructed to request the members of the advisory board to meet as soon as possible to discuss a matter of importance to the G.W.V.A.

The meeting then adjourned until the nineteenth, with the singing of the National Anthem.

DEVOTED TO THE INTERESTS OF EASTERN TOWNSHIPS AGRICULTURE AND PUBLISHED EVERY FRIDAY AS PART OF THE SHERBROOKE DAILY RECORD

From Eastern Townships
Experimental FarmFARMERS SHOULD
HAVE MACHINES
WELL HOUSED

With the major portion of the field operations finished for this season, the farmer can now turn his energies to the usual order of routine work for the winter months, but before fully settling down to this routine, it should be seen to that all machinery is properly housed from the weather.

The farmer cannot afford to neglect the machinery, because in this part of his farm equipment there is a considerable amount of capital invested, and even with the ordinary wear on the machinery, brought about by actual use, the life of the farm machinery is short enough. This fact has been fully impressed upon the minds of those who have had to buy machinery of late.

As the machinery is being stored away a close inventory should be made of all the parts that are liable to give out, so that these repairs can be procured during the winter and put in place during stormy days when weather conditions will not permit of

outside work being done.

By adding new parts to the old machines, considerable good service can be secured, thereby saving the necessity of making very costly purchases.

An application of heavy oil to the moldboard and land side of the plough will prevent rusting. Clean the disk harrow and apply oil so as to keep the machine in good working trim, if the finishing harrow teeth are worn blunt, the teeth should be taken out and sharpened, because upon good sharp teeth we can depend on having thorough work done.

The sprayer should be thoroughly cleaned, nozzles taken off, soaked in kerosene, and when the corrosion has been loosened, apply oil to prevent further injury. The pump and all metal parts should be cleaned in the foregoing way.

Where the plough has become worn off the wood, a coat should be applied to as the wood parts protection against decay, and to prevent the iron from rusting.

Remember that the fanning mill should be gotten into running order, so as to be ready for cleaning the supply of seed grain, and also a good sample for the coming seed fair.

Thoroughness in all the operations on the farm, at the proper season, is what counts in the end.

—The Lennoxville Experimental Station. T. Fred Ritchie.

RECENT INVENTIONS OF INTEREST

TO EASTERN TOWNSHIPS FARMERS

(By C. J. Lynde, Macdonald College, Que.)

FOLDING CRATE.

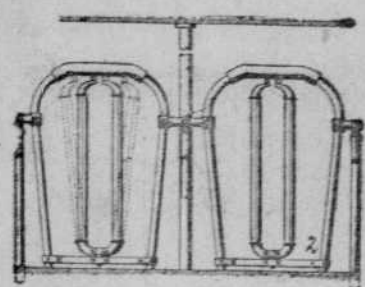

The wooden bottom of the crate shown here rests on a frame angle iron, and the wire mesh sides, end, top, and partition have frames of iron

rods. The ends and partition fold on the bottom, and the top and sides fold on these.
(F. A. Walker, Poplar Bluff, Missouri. U. S. Patent 1,315,961.)

STALL CONNECTION.

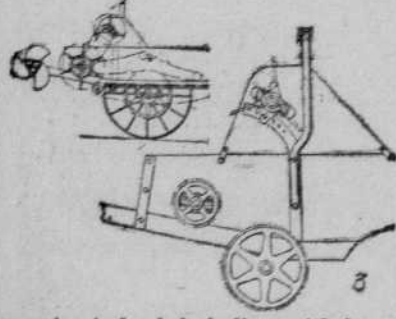

The stall connection described in this invention consists of two adjustable pipe collars cast in one piece at right angles to one another. The ad-

vantage claimed is that it makes a very convenient connection for stall partitions and stanchion frames, as illustrated above.
(Iowa Gate Company, Cedar Falls, Iowa. U. S. Patent 1,315,351.)

MANURE SPREADER.

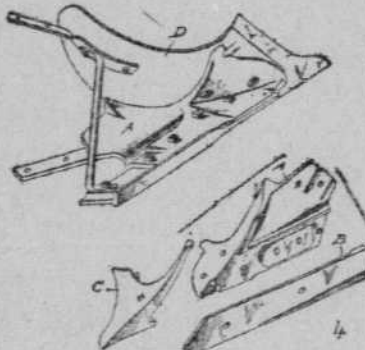

The new feature of this spreader is that the upper beater can be raised or lowered according to the nature of the manure. It is lowered when the

spreader is loaded shallow with heavy manure, and it is raised when the spreader is loaded high with light manure.
(Emerson-Brantingham Company, Rockford, Ill. U. S. Patent 1,315,818.)

PLOW.

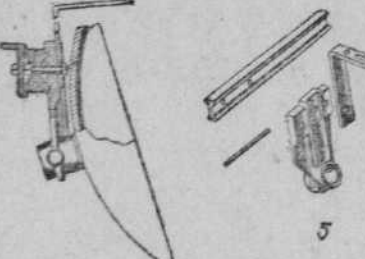

In these figures, A is the frog, B the landside, C the share, and D the moldboard. A, B and C are so made that they brace each other and as a

result the share does its work without any strain on the bolt connecting it with the frog.
(B. F. Avery and Sons, Louisville, Ky. U. S. Patent 1,297,594.)

WHEELED PLOW.

This invention relates to the method of changing the angle of the disk on a disk plow. It is changed here by inserting a concave strip or liner in

the upper or lower groove of the disk bracket to move the lower edge of the disk down or up.
(Moline Plow Co. Moline, Ill. U. S. Patent 1,300,824.)

STORAGE OF VEGETABLE.
Farmers' Bulletin 897 "Home Storage of Vegetables" has 22 pages and 20 illustrations on this subject. Write for it to Superintendent of Documents, Washington, D. C. It costs five cents.

Make Your Cows
Yield More Milk

—one-sixth to one-quarter more milk at practically one-half the feeding cost. If you are a dairyman or keep milk cows bear this in mind—

Xtravim
FEED MOLASSES

makes untempting foods palatable, puts your cows in condition and saves you money. Use Xtravim with old hay, ensilage, fodder, screenings and dry feed as a conditioner for cows, horses and hogs. Xtravim about halves the cost of milk feed and contains the carbohydrates and protein necessary to a properly balanced ration.

Write today for our free booklet on stock-feeding.

SHOULD PROTECT
THE FRUIT TREES
FROM MICE

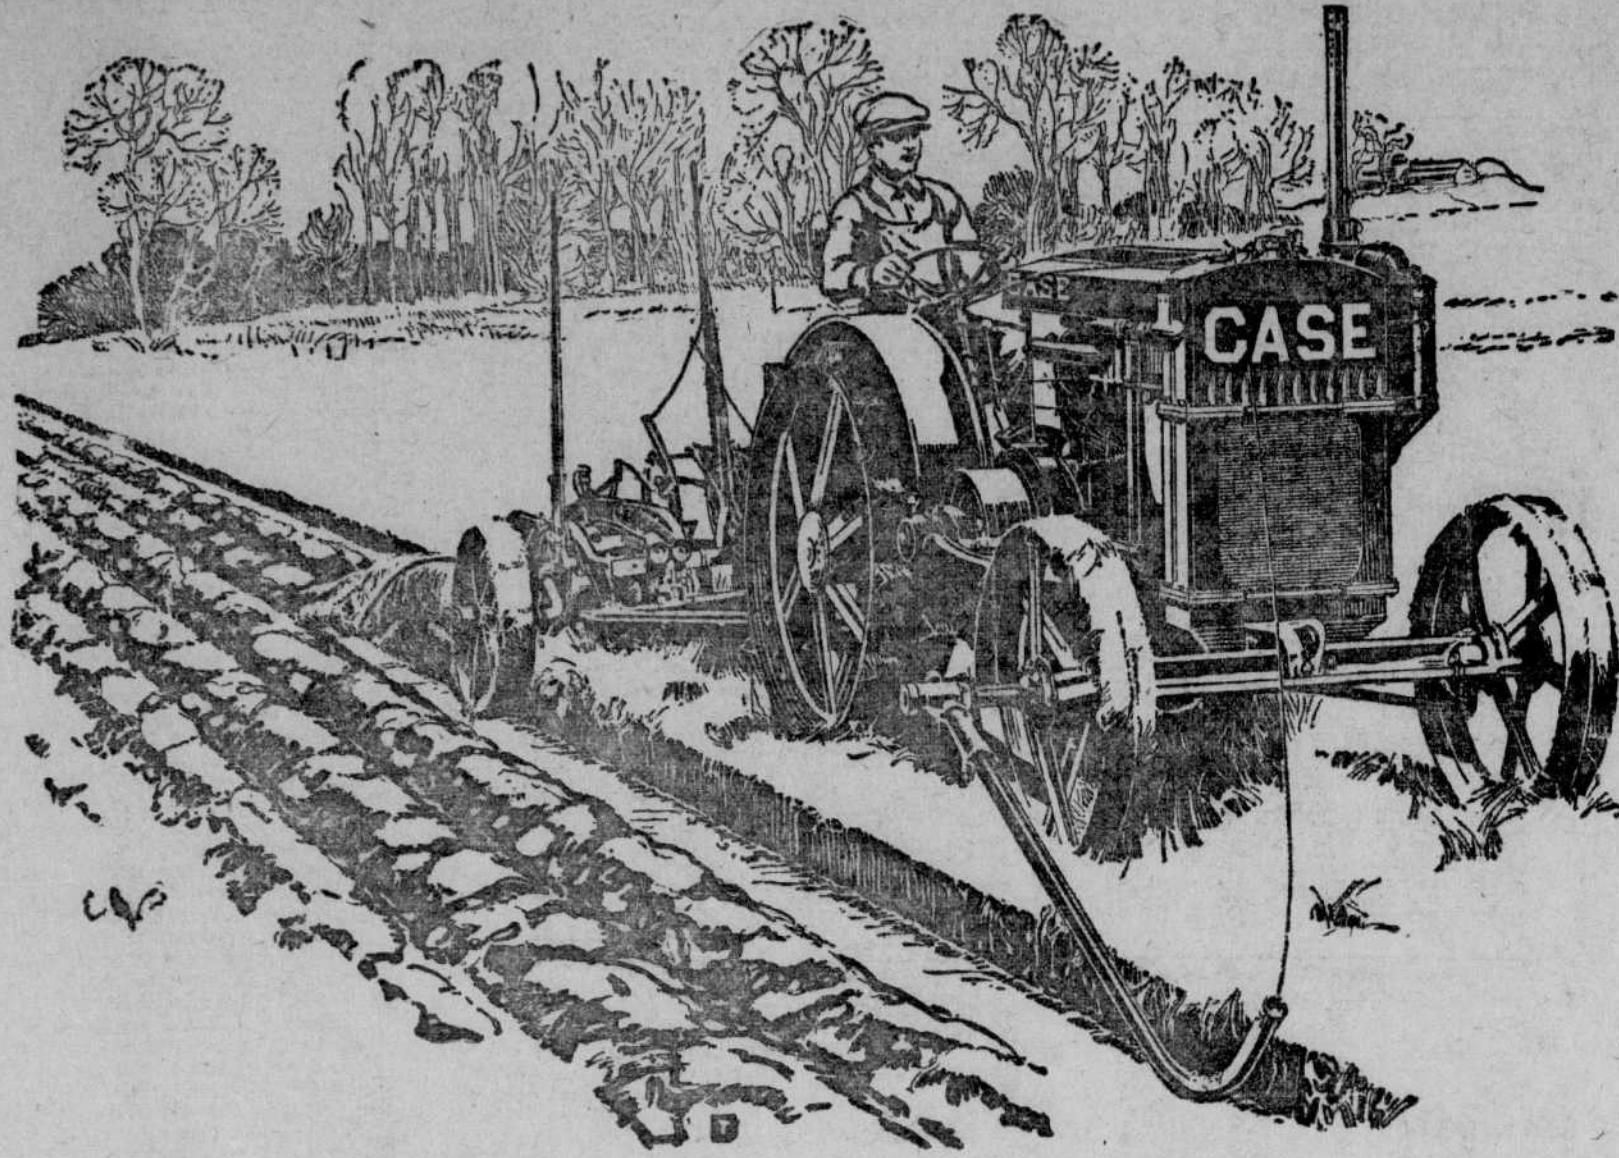

Thousands of Trees are Injured Every Year By Mice.

Thousands of trees are injured in Canada every year by mice, and in the newer districts a large number by rabbits also. All this could be prevented if the farmer or fruit grower would use the information available and protect his trees from mice. Some years there is less injury than others, and this fact leads to carelessness, and when a bad year comes the trees are unprotected.

While the depredations from mice and rabbits in winter vary from one year to another, depending on the scarcity or abundance of food, the number of mice which are in the vicinity, and the character of the winter, the injury is always greatest when the orchard is in sod, and when there is rubbish lying about; hence the latter should be removed before the winter sets in. As mice may be expected in greater or less numbers every winter, young trees should be regularly protected against their ravages. Mice usually begin working on the ground under the snow, and when they come to a tree they will begin to gnaw it if it is not protected. A small mound of soil from eight to twelve inches in height raised about the base of the tree will often prevent their injuring the tree, and even snow tramped about the tree has been quite effective, but the cheapest and surest practice is to wrap the tree with ordinary building paper, the price of which is small. The paper is also effective, but trees have been injured by using it, and it is well to guard against this when the building paper will do as well. After the paper is wrapped around the tree and tied, a little earth should be put about the lower end to prevent the mice from beginning to work there, as, if they get a start, the paper will not stand in their way. It may be stated, however, that among several thousand young trees which have been wrapped with building paper for years at the Experimental Farm, Ottawa, there have been practically no instances where the mice have gnawed through the paper to get at the tree. The use of a wire protector, or one made of tin or galvanized iron, is economical in the end, as they are durable.

There are a number of washes and poisons recommended for the protection of fruit trees and the destruction of the mice and rabbits, but none of these is very satisfactory, as, if the mice or rabbits are numerous, the poison has not sufficient effect upon them to prevent injury altogether. The following method of poisoning has been found fairly successful for mice, but rabbits are very difficult to

deal with. Make a mixture of one part, by weight, of arsenic, with three parts of corn meal. Nail two pieces of board each six feet long and six inches wide, together so as to make a trough. Invert this near the trees to be protected and place about a tablespoonful of the poison on a shingle and put it near the middle of the run, renewing the poison as often as is necessary.

Wins Ontario Plowmen's Sweepstakes
from 26 Competitors

This Remarkable Feat Demonstrates the Superiority of the

CASE

Kerosene Tractor

THIS is the latest record of the Case 10-18 Kerosene Tractor—established in the Ontario Plowmen's Association Sweepstakes, held at Chatham, Oct. 23rd. This was not a test of speed but of performance, by actual farmers, and results—and the Case won over 17 other makes of tractors. This is the tractor that won over all competitors at the fuel tests of the Cercle Agricole of St. Blaise, Que. This is the tractor you need on your farm. The Case 10-18 Kerosene Tractor has a four cylinder valve-in-head motor, set crosswise on a one piece main frame. This frame construction assures permanent alignment of all shafts, bearings and gears. No bevel gears, chains, worms or friction drive parts required. It also permits of placing the belt pulley on the crankshaft, giving a direct drive. It affords the use of all spur gears which save power. All gears cut steel, enclosed

and running in oil. Other exclusive features include the patented Case air washer, preventing dust from entering the motor, thereby prolonging its life. The Syphon Thermostat keeps the engine at a uniform temperature, important for successfully and economically burning kerosene. Copper fin and tube non-clogging radiator with removable cast frame. Hyatt Rollers for all important bearings. The Case 10-18 is adaptable for plowing, discing, seeding, harrowing, haying, harvesting, threshing, silo filling, hauling, and many other farm jobs. Holds records for fuel economy. Develops 20% more belt power than rated. Weight only 3500 pounds. You cannot afford to overlook the outstanding advantages of the Case if you want the most value your money will buy. Let us show you why the Case Tractor out-distances all competition.

ST. JOHN QUEBEC MONTREAL OTTAWA TORONTO
HAMILTON WINDSORA PREMIUM FOR
PURE BRED RAMS

Live Stock Branch, Ottawa, Makes Known Details of Offer.

Any sheep raiser who purchases a pure bred registered ram of any recognized breed recorded in the Canadian National Live Stock Records or eligible for such registration for use in his own flock, and who has not previously used a pure bred registered ram shall be entitled to the annual premium of \$5.00 for two consecutive years, provided he will comply with the regulations specified in Pamphlet No. 19, "Information Concerning the Policy Regarding Pure Bred Rams," issued by the Live Stock Branch, Ottawa. This pamphlet will be sent free upon application to the Publications Branch, Department of Agriculture, Ottawa. It has been decided that the best way to prove the value of pure bred rams is to help every sheep raiser, who has not previously used a pure bred ram, to use his own flock for demonstrating the value of this practice. Therefore the Dominion Department of Agriculture will grant to bona fide applicants who comply with the above mentioned regulations a sum of \$5.00 annually, for two years, for each pure bred registered ram. No individual sheep raiser shall be permitted to receive premiums for more than four rams. Regular forms to be used in making applications under this policy are to be found in the back of Pamphlet No. 19.

Make a mixture of one part, by weight, of arsenic, with three parts of corn meal. Nail two pieces of board each six feet long and six inches wide, together so as to make a trough. Invert this near the trees to be protected and place about a tablespoonful of the poison on a shingle and put it near the middle of the run, renewing the poison as often as is necessary.

Let Experts Figure the Rations

ANYBODY can feed a hog—but only experts can feed for tip-top results. Who but an expert with years of study and special experience could properly make available the odds and ends of feed materials about your farm. Certainly you haven't got time either to study scientific feeding or to figure out mixtures changing with the feed materials that happen to be available to you.

Let the experts figure your rations.

Our experts—Canadian experts with closest knowledge of Canadian needs—have the time, the scientific training and the facilities for proper selection and mixing of feeds. The result is

Monarch Hog Feed

the cheapest feed available because it means good, firm, hard bacon, commanding best prices. It means quality bacon at minimum cost of production when feeds are high-priced. In short, it means extra profits put into your pocket.

Monarch Hog Feed is not only calculated to a nicety as a ration, but it is properly mixed. And it is handy. No trouble collecting feeds to mix—just one feed to handle. You just ought to see how hogs go for it. It is both highly palatable and digestible.

Monarch Hog Feed is composed of shorts, corn products and digester tankage. It is unequalled for bone and muscle forming, and supplies the right amount of fat for shortening the hogs' stay on the farm and for sending them to market in A1 condition. Guaranteed analysis: protein 15%, fat 4%.

Decidedly you should feed not only for results but for MAXIMUM profits. With Monarch you can do it. Give it a trial. Order a ton from your dealer. If he can't supply Monarch write us direct, giving dealer's name.

MONARCH DAIRY FEED
has guaranteed analysis of 20% protein and 4% fat. It is a properly mixed combination of Oil Cake Meal and Cottonseed meal with the bulky feeds, bran and corn meal. Though very rich, ensuring splendid results, it can be fed alone.

SAMPSON FEED

This general purpose feed is somewhat similar to Monarch Hog Feed, except that oil cake meal is used instead of digester tankage; it gives results for both cattle and hogs. Guaranteed analysis: 16% protein and 4% fat.

SPORTING NEWS

BISHOP'S COLLEGE DEFEATS
LOYOLA IN HARD FOUGHT
CONTEST PLAYED IN
THE SNOW.

In one of the hardest fought rugby
battles ever played here, Bishop's
College defeated Loyola University
by the score of 12 to 10, in a game
in which yard lines were a thing of
the past, the game being played in a
snowstorm which buried the Lennox-
ville campus from sight.

The Loyola boys had a slight ad-
vantage in weight and from the kick
off, the ball was carried well into
Bishop's territory. Loyola taking ad-
vantage of the strong wind by frequent
kicking. The visitors were the first
to score, but failed to convert, the
first quarter ending with the score
Loyola 5 Bishop's 0.

With the wind in their favour, Bis-
hop's came back strongly, Anderson
making about twenty-five yards on
an end run before being brought down.
More had little difficulty in cross-
ing the line, Anderson converting,
leaving the half time score at: Bis-
hop's 6, Loyola 5.

In the third quarter Loyola made
frequent gains, featured by some good
end runs. The purple and white line
however, held well in the danger zone.
By a line break, Loyola again went
over, but failed to make the maximum
points, by their kick.

On resuming, Bishop's bucked their
way downfield, to the ten yards line,
Waterman going over on a second
down. Anderson again converted and
placing the final score at: Bishop's
12, Loyola 10.

Notwithstanding the weather condi-
tions which were more suggestive of
a snowshoe tramp than a football
game, the game was very interesting
throughout and was conducted in a
friendly spirit on both sides.

The line-ups were:
Bishop's:—Morris, Moore, Shepard,

ANOTHER FAST TRAIN FOR THE C. P. R. SOON

Will Run Two "Halifax" Express
Trains Instead of One as at
Present—How it Will Serve
This District.

The new Montreal to St. John, N.B.,
train will go on at the end of the
month.

This will be a fast express. It will
leave Montreal at 12.10 noon, and
pass through Sherbrooke about 3.40
p.m. At St. John it will connect with
the train for Halifax and boat for
Digby.

Returning, the train will leave St.
John at 6.45 p.m., and will pass
through Sherbrooke between 9 and 10
o'clock in the morning, arriving in
Montreal at 12.20.

It is not expected that the train
will affect the running time of any
trains now running on this division.
It means, in effect, that the C.P.R.
will run two "Halifax" trains instead
of one.

These trains will run six days a
week, omitting the Saturday night
train.

Just what stops this new train will
make are not known, but it will run
as a limited express.

Robinson, Kelly, O'Donnell, Water-
man, Carson, Savage, Taber, Baker,
Taylor, Scott and Anderson.

Loyola:—Collins, Wendling, Mc-
Garry, McCullough, B. Anglin, Bod-
in, G. Anglin, Kearns, Decary, Mc-
Vey, Meegan, Wickham, Bray and
Kelly.

Referee:—Rugg; Judge of Play:—
Day.

BOWLING DOLLAR WIN EASILY.

mencing the game.

BASKET BALL.
All players interested in securing
a schedule of games to be played by
the Three Team League should make
application at once to the Physical
Director.

All members desirous of playing on
one of the teams should make applica-
tion at once before the close of each
team's list.

TEACHERS' TRAINING CLASS.
The Boys' Secretary will conduct
a training class this evening at 6.45
for Boys' Bible Class Leaders, this
will be preceded by a supper at 6
o'clock.

VICTORY LOAN TOTAL GROWING IN SHERBROOKE

Many Large Subscriptions Receiv-
ed and Total Stands at \$142,-
300—Statement from Head-
quarters.

That the people of Sherbrooke are
beginning to develop more enthu-
siasm in regard to the Victory Loan,
and that the canvassers are meeting
with greater success, is evident in the
figures made public today from Victo-
ry Loan headquarters, which gives the
total amount subscribed as \$142,-
300, with 238 subscribers.

The committee captained by Messrs.
E. G. Graves and A. McManamy lead
with \$55,000, followed by the indus-
trial committee under the leadership
of Messrs. Steele and Genest, with
\$33,150. The Merchants' Committee
shows \$5,700, while in Lennoxville, up
to the present, \$12,700 has been sub-
scribed.

The Quebec Central Railway has
subscribed \$25,000, and the Sher-
brooke Loan and Mortgage Company
a similar amount. The Sherbrooke
Machinery Company has subscribed
\$10,000, and the Improved Paper Com-
pany, with which it is connected, has
added \$5,000.

Individual subscriptions are not
to be published at present, as many
subscribers do not wish to have any
publicity attached to their subscrip-
tion, but it is hoped that a full list of
subscriptions will be available.

SUN LIFE SUBSCRIBES \$10,000,000
The ten million dollars subscribed to
the 1919 Victory Loan by the Sun
Fire Assurance of Canada will bring
the local company's investments in
war loans to well over fifty-one mil-
lions. In addition to this amount,
the company's employees have, as-
sisted by the firm, reached their ob-
jective every year, and prospects are
they will again win the flag.

BUYING MORE BONDS.
Mr. E. R. Wood, chairman of the
Dominion executive of the Victory
Loan, recently made the following
comments on the success of the cam-
paign today.

"The campaign is now practically
half finished. The success to date has
been due in large measure to the fact
that investors who have so far pur-
chased bonds have bought more than
they did in previous years. The num-
ber of subscribers is as yet below the
number who bought bonds up to the
same time last year. The fact that
experienced investors, large and
small, have subscribed early and have
taken more bonds than they ever did
before, indicates that they recognize
the attractiveness of the Victory Loan,
1919, as an investment as well as ap-
preciating the patriotic necessity of
cleaning up our war obligations and
maintaining Canada's prosperity."

"The total subscriptions reported so
far aggregate \$208,000,000, which is a
satisfactory result for the time
covered. It must be remembered,
however, that this total includes a
very large proportion of the big sub-
scription available and in order to
make a success of the loan it will be
necessary, as in previous campaigns,
that the medium and smaller sub-
scribers shall come forward in very
great numbers. It is only necessary
for those who have not yet subscrib-
ed to the loan, and who are able to do
so, to subscribe on the relative scale,
as those who have already bought
bonds, in order to insure success."

"The rate of interest carried by the
bonds, namely, five and a half per
cent, is the same as on the loans is-
sued in the dark days of the war, all
of which loans are selling at substan-
tial premium. As a matter of fact,
this new loan is particularly attrac-
tive from the standpoint of the small
investors, and one of the gratifying
features of the campaign has been the
readiness with which the employees of
industries have taken the loan, where
they had the experience of buying
previous loans. For instance, one in-
stitution, the employees of which last
year turned in the splendid total of
\$500,000, had no difficulty this year
in securing from their 3,000 employ-
ees, of which 40 per cent are re-
turned, a subscription of \$1,050,000, or an average of
more than \$200 per man, and every em-
ployee of the institution is a subscrib-
er. This result is attributed to the
satisfactory experience of the workers
with the previous loans, which en-
abled them to accumulate money
which would not otherwise have been
saved."

"This is Canada's final war effort
and it is not only good business but
good patriotism for every Canadian
to become the owner of a Victory
bond. Let every man and woman in
Canada buy bonds to the limit of their
present resources, and prospective
savings of the next ten months. The
banks will gladly lend the necessary
funds."

CRANDALL CASE OPENS UP WITH

(Continued from page One)

tion and the certificate of the stenog-
rapher, L. J. Basin, that it had been
transcribed "to the best of his abili-
ty." To this clause Mr. Rioux object-
ed, saying that it was not certified to
be exact, word for word, as the law
required, and also claimed other irreg-
ularities, among them that it was not
recorded that the deposition had been
taken before the Magistrate, and also
that the first paragraph did not state
definitely the pages which contained
the Latulippe deposition.

The argument is proceeding, and
no decision has yet been reached.

TESTIMONY OF DR. BLAIN

After a fifteen-minute interval yes-
terday afternoon, following the tem-
porary decision in regard to the tran-
scription of the deposition, the testi-
mony of Dr. Leo Blain, of Megantic,
was taken, he being the physician who
had been the first to attend Picard,
who was shot near Winslow.

On August 6, 1918, he was called,
according to his evidence, to the
Grand Union Hotel at Megantic to
treat a wounded man. In the upper
part of the hip, on the right side, he
found a hole, while higher up at the
front, there was a second of larger

As Sure as the Sun Sets in the West so Sure will you Need Electricity on the Farm

A PART from altering international boundary lines, the war has shown
farmers how to concentrate; how to devote their time and energy to
oig and important things. But what about the little jobs? Somebody
has to do them; to turn the cream separator, churn, grindstone, grain
grinder, saw wood, pump water, etc. These are the chores that the

Northern Electric POWER and LIGHT

will do for you. Jobs that take muscle and time from the
big end of farm work. Then, too, there is the domestic
side of farming. Electricity in the home means whole-
some freedom from many daily drudgeries. It will run
the washing machine, iron, vacuum cleaner, sewing
machine, operate the toaster and many other electric
household utensils. It will flood your house and outbuild-
ings with a safe, bright, clean and economical light. No
oil lamps or lanterns to bother with.

Think what a help and convenience Electric Power and
Light will be to you on the farm if you make it the
Northern Electric way.

The system is entirely automatic; not even a button to
press. No complicated parts or unnecessary frills to get
out of order. Built for real hard work and long service
with economy of upkeep. As simple and easy to
look after as the Northern Electric Telephone you know so well.

NORTHERN ELECTRIC POWER and LIGHT is guaranteed
absolutely reliable. Plenty of power; plenty of light. Progressive
farmers all over Canada are buying the Northern Electric sys-
tem because of its lowest dollar-for-dollar value.

There is a Northern Electric system for every require-
ment. All types, all sizes, either direct connected or
belt driven, operating from 15 to 1000 lights or
their equivalent in power for farm work.

size. From this it could be judged
that the bullet had entered from the
rear and had taken an upward course,
the larger front hole being some four
inches higher than the one where the
bullet had apparently entered. He had
dressed the wound, and had taken him
to the 8.45 train, where he was
brought to Sherbrooke for X-ray ex-
amination at the hospital. Here he
was treated by Drs. Ledoux and Ber-
trand, but no operation was perform-
ed, as the man was growing weaker,
and he died about two hours after

reaching the hospital.
He himself had performed the au-
topsy, and had found that the bullet,
in passing through the body, had ta-
ken with it a piece of the large intes-
tine, thus causing acute peritonitis,
resulting in death. Judging from the
wound, which was beginning to get
black, Picard had been shot about 8
o'clock the day previous to that on
which he had attended him. From sur-
geon, and they had no X-ray in-
strument. Hence he had thought it
best to come to Sherbrooke and take
generally bad. There was a physician no risk.

at Lambton, which is nearer to Win-
slow than Megantic. If treated soon-
er, Picard would have had at least a
thirty per cent. chance of recovery.
Cross-examined by Mr. Rioux, the
witness said that there was a hospital
in Megantic, but it was a privately
conducted institution, and had just
opened at the time. It was small, he
did not know the capabilities of the
which he had attended him. From sur-
geon, and they had no X-ray in-
strument. Hence he had thought it
best to come to Sherbrooke and take
generally bad. There was a physician no risk.

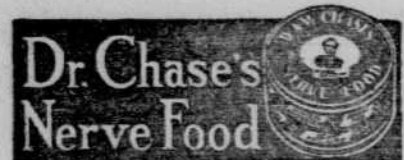

Healthy, Happy Boys and Girls

Is your child healthy? Is he or she up to standard weight, of good color, with plenty of rich, red blood to nourish the growing tissues?

For children who are thin, pale, anaemic, under weight, nervous, restless, sleepless, Dr. Chase's Nerve Food is of the greatest benefit imaginable.

Being mild and gentle in action, and yet wonderfully potent as a restorative, it soon makes the blood rich and builds up the feeble nerves.

COMMUNISTS IN GERMANY PLAN BIG UPRISING

It is Claimed Movement is on Foot to Overthrow the Present Government.

(Associated Press Despatch)
ESSEN, Germany, Nov. 6.—Investigators from the Deutsche Allgemeine Zeitung of Berlin, claim to have discovered plans for a Communist uprising to depose the present German Government and to establish a new one modeled on the Russian plan which would be associated with the present Russian Soviet system. The investigators assert that the proposed revolution is to be assisted and officered by Russian Bolsheviks, and the outbreak is to have its beginning in the Ruhr coal district. The responsible newspaper publishes a warning, so energetic that it is accepted in well informed quarters as of more importance than the many rumors in circulation.

Munich, Brunswick and other cities are claimed to be sub-centers for the movement. According to the paper, Spartacists and Communists will be armed throughout Germany. The Communists are said to count on desertion of whole groups of the national defense army, and on taking them into their "red" army. General fighting headquarters it is asserted, will be established in Brunswick, already a Spartacist and Communist center, and a Council Government is to be proclaimed.

APPRECIATED KINDNESS.
"Who gav yez the black eye, Din-nis?"
"A frind av mine."
"An' would yez call a man that did that a frind?"
"Shure, wasn't it frindly av him not to black the two av thin?"

Stanstead College Notes

Dr. Trueman attended the Provincial Epworth League convention at Granby last week, putting before the delegates the interchurch "Forward Movement."

The College Literary Society held an interesting meeting Wednesday evening, Miss Irma Lane, V.P., presiding. After the business a very fine entertainment was given, which consisted of a piano solo by Miss Helen Gordon; monologue, Miss Pearl Larrouy; vocal solo, Miss Husband; violin solo, Maurice Fregou, and a debate, "Resolved that the permanent adoption of daylight saving would be of benefit to Canada and the U.S." The affirmative was sustained by Mr. Baldwin, Miss Nix and Mr. Bresee; the negative by Mr. McKeown, Miss Green and Mr. White. The affirmative won by three points. It was closely contested.

The Jamboree Halloween night proved an unparalleled success from a social, as well as a financial, point of view. The faculty, from Dr. and Mrs. Trueman, down, entered into the spirit of the evening and the costumes were in many cases gorgeous, others startling and others again ridiculously funny. The net profits amounted to over \$75. The following programme was greatly enjoyed, Miss MacFadden and Thelma Kilburn accompanists; solo and chorus, "Blowing Bubbles" Glee Club, Ruth McDonald taking the solo part dressed as a blue bird; fancy dancing by Ruth Kimpeon and Phyllis Green; duet, "Reuben and Rachel," Pearl Larrouy and Irving Duff, in old-fashioned costumes. Miss Bull deserves credit for the pretty arrangement of the songs. After the entertainment some jolly games were enjoyed.

Miss Ford conducted the tea room, assisted by eight girls dressed in Japanese costume, viz: The Misses Ridger, Nuthorn, Trueman, MacMillan, Fawcett, Algoe, MacWilliams and Duffett; fortune-telling booth, Miss Holding and Glenna Griggs; candy table, I. Lane and A. Noble; fish pond, P. Sornberger and H. Gordon; picture gallery, M. Kersley, B. Reed; waltz's brew, D. Jones, R. Farnham, G. Steer.

Mr. MacFadden was in charge of the sports and announcements. The students appreciate the large attendance. The proceeds go to the mission of the Y.W.C.A.

The college orchestra, under Prof. Martin's leadership, assisted materially in the music furnished at the recent jubilee services held in Centenary Methodist Church.

At the Y.M.C.A. meeting on Tuesday evening, Wm. White gave an address on "Guy Fox," well worthy of an older head. The Y.M.C.A. affords an excellent opportunity for budding orators, and "Billy" is one of the "comers" of the future.

The following friends visited the college last week-end: Mrs. Carl Griggs, Sutton, mother of Miss Glenna Griggs; Miss Vera Frye, Lennoxville, niece of Mrs. Mayhew; Mrs. Clark, wife of Dr. Clark, Westmount, and mother of Master Willis Clark; Mrs. Kussner, of Montreal, mother of Miss Anna Kussner; Mrs. Dalrymple, Montreal; Mrs. Korns and Miss Craig, the latter an old student of B.E.C., and Miss Emma Farnsworth, of Sherbrooke.

This week's Y. W. was enlivened by the Misses Phyllis Green and Doris Jones, who gave delightful short talks descriptive of "Travel," the former telling of a trip from her home in British Guinea to Stanstead, the latter of her voyage across the sea from Liverpool to Quebec city.

BIG MEN OF AFGHANISTAN

Sethi Merchants. About Whom This Country Knows Little, Are People of Much Consequence.

The world is still a large place and contains a variety of men. The manufacturer who enters foreign trade makes many discoveries that were not disclosed in his school days. For example, in northwestern India he may meet the Sethi merchants, who conduct the trade of Afghanistan. These Mohammedan traders are men of consequence, and have their connections throughout Asia. Before Russia disintegrated they had branches in Petrograd and Moscow. They have their places of business in all the central Asia markets of importance, such as Bokhara and Tashkent, and buy and sell in Tientsin and Shanghai. Clearly such merchants are men of consequence in vast territories our own part of the world scarcely guesses at. To merchandising they add banking, selling drafts on strange cities where a European bank would look as out of place as an Afghan caravan on the Lincoln highway.

These merchant-bankers of central Asia may add to their adventures if the Afghans persist in their warlike demonstrations against the British in India.

A Parallel.

Not since the Middle Ages has there been such a popular Prince of Wales in England as the son of George V. People going back over history remember how the youthful Henry V was beloved by his subjects. Strangely enough it was also a war in France that gave him his opportunity to show his metal, but in those days the English were fighting against the French, instead of side by side with them. When one takes into consideration that Henry V lived in the days when the medieval idea of an autocratic king existed and the present Prince of Wales belongs to the most democratic royal household that the world has ever seen, there are many parallels between the two young men. Both won the love of their fellow-countrymen during the days of a great war, both were young and magnetic; both were fearless in the field and had the well-being of the nation at heart; and both of them accepted popularity in a straight-forward manly way.

Of the fifteen lines comprising the system of Chinese Government railways, only one was built by the Chinese themselves.

The Biggest Value in Popular Priced Tailored-to-Measure Suits and Overcoats in the British Empire.

The Best Clothes For You To Wear Are Our Tailored-To-Measure Garments

THEY Save You Money and Give Long Service and Satisfaction.

If all men in Canada fully realized the sort of Made-to-Measure Tailoring values we are offering we would need a regiment of traffic officers to handle the crowds. Fortunately for you, only one man in a thousand recognizes a real opportunity when he sees it. That's human nature.

There are thousands of men visiting our 25 Quality Tailor Shops every week, but we can still serve a few thousand more, though our business is growing by leaps and bounds. English & Scotch Woollen Co., Tailored-to-Measure Clothes have the attractions that appeal to the eye, the sturdy wearing qualities that satisfy the requirements of the wearer.

Suits and Overcoats Tailored-To-Your-Measure

OUR exhibit of Fall and Winter Fabrics for 1919-20,—that for lavishness of assortment outranks the splendid showing you have always found in our 25 Quality Tailor Shops. Today you can select your Fall and Winter clothes from these displays of fine imported fabrics—and make a saving that will be most welcome to you, when compared with prices of garments of equal quality elsewhere. The saving in English & Scotch Woollen Co. Tailored-to-Measure Clothes is so decided that no man in his own interests can afford to ignore it. We will take your measure today, you will save money and enjoy the perfect fit of the garment we make for you.

L. A. Gareau,
General Manager
for Canada.

Ladies' Warm Winter Coats MADE TO MEASURE

Our perfect tailoring organization is at your disposal; a new model designer for ladies' garments will take care of your order for a Man Tailored, Made-to-Measure, Warm Winter Coat, shown in new exclusive designs and styles—you choose from our hundreds of rich, warm materials that will give long, satisfactory wear. Our Tailoring Service is Guaranteed.

Trousers

We are showing exceptional values in odd trousers from special trouser lengths. As many of these cloths are shown in very limited quantities, we will be obliged to ask customers for a second choice.

(Continued on page 12.)
pality," for a good citizen of a town or city, he said, would always prove a good citizen of his province or country.

**INTERESTING DISCUSSION
FOLLOWED**

The discussion which followed brought out some highly interesting

subjects, Mr. McKee opening the meeting to questions, after Mr. Morin had consented to answer any queries which the members present had to put to him.

Ald. J. K. Edwards, after stating that he knew he had made no mistake in suggesting that Mr. Morin should come to Sherbrooke, asked the speaker for advice regarding the sinking fund which Sherbrooke has at present to place. Negotiations had been going on with a savings and trust company, and the city would like advice on the subject of whether it was best to embark on this enterprise or not.

Mr. Morin replied that the department must know what the company is doing with the fund. It was a matter for the citizens and the council to

MISSISSQUOI CO. POPULARITY COMPETITION

The relative standing of the candidates in the Missisquoi County Contest is unchanged today. The candidates and their friends are working hard for the closing period and no doubt there will be some surprises.

The standing today is:

Miss May Dimick, Farnham	218,250
Miss Mabel Foster, Cowansville	185,730
Miss Lucy Doherty, Clarenceville	170,350
Miss Stella Doherty, Dunham	141,720
Miss Rose C. Westcott, Stanbridge East	137,730
Miss Nettie Capsey, Frelighsburg	120,620
Miss Kathleen Corey, Bedford	76,080
Miss Doris Deuel, Philipsburg	58,860

decide, however, and if it was found that it was in the interests of the city to deposit the bonds with this company, then the reasons for this decision would be submitted to the government, and if they too, thought it best, permission would be readily given.

This only applied to new loans, however, as the department had nothing to do with the sinking fund of old loans.

Mr. A. M. Sangster then burst something of a bombshell by frankly stating that he thought the present system of municipal administration in Sherbrooke was absolutely inadequate. These men, he said, met once every two weeks, and most of their time was taken up with routine business. Some three-quarters of an hour was first taken up by the reading of the minutes, to which nobody listened, and in which no corrections were ever made. Then there followed the reading of reports from each of the aldermen, to which nobody listened, and which treated on minor details. The council got down to work about in time to go home. His question was, said Mr. Sangster, was there not some form of commission government which Sherbrooke could have. The present system was all right for rural communities, but Sherbrooke was fast becoming a large city, and the aldermanic administration would not do.

He felt that it was asking too much of an alderman to take charge of a department and assume a great burden of work, which he previously knew nothing about, and on which he has probably less time to expend than another man has to put on a game of golf. The councillors appointed were busy men, with little time to themselves, yet they proudly assumed the business of administering a department that employed scores of men and expended annually thousands of dollars. The first part of the term, the alderman was new and consequently took it easy and went slow; the latter part of his term, someone else was going to succeed him, so there wasn't much use doing very much anyway. He would like to ask Mr. Morin how other cities of the province were administered, and if some other system could not be introduced into Sherbrooke at some future time.

COMMISSION GOVERNMENT POSSIBLE

Mr. Morin replied that either commission government, a mode of which was now existent in Montreal, apparently against the will of the city—or city management, such as in the cities of Westmount and Outremont, could replace the present system. The time was not ripe, however, to force it on the cities, but if the municipality was to desire it, and if a referendum was taken, then the government, he felt sure, would be pleased to grant such an administration.

Mr. Sangster then took up the question of valuation, saying that many people did not know their valuation until they received their bills. In dealing with the city, the taxpayers were in a bad fix, having met largely with the answer that they were "damned lucky to have the property to be taxed." If an objection was made to a valuation, the protest came up before a board of aldermen who knew nothing whatever about the subject, and if one was prejudiced against the object, he made a motion sustaining the valuation, which almost always went through. Might not the appointment of a permanent valuation tribunal be looked forward to?

Mr. Morin answered that if the citizens wanted to elect ten angels to the council, instead of ten men, and find a system to abolish all taxes, they would probably succeed in satisfying everyone. If the taxpayers were not satisfied with the decision of the council, they could appeal to the law. Montreal and Quebec had some such system as Mr. Sangster had suggested, however, and it should be possible in Sherbrooke, if the Board of Trade took the matter up and appealed to the electors.

Ald. Edwards here entered the argument in support of the council. Mr. Sangster had said that the minutes were read at the meeting and never corrected. That was because the city was fortunate in having a man who did not make mistakes, to take down those minutes. The aldermen were placed in charge of a department, but merely administered the business of that department, while competent superintendents were employed to do the actual supervision of the work.

ALDERMAN ADMITTEDLY WRONG

Mr. J. Nicol, K.C., said that the aldermen had apparently found that in the system of valuation the past year they had been much mistaken, though they would not admit it in public, and hopes were to be held out for next year. No one had any interest in "knocking" the aldermen, but at present there was a rule in the city books which allows the city to have a system of city management if it wishes, so it was really up to the citizens.

In answer to a question asked by Mr. E. J. Page, Mr. Morin said that other provinces had not yet abolished help to new industries, but a resolution had been passed at the Kingston municipal convention, and the other provinces would follow.

In reply to Mr. Charles B. Howard, it was said that on any money by-law one-quarter of the voters must vote, and the majority of that quarter, in both number and valuation, must be had to pass or defeat the by-law.

Ald. A. C. Skinner said that taxation was a great question, and that a change might be promised for the future. That change would probably mean higher taxation, as the city had many improvements to make. The rates, however, were never criticized, and while there was no doubt some room for criticism of this year's system of valuation, a new man had been secured suddenly, when the former valuator left without warning, and this should be taken into consideration.

Mr. V. E. Morrill asked why it was that at present the tax on machinery was levied on a company who owned their own building, but not on a company who occupied a rented building. Mr. Leblanc, City Attorney, replied that to be taxable, machinery had to be "immovable," and to be immovable according to the law it had to be placed by the owner on his own property.

Several other questions were taken up, and lucid replies given by Mr. Morin, and after a hearty vote of thanks had been moved by Mr. Nicol, seconded by Mr. Page, the gathering broke up, after a highly interesting and very helpful meeting.

The Moose

All Canada is the natural home of the "King" of Canada's big game, but New Brunswick, Quebec, Ontario and Manitoba afford the best moose hunting.

There are two methods followed in moose hunting—"calling" and "still hunting." During the rutting season the first method is the one usually followed, but there is more satisfaction in tracking. Absolute silence is the one great essential in still hunting and stalking must be done "up wind."

The tracks of a bull moose can be readily distinguished from those of the cow. The former are rounded and blunt—the cow's long and pointed.

During the winter, moose gather on the hardwood ridges between cedar and spruce swamps, through which they make beaten lanes. A "yard" sometimes contains twenty to forty animals.

Opinions differ as to the most suitable cartridge for moose hunting. Choose one with shocking power back of it and be sure the big "D" trade-mark is on the box.

DOMINION Ammunition

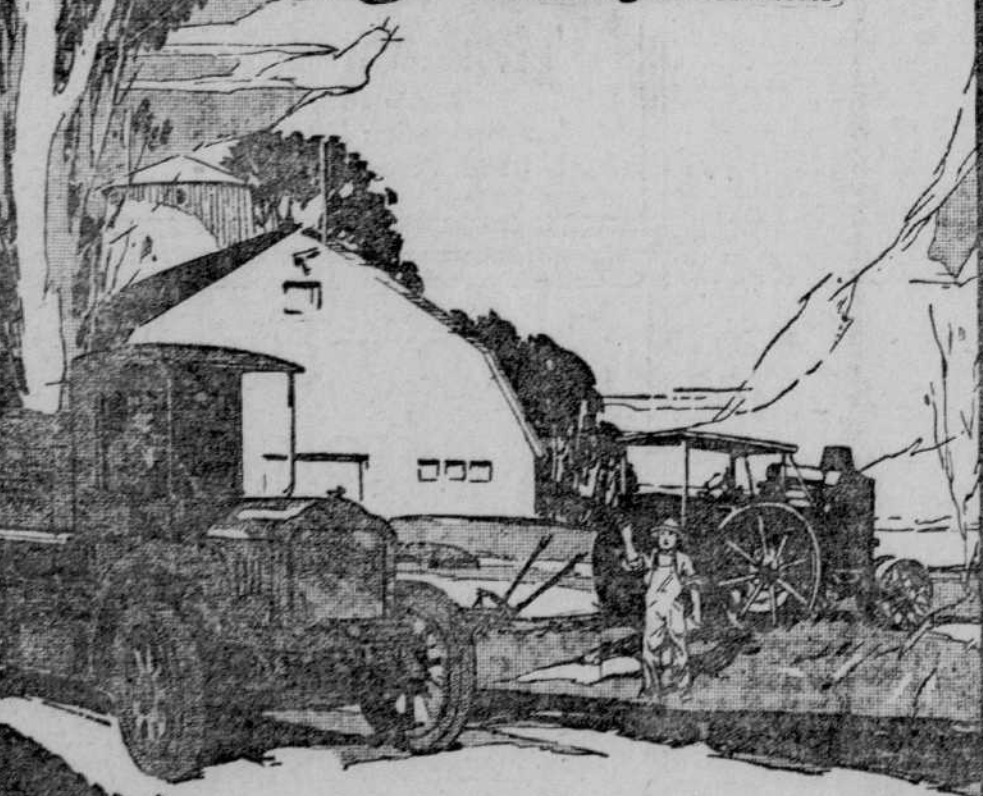

is always dependable for moose and other big game. Users of 30-30 rifles should look for the yellow label on the back of the box—it insures more speed, flatter trajectory and greater shocking power.

SESSION OF THE GRAND JURY IS ALL COMPLETED

Three More True Bills are Found
and Foreman Makes Interesting
Report—Reply of Judge Desy.

Returning true bills against Emile and Joseph Labrie, on a charge of murder in connection with the shooting of Charles E. Chase, in Stoke county, last February, and against Bernard Schaffer, accused of fraudulency in connection with the liquidation of a former local merchandise firm, the Grand Jury yesterday afternoon

completed their duties, and after returning these bills, made their annual report and were dismissed by the Court.

The two Labrie's brothers were arraigned on the charge on which the Grand Jury held them, but when asked if guilty or not guilty, refused to answer, the explanation lying apparently in the fact that they intended obeying to the letter, the instructions of their attorney, whose counsel had, no doubt, been: "Say nothing." Mr. Charles Cabana, for the defense in both cases, pleaded not guilty, and the cases will be taken up later in the term. The finding of these last bills completes an important session, in which "true bills" were returned in all but one case.

The report of the Grand Jury, read by the foreman, Mr. W. S. Armitage, was as follows:

"The Grand Jury for the November term 1919, beg to report that they have given their best attention to the several bills submitted to them, and we are glad to be able to state that the District of Saint Francis is to be congratulated upon the very small percentage of serious crimes during the last year.

"We have inspected the Court House and have found it in a state of thorough cleanliness and order, but we would respectfully urge the Government to provide a fire escape for the Petit Jury room, and a suitable room for witnesses.

"We have also visited the District jail, and have found everything in a satisfactory condition there, but suggest new windows and better means of ventilation; we would, also, however, respectfully ask that the turnkeys of the jail be provided with suitable uniforms, such as they have in the other important cities of this Province.

"We would respectfully ask that the salary of the caretaker of the Court House, Mr. C. Bernier, be increased from \$400.00 to \$600.00 a year, thereby placing him upon the same footing as the keeper of the common jail, and we would also ask that his assistants, Messrs. Jules Gendron and Paul Croteau, be fur-

nished with suitable uniforms.

"The remuneration to Grand and Petit Jurors is absolutely inadequate and we would respectfully request the proper authorities to see that some proper compensation be made for the services and loss of time in the regard.

"We are happy to note that the Government has decided to hold the term in November, as requested last year, but would urge once more that the Petit Jurors be not called until the third day of the term.

"Before concluding our work we desire to place on record our sincere thanks to His Lordship, Mr. Justice Desy, for the very able and lucid manner in which he explained our duties at the beginning of the term, also for his kindness in coming to our District to replace Mr. Justice Gobeinsky, who we regret to learn is ill, but who we hope, will soon be restored to his usual good health.

"We also desire to extend our thanks to the Crown Prosecutors, the Clerk of the Crown, the Interpreter, and all other officials who have shown us every courtesy and attention during our various sittings."

Mr. Justice Desy, evidencing approval of the report, replied on his own behalf and on the behalf of the other officers of the crown, congratulating the members of the Grand Jury on the competent manner in which they had handled the cases. He thanked them for their sympathy for his colleague, Mr. Justice Gobeinsky, who he said, would, it was hoped, soon again be honoring the bench with his presence.

It had been with pride and pleasure that he had come to Sherbrooke to conduct this term, as he had heard much of the people of the District of St. Francis, but "seeing was believing."

LONDON, Nov. 7.—A despatch to the Central News from Stockholm says a wireless despatch picked up in Stockholm warns Denmark, Norway, Sweden, Spain and Holland that the Bolshevik Government will regard a hostile act the adhesion of neutrals to the Allied proclamation of a blockade of Soviet Russia.
