PLACES IN THE NEIGHBORHOOD OF MONTREAL OUTSIDE CITY LIMITS.

LACHINE

A City on the St. Lawrence and on the
Island of Montreal (Seigniorly of Mont-
real), county of Jacques-Cartier. It is
the summer residence of many Mont-
realers and one of the most prosperous
manufacturing centres of the Province
of Quebec. Part of the Parish of La-
chine has been annexed to the city.
Its works are very numerous and thou-
sands of men are employed yearly. The
chief industries are: The Dominion
Bridge Co., Limited, The Copper Pro-
ducts Co., Limited, The Canadian Linde
Refrigerator Co., Limited, The Saxonia
Fruit Preserving Co., Limited, The
Robert Lucas Glove Co., Incorporated,
The Canadian Allis Chalmers Limited,
Daly & Morin Limited, Asbestos Manu-
facturing Co., Limited, The Dominion
Wire Rope Manufacturing Co., Limited,
McLaurin Lumber Ltd, Steel Co. of Canada
Limited, The National Breweries Limited,
The General Railway Signal Co of Canada
Ltd, The Hutchins Car Roofing Co Limited,
The Lee Puncture Proof Tire Co of Canada
Ltd and The Compo Co Limited.

In winter months it is greatly fre-
quented by pleasure parties, while in
summer, thousands of tourists pass
through Lachine to run the Lachine
Rapids, also cross the St Lawrence
River on the ferry for Malone N. Y.,
Ogdensburg N. Y., etc.

Regattas and other sporting events
take place every summer and are largely
patronised by visitors. Lachine is now
provided with up-to-date hospitals
where surgical and ordinary cases are
attended to by a skilful staff of sur-
geons and physicians. They are known
as the Lachine General Hospital and
St. Joseph Hospital. They are provided
with automobile ambulances that attend
all emergency cases. A handsome public
market has been built at a cost of
\$30,000.00 and is open daily from 5 a.m.
to 9.30 p.m. It is provided with the
most modern refrigerators and coolers,
and all perishable articles are constantly
kept on ice.

A public weigh house has been built
for the accommodation of the traders. The
leading citizens of the city have pro-
vided a Board of Trade where all im-
portant business matters are discussed.
There are four banks, viz., la Banque
Provinciale, la Banque Canadienne Na-
tionale, the Bank of Montreal and the
Royal Bank of Canada, all of which are
doing good business.

The Canadian National Railways run
several trains daily to Montreal. Mont-
real Tramways have also a line of elec-
tric cars running from the City of
Montreal to the western limits of the
City of Lachine, in forty minutes. Cars
are running at ten-minute intervals
from 6.20 a.m. to 8.20 a.m. and from
4.20 p.m. to 7.40 p.m., and twenty-
minute intervals during day-time, and
at night until one o'clock. The Montreal
Tramways Company has entered lately
into contract with the City of Lachine
for putting an autobus service running
at 10 minutes intervals for 18 hours a
day, from Lachine to Montreal and vice-
versa. The tariff charged by the Com-
pany for riding with the autobus, will

be absolutely the same as that charged
for the tramways. The above Company has
extended its line from Stoney Point to the
western limits of the City of Lachine com-
prising a distance of one mile. The Lachine
United Church has been rebuilt and
enlarged. New granolithic sidewalks
have been laid on mostly all streets,
and tar has been laid on St. Joseph
street, to prevent dust, and make
the road bed as level as possible for
automobiles. A ship canal connects the
navigable waters of Montreal with Lake
St. Louis. Trees have been planted on
all avenues, so as to give shade to the
residential districts.

The Great North Western Telegraph
Co., have offices here. There are two
post office branches, also the Bell Tele-
phone Co. The City is lighted by elec-
tricity, and has a fire alarm system and
a complete system of waterworks and
drainage. There are, besides the con-
vent, a first class commercial college,
two Catholic academies and three Pro-
testant academies.

Distant from Montreal City Hall, nine
miles. Mail three times daily. The
City of Lachine is inviting manufactur-
ers to ask for all facilities and ad-
vantages offered by Lachine, Que.
Population 15,600.

CORPORATION OF THE CITY OF LACHINE.

Mayor—J. P. Viau.
