"VOICE OF THE PONTIAC"

No. 5, 72nd Year

Thursday, July 15, 1954

5c Each

July 14—Lawn Social on Church Grounds of St. James Church, Portage du Fort. Supper served from 5 to 8 p.m.

July 16—Turkey Supper at Starks Corners Community Centre, sponsored by St. Alban's Guild at 6 p.m.

July 17 — Sale of Home Cooking and fancy work by the ladies of St. George's W.A., at the home of Mrs. Walter Smith, Ladysmith, from 3 p.m.

July 20 — Regular meeting of the Bristol Hospital Auxilliary in Pent House at 8.30.

July 21—Parish social to be held by ladies of St. Bridgid's Parish, North Onslow in the hall at 5 p.m. Bingo and other games to be played during the evening.

Bryson Fish Tales

Our two ardent fishermen, Nurses from Deep River Hospital, enjoyed another fishing trip at Calumet Island with Alphonse Cahill this week. They returned home with 20 pike averaging the four pound size and a sun tan that will last for some time.

Our local post master Charles Lemaire says the bass are biting. Wednesday he came home with a splendid catch of these finny beauties.

A fishing party with Howard Routliffe, Dave Still, Joe Hamel, Bryson; Jim Edds, Seneca Falls; John and Jim Mori, Marcellis, N.Y. left by air July 3rd for Big Moose Lake to do angling for Lake Trout and Northern Pike, in these well known waters. Some large tales are anticipated, also some fish.

Carol Lemaire led a fishing party up river Friday and secured a mess of pike and pickerel after a short time on the fishing ground, this party claims that, given the proper bait, fishing is a fascinating sport.

Jack Patterson a member of the Isaac Walton Club, is feeding the fishes in a big way. Jack reports the fish taking all his bait, so he had to come home without any, next time Jack will fish with a plug.

Junior Base Ball League

By Ron Richardson

In a free hitting display on Tuesday evening, Shawville eliminated Vinton from the finals by a score of 13 to 5.

The first two innings saw Vinton taking a three to nothing lead but in the third inning Shawville went on a batting spree and collected seven runs. Both teams then settled down to hard playing and at the end of the fifth it was 7-5 for Shawville. In the first half of the sixth, Vinton failed to get anybody on bases but in the second half Shawville got nine hits and collected six runs. The game was called at three minutes to nine on account of darkness.

Philip Hodgins pitched the whole game for Shawville. Stanley Callaghan and L. Hearty pitched for Vinton. Plate umpire was Austin Sloane with James C. Gordon as base umpire.

Shawville will now meet the first place team, Campbell's Bay, in a best of three final series. The first game of this series will be played in Campbell's Bay on Friday, July 16th.

Highway Safety Campaign Launched

Licences Will Be Suspended

Detective Andre Audet, in charge of Pontiac for the Quebec Provincial Police has announced a special drive for the safety of Pontiac motorists.

To rid the County of dangerous drivers, licenses will be suspended, fines exacted and jail sentences passed. Detective Audet traffic officers, Young, Romain, Richardson, Constable Bennet and Policeman Quail will all be working together on this project and propose to investigate any dangerous driving they see.

If it happens the dangerous driver is impaired by alcohol, even if there is no accident, his license will be suspended for three months and he will be fined \$75 or held in jail for one month. Then, if that driver is caught driving during the following three months he will be fined \$200.

Ten Named For Three Seats

The Bryson Municipal Pot is boiling. Wednesday, July 14th, saw 10 (ten) candidates nominated to replace three Councilors whose term of office has expired. These three Councilors, Lionel St. Pierre, Peter Kluge and Cyril Lepine, along with Earl Brown, Robert Carswell, Denis Dagenais, Wm. Maloney, Cesaire Migneault, Cliff Olmstead and Fred Piche have been nominated and ballots are now being prepared by the Pontiac Print Shop for an election Monday, July 19.

The presiding officer will be Fred J. Coyne, Secretary-treasurer of the Municipality of Bryson. A large vote is expected in this municipality whose population is now over 600 persons.

The present members whose term does not expire for another year are: The Mayor, J. C. Poisson, Councilors Rodolph Lepine, Joseph White, Hermas Lepine, Leonard Coyne, July 14, 1954.

Shawville Local Hospital Auxiliary

The regular meeting of the Shawville Hospital Auxiliary was held on July 13 with Mrs. A. H. Horner presiding.

Ten members were present. The Lord's Prayer was repeated.

The minutes were read and approved. Reported in error last month donation by Mrs. R. G. Hodgins of bonnet should have read from Mrs. S. E. McDowell.

Mrs. Smythe reported the sale of \$8.85 during the past two months from the show case.

Mrs. Kelly reported a bank balance of \$541.03.

Mrs. Horner reported that no repair work had been done on the Raymond sewing machine as yet. 32 articles were mended.

The meeting closed with the Mizpah prayer. Sandwiches and tea were served by Mrs. Jacques and Mrs. Henry McDowell.

"Newcomers"

Audet — On Sunday, July 11, to Mr. and Mrs. Andre Audet of Campbell's Bay, a son.

Speeders To Be Fined Or Jailed

Impaired driving isn't the only offence which will be punished. Speeding will be watched carefully starting immediately. Driving over 60 miles an hour on the highway; driving over 40 on the gravel roads, over 30 through the villages, is against the law. Anyone found exceeding these speeds will be prosecuted. Detective Audet is in earnest, insisting that it is in the best interest of the people to use their own good judgement and obey the rules. 45 miles an hour is the absolute top speed allowed a truck, bus or trailer on any highway. 35 miles an hour is the limit on gravel roads and 25 miles in towns. At grade railway crossings no vehicle may legally drive over 20 miles per hour. Fine or imprisonment is the penalty in all cases of speeding and Detective Audet promises that charges will be laid and the safe drivers will be thus protected on Pontiac's roads.

If the officers can clamp down on the reckless and careless drivers right away and suspend their licenses then there is every hope that the reasonable drivers will enjoy a safe summer on the highways. Detective Audet will supply this paper with the names of offenders from week to week for publication and it is sincerely hoped that fear of certain retribution will keep the lists as short as possible.

Reception For Bride & Groom

On Friday, July 9th, about 100 relatives and friends attended a reception given by Mr. and Mrs. Jarrett Walsh for their son and his bride, Mr. and Mrs. Lyndon Mrs. Clifford Stone, Cobden, Ont.; Walsh who were married on June 30 at Hempstead.

LOOK!

WEDNESDAY
JULY 21

IS THE DATE TO REMEMBER

The Ground Observers of the Shawville Post are holding their dance at Coronation Hall, Wednesday night to raise money to build a much needed tower for spotting planes.

Whether you dance or just come to 'observe' or don't plan to come at all we hope you'll buy a ticket and help the Observers on this necessary project.

In true Ground Observer tradition, hours of work are being donated by members of the corps to Makers (good Ground Observers) make this dance a success.

The ticket takers and the Music will be working gratis and all posters, tickets and publicity are provided free as well by other Ground Observers. This party is one you shouldn't miss. See you there.

Orangemen Celebrate Despite Downpour

Twilight Harness Racing

Night horse racing has resumed at Ottawa Park, Ottawa, but this time the standard bred trotters and pacers will replace the thoroughbred runners. Racing will take place on the new half mile track under the lights every Wednesday, Thursday, Friday and Saturday nights, and there will also be a special program Sunday afternoons throughout the summer months. Races are being written for Ottawa and Ottawa district horses and it is expected that hundreds of district visitors will go to Connaught Park for the harness race programs.

Racing will start each evening, Wednesday, Thursday, Friday and Saturday at 8 o'clock and on Sunday afternoon at 2.30. There will be Pari Mutuel betting with two quinellas on each program. A Selection Contest will also be operated with a nightly prize of \$100 to the winner. All starts will be out of an automatic starting gate and a bi-lingual system of announcing will be inaugurated. Several hundred trotters and pacers are expected to take part and the harness events will probably attract record breaking crowds, particularly as they are being conducted in the cool of the evening.

Special buses will be operated from Ottawa and Hull points and there will be extra parking facilities at Connaught Park for motorists. Racing will take place rain or shine and there will be a 20 minute interval only between heats in order that each program shall be completed by 11 o'clock.

The couple received many beautiful gifts including tables from a number of folk from Zion, the community where Mr. and Mrs. Garrett Walsh raised their family.

Out of town guests were Mr. and Mrs. Elevation Taber, Mr. and Mrs. Clifford Stone, Cobden, Ont.; Mr. and Mrs. Lyndon Mrs. Clifford Stone, Cobden, Ont.; Mr. and Mrs. Lyndon Mrs. Clifford Stone, Cobden, Ont.; Mr. and Mrs. Lyndon Mrs. Clifford Stone, Cobden, Ont.

"Isn't it a great day," they said, greeting each other from under dripping banners over the sound of rain soaked drums. Somewhat protected by the spreading maple trees of Sheppard's Grove, an endless stream of picnickers marched, skipped and sloshed as the bagpipes skirled and silver, tin and plastic fifes kept spirits up despite the downpour.

Cars romped over the fields like lost puppies. Men, women, children and sash wearing paraders repeatedly reminded each other that it wasn't raining as hard this year as it usually does on the glorious twelfth.

Lodges attending the celebration were Ladies from Aylmer 101, Rupert 186, Campbell's Bay 318, Wakefield 508, Shawville 1033, Juveniles from Aylmer 292, the LOYB from Wakefield 99, Shawville 304, Ladysmith 318, Aylmer 334, Campbell's Bay 375, and the LOL of Shawville 27, Knox 34, Lower Eardley 35, Bristol 46, Rupert 47, Charteris 65, Upper Eardley 70, Leslie 1391, Ladysmith 1510, Aylmer 1912 and Aylmer 2046.

There were horsemen on decorated mounts, women and girls in white dresses, orange ribbons carrying framed charters, flags and banners.

Babies perched on their daddies' shoulders, old folks lodged in the back seats of automobiles, men and boys rollicking through the woods and fields and ladies hovering over the picnic tables — all agreed it was a great day to meet your friends and greet your neighbours from far and near.

Pontiac Shepherds

At a largely attended meeting of sheep breeders from all parts of Pontiac County held Tuesday evening at Vinton, sheep breeders problems were thoroughly discussed.

A panel discussion was held in which a number of prominent breeders took an active part. Problems of Pontiac sheep men received a good airing. The need for better fences, larger bounties on dogs, and wolves, strict enforcement of the dog law were considered urgent, needs of the sheep industry if it is to survive and continue to be profitable in the district.

A sheep breeders association was organized and the annual membership fee was set at \$2.00. Several resolutions were passed. The following is a slate of officers appointed for the year.

Hon. Pres.—Rev. Father Maye, Vinton.

President — Joseph Wrinn, Vinton.

VicePres. — Claude Elliott, Shawville.

Sec.-Treas. — Angus Kennedy, Chapeau.

Directors — William O'Reilly, Frank Bennett, both Quyon; Herman Emmerson, Chateris; Thomas Kennedy, Chapeau; Alfred Jay, Campbell's Bay; Roy Perrault, Sheenboro; and Eddie Stewart, Calumet Island; N. A. Drummond, Agronomist and Mr. Alyre Poirier, assistant agronomist.

Mr. Douglas MacMillan of the Federal Department of Agriculture, N. A. Drummond and Alyre, Poirier of the Dept. of Agriculture, assisted with the organization. Mr. R. F. Brooks of the Department of Citizenship and Immigration attended the meeting re farm labour problems.

"This & That"

No. There was no Advance Edition last week. In the first place we thought we would get out a little four-pager like we did last week, in spite of the one-day holiday and then calamity struck. Carson Hodgins came down with a severe attack of tonsillitis. So by doctors orders our one and only indispensable linotypist lingered in bed while the news piled up on his desk and the linotype gathered dust. Evans Swartz, the carter, came in for a few hours Tuesday to get some of the ad copy set and then Mr. McFarlane came over from Renfrew to set up enough news stories to put out the paper. If your favourite column is missing today, have patience. Dr. Powles assures us that tonsillitis doesn't last forever. We're sure a very large group of people will be wishing Carson a speedy recovery.

Almost every day something comes in the mail signed "A subscriber" or "just a reader" or else not signed at all. We can't print any news submitted unsigned and are very sorry. If it isn't worth signing it certainly isn't worth printing seventeen hundred copies of and sending all over Canada, now, is it?

Sixty-five inch timothy hay has been brought in by Ned Telford of Murrell's and two heads each nine inches long. We don't dare suggest that this is a record because every day someone comes in waving some sort of grain before him like a banner. The best oats we've seen yet is a 61-inch stem brought in by Perley Richardson. It wasn't one of his longest stems either but it being a wet morning after a wet July 12, he did not feel like going into the field to find the longest ones so just pulled this one off the edge. So off it went to Frank Ryan, coiled inside a small envelope. The first stationer who produces an envelope suitable for mailing 65-inch stems of grain and grass will make a fortune out of country editors.

John Laviolette found a wallet outside W. A. Hodgins Store last weekend and brought it into the Printshop where it still is awaiting its owner. The wallet is red and has a shopping list, one cent and pictures of three Shawville high school girls in it. Nothing else.

From Raymond Johnston, M.L.A. we received a clipping from an unnamed source (obviously another newspaper) which mentions the recent steps taken by the Quebec government concerning roads and schools. It says, "The Quebec Department of Roads has completed 60 miles of the Gatineau Highway to near Maniwaki and another 60 miles of the Pontiac Highway near Bryson. Also there have been generous grants toward keeping roads open in the winter. Also 50 - 50 grants to Municipalities for secondary roads have been generous. The most vigorous program of highway building has been carried out successfully by the Quebec authorities in the past few years. The Aylmer road and the Pontiac and Gatineau Highways are fine examples of modern road building. In addition the construction of schools in Western Quebec is attracting widespread attention. The most modern facilities are being incorporated at costs that are the envy of some communities in Ontario." The letter is signed by L. C., Queen Street, Ottawa.

91st Anniversary

St Andrew's Presbyterian Church in Fort Coulonge will celebrate its ninety first birthday this week. July 18th will see many friends of the congregation and the minister dropping in to the service or for a short visit to this beautiful building in its picturesque setting. With 800 baptisms, 200 marriages and 300 funerals to its credit, this church has had a long list of ministers, the present one being the Rev. C. Younger-Lewis, D.D. Looking back through the pages of history he sees coming up the rivers to settle in Pontiac, not only lumbermen and husbandmen but those we term ministers of the Gospel. In 1855, at the home of Mr. Bryson in the Fort Coulonge district a young minister conducted a religious service which is the first on record for this denomination in this area. In the same year Rev. Duncan conducted religious services coming up the river by boat to Portage du Fort and the rest of the way by horseback. Thus we see the Scots were early Church pioneers. From 1855 to 1863 religious services were held at various times and in 1863 a wooden Church was built and a regular congregation was formed. It was in a way independent and not connected with any regular organization and the district it served stretched many miles. There is very little information regarding the first ten years but in 1873 Rev. Joseph Gandier was called and inducted as minister and ministered until 1891. In 1873 the church was issued its first official licence and registered as a Presbyterian Church by the Province. In 1875 the different sections of the Presbyterian Church in Canada were consolidated and thus the local branch became a part of the Presbyterian Church in Canada. So now they are celebrating their 91st Anniversary. Not only in Fort Coulonge, but throughout Pontiac County this church has spread its influence and to many parts of Canada its sons and daughters have gone. Many will return on July 18th to make this year's celebration a real homecoming.

Blind

Here is a sportsman's sportsman. When we think of the blind we tend to lump them all into one category as a rather helpless lot who deserve our sympathy and need our help and most of all who miss a lot of the joys of life through their affliction. But here is a man, yes a blind man, who deserves nothing but admiration, needs only some worthy opponents and misses out of life only what he chooses to miss. He is much more typical of the blind generally than the helpless ones are. Jack McPherson is his name and his regular job is operating a canteen in the building which houses the Canadian Wheat Pool in Regina. Seems like a long way from here but he is close to us in his interests. As a boy, when he had perfect sight, he played ice hockey just as our young lads do. When he was eight years old a hockey stick blinded him in one eye in the midst of a neighborhood game on one of Regina's streets.

- The Way I See It - (a weekly column)

by
Rev. C. Watson

The other day I was visiting with a young clergyman from the nearby Diocese of Ottawa. He was interested in my plans to do work in England, especially when I told him I planned to work in an industrial parish. He seemed very surprised that I felt called to work in such entirely different surroundings from any parish I have known... After I had given him my reasons for deciding to work in such a parish he still could not admit that there is a special need to do such work at this time... I propose in this column to try to explain to my readers why I am going such a distance and then taking up work that will be quite different from any I have done. I wonder if any of you good people will agree with me that this is a very necessary task that I propose to undertake? I hope at any rate that you will pray for us sometimes that we may accomplish something for God and His Church.

First I pointed out to my friend that according to statistical studies made in the Protestant Episcopal Church in the United States the proportion of wage earners (people who work with their hands) within the church in relation to the total of wage-earners in the United States is far smaller than that of any other class in society... In other words the Anglican Church in the United States has less appeal for industrial workers than it has for farmers, professional people or any other class. Although I have no statistics I believe the same is true of both Canada and Great Britain.

There is not sufficient space here to go into the probable reasons for this.. Some of them are readily apparent, the numerous attractions which the city has to offer and which tend to absorb all the leisure time of the city-dweller, particularly of those who are comparatively new to city life; the lack of home-life such as we find in rural areas which provides the country dweller with a sense of security and stability that his city cousin lacks; but I feel that there are other and more basic reasons why the industrial worker for the most part is not a church-attender.. A few people within the Church feel that this problem is of such importance that they are trying some new approaches in evangelism and the Diocese of Sheffield has established an Industrial Mission with several full-time workers. Services are held within the factories and Industrial Chaplains address groups of workers at break periods. Besides this they try to organize study periods and discussion groups for workers and their families. They are making use of every means to put the message of the Gospel before these workers in terms that are familiar to them from their experience as workers.

In these days we hear much of the dangers of Communism. It is the factory-workers who are the prime target for all the propaganda and it is among them that the Communist agents do most of their work. To me it seems obvious that the Christian Church should be making special efforts to capture and hold their allegiance. This can only be done if we understand their ambitions and their problems and show them by deed rather than word that the Christian faith offers them more hope of justice and security and liberty than any man-made creed. For the Christian faith is not what its opponents often claim that it is, an escape into conjecture about a life beyond this world, but it is a positive, realistic approach to life based on the well-proven fact that God is love and that all men are His children and therefore brethren one to another.

This sort of thing happens and of course was regarded as a dreadful calamity to young Jack. Nevertheless, Jack continued his interest in sports and it was when he was fourteen years old in High School at Creelman that he was struck in the other eye by a baseball in a late evening game. From then on he was totally blind. One might think that Jack would lose his interest in sports but Jack was a sportsman. After four years at the Ontario School for the Blind, during which time he spent many hours in the gymnasium, Jack took up bowling, swimming and golf. He now can tour an 18 hole golf course in 120 or less. He will be playing in the International Blind Golf Team Championship tournament in Toronto July 21, and he'll have lots of stiff competition because there are many Jack McPherson's in the several countries which will be sending entries to this annual event.. That's all there is to the story. There's a moral somewhere about how if a person has such a terrific handicap as blindness and still manages to support himself and also participate in sports and have a good life through it all, surely people with all their faculties should have little to complain of. But even without a moral, the story of Jack McPherson is interesting to tell and we are grateful to the Royal Canadian Golf Association for sending it in to us so we could pass it on to our readers.

Time

Farmers and trainmen call it six o'clock. Storekeepers and radio stations call it seven. Air Force calls it 1900 hours and then the Air Filter Station at Brockville throws the whole lot of us into utter confusion by calling it 11 o'clock Z time. Z time (we're supposed to know) is Greenwich, England time. When in Greenwich do as the Greenwichers do, say we, and when in Canada just look at your watch to see what time it is. The recent aircraft alert was called in from Brockville to start at 5 a.m. Friday morning and to end at 11 p.m. Sunday night. Nobody was informed that the 5 a.m. was daylight time and the 11 p.m. was Z time. This was a secret until Sunday morning when the field operations officer happened in to Shawville and just happened to mention it in passing. Next time you order posters for a dance we might as well print "Dancing 9 to 12 Eastern Standard time, 10 to 1 Daylight Saving Time, 2200 to 0100 R.C.A.F. Time, 2 to 5 Z Time (for commuters from Greenwich). And if anyone is there while the orchestra is playing we'll be surprised.

Please Excuse The Scrawl

"Please excuse the scrawl, but I had the baby on my knee when I wrote this." "I could have had this typed but I hope you can read the pencil." "I guess I should have read this over before I brought it in, but you can correct any mistakes." And then we try to decipher the writing, guessing at the spelling of proper names. Or else we leave the item out of the paper, getting into trouble either way. If getting into trouble bothered us, of course, we'd be in some other business. But we do wish, if there is a typewriter available, that you'd use it. And we would appreciate if you'd at least look over your story before you hand it in to the newspaper. And we would love you if you would put the baby down before you started to write up last night's meeting.

LAFF OF THE WEEK

"I'll put your application on file and if anything comes up we'll call you."

Bristol School Board Minutes

Bristol School Commissioners met on May 25. Present Chairman McCredie and Comms. Beattie, Horner and Sharpe.	Ivan Beattie	30.00
Minutes of last meeting were read and on motion by Comm. Horner were adopted as read.	Vernon Beattie	25.00
Motion by Comm. Sharpe that the following bills be paid.	Marie Sharpe and Lorna Angus	15.00
	Angus	6.00
	Russell Lucas	25.00
	Dave Angus	6.00

Pontiac Central Hospital Auxiliary

The Central Auxiliary of the Pontiac Community Hospital met for their regular monthly meeting on July 2 at the Pent House. Mrs. Garrison presided.

The meeting opened with the Lord's Prayer and the minutes were then read and approved.

The Constitution was discussed in great detail and completed. Mrs. Quaille and Mrs. Fulford moved that the Constitution be accepted until the Annual Meeting of all members of the Units in March when it can be amended if necessary.

Mrs. E. Fulford, representing the Stark's Corners Women's Institute Unit reported seven members with splendid possibilities.

Two dressing gowns were made, and one repaired. Mrs. Garrison representing the Shawville Auxiliary, reported 19 members and 29

articles mended for the month. Mrs. Dalton Russell, Director from the Bristol Hospital Auxiliary, reported 15 members. Twenty-five articles were mended at the regular meeting in the Pent House and \$7.50 was turned in to our treasurer.

A very splendid report was brought in from the Campbell's Bay Hospital Auxiliary by their director, Mrs. Linden Quaille. 34 members are enrolled to date. Fees and money raised amounted to \$19.75 which was turned in. This auxiliary has set as a tentative objective the raising of \$100 every three months. Mrs. Quaille, treasurer, requested that the books be audited at the end of the fiscal year.

Miss Foster, the Superintendent of our hospital, attended the meeting, showed a keen interest in the extension and welfare of this enterprise and kindly advised us in our efforts. Miss Foster also served delicious refreshments to the group after the meeting.

Provision is being made for the outlying units to be sent the new material to complete and the mending is to be done by the nearby units. Miss Foster suggested this as the most desirable system. A bolt of draw sheeting was sent to Campbell's Bay to be made up and plastic for six pillow covers to Stark's Corners.

Discussion followed on membership cards, many ideas to be given to the units for raising money, ways to assist the hospital and starting other units.

Mrs. Garrison believes that all units should be encouraged to have representation on the central ex-

ective in order to assist with more satisfactory operation of the auxiliary as a whole. Much more assistance can be given the hospital, she feels, if all units, through the central executive, co-operate with the superintendent and hospital director to aid in supplying essentials as required. Individual representation from each unit will assure a credit to be given for work accomplished, and money sent in by the individual unit, says Mrs. Garrison, who hopes to have a director from each and every unit at the next meeting on August 6 at 8 p.m. in the Pent House.

Donald O'Connor

(Francis the Talking Mule in the year's funniest comedy.)

WE ESPECIALLY WELCOME ALL OUR GOOD FRIENDS FROM THE PONTIAC

Bristol Council

July 5th, 1954

The regular meeting of the Bristol Council was held on the above date with Mayor Beattie and a full Board of councillors present.

The minutes of the last regular meeting were read and approved on motion of Councillors Ireland and Harkness.

Lloyd Craig met the Board regarding gravel for his division and it was agreed that when the gravel for the different divisions was hauled that 100 yards would be put on that division.

Motion by Councillors McCorriston and Stanley that this council meet at 8 p.m. for the regular meetings in August and September. Carried.

Murray McNeil met the board, asking permission to put a tile drain across the road and also to cultivate to the ditch on the road in front of his property.

Motion by Councillors Smiley and Harkness that this request be granted.

Wellington Smith met the board regarding railing on the bridge at Todd's hill and the widening of hill and two culverts 8 feet and 10 inches in diameter.

Motion by Councillors Harkness and Ireland that the road foreman interview Mrs. Derwah about land for the purpose of widening the hill, to fix railing on Todd's hill, and to receive two culverts. Carried.

Wallace Craig met the board concerning side road.

Motion by Councillors Ireland and Smiley that Mr. Craig receive three loads of gravel.

Frank Chabot and Milton Henderson met the board requesting gravel and culvert.

Motion by Councillors McCorriston and Smiley that they receive a culvert 10 inches in diameter and when the gravel is delivered that gravel to the value of \$50.00 to be delivered on that division. Carried.

Motion by Councillors Smiley and Harkness that Joe Rooney be appointed road foreman for division No. 43. Carried.

Vernon Gallagher requested two loads of gravel on the 7th line.

Motion by Councillors Stanley and McCorriston that he receive two loads.

Tenders for hauling gravel were now opened and found as follows: Elliott Bros., 70 cents per yard and

Hello Folks:

"Your methods of cultivation are hopelessly out of date," said the youthful agricultural graduate to the old farmer. "Why, I'd be astonished if you got even ten pounds of apples from that tree." "So would I," replied the farmer. "It's a pear tree."

This week we concern ourselves with light and dark negatives. Light negatives are said to be thin, because when held up to a lamp, one can see through most of the negative as though it were a clear piece of glass. Dark negatives are said to be dense because one cannot see light through them very well.

A thin negative is due to not enough light or too little development in the photography studio. You make it a point to get enough light to take the picture and Bob follows a set routine of development. He has the chemicals always at the correct strength and the temperature and time of development are watched carefully for the same results over and over again. If it is raining and very still outside, Super XX is the film to use, but because it reacts to light very fast, it cannot satisfactorily be used with a simple camera on bright days.

A dense negative is due to too much light when the picture was taken. When there is very bright sun in summer, the simple camera should not have any other film than Kodak Verichrome or a similar type. This film is much less sensitive to the light and over exposure cannot as easily be the result.

Next week we shall deal with the taking of flash pictures. In closing, a word of advice: Don't give it.

Jerry Swim

"Swim for a Photo-finish"

the council pay pit owners for the gravel.

Earl Bean, 80 cents per yard and the council pay for gravel to pit owners.

Carson Bros. 80 cents per yard and the council pay for gravel to pit owners.

James Tracy, 20 cents per yard, loading 20 cents for first mile and 10 cents each additional mile and council to pay for gravel to pit owners.

Minard Hobbs, 85 cents per yard and council to pay for gravel to pit owners.

Robert Gordon, 80 cents per yard and council to pay for gravel to pit owners.

Motion by Councillors McCorriston and Murray that Elliott Bros. tender of 70 cents per yard be accepted.

Motion by Councillors Murray and Stanley that this council purchase the grader from W. A. Hare for \$4,000, and that he take the old one at \$700, and that the secretary send Mr. Hare a cheque for \$3,300, as payment in full. Carried.

Motion by Councillors Smiley and Harkness that the following bills be paid.

Sylvia Arbic on salary	10.00
Gatineau Power	121.04
W. A. Hodgins Store, spikes	3.12
Ivan Orr, logs for bridge	9.00
Howard Orr, labour	20.00
Robt. Bulmer, labour	19.50
Victor Krutz, salary on grader	151.90
Geo. Henderson, collecting garbage	42.00
W. A. Hare, grader	3,300.00
Alex. Murray, oiling streets	442.00
Lionel Grimes, gas for grader	18.71
Mrs. J. McCauley, gas for grader	10.56
W. H. Smiley, gas and sundries	32.80
J. A. Laderoute, oil	105.65
Motion by Councillor Ireland that meeting adjourn.	
H. S. Ballantyne, Secretary-treasurer	

Van Smith New Mines Manager

Mr. Al Hurst who has been manager here for Quebec Nickel Company's developing the Ostrom Uranium deposit is leaving Bryson to take a position with Ascot Metals Sherbrooke, Quebec and is being replaced here by Van H. Smith, Toronto, formerly of Tucson, Arizona. Mr. Smith will be in charge of operations here for Quebec Nickel, and is a mining consultant of wide experience.

The Geologist survey of this property is being conducted by Dr. Lees, Kirkland Lake, Ont. Progress is steady in the development of the Uranium possibilities of this deposit.

Patrick Sullivan Has Accident

Little Patrick Sullivan 5 year old son of Pat Sullivan, Calumet Island met with a serious and unusual accident last Wednesday, he grabbed a paring knife from another hands and in the pull upward the blade slit his upper eyelid cutting deeply

into the white of the eye, within 24 hours a blood clot appeared and he was taken to Dr. Bradshaw's Ottawa office at Campbell's Bay who advised a specialist, Dr. Gilhooly. Fat was summoned and X-rays

were taken and a delicate eye operation performed in the Ottawa General Hospital. It is hoped he will not lose the sight of the injured eye.

Rev. Donald Bruce MacDonald, B.A., B.D. from Westboro United Church, Ottawa

8p.m. Sunday, July 18

Pontiac County Co-op Medical

The minutes of the regular monthly meeting of the Board of Directors, held at J. M. Argue's office, Wednesday, June 30, 1954.

Directors present: Charles Russell, William Hodgins, Dave Davies, Mrs. Keith Brownlee, Mrs. Cecil Sly, Reuben Smith, Grant Elliott, and Mrs. Gilbert Telford.

The meeting was called to order by the president, Charles Russell at 8.45 p.m. Minutes of the May meeting were read and adopted on motion of Reuben Smith and Mrs. Sly. Carried.

Business Arising from Meeting

Mrs. McGee's Claim. The secretary read a copy of a letter that was sent to Dr. Irwin, Ottawa, asking for information concerning this bill. To date there has been no reply. It was agreed to hold the claim until further information was received.

T-2 Corporation Tax Return 1953: Copies of letters to Mr. Harry Wood and his replies were read. Agreed that the action taken is acceptable to the Board.

Correspondence for the month was read from: (1) Mr. Breen Melvin, secretary of the Co-op Union of Canada re brief to the Quebec Commission on Co-operative Law to be ready for early fall.

The secretary reported that the brief was ready for presentation. A copy would be mailed to each member of the Board of Directors and the Supervisory Board for their consideration.

Agreed that each Board member would study the proposed brief, and if there are changes to be made, this would be done at the next Board meeting.

(2) Gatineau Memorial Hospital re cardiac patient. Agreed that cardiac is a chronic ailment and the secretary was instructed to inform the member that only 31 days are allowed on chronic cases for the duration of their policy.

(3) Smith's Clinic: To be dealt with in bills and claims.

(4) Conseil Supérieur de la Co-operation re International Co-operative Day, which is being observed on July 3.

(5) Ontario Co-operative Medical Services Board enclosing an invitation to their sixth annual meeting.

The following bills and claims were presented for payment: Pontiac County Hospital (five claims) \$187.15; Smith's Clinic, 1 claim, \$50.00; General Hospital, 1 claim, \$82.95; Civic, 3 claims, \$369.85.

Motion: William Hodgins and Dave Davies that the bills be accepted for payment. Carried.

Reports Co-op Meeting

Macdonald College, June 6
Mrs. Keith Brownlee reported on the progress of the Quebec Co-operative Union, also stating that the Government refused to give a charter under the name "The Provincial Co-operative Union of Quebec Province," as this name is too general. The provisional committee asked each organization to send in names for their consideration.

Agreed that in view the proposed union is to represent all co-operatives within the province, the name should so clarify this purpose. The following names were suggested:

- (1) Union of Province of Quebec Co-operatives.
- (2) Provincial Union of Quebec Province.
- (3) United Co-operatives of Quebec Province.

Renfrew Co-operative Services Seventh Annual Meeting

Mrs. Cecil Sly gave a brief outline of the Directors report in which was noted: Renfrew services had two new groups join giving them a total of 51 groups. 303 claims were paid during the year, averaging 7.78 hospital days per claim. Group secretaries were paid two per cent. of premiums collected. A new surgical benefit plan was added. Directors received \$2.00 plus 6c per mile for attending Board, Committee and Zone meetings. (The Equity printed a complete report of this meeting a few weeks ago). Mr. Russell on behalf of the Association thanked Mrs. Brownlee and Mrs. Sly for the reports and those who attended the meetings.

Agreed that the next meeting would be held August 5.

On motion of Reuben Smith, seconded by Grant Elliott the meeting adjourned. Carried.

Norma Telford, Manager-Secretary

Wyman W I
Members of the Wyman W.I. met at the home of Mrs. F. W. Pritchard and Miss Abbie Pritchard for their monthly meeting on Thursday, July 8, at 8 p.m. with an attendance of 10 members and three visitors.
Prime Ministers of Canada were named as each one answered the roll call.
Mrs. Strong reported that the members donations of \$1.00 each were to go towards the purchase of draw sheets by Miss Foster, superintendent of the Pontiac Community Hospital, the group to do the sewing of these sheets. It was also reported that the Wyman ladies would be welcome at the Hospital to help sew and mend any afternoon or evening during the first week of each month.
The acting secretary, Mrs. Hillis Graham was instructed to send a

Campbell's Bay Hospital Auxiliary
The Campbell's Bay Hospital Auxiliary met on Monday evening at the home of Mrs. Paul Martineau with a very good attendance. Mrs. H. R. Lunam presided.
Two members joined, making a membership of 36. In the absence of Mrs. Qualle, Mrs. E. Lunam reported on last Central Committee meeting. Members were asked to fill some jars with fruit for hospital, while doing their own canning.
A birthday card on behalf of the group to Helene Stroussis, the girl who has been adopted by the County W.I., her birthday being on August 18.
Miss Abbie Pritchard gave a very full and interesting account of the happenings at the provincial convention held at Macdonald College in June.
The president, Mrs. L. Stanley thanked Miss Pritchard for her excellent report.
“Responsibilities of Citizenship” was the title of a talk given by Dean J. S. Thompson at the convention and Mrs. M. Howard, the citizenship convener used this talk for the program for the evening.
Agriculture convener, Mrs. Roland Graham, gave the ladies some excellent advice on “Feeding Chickens.” She also read an amusing piece entitled “Harangue of a Housewife.”
A letter received from the Pontiac Provincial Committee on alcohol and alcoholism, including a report of that committee's work to date, was read.
A motion was made to have the treasurer send a cheque for \$5.00 to Rev. G. V. Stewart to defray the expenses for a month of the anti-liquor advertisements being run in The Equity.
Mrs. Blanche Hodgins, convener of welfare, and health, read a very interesting item entitled “Now or Never.”
Rummage sales was the title of a very graphic account of what happens at such affairs. This was used by Miss E. M. Edey in her own inimitable way. This article, by the way, was written by Helen Lothorn whose folks come from Bristol.
With Miss Pritchard at the piano the meeting was closed with the singing of “Aunt Dinah's Quilting Party” and “When you and I were young Maggie.” Mrs. Strong declared the meeting adjourned.
While the hostesses assisted by Mrs. Les Miller (nee Dorothy Pritchard) were preparing lunch Mrs. A. Kelly displayed three items in the work box—a number of them being sold.

The supply committee had sheets ready for sewing and all were distributed at meeting and members were requested to pass them in this week.
The convener of finance committee reported and a means of raising funds for next meeting was decided on. Next meeting will be held at Mrs. L. E. Smith's home. Hostesses were Mrs. O. Lance, Mrs. H. Smith, Mrs. L. Elliott and Mrs. A. Carey. Sandwiches and cake were served.

...YOU'VE GOT TO HAVE A RELIABLE PROFESSION LIKE A DOCTOR OR LAWYER OR--

BUT GEE, DAD, I WANTED TO BE LIKE YOU! YOU WERE A GREAT BASEBALL PLAYER!

WERE... YES, WERE IS RIGHT! THIS CONFOUNDED HAND PUT ME OUT OF BUSINESS WHEN IT WAS INJURED IN THAT ACCIDENT AND I COULDN'T PITCH ANY MORE! I WON'T LET IT HAPPEN --

HOLD ON, LEFTY, I THOUGHT THIS WAS A PARTY!

SORRY, SAL... DINAH... BUT I'VE TOLD JIM REPEATEDLY THAT I DON'T WANT HIM PLAYIN' BALL!

THAT'S KINDA LIKE TELLIN' A BIRD NOT T' FLY, AIN'T IT?

SAY, JIM... LE'S YOU AN' ME GO INTO TH' KITCHEN AN' MIX SOME DRINKS... WE CREAM AN' SODA THAT IS!

LATER...

HOW ABOUT ANOTHUH PIECE UF CAKE, SOMEBUDDY?

I THINK I MIGHT MANAGE A SMALL PIECE, SAL!

SAY, POP, HOW COME YUH GOT HOME FROM WORK SO EARLY...

...AN' WHAT ARE WE CELEBRATIN'?

UH... YOU SEE, JIMMY... WE UH... PERSUADED YO' DAD TO GO BACK T' PLAYIN' BASEBALL, SO HE DONE QUIT HIS JOB!

Produced by Stephen Stouffer. Copyright 1954 by King Features Syndicate, Inc. World rights reserved. Gatto 7-11

THA'S IT EXA'CLY... AN' THA'S WHY WE'RE HAVIN' THIS PARTY!

OH, BOY!

THE ALE YOU WILL BE DRINKING

O'KEEFE'S is the best ale made. For your own satisfaction drink O'KEEFE'S and prove to yourself that it's better tasting -- more satisfying.

O'Keefe's EXTRA OLD STOCK ALE

it's mild

Portage du Fort

By Mrs. Loretta Stanton

Mr. and Mrs. Ubald Ranger and family have moved to Renfrew, where they will reside. They have lived here for the past four years and their many friends are sorry to see them move to another town.

Miss Thelma Corey has returned to her home for the summer months after spending the past ten months in Renfrew where she was employed.

Miss Viola Burns has returned to her home for the summer holidays after spending the past year teaching school in Noranda, Que.

Mrs. Isabell Richardson spent a few days in Pembroke last week visiting Mr. and Mrs. Gerald Rougier and Mrs. Paul Rougier.

Mr. Bernard Giroux has returned to his home having spent the past six months in Labrador.

Mrs. Germain Guindon is a patient in the Shawville Hospital.

Mrs. Isabell Richardson was at Mink Lake last week to officiate the opening of the Hubert Peckham Memorial Boys Camp. Mrs. Richardson unveiled the plaque dedicated to the memory of her in the Northern Country for the past week.

Master Mark Stanton spent the past week with his uncle and aunt, Mr. and Mrs. John McKenzie

in Ottawa.

Mrs. Loretta Stanton and daughter Heather Ann spent the past week in Renfrew visiting her brother and sister-in-law, Mr. and Mrs. Joe Rougier.

Mr. and Mrs. James Shea and daughter Barbara of Iroquois Falls are spending their vacation at the old homestead.

On Wednesday night a few friends gathered at the home of Mr. and Mrs. William Burns on the occasion of their 40th Wedding Anniversary. Card games were enjoyed throughout the evening. At midnight refreshments were served by their two daughters, Mona and Viola, a third daughter Mrs. Peter Lavelle (Audrey) of Buckingham was unable to be present for the happy occasion.

Mr. and Mrs. Ira Tanguay of Montreal visited recently with the former's brother-in-law and sister, Mr. and Mrs. Clarence Giroux.

Mr. Joseph Toner visited friends nephew. The camp was built by the Traveller's Association of which Hubert Peckham was a member.

Mrs. Al Marsh of St. Eustache, Quebec, is spending a few days visiting her mother, Mrs. Isabelle Giroux.

Mr. and Mrs. Harvey Bennett of Smith Falls, visited with the former's mother, Mrs. Walter Bennett and sister, Mrs. James Malette. Mr. Lynus Malette of Timmins,

spent the weekend with his wife and children.

Miss Lorraine Cameron of Deep River, Ont., is spending the summer months at her home. She will return to her work in September.

Mrs. Leo Malette visited her sister in Ottawa during the past week.

SURPRISE!

THE BUYING POWER OF ALL THE FOLKS WHO READ THIS NEWSPAPER WILL AMAZE YOU...

Gatineau LINES

IN THE FIRST SIX MONTHS OF 1954

During this period much has been done to further improve and extend the supply of electricity throughout the territory served by the Company.

At the Lois Street substation, Hull, an additional 5,000 kva transformer has been installed.

At Shawbridge, Gatineau and Ste. Adele substations the capacities have been increased from 2,500 kva to 3,750 kva each:

At the Lakefield substation the capacity has been increased to 600 kva:

At Lacolle voltage regulation has been improved by the installation of a bank of capacitors:

At St. Jacques le Mineur voltage regulators have been installed:

At the Lachute 110,000 volt substation the 26,400 volt circuits have been divided and each is now protected by a separate breaker:

At Labelle a 1,200 kva regulator has been installed to replace one of 750 kva:

At Ripon this 750 kva regulator is being installed to improve service to Cheneville, St. Emile and Lac des Plages.

Up to the end of June, 47 separate line extensions have been completed, and 160 new transformer installations have been made to serve new customers and improve service to others.

All these improvements and additions mean better service from your Most Valuable Servant.

In Memoriam

YOUNG—In loving memory of Mrs. Richard Young (Margaret Smith) who died July 11, 1950. I cannot say, and I will not say, That she is dead. She is just away!

With a cheery smile, a wave of the hand. And she left us dreaming how very fair It needs must be since she lingers there.

And you — oh you, who the wild-est yearn, For the old-time step and the glad return. Think of her faring on, as dear, In the love of There, as the love of Here.

Think of her still as the same, I say — She is not dead — she is just away. Daughters Elizabeth and Ida And Grandchildren.

MURPHY — In fond and loving memory of a dear Father and Grandfather, William H. Murphy, who passed away July 13, 1951.

Gope from us, but leaving memories Death can never take away. Memories that will always linger While upon this earth we stay. Wilma, Jack and Children

ROBITALLE—In fond and loving memory of a dear mother and grandmother, Mrs. George Robitaille who passed away July 8, 1944.

We miss her when we need a friend. On her we always could depend. She cheered our way, she soothed
