WILL APPORTION SOME OF GERMAN WARSHIPS TO FRANCE AND ITALY INSTEAD OF DESTROYING THEM

Lloyd George Was Anxious that England Secure Some of Ships, But Yielded This View When Shown that Such a Course Would Involve an Increased Naval Building Programme in the United States—Kiel Canal Problem Was Before Council of Great Powers.

(Associated Press Despatch)

PARIS, March 7.—The military, naval and aerial terms of German disarmament were before the Council of the Great Powers yesterday, with Premier Lloyd George back as head of the British delegation, Marshal Foch and the full membership of the War Council present.

Most of the time was given to the naval terms, which were largely settled, with several features still reserved, including the destruction of the large German ships.

Premier Lloyd George was disposed to have England take part of these ships, but he yielded this view when shown that it would involve an increased naval building programme in the United States.

As a result of the British and American view in agreement, and as a means of harmonizing the French and Italian views, it is possible that some of these ships will be apportioned to France and Italy instead of being destroyed.

As the terms of the dismantling of the fortifications of Kiel Canal were causing some discussion, the Council adopted a motion referring the Kiel question to the Commission on Waterways. This commission will now consider the whole subject, including the American reservations that the action on the Kiel Canal shall not be a precedent affecting American canals and waterways capable of being used for strategic purposes.

WILL TERMS IMPOSED ON GERMANY BE PERMANENT?

The council also adopted the American proposal requiring each commission to submit, with its report, the specific form of an article to be presented in the peace treaty. The purpose of this is to give the Council the specific terms of a subject, instead of a lengthy report, from which the Council may frame terms.

Aside from the actual military and naval terms under consideration, an important question has arisen as to whether these terms will be temporary as incident to the close of the war, or permanent, holding Germany in subjection for an indefinite period. This last proposal has taken a very definite form as a means for curbing Germany for all time, so that she cannot repeat the experience after Napoleon disarmed her, of rehabilitating her forces and thus defeating Napoleon later.

As a result of this feeling, some of these terms foresee the control of disarmament considerably beyond the period of the present war. This in turn has opened a large vista before the British and American delegates of possible commitment to occupation and the supervision of German affairs for an indefinite period in the future. It has also presented the delicate question of how far a defeated nation should permanently lose its national authority to administer affairs.

DISARMAMENT TERMS ARE FINALLY ANNOUNCED

In view of these considerations the question of time limit of naval control has become more important than the terms themselves. This was particularly discussed yesterday and then went over. The actual terms as finally considered yesterday, though not yet made public, are summarized as follows:

Disarmament down to 200,000 men, consisting of fifteen divisions of infantry and five of cavalry, divided into five army corps with one army headquarters. This makes each corps consist of three divisions of infantry and one of cavalry, totalling forty thousand men.

The men are to be chosen by lot for one year's service and no class is to exceed 180,000. The officers are to serve twenty five years and sub-officers 15 years.

Effective enforcement of this system is provided for and eventually the League of Nations will determine its continuance or modification.

Arms and ammunition are restricted to a force of 200,000 men and the balance is to be delivered or destroyed.

GERMAN FLEET MUST BE REDUCED TO A LIMITED BASIS FOR DEFENCE

The naval terms provide similar disarmament by a reduction of the German fleet down to a limited basis sufficient for police defence, but it will not figure among the navies of the first or second classes. This system is to be for an indeterminate period with ultimate continuance or modification, probably under the League of Nations.

The aerial terms of disarmament are definite in period, as a limited number of hydroplanes with an aerial force of a thousand men are to gather mines until October 1st next, when the entire establishment is to end.

While some features of the foregoing terms are still open, yet doubtless they will prevail in the main.

NEW ARMISTICE BETWEEN POLAND AND GERMANY

German and Allied Commission Meet at Krentz to Discuss Details.

PARIS, March 7.—A Havas despatch from Posen, dated Wednesday, tells of the meeting of Allied and German missions at the village of Krentz where negotiations for a new armistice between Germany and Poland will be carried on. The Allied mission arrived at Krentz at 11.30 o'clock on Wednesday morning, and the train bearing the German delegates arrived at 12.30 o'clock. J. B. F. Noulets, the former French ambassador to Russia, and General Dupont introduced the delegates on the railway platform. The courteous demeanor of the Germans was noted as being distinctly different from that shown at Brest-Litovsk last year, when they were so truculent towards Leon Trotsky, the then Bolshevik minister of war, and his friends. This time the Germans wore no uniforms.

The Allies' Commission demanded formal guarantees for the landing of Polish troops at Danzig and their passage as far as the Polish frontier. The German delegates telegraphed the details of this demand to Berlin. The liberation of hostages and the protection of Germans in Posen and Poles in Germany on a reciprocal basis were then taken up. The Germans declared they were ready to continue the negotiations at Posen and the Allied delegates assented, undertaking to answer for the good behaviour of the population during the period of negotiations.

SIR GEORGE PERLEY OFFICIATED FOR EASTERN TOWNSHIPS PEOPLE

Presentation Was Made at Bramshott—Colors Consecrated by Chaplain General of British Army—A Tribute from the People at Home to the Fighting Fifth—Col. Rhoades Cables Appreciation.

THE COLORS provided by the people of the Eastern Townships, through the Associated Boards of Trade, were formally presented to the Fifth Canadian Mounted Rifles yesterday, in England. This is announced in the following cable from Colonel W. Rhoades, Officer Commanding the Battalion:

London, March 6, 1919. E. T. Associated Boards, Sherbrooke, Que.

The Eastern Townships colors were presented to the Fifth Canadian Mounted Rifles today, Thursday, at Bramshott, by Sir George Perley, Canadian High Commissioner.

The colors were consecrated by His Lordship Major-General Taylor Smith, Chaplain-General of the British Army. Sir George Perley was accompanied by Lady Perley. Among others present were Major-General F. O. W. Loomis and Brigadier-General C. Draper. All ranks of this Battalion greatly appreciate this fine token of esteem.

RHOADES.

Presentation Planned Some Time Ago. Arrangements for presentation of colors to the Fifth have been under way for some time, the organization here being undertaken by the E. T. Associated Boards. Nearly every Eastern Townships community has participated through the medium of small individual contributions. The fund was quickly subscribed, and the order for the making of the colors given to Gaunt & Company, England.

The offer of colors for the Battalion was cabled Col. Rhoades at the time of the signing of the armistice, together with an expression of admiration for the splendid services rendered by the Fifth during the war.

Col. Rhoades replied: "We appreciate deeply the greetings and the good wishes of the Townships people and gratefully accept their offer regarding regimental colors."

Will Sail Tomorrow. The Fifth being a part of the Third Division, will sail tomorrow, according to cable advices received today. The 42nd Battalion is on the way.

Should Demobilize Here. Representations have been made to the military authorities, asking that arrangements be made to have the Fifth demobilized in the Townships. No definite reply has yet been received. The matter is being taken up further.

Explanation of Design of Fifth C.M.R. Colors. Unlike quite a number of units raised in Canada for service overseas, this Battalion until the cessation of hostilities had no authorized Battalion.

This was due mostly to the fact that this unit neither existed before the war, nor during the short period of training in Canada was it affiliated with any of the Permanent Force which had traditions and customs, symbolized by regimental colors.

However, since those days of training and preparation, this unit has undergone the trial by fire and has built up an "esprit de corps" at the cost of many precious lives. This spirit, and the memory of those who have laid down their lives for it, are embodied in our regimental colors as they exist today.

The deep bluish-purple of the upper rectangle of the body of the flag is one of the colors of Bishop's College and School, of Lennoxville, Que., and is in memory of the large percentage of original members of the Battalion

(Continued on page 8.)

FIFTH C. M. R. SAILS TOMORROW.

(Canadian Press Despatch) LONDON, March 7.—The Princess Patricia's, the 49th Battalion and the 4th and 5th Mounted Rifles sail for Canada from Liverpool on Saturday.

The Canadian Associated Press understands that despite some unavoidable disappointments in securing ships which had been promised, the repatriation of Canadian troops is proceeding steadily at an accelerated rate. The embarkation of the third division for Canada is now being carried out, and with all plans completed for the arrival in England of the first division from France, the demobilization of the corps will continue without interruption.

In order, however, to accord the fairest treatment possible to all troops it has been arranged that a certain number of ships shall be allotted for the concentration camp at Kimmel Park. The Canadians in camps in England will be this method steadily repatriated as units.

There is a sailing on the tenth for troops at Kimmel Park and further sailings at regular intervals.

WATERS STILL ON STRIKE. MONTREAL, March 7.—The waters of the Windsor, the Ritz-Carlton and the Place Viger hotels have been made by the waiters on strike, but as they had refused to sign an agreement to that effect the offer had been rejected. Such was the declaration made last night at a meeting of the trades and labor council by President J. T. Foster.

SOLDIERS ARE GRADUALLY JOINING THE SPARTACANS

LONDON, March 7.—A German wireless despatch received here states that in addition to the volunteer marine division and a portion of the Republican militia, parts of the Second Guards regiment and the Guards Fusiliers regiment went over to the Spartacans on Wednesday.

Owing to the strike of printers and compositors, the Wolff Bureau is said to be unable to circulate its printed bulletins.

A Berlin despatch to the Mail, sent from there Wednesday midnight, asserted that it was reported in Government circles that as a result of a compromise reached at Weimar, the strike might end today.

5th C.M.R. SHOULD DEMOBILIZE HERE

The Fifth Canadian Mounted Rifles, Eastern Townships Regiment, are about to sail for home. They will land at Halifax or St. John and entrain for their place of demobilization. That place should be the Eastern Townships, from which they went forth nearly four years ago. This regiment is doubly of the Eastern Townships because the men of the 117th E. T. Battalion have to a great extent passed into its ranks.

And yet, strange to say, there seems to be a doubt of the intention of the military authorities regarding the demobilization of the Fifth. In response to inquiries, the answer comes that instructions have not yet been received at district military headquarters. Surely the people of the Eastern Townships are not to be denied the opportunity of welcoming home the Glorious Fifth.

There is reason to believe the officers and men of the regiment are themselves looking forward to demobilization here. Colors have been presented in England on behalf of Eastern Townships citizens, and the military authorities overseas, at the request of the corps, have officially designated it "The Eastern Townships Regiment."

There do not appear to be any serious difficulties in the way of demobilization here. There are two large drill halls which can be well heated. Some equipment might have to be sent from Montreal, and a demobilization staff would have to come. But it would be worth while, and to do otherwise would meet with serious objection from the patriotic people of the Townships, and there is reason to believe, from the regiment itself.

More than five thousand men have gone forth from the Eastern Townships to war. They have formed a large part of many Montreal regiments. In no section of Canada has there been more earnest and untiring workers for every patriotic cause than here. The 5th C.M.R., absorbing the 117th, is representative of the Eastern Townships' military effort to win the war. And the record of this regiment, tragic and glorious, will be an inspiration to Eastern Townships youth for all time to come.

This corps of Eastern Townships soldiers is coming home as a unit. They can fittingly lay aside their victorious arms in no place other than that where they voluntarily took them up in 1915.

In conclusion, we feel authorized in saying that the people of the Eastern Townships expect the military authorities to make such arrangements as may be necessary, even though some difficulties are involved, to have the Fifth Canadian Mounted Rifles, Eastern Townships Regiment, come home as a unit for demobilization, and by "home" we mean, not Canada and Montreal, but the Eastern Townships and Sherbrooke, from whence they sprang to defend the cause of liberty.

GERMANS FLEE FROM CENTRES OF DISTURBANCE

Forces of Occupation Forced to Take Steps to Prevent Germans Overrunning Zone Along Rhine.

(Associated Press Despatch) COBLENZ, March 7.—The disturbances in Berlin and other parts of unoccupied Germany have resulted in such an increase in the number of civilians eager to reach the bridgehead area, where conditions are more normal, that the forces of occupation have been compelled to take steps to prevent Germans from all parts of the country overrunning the occupied zone along the Rhine.

Within the last few days since the strike began in Berlin the number of applicants desiring to reach Coblenz or other parts of the district has more than doubled the number of the previous week. To prevent civilians coming in merely to take advantage of the food situation and to get away from the centres of disturbance, the Allied authorities have had to tighten up permit privileges. Only those desiring to travel on urgent business or are returning to their homes will be allowed to pass within the occupied area.

SENATOR LODGE MAKES EXPLANATION REGARDING THE STAND HE TOOK

BOSTON, March 7.—The position of Senator Henry Cabot Lodge on the proposed League of Nations and its constitution was outlined in a signed statement made public here today.

"My desires," Senator Lodge said, "are simply to have the constitution for a league proposed by the commission of the Peace Conference carefully discussed and considered. If it will not bear discussion, it is not fit for adoption. If it is what it ought to be, discussion will only strengthen its position in determining the most important question ever presented to the people of the United States or to the world."

all time to come.

This corps of Eastern Townships soldiers is coming home as a unit. They can fittingly lay aside their victorious arms in no place other than that where they voluntarily took them up in 1915.

In conclusion, we feel authorized in saying that the people of the Eastern Townships expect the military authorities to make such arrangements as may be necessary, even though some difficulties are involved, to have the Fifth Canadian Mounted Rifles, Eastern Townships Regiment, come home as a unit for demobilization, and by "home" we mean, not Canada and Montreal, but the Eastern Townships and Sherbrooke, from whence they sprang to defend the cause of liberty.

BILL THAT PROPOSES COMPULSORY SERVICE FOR BRITISH ARMY OF OCCUPATION UP IN COMMONS

Army Would Be Composed of Nine Hundred Thousand Men and the Enlistment Period Would Expire in April, 1920—Labor Party Opposed to Move—Winston Churchill in Defending Bill Stated that There Was No Truth to Rumor that England Intended to Send Troops to Russia.

(Associated Press Despatch) LONDON, March 7.—Captain F. W. Guest introduced a bill in the House of Commons yesterday which proposes compulsory service for the British Army of occupation. This army, according to the bill, would be composed of 900,000 men, and the enlistment period would expire April 30, 1920.

Alexander Shaw, Laborite, moved the rejection of the measure because the Labor Party is opposed to a continuance of conscription.

Colonel Winston Spencer Churchill, defending the bill, argued that the Government in providing for an army to insure peace was "pursuing a path towards universal voluntary service."

"Our delegates to the Peace Conference are fighting for the complete abolition of conscription in Europe," he said. "A formal demand has been made that Germany be permitted to have only a small voluntary army on a long service basis, but it is uncertain whether this point will be carried. Our representatives stand almost alone in this matter, and it is not at all impossible that Japan, France and Italy, and even the United States, will be nations into whose military systems some element of compulsory service may enter."

"There is not the slightest truth in the suggestion that this bill is designed to raise troops to be sent into Russia," Mr. Churchill continued. "If there was no such place as Russia, I would be still advocating this bill. No one would be so foolish as to suggest intervention in Russia with conscription troops. Our army along the Rhine and on the approaches leading up to that river numbers about 430,000 men, which is no larger than the United States army there, and much smaller than the forces France is maintaining in the occupied area."

Andrew Bonar Law, Government leader in the House of Commons, maintained that the bill involved no departure from election pledges and evoked loud cheers by asking: "Is it really suggested that after fighting side by side with France for four and a half years we are now going to leave it to France alone?"

He concluded by declaring that Premier Clemenceau had said: "If we do not take care, when the British and American armies have disappeared, we shall be faced again by the same danger."

The bill passed second reading by a vote of 304 to 71.

THE WEATHER FINE AND MODERATELY COLD.

An area of high pressure, with its centre over the lower St. Lawrence Valley, covers the eastern half of the continent and fair moderately cold weather prevails in the Dominion.

Fine and moderately cold today and on Saturday.

FRENCH GOVERNMENT START CRUSADE ON HIGH COST OF LIVING.

(Associated Press Despatch.) PARIS, March 7.—The French Government's offensive against the high cost of living, led by M. Vignatin, Under Secretary of the Ministry of Provisions, started yesterday morning when nine barracks were thrown open to the public for the sale of foodstuffs direct from the Government to the consumer.

At the barracks in the evening the correspondent was informed that up to noon 1500 persons had been served, and it was expected to serve as many in the afternoon.

The people everywhere were neglecting vegetables and asking for fats, of which every one took the full quota allowed.

RECIPROCITY IS AGAIN ON BOARD FOR DOMINION

Recommend Legislation Authorizing the Imposition of Additional Tariff Duties in the U. S.

WASHINGTON, March 7.—Early enactment of legislation authorizing the imposition of additional tariff duties at the discretion of the President, to enforce equality of treatment in international tariff matters, is recommended by the United States Tariff Commission in the report it has just submitted to President Wilson, as a result of its investigation of reciprocity and commercial treaties.

Concerning the position which the United States should take regarding the most favored nation clause, the Commission makes no recommendation. The Commission considers it premature for the United States to commit itself at this moment, either to the maintenance without modification of the country's traditional most favored nation policy, or to the advocacy or adoption of a different policy.

"So far as concerns existing commercial treaties and arrangements, the international relations of the United States, as they have been gradually shaped since the opening of the present century, are in conformity with the principle of equality of treatment, when interpreted and qualified with regard to special political affiliations and special geographical ties," the Commission says.

"The act making possible a reciprocity agreement with Canada rests upon grounds of its own, being influenced by the exceptional geographical relations."

CURED OF DYSPESIA

BY USING BURDOCK BLOOD BITTERS.

The symptoms of dyspepsia are so numerous and diversified in different individuals that probably no description could exactly represent them as they occur in any given case...

To get rid of dyspepsia a careful arrangement of the diet is necessary and due time must be given for the digestion of the meal.

You will find that Burdock Blood Bitters will help with this digestion. It does this by toning up the stomach in such a way that the dyspepsia soon disappears.

Mr. Robt. Baldwin, Winnifred, Alta, writes: "I cannot speak too highly of Burdock Blood Bitters for curing dyspepsia, of which I have been a sufferer for years. I have tried a good many doctors and proprietary medicines, so one day I thought I would try something different. I got a bottle of B. B. B. from our local store, as it was about the only remedy he kept, and I can certainly say that I was more than pleased with the results, as I got better right away. I will always recommend it to other sufferers."

WINDSOR MILLS

Windsor Mills, telling of conditions in France with the American Hospital Corps there, a letter was received by Miss Verma Witty, of Windsor Mills, from Miss Hattie M. Sampson, A.M.C. formerly of this city, and now in France as a nurse.

The letter which comes from one of the base hospitals, reads in part as follows:

"We have had no intensely cold weather until the past two weeks, it rained every day and we waded through mud to our ankles. Then it turned colder and snowed a little, side walks were built and we are now enjoying

Why Can't I Get To Sleep

Thousands of people all over the country ask this question, but still continue to toss night after night on a sleepless bed, and it is impossible for them to get a full night's refreshing sleep.

Some constitutional disturbance, worry or disease has so debilitated and irritated the nervous system that it cannot be quieted except by the pernicious use of opiates or narcotics. Or again, you have heart palpitation, and sensation of sinking, a feeling you are going to die, or perhaps you wake up in your sleep feeling as though you were about to choke or smother, and the only way you can get relief is to sit up in bed.

Do all this suffer in this way, Milburn's Heart and Nerve Pills offer an inestimable boon. They bring back the much-needed night's rest by improving the tone of the nerves, strengthening the heart, enriching the blood and making the whole organism act in harmony--then you sleep as peacefully as a child.

Mrs. Jan. Latimer, 39 Leinster St., St. John, N.B., writes: "At night I could not sleep. I had to sit up in bed, my heart beat so fast, and when I walked up stairs I would get all out of breath. A friend recommended Milburn's Heart and Nerve Pills and after using two boxes, I can sleep all night and am not out of breath after walking."

Milburn's Heart and Nerve Pills are 50c. a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Please, Mother! It's Nasty! Give Me a Candy Cascaret!

TO MOTHERS! Instead of the dreaded dose of castor oil, drops, calomel or pills, give your children Cascarets and save money, worry and trouble. Children love Cascarets because they taste like candy. Nothing else acts so gently but surely on the child's little stomach, liver and bowels.

When one of the kiddies has a white tongue, tainted breath, sour stomach or a cold; when cross, bilious, feverish, constipated, remember, a Cascaret to quickly "work" away the nasty bile, sour fermentations and poisons should always be the first treatment given. Cascarets never gripe the tender bowels, never injure, and never disappoint the worried mother. Each 10 cent box of Cascarets contain directions for children's dose from one year old and upwards. Also for adults.

IVES HILL

As this section is to have a regular correspondent for the Record, it may be well to say something of its location, as it has from time to time been confounded with Iron Hill, as regards news items. Ives Hill, the birthplace of the late W. B. Ives, and so called from his ancestors, is in the township of Compton, about two miles from Milby and the same distance from the old road leading from Compton to Cookshire. A thickly settled farming section with an English school, where items may be left for insertion or sent direct to the correspondent.

The epidemic of grippe or influenza has been quite prevalent about here since the autumn, many families hav-

ing been all ill at one time. Just at present all seem to be progressing toward recovery. Miss Evelyn Broadbelt and Master Osgood being the last on the list of sick ones.

Mr. J. A. Cowan is getting about after a three weeks' confinement to the house.

Mr. Clifford Bailey is much improved, convalescing from pneumonia. (Quite a number of our young people attended the party at Moe's River on Monday evening, March 3, in honor of Miss Myrtle Young.

The Milby W.C.T.U. will be entertained by Mrs. Fred Sisco and daughter, Miss Sisco, on Tuesday afternoon, March 11. There are many items of business to be dealt with, and a good attendance is hoped for.

Mrs. M. D. Libby entertained the last meeting at her home, and considering so much sickness, a good number were present.

Mr. and Mrs. I. K. Lane spent Sunday at Mr. John Saunders.

Mr. and Mrs. Alex Saunders, of Milby, were calling on friends here recently.

Miss A. Brown and Miss W. Young spent Tuesday at Moe's River.

Miss Leadbeater, of Inverness, is visiting friends here.

Miss Marguerite Sisco has returned to her school, after two weeks at home from illness.

Quinine That Does Not Affect Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE (Tablets) can be taken by anyone with out causing nervousness or ringing in the head. There is only one "Bromo Quinine." E. W. Grove's signature on the box, 30c.

BARNSTON

Mr. and Mrs. Henry Thompson, of Fralshburgh, have been visiting their daughter and family, Mr. and Mrs. John Hunter, for a few days, they having recovered from their serious illness.

A letter from John Buckland states that he is touring Belgium after seeing Italy.

The Dramatic Club was favored with a large audience and good weather on the occasion of the presentation of "Plain People," the results being satisfactory.

We are pleased to note that the Rev. Mr. Maitland has returned to his parsonage much improved in health, also Mrs. Maitland, who accompanied them.

MAGOG

We are arranging for an expert Piano Tuner to visit the Eastern Townships. Please send your order to Willis & Co., Limited, Piano Manufacturers, Sherbrooke.

BURY

Town Hall, Bury, Monday night, March 10, special attraction. An extraordinary 5-act production featuring Gypsy Hart with Wedgewood Nowell, in the Flower of Doom, directed by Rex Ingram. An L. K. O. Comedy Feature, Carnivals and Carniballs, presenting the whirlwind comedienne Merta Sterling, with Rose Powell. A scream of laughter from start to finish. A Universal Weekly, the world's latest news in moving pictures. Take an opportunity and tell your friends. Remember Monday night only. Doors open 7 p.m., commencing at 8 sharp. Admission 20c and 30c, including tax. Good music.

Mrs. A. H. Laberee, optometrist, at Hotel, Wednesday, March 12.

Gray Hair Hays Hair Health

A preparation for restoring natural color to gray or faded hair, for removing dandruff and as a hair-dressing. As not a dye. Generous sized bottles at all dealers, ready to use. Philo Hays Co., Newark, N. J.

was the guest of the Misses Machell recently.

Mr. E. Noel, Sherbrooke, was the guest of Mr. and Mrs. H. G. Wilson on Wednesday.

Mr. and Mrs. Allan Rich were in town on Tuesday, at Mr. Glanville Staples' home.

Mrs. Ernest Gilbert, Mrs. James Westman and Miss Edna Gilbert were in Sherbrooke on Tuesday.

W. A. HELD A MEETING. The W. A. met on Tuesday afternoon with the Misses Chapman, and was well attended, ten ladies being present.

The reports of the members who were working in the interests of the "Every Woman's Campaign" were brought in, the work being well done. The work on hand was pillow slips. The ladies moved a vote of thanks to Mr. C. O. and Miss A. A. Hall, Mr. and Mrs. K. A. Willard and Pte. Wm. Bueby for so kindly donating maple sugar for the sugar social.

At the close of the meeting lunch was served. Next meeting with Mrs. Glanville Staples.

RED CROSS WORKERS BUSY. The Red Cross Society met on Tuesday evening with Mrs. E. O. Weston. The usual amount of work was accomplished--knitting and sewing. A nice lunch was served by Mrs. Weston, which was much enjoyed. Next meeting with Miss Chapman on Tuesday evening, March 11.

SCOTSTOWN

Mrs. A. H. Laberee, optometrist, at Hotel, Tuesday, March 11.

TRENHOLMVILLE

Miss Hazel Boast, of Montreal, spent the week end with her parents, Mr. and Mrs. John Boast, "The Maples."

Miss Cora Wintle has gone to Montreal, on a visit to friends.

Pte. Wm. Sullivan left on Tuesday for Montreal to report at Headquarters.

Mr. and Mrs. Archie Urville entertained a party of friends on Monday night in honor of Pte. Dixon. Mrs. Urville's brother, who has recently returned from overseas.

A party of young people from here drove to Mr. and Mrs. Harry Porter's and spent a most enjoyable time.

Mr. Lisle Pike, of Montreal, and Miss Griffith, of Gore, spent a few days recently with their aunt, Mrs. John Boast.

Mr. Fred Blanchett is able to drive out after being confined to the house for several weeks with a severe attack of rheumatic fever.

Mrs. Harry Porter and little son, of Lisgar, are spending a few days with Mrs. Porter's parents, Mr. and Mrs. Jos. Blanchette.

EAST CLIFTON

Mr. and Mrs. Sam Elliott, of Sawyerville, were visiting the latter's sister, Mrs. Jas. Bailey, on Sunday.

Miss Maud Waldron went to Sherbrooke to accompany her sister, Marjorie, home.

Master Leland Williams spent the week end with his uncle, Mr. Iran Lobdell, at Sawyerville.

Mr. and Mrs. Ed. Gray and children were visiting the former's uncle, Mr. Thos. Gray, on Sunday last.

Mrs. Jas. Lowery, of Sawyerville, and Mrs. H. Picard, of Birchton, spent the week end with their sister, Mrs. John A. Reed.

Money collected by Master Kenneth Waldron and the other pupils of East Clifton school district, No. 1, was \$15.00, which was sent to Sherbrooke for the Serbian Orphanage fund.

Mr. and Mrs. Guy B. Waldron and children, Kenneth and Eldine, were

TO DARKEN HAIR APPLY SAGE TEA

A few applications of Sage Tea and Sulphur bring back the vigor, color, gloss and youthfulness.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound no one can tell because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. SUTTON AND DISTRICT NOTES

The missionary anniversary will be conducted by Rev. Paul Pergau, B.A., chairman of Waterloo district, in the Methodist churches, Sutton and Abercorn, next Sunday, March 9.

FORMER SUTTON MAN DIES IN BOSTON.

The death of Mr. Amos H. Sweet, for many years a well-known resident of Sutton, took place at the home of his daughter, nee Mrs. Nelson J. Ingalls, in Allston, Mass., on Saturday, March 1. The body was brought to Sutton on Tuesday morning and taken through to Brome, where the interment took place. The late Mr. Sweet was 80 years of age on June 21, 1918. His wife survives, also his two daughters, Mrs. N. J. Ingalls, of Allston, Mass., and Mrs. Stephen W. Joyal, of Ludlow, Vt. The deceased has resided with his daughter for the past thirteen years. He was born in Allenby Springs, Vt., and lived many years in Sutton and Brome before going to Barnston to reside with his daughter.

Mr. and Mrs. Amos Laflamme gave a party on the evening of February 26 in honor of their daughter, Matilda, who celebrated her fourteenth birthday. A large number of friends were present, and a good time was enjoyed by all. Cards and dancing were indulged in. At midnight a splendid lunch was served by the hostess, assisted by Mrs. Marsh. Miss Matilda was the recipient of a nice purse of money, and thanked her many friends for their kind remembrance.

Mr. Jos. Gagnon and his daughters, Mrs. S. Ferras and Miss Mildred Gagnon entertained at their residence, "Mountain Side Farm," on February 28. About seventy-five guests were present and the spacious house was given over to cards and dancing. At 12 o'clock a bounteous lunch was served, after which the

THETFORD MINES

"AUNT SUSAN'S VISIT" PLEASSED The play that was given in the Market Hall, Monday night entitled "Aunt Susan's Visit", under the leadership of Mr. DeGruchy and Miss Lyrell, was an unqualified success. The beautiful evening and the good condition of the roads brought friends from Black Lake, Maple Grove, Broughton and Inverness. Miss Loughry excelled in her many piano selections, while the people were gathering at the appointed time. Mrs. DeGruchy gave a brief summary of each act in the play, and Mr. DeGruchy did likewise in French, in attempting to describe the different characters, justice could not be done, as each and all were at their best.

Between the four acts, musical selections were rendered by Miss Huard Miss Mathews, Mrs. Beattie and Miss Dunn, Mr. John Thomas Tibbs, (father) had good command over his household and Aunt Susan was shown due respect, Mrs. John Thomas Tibbs (mother) and Miss Alice Tibbs (daughter). The other different characters deserve much credit, namely, Mr. Guy De Marchmond Coggs, Mrs. Highburn, Miss Wizer, Senator Samuel Smith, Mrs. Jenkins, Mrs. Sadden and Miss Redlip. The programme closed with the following chorus, "O Canada", solo by Mrs. J. T. Tibbs; solo by Mrs. Highburn; musical selection by Mrs. Sodon; two solos by Miss Huard; Reading by Miss Alice Tibbs; a musical duet by Misses Huard and Mathieu; and recitation by Aunt Susan Tibbs, of Piper's Corners.

After which Mrs. De Gruchy in the name of the Ladies' Aid, presented Aunt Susan and helpers with a box of chocolates. A vote of thanks was tendered to all who had assisted in the play in any way, also to the Mayor Carlton, for the free use of the Hall, to Mr. Bay for the loan of the piano, to the Financiers, Mr. Edwards, Mr. Lipsie and Mr. Johns, to the ushers Mr. York and Mr. Bailey, to Mr. E. Bailey and Mr. H. Edwards for the efficient manner in which they managed the stage curtains.

General Notes.

A pleasant feature of next Sunday evening service in the Methodist Church will be a quartette by Messrs. Johns, Lipsie, Cummings and Oughtred, entitled "The Wayside Cross."

ST. SYLVESTER WEST

Mr. and Mrs. F. Dooley, of Quebec, were here on Monday.

Mr. Joseph Clancy, of Leeds, and several from Ste. Agathe, were here on Monday last to attend the funeral of Mrs. Howley.

Mr. and Mrs. T. Noonan, of Ste. Agathe, called on friends here last Sunday.

ST. PATRICK

Rev. P. O'Riley was visiting Rev. A. Lachance, of St. Sylvester, on Monday.

Mr. Ed Daily, of St. Giles, who is well known in this place, is quite ill at the hospital in Quebec.

Quite a number from here attended the funeral of the late Mrs. Daniel Howley at St. Sylvester on Monday morning.

dancing was resumed and continued into the wee sma hours. The music was furnished by Messrs. E. Smith, A. Laflamme, L. Westover and Miss Della Westover, who presided at the piano. Among those from a distance were Mr. and Mrs. Chas. Richard, Mr. and Mrs. H. A. Holden, Mrs. B. J. Draper, Mr. and Mrs. Gordon Owens, of Brome; Mr. U. Poissant and Mrs. N. Poissant, of Sutton; Mr. A. Lampan, of Freighsburg; Mrs. Gleason, Mr. Wilfred and Mr. E. Gleason, of Dunham; Mr. and Mrs. H. Tibbits, Mr. and Mrs. Jas. Brislain and daughter Nettie, of Brome; Mr. and Mrs. A. Fountaine, Mr. H. Fountaine and Miss Della Fountaine, of Sutton.

Councillor U. Poissant went to Ottawa to attend the funeral of the late Sir Wilfrid Laurier.

Mr. Richard Smith went to Freighsburg on Saturday to visit his daughter, Mrs. H. T. Spencer.

Mrs. S. Burns and three children, of Regina, Sask., was a recent guest of her sister, Mrs. Chas. Derby; Miss Violet Beaudry, of Cowansville, was also a guest of Mrs. Derby at the same time.

Mr. and Mrs. Ernest Martin and Mr. and Mrs. Wm. Rockwell, of East Hill, spent Sunday with Mr. and Mrs. Geo. Holden.

The Misses Bernice, Mildred, Evelyn and Muriel and Master Herbert Derby spent Sunday with Mr. and Mrs. Wales Derby, near Knowlton.

The health of Mr. Milford Derby still continues to cause his many friends great anxiety.

HAVE YOU NICE HANDS?

You can have if you use Zam-Buk regularly. Women who do their own housework, and constantly have their hands in water, say nothing equals Zam-Buk for keeping the hands in good condition.

Or, if your hands are chapped, one thorough application of Zam-Buk at night will bring ease by morning, and continued use of this balm will heal the cracks and roughness.

Miss Della Martel, of 35 McKay St., Ottawa, says: "For two winters I suffered acutely from cracked and chapped hands. I tried various salves, which seemed to do them good for a time, but as soon as I went out doors my hands would become just as bad as ever. A friend advised me to try Zam-Buk, and it was really wonderful how even the first application of this balm stopped the smarting and drew out the soreness. In a very short time my hands were quite smooth again. Now I rub Zam-Buk on my hands occasionally all through the winter, and never have any trouble from cracks or chaps."

For frost-bite, chilblains, cold sores, eczema, boils, ulcers, blood-poisoning, cuts, burns and scalds, Zam-Buk is equally good. All dealers, 50c. box.

Power Transmitter.
In using this device, the operator places blocks under the rear end of the incline, backs the automobile up the incline until the rear wheels engage the grooved wheels,

and then removes the blocks. The axle of the car rests on the side bars and keeps the wheels in engagement.

(G. H. McClara, Mullinville, Kansas. U.S. Patent 1,282,894.)

Stump Burner.
The shell of this burner is placed over the stump and filled with combustible material; when the sliding top is put in position and the material is lighted. It

is claimed that the sliding top confines the heat in a small space and promotes complete combustion.

(W. F. Ritt, Milwaukee, Wisconsin. U.S. Patent 1,284,778.)

Plow.

The new feature here is the curved extension of the mold board. This, it is claimed, prevents the furrow slice from going over the mold board, and thus

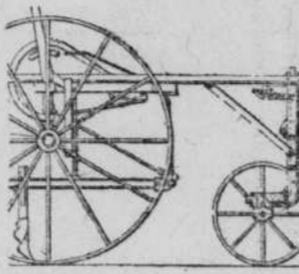

permits more rapid plowing; also it turns the slice into the furrow where it belongs.

(Patrick A. McGirr, DeKalb, Illinois. U.S. Patent 1,280,057.)

Front Truck.

This truck has two wheels which straddle the row to be cultivated; its new feature is that the wheel support is of the

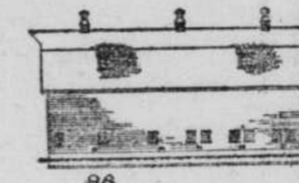

caster type which, it is claimed, prevents undue tilting when the implement makes short turns.

(Demster Mill Mfg. Co., Beatrice, Nebraska. U.S. Patent 1,279,677.)

Dairy Barn.

This barn is described, with others, in Farm Bulletin No. 7, "Dairy and General Purpose Barns," issued by the National

Lumber Manufacturers Association, Chicago, Illinois. Write for it if you are interested.

may cause a high producing flock to become non-producers for a period of from two to three weeks or longer. Remember a hen lays an egg, or doesn't, never a half. All hens or pullets should be efficient transformers of raw materials into a finished product. This transformation, to be the most profitable, should take place when the price of the finished product is at its maximum, which is during the winter months. All hens or pullets tend to consume a similar amount of food, regardless of whether they are good or poor winter layers. It is during the winter months of November, December, January, February and March, when the poultryman has to supply his flock with all of the following: grain, mash, vegetable and animal food, grit, shell and charcoal, that his expenses are the heaviest; therefore, if by careful and judicious feeding and management, he can have his flock producing eggs enough to defray expenses, or to give him a small profit, he is bound to be more successful than the poultryman who has to pay the winter's board of his flock from his spring egg production.

During the months of November, (Continued on page 7.)

Grow Your Own Food

Your garden will produce more and you'll be able to supply your table with quality vegetables of finest flavor if you plant

Dupuy & Ferguson's Seeds

The Savings Bank Pays 4%

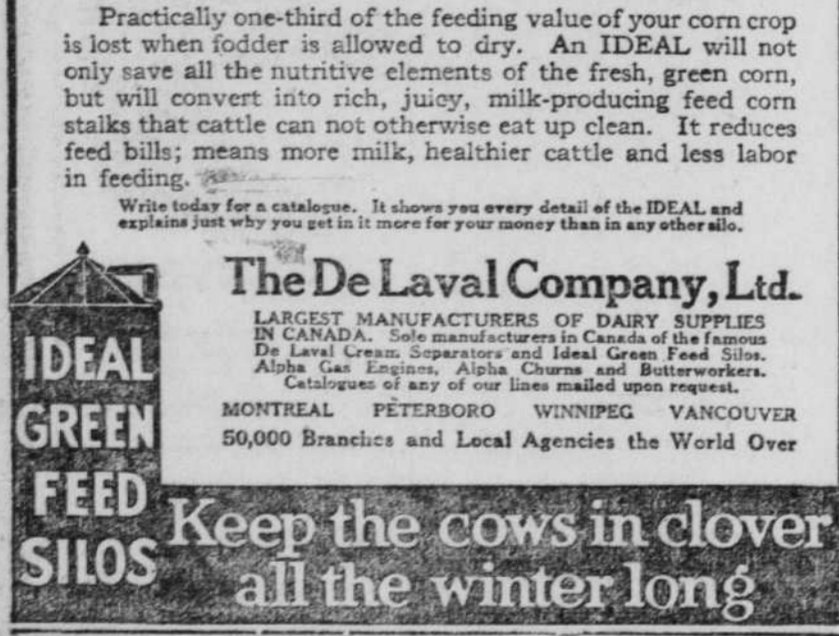

A savings bank account is a splendid thing, but if you own cows and have no silo you will find that a few dollars invested in a good silo will bring you very much greater returns than the same amount put into the bank. The average savings bank pays 3½ or 4%

An IDEAL GREEN FEED SILO will pay 100%

A prominent dairy authority says that a silo is worth its entire cost if it is used for only one year. The life of an IDEAL SILO is from twenty to thirty years. Is it any wonder farmers are finding the Silo profitable?

Practically one-third of the feeding value of your corn crop is lost when fodder is allowed to dry. An IDEAL will not only save all the nutritive elements of the fresh, green corn, but will convert into rich, juicy, milk-producing feed corn stalks that cattle can not otherwise eat up clean. It reduces feed bills; means more milk, healthier cattle and less labor in feeding.

Write today for a catalogue. It shows you every detail of the IDEAL and explains just why you get in it more for your money than in any other silo.

HOT BEDS ARE VERY USEFUL IN CANADA

Excellent for Starting Plants in Frosty Days of Early Spring—Method of Preparation.

A hot-bed is desirable wherever vegetables or flowers are grown in Canada. It is a means by which plants are grown through their earlier stages in a suitable temperature in order to shorten the time of reaching condition for use or of coming into flower. It is the early vegetables which are the most profitable and most appreciated. Furthermore, with a hot-bed it is possible to mature certain vegetables in parts of Canada where, if started in the open, they would not ripen before being killed by frost. Again, with a hot-bed it is possible to mature a large crop when without one the crop would be very small. Certain vegetables also, even if not subjected to actual frost, will not grow if the soil and air are cold, hence must be started in warm soil and warm air such as is afforded by a hot-bed, and the plants grown there are not set out in the open until warm weather.

Such crops as radish, lettuce, spinach, carrots and other vegetables which will reach marketable size in a relatively short season and are easily handled while the weather is still cool in early spring, reach the stage when they are ready for use much sooner when kept in the hot-bed or cold frame than if one had to wait until the seed were planted in the open and the plants developed there. There is usually greater danger from keeping the hot-bed too hot for these particular vegetables than from their being too cool. Cauliflower also can be grown to maturity in hot-beds, and in places where it is difficult, owing to summer frosts or cool weather, to grow cucumbers and melons, a few plants in a hot-bed will provide a fair supply for the family.

In making a hot-bed, the conservation of the heat in it is one of the chief considerations, and to assist in this the hot-bed should be in a protected place, preferably on the south side of a building, wall or close board fence where the cold winds will be broken and all the sunshine possible be obtained. The manure used should be hot when it is put in, and it should be kept hot by thoroughly banking the outside of the frame with manure to prevent the cold getting in and the heat getting out. It is easier to conserve heat in a bed that is low than one that is built high up.

Cold frames are much like hot-beds in outward appearance, but no manure is put inside, as cold frames are used later in the spring than the hot-beds and less heat is needed, there being sufficient from the sun shining through the glass, and the glass and frame usually afford sufficient protection from light frosts at night should there be such.

Details in regard to making hot-beds will be found in a pamphlet which can be obtained free on application to the Publications Branch, Department of Agriculture, Ottawa.

POSSIBILITIES IN THE WINTER EGG MARKET

With Care and Attention Good Profits Can Be Made from Hens During Next Few Months.

The possibilities for making a good profit from winter eggs were never better than they are at the present time; although many poultrymen and farmers have reduced their poultry activities during the last year, thinking that at the present high price of feeds, profits from eggs would be impossible. However, the profit or loss from the poultry business does not depend upon feed alone. The successful poultryman must pay the strictest attention to all the essentials of care, feeding and management, if he is to make his work profitable. Even the slightest negligence on the part of the poultryman in any of these essentials may mean the loss of many eggs.

A high producing hen is like a very delicate machine, easily put out of repair. Anything that interferes with the health of the flock for even a day

THICK, SWOLLEN GLANDS THAT make a horse Wheeze, Roar, have Thick Wind or Choke-down, can be reduced with

"and they cost me less per pound gain"

CAN you imagine a manufacturer in the city feeding costly raw material into a machine without precise figuring of costs and the most careful selection? Can it possibly pay the "manufacturer" of bacon to feed hogs on the old-fashioned plan, without knowing the cost per pound gain? Decidedly not, in these expensive times.

Our experts have done the figuring for you. They have found out that certain feeds, combined according to known feeding values, will get a hog off to market in far less time, with more marketable, good, firm bacon on him, and at less cost per pound gain.

Monarch Hog Feed

is the cheapest feed you can buy—if you reckon by market results, and that is where your profits come from! Why try to figure out rations? Why worry about providing various feeds? Why waste precious time mixing up feeds? That was all very well when there was no such thing as Monarch Hog Feed available. Nowadays everything must be done expertly if it's maximum profits you want.

It's quality bacon that captures the best prices; Monarch gets the quality—good, firm, hard bacon—at least cost. Monarch Hog Feed is a true balanced ration; it supplies every nutrient the growing hog demands—no more, no less. It's just right for maximum production, without waste of feed.

It has all the nutrient qualities of shorts, corn products and digestive tankage (rich in flesh-forming materials). Combined as a properly balanced ration they are easily digested; Monarch is palatable; hogs thrive on feeds they relish. Monarch can always be relied upon for best results.

Give Monarch Hog Feed a good, fair trial. Order a ton from your dealer; you can always depend upon getting it; should your dealer not be handling Monarch Feeds, send us his name and address, and we will see that you are supplied.

Monarch Dairy Feed
is a properly mixed balanced ration of oil cake meal and cotton seed meal combined with corn meal and bran; guaranteed analysis is 20% protein and 4% fat.

Sampson Feed
A general purpose feed with same ingredients as Monarch Hog Feed, excepting that oil cake is used instead of digester tankage; effective for both cattle and hogs; guaranteed analysis—10% protein and 4% fat.

Canada Food Board License, 6, 7 & 8.

POWER and LIGHT

As Sure as the Sun Sets in the West so Sure will you Need Electricity on the Farm

APART from altering international boundary lines, the war has shown farmers how to concentrate; how to devote their time and energy to oig and important things. But what about the little jobs? Somebody has to do them; to turn the cream separator, churn, grindstone, grain grinder, saw wood, pump water, etc. These are the chores that the

Northern Electric POWER and LIGHT

will do for you. Jobs that take muscle and time from the big end of farm work. Then, too, there is the domestic side of farming. Electricity in the home means wholesome freedom from many daily drudgeries. It will run the washing machine, iron, vacuum cleaner, sewing machine, operate the toaster and many other electric household utensils. It will flood your house and outbuildings with a safe, bright, clean and economical light. No oil lamps or lanterns to bother with.

Think what a help and convenience Electric Power and Light will be to you on the farm if you make it the Northern Electric way.

The system is entirely automatic; not even a button to press. No complicated parts or unnecessary frills to get out of order. Built for real hard work and long service with economy of upkeep. As simple and easy to look after as the Northern Electric Telephone you know so well.

NORTHERN ELECTRIC POWER and LIGHT is guaranteed absolutely reliable. Plenty of power, plenty of light. Progressive farmers all over Canada are buying the Northern Electric system because of its honest dollar-for-dollar value.

There is a Northern Electric system for every require ment. All types, all sizes, either direct connected or belt driven, operating from 15 to 1000 lights or their equivalent in power for farm work.

May we send you some interesting illustrated leaflets? If you are not obligated in any way, fill in and return coupon today.

UNDERDRAINAGE GREAT SUCCESS AT FREDERICTON

Was Employed at Fredericton Experimental Station With Excellent Results.

When the work of drainage was undertaken at the experimental station in Fredericton, N.B., there was but a small area on the Station land that was naturally dry enough to enable spring cultivation and seeding sufficiently early to ensure good crops. Extensive drainage, both surface and by underdrains, was a first necessity to the development of experimental work. At first, in addition to the opening up of some main watercourses, a few stone underdrains were put in at strategic points and these have given excellent service. The next work was done on a six-acre slope at the foot of a steep hill, where the ditches were dug by a steam ditcher at forty cents per rod. Too many holders were encountered to make machine work profitable either to the ditcher or to the Station, so that machine work was discontinued. These drains were spaced thirty feet apart and laid with three-inch tile. This six acres was by underdrainage converted from land

where only light crops of poor hay could be grown, into soil that produced the first year after drainage 178 bushels per acre of good Green Mountain potatoes without manure or fertilizer of any kind, and has since been satisfactorily dry under fertilizer experimental plots. A black mud swamp with stiff white clay subsoil was underdrained with tile, and care was taken to fill the ditches with surface soil, and this has since been one of the earliest pieces of land on the farm. Both clay and cement tiles have been largely used on the various areas since drained, placed from thirty to forty feet apart, both three-inch and four-inch tile being used with six-inch for main drains. The depth of drains has been rarely less than thirty-six inches, and where care in filling the drains with surface soil was taken, the work has given excellent results. Where much of the clay subsoil excavated was put back over the tile, water will lie on the surface immediately over the tile, sometimes for weeks, pointing to the necessity in clay soils of filling the drain with some sort of porous material if early and complete results are to be obtained. Some of the cement tile used were not first-class, and after four years in the ground they are, where examined, still soft and do not promise permanence, though as yet they are giving good results. Spruce and fir poles, laid two on the sides and one on top, covered with eighteen inches of fine brush, were used and are very effective. Their permanence should extend to twenty-five years, at least. They are, however, more expensive than the drains.

POSSIBILITIES IN THE WINTER EGG MARKET

(Continued from Page 4)
December and January, the egg production at the Experimental Station, Charlottetown, from a pen of 50 White Leghorn pullets, was November 159, December 623, January 762, making a total of 1544 eggs. From these records it will be seen that the White Leghorn pullets averaged 3.18, 12.46 and 15.24 eggs for the months of November, December and January respectively. The cost of feed consumed was: 656 lbs. whole grain, \$21.84; 328 lbs. mash, \$9.47; 88 lbs. shell, 70c; 15 lbs. grit, 27c; 22 1/2 lbs. beef scrap, \$1.35, and 500 lbs. mangels, \$2.50, making a total cost for feed of \$36.13. The value of the 128 1-3 doz. eggs at 55c, was \$70.77; deducting the cost of feed, \$36.13, left a profit over cost of feed for the 60 pullets for three months of \$34.64. It will be seen from the statement above that these pullets not only paid for their feed during the time specified, but yielded a net profit of 69c per bird.

INSPECTORS APPOINTED AT WEST BOLTON

Officers to Act During the Ensuing Year Were Named at Regular Meeting of Council.

WEST BOLTON, March 7.—(Special)—At the general session of the Municipal Council on Monday, there was a full board. The chief items of business were the appointing of road inspectors, valuers, etc. The following is a complete list of road inspectors: No. 1, north part, Clarence Johnson; No. 1, south part, Roy Allen; No. 2, Arthur Lamoureux; No. 3, north part, K. S. Wilson; No. 3, south part, R. J. Frost; No. 4, H. A. Blunt; No. 5, Fred Knowlton; No. 6, John Fuller; No. 7, John Flannigan; No. 8, Howard Dudley; No. 9, M. J. Quilliams; No. 10, Walter Knowlton; No. 11, Rufus Salisbury; No. 12, Carmi Marsh; No. 13, Arthur Stone; No. 14, Geo. Goyette; No. 15, H. H. Turner; No. 16, Burton Paige; No. 17, Ed Paige; No. 18, Louis Gauvin; No. 19, Frank Needham; No. 20, Chas. Brill; No. 21, Ed Whitehouse; No. 22, Telesphore Laporte; No. 23, Walter Peters; No. 24, W. O. Gardner; No. 25, Forest Cous. as; No. 26, Jos. Gauvin; No. 27, Leman Wing. To run road machine, Frank Needham. Valuers, F. G. Johnson, R. P. DuBoye and J. H. Pibus, sr. Rural inspectors, Ervin Whitehouse and Charles Gorham. Pound keepers, Frank Perkins and J. H. Pibus, sr. Board of health, A. G. Davis, A. P. Hillhouse, David Cousens and Forest Giddings. Medical officer, Dr. A. C. Paintin, Knowlton. Auditor, E. A. Savage, Waterloo.

Church Reports Received.
The congregational tea held in the Methodist Church Tuesday evening was not as largely attended as anticipated by the pastor, owing, no doubt, to bad sleighing, counter attractions and various other reasons. The chief feature of the gathering was to get reports from the different lines of church work and to receive suggestions on improvements, also a feeling of unity among all adherents. The pastor gave an able address, describing the object of the gathering, then reports were called from the different officers. Mr. F. Blunt, secretary-treasurer of the Trustee Board; Mrs. L. Dimick, secretary-treasurer of the Ladies' Aid, and B. R. Mizener, secretary-treasurer of the Sunday School. In the absence of Mr. W. J. Marshall, who was suffering from the effects of a fall, disabling his arm, the pastor gave the report of the Quarterly Official Board. The church work at this appointment has been greatly handicapped of late, both by the death of many of its older members, and also by the removal of many from the neighborhood. There is quite a problem to solve for the faithful few remaining to know how to meet the many demands of the church.

General Notes.
Mr. Hayes and Miss Rose, of Fulford, Mrs. W. F. Brill, Mrs. G. Brill and son Willard, of Knowlton, were guests of Mr. and Mrs. Luke Turner on Tuesday. Mrs. Hillhouse, Mrs. Williams and Mrs. A. M. Hunter, of Foster, were guests of Mrs. Walter Knowlton on Monday. Mrs. C. Stone went to Waterloo, the guest of her sister, Mrs. F. Barrington. Mr. F. Blunt and family were recent guests of Mr. and Mrs. W. J. McClary, Frost Village.

Dix—You should get a shampoo.

Our Made-to-Measure Tailoring Service is Complete

OUR Made-to-Measure Suits and Overcoats pay for themselves twice over—and it is a fact that each English & Scotch Woollen Co. garment usually sells two others—invariably another garment to the man who bought the first one—and others to friends who saw the first! That is the way it works, and that is what keeps our 24 Great Tailor Stores and Tailor Shops thronged with clothes buyers and us busy the year round—we have no two slack seasons.

Two things sell English & Scotch Woollen Co. Made-to-Measure Clothes: Personal recommendation, Quality Fabrics and fine workmanship—it is perfectly plain that there would be no recommendation if the Quality of the finished garments were not so extraordinarily high.

Suits and Overcoats Made-To-Your-Measure

OUR specialty is making clothes to measure for men who know the value of being well dressed, and seek that middle force between extravagance and inferiority in their dress.

English & Scotch Woollen Co. custom tailoring service means expensive fabrics, cut, fit and finish at a National Purveyor's price.

You can be assured of being correctly and distinctively dressed when you have us tailor your clothes to your measure—you can select from our wide range of patterns, the fabrics of your choice, which include the newest colorings and weaves to be worn this season. Your finished garment will be ready when you want it.

Trousers
We are showing exceptional values in our trousers from special trouser lengths, as many of these clothes are shown in very limited quantities, we will be obliged to ask customers for a second choice.

BOYS' AND YOUTHS' SCHOOL CLOTHES
Made-to-Measure from good dependable woollens like dad wears, not the usual cheap cloth used in boys' clothes. Out of town customers write for Boys' and Youths' Style Book.

HAPPENINGS AT DANVILLE

MANY ATTEND CHOIR "AT HOME"
The Sunday School room of St. Augustine's Church was well filled on Tuesday evening in response to an "At Home" invitation issued by the members of the choir, notwithstanding the fact that the weather was not all that could be desired. Mrs. G. R. Thurber, Mrs. A. C. Anthony and Rev. Mr. Belford received. The following interesting programme was carried out, after a few words of welcome by the incumbent, chorus "O Canada" by the choir in which the audience joined vocal solo "It's all that I can say", Mr. F. H. Bridgman; Duet and Chorus, "Beautiful Bells" by Mrs. Thurber; Mr. Budgman and choir; a play "Wanted a Servant" in which the following ladies and gentlemen took part, Mrs. G. R. Thurber, Miss Thorpe, Miss Hazel Olney, Miss Irene McCallum, Miss Lulu Cleveland, Miss Nixon, Miss Maida Johnson, Mrs. Bridgman, Miss Gertrude Cleveland, Miss Emily Bagley and Rev. Mr. Belford and Mr. Bridgman; solo and chorus by Mr. Belford and choir; vocal solo by Mrs. A. C. Anthony; vocal duet, Misses Pugh and McCallum; vocal duet, Miss Lulu Cleveland, Miss Gertrude Cleveland and Miss Olney; vocal solo by Miss Olney; Chorus "Come Where My Love Lies Dreaming" with soprano obligate by Mrs. Anthony. At the close of the programme refreshments were served, and after full justice had been done and the wants of the inner man supplied, the proceedings closed with the singing of the National Anthem. The affair was carried out very successfully and, if judged by the amount of applause given each number, was much enjoyed and appreciated by those present.

General Notes.
Miss Mona Pugh and Pte. Harry Pugh, of Drummondville, Que., were the guests of friends in town this week. Mr. Fred McCoy, we understand, has purchased the hotel at Asbestos and he, with his brother, Mr. Chas. McCoy, will take over and run the

Church on Friday afternoon, has been postponed till the following day, Saturday.

A Search Light on The Field of Sport

CURLING

GRANBY CURLERS BUSY.
GRANBY, March 7.—The mild weather has rather interfered with the schedule of games at the curling rink this week, but the first game in the semi-finals for the Halpin Memorial Cup was played last Monday evening and the second on Wednesday. The following were the rinks and scores:

First Game.
A. Cook Rev. A. Pollock
S. McLean G. E. Bradford
K. A. Cowley W. W. D. Brack
C. B. de Grosbois A. Winfield

Skip—13 Skip—11

A. H. Oliver T. Snell
J. A. Mitchell T. McDonald
N. E. Clouston E. H. Longan
J. G. Fuller C. P. MacDonald

Skip—16 Skip—8

The final game between C. B. de Grosbois and J. G. Fuller will be played on Thursday evening.

Big Bonspiel On.
What will probably be the last event of the season at the curling rink is the bonspiel which is being arranged for Saturday afternoon and evening. This bonspiel is for the benefit of the Children's Memorial Hospital and the Hospital for crippled children, Montreal. Each curler pays an entrance fee of \$1 and the players are divided into sides. The winning side gets 60 per cent. of the proceeds, which will be given to the institution which they represent, and the other side gets 40 per cent.

Col. J. Bruce Payne has also donated prizes to be given to the players on the rink winning by the largest score. In order that those outside the regular curlers may have the opportunity of assisting this very worthy object, a contribution box will be placed in the waiting rooms at the curling rink. This bonspiel is being operated in connection with a similar one in Montreal on the same day, where over one hundred rinks have entered.

BONSPIEL AT LOCAL RINK ON SATURDAY.

An open Bonspiel open to all members will be held at the Sherbrooke Club Rink on Saturday afternoon and evening. The first round will consist of six ends and the semi-finals of four ends. Winning rinks lead and Skip vs. Second and Third. Winners to play off. All members are requested to be on hand for these games. Get your rink lined up and be ready for Saturday afternoon.

HOCKEY

STANSTEAD WINS FROM IRISHMEN.

STANSTEAD, March 7.—Outplaying the St. Pats team of Sherbrooke on ice to which the visiting team were strangers, the Olympic last night defeating the Irish team of Sherbrooke by the score of 7 to 2. The visitors were without Herbert, and Hawkins, two of their tried and trusted players, and were obviously at a disadvantage on strange ice. Towards the end of the game, however, they warmed up, and gave the home squad a hot fight, showing that the tears were by no means so unevenly matched as the score would indicate. The same teams play in Sherbrooke

tonight, and the St. Pats' aggregation will go onto the ice with blood in its collective eye, determined to get revenge.

CANADIENS ARE CHAMPIONS OF N.H.L.

MONTREAL, March 7.—The Canadiens last night won the championship of the National Hockey League by defeating the Ottawa Senators by the score of 4 to 2. The play was fast and furnished considerable sensation for a large crowd of spectators. The game was the last of the play-off series between the two teams, Canadiens having won the first half of the league schedule and Ottawa the second.

BASEBALL

MATTY GIVEN HIS RELEASE.
CINCINNATI, O., March 7.—Christy Mathewson, former manager of the Cincinnati National Club, was notified by President Herrmann that he will be given his unconditional release, and that he can sign with any club desiring his services. It was stated at the Cincinnati Club headquarters that Mathewson probably would join the New York Nationals as assistant to Vice-President and Manager McGraw.

BOWLING

ST. PATS BOWLERS WON.
St. Pats won two games from Kinkead's in the Class "B" race of the Manufacturers' Bowling League last night. The second game resulted in a tie. Four men composed the teams, and all the individuals honors were carried off by Maskell, of the Irishmen.

The scores:

St. Pats.	
Wolfe	163 141 197-501
Dussault	132 125 111-368
Dussault	154 166 158-478
Maskell	170 199 208-577
Total	619 631 679-1924
Kinkead's	
Corfield	171 180 157-508
Fissette	173 182 139-494
Morin	135 165 145-445
Taylor	136 154 107-397
Totals	615 631 548-1794

MARRIAGES

LADD-SCOTT

SCOTSTOWN, Que., March 7.—A very pretty wedding took place last Wednesday evening, at the home of Mrs. R. B. Scott, when her youngest daughter, Miss Pearl G. Scott, was united in the holy bonds of matrimony to Mr. William Ladd, formerly of Sherbrooke. The large drawing room was decorated with flags and patriotic colors in honor of the groom, who is a returned soldier. The ceremony was performed by Rev. E. H. Brandt, D. D., principal of Point aux Trembles Mission College, in the presence of about forty relatives and guests of the contracting parties. At eight o'clock the groom, accompanied by Dr. Brandt, to the strains of Lohegrin's wedding march, played by Mrs. John B. Scott, entered, followed by the bride, accompanied by her brother, Mr. N. G. Scott, M. L. A., and took their places in a corner of the drawing room under an arch of evergreens. After the ceremony, while congratulations and best wishes were being extended, Mrs. John B. Scott played Mendelssohn's wedding march. Congratulations were received by telegram from absent friends. The bride wore a gown of white satin and Georgette crepe, with veil and cap draped with orange blossoms, and carried a shower bouquet of bridal roses and orange blossoms. After the congratulations a bountiful wedding supper was served. The tables and dining room were decorated with tulips. During the evening several solos in English and French, including "L'Amour de Jean," were rendered by Mrs. E. H. Brandt, cousin of the bride. Among the guests from out of town were the following: Rev. and Mrs. E. H. Brandt, of Point aux Trembles, Que.; Miss Dorothy Ladd, from Sherbrooke; Mr. and Mrs. John K. Smith, from Montreal; Miss Christiana Watters, from Kingsbury, Que. The presents were many and beautiful. Mr. and Mrs. Ladd left on the Halifax express for Montreal, To

COMPTON CO. POPULARITY CONTEST

Standing of Candidates—Vote Coming in Large Numbers.

A large number of votes have come to hand for the Compton County young ladies since last report. The standing at the close of the Record yesterday was as follows:

What is Ogilvy's Personal Service Department ?

IT is an organization of experienced conscientious shopping women that buy to the best advantage for cash for those of our customers who are unable for various reasons to shop themselves—no matter whether the customer lives in Montreal, Vancouver or Sumware Lake.

There are two classes of customers to whom our Personal Service Department is particularly useful.

To customers living in other cities who are unable to get the exact merchandise they require in their own home town and which can be obtained in Canada's Commercial Metropolis, our Personal Service Shoppers will buy for them, even although it may necessitate buying outside Ogilvy's Store.

And there are the hosts of women living in the country away from shopping centers who welcome a service which is personal. Not taking a numbered article from a shelf, but buying it in strict accordance with the customer's definite wishes—buying the best possible value at the price the customer wishes to pay.

No matter to which class you may belong, this Personal Service is free of charge. Customers only pay the exact value of the article supplied, plus the cost of postage when the order is less than \$5.00. And if for any reason the articles are not satisfactory, they have only to be returned and others will be bought in their place or the money refunded. We do not want a single dissatisfied customer between Halifax and Vancouver.

If we can serve you now write to us today. If there is nothing you want immediately remember this convenience the next time you do and you will find we can give you the most perfect service you could desire.

LATE MR. W. F. WIDGER

The funeral of the late Walter F. Widger took place on Wednesday from his late residence 20 Brewster Street, to the Church of the Advent, Rev. Prof. Vial, of Bishop's College officiating. The hymns "Rock of Ages" and "Peace Perfect Peace," were sung by the choir, with Mrs. Price at the organ, and the church was filled with relatives and friends of the deceased, and his family. The bearers were C. H. Mayhew, J. H. Winget, B. E. Winget, Wm. Lock, and the remains were followed to the church by a long procession, the deceased's fellow workmen at the Canadian Brakeshoe Company attending in a body, this department having closed as a mark of respect. The remains were taken to Malvern cemetery, Lennoxville, for interment. The deceased died while at his work at the Canadian Brakeshoe Company.

A ration of Grape-Nuts and cream contains complete nourishment for the body's needs

LENNOXVILLE

Mrs. Geo. Crothers and son, Earl, are visiting friends in Richford, Vt. A business meeting of the Knitting Club was held last evening, at which it was decided to continue patriotic work, and as knitting will not be needed, the Memorial fund will be an incentive to keep this band of energetic workers together for at least a little longer.

LADIES' AID MEETING.

The regular meeting of the Ladies' Aid was held at the home of Mrs. E. Lane on Tuesday with a very good attendance. During the general routine of business it was voted that the ladies furnish all the seating of the newly renovated church, and social events for the raising of funds, were discussed at the tea hour. Mrs. Lane was assisted by her sister, Mrs. Howard Dundin, and other ladies in serving refreshments.

COUNCIL HELD SESSION.

The regular monthly meeting of the Lennoxville Council was held on Monday with Mayor Wm. Brown in the chair, and Councillors Wm. Clark, Hugh McFadden, Henry Downs, M. J. Bennett, G. Arguin and D. G. Harrison present.

The general routine of business was disposed of and Messrs. W. H. Abbott and C. S. White were appointed auditors. A letter was read from Mrs. Jackson and family thanking the Council for its kindness and sympathy extended to them during the illness and death of their husband and father, the late Edmund Jackson.

ASCOT COUNCIL DISCUSSED ROAD WORK.

The regular monthly meeting of the Council for the Township of Ascot was held at the usual place on Monday with Mayor John Nichol presiding, and Councillors Ducker, Bradley, Orr, Collins, Mailhot and O'Connor present. During the routine of business, Mr. S. Jardine presented a petition from Messrs. S. and J. Jardine, C. McFarland and many others asking that the lower Belvedere road be built as a gravelled road during the coming season. After discussion it was decided that the secretary write the Road Department at Quebec and ask that an engineer be sent as early as possible to examine the road and prepare plans and specifications of work to be done, the idea being to build one half this year and the remainder next year; also to ask if the Department will supply money required at three per cent interest. Attention was drawn to the fact that the twenty-four feet of gravel referred to could be reduced to sixteen feet, which would be of aid in building the Belvedere road. Councillors Mailhot, Ducker and Collins were appointed a committee to attend to hauling of gravel on the Stoke road, with power to act. Councillor Ducker was also appointed treasurer.

The road and rural inspectors for the various districts, numbering over sixty, were appointed for the ensuing two years.

SIR GEO. PERLEY OFFICIATED

(Continued from page 1.)

who came from this school and district. Likewise, the lower red rectangle is in memory of the men from McGill College, Montreal, who constituted an even larger percentage of the originals of this Battalion.

Between the two solid colors is a strip of orange and black, which are the composite colors of various schools and districts in the Maritime Provinces. These Provinces furnished the men for one of our original companies and the colors—orange and black—are in memory of them.

In the centre are the Brigade and Divisional colors, which to the initiated may be read at a glance.

The Divisional color, a small rectangle of French grey, is the symbol of the 3rd Canadian Division, of which we are a part. Previous to the capture of Vimy Ridge, the Divisional color was black, but since then it has been the French grey. Whether this is due to the fact that this Division did very good work in the capture of the town and ridge is not definitely known.

The smaller red square superimposed on the grey is the color throughout the entire 8th Canadian Infantry Brigade, of which we are part. The patch is square, thus showing at a glance the number of the Battalion in the Brigade, i.e., 4th or 5th.

In the lower right hand corner is an exact reproduction of the Battalion badge on a larger scale. The maple leaf is the emblem of Canada, the Homeland. Upon the maple leaf is the number "5," which was the original number of the Battalion in the Canadian Mounted Rifles Corps. Due to the reorganization of that Corps in January, 1916, into infantry, the original order of the numbers was lost, but we still retain our old number. Within the curve of the "5" is a small beaver, the emblem of the Province of Quebec, the place where the Battalion was recruited, mobilized and trained for service overseas.

where he was a valued employee, the cause of his death being heart failure. He was only forty-nine years of age, and apparently in good health, and his sudden death was a great blow to his wife and relatives. Mr. Widger was a man of fine character, devoted to his family, and during his residence in this city won many friends who sympathize deeply with his wife in her great bereavement, doubly on account of the great blow sustained by the death of her son, Driver Wm. H. Widger, R.C.H.A. who was killed in action on October 26th, 1917. He leaves his wife, a little daughter, an aged mother, who made her home with him, two brothers, Charles, of St. Johnsbury, and Joseph, of Lennoxville, two sisters, and other relatives. Many floral offerings were received among them being a cross from the employees, and from the office of the Can. Brakeshoe Co., and from relatives and friends in St. Johnsbury, Quebec and Sherbrooke.

GENERAL FIGHT IN POOL ROOM ENDS IN COURT

Free Mix-up in Thetford Mines Leads to Hearing of Many Charges and Counter-Charges.

A general fracas in a Thetford Mines pool-room, starting for no reason in particular and ending in court proceedings even more involved than the mix-up itself, led to several much-entangled charges and counter-charges being laid before Judge Mulvena on his trip to that city yesterday, and to a number of fines for those parties who engaged in the melee.

On the night of February 16, according to the tale which the judge finally got out of the various witnesses, Constable Vallee had been called to a pool-room operated by Alcide Metivier, where the occupants were evidently trying to see just how much damage they could inflict upon each other.

Constable Vallee, bravely entering the fracas, was himself attacked, and when he finally became extricated, three prisoners, more or less the worse for wear, were taken to the station.

There, prevented from continuing their enmity through the medium of the manly art of self-defence, they proceeded to lay numerous charges against each other, until the court clerk had difficulty in figuring out just who was the accused and who was complainant.

The upshot of the affair, when the case came before Judge Mulvena yesterday, was the general apportioning of fines to all concerned. For assault on Constable Vallee, by kicking him in the face, Baptiste Roberge was fined \$15. For aiding and abetting Roberge in his assault on the constable, Wilfrid Drouin was penalized \$10. For assault on Roberge, which led to the breaking of the latter's nose, Raymond Mercier was apportioned a fine of \$10, while for assaulting Mercier, Roberge was in turn fined another \$5.

The fines were paid over and the party broke up, meditating, no doubt, on the high cost of pleasure in these difficult times.

Charged with Theft.

Charged with the theft of three bags of corn meal from Damase Bolduc, J. O. Martineau was yesterday arraigned before Judge Mulvena at Black Lake. He failed to appear, and the case was postponed until the 11th, when the judge pays his next visit.

are certainly the coming bifocal lenses, and you are sure to wear a pair. Why not do it now, and save yourself much trouble and expense?

Central Europe Food Situation Very Critical
(London, March 7.—Discussing the food situation in Central Europe in the House of Lords yesterday, Marquis of Lansdowne asked how long the process of "turning the screw" was to continue. He said he regarded the position of Central Europe "with dismay." "We seem to be rapidly approaching a catastrophe which may prove most disastrous in the history of the world," he declared.

"If the blockade is not relaxed," said Baron Parmoor, "famine will seize the peoples of Central Europe, and that would be the most fearful crime in history." The Earl of Crawford, Chancellor of the Duchy of Lancaster, replying for the Government, said that the problem is in the hands of the Su which has taken steps to send food preme Economic Council at Paris, to Germany.

BIRTHS, MARRIAGES, DEATHS.
Publication charges: Births, 25c.; Marriages, 25c.; Deaths, 25c.; where funeral notice is added, 50c.; Card of Thanks, 50c.; In Memoriam, 50c.; poetry, 10c. per line additional.

OLSON—At Bury, February 8, 1919, Mr. and Mrs. Martin H. Olson, a daughter.

DUNSMORE—At the residence of her grandparents, Lt.-Col. and Mrs. W. W. Dunsmore, Bury, Que., Margaret Jessie, aged 7 years and 2 weeks, youngest daughter of Mrs. and the late Mr. Douglas Dunsmore, of Bury.

KAULBACH—At Charlesgate Hospital, Boston, Mass., March 6, 1919, Eunice Mary, daughter of Mr. R. C. S. Kaulbach, Funeral at Windsor, N.S., date to be given later.

CARD OF THANKS.
We wish to thank our friends and neighbors who so kindly rendered their aid and sympathy at the time of the death and burial of our dear husband, my father, who departed this life, February 25th, 1919. MRS. EDGAR COONS, MR. MERLE COONS, MR. KARL COONS. Bolton Centre.

CARD OF THANKS.
We wish to express our sincere thanks and appreciation to our friends and neighbors for their kind assistance and sympathy during the illness and death of our dear mother. "Gone, but not forgotten." CATHERINE MACMILLAN, MR. AND MRS. D. D. MACMILLAN, NEIL A. MACMILLAN, JOHN K. MACMILLAN. Inverness, Que.

CARD OF THANKS.
I wish to take this opportunity of thanking all those who assisted me in my sad bereavement, in the loss of my dearly loved husband, and to thank all those who sent flowers and messages of sympathy, also the choir and organist of the Church of the Advent, the office staff and employees of the Can. Brakeshoe Co. for the kindness and sympathy which will long be remembered by me in this my terrible sorrow. MRS. W. F. WIDGER, 20 Brewster St., East Sherbrooke.

IN MEMORIAM.
In loving memory of Irving Elmer Russell, who passed away March 7th, 1917. There is a spot not far away where our dear Irving sleeps. Who seemed like but yesterday, so fresh his memory keeps. The flower we lay upon his grave may wither and decay, But our love for him who sleeps beneath will never fade away. Inserted by Mrs. F. A. FATHER AND MOTHER, Bedford, Que., March 7, 1919.

TEACHERS HERE INAUGURATE AN ASSOCIATION

Protestant School Teachers of Sherbrooke Meet and Lay Plans to Take Measures for Mutual Improvement.
At a meeting held in the Central School last night the Protestant women teachers of the city of Sherbrooke united to form an association for mutual improvement and benefit.

The following officers were nominated and duly elected: President, Miss Leona Van Vliet; 1st Vice-Pres., Miss Horton; 2nd Vice-Pres., Miss J. Mitchell; Treasurer, Miss M. J. Kelly; Secretary, Miss Griggs; Executive Committee, Miss Wyatt, Miss Cobble, Miss Laura Van Vliet, Miss Tomkins, Miss Agnes Edwards, Miss Purdy, Miss Peabody.

At the close of the election the newly elected president took the chair and the teachers brought up several matters for discussion, the most important being the need of a scale of salaries and a regular yearly rate of increase such as has been adopted in other towns and cities, in order that teachers might know what they could expect to receive, and whether it would be more profitable to remain in Sherbrooke or to remove to some other place.

After much discussion it was decided to authorize the executive to draft a resolution embodying a scale of salaries and to send it to the Board of Protestant School Commissioners, with the respectful request that they consider and adopt it.

It was also decided to take steps to affiliate the local association with the Provincial Association of Protestant Teachers.

After a reading by the secretary from Mr. W. Allen Walsh, principal of Strathcona Academy, Outremont, relating action being taken by other bodies in regard to the issue between the Lachine Board of Commissioners and the Lachine teachers, it was felt that the honor of the teaching profession demanded that the Association should put itself on record as in entire sympathy with the stand taken by the Lachine teachers, and that a letter to that effect should be forwarded to Mr. Walsh.

As there was no further business the meeting then adjourned.

QUEBEC AS NATIONAL DISEMBARKING POINT

QUEBEC, March 7.—It is said here today in military circles that Quebec will be made the national disembarking point next summer for the thousands of soldiers to be repatriated. A few ships only will stop at Halifax and it is estimated that between 7,000 and 15,000 returned men will pass through Quebec each week of the coming season.

JURORS' FEES INCREASED

Sir Lomer Gouin's bill regarding the summoning of jurors was also given third reading. The allowance for service upon a juror is to be increased from 30 to 50 cents for each service and from 20 to 35 cents per mile travelled in making the service.

SMALL FIRE AT POWER HOUSE

Shortly before 1 o'clock today fire broke out on the lower floor of the city power house on Frontenac street. Engines from No. 1 station were rushed to the scene and a small blaze, which had apparently started from an accident to some of the wiring, was quickly quelled. There was no less inflicted.

TROOP TRAIN PASS THROUGH

Two troop trains, bearing returned men for Vancouver and other Western points, passed through Sherbrooke today, and stopping a few moments at the local station, were met by a number of local citizens. The trains bore some five hundred men, who seemed in the best of spirits. More trains are expected during the day.

FIRE FIGHTERS KEPT BUSY

Three fires, though of comparatively small size, kept the fire brigade busy over last evening and during the "wee sma' hours" of this morning. Last evening, a chimney fire broke out in one of the houses owned by the Edwards Realty Company, at No. 4 St. Edward Street, which, incidentally is named after the company, and after a fight of fifteen minutes, was under control. At two o'clock this morning, a second conflagration broke out at 110 First Avenue, a defective furnace being the cause. At six o'clock, Chief Couture was called from his slumbers by a third blaze, this time at No. 44 Gillespie Street. None of the fires were serious, and practically no damage resulted from any of them.

CITY NEWS

Mrs. C. T. Lewis, of Bury, was the recent guest of Mrs. Robert Wyatt, London street.

Mr. Malcolm Mitchell left yesterday for New York and Atlantic City for a couple of weeks' stay.

Mr. and Mrs. John McKechnie, of Moore street, left this week for New York on a ten days' visit.

Mr. Colin Dunsmore returned to Quebec, accompanied by Mrs. Dunsmore, who has quite recovered from her recent illness.

Mr. and Mrs. Walter Brown Parker of Portland, are spending ten days in New York, and are guests at "The Biltmore."

Mr. and Mrs. Chas. Bedard, Beckett Road, have gone to Lowell, Mass., and other New England cities on a couple of weeks' holiday.

Mrs. H. Lefebvre, of Thetford Mines, was the guest over the weekend of her sister, Mrs. Dion, St. Charles street.

The drive arranged last evening by the Royal Templars of Temperance, was as gay as a gathering of some fifty young people on pleasure bent, could make it. The three large sleighs which shortly after eight o'clock left the rendezvous in front of Brooks Block, were packed with a merry crowd. The route to Lennoxville was taken and although the March air was keen and cold, the excursion was enjoyed by all. Returning to the Sons of England Hall, excellent refreshments were much appreciated and games and music followed out the evening.

The Homemakers' Club, Belvidere Road, was entertained yesterday by Mrs. Macdonald. Mrs. Charles Drummond, the president, was in the chair, and the usual business was carried out, including the reading of the minutes of the last meeting by Mrs. Walter Matthews, and the report of the treasurer, Mrs. J. R. Ellis. The principal subject of discussion was the estab-

HUNDRED ACRES LAND GRANT TO RETURNED MEN

Bill Calling for Higher Fees to be Paid Jurors Given Third Reading in Legislative Assembly.

QUEBEC, March 7.—During the passage of the resolutions on the bill giving grants of land to returned soldiers, Hon. L. A. Taschereau, Minister of Public Works and Labor, in the Legislative Assembly yesterday, gave some information in addition to that contained in the clauses of the bill itself. Brigadier-General Smart, Mr. Sauve and Mr. Philips, and the minister discussed the matter.

Mr. Taschereau said that it was the intention of the Government to give each soldier about 100 acres. Sometimes the lots might run under or over 100 acres. The value of the lots to be thus given free, he said, ran from \$500 to \$800.

General Smart suggested that the bill might be amended so that it would be stated that each soldier was to get one lot of about 100 acres, but the minister said that this would tie the Government down, and it would be better to leave it to the department of Crown Lands to decide what amount of land should be given. It might happen, added Mr. Taschereau, that the soldier colonist would have a large family, and one lot of 100 acres would not be sufficient, and therefore, it was better not to tie it down to a strict limit.

Mr. Philips asked whether the soldiers would be allowed to dispose of the land they were given. The minister said they could dispose of it, but it had to be remembered that there would be a mortgage of \$2,500 on each lot in favor of the Federal Government, for the latter were lending that amount to each soldier.

"Suppose there is no mortgage, can the soldier sell the lot?" asked Mr. Philips.

"He can only do so on the recommendation of the Department of Crown Lands," said Mr. Taschereau. He added that the soldier colonists would have to work on the land the same as other colonists.

Mr. Taschereau said he believed the returned soldiers would make good colonists, and it was desired by the Government to aid them.

The minister pointed out that the bill provided that the land given to the soldiers could not be seized or sold by execution as in ordinary cases, except for school or municipal taxes, or taxes for the construction or repair of a church, presbytery or cemetery, and for the repayment of a loan advanced by the Federal Government through the Soldier Settlement Board.

Third reading was given to a bill by Mr. Robert, of Rouville, permitting all municipalities in the province to enact by-law when stores in their respective municipalities were to be closed.

JURORS' FEES INCREASED

Sir Lomer Gouin's bill regarding the summoning of jurors was also given third reading. The allowance for service upon a juror is to be increased from 30 to 50 cents for each service and from 20 to 35 cents per mile travelled in making the service.

Another change is regarding the time of the summoning of grand and petit jurors, the following new clause being added to the present law: "The grand jurors shall be summoned for the opening day of the term, and the petit jurors for the next day. Nevertheless, the Attorney-General may, if he thinks fit, in the interest of the good administration of justice, order the summoning of the grand or petit jurors for another date, fixed by the authorization which he will forward to the Clerk of the Crown or Clerk of the Peace, in accordance with the foregoing provisions, and, in such case, the Clerk of the Crown or the Clerk of the Peace shall give instruction to the sheriff to summon the grand or petit jurors for the date so fixed."

FINANCIAL AND MARKET NEWS

WEEK'S BANK CLEARINGS SHOW SLIGHT INCREASE

Figures for Week Show Total of \$890,945.13, or a Little Higher Than in 1918.

Showing a slight increase over figures for the corresponding week of last year, the totals of bank clearings for the week ending yesterday have been issued by Mr. W. M. Langston, manager of the Sherbrooke Clearing House. The statistics show a total of \$890,945.13, as against \$889,472.52 for the same week in 1918, and \$673,117.29 for 1917. Subtraction shows, therefore, an increase of \$1,472.61 over last year, and of \$217,827.84 over the corresponding time in 1917.

CORN MARKET MADE ANOTHER SHARP ADVANCE

CHICAGO, March 7.—Prospects of a bullish showing in the Government report on farm reserves carried the corn market today sharply higher. Unsettled weather and continued scantiness of receipts tended also to give strength to values. Shorts were the chief buyers. Opening prices which ranged from 1-4 cent to 1-8 cents higher, with May \$1.29 3/4 to \$1.40 1/4 and July \$1.25 1/4 to \$1.25 3/4, were followed by decided further gains.

WALL STREET FIRM AND QUITE ACTIVE TODAY

NEW YORK, March 7.—(Wall Street Noon)—Although confirmation of the railway money pool was lacking, the market yielded none of its strength and very little of its activity. Standard rails rose 1 to 1 1/2 points, leading shippings two to four, and oils, motors and accessories, one to two.

Advances of one to three points accompanied the buying of coppers, tobaccos and numerous peace industrial. United States Steel made a new maximum for the present movement to 95 1/2, but further profit-taking in Kelly-Springfield caused an extreme decline of almost five points.

SMALL FIRE AT POWER HOUSE

Shortly before 1 o'clock today fire broke out on the lower floor of the city power house on Frontenac street. Engines from No. 1 station were rushed to the scene and a small blaze, which had apparently started from an accident to some of the wiring, was quickly quelled. There was no less inflicted.

TROOP TRAIN PASS THROUGH

Two troop trains, bearing returned men for Vancouver and other Western points, passed through Sherbrooke today, and stopping a few moments at the local station, were met by a number of local citizens. The trains bore some five hundred men, who seemed in the best of spirits. More trains are expected during the day.

FIRE FIGHTERS KEPT BUSY

Three fires, though of comparatively small size, kept the fire brigade busy over last evening and during the "wee sma' hours" of this morning. Last evening, a chimney fire broke out in one of the houses owned by the Edwards Realty Company, at No. 4 St. Edward Street, which, incidentally is named after the company, and after a fight of fifteen minutes, was under control. At two o'clock this morning, a second conflagration broke out at 110 First Avenue, a defective furnace being the cause. At six o'clock, Chief Couture was called from his slumbers by a third blaze, this time at No. 44 Gillespie Street. None of the fires were serious, and practically no damage resulted from any of them.
