

CITY PLANS NEW CENSUS

Police, Firemen To Do The Job In Spare Time

The City of Westmount plans to conduct a census in the near future. Off-duty firemen and policemen in uniform will be the census takers. The public is requested to co-operate with the census takers and only uniformed police and firemen will be authorized.

The door-to-door work will begin March 5 and will be between 9 a.m. and 9.30 p.m., with no calls after 9.30. The headquarters established for this purpose will be in the Police Station.

Purpose of the census is to determine the number of adults, children, employes and other persons residing in each dwelling, along with the race and religion of each person.

Home, School Body Writes To Board On Strike Issue

The possibility of the "deterioration of morale" on the part of Protestant school men teachers, as a result of the present salary dispute, being reflected on the pupils was cited in a letter to J. P. Rowat, chairman of the Protestant School Board of Greater Montreal.

The letter, urging action on the part of the board to settle the controversy, was signed by Mrs. Grant Reid, president, Westmount High Schools Home and School Association.

Text of the letter follows.

"I have been instructed by the executive of the Westmount High Schools Home and School Association to express on their behalf deep concern at the impasse which exists in the relations between the teachers and the Protestant School Board of Greater Montreal.

"Extra curricular activities are an essential part of a school program and without these activities the school is not performing its full function.

"Experience shows that the continuation of an unresolved controversy such as now exists will lead to a deterioration in the morale of the teachers which of course will have its effect on the pupils.

"We urge that negotiations be re-opened by the Board and that further sympathetic consideration be given to the representations of the teachers."

School Teachers To Speak At Roslyn Home & School

Three teachers will be guest speakers Tuesday at a meeting of the Roslyn Home and School Association, scheduled for 8 p.m.

In keeping with National Education Week, the teachers, Mrs. Leona Korol, Ralph Stewart, and Mrs. Donald Smith, will give an outline of the teaching methods used in reading, spelling and French. A question and answer period will follow.

ROVING REPORTER

By Frank Fairview

With spring just around a not too distant corner, (we hope) the Westmount Parks Department is all ready to swing into action as soon as the weather permits.

The Conservatory is literally bulging with thousands of tiny shoots awaiting a more natural habitat in Westmount parks and other municipal flower beds such as those in front of and around the city hall.

It was my pleasure a few days ago, to be shown around the Conservatory by George Cooper, Superintendent of the Parks Department. Although the Conservatory has been there ever since I can remember, it was the first time I had ever been in and it was like stepping through a doorway into the middle of spring. All around me there was lush green vegetation, and in my winter clothing, it wasn't long before I was feeling uncomfortable in the summer-like atmosphere.

In one of the greenhouses, Mr. Cooper pointed to a long bench and said that they were the plants to be transplanted in May to the floral clock. When you see the plants, over five thousand of them, all stretched out in a row, it's almost unbelievable they could all fit on the clock at one time.

Instituted in 1926, Westmount's floral clock was for many years, the only one of its kind on the North American continent. They are more numerous today and many have been patterned after the local one.

The mechanism is located just behind the clock and consists of

a ¼ H.P. electric motor linked through an intricate series of gears to a spindle which in turn is connected to the hands.

The face of the clock is seventeen feet in diameter. The minute hand weighs 65 pounds and is eight and a half feet in length. The hour hand weighs 40 pounds and measures six and a half feet.

While it is not recommended that you try to catch a train by this clock, it does keep fairly accurate time, give or take a few minutes either way. A rain storm, for instance, may slow it down somewhat by the added weight of the water on the hands. During the course of its operation though, it is checked twice daily for accuracy, so unless you're running against minutes, you can pretty well depend on it.

The obedience training course for dogs got away to a good start Monday night, by the attendance of seven dogs who brought their owners along.

There are only two requisites necessary to enter your dog. It has to be healthy and over eight months old. This training is good for your dog; it teaches him discipline, and gives you some control over him. Besides which, it will very likely keep him from being run over some day.

There is one thing on the list of notes for dog obedience training that I don't quite agree with though. It is the method by which you break your dog of barking or lunging at other dogs. It says, "Hold leash tight while you slap his nose hard with your hand or end of leash."

In the first place, you should never strike your dog in anger with your hand. Never give him any reason to distrust the hand that feeds him. Always use a rolled newspaper, or some other light object, such as a yardstick.

Secondly, the nose of any animal, including a human one, is a very tender spot. If anyone hits me across the nose, they are in for a rough time. Figure it out for yourself. In my opinion, any self-respecting dog that gets a whack across the nose, is entitled to at least one good healthy bite.

Name F. Collins
C.P.R. Manager
Industrial Dept.

F. W. Collins, 305 Grosvenor Ave., has been appointed manager of the department of industrial development, Canadian Pacific Railways. It was announced this week by G. F. Buckingham, general traffic manager. The appointment is effective immediately.

Mr. Collins will have jurisdiction over the entire system, and in his new duties, will consolidate the company's activities in helping new industries to locate and in assisting the development of others seeking information on sources of raw materials.

Mr. Collins, who is widely known in Canadian industrial development circles, has been with the C.P.R. since 1912, and has been industrial manager at Montreal since 1939.

"The industrial expansion of Canada in the last 15 years has been remarkable," said Mr. Buckingham, "and the foundations which have been laid are very firm. The prospects for a continuance of this expansion appear to be excellent."

"The Canadian Pacific, since its inception, has been one of the main factors not only in servicing this expansion but in inducing industries, large and small, both from Europe and from America, to locate in Canada."

Westmount Dogs Learn Manners At 'Y' School

The Dog Obedience Training School at the Westmount Y.M.C.A. got away to a nice start on Monday evening with a variety of fine dogs in attendance. Barking, jumping, and pulling soon changed to more mannerly actions under the expert guidance of Mr. Gerald McNally.

There is still an opportunity for more dogs to register up until next Monday, March 5th. After Monday no dogs will be accepted as it will be too difficult for them to catch up to the work previously covered on the course.

DUPLICATING SKINNER

If Montreal Canadiens win the National Hockey League championship for 1955-56 and it appears very much as if they will, Toe Blake, freshman coach of the Canadiens, will be duplicating Jimmy Skinner's feat of last season.

Last season Skinner piloted the Detroit Red Wings to the N.H.L. championship in his first season at the helm of the Red Wings. Very few times have coaches finished in first place in their first year as National Hockey League coaches.

A PROJECT OF WESTMOUNT ROTARY CLUB

By Maurice Mariasine

Spotlight On Sports

During the past week, the Unity Boy's Club of Westmount took top honours in hockey and basketball winning the Pee Wee and Bantam Championships in the Westmount Municipal Hockey League and the Senior "B" City Championship of the Montreal Basketball League.

Successful Hockey Season

Nearly 100 Unity Boys' Club members participated in hockey this year with six competitive teams entered in the Westmount Municipal Hockey League and now that the League has been completed and hockey is through for another year, we would like to offer our congratulations to League Officials particularly to Rocky Rothwell and Johnny Garland for an outstanding job of organization and for the wonderful cooperation our organization has received throughout the past year.

Hockey Highlights

Although both the Pee Wee and Bantam hockey teams won their respective titles as a team effort with lots of determination, enthusiasm and spirit, it was the brilliant play-making and scoring technique of Frankie Robinson that enabled the U.B.C. squad to gain their second straight triumph. In the two-game total points series, Unity defeated St. Leo's Academy 2-1 at L.C.C. on goals by Frankie Robinson and Tommy Alevissatos and in the second encounter at the Montreal Forum the Pee Wees again took the honours by winning 3-1 on goals by Jimmy Crouch who tallied once and Frankie Robinson with a big two-goal effort. Jimmy Horwood, Fred Power, Ray Mader, Dwight Keizer and Terry Sheehan all gave a stellar performance for the winning team.

The Bantam hockey team drive to the Championship was also a team effort, however, John Westlake was the big gun for Unity scoring both goals in the wind-up game of the two-game total point series with the St. Leo Bantams. The first game ended in a scoreless draw and the second was a close 2-1 tussle. Bobby Stewart, Richard Blais, Paul Genereux, Ian Gill, Rodney Irwin, Calros Keizer, Andre Lapierre, Ray McCormack, Billy Stewart, David Tagieff and John Westlake comprised the championship team.

Congratulations are also in order for Coach Tom McAlear who guided both the Pee Wees

and the Bantams throughout the season. Mr. McAlear is a member of the Junior Board of Trade and has been rendering service to the Unity Boys' Club since Nov. 1st, 1954. As Manager of the 1955 Little League Baseball Championship team and coach of the two hockey teams this year, we could proclaim Tom McAlear as the Coach of the Year. His high standard leadership qualities contributed to the sterling results achieved.

Your reporter has always gone along with the theory that organization and participation are the two prime factors in the development of successful athletic groups. Added to this is the group leaders who give of their time and effort to the youngsters. I would like to mention the various coaches who did a tremendous job in giving leadership throughout the hockey season. Pater Johnson, also a member of the Junior Board of Trade handled the Termites team. George Horwood guided the Mosquitoes and although failing to attain the top honours, did a tremendous piece of work for his group — Mr. Horwood has rendered service for two years. Bill Brown, a newcomer to the Unity hockey scene, coached the Midgets this year and is looking forward to returning next year — Mr. Brown is also interested in coaching a Softball team this summer. Our other Midget team was handled by Brian "Hop-Along" Cassidy. On behalf of all the boys who have benefited by their leadership and keen interest, we would like to say — Thanks very much.

Attack On Aged Man Brings Pen Sentence

An attack and robbery attempt on 68-year-old Percival Timmins of 256 Metcalf avenue, Westmount, resulted in five year penitentiary terms for two Ottawa men.

Westmount Municipal Judge A. E. Laverty passed out sentence on Jurgen Vogler and John Primeau Thursday. They were also given concurrent three year terms on charges of possessing an offensive weapon.

Mr. Timmins was walking along Melville avenue when struck from behind. The men left him lying on the street when a car frightened them.

CITY OF WESTMOUNT CENSUS

February 29, 1956

The City of Westmount plans to conduct a census in the near future.

The census takers will be off-duty firemen and policemen in uniform. The purpose of the census is to determine the number of adults, children, employees and other persons residing in each dwelling, along with the race and religion of each person.

The public are requested to cooperate with the census takers and are advised that only uniformed members of the Police and Fire Department are the authorized census takers.

It is planned that the door-to-door work will begin within the next week and will be conducted between the hours of 9 a.m. and 9.30 p.m. No calls will be made after 9.30 p.m. The headquarters established for this purpose will be in the Police Station.

New Weredale Wing Will Provide Care For 25 More Youths

Completion of the new \$90,000 wing at Weredale House, the Boys' Home of Montreal, expected soon, will provide accommodation for 25 additional boys, it was announced at the general meeting held Tuesday night.

President Ewart A. Everson said in his report that when the 25 new beds are filled, "the maximum we feel our central facilities can absorb will be reached."

"The board of governors has been concerned over the fact that we were operating at near-capacity and have been forced to turn down boys who should have come under our care. Plans for the new annex were discussed with the Welfare Federation and a contract for its construction signed at the end of the year."

Secretary-manager Vernon F. McAdam reported the home started the year with 157 boys and ended with 156, "but the number of boys accepted was reduced from 73 in 1954 to 53 last year, the lowest on record."

The two-storey addition would be partly financed through bequests totalling \$37,000 received during the year from the late G. Horsley Townsend, Irving P. Rexford, Frank H. Hopkins, William Warren and Mrs. L. Grosse.

The Rotary Club of Westmount was thanked for its "continued interest" by the president, who said its assistance in purchasing additional land at Camp Weredale was highly appreciated.

"The arrangement for the purchase of this property was one of the last of many duties performed for us by the late Mr. Rexford, one of the founders of the House. The Rotary Club of Westmount, of which he was a past-president, has erected a memorial craft shop at Camp Weredale as a tribute to him."

"The sum of \$5,070 was raised among his friends in Rotary and elsewhere and, under our supervision, a building was erected on the shores of the lake, near the camp."

Mr. Everson said he was pleased to announce that Mrs. Rexford had provided a fund of \$2,000 to equip the crafts shop.

The secretary-manager said that despite an increase in cost of operation to \$2.65 a day per

boy from \$2.40 for last year, "income from outside sources, particularly through government support, has enabled us to reduce our requirements from the Welfare Federation to slightly less than \$45,000 a year, the lowest amount required in the last 10 years."

Ewart A. Everson was elected president of the board of directors and other officials include Arthur H. Campbell, honorary president; John M. Rundel, vice-president; C. A. Ritchie, honorary treasurer; H. G. S. Bain, honorary secretary and G. Meredith Smith, assistant honorary treasurer.

Members of the advisory board are G. W. Bourke, Arthur Cross, James A. Eccles and Phillip S. Fisher.

Westmount Police Back Safety Drive

The Shell Oil Company of Canada Limited is sponsoring a safety campaign for drivers, continuing to March 9. The local papers have been carrying the safety poster for the past two weeks in the hopes that drivers will be more careful with their lives and those of pedestrians. The posters give reaction tests and let drivers check whether their driving habits are bad or not.

The Westmount Police force strongly backs any kind of safe driving campaign, as they feel any effort, by anybody, to reduce accidents, is worthwhile.

Police Chief R. A. Byford states, "You have to keep traffic safety on peoples minds all the time as they are apt to be forgetful. Too many people think the 30 mph-speed limit is a speed which must be kept up and not to stay under."

In 1955, 45 accidents were caused by the failure to yield the right of way, 114 by following too close, 36 by misjudgment of the driver, 43 by jumping the light, 157 by gliding through stop signs, 116 by carelessness or distraction, and two by failing to dim the high lights.

Medical Symposium Planned Wednesday

of the medical symposium to be held in the Lecture Hall of the Mechanics' Institute, corner of Atwater and Tupper Street, Wednesday, March 7, at 8:15 p.m.

"Arthritis" will be the subject. Participating in the discussion will be Dr. Louis G. Johnson and Dr. John Martin. The chairman will be Dr. E. P. Crutchlow of the Public Relations Committee of the Quebec Division of the Canadian Medical Association. The discussion will be followed by a question and answer period.

CHIEF R. A. BYFORD of the Westmount Police Force is seen examining the Shell Oil Company safety posters.

Local Residents Rehearse For Shakespeare's 'Much Ado'

Final casting for McGill's English Department's spring production of Shakespeare's Much Ado About Nothing has just been completed and the players include many local residents. Jane Anders and Gordon Dorey, both residents of Westmount, have responsible parts in this play.

Miss Anders will play Beatrice, the heroine of this romantic comedy and the hero Benedict will be played by Christopher Byrd. Dogberry and Verges, the blundering police officials, will be portrayed by Neil Madden and Michael Bickley. Sally Rayner and Michael Paryla have been cast as Hero and Claudio, the principal roles in the secondary plot. The parts of Don Pedro, in whose realm the action of the play takes place, and Don John, the villain of the piece, having been filled by Ian Heron and Thomas Thompson.

Leonato and Antonio, two ineffectual old gentlemen, are to be played by Hugh Sproule and Marvin Bartell, and the conspirators, Borachio and Conrade will be portrayed by Harvey Berger and Leo Leduc. Yaffa Lerner and

Phyllis Smyth have been cast as Margaret and Ursula.

The watchman, the friar, the messenger and the sexton will be portrayed by George Sorger, Edwin Winston, Michael Butler,

John McFarland Old Boys Assoc. Award Winner

A member of last year's graduation class, John McFarland received the Westmount High School Old Boys Association's award Wednesday night at the annual banquet in the Queen's Hotel.

Mr. McFarland was granted the award because he had "in the opinion of his fellows, best combined the qualities of honor, sportsmanship and scholarship."

The Old Boys Association annually presents athletic trophies and a scholarship to enable a worthy student, who needs financial assistance, to further his education following graduation from Westmount.

It also operates a loan fund for students wishing to continue into higher education. The loans are made on a simple promissory note and are repayable in 10 years.

Association President, Lorne Lindsay, was chairman of the banquet. Purpose of the association is to "provide closer understanding between the Old Boys, the teaching staff and the school and to stimulate greater efforts of scholarship, sportsmanship and honor."

Lawrence Mallet and Kenneth Heard, respectively. The singer will be Michael Kinsman.

The cast, one of the largest in the recent history of dramatic productions at the McGill English Department, will be directed by Professor Stephen Porter, Althea and Creighton Douglas will once again be in charge of costuming and lighting. The play will be performed at Moyse Hall, March 8, 9 and 10. Tickets are now on sale at the Arts Building of McGill University.

Christian Science

Man's God-given strength, assurance, and ability will be emphasized at Christian Science services this Sunday.

Keynoting the Lesson-Sermon entitled "Man" is the Golden Text from Daniel (10:19): "O man greatly beloved, fear not: peace be unto thee, be strong, yea, be strong."

Among the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (203:13): "Spiritual perception brings out the possibilities of being, destroys reliance on aught but God, and so makes man the image of his maker in deed and in truth."

Scriptural selections will include the following from II Corinthians (3:4,5): "And such trust have we through Christ to God-ward: Not that we are sufficient of ourselves to think any thing as of ourselves; but our sufficiency is of God."

'The Story of L. M. Montgomery' A Biography Well Worth Reading

By MILLICENT HICKMORE

The characteristic biography of L. M. Montgomery portrays her life from an early age. An extremely imaginative, kind-hearted child with a keen sense of humor and a depth of religion, her creative mind saw beauty where others saw only plain every day objects.

When quite a young child Lucy Maud Montgomery commenced reading good poetry and books and composing poems and short stories which were repeatedly rejected by publishers. But she never lost faith in herself and her literary drive was rewarded when the odd poem or short story was published in various magazines. Her great triumph was reached when "Anne of Green Gables" was accepted and bought outright for \$500. The irony of it was this book which became world famous and was later published in seven different languages also printed in braille, deemed her such a paltry amount.

However her other "Anne" and "Emily" books etc., were also widely read and netted the author a considerable sum.

Despite the fact that Lucy Maud Montgomery was a very pretty girl, neither beauty nor fame spoiled her disposition, she postponed her own happiness for

years to keep a promise to care for her grandmother, and did not marry until she reached the age of 36 when she married the man she had loved through the years, a Presbyterian Minister.

Hilda M. Ridley, the author of "The Story of L.M. Montgomery" has given an insight to the character of this great author and brought back the memories of "Anne of Green Gables" and the thousands who have read this story and L. M. Montgomery's other books will enjoy this biography to its full extent.

An English edition of this biography is to be brought out soon by G. G. Harrap & Co., of London, Calcutta and Sydney.

Women's Division Of B.I.G. Announces Program For 1956

A variety of activities which will be of interest to the Jewish women of Montreal have been announced by Mrs. M. (Lena) Dickstein, Vice-Chairman of the Women's Division of the local Israel Bond Committee.

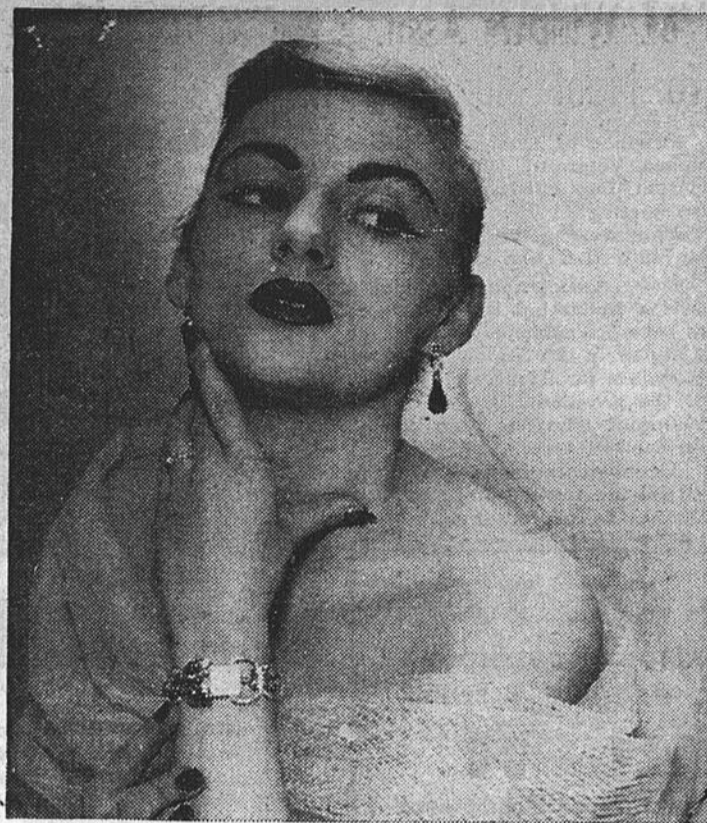

The 1956 season opened Thursday, February 23, with the first Intercessional Service ever to be held in the history of the international Israel Bond Drive, at the Adath Israel Synagogue, McEachern Avenue, Outremont, with the cooperation of the major women's organizations and Sisterhoods throughout the city. The participating Sisterhoods were Shaar Hashomayim: Mrs. D. Notkin, president; Temple Emmanuel: Mrs. A. N. Miller, president; Spanish and Portuguese: Mrs. M. Ginsberg, president; Adath Israel: Mrs. J. Steinberg, president; Young Israel: Mrs. Carolin, president; Shaare Zion: Mrs. Wright, president; Beth David: Mrs. Feiffer, president; Shaare Zedek: Mrs. Shapostnick, president. The Hostess organization was the Sisterhood of the Adath Israel Congregation, under the presidency

of Mrs. Jack Steinberg. Rabbi Charles Bender, spiritual leader of the Adath Israel, officiated at the Service and was assisted by the Congregation's outstanding Cantor, Reverend Eugene Goldberger.

"Chen" — the Women's Army in Israel, according to Mrs. Dickstein, has for its counterpart in Canada, "Chen", the women's volunteer sales force for the State of Israel Bonds. Chen members who buy or sell Bonds totalling \$2500 are awarded a solid gold Chen Charm, symbolizing one of the Twelve Tribes of Israel. A special investiture ceremony will be held for the presentation of "Chen" Charms. Mrs. Anna Raginsky and Mrs. D. Borenstein have already been awarded all twelve Charms in the bracelet, representing sales of \$30,000 worth of Israel Bonds.

The purchase of \$1000 in Israel Bonds will designate the buyer as a Sponsor of Israel and entitles her to wear the new 1956 Sponsor Pin. The new Sponsor Pin depicts sheaves of wheat — plenty — and an urn of oil — sustenance of life — both meaningful symbols of Israel's heritage and of her economic growth as a modern nation. The word "Israel", in Hebrew characters, is inscribed on the urn.

Sponsorship Dollars are the lifeblood of Israel's economy, continued Mrs. Dickstein. They enable the people of Israel to irrigate sandy wastes; harness electric power for home, hospitals and industry; carve roads through mountain and desert; build and equip factories; exploit the mineral and chemical resources of the land; expand and modernize harbours, airports and railroad lines.

Paraplegic Assn. Aux. Reports: Re-Elects Mrs. W. Hepburn, Head

At the eighth annual meeting of the Women's Auxiliary of the Canadian Paraplegic Assn., Quebec Division, held on February 23, the president, Mrs. Wm. Hepburn, reported a very successful year.

Five parties were held for hospitalized paraplegics at the Paraplegic Ward of the Queen Mary Veterans' Hospital. The Christmas dinner, with gifts for each patient, was the outstanding event. 9 number of patients from the Notre Dame de la Merce Hospital were guests at each of these parties.

Financial aid was given to needy paraplegics and their families.

Funds to carry on the various activities were acquired from the proceeds of two bridge parties, one in Montreal and one at Ste. Anne de Bellevue, also a bazaar, as well as donations from many generous friends.

Slate of Officers

Officers for the ensuing year are:—
Hon. President — Miss N. Peram.
President — Mrs. Wm. Hepburn.
Secretary — Miss I. Beaton.
Treasurer — Mrs. A. G. Petrie.
Social Convener — Mrs. H. Ward.
Publicity — Mrs. J. J. Kelaher.

WHS Alumnae Assn. Plan Fashion Show

The Westmount High School Alumnae Association announces its annual Fashion Show "Teens, Twenties and Later", to be held in the Westmount Junior High School, 8:30 p.m., Wednesday, March 21.

Mrs. Trill, Fashion Director of Morgan's will feature high fashion at low cost, tricks with basic dresses and a bridal section. Included will be a teen age section as modelled by students from the Westmount Senior High School.

Door prizes will be presented and refreshments served.

All members and friends are welcome. Tickets may be obtained from Miss Adria Barclay at PL. 1911.

The Alumnae Association presents two events yearly, the proceeds of which are devoted entirely to the Scholarship Fund.

When using a cloth for waxing, first dampen it and wring dry. This will save a lot of wax which would be absorbed by the cloth.

THANK YOU . . . Pet Owners of Westmount

After 27 years of service to the pet owners of Westmount, I am forced to move from my present location on Victoria Ave. to larger premises on Sherbrooke St. West. I did my best to find suitable quarters in Westmount but without success. Nevertheless, our new location is so near (corner of Grey Avenue) that it can almost be included in Westmount.

I am sure our Westmount customers will find it much more convenient shopping in our new location as Victoria Ave. is becoming more congested daily and it is almost impossible to park a car even for a few minutes whilst shopping.

In our new location you will have no parking problems. We will have a much larger and brighter store in which to transact business and, above all, larger and brighter quarters for boarding budgies and canaries whilst our customers are on vacation.

Before changing our location, I want to say how much I have appreciated your patronage during the past 27 years and to point out that it will be more vital than ever in our larger quarters that we retain your good will and support.

Again, thanking you for your loyal support and trusting we will be seeing you at our new location, 5041 Sherbrooke West (opposite Westmount Theatre) some time after May 1st next.

Respectfully

Women In All Walks Of Life Are Urgently Needed by WVS

Housewives and Business Girls, young women and older women are needed to work in the Organizations and Institutions which are serving the citizens of greater Montreal. This is not an appeal for your dollars but for your time, a few hours a week can be invaluable when it is spent in helping a sick child, an old person, or the organizations which care for them.

The Women's Voluntary Services is the meeting place for the volunteer and the job to be done. There is a job for everyone, for the typist, they are particularly needed in the daytime, for the pianist, a business girl would be welcome if she would play the piano one evening a week in Youth Centre, there is sewing to be done, filing and telephoning, and for the good cook, and there must be many of them, there is a cooking class ready for the volunteer who would be willing to teach others her favourite dishes.

Working as a volunteer can be fun and a most rewarding experience, new friends are made new places are visited, and the volunteer always gets a sense of well-being from working with others who like herself, are making the City a happier and better place to live in.

If you have a few hours to spare you can do so much with them, the Women's Voluntary Services can tell you what you can do. Will you visit the W.V.S. Office Room 151, The Sun Life Bldg., or ring up UN 6-7687 any-time between 10 a.m. and 4.30 p.m.

Ex-Wren Assn.
 The Ex-Wren Association of Montreal and District will hold a business meeting on Wednesday, March 7 in the Wrens' Mess at HMCS Donnacona at 8.15 p.m. Following the meeting Mrs. Lambert of Fashion Sales will demonstrate the latest in nylon fur fashions. There will be a door prize and Wardroom facilities. All Ex-Wrens are invited to attend.

Continue Olympic Participation, Says Smith

By MARTY GOODMAN

Canada must continue to participate in the Olympic Games, whatever the cost, according to Dow sportscaster Doug Smith, because the important thing is to take part, and not to win.

Recently returned from the Winter Games at Cortina, Mr. Smith also advocated that the Dominion government assume all of the financial responsibility to send both winter and summer athletic teams to the Games.

Addressing the Westmount Rotary Club at their weekly luncheon meeting Wednesday, he said that Baron Pierre de Coubertin, modern founder of the Games, was right when he said: "The important thing in the Olympic Games is not winning — but taking part. The essential thing in life is not conquering, but fighting well."

Mr. Smith noted he had reached his conclusion in spite of the fact that "all my life in professional sport I have been led to believe that the only place to finish is to finish first. Second place is not good. Win — at any and at all cost."

He admitted that "the hard-boiled professional attitude I have had to adopt — because of the very nature of my business — has now changed, for purposes of participation in the Olympic Games."

With warmth and sincerity he stated his reasons to the Rotarians: "Two weeks of close contact with the Olympics — with the badgers — the officials, with the athletes,

with the terrific physical effort and the abundance of courage necessary to run a murderous downhill ski course — to jump off a ledge five stories high on skis — to hurtle down a mountainside in an icy ditch on a sled — all this, has changed my mind."

He said that Canada must not be discouraged because of one silver medal and two bronze medals, her winnings at the recent Winter Games. "We must continue to take part in the Olympic Games — whatever the cost. I too, must jump on the bandwagon of thinking that feels that the government of Canada should assume all the financial responsibility to send our summer and winter athletes to the Olympic Games every four years."

Mr. Smith made it clear that the essence of the financial responsibility is to the government, and not to business firms or private enthusiasts.

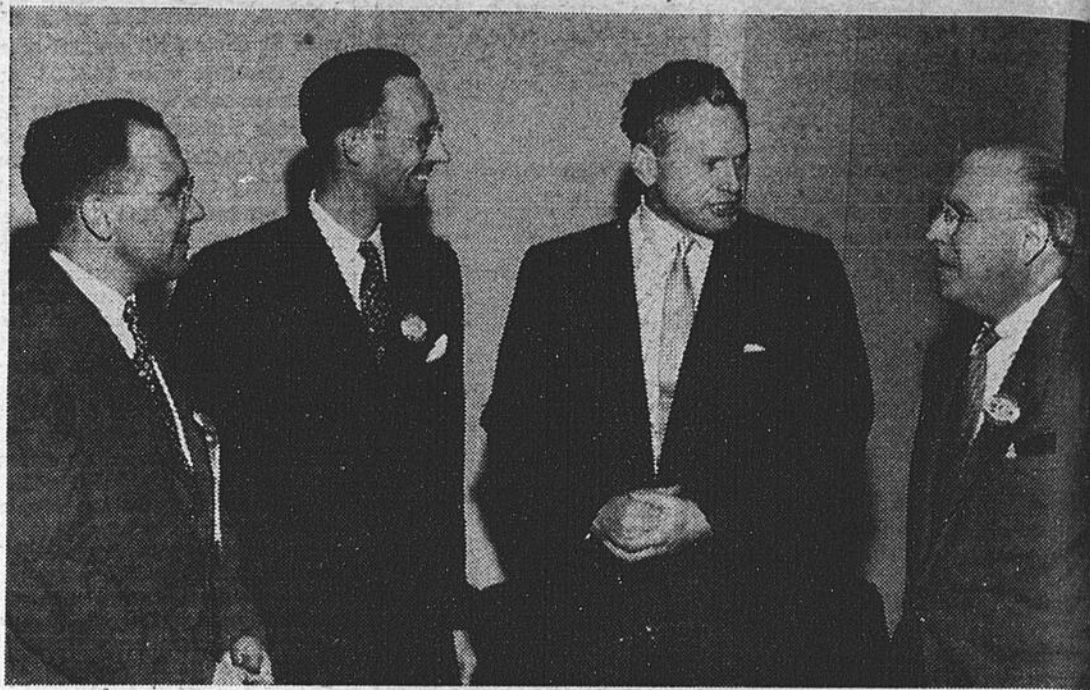

"In Cortina, it is Canada — a nation — not a collection of towns and cities, and the individual athlete loses his identity in many ways. He is just a competitor — carrying the colors and the honor and the prestige of his country.

"We will not win too many medals in the Olympic Games, not this year or any other year. We have lost our treasured hockey championship, and we may never win it back again; but let us — in Canada — continue to take part."

Describing the Winter Games to the Rotarians, he said there had been three outstanding performers, despite the fact that achievements of the individual are suppressed in favor of collective team effort.

These were Toni Sailer, who won three gold medals in skiing for Austria, Sixten Jernberg, of Sweden, winner of the 50 kilometer cross-country race, and Russia's Evgeniy Grischen, world's record holder in the 500 meter speed skating event.

Discussing Canada's hockey loss to Russia, he noted that, in

THE WAY I SEE IT . . . : Westmount Rotary members Graham Bowes and Ernie Millis, president, from left, chuckle as Dow sportscaster Doug Smith and Rotarian Frank Carlin discuss their views of Canada's showing at the recent Olympics. Gagnon Wins Scoring

MacRae Face Michaud In Semifinal Series

MacRae Electric and Michaud Freres will tangle this Saturday in the first game of a best of three semifinal series, in the St. Laurent Intermediate Hockey League. Winner of the series goes against the pennant-winning Wheelers for the league championship and Dr. Rondeau Trophy.

Last Saturday's windup games failed to affect the league standings at all, as two tie games were reeled off. MacRae and Michaud battle to a 2-all draw in a playoff preview, while Wheelers and Royal Pharmacy coasted to a 4-all decision in the other match.

Wheelers' Gary Gagnon scored two points to wrap up the loop's scoring title, according to statistics released yesterday by president Gerry Kerr. Gagnon ended with a five point pull over Bob Cherrier of Michaud Freres, and was six points better than Michaud's Ron Kenwood. Gagnon copped the Royal Pharmacy Trophy, donated by Real Goulet, and won last year by Charlie Gagnon.

MacRae and Michaud open their series at the St. Laurent Arena at 2 p.m. Saturday. Wheelers will stay in shape with an exhibition against Royal Pharmacy in the second game.

The finals for the league crown will also be a best of three affair. MacRae Electric are defending champions.

Mike Saucier and Phil Martin staged a personal scoring

duel in the Michaud-MacRae tilt, with each firing home two goals. Saucier counted in the first period assisted by Cherrier and Kenwood, and Martin tied the count in the second after taking Bob Painchaud's pass.

Saucier again scored in the third, with Cherrier and Kenwood again on the helping end. Jim Beasant and Grey set up Martin for the tying marker with less than two minutes remaining.

Paul Zwinge and Marshall each racked up two goals for Royal Pharmacy, while four players shared the Wheelers' scoring. Pete McManaman opened with the only goal of the first stanza, on an unassisted effort. Marshall tied the count in the second all by his lonesome, and Gagnon's tally near the close gain put the Wheelers ahead.

Mashall came back right after the start of the third period, with Ritchie Bell assisting. Pete Mitchell took passes from McManaman and Gagnon for the lead again, and Zwinge's marker with Jackson and Marshall helping put the teams back in a tie.

Hersey scored the last Wheeler goal unassisted, and Zwinge got it back two minutes later, with Jackson and Billie Ratray helping.

UBC Bantams Open Series

Unity Boys Club bantam basketball team, winners of the Montreal Boys Basketball League title without too much opposition, were slated to open their best of five final series against Point St. Charles last night, at Unity, for the crown. Richard Simmons' stalwart cagers are slated to continue the series Tuesday at the Point, at 8 p.m., and Thursday back at Unity at 7:30 p.m.

If additional games are needed, they will be played March 13 at Point St. Charles, at 8 p.m., and March 15 at Unity, at 7:30 p.m.

The UBC Biddy hoopsters start a two game total point semi-final series this weekend against Tyndale House. The winners face Point St. Charles for the title.

Win City Championship

Unity Cagers Enter Provincial Tourney

Coach Maurice Mariasine claims his Unity Boys Club senior B hoopsters thrive on work, and they'll get a good chance to prove it this weekend in the provincial championships at Valleyfield.

The Unity larrigans staved off a desperate spurt by the McGill Indians in the second game of their total point series to cop the game 74-70, the round by a 141-119 count and the city championship. The triumph made them eligible for the coming provincial tourney.

The involved competition starts Saturday, with the ultimate winner and finalist each billed for four games, two on opening day and another double on Sunday.

Also entered in the tournament are Lachine, Unity's first round opponents, Valleyfield, Shawinigan Falls, Sherbrooke, International YMCA, La Tuque and three Rivers.

The UBCers meet Lachine at 9 a.m. Saturday. If they win, they meet the loser of the Valleyfield-Shawinigan game. The semi-final is scheduled for 10 a.m. Sunday, and the final for 3.30 p.m.

Coach Mariasine is confident his team will perform well in the tournament. They have already walloped two of the teams entered in exhibition games—Valleyfield and Three Rivers.

If they win, they become eligible for further playdowns, for the Ottawa-St. Lawrence Valley title March 10 and 17, and against the Maritime champs March 26 and 27.

Against McGill last Friday in the final game of the final series, Mariasine's crew got a healthy startle when they faced a 48-28 deficit at halftime, and saw their 26 point lead from their opening 71-45 victory shaved to a mere six points.

But Mariasine realigned his players, and they put on a mighty third quarter surge, going ahead by a 61-60 margin at the end of it. McGill came back to ultimately win the game, but the round was lost.

Paced by Frank Schreider, McGill came out fast and completely bewildered Unity in the first half. Mariasine—figuring a change was in order—took Ian McIntosh, Grant Peterson and Jack McKissock and sent them up front, with Harry Haukkala and Buddy Naismith in the backcourt. When this quintet started to click, he put Dave Barnard up with the forwards, Peterson back, and Unity climbed out in front by the one point margin at the three quarter mark.

From then till the end, it was nip and tuck battle, but Unity had the round well in hand.

Just what caused the first round collapse was not clear. Mariasine had warned his players against overconfidence, and all were aware of it. But, as Ulrich Brown said after, "We were not overconfident, but we sure were complacent."

Unity (70): Peterson 10, Brown 6, McGrail 4, McIntosh 17, Haukkala 2, Naismith 13, Barnard 6, McKissock 14.

McGill (74): Solomon 4, Schreider 25, Cohen 16, Shuster 12, Fradet 13, DeZwirek 4, Thompson.

KELLY BACK ON DEFENSE

After Marcel Pronovost had his nose broken, Coach Jimmy Skinner of Detroit moved Red Kelly back on defense for the Red Wings. Kelly returned to his familiar defense position again after playing 26 games at left Wing.

Municipal Hockey Leagues

PEE WEE

Unity Boys' Club beat St. Leo's 5-2 in a two game total goal series to win the Municipal Pee Wee Championship.

In the first game of the series, played at L.C.C., Unity won 2-1. Tommy Alevissatos and Frankie Robinson scored for the winners. George Spare scored for St. Leo's. The teams resumed play on Friday afternoon at the Forum. Spare score in the first

period for St. Leo's to make the score read 2-2. Robinson put Unity up early in the second on an unassisted effort. Jimmy Crouch tallied from Robinson, and the second period ended with Unity ahead 4-2. St. Leo's tried desperately in the third frame but could not register. Robinson picked up a loose puck at centre and raced in and beat Froio to close out the scoring. Unity Coach Tom McAlear

did a splendid job handling the team. Working with but two substitutes, he managed to juggle them around without tiring out on the big Forum surface.

McAlear also coached the Cup winning Unity Bantam squad.

BANTAM

John Westlake was the payoff squad as he fired both goals to man for the Unity Club Bantam lead his mates to the Bantam Crown. The teams had played a scoreless draw in the opening game. Westlake scored early in the opening period on a pass from Billy Stewart. David Keith and Tommy Thrasher combined on a fine passing play to beat Bob Stewart in the second period and tie up the game 1-1. The winning goal was a heart breaker for St. Leo's net minder, Emedio Ponzi, who had performed brilliantly in the series. Westlake fired from the corner, with 35 seconds remaining in the third period, the puck deflected off a St. Leo's player and rolled under Ponzi's arm.

MIDGET

Bobby Robinson's Cataracts thumped Unity Midgets 14-1 in a two game total goal series, thus winning the Municipal Midget Championship.

Y Physical Department Makes Annual Report

The department of physical education, Westmount YMCA, offered its members a "well rounded program of physical activities for the enjoyment and development of the personality of the members," according to the annual report handed down at the branch's annual meeting on Thursday of last week.

R. O. Huntington, chairman, noted that new activities are added when the demand arises and special features are organized as required.

L. R. Waller is secretary of the department. Other members of the physical committee, along with Mr. Huntington, are Errol F. Smith, R. H. Sturgess, A. Matcchett, Robert Cardoza, Don Ross and Earl Smith.

JUDO: The newest activity in the program is a Judo Club which was formed at the request of the members in November 1955. From the original group there are now ten actively engaged in Judo training under the leadership of John Oliver.

GOLF: The third golf school and clinic was well received; three courses were held from January 10th to April 4th; sixty-four men & women were registered; instructor was Syd Fry, pro at St. Margarets Golf Club. This popular activity seems to meet a real need among the young people of Westmount.

Aquatics: Boys and girls of Westmount passed 273 swim tests in 1955 which is almost double the 142 tests passed in 1954.

The 19th annual Learn-to-Swim Campaign for youngsters aging from 6 to 12 was conducted April 18th to June 27th. There were 304 children registered, 66% of which learned

to swim dog paddle or better.

The "Y" is the only agency in Montreal with swimming facilities. The keen interest which adults and youth alike take in swimming are proof of the need for the water program it offers.

Fencing: One of the major activities from the stand point of enthusiasm, interest, and numbers participating is the Fencing department. The junior section for boys and girls has continued to grow under the tutelage of Stephen Vamos, fencing professional.

Members of the senior club have participated in interclub meets with McGill University and Palestre National, the Montreal Labor Day Fencing Tournament, and the London International Tournament.

The club held four Province of Quebec Fencing Association Championship contests last spring, and many of our members won provincial and Canadian titles.

GYMNASTICS: Westmount Y.M.C.A. Gymnasium is becoming well known as the centre of Y.M.C.A. gymnastics in Montreal.

Over 50 Montreal High School youngsters took part in the Hobby Show Gymnastic Tournament. A city wide gym tourney was also held in our gymnasium. An Inter "Y" meet with Quebec Y.M.C.A. was held, and club members participated in exhibitions at our Annual Gym Display and at the Hobby Show.

BADMINTON: Considerable interest had developed in Badminton during November and December when an average of 10 people attended weekly sessions.

Warriors Score Basketball Win; Second In Skiing

Action on two fronts over the weekend, in skiing and basketball, resulted in one victory and a second place finish for Loyola College in Ottawa-St. Lawrence Intercollegiate competition.

At St. Sauveur, the Loyolans played host to Bishops, Royal Military College of Kingston and College Militaire de St. Jean at

a ski meet. Loyola placed second behind RMC with Darcy Coulson the big point-getter, placing first in the slalom and the alpine combined.

Jean Fournier of RMC led the winners by capturing the downhill, jumping events and Nordic combined. Ian Richerster, also of RMC, took the honors in the cross country.

Gerry Dionne and Gene Gagnon paced the Warriors to a close 71-70 win over the conference - leading University of Ottawa at Loyola Sunday.

The victory left them in a three-way tie for fourth place with OMR and Carleton College of Ottawa.

Dionne netted 24 points

Local Ski Teams Win Two Events

Westmount Junior and Senior High Schools' won the top honors in the Penguin sponsored Downhill and Slalom Championships at Mt. Chevreuil Saturday.

The Senior Westmount team led, Trafalgar School, Ste. Agathe, Mt Royal. The Study and Miss Edgar's and Miss Cramp's Schools in that order.

Westmount Junior High took the top Junior team standings with Mt. Royal and Roslyn School trailing.

Nancy Holland and Ingrid Hall ran second and third in the Junior Downhill and Joan Mainguay won the Senior Downhill. Leith Drury of Westmount placed second in the Junior Slalom and Joan Mainguay ran third for the Senior Alpine Combined crown.

Y Physical . . .

(Continued from page 11)
the C. D. Howe Company joined the Y.M.C.A. this year and formed a volleyball class, Wednesday afternoon at 5.30 p.m. Although only attending once a week this group is enthusiastic and maintains a high attendance record.

Other Activities: Business Men's Exercise and Volleyball; Ladies Morning Classes; Handball; Basketball are other "Y" physical activities.

The Weight Training and special exercise room was used by many young men interested in body building and weight lifting.

Outside Groups: Boys from McKay Institute and the School for the Blind use the physical department and leadership free of charge.

Northmount and Lachine Y.M.C.A.'s, Weston School Girls, Priory Boys School and other clubs and groups also made use of our gymnasium and pool at various times throughout the year.

DESTRUCTIVE WEAPON

Doug Mohns of the Boston Bruins uses a slapshot which his coach, Milt Schmidt, thinks is the most destructive weapon owned by any Bruins' player within his memory, which incidentally, covers a span of 20 years.
