SCHOOL MUNICIPALITY OF DUNDEE IS NOW ANNEXED TO HUNTINGDON BOARD

Dr. K. G. Cameron presided at a regular meeting of the Huntingdon Protestant School Commission held in the library of Huntingdon Academy on Thursday evening, June 6. All members were present except Commissioner Gordon Anderson. Secretary-treasurer Mrs. Arline Duke read the minutes of the last regular meeting on May 8, also those of a special meeting one week later, both of which were approved as read. Accounts as presented were also approved for payment.

Commissioner Jack Blake briefly summarized results of a meeting held at Chateauguay the previous evening when the problem of hiring teachers for the 1968-69 term were discussed. Five members of the Chateauguay Valley Teachers' Association also were in attendance. Commissioner Blake's impression was that the teachers in the Protestant schools were not in favour of a general teacher strike. He also felt that some of the demands being made by members of the profession do not reflect the wishes of local teachers. The Chateauguay Valley Teachers' Guild advised the boards that they were going to request conciliation as provided by the Quebec Labor Code, the reason being that the Boards are forbidden by Article 15 of Bill 25 from negotiating with the teacher group at this time. The teachers will not have the right to call a strike within ninety days after the request for conciliation is received at Quebec.

A tax problem was discussed and the secretary-treasurer was instructed to forward the bill for tax arrears in question to the new owner of the property, as he is liable for the arrears by law.

Commissioner Blake reported a study is being made concerning many school cafeterias in the province. It appears that some cafeterias, including one in the Chateauguay Valley, are operating on a twenty percent efficiency basis. In the case of the Chateauguay Valley Regional High School, tenders by professional caterers will also be studied.

Mrs. Duke was instructed to call for tenders for new bus routes and notices pertaining to this appear in the advertising columns of this issue. The new routes are for kindergarten pupils and will start in September.

A letter from the Department of Education of the Province of Quebec signed by R. N. Wyse, Associate Director of Elementary and Secondary Education, stated "The Minister of Education wishes me to officially inform you that by Order-in-Council No. 1495 dated May 15, 1968 the school municipality of Dundee was annexed to Huntingdon. The change takes effect for election purposes June 1st 1968 and for other purposes July 1st. 1968".

Mr. Franklin Cameron, secretary-treasurer of the school municipality of Dundee attended the meeting and asked if there were further instructions. He was advised to close his books as soon as possible and forward them to Mr. Quenneville, C.A. as after July 1st Mrs. Duke would require them in the Huntingdon office.

On motion of Commissioner Blake, seconded by Commissioner Gaw, the collection roll as prepared by the secretary-treasurer was homologated as read.

Principal A. M. Brockman submitted a report of events and activities at Huntingdon Academy during May, as follows:

I. May Calendar:

1. May 2nd-4th: Q.A.P.S.A. Spring Conference.
2. May 4th: Return of Exchange Group.
3. May 7th: Meeting of Directing Committee.
4. May 12th: Arrival of La Pocatière group.
5. May 13th-16th: Grade XI French orals.
6. May 16th: C.V.T.A. Meeting, Huntingdon Academy.
7. May 19th: Return of La Pocatière Boys.
8. May 20th: School closed (Queen's Birthday).
9. May 22nd: Educational Workshop.
10. May 24th: Educational Field Trip: Grade 5's (Ottawa).
11. May 24th: Field Day K-2.
12. May 29th: Educational Field Trip: Grade 6-W (Montreal).
13. May 30th: School Track Meet: Grades 3-7.

Mr. Brockman discussed in detail the practice of awarding prizes to students at annual commencement exercises time and submitted recommendations made by the Directing Committee which consists of six parents, six teachers and the school principal. Mr. R. Greenbank has prepared an article on this subject which appears elsewhere.

The current school term finishes Friday afternoon, June 21.

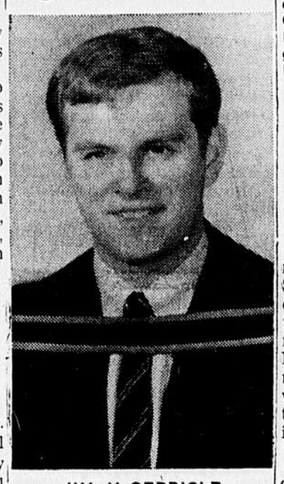
Grave Of Pioneer Is Suitably Marked In Hillside Cemetery

An event of unusual importance has taken place recently in Hillside Cemetery, where a bronze memorial has been erected to the memory of Pioneer Henry Rennie, his wife Agnes Wands and son John. In 1821 Mr. Rennie purchased this lot, where Hillside Cemetery now is. Here he broke land and set up a home and here also was the first school.

In 1823 a burial place began, the gift of this man. He began a burial register, which continues to be kept up-to-date by a descendant. In 1829 Black's Church was built on his lot.

As no marker had hitherto been placed on his grave, this fact came to the notice of the Officers of "Hillside", and they have erected this memorial to his memory. It is mounted on a red granite boulder, with fitting inscription thereon, and can be seen just inside, and to the left of the south entrance.

Receives Bachelor Of Civil Engineering Degree



JIM McGERRIGLE

son of Mr. and Mrs. B. L. McGerrigle, Ormstown, received his degree of Bachelor of Civil Engineering from McGill University at the Spring convocation held May 31. Jim is presently employed by Acres Consultant Engineers in the Sun Life Bldg., Montreal.

Hemmingford Golf Club Hosts International Jaycee Tournament

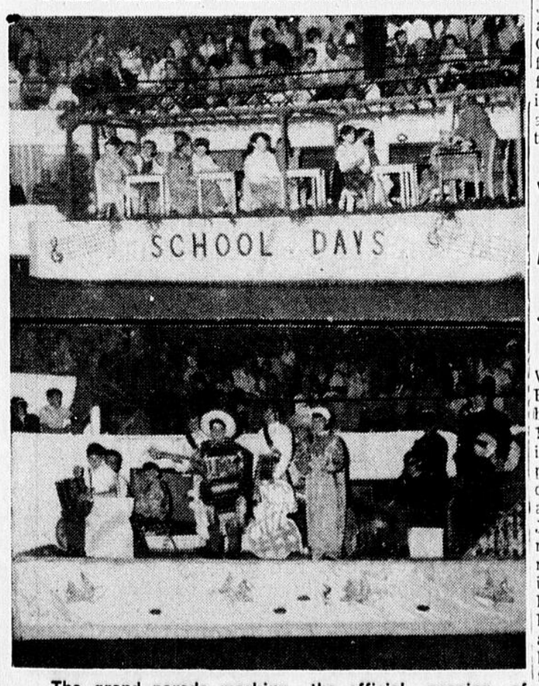
The first International Jaycee Can-American and Provincial Golf Tournament, sponsored by the Montreal Westward Jaycees, was held at the Hemmingford Sport and Country Club on Saturday, June 8.

The weather was perfect and 70 players, from as far afield as Burlington, N.Y. Quebec City and Ottawa participated.

Burlington won the team Gross award while Mont Bruno won the Team Handicap award. G.H. Lascelles of the Hawkesbury Club won the International Gross award and J. Auger of Mont Bruno won the International Handicap award. The Quebec Provincial Gross award was won by a player from the Hemmingford Club, Pat Farrell, who was playing for the Montreal Westward Unit. Quebec Provincial Net award was won by R. Kennedy from the Lasalle Unit. The Non-Golfer International Putting contest was won by Mike Waldron of Montreal Westward Unit. The Montreal Westward Jaycees Gross was won by Pat Farrell while the Net award was won by Bob Agard. Steve Farrell (no relation!) won the Guest Gross award and J. Traynor the Net award.

The players did full justice to the appetizing dinner served at the Club-House at the close of a most enjoyable day. So appreciative were the members of all teams of the fine condition of the course and the welcome they had received that the members of Montreal Westward and Plattsburgh suggested this be made an annual affair and all were in favour of holding it jointly at Hemmingford.

THE PARADE WEDNESDAY EVENING



The grand parade marking the official opening of Ormstown Exhibition last Wednesday evening was led by the Ormstown Band, Junior Band and Rhythmettes. The floats were attractive and reflected serious preparation on the part of students and sponsors. As in former years, crowds of people lined the parade route.

Extension of Club House now completed

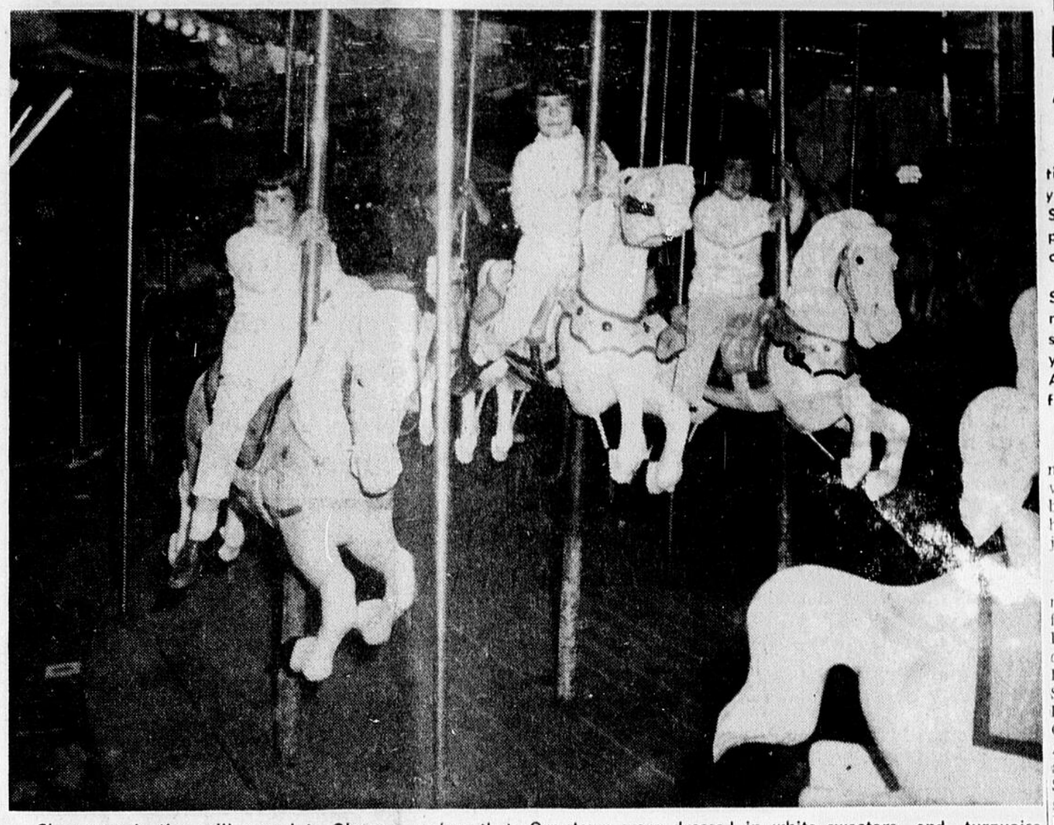
With the exception of a few final touches on windows and floor the new extension on the Club House is now complete. With laminated B.C. Fir arch beams, celar roof decking and panelled walls, this roomy extension will be officially opened on Saturday, June 15. when the members' grand dance and supper will be held. Sunday, June 16 will be Celebrity Day at Hemmingford Sport and Country Club. Stars of hockey football and government officials will attend. All residents of the surrounding areas are invited to attend and meet these celebrities.

W.A. Of Barrie Memorial Meets June 19 At 8

The general meeting of the Women's Auxiliary of the Barrie Memorial Hospital will be held on Wednesday June 19th and will start at 8 P.M. in the Board Room of the Hospital, where there will be a display of equipment purchased by the auxilliary and Dr. J. C. Johnson will give a demonstration of the Heart Monitor. Following this the meeting will move to the Nurses' Residence where Mrs. Hall, Director of Nurses, will show a film in colour on control of hospital infection, after which the regular meeting will proceed.

Please note new time and place for the start of this meeting. 8 P.M. in the Hospital Board Room.

TRIPLETS ON TRIPLETS AT THE BIG SHOW



Close examination will reveal to Gleaner readers that this is an unusual photo. It shows three charming little 5½-year-old girls, identical in every respect, riding three colorful but identical ponies on the merry-go-round at Ormstown Exhibition. From left to right, the children are Kathy, Karen and Kristine, daughters of Mr. and Mrs. Eugene Irwin of 514 Cedar Ave. in Maple Grove, near Beauharnois. The triplets, born at Barrie Memorial Hospital in Ormstown were dressed in white sweaters and turquoise slacks. The picture was taken on Friday evening and even yet their father says they are bubbling over with enthusiasm: "we saw all kinds of animals and we liked the ponies best. And we saw a cow being milked (Mrs. Irwin told a Gleaner reporter she believes the girls actually thought milk only came from cartons) and there were so many people to see and good things to eat".

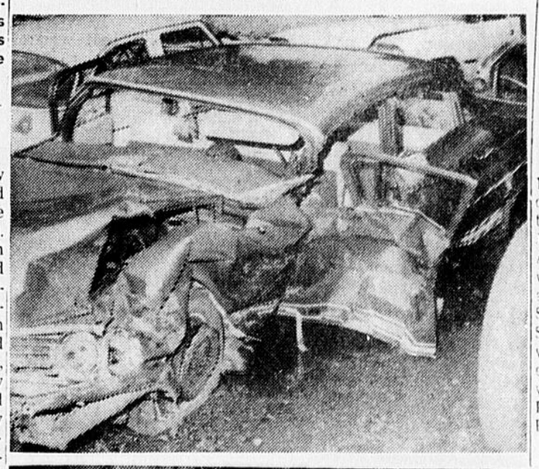
Mrs. Thérèse Galipeau, Mr. Fernand Guérette Elected To Local Catholic School Board

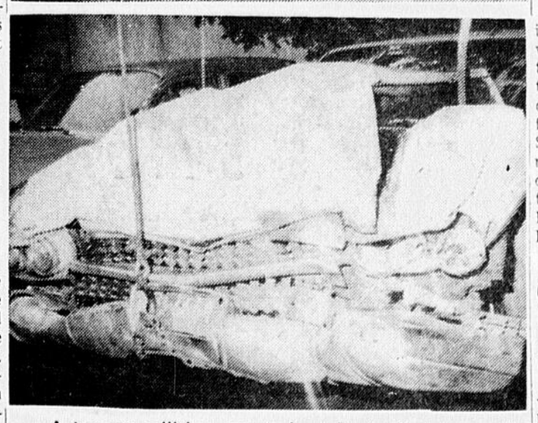
The election for two commissioners on the Catholic School Board was held on Monday in Huntingdon. Following the regrouping of the surrounding municipalities, the Board will be formed of one representative of each one while Huntingdon will have two. No election was necessary in the other municipalities.

Of the 1953 persons listed, 991 cast their vote at the Knights of Columbus Hall where it is reported everything went smoothly. The results are as follows: Mrs. Thérèse Galipeau re-elected with 734 votes; Mr. Fernand Guérette was also elected receiving 654 votes while the third candidate Mr. Karl Burkhardt had 395.

Mrs. Galipeau and Mr. Guérette will work with the other commissioners on the board; it is understood that the new system will be in operation on July 1st. There is no doubt that everyone on the board will have many problems to solve until then so that everything is in readiness for the next school term.

ACCIDENT NEAR CAZAVILLE





A two-car collision occurred on Route 3 about a mile west of Cazaville shortly before midnight Saturday that resulted in serious injury to one person and the demolition of the cars involved. Top photo shows a 1960 Chevrolet owned by Mrs. Clara Patenaude of Huntingdon. The car was being driven by Melvin Arthur Patenaude, age 20, when the accident occured. He was taken to Huntingdon County Hospital suffering from cuts and bruises. His passenger, Mrs. Rita Richer of St. Anicet was also taken to Huntingdon County Hospital and later transferred to Notre-Dame Hospital in Montreal suffering from severe head injuries. The second car, a 1959 Cadillac owned by Daniel Ridzdowski Jr., age 40 of Massena, N.Y. and driven by Jos. McCarthy, age 18, was also badly damaged in front. Jos. McCarthy's brother Kelly was also a passenger. The three men were treated at Huntingdon County Hospital and have since been released.

The Ladies Of County Hospital Auxiliary Are Purchasing New Drapes And More Paint

A General Meeting of the Ladies Auxiliary of the Huntingdon County Hospital was held in the Board Room of the Hospital, June 3rd., with fourteen members present. The President Mrs. Gerald Brisebois was in the chair. The Treasurer Mrs. Rose O'Connor reported a bank balance of $1,943.71.

The Membership Committee, Mrs. Frances Rennie, reported 243 paid up members — this includes twenty-four new members.

Service Committee: Two hundred dollars was voted for painting and new drapes for front porch of the Hospital. It was also decided that new bedside drapes and three chairs be bought for the wards.

Ways and Means: — Miss Mary McFarlane reported $39.80 more on Caledonian Games and $323.15 as total receipts of recent Nurses Dance.

The next executive meeting will be August 5th.

WALTER B. SMITH OPENS HIS LIBERAL POLITICAL CAMPAIGN IN THE NEW ST-JEAN RIDING

On Wednesday evening, June 12th, Walter B. Smith, the official Liberal candidate for the new constituency of St. Jean, will open his campaign. A parade has been organized which will start at 7 o'clock at the Plaza Shopping Centre, St. Jean, thence to Forget School where a public meeting will be held. Among the speakers supporting the Candidate will be the Honourable Gerard Pelletier and Notary Jean Boucher.

Many, perhaps, do not realize the enormous amount of work entailed in the welding together of the various sections taken from surrounding constituencies which will now form this new constituency of St. Jean. Since the day of his nomination Mr. Smith and his chief organizers have toured the boundaries of this new Riding which stretches from the west to Iberville in the east, from the International Boundary in the south to Mercier (St. Philomene) and St. Jean in the north. In between there are the towns and villages of St. Luc, St. Isidore, St. Remi, St. Urbain, St. Chrysostome, Napierville, St. Bernard, St. Blaise, Lacolle, St. Jacques and many more smaller communities. There have been organizers and supporters to meet, plans to be made in order that everything shall be in readiness for the opening of the official campaign on June 12th.

Following the opening meeting on Wednesday evening large public meetings will be held in Ville Mercier (St. Philomene), St. Remi and Iberville. It is hoped to hold meetings also at the smaller centres. A final grand rally will be held in Hemmingford on Monday evening, June 24th. the eve of the election.

Ormstown Exhibition Surpasses Previous Records And Hopes

As mentioned editorially this week, the '68 Ormstown Exhibition left nothing to be desired by patrons, exhibitors, officials or anyone else. It was nothing short of tops from beginning to end. Total paid admissions amounted to over twenty thousand, an increase of almost 7,009 over 1967 Despite Expo, last year was also a record year so a good part of the huge current increase is directly attributable to the CBC Country Holiday radio show when 2,348 admissions were taken in. A breakdown in attendance figures supplied by secretary-treasurer Carlyle Dickson and his assistant Mr. Darryl Lang follow with 1967 attendance figures in brackets:

Wednesday eve	2511	(1327)
Thursday day	615	(442)
Thursday eve	2306	(1379)
Friday day	399	(687)
Friday eve	4550	(3816)
Saturday day	2853	(1788)
Saturday eve	4163	(3871)

It is of interest that officials did not receive a single complaint of theft or pick-pocketing. A few minor incidents

FRANK NAPIER REPORTS ON EXCELLENT LIVESTOCK SHOW AT ORMSTOWN EXHIBITION

by Frank Napier

A concensus of the opinions expressed by several long-time attenders of Ormstown Exhibition would be that this year's cattle show was indeed a high-class, quality exhibition. Several others, there for the first time, were equally emphatic in their praise; some of them naturally about their own particular breed, others about the show as a whole.

Inasmuch as this writer has attended every Ormstown Show except one, since 1923, we have of course seen larger numbers in the dairy cattle section, but, as we recall it, that section was the largest we have seen there in a great many years. However, with but one exception each in the Aberdeen-Angus and Hereford cattle section, the exhibitors were all from other parts of Quebec and Ontario.

BEEF BREEDS

The cattle judging was commenced on Thursday, June 6, with the three beef cattle breeds, and with Hugh Peckham, St. Hyacinthe, Que., as judge of all three of them.

The Aberdeen-Angus show was comprised of select animals from the herds of the famous Windfields Farms Ltd., of E. P. Taylor, Willowdale, Ont., en route to Lachute Fair and the Western Canada Show Circuit; C. F. R. A. Broadcasting Ltd., Ottawa, Ont.; Ellen Victoria Ltd., Ashon, Ont.; A. E. St. Laurent and Roland Sylvestre, both of St. Simeon de Bagot, Que. Also one bull from the herd of Ronald Iverson, Ste. Agnes de Dundee. Altgether 32 head.

Windfields Farms won the grand championships as well as the reserve grand championships in both the male and the female sections. Ronald Iverson's entry, Ballotine of Woodmount, was sixth in the senior yearling bull class.

The Hereford exhibit of 31 head in all was comprised of entries from the herd of Milton W. Cornish & Sons, Indian River, Ont.; Flemingvale Farms, Crysler, Ont., Thomas Parsons & Sons, Island Brook, Que.; Calvin Picken, Massawippi Lodge Acres, Lennoxville, Que.; John Dagg and Peter Dagg of Torwood Farm, Dundee, Que. Calvin Picken won the championship in the male section, in which a bull owned by Cornish & Sons was the reserve champion. Cornish & Sons also won the reserve championship in the female section, while Flemingvale Farms got the female championship.

While the Torwood Farm entries of John and Peter Dagg were not as heavily fleshed, so to speak, as were those from the older established herds, they nevertheless made worthy appearances and were well shown in their respective classes. Their bull, Flemingvale Super Rollo, was fifth in the yearing bull class. Their home-bred Torwood Rolloette 3Y., and Torwood Rolloette 4Y. were respectively fifth and sixth in the heifer calf class.

The Shorthorn section was comprised of 30 head in all from Heatherdoon Farms, Omemee; Mervin Miller & Sons, Glasgow Station; A. J. Elmhirst & Sons, Indian River, all of Ontario. Saraguay Farms of Mrs. W. C. Pitfield, St. Laurent, Que.

Miller & Sons won the championship, and Saraguay Farms the reserve championship in the male section. The female championship was won by Elmhirst & Sons, while a Saraguay Farms entry won the reserve female championship.

DAIRY CATTLE

The Dairy Cattle Show — Ayrshires, Holsteins and Jerseys — were judged on Friday, June 7, with an appreciably good ringside audience.

THE HOLSTEIN SHOW

Numerically the Holstein show was the largest by a considerable margin, with a total of 139 head in all in individual male and female classes. However, with the exception of a small number of animals from three district herds, the exhibit was largely comprised of animals from other parts of Quebec; Eastern Ontario; New York State, and Maine. They were judged by J. A. Meyer, Lachute, Que.

In commenting on the Holstein section, Hermas (Gus) Lajoie, Secretary of the Quebec Branch of the Holstein-Friesian Association of Canada, said: "An outstanding show of well prepared animals of high quality, all of whom are owned by practical farmer-breed-

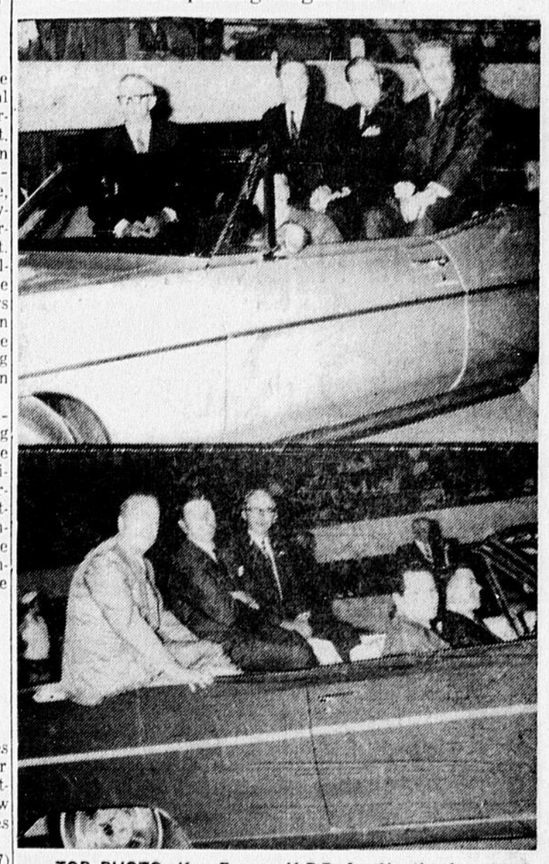
VIP'S On Opening Night Of Exhibition



TOP PHOTO: Ken Fraser, M.P.P. for Huntingdon standing beside Jack Smellie, driver of convertible supplied by Riverside Motors Ltd.; rear, left to right: Ian Watson, Liberal candidate for Laprairie and former Member of Parliament for Chateauguay-Huntingdon-Laprairie; George Kennedy, Liberal Member at Quebec for Chateauguay; Gerald Laniel, Liberal candidate for Beauharnois in June 25th election.

BOTTOM: Mayor Bruneau Beaulieu of Ormstown seated beside driver of convertible supplied by Dandurand Automobile Inc.; rear, left to right: Robert Trudeau, U.N. candidate in Chateauguay in last provincial election; Mayor Fernand Byette of St. Urbain, Warden for County of Chateauguay; Mayor J. P. Riendeau, St. Malachie d'Ormstown.

This and that in town

✓ DUNDEE — Franklin Cameron secretary-treasurer for the Protestant School Board of this Municipality has been advised by the Minister of Education at Quebec that by Order-in-Council No. 1495 dated May 15 1968 the school municipality of Dundee has been annexed to Huntingdon. The change took place for election purposes June 1st and for all other purposes July 1st. In brief Dundee property owners will be paying school taxes at the rate of $5. per hundred dollars of valuation.

✓ PATRICK J. FEENY building contractor and former restaurateur states that the best plows in use today are to be found in Glenelm County of Huntingdon. Pat says "They are much superior to the Fleury plows." No waste of land around fences or stones, they plow right up to fences sometimes beyond without breaking a single strand of wire. No repairs, we never saw the owner tightening a nut although there are plenty of nuts there. Self-oiled there are four oil cans around but we never saw them being used. Used also at times to landscape neighbours' lawns, especially around trees.

✓ GUESS WHAT? The above is Pat Feeny's account (already going the rounds with probably Rolfe's Store as the nucleus) of Richard Runnall's PIGS at the former Dave Brown place which Rick now owns and where Pat is building a 109' x 36' hog barn.

✓ LACROSSE STICK FACTORY BURNED — About 6 a.m. on Tuesday of the past week the Lacrosse Stick Factory of Cornwall Island was gutted by fire. One of two such factories in the world, some 75 to 80 men and women were on the payroll. Production averaged 150 Lacrosse sticks weekly. Owners say it would cost $90,000 to replace the operation. The only other Lacrosse stick factory is located at nearby Hogansburg, N.Y.

✓ SINCERE CONGRATULATIONS to Stewart Tedstone of Chateauguay, formerly of Huntingdon, who was awarded his B. Sc. in Agriculture at the recent McGill Convocations. When he became aware some years ago that he wasn't eligible for further promotion in his field with Merck & Co. without a university degree, he began an intensive night course at McGill for which effort he received his well-earned reward. Married to the former Miss Rita Trépanier of St. Anicet, he has been living in Chateauguay for some years. He will be remembered by many older local residents as the only son of the late Bill Tedstone, owner of the former Tedstone Bakery and Restaurant on Chateauguay St.

✓ YES, MASTER JACK — it's a strange, strange world we live in. At one time, three or four years of readin' ritin' and rithmetic were all that was necessary to get along pretty well. One teacher taught as many as 60 and more students, ranging in age from probably 7 to 15-plus, in the little red schoolhouse that disappeared a long, long time ago. Disappeared with higher education and higher taxes we're told. Consolidated schools replaced the one-room country schools. Tommy and Mary learned more and when they finished at the consolidated schools they often went on to universities. Nowadays we have huge elementary schools (formerly our high schools) and gigantic regional schools. We still haven't reached the point that we have as many teachers as students and we really don't think that day will ever come, but we have reached the point where very few of the teachers are known to the parents of Tommy and Mary. Sometimes one gets the impression that teachers don't want to know any parents. Add to this the fact that nobody outside the gigantic schools knows much about what 'education' consists of within and, Master Jack, it is a strange, strange world. After all, school taxes are jumping and even taxpayers who aren't parents of students are concerned too. If these parents and taxpayers are treated like the backward student in the little red schoolhouse who wore a dunce cap day in and day out then the day may come, Master Jack, when these people will ask a lot of questions and expect a lot of facts.

✓ OTIS HURLEY of Chateaugay, N.Y. recently shot and killed a forty-pound wolf that was plaguing livestock in the community. That's a fair-size wolf Otis, wonder if he was related to the pack in the Tea Field area near Huntingdon.

✓ BOBBY MACKETT, rated by some of the world's top trumpet players is appearing with his band at the Crossroads Restaurant at Moira, N.Y. nightly until next Sunday. With him are three of the finest musicians in the business, Dave McKenna on piano, Morey Field drums and Buddy Jones on bass. Incidentally, 'twas Bobby who provided the music for the first six hit albums of Jackie Gleason. Seems The Crossroads, popular with so many Chateauguay Valley couples, booked Bobby for two weeks but due to recording commitments he'll only be around for one week. That's 8:30 to 1:30 nightly at the Cafe de la Paix of The Crossroads, folks.

✓ WALTER DONNELLY who lives on Fairview Road reports that a 2½-year-old registered heifer was killed by lightning last Wednesday, June 5 about 3:45 p.m. on his farm. There were only two heavy bolts of lightning and this is the first animal to be thus killed on the farm in a lifetime.

✓ EIGHT-POUND TROUT — Just a little something to make some of you anglers turn green with envy: a Fort Covington, N.Y. resident, A. Mainville, landed an 8-lb. plus trout out of the Little Salmon River one day last week.

✓ ELECTED — The local Roman Catholic population voted Mrs. Theresa Galipeau and Mr. Fernand Guerette their representatives on the school board for the ensuing term.

✓ BONANZA — too bad television channels were cleared Sunday evening for that so-called debate. While everyone in Huntingdon County is doubtlessly planning to cast a ballot on the 25th, it's actually not too difficult to escape election fever in this election because of the redistribution blunder. Plenty of work is necessary by all candidates in order to avoid a light turnout at the polls.

✓ AND JUST WHO do you think breezed into The Gleaner Office for a brief visit yesterday (Tusday) p.m.? None other than Mrs. Joan Smythe of Los Angeles, California. Joan arrived at Massena by plane on Saturday to attend the wedding of Linda, daughter of Mr. and Mrs. Stan Britain, to Graham James of Greenwich, Conn. Unfortunately, the former Huntingdon Motors Inc. steno is leaving today (Wednesday) and will therefore be unable to meet many local friends on such a brief visit. Incidentally, Joan lives only 12 minutes by car from the Ambassador Hotel where Senator Robert F. Kennedy was mortally wounded last week. A true Los Angeles (e, er, ite, ian?) now, she says everyone in Los Angeles is so ashamed and heartdroken. Don't think that millions the world over feel any different, Joan.

✓ SO — The '68 Ormstown Ex is over and it was a whopping success. Next, on the 29th the Ex Grounds will be the site for the biggest and best Caledonian Society of Montreal Highland Games. Reverend Allan Hasson, chairman, estimates that upwards of 40,000 people will converge on Ormstown for the one-day festival. Pipe bands from Canada, the U.S.A. and overseas will take part in the gala event. Persons with advance tickets still on hand are urged to return them to the Hospital Auxiliaries immediately as the Auxiliaries will be held liable for unsold tickets. Local people who know Mr. George Cohen, publicity manager for the Caledonian Highland Games, or who are aware of his past work on behalf of benevolent societies, will be grieved to learn that he recently suffered a heart seizure and is hospitalized.

✓ TALKING ABOUT HOSPITALS-friends of Nelson 'Red' White wish him a speedy recovery from a heart condition that made him a patient in the County Hospital last Friday.

✓ NOW DOCTORS — We overheard one of Ourtown's three M.D.'s mention last week that in eleven years of elementary and high school he only missed ONE HALF DAY. (May get shot for this, those Rusty-haired fellows lose their cool p.d.q.)

✓ GLEANER READERS will be pleased to know that News Ed and Mrs. Smith are enjoying their vacation in England. They have visited Huntingdon, England and visited with the mayor and other dignitaries. They enjoyed dinner one evening at an English 'pub' and would you believe they drank nothing 'stronger than tea'? Yes sir, this time we believe you.

✓ NORMAND FORTIN, president of Hemmingford Sport & Country Club informed us this a.m. (Wednesday) when we phoned him that the week-long golforama celebrating the official opening of 'the back nine' is exceeding all expectations. (See agenda etc., on the Hemmingford pages in this issue).

✓ "4th DIMENSION — CVR '68" — first yearbook produced in the new Chateauguay Valley Regional High School, is now in the hands of the editorial staff. Miss Brenda Blair, editor, and her staff faced a real problem some ninety days ago when advance orders for the handsome hard-covered 100-odd page annuals were slow in being given. The year book staff really feared they were going out on a limb when they oredred 500 copies on one of those cold and windy March days. We at The Gleaner have red faces though because we only ordered the exact amount of covers from Toronto and some two dozen of these were damaged in Montreal where confreres helped us out in processing the covers. As a result only 471 were delivered. Students and staff arclaim the "4th Dimension — C.V.R. '68" one of the best school yearbooks they have seen and quite probably another 500 would still have been insufficient. The yearbook staff and members of the teaching staff who acted as advisors are to be highly commended for the excellent publication. With a straight face, we predict they will command many times their original price in years to come. Would you believe months, weeks days? We would.

✓ WATCH WALLETS — Fellowmen, if eyes are cast in the direction of your posteriors don't think anybody is admiring your fat fannies, it's your fat wallets they have eyes for. A Huntingdon garage owner learned this to the tune of $250 Monday night in Valleyfield. Seems when he returned home from a bingo binge, he discovered his wallet was gone from his hip pocket. He returned to Valleyfield and notified city police who informed him he was the third victim of pickpocketing that day.

✓ NEW DIRECTORIES from Bell of Canada are being distributed. The outside cover for the June 1968 issue appears identical to the October 1967 book, blue and green. Directions for calling between Huntingdon-Ormstown-Valleyfield are given in French on the blue pages and in English on pink pages.

✓ ANOTHER POSTAL STRIKE& Need we say more?

✓ HUNTINGDON ROTARIANS heard Dr. Boyer of Valleyfield at their regular luncheon meeting on Monday at The Chateau. Dr. Boyer's talk was about the Cité des Arts et Sports near the Hotel-Dieu in that city. The doctor has been one of the principal figures responsible for the realization of the community project. A guest of Rotarian Jean-Louis Trepanier, he was thanked by Rotarian Hector Provost. Guests were Messrs. Armand Miron, Arthur Vinet and René Lancot, all of Valleyfield.

✓ WINNER of Hot Water Tank Drawing held at Blue Gas Booth at Ormstown Fair, was Mrs. Albertine Leboeuf, St. Etienne. Winning ticket was drawn by Miss Fleurette Descent of Howick.

✓ COUNTY CIVIC CENTRE officials are gratified with donations received from the public during the past week. Mr. Richard Tinker reports these came from Richer & Freres Ltd., Anonymous, Alexander Fawcett, Betty E. Beal, Lawrence E. Bergevin, Frank Balada, Eddie Robidoux, Mr. and Mrs. Rupert Hawley, Mr. and Mrs. Malcolm Arnold, Mr. and Mrs. Merrill Smith, Mrs. Anne Shattuck, Lucien Groleau, Mrs. John Wilson, Gerald Murphy, Harold McCaffrey, Eliane Lasalle, Thomas Bell, Georges Dompierre, Mrs. Bertha Lennox, Louis Fortin, Harold Whyte, Bernard Sauvé, Gerald Brisebois, Romain Menard, Dr. George Lefebvre. There just may be enough funds to pay for the Frost wire fence, approximately $2,000 and if so, the pool might open for the 22nd. The pool is not open yet despite the fact that children were in it last week. Those involved were severely reprimanded but because of the incident it has been necessary to hire and pay a guard to make certain the pool is not used (if a drowning occurred without fences, lifeguards, safety equipment, etc. one can well imagine the trouble). Hereafter anyone apprehended in the pool before authorization is given will be subject to a $20. fine.

✓ ABOVE IS ENCOURAGING, but there isn't a red cent for a building. A place to change is a necessity, likewise showers if people want to swin in clean water, likewise toilets for the same reason. Nothing fancy, but the essentials are a must. Response to last week's plea was encouraging but there are still many well-meaning people who are planning to help out but who have been too busy for various reasons to write out their cheques and send them to Dick Tinker or Ann Cameron. Please, as the warm weather is here now and school will soon be out, remember the children and make your donations now, large or small. This is a community effort and must be a success, otherwie what about future projects? Besides, look at the improvement to the town.... we'll all be proud of the picnic area, the walks, etc. Give generously it will do your old ticker good.

BROADCAST SEPTEMBER 6th

Frank Heron, CBC Producer Of Ormstown's 'Country Holiday', Offers Thanks To Music Lovers

The above photo was taken at the "CBC Country Holiday" music show staged at the arena of Ormstown Exhibition last Tuesday evening. Crazy Elmer, King of Country Comedy from Wheeling, West Virginia is standing at the microphone in the foreground. The musicians in the back are part of the group known as Red Smiley and the Blue grass Cut-Ups. They gave a fine performance and were favourites with the audience.

There are several ingredients needed to present a show such as Country Holiday and make that presentation a success. You have to have the artists, and I think CBC presented some of the greatest in the country field. Our own Bobby Hill and the Canadian Country Boys have often been heard on the network and have always registered well with audiences. Linda Lou has appeared with Bob on his own show along with Dougie Trineer, Paul Menard and Ronald D. Scott, so I was certain of strong performances there. Johnny Carignan is always a well liked fiddler and again I was sure he would go well at the Ormstown Exhibition.

Adding entertainers from the United States can often backfire. Sometimes you pick a name you think will be really great only to find they don't draw well, or they haven't got what is needed to blend with the other entertainers... there are any number of things that can go wrong. Here I must give credit two ways. First, to Bobby Hill who chose them so carefully, and then of course to Red Smiley himself, to Crazy Elmer and naturally to that fine performer, Mac Wiseman.

The only part of the production that didn't work out as far as I was concerned was a problem 'beyond our control'. I refer to the six or seven hundred people who were in the end seats and behind the stage. I won't get too far into the technical end here, but with the type of presentation we had it had been clearly explained to the Fair Committee that these seats were not to be used. At no time was there any possibility that we could put speakers into that area without damaging the radio broadcast itself. We were told not to worry as we could expect at the most a thousand people (and even that was not too probable as another country show with a big name had drawn seven hundred and fifty) and that there were plenty of seats in the area where the sound was to be presented properly.

I know the sound people were very disappointed when these seats were used because even though there was never any intention of sound being heard there, the people who filled the area would not excuse them, not being aware of the situation as it really was.

Perhaps the blame lies with Keith Howden and the Huntingdon Gleaner for taking the publicity job so seriously. Perhaps the blame is on the shoulders of the stars who turned out to be so popular. I talked to many of the folks who sat in the 'dead' area and they said that although they couldn't hear the talk and had trouble with most of the vocals they did hear Red Smiley and the Cut Ups and felt that even though they didn't get everything, what they got was well worthwhile.

As the producer of the show I would like to thank the many fans who turned out, and the many people who helped make the show such a hit. Another season will see us back in the area I'm sure, and with seats on the actual arena floor if we need them. Meantime, you folks who saw but didn't hear the show will have the chance on Friday September the 6th to hear it and remember what you saw when Charlie Gurski first announced... "From Ormstown... CBC presents... Country Holiday". The show comes on CBM 940 on your dial at three minutes past eight. I'll be listening along with you.

Frank Heron.

MR. JEAN MARCHAND IN VALLEYFIELD

All those who heard Mr. Jean Marchand's speech were unanimous in their praise for the clarity and force of persuasion of his words. Mr. Marchand, above, with Mr. Roger Boisvert, vice-president of the Liberal Federation for Beauharnois County, Mr. Gérald Laniel liberal candidate for the County and Kenneth Fraser, M.L.A.

Police Report

An accident occurred at 1:50 Saturday morning near the G. W. Tolhurst farm at Dewittville when Mrs. Agnes Renaud of Huntingdon lost control of her 1963 Ford sedan on a curve. The driver escaped injury but a passenger, Neddie Parisien also of Huntingdon, suffered minor injuries and was taken to Huntingdon County Hospital by a passing motorist. Damage to the car amounted to $1,000. Agent Kyle of the Huntingdon detachment of Q.P.P. investigated.

Agent Authier of the Q.P.P. investigated another week-end accident which occurred in Hinchinbrooke on the Gore Road Lawrence Murphy, age 22, Dollard des Ormeaux, lost control of his car after the wheel passed over a bump near a new bridge that is under construction. He was not injured but this car, a 1967 Oldsmobile, was completely wrecked after it struck a tree.

Agent Ferland is investigating the theft of a calf from the Vianney Bergevin farm on the Dumas Range, near Franklin.

W. I. Meeting

The Dundee W.I. met last Wednesday at the home of Mrs. Hazel Platt. After the opening exercises the ladies described their favourite supper dish for roll call. Mrs. Hugh Farguson, 1st. Vice-President of the county was named as delegate to the annual provincial convention at Macdonald College in June. As the branch is so small and unable to raise money other than by individual giving it was decided to pay her expenses with help from the County. The recent County Convention was discussed and the members expressed their appreciation to all the non-members who had so willingly given of their help. The treasurer told of having to sell a $100 bond to help pay for the convention.

Mrs. T. Stowell gave the address Rosebud Baptist Manse, Rosebud, Alberta as a place to send used cards of all kinds. She also reported about methods of fighting the cabbage maggot. Mrs. Ferguson as citizenship convener told how her daughter, Fay, working for an agency, has to gather information about a person living in the U.S.A. before he can obtain a loan. Mrs. Platt, Home Economics convener, described a cake made with oatflake, which she was serving for supper. Mrs. Alma Fraser read an excerpt from the book "Quebec Mosaic" a W.I. publication, pertaining to Huntingdon and Chateauguay counties. This revived memories of years gone by and an interesting discussion took place. Mrs. G. Smellie remembered hearing her mother-in-law, Mrs. David Smellie, tell about seeing the first train come into Huntingdon. Several told about seeing the old carpets being woven and laid on the floors. Mrs. Platt passed around pictures of places she had seen last winter, also some inexpensive pot-holders which were easy to make. Mrs. Stowell demonstrated a handkerchief with a tatted edge and a coloured thread drawn through the material. A delicious supper was served by the hostess, Mrs. Platt, at the close of the meeting.

Odors

If the frying pan has an odor from frying fish or onions, pour a little vinegar into the pan, heat it to the boiling point and then wash it in the usual manner.

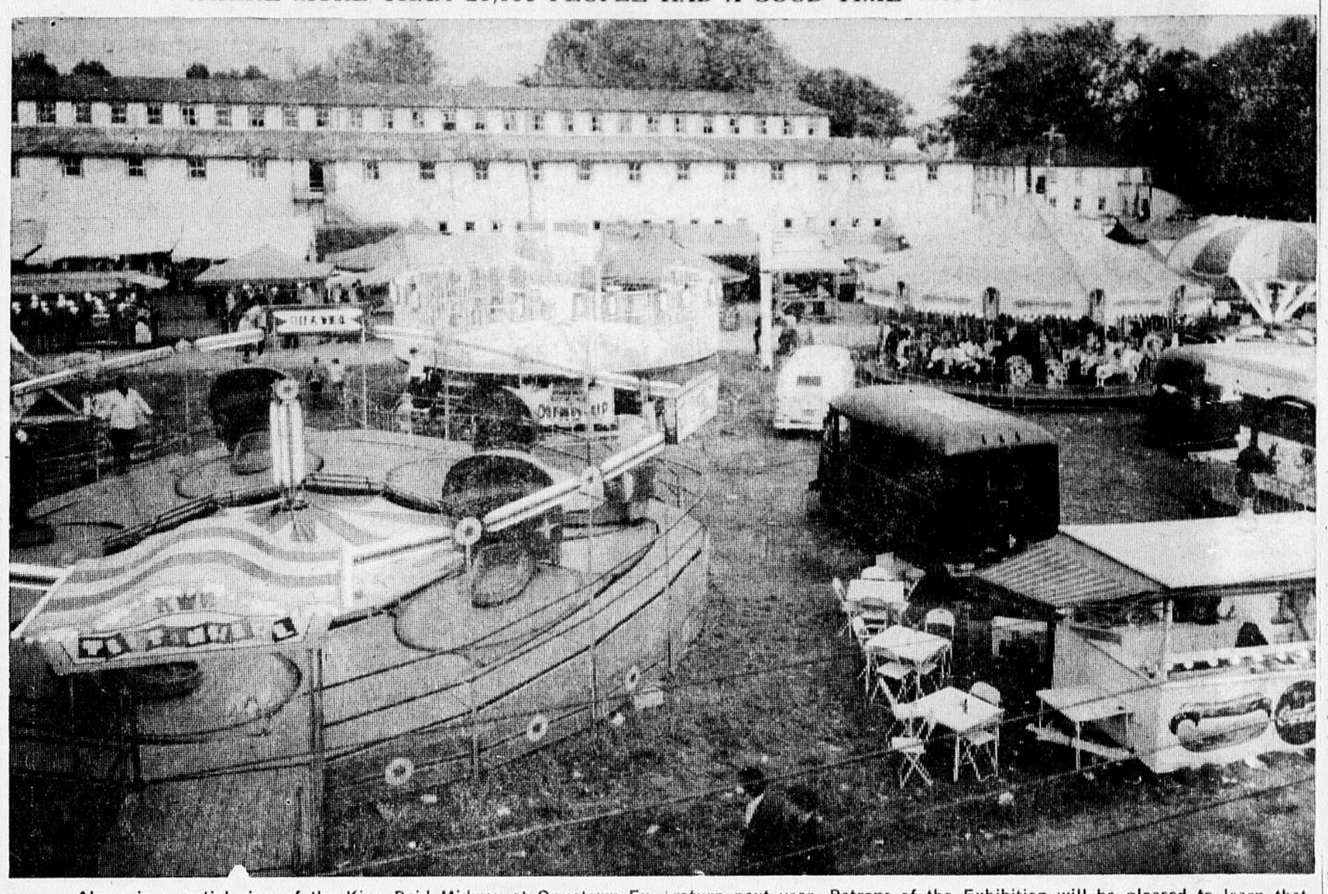
WHERE MORE THAN 20,000 PEOPLE HAD A GOOD TIME LAST WEEK



Above is a partial view of the King Reid Midway at Ormstown Exhibition. There were plenty of rides and attractions for young and old two of which were completely new to Canadians, being imported from Europe quite recently. Officials signed a contract for King Reid Shows to return next year. Patrons of the Exhibition will be pleased to learn that more black-topping is being planned for the midway area; also more stone base around some of the rides.

Ormstown Exhibition

(Continued from page 1)

caused temporary concern but if the instigators hadn't been 'under the influence' there wouldn't even be this to report. A group of motorcyclists were advised in no uncertain manner not to drive their machines around the midway and when they learned that was an order as well as a request, they complied; however, they armed themselves with lengths of chain before viewing the midway but this wasn't necessary as nobody had any intention of bothering them as long as they didn't cause any disturbance.

The Nasser restaurant in the tent near the Industrial Building, a popular rendez-vous for officials and a good part of the public for about thirty years, packed up their equipment for probably the last time. Mike Nasser and his wife Doreen, of Chateauguay, served the public at Ormstown Fair together until three years ago when Mike was victimized by a stroke and since then he has been in a wheelchair. George Chartrand, the other partner, told Carlyle Dickson when he arrived on the grounds that this year he would be using the office phone from time to time to find out if his wife in Montreal was still progressing following a recent sickness. On Saturday there was no answer to his call. Police investigated and found the woman dead. Without informing George of the fatality, one of King Reid's men drove George to his home where he was told the sad news. Needless to say, the concession closed early and gloom descended on those who became aware of the tragedy.

We took a look at the various exhibits and found them plentiful and of good quality. There was a record entry of cattle, both dairy and beef, with several distant exhibitors among them. Judging took place Thursday and Friday. The Junior Farmers had their day on Saturday. There were many entries and competition was keen.

Entries in the horse classes were also increased and the judging of the various classes in the arena, Wednesday, Thursday, Friday afternoons and evenings as well as all day Saturday drew crowds of interested spectators.

There were several entries in the swine, sheep and goat section, for the most part entered by exhibitors from out of the area.

The poultry and rabbit barn was completely filled. One corner that drew particular attention housed 6 - 7 cages of chinchillas of varying ages. While we were there, one young lady was making inquiries about raising some herself One of her questions was "How many pelts do you need for a coat?" Need we say more?

All the booths in the Industrial Building (with the exception of one) were occupied. Some were regular exhibitors, others were new. Among the newcomers The Chateauguay Valley Historical Society booth drew considerable attention. There were several interesting antiques displayed, apple cider was on sale, and literature was on hand to browse through or buy. The upstairs section housed exhibits of home-baking, sewing, knitting, embroidery, quilting, handicrafts, photography, paintings, etc. There were also some interesting looking house plants and cut flowers, two booths selling antiques and jewellery, a booth run by the United Church Women of Ormstown United Church and a junior section devoted to baking, hobbies, etc. The whole display was most interesting and proved the ladies and young people of the Chateauguay Valley take pride in their work and in the fair.

Outside there were numerous car and machinery displays which drew their share of attention.

The King Reid shows completely filled the midway section. We noted new rides, new shows and different games of chance. One such consisted of a clown (alive) seated in a cage above a pool of water. Patrons had the opportunity to throw a ball at two discs which when hit unhooked the clown's seat and he fell out of sight into the tub of water. While we watched he didn't get too many duckings although there was no lack of people trying to unseat him. The midway was kept busy most of the time and many were seen carrying away prizes they had won.

All in all there was something for everyone's taste at this year's Ormstown Exhibition.

Opening Night and other Highlights

The weatherman cooperated beautifully. The days were, for the most part, sunny and warm. There was a rain shower Saturday evening but it had little adverse effect.

The Country Music Show Tuesday evening, although actually not part of the exhibition got things off to a fine start with a large and enthusiastic audience.

The opening night parade, Wednesday through the streets of town to the arena on the fairgrounds was led by the Ormstown Band, under the direction of Bandmaster Lindsay Cullen and the Rhythmettes, Three floats 'School Days' entered by grade six of Ormstown Elementary School, 'Le Joyeux Quadrille' entered by Notre Dame du Rosaire School and 'It's a Mad, Mad World' by grade 4 of Ormstown Elementary School were colourful and imaginative. Much thought time and labour must have gone into the designing and making of the floats and both Ormstown schools should be congratulated on this effort to make the opening night of Ormstown Exhibition a success. Groups of Brownies, Guides, Cubs and Scouts with their leaders, formed marching groups and two open cars carried the various civic officials. It is worthy of note that 15-20 junior members were in the band and were making their first appearance at the fair. They made a creditable showing and we feel assured of the continuance of the band and they are a credit to the interest and teaching ability of the bandmaster.

Mr. B. L. McGerrigle was responsible for the arrangements of the opening ceremonies and the parade and he acted as Master of Ceremonies for the opening programme.

He called on Mr. John Dickson, President of the Exhibition, who welcomed the people to the fair and introduced the officials present. They were Mayor Jean-Paul Riendeau of the Parish of St Malachie d'Ormstown, Mayor Bruno Beaulieu of the Village of Ormstown, Mayor Fernand Byette of St. Urbain and Warden of the County of Chateauguay, Mr. Robert Trudeau of Chateauguay, a representative of the Provincial government, Mr. George Kennedy, M.P.P. for Chateauguay County, Mr Kenneth Fraser, M.P.P. for Huntingdon County, Mr. Gerald Laniel, M.P. for Chateauguay County and Mr. Ian Watson, M.P. for Chateauguay-Huntingdon-Laprairie.

An innovation in this year's opening was the absence of speeches.

Mr. John Whitehead, 1st Vice-President of the exhibition officially opened the fair and the band played 'O Canada' and 'God Save The Queen".

This done the exhibition got off to its official start and the parade was cleared from the arena. The band and Rhythmettes returned but due to a limited time allowance they gave an abbreviated performance of baton twirling and dancing which was very well executed and warmly applauded. This same group returned Saturday evening for a more complete performance. Probably the highlights of this were the twirling of a fire baton by Band Majorette Judy Aldridge and the Rhythmettes' routine performed to the music of Tijuana Taxi. The teacher for the majorettes was Mrs. Dawn Brown and in recognition of her efforts two girls, on behalf of all the group presented her with a lovely basket of flowers.

The rest of the evening was given over to the horse show events.

Thursday evening the Chateauguay Valley Pipe Band was the feature attraction in the arena. They played very well and received a generous amount of applause for their performance.

The highlights Friday evening was possibly the Green Giant of Canada Calf Scramble. It provided plenty of thrills and laughs and the names of the lucky boys who were fortunate enough to catch and subdue a steer as well as all those who tried will be announced in another column. Again seats in the arena were at a premium.

The drawing to aid the welfare work of the Ormstown Lions Club was made prior to the Rhythmettes' Performance Saturday evening. Ten names were drawn. The winner of the 1st prize of a $500 Canada Savings Bond was announced as Mr. W. A. Dudgeon of Montreal. The remaining nine winners of $10 each were not immediately announced but appear in an advertisement in this issue.

Weddings

Thurston-Notation

Sharon Ann Notation became the bride of Orrick Joseph Thurston of Cloverdale, B.C. on Friday, April 5th. Rev. Ralph Haynes officiated at the candlelight evening ceremony in the Church of the Redeemer Cloverdale, B.C. Miss Joyce Upex played the organ for the service.

The bride is the eldest daughter of Mrs. Joyce Sykes and the late William Notation. The groom is the son of Mr. and Mrs. Humphrey Thurston of St Anicet who motored to the Coast to attend the wedding.

Given in marriage by her step-father, Mr. Nicholas Sykes, of El Rancho, Cloverdale, B.C. the radiant bride wore a dress of white peau d'elegance in a cage design of lace over satin with train from the shoulderline edged in Brussels lace. Her bouffant four tier veil was held by a pearl tiara. She carried a bouquet of red roses and white carnations. Her only jewelery was a sapphire blue bracelet representing "something blue and something borrowed" from her maternal grandmother, Mrs. Syd Godfrey of Vancouver.

Maid of honour, Miss Judy McClinton and bridesmaid Miss Lynn O'Neil wore floor-length cage style lace over tin dresses in deep pink with ow and streamer at the V-back, lace edged neckline wit eau-de-sair and headpieces of two tier veiling and rose otif. The bride's sister, Miss ydney Sykes, also a brides aid wore a contrasting gown shade of mauve in the same ntone.

The little flowergirls Misses Donna Lien and Debbie Sykes ore dresses in white lace calloped hemline with satin ow and streamers in pink and auve and carried nosegay ouquets in pink and mauve hrysanthemums with headands in matched shades.

The best man was Mr. Leo raenning, and the ushers lessrs Lymon and Glenn hurston, younger brothers of e groom. Miss Ann Thurston, the groom's sister who otored to the coast from Quebec with her parents espeially to attend the wedding as in charge of the guest book.

A dinner dance reception ollowed the ceremony held at the Dogwood Room of Fern ood Acres, North Surrey. Receiving the guests the bride's nother wore a two-piece white ensemble with silver bead trim nd accessories in blush pink nd a corsage of pink carnaions. The groom's mother hose a floral ice blue print lk dress with white accessries and he corsage was of hite carnations.

Toast to the bride was given y Herbert Heys, of Vancouver the bride's godfather. A special toast to the parents of the bride and groom was given by Victor Rockson of Fort Langley, a close family friend of the bride.

Congratulations were received from the United States, and from Australia. Mr. Vic Pearce and his orchestra played for the evening.

The bride's going away costume was a two-piece Italian knit cardinal red suit with wheat-beige topcoat and accessories. She wore a corsage of white carnations. The couple left for their honeymoon trip to Victoria then south to Washington State and Puget Sound motor tour. They are now making their home at "The Firs", Apartment 1, 56th Avenue, Langley, B.C.

Cleaning Jewellery

Jewellery can be cleaned quite easily by washing it in warm water and soap. If very dirty, use a soft brush on which a little soap has been rubbed. Another excellent cleanser is a teaspoonful of ammonia in a teacupful of warm water. After any of these cleanings be sure to rinse the article in cold water and polish with a chamois.

Miron: A CANDIDATE "ON THE GO"

Mr. Armand Miron is a most active man these days. We have seldom seen a man with such vigor, so preoccupied with maintaining relations with the public. Always smiling, he greets everyone courteously, listens to their problems and gives advice to the best of the experience he has acquired through life. This future member of parliament takes part in many activities.

Saturday, June 1st, he was among the guests at the going-away reception for Father Vianet, son of Mr. and Mrs. Aldéric Vinet of Valleyfield. The same day, the guests at the official opening of the Club Nautique of Valleyfield noticed his presence. In the evening, he attended the 25th wedding anniversary of Mr. and Mrs. Jean Paul. The party was held at the Valleyfield Golf Club.

On Sunday, the residents of St. Anicet had the opportunity to talk to him on the church steps. Many were pleased to shake hands with this man who takes an interest in everyone. Everywhere he goes, Mr. Miron leaves a good impression and an atmosphere of confidence. In the evening, he was at l'Escale, anchored at Valleyfield, where a play was given, the profits of which will go towards the charitable causes of the diocese.

Future meeting

The candidate is anxious to meet as many electors as possible. He will hold meetings in the evening, Thursday, June 13 at 8:30, he will be at Marie-Rose in St-Timothée and Saturday, June 15, he will be in Huntingdon at Notre-Dame School.

All electors, men and women alike, are welcome to those meetings. The candidate will take pleasure in discussing with them the politics of our country, Canada.

Communique from P. Conservative Committee.

INCREASED BENEFITS IN 1968

Beneficiaries of the Quebec Pension Plan will receive higher payments as from January 1968.

This increase in the retirement pensions follows a rise in the Pension Index from 141.2 for 1967 to 144.0 for 1968.

This Index is calculated annually, in accordance with the provisions of the Plan, by the Department of Revenue. It can not increase by more than 3 per cent per year, nor can it be reduced.

The higher Index means that pensions paid in 1967 have been increased by 2 per cent since the beginning of the year.

Survivors' Benefits

The amounts of Survivors' benefits will also be affected. For instance, the orphan's pension and the basic amount of the widow's and disabled widower's pension will rise from $25.00 to $25.50 a month in 1968.

The maximum death benefit payable this year will amount to $510, representing 10 per cent of the maximum pensionable earnings for the year.

First Aid Kit Essentials

CHICAGO Ill. (WMNS). — With millions of home and car accidents a year, it is best, advises the American Medical Association to keep a well stocked first-aid kit readily available. Here's what the Association regards as the essentials for a first-aid kit:

● Individual 2 x 2 and 4 x 4-inch sterile dressings; one-inch wide by five-yard roller bandages; roll of adhesive tape; bath towels and bed sheets which can be cut up; triangular bandage (37-inch by 37-inch) for a sling, dressing, or as a covering.

● Safety pins; blunt-tip scissors, tweezers, measuring spoons, eye dropper, wooden tongue depressors; splints (about 12 to 14 inches long by 1/4-inch thick and 3½ inches wide); wide strip of cloth or flexible rubber tubing 20 inches long to use as a tourniquet.

● A bar of mild soap; paper drinking cups; flashlight (with working batteries); syrup of ipecac to induce vomiting; essential personal prescriptions; first aid guide book.

Apple Pie

The next time you serve apple pie, slather it with whipped cream and sprinkle with chopped walnuts. It will be a delicious change.

Hot Plates

If the supply of hot water is too intense to put the hand in, in order to lessen the danger of boiling water to [illegible] before serving the meal.

Parents and Taxpayers of Huntingdon

Well informed of the recommendations of the Department of Education, you have elected on Monday, the candidate of your choice to represent you on the School Board.

I am well aware of your desire concerning the financial and pedagogical administration of our schools and I intend to give an honest response to the confidence bestowed upon me.

Sincerely,

Thérèse Galipeau

Editorial Notes..

54th Annual Fair In '68
Best By Far To Date

THE fifty-fourth annual Ormstown Exhibition ended late Saturday evening and once again The Gleaner derives sincere pleasure in announcing the event was an overwhelming success from start to finish. Recognized as the foremost exhibition in Eastern Canada, this envious reputation was not gained overnight, so to speak: in all the years that Ormstown Exhibition has been successfully operating, men of wisdom and foresight have been at the helm. Steady growth in entries, gate admission, grounds improvements, midway, etc., reflect directly on the already excellent prestige the show enjoys. Everything about the '68 Ormstown Exhibition is being acclaimed as bigger and better and for that reason this newspaper wishes to publicly congratulate the officials: President John K. Dickson; 1st vice-president Dr. John Whitehead; 2nd vice-president Douglas Ness; directors Archie A. McCormick, Bury L. McGerrigle; secretary-treasurer Carlyle Dickson and last, but by no means least, the latter's very capable assisant, Darryl Lang. Alone, however, these leaders would have been unable to produce such a successful event and congratulations are also owing to the men and women on the many committees that are required to make the wheels of the great show wagon run smoothly and efficiently. The exhibitors and competitors, even the fair-goers, from the youngest to the oldest . . . all help to make Ormstown something the Chateauguay Valley can be truly proud of.

Entertainment is something everyone looks forward to at the Exhibition and this year Ormstown had a full quota. For instance, the ever-popular Calf Scramble sponsored by Green Giant of Canada at Ste. Martine. The calves this year were the most ornery critters we've ever seen. The young fellows who took part in the scramble provided real entertainment for everyone in the arena on Friday evening and they deserved the big rounds of applause that echoed and re-echoed in the big building. The pony potato races were fun too. The opening night parade with the floats and youngsters was something to see and the band and majorettes provided plenty of variety. It takes a variety of attractions and considerable amusement for people to be really satisfied and this year offered plenty of both. Horse fanciers, of course, really couldn't have asked for anything better in the arena.

The '68 Ormstown Exhibition, scheduled for Wednesday through Saturday, actually started a day ahead of time. The officials again are to be commended. Several months ago Frank Heron and Bobby Hill of the CBC approached the Board with the proposition that Ormstown Arena would be an ideal site for a radio programme. The Dickson brothers and the rest of the officials not only agreed but suggested that patrons would like to see the show tied in with the fair and suggested the night before the official opening. Once again their foresight proved correct and the CBC-sponsored country radio show proved a resounding success. So much so that not only were Exhibition officials happy but Frank Heron and Bobby Hill hinted the CBC just might be interested in making the show an annual event.

We would be remiss if we didn't mention the King Reid Midway. Under new management due to the death of the former owner, officials were concerned. The King Reid Midway had always been popular at Ormstown . . . would the new owner provide the same calibre of amusement? The officials needn't have worried, the midway was top-notch; more rides, newer and bigger; more side-shows; more games; better food stands . . . all flashily illuminated.

Mrs. Dorinda Fuller of London, Ontario, official horse show Judge and Mr. James B. "Scotty" Sellars of Montreal, ringmaster carried out their duties with dispach and decorum. In more than one instance they handled more than fifty horses in one class, yet spectators noticed and appreciated that delays if any at all, were minimal. The same was not always true at Ormstown Exhibition and patrons of bygone years were sometimes heard to complain when judging continued until long after midnight. Mrs. Fuller, in the words of 2nd Vice-President Douglas Ness, "Lives and talks horses and farming. She would rather go without eating than have the show start late." Disappointing, however, is the news that Ringmaster "Scotty" will not be presiding at future Ormstown Exhibitions . . . he plans to retire in Vancouver in the near future. "Au revoir" to a good and faithful friend, Scotty.

Those Confidence Tricks

THERE are some things which we cannot always understand. One of them is how people can fall for this Bank Inspector Racket. A short time ago, some people in Chateauguay, Que. were almost duped by such a confidence game.

The telephone is a handy instrument in many ways, but its use sometimes should be questioned. People's bank accounts should be a sort of sacred trust between themselves and the bank. It is known that sometimes a call will come from the bank, "This is the accountant, can you drop in today, a cheque has come in and your account is a little short." Or it may be your signature is required on a document. Now these things you know about and you know who is talking.

When a 'strange' voice calls and gives a line that the bank is out to catch someone on the staff who is tampering with accounts and asks you to withdraw a large sum and hand it to the person, then this should immediately arouse suspicion. Banks don't work this way. They have their own methods of tracing suspects and without involving customers or their accounts.

Of course, it is possible to be taken off guard for a moment, but take time to analyse the proposition. Tell the caller you will call in at the bank and get more details. Try and get some identification of the caller and ask why he should be calling you in particular. Notify the bank and the police so they may keep a lookout for people withdrawing large amounts of money and who may be duped by this same operator.

This is not the only type of racket People receive calls with offers of TV sets and other articles that can be acquired away below cost, even cars and such. If a case is really genuine, the person offering the article will be known to the prospective buyer and at least something can be found out about it. If it is a stranger, take a little time to investigate, for it could be you may be buying stolen property.

Our advice is when dealing with strangers, always make sure to find out more about the transaction and do not part with money until you have at least something to prove the deal and trace the party.

GUNION — BELL WEDDING

Mr. and Mrs. John S. Gunion whose wedding took place June 1st, 1968 at St. Andrew's Presbyterian Church in Huntingdon. The bride was the former Miss Constance A. Bell, daughter of Mr. and Mrs. Thomas C. Bell of Huntingdon. Mr. John S. Gunion is the son of Mr. and Mrs. Thomas C. Gunion of Athelstan, formerly of Montreal.

The marriage of Miss Constance A. Bell, daughter of Mr. and Mr. Thomas C. Bell of Huntingdon, to Mr. John S. Gunion, son of Mr. and Mrs. Thomas C. Gunion of Athelstan, formerly of Pointe Claire, Montreal, took place at St. Andrew's Presbyterian Church in Huntingdon, on Saturday, June 1, at 1 P.M. The Rev. George McMichen officiated. Standards of pink and white snapdragons, gladioli, carnations and tulips decorated the church.

The bride given in marriage by her father, chose a floor length silk crepe gown styled with an Empire waist and straight cut skirt. The bodice and long sleeves were chantilly lace with a scalloped sweetheart neckline. A full cathedral train of matching lace swept from the shoulders. Her very full veil of tulle illusion was held by a cluster or organza lillies with seed pearl trim. She wore a necklace of cultured pearls, a gift from the groom. She carried a Dutch colonial bouquet of pink Sweetheart roses and lily of the valley draped with green fern.

The Matron of Honor, Mrs. Howard McCracken, wore a full flowing coral sleeveless chiffon gown with roses of the same material circling the round neckline, Marlene carried a cascade bouquet of lavender pompoms tied with a white bow. Her headdress was a matching coral pill box hat with short veil.

Miss Judy Gunion, sister of the groom, wore an identical dress of coral chiffon and carried a rounded cascade bouquet of lavender pompoms with white streamers. She also wore a matching pill box hat with short veil.

The groom, dressed in a dark blue suit, was attended by his best man, Mr. Jacques Malofy of Athelstan and the usher was Mr. George Bell, brother of the bride from Windsor, N.S.

The mother of the bride wore a turquoise blue ensemble with silver accessories.

Mrs. Isabel Gunion, mother of the groom, wore a print shantung ensemble with brown squirrel stole and yellow accessories.

During the signing of the register hymn number 705 was played by Mrs. Smellie, and sung by Mr. and Mrs. Gordon Tannahill, second cousins of the bride.

Following the reception held at the Rod and Gun Club and Yacht Club the happy bride and groom left for a trip to the Laurentians.

For travelling the bride wore a navy blue linen dress with white accessories and a wrist corsage of yellow rosebuds.

Out-of-town guests attended from Vancouver, B.C., Windsor, N.S., Trenton, Kingston, Hamilton, Montreal, Ste. Therese-en-Haut, Quebec and St. Jean.

LETTERS to the EDITOR

The Editor,
The Huntingdon Gleaner,
Huntingdon, P.Q.

Dear Sir,

The report in last week's Gleaner regarding the meeting held at the Chateauguay Valley Regional High School raises some very disturbing questions.

The law requires a public meeting of parents and teachers to be called to elect a workshop to study Regulation I of the Parent Report, and to report back at a later date with their recommendations. To our knowledge these public meetings were not called. A few parents called together privately from past schools in the area is not an adequate substitute.

This raises a very disturbing question in our minds. Why did the school authorities become party to something that, if not illegal, is certainly contrary to the spirit of the regulation?

Later in the meeting a Home and School Association was formed, without the meeting being called for this purpose, and without any teachers being invited to the meeting. Again this raises in our minds the same question of the school authorities.

The recommendations in the Parent Report safeguard the rights of the parents and the taxpayers, and allows them to have a say in the development of the higher education in the community. Quebec is the only province that gives its citizens this right. It is up to us as parents or taxpayers to insist on our rights and to guard our interests.

The local community is justly proud of the school, and the work done in it. We are sure that with exchanges of ideas, and understanding of problems on both sides, this pride will increase, and the education of our children will be a happy and rewarding experience for both teachers and children and parents.

But meetings such as last week's can only end in misunderstandings on all sides.

Yours faithfully,
J.C. Johnson, M.D.
G.L. Sutton, M.D.

The Editor,
The Huntingdon Gleaner

Sir,

Having attended the parents meeting held at C.V.R.H.S. on May 28, '68 regarding Regulation 1. One where there was a representative group of parents, although small in number, I would like to express my thanks to Mr. McIlravey and his group.

Mr. McIlravey is to be highly complimented on his efforts to try to get the parents together from all areas, that they may be informed on what needs to be done to help their children get the education they deserve.

I feel that the writer of the article in last week's issue, and the editor, are to be deplored for presenting such an article as was written. If they are so knowledgeable I suggest that they should have made efforts long before this, to present to the parents the information that should be the common knowledge of all parents.

Regarding the editorial in this paper about Home and School where the Gleaner editor does not apparently approve of Home and School Associations. I ask the editor what better means is there for organization of parents, that they be informed as to what is happening at our schools.

I wish the Home and School Association at regional every success and I hope that the Gleaner gives it the publicity that it and the parents deserve.

Yours truly,
An Interested Parent.

Sir:

When I read, see or hear the garbage spewed forth by separatists and that includes those of various political parties, some members of the St. Jean Baptiste Society and even too many members of the clergy I get the same feeling that I get when something slithers out of the grass — a feeling of revulsion.

When they speak of Special Status for Quebec it has always been my opinion that Quebec has had that privilege ever since Canada became a country. Those who wanted to keep speaking the language of their choice and also their customs have been able to do so. This is more than some ethnic groups have been able to do in that great motherland of the separatists — France.

I was born in Quebec and have lived here ever since and I used to go out of my way to watch the St. Jean Baptiste parade but since this Society has been an obvious supporter of separatist propaganda I wouldn't even turn my head to look if they paraded by my window.

Another thing that riles me is when a census is taken, why ask what your ethnic origin is if you are born in Canada? I consider my origin is Canadian — that's good enough for me.

In Memoriam

HOULE — In loving memory of a dear husband and father, John who passed away June 9; 1959.

"The light went out of life for us
The world turned dark and dreary
When God called unto Himself
One we loved so dearly.
Through the time we watched you suffer
We watched you fade away.
Our hearts were almost broken
You fought so hard to stay.
A million times we've missed you
A million times we've cried.
If our love could have saved you
You never would have died."
Forever in our hearts, sadly missed and longed for always.
your wife,
son and daughter
son-in-law and grandchildren

MOORE — In loving memory of a dearly beloved son, Ralphie who passed away June 14, 1963.

"A million tomorrows we would give
If only God had let you live,
From earth to heavenly rest
God took you home to be His guest
God in heaven hear our prayer
Guard our son with tender care
Dear Good Shepherd don't leave him alone
Love him as we did when he was at home.
Although we smile and seem carefree
No one misses you Ralphie more than we.
From your everloving
Father and Mother

MOORE — In loving memory of a dear brother, Ralphie who passed away June 14, 1963.

"We miss you more than anyone knows
As each day passes, the emptiness grows
The tears in our eyes will wipe away
But the aches in our hearts will always stay.
Sadly missed and always remembered by all his brothers and sisters
Albert, Bill; Jimmy, Kathy, Christena, Sylvia and Noreen

ers Of particular qualification are the well attached udders of the females in the senior class."

The male championship went to Kengor T. H. Triumph, first prize winner in a class of 14 senior yearling bulls for Charles Naylor, Lancaster, Ont. The reserve champion male, Welch-Acres Reflection Force, was second in the senior yearling bull class for Gerard Audette, St. Cesaire, Que.

The champion female was Wenron Gallie Alert Babe, a Canadian-bred cow that was first in a class 27 cows, five years old or over, for Stephen Briggs and Peter Heffering, Turner, Maine, U.S.A. Rumour had it that that cow had originally been purchased at $5,000. from Lloyd McRae & Son, Bainsville, Ont. By the way while that old time, former exhibitor, Lloyd McRae & Son had a considerable number of entries, none of them were forward.

The reserve champion female, Jimali Pabst Perseus, was first in a class of 18 three to four year old cows for Jimali Holsteins, North Bangor, N.Y.

Insofar as district exhibits were concerned, it may be noted that O. McRae, Howick, won eight prize in the class of 15 yearling bulls, and fifth in the class of 25 yearling heifers. Murray Templeton, Riverfield won fourth in the class of 17 two year old heifers; seventeenth in the class of 22, three to four year old cows; fifteenth in the class of 18 four year old cows. Mervyn W. Graham, Huntingdon, won third in the class of 22 three to four year old cows. W. R. Tannahill, Huntingdon won the ninth prize in a class of 25 yearling heifers.

THE JERSEY SHOW

Our initial observation of same would be that the Jersey show of some 60 animals in the individual classes was indeed a quality one. There were no local or district exhibitors, and so i was that the animals paraded before the judge, Grant Butcher o Princeton, Ont., were from widely scattered areas, including: J. J. MacKenzie & Son Finch, a regular exhibitor a Ormstown for a considerable number of years; Floyd R Dingwall, Berwick; C. R. MacDonald, Finch; Wayne Keri Campbellford, Stanley Kerr & Sons, Campbellford; Emerson Kin Kaid, Russell, all of Ontario. Jean Paul Dubuc, Douville; Melvin W. Younge, Shawville; Willow Hollow Farm, Shawvile; North River Farm, Lachute, all of Quebec.

The prizes in the various classes were pretty evenly divided by the leading herds in the foregoing list. The male championship and the reserve male championship, respectively, were won by MacKenzie & Son, and C. R. MacDonald. Willow Hollow Farm, Shawville,, won the female championship on Wendybrook Dream's Bella, first prize winner in the 5 year old and over cow class. The second prize winner in the latter class, owned by North River Farms, was reserve female champion.

THE AYRSHIRE SHOW

In commenting on the Ayrshire show which was comprised of some 60 head, J. Douglas MacKechnie, Secretary-Manager of Ayrshire Breeders' Association of Canada, said:

"This Ayrshire Show is regarded by many of the longtime observers I have discussed same with, as the strongest seen at this Exhibition in the last fifteen years. The quality is uniformly good throughout each class with a narrow spread between the top and bottom. The first class brought out 16 entries (the bull calves) which was one of the many difficult classes, because of the evenness of quality, the judge had to place." To which might be added. Another impressive, class was that comprised of cows 5 years old or over. The judge was Jean-Paul Lagace, St. Hyacinthe, Que.

It was comprised to a much greater extent of local or district exhibits than were the other breed shows, including: the Burnside herd of R. R. Ness & Sons Ltd., probably the only cattle herd that has been continuously represented at Ormstown since the inception of same. The Terrace Bank herd of J. Earle Ness & Sons; the Clearbrook herd of A. H. Wilson & Son; the herd of Oscar Vaillancourt, St. Chrysostome; the Balquhidder herd of Archie Roy; the Rockford herd of R. W. McFarlane; the Marbrae herd of R. Brodie MacFarlane; the Colonial Acres, herd of Davies Bros., all more or less old time exhibitors. New or comparatively new exhibitors from this area included J. Arthur MacFarlane, & Sons, Glenelm (a herd that has been in existence since the turn of the century, which is staging an active comeback); Ivan B. Knox, Howick; Allan Kyle, Hemmingford.

From outside this area there were exhibits from the herds of Sydney Mode, Vankleek Hill, Ont.; John P. Bradley & Son, Lachute, Que., and MacGillivray Bros., all now more or less frequent exhibitors a Ormstown. In addition to exhibits from the herds of Fred Bova, Burke, N.Y.; Roger Beaudry, Granby, Que.; Benoit Fleury, Princeville, Que.; Wilson Wesgate, Vankleek Hill, Ont.

The Champion male was Meredith Ladysman, first prize senior yearling bull for Davies Bros. The reserve male champion, Burnside Masters Best, likewise the second prize Senior Yearling bull, was shown by R. R. Ness & Sons Ltd.

The champion and reserve champion female had previously won firs. and second prizes in a magnificent class of 10 cows, 5 years old and over. The champion was Meadowcroft Milkmaid Ann, a Canadian-bred cow owned by Fred Bova, Burke, N.Y. Incidentally, Fred Bova's only entry. Last year she was champion of Malone Fair and at several other similar events. The reserve was, St. Cesaire Jeanine 2nd., for MacGillivray Bros.

R. R. Ness & Sons. Ltd., won first in the only group class — four animals bred and owned by exhibitor; also the Premier Breeder Award. The Premier Exhibitor Award went to Roger Beaudry.

INTER-BREED CLASS

Ayrshire adherents were naturally elated over the outcome of the Cow with the best Udder class, an Inter-breed competition which was judged by the Holstein Judge, J. A. Meyer, Lachute, Que.

In order to be eligible for this class, a cow must have to her credit at least 3 completed records with an average B.C.A. for Milk of 125%. However, the awards were made on a Best Udder basis.

The Ayrshire reserve champion, St. Cesaire Jeanine 2nd owned by MacGillivray Bros. won the first prize, and the other winners were: 2, a Jersey; 3, an Ayrshire; 4, a Jersey; 5, an Ayrshire; 6, a Holstein; 7, a Jersey.

RINGSIDE JUDGING

The Ringside Judging Competition, annually arranged by the Howick-Huntingdon Ayrshire Breeders' Club attracted an appreciable number of competitors. In each instance the contestants marked their cards prior to the placing of the two classes — heifer in milk and aged cow classes — by the official judge. The winners were: Ladies — 1, Miss Sylvia Manson; 2. Mrs. Mary Whyte; 3. Mrs. Bruce Ness.

Males Heifer class — 1. J. B. Cairncross Jr. cows — 1. Jack MacGeorge; 2. W. Erskine Rodger.

C.V.R.H. School Presentations

Chateauguay Valley Regional High School of Ormstown completed its interscholastic sports year with an award assembly last week in which the achievements of the year were recognized. The school received trophies that teams had won during the year. This was followed by awards to individual competitors.

The main trophies that the school received from the teams included the P.A.P.S.B. trophy for the winning the "off island" senior boys Provincial High School Hockey Championship "The Champ Memorial Trophy" for winning the Provincial High School Senior Girls Basketball Championship the C.A.B.A. trophy for winning the Juvenil. Girls Provincial Basketball Championship, the John Bowing Memorial Trophy for winning the Provincial High School Track and Field Championship the Phil Dolen Trophy for winning the Provincial High School Girls Track and Field Championship and the Sir Arthur Curry Cup for winning the senior boys G.M.I.-A.A. Invitational Track Meet.

The best all around athlete award went to John Gillies for boys and Beryl Rodiques for girls. The sportsmanship award was won by Bob Shaw and Barbara Lang. The award for the most improved athlete went to Gates Billette in track and basketball and Donna Story in track and field. The outstanding performance award was given to Norman Piche for hockey, and Beryl Rodiques for track and field. In several sports an award was given for the most valuable player, these awards were won by Roberta Story and Mike Murray in Cross Country, Beryl Rodiques and Gordon Chisholm in Basketball, Norme Piche in Hockey, and Beryl Rodiques and Steve Heizler in track and field.

The most improved athlete awards in individual sports were as follows: Cross Country — Roberta Story and Roger Holmes; Basketball — Bill Stuckey and Celine Childs; Hockey — Toni Chartrand; Track and Field — Donna Story and Wayne Barrington.

Exhibitors From Howick Area Do Well At Ormstown Fair

Academy St., in Howick has been and is alive with work men, cars and trucks, as new buildings go up and grounds are landscaped. Housewives too, on the street have been busy. Wednesday at 10 a.m. Mesdames Murray, Marsden and Crawford emerged from their kitchens and headed for Ormstown Exhibition with a car load of home-baked goodies, knitting, sewing and a painting (Susan Murray).

In the meantime Mrs. Irwin Gebbie and Mrs. May Jones on adjoining streets were preparing their exhibits. Mrs Gebbie showed cut flowers and potted pants. She entered also work done by Mrs. T. T. Gebbie since her 90th birth day, and they were in the 70 years and over class — an afghan, two crotcheted pot holders and pillow cases with crotchet.

Mrs. Jones' exhibits included coleus, cactus, other flowering plants and cut flowers. She feels at home with a mixing spoon too, and her bread and cakes were prize winners.

The country girls had no intention of letting these city slickers walk off wih all the prizes. Mrs. Ronald Stewart entered baking, maple products and fancy work with good results.

Mrs. Earle Ness entered 19 articles in the sewing and handicraft division and won a lot of prizes. Mrs. Adolphe Schinck and Mrs. Vincent Bourcier from St. Pierre entered flowers and articles in the sewing and handicraft division. (Mr. and Mrs. Schinck love their flowers and have more than 1500 tulips besides many other varieties of flowers in their garden).

Mr. Ernest Robertson an octogenarian from Riverfield entered two needlepoint pictures, two hooked rugs and three varieties of tulips — quite a remarkable achievement.

Mrs. Angus (Maude) Black's name will be noted also among the prize winners. Mrs. Black is from Aubrey.

Junior Exhibits

The housewives were lucky They could watch a bit of dust collect as they prepared their exhibits but boys and girls in 4-H and Calf Clubs had to fill assignments in their school-work as well as prepare exhibits. Sat. is a gruelling day for the young people as both judging and showmanship classes are held on one day instead of the former two days.

In spite of their difficulties young people from all areas in the district did a remarkable job and many of the trophy winners were from Howick.

They appreciate the help and direction given by the leader Robert E. Ness with valuable assistance by Archie Roy, Ken Roy, Murray Templeton, Rollie Ness. Ken McFarlane, Past President ha done much to help this year.

Howick Club won the Zephyr Textile Trophy for the winning group of 5 calves.

Ralph Templeton, son of Mr. and Mrs. Douglas Templeton, won the Montreal Stock Exchange Trophy for highes aggregate, judging, showman ship and calf; Rolston Purina Co. of Canada Trophy, (a permanent trophy to the winner of highest aggregate); Alvin Ness Memorial Trophy for Showmanship 15-20 years; Canadian Imperial Bank of Commerce wristwatch for highest aggregate score in 4-H activities.

Carolyn Templeton, his sister, was runner-up in aggregate 4-H activities and won the John McCaig Trophy.

Pierre Vaillancourt of St. Chrysostome, won the Roland Glen Memorial Trophy for Intermediate Showmanship.

Bobby Tolhurst, son of Mr and Mrs. Robert H. Tolhurst won the Huntingdon-Ormstown Holstein Club Trophy for Junior Showmanship.

Lynn MacFarlane, daughter of Mr. and Mrs. Brodie MacFarlane won the Family Herald Shield for Best Junior Farmer Judge 10-20 years.

Many other local names will be noticed among the prize-winners so read the prize list carefully. Congratulations to all the young people, the ladies, and wellknown farmers in the district for the effort they made to provide one of the outstanding exhibitions in Canada.

Another thing we should have mentioned, Exhibits came from as far away as Australia. Mr. and Mrs. Austin, recent visitors at the home of Mr. and Mrs. James Marsden will be living in Canada for a year. A beautiful afghan of Australian wool, and a koala bear tea cosy, made unusual exhibits. Both were made by Mrs. Austin.

EXTENSION COMPLETED

Work Progressing On Several Projects In Très St. Sacrement

The regular meeting of the Parish of Tres St. Sacrement was held on May 30 with all the councillors present, and Mayor G. Barrington presiding.

Representatives of Quebec-Hydro are preparing a plan of the lighting of old Route 4 showing the position of lights where most required.

The insurance policy covering the Volunteer Fire Fighters has been finalized with a disease coverage medical expense clause.

Work on the material shed for the Parish will be started about August 1.

Gravelling of Champ's Road where the trucks damaged the roads this spring started May 31.

Work is progressing in filling the old water course on the Irish Concession.

Scrapyard owners expect the press any day now which will be of great help cleaning up their yards.

The Mink Farm has commenced excavating so that they can bury their manure, etc.

A copy of the Highway Maintenance Law and a map of the roads and their mileage was received from the Roads Departments in Ormstown and is greatly appreciated.

Preparations have been made to carry the Hastie Watercourse to the draining of three farms on the south Side of Range 3.

A donation of $20.00 was forwarded to the Red Cross Society.

Secretary's holidays were arranged to start July 15th when the Municipal offices will be closed.

After a study of the financial report of 1967 and the present financial situation it was agreed that the tax rate for 1968 would remain the same ($1.00 per $100. valuation.) Quesnel Masse & Co., Auditors, were re-engaged for the year of 1968.

An investigation is being made regarding the McFarlane-Stewart watercourse to endeavour to have this work done this summer, also the Henderson, Laberge Culvert.

All the accounts as brought forward by the secretary were passed for payment.

Baking

Placing a larger lump of butter in the cake batter than the recipe calls for will not always make it taste better. It might spoil the cake, so follow the recipe.

French — McCaig Wedding In Huntingdon

St. Andrew's Presbyterian Church, Huntingdon, was the scene of a very pretty wedding recently, when Barbara Anne, daughter of Mr. and Mrs. J. Percy McCaig of Huntingdon, became the bride of Winston William, son of Mrs. Helen French of Ormstown and the late William J. French of Athelstan. The church was tastefully decorated with apple blossoms and the guest pews were marked with white satin bows and yellow daffodils. Rev. G. McMichen officiated at the ceremony and Mrs. W. J. Smellie provided the wedding music.

The bride, given in marriage by her father, wore a white peau de soie gown fashioned on Empire lines, with bell sleeves. The train falling from the waist was trimmed with wide bands of Guipure lace. Her head-dress of tulle illusion was held in place by a band of taffeta roses and she carried a single long-stemmed rose.

The brides attendants, Miss Brenda McCaig, Miss Linda French and Mrs. Almeta Aldrich, were gowned alike in dresses of blue and yellow peau de soie respectively, with matching head dresses and each carried a single rose. Little Miss Kimberly McFarlane, flowergirl, looked charming in her Empire dress of yellow peau de soie and she carritd a basket of spring flowers.

Mr. Donald Erskine acted as best man and Master Richard Stark nephew of the groom was ring bearer. The ushers were Mr. Basil Kelly and Mr. Howard Duheme.

Mrs. McCaig, mother of the bride, wore a dress of white bonded lace over mint green with white accessories and a corsage of Sweetheart roses.

Mrs. French, mother of the groom, wore a two-piece dress of aqua bonded lace with white accessories and a corsage of Sweetheart roses.

Following the wedding, a reception was held at The Marina at Port Lewis, from where the happy couple left amid showers of confetti and feathers for a short trip to the United States.

LEGION COMMENTS

by PAUL PATTERSON

Huntingdon Branch No. 81, Royal Canadian Legion this summer will sponsor two ball teams for the children of the community. It is hoped that parents of the youngsters will encourage them to participate in this wonderful sport. More about this at a later date.

Cde. Ann Cameron, President, Huntingdon Legion Branch No. 81 attended the 22nd. Dominion Convention held at Penticton, British Columbia, on May 28th-31st.

"The Canadian Legion today is the largest organization of its kind in Canada." District Commander Ann Cameron told members of Chateauguay Valley District No. 13, at the District meeting which was held in the Chateauguay Legion Branch, Chateauguay, Quebec, Sunday afternoon, June 9.

"Legion conventions are held every two years and are attended by delegates representing all Legion Branches. Policies are approved at these conventions to secure adequate pensions, allowances, grants and gratuities for ex-service men, their dependents, and the widows, children and dependents of those who have served, and to labor for honorable provision being made for those in declining years who are unable to support themselves.

The Dominion Convention is to the members of the Legion what our Federal Parliament is to all of us as Canadian Citizens.

"This", said Mrs. Cameron, "makes the Canadian Legion a wonderful organization to belong to."

On Saturday morning June 8, Eric Rottensten, Percy McGowan, and Paul Patterson of Huntingdon Branch No. 81, attended dedication cermonies for the Andrew W. Cook American Legion Post 1497, St. Regis Indian Reservation, Hogansburg, New York. At this time the Andrew W. Cook Post honored posthumously four area men who have been killed in action in Vietnam. Presentations were made to Mr. and Mrs. Harold Martin, Hogansburg, the parents of P.F.C. Charles Martin, who was killed in action, February 9th. These included the Silver Star, the third highest award for gallantry in action, the Purple Heart, Good Conduct Medal, National Defence Service Medal, Vietnamese Service Medals, Vietnamese Campaign Ribbon, Combat Infantryman's Badge, Sharpshooter's Badge.

Mr. and Mrs. James Robideau, Brushton, New York, parents of Lance Cpl. Tyrone Lamitie, and Mr. and Mrs. William Rust of Malone, parents of P.F.C. James Henry Rust, each received the Purple Heart Posthumously, the National Defence Service Ribbon and the Vietnamese Campaign Medals.

Mr. and Mrs. Walter H. Clark of Chateauguay, parents of 1st. Lt. Terry Furman Clark, were presented the Conspicuous Service Medal of State and other awards.

Commander Ivan Tock of the Legion Post invited all at attend an outdoor chicken barbecue which was held during the afternoon.

The Huntingdon Legion Branch No. 81 will hold its next general meeting on Thursday June 13th. Members are asked to turn out as at this meeting the election of officers of the Branch will take place for the ensuing 1968-69 term.

(From the Committee of Mr. A. Miron).

Wedding

THURSTON-BELL

Donna Marie Bell became the bride of Lyman Thurston on Friday, May 3rd., in the Church of the Precious Blood, Cloverdale, B.C. Father Neil Carrigan performed the nuptial rites.

The bride is the eldest daughter of Mr. and Mrs. D. S. Bell of 17101 80th Avenue, Cloverdale, B.C., while the groom is the son of Mr. and Mrs. H. Thurston of Huntingdon.

Given in marriage by her father, the bride wore a bouffant dress of organza over satin trimmed with Alencon lace. The front of the full skirt was caught up with a large white lily. The same motif was repeated at the waist in the back of the dress. The neckline of scalloped lace and pearl beadery enhanced its beauty. A scalloped veil attached to a crown of pearls complemented her gown. She wore a neckline of diamonds and pearl teardrops with matching earrings, a gift from the groom. She carried a bouquet of artificial red roses and lily of the valley, trimmed with lace and ivy.

Marlene and Marcy Prestay, were the bridesmaids. They wore floor length sleeveless aqua blue gowns, styled on empress lines. Marcy Prestay had made these dresses. They wore headpieces entone and their jewelery was teardrop pearl necklaces, gift of the bride. Their bouquets were yellow carnations.

The bride's sister, Linda Bell was junior bridesmaid. She wore a sheath style dress of pink and white lace with puffed short sleeves. Her rounded neckline was accented by a silver locket, gift of the bride. Linda carried a bouquet of pink roses and lily of the valley.

Glen Thurston, brother of the groom was best man while Doug Bell, brother of the bride and Clark Hodgson were ushers. Organist was Mrs. J. B. Gallaheo.

The reception followed at the Wander Inn. To receive the many guests, the bride's mother wore a two-piece suit with white accessories, corsage of pink roses and white carnations. The mother of the groom wore a blue and white printed dress with a pink and white corsage.

Ed. Thurston was Master of Ceremonies and he also proposed the toast to the bride.

For her going away costume the bride wore an olive green three-piece suit with white accessories and a corsage of yellow roses and white carnations.

The newly-weds now reside at 8205-170A Street, R.R. 4, Cloverdale, B.C.

The groom's parents, Mr. and Mrs. H. Thurston, Donald and Ann Thurston, of Huntingdon attended; also Mrs. J. T. Goodgame, grandmother of the bride from Salmon Arm, B.C.

Letter to the Editor

Huntingdon, P.Q.
June 10, 1968.

The Editor,
Huntingdon Gleaner Inc.
Huntingdon, Que.

Dear Sir,

Would you kindly print this to correct the statement that appeared in the Gleaner the week before last pertaining to people over 70, taking a driver's test to get a driver's license.

I spoke to the Minister of Transport, the Hon. Dr. Lizotte outside the Legislative Assembly about the lines of people waiting sometimes 3 or 4 days to take a driver's test and asked if this was necessary. He gave me to understand that it was not and that all that was necessary, was to send the medical report to his Ministry in Quebec.

However, I asked him on Tuesday June 4th in the House, to confirm this. He said that he had not correctly understood, that he had thought that I was asking about people of 65 years of age.

He said that people of 70 years of age must pass the test and that orders had been given that every effort should be made by the personnel of the office in the different regions to treat the applicants with the greatest courtesy and kindness and with as little delay as possible.

I am sorry that I informed you otherwise but it was done in good faith. People over 70 must take the driver's test. However if they feel that they have been treated discourteously or unkindly, or if they have to wait in line for 3 or 4 days, I would appreciate knowing it and I will bring the matter to the attention of the Minister again.

Thanking you, I am,

Yours very truly,
Kenneth Fraser, M.P.P.

GLENELM — The April and May meetings of Unit 8, U.C.W. were held in the Church Parlor, with Leader, Eleanor Tannahill, in charge. The devotional periods of singing a hymn, reading a portion of Scripture and prayer were followed by the business meetings. Work was planned and started on projects for the Fall Bazaar, with Mrs. Wm. Tannahill Sr., in charge of one project. Anyone who could visit sick and shut-in friends and members of the congregation, were asked to do so during May or June Members were informed of the Tea for Mrs. Lowenberger on May 25, and donations were received for this. Several bills were paid, and when all discussions and business were finished the meetings closed by the repetition of the Lord's Prayer.

A social time was then enjoyed by all as tasty refreshments were partaken of at the tea-table. Hostesses for the April meeting were Olive Watson and Dorothy Hamilton and for May Bertha Brown and Elizabeth Elder.

GRIFFITH — BUDDO WEDDING

The marriage of Miss Dianne Eleanor Buddo, daughter of Mr. and Mrs. Wilson Charles Buddo, to Mr. Kenneth Roy Griffith, son of Mr. and Mrs. Kenneth Lloyd Griffith and grandson of Mr. Roy McWhinnie of Huntingdon took place recently in St. Andrew's Presbyterian Church in Huntingdon. The Reverend G. McMichen officiated at the double ring ceremony.

Mrs. William Smellie provided the wedding music. An arrangement of white pom-poms and pink carnations decorated the church.

The bride who was given in marriage by her father wore a Grecian-style white crepe de chine and French soufflé gown with a cathedral length train falling from the shoulders with an elbow length tulle illusion veil held in place by a matching headpiece. She carried a bouquet of white carnations and stephanotis centered by a white orchid surrounded by sprigs of heather and ivy.

Mrs. Sonia Hastie, cousin of the bridegroom, Matron of Honour, was in a lilac peau de soie, Empire style formal gown with a matching headpiece. She carried a bouquet of white and pink variegated carnations.

The bridesmaids: Miss Lois Shouldice, cousin of the bride and Miss Megan Hayes were dressed similar to the matron of Honour.

Mr. Robert Curwood acted as best man. The ushers were Mr. Ray McWhinnie and Mr. Wayne Clifford, both cousins of the bridegroom.

Mrs. Buddo, mother of the bride, wore a French crepe dress with a Guipure lace coat with matching hat and accessories. She wore a pink cymbidium orchid on her purse.

Mrs. Griffith, mother of the bridegroom, wore a Grecian style mint green shantung coat dress, with matching hat and bone accessories. She wore a corsage of pink sweetheart roses on her purse.

Following the reception held at the Rod and Gun in Port Lewis, Mr. and Mrs. Griffith motored to Upper New York State and Niagara Falls, the bride travelling in a hand knit, aqua and avocado, three-piece suit with matching hat a brown cymbidium orchid corsage.

The couple will reside in Ottawa.

APPROACHING MARRIAGE

Mr. and Mrs. Drexell Jackman of French Lick, Indiana announce the approaching marriage of their only daughter, Dinah Sue, the Mr. Merrill Douglas William Murray, only son of Mr. and Mrs. Douglas Murray, Brampton, Ontario. The wedding has been planned for June 22nd in Baptist Church, French Lick, Indiana.

FISHERMAN IMMORTALIZED

When the 1968 fishing season was inaugurated recently at the Rockburn Trout Club, celebrated cartoonist Edwin McNally was honored by a larger than-life sized statue of himself in the act of landing a large catfish.

The nearby Chateauguay River is a favorite scene of McNally's exploits with the rod through he denies indignantly that he ever landed a catfish there or anywhere else.

Shown in the photo are artist Bruce Johnson who created the work of art, Ed McNally and Rockburn Trout Club's proprietor, Waclaw Makowski.

Named Director By New York State Grange

Kay Williams Director Of Path Of Life Recreation Association

Mrs. Kay Williams of Hunt[illegible]ingdon has been named to the board of directors of the New York State Grange Path of Life Recreational Association, a program of group educational and social activities for deaf teenagers established and supported solely by the Grange in the Empire State. The appointment was announced by Robert S. Drake of Jasper, master of the 72,000 member rural family fraternity.

In her new capacity, Mrs. Williams will fill out the re[illegible]mainder of the term of Mrs. W. James Francisco of Middletown, who resigned her directorship because of illness in the family. Other New Yorkers on the board included Mrs. Ivan Kark of Port Crane, who originated the project president Keith R. Handy of Fort Plain; secretary Robert Eastman of Ithaca; Lee Ward of Endicott; treasurer Ralph Young of Endicott; Edwin Conklin of Windsor; Mrs. Raymond Parker of Johnson City; Mrs. Elizabeth Ross of Harpursville; Henry Rowland of Greenfield Centre; and Robert S. Drake.

Mrs. Williams was born in Montreal, and attended schools there. For some time she helped to operate her late husband's import brokerage company and later owned her own import brokerage firm.

A member of Maple Leaf Grange in Huntingdon, Mrs. Williams served as lecturer of the New York State Grange from 1963-67, the first Canadian elected to office in the history of the State Grange. She has also served as lecturer of the Franklin County Pomona Grange, and is a past president of the Pomona Lecturers' Association.

Sincere Thanks

Recommendations Presented to Board

SCHOOL PRIZES DISCUSSED AT WORKSHOP COMMITTEE MEET

The Directing Committee of the Educational Workshop held its bi-monthly meeting at Huntingdon Academy, June 4th. The General Assembly had been invited to view a film entitled "A Happening in Education", produced by the Saskatchewan Teachers Federation, concerning continuous progress. Few parents took advantage of the opportunity to see the film.

The film covered different portions of a day in the classroom of Mrs. Helen Bumphrey, showing how the children were allowed to choose their own projects and then were guided by their teacher in learning about the particular subject, whether it were rocks, or bees or snakes. It was very obvious that the children were wrapped up in their work. Their vocabulary was far more extensive than that of the usual 7 - 8 year old. There were no bored children in that classroom. The film showed how one teacher taught children in a situation which allowed them to progress at their own rate.

After a short discussion the twelve members of the Directing Committee retired to the Library to continue a full discussion of the school prize list.

The discussion was necessary because of changes in the organization of the school, particularly during the past year. The high school pupils have gone, some subjects are being taught to level, some classrooms have a new appearance in keeping with the new approach to learning, and the percentage marking system has given way to letter grading.

In respect to the whole question of prizes it was obvious, after the May 6th meeting, that there was some support for each of two opposing points of view. On the one hand some supporters of the new look in education recommended that prize giving be abolished. Awards are not in keeping with the goal that we try to develop in pupils a love of learning for its own sake. There too, under any system of awards, many who make an effort, are never recognized.

The other point of view was that prizes stimulate effort, and in addition the world of adults is competitive and we should teach young people to expect competition.

The recommendations of the Committee reflected a compromise between these two opposing views. They were as follows:

1. That the awarding of prizes at Huntingdon Academy continue but that if prizes are given for achievement, the emphasis be on recognition, not stimulation.

2. That prizes for both academic achievement and academic effort be awarded.

3. That prizes be awarded for citizenship and perfect attendance.

4. That in each class one prize be awarded for academic excellence and one for effort.

5. That one prize be given in each grade in each subject for effort.

These recommendations were presented to and accepted by the Huntingdon Protestant School Commissioners at the regular monthly meeting on Thursday, June 6th.

Articles Requested For Rummage Sale

Once again the ladies who are planning the Grand Rummage Sale for July 6, to aid the Gay Valley School for retarded children in Huntingdon are asking for public support of their venture. Anyone with suitable articles to give or who wish further information is asked to telephone Mrs. Marie Lewis 264-2845, Mrs. Frances Eccles, 827-2500 or Mrs. George Lindsay 264-3053. The ladies are not asking for volunteer workers but simply for a donation of articles. These will be picked up at your home and will be most gratefully acknowledged. Won't you help them in their worthwhile endeavour? The sale is to be held at Mrs. Marie Lewis' home at Rockburn.

'BIG THREE' DEBATE IN CHATEAUGUAY

Following the lead of major party leaders in their T.V. confrontation last Sunday, the three candidates for Laprairie riding in the forthcoming Federal election will meet in public debate tomorrow (Thursday) evening. The event will be sponsored by the Chateauguay Toastmasters Club and will be held in the Rustik Restaurant at 8 p.m.

The three candidates, Mr. Ian Watson, the Liberal incumbent, Mr. H. René Laberge, Progressive Conservative and Mr. Demers, N.D.P. have agreed to attend, as have Mayors and others from all towns and municipalities in the riding.

Each candidate will make an opening speech of ten minutes duration, followed by a one hour question and answer period, and a summing up by each candidate.

Union National First Annual Chateauguay Golf Tournament

Union National Association for Chateauguay has lately mailed several invitations for its first annual golf tournament to be held at the Beauchateau, June 19th, (Wednesday).

Every effort has been made so that this event will prove a pleasant experience for those who will participate.

Following is the program for the day:

a) 18 holes of golf on the Beauchateau course where playing conditions are well above average.

b) Prizes totalling $1,000.00 to be given to contestants.

c) For the ladies: a make-up demonstration by a Beauty Salon from 3.30 to 6.00 p.m. with cocktail.

d) Buffet to be served by M. Jules Dumouchel (Rustik Restaurant) for the golfer, the Mrs. or the lady friend.

e) Dance all evening with the outstanding orchestra "Les Montagnards".

f) The opportunity to meet many well known political and sports personalities.

This fine package deal is offered at a ticket cost of $12.00 for a guest and $9.00 for the club member.

We therefore invite all readers of The Gleaner to consider this as their personal invitation to join to this tournament if they so wish by getting in touch with the following persons involved in the organisation of the event:

Mr. Moe Bremner, 691-0531 (Res) Chateauguay.

Mr. Marcel Bissonnette 691-4388 (Res) Chateauguay.

Mr. Gaston Dubuc, 691-2404 (Bur) Chateauguay.

Me Bernard Paquin 692-0946 (Res) Chateauguay.

M. Maurice Lamoureux 268-3308 (Res) Beauharnois.

M. Fred Boucher 637-0135 (Jour) Lachine.

M. Normand Gauthier 691-0615 (Jour) Chateauguay.

Those who wish to attend the supper only can contact the above named persons for tickets.

The president of the Association, Dr. Gilles LaBarre and Mr. Bob Trudeau are looking forward to a fine success of this U. N. Event.

Little League Minor Season Started On Sunday With The Opening Game Rained Out

The West Division of Chateauguay Little League Minors opened last Sunday, but only just. A torrent of rain delayed the scheduled start, and after one inning, the rain re-started in real earnest, and any hope of further play was out of the question.

Prior to the inning, Mayor Richard Sutterlin threw the opening pitches to Ward 6's Alderman Joseph Petrilli at bat, with Little League President Raymond Leduc as catcher. Alderman Petrilli at the second attempt hit a lusty clout to the left field, but as it was reported that Mayor Sutterlin was not yet at his pitching peak, the honours were considered even.

In a brief speech Mayor Sutterlin wished the assembled players and workers a successful season.

Mr. Arthur C. Walker, Chief Umpire for Little League was on hand for the first of three scheduled appearances during the afternoon, but the deluge rained out all games in Chateauguay.

Next Saturday in the Minors will see the Padres square off against the Red Wings at Reid Park at 10 a.m. On the same day, in the Senior Division, Cubs play Cards at Chateauguay North Park at 2 p.m.

Once school is out, the regular season will commence on Monday, 17 June when the Minors Padres meet Suns at Reid Park at 6:30 p.m.

Sunshine Gospel Singers At Man And His World

In the first appearance by any Chateauguay group at Terre des Hommes, the Sunshine Gospel Singers were very well received when they sang in a Christian Pavilion programme.

The group has been booked for a return engagement on Saturday, June 29th., when they are to sing four times — at 3, 4, 5.10 and 8.15 p.m.

Perspective: Is There A KENNEDY In The House?

by Russ Faughnan

In recent years there have been a number of Robert F. Kennedys. They went by different names of course. Some were called King or Evars, some used initials only like X or J.F.F. By today's society they were all sick.

They each suffered from a severe case of decency. This is a serious disease and usually calls for almost total isolation. It is seldom contagious. For who among us dares to stand for decency? Who among us dares to speak out for minority rights? Who, indeed who dares to fight the power structure of Western Civilization? The hate mongers, the gun sellers, the vote buyers.

Do we, in Canada? Can we afford to be smug? We too have our Kennedys but they are few. I suppose they are not sick enough to merit the supreme cure . . . a shot in the back. Righ here in Quebec there are some who would gladly supply the shot. They suffer only from the lack of targets.

The United States with its two hundred million population have always had their Kennedys. From the days of Patrick Henry through Abraham Lincoln to Harry Truman one of the few who survived, there have been a few poor souls who felt compelled to speak out. This compulsion usually resulted in expulsion or death. Some cured themselves by simply giving up the cause. After all, few cared and millions of "normal" people actively opposed. Even J. F. K. barely got elected. This is the democratic way. Is democracy therefore dead?

I think not. Maybe such "cures" as recently witnessed will convince more of us that we should catch the disease. If a majority had the "decency" sickness, it might became the normal thing. Then those others could slink back into the cesspools from which they came.

So, what is needed is more Kennedys. Since there is only one real one left, Teddy by name, it behooves us to find more. Maybe if we tried real hard, we could each become a Kennedy. It does not so much require hard work as it requires hard thinking. The kind of thinking that hurts. But and here's the rub, are we prepared to accept such suffering?

CLEAN CHATEAUGUAY RIVER
REMOVAL OF BRIDGE TOLLS

P.C. Candidate René Laberge Wants Montreal's Metro Here

After an apparently slow start to his campaign, Progressive Conservative candidate Mr. H. René Laberge has opened up committee rooms in the Shopping Centre, Chateauguay Centre, and in Laprairie, Brossard and Greenfield Park.

Mr. Laberge stated last weekend that his Chateauguay campaign was just getting into gear. He promised, if elected, energetic action on behalf of the Chateauguay Public including the seeking of discussions with the Caughnawaga Indians on the completion of the Chateauguay By-Pass road to Mercier Bridge through Indian territory.

Mr. Laberge stated that he would campaign for the cleaning up of the polluted Chateauguay River, with aid from the Federal Government, and the setting-up of a committee to study the removal of tolls for the Champlain Bridge, the clean-up of the Seaway shore in Caughnawaga.

Mr. Laberge pledged to seek the extension of Montreal's Metro system to the South Shore. "The track is there", said Mr. Laberge. "Why not use it? We must have discussions with the track owners, New York Central Railroad and Canadian National Railways".

Mr. Laberge will participate with Liberal incumbent M.P. Mr. Ian Watson and N.D.P. candidate Mr. Demers in a debate sponsored by the Chateauguay Toastmasters Club at the Rustik Restaurant tomorrow evening, Thursday, 13 June.

QUEBEC HEARS AMALGAMATION PROTESTS

A possible explanation of the unexpected delay by the Provincial Government in approving amalgamation between Town and Heights emerged last week. It was announced that a representative of the Department of Municipal Affairs, Mr. Paul Faucher, would be present at the Heights Town Hall yesterday (Tuesday) morning, to hear at a public meeting further representations of protests previously made to the Department against the proposed amalgamation between the Towns of Chateauguay and Chateauguay Heights.

The Electors Meeting following passage of the amalgamation By Law by the Heights Council did not elicit from the ratepayers the requisite number of contrary votes, and the Provincial Government would have been within its jurisdictional powers to have approved amalgamation without further ado. The Department of Municipal Affairs is thus "leaning over backwards" to assure itself that no substantial opposition to amalgamation exists, before granting its approval which will merge the two towns.

A speedy decision by Quebec was expected following yesterday's meeting — a prompt decision one way or the other being clearly in the public interest. In the meantime, practical decisions as to the future of various Heights' facilities cannot be made. Notably, the question of what to do with the Heights Town Hall Building must await a decision on amalgamation. The present Heights Council has rated the building a potential fire hazard and has recommended its demolition. In response to a petition by Heights ratepayers, the decision on the building has been deferred until the amalgamation issue has been settled.

25 YEARS IN CHATEAUGUAY

Miss Mary Gardner To Be Honored June 18 At Namesake School In Chateauguay For Fifty - One Years Devoted To Education

Miss Mary Gardner will be an honoured guest at a Special General Meeting of the Mary Gardner Home and School Association next Tuesday, June 18th in the school gymnasium at 70 St. Hubert Street. Miss Gardner, after whom the school is named, has given fifty-one years to education — twenty-five of them in Chateauguay.

The other guest of honour at the "Salute to Teachers' Night" will be Mrs. Charlotte Templeton, who is retiring after twenty-two years' teaching, eight of them in Chateauguay.

Guest speaker will be Mr. R. D. Mosher, Director General of the Protestant Regional School Board of Chateauguay Valley.

The award - winning school choir under the direction of Miss J. Thomas and Mr. L. Springer will open the meeting with a few choral selections, after which there will be a short business meeting.

Children must be accompanied by their parents.

BANTAM LEAGUE?

Minor Football Registration

Eward Read, president of the Chateauguay Minor Football League, has announced that registration for the coming season will commence on Saturday, June 15th at Mercier Park in the Town of Chateauguay adjacent to the Chateauguay Centre Cultural Center. Registration will continue throughout the week and it is hoped that sufficient Bantam age boys (born 1953-54) will register in order that the league may realize their ambition of creating a Bantam house league operation.

Registration can also be accomplished by contacting members of last year's coaching staff or by calling Eward Read at 692-8752 or Bud Roper at 692-0346.

Once again this year the C.W.L. of Our Lady of Perpetual Help Church are holding their Mother and Daughter Communion Breakfast at a local restaurant. Date has been set for Sunday, June 16th, following the nine a.m. Mass.

Guest speaker for this occasion will be Sister Kathleen Norris of the Congregation of Notre Dame, also Vice Principal of Marymount High School. Everyone is welcome to attend. Further information may be obtained by calling Mesdames G. Whelan, 691-1964; O. Harvey, 691-9056; G. Golden, 692-8009; or R. Palmer, 691-2393.

MAPLEWOOD PRESBYTERIAN

Pray For The Late Senator R. Kennedy And His Family

The recent Sunday School concert was most successful and the youth as well as their respective teachers deserve much credit for such a fine performance. Special thanks to Gordon Black for his tireless efforts.

Guest preacher this past Sunday was the Rev. W. Moncrieff from Grand Falls, Newfoundland, who was invited to preach for the pulpit vacancy. Sermon topic was "Don't Bother Me, Lord". During the Prayers of Intercession a special prayer was offered for the family and relatives of the late Senator Robert Kennedy following which the Choir sang the third verse of the American National Anthem. An evening Service was held and following the Service a fellowship period followed in the Hall at which time people were able to meet the Rev. Moncrieff.

Next Sunday the guest preacher will be the Rev. C. Shaver of Thorburn, Nova Scotia.

The Sacrament of the Lord's Supper will be observed June 23rd with Preparatory Service being held Thursday evening June 20th. Following Preparatory. Service a Congregational meeting will be held to determine whether or not a call should be issued.

MEMBERSHIP 235 FAMILIES

C.P.O.A. Swimming Pool Open With Numerous Improvements

The C.P.O.A. pool opened for the 1968 season on June 8th with a large turnout of members and with the return of Chris Seary as manager. The return of Chris after a year's absence will no doubt assist in what appears to be a fine season for the members of the association. A record number of members have so far indicated their intentions and have raised the membership to a total of 235 families, an increase of 27 over last season. Through the efforts of President Ken Semper, Paul Miglia, Gord Geary and Norm Figsby along with several other members, hedges and trees have been planted in and around the pool area, and swings and slides have been provided for the use of the younger set.

A number of staff changes have taken place in the actual operation of the pool. Three new recruits to the life guard staff are Philip Seary, Jim Harvey and Lynn Appleton. Returning to the staff from last season are Pat Ellis, Glen Peers and Betty Ann Laporte as assistant pool manager.

C.P.O.A. treasurer Ches Baylis reports that the association is in a good position financially this year and requests that members be reminded that with the opening of the pool, his work could be simplified if the members who have not as yet paid their dues would come forward and those who have paid and have not yet picked up their cards would do so as soon as possible.

June 15th will be a busy day at the pool with the Cubs holding their annual swim meet as guests of C.P.O.A. and with open house in the afternoon. The ladies of the association will hold a bake sale during the open house festivities and it is hoped that the entire day will prove to be a rousing success.

Discussion is underway at present in order to provide an increased programme for the benefit of the Teen Aged members of the association. In the past, several dances have been held and it is the intention of the executive to provide more entertainment for the Teen agers this year.

A sad note is the illness of Gord Geary and the best wishes of the executive and members are extended to Gord, who has taken such an active part in the success of the C.P.O.A.

Let's all get together to assist in making this our most successful year to date and let's do so by taking an active part in our association.

Beauchateau Wins Golf Tournament

On Sunday, June 9th., the Province of Quebec Golf Association held the Intersectional Competition Group No. 10 at Beauchateau Country Club.

Beauchateau walked off with first place, but the dog-fight for 2nd. place between Sorel-Tracy and Hemmingford was the highlight of the rain-drenched day. It was not until the last man came in that Hemmingford took the honours for 2nd. place by 1 point. Hemmingford Club will now have the honour of entertaining this Group 10 Inter. Competition in 1969. The final scores were Beauchateau 45 points, Hemmingford 30 points, Sorel-Tracy 29 and Champlain 14.

It was the dogged determination shown by each player of the 10-member Hemmingford Team that gave them the well-earned win, said Pat Farrell, Tournament Chairman. Play was interrupted for about one hour by a very heavy downpour but this, as well as several heavy showers during the day, did not dampen the enthusiasm of the players. The members of the Hemmingford Team were Ron Munnik, Fred Coveney, Charles Hill, Jacques Joly, Doug Papple, Les Keddy, Edwin Keddy, Joe Prairie, Paul Tie-Ten-Quee and Joe Favro and Playing-Captain Edwin Keddy had a word of thanks for his fellow-teammates at the end of this very wet day. An enjoyable buffet supper was followed by the presenting of awards which were given out by Jim Gordon, Executive of the Province of Quebec Golf Association. Edwin Keddy, on behalf of all the players, thanked their hosts for a most enjoyable tournament and promised an equally enjoyable time, (but without the rain!), when the tournament is played in Hemmingford next year.

CHATEAUGUAY CENTRE YOUTH GRADUATE OF THE SAINT JEAN MILITARY COLLEGE

WAYNE HATCHER

Wayne Hatcher, son of Mr. and Mrs. L. Hatcher of Chateauguay Centre graduated last week end in Engineering from College Militaire Royal de St. Jean.

Wayne, who was one of the first to graduate from Chateauguay High Shool in the 1965 Class, has spent the past three years at the College.

Since coming to Chateauguay eight years ago, Wayne spent one year (Gr. VII) at Julius Richardson Elementary School and after four years at the High made many friends in the Chateauguay area.

At the College Wayne tells us that academic studies are in the language of the student and military instruction is half English and half French. He will go on now to Kingston military College to continue his studies in Engineering and after his two years there will join the Naval branch of the combined services. Both Wayne's parents were in the Navy during the Second World War and also his grandfather, making Wayne a third generation naval officer.

At the end of June, Wayne is to go into summer training on board ship, travelling from Halifax to many places in the West Indies, and then on to Kingston in September.

Heartiest congratulations to Wayne Hatcher and bon-voyage.

IAN WATSON Laprairie Liberal

A "LOCAL" MEMBER OF PARLIAMENT

Ian Watson makes no bones about the fact that he is a "local" member of parliament first and foremost. He was first elected to parliament for the riding of Chateauguay-Huntingdon-Laprairie in 1963, and from that time he has made a point of looking after the interests of his constituents on the federal scene. His door was always open and he could always be reached on the phone when people from his riding had problems which he could help solve. It was perhaps for that reason, plus the fine reputation that the Watson family have through the region that when Ian Watson ran a second time, in 1965, he was re-elected with a whopping 61.4% of the popular vote that topped the majority of any Liberal candidate in Quebec. At his nomination meeting for the new Laprairie riding, Watson said he intended to remain a "local" member first, determined to discharge his responsibility to the people who elected him to parliament.

Ian Watson was born in Howick in the heart of the district which he has represented so ably since 1963. His father, Dr. Wilfred Watson is a familiar one from Huntingdon to Laprairie.

Ian graduated from Howick High School to attend Bishop's University, obtaining his B.A. there in 1954. He entered McGill Law School to graduate in 1957. In 1959 he was admitted to the Quebec Bar and became a member of the Montreal firm of Cerini, Jamieson Watson Brown and Souaid.

Ian Watson was just 28 when he ran for parliament in 1963 and won to become one of the youngest members in the Federal House. He lost no time in taking an active role in Ottawa. In 1963-64 he was vice-chairman of the Mines, Forest and Waters Committee of the House of Commons, and he was the first Member of Parliament to propose in the House that a Canadian Youth Corps similar to the U.S. Peace Corps be set up. Together with a small but persistent group of Liberal M.P.'s, Watson pursued this project to the point

CHATEAUGUAY Y.M.C.A.: BALONEY!

That's a strange, yet logical, word which was used in connection with activities for the Chateauguay YMCA. Our adventures continue as we report on the following interview with Mr. Tony Cornford.

Q. — "Mr. Cornford, as program co-ordinator for the Chateauguay Y, what do other YMCA branches offer which might be of interest to us in Chateauguay?"

A. — "What's the word "baloney" doing in a column about the YMCA? he retorded.

Q. — "We'll come to that", we replied. "How about possible comprehensive teen programmes, apart from the wonderful Mind-Out that's been going on here so successfully?"

A. — "First of all, other Y branches have their famous Hi-Y Clubs. Special events, such as tours, ski trips, conferences, dances, discussion programmes, trips out of town, and service projects are planned by Hi-Y Clubs. Clubs are formed by groups of friends coming together to plan activities. An adult advisor from the Y tries to provide help where needed," said Tony. "I still don't get the baloney bit".

Q. — "I'll write the column. You answer the questions. OK? Now continue about the Hi-Y Clubs."

A. — "Well, the members have an opportunity to practice leadership skills, learn programme planning skills, meet new friends from other schools and enjoy life by developing new interests. It's a worthwhile investment in the community by both the teens and adult advisors."

Q. — "Any other programme which you may elucidate for us?" we queried.

A. — "Counselling, for example... vocational guidance is a very good programme", said Tony. "Group guidance and individual counselling on a one-to-one basis are very popular in other branches Here teens may assess their potential and gain a better understanding of themselves and where they want to go in the world. Of course, here again, if we're to do this in Chateauguay, we'd have to know how many teens are interested, and also whether adults could participate to help put this programme together."

Q. — "Any other activities?"

A. — "Sure - several. A very good one is Life-Saving Classes held in connection with the Y's swim programme. A person will always benefit from this course, as it applies to all sorts of emergencies, not just water accidents."

Q. — "We heard about a girls' charm school also, for teens between fifteen and seventeen years of age. Is this popular in other Y's?"

A. — "Yes, here good grooming habits, knowledge of proper skin care, and fashion, are discussed. Figure control and posture exercises are part of the course."

Q. — "Well, that's quite a rundown on teen activities", we commented. "I doubt whether any of these programmes will be introduced to the Chateauguay area, don't you?"

A. — "Baloney!" said Tony. Very vehemently.

Q. — "There, you see? There's that word again", we concluded.

Well, folks, with such unbounding optimism, we can't argue. Mr. Cornford is trying to do his best to see that the Y works in Chateauguay. But we must have your interest. You are the key. Your needs should be expressed. Vehemently. Call Tony at 691-2135, or the Lachine-Dorval Y, 637-2511. Then we can all eat that word. Baloney.

Impasse In Centre Ward Six

As reported elsewhere in this issue, the Council of the Town of Chateauguay Centre last week voted in favour of a resolution to withdraw Private Bill No. 114 for the sub-division of Ward 6 into three wards. This Bill passed the Lower House two weeks ago and now awaits approval by the Upper House.

Several months ago the Centre Council authorized Mayor Richard Sutterlin to approach the Provincial Government with the view to obtaining passage of a bill to sub-divide Ward 6. Although it was not made clear at that time, the Council did not itself vote in favour of sub-division. Against all likelihood, it appears, the Lower House, with support from Chateauguay M.L.A. Mr. George Kenendy and former Premier Jean Lesage, voted in favour of the Private Bill. Formal approval by the Upper House and the Lieutenant Governor was prediced to be a mere formality. However, to become effective, the Centre Council must itself approve the sub-division, and last week's vote to withdraw the Bill made it abundantly clear that the representatives of a minority of the population have exercised their anomalous right to give to the majority an equitable representation in Council.

The Department of Municipal Affairs might well ask why the time and efforts of the Provincial Government should have wasted on a Bill which could not become effective unless approved by a majority of the Centre Council. It may, and should be asked why, if the Council had no intention of permitting the sub-division of Ward 6. authority was given to seek passage of a Private Bill to that effect. Was it that those opposed to sub-division hoped that the measure would not pass the Private Bills Committee, and thus avoid the responsibility of voting for or against?

Passage of the Bill did at least have one useful side effect in forcing the opposition into the open. Aldermen Jean Chevrefils, Marcel Reid, Yvan Gilbert and Romeo Bourcier, representing Wards I, II, IV and V respectively voted in favour of withdrawing the Bill Ironically, Pro-Mayor Joseph Petrilli, in the absence of Mayor Sutterlin, chaired the meeting. Mr. Petrilli, Alderman for Ward 6, containing 40% of the population, had been an outstanding spokesman for subdivision.

Wards I, II and III, on the south side of the Chateauguay River, comprise approximately only 30% of the total population, and some re-distribution of wards is clearly required. The fight for a more equitable distribution of voting power via sub-division of Ward 6 has now been lost, apparently irrevocably. Other means must now be sought for a more democratic representation.

A minority has won another round in perpetuating a situation whereby the will of the majority is thwarted. The same forces have acted in the recent past to nullify the majority wish for amalgamation with the Town of Chateauguay.

How much longer?

Chateauguay News Notes

DUE TO A BREAK-DOWN IN COMMUNICATIONS, THIS POPULAR COLUMN DID NOT APPEAR LAST WEEK. WE AT THE GLEANER ASSURE OUR READERS THIS WAS NOT DONE THROUGH ANY FAULT OF MRS. BATE'S AND WE ARE HEREBY PRESENTING "CHATEAUGUAY NEWS NOTES" FOR JUNE 5th AND JUNE 12th.

WEEK OF JUNE 5th.

The Town of Chateauguay's By-law to increase Councillors' rates of pay was turned down at an Elector's Meeting last week. Twenty-three blocked the by-law.

Chateauguay Little League season opened last week with colourful ceremonies in Mercier Park.

Quebec Hydro failed to connect the water pump in time for the Colonia Pool to open last week-end as planned. C.P.O.A. hopes to open the pool this week.

Centre Council did not hold a meeting last week, but did meet last night Tuesday, June 4.

Town Police investigated a variety of minor accidents last week. In all there were ten, and amounted to property damage only.

In one of the above mishaps, a car windshield was broken when a four-year-old boy threw a rock and hit the car while it was in motion. In another, a motorist missed the curve in front of 64 Salaberry and ended up on the lawn of the Lang home. This curve is the scene of many accidents, despite warning signs and guard rails.

Most of the Town Police time in recent weeks has been spent investigating juvenile delinquency. In all areas of the Town young popl, both boys and girls, are responsible for all sorts of damage, stolen cars and bikes, other thefts, deliberate destruction of private property and many other misdemeanors too serious to call "pranks."

Town Police found two outboard motors on Salaberry Blvd. North one evening last week. They had been stolen from boats anchored at the river bank facing Dubuc St., and were no doubt going to be "picked up" later by the thieves.

Once again this past weekend Robert Jobber Elementary School was broken into through a rear window some time during Saturday and Sunday. Some inside doors were broken — but up to the time of writing it was not determined if anything had been stolen.

Omitted from last week's issue was the report of a small fire at the rear of Spot Supermarket at the corner of St. Francis and Highway 3 and 4. The fire erupted in the rear warehouse during the night of May 21st presumably in the garbage, and was quickly brought under control by Town firemen. Damage was slight, mostly smoke.

In another fire, last Thursday, May 29th, 3:30 in the afternoon, a furnace exploded in the basement of the Knights of Columbus Hall on Church Street (Basin). The damage in this fire was mostly smoke to the upstairs portion of the building — and oil spattered all over the basement. The second floor flat is occupied but fortunately no one was injured.

WEEK OF JUNE 12th

Monday morning June 10: two men from Town of Chateauguay Public Works Dept. observed cleaning up remains of construction shack at the corner of Maple and Langlois. Neighbours all delighted, of course, not to mention those who pass by frequently. The shack has been there for almost two years, and suffered various sorts of damage, including a fire, and was one awful eyesore we could do without. Let us hope that owners of other vacant lots will do a little cleaning up too.

Centre Council have asked Town Clerk Laurier Legault to send a telegram to Federal Minister, Hon. Alan McEachern with a request to close the dump in Caughnawaga for health reasons.

Centre Council also had a question and answer period at their recent Council meeting (June 4) which was a little noisy at times.

Tenders were opened at Centre Council meeting on contracts numbering 68-16 to 68-25 inclusive.

The Private Bill to increase the wards in the Centre from 6 to 8 has been passed — but Council now wish to have the bill withdrawn. They made a resolution to this effect and plan instead to increase the size of the wards.

A resolution was made to engage for a three-month trial period, Mr. Maurice Trudel, Chartred Accountant. — A punch clock has been purchased by the Centre for the use of office employees. At time of writing, the clock had not been installed.

Centre Council have asked Quebec Roads Dept. Minister for a grant to complete paving in St. Joseph Blvd. and to continue the road through to Ville Mercier (formerly Ste Philomene) as far as Montee Quesnel in the latter town.

Also a request to the Roads Dept. to complete asphalt paving on d'Anjou Blvd. from Vanier to the Town Hall between the sidewalk and road.

A resolution was passed by Centre Council to engage 3 students for the Engineer's Dept. for the summer months. Also three students for the Public Works Dept. and one for the Municipal nursery.

Centre Council are considering the advisibility of hiring another Librarian for the Cultural Centre. The part-time librarian who had been cataloguing the books is no longer in the employ of the Centre.

At a Finance Committee meeting on Wednesday, June 5th all accounts for the month of May were accepted.

Police Chief Meloche of the Town attended the funeral of the Police Chief of Ste. Catherine last Monday morning. In his absence no news of past weeks' activities in that department was available to The Gleaner.

Come To The Fair

MEXICO, MOVIES, MUSIC AND MORE FOR THE IRISH
by Russ Faughnan

Mexico remains one of the best pavilions at the fair. As during Expo, the stress is placed on sculpture and ancient artifacts. Some of the exhibits have been removed but ones like the large golden altar remain. The section on modern art leaves something to be desired by these eyes but it is presumed that everything has its place. There is also a good restaurant with reasonable prices and a twelve piece Mexican band. The over all effect is beautiful and just about what you would expect if you want to see a brief history of old Mexico.

The Cinema Pavilion opposite West Germany, is a new one sponsored by the National Film Board. It starts off as an exhibit of old movie projection equipment and turns into a real flight into the history of cinema and film-live and animated. Some of the old equipment is in actual operation. A display of old movie posters including that of Shirley Temple as Wee Winnie Winkle, adds to the interest — a good spot for some nostalgic memories. One section is devoted to the Quebec board of censors. There is a display of cards giving reasons why certain films were rejected. Under a glass case without further explanation, is a pair of scissors.

The Music Belfry in the old Great Britain tower is the place to go to relax. It is a simple arrangement of very comfortable chairs surrounding the centre of the tall tower from which the music flows. The room is dark, the music soft and the effect terrific. We heard tenor Richard Verreau who sang in French and Italian. Truly, almost another Caruso. We understand the performances change each day and consists of a forty-five minute program on the hour.

Le Shillelagh, on St. Helen's Island near the Metro, is an Irish restaurant offering atmosphere and food of reasonable quality. A good spot for corn beef and cabbage fans. They even serve an Irish sherbet. Okay, so it's only

UPROAR AT CENTRE COUNCIL MEETING

Last week's Council meeting of the Town of Chateauguay erupted into disorder as rival factions traded accusations across the floor.

Mr. Fred Berry, President of the Proprietors League of Chateauguay, maintained that the town is operating on a deficit and is suffering administrative problems. The League in recent months has been instrumental in "blocking" all money By Laws, and further development in the municipality is virtually at a stand-still, as Council has not to date seen fit to organize a series of referendums, which would cost the taxpayer a considerable sum of money.

At the meeting, before an accountant's statement on the Centre's finances could be read, Alderman Romeo Bourcier of Ward 5 convinced Council that a report on all aspects of By Laws dealing with any public expenditure should be drawn up. As a result, the financial statement has been postponed indefinitely — at least until the new report is finished.

It was announced that as a result of last Monday night's demonstration by a group of irate citizens on Ste. Marguerite Boulevard against a garbage truck route, the Council will ask the Provincial Government for local police jurisdiction over the secondary road leading to the dump in Indian territory. Garbage trucks from LaSalle have in recent months been routed via Ste. Marguerite Boulevard in the early hours of the morning, prompting the protest demonstration.

St. George's Junior Choir Visits '68 "Man And His World"

The Junior Choir were treated to a day at Man and His World last Saturday, June 8th., as part of their reward for their hard work and effort during the past year. Thanks are extended to Mrs. Bernice Larsen, who chaperoned five girls, to Messrs. Bill Cole and Curt Brinkman who each took four boys. According to reports the youngsters had an enjoyable time; the adults an even better time. Organist and Choirmaster, Mr. John Foster met the group at Place d'Acceuil and accompanied them for part of the day. Choir Mother, Mrs. Edith Bate was unable to go with the group, due to a sprained ankle.

Choir practice for Juniors and Seniors is now suspended for the summer months and resume on the first Thursday after Labor Day, September 5th. Mr. Foster is leaving for a month in England this week, returning for the July 14th. service.

As a Youth Project, on Sunday June 23rd., in place of the Sermon at the 9:30 a.m. service, the congregation will go in a body to Howard S. Billings Regional High School to view a production in music, movies, slides dialogue and the written word illustrating how some of our Youth feel about, and view the word today. Some of St. George's youth are involved in this project.

THIS WEEK AT SEIGNIORY PARK COUNTRY CLUB

Our first theatre party to Place des Arts took place on Monday June 3rd. The programme was Danny Kaye and it was a tremendous success.

The party of thirty left the clubhouse by chartered bus and returned, after the performance to a supper of wine and cheese served by candlelight. The whole event was quite delightful and it was accomplished at only $4.00 per head. Future trips will have to be slightly higher priced since there was no margin for errors.

During the past week membership has increased at a suprising pace and is now well over the three hunderd mark thus ensuring financial success of the undertaking and less sleepless nights for the directors.

Plans are underway for the Grand Opening Day — June 22nd. We have secured the Chateauguay Riveraines — a 65-member corps of girl marchers, pipers and dummers to entertain us betwen diving displays and scuba diving exhibitions. Official invitations have been sent out to local dignitaries to perform the opening ceremony. The evening entertainment will be a dance in Scottish style with the "Clansmen" plus, of course, bagpipes to shatter eardrums and nervous systems.

On Friday, June 14th, we have a teenage event with the "Haunted" doing the honours with Bob Ansell — one of CFOX 'Good Guys' as Master of Ceremonies. The members will be charged an admission fee of .50¢ and the general public will be charged $1.00 per person. This should be a good evening for the younger set and will set a trend for forthcoming programmes and events for teenagers both in the Club and in the community of Chateauguay.

Our thanks this week go to Alderman Bert Oliver who has donated time and energy recently getting a few very troublesome leaks in underground piping fixed and getting our plumbing in ship shape order. Also on our list for a long delayed vote of thanks is George Hacon who has spent endless hours assisting pool staff and directors in an attempt to ensure that all machinery was funcioning properly.

Without the help of the Volunteers who have given time, effort and money the project could never have opened and the members, I am sure, realize that it is through the efforts of these public spirited individuals that they will be able to enjoy the facilities of the finest club of its kind at a cost lower than any commercial enterprise could ever achieve.

Ian Watson....

(Cont. from Chat. Front Page)

that the Government finally agreed to set up what is now the Company of Young Canadians.

It is worth noting that Ian Watson's efforts did not go unrewarded. It was in the company of Young Canadians that he first met Monique Carle, daughter of Mr. and Mrs. Léopold Carle of Rosemont. They were married on November 20, 1965, and now have two children, Mark and Chantal.

In the same year Ian Watson served as a Parliamentary Observer in the Canadian Delegation of the United Nations and was Chairman of the House of Commons Committee on Citizenship, Immigration, Indian Affairs and Human Rights.

In 1966 he again served as a Parliamentary Observer at the United Nations and in 1966-67 was Chairman of the Special Joint Committee of the Senate and House of Commons on Penitentiaries.

During this latter period he also served on a number of other House of Commons Committees: Immigration, National Defence, Northern Affairs, Natural Resources, Indian Affairs, Agriculture. He gained a reputation there for being thorough and keen-minded in his application to problems; one of the hardest-working of committee members. It was not surprising that Pierre Elliott Trudeau recently declared "We need Ian Watson in Ottawa."

But Ian Watson did not confine himself to committee work, as important as that is. He also spoke out in the House of Commons against the failure of the St. Lawrence Seaway to eliminate the unsightly piles of rock along the south shore of the St. Lawrence. He also spoke on a Broadcasting Bill, the Canada Development Corporation, employment opportunities for Canada's Indians and Eskimos, ownership control and development of Canada's natural resources, and improved consumer protection in the housing field.

Today an issue that is dear to his heart is the improving of mass transportation facilities between Montreal and the South Shore communities. He wants to see a ramp built to connect Victoria Bridge and the Bonaventure Expressway, the removal of tolls for buses crossing Champlain Bridge, more CNR commuter trains from St. Lambert, and a major study launched by the Federal government on the general improvement of transportation facilities for communities of the entire south shore area, whose growth and prosperity are being restricted by present inadequate facilities.

A seasoned parliamentarian at 34, Ian Watson is regarded as one of the bright young men of the Trudeau team who plan to move Canada triumphantly into the Twenty-First Century.

St. Andrew's Notes

guay, from Emmanuel United Church, East Angus, Quebec; and Miss Edna Todd, 107 Dupont Avenue, Chateauguay, from Gore United Church, Huntingdon County.

The Minister, Rev. Howard C. Fraser, made a statement on the assassination of Senator Robert F. Kennedy in Los Angeles. Mrs. Judy Frigon sang the solo "My Prayer for Today."

At 9:45 next Sunday morning, June 16, all departments of the Sunday School will assemble in Memorial Hall for their final session before the summer break. The staff will conduct a Promotion Ceremony during which the pupils will receive certificates. When Sunday School re-opens in September the attendance pin awards will be made.

The Committee of Stewards have undertaken to clean and refinish the Sanctuary floor, and work will commence on this project this week.

The ladies who took part in the Worship Service held at St. Andrew's on Sunday, April 21, were asked to conduct worship at an Executive Meeting of the Montreal United Church Women's Presbyterial on Friday, June 7. This took place at the new St. Andrew's United Church, Westmount.

Thanks are expressed to those who contributed to a load of men's toiletries, etc., donated last week to the Montreal City Mission.

VETVILLE VIEWS

(By Mrs. Jalbert 692-2044)

Bon voyage to Mr. and Mrs. W. Pears of Somme Building who left last week on a trip to England.

On Saturday, June 1, Vetville Men's Club held their final Bingo of the season. Mr. and Mrs. S. Mitchell donated several door prizes of homemade cakes and pies. I was one of the lucky ones, winning a delicious apple pie.

On Sunday, June 2, Mr. and Mrs. A. Daoust of Quebec City, visited their parents, Mr. and Mrs. E. Jalbert, at Vetville.

The St. Lambert Branch of the Canadian Legion came to Vetville last Thursday to put on another Bingo with refreshments, much enjoyed by us all.

Next Tuesday, June 18, one of our drivers leaves Vetville at 8:30 a.m. The drive is to Cornwall, via the Cornwallis Hotel, where lunch wil be served, before the party leaves for Malone, N.Y. Mrs. Mary Milloy and her sister Mrs. Nellie Britton will be in charge.

In a few weeks Mr. F. Wyatt of Somme Building leaves for California to rejoin his wife. They will be back sometime in July.

THE PRO SHOP

The National Hockey League annual draft meeting takes place in Montreal this week, with the actual player swap scheduled for today and tomorrow. By Friday, there are going to be a lot of hockey players trying on new uniforms. Trades have already played a big part in the battle for next year's position.

The Oakland Seals have already picked up Doug Roberts, Howie Young and Gary Jarrett from Detroit. For this they gave up Bobby Baun and Ron Harris. Detroit hopes to use Baun to lure Carl Brewer back into the N.H.L. a rather big gamble but worth it if it succeeds. Those two would give the Wings a solid defence, something they have sorely missed over the past two years — In fact, since new Coach Bill Gadsby retired as a player.

Toronto dealt off unpredictable Jim Pappin for Chicago Captain Pierre Pilote. In this case, Imlach has probably done it again as he can squeeze another year or two out of the tough Pilote Pappin might even blossom out in Detroit if he receives the tender, loving care he needs.

The Canadiens will probably make a deal to have Carole Vadnais available for Oakland's number one draft choice so that Montreal can fill with Claude Provost once again. The deal may include Henri Richard if the latter does not go to the centre hungry Hawks, at least two others must go from the Montreal roster. One should be Claude Larose and the other Danny Grant or Mickey Redmond. Maybe they could trade Larose to Los Angeles for a two-day visit to Montreal by John Wayne.

Other players on the move could include Nesterenko, Horton, Bergman, MacGregor, Westfall, Neilson, Slater and Conacher maybe even Pulford.

Several new names are also expected in the Canadian Football League this year. A rule change now allows Canadian players to be hired on a five-day trial basis. Formally, this was only permitted to U. S. imports. It will mean many more try-outs under game conditions and should be a big help to teams like the Alouettes who have a poor Canadian program.

All eyes will be on George Knudson as the Canadian open tees off next week, in Toronto. Knudson has been working and waiting for this one, says he is out to play the best of his career. He'll need to as a starry field will be present. Our choice among the big ones is Masters champion Gay Brewer Jr.

Come To The Fair...

(Continued from page 8)

lime but it looks Irish. If you go early you might be disappointed in the canned music which was more American than Erin. The live entertainment begins about 7 p.m. A couple of talented youngsters with the usual rebel songs.

And don't forget, the best bargain is still the Blue Mini Rail. For fifty cents you get a round trip of both islands, it's the best way to see the site and a sight you can only get when you — Come to the Fair.

ST. GEORGE'S NOTES

At a meeting of the Central Committee of A.C.W. last week, discussion of many items included the November Christmas Fair. Stalls will be held mostly by those who have looked after them for the past few years. However there are three or four still to be decided upon. The committee is planning to wind up its activities at the end of June with a dinner at a local restaurant, strictly 'dutch treat". Any ladies interested in joining in are most welcome. Please call either Edith B[illegible] 692-9453 or Mona Parker 692-[illegible] before June 25, if you'd like to come along and enjoy a meal that you haven't had to plan, cook and clean up.

The Meat Demonstration last week sponsored by the Fund Raising Group was a tremendous success. One hundred and eighty ladies were in attendance and just one man, Mr. Jefcoat of the A. & P. Many interesting items about meat were learned by all, and Mr. Jefcoat was most adept at answering questions, some of which had no bearing at all on the subject. At the close of the meeting, refreshments were served and those who remained were surprised by a visit from the Liberal Candidate, Mr. Ian Watson, who spoke very briefly and then shook hands with all present. It was rather an impromptu event and most everyone was interested to hear what Mr. Watson had to say and hear answers to some of the questions. A poster picture of the P.M. Pierre Elliot Trudeau was won by Mrs. Georgie Havelock of the Terrace, with her ticket stub from the Meat Demonstration.

Next Sunday will be the final occasion when Rev. Graham Burgess will be with St. George's. It is hoped that there will be a good turnout at both the 8:00 and 9:30 a.m. services to wish Graham well.

LETTER FROM SEIGNIORY PARK

By FERGUS HORSBURGH
Route Boys:
ROLAND and PAUL LUSSIER
373 St. Francis 691-0782
JOHN CLAYTON
310 Seigniory Drive
691-9583

One of the most ludicrous and ambiguous traffic signs has sprouted at the St. Francis entrance to Craik Street. Apparently the sign prohibits the transit of trucks into Craik, but if the sign were to be obeyed literally, a truck would proceed on the south side of divided highway on St. Francis, in the opposite direction to legal traffic. Whoever had the brainwave should have another think, but fast.

Again on traffic signs — a children's crossing sign was delivered under mysterious circumstances last weekend to our carport. Where it came from, or what I'm supposed to do about it, I just don't know, but I'll be in touch with the Town's Public Works Department early this week to try and find out. I had asked both the Police and Public Works to do something about erecting such a sign near the entrance to Woodbine Park, even though I feel this would properly be a responsibility of the Home Owners Association.

Saturday night was again almost a full-house at the Beach Club, with a large crowd of dancers and an orchestra upstairs and an equally crowded situation downstairs in the lounge. Rarely if ever these days is the dartboard corner not in use. One of the new regulars at the darts is your friendly neighbourhood fuel oil man Dan Gallagher, one of whose bosses is Maurice Richard. How about bringing the Rocket along for a game some evening, Dan?

The tent caterpillar is again to be seen in these parts. The familiar large "tent" seen in midsummer and later are not, as is generally supposed, the work of the tent caterpillar, but are caused by another pest, the fall web-worm. In any case, both species can defoliate the trees and shrubs they attack. Late last summer, the familiar "tent" appeared on a neighbours' gooseberry bush, which was almost completely defoliated. This year the bush has produced little if any fruit. The best way to attack the tent is by burning with a torch as soon as possible after identification. Another way is to wipe the affected area with a rag moistened with kerosene, gasoline or some full strength contact spray. The sooner this is done, the easier, more pleasant and more effective it will be. But the best means of control is by pruning off and burning the twigs carrying the egg masses.

Birds and other insects (including parasites) are natural enemies of the tent caterpillar and a natural balance is gradually established so that after the pest has been abundant for four or five years it usually largely disappears for the same length of time.

The Sandfords of Woodbine are the most recent from Seigniory Park to join the Heights Tennis Club. Incidentally, the tennis tournament scheduled for last Sunday had to be cancelled because of rain.

Valleyfield Couple 60 Years Married

Congratulations and best wishes are extended to Mr. and Mrs. Henry Cordy who celebrated their 60th Wedding anniversary on Monday, June 10. We wish you many more years of happiness together, Mr. and Mrs. Cordy.

St. Mark's Anglican Church and the Valleyfield United Church held a joint Sunday School Picnic on Saturday, June 8, at Charlottenburg Park. There was a good turnout of children and parents from the two congregations. Luckily the weather was beautiful, sunny and warm.

The children played games and baseball and some of the braver ones ventured into the water. After lunch, races were held and ribbons were awarded to the winners. By late afternoon, every one was beginning to leave for home, tired and sun-burned but happy after a most enjoyable day.

Mr. and Mrs. Wm. McIlravey spent the past week-end in Welland, Ont.

Mr. and Mrs. Gordon Healey and family of Smiths Falls, Ont. and Mrs. Arthur Bowes and Janet of Perth, Ont. were Sunday guests at the home of Mr. and Mrs. A. Chaplin.

Mrs. C. Dave of Toronto is visiting at the home of her brother-in-law and sister, Mr. and Mrs. John Dow.

Dundee

DUNDEE — After spending the past three months in Chilliwack, B.C., Second Lieutenant Cadet Kari Carpentier, older son of Mr. and Mrs. Charles Carpentier, spent the week-end at his home here. Kari is with the Canadian Forces and will spend the next few months at Camp Borden, Ont.

Mr. Charles Carpetier leaves next Sunday by plane for Pine Hill Divinity College in Halifax, N.S., where he will spend the next two months working towards his Bachelor of Divinity Degree.

Réorganisation de la Croix-Rouge à Hemmingford

Une assemblée des intéressés avait lieu à la salle municipale mercredi soir dernier, le 5 juin en vue de raviver la section Hemmingford de la Croix-Rouge. Il est malheureux que la date choisie ait coincidé avec plusieurs autres activités dans la région et particulièrement avec l'ouverture de l'exposition d'Ormstown. En dépit de ces faits, on a jugé qu'il aurait dû y avoir plus de huit personnes intéressées à cette organisation vitale. Mme Fontaine, l'organisatrice de la Croix-Rouge de Montréal a parlé du besoin urgent d'avoir une organisation dans chaque communauté. Elle a parlé en détails des nombreux appels que reçoit la Croix-Rouge venant de près et de loin aux quartiers généraux de la Croix-Rouge à Montréal et ajouta que plusieurs appels venaient de Hemmingford.

Il fut décidé parmi le petit groupe présent, que des officiés soient nommés et que des efforts devront être fournis pour organiser une branche forte et enthousiaste dans cette ville en croissance. Les officiers élus sont: Présidente, Mme A. English; secrétaire trésorière, Mlle Kathleen Perras; secours en cas de désastre, M. Rufus Fisher, Mme Thérèse Ouimet; articles pour malades et sécurité aquatique, Mme Jim Robertson; bien-être des vétérans, M. Stan O'Connor; comité des dames bénévoles, Mme A. Derrick et Mme H. Warner; publicité, Mme J. H. L'Espérance.

Il n'y a pas eu de campagne officielle à Hemmingford en 1967 car personne n'était intéressé à l'organiser. Mme Fontaine a ensuite rendu visite à M. Alister Somerville qui a consenti à agir comme gérant de la campagne 1968. M. Somerville s'est mis tout de suite à l'oeuvre pour organiser les chefs de groupes pour la campagne qui débutera dimanche le 16 juin et se poursuivra pendant 3 jours, tous les rapports devant être rentrés pour mercredi matin, le 19 juin. Les capitaines sont: Mme Pierre Philion, Route 52, de Havelock à Roxham; Mme Arthur English, rue Fisher, rue Robson jusqu'à l'intersection Covey Hill et du bureau des douanes au village, i.e. la partie au sud de la Route 52. Le village sera la responsabilité de M. Gérard Laberge et toute la partie nord du village sera confiée à Mme Arthur Derrick. M. Paul Laroche, gérant de la Banque Canadienne Impériale de Commerce sera le trésorier de la campagne. Il est à espérer que chacun et chacune fera de son mieux pour que cette campagne soit un succès.

En acceptant le poste de président du comité des secours aux sinistrés, M. Rufus Fisher a dit que cette communauté ne doit pas attendre d'aide des quartiers généraux de la Croix-Rouge puisqu'aucune contribution n'a été versée en 1966 et qu'il n'y a pas eu de clinique de donneurs de sang au cours des derniers six ans, alors que la dernière n'avait pas été un succès. Au cours de cette période on a reçu de l'assistance. Il y a eu un incendie qui a détruit la maison et tous les effets d'une famille, plusieurs chaises roulantes et autres articles pour chambres de malades ont été fournis et plusieurs ont reçu du sang de la banque de sang de la Croix-Rouge. Au sujet de la tenue d'une clinique de sang, l'argument apporté dans le passé est que plusieurs résidents sont sur la liste des donneurs à l'hôpital Barrie Memorial et donnent du sang au cours de l'année. Ceci est maintenant changé. L'hôpital Barrie Memorial est maintenant membre de la banque de sang de la Croix-Rouge et obtient le sang dont il a besoin de cette banque; les donneurs du district de Hemmingford ne sont plus appelés sauf dans les cas de type de sang rare ou en cas d'extrême urgence. Ainsi à moins que des citoyens aillent donner leur sang à Montréal ou lors de cliniques spéciales, il n'y a pas de sang donné dans Hemmingford ou le district. Et que dire des résidents qui sont hospitalisés à Montréal ou autres hôpitaux de la région ? On peut supposer qu'aucun hôpital de Montréal n'a jamais demandé de sang au Barrie à moins que des parents ou amis soient allés donner du sang en même temps. Ce sont donc des résidents d'ailleurs qui aident à nous garder en vie. Il est temps de faire notre part pour cette oeuvre qui sauve des vies. Tenons une clinique de sang... bientôt.

Nominations du diocèse de Valleyfield

Equipe sacerdotale :

L'an dernier, à la paroisse St - Joachim de Châteauguay une équipe sacerdotale fut nommée au service de la paroisse. Au lieu de nommer un curé et un vicaire ou des vicaires, une équipe de prêtres est désignée. Les prêtres sont co-responsables de la paroisse sous l'autorité d'un chef d'équipe, délégué également de l'évêque auprès du Bureau de la Fabrique.

La même expérience se renouvelle cette année en certaines paroisses. Cette formule a l'avantage de favoriser la participation de chaque prêtre à toute la pastorale paroissiale, de favoriser les échanges et les recherches intellectuelles et pastorales, de créer pour le prêtre une vie plus communautaire, et de hâter la co - responsabilité pastorale avec les laics.

Les prêtres qui font partie de l'équipe ne sont pas nécessairement au service de la paroisse. Ils peuvent être aumôniers d'école ou d'Action Catholique ou encore professeurs. Mais ils vivent en équipe dans une paroisse et paient logement et pension à la Fabrique.

Ces équipes ne sont pas réalisables en toutes les paroisses et cette formule ne peut pour le moment s'étendre partout. En effet certaines paroisses sont trop petites ou encore ne sont pas géographiquement centrales pour réaliser cette formule. D'où dans la liste de nominations de cette année, vous verrez en certains endroits la désignation d'une équipe sacerdotale.

Cathédrale: équipe sacerdotale: MM. les abbés Roger Laniel, Georges Descent, Laurier Farmer et Gilles Halley.

Bellerive: équipe sacerdotale: MM. les abbés Gérard Théorêt, Gilles Daoust et Serge Vinet, auxquels s'ajoute l'abbé Jean-Léo Latour, étudiant en Service Social.

Saint-Esprit: équipe sacerdotale : MM. les abbés Lionel Moreau, Henri Dumouchel, Henri Dubuc et Denis Plamondon. — M. Dubuc est professeur au C.E.G.E.P. et M. Plamondon, aumônier d'école à la Régionale Salaberry.

Ste-Trinité de Dorion: équipe sacerdotale: M. le Chanoine Laurent Corriveau, et les abbés Alfred Bourcier et Raymond Castonguay. — M. Castonguay est aumônier à plein temps à la Cité des Jeunes et M. Bourcier est aumônier à demi-temps à l'Institut de Technologie de la Cité des Jeunes et à demi-temps à la paroisse Ste-Trinité.

Ste-Philomène, Ville Mercier: équipe sacerdotale : MM. les abbés Bruno Gaboury et Gilles Cousineau.

Hemmingford: M. l'abbé Marcel Dandurand, curé.

Pointe Fortune: M. l'abbé Gérard Larose, curé et aumônier de l'école secondaire à Rigaud.

Howick: M. l'abbé Frédéric Amyot, curé.

St-Stanislas : M. l'abbé Léo Béland, curé.

Melocheville : M. l'abbé Paul Laniel, curé.

Institut de Dorea: M. l'abbé Marcel Ladouceur, directeur de la pastorale.

St-Chrysostôme: M. l'abbé Albert Bergevin, aumônier de l'école secondaire et vicaire à la paroisse.

Ste-Martine: M. l'abbé Bernardin Prieur, vicaire.

Providence St-Vincent de Paul: M. l'abbé Garcia Jeannotte, aumônier.

St-Timothée: M. l'abbé Serge Abran, vicaire et aumônier diocésain des Cercles Lacordaire et Jeanne d'Arc, et aumônier de section des Foyers Notre-Dame.

Ecole Secondaire de Huntingdon: MM. les abbés Richard Wallot et Gérald Chaput, aumôniers.

Ces nominations seront effectives le 21 juin. D'autres nominations seront annoncées plus tard.

Luc Beaudin, ptre,
Secrétaire.

Mme T. Galipeau et M. F. Guérette élus commissaires

Mme T. GALIPEAU

M. F. GUERETTE

L'élection de deux commissaires d'école avait lieu lundi à Huntingdon. A la suite du regroupement des municipalités environnantes, la commission scolaire sera formée d'un représentant de chaque municipalité à l'exception de Huntingdon qui en aura deux. Il n'y eut pas d'élection dans les autres municipalités.

Des 1953 personnes qui avaient droit de vote, 991 s'en sont prévalu.

Les résultats sont comme suit: Mme Thérèse Galipeau, réélue avec 734 voix; M. Fernand Guérette, élu avec 654 voix, tandis que le troisième candidat, M. Karl Burkhardt en recevait 395.

Mme Galipeau et M. Guérette travailleront avec les autres membres de la nouvelle commission scolaire, qui commencera ses fonctions le premier juillet. Il y aura sans doute plusieurs problèmes à résoudre pour que tout soit prêt pour la prochaine année scolaire.

Ormstown

Samedi le 1er juin, au Séminaire des Missions Etrangères, M. Marcel Beaulieu, fils de M. et Mme Rosario Beaulieu d'Ormstown se consacrait à vie pour l'oeuvre des missions, dans la Société des Prêtres des Missions Etrangères et recevait le sous-diaconat. Le lendemain, 2 juin, à l'église Ste-Thérèse, il recevait l'ordre du diaconat des mains de Mgr E. Frenette, évêque de St-Jérôme. Assistaient à ces deux impressionnantes cérémonies, les parents du nouvel ordonné, M. et Mme Rosario Beaulieu et sa famille, M. et Mme Michel David, M. et Mme Jean-Claude Beaulieu, Mlle Pauline Beaulieu et M. Robert Faille, M. et Mme Jacques Caron, M. Lucien Beaulieu et Mlle Jeannette Daoust.

Nos félicitations et nos meilleurs souhaits.

Assemblée générale

L'assemblée générale de l'hôpital Barrie Memorial aura lieu le mercredi, 19 juin à 8 hres p.m. en la Salle de l'hôpital.

Il y aura démonstration du chronomètre moniteur du coeur don des Dames Auxiliaires par le Dr J.C. Johnson.

Mme Hall, directrice des Infirmières présentera un film en couleurs sur le contrôle des infections.

Nos meilleurs souhaits de prompt rétablissements à Mme Albert Allen et à M. Frédéric Leduc qui étaient récemment hospitalisés au Barrie Memorial.

Heureuse Fête

Dimanche, le 16 juin prochain sera consacré à honorer le père de famille.

Que par nous, ce jour soit pour tous les pères de famille paisible et heureux, entouré de l'amour et des attentions délicates de tous.

REMERCIEMENTS

Nous désirons remercier tous ceux ou celles qui de loin ou de près ont organisé cette belle fête à l'occasion de notre 25e anniversaire de mariage qui eut lieu à Chateaugua y Centr à la salle paroissiale. Ainsi que tous ceux qui ont bien voulu nous honorer de leur présence.

M. et Mme J. A. Médario Laberge

Les enfants de feu Mme Théodore Billette s'unissent pour remercier tous ceux qui leur ont témoigné des marques de sympathie à l'occasion de leur récent deuil lors du décès de leur mère.

Je désire remercier les médecins et les infirmières de l'hôpital Barrie Memorial pour la bonté qu'ils m'ont témoignée pendant mon séjour à cet endroit; aussi mes amis et voisins pour cadeaux, cartes et visites. Le tout fut grandement apprécié.

Messe en plein air dans le parc jeudi soir

Si la température le permet, il y aura célébration d'une messe en plein air dans le parc, situé rue Dalhousie. Cette cérémonie sera suivie de la procession de la Fête-Dieu. En cas de pluie, la cérémonie aura lieu à l'église.

C'est une occasion pour tous de s'unir pour demander le secours du Ciel. En ces temps troublés, le seul vrai remède est un retour vers la foi.

Succès du concert des petits

Dimanche soir dernier, les élèves de la maternelle de Huntingdon présentaient leur concert annuel. Les parents sont venus nombreux applaudir les talents des artistes en herbe qui ont offert un programme varié et fort bien préparé. Mlle Legault, responsable de la maternelle mérite certainement des éloges pour le dévouement qu'a certainement nécessité la préparation d'un tel spectacle. Félicitations aux petits.

Deux ministres libéraux battus

et les élections n'ont lieu que le 25 Juin

Après le ministre des Affaires des anciens combattants, M. R. Teillet, c'était au tour de l'honorable Maurice Sauvé de mordre la poussière à la convention du parti libéral dans le comté de Gamelin.

Dans le comté de Beauharnois, comme à travers la province de Québec, les observateurs politiques chevronnés voient venir la défaite du candidat libéral avec certitude.

En effet, rien ne va plus dans le camp des libéraux, et c'est avec hantise et crainte que les quelques derniers suiveux du groupe LANIEL (Cauchon) voient venir le prochain scrutin.

En contrepartie, c'est de tous les coins du nouveau comté de Beauharnois qu'arrivent aux quartiers généraux du candidat conservateur, M. Armand Miron, les nombreuses offres d'appui et de support. Il semble évident que tous les conservateurs du comté de Beauharnois vont se serrer les coudes pendant cette lutte et qu'une bonne partie des libéraux bien pensants appuieront le futur député du comté de Beauharnois, M. Armand Miron.

Selon les nombreux commentaires que nous avons pu recueillir ici et là, il semble évident que la population n'est pas prête d'oublier facilement l'attitude du député fédéral sur plusieurs points.

Les électeurs et les électrices se souviennent de ses promesses non réalisées, promesses qu'il nous sert depuis les quatre (4) dernières campagnes électorales. Fidèle à son petit manège, le député l'applique une fois de plus et cela à grands renforts de publicité. Deux (2) grandes pages de photos et d'articles (pages payées par le contracteur général) nous annoncent la construction d'un futur édifice fédéral. Cette réalisation vient à point dans une campagne électorale. Il y a longtemps que le public de Salaberry de Valleyfield et des environs aurait dû jouir de l'utilité d'un tel édifice.

Lors des cérémonies qui ont eu lieu à l'occasion de la levée de la première pelletée de terre, nous n'avons pas bien saisi certaines phrases du ministre des Postes. Un premier geste a été posé, c'est vrai. Qu'adviendra-t-il dans le futur? Les travaux se poursuivront-ils? Les budgets ont-ils été votés et acceptés? Un montant a été mentionné, c'est vrai. Dans le contexte économique actuel où l'instabilité règne, nous ne saisissons pas très bien cette hâte que l'on apporte dans l'exécution du projet. Le député fédéral pourrait-il nous fournir des détails très précis concernant ce projet? Nous lui suggérons d'afficher sur la muraille que l'on élève autour du projet, la charte de progression des travaux et la date d'ouverture du futur bureau des postes.

Nous sommes d'accord qu'il nous est difficile de tenir rancune au candidat Laniel pour les prises de positions anti canadien-français de son chef "Lord" Elliott-Trudeau, mais quand il s'agit de ses propres prises de positions sur: l'enrôlement obligatoire, le sort réservé aux milliers de chômeurs de l'industrie du textile, le pont du chemin Larocque, du déménagement du bureau de l'assurance-chômage à l'extérieur du comté, du port de Beauharnois, de la Crosse, sport national des canadiens-français, qu'a-t-il fait... RIEN. Si on appelle cela aider les gens d'un comté, il y a quelqu'un qui se trompe.

La population du comté de Beauharnois voit clair, elle entend agir et faire respecter ses droits et ses demandes et c'est pour cela qu'elle confiera le prochain mandat de député fédéral à un homme d'action et prêt à aider son concitoyen quel qu'il soit. Cet homme, c'est ARMAND MIRON.

Communiqué, Comité du Parti Conservateur.

Nomination

Un récent article du Financial Post au sujet des progrès des machines électroniques au Canada mentionne la récente nomination de M. Lynn P. Lefebvre au poste de gérant-général au Canada pour General Acceptance Computer (GAC) Leasing Incorporated ayant son bureau principal à Toronto.

Avant de se joindre à GAC il y a quelques mois, M. Lefebvre était employé par Mai Canada Limited et avait travaillé avant pour IBM Canada Limited. Après avoir obtenu son B. A. au collège de Valleyfield, il obtint son B.Sc. en administration de l'Université d'Ottawa.

La famille de M. Lefebvre est bien connue de la population de Huntingdon, Valleyfield et Malone, N.Y. Il est le fils de M. J.C. Lefebvre, gérant-général du poste CFLV de Valleyfield, autrefois employé à la Gazette de Valleyfield et au Huntingdon Gleaner et de Mme Lefebvre, née Madeleine Pond. Il est le petit-fils de Mme Phil J. Lefebvre de Huntingdon et de Mme Floyd O. Pond de Malone, N.Y. M. et Mme Lynn P. Lefebvre résident à Agincourt, Ont.

Agenda de M. Armand Miron candidat conservateur

M. Miron poursuit activement sa campagne électorale. Désireux qu'il est de rencontrer les populations, il communique à tous, par le truchement de ce journal, son agenda d'activités pour la semaine en cours.

LUNDI SOIR, 10 juin — Il était reçu par la population de St-Anicet et de Franklin.

MARDI SOIR, 11 juin — Le comité féminin de l'organisation conservatrice recevait à un "thé-mode" au club Touriste. A cette réunion très bien réussie, les invités eurent l'immense plaisir de converser avec nulle autre que Mme Marcel Faribault.

Pour terminer la semaine, M. Armand Miron sera à la disposition des électeurs et électrices aux dates et aux lieux suivants:

Mercredi, 12 juin —
3 hres p.m.: à Maple Grove.
— 8.30 hres p.m.: à Ste-Martine au restaurant Chez Paul.

Jeudi, 13 juin —
8.30 hres p.m.: à l'école Marie-Rose de St-Timothée. M. le candidat Armand Miron invite les gens du village de St-Timothée, de la paroisse et de Nitro à venir s'entretenir avec lui.

Vendredi, 14 juin —
6.30 hres p.m.: M. Armand Miron et son épouse seront les invités de l'Association des Enseignants de Salaberry de Valleyfield. A cette occasion, plusieurs instituteurs et institutrices seront fêtés par le personnel enseignant. Cet événement soulignera, de façon tangible, les 25 années d'enseignement que ces professeurs ont données à la jeunesse de notre province. Les festivités se dérouleront à la salle Viana dans la cité de Valleyfield.

Samedi, 15 juin —
8.00 hres p.m.: Grande assemblée à Huntingdon. Le candidat Armand Miron invite toute la population à l'école Notre-Dame.

Dimanche, 16 juin —
6.30 hres p.m.: Le futur député fédéral rencontrera la population de Maple Grove.

Le Chanoine Corriveau quittera Hemmingford

Les fidèles présents aux messes à l'église St. Romain de Hemmingford ont été fort attristés lorsque le Chanoine Laurent Corriveau, curé de cette paroisse, annonça à la fin de son sermon, que le 16 juin serait son dernier dimanche en tant que curé. L'évêque l'a désigné à la cure de la paroisse Sainte-Trinité de Dorion. En un temps relativement court, il s'était acquis l'affection de tous, catholiques et autres et son départ est une cause de chagrin pour toute la population.

Ouverture de la campagne dans le comté St-Jean

Mercredi soir, le 12 juin, M. Walter B. Smith, candidat libéral officiel pour le nouveau comté de St-Jean lancera sa campagne électorale. Une parade a été organisée pour l'occasion. Le départ se fera à 7 hres au Plaza Shopping Centre, St-Jean pour se rendre à l'école Forget où aura lieu une assemblée publique. Au nombre des orateurs invités les électeurs pourront entendre l'Hon. Gérard Pelletier et le Notaire Jean Boucher.

Plusieurs ne réalisent pas l'énorme travail que demande le regroupement des secteurs nouvellement groupés pour former ce nouveau comté. Depuis le jour de la nomination, M. Smith et ses organisateurs ont fait le tour de ce comté qui s'étend de Havelock à Hemmingford à l'ouest jusqu'à Iberville à l'est, des frontières internationales au sud jusqu'à Mercier (Ste-Philomène) et St-Jean au nord. Et à l'intérieur des limites on compte les villes et villages St-Luc, St-Isidore, St-Rémi, St-Urbain, St-Chrysostôme, Napierville, St-Bernard de Lacolle, St-Blaise, Lacolle, St-Jacques et plusieurs autres municipalités. Chaque endroit a été organisé et les supporteurs seront prêts pour l'ouverture officielle de la campagne ce soir.

Plusieurs assemblées publiques suivront à Ville Mercier (Ste-Philomène), St-Rémi de Napierville et Iberville. On espère qu'il y en aura aussi dans les centres moins grands. La dernière assemblée aura lieu à Hemmingford, le 24 juin, soit la veille des élections.

Anniversary Service

Charming bouquets of Iris decorted the chancel at the United Church on Sunday morning, when a large congregation met for anniversary services. A full choir under the leadership of Mrs. Russell Stewart, sang the anthem "Sun of My Soul" (Turner) with solos beautifully sung by Mrs. Russell Gruer. Peter Miller sang with great feeling the solo, "How Great Thou Art." The Rev. K. G. MacMillan, D.D. of Montreal, old friend of the congregation, was the guest minister and preached a splendid sermon on the topic, "It's The Foundation That Counts."

Members of the congregation extended best wishes to the Rev. and Mrs. John Anderson as word spread that they too were celebrating an anniversary — their 30th wedding anniversary.

Mr. and Mrs. Wells Coates, Miss Colleen Coates and Mrs. Bishop of East Angus were visitors last week at the home of Mr. and Mrs. Douglas Templeton and attended Ormstown Exhibition. Collen Coates is taking the Agriculture Course at Macdonald College and last year won the Champion Showmanship at the Macdonald Royal in which Carolyn Templeton also, was one of the top contenders.

Congratulations to Carolyn Templeton who graduated last week from the Macdonald College School for Teachers.

Mr. and Mrs. Paul Senez, Cohoes, N.Y., were visitors last week at the home of Mrs. Adolphe Bouroier. Other guests at the same home were Mrs. Bourcier's sisters, Mrs. Agnes McKenzie, St. Chrysostome and Mrs. Louise Provost, Ormstown.

JUNE MEETING ORMSTOWN W.I. AT SENIOR CITIZENS

The June meeting of the Ormstown W.I. was held in the Senior Citizens Club on Thursday May 30th., at 2 P.M with the president in the chair and 16 members and 2 visitors present who responded to the roll call with, "your birthstone and flower of the month you were born in.

After the opening ode and collect the minutes of the previous meeting were read and affirmed

The Secretary reported that notices of the coming of the Salvation Army truck had been sent to the various churches and that the pick-up was to be on June 5.

An invitation from Dewittville W.I. inviting our W. I. to attend a lecture and slides to be held in St. Andrew's Presbyterian Church, Huntingdon on June 13, at 8:15 P.M. and Secretary was told to write this branch and say that about 3 or 4 carloads might be expected. She was also asked to send an invitation to the Dewittville W.I. inviting them to our July meeting which is to be held at the home of Mrs. John McKell, July 2, at 2 PM. Money for the Christmas stockings was handed in to be sent to the person in charge of this fund.

The treasurer reported a balance on hand of $47.42 Convener reports followed: Agriculture spoke on the care of geraniums—start new cuttings in spring for winter bloom, light and heat necessary.

Parsley-sow seed in spring-slow starting — left some in fall, place in box near light trimming off any wilted leaves and have for food decorations.

Petunias — outside or inside growing — need new seed every year — are all self seeding when grown outside.

Citizenship — told of clergy and others going on a poverty March, which ended in a banquet on which much money was spent with no help to the poor!!

Education told of the formation of all boys' class in a Grade 1 - 2 Calgary school, where it was found that boys were more interested in certain things — heart transplants and were more voluble when no girls were present.

Spoke of a girl progidy. "Edith Stearn" who had an IQ 201 could read at 2 years, play chess at 3, arithmetic at 4. Algebra at 5 and had her B.A. at 16 and at 18 was taking her PhD.

Home Economics — spoke of skirts — and how length should be regulated to height of heels on shoes, and to size build and age of person wearing them.

Also spoke of care of the vacuum cleaner, where and how it should be stored — if in a kitchen closet set on something that will raise it several inches from the floor and thus avoid any dampness that may come from damp coats or rubbers stored there.

Health and Welfare spoke of the tiredness of women, due in most part to getting inadequate rest, more prevalent among women than men — due to the fact that most men leave their worries when they leave their work, where as women often take theirs to bed with them. Tests prove that a day time rest even if you don't sleep helps sleep at night.

Publicity gave a brief resumé of the 1st. Provincial Convention which was organized June 1915, with 41 present and reported 33 clubs represented. In 1919 the first Executive was formed with Miss S. J. Armstrong of Shawville as president, Miss Abbie Pritchard Wyman as Secretary and Miss B. A. Morris, Aubrey as treasurer. In May 1939 the McGill financial committee decided the Q.W.I. was not a legitimate charge on the University — they had financed a superintendent — so after 25 years the financial burden of maintaining office and staff was transferred to the Provincial Department of Agriculture who at the present time are going to withdraw their support, saying the Women's Institute were able to carry on alone.

Also told of Centennial quilt made by Mrs. Dewar who won 1st. prize on it, how it had spent the summer on display in the window of the Canadian Handicraft Guild in Montreal. From there it went to Morin Heights having been purchased by the late Rev. Horace Baugh for his quilt collection.

Mrs. Carlton Smith told how the Pennies for Friendship money was spent and how much they appreciated getting them viz a study course for a Fijian woman who is going to Australia for a three month course to see how things are organized and done there.

The Indian training village centers were a great success and remainder of the money was used to set up an Agricultural College for their women similar to the Lady Denman in England. These are only a few of the things accomplished by our "Pennies for Friendship", so keep them coming!!

A "jumbled letter" flower contest" conducted by Mrs. A. English was held, the winner of which was Mrs. H. Parkinson who guessed 20 out of 22 flowers.

At the close of the meeting refreshments were served by Mrs. Moe, Mrs. Parkinson and Miss Ethel Cavers, the tea tables being centred by vases of lilies of the valley and bleeding heart, and a social hour enjoyed.

Next meeting is to be held July 2 at the home of the president, Mrs. McKell, when we hope to have Dewittville W.I. as our guests.

Fellowship Military Whist

The ladies of St. James Anglican Fellowship held a very successful Military Whist in the Church Hall on Tuesday evening May 28. Mrs. Longtin Mrs. Stacy, Mrs. Fennel and Miss L. Winter were the winners of first prizes. Consolation prizes were awared to Mr and Mrs. K. MacDonald and Mr. and Mrs. C. Wright.

Shower for Miss Margaret McAllister

A miscellaneous shower for Miss Margaret McAllister whose approaching marriage to Mr. Allen Finlayson will take place in July was held on Friday evening, May 24, at the home of Mrs. A. Borland. Joint hostesses were Mrs. Archie Finlayson and Mrs. Doug Glover. Miss McAllister was pleasantly surprised when she entered the Borland home to be greeted by thirty friends and led to a gaily decorated chair to the strains of the Wedding March played by Mrs. Glover. Delicious refreshments were served by the hostesses and the guest of honor graciously thanked everyone for their lovely gifts.

Rockburn

Mr. and Mrs. Pennington and son, also Mrs. Robert Gillander of St. Johnsbury, Vermont were recent visitors at the home of Miss Florence Johnston. Other callers at the same home were Mr. and Mrs. Frank Martin of Ormstown.

Mrs. J. Sloan and son Malcolm attended the Brown-Whitman wedding which took place on Saturday, June 8th., at Cornwall, Ont.

Mr. an dMrs. William Henry of Port Credit, Ont., were recent guests for several days of Mr. and Mrs. Lyell Graham and also called on other friends in Rockburn.

A C.V.R. RED CROSS CLUB BOOK OF NOVEL POETRY

We have received a booklet of poetry from the Chateauguay Valley Regional High School which we believe will be of interest to the people of the region.

The poetry booklet entitled "Images of Ecstacy" will be going on sale very shortly. Adults are encouraged to buy a copy in order to support the CVR Red Cross Club and its worthy activities.

All poems in the book have been written by local students and prizes have been awarded to poetry contest winners in several categories: Best Mood Poem — Andy Wilhemsen; Best Narative Poem — Kathy Blake; Best Lyric — Celine Childs; Best Nature Poem — Judy Weed; Best Haiku — Brenda Baird.

Mr. du Temple, a teacher of English at CVR was chiefly responsible for the sponsoring and organizing of this Red Cross activity.

Other authors in the book are: Janet Jamieson, Margaret Rennie, Keith Rorison, Wanda Goundry, Jill Smillie, Zsuzsi Kapas, Bill Cottingham, Stewart Sutherland, Valerie Pelletier, Don McEwen and Birgit Graebor.

Here are a few samples from Selection of Haikus:

The sky is like seas,
Fluffy Clouds like waves roll by
Never pleasingly.

Don McEwen

Searching worms are crushed
Because they are man's
dislike
Ideas are hushed.

Janet Jamieson

The Best Mood Poem by Andy Wilhemsen — "I'M Wandering Around The Back of My Mind".

WHAT'S HAPPENED TO MY BRAIN

I'm wandering around in the
back of my mind.
Grow my child grow and
see what you find,
I'm picking flowers off
long curvy walls.
And talking to faces of
blue paper dolls.
Softly I tread lest I wake
myself up
So swim in red depths of
a green paper cup
I roll in a sky of
exploding white splendor
Psychedelically twisted a
purple mind blender.
Look not for me
As for me you'll not find
It's not safe for thee
In my state of mind.

Fly out of your world and
abide like me
Where life is a flower of
stupid ecstacy
Refrain from the rights and
the wrongs of your world
Escape through wild dreams
that your future unfurls

Enzio

These are just a few of the samples, as the weeks go by perhaps we shall print a few more. Better, buy the book, which is nicely prepared with art engravings and color shadings, erratic page sizings and designs, all in keeping with the theme of the contents.

HEMMINGFORD GOLF CLUB

THE HEMMINGFORD SPORT AND COUNTRY CLUB

The Club is located in the most scenic part of Quebec Province, amidst the magnificent maples, elms and pines of the fertile Chateauguay Valley at the piedmont of the Adirondack Mountains, just a few miles from the International U.S.A. — Canada Border and within a radius of 35 miles of (from) Montreal, St. John's and Valleyfield.

On the occasion of the official opening of the 18 hole course, we are pleased to recall some of the main chronological events which have taken place since its inception and which denote the tremendous effort and time devoted in order to materialize what started out as a dream.

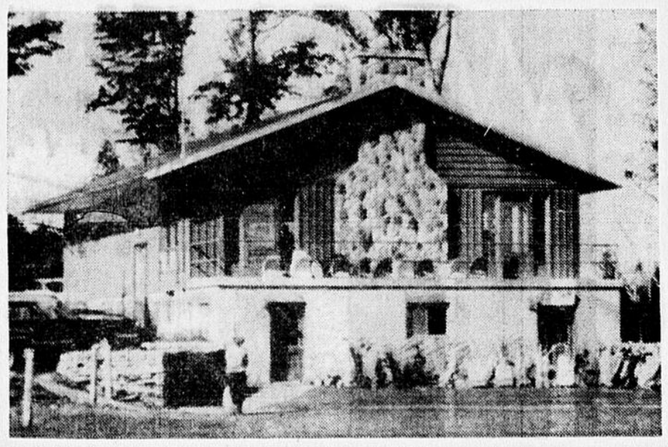
Our thanks for this 'dream' go to Mr. Hermas Fortin, a dynamic and successful business man of this locality and creator of the beautiful 'Canne de Bois' Camping Grounds adjoining the present Golf Course. Ably assisted by his nephew, Normand Fortin, and Edwin Keddy, a golfer of repute, the project was further discussed and local civic-minded and financially capable citizens were approached. The answer was not long in coming, many were ready to subscribe. A provisional Board of Directors was appointed, application was made for a Charter and the project was under way. Looking ahead into the future a larger acreage of land was purchased at that time than was necessary for the construction of the Golf Course. This extra land has now been subdivided into a little over 165 lots, the eventual sale of which will provide a return on the original investment and form a pleasant residential area with a good view of the Course.

The first Board of Directors was established in 1963 and the Directors were, Hermas Fortin, Henri Paré, Edwin Keddy, Leo Fortin, Joseph Dauphinais, John McKough, Réal Fortin, Ruth Atchison-Long, Alister Somerville, Henri Viau, Ross Hawkins, Normand Fortin, Raoul Dumouchel, Ross McNaughton, Willie Beattie, and Paul Bélanger.

Under the capable guidance of Pro' Gerry Huot, (formerly Pro' at Granby) who acted as draftsman and architect, a magnificent Course was laid out and opened to Golfers in June 1965. Normand Fortin handled financial matters and the construction of the Club House while Edwin Keddy drew up the Rules and attended to the needs of the Course. Members found they could relax, after play, in the large, tastefully furnished Lounge of the Club House with its splendid fireplace of grey field stone, while expert staff in the kitchen and the well-stocked bar supplied all the needs of the inner-man!

The first year of play, 1965, was a year of achievement and by June players were on the greens all day and every day. This success encouraged the Board of Directors to such an extent that they began planning the expansion of the existing nine holes and the possible enlargement of the kitchen and Club House facilities.

A major expansion of facilities brought, of course, financial problems, so the original Board of Directors, formed under the name of 'Hemmingford Enterprises Incorporated', decided to sell a certain number of shares to players and general public, sufficient to cover the financial requirements of the work contemplated. Again the response was magnificent. Good publicity brought such a record number of memberships that a total of 376 were received in 1966. With such evidence of success it was impossible for the Directors to back down and, in consequence, work on the second 9 holes was commenced. Normand Fortin and Gerry Huot rose to the challenge and by September, 1967 all 18 holes were in play. Up to date no-one has been able to break par!



CLUB HOUSE 1967

The end of the fiscal year proved that the Directors had not made a mistake and even with the counter-attraction of 'Expo 67', the financial statement reflected a nominal profit. In the light of these facts it was decided to proceed with the enlargement of the kitchen and Club House to the actual dimensions seen to-day which make it possible to accept large tournaments and also carry on as a profitable organization. The Hemmingford Sports and Country Club is open to its members and their guests twelve months of the year and everyone can enjoy the Card Club, the Ski-Doo Club and many other activities.

1968 marks the official opening of the eighteen hole Golf Course which now stands as a magnificent tribute to the pioneers whose foresight has made it possible to accommodate the many who will use it. A cosmopolitan population, friendly American neighbors and the outstanding cooperation and 'esprit d'entente' which has always existed between the two main ethic groups and neo-Canadians has combined to make one of Hemmingford's largest projects a reality.

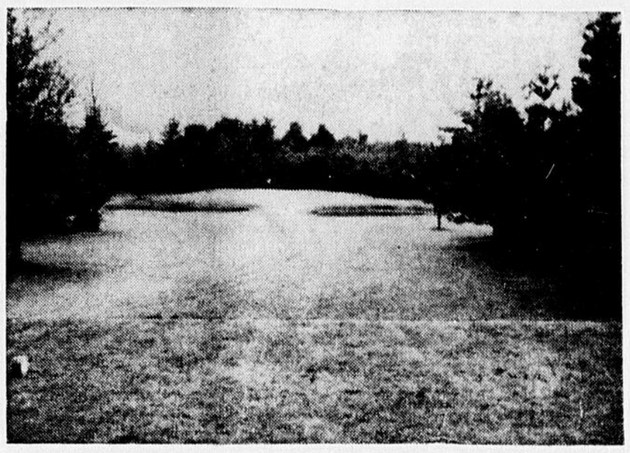
CLUB HOUSE 1968

Club Sportif et Champêtre de Hemmingford

Ce Club, sans but lucratif, situé dans un décor des plus pittoresque de notre Belle Province, à quelques milles seulement des frontières Américaines, au pied des Adirondacks dans un rayon de 35 milles de Montréal-St-Jean et Valleyfield. Quoique jeune encore, il a grandi et a atteint sa phase adulte depuis seulement six mois. Nous sommes heureux à l'occasion de l'ouverture officielle de ses dix-huit trous, de revivre un peu avec vous et par ordre chronologique, les évènements principaux qui se sont déroulés dans sa courte histoire, et aussi de montrer à tous le travail formidable qui a été fait par des gens de chez nous et des gens qui ont bien voulu se dévouer à une cause commune.

Ce club est aujourd'hui la réalisation de rêves caressés depuis quelques années par un type bien connu dans la région par ses nombreuses réalisations: Monsieur Hermas Fortin, propriétaire du terrain de camping "Canne de Bois" avoisinant du terrain de Golf.

Ce Monsieur Fortin un jour, recevait la visite de son neveu Monsieur Normand Fortin et de quelques joueurs de Golf qui de passage dans la région et prenant leurs ébats dans le magnifique terrain de camping "Canne de Bois" discutèrent du projet d'établir un Club de Golf à Hemmingford. Ce projet paraissait le complément logique du terrain de camping. Monsieur Normand Fortin de par ses connaissances du milieu local, mêlé depuis de nombreuses années à titre de Commissaire Industriel attaché à la Chambre de Commerce de la Région et connaissant les difficultés d'établissement d'une industrie stable dans la région ou de quelques projets d'envergure se met en tête de réaliser ce plan général de construction d'un terrain de Golf. Ses buts principaux étaient de trouver de l'emploi pour quelques personnes de la région, avoir un Centre de Loisirs pour ses concitoyens et de plus faire connaitre la région au plus grand nombre de gens possible.



A cet effet, Hemmingford, étant un milieu biblingue, où l'entente de deux groupes ethniques est à souligner, consultation était donc faite avec Monsieur Edwin Keddy, un golfeur émérite de la région, qui lui aussi, sentait la nécessité d'établir un terrain de Golf adéquat pouvant répondre aux besoins de la Région.

Ces deux pionniers armés d'un courage sans borne et d'un esprit de travail quasi indestructible, s'acharnèrent à promouvoir l'idée d'un Club de Golf, à intéresser le plus de gens possible dans l'entreprise, tant moralement que financièrement.

La réponse ne tarda pas et nombreux furent les gens qui souscrivirent une mise de fonds assez respectable pour l'achat du terrain. Animés d'une vision d'ensemble très réaliste, ils achetèrent un terrain beaucoup plus grand que nécessaire et y localisèrent le terrain de Golf que vous connaissez actuellement. La partie avant cependant, fut cadastrée résidentielle et ces 165 lots seront vendus pour construction domiciliaire permettant ainsi de recouvrer une partie des déboursés originaux.

Le premier Bureau de Direction fut établi en 1963 et se composait de seize directeurs dont encore nos pionniers Monsieur Normand Fortin s'occupant du côté financier et construction, tandis que Monsieur Edwin Keddy s'occupait de voir aux règlements et autres nécessités immédiates dans un tel Club. L'affaire allait bon train; tout le monde aidant et sous l'habile direction de l'ex-pro de Granby devenu maintenant Pro du Club de Golf de Hemmingford, Monsieur Gerry Huot; un magnifique parcours s'ouvrit et dès juin 1965, nous pouvions commencer à jouer au golf.

Juin fit affluer les joueurs de golf à un tel point que les succès remportés piquèrent la Direction à parler d'agrandissement du terrain de Golf, d'agrandissement du chalet de même qu'agrandissement de la cuisine.

Le financement étant toujours un problème très difficile dans de telles circonstances, les directeurs originaux formés sous le nom des "Entreprises Hemmingford Inc." décidèrent donc de mettre à la portée des golfeurs une certaine quantité d'actions, ramassant ainsi les argents nécessaires à l'expansion du Club de Golf, à l'agrandissement des commodités adjacentes à ce Club. 1966 fut une année de progrès et de travail. La publicité aidant, de même qu'un Pro des plus sympatique, un nombre record d'inscriptions soit 376, vinrent couronner les efforts déployés.

Forte d'une telle réussite, la Direction entreprit la réalisation du 2ième neuf, devenu une nécessité.

Le parcours réalisé par le Pro Monsieur Gerry Huot est aussi pittoresque que le premier et dès septembre 1967, nos golfeurs pouvaient se délasser et tenter de briser la normale de 72.

La fin de l'année fiscale prouva que la direction avait vu juste, car malgré l'Expo les états financiers montraient un profit très intéressant.

A la lumière de ces faits, il fut décidé d'agrandir cuisine et chalet aux dimensions actuelles permettant la possibilité d'accepter des tournois d'envergure et continuer le maintien d'un Club rentable.

Le Club Sportif et Champêtre de Hemmingford est ouvert à ses membres douze mois complets, où Club de cartes, Club d'autoneige, soirées récréatives et nombre d'activités se déroulent régulièrement.

Hemmingford Township To Cut Dead Elms Along Roadsides

HEMMINGFORD — The regular meeting of the Hemmingford Township Council was held at the Town Hall on Monday, June 3. Mayor Florian Dauphinais presiding. Present were Councillors H. Duquette, B. Barr, W. J. Brown, D. Hadley and L. Gagné. Councillor R. Lavallée was absent.

A letter from Mr. W. Tremblay was read asking Council to gravel the newly constructed road at the bottom of Margaret Street. As this section of road does not belong to the Township and is a private road the Secretary was instructed to notify Mr. Tremblay to this effect and refer him to the vendor of the land.

It was agreed that Council insert the usual advertisement in the Havelock Fair programme.

A letter was received from the Department of Roads concerning the bridge on the Dumesnil Monté. The bridge has been examined and if it is found that repairs are needed this will be done.

The Secretary reported receiving complaints of sheep wandering at large in the vicinity of the Covey Hill Road. He was instructed to write to the owner and request him to see that the sheep are securely confined.

Mr. Hector Poissant was named as an assessor for this year to replace Mr. Oscar Maynard who is unable to act.

In a letter to Council Mr. F. Gobeille asked that the valuation of his property be lowered in view of the excessive damage caused by fire to the interior of the house, the amount of damage is assessed at approximately $11,000. As the Valuation Roll has been set for this year, the assessors were asked to take note of this request for the coming year's assessment and act accordingly.

It was resolved that a request be sent to the Department of Agriculture asking that the water-course from the Sherrington line to the Harold Whyte property be dug.

Mr. Y. Frederick and Mrs. Lyle Simpson- President and Vice-President respectively of the Hemmingford Playground Association appealed to Council for funds in order that the playground at the rear of the United Church which is open to all children in the community, might continue to operate again this year. It was resolved that a donation of $50. be given.

Mr. Paul Vaillancourt requested that the fence between his property and that of E. Gagné be divided by the Municipal Inspector so that the line might be clearly defined and the fence built. Resolved that the Inspector visit the property, together with both interested parties and the division made.

Councillor L. Gagné gave notice of motion that at the next regular session of this Council he will present a by-law regulating the construction of fences on the by-roads of the municipality.

Concern was expressed at the number of dead elms along the roadsides in the municipality. A number are the responsibility of the Council, others are on property which borders the road. It was pointed out that, according to law, the owner of the land on which a dead tree stands is responsible for any damage or injury caused should the tree or a branch fall on the road. The Secretary read the list, compiled by the Councillors on a tour of the area, of trees which are on or near enough to the road to be dangerous to passers-by. It was resolved that a man be engaged to cut the trees for which Council is responsible and also those of property owners if they so wish.

The following bills were authorized for payment: Department of Family and Social Welfare $14.52; Insurance for firemen, $352. Juror's List per the Secretary, $24.60, A. Dubois, $6. P. O. Box Rental, Stamps and Exchange $10.18; Secretary's salary, $200. Regional Construction Co. Interest $90.29, Rent $42.50.

Mrs. Catherine Priest Heads New Hemmingford Red Cross

ALISTER SOMERVILLE CAMPAIGN MANAGER

Hemmingford Branch of Red Cross Re-Organized

A meeting of interested persons was held in the Town Hall on Wednesday evening, June 5th. in order to revive the Hemmingford Branch of the Red Cross. It was unfortunate that this date clashed with several other activities in the area and in particular with opening night of Ormstown Fair. Despite this it was felt that there should have been more than 8 people in the community interested in this vital organization. Mrs. Fontaine, the Red Cross organizer from Montreal, talked of the urgent need to have an organized branch in every community. She spoke in detail of the frequent calls made from far and near on the resources of the Red Cross headquarters in Montreal and several of these calls came from Hemmingford.

It was decided, among the small group present, that officers should be installed and a concerted effort made to organize a strong, enthusiastic branch in this growing community. The officers elected are as follows: President, Mrs. Catherine Priest, 1st Vice-President, Mrs. A. Derrick, 2nd. Vice-President, Mrs. A. English, Secretary-Treasurer Miss Kathleen Perras, Disaster Relief Mr. Rufus Fisher, Mrs. Therese Ouimet, Sickroom Supplies and Water Safety Mrs. Jim Robertson, Veterans Welfare Mr. Stan O'Connor, Women's Work Committee Mrs. A. Derrick and Mrs. H. Warner, Publicity Mrs. J. H. L'Espérance.

Chairman of the Disaster Relief Committee Mr. Rufus Fisher said that this community should not expect help from Red Cross headquarters as no contributions have been made since 1966 and there has been no Blood Donor Clinic for the past six years, and the last one held was very poorly attended. During this time assistance has been received. There was a disastrous fire which wiped out the home and all belongings of a family, several wheel chairs have been borrowed and other sick-room requisites and many have received blood from the Red Cross Blood Bank. With regard to the holding of a Blood Donor Clinic, the argument in the past against the holding of a Clinic here has been that a considerable number of residents were listed at the Barrie Memorial Hospital and donated blood to that hospital frequently during the year. This has now been changed. The Barrie Memorial Hospital is now a member of the Red Cross Blood Bank and draws its supplies from this Bank therefore donors in Hemmingford and district are no longer called on except in cases of particular rare types or dire emergency. So unless public-spirited citizens from this community voluntarily go to Montreal or wherever a clinic is being held, then NO blood is donated from Hemmingford and district. And what about those residents who are hospitalized in Montreal or adjoining hospitals? It can be safely assumed that no Montreal hospital ever asked the Barrie for blood so unless friends or relatives went in and donated at the time then we are expecting other communities to keep us alive! It is time we made our contribution to this life giving fund. Let's have a Blood Donor Clinic — SOON!

ALISTER SOMERVILLE

No financial campaign was held in Hemmingford during 1967 as no interested person was available to organize it. Mrs. Fontaine later visited Mr. Alister Somerville and he agreed to act as Campaign Manager for the 1968 campaign. Mr. Somerville promptly set about organizing the Team Captains for this campaign which will commence on Sunday, June 16th and run for 3 days, all returns to be in by Wednesday morning, June 19th. The Captains are as follows: Mrs. Pierre Philion, Route 52, Havelock to Roxham; Mrs. Arthur English, Fisher St. Robson St. to Covey Hill Corners and from the Customs to the Village, i.e. the area south of Rte 52. The Village will be organized by Mr. Gerard Laberge and all north of the village will be handled by Mrs. Arthur Derrick. Mr. Paul Laroche, Manager of the Canadian Imperial Bank of Commerce will be the Campaign Treasurer. It is hoped everyone in the community will do his or her best to make this campaign a success.

In accepting the position as Chairman of the Campaign Mr. Somerville said that he felt that the Red Cross was a very worthwhile organization and that he would do his best to make the campaign a success.

A Near-Fatal Accident On The Champlain Bridge Which Never Should Have Occurred At All

Had my husband and I been killed in the accident it would have been assumed that — a) I was travelling too fast and lost control of the car; or b) the steering column or tie-rods had broken and this had caused me to swerve; or c) perhaps I had some sort of attack and passed out while driving.

No-one would ever have believed that the accident was caused by a man driving a large machine, something like a snow-blower, and crawling along the third lane of a 60-mile an hour bridge, and raising such a cloud of dust that it completely enveloped the machine and part of the bridge.

On Tuesday morning my husband and I were travelling to Montreal from Hemmingford. Driving onto the Champlain Bridge I crossed to the second lane and as the two cars in front of me were travelling around 40 and there was little traffic on the bridge I pulled over to the third lane and speeded up to 50. As our car does not have power brakes that is fast enough in my opinion, even on the upgrade. Nearing the top of the slope where the steel covers the bridge I saw ahead what appeared to be a cloud of brown smoke and wondered aloud that a ship should be permitted to release a cloud of smoke while passing under the bridge. (Our visits to Montreal are few and far between and I have no knowledge of the position of the Seaway or the ship channel).

An uneasy feeling was already causing me to slow down and as I topped the slope my foot was on the brake. To my horror, dead ahead, enveloped in a thick cloud of dust was a huge orange-coloured 'something'. The brake pedal went to the floor, the steering wheel was pulled round to the right and we slid past the rear of the 'something' with but inches to spare, striking a small car coming gently along in the middle lane. A swing to the left, to the right, with a prayer that there was no traffic coming behind and I finally managed to pull up in the first lane, inches from the railing. When we had recovered our breath and discovered that neither of us were hurt we got out and went to the small car which had pulled up behind us. A resident on Wednesday, June 5th. Around 7:30 p.m. one of the cars had stopped for a moment so he asked the driver what it was all about. He was informed that it was the Trans-Canada Auto Rally and that car was the 50th of 75 cars in the Rally. They were on their way to Halifax! It seems the cars must stay off highways as much as possible and use secondary roads.

The first ocean yacht race to Bermuda was won by the 38-ft. yawl Tamerlane in 1906. She was the smallest winner of the race until 1964, when it was won by the yawl Burgoo three inches shorter.

A 40th Wedding Anniversary

Many friends and relatives from this and other communities attended the 40th wedding anniversary party held at the Havelock Town Hall on Saturday evening, June 1st. in honour of Mr. and Mrs. Lloyd Waddell.

Arriving at the Hall with their niece and nephew, Garth and Lois Waddell, Mr. and Mrs. Waddell were surprised to find this large gathering waiting for them. John and Dorothy Clark met the guests of honour at the door and pinned a corsage on Lou and a boutonnière on Lloyd, then escorted them to the front of the hall where two decorated chairs awaited them. A Grand March was organized and congratulations were showered on the bride and groom. Dancing, to the music of the Westernaires Orchestra, was enjoyed until midnight when a delicious lunch was served. The head table was centered with a three-tier wedding cake and seated with Lloyd and Lou were their daughter and son-in-law, June and Gene Kutney of Toronto, Mrs. E. M. Sharp, Mrs. E. Smith, Miss L. Waddell, Miss A. Waddell, Mr. and Mrs. E. McNiece and Mr. and Mrs. Gerald Bourdon of Lacolle. After lunch there were speeches and much reminiscing Mr. Bourdon, acting as M.C. spoke of the days when Mr. Waddell owned and operated the store at Covey Hill Corners and the fine orchard just below. The Mayor of Havelock, Mr. Kenneth Sample, told of happy evenings spent at the store when the boys would gather to listen to the newest wonder, the radio. Mr. Waddell owned one of the first in the neighbourhood.

Then Mr. Bourdon presented Lloyd and Lou with a well-filled envelope and wished them many more years of happiness. In a gracious reply, Mr. and Mrs. Waddell thanked their friends most sincerely for the gift and for such a delightful evening. Although his work (Mr. Waddell is employed by the Charles E. Frosst Pharmaceutical Co.,) keeps him in Montreal all week, they are always pleased to return to their home on the Corners every week-end where they have spent so many years with good friends and neighbours. A rousing chorus of 'For they are jolly good fellows' brought a most enjoyable evening to a close.

Attending from out of town were friends and relatives from Montreal, Granby, Clarenceville, Lacolle, Huntingdon and Howick.

Perhaps the sweeper is supposed to travel at 60 miles an hour. Interesting thought, I must find out.

Mrs. Jules (Aileen) L'Esperance.

Hemmingford's Parish Priest Is Leaving

The congregations at the services at St. Roman's Church Hemmingford, on Sunday morning were grieved beyond word when their beloved Pastor, Canon Laurent Corriveau announced at the close of his sermon that the following Sunday, June 16th. would be his last Sunday in this Parish, he was going to Holy Trinity, Dorion. Here only a comparatively short time, he has endeared himself to all in the community, be they members of his church or not and all are saddened at the news of his departure.

"The die is cast in Canada. There are two linguistic groups. Each is too strongly and too deeply rooted in the past, too firmly bound to a mother culture, to be able to swamp the other. But if the two will collaborate inside a truly pluralistic state, Canada could become the envied seat of a form of federalism that belongs to tomorrow's world."

SWIMMING POOL PROJECT GETS HELPING HAND

As is known, a fund raising campaign is presently underway for the County Civic Centre Swimming Pool project for Huntingdon County. Above is seen Mr. Pierre Crepin of Richer & Frère Ltd., Pepsi-Cola, Valleyfield, as he presented a cheque to Gaetan Rousselle, Vice-President of C.C.C. as a contribution to the project. This was gratefully received as all such are and it is hoped that more will come forward and do likewise.

Round Byre and Ring

Ayshire National Sale

The Ayrshire Breeders' Association of Canada Newsletter anent the National Ayrshire Sale, held at St. Hyacinthe, Que., on May 28, 1968, makes interesting reading. With most adherents of that breed of cattle it will doubtless be classed a favourable sign of the times insofar as the current demand for Ayrshire cattle is concerned. According to the said newsletter.

The 15 cows sold averaged $604.33; the 19 two year old bred heifer averaged $534.21, while the 3 yearlings and calves made an average of $850. The overall average of $591, says the letter, is the highest average for six years and $20. above last year's average.

Progeny of high production proven sires were in strong demand, resulting in that 9 daughters of Approved Extra Production Sires were sold for an average of $801. The said sires being Selwood Betty's Commander, Hammonds Masterpiece, and Round Bush Final Command.

The top priced animal of the sale was the March 1964, Clover Crest Betty's Commander, by Selwood Betty's Commander, consigned by Marshall Cheeseman, Ellenburg Depot, N.Y. She was purchased by Donald A. MacIntyre, Finch, Ont., at $1,500. Donald MacIntyre also purchased Selwood July September 1962, at $725.

The second high animal, Melody Lane Betty Kay (August 1967) by Selwood Betty's Commander at $1,000. was consigned by Fred J. Bova, Melody Lane, Burke, N.Y. Her purchaser was McGillivray Bros., Brome Que.

The largest buyer was Max E. Lundrigan, Hammonds Farm, Corner Brook, Newfoundland, the man who is building up a new Ayrshire herd to take the place of the former famous herd which M. R. Bell created for the Bowaters' Pulp and Paper, etc., Company. It will be recalled that he was a considerable purchaser at several sales last year. Anyway, he purchased 4 head for a total of $2,750. at the current National Sale. His purchases included Top Croft Betty's Gypsy, at $825. from Archie Roy, Howick; Brookview Wonderfuls Greta 5 at $725. from J. P. Bradley & Son, Lachute; Border View Betty Spring at $625. from Oscar Vaillancourt, St. Chrysostome, and Sunny Hill Lofty 3 at $500. from R. M. Goodram, Campbellcroft.

A. L. Young of Brooks, Alta., paid J. P. Bradley & Son, Lachute $725. for Brookview Wonderful Great 4.

In addition to the prices already quoted 6 other animals sold at from $600. to $650. each; a dozen at from $500 to $575.

People We Met

The cattle show at Ormstown, this year as heretofore was efficiently run by Armand Pinsonneault and J. Earle Ness, respectively Chairman and Vice-Chairman of the Cattle Committee, and their assistants. John K. Dickson, President of the Exhibition, was also constantly in the ring keeping his eye on the proceedings. Reminiscent of the days when his father, the late Peter Dickson, was the long time efficient Cattle Division Chairman. The "Old Master", himself, former President and now Honorary President, Donald Black, was also constantly in the ring. Secretary-Manager Carlyle Dickson, was also frequently seen in the ring but mostly on the run, so to speak.

The top-man of that breed in Quebec, Hermas ("Gus") Lajoie, Secretary-Manager of the Quebec Branch of the Holstein-Friesian Association of Canada, was also in attendance.

The Ayrshire Show was graced by the presence of a considerable number of current and past Officers of Ayrshire Breeders' Association of Canada, including: Archie Roy, President and J. Douglas MacKechnie, Secretary-Manager; Past Presidents: Jack McGeorge formerly of Alderwood Farms; W. Erskine Rodger, Lachute; Rene Trepanier, Oka; Roland Pigeon, Vercheres, Que., also the local Past Presidents, J. Earle Ness and Douglass A. Ness. From New York State, Fred Bova Sr., of Melody Lane, Burke.

W. Erskine Rodger, a Past President and still an Executive of same, was also in official representation of Lachute Spring Fair, and on the day before three other officers of the Fair: James McKinney of Lachute, Gilbert Arnold of Grenville, and K. Riley, Secretary-Manager, were also in attendance.

By the way, W. Erkine Rodger informed us that the livestock section of Lachute Fair, to be staged from June 8 to 11 (and of course, in full operation by the time this issue of The Gleaner is in circulation) will be just as large as usual.

Peter Miller of Aubrey, did not have any of his Aberdeen-Angus cattle at this show, but he was an interested spectator of not only the Aberdeen-Angus but as well the Ayrshire Show. He naturally got a great kick out of it, when he learned that his junior herd sire is closely related to one of the Winfields Farm first prize winners at Ormstown. Peter purchased the said junior herd sire at Winfields last year.

We had a pleasant renewal of our acquaintanceship with Henry Harper, Head Herdsman of E. P. Taylor's Winfield Farms Aberdeen-Angus exhibit. We first met Henry at Ormstown Exhibition two years ago, for the first time. However, while he is of a much younger generation, we had a lot to talk about, inasmuch as he hails from the Turriff district of Aberdeenshire, which is less than 20 miles from my own home district.

Man and His World

Jack MacGeorge, former Manager of the former Alderwood Farms, St. Valentin, who had charge of the Livestock exhibit at Expo '67, is in charge of the Cattle exhibit of Man and His World. In giving us a cordial invitation to visit that cattle show, he asked us to tell who may be visiting the Big Exhibition to look him up. If he is not around the cattle he can be located in his office.

It Has Occurred To Me

A Father's Day Tribute

On this day it has become traditional to honour all fathers. Yet, on this one day, can we truly do justice to all the efforts that have led to the fulfilment of yet another year?

We take Father so much for granted. It would become all of us to realize just how constant a responsibility it is to undertake the raising of a family.

It is easy for a child to say "of course I love my father" and equally easy for a father to say "of course I love my children."

But these are just words, and can only be brought to life by the thousands of hours of daily living, the hundreds of irritations and frustrations, and the countless spoken and silent tokens of affection throughout the year.

A father works with devotion for his family.
A father worries constantly.
A father makes decisions, and wonders:
"Have I done the right thing?"
A father is human, he makes mistakes.
A child thinks — "A father's life is easy."
I tell you now, it is not.
When you hurt — he feels it.
When you are in need — he wants to give.
When you are sad — he cries for you — inside.
You think he is hard and demanding.
He is soft and hopes to make you enduring.
You think he expects too much of you,
He does — not for him, but for you.

He is a father — a person — a human being; who gives you and wants for you things he has never had for himself.

His love knows no bounds. Around you his world revolves. For you he would slay dragons, would lay down his very life.

This is your father. This one human man — complete with faults and virtues; limitations and uncertainties, wisdom and hope, and most of all, the most genuine love man ever endowed.

We give you, Father, this one scant day to tell you your devotion has not been in vain.

It is our privilege to have you and our duty to deserve you. God willing we should make you as proud of us as we are of you.

Cheese squares add a gourmet note when served piping hot with salads or soups. They are also delicious served as party snacks. Mix processed cheese spread with salad dressing until an easily spread mixture is obtained. Cut an unsliced loaf of enriched white bread into slices about two inches thick. Cut each slice into four squares. Spread each cube of bread with cheese mixture on all but bottom side. Arrange on baking sheet and toast under broiler until cheese melts and is slightly brown.

WEEKLY BUSINESS REVIEW

A Reliable Business Guide Of Huntingdon, Ormstown, Hemmingford & District

The business people in every community pay a large percentage of local taxes. Their stocks and stores tell citizens and visitors alike whether the town is a progressive, prosperous community or is in the doldrums. The local and district business firms advertising on this page are doing their utmost these days to promote the interests of the community by stocking a wide variety of goods at reasonable prices. They are entitled to your support, and by supporting them you are helping yourself and your own community. In many instances prices are standard everywhere, so there is actually no object in spending money for transportation to shop in other centres. You'll do your shopping more successfully in your own community with your own local merchants.

A. BEAULIEU & FILS ENRG.
Ormstown
Over forty years of service to the residents of Ormstown and district is the enviable record of A. Beaulieu & Fils of Ormstown. It was in 1927 that Adrien Beaulieu took over the business, which is now owned and operated by his son, Bruno Beaulieu. The firm is an outstanding dealer in Flour and Feeds, building materials of all kinds, including sash and doors, lumber, roofing and siding, along with Paint and Painters' Supplies.
Bruno Beaulieu has always been a leader in any movement for the betterment of the community and is the present Mayor of Ormstown.
People for many miles around have for years bought their building material and builders hardware from A. Beaulieu & Fils, in Ormstown. These customers know by experience that products from this firm make for building construction that will satisfy and last.
The next time you need anything in the line of building material, see A. Beaulieu & Fils, in Ormstown.

LUXOR JEWELLERY
Huntingdon
Conveniently located in the centre of Huntingdon's business section, Luxor Jewellery is one of the finest jewellery stores in the entire district. Their display of fine Jewellery includes many gifts of distinction. They feature Art Carved and Lido Diamonds, Gladstone and Cardinal Watches, along with just about everything that a person may wish from a jewellery store. They also offer the advantage of an expert watch repair service.
Luxor Jewellery is under the capable management of the proprietor, Mr. Ernest Simoneau, who during World War II was a fine-instrument mechanic with the R.C.A.F. Mr. Simoneau established himself in business in 1947 and has been at his present location since the Fall of 1954. Always interested in community affairs, Mr. Simoneau is an active member of the Huntingdon Branch of the Canadian Legion.
No matter what you are looking for in the line of jewellery, call in and let Mr. Simoneau show you the selection available at Luxor Jewellery, in Huntingdon.
