

## ARE CONTRACTS ALREADY LET?

### Quebec Eastern Line May be Built at Once.

#### WILL ENTER SHERBROOKE VIA HISTORIC "LONE PINE" ROCK

The prospect of having a new railroad run into Sherbrooke is causing considerable interest in this city. The Record learned from what is considered good authority that the contract for the building of the new road had already been signed, and that in all probability work would be started early in the spring. The contractor is said to be Baron Pichon, a French Capitalist. So far no part of the contract has been submitted.

It is expected that the contractor will start work from the Sherbrooke end as soon as weather permits. As already announced the railroad will cross the St. Francis River at Lone Pine Rock. From there the line will follow the west side of the river and run over the street next to Walter Blue & Company's building. The station will in all likelihood be built in that vicinity.

#### 106 MILES TO QUEBEC.

Two surveys have already been made the shorter of which is only one hundred and six miles. The other is one hundred and sixteen miles, but touches almost every town of any importance. It built it will be the shortest route from Sherbrooke to Quebec. The distances above mentioned are from Sherbrooke to Quebec, not to Levis.

The elections of ministers and of president are to take place this afternoon.

There was touching scene in the assembly when Dr. Sun Yat Sen handed in his resignation.

The national assembly afterwards passed a resolution paying great tribute to Dr. Sun Yat Sen. It was worded as follows: "Such an example of purity of purpose and self sacrifice is unparalleled in history. It was solely due to his management that Northern China was won over."

Yuan Shi Kai's refusal to come to Nanking caused some reaction here.

A section of members of the Senate declares that it will not elect Yuan Shi Kai president of the republic. This opposition to former imperial premier has been strengthened by the report received here that Yuan Shi Kai is engaged in seeking recognition from foreign legation in Peking, and that he has received some encouragement.

## VISIT OF SECRETARY HALDANE TO GERMANY.

### Premier Said Desire of Both Countries Was to Relieve The Existing Tension.

#### BONAR LAW PROMISED STUBBORN RESISTANCE TO HOME RULE MEASURE

London, February 15.—The opening day of the parliamentary session, which is to deal with Home Rule, Welsh Disestablishment and Electoral Reform, was marked by a statement by Premier Asquith, that the visit of Viscount Haldane, secretary of war, to Berlin was made at the invitation of the German authorities and that the conversations between the British War Minister and the German authorities had reference to a desire on the part of both countries that the existing tension should be relieved.

Interest in this statement completely overshadowed that in the Government's huge legislative programme. Since Secretary Haldane's visit to Berlin the English people have been prepared for the announcement that it had to do with Anglo-German relations, but they hardly hoped that the conversations had proceeded as far as the Prime Minister's guarded speech shows. His hopeful words that he believed that the conversations may have more than negative results have caused the greatest satisfaction.

The speeches on domestic affairs dealt only generally with the Government's huge legislative programme. Bonar Law, in a fighting speech, promised to offer stubborn resistance to Home Rule and other measures. Lord Lansdowne intimated that Home Rule will meet its fate in the House of Lords. It will therefore, have to be re-passed by the House of Commons, as provided by the Parliament Bill.

Dr. Mooney, of Scotstown, expressed his pleasure at being present, and voiced his great faith in the ultimate success of the greater Eastern Townships movement.

A feature of the gathering was the number of English-speaking people present. The fact that the movement is being supported by every citizen, regardless of nationality, meant that nothing but success can follow.

## HOCHELAGA BANK TO BUILD.

### Looking for a Site for New Home on Wellington St.

#### SAID THAT OFFICIALS FAVOR BOURQUE BLOCK IF PRICE CAN BE ARRANGED.

This property was sold some months ago to a Mr. Gervais, Coaticook, for \$17,000.

Two of the bank officials were in Sherbrooke this week looking into the matter.

## TO-NIGHT'S MEETING AT MEGANTIC.

### Large Crowd Will Hear Address From Mayor Hebert of Sherbrooke.

#### TUESDAY'S MEETING WAS A SUCCESS IN EVERY WAY.

Lake Megantic, Feb. 15.—(Special)—Indications are that the Town Hall will be filled to its utmost capacity to-night, when His Worship Mayor F. H. Hebert, of Sherbrooke, will address a mass meeting of citizens on the important question of town development.

As briefly reported in yesterday's issue, the meeting of citizens held on Tuesday night was quite largely attended. Among those who spoke were Mayor A. B. Gendreau, Ald. H. W. Albro, Ald. Huard, Mr. Alex. Devine and Mr. Jos. Roy and Rev. H. S. Fuller, Lake Megantic, and Mayo Dr. M. J. Mooney, Scotstown.

Rev. H. S. Fuller stated that he would be one of a number to contribute five dollars in order to give prizes for the best kept gardens and in individual residences.

The question of beautifying the shores of the lake was brought up and it is very likely that a systematic effort will be made to do this.

Mr. George M. Thompson gave an interesting account of the bazaar held in Sherbrooke, and pointed out that if properly carried on there was no doubt but that a systematic effort to advertise Megantic would mean prosperity to the town. He offered to be one of twenty-five to contribute \$10 a year for advertising purposes in less than five minutes fifteen others agreed to do the same. Other business men will follow.

Dr. Mooney, of Scotstown, expressed his pleasure at being present, and voiced his great faith in the ultimate success of the greater Eastern Townships movement.

A feature of the gathering was the number of English-speaking people present. The fact that the movement is being supported by every citizen, regardless of nationality, meant that nothing but success can follow.

In the outside service appointments totalled 382, of which 236 were additions and 146 to fill vacancies.

In the public works department four appointments have been made to the inside service and 161 to the outside service.

## MEGANTIC COUNTY PEOPLE PLEASED.

### Railway Through District Now an Assured Fact.

#### EFFORTS TO HAVE RAILWAY HAVE BEEN GOING ON FOR FORTY YEARS.

Inverness, Feb. 15.—(Special)—The confirmation of the sale of the Lotbiniere and Megantic Railway to the Quebec Eastern Railway was received here with great rejoicing.

The building of a railway through Megantic County to touch this and other points, has been a dream with the people. Now it is a reality. (For forty years the members of parliament and the leading business men have struggled hard to have a railway established, but success did not crown their efforts.)

The railway through here will mean greater prosperity to the people of Megantic County.

It is the intention to proceed with the work of laying the track just as soon as the weather permits. Already contracts are being made for the supply of ties for track work.

A LITTLE DANDERINE WILL MAKE YOUR HAIR LUSTROUS, SOFT, FLUFFY, ABUNDANT Get a 25 Cent Bottle Now and Forever Stop Falling Hair, Itching Scalp and Dandruff If you Wish to Double the Beauty of your Hair in Ten Minutes surely Try a Danderine Hair Cleanse Your hair becomes light, wavy, fluffy, abundant and appears soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits particularly those who have been careless, whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair at once, Danderine dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair. Try as you will, after one application of Danderine you cannot find any dandruff or a loose or falling hair, and your scalp will never itch, but what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair sprouting all over the scalp. Danderine makes the hair grow long, heavy and luxuriant and we can prove it. If you care for pretty, soft hair and lots of it surely get a 25 cent bottle of Knowlton's Danderine from any druggist or toilet counter, and just try it.

Tillson's Oats

Your grocer has Tillson's. Two sizes—10c and 25c. Each 25c package contains a handsome piece of English Porcelain Tableware.

CANADIAN CEREAL & MILLING CO., Ltd. Toronto, Ont.

In the old days of "oatmeal" the miller was thinking of his goods not of the housekeeper. He made his product in his own way leaving her to find a way to cook it. The only way she could find was the troublesome all-night way. A tedious performance.

Instead of asking the housekeeper to find a way to cook Tillson's Rolled Oats we have found a way of preparing them to suit her cooking convenience.

15 minutes is all we ask of her time, because 15 minutes cooking turns Tillson's Oats into the most delicious, digestible porridge ever put before a hungry man or child.

**Lost His Hair, Beard and Mustache**

**Terrible Plight of a Pennsylvania Man**  
Reported by a Prominent Citizen

"About two years ago my hair, beard and mustache started to come out in spots. These spots were entirely bare of hair. Seeing PARISIAN SAGE advertised, I purchased four bottles and after using two of the bottles, the hair came in until now I have as good a head of hair as I had before this trouble started. I can truthfully recommend this preparation to any one for what it is recommended for. Sam Galder, Jamison City, Col. Co., Pa. Oct. 11, 1911."

"Please bear in mind that PARISIAN SAGE is not guaranteed to grow hair on bald heads. In Mr. Galder's case the hair was not dead and there is no good reason why PARISIAN SAGE should not do just what he writes it did."

"The next time Mr. Galder came into my store after purchasing the PARISIAN SAGE," writes the druggist who sold him, "his appearance was so changed I did not know him."

PARISIAN SAGE is without doubt the most efficient hair grower, beautifier and dandruff cure in the world, and people who are wasting time with ordinary commercial tonics should wake up.

PARISIAN SAGE will banish dandruff, stop falling hair and itching scalp; will put life, lustre and beauty into faded hair, or money back. It is a most delightful and refreshing tonic for men, women and children. Large bottle 50 cents at F. T. Ansell's, and druggists the country over.

The regular monthly meeting of the Sherbrooke W.C.T.U. was held on Friday last at the residence of Mrs. Andrew McDonald, Prospect street. The attendance was large and encouraging, an evidence that the interest in the association is not only maintained, but is increasing. Mrs. Jones, the president, conducted the opening religious services, after which the routine business was disposed of and the minutes read by the secretary, and letters of thanks for flowers sent to the sick, a branch of W.C.T.U. work which is kept up throughout the year. A feature of the afternoon was the paper read by Mrs. Morrill, of Stanstead, a county officer and a lifelong temperance worker, on "Opportunities for Service," in which she dwelt on what has been accomplished in the past and pointed out the great possibilities of the future. The paper was heard with deep interest and cordially applauded. An open discussion followed, in which many of the members present took part. It was decided to hold an open meeting on the second Friday in March, at the residence of Mrs. B. C. Howard, London street, when papers will be read giving a clear and comprehensive idea of the aims and objects of the Union, with a hope of inducing non-members to join. The flower collection was taken up and the meeting closed with the benediction.

**A Chat With Our Lady Readers**

Have you ever noticed how miserable and unhappy the little pains and aches make one? A stinging cut, badly shaped hands, a nasty burn, a sore foot, a poisoned finger—none of them wounds or ailments ever likely to cause serious trouble, but had enough to put an edge on one's temper and give one a "grouch."

Take this advice. When in pain from any of these everyday evils, just use Zam-Buk. As soon as you put it onto a sore, a cut, a burn, or any skin injury, it stops the pain and the smarting and starts up healing. Don't think that because Zam-Buk is so widely used by medical men, by nurses and for serious skin diseases and accidents it is ONLY for serious cases. Keep it handy in the kitchen, the workroom, and use it immediately you get some injury or have some sore.

Mrs. Chas. H. Barrett, Harmony Road, Truro, N.S., says: "I had an ingrowing toe nail, which caused me acute agony. Sometimes the pain was so severe I could not sleep. It became so bad that I feared blood-poisoning had set in. I was advised to try Zam-Buk and found up the sore toe with it. In a few days it was much easier, and I continued the treatment. The result is that today the toe is sound and I have no more trouble with it. I strongly recommend Zam-Buk to every housewife."

Zam-Buk is just the thing, too, for the children. Pure in its composition, and herbal in nature, it is suitable for the most delicate skin. It cures piles, eczema, various ulcers, cold sores, abscesses, blood poisoning, ring-worm and all similar skin diseases. Sold everywhere at 50c. a box, or post-free from Zam-Buk Co., Toronto, upon receipt of price.

PREMIER GOULIN ON REDISTRIBUTION BILL. Says Measure is in Best Interests of The Province of Quebec.

REFERRED TO ESTABLISHMENT OF LAKE MEGANTIC AS ELECTORAL DIVISION. Quebec, Feb. 15.—Sir Lomer Goulin, at the meeting of the Legislative Assembly yesterday, in submitting the Government bill on redistribution, stated it was a measure in the interests of the increased development of the province of Quebec and was not dictated by party reasons. It was in fact submitted on its own merits and not on that of party.

Premier Goulin went into the question of figures in his address, making comparisons with Ontario to enforce the argument that public convenience in Quebec demanded a more equitable distribution.

Mr. Godfroi Langlois, of Montreal, criticized the bill on the ground that Montreal was not getting a full representation if population and revenue collected by the Government were based as an argument.

NEW COUNTIES ESTABLISHED.

In the course of his remarks Premier Goulin said: "Lake Megantic: the County of Lake Megantic has been established for the purposes of municipal and judicial registration. It was enlarged for the establishment of a Circuit Court. It is formed from parts detached from Beauce and Compton. The population of Beauce is 51,329, and of Compton 29,630. The area of the county of Beauce is 1,210,261 acres, and that of Compton 920,896 acres, forming a total of 2,131,157 acres. The combined population of the two counties in 1891 was over 73,000; it is to-day 80,950. At the time of the organization of the two counties, more than half of the territory which composed them was uncultivated. Nearly all the townships which it is proposed to make into the new county are colonized. Beauce and Compton are adjacent for a distance of fifty miles. The town of Megantic, at a distance from the extremity of the dividing line, is already the county town, and admirably situated geographically to be the county town of the proposed electoral division. The population of this town is 3,000. There are there two branches of banks, large and spacious hotels, large stores, and industries of all sorts, members of the liberal professions, academies of the first class, for the education of the young, both Catholic and Protestant, and a crown lands agent.

DISAPPOINTED WITH SPEECH FROM THRONE. Scanty Reference to Home Rule by King Not Pleasing to Nationalists

SUFFRAGETTES ALSO OF OPINION THAT MORE ATTENTION SHOULD HAVE BEEN PAID TO CAUSE.

London, Feb. 1.—The King's speech proved disappointing both to supporters of Home Rule and woman suffrage. A Times despatch from Dublin this morning regarding the former states that the scanty reference to Home Rule in the King's speech greatly disappointed the Irish Nationalists, who hoped for a more fervent allusion to that pre-eminent measure of the session. An official says the Nationalists are still more seriously perturbed by the persistent rumor that the bill won't be introduced until after Easter.

STATEMENT AS TO TRANSCONTINENTAL RY. Minister of Railways Says it will Cost \$130,000 Per Mile.

FIGURES WERE SUBMITTED TO THE HOUSE OF COMMONS AS TO UNDERTAKING.

Ottawa, Feb. 15.—Hon. Frank Cochrane, minister of railways, made a statement in the House last night on the present situation of the National Transcontinental Railway, which shows that the cost of that undertaking has climbed far beyond what was anticipated. The capital cost of the road to Jan. 1, 1914, is \$187,781,128.68. With the interest for the seven years extra when the G.T.P. is not bound to pay interest, the estimated capital cost is no less than \$236,000,000, or a capital cost of \$130,800 per mile. Hon. Mr. Cochrane said that the length of the line from Moncton to Winnipeg had been completed; that grading had been completed on 1,587 miles on twenty-one contracts; that track had been laid on 1,375 miles of main line and 278 miles of sidings; that 928 miles of telegraph lines had been constructed and 82.75 per cent. of the bridges had been erected.

Mr. H. P. Coats, sent a car of fat cattle to Montreal last Saturday. The farmers in this section of the country are busy hauling lumber to Lake's Mills.

Now is the Time to have your jewelry examined and repaired.

We make a specialty of this work and also of watch and clock repairs. First class work guaranteed and our prices are right.

COURT ST. FRANCIS, C.O.F., SOCIAL EVENING.

The euche and dance given last evening by Court St. Francis, No. 2, Canadian Order of Foresters, was a great success, there being twenty tables filled besides a number of others who did not play but came for the dance. The following were the successful ones winning the prizes: Ladies—1st, Mrs. McNeich; 2nd, Mrs. Phalen; 3rd, Mrs. Gagnon. Gentlemen—1st, M. Price; 2nd, W. Davidson; 3rd, J. W. Cotterall.

The Valentine prizes, consisting of handsome boxes of chocolates, were won by Mrs. Jas. P. Shaw and Mr. J. Gagnon, and a special prize given by Mr. Woodard for the last lady winning at No. 1 table was won by Mrs. Geo. E. Mitchell, and consisted of a box of chocolates in the shape of a hat. The room was cleared and dancing continued till the small hours in the morning to the music of Price's Orchestra, which was greatly enjoyed by all. The committee wish to thank all those who assisted to make the affair such a success.

SUCCESSFUL ENTERTAINMENT.

The Monument National was well filled last evening by an appreciative and very representative audience on the occasion of the assistance of Madame Fafard Drolet, the noted vocalist from Quebec, and Professor Bourgeault's orchestra.

The programme opened with a tuneful march by the orchestra after which Madame Fafard Drolet was heard in (a) "Thais," Mirror Scene, (Massenet); (b) "Victoria Mio Core," (G. G. Carissimi). Madame Fafard Drolet has a soprano voice of great range and power, which has been beautifully trained under the best masters in Paris and elsewhere on the Continent. Her operatic selections, which included an aria from "Manon," (Massenet) and "Habaneira," Bizet's Carmen, were applauded to the echo, and the "Jewel Song," from Faust (Gounod) with scenery, revealed the artist's dramatic temperament.

The air from the Messiah, "Rejoice greatly, O Daughter of Zion," was exquisitely sung. Aris from "La Traviata," (Verde) by the orchestra, was followed by a brilliant piano solo, in which Mrs. Maurice Shea was at her best.

After a short intermission the little opera, "Frere et Soeur," (Luigi Bordese) was sung and acted with the greatest spirit and success, the cast being as follows: Catarina, Mrs. Thos. Cabana; Gina, Mrs. L. Dawson; Claudio, Miss Flossie Dawson; Premiere Ouvriere, Miss J. Beauchene; Deuxieme Ouvriere, Miss M. Royer.

The Flower Girls' Chorus was very melodious, and the parts well balanced. The following took part: Misses Gertrude, Yvonne and Alice Codere, Juliette Codere, Lena and A. Leblanc, Juliette Fournier, Marie-Reine Millette, L. Millette, Juliette Stenson, S. De Vover.

"Humoresque" (Dvorak), the next item on the programme, was a delightful number, and met with deserved recognition. Mr. Dumais, of Montreal, who was in town and attended the concert, by special request, gave a couple of recitations which were highly appreciated.

"O Canada" and "God Save the King" brought a pleasant musical evening to a close. Madame Fafard Drolet was accompanied by Miss Rheume of Quebec,

and the other accompanists were Misses Idalia and Beatrice Deseve, both accomplished young musicians. The concert was given for the benefit of the Library at the Monument National. After the concert Professor Bourgeault entertained the performers, including Madame Fafard Drolet, at his home on Goodhue street, those present including Mr. and Mrs. Chas. Beaudoin, Mrs. L. E. Codere, Mr. and Mrs. Thos. Cabana and Mrs. Miss Fournier, of Montreal, who are the guests of Mrs. Bourgeault. Supper was served after which a pleasant hour was spent socially and in dancing.

NO OPPOSITION AT MEETING. E. T. Bank Vote Was Purely Formal.

NUMBER OF SHAREHOLDERS WERE PRESENT TO RECORD VOTES IN PERSON.

The attendance at the special meeting of the shareholders called yesterday afternoon to ratify the action of the directors of the Eastern Townships Bank, relative to the amalgamation with the Canadian Bank of Commerce, was larger than is generally the case at annual meetings. Mr. William Farwell, president, and the directors present were: Messrs. Gardner Stevens, Waterloo; J. S. Mitchell, F. N. McCrear, C. J. Howard, Sherbrooke; A. C. Flumerfelt, Victoria B. C.; C. W. Colby, and H. J. Fuller, Montreal. Among the shareholders were: Messrs. M. F. Shackett, Stantead; N. N. Walley, L. A. Bayley, H. R. Fraser, K. C.; Capt. Bennett, Sherbrooke; C. J. Cushing, Barnston, Providence, R. I.; C. D. French, Orleans, Vt.; R. P. Small, Dunham; Thomas Ward, Waterville; G. S. Arlin, Lancaster, N. H.

Mr. Farwell, the president, having briefly explained the object of the meeting the vote was proceeded with as to whether the E. T. Bank should amalgamate with Canadian Bank of Commerce. The vote stood as follows: In favor of the project: By proxy.....21,851 In person.....1,359

Total for.....23,210 There were 1000 proxies in favour of the amalgamation submitted, but as there were certain formalities not complied with there were not counted. The total shares of the bank is 30,000, so that a large majority of and above the two-third vote was cast in favour of the amalgamation.

There was no opposition, and the proceedings were purely formal. The deal will receive its final sanction when the same has received the signature of the Governor-General.

FOR SICK, SOUR, BILIOUS STOMACH INDIGESTION AND GAS TAKE CASCARETS

That awful gormess, belching of acid and foul gases; that pain in the pit of the stomach, the heathern, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means indigestion; a disordered stomach which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any. Try Cascarets; they cure indigestion, because they immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the decomposed waste matter and poison from the intestines and bowels. Then your stomach trouble is ended forever. A Cascaret to-night will straighten you out by morning—a 10-cent box will keep your entire family feeling well for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

SHERBROOKE 2; THREE RIVERS 0.

The Fluviens (Failed to Score on Locals.

ARGUIN IN GOAL PLAYED STAR GAME—CHECKING CLOSE.

In a game, three-quarters of which was rather uninteresting, Sherbrooke defeated Three Rivers last night by a score of two goals to nothing. The checking by both teams was so close that good hockey was out of the question. Sherbrooke was minus the services of Earl Spafford and Sprigings, point and cover point, both of whom were ill. Norrey Wiggett stepped into the breach and in spite of the fact that he was out of practice, and wore a pair of strange boots and skates, played an effective game at point. Towards the end of the game he showed flashes of his old form. The last goal was the result of his work, as he carried the rubber, the entire length of the ice and passed to Baker in front of the poles. Reid Moe played right wing, and played the position as well if not better than it has been played this year.

Atto was moved to rover, his natural position, and replaced Gerald Wiggett who played cover. The work of the defence of both teams was good, especially the work of the goal tenders. Arguin never put up a better game. He had a great deal to do during the last period but was invincible. Baker was closely watched and was inclined to rove a little.

Neither team scored in the first half thanks to the good work of Arguin and Lambert. These players had a

busy time of it and were equal to the occasion. Claude Atto was at his best and on several occasions went right through the crowd only to have his shot turned aside by Lambert. Molyneux and the other forwards kept plugging away and checked back well.

When the teams came back for the second period the pace was faster and more team work in evidence. Malone and Baptist each made several brilliant rushes but failed to score. After twenty-one minutes of hard work Atto sent in a lightning shot from a scrimmage that Lambert had no chance in the world of stopping. One minute later the Norrey Wiggett secured the disc and with a burst of his old speed tore up the ice and passed to Baker at the right moment, the latter scoring. With a lead of two Sherbrooke played a defensive game and kept the Tri Fluviens from scoring.

BOY SCOUTS WERE DEFEATED.

Waterloo, Feb. 14.—(Special.)—A close game of hockey was played here Monday evening, when the Waterloo Academy team defeated the team representing the local patrol of the Boy Scouts, by a score of 4 to 3. The play was fast, and the checking hard and close throughout, but the W. A. A. boys proved the stronger team. Wilfrid Smith, of the senior seven, refereed the game satisfactorily.

The line up was as follows: W. A. A. Boy Scouts: Pearson ..... goal ..... Wallace Mizener ..... point ..... Hardy Kimber ..... cover ..... Murray Holden ..... rover ..... Malboeuf Shaw ..... centre ..... Kendall Letroy ..... r. wing ..... Breesee Taylor ..... l. wing ..... Glascoff.

The demand for hams, bacon and lard is also fairly good and on the whole a satisfactory trade is passing at steady prices.

MONTREAL LIVE STOCK MARKET

DULL TRADE, ALTHOUGH PRICES REMAINED FIRM.

Montreal, Feb. 15.—(Special.)—The local cattle market was very dull at the East End Stock Yards yesterday, and though the prices for the best butcher steers were a shade off from Monday's, yesterday's prices are considered quite firm, as there was no offering of cattle of as high a grade as those offered on Monday's market. Packers bought little or no stock and the small buyers bought only for actual wants and the market was not entirely cleaned up of stock at noon. There would have been many left over if the run had been large. Receipts of calves are increasing each week, but the market is steady on account of the good demand. The receipts of sheep are still small and the market as a consequence holds firm. Receipts of butcher cattle estimated at 400. Market firm and dull. Choice butcher steers, \$6.30 to \$6.50; good, \$6 to \$6.25; fair, \$5.55 to \$5.80; and poor to medium, \$5.50 to \$5.25. Bulls, heavy, \$4.35 to \$5.75; do, light \$3.75 to \$4.20. Cows, best, \$5.20 to \$5.35; good, \$4.75 to \$5.10; fair, \$4.35 to \$4.60 and poor to medium, \$3.25 to \$4.15. Cannery and boners, \$1.75 to \$2.10. Receipts of sheep estimated at 200. VICTORIA HEIGHTS

PORT McNICOLL

The majority of people who have visited Port McNicoll admit that Victoria Heights is the choicest land in the district. It is the highest and driest, ready for immediate building.

No part of Victoria Heights now offered for sale is low or marshy land.

The reason for the present extremely low prices is because Victoria Heights was purchased before the boom.

The Victoria Heights lots along Fifth Street can be bought at less than half the price asked for lots on the opposite side of the street.

Please remember that Seventh Street running through the centre of Victoria Heights from the C.P.R. property is 80 feet wide all the way.

Victoria Heights lots on Seventh and Midland Avenues are being sold at \$100 to \$150—On Simcoe Avenue from \$75 to \$150, and on 9th, 10th and 11th Avenues from \$50 to \$125.

The best quality in anything is always the best value. Victoria Heights is not only the best quality but the lowest price.

Almost everybody who has gone up to Port McNicoll to look at Victoria Heights lots has come right back and bought, in many cases entire blocks.

Take advantage of the present low prices which are only good until February 15th and buy now.
