THE EQUITY

No. 26 91st Year | Shawville Quebec, Wednesday June 27, 1973 | per copy 15c

The public image of Shawville—1973

Naturally there will be omissions in this issue. There is just no way that we could possibly manage to include everyone but we sure did try. The biggest omission is, of course, the many people and businesses in Clarendon who have played such a large part in the development of Shawville, and still do.

We are already planning a special edition about the people of Clarendon, north, south, east and west of Shawville. Clarendon's Centennial came and went unheralded but THE EQUITY intends to "put them in the picture" for the interest of future generations, as well as the enjoyment of the present one.

Meanwhile, the tribute today is to Shawville Municipality, and it's supposed to be fun. Please don't anyone get too excited if we left you out. The main idea was to give a general picture of Shawville in 1973 and we hope we have been successful in doing that.

"DO YOU MIND THE YEAR 1973?"

That was a lovely thought in Heather Smiley's prize winning poem which we printed in last week's EQUITY. "Between us," she said, "we, the present and the future, will try to succeed."

Having paid due respect in beautiful expression to the past, Heather asks for knowledge, trust, good will and freedom from the past and then steps out, as those old lads did a hundred years ago, looking forward.

Hasn't this been a year for searching into our history, sometimes for a clue to the future?

And the year's only half over!

Six months are left to dwell upon backward glances. Here's hoping the youngsters will keep faith with their elders for this much longer.

Then, please, may we put as much energy into our future as we have all expended on our past!

One thing sure, at least in most minds today, is that there will certainly be a tomorrow, whether we choose to influence it or not. Knowing this, we have decided to make it a little easier for archivists and researchers in the future to "get the picture" of what Shawville's business community was like in 1973, the year of its one hundredth birthday and 150 years after the first settlement here.

Our architecture may not seem to be of any particular style to us. Our citizens may not even appear especially picturesque. Certainly our automobiles look terribly ordinary to this present generation. But imagine the interest these pictures will evoke twenty five, fifty and a hundred years from now.

They won't have to wonder what stores we had and guess what they looked like, because here they are in pictures for all to save and remember.

The originals of all these photos are being kept in the OFY Shawville-Thorne-Clarendon Historical Record at the Town Hall. The photographs were taken by Charles Dickson, and the information was compiled by John Hodgins, both members of the OFY group, and the entire issue was made possible by the business and professional people who have supported THE EQUITY week after week for 91 years.

We hope you enjoy these pictures. We hope your children enjoy them too, and your grandchildren, and your great grandchildren, and your great great great . . . .

"Paintorama"

Making the best of a bad situation, Laurie MacKechnie has plans to turn his burned-out store front into an attraction instead of an eyesore during Old Home Week in Shawville, July 1 to 8.

With panels of plywood covering the gaping holes left by last week's fire, Laurie is using the space for a "Paintorama" in which he invites anyone in town, or any visitor during Old Home Week to take part.

By contacting either Mr MacKechnie or Bob Bean, anyone, young or old, interested in participating in this project, will be allocated a space and given free paint. From there on imagination takes over; and the results should make this historic Shawville building even more interesting than ever!

At the same time, on space not being used by the "Paintorama", Laurie will be displaying all the entries in the recent Poster Contest put on by the Shawville Firemen.

The contest was among students at the Dr S E McDowell School. Many interesting posters were made by the children, all of which will be exhibited on the temporary store front while the work of clearing and repairing goes on inside.

Marion Schock, daughter of Mr and Mrs Charles Schock, received her Bachelor of Arts degree in English from Queen's University, June 2, 1973. Marion is employed with the Department of Regional Economic Expansion in Ottawa.

All the twenty one Shawville Fair Hostesses are invited to the Business men's Supper Thursday night at the Agriculture Building on the Fair Grounds. They are asked to arrive at seven o'clock sharp and pick up their tickets at the door. Tickets for all hostesses are being provided free by the Agricultural Society.

"Four for the Road", the CBC afternoon show about the Ottawa Valley, will present its last live show for the summer at 2:30 Thursday afternoon. Features of the show: an interview about Shawville Old Home Week, one about the Shawville OFY projects and lots more.

Now we know for sure. We always wondered where the "Postes Canada - Canada Post" Department thought Pontiac was. Today we received a set of Directories of Postal Codes and one of them is entitled "Ouest du Québec-Western Quebec". Do you think we could find one of Pontiac County's 25 municipalities listed in this Directory? No! Why? God only knows, we're absolutely sure the Post Office Department doesn't know.

Anyone who saw the Firemen's Fashion Show in February will undoubtedly still remember it. So to keep in shape they will be staging the finale to the evenings entertainment in the Fair grounds on Tuesday July 3, following the Pancake and Chariot Races. Don't miss this little show.

Saturday, June 30, the Historical Society Committee will be in the Old Agriculture Hall all day to receive historical articles and antiques for the Old Home Week display. For further information contact Mayfred Dods at 647-2620.

The Shawville Centennial Town Decorating Committee has suggested that everyone who has outdoor Christmas lights might turn them on during Old Home Week.

Anyone who would like to lend their picnic tables to the Shawville Lions Club for the Barbecue on Sunday, July 1st, should contact Llyal Bean at 647-3860. The Lions will need all they can get because they are expecting an enormous crowd. The Beef Barbecue will be on the Shawville Fair gounds this year.

IN MEMORIAM

BRONSON — In loving memory of our dear little son and brother Michael, who went to heaven on June 29, 1967.
He did not say goodbye to us,
Perhaps it's just as well.
We never could have said goodby
To one we loved so well.
He has gone to be an angel,
Secure in our Fathers care
And his dear little feet now patter along
The beautiful streets up there.
Ever remembered
Mommy, Daddy, sisters and brother. 693x

CONNELLY — In loving memory of a dear husband, father and grandfather Robert John Connelly who passe dawey July 1st, 1970.
Two tired eyes are sleeping,
Two willings hands are still
You never said goodbye to us
For perhaps its just as well
For one who suffered far too much
Is resting in God's will
We never could have said goodbye
To one we loved so well.
Always remembered by loving wife Pearl and family 617x

O'NEIL — In loving memory of Gary, a very dear son and brother who died accidentally in Campbell's Bay at age 16 on 3rd July 1968.
So many things have happened Gary
Since you were called away.
So many things to share with you
Had you been left to stay.
Wishing today as we wished before,
God could have spared you many years more.
With silent thought and deep regret,
We who loved you will never forget.
Sadly missed and lovingly remembered by Mom, Dad and Dougie 829811b

WATSON — In loving memory of a dear husband and father and grandfather William Watson, who passed away July 31, 1962
He lives with us in memory
And will for ever more.
Wife Violet and family 659x

Ridiculous golf

Although many will be attending the Trade Fair on Friday, July 6th, perhaps they could spare a few minutes to take part or even watch the Ridiculous Golf Game which is planned to take place on Main Street at 7 pm in Shawville as part of the Sport's Committee's Program.

The Stake is very high in fact the highest ever paid as far as the records show. A cheque for one million, yes ONE MILLION DOLLARS will be presented to the winner. You don't believe it? Well be at the Memorial Park at 7 pm. Sharp, with your golf clubs- but the balls will be provided. Rules will be published next week.

Shawville town portrait Sunday June 3, 1973

EQUITY PHOTO by RON SOLOMON

This version of the Shawville Town Portrait, on June 3, 1973, on the beautiful front lawn of the Pontiac Community Hospital is now reprinted here with the names as signed that day. Notebooks were passed along the rows after the picture was taken for the people to write in their names. Generally speaking, they are listed left to right, starting with the back row and from there on taking one row at a time.

Majority chooses Campbell's Bay area for school

On June 21st a large meeting of parents and people concerned with the education of English Catholics in Pontiac was held in the Parish Hall in Vinton. Representatives from every community concerned were there.

Richard Bowie chaired the meeting and declared that the purpose of the meeting was to attempt to get English Catholics to agree on one location for the proposed high school.

Mr Bowie presented this case:

The population centre of English Catholic students, the geographical centre (excluding Rapides des Joachims), availability of water, sewerage and fire protection were all pointed to Campbell's Bay or vicinity. He felt therefore, the logical location was in that area.

Mr Bernard Conroy, delegated spokesman for Chapeau area, read a report from a general meeting held in the western section (Chapeau) on the previous evening. The context of this report was that the people in Chapeau were satisfied to remain in their present high school rather than travel to Campbell's Bay.

He stated that in their opinion the advantages in keeping their present system outweighed the disadvantages of having to travel the distance to a new larger school.

It was also their opinion that a school of 750 capacity could offer very little more than they already have. They intend to approach the Dept of Education with a request to retain the status quo in western Pontiac.

Representatives from other areas were asked for and stated their opinions. Rodney Vadneau of Otter Lake said he thought the Chapeau and area people were showing a very selfish attitude. Students from Quyon and area have similar problems but have agreed to compromise, he said, and Otter Lake citizens support Campbell's Bay location.

Mrs Plaskett from Fort Coulonge also supported the Campbell's Bay location. Mrs Plaskett represented the Fort Coulonge English Catholics.

Mr Godmere from Calumet Island stated he was very disappointed with the disunity shown.

A survey taken several months ago showed that 90% of parents of grade 6 students were against sending their children to Victoria Avenue School next September because of the lack of facilities there. He praised the principal and teachers of Victoria Avenue High School for running such a fine school under such dire circumstances. Mr Godmere is past president of parents committee for the Eastern Section.

Mrs Finlan of Bristol and Nelson Angus of Shawville claimed that if the school is not central their only means of giving their children a fair chance will be to switch taxes and send their children to the Pontiac Protestant High School.

John Cahill and Mr C Young of Bryson also supported Campbell's Bay as a logical site.

Mr Bowie stated that school Commissioner Brian Stanton also supports this location.

Bert Bechamp, Principal at Victoria Avenue, declared that even without students from western Pontiac the number of students in the new school would be over 700 and that if all these English Catholic students in the County were in one school it would have an enrollment as great as, or greater than, either of the two present high schools Sieur de Coulonge and Pontiac High.

Mr Cecil Vibert produced figures showing that the students at Victoria are "short changed" by the CSRO according to the NORMS of the Department of Education.

The principal should have somewhere between ..... $35,000 and $50,000 to distribute as he sees fit, whereas he really gets only 12- 13,000.

Mr Vibert declared that even though the large majority of English Catholic have continually made their wishes known to the CSRO and the Department of Education, with the support each time of their member of parliament, they have been ignored. This is not democracy he contended.

"Why should one many from the county sit on the ad hoc committees and determine the future of the English Catholics in this county, " Mr Vibert asked.

Lester McCann of Quyon felt that petitions and resolutions are useless. Direct action such as student boycotts, he believed, would get better results.

Sister Mary Alice of Chapeau reprimanded those Catholics who have changed their taxes by taking an affidavit " renouncing their religion". People in the audience responded that they have switched their taxes only but certainly do not feel that it has affected their faith.

Mr Bowie declared that these affidavits are a piece of worthless paper as the law is "unjust, antiquated and not deserving to be enforced by a government worthy of staying in office"

It was reported that the member Mr Lariviere is working very hard on this project.

Father May offered to donate 80 acres of land in Vinton as a site for the new School.

A committee was formed of Father May, Mrs Dowe of Quyon, Lois Kinsley of Campbell's Bay, Rodney Vadneau of Otter Lake, Mrs Plaskett of Fort Coulonge, Mr Godmere of Calumet Island, John Cahill of Bryson, Mrs Finlan of Bristol with authority to prepare a brief recommending that the new English Catholic High School be built in the Campbell's Bay area.

This brief is to be taken personally to the highest authorities, the Premier of Quebec, the Minister of Education, our Member of Parliament, the CSRO and the Pontiac Board in that order, at the earliest possible date.

Campbell's Bay firemen win County competition

The Campbell's Bay Volunteer firemen, under the direction of Chief Athol Smith came up with 48 points to win a Firemen's Day Competition open to all Pontiac County held on June 11, on Main Street, Campbell's Bay.

Firemen from Bryson came a close second only two points behind the winners and Portage du Fort made up in good spirits what it lacked in points to come third.

Considering their small numbers, which left them out of some of the competition, Portage du Fort's twelve points were hard earned.

The site of the competition proved excellent, with hundreds of spectators lining the street to see the fun, comradeship and good teamwork between these three neighboring towns.

The events, with standing of each team, were as follows:

Two man hose coupling contest- C. Bay, Bryson.
Three man ladder climb- Bryson, C. Bay.
Fire Chief boot race- Athol Smith, Marc Rioux.
Five man target contest- Bryson, C Bay.
Two man oil race- Portage du Fort, C Bay.
Eight man hose coupling contest- C Bay, Bryson.

The crowds were further entertained when Chief Athol Smith of Campbell's Bay and Chief Marc Rioux of Bryson and Chief Alton McCorriston of Portage du Fort were carried off and dunked fully clothed into a large vat of cold water, followed by similar dunkings which left few firemen dry. The visiting firemen were then taken to the fire hall and served a light lunch.

The host brigade expressed a hope that these firemen, and also those from other Pontiac towns, would take part in the contests in future which are to be an annual event.

June 24th in Shawville a wedding party for Marilyn Dods and Peter Judd toured the streets in a horsedrawn wagon, much to the amusement and entertainment of residents and visitors.

Mr and Mrs Kenneth Kelly

Married

On Saturday, May 26, 1973 at 3 pm in Shawville United Church, the wedding of Bonnie Lynn, daughter of Mr and Mrs Erwin Armstrong of Shawville and Kenneth, son of Mr and Mrs Bert Kelly of Campbell's Bay, took place.

Mrs Joseph Kelly sang, "Ava Maria" and " The Wedding Prayer" with Mrs Hodgins accompanying her on the organ.

The bride, given in marriage by her father, wore a floor length gown of white sheer voile over taffeta trimmed with lace at the neckline, cuffs and waist. A flounce on the bottom of her dress extended into a cathedral train.

She was attended by Gail Kelly, sister of the groom, as maid of honour wore a gown of sheer yellow flocked with white flowers over yellow polyester.

The bridesmaids were Evelyn Sparrow and Connie Wickens. They wore similar dresses of blue and pink.

Shelley Armstrong, sister of the bride, was junior bridesmaid and she wore a gown of mint green.

The ringbearer was Jamie Armstrong, brother of the bride.

The mother of the bride chose a floor length gown of yellow with a matching long jacket.

The groom's mother chose a two piece floral floor length gown.

For going away, the bride chose palazzo pants in navy blue with a pink elastized blouse.

Following the wedding, a reception was held at the Bryson Lions Hall.

Out of town guests were from Ottawa, Washington, USA, Bramalea, London, Timmins, Sarnia, Campbell's Bay, Shawville and Bristol.

The young couple are now residing in Ottawa.

WELCOME to "Old Home Week" VISITORS

The Fraser's building was built by the late George Hodgins where he sold the woolens manufcatured by his brother Andrew at his "Carding Mill". This mill was situated on the Mill Creek, one mile south of Shawville. When Mr. Hodgins died his wife carried on a grocery for several years, then sold to Louis Herman, who started a Mens Clothing Store which has continued on ever since.

Other owners were Archie Dover, Jake Dover, Sam Cohen, Norris Horner.

In 1941 the business was purchased by A. Fraser and Son, Renfrew, who have carried on ever since. The building has been owned by Norris Horner since 1936.

Renovations were carried out in 1945 to enlarge the store to its present size and the name was changed to Fraser's Clothes Shops Ltd.

IMPERIAL OIL LIMITED and their Agent W. E. SCHWARTZ (Co-sponsors) invite everyone to see this Giant Fireworks Show commemorating the Centennials of Shawville and Bryson.

Bryson victorious in Centennial Ball

The spirit of Centennial celebrations was highly evident here last Monday night as the Shawville Centennial Committee met the Bryson Centennial Committee for a baseball game.

It would be difficult to find a better group of sports on two teams. At the appointed time for the game, the Bryson "troops" marched in and momentarily no one was sure whether the Fair Grounds was being invaded by Mexico or Puerto Rica. They not only entertained via their antics and their costumes but they also won the game 18-16.

Roberto Clemente will never be dead as long as some of that team is in action! It would be difficult to single out any extra ordinary players as they were all "stars" particularly the ladies.

Several Scouts for the Mississippi League were seen in the crowd, but coach Albert Armstrong warned his team of making any quick decisions in signing with them as he expected bigger offers would be forthcoming from the "Expos" when news of the game had spread. It is now believed that the two strangers who watched all the players so closely were Montreal's Scouts. At the moment rumors are circulating that Mrs Shirley Paul, Mrs Ron Coyne, Lee (Leprechaun) Hodgins, and Cliff Robitaille have already been contacted. However, decisions are pending until Mrs Paul's finger recuperates and Mr Robitaille gets his pants braces fixed.

After the game, there were light refreshments and a social hour spent in the Community Centre Hall.

Mayor Leo Piché accepted the trophy for his winning team as well as Shawville's Sports Crests. Mayor Piché in turn, presented Mayor Orla Young with a beautiful Bryson Centennial Mug and also passed out lovely Bryson Centennial Crests.

After all the shenanigans were over, many wondered why this kind of game could not be repeated next year, and perhaps it would be possible to pick a talented and entertaining team from the two towns to put their skill against The Happy Blunderers".

At 7 pm and just prior to the ball game, the spectators were treated to a special thrill- that of seeing two skydivers leave a small plane and jump down two miles from a point about two miles South East of Shawville.

The winds were high which presented tricky problems. Despite a cloudy day, the skies cleared in the evening and veteran 50 year old Jim Butler of Pembroke with CFB Petawawa and his younger army companion Jeff Labelle carried out their performance. The crowd was breathless as they watched Labelle manoeuvre himself and lift his feet over the high tension wires as he landed beside the arena. Butler made a perfect landing on his designated spot near the old ball field's backstop. A third member of the group was present, but was sporting a pair of crutches as he made his way around the Fair grounds. He informed those who were interested that he had been injured in a basketball game, thus leaving him " out of shape" for the jump. He is quoted as saying " That's a dangerous and reckless game-- that basketball!"

The Sports Committee was pleased at the attendance and the interest shown in this event and wish to thank all those who assisted at the admission gate and those who helped attend to other jobs which needed to be carried out.

Centennial interfaith service

The five Shawville Churches, with St Edwards Parish represented, will be responsible for the combined service of Thanksgiving on the occasion of Shawville Centennial Celebrations, Sunday, July 1st. The special guest preacher will be Rev Marney Patterson, an Anglican itinerant evangelist with great popularity who is no stranger to Shawville, having carried out a great Christian crusade here a few years ago.

A Massed Choir will lead the praise under the direction of Mr Clifford Force, Mrs C Edgar Hodgins presiding at the organ, and the Shawville Concert Band will be in attendance directed by Mr E J Lydall.

Clergymen representing the various Churches will participate in the service which is to take place, weather permitting on the Fair Grounds. Those planning to attend are invited to bring along lawn chairs or stacking chairs.

It is anticipated that many people, young and old alike will want to come and share in this special service of Thanksgiving during a very significant time in the history of this community.

A welcome is extended especially to those coming from distant parts to celebrate Shawville's Centennial.
