## CRUCIAL WEEK OF CONFERENCE OPENS

### India And United States Stepping Up Behind-the-Scenes Diplomatic Activity To Assure Progress.

Geneva — (CP) — India today stepped up her behind-the-scenes diplomatic activity a few hours before the nine-powers Indo-China conference debated terms of a cease-fire.

United States delegates also became more active in the morning round of intense, diplomatic action. The private meetings came in what delegates are describing as the crucial week of the Far East conference which began April 26.

V. Krishna Menon, Prime Minister Nehru's envoy who represents India at the United Nations, conferred today with Chow En-lai, Communist China's premier and foreign minister. It was their second meeting since Menon arrived here Saturday.

Menon arranged a luncheon date with Britain's Foreign Secretary Eden, who also is serving as a go-between in the efforts to halt the war between the French and the Vietnamese Communists in Indo-China.

Meantime, Walter Bedell Smith, chief of the U.S. delegation, talked with Prince Du Loc, Prime Minister of the French associated state of Viet Nam.

## Hungarian Agriculture On Downhill

Vienna, Austria — (Reuters) — Matyas Rakosi, No. 1 Hungarian Communist, bluntly admitted Monday night that Hungarian agricultural conditions are no better, and in some cases are considerably worse, than before the war.

Rakosi, secretary of the Hungarian Communist party, also announced that Hungary is well on its way to integration in the Soviet economic system.

The next Hungarian five-year plan, starting in 1956, will be geared to that of the Soviet Union, he said in a speech to a party congress reported by Budapest radio.

Previous Hungarian five-year plans have begun one year ahead of the Russian ones.

Rakosi told the congress: "Socialism has practically been realized in Hungary." Only the Kuls—large landholders—were still holding out on their own.

But this drive to gather all means of production under state control had its disadvantages, he said.

The whole Hungarian economy was suffering from over-centralization and a top-heavy administration. State employees "passed the buck" when they could, creating a tangle with a bureaucratic red tape.

He also admitted the morale of workers is low.

Western delegates were caught by surprise. They had believed the practical problem settled, at least temporarily, since Molotov's Friday proposals dealt solely with military problems.

The program suggested by the Soviet foreign minister Friday called for an agenda based on: A cease-fire, assembly zones for grouping opposing army units, the question of foreign reinforcements, supervision and control of the cease-fire, and guarantees of any agreements reached. Some proposal as a "peace plan."

Indianapolis — (AP) — President Woodruff Randolph and George Bante, Chicago, both claimed leads today in the tight election race in the AFL International Typographical Union.

ITU headquarters said returns from 648 of the 800 ITU locals gave Randolph a lead of 546 votes, with about 5,000 votes still unreported from last Wednesday's balloting across the country.

Toronto — (AP) — Eamon Park, 37, of Toronto, was elected president of the Ontario CCF Monday as the party wound up a three-day session of its 20th annual convention.

Mr. Park, legislative representative of the United Steelworkers of America (CIO-CLC), represented Toronto Davenport from 1948 to 1951.

Donald MacDonald of Toronto was re-elected provincial leader of the Ontario CCF.

## World News In Brief

Montreal — (AP) — A healthy baby girl was born normally Sunday to Mrs. Leonore Hedgeco, a polio victim who has been paralyzed from the hips down since she was four years old.

The baby, weighed four pounds, 10 ounces. The 26-year-old mother and her 23-year-old husband, a driver for a local taxi firm, said they would christen her Lynda Sylvia.

Mrs. Hedgeco was stricken with polio when she was four and spent the next nine years in hospital. Doctors have operated on her legs 13 times and she has been able to move around with the aid of crutches since she was 11. She was married last June.

Providence, R.I. — (AP) — The Providence Journal-Bulletin said today it found the names of 26 reporters from nine newspapers and two wire services on the 1953 payrolls of one or more of six major New England race tracks.

The newspaper said track payrolls listed them as receiving a total of \$30,000 for services that ranged from publicity work to duties which track officials sometimes found hard to describe.

Included in the 26 were 11 sports writers listed by the Journal-Bulletin in an April story as receiving \$12,000 in payments from a Rockingham Park horse track in Salem, N.H.

Belgrade — (AP) — Russia is reported moving a large number of its business and industrial experts from Romania to Red China.

The report, published Monday night by the semi-official news agency Ygopress, said the men being transferred came originally to Romania "to establish Kremlin domination" over the Romanian economy.

The news agency said it is "significant" that Russia now is sending the same experts to China.

Last week Ygopress reported that Romanian engineers and technicians also are being sent to China for three-year assignments.

Warren, Pa. — (AP) — Norman Moon, 28, who shot a judge to death in a courtroom here while he faced a non-support charge, stood pale and wan in the same courtroom early today to hear a jury doom him to the electric chair.

The jury found Moon guilty of first-degree murder in the slaying of Judge Allison D. Wade, 52, last Jan. 13, and recommended the supreme penalty.

Moon was led in front of Judge Alexander C. Flick, a close friend of Judge Wade, for sentencing.

Washington — (AP) — Secretary of State Dulles said today the Reds may have shipped arms to Guatemala in order to build up a Communist bastion near the Panama canal.

## Fires Cause Big Damage In Ontario

Haileybury, Ont. — (AP) — At least 1,800 acres of timberland have been destroyed by two uncontrolled fires in Ontario.

One of the fires, believed started by careless anglers, was raging unchecked in the Haileybury area about 95 miles north of North Bay. It spread across a 24-mile front, leaving a black stubble of valuable pine, fir, spruce and balsam in its wake.

The other was giving more than 100 firefighters a tough time in the Espanola district 30 miles southwest of Sudbury. More than 600 acres of woodlands have been destroyed.

The Ontario Department of Lands and Forests, up against the most serious outbreaks of the year, ordered men, planes and trucks to both areas. Firefighters in the Haileybury area said of the blaze: "It's big and bad."

The fire near Espanola, one of more than 50 burning in the province, was racing over flatlands and hills of pine and hardwood. Dave Spence, chief ranger of Espanola, said, "If we don't get this controlled soon, it's going to be disastrous."

These were the only two fires in the province out of control. Some 30 blazes were extinguished during the week-end.

The Espanola fire was started Monday by the hot ashes from a freight train. It began as a small bush fire but jumped the Spanish river on a 15-mile-an-hour wind and raced into stands of jackpine and second-growth. More than 100 men were in the fight, including prisoners from Burwash industrial farm near Sudbury.

Nearly 1,000 acres of forest were destroyed near Haileybury. At least three planes, including a helicopter from the Ontario hydro-electric power commission, were used to ferry men and supplies to the area.

This fire is believed to have been started by fishermen at Bell Island lake. Emergency firefighters, many of them lumber workers and fishing guides, were flown in from North Bay, Latchford, Elk Lane and Swastika. One of the aircraft attempted to land on Lemoine lake but billowing smoke drove it back.

## Anglo-Egyptian Talks To Resume

Cairo — (AP) — Informal Anglo-Egyptian talks on evacuation of British troops from the Suez canal base probably will be resumed immediately after the Geneva conference, an official source said Monday.

The source said preliminary contacts took place between British Foreign Secretary Eden and Egyptian diplomats in Geneva recently. Negotiations broke down last October.

The source said it is understood the forthcoming talks would aim at separating the issue of British withdrawal from the base from the more intricate issue of the base's maintenance and availability to Western forces in case of war.

He added that Egypt now is disposed to accept the British view that in the event of Russian aggression on Turkey or an Arab state, Egypt should make the base automatically available to Western forces. But he asserted Egypt will not accept this in the event of attack on Iran.

## Beaverbrook Uses Rival's Criticism

London — (AP) — Lord Beaverbrook, Canadian-born newspaper publisher, celebrated his 75th birthday today by publishing a rival newspaper man's story describing some of his policies as "slapdash," "irresponsible" — and a genius.

The Beaver's principal newspaper, The Daily Express, with a circulation of more than 4,000,000, carried a six-column birthday piece by A. J. Cummings, political editor of The News Chronicle, one of the Express' main opponents in the morning field.

Describing Beaverbrook as a pukeish, lovable genius, journalistic and financial, who likes riches and the Bible and is devoted to promoting the Empire, wrote: "Let me say at once, without any beating about the bush, that I have always intensely disliked and distrusted many of Beaverbrook's policies, and shall continue on appropriate occasions to attack them. They are slapdash, irresponsible..."

More than 50 persons died violent deaths in Canada during the Victoria Day week-end.

A compilation by The Canadian Press showed early today that from 6 p.m. local time Friday until midnight Monday the fatality toll had reached 54.

This was the same number of fatalities that occurred in the same week-end last year. The 1953 figure was certain to be surpassed with the receipt of late reports.

Traffic deaths took a heavy toll, especially in Ontario and Quebec where the weather generally was clear and warm for the first long week-end of the spring.

Automobile accidents accounted for 22 deaths, including 10 in Ontario and eight in Quebec. Drownings claimed 13 lives and fires eight.

Fatalities from all causes in Ontario totalled 22 four more than the number reported

from Quebec. There were five deaths in New Brunswick and British Columbia, three in Nova Scotia and one in Newfoundland.

Four persons — three men and a woman — lost their lives in a house fire near Carleton Place, Ont., five miles southwest of Trenton. They were Earl Elliott, 50; his wife, Pearl, 47, their son, Cleon, 27; and a friend, Allen Taft, 27.

Near Amos in northwestern Quebec a car plunged into a river, drowning three persons and leading to the death of another, their family doctor. Dr. Joseph Dion, 63, of Amos was called to the scene, collapsed of a heart attack and died by the roadside after failing to revive them.

The three who died from drowning were Cecile Bahneau, 23, her 17-year-old sister, Marguerite, both of Amos, and Jean Claude Letourneau, 20, of nearby Land-drienne.

Mrs. Frederick Allan Huscroft, 40, and her five-year-old daughter Joanne were bludgeoned and strangled to death on their dairy farm near Lister, B.C. Mrs. Huscroft's 40-year-old husband was charged with murder.

Maria Siudut, 26, was found dead in a Toronto rooming house from ax wounds. Police said that Mike Bajrowski, 26-year-old Polish immigrant, was arrested near his parents' home in Bradford, Ont., 32 miles north of Toronto, and charged with the girl's murder.

At Rimouski, Que., seven-year-old Guy Trepanier was beaten to death with a baseball bat. Police said the boy's mother, Mrs. Louise Trepanier, 30, is being held as "an important witness" in the case. A coroner's inquest will be held today.

Gerald Sanders, 26, of Nashwaakiss, near Fredericton, was drowned when his boat sank in Middle Peaked Mountain lake in northeastern New Brunswick. Four brothers swam to safety.

Near the border town of Calais, Me., 20-year-old Verda Scott of St. Stephen, N.B., was fatally injured in a two-car collision that followed a junior prom at Calais Academy.

A farm accident claimed the life of six-year-old Flechette

Standing behind Lord Mayor Sir Noel Bowater and the Duke of Edinburgh, the Queen drinks from the Queen's Cup. On the extreme left is the Queen Mother, Princess Margaret is flanked by the Duke of Gloucester, looking at Lady Bowater, and Sir Winston Churchill.

## Government Accepts Curbed Powers On Emergency Radio Operation Privilege

### Ex-Soldier Is Executed At Cornwall

Cornwall, Ont. — Peter Balcombe, 24-year-old father of two children, was hanged early today for the murder of Marie Anne Carrier, the attractive reserve army sergeant he lured into a romance.

The former army lieutenant walked unflinchingly to the gallows in the courtyard of the old Cornwall jail. He was pronounced dead at 1:27 a.m., 15 minutes after the trapdoor slammed open.

"He didn't utter a word," said Sheriff D. A. McNaughton. "He refused stimulants."

As Balcombe was about to climb the 13 steps to face the executioner, he stopped momentarily to shake hands with the jail governor, an archdeacon of the Anglican Church and the deputy sheriff.

He was executed little more than seven months after the stabbed, nude body of the 21-year-old Bienville, Que., girl was found in a ditch near the St. Lawrence river town of Iroquois, 10 miles northwest of here.

Convicted on the gallows built for the murder of Henri Seguin, who committed suicide an hour before his scheduled hanging Jan. 19. He was buried in the unmarked grave where Seguin was to have been placed.

Balcombe spent his last day partly in solitude and in religious counsel with Archdeacon M. A. E. Clarke of Cornwall.

Dressed in regular prison clothes — blue denim trousers and shirt — and wearing a pair of slippers, Balcombe walked the 25 steps to the gallows with Mr. Clarke, Jail Governor J. S. Dickey, Deputy Sheriff J. D. Villeneuve and two guards. Jail officials said he protested his innocence to the end.

Big spotlights silhouetted Balcombe against the 20-foot-high jail wall as he mounted the gallows. A crowd of at least 500 gathered outside the jail. Some set off firecrackers.

Balcombe died as a civilian. The army said Monday he was "compulsorily released" from the army by cabinet order. He had been a lieutenant.

Miss Carrier was stabbed five times with a stiletto-type weapon. When her body was discovered she was wearing only a ring which trial witnesses said Balcombe had given her in token of their "engagement."

### U.S. Recalls Occupation Army Scrip

Frankfurt — (Reuters) — American soldiers in Europe were suddenly ordered by armed forces radio this morning to cash in their military scrip by noon, in a surprise move against black marketeering.

The scrip, for use by military personnel alone in post exchange stores and gas stations, is often traded by black marketeers for local currencies at a quick profit.

Black marketeers cannot take advantage of the turn-in, because they would convict themselves at once if they admitted having scrip in their possession. Many black marketeers were left with large sums of useless paper money on a bill to continue the general exchange, June 20, 1951.

But others, evidently tipped off about the exchange the day before, unloaded their illegal holdings in the black market, at a loss if necessary, before the turn-in was announced. Extreme secrecy therefore preceded today's announcement.

In a similar move, United States Army headquarters in Tokyo today said it is changing its scrip for the first time in nearly three years. The Tokyo report also indicated that the change was aimed against black market operators in military currency.

London — (Reuters) — Prime Minister Churchill today reaffirmed Britain's determination to make no commitments on a Southeast Asia collective defence arrangement until results of the Geneva Far East conference are known.

He also emphasized in the House of Commons that the forthcoming staff talks between the United States, Britain, France, Australia and New Zealand in Washington are "quite distinct" from the proposed creation of a Southeast Asia defence pact.

Honolulu — (AP) — A United Air Lines four-engine DC-7 Mainliner whisked from New York to Honolulu in 17 hours flat Monday setting what the line described as a commercial speed record.

Stopping only once in a "dawn to dusk" press preview flight, the big plane spanned the continent in eight hours, 12 minutes. After less than a one-hour stopover in San Francisco, the airliner again headed west, landing at Honolulu at 6 p.m.

Washington — (AP) — In a move to counter the Communist arming of leftist Guatemala, the United States is ferrying rifles, machine-guns and other light combat gear to friendly republics in Central America.

A State Department announcement late Monday that arms are being airlifted as "rapidly as possible" to Nicaragua and Honduras, Guatemala's neighbors to the south, evoked a quick denunciation from Moscow radio, which called the action preparation for "an attack against Guatemala."

But Guatemala's Foreign Minister, Guillermo Toriello, apparently views the new development with no such alarm. He told reporters, "We do not believe the arms shipments has anything to do with us."

Toriello pointedly sidestepped any mention of Nicaragua, which has recalled its envoy from Guatemala. But he said Honduras is a good friend of the Guatemalan government and people.

However, the Chicago Tribune said Monday night that war seems imminent between Honduras and Guatemala. Jules Dubois, Tribune staff writer, said in a dispatch from Tegucigalpa, Honduras, Sunday captured five armed Guatemalan Communists inside Honduran territory. He also told of reported troop and military air activity on both sides of the Guatemala-Honduras border.

U.S. Ambassador John E. Peurifoy said he has heard of no border incidents like those reported in the Tribune story.

Meanwhile, dispatches from Guatemala quoted long-time American residents of that country as saying they could not recall a similar strained atmosphere. There were reports of workers shouting "Go home Gringa (Yankee)" to North American women.

Developments have piled one upon another since the state department last week announced the arrival of a freighter-load of arms at a Guatemalan port. The department said they were loaded at Stettin in Communist Poland.

More arms are said to be on the high seas, bound for Guatemala, which the U.S. has charged with following the Communist line. Guatemala's foreign minister had denied this emphatically.

Of the original shipment, Toriello said "The equipment Guatemala has bought will never be used for anything else, than to maintain internal peace."

## Mother Held In Slaying Of Young Son

Rimouski, Que. — (AP) — Mrs. Louise Trepanier, 32, was arrested Monday after telephoning police and telling them she had bludgeoned her son Guy to death with a baseball bat.

"He was ill and suffering," she was quoted as telling police.

Police said the seven-year-old boy, his head bashed in, was found in his blood-soaked bed minutes after the telephone call.

Police said the mother was "in a fit of hysterics" when they arrived in the small east-side home of this lower St. Lawrence river town about 200 miles east of Quebec City.

Sgt. Valere Boulet of provincial police, in charge of the investigation, said the woman is being held as a material witness for a coroner's court inquest scheduled for tonight.

In Quebec province no charge is usually laid in cases involving fatalities until a coroner's court jury has returned a verdict.

Police said the woman was apparently alone in her home at the time. Two other sons were out playing, Sgt. Boulet said.

There was no disorder in the bedroom and police said they believe the child was struck while sleeping. Police found the bat in the home.

Dr. Gustave Desroschers, medical expert from Quebec, arrived here today to perform an autopsy on the body of the boy.

## Only Did Duty Claims Heroic French Nurse

Hanoi — (AP) — Genevieve de Gard Terrabue declared today that tending French wounded in 40 terror-filled nights and days in the fortress of Dien Bien Phu was the "most formidable experience of my life."

"It opened new horizons to me of courage and devotion to duty while French soldiers and officers were so brilliantly fighting and dying."

Facing a battery of 50 correspondents from nine countries, photographers and television representatives, the heroic nurse in her first mass interview calmly and simply said:

"I only did my duty."

The most "dangerous and dramatic moment" of the long, savage battle for the French Union fortress in northwestern Indo-China's jungles came on the night of March 30-31.

"It was then that the Vietnam hurled over thousands of mortar and heavy artillery projectiles and there were hundreds of French wounded and so many dying."

"To me it was so dramatic and tragic, for so many of the wounded had to wait for so many hours in line in the underground bunkers in terrible pain before I could help them."

The French high command said today it hopes to wind up the airlift of wounded out of Dien Bien Phu within the next three days.

The slow mercy shuttle hit a record high Monday when 150 casualties, including the first batch of French officers and some Viet Namese, reached Luangprabang in Laos. They were relayed by Dakota transport to Hanoi after first aid treatment.

That brought to 572 the total airlifted from the captured fortress. There are 313 yet to come.

Muirfield, Scotland — (AP) — Don Doe of Granby, Que., finalist in the 1953 Canadian amateur, reached the third round of the British amateur golf championship today when he edged M. C. Robins of Ceylon at the 20th hole.

Quebec lost his second-round match 3 and 2 to Roy C. McGregor of Scotland.

If Your Child Is Born Today

Today's child is one of those extremely sensitive and subjective children who will live in a fanciful world of his or her own. This should not suppress by ridicule, but instead you would be wise to accept, while at the same time always giving truth in whatever you say or do, and by having good literature always available to your offspring as maturity approaches. This applies to educational facilities which should include both the idealistic and the practical in abundant measure. You'll have a wonderful time thus with your progeny.

## Wendell Aske, Burlington, Elected New District Governor Of Optimists Clubs

By WARREN SPAFFORD  
Burlington, Vt., May 25.—Despite inclement weather, over 200 members of Optimist clubs in District 28 of Optimist International travelled to Burlington over the weekend for the fourth annual district convention, held at Oakledge Manor on Lake Champlain.

Deliberations got under way on Friday evening with a meeting of the District Board of Directors under the chairmanship of Art DeWitt, Plattsburg, district governor. It was noted at this meeting that three new clubs have been chartered during the year in District 28, one of them two weeks ago at Newport, Vt.

On Saturday morning, after the Old Timers' breakfast, the first general session was held at which all district officers gave their annual reports and everything indicated that the district had a very successful year. The session adjourned at noon for the delegates' luncheon, which was under the chairmanship of Hugh Crochetiere, past president of the Montreal club. A short address was given by Mayor J. Edward Moran, of Burlington, the host club for the convention. He welcomed all the delegates to the "Queen City" of Vermont and hoped that they would enjoy their stay.

The second and final session was held following the luncheon

and the district oratorical contest was held under the chairmanship of Henry Crochetiere, of Sherbrooke, Lieutenant-Governor of boys' work for the district. This certainly was the highlight of the convention as all the delegates turned out to hear the ten young boys speak. This was the second annual contest held by the district and it was noted by the chairman that the quality of the speakers of this year had improved 100 per cent over last.

The winner of the event was Roland Dore, 14, who was representing the Montreal Laurentien Optimist Club. He will represent District 28 at the international oratorical contest being held in conjunction with the International Optimist Convention in Houston, Texas, June 13-19. Young Dore, speaking in French, showed all the qualities of a well polished orator. Placing second was Ken White, of the Montreal Optimist Club, and Camille Parent, last year's winner, placed third, which is good evidence of the keen competition which was witnessed by the members. Parent was representing the Ottawa club. The Sherbrooke club was represented by Eddy Widowjak.

Following the contest district elections were held. Wendell Aske, of Burlington, was elected governor of District 28 when Henry Crochetiere, of Sherbrooke, declined nomination for the same post. W. C. Wright, of Plattsburg, was elected district secretary. Treasurer, Hugh Crochetiere, of Montreal, was named lieutenant-governor of eastern region succeeding Jean Poltras, of Quebec. Roland Langlois, Montreal, was named lieutenant-governor central region succeeding Wendell Aske, the new governor, and Bob Patterson was elected lieutenant-governor of western region, succeeding Charles Godfrey of Carleton Place. Henry Crochetiere, of Sherbrooke, was re-elected for his third term as lieutenant-governor of boys' work for the district.

To close the meeting several awards were presented and the Sherbrooke club won the scrapbook contest. Their book will represent the district at the International Convention in Texas this June. Last year they placed third at the annual International Convention in Washington. This scrapbook is made up of all the publicity given the club by the newspapers and consisted of write-ups of the weekly club meetings and all other work that the club undertook throughout the year.

The governor's banquet and ball was the closing event and was presided over by Governor Arthur DeWitt, and featured the installation of district officers by International Representative Ross D. Clarence, of Toronto, International public relations chairman, who also announced that Optimist International has accepted the District 28 bid to hold the International Convention in Montreal in 1955. The guest speaker at the banquet was Holger C. Petersen, former governor of Vermont State, who spoke on "My Obligation as a Naturalized Citizen." Mr. Petersen was born in Denmark and he recalled his early days in America and how he thought he had fulfilled the oath he had taken when he became a citizen of the United States.

Delegates to the district convention from the Sherbrooke club were Mr. and Mrs. Paul Allard and Henry Crochetiere, Henry Mailhot, president of the Waterville club, and Mrs. Mailhot, Mr. and Mrs. Gerry Millmore, Mr. and Mrs. Hal Robinson and Mr. and Mrs. Cliff Burton.

## Optimists Give Approval To Land Rental Project

The Sherbrooke Optimist club held their weekly meeting last night at the New Wellington Hotel and the members voted in favour of accepting an offer from the E.T.A.A. to lease a parcel of land situated on the site of the riding ring behind the arena. This land will be used for the Boy's Town project.

Reports were made by Henry Crochetiere and Erich Marquardt on the district convention held in Burlington over the week-end. These two men, along with Paul Allard, were the delegates to the convention.

A report was given by Amedee Roy on the Baseball ticket campaign, sponsored jointly by the Optimist club and the Sherbrooke Indians baseball team. Although the campaign was not as successful as it was hoped but the club realized a reasonable profit on it. Mr. Roy also announced that the Feast Day this year will be held on the week-end of June 11-12. Final plans are expected at next week's meeting.

The meeting also went on recording as favouring the Town Planning brief prepared by the Sherbrooke Chamber of Commerce in which they recommended that the city hire a town planning expert for Sherbrooke.

Seated at the head table were: Ivan Laramee, Casey Vincent, Ivan Dugre, President Paul Nadeau, Henry Crochetiere, Erich Marquardt and Jacques Laliberte.

## Camp For Blind Again Planned By Lions Club

At last night's weekly meeting of the Sherbrooke Lions Club, the president, Jean-Louis Gauthier, appointed Eddie Caron to head the nominating committee for the 1954 executive of the club. A successor to Mr. Gauthier, two vice-presidents and two directors will be named within the next three weeks.

A vote of thanks was given to René Robert for his organization of the Gourmet's supper, which was held two weeks ago and of which he was chairman. Dr. George Saine also reported on the incubator project, which the club undertook this year.

Lion Neil Tracy, co-chairman of the camp committee with Narcisse Amiraault, reported he expects the summer camp for the blind to be held again at Stoke Lake and around the same date as last year, possibly from August 15th to the 30th. President Gauthier assured them the club would sponsor the camp for the blind people of the district, and would provide the Oasis Club members with plenty of recreation and activity.

Before the adjournment of the meeting, Gerry Villeneuve introduced Frank Patafi as guests of the club. Others seated at the head table were: Eddie Caron, René Robert and Jean-Louis Gauthier.

## Sherbrooke U. Given Bursary Fund By Knights

The new University of Sherbrooke's first bursary fund was established during the week-end by the Knights of Columbus.

At the close of its 55th provincial convention on Sunday night, the order handed Mgr. Georges Cabana, Archbishop of the Sherbrooke Diocese and the university's first chancellor, the sum of \$2,500, the interest of which will assist deserving students.

Judge T. A. Fontaine, state deputy, re-elected by acclamation, noted the gift brought the money donated by the Knights for education to \$100,000.

Also elected by acclamation were Mgr. Cabana, state chaplain; Julien Lavallee, of Joliette, state secretary; Fabio Monet, Q.C., state treasurer; Judge Eugene Marquis, of Quebec, state counsel; and Dr. Auguste Massicotte, of Three Rivers, state warden.

It was the eighth time Judge Fontaine has been elected state deputy. Francis Fautoux, Q.C., of Montreal, was chosen supreme director by the Supreme Council.

Mgr. Cabana thanked the order for the gift on behalf of the university, formerly St. Charles Seminary. It was constituted as a university by provincial legislation May 5.

Judge Fontaine, presenting his annual report, urged the Knights to continue their fight against rising juvenile delinquency, a problem becoming more and more acute.

He said many of the offences committed by young people could be directly attributed to immoral literature, and urged a vigorous continuation of the campaign against crime comics.

## Local Man Held For Thefts From Farms, Cottages

Following complaints from farmers in St. Elie d'Orford during the last two weeks that they had several milk cans stolen, the Provincial Police conducted an investigation into the matter and last week arrested Everett Speck, of Sherbrooke, in connection with the robberies. It appears that Speck went to Bury and had the cans sold, and the Provincial Police under Sgt. Brassard seized the cans and traced them.

Last week, when they went to arrest Speck they searched his house and found stolen goods valued at approximately \$1,200.

Goods valued at \$750, stolen from the summer cottage of Dr. H. Mignault at Deauville, were seized in the house, and were believed to have been stolen sometime in January or February of this year. The goods consisted of an electric refrigerator of Frigidaire make, a water pump with tank and motor, some blankets and shirts and several other miscellaneous articles.

The cottage of J. H. Horner situated at the Armitage Club on the Georgeville road was also broken into and another refrigerator was taken along with an inner spring mattress, a lantern and a knife all valued at \$500.

Speck appeared in court Saturday and was released on bail. Sgt. Brassard and members of the Provincial Police are still investigating the case and it is expected that further arrests will be made in the near future.

**AWARDED CORONATION MEDAL**—Lieutenant Colonel A. A. Munster, of Sherbrooke, is the recipient of the Coronation Medal. The citation accompanying the medal reads: "By Command of Her Majesty the Queen, the accompanying medal is forwarded to Lieutenant-Colonel A. A. Munster to be worn in commemoration of Her Majesty's Coronation, 2nd June, 1953." He is honorary lieutenant colonel of the 12th Armored Regiment (Sherbrooke Regiment).

## Merry-maker In Municipal Court

Only one week-end "merry-maker" appeared before Judge Richard Crepeau in Municipal Court this morning.

The man, arrested on Elain Street Saturday, was charged with being drunk and incapable and because he had been a previous "visitor" was fined ten dollars and costs or an alternative seventy-two hours in jail upon default of payment.

## Inspection Held Of Rotary Air Cadet Squadron

Cadets of the 67th Sherbrooke Rotary Squadron, Royal Canadian Air Cadets gathered in the William street armoury Friday evening for their annual inspection and presentation of trophies won throughout the past year.

Watching the presentation from the platoon were Mayor Emile Levesque; Gerry McLanahan, vice president of the Sherbrooke Rotary Club; Ross Grafton, past president Provincial Air Cadet Committee; George Monty, representative Provincial Command of Air Cadets and Lt.-Col. Walsh.

Trophies were presented by F/O Mutchler. Cadet F/S Bissonnette took the Rotary Challenge shield for marksmanship for a high average of shooting throughout the year. Cadet Sgt. E. Wdo-wiak took the second class marksmanship trophy and Cadet WO R. Gillam took the Walsh Efficiency Trophy.

Mr. Ross Grafton, past president provincial committee presented D.C.R.R. crests for the yearly rifle competition. Sporting rifle contest winners were Sgt. G. Mayhew, first F/Sgt. Bissonnette, second and the consolation was won by AC2 E. C. Deroches.

Pilot Officer N. Frégeau, who has been with the 67th Squadron since 1946, took the oath of allegiance and received his commission as a fly officer. He was originally a member of the St. Charles Seminary squadron which disbanded in 1945.

Several brief addresses followed. Mayor Emile Levesque said that he was pleased to see such an organization for the advancement of youth training in the city of Sherbrooke. He spoke on the necessity for the adequate training of Canada's youth in the science of defending our country, an objective which is being remarkably achieved by groups such as air cadets.

## Gaston Masse Named New President Of Local Branch Of Engineering Institute

By ALAN J. OXLEY  
Prior to their annual meeting Saturday, members of the Eastern Townships branch of the Engineering Institute of Canada were conducted on a field tour of the Canadian Johns-Manville plant at Asbestos following an invitation by the local representative, C. D. Barror.

Due to weather conditions the tour was limited mainly to the mill and opened in the crusher room of mill number one where giant rocks of asbestos ore are fed through huge jaws which crush the ore at the rate of about 500 tons an hour.

Going from here the rock is milled to a fine powder and passes through a concentrated process of screening which separates the fibre from the waste. There is only sixteen percent pure asbestos in raw ore. The other eighty-four per cent is waste and is dumped in a nearby valley where the company now has eighty million tons of this material. It is said there is 6 of one percent nickel contained in the waste rock and it is hoped in the not-too-distant future to discover a process whereby the metal can be extracted.

Finally the white cotton like fibres are packed into 100 pound bags to be shipped to factories and eventually as asbestos products to all parts of the globe.

Members got a brief glance at the company's new mill which is fourteen stories high and much larger than the one which is now in operation. This new mill is to be duplicated in the very near future.

As well as the open pit, Johns-Manville carries on an extensive program underground. A massive elevator carries over 6000 tons of asbestos ore a day from the bowels of the earth to be processed in the mill standing immediately above.

Following their tour the visitors watched a film entitled "Fibres of Freedom" which depicts the birth of asbestos as one of Canada's major resources, showing how these tiny fragile looking fibres have become a basic building essential of modern civilization all over the world.

Asbestos is truly the "magic mineral" and although it was discovered in 1876 as "rock cotton" it was not mined to any considerable extent until about 1900. Even then the demand was only for long-fibre asbestos to make textiles and for insulation. It was much later discovered that it could be used for building purposes, brake linings and clutch facings. Today there are over 3,000 uses for this fire-resistant mineral in all phases of industrial and commercial activity.

Johns-Manville company, built atop of the 60-mile belt of serpentine rock which runs from Theford Mines to Asbestos, yields 53 percent of Canada's total asbestos output. This belt, Canada's biggest asbestos deposit yet discovered, lies 30 to 40 feet below ground level and runs in places to a depth of 3,000 feet. Asbestos fibre which resembles wool is actually stone, very flexible and very strong and even today science is not sure of its origin.

It is truly remarkable that these tiny silk-like fibres mean so much to Canada's standard of living. For besides the 2600 jobs at the Johns-Manville plant in Asbestos, this "magic mineral" creates indirectly, thousands and thousands of jobs in factories all over the continent.

At their meeting in the Iroquois Club afterward, members under the chairmanship of J. C. Critchley elected a new slate of officers for the ensuing year. They are Gaston Masse, president; B. B. Bradley, vice-president; Emile Goulet, Raymond Leclair, C. E. Allan, J. H. Barnacle and G. P. Cote, committee members.

Newly-elected president Masse said in a brief address that he hoped future meetings of the Institute could be arranged in towns other than Sherbrooke so that out-of-town members would be encouraged to attend.

There are 11 pounds of corn-cobs in the average bushel of corn.

Unique International Service Stressed At Formal Dedication Of New Boundary Telephone Exchange

By IVY HATCH

Rock Island — May 25 — A very impressive ceremony marked the official opening of the new building of the Bell Telephone Company housing the dial system, situated in Willow Lane in Stanstead, on Saturday afternoon, May 22, with Rev. Father George Guay officiating at the Blessing.

J. H. R. Bertrand, manager of Eastern Townships subdivision of the company acted as master of ceremonies, and extended a Welcome to all, on behalf of the Bell Telephone Company.

Rev. Father Guay officiated at the Blessing ceremony offering prayers in French and English. Mr. Bertrand in thanking Father Guay, stated this new centre could not be started under happier auspices. He said that a ceremony of this kind is an occasion to express gratitude the company feels towards the people who have enabled them to carry through successfully the conversion to dial at this exchange.

Mr. Bertrand thanked the Bell customers for their understanding during the months preceding the change when certain delays in service inevitably occurred, as well as in the thoughtful use of the dial equipment in its early days.

"As I entered this building, I was struck with the excellent job done by our architect, Rodolphe Lajoie," said Mr. Bertrand, "and by the contractors Messrs. Maurice and Morin.

They have turned out an attractive building which admirably meets the technical requirements of modern telephone service."

Mr. Bertrand also gave recognition to the technicians of the Northern Electric Co. for the care and diligence shown in the installation of the intricate equipment within the building.

Tribute was paid by Mr. Bertrand to all employees of the company who assisted in the job of

ROCK ISLAND EXCHANGE DEDICATED — Specially-invited guests at the formal dedication of the new Bell Telephone dial exchange at the boundary are shown above. Those in the picture include Rev. Father Georges Guay, of Notre Dame de la Merici Parish, Rev. McKinley Rose, Centenary United Church, Mayor O. Poisson, of Rock Island, Mayor E. J. Struthers, Stanstead, J. H. Bertrand, District Manager, Bell Telephone, J. D. Ferguson, manager, Canadian Bank of Commerce, R. G. Wells, manager Royal Fregeau, J. M. Kirwin, C. A. Bacon, E. Chapman, J. Rochon, R. Lalande, R. Milot, Mr. and Mrs. A. L. Buckland, W. S. Low, A. Aussant, J. Ladd, R. Noisieux, G. Girardeau, R. Payette and B. Findlay.

conversion for their sterling work, to Edward Chapman, plant wire chief, Jean Rochon, traffic superintendent and to Mrs. Marion McHarg, the chief operator in Rock Island.

In Rock Island the company has brought 50 new telephones into operation thus providing service for all local residents who have applied for it. Steps have been taken to improve on the long distance service, nearly tripling the circuits with Sherbrooke for that purpose.

Mr. Bertrand assured the customers they will be satisfied with the dial service, which will be maintained by trained technicians. Remarks were made by Rev. Father Guay, saying the Bell Telephone Co. deserves a great deal of admiration in giving the Boundary communities this modern tele-

phone system, such as is in the large cities. The Blessing of the building ceremony is a way of thanking God who has made possible this realization. He referred to the first telephone invented some 78 years ago by Alexander Graham Bell who discovered this way of communication. Were he to come back he would find many changes, said Father Guay, who in closing stated, "he hoped God has crowned Bell's patient labors with eternal peace."

E. J. Struthers, Mayor of Stanstead spoke briefly, saying the dial phone at these communities is a mark of progress and growth to the Villages and a mark of growth within the Bell company. He wished them every success in the future years.

Oscar Poisson, Mayor of Rock Island, addressed the assembly in French, the remarks being similar to those of Mr. Struthers.

Attending this opening were Mr. Bertrand, Mr. and Mrs. T. Chapman, Plant Wire Chief, Sherbrooke subdivision; Jean Rochon, Traffic Superintendent; Ray Lalonde, installation foreman; R. J. Milot, engineer, provincial district; W. Stuart Low, C. O. Coaticook; J. C. A. Aussant, plant Dept.; M. J. "Hap" Ladd, wire chief; Roger Noisieux, C. O. Coaticook; Mr. and Mrs. Guy Gerardeau, engineer; G. Payette, Commission representative, Sherbrooke; Albert Fregeau, Q.C. Raymond Fregeau, E. R. Greaves, Roy Wells, Rev. Father Guay all of Rock Island; Rev. McKinley Rose, E. J. Struthers and J. E. Kirwin, all of Stanstead; C. A. Bacon, Derby Line; Oscar Poisson, Rock Island; J. D. Ferguson, president of Manufacturers Association of Canada, resident of Stanstead and manager of the Spencer Supports, in Rock Island; Bruce Findlay of Montreal.

An informal reception followed at the Del Monty Hotel, where refreshments were served from the linen covered table. Albert Fregeau, Q.C. acted as toastmaster.

Toasts were proposed by Mr. Poisson, mayor of Rock Island, to Mr. Bertrand, his technicians, engineers and staff for the fine job they have completed.

Raymond Fregeau, Councillor of Rock Island, offered a toast on behalf of the Municipalities of Rock Island, Derby Line, Stanstead and Beebe to the Eastern Townships Company, an organization which has served these Boundary communities so many years in the past. Mr. Fregeau further stated he felt profound sentiment in the passing of the old system, paying tribute to the great service given by the chief operator, Marion McHarg, her staff and the women who served through the years before them, giving special mention to Mrs. Blanche Laythe who served as night operator for over twenty-five years. To those operators, Mr. Fregeau proposed a toast for their health and happiness for many years to come.

Remarks were also made by Roy Wells, manager of the Royal Bank of Canada, Lloyd Bliss, of the Stanstead Journal, John Kirwin, representing General Motors Co.

Jean Rochon, paid tribute to the chief operator, Mrs. McHarg and her staff, saying it was not always easy for them to give local service for a number of reasons after the installation of the dial system commenced the first of the year. Every subscriber's number was changed, yet under these difficulties the service was efficient, carried out until the last call was made at midnight on May 9.

Mr. Buckland, plant engineer, spoke briefly on the planning of installation and Mr. Vandal spoke on the construction work, which today makes for the perfect working of the dial system.

**OBITUARIES**

**MRS. H. R. PLACE, OF AYER'S CLIFF.**  
 Ayer's Cliff, May 25—The community was saddened on Tuesday morning, May 4, when it was learned that Nellie Crosby Paige, beloved wife of the late Henry Roger Place, had peacefully and suddenly passed away at her home here following only a few hours' illness. She was in her 85th year.  
 She was united in marriage to Henry Roger Place on May 23, 1887, and came to live in the County of Stanstead, where they spent about fifty years of their married life. Of this union four children were born. Warren L., of this place, Elsie, Mrs. George LaBonte, of Florida, Ethel, Mrs. Walter Moore, of St. Eustache, and Mr. Harlie Place, of New Jersey.  
 Her husband predeceased her on January 11, 1946, and since that

time her son and daughter-in-law, Mr. and Mrs. W. L. Place, have resided with her and have never spared themselves that "Grandma" should have first consideration and have given her every comfort and made her as happy as her years would permit.  
 Mrs. Place was blessed with a jovial personality, friendly, and ever ready to give aid wherever and whenever needed, whether by act or words of encouragement. She was a loving wife and devoted mother.  
 Under the direction of McKenna's Funeral Service, prayers were held at her late residence on May 6, thence to Beulah United Church, where the funeral service was held. Rev. W. H. Boomhour officiating.  
 The choir sang two favorite hymns of the deceased, "What a Friend We have in Jesus" and "Nearer My God to Thee." Mrs. Nelson Pierce sang "The Old Rugged Cross" as a solo.  
 The bearers were Gordon McHarg, Cecil Tyler, H. Nelson Pierce, Guyle Clough, Glen Little and Galen Brown.  
 The floral tribute, consisting of sprays, wreaths, pillows and baskets of cut flowers, were silent tokens of respect and sympathy. The church was filled to capacity with relatives and friends from St. Eustache, Montreal, Derby, Newport, Vt., Magog, Orford Lake, Sherbrooke, Windsor Mills and North Hatley.  
 Aside from her immediate family she leaves her grandchildren, namely, Mrs. M. Langlois, Warren (Bud) Place, Russell Place; great-grandchildren, Anne, Nancy, and Jerry Robinson, Gordon, Judy and Steven Place and Betty, Mrs. E. Martin.  
 Burial was in the family lot in Ayer's Cliff cemetery.

**MRS. WILLIAM IRVING, OF SCOTSTOWN.**  
 Scotstown, May 25—On Monday,

May 3, Scotstown and vicinity were saddened to learn of the death of Annie Beatrice McCallum, beloved wife of William Irving, Sr., and daughter of the late John and Beatrice McCallum, of Grindstone, Magdalen Islands.

Mrs. Irving was born in Grindstone, Magdalen Islands, on February 22, 1885, coming to Scotstown in 1904, where she had lived for the past 50 years. On October 16, 1907, she became the wife of William Irving, Sr.

Besides her husband she leaves to mourn her loss, two brothers, Philip McCallum, of Vancouver, B. C., and James McCallum, of Sherbrooke, and one sister-in-law, Eva McCallum, of Sherbrooke; also six sons, Jack, of Port Dover, Ont., Robert, of East Angus, Bill, of Scotstown, Lawrence, of San Gabriel, Calif., Stewart, of Farnham, and Leslie, of Scotstown; three daughters, Mrs. Orland Edwards (Beatrice), of Port Dover, Ont., Mrs. Kenneth Evans (Reta), of Port Dover, Ont., and Mrs. Robert Story (Miriam) of St. John's, Nfld.; three daughters-in-law, Mrs. Robert Irving, Mrs. Jack Irving and Mrs. Stewart Irving; three sons-in-law, Orland Edwards, Port Dover, Kenneth Evans, Port Dover, Robert Story, St. John's, Nfld., and 14 grandchildren.

The funeral service was held in St. Andrew's United Church, Scotstown, on May 6 at 2 p.m., with Rev. C. J. Gustafson, of Magog, officiating. Two of Mrs. Irving's favorite hymns were sung, "Safe in the Arms of Jesus" and "I Am Thine O Lord," with Mrs. Jack Scott at the organ.

The bearers were Jack Butler, John Sherman, Dewar Scott, Lyford Elger, Alex MacIver and Nathan Maher.

The floral offerings from Scotstown Branch No. 210 Canadian Legion, Silver Rebekah Lodge, Port Dover, Store Dept., St. Lawrence Corporation, East Angus, the Canadian National Institute for the Blind, Newfoundland Branch, and the Cerebral Palsy Centre, Hamilton, Ont., and numerous relatives

**SIDE GLANCES**

By Galbraith

"This is the third girl getting married this month! What's the idea—are all these people dissatisfied?"

and friends were most beautiful, showing the high esteem in which Mrs. Irving was held by all who knew her.

Among the relatives and friends attending from out of town were: Mr. and Mrs. William Miles and children, of Manchester, N.H., Mr. and Mrs. James McCallum and children, of Sherbrooke, Mrs. Alberta Huges, of Drummondville, Mrs. Frank Dearden, of East Angus, and Mr. Bud Huges, of East Angus.

active service on November 5, 1918; Rose, Mrs. Willard Christie, of Lower Ireland; John of New York City; Beatrice, Mrs. Alfred Miller of Montreal; Alfred of Hamilton, Ont.; Elsie, Mrs. Lindsay Miller of Montreal; Cecil, Anglican rector at Princeton, Ont.; Barbara, Mrs. Kenneth Doak, of St. Lambert; Douglas, who lives at the old Ward home, and Howard, who died in infancy.

Mr. Ward belonged to one of the pioneering families, who settled in the county of Megantic and was really one of the old timers, who lived here and helped this country to grow up from virgin forest to its present state. He will always be remembered as a lumber dealer and farmer. One of his brother's, R. G. Ward, founded and operated the first asbestos mine at Thetford Mines, in which Mr. C. O. Ward became a shareholder at the death of his mother. He joined the No. 3 Company in the 55th Battalion at an early age and was discharged at New Ireland on the 24th day of March, 1935. For years he was an active member of the Masonic Order at Thetford Mines.  
 The funeral was held on Monday, April 19 from his home where prayers were said, thence to Christ Church, Lower Ireland, of which Mr. Ward was a devoted member. The service was conducted

**CHARLES O. WARD OF LOWER IRELAND**  
 Lower Ireland, May 25.—The many friends of Charles O. Ward, of Lower Ireland, will deeply regret to learn of his death at the old Ward home on Friday, April 16, where he was born on August 13, 1860, and resided all his life.  
 Mr. Ward was the youngest of a family of 13. His father, Rev. Robert G. Ward, from Edinburgh, Scotland, was one of the first Anglican ministers of Christ Church, Lower Ireland, and his mother was Marianne Turriff, also of Edinburgh, Scotland.  
 He was united in marriage with Barbara Martha McVetty of Inverness on December 1st, 1892, by Rev. P. Roe in the church of The Ascension, Campbell's Corner. Mrs. Ward died on March 18, 1951. Ten children were born of this union: William G. killed in

ed by the Rector, Rev. A. McLaren, who took as his text "Our Father," St. Matthew 6, 9th verse.  
 Three favorite hymns of the deceased, "Rock of Ages," "Brief Life Is Here Our portion," and "Abide With Me," were sung, with Mrs. H. Little as organist.  
 The bearers were: Harry Ward, Arthur Vaudry, Jasper Dinning, Albion Ward, Bert Dinning and Dallas Bennett.  
 Interment was in the family lot in Christ Church Cemetery.

**MRS. GEORGE E. LOVELL, OF NANAIMO, B.C., FORMERLY OF SHERBROOKE.**  
 Nanaimo, B.C., May 25.—Mrs. Alice May Lovell, wife of George Edward Lovell, of 405 Fitzwilliam Street, passed away in the Nanaimo Hospital early Monday morning, May 10, aged 65 years.

Born in Sherbrooke, Quebec, Mrs. Lovell came to B.C. 40 years ago and first settled in the Kootenays, later moving to Vancouver. Prior to making her home in Nanaimo 15 years ago, she had lived for a time at Shawinigan Lake and Ladysmith.

She was a member of the Order of the Royal Purple, ladies organization of the B.P.O.E., and of the Miriam Rebekah Lodge No. 5 and took a keen interest in both organizations.

Very fond of her home and her family she leaves to mourn her passing besides her husband, three sons, Herbert and James of Vancouver, and Lloyd in New Westminster, her daughter, Mrs. Joseph Nichol of Nanaimo, her mother, Mrs. Elizabeth Batt, of New Westminster, a brother Edward Batt, Vancouver, and her sister, Mrs. Arthur Woods of California. Nine grandchildren also survive.

Funeral services were held on Thursday afternoon at 2 o'clock from the Westwood Chapel of Flowers, Rev. L. B. Henn officiated and services was conducted under the auspices of Order of the Royal Purple and the Miriam Rebekah Lodge No. 5. Interment took place in the family plot, Nanaimo Cemetery.

**That'll be a million dollars please**

Imperial's shopping bill is more than \$1 million a week... that's what we spend in Canada just for everyday needs. It doesn't include crude oil, which alone runs to \$4½ million a week! Nor does it include wages, salaries or taxes. What do we buy? Everything... from soup (to feed geological parties) ... to nuts (to fit a few million bolts) derricks dynamite and diesels and even catalytic cracking units ("cat crackers" they're called) to make those better gasolines.

We buy things from 6,000 Canadian firms from coast to coast. Shopping on this scale creates a lot of work for a lot of people... right across Canada.

MR. and MRS. GERALD STODDARD CONGER, photographed on Saturday, May 1, following their wedding which took place in St. Peter's Church. The bride is the daughter of Mr. and Mrs. Herbert John Drew and Mr. Conger is the son of Mr. Karl Bidwell Conger, M.B.E., and Mrs. Conger, of Ottawa, Ont.

## MARRIAGES

### CONGER—DREW

The marriage of Miss Beverley Ann Drew, daughter of Mr. and Mrs. Herbert John Drew, and Mr. Gerald Stoddard Conger, son of Mr. Karl Bidwell Conger, M.B.E., and Mrs. Conger, of Ottawa, took place in St. Peter's Church, Saturday afternoon, May 1, at 3 o'clock, the Rev. Canon Russell Brown, officiating. The wedding music was played by Mr. Morris Austin, organist, and "Lead Me Lord" was sung by St. Peter's choir. Vases of white carnations adorned the altar and the pews reserved for the guests were marked by white satin bows.

The bride, given away by her father, wore a gown of white bridal satin, fashioned on Princess lines the bodice of imported French lace having a round neckline and long sleeves finishing in points over the hands, and a partial overskirt of lace which flowed into a long train. Her lace Juliet cap held her fingertip veil of tulle, and she carried a cascade of rose carnations and white stephanotis. Her only ornament was a single strand of pearls, the gift of the groom.

Mrs. Velma Drew, was maid of honor and Miss Nancy Conger, Miss Joyce Buckland and Miss Eileen Dolton, were bridesmaids. They all wore Princess satin gowns, with draped sleeves, the matron of honor being in blue, and the bridesmaids in pale green, mauve and rose with matching headresses, and they carried Colonial bouquets of sweet peas.

Mr. Stuart Conger, acted as best man for his brother and the ushers were Mr. Gilbert Hill, Mr. Harold Drew, brother of the bride, and Mr. Ralph Mather.

Mrs. Drew, mother of the bride, wore a dress of grey lace over-

rose taffeta with black hat and accessories and a corsage of white carnations.

Mrs. Conger, the groom's mother, was in a navy blue dressmaker suit with a white hat and accessories and a corsage of red roses. The reception was held at Rockcliffe where the rooms were decorated with baskets of gladioli. The bride's table was arranged with a lace cloth silver bowls of pink and white carnations, white candles in silver holder and centered with the three-tier wedding cake, topped with pink roses.

Later Mr. and Mrs. Conger left on their wedding trip to Virginia and North Carolina, the bride wearing a suit of grey and red flecked English tweed, under a navy blue coat, a navy hat and accessories and a corsage of red carnations.

Mr. Conger attended McGill University and is a graduate of University of North Carolina.

Out of town guests included: Mr. Karl Bidwell Conger, M.B.E., and Mrs. Conger, Miss Nancy Conger, Miss Geraldine Conger, Mr.

# Legion Work For Veterans And Families Described To Waterloo Kiwanis Club

Waterloo, May 25.—Walter Hughes, president of the Legion Branch Number 77, B.E.S.L., was the guest speaker at the weekly Kiwanis meeting in the Legion Hall on Tuesday night.

Speaking on the Legion, Mr. Hughes pointed out that this fine organization was founded by Field Marshall Earl Haig in 1925 and now boasts of more than one quarter million members in two thousand branches in Canada and two hundred Legion Posts in the United States.

## FUNNY BUSINESS By Hershberger

"After 20 years! Discouraging, isn't it?"

ing school books, clothing, summer camps, scholarships.

The Legion is more than a social club, Mr. Hughes explained. While its work is diversified, the Legion does so much to look after the veteran and his family. "While not a pressure group" the speaker concluded, "demanding bigger and better privileges for veterans and their dependents, it does make suitable representations to Parliament on behalf of all veterans in the firm belief, that what is good for the veteran is good for the country as a whole."

Kiwanian Bob Millineham introduced the speaker, who was very warmly thanked by Kiwanian Tom Wilkinson for his very fine and educational talk. President Roger McKergow was in the chair after an absence of seven weeks and there was a fairly good turnout of members and one guest to enjoy a fine meal catered by the ladies of the W.A. and to hear the fine talk by Mr. Hughes.

Next week Kiwanian Armand Russell is chairman and his meeting will be held in the Legion Hall. Two new members will be inducted at this time.

**BEAVER CHAPTER, O.E.S.**  
Beaver Chapter No. 7, O.E.S., held its special meeting on Monday evening when Sister Myrtle Cobb, W.G.M., paid her official visit.

Among the distinguished guests welcomed by the W.M., Sister Ellen Arnott, besides Sister Myrtle Cobb, were Louis Payne, W.G.P.; Sisters Ethel Blake, Myrtle Vincent and Bessie McFarlane, all P.G.M.'s; Brothers Albert Halsall, Alvin Williams and Henry Barlowe, P.G.E.; Grand Chapter Officers; Sylvia Halsall, Assoc. Gr. M.; Sister Frances Kemp, Gr. Cond.; Sister Marion Hamilton, Assoc. Gr. Cond.; Sister Emily Gillespie, Gr. Adah; Bro. Leonard Moore, Gr. Trustee; Bro. Robert Middleton, Assoc. Gr. Pa.; 3 Grand instructors. Colena Mackenzie, Sister Dorothy Hayes and Sister Katherine Webb; Grand Representative of New Mexico, near Quebec, Sister Ethel Beale; Grand Representative of Delaware near Quebec, Sister Dora Graves.

The secretary reported that the Sweetsburg Hospital requested that Beaver Chapter undertake its tag day on Saturday, May 29th, in Waterloo, with a house to house and street canvass, also a canvass of public buildings and factories.

A very pretty ceremony was exemplified by the Star Points and the Associate Matron when Assoc. Cond. Sister Betty Griffin presented money to the Worthy Grand Matron to be used as her project in the Wales Home.

The business for the night consisted of plans to hold a fund sale in Lowry's Store on Saturday, June 12th, under the convener-ship of Sisters Althea Lowry and Bertha Cousins.

Many of the distinguished guests in the East were asked to say a few words and reports were given by the Grand Representatives.

Refreshments were served by Beaver Chapter members and it was noted that visitors were present from Sherbrooke, Magog, Cowansville, Stanbridge East, Montreal, St. Lambert and Farnham. It was an exceptionally fine meeting.

tion of coming here in a few days time to remove that same equipment. The last few years of the Eastern Townships Company, the demand for telephone service was beyond their ability to meet, although they did their best under difficulties. However the cost of development was too large for a small company to finance the change to dial system, and to maintain it. The Bell Telephone Co. was contacted and the turn of events has proved very satisfactory to all. Mr. Low said, "this Bell Company will endeavor to give the best service possible."

Mr. Low was one of the oldest employees of the Eastern Townships Company and is now in the employ of the Bell.

Between toasts and speeches, Mr. Bertrand made brief remarks, saying "The Bell Company took over from the Eastern Townships Co. on January 1st of this year for the betterment of the public in these Boundary communities. There may be some who don't like

this way of communication, however the Bell Co. is out to give service and the public will get the best service we can give. We will be always glad to help anyone in communication service."

Boundary residents are among the few in Canada or United States who can reach a foreign country with a flick of the phone dial and no extra charge. On Saturday afternoon the new telephone system exchange made such an international nicely possible with the official opening ceremony.

Representatives of the Bell Telephone Company of Canada, and leading citizens of Rock Island, Derby Line and Stanstead and of the New England Telephone Company and Telegraph Company have cooperated to provide this across-the-border calling free of long distance charges.

Many of the representatives were present for the opening by Mr. Poisson and Blessing by Rev. Father George Guay.

Rock Island-Stanstead-Beebe and surrounding communities in Que-

bec, Canada and Derby Line and Beebe Plain, Vermont, have over 1,450 subscribers, approximately 200 phones are in the United States side of the Border, and are served by the Rock Island exchange. The Vermont subscribers pay their bills to the New England Co., but the exchange that serves their telephone belongs to the Bell Company of Canada. Under the agreement of the New England and the Bell company's, the telephone equipment, telephones, poles, wiring, cables, and so forth on the United States side of the Border belong to the New England Co., and such equipment of the Canadian side belongs to the Bell.

For long distance calls outside the Rock Island exchange, U.S. customers are served through Newport, Vermont, office of the New England Co., while the Canadian customers are served through the Bell Co.

The tribute to international cooperation that this unique situation makes possible has been in effect in one form or another be-

ween these two countries since the turn of the century. The Eastern Townships Co., which was purchased by the Bell Co., in January started this across-the-border arrangement with some of its first subscribers.

Officials of both these companies and members of the Border communities say the experiment in international co-operation works "just fine" and should work even better with the new dial service.

tures of \$742.83. The latter included prizes to schools \$20, cash donations \$71, flowers and gifts to hospitalized members \$102, welfare \$350.

The Social Service committee under the convenship of Mrs. J. Shaw, revealed that 180 used articles of clothing had been given to needy families. Also merchandise valued at \$69.52 had been purchased and distributed.

A subsidiary of the Social Service, the Food Baskets, convened by Mrs. C. W. Baird, stated that 33 baskets of food had been distributed, having a cash value of \$254.42. Two children were given 1 hot meal each day during a period of 4 months, this amounted to \$18.60.

Mrs. G. Lacroix reported membership now standing at 37. Three new members were admitted during the past year and five were lost through leaving this vicinity.

A cash donation of \$5 and a box of sundry articles were forwarded to the Sisters of Service, Regina, Sask., as shown in the report of the convener, Mrs. R. Langlois.

During the year the entertainment committee, under the joint convenship of Mrs. A. J. Lepine and Miss M. Donigan, was responsible for the following events: A Cooking School presented by Canada Packers Ltd., the membership tea in October; the annual Christmas tea and sale on December 5th, which was most successful, the proceeds being \$262.81; the St. Patrick's Day dinner on March 20th. Tea was served at the conclusion of most of the monthly meetings, several of which were held with members being hostesses in their own residences.

Without doubt the committee requiring the most sustained effort and devotion is that of the Hospital. Its convener, Mrs. G. Huot presented a report showing that weekly visits to La Providence Hospital and Home for the Aged, totalled 564. During these visits 1,149 magazines, both English and French, were distributed, as well as jig-saw puzzles, home cooking, ice cream and fruit. At Christmas 25 baskets of cheer were given to old people in the home and indigent patients in the Hospital.

Mrs. S. Perreault, convener of religious activities, states that, the annual high mass in honor of Our Lady of Good Council, patroness of the League, was offered on April 26th. Expressions of sympathy and mass offerings totalling 12 were sent to bereaved members. Flowers were donated for decoration of the altar of St. Patrick's Church on several occasions.

The convener of the Canadian League Magazine, Miss Mary Stock, reported one new subscription and 7 renewals.

Twenty-nine letters were received and outgoing correspondence totalled 52 letters and cards of thanks, 12 Christmas cards and 17 business letters, as shown by the report of the corresponding secretary, M. R. Ethier.

Resumes of all regular meet-

ings during the year were sent to the local newspapers as well as to the Sherbrooke Daily Record as shown by the report of the Press convener, Mrs. W. McClements.

A publicity report submitted by Miss E. Donigan showed that 25 posters had been displayed advertising the cooking school, the rummage sale had been advertised by means of loud-speaker as well as by posters and 6 attractive free-hand drawings had helped to promote attendance at the Christmas sale. All activities had also been announced in the three local parishes.

Following the presentation of the reports, Miss Donigan thanked all officers and convenors, on behalf of the president, for the sub-

mission of their reports and also for the co-operation and support received from all members during the past year.

# Stanstead College Cops 12th E.T. Y'S Men's Track Meet

## D. Lockwood Wins High Aggregate Of Day And Junior; A. Lambert Takes Senior; BCS Cops Open Mile Relay

Stanstead Wesleyan College, on Saturday, copped the Skinner Trophy for the team high aggregate of the 12th Inter-School Track Meet sponsored by the Sherbrooke Y's Men Club. This was the Border's Town's fourth track meet championship in the last five years, having placed second to Bishop's College School in the eleventh meet last year.

David Boswell, one time competitor in the Canadian Olympic Track and Field trials, who took over as coach of the Border Town's track team this year, presented a good balance squad which took honours in all five class events. Stanstead's total pointage at the end of the meet was 99½, while B.C.S. ranked second with 88 points.

In the midget events Stanstead chalked up 21 points while the purple and white were without contestants, and as a result received no points. Stanstead picked up 17 points in the junior class, 36½ points in the intermediate, 14 points in the senior class and 11 more points in the open events.

Sam Abbott's squad from B.C.S. took 8 points in the junior events, 28 in the intermediate, 51 in the senior and also 11 points in the open classes. Sherbrooke High School placed third in the meet, the same as last year, with 63 points, half a point less than last year. Others ranked as follows: Drummondville High School, 33; East Angus High School, 17; Richmond's St. Francis College, 15; Bury High School, 12; Magog, 7½; Lennoxville, Windsor and Cookshire High School with 5 each, and Beebe Intermediate High School, 2. Island Brook failed to get any points.

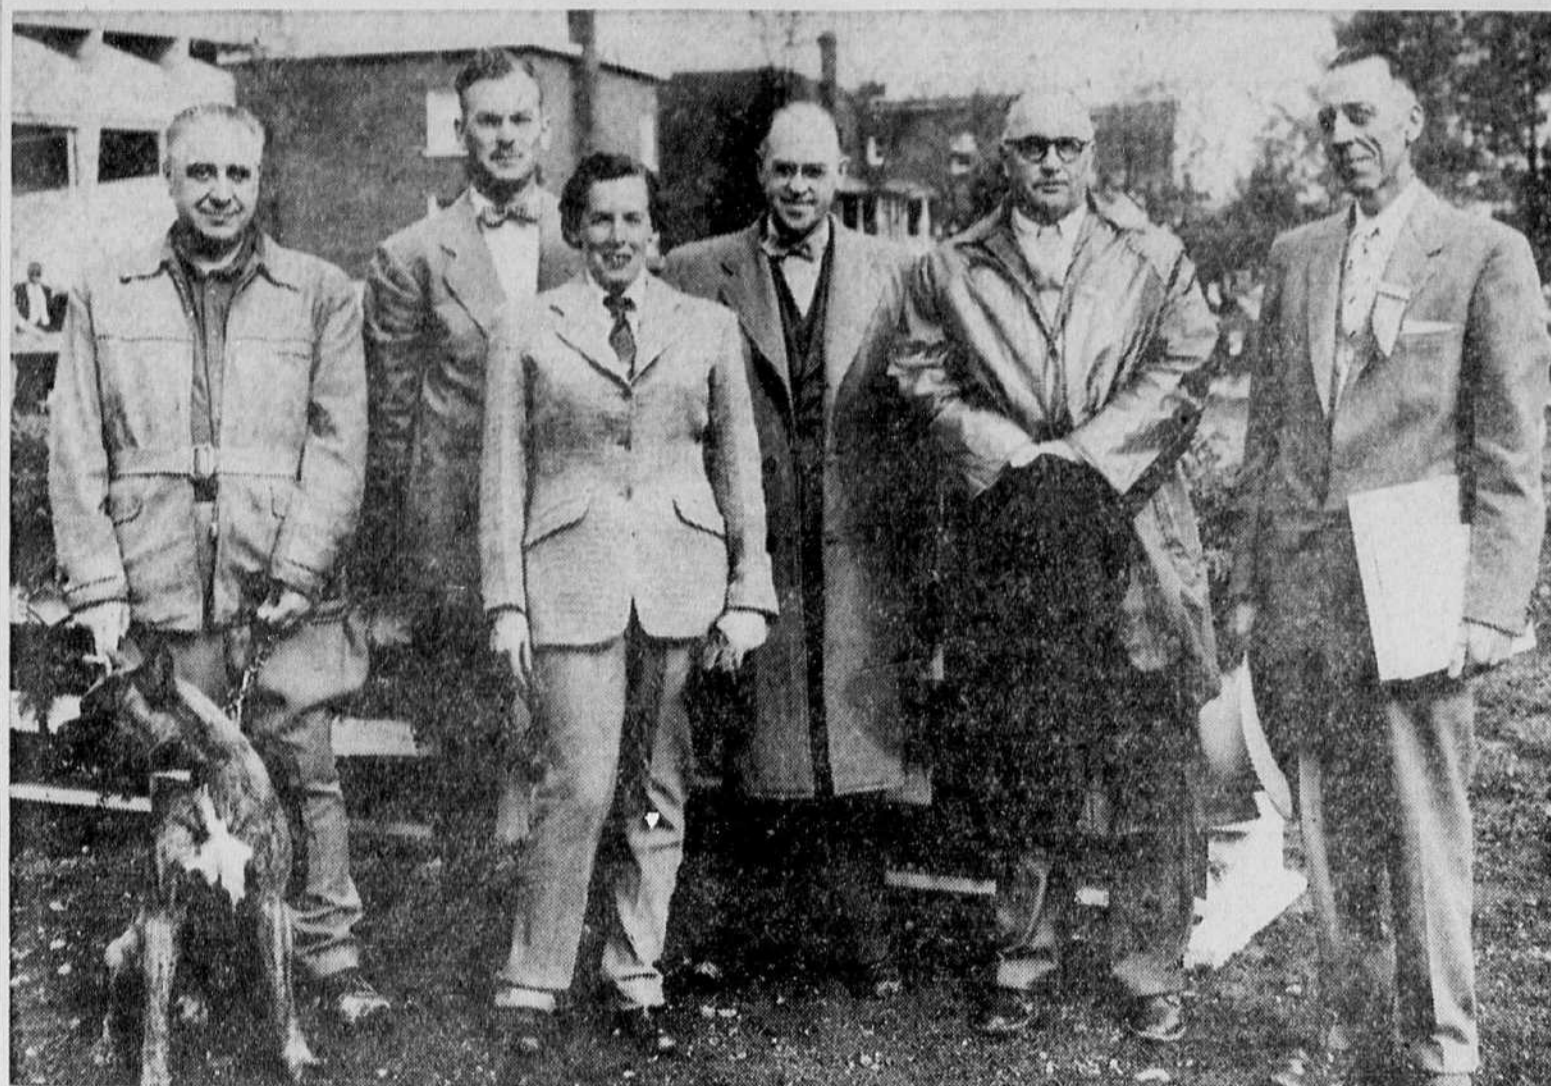

Best individual effort of the day was made by D. Lockwood, of Drummondville, a junior, who took first place in the high jump, broad jump, and the 220-yard run for a total of 17 points. The individual high aggregate is rewarded with the Sherbrooke General Sports Commission Trophy, won last year by Al Lambert, also of Drummondville.

Chick Whatley, a member of the Y's Men's Club, presented the J. S. Mitchell Trophy on behalf of his firm, to A. Lambert for having the senior high aggregate. The Drummondville athlete had 16 points. T. Houghton, winner of the 220-yard dash, made 14½ points for the Stanstead team and thus won himself the City of Sherbrooke Athletic Commission Trophy.

D. Lockwood was awarded the Inspector J. H. Hunter Trophy, donated annually to the athlete with the highest aggregate of points in the junior division. Syd Hart was on hand at the Parade Grounds, and personally presented the Syd Hart Trophy to R. Kaupeddas for accumulating 7 points for the Stanstead squad. Winner of the open mile was J. Redpath of B.C.S., and he was presented with the Sam Abbott Challenge Trophy. A strong relay team won the mile open relay for Bishop's, who were given the Sherbrooke Auto Electric Trophy.

Twelve schools entered the meet this year, participating in 468 events. However, a steady downpour of rain hindered any would-be record-breakers. Congratulations should be given to the various athletes for the great sportsmanship they showed in winning and happy attitudes they showed even in defeat.

Following are the point-getting results, grouped according to the various classes. In the scoring, first counts 4 points, second 3

### Cleveland Indians On Winning Streak; Take Ten Straight Games Plus First Place; Avila And Rosen Lead Hitters

Cleveland — (P)—Cleveland is still in Ohio, but quite a few of its baseball fans appear to be from Missouri.

After years of watching their highly rated American League entries finish second, the customers apparently are slow to get used to the idea that the 1954 club is in first place and boasts the longest major-league winning streak of the season.

Cold weather has helped reduce attendance at the first 15 Cleveland home games to 210,254 from last year's 213,047. But after three years of runner-up finishes, not even a four-week zoom from seventh place to the top is enough to bring on a real case of pennant fever.

This is an exciting ball club. It has won 10 of its 24 victories by coming from behind in the sixth inning or later.

### Drummondville Takes Doubleheader From Thetford Miners 8-2 And 12-4; Pitchers Steel And Aldo Cozzi Win

Drummondville Athletics Monday swept both ends of a Provincial Baseball League doubleheader 8-2 and 12-4 from the Thetford Miners.

In a single night game, Quebec Braves got back on the winning track after a double-loss Sunday by edging the Sherbrooke Indians 6-5 in Sherbrooke.

In the first game, a seven-inning encounter, Drummondville jumped off to a 4-1 lead by the end of the second period and wound up the game with a four-run rally in the sixth.

Loser Martin Saban lasted five innings before Ron Minnich came in to hold the Miners scoreless for one frame. Neil Thode who took charge in the sixth, had Drummondville's four runs scored against him.

Pitcher Steel was the winner, with help from Gerry Lefebvre in the seventh.

"Might Do It"  
Al Rosen has belted nine homers in the current 11-game streak and is well out in front of the league in homers and runs batted in.

Bob Avila and Rosen are 1-2 at the top of the loop in batting averages. And pitcher Bob Lemon's 6.0 record is the league's best.

But it is the new instead of the established stars that manager Al Lopez is thinking of when he cautiously says this year's Indians could win the pennant.

"We've got more speed and better all-around pitching," Lopez said. "If those two kids can keep it up, we might do it."

The "two kids" Lopez is concerned about are doing all right—third baseman Rudy Regalado hitting .352 and left fielder Al Smith .289. Smith is a fast lead-off man who recently landed on base nine times in a row—six walks, a hit by pitcher, and two singles.

### D. Sullivan And K. Thompson Win Mixed Tourney

Eleven couples participated in the opening mixed-two-ball event staged by the Lennoxville Golf Club on Sunday. The event was strictly a club affair and marked the first of three tournaments of this type which will be held this season.

Miss Kay Thompson and Doug Sullivan fired an even 90 to win the event. Mrs. W. Irwin and Garth Smith and Miss Caroline Taylor and Gordon Harmer shot 93 to tie for second gross. Mrs. Irwin and Garth Smith won the low net with a 72½. Second place in the net division went to Miss Emily Vonberg and Dave Gray who had a net of 80.

The partners were drawn from a hat and competition was keen. All scores were better on the second round as the players got acquainted with the wet but true greens and two couples had 42 on their second nine.

This Saturday the annual president vs. vice-president will be held. This match was originally slated for last Saturday but the inclement weather forced to executive to change the date.

Club captain Doug MacDonald presented the prizes following the tournament.

New York — Pedro Gonzales, outpointed Ralph "Tiger" Jones, 157½, Yonkers, N.Y., 10.

### Daily Double Pays \$294.95 For Second High Of Afternoon; Eight Races Listed For Tomorrow Night

The first quinella of the season at the Sherbrooke Racing Club's initial program Sunday was the highest figure paid at the local track for the opening card. The daily double also started with a bang when the sum of \$294.95 went to the lucky holders. The sole holder of the quinella ticket collected \$477.05.

The rest of the pay-offs ran according to plan with L. R. Huckins' H. K. Volo topping the field with \$24.50 in the fifth while the high place price was \$16.50 paid to Bobby Taylor's backers in the second race. The Derby Line brown gelding just pulled away from the field in the second trip around the oval to come home an easy winner after a fine drive by his owner.

The rest of the classes of the closely fought as the various horses battled the whole way for the money. Joseph Renown, owned by A. Bolduc, of Lennoxville, and driven by G. Desrochers posted the fastest mile of the day when he toured the oval in 2:14 3/5 in the eighth race of the program.

The second quinella, in the fourth, paid \$28.80 while in the sixth the lucky pickers picked up \$25.30 for their investment and in the final one, in the eighth, the sum of \$44.45 was paid for the backers of Joseph Renown and Colonel Wilkins.

Another card of eight races will be presented tomorrow evening and the ladies will be admitted free.

# Braves Edge Indians 6-5 In 11 Innings; Meet Tonight

## Locals' Big Rally Just Falls Short; Bill Williams Triples; Tangle In Second Game This Evening At 7:15

Quebec Braves managed to survive an Indian rally in the lower half of the 11th inning last night to chalk up a 6-5 victory in their initial appearance of the season at the local ballpark. The two teams will meet again this evening at 7:15 at the Park Avenue Stadium.

The winning pitcher was George Player but he required help from Stan Jaber to kill off the locals' big rally in the lower half of the 11th inning. Manager Wylie sent Tom Farrell to the mound and he was followed by John Luthern and Bill Miller. Luthern was charged with the defeat.

The Braves collected hits in every inning, except the seventh and eighth, but strong fielding by Farrell's mates was a big factor in the play. The Indians shoved across a run in the opening frame without the aid of a hit as the Braves committed two errors. In the third the visitors registered their first tally on two hits, a stolen base, a walk and an error.

The Indians got that one back in the lower half of the inning when Bill Williams reached first on shortstop Plazini's error. He came home when Jim Fishback smashed out a double but he was left stranded when Bartunek struck out after Williamson had walked.

In the top half of the sixth the Braves knotted the count when Williams got on by a miscue and came home when St. Vincent bled. Pratte drove into a double play and Lundy was tossed out at first to end the frame.

In the ninth the McQuinn squad came through once again to register a run on an error, sacrifice and a single. The Indians, not to be outdone, came up with the tying run in the lower half of the inning when Farrell and Williams were moved around by Stephens' single and Williams' single. Fishback drew a walk but Williamson fled out.

In the tenth the Braves collected a single off John Luthern, who relieved Farrell, but failed to tally although they picked up two walks as well. Luthern settled down and got the final put-out with the sacks loaded to retire the side.

Tommy Vaughan drove out a single, with two out, but he was left stranded when Mayhew went out at first. In the top half of the 11th the Braves salted the game away when they bunched four hits for three runs off Luthern before Miller came to his rescue but the damage had been completed.

In the lower half the Indians came to life and picked up two hits for two runs. Brown, pinch-hitting for Miller, drove out a single, then Stephens fled out but Bill Williams lashed out a lusty triple to send one run home. Following this Manager McQuinn pulled Player for Jaber. He walked the first two to face him to load the sacks.

Bartunek went down swinging and when Fandozzi fumbled Pratt's easy hit grounder Williams crossed the plate. Vaughan hit a long fly ball to deep left centre field but Phil Williams raced back to snare it and put out the fire to end the game and give the Braves a 6-5 verdict after a closely fought battle.

They explain that lead and carbon deposits reduce engine performance by holding power captive. In combustion chambers these deposits become red hot and pre-fire fuel—before the piston is in the proper firing position. This condition, called pre-ignition by automotive engineers, sets power working against itself, wastefully.

Twin power robbers These same deposits also form on spark plugs, and short-circuit them to cause misfiring. These twin power robbers, pre-ignition and misfiring, prevent full engine performance, especially when power is needed most—on hills, and when accelerating.

Research scientists of the Shell Oil Company report that the new additive blended into Shell Premium Gasoline and sold under the trademark TCP, releases power hitherto held captive by engine deposits. It does this, they explain, by "fireproofing" deposits in combustion chambers to stop pre-ignition. It also makes the spark plug deposits non-conductive and stops misfiring.

Effects quickly noted TCP additive acts quickly. Shell engineers state, Automobile engines act as if they had been given a tune-up by the time two tankfuls of Shell Premium Gasoline containing TCP have been consumed, they say. This gasoline is available in this area at Shell Dealer Stations.

## Milwaukee Have Dream Week Winning Seven Straight Games And Moving From Sixth To First; Dodgers Second

Seven magic days have given Milwaukee Braves indisputed possession of first place in the National League. Only a week ago they were sixth, then suddenly everything started coming their way. They won seven straight. And when they took the night off Monday, the lowly Pittsburgh Pirates rose up and toppled Brooklyn 5-2, knocking the Dodgers down to second position.

For the Braves it was a week managers like to dream about. An ailing pitching found himself. A rookie pitched a complete game in his first start. One game was won with five runs in the ninth, another with four in the ninth and still another in extra innings.

Chet Nichol, the young lefthander from the army who was supposed to take up the slack left by the trades of Johnny Antonel and Max Surkont, pulled his weight with two good triumphs. He's now 4-3 after losing his first three.

Ray Crone, making the big jump from Jacksonville of the class A Sally League, chalked up a 10-inning victory Sunday. In winning a doubleheader Saturday the Braves stored four runs against Chicago in the final inning of the first game and five in the ninth in the nightcap.

The Pirates' decision over Brooklyn was one of four games played Monday. Chicago Cubs defeated St. Louis 6-2, New York Giants edged Philadelphia Phillies 5-4 and New York Yankees whipped Philadelphia Athletics 7-3.

Pittsburgh had lost six in a row and eight out of nine to Brooklyn this season. But Monday night a two-run homer by Frank Thomas and a bases-empty blast by Dick Cole gave Max Surkont the margin he needed to win his fourth game. Carl Erskine, Brooklyn's biggest

Muirfield, Scotland—(P)—Nick Weslock of Windsor, Ont., won his opening-day match while Toronto veteran Phil Earley was eliminated from the British amateur golf tournament Monday.

Generally the favorites advanced without difficulty as first and second-round matches were run off on the wind-swept, 6,806-yard Muirfield course. All 10 Canadian entries drew first-round byes and most of them were not scheduled to play their first matches until yesterday.

Weslock, the steady 37-year-old shotmaker who has been low amateur in the Canadian open on five occasions, had little trouble disposing of Robert Jenkins of England 6 and 5. But Farley bowled 5 and 3 to Scotland's Jack McGregor.

Defending champion Joe Carr of Ireland led the advance of favorites, downing John McNeilly of Lynn, Mass., 4 and 3. He was joined by Frank Stranahan, two-time winner from Toledo, O., and U.S. Walker Cup player Bill Campbell. Stranahan defeated Andrew Forest of England, 4 and 3, while Campbell ousted another English entry, Denton Guest, 3 and 2.

Frank Stracai of Garden City, N.Y., one of the few name players who did not draw a first-round bye, advanced with a 3-and-2 victory over Dr. C. R. Leeds of Edinburgh.

## Hartung Hits Two Homers But Havana Loses

Clint Hartung, the Texas strong boy, is showing a definite preference for the International League home run record.

The Hondo Hurricane has slamed 10 home runs in 36 games with Havana Sugar Kings. Last season, while plying his trade with Minneapolis, he hit only 19 all year.

Hartung hit a pair Monday night in the first game of a doubleheader at Montreal, but the Sugar Kings still lost, 6-5. His club could have used a couple more in the nightcap, which Montreal also won, 6-4, on Hamp Coleman's five-hit pitching.

Toronto strengthened its league lead with a twin triumph against Buffalo, 5-2 and 10-2. The Maple Leafs now lead Rochester by a full game, and have won six in a row. The hapless Syracuse Chiefs lost their 15th straight, 3-2 to Rochester. Jack Meyer, a rookie, pitched hitless ball over the last six innings for Syracuse, but his mates couldn't catch up with Jack Vazholtz, who registered his third victory.

Richmond whipped Ottawa twice 2-1 and 6-1. Ed Mierkowski grand slam home run was the big blow in the second game. He also drove in one of the two first-game tallies.

## Indians Split With St. Johns; Lose Afternoon Verdict 2-0 But Win 6-0 In Evening; Bobby Locke Outstanding

Sherbrooke Indians divided their Sunday series with the St. Johns Canadiens losing the first game 2-0 but in the evening before 1,063 home town fans the Wylie squad reversed the roles and blanked them 4-0 behind the four-hit hurling of Bobby Locke.

The third tilt of the week-end fixture slated for Saturday evening in St. Johns was rained out. The split enabled the locals to maintain their slight advantage over the Canadiens in their battle for second position in the standing.

Merl Beatty tossed the afternoon game and gave up six hits but Manager George Detore's squad bunched them to shove home two runs to emerge the victors in a close battle. Two errors charged to hurler Beatty were the downfall of the Indians. The first in the sixth enabled the Canadiens to register their first run while in the eighth another miscue helped them to post their second tally.

Jim Fishback, the Indians' new second baseman, drove out two singles while Bill Williamson and Gerry Bartunek accounted for the other hits of the tilt for the locals. For the home club Pedro Ballaster, former Sherbrooke player now with the Canadiens, smashed out two singles and drove in one run.

In the evening fixture it was a different story as Bobby Locke turned in a fine hurling job to enable the locals to cop the second game of the day. Locke whiffed twelve at the plate via the swinging method and issued only two bases on balls. He allowed three scattered hits and was in trouble three times but fine support by his mates helped him over the tough spots.

Blackburn held the Indians away from the plate until the fourth inning and then they coupled two hits, three walks and an error to register three points. In the following frame another free ticket proved his downfall when Brown drew the walk and came home when Bartunek smashed out a lusty double. It was the final scoring of the game.

Long poled out a double in the second with one away but his mates lifted a fly to Bartunek and he was retired. The following player drew a walk and Bartunek came up with his third put-out of the inning on a beautiful running catch on Onuska's liner.

In the fifth the Canadiens came up with their second safety but the following three players were retired and nothing happened. In the seventh with two away and two on, one by an error and the other by a hit, Locke born down and whiffed the third man at the plate.

In the other six innings Locke retired the side in regulation figures as his mates came up with some nice fielding, and coupled with his good display the visitors just couldn't do anything.

He was joined by Frank Stranahan, two-time winner from Toledo, O., and U.S. Walker Cup player Bill Campbell. Stranahan defeated Andrew Forest of England, 4 and 3, while Campbell ousted another English entry, Denton Guest, 3 and 2.

Frank Stracai of Garden City, N.Y., one of the few name players who did not draw a first-round bye, advanced with a 3-and-2 victory over Dr. C. R. Leeds of Edinburgh.

Weslock, the steady 37-year-old shotmaker who has been low amateur in the Canadian open on five occasions, had little trouble disposing of Robert Jenkins of England 6 and 5. But Farley bowled 5 and 3 to Scotland's Jack McGregor.

Defending champion Joe Carr of Ireland led the advance of favorites, downing John McNeilly of Lynn, Mass., 4 and 3.

## Hartung Hits Two Homers But Havana Loses

Clint Hartung, the Texas strong boy, is showing a definite preference for the International League home run record.

The Hondo Hurricane has slamed 10 home runs in 36 games with Havana Sugar Kings. Last season, while plying his trade with Minneapolis, he hit only 19 all year.

Hartung hit a pair Monday night in the first game of a doubleheader at Montreal, but the Sugar Kings still lost, 6-5. His club could have used a couple more in the nightcap, which Montreal also won, 6-4, on Hamp Coleman's five-hit pitching.

Toronto strengthened its league lead with a twin triumph against Buffalo, 5-2 and 10-2. The Maple Leafs now lead Rochester by a full game, and have won six in a row. The hapless Syracuse Chiefs lost their 15th straight, 3-2 to Rochester. Jack Meyer, a rookie, pitched hitless ball over the last six innings for Syracuse, but his mates couldn't catch up with Jack Vazholtz, who registered his third victory.

Richmond whipped Ottawa twice 2-1 and 6-1. Ed Mierkowski grand slam home run was the big blow in the second game. He also drove in one of the two first-game tallies.

## Indians Split With St. Johns; Lose Afternoon Verdict 2-0 But Win 6-0 In Evening; Bobby Locke Outstanding

Sherbrooke Indians divided their Sunday series with the St. Johns Canadiens losing the first game 2-0 but in the evening before 1,063 home town fans the Wylie squad reversed the roles and blanked them 4-0 behind the four-hit hurling of Bobby Locke.

The third tilt of the week-end fixture slated for Saturday evening in St. Johns was rained out. The split enabled the locals to maintain their slight advantage over the Canadiens in their battle for second position in the standing.

Merl Beatty tossed the afternoon game and gave up six hits but Manager George Detore's squad bunched them to shove home two runs to emerge the victors in a close battle. Two errors charged to hurler Beatty were the downfall of the Indians. The first in the sixth enabled the Canadiens to register their first run while in the eighth another miscue helped them to post their second tally.

Jim Fishback, the Indians' new second baseman, drove out two singles while Bill Williamson and Gerry Bartunek accounted for the other hits of the tilt for the locals. For the home club Pedro Ballaster, former Sherbrooke player now with the Canadiens, smashed out two singles and drove in one run.

In the evening fixture it was a different story as Bobby Locke turned in a fine hurling job to enable the locals to cop the second game of the day. Locke whiffed twelve at the plate via the swinging method and issued only two bases on balls. He allowed three scattered hits and was in trouble three times but fine support by his mates helped him over the tough spots.

Blackburn held the Indians away from the plate until the fourth inning and then they coupled two hits, three walks and an error to register three points. In the following frame another free ticket proved his downfall when Brown drew the walk and came home when Bartunek smashed out a lusty double. It was the final scoring of the game.

DIAMOND WEDDING ANNIVERSARY: — Mr. and Mrs. John Desruisseaux of East Angus recently celebrated their sixtieth wedding anniversary. The above photograph shows members of the family and friends taken on the steps of the East Angus Roman Catholic Church following the special anniversary Mass.

witnesses were Mr. and Mrs. Philippe Godbout. The hymns were sung by the St. Louis de France choir and music rendered by Miss Blanche Roberge. The 77 year old bride was attractively dressed in a charcoal coat over a pearl grey dress and light lilac hat. She wore a corsage of red roses. The flower girl, Estelle Tardif, wore a white floor length dress and Gene Pare acted as page. After mass, the guests of honor, relatives and friends gathered at the parish hall, where a supper was served. Father Labrecque said the grace and extended his congratulations. During supper the honored guests were seated at an attractively decorated table, centered with a four-tier wedding cake. Mr. and Mrs. Desruisseaux were

### Report On Playground Project Given Executive Of Bedford Home And School

Bedford, May 25 — The regular monthly executive meeting of the Bedford High School Home and School Association was held in the High School, with the president, Mr. L. Ames, conducting the meeting. The minutes of the previous meeting were read by the secretary, Mrs. Alex MacArthur. The report of the treasurer, Mr. John Cook, showed a balance on hand of \$233. Mr. Ewart Martin, chairman of the membership committee, reported 110 families on the roll. The president reported that the school library, one of the projects of the association.

Martin would look after the activities of the older boys. The playground will commence on Monday, July 12 and continue for five weeks. Louise Binco and Sandra MacArthur will be assistants. In addition a mother will help with the supervision each day. The playground will be open each morning five days a week. This is the third season for this successful project which is sponsored by the association. It was decided this year that the tennis court at the High School be repaired and put in shape. Messrs. George Harland, Clayton Muncester and Ewart Martin were appointed as members of a committee to look after renovating the tennis court. Messrs. R. Whitcomb, L. Ames and C. Muncester were appointed as members of a committee to look after the setting up of playground equipment and preparing the playground.

parish. He thanked the congregation for their support of the diocese's work. Last year was a very successful one for the diocese. For the first time in its history, all the parishes had contributed more than had been promised to the various assessments. As the result of the excellent response, the diocese was also able to expand its work, especially along the line of missionary work, by giving more than had originally been promised. One of the benefits was the increasing of the stipends of clergy in the Canadian North West to \$2,000 per annum. The Bishop based his address on the text "Full of grace and truth" and showed how through the beauty and lovingness of the life of Jesus Christ, answers to the perplexing questions of life might be found, and by the study of His word. During the taking of the offertory the hymn, "The King of Love My Shepherd Is" was sung. The service concluded with the singing of the recessional, "Fight the Good Fight With all Thy Might."

**FAMILY WEEK SERVICE**  
In connection with Christian Family Week, a very impressive service was held at the Bedford United Church, with the pastor, the Rev. T. F. Duncan, officiating. The theme of the service was "Opening Our Homes to God."

Brief reports were given by Mrs. Sinclair McIntosh of the recent annual meeting of the Quebec Federation of Home and School Associations, which was held in Montreal, of which organization Mrs. McIntosh is a member of the Board of Directors. In the coming year, if eighty per cent of the members of an association subscribe to the Federation's magazine, twenty per cent of the subscription price will be refunded to the association. The magazine is now under new management and every effort is being made to make the magazine interesting and informative. Mrs. M. McCaw took part in a panel discussion at the meeting, the subject of which was "Direction of meetings and conducting of same." Mrs. McCaw reported briefly on the subject. The president reported that Mr. Alex Pryde, of Farnham, who has been an outstanding figure in Home and School Association work during the past sixteen years, was presented with the Buzzell Award at the meeting. Mr. Pryde has the honor of being the first recipient of this award outside of Montreal. He served three years as vice-president of the Quebec Federation and the groundwork for many of the present day associations in this district was laid by Mr. Pryde. Mrs. W. W. Blelock, who was one of the local association's representatives at the meeting, reported on program planning, and stated that United Nations films are now available for showing. Mrs. Blelock also spoke on libraries and children's leisure reading and stated that books are just as necessary for children as good food and clothing. The early formation of good reading habits makes for good future citizens, and is one of the best forces in combating the insidious effects of present day comics.

Following the meeting refreshments were served, the hosts for the evening being Messrs. Ewart Martin and George Harland. Raymond, the-ra forS HT HTAA

### CONFIRMATION SERVICE

On Sunday, May 16 the Bishop of Montreal visited St. James' Church, for the purpose of administering the rite of confirmation. Eleven candidates were presented by the rector, the Rev. W. J. White, for confirmation. The service opened with the singing of the processional, "Light's Glistening Morn Bedecks the Sky." Following the confirmation service, the hymn, "Come, Holy Ghost, Our Souls Inspire," was sung. Preceding the ceremony, the Bishop delivered an address directed to the candidates. The Bishop stated that since taking over his duties in this diocese, he had officiated at 1,000 services of confirmation at which 16,000 candidates had been presented. The children's hymn "Do No Sinful Action" was sung as the children left the church to attend Sunday School in the parish hall. In his address to the congregation the Bishop congratulated the parish on the improvements which had been made to the parish hall, and spoke of the great help that these would be to the work of the

Mrs. Alex MacArthur presided at the organ. The service was conducted by the young people of the church. The call to worship was given by Ronald Martin, as was also the invocation. He also announced the hymns, the opening one being "When Morning Glids the Sky."

The scripture reading was given by Beverly Wightman. The story for little children, "He liveth next door to Jesus," was told by Sandra MacArthur. A solo, "Mother Dear" was sung by Jane Percy. Madelyn Falcon led the congregation in meditation and prayer. The Lord's Prayer was sung, also the hymn, "I Would be True, for There are Those Who Trust Me."

The offering was taken by Peter MacArthur and Roger Cockerline. An address in keeping with the subject of the day was delivered by the pastor, which was helpful and inspiring.

The closing hymn of the service was "Father, We Thank Thee for the Night," and the pronouncing of the benediction by the pastor brought the service to a close.
