Special Week Arranged For Camp Westmount

Next week is destined to be the most exciting week at the Westmount Y.M.C.A. for boys participating in the Lumberman-Voyageur Week. Beginning with an opening party this afternoon with movies, singsongs, humorous skits, and games the boys will be preparing for the coming week of competition between the two groups: Lumbermen and Voyageurs. Planned are: baseball games, tug-of-wars, floor hockey games, volleyball games, St. Lawrence swims, swimming meets, boat races, and many other exciting games.

A Parents' Night will be held on Friday the evening of the last day of Lumbermen-Voyageur Week when a trophy will be presented to the winning group, and presentation of awards won by the boys who have participated in Camp Westmount during the summer will be given out.

Reform School Escapee Caught by Local Police

A 16-year-old escapee of Mount St. Antoine Reform School was captured by Const. K. Harrison of the Westmount Police Department early Friday morning.

The boy, who is accused of breaking into several parked automobiles in the vicinity of Grosvenor avenue since his escape, was turned over to the Juvenile Court for further action.

India A Fascinating Nation Westmount Rotarians Told

A fascinating country, was the way in which Rev. Kevin J. Scott, prefect of studies at Loyola College High School described India to members of the Westmount Rotary Club at its weekly meeting, Wednesday.

Speaking informally of the four months he spent in that country, Rev. Scott said that he would merely give his impressions, since no one person could give an accurate account of the nation in so short a period of time.

He said that the division of Pakistan and India was not a happy one in some ways, since the country of Pakistan is divided into two separate regions, about 1600 miles from each other, but explained that this was done on the basis of Moslem and Hindu races.

Rev. Scott also maintained that the country was completely defenseless and suggested that this was one reason why England gave India her independence since it was impossible for England to defend the country at the present time.

"In understanding the nation, we must first realize as the basis of our thinking, that India has an extraordinarily low standard of living, where the average life span is 27 years. He said the nation is infested with tuberculosis.

Westmount's Popular Policewoman

Special Constable Dorothy Barnes, of the Westmount Police Force, was the first woman to be appointed a policewoman in Canada. Miss Barnes disagrees with Gilbert and Sullivan "that a policeman's lot is not a happy one." Police work can be very interesting and amusing at times, she says. In the above picture she is seen warning Ronnie Williams, of 950 Atwater Ave., that riding a bicycle in Westmount Park will get him in trouble.

Constable "Dot" Barnes Was First Policewoman

Special Constable Dorothy Barnes, of the Westmount Police Force, was the Dominion's first policewoman. She swore allegiance to the King, country, and the City of Westmount, just eight years ago this month.

Miss Barnes is 34 years of age, and is a very good looking 150 pound blonde. Her principal duties are covering the five parks in Westmount's west end.

When she reports for work, she doesn't have to punch a time clock. Instead, she reports in to the Westmount police station through the alarm box on a park telephone pole.

Constable Barnes, was working for the Northern Electric Co., in 1942, when she saw an advertisement asking for a female policeman, to work for the City of Westmount. "I have an uncle and two brothers as well as my dad in police work" says Dot, "so I figured I'd try the job too." Of about 500 applicants, she was the one chosen for the job.

If any woman reader would like to become a policewoman, the qualifications are simple. You must be in prime physical condition, have a thorough knowledge of English, and French, and know something about police work. In addition to all this, Dorothy Barnes is a crack pistol and rifle shot and is a star in jiu-jitsu.

Her only complaint is, that she can't get enough practice. It seems that the men on the force just won't tangle with her.

Constable Barnes' most exciting case happened when she was off duty, but still in uniform. She was walking down a street when she heard a woman scream. She turned, and saw two youths running towards her, clasp a handbag. She faced the culprits, and they ran into a nearby lane, which turned out to be a blind alley, so she flagged a passing taxi and had the driver block the exit, thus cutting off the purse snatcher's means of escape, until the police cruiser came.

Another phase of her work, is keeping boys from riding bicycles on the grass and parkways. If they break the law, they get a ticket which can be redeemed on payment of 50 cents and a lecture, at City Hall. Second offence brings a fine of \$1.

Miss Barnes points out that one (Continued on Page 2)

Safety Warning Issued By Westmount Police

Chief R. A. Byford of the Westmount Police Department today issued a warning to all parents regarding their children who might be coming home from summer camps or resorts within the next two weeks.

The warning, Chief Byford explained, was due to past experiences at this time of year, and he called on parents to co-operate with the police so that the children's safety would not be endangered and the number of complaints received by the Police Department would be cut down.

"After a summer in the country, the children are apt to forget the hazards they face in city traffic," Chief Byford claimed, pointing out four main items which should be checked by the parents.

They were: playing ball or other games on the streets; riding bicycles on the sidewalks without lights or carrying passengers, crossing otherwise than at intersections and running out into the streets between parked cars.

The Director pointed out that by-laws cover most of these offenses. Under by-law 501, article 76, it states, "No person shall play or be permitted to play on any roadway, except on a street or part thereof which may have been declared to be a 'play street' under article 75.

Article 77 of the same by-law points out that no person shall skate or slide with a hand sleigh or toboggan on any roadway or sidewalk, nor shall a person be allowed to ski or ride a bicycle on the sidewalk.

Article 78 claims that it is an infringement to cling to a moving car, streetcar, bus or truck, while on skates, skis, motorcycle or bicycle.

Under article 88 every bicycle must be provided with a suitable bell or horn, which will be used only as a signal of danger, and that at night, every bicycle must be provided with a white light in the front and a red reflector at the rear.

The last article pointed out in the same by-law was 94 which states that no one is permitted to ride on a bicycle or motorcycle unless some provision for seating is properly made on the machine.

Chief Byford asked the people of the City to give their wholehearted co-operation in seeing that these laws are adhered to, since many accidents can be stopped due to them.

Lachine Man Pleads Guilty

A 24-year-old resident of Lachine, Samuel St. Laurent, awaits sentence today, after pleading guilty to two thefts in Westmount.

The man was picked up by Sgt. Det. H. Belec and Det. A. Talbot, recently, and charged with stealing jewellery worth \$1461 from a resident on Arlington avenue, while posing as a man looking for odd jobs to do about the house.

He was also charged with stealing a purse from a resident of Olivier avenue. All the jewellery was recovered, but a considerable amount of money in the purse was not found by the police officials.

Brought before Deputy Recorder A. E. Laverty, the accused pleaded guilty to both charges. The date of sentence was postponed until Monday, as the Montreal Criminal Court also had a warrant for his arrest in connection with the theft of a motorcycle from the north end of the City.

Closing Concert By R.M.R. Band On Monday Night

The closing concert for the season in Westmount Park, by the band of the Royal Montreal Regiment, under the baton of Bandmaster Captain T. E. Jackson, will take place on Monday night August 28 at 8:15 p.m.

Last Monday's concert was again well attended, the fine weather bringing out a goodly crowd of listeners to a very pleasing program.

The following is the program which will be played on Monday evening:

March, The Mad Major, Alford.
Overture, Orpheus in the Underworld, Offenbach.
Cornet Solo, Cleopatra, Damare.
Descriptive, Mill in the Blackforest, Eilenberg.
First Movement Symphony No. 8 (Unfinished) Schubert.
March, Pasadena Way, Vessella.
Modern Transcription, Dark Eyes, Hinchey.
Intermezzo, Two Guitars, Horlick.
Selection, Chu Chin Chow, Norton.
March, Victory Bell, Schaffer.
God Save the King.

Dr. C. A. Dawson Is Can. Delegate To Intl. Congress

Dr. C. A. Dawson, of 4663 Victoria avenue, Westmount, will be one of the Canadian representatives to the International Sociological Association's congress at Zurich, Switzerland, September 9.

Dr. Dawson is professor of sociology at McGill University, and will be accompanied by Prof. Jean Charles Falardeau, of Laval University. A third member will be Prof. Delbert Clark, of the University of Toronto.

Dr. Dawson will address the congress on "The Role of Geographic and Ethnic Factors in Canada's International Relations."

He is being sponsored by McGill University, and the Canadian Political Science Association. Dr. Dawson attended the preliminary organization meeting of the L.S.A. at Oslo, Norway, last September, at which he was the sole Canadian representative.

Representatives from every country in the world, except Soviet Russia, and a few of its satellites, will attend the congress.

The purpose of the meeting is to determine what sociological research can contribute to an understanding on international relations.

Y. M. C. A. NOTES

Westmount "Y" foyer has undergone a face lifting — as one member said, "You would hardly recognize the old place."

Color dynamics, using the modern technique of color harmony, have been brought into play, and the result has been very effective. Westmounters are invited to drop in and inspect the building.

This coming week-end some twenty-five of the "Y" young

adults plan to relax at Camp Otoreke the Y.M.C.A. camp for young adults in the Laurentians. Howard Fairbairn reports good attendance at all Friday activities this summer with a record crowd of attendance at the "Corn Boil." All Westmount young people are invited to attend their weekly event, and if you would like to go into the group to Otoreke, make your reservation now.

Within the next few weeks we will be making an announcement with regard to our fall and winter program. Claire Buckley our new physical director has great plans for the developing of a suitable program of physical recreational for young people. A special program will be arranged for business men, and the arts and craft, musical appreciation, and effective speaking groups will all be on the agenda.

Macdonald Carey, star of the Pine-Thomas production, "The Lawless," a Paramount release, has one of the largest collections of classical music records in Hollywood.

Rev. T. W. Jones Conducts Service For Miss J. Brown

A funeral service for Miss Jean Brown, for many years active as skip for teams from the Westmount Ladies Bowling Club, was held in the Chapel of Tees and Company, Tower street, on Thursday afternoon.

The Rev. T. W. Jones, of Calvary Church, Westmount, conducted the service. Miss Brown died on Monday.

Born in Sanquhar, Scotland, Miss Brown came here in 1895. As representative of the ladies' branch of the Royal Montreal and Ste. Anne de Bellevue curling clubs, she took part in many trophy matches. Also active in lawn bowling, she skipped for teams from Westmount Ladies' Bowling Club, and was an honorary life member of the Royal Montreal Ladies' Bowling Club.

Surviving are a sister, Mrs. H. Rees; three brothers, John Weir, and William all of Montreal, and Archibald, of Westcliff-on-Sea, England.

Catholics Charities Announce Officials

John H. Lane will be general chairman of the "Calling All Hearts" campaign of the Federation of Catholic Charities which will take place between Oct. 22 and Nov. 4, J. Austin Murphy, K.C., announced today.

Mr. Murphy, president of Federation, said that the fall objective would be \$310,000 — \$10,000 more than last year "because of the rising costs encountered by Federation since the beginning of this year." The recent increase in rents, he said, imposed an additional burden upon the organization due to the fact that a number of dependents, including families and foster children, lived in dwellings which were affected by the legislation allowing the boosts in rents.

The president noted that "it was with regret that the board of directors agreed to the higher objective, but under the circumstances of rising costs it was our only alternative."

Mr. Lane said that the campaign executive would consist of the following:

Louis P. Beaubien and R. S. White, general vice-chairmen;

Men's special names: John W. Long, K.C., chairman, and W. L. S. O'Brien, A. F. Mayne, Clarence F. MacCaffrey, K.C., and T. V. Burke, vice-chairmen;

W. H. Wilson, chairman, employees division;

Mrs. Fred O. Reynolds, chairman, women's special names;

Parish division: Merlin W. Donald, chairman, and T. K. Madden and J. L. D. Cleary, vice-chairmen;

Industrial division: J. C. Wilson, chairman, and J. A. Leddy and John McDonough, vice-chairmen;

J. H. Mackey, publicity division; James H. McMahon, C.A., interior organization.

James P. Boyle, O.B.E., is chairman of the permanent campaign advisory committee, with Mr. Murphy and James E. Walsh, executive director of Federation, ex-officio.

thing about open air work is that it gives one an appetite, and Dorothy claims that the only thing that keeps her figure trim, is the fact that she gets plenty of exercise.

Police work has many advantages she claims. She rides on street cars and buses, without payment, and a cleaning firm keeps police uniforms spotless without charge. There are humorous sides to the job too, "many times" she says, "I'll walk into a restaurant while off duty, and there'll be a bunch of kids around the juke box. As soon as they see the uniform they disappear. It must be the uniform, I'm sure I don't look that severe."

To be very truthful, without her uniform, Dorothy looks as feminine as any office girl, and not at all like the policewoman who creates fear in the minds of wrongdoers.

Since the appointment of Miss Barnes, many Canadian cities, including Montreal, have adopted the idea of having policewomen.

**PAY UP — OR ELSE**

The Young Men's Section of the Montreal Board of Trade, a most enterprising and lively group of individuals, have come up with something a little different in the way of letters to members who have fallen behind in the payment of their dues. Instead of the usual more or less polite cajolery to which dues delinquents have grown accustomed over the years, the membership committee of the Y.M.S. offers them seven ways in which those who are delinquent can obtain the necessary \$15. Here they are:

1. You can embezzle from your firm. This is the only fair way, as if you take the money from another firm, you may put a lot of good fellows out of work.

2. You can volunteer for Korean service. No doubt the fellows in your office will take up a collection for you and you can pay your dues out of this. Of course your newsletters will reach you a little late but ... "C'est la guerre."

3. You can probably get the money from your father-in-law if you threaten to send your wife back to him.

4. You can have your wife take in sewing and laundry.

5. You can knock off a bank. Send for our free book entitled "How To Enjoy Prison Life in Ten Back-Breaking Years."

6. You can sell pencils on the corner of St. Catherine and Peel on your lunch hour.

7. You can drop dead. This method is only recommended of course after you have made provision in your will for \$15.00 to be sent to Y.M.S.

In a more sober transcript the loving membership committee writes, "If you have \$15.00 you can send it in, CAN'T YOU? Just remember, the sooner everyone pays his dues the sooner tripe such as the above stops appearing in your newsletter."

Sing-Song Night Big Hit With Large Audience

Last Thursday evening at the Westmount Athletic Grounds, outdoor Sing-Song proved to be one of the best this season. With practically a whole bill of young professionals, the crowd enjoyed the show immensely.

Shirley Leclerc, a chubby young song comedian, who will one day go very far in the entertainment world, opened the show with her rendition of I've got a Lovely Bunch of Coconuts and Baby Face. Shirley is a crowd pleaser and did a wonderful job.

Putters Tourney Has Large Entry Another Tonight

Last Friday night the putting tournament turned out to have the best attendance this season with thirty-six members in the field, in spite of the inclement weather. The winners of the silverspoons were, in the ladies' division, Mrs. M. Craig with a score of 82, and in the men's division, Percy Minto, with a score of 81. The ninth hole fixed for Mr. Minto, with a hole-in-one, doing the trick.

On Tuesday evening a Sealed Tournament was featured, not quite as large a turnout as Friday, but there were a few new faces seen. Mrs. W. Jones was the lady, winning the tournament with a score of twelve and too, was done with a hole-in-one, nosing out four others in the ladies' section who followed closely.

Celebrating his birthday, Bob took home the silver with a score of thirteen. Mr. Kent also entered the limelight with a score of sixteen, the first time this season anyone has cracked. Percy Minto took over committee chores in the absence of Harry Smith, busy with his duties, and Bob Drain on holidays. There will be another tournament tonight, Friday evening, after permitting. Bring out your rusty putter and finish off the season while there is yet

Clifford Bourcier a young CKVD sang Tzena Tzena, played Johnson Rag on the piano and finished with a song Play a Simple Melody; a youngster of eight with plenty of promise.

Eileen Bourcier, Clifford's sister, next took the spotlight, and did a very fine job.

Danny Jarmish, a comedian belonging in the professional ranks, outdid Danny Kay with his clowning in pantomime.

Billy Lawlor was the next on the bill with Mississippi and Bewitched. Gifted with a beautiful voice and great stage personality, he sold his song perfectly.

The star of the show, Noreen Craig tapped and sang her way into everyone's heart with her Five Foot Two and Darktown Strutters Ball. This young 12-year-old miss who already has performed all around the country has never taken a lesson in her life and dances with all the charm of a veteran.

Joey Gallagher, becoming more round out with each passing season did a terrific rendition of Ghost Riders in the Sky and You are my Sunshine. Never failing to please, Joey is always a welcome performer on these programmes.

Young Margaret Salvadore and Dee Dee Conroy sang a duet and did a very good turn.

Arlene Dale, who also helps out on the sing-song rounded out the show with a song and dance. This young lady, although a professional performer always pleases with her suave performances.

Bert Aldford showed some beautiful stills. Pictures taken in color in and around Westmount, specializing in flowers. These proved very interesting and should be shown more to the citizens during the coming season to let the residents of Westmount see what is done with some of the flower gardens here.

Canada's No. 1 Tennis Player

Brendan Macken, of 59 Arlington avenue, Westmount, added the Canadian Singles Championship Cup to his already large collection of tennis trophies by winning the trophy at Quebec last Saturday. This gives him number one ranking in Canadian tennis. He was featured in last week's issue of The Examiner along with his sister Pat who holds the Quebec Singles for women. Brendan also holds the provincial title.

Man Sentenced For Indecent Assault on Boy

A 71-year-old man was sentenced to 18 months imprisonment by Recorder C. A. Hale when he was found guilty of indecent assault on an eight-year-old Westmount youngster.

The incident took place on August 6 when the man talked the eight year old boy into coming up to his room, having met the child at the Atwater baseball diamond.

He asked the child to come back

that night, but the boy told his father and the man was trapped by Det. A. Talbot and Const. J. Jenkins who made the trip with the boy at the proper time.

Police Still Investigating Unusual Mishap

Westmount police are still investigating an unusual mishap which occurred at Prince Albert and Sherbrooke streets, Westmount, Friday night.

Michael Donnelly, 15, of 4324 Sherbrooke street, west, was brought to his home by an elderly couple, who reported that he had been in an accident, while riding his bicycle and a few minutes later a second car drew up with the bicycle hanging out of the trunk.

In the excitement of the occasion, the parents of the injured boy did not take the names and addresses of the people who brought him home, but rushed their son to the Western Division of the Montreal General Hospital.

Donnelly was kept in hospital for observation after immediate treatment by Dr. B. Phillips for a cut on the head.

At first it was believed that the boy was suffering from a fractured skull, but a second police report Tuesday confirmed that there were no further injuries.

However the boy was unable to give any evidence as to what happened at the time of the accident, except that he was riding his bicycle at a fairly fast speed from N.D.G.

Westmount police are trying to identify the persons who brought the boy to his parents, and said that they would welcome any news or information regarding this.

Two Westmount Students Tour Ontario On Bikes

Two Westmount boys are featured on the front page of The Ingersoll Tribune this week, as a result of a bicycle trip to the Ontario town, in which the experiences of the two lads, is graphically described.

Bob Sherlock, 16, of 142 Irvine avenue, Westmount, and his chum Joe Livingston, 15, of 140 Irvine avenue, Westmount, are the boys mentioned, and they expect to total 1,500 miles on their trip.

Bob, is the son of Mr. and Mrs. J. E. Sherlock, and is a student at Westmount High, having previously attended Kings and Junior High.

Joe is the son of Mr. and Mrs. David Livingston, and has also attended Kings and Junior High but is entering Senior High this year.

With kits so compact that it was hard to believe they weighed 50 pounds for each bicycle, the boys carried real camping equipment. A pup tent, with its poles and pegs, 2 ground sheets, 4 blankets, cooking utensils and their clothes were neatly stowed away.

While their clothes looked pretty neat, an hour was spent in Toronto, on a pressing job, the boys admitted.

Their shoes are now curved to the shape of their bicycle pedals.

Boy Accused of Stealing Bicycle

A 15-year-old boy, stopped by Const. D. Stone at 3.55 a.m. Saturday, for not having a tail light on his bicycle, faces charges of stealing a bicycle at the Montreal Juvenile Court today.

Const. Stone arrested the youngster when he suspected that the youth was riding the bicycle previously reported stolen from a Montreal address.

The boy was turned over to the Juvenile Court authorities in Montreal, where the charge was made.

The Editor,

Sir,

I wish to endorse most sincerely the sentiments expressed by Covenanter in your issue of August 18th, regarding the most terrible treatment given by the residents and civic authorities of La Sarre and Val D'or, Quebec,

to several Baptist Evangelists who dared to preach the word of God openly.

I have since read that another such incident occurred over the past weekend and that automobiles were actually driven at the persons conducting the service. It is hard to realize that this could happen in Canada in what is commonly regarded as a Christian civilized country.

What have these people to gain? Do they know that they are focusing the attention of the whole North American continent, on the Province of Quebec to the Province's detriment.

Do they realize that repercussions against the Roman Catholic faith are liable to take place elsewhere for no other

reason than simply to square accounts?

It would seem to a lay observer that some higher authority had better step in and curb these extremists before more serious damage is done.

There are many who point to what is happening in countries behind the iron curtain as regards persecution of those practising the Christian religion and who shake their heads and wonder if conditions here are not fast approaching the same stage.

Free Thinker

The Editor,
The Examiner.
Sir,

From The Examiner of August 11th, I learned that Mayor J. S. Cameron, of Westmount, Alderman Reginald Dear and City Attorney, J. W. Weldon, K.C., would be attending the conference of Canadian Mayors which is being held in Saskatoon this week.

The article stated that the principal topic of discussion would be the question of "Civil Defence".

It is to be hoped that Mayor Cameron will bring back some constructive plans for the creation of an efficient civil defence organization and that he and his council will immediately consider the construction of bomb shelters.

Living as we do right up against railway communications and key industrial plants, Westmount would be a very likely target for enemy bombers.

Various opinions and statement have appeared in print as to the exact radius in which persons living would be killed or maimed and whilst these differ considerably, there is little doubt that anyone within two to eight miles of the blast would be very unlikely to survive, unless protected.

What about boring into the mountain side, and squapping the caves or shelters so as to be able to deal with an emergency? That this would be costly, goes without argument, but money or securities are of little value to a dead man.

Worried

The Editor,
The Examiner.
Sir,

I learn from the newspapers that Prime Minister St. Laurent has called the Canadian Parliament into an emergency session for Tuesday, August 29th.

According to the announcement, the session will deal primarily with the railway strike and the safe-guarding of the peoples interest as a consequence of the strike.

The granting of the proposed increases would no doubt be reflected in a further increase in the cost of living, now at an all-time high.

I remember the Hon. D. C. Abbott, member for St. Antoine-Westmount, saying last February that orderly de-control would have the effect of prices of commodities and living accommodation finding their own level.

Since that time we must have had a flood-tide, as the level has steadily mounted, due to reported shortages, and so-called increase in costs, even to the price of fresh green grass, which is reflected in the fantastic price of steaks.

Of course, the war in Korea may make it more difficult for the grass to grow in Western Canada and the present generation of packers have the text books which their fathers left them from other wars, which teach that it is the thing to do; to wallow in profits while other men wallow in blood — their own blood.

Is it reported that prices of rubber and tin in England have receded and that other commodities will follow suit.

Therefore, whilst the government is in session next week, I

Economist Advocates Railway Amalgamation

The Examiner is in receipt of a letter from "Economist", in which the writer advocates the amalgamation of the two Canadian railway systems.

It is pointed out, that if the striking railwaymen are successful in their demands for shorter hours and increased take home pay, that the increase, will undoubtedly be passed on to the public, in the form of higher passenger fares, and freight rates, also increased graph tariffs and express rates.

Economist also draws attention to the fact that at the moment there are two officials, or work-ers, for every job, also two trains to many points, when one man and one train, would carry the load.

Whether the Canadian National Railway system, would be handed over to the Canadian Pacific Railway Company to manage, or vice-versa, is unimportant, as long as an efficient and economical plan of running the railway system of this vast Dominion is put into effect.

The writer seems inclined to believe, that a railway system, divorced from Government management, and political interference, would be the best for Canada.

The letter received reads as follows:

The Editor,
The Examiner.
Sir,

I happened to pass through a large office building on Monday, and probably due to the talk of an impending railway strike, my attention was drawn to two telegraph offices, one facing the other, C.P.R. and C.N.R.

Both offices were fully staffed, and both appeared to be very slack. It came to my mind, that one office, and one staff, could very well handle all the business in that particular building, and also in the various other places, where a duplication exists, such as hotels etc.

Who is paying for this duplication of service? Who is paying for the duplication of trains, duplication of railway offices along the line? The answer is quite obvious, John Q. Public.

It would seem, that if the railway personnel, who are now on strike, are to receive higher remuneration, and work shorter hours, that the additional costs, will of necessity be passed on to those using the railroads, either as passengers, or shippers, and in turn, the increased tariffs, will eventually cause an increase in the already all-time high cost of living for the average Canadian.

If Parliament, when it re-assembles in Ottawa next week, will only have the courage to solve the railway mess in Canada, and come out with a bold scheme, for amalgamation of the two transportation systems, maybe, the railroaders could get their demands for shorter hours and increased pay, without the public being hurt.

To my mind, any transportation system should be divorced from governmental control, and patronage, only in this way, will Canadians get value for their money when using the railways. I well realize, the difficulties which lie ahead, in putting this plan into

effect, and the opposition will come from interested parties, especially the powerful unions, a drastic situation, calling for drastic remedies, and I feel that amalgamation is the answer.

OLIVE S. LEAD

Olive S. Lead Leads College "Charm" Course

Because your personality counts so much today... both in business and the social sphere... Graham's Business College is proud to offer as an added feature a carefully planned course in "Personality and Charm", under the able direction Mrs. Olive S. Lead.

Olive S. Lead, B.A., McGill University, Montreal, who has gained wide recognition as a talented elocutionist... and as an outstanding authority on personal charm and deportment.

Mrs. Lead, a prominent elocutionist, has had a wide experience in dramatics and voice culture, because of her extensive travels, especially in England and on the continent, she brings a wealth of material to the student in a most attractive manner.

This course treats with the importance of a smile... human relationship... poise... good grooming... etiquette and deportment... social and business manners.

CANASTA EXPERT

Alan Ladd, starred in Paramount's "United States Mail," has won the canasta craze. He is now an expert at the game.

Police Veterans' Board Includes Westmounters

Three residents of NDG, one of Montreal West and two from the city of Westmount are among the executive of the Montreal War Veterans' Association of the district of Montreal.

NDG's of the 31-year-old organization which embraces veterans of wars who now are members of police forces of the greater Montreal district are Const. H. Cochrane, of the Provincial Police who lives at 4827 Patricia ave., Const. T. P. Ritson, CPR police whose home address is 7356 Sherbrooke st. w. and Sgt. J. W. Skelly, CNR police who lives at 2100 Claremont ave.

Montreal West, the adjoining municipality on the west, is represented on the board of directors* by Const. K. Loughren and the City of Westmount has a director in the person of Const. T. Smith.

Westmounter is V.P.

Highest ranking member of the association, formed 31 years ago with a view to fostering brotherhood among returning soldiers who were members of police units, of the western district is Det. Sgt. W. Wyllie of Westmount who is vice-president of the Association.

The Association, although formed 31 years ago, has been incorporated only since 1939 and prior to its incorporation had occupied itself only with paying annual tribute to fellow policemen who fell in World War I.

When formed in 1923 the association went under the title of "L'Amicale des Veterans de la Grande Guerre de la Police de Montreal" but reorganized in 1934 under the name which it now holds.

One of its most important duties is the annual parade to the cenotaph where members place a wreath in remembrance of their fallen buddies.

District Station Members

Membership includes members of the police force now attached to the NDG police station, and also the Cote des Neiges district.

In 1935 the association expanded to include members of police forces of the neighboring districts and is now a strong compact group which devotes particular attention to assist members in distress and widows of former members.

A set of Colors was acquired by

the association in 1922 and dedicated at the annual ball. Annually one of the highlights of the season is the annual ball, held usually at one of the city's largest hotels and attended by high ranking officers of the various forces and members of the city councils.

CANADIANS AT BISLEY

The Imperial Tobacco Challenge Cup was won by a Canadian, N. L. Beckett — score, 99. Two more Canadians placed first and second in the Standing Shot — 7 shots at 200 yards. They are Officer Cadet F. E. Richardson, (30) and Cpl. J. H. Blais, (29).

SOME MUSCOVITE MYTHS

Wall St. "Warmongers" and the Stock Market

Add this to your collection of things that don't add up:

The day after North Korean forces, alleged to be defending themselves from a dastardly attack by South Korean bandits, had punched their "counter-offensive" well into the home ground of the "invaders," a certain Toronto publication went creakily to press. One of its more glowing items announced that nearly four million out of North Korea's 13-million population had signed a world peace petition some time in May.

There is only one conclusion we can draw from the report that four million signed and nine million, a good working majority, didn't: North Korea is a true "democracy."

Seriously speaking, this Korean explosion should put an end to Communist chattering that the only people who want wars are the "warmongers of Wall Street." It was evident on June 26th, the day the market started to break, that the "warmongers" didn't want war either. Of course, it's futile to tell Communists that Wall Street's "warmongers" are as mythical as the Wall Street order which started this Korean nastiness. They know better. Uncle Joe told them so.

THE TRUE REVOLUTIONARIES

We Are the Real Opponents of "Reaction"

"We in the western world — the world of western civilization — have long been stupefied into defeatism in the war of ideas which is the actual conflict now going on in the world. We have been fooled into accepting the assertion that we are defending the status quo, or reaction, while the other great power in the world is disseminating the revolution. The very reverse is true.

"We in the free societies are the inheritors of revolution. For revolution means setting the people free. That is what our system does. Totalitarianism in any form is the reaction. There is nothing new or revolutionary about the police state. It is a despotism as old and as black as materialism itself."

These were the words used by Mr. Erwin D. Canham, editor of the *Christian Science*

Monitor, in an address over the Canadian Broadcasting Corporation's network. Certainly, they stressed a point that is little understood.

Our ideological opponents are noted for their cleverness in the war of words. They have confused people with their use, or misuse, of such words as "democracy" and "reaction" to the extent that, in international debates, the words have practically lost their meaning.

Well it might be if we grasped once and for all the truth of Mr. Canham's statement, for, Communistic argument to the contrary, we who are the enemies of Marxism are the genuine proponents of freedom and progress.

We, to use the words of Mr. Canham, are the ones who should be singing songs and waving banners and proclaiming our doctrine from the heights, because "we are the heirs of the greatest revolution in human history."

FOR FRIENDS, RELATIVES OVERSEAS

CARE Announces Special Package

For the third consecutive year, CARE, non-profit overseas aid service, is preparing a special holiday package that will make it possible for Americans to share their Thanksgiving and Christmas celebrations with relatives and friends in Europe and Asia.

In announcing the plan, CARE Executive Director Neil MacNeil said the package would again contain a whole canned turkey and enough of the "trimmings" to make a holiday dinner for a family of twelve. The price will be \$17.00, with guaranteed delivery in Austria, Belgium, Finland, France, Germany (all zones, including the Soviet), England, Wales, Scotland, Northern Ireland, Greece, Italy, Luxembourg, the Netherlands, Norway, Yugoslavia, Japan, Okinawa and the Philippines.

The turkeys, MacNeil pointed out, are once more the famous Beltsville Whites, bred for a maximum of meat and a minimum of bones. Other contents of the package are 8 oz. of bacon, 8 oz. butter, 1 lb. plum pudding, 1 lb. orange marmalade, 1 lb. rice, 1 lb. coffee (8 ozs. of tea for Great Britain) 1 lb. of sugar and 1 lb. of Huyler's chocolates. The turkey weighs about 7 pounds and is packed in 2 pounds of lard.

Orders may be sent to CARE, 73 Albert St., Ottawa, or any CARE outlet in the country.

One day a man observed that of all the inventions of recent decades he could think of only two that were all, plus. The radio and telephone, he said, were part good and part bad. Wonderful at times, they were often a headache. Even the automobile, the cause of so many sudden deaths, was not all plus. But he thought the indoor toilet and the electric light were just about perfect. They make a home of a Pullman roomette.

Don't be alarmed — your friends don't have any better times on their vacations than you do on yours.

Westmount Baptist

Preaching on Sunday evening at Westmount Baptist Church, Dr. John B. McLaurin presented a graphic picture of what has happened in Palestine in recent years, seeing in the establishment of the Israeli State a clear fulfilment of prophecy and a foretaste of greater things to follow in years to come. He said that Palestine is "saturated with Jewish history", and that by promise it is definitely linked with that race. The marvel of the preservation of Israel, in spite of drastic attempts to accomplish their extermination, was emphasized.

Attention was called to the remarkable facts declared in the eleventh chapter of Paul's Epistle to the Romans, and the promise — and the warning — to Abram and to the nations, I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed." (Genesis 12).

Dr. McLaurin will conduct Sunday's services, also, taking for his subjects, "Three Ambitions", and, "Communism and the Christian Church."

It was announced that Rev. Dr.

Johnston expects to resume his ministry on Labour Day Sunday, September 3rd following a gratifyingly beneficial vacation which was spent mainly on the Maine Coast.

Nearly everyone needs at least eight hours sleep each day to stay fit and healthy. Many of us get by with less than this amount, but eventually symptoms such as irritability, loss of weight and fatigue begin to show themselves. No one can work and play properly without adequate and regular sleep.

Christian Science

"Christ Jesus" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday.

The Golden Text is from Jeremiah 23: 5 and 6. "Behold, the days come, saith the Lord, that I will raise unto David a righteous Branch and a King shall reign and prosper, and shall execute judgement and justice in the earth.... And this is the name whereby he shall be called, THE LORD OUR RIGHTEOUSNESS."

Among the citations which comprise the Lesson-Sermon is the following from the Bible:

"And behold, there was a man which had his hand withered. And they asked him, saying, Is it lawful to heal on the sabbath day? that they might accuse him. And he said unto them, What man shall there be among you that shall have one sheep, and if it fall into a pit on the sabbath day, will he not lay hold on it, and lift it out? How much then is a man better than a sheep? Then saith he to the man, Stretch forth thine hand. And he stretched it forth; and it was restored whole, like as the other." (Matthew 12: 10, 11, 12 and 13.)

The Lesson-Sermon also includes the following passage from the Christian Science text-

"Jesus established what is said by demonstration, thus making his acts of higher importance than his words. He proved what he taught. This is the essence of Christianity. Jesus acted boldly, against the accredited evidence of the senses, against Pharisaical creeds and practices, and he refuted all opponents with his healing power. Jesus established in the Christian era the precedent for all Christian theology and healing. Christians are under as direct orders now as they were then, to be Christ-like, to possess the Christ-spirit, to follow the Christ-example, and to heal the sick as well as the sinning." (Pages 473, 18 and 138.)

STILL A DANGER

Because of the dramatic increase in diphtheria many parents have the mistaken belief that diphtheria is virtually extinct. When this belief leads to a failure to protect children against diphtheria by immunization it becomes a dangerous fallacy. Only by immunization can a child be completely protected against the disease.

LETTERS TO THE EDITOR

(Continued from Page 4)

would suggest that the whole economic structure of Canada be examined and that, where prices have increased unduly, controls be re-established, and that price levels, as at June 1st, be set.

The recent increase in the price of the very small chocolate bar which rose from 5 cents to 7 cents, is an example of how greedy the get rich quick corporations really are. The chief sufferers are the children.

Milk, bread, auto tires, cotton goods, coffee, sugar, etc., etc., are just a few of the commodities which have found new levels.

If Mr. Abbott is to face elections in Westmount again, it

would seem that he should forthwith introduce measures to protect the average citizen who has no means of going on strike, to get a higher income.

Westmount Elector

 The Editor,
The Examiner.

Congratulations to Westmount
It is with a great deal of pleasure that amateur sports executives in this part of the country have witnessed the revival of interest in amateur athletics in Westmount.

The reconditioning of the Westmount Athletic Grounds and the return of this famous field to the world of sports, has been a great boost for us all.

The acquisition of Mr. Lionel Fournier, as athletic supervisor and director, is another bright spot in the amateur sport firmament. Mr. Fournier has had a great deal of practical experience in sport and ought to prove a fine instructor and leader.

Westmount has everything it takes to become an example to the rest of Canada in the promotion of amateur athletics. There has never been a time when a revival of interest was more needed than now, and the whole country will watch Westmount and look for the leadership it is capable of giving.

George C. Machum, President.
British Empire Games Association of Canada.

Two Westmount . . . (Continued from Page 3)

but no real trouble has been encountered with their bikes — not even a flat tire.

The weather up until they reached Ingersoll, was quite good, with only one day of rain, which they sat out. The head wind which they faced all the way, was really tough, said Bob Sherlock, and sometimes it was so strong, that they had to peddle down hill.

Despite the troublesome wind, the boys averaged 70 miles a day, travelling usually from 7 in the morning until 8 in the evening.

They pitched their tent in pasture fields, after asking the farmer's permission, and had no trouble in this way.

Two meals a day were their own product; at breakfast time they "ate out." They were good meals too, Bob and Joe claimed — bought bread, tomatoes, and milk, only to discover that the bread was stale, the tomatoes green, and the milk sour.

Asked if their families had financed the trip, "No indeed, we earned the money ourselves, and all during July" they said. Bob added several newspaper routes to his own regular one, and worked part-time in a grocery store; Joe worked full-time in a grocery store.

The boys started out with \$78 and a careful budget, and stuck to that budget too, until they reached Sunnyside in Toronto; there they slipped a bit. "But we're still ahead and eating very well too" said Bob, with a grin, that brought an unconvincing threat of a board bill from his aunt and uncle, Mr. and Mrs. Ross Sherlock, of Earl Street, Ingersoll, with whom the boys are visiting.

From Ingersoll, Bob and Joe are going on to Niagara Falls, and Buffalo, then back to Toronto, to take in the Canadian National Exhibition. Joe has already visited the Falls, and Bob the C.N.E., so at both places there will be one experienced guide.

The boys said that lots of planning had gone into the trip, but that it had been well worth while. Included in the planning was a

materials necessary to continue production.

"The immediate problem is delivery of cans to our customers. If they can get trucks to our plants in St. Laurent and New Toronto they will be able to obtain all the cans they require."

Mrs. M. Coviensky Prominent Jewish Resident is Dead

Mrs. Moses Coviensky, one of Westmount's oldest citizens, died at her home, 330 Olivier avenue, Westmount, on Saturday.

She was in her 93rd year. Funeral services were held on Monday, from her late residence, with burial taking place at Shaar Hashomayim cemetery.

The former Bessie Cohen, Mrs. Coviensky was born in Russia, and came here with her family 68 years ago.

She was one of the oldest members of the congregation of the Shaar Hashomayim Synagogue. She was a supporter of many Jewish community organizations, including the Talmud Torahs, and the Yeshiva (Hebrew School of Learning).

Her husband who died in 1922, was a prominent Montreal business man. One of her sons, Lionel, who died last year, was well known in political and philanthropic circles here. He was one of the leaders of the Federation of Jewish Philanthropies.

Her brother, Rabbi Hirsch Cohen, is Chief Rabbi of Montreal.

She is survived by four daughters, Mrs. M. Fineberg, Mrs. M. L. Levine, Mrs. M. P. Finklestein, all of Montreal; three sons, Isadore, Harry, and Samuel, all of Chicago; her brother; 10 grandchildren and six great grandchildren.

"test run" one day of 150 miles just to make sure they were in condition.

Bob's young brother Jimmy, was also to have made the safari, but broke his leg, skiing in February, and then had it broken again in June, when he was knocked down by an automobile, needless to say his disappointment was keen.

The bride will be attended by her sister, Miss Elizabeth Catherine Loy, as maid of honor, and by her cousin, Miss Isabel Henderson, as bridesmaid. Mr. Newman Bramwell, of Ottawa, will act as best man for Mr. Brealey and the ushers will be Mr. David Harvey and Mr. James Henderson.

The reception will be held at the residence of the bride's parents, 19 Stratford road, Hampstead.

WEDDING

DURNFORD - CURPHEY

A wedding of interest was solemnized Saturday afternoon at two o'clock in St. Bartholomew's Church, Ottawa, when Miss Joan Gabrielle Curphey, daughter of Mr. Robert Lewin Curphey and the late Mrs. Curphey, of Sherbrooke became the bride of Mr. Donald Philip Durnford, son of Mr. and Mrs. Philip E. Durnford, of Westmount. Rev. A. T. Carson officiated. The ceremony was performed amidst a floral setting of white gladioli.

Given in marriage by her fa-

ther, the bride was attended by her sister, Mrs. Ian Stevenson, as matron of honor. Miss Sylvia Ross, of Sherbrooke and Miss Kathleen LeBoutillier, of Gaspe and Montreal, were bridesmaids. Best man was Mr. Peter Stewart, of Montreal, and the ushers were Mr. Michael Townsend, of Montreal, Mr. Denis Ross, of Ottawa, Mr. Michael Watson, of Hamilton and Mr. John Durnford of Westmount.

A wedding gown of eggshell satin was chosen by the bride. It was designed on princess lines, with a square neckline, fitted bodice, long lily point sleeves and a graceful skirt finishing in a slight train. A matching bandeau with rosettes on either side held in place her veil of tulle illusion. Her bridal bouquet was formed of deep red roses and gladioli.

The attendants wore pale green taffeta veiled in white nylon net. Their bandeaux were covered with green ostrich feathers.

Following the ceremony, a reception was held at the home of Mr. and Mrs. Ian Stevenson, 7 Belvedere Crescent. Later the couple left on a motor trip to Mont Tremblant and Cape Cod. Going away, the bride wore a pale blue wool suit, with matching bonnet hat, navy blue accessories, and an orchid corsage. They will take up residence in N.D.G.

The many Montreal guests at the wedding included Mr. and Mrs. P. E. Durnford, the bridegroom's parents, Mr. and Mrs. E. A. Durnford, and daughter, Miss Jancis Durnford, Mr. and Mrs. A. T. G. Durnford and children, Mr. Currie and Miss Lucy Durnford, Mr. and Mrs. J. W. Lawrence, Mrs. M. R. Elder, Miss L. Magrath, Mrs. J. J. M. Pangman, Mrs. T. Hern, Mr. John Durnford, Mrs. Michael Townsend, Mr. and Mrs. J. B. Pangman and daughter, the Misses Daphne and Anne Pangman, Mr. and Mrs. Elliot Turcot, Mr. and Mrs. A. O. White, Mr. and Mrs. D. A. Mac-

Innes, Mr. K. A. Creery, Miss Barbara Layton, Miss Glenna Cooper, Mr. and Mrs. A. O. Bujwid, Mr. and Mrs. P. Stoker, Mr. W. H. Johnson, Mr. and Mrs. A. O. Ponder.

LESLIE - PAGE

On Saturday, August 19, the marriage took place of Jane Stobo (Jean), daughter of Mr. and Mrs. John Lowe Page of Verdun, to Mr. John Alexander Leslie of Notre Dame de Grace, at four o'clock in Westmount Park-Emmanuel Church, Westmount. The Rev. G. K. Ward of St. Andrew's Church, Westmount, officiated. Wedding music was played by Mr. O. R. Gliddon, and Mr. J. C. Scott, soloist, sang "The Lord's Prayer" and "I'll Walk Beside You" during the signing of the register. Baskets of gladioli decorated the church.

The bride, given in marriage by her father, wore a gown of white sweetheart neckline, fitted bodice, long sleeves ending in points over the hands and a full skirt falling into a train. Her veil of tulle illusion was held in place by a Juliette cap of net and pearls.

and she carried a cascade bouquet of white gladioli.

Mrs. Percy Garnett, sister of the groom, as matron of honor, and Miss Muriel Buckingham, as bridesmaid, were gowned alike in dresses of blue puckered taffeta fashioned with square neckline, short sleeves, fitted bodice and full skirt. Their headdresses were of matching net similar to that of the bride and they carried cascade bouquets of salmon pink gladioli.

Mr. Clevedon Spear acted as best man for the groom with Mr. Percy Garnett and Mr. David Page, brother of the bride as ushers.

Mrs. Page, mother of the bride, was gowned in navy blue tissue faille, with a burgundy hat and navy accessories, and wore a corsage of red roses.

Mrs. Leslie, mother of the groom wore a two-piece dress of navy and white, with navy blue accessories, and a corsage of pink carnations.

The reception following the wedding was held in the Legion Hall, Verdun.

Afterwards the bride and groom left by plane for Bermuda, where they will spend their honeymoon. The bride travelled in a red silk printed dress, with navy blue accessories and a corsage of talisman roses.

Louisa Peacock Gives Prize for Best Poem

Miss Louisa Peacock, well-known and loved by many of Montreal's needy families, has also shown herself a true patron of the arts. She has offered a generous prize for the best poem in the MacNab Fifth Annual Poetry Competition in the quarterly Canadiana, a magazine published by and for Canadian poets. A poetess of some note herself, Miss Peacock had one of her own works, "A Song of Joy", published this year in Canadiana. She also does magnificent water-colors and is an accomplished jewellery craftswoman.

The lady of culture and considerable wealth (she keeps house for her brother on Upper Lansdowne Avenue, Westmount), is best known, however, for her work in the University Settlement. As a teacher in New York she had done much for underprivileged children, and upon coming to Montreal ten years ago she volunteered for work in conjunction with the University Settlement. She has arranged with teachers in schools in the poorer

"Welcome Wagon" Ladies Greet Local New-Comers and Mothers

Is there a new baby at your house? Have you just moved into the West End or Verdun district?

Then we can safely assure you that the smiling woman who will soon present herself, laden with gifts, at your door, is not quite Mrs. Santa Claus in modern guise. She is your Welcome Wagon hostess, carrying out the old pioneer custom of substantial help as well as friendly advice.

During the last century when the people of the east were trekking westward by wagon train to open up the vast western part of the North American continent, the idea of the Wagon was born. As wagon trains passed settled communities, the inhabitants would

send out a covered wagon, bearing water and supplies for the travellers, and extending a welcome to them to remain and help build the new community.

From this custom Thomas H. Briggs of Memphis, Tenn., got the idea for his Welcome Wagon Service. From small beginnings in 1928 this movement has spread to nearly 1,000 cities in Canada and the United States. In Montreal eight hostesses work with social and civic groups of the community and represent local and national business sponsors, introducing their products to newcomers and mothers of new babies.

Excellent Public Relations

When interviewed by this paper, Mrs. Dorothy Willock, hostess for "Baby Time" in Montreal West, N.D.G., Westmount, and east as far as University street, pointed out that both sides benefit from this unique form of public relations. The housewives are most happy to receive the practical gifts and gift certificates and to receive tips about such things as schools, transportation, local services, where to find a maid, and so forth. The moral boost to strangers in the district is also always gratefully received. On the other hand, local merchants are given the best possible advertising at low cost when the consumer is met right in her own home and actually presented with a representative product.

A new mother will receive most of the following: a pink or blue toy bank from a local bank; brush-and-comb-and-toy set and baby kit containing oil, soap, powder, etc., from the drug-stores; height and weight chart from an insurance company; complimentary cards for baby photos; a rattle; and gift certificate from a baby shop.

Newcomers to the district are presented with baked goods, letter openers; tea and coffee from a large supermarket; coasters from interior decorators; and gift cards for a hair-do, fur storage,

area. Besides Mrs. Dorothy Willock, Milner avenue, Montreal West, they are Mrs. Dorothy Woodhouse, McLynn avenue, Baby Time hostess for Hampstead and parts of N.D.G.; Mrs. Kay Hearst, of Valois, who welcomes newcomers to Montreal West, Hampstead and parts of N.D.G.; Mrs. Andy Kemp, Bedbrooke avenue, Montreal West; newcomers to Westmount and east to Park avenue; Mrs. Mary Sladen, Earncliffe avenue, Baby Time in Cote des Neiges and Outremont; Mrs. Muriel Elsey, and housewarmings in Cote des Neiges, Outremont and the Town of Mount Royal; and Mrs. Winnifred Kerr, Manning avenue, Verdun, newcomers and housewarmings of the city to notify her of particularly deserving boys and girls, and then visits their homes. Aided by women of the Church of St. James the Apostle, she finances the summer holidays of youngsters who otherwise might have no playground but city pavements during the summer.

W.C.T.U.

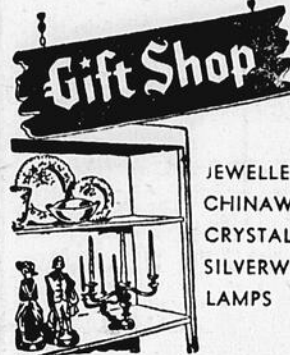

An important executive meeting of the Quebec Provincial Woman's Christian Temperance Union will be held on Monday, in the Y.M.C.A., Dorchester street. The sub-executive will meet at 10 a.m.

The afternoon session at two o'clock will be open to all members of the W.C.T.U. They are urgently asked to attend as final arrangements will be made at this meeting for the Dominion Convention to be held in Montreal, September 18 to 21.

New Wools Headlined in Paris At First Showing, Fall Modes

Plain fabrics ranging from dull finish broadcloths to shaggy fleeces were the outstanding feature of **Christian Dior's** opening in Paris. His new diagonal line was translated in dull broadcloths for frocks. Big buttons were a feature. Dior's coats featured broadcloths, rough shaggy fleeces some of which resembled fur and boucles. Long haired fabrics were seen in redingotes with high draped necklines and three quarter length jackets with impressive scarf collar interest and tight waistline, the peplum curving in important flared effects.

Plot cloth is starred by Dior for town designs, generally in box type coats with small upstanding collars and raglan sleeves. Tremendous patch pockets some with elaborate trimmings come near the hem, and hem length scarf trims are featured in some instances with stiffened circular scarf collars cut in with front pockets. Boucle is featured by Dior after a long absence from the fashion picture for his dressiest afternoon and restaurant coats, most of them lined with brilliant fabric and color contrasts. His formal suits have complicated diagonal bodices with super slim waist and exaggerated peplums. Dior's informal suits have half

length jackets with straight skirts.

Black is the leading color feature, dark grey and tobacco following. Black and tobacco are often combined. Important colors are red, lilac, purple and plum.

Jacques Fath gives glamor to wool, using it in place of fur in simple but chic designs. Tweed is formally treated for wear in the afternoon. Seven eighths coats are smartest, some swing, others belted. Entirely accordion pleated swing overcoats, lined with a pleated contrast color, are newest for afternoon wear. The frock silhouette is extra slim. Shaded jersey leads for informal numbers and black broadcloth cut with bunches of pleats from the knee downwards for afternoon. Coats or jackets contrast in color with the dress which is invariably black and apart from tangerine tones are neutral. The woollens are smooth surfaced in this collection, starring broadcloth.

Alwynn chooses bright tweeds, preferring purple, for well cut suits with an uneven peplum. A fan movement is introduced with a V panel of flares in the back of pilotcloth coats cut with small collars and enormous sleeves, buttoned at the wrist to increase the sloping line. Sheath broadcloth afternoon frocks have a hip swathe finishing in fan shaped side drapery, also found in strapless woolen evening gowns.

Tweed is the Jacques Griffe story where bat sleeved jackets on informal suits are drawn into a tight waist over a slender skirt. Bright colors are important, stressing raspberry and lime. Shaggy weaves lead for belted overcoats with flared skirts. Jersey is favored for informal frocks and fine woollens for afternoon designs cut with an overskirt lacing at one side. Woolen evening ensembles are important, fur trimmed or bordered with steel embroidery.

Superb Balenciaga collection features heaviest types of pilecloths, velour cloths and tweeds. Full loose jackets are all lengths, and there are many cape effects over dresses and suits. Fringed wool trimmings are sewn on dresses and coats.

Lanvin features moulded lines with slanting cuts and drapes. Many fine wool cocktail dresses entirely patterned stress cobweb embroidery.

Molyneux uses reversible woollens for loose overcoats of conical line and formal fur edged casual jackets over matching dresses.

Paquin shows high waisted super slim tailormades in tweed, swing-backed coats and fitted redingotes with forward jutting collars.

Piguet revives ensembles, many black sleeveless cocktail dresses in fine wool jersey or lightweight velour-type wool fabrics. Moulded skirts flare from thighs. Leading colors in all houses are black, steel grey, tobacco shades, bronze green, violet and rich reds. Popular fabrics include speckled tweeds, furry brushed woollens, velour cloths, super fine broadcloths, and plain jerseys.

Canada, with an area of 3,842,410 square miles, is larger than the continental United States which includes Alaska.

Esther Botting Paid Final Tribute, Tuesday

Newspaper Veteran
Dies in 82nd Year

Final tribute was paid, Tuesday, to Miss Esther Botting, 82, at a funeral service held in the Collins-Fetterly Chapel, 2035 Wellington street, with Rev. H. V. R. Short, of Christ Church Cathedral officiating. Cremation took place at the Mount Royal Crematorium.

Miss Botting had been visiting her niece, Mrs. H. A. G. Willoughby of Pembroke, Ontario, during the past few weeks and she died quietly at the Cottage Hospital there, Saturday. Retired from the newspaper field only eight months ago, she leaves behind a half-century of journalistic endeavour, and is mourned by many local women's organizations and clubs which she assisted during her career.

Prior to World War 1, Miss Botting was a reporter on the Witness. Later she joined the staff of The Herald and transferred to The Montreal Star 25 years ago. She was The Star's editor of women's clubs, and was looked upon as counsellor and friend by all she met.

She was one of the first women to enter the newspaper field and during the early part of her life in this work, she was police reporter covering all phases of this beat.

Following the announcement of her retirement last December, Miss Botting was feted at a number of parties, highlighted by a party held in March by the Montreal Women's Club, the city's oldest women's group. At that time, Mrs. Helen Murphy, president of the Canadian Women's Press Club, paid high tribute to her work and expressed the good wishes of all, telling of the respect in which she was held by her associates.

Miss Botting was a kind and loyal friend and her death will leave a void which can never be filled.

Closed Retreat

A closed retreat for business girls will be held over Labor Day week-end, from September 1 to September 4, at the Convent of Mary Reparatrix, 1025 Mount Royal Blvd., Outremont. Information may be had either by writing to the Convent or by phoning DO. 0776.

Perennial Favourites, Tartans, High Fashion

Tartan which is never very far from fashion has, nevertheless, positively bounced back into the fashion news, both in London and Paris. There are jackets, short coats and full-length coats of it; many coats are lined with it; and there are dozens of handbags and travel-bags made of it.

The lure of its bright colors — for no matter what clan tartan is chosen, there is nearly always at least one brilliant colour in it — may be the answer to the almost universal display of muted, neutral shades which were shown in the London fashion houses during the spring collections. It is true that occasionally these neu-

tral shades were sometimes worn with a single startling bright colour, but on the whole the impression is that greige (a mixture of beige and grey), shades of beige, and sand-colour are the tints most favoured by the dress-makers.

Commuters Suffer As Strike Hits At Westenders

The West End's thousands of railway commuters, who prefer the snorting iron horse as their means of transportation, enjoyed late suppers this week as the already crowded tramway facilities played to overflow crowds.

It was an entirely new problem to the usually fortunate westenders who almost without exception commute between Windsor Station and the suburban stops of Westmount and Town of Montreal West.

The transportation problem was not confined entirely to residents of the westend districts, however. Town of Mount Royal and Ville St. Laurent, both in the immediate northern areas, shared the problem equally.

British Cadets Entertained by C. Douglas Taylor

C. Douglas Taylor, M.B.E., president of the Air Cadet League of Canada, and Mrs. Taylor, of 4719 Upper Roslyn avenue, Westmount, entertained the twenty-five members of the British Air Cadet Party, which has been touring Canada, at their country home at Ste. Agathe on Saturday.

On Sunday, Air-Vice Marshall Adelard Raymond entertained the boys at his Senneville home.

The party of cadets had just completed a two-week tour of Ontario and Quebec. They returned to the United Kingdom by air from Dorval airport on Monday.

Accompanying the British cadets was Axel Persson, a Swedish air cadet, wearing the blues of the Swedish air force ground crews.

The visitors represented every part of England, and there were two each from Scotland and Wales.

In charge of the group was Wing-Commander P. W. D. Heal, A.F.C., R.A.F.

Downtown transportation via the rails was carried out without a hitch Tuesday morning but the paralyzing railway strike, which tied up all trains, struck home with a vengeance at the five p.m. rush hour.

To some office workers the tramway boarding operations were almost too much to bear. After the luxury of swift transportation via the rails, the shunting, snail like travel of St. Catherine St. rush hour was an almost novel experience.

Thousands Affected

Official estimates of the numbers of persons living in the west end affected by the cessation of rail facilities are unavailable, but a conservative figure would place the daily railway commuters at the three thousand mark.

For many the problem of transportation was too important to bear and several large offices in the downtown area said they noticed a "marked trend of west end residents to remain home". Obviously they were under the impression that the strike would be of short duration.

Automotive transportation set a new high — not to be remembered since the strike of the Montreal Tramway Co. Employees — and many a family car, usually left at home for the day, found its way to the downtown area.

One Man Injured In Crash Friday

A collision between an automobile and a truck on Friday morning at 8.05 damaged each vehicle and sent the driver of the truck to the Hospital de l'Esperance for treatment of abrasions and bruises. The driver was Louis Pouliot, 42, 1690 Wolfe Street, who was at the wheel of a truck belonging to the Ernest Cousins Co., 175 Colborne Street, when his vehicle collided with an automobile owned by W. Stokes Greene, 368 Wood Avenue, Westmount, and driven by Hugh S. Greene, 2112 Claremont Avenue, Westmount, at the intersection of Decelles Avenue and Roy Street.

The accident came about when Greene attempted to turn his auto around and was struck by the moving truck driven by Pouliot. The truck was damaged to left front chassis, including a broken headlight, while the automobile was damaged to the rear right chassis.

Constable M. Smith of the Ville St. Laurent Police Force reported the mishap.

Employees — and many a family car, usually left at home for the day, found its way to the downtown area.

Taxis reported a "rushing business" at the close of the working day as hundreds of office workers, watching crowded 70's, 3's and other west division cars pass them by, pooled their resources and rode home in state dule.

The strike affected even the little man.

Tramway's Co-operate

The Montreal Tramways Co. threw every available car into the breach but as company employees said, "we have every available car out during rush hours anyway".

Residents of the Town of Mount Royal and Ville St. Laurent faced an almost identical problem as the CNR operated tunnel train ceased to operate. It meant additional taxing of the Garland terminus and the circuit tramways which operate in that area. Cartierville tramways shuttled back and forth with full loads and tramway inspectors said they would not reduce the schedules as long as there was a need for facilities.

Tuesday evening's uncertainty had abated somewhat by Wednesday as train users organized to face their immediate problem. But to the majority it meant getting up earlier, joining the throngs who use tramway transportation exclusively, and a later return at the close of the working day.

Commuters of the Montreal West Special — a train which shuttles only between the west end station and Windsor Station during the rush hour — were the hardest hit. The strike meant absolute disruption of their schedule.

Gary Cooper and Helen Hayes in Seville Feature

Brought back by popular demand, the romantic screenplay "A Farewell to Arms" is featured with "Warsaw Concerto" on a thrilling double-bill at the Seville Art Theatre this week.

"A Farewell to Arms", an exciting romance set against a background of the World War, stars Gary Cooper in his most memorable role, the role which brought him to the attention of thousands of movie fans who clamored for a re-showing of the film.

Helen Hayes, 'first lady of the stage,' is his co-star. Adolphe Menjou, one of the screen's most popular feature players, is seen as Cooper's war-time pal whose misunderstanding of the deep and sincere love which his buddy bears for Miss Hayes is responsible for much of the tragedy which overtakes the lovers.

This beautiful love story adapted from the famous Ernest Hemingway novel, will be shown at the Seville Art Theatre in conjunction with a return engagement of "Warsaw Concerto".

This latter film, based on the story of the famous "Suicide Squadron", will long be remembered as the picture which gave the world one of its greatest musical compositions. Anton Walbrook, who is best known as the dramatic star of "The Red Shoes", heads an imposing cast.

Both of these films are being played in response to numerous requests from discriminating theatre-goers.

STARTS SUNDAY AT THE WESTMOUNT

Robert Taylor and Arlene Dahl are the principals in a romance which takes place in the midst of a savage Indian war in "Ambush," exciting drama opening this Sunday at the Westmount Theatre. John Hodiak enacts Taylor's rival in the new offering, directed by Sam Wood.

'Cheaper by the Dozen' - 'Ambush' Start Sunday at the Westmount

Last year the hilarious best-seller which had all the nation laughing "Cheaper By The Dozen," the true story of a wonderful American family, has this year been brought to the screen in Technicolor with Clifton Webb, Jeanne Crain and Myrna Loy in the leading roles.

Coming to the Westmount Theatre on Sunday, the movie aims to reproduce the bright and unaffected chronicle of the adventures of a family of twelve children as told in the famous book by two of the twelve, Frank B. Gilbreth, Jr., and Ernestine Gilbreth Carey.

Confirmed bachelor Clifton Webb takes a rest from Belvedere to play "Dad," who, the authors say, "had enough gall to be divided in three parts." This role may start the noted actor off in a second film series, for his studio, which feels that "Dad" is sufficiently different from Belvedere to cause no confusion, has already asked the publishers for a first look at a sequel that the authors are writing.

Fresh from an outstanding dramatic triumph in Darryl F. Zanuck's "Pinky" Jeanne Crain returns to light comedy in a role similar to her portrayals in "Margie" and "Apartment for Peggy." Dressed in pigtails and the 1920 equivalent of a bobby-sox outfit, she plays the eldest daughter of the famous family of twelve.

Second Feature

The ingredients of a superlative outdoor drama—trigger-quick action gun fights, Indian forays, spectacular horsemanship and magnificent scenic backgrounds—are effectively combined in "Ambush" which brings Robert Taylor, John Hodiak and Arlene Dahl to the Westmount screen this week.

M-G-M shrewdly entrusted this super-western, the first big picture of its type it has made in almost a decade, to Sam Wood, the discerning director who did

such a fine job with "The Stratton Story".

The daring escape of Robert Taylor, cast as the scout, from his Apache pursuers, a spectacular battle between Indians and troopers, the animosity between Taylor and John Hodiak, playing the post's stuffed-shirt second-in-command, leading to a blood-drawing slugging match, a suspense-filled ambush set by Diabito, the Apache renegade and his followers, and Taylor's final deadly encounter with the Indian, are action highlights of a story revolving around a triangle comprising Taylor, Hodiak and Arlene Dahl.

Camp Westmount Visits Kraft Ltd.

On Monday morning, a baseball game was played between Westmount Park boys and the baseball team of Camp Westmount, an in the City Camp operated by Westmount Y.M.C.A. It was an exciting and extremely close game with the Park managing to win the game 13-12.

Highlight of the week was a trip to Kraft Foods Limited where the boys were conducted through the plant and able to see the various products like cheese, mayonnaise, Kraft dinner being processed. Following the trip the boys were very kindly treated to refreshments.

Westmount Soccer Club Beat Cancar Tuesday

Westmount Soccer team kept pace with Canadair Falcons for the National League title, by downing Cancar 4 to 2, at the Westmount Athletic Grounds on Tuesday night.

Canadair Falcons, by shutting out Engineering at Lachine the same night by a 4 to 0 score, still kept their slight advantage in points, so the league looks like having a garrison finish.

Doug McMahon gave Cancar the lead early in the first half, but Ronnie Rajotte, the Westmount centre, equalized shortly afterwards.

George Weston at inside left, put Westmount ahead before the interval.

Rajotte scored again, just after resumption in the second period, beating Jim Fleming in the Cancar nets, with a fairly easy first timer.

Tom Tudor at inside right talked for Cancar, with as hot whichanny Smith in the Westmount goal got, but Referee Larner ruled, that Smith had pulled the ball foot over the line.

Jimmy Reston the consistent Westmount outside left, settled the

issue, with a smartly taken goal, to end the scoring.

Jimmy Fleming in the Cancar nets had an off night, as three of the goals which got by him, were rather soft ones.

Westmount, will play an exhibition game against the Ukraina Soccer club, from New York City, on Saturday afternoon, at Notre Dame Stadium, kick-off 3:00 p.m.

The visiting team are reputed to be very strong, and are said to play fast clever soccer.

Softball Play-offs Continue On Monday

In the first round of the Westmount Municipal Intermediate Softball playoffs which was a best of three series, the Avenue Stars advanced to the semi-finals, by beating out the Colonials, in two straight games, the Police and Fire, took two straight from the Kenwood Shamrocks, and Western Taxi, swept to straight from Girard Auto Plymouths.

Police and Fire, the top place team at the conclusion of the regular schedule thereby draw a bye into the finals, whereby the Avenue Stars, meet Western Taxi, for the right to enter the finals against them.

The Avenue Stars, and the Colonials, had a close hard fought two game series, the Stars winning them both by the scores of 8-7 and 7-3.

On Monday night Cliff Bowles pitched Ron Brambells entry to victory, with Buddy Selby, and Bert Kelley, being the big hitters, Selby collecting three, while Kelley got a couple. The Colonials could not get a thing past the steller playing infield of the Stars.

Ref. Harold Platt To Hold School For Footballers

Harold Pratt, of 25 Springfield Avenue, Westmount, referee-in-chief for the Quebec Rugby Football Union, announces that his annual school for football officials will be held in the Sir Arthur Currie Memorial Gymnasium, Pine Avenue West, on Tuesday, August 29, Thursday, August 31, and Tuesday, September 5.

Referees already on the list and those aspiring to become whistle or horn blowers, are invited to attend the school.

Existing and new rules will be studied and as a refresher course, Pratt's school is probably the best in Canadian Football.

Candidates from Three Rivers, Sherbrooke and other points in Quebec and Ontario, have already signified their intention of attending.

Whilst the course is intended solely for game officials, there may be some local coaches sitting in to get first hand interpretations of the rules.

Ron Lendon pitched for the Colonials.

On Wednesday night, the Avenue Stars kept up their snappy ball, behind the pitching of Tony Luciani who, gave up only 4 hits to the Colonials. Gordie Graham, was the big man with the bat, pounding out 4 hits, two of them being for extra bases. "Buddy" Selby came through with 3 hits. Ron Lendon again pitched for the Colonials.

Western Taxi, earned the right to enter the semi-finals, by beating out the Girard Auto Plymouths, in two straight games. On Monday night they won by a 17-1 count, and came right back Wednesday to beat them 8-4. Vanloo, Virtue, and Tompkins, were the two game heavy hitters, each collecting three hits each night. The Plymouths added to their own downfall on Monday night, by committing 9 errors. Frank Healey allowed only two hits to the Plymouths on Monday night and came right back to pitch 5 hit ball Wednesday, 4 of them going to George Mulligan, who was the only Girard boy to get to the Western pitcher.

The Police and Fire, swept the fighting as they gave their all for their sponsor in the league, the Kenwood Moving Company. For the winners, Roger Dore pitches both nights, while Conley Forey, did most of the hurling for the "mover boys." Motard, Dalgliesh, and Black, supplied most of the hitting power for the Police and Fire, while McCarthy, Bradley, Forey, and Munroe, split the best of three series from the Kenwood Shamrocks, in two straight games by beating them on Monday night by a 13-6 count, and again on Wednesday, by a slim 13-11. The Police and Fire were on the short end of the score up until the seventh inning on Wednesday night, but picked up a rally which netted them 4 runs, to take the lead, which they never relinquished. No one can say that the Shamrocks didn't go down

hitting load for the Kenwood boys.

On Monday night next, the semi-finals will get underway on Westmount Park number one diamond, when Western Taxi, take on the Avenue Stars, in the first of the best of three series. This should prove to be a very good contest, as both have good hustling ball clubs.

Cancar, Hungaria To Play Soccer Tomorrow Here

Cancar soccer team will meet Hungaria F.C. in a National League fixture at Westmount Athletic Grounds on Saturday afternoon, kick-off 3.00 p.m.

Hungaria has still a chance of figuring in the play-off for league honors but must win tomorrow to achieve this end.

Cancar has also a mathematical chance of getting in the final four, so a battle royal is in prospect.

Tomorrow's game will be one of the last soccer matches to be played on the Athletic Grounds this season, as football will be taking over in September.

BUCK TAHAMONT

Buck Tahamont Sporting Figure Died Wednesday

Clarence (Buck) Tahamont, well known sporting figure for many years, in Westmount, and Montreal, died on Wednesday morning at Queen Mary Veterans Hospital.

An Indian, born in the United States, he was 58 years of age.

Buck, as he was familiarly known to a host of friends, had been ill for many weeks, and only recently underwent a serious operation at the hospital. He was placed on the "dangerously ill" list following a second operation on Friday.

He will be remembered by Westmount football fans as trainer of the Montreal Football Club that won the Grey Cup in 1931.

In 1930, he was trainer of the M.A.A.A. hockey team that won the Allan Cup.

He was active as an official for many years with the Atwater Baseball League, and was particularly identified with minor hockey

for the Quebec Amateur Hockey Association, especially in the Verdun area, where he resided.

Mr. Tahamont was also secretary of the Quebec Rugby Football Union, before joining the Canadian Army in the Second World War.

He was also active in the Canadian Legion, and was chairman until last spring of the Quebec Command Sports Committee.

The body rests at J. F. Wilson Funeral Home, Egan and Verdun avenues, Verdun. The funeral will be held on Saturday at 1:00 p.m. from Verdun United Church, Woodland avenue, Verdun.

He is survived by his wife, the former Helen Blyth Skelley, and five children.

SUMMER FOODS

Milk, fruit, vegetables, cereals and meat are needed by the body daily, winter and summer. In summer foods should be served more often cold than hot—in the form of cold beverages, crisp salads raw fruits and cold cuts of meat. Seasonal foods offer an opportunity to prepare specially attractive,

Q.R.F.U. Juniors Will Play Double League Schedule

The Q.R.F.U. Junior Division will play a double schedule of games this season. Six clubs are lined up in the competition, these being Westmount, Notre Dame de Grace, South Shore Combines, St. Aloysius, Rosemount, and a new entry from Cartierville, which will be sponsored by the local Knights of Columbus.

The opening date has been set for September 9. Secretary Norman Gillespie has stated that the schedule will be released over the weekend.

It is the intention of the league to utilize Thanksgiving Day, October 9, as an extra date in order to get through the heavy schedule.

Bruce Johnson, coach of Westmount Warriors, has had his

squad out for the last two weeks and is confident that they will be in tip top condition before the opening date for league play.

Johnson's trouble will come when he has to reduce the number of aspirants to 30 men, the limit that may be carried on the roster according to Union regulations.

There is still time, however, for players to try out, as Bruce wants the strongest team Westmount has had for some years, to bring home the championship.

BRITISH CHURCHES' FESTIVAL PLANS

All religious denominations in Britain are joining forces to ensure that Church plans for next year's Festival of Britain shall be worthy of this special occasion.

The Archbishop of Canterbury, in his capacity as President of the British Council of Churches, has formed an Advisory Committee for Christian Churches which will be responsible for planning an appropriate program of national events. This interdenominational body has the Dean of Westminster as Chairman.
