REPEATS STAND ON RED RECOGNITION

World News In Brief

Vienna — Reuters — Several near-starving wolves have recently been shot in the suburbs of Bucharest, according to travellers arriving in Austria from the Romanian capital. They quoted reports that a priest was devoured by a pack of wolves in a Transylvanian village.

Cairo — Reuters — The sale of ex-king Farouk's valuable collection of 250,000 coins here has yielded \$616,000, described by auctioneer Peter Wilson as "the highest total of a single sale of coins held during the present century." The collection was particularly strong in United States and French coins.

Cairo — (AP) — A military court Sunday ordered seizure of the wealth of Mrs. Zeinab el Wakil, wife of former premier Mustapha Nasser. She is said to have amassed nearly \$3,000,000 in graft during her husband's two terms. The three-man military court said Mrs. el Wakil—known by her Muslim custom—would not be sent to prison because of ill health.

Stuttgart, Germany — (AP) — Herman Dietrich, 74, former minister in Germany's pre-Nazi Weimar republic and one of the founders of the Free Democratic party, died Saturday night. Dietrich rose from the local politics after the First World War to become economics minister and vice-chancellor in Chancellor Heinrich Brüning's first cabinet. He left politics when Hitler came to power in 1933.

New Plymouth, N.Z. — Geologists are planning to investigate the potentialities of New Zealand's only oil field—under the city of New Plymouth. The wells along the city's sea front have produced nearly 5,000,000 gallons of oil since 1948 and the new check is intended to see if this can be increased.

Cairo — (AP) — Britain has made informal approaches to Egypt for reopening the Suez talks. Maj. Amin Shaker, aide-de-camp to Premier Gamal Abdel Nasser, said today. Shaker would give no details, but he was optimistic that the talks would be resumed soon.

Nasser's aid declared Egypt would stand firm on the two points which have so far blocked agreement—Egypt's insistence that British technicians left behind to maintain the world's largest field supply base not be allowed to wear the British Army uniform, and that Western troops be permitted to return to Suez only if an Arab state is invaded by another power.

Seoul, Korea — (Reuters) — The U.S. Fifth Air Force commander "angrily denied" Sunday that four South Korean planes, missing since Thursday, had gone over to the Communists.

The four Mustang fighter bombers were last reported south of Kangnung on Korea's east coast. One of them was piloted by Brig. Gen. Kim Young, commander of the First Korean Training Wing. Sunday's air force statement said that Gen. Samuel E. Anderson "angrily denied" reports the planes had defected. Terming them "entirely false," he added: "From indication, they were lost on account of extremely bad weather."

Guatemala Leads Fight On Washington Anti-Red Plan

Caracas, Venezuela — (AP) — A U.S. proposal for meeting the threat of Communist infiltration of the western hemisphere is expected to touch off sparks today before the 20-country Inter-American Conference. State Secretary Dulles will present the plan before a committee. It is expected to draw sharp fire from Guatemala, which already has blasted it as a mask for U.S. intervention in Guatemalan affairs.

In his opening speech to the conference last week Dulles told the delegates "There is not a single nation in this hemisphere which has not been penetrated by the apparatus of international communism acting under orders from Moscow." The United States has submitted a plan calling for joint consulta-

Shipments Of Iron Ore Start Soon

Sept. 12, Que. — (AP) — With the approach of spring and the thaw, the 2,000-odd folk of this town are looking expectantly towards the northland of Ungava which in a few months will send forth its first ore-laden train.

It will be the start of a procession that will probably continue for the rest of the lives of a good number of inhabitants of this St. Lawrence river port, 350 miles northeast of Quebec.

The 360-mile railroad linking Sept. 12s with Knob Lake, heart of the \$200,000,000 project, has been completed. By the mid-summer, according to an announcement made recently by Premier Duplessis, in the Quebec legislature, the first of about 400,000 tons of ore will start flowing out of the bleak region.

At first, about 10,000,000 tons of ore, carried in 125-car trains, are expected to pass through Sept. 12s each year. Here the ore will be transferred to boats for the long journey to smelters in the northern United States.

Experts feel this quantity would be greatly increased if the St. Lawrence seaway, with its ability to pass deeper-draft ships, ever becomes a reality.

Completion of the railway has solved the major problem to development of the Ungava region—how to transport the ore from the fields, straddling the Quebec-Labrador border, to Sept. 12s.

The \$100,000,000 railway runs across rushing streams and over 150-foot gorges via 24 bridges. It starts off at sea level at Sept. 12s, climbs to more than 2,000 feet above sea-level near the halfway mark and eases down to Knob Lake's 1,700 feet.

The Ungava project, financed by a group of companies under the title of Iron Ore Company of Canada, is expected to fill the place of the nearly-exhausted Mesabi range in the U.S.

Polio Likely To Interfere In Tour Plans

Melbourne — Reuters — Increasing anxiety for Queen Elizabeth's personal safety in the present polio epidemic may change the royal tour program further, it was learned today.

Another children's rally during the tour of western Australia later this month has been cancelled at the country town of Busselton. Ten new cases have been reported in the state, making a total of 50 this month. Reported cases of polio in all of western Australia this year stand at 145.

But the Queen herself, with half her tour completed, is in "splendid health and spirits," Eric Harrison, Australian minister in charge of the tour, said today.

A Perth report today said the public health department will closely screen people handling food for the royal table. Those coming in close contact with the royal couple will also be screened.

Official sources said the royal handshake may also be banned in western Australia.

The royal couple returned to Melbourne today from O'Shannassy chalet near Warburton, in the mountains 60 miles from here, after a restful week-end. Sunday the Queen went riding after she and the duke attended a service in Warburton's little wooden church.

Buenos Aires — Reuters — Seven persons were believed drowned Sunday night when an Argentine riverboat, the Alberto Maggi, sank in the port here. Six of the thirteen crew members were rescued by tug.

Prime Minister St. Laurent Declares Free World Must Face Realities Of Chinese Situation.

Seoul — (CP) — Prime Minister St. Laurent repeated today the Canadian government's stand that the Free World will have to recognize Red China eventually.

"I do feel that some day we are going to have to be realistic," the touring Prime Minister told a press conference. "We are going to have to admit the present government of China is the government the people want."

He also said Canadians troops will remain in Korea "as long as necessary to see the job done."

He added, however, that the task of the United Nations forces is not the unification of Korea, but to prove that aggression will not be tolerated.

The Prime Minister, who arrived Sunday from Manila on a three-day visit to Korea, spoke to reporters here just before visiting South Korea's President Syngman Rhee.

He said UN relief aid to Korea was "the moral obligation of the people of the Free World toward the people on the battlefield, where the struggle against totalitarian aggression occurred."

Commonwealth, UN and South Korean officials welcomed the Canadian leader in a bone-chilling way as he arrived aboard the RCAF C-5 transport taking him around the world.

A battery of South Korean guns boomed out a 19-gun salute as the plane rolled to a stop at Seoul city's airport.

Korean and Commonwealth honor guards stood at attention as the Prime Minister, his silver hair glinting in the late afternoon sun, passed down the line. Some of the honor guard wore the kilt of the famed Black Watch Regiment.

Among those present were Gen. Maxwell D. Taylor, commander of the 8th Army; Brig. J. V. Allard, commanding officer of the Canadian infantry brigade in Korea; British Minister Walter Graham; the South Korean foreign minister, Pyun Yung Tai; Prime Minister Paik Tai Sun; and Seoul Mayor Kim Tai Sun.

A Korean military band struck up "O Canada" as the prime minister stepped from the plane and walked between lines of American military police and Canadian honor guards.

During the next two days the prime minister will be the guest of the 8th Army and the Canadian brigade. He will visit the brigade along the front lines and inspect guards of honor and troops in the lines and in Seoul.

Short helicopter jaunts will take him from point to point.

He also will go to a forward observation post for a binocular look at Communist territory. A jeep has been specially cushioned for his visit to the post.

Churchill Blamed For Rome Plight

Rome — (Reuters) — Former premier Alcide de Gasperi says he bluntly told Sir Winston Churchill that the British prime minister had hurt Italy's coalition government in the national elections last June.

De Gasperi, leader of the Christian Democratic party, described to a gathering here Sunday night his meeting with Churchill in London after the elections.

During the heat of the spring campaign in Italy, Churchill made his first call for an East-West conference to ease world tensions. Italy's left-wing Socialists acclaimed the statement and ran on a ticket advocating East-West co-operation.

De Gasperi said this drew many votes from his Italian centre coalition government, and he told Churchill so. He quoted the conversation in London as follows:

Churchill: "Is it true my speech was a disaster for you in the elections?"

De Gasperi: "Disaster, no. But, oh the damage it caused us!"

McCarthy Sees Democrat Plot In Stevenson Talk

Miami Beach, Fla. — (AP) — Senator McCarthy wants early free time on national radio and television networks to answer charges by Adlai E. Stevenson that the Wisconsin Republican senator's investigations threaten the United States with a "malignant and fatal totalitarianism."

Mr. McCarthy, a soft-spoken bachelor who walks with the aid of a cane as a result of a hip fracture suffered in his youth, also has written several travel pamphlets and 13 other books.

HELP WANTED — Timothy, a Sealyham, seems to be pleading for help as he sits on a New York City pier beside the baggage of his owners, Mr. and Mrs. Dick Shurtliffe. A wildcat strike of longshoremen has threatened to shut down the entire port. Office workers of the Cunard Line showed up early to help passengers get their baggage aboard ship and Timothy is trying to attract their attention to his plight. (NEA Telephoto)

Wildcat Strike Continues To Plague N.Y. Waterfront

New York — (AP) — Dissatisfied longshoremen continued a "wildcat" strike on the New York waterfront today despite a previous prediction by their union leader that the work stoppage would end.

Members of the International Longshoremen's Association (ILA) gathered at several piers but refused to heed the calls of hiring agents. Immediately affected was the transatlantic liner Mauretania, arriving from Europe.

As dockhands stood idly watching, about 30 officials of the Cunard Line helped man mooring lines as the ship eased into her North river dock.

The insurgent workers also refused to load waiting cargo aboard the Mexican freighter Guadalupe, which was at an East river pier.

Instead, several longshoremen distributed leaflets urging pier workers to unite and end the current split of allegiance between the independent ILA and an AFL union.

The strike, which started Friday in a protest against a federal court injunction, had been expected to end today after ILA President William V. Bradley then said:

"I think I'll be able to get the men back to work. At any rate, I will try like hell. I am sure they will go back tomorrow."

When Bradley was reached for comment on today's continued walkout, he said the workers' failure to return to their jobs was "more or less a misunderstanding."

"We tried to reach all the men yesterday to pass the word that all the men must go back," the union leader said, "but yesterday being Sunday it was difficult to get them all. It looks O.K. for tomorrow morning."

"I am trying to arrange for a meeting among the ILA leadership in the city to discuss the situation."

The regional office of the National Labor Relations Board planned to ask federal court today for a citation holding the ILA and its leaders in contempt of court for alleged violation of the injunction issued Thursday by Federal Judge Edward J. Dimock.

Dimock's order restrained the ILA from strike activities pending a hearing Tuesday on an NLRB complaint.

The ILA men who refused to work said they were angry because the injunction was directed at the ILA alone and not against two other unions involved in the waterfront struggle—the AFL's new International Longshoremen's Association and the International Brotherhood of Teamsters (AFL) which is backing the AFL-ILA.

The AFL ousted the old ILA last fall for failure to cleanse itself of racketeering elements, and then sent up the AFL-ILA. The ILA and the AFL-ILA have been fighting since then to win NLRB certification as bargaining agent for waterfront workers.

Dimock's order, issued at the request of the NLRB, was intended to end a week-long boycott by ILA members of freight trucks by members of Local 807 of the Teamsters. The boycott, which halted truck shipments at most of the port's piers, grew out of AFL-ILA picketing at one pier in a local dispute.

Local 807 backed the AFL-ILA pickets. The ILA then boycotted Local 807 trucks at many piers, and Local 807 retaliated by picketing the ILA around the port.

Montreal — (AP) — Montreal police said Sunday night, a man serving a jail sentence in Salinas, Calif., with Jonathan Dawn, 24, of Toronto, wanted for questioning in connection with a murder here early last year, may be one of three others sought in the case.

The second man, who gave his name as "E. Reynolds," is believed by police to be Patrick McKuhen, 33. The two men were arrested while attempting to break into a parked automobile.

The dead man, B. J. McAbble, owner of the exclusive Northside Montreal restaurant, died in hospital four days after being brutally beaten about the head by five persons who robbed him of \$3,500.

Puerto Rican Communist And Nationalist Leaders Sought in Police Drive

By JULIO RIVERA
San Juan, Puerto Rico — (AP)

Pushing its drive against political trouble-makers, the Puerto Rican government today sought the "big four" of the island's Communist party and two Nationalist leaders still at large.

Sweeping police raids during the week-end netted 40 Nationalist party leaders and six Communists. All were jailed as possible subversives. The roundup was launched after last Monday's attack by Puerto Rican Nationalists in the United States House of Representatives.

The Reds were captured without violence in a second round of arrests Sunday. This was in contrast to the gunfire and tear-gas attack necessary to rout Nationalist chief Pedro Albizu Campos and five of his aides from his apartment Saturday.

The four Communists being sought include Juan Santos Rivera, the party president, said to have had Moscow training.

Attorney General Jose Trias said both the alleged Communists and Nationalists, jailed on \$25,000 bail each, are being charged with violating a local anti-subversive law.

Authorities believe the Puerto Rican Communist party has less than 100 members, but fear that it is tied in with the Nationalist faction, which has several hundred followers. Both parties demand complete independence for Puerto Rico, and the Reds were alleged to have furnished some of the arms for the 1950 Nationalist revolt in which 50 persons were killed.

The extreme Nationalists have gained little legislative support in Puerto Rico. The lower house recently rejected a resolution calling for complete independence instead of the present commonwealth status under the U.S. The Senate voted against a similar resolution.

The Moslems are assured a majority of the 300 seats in the provincial assembly through a communal representation system. But the league fears a large opposition vote might enable the opposition to control the house by cooperating with Hindus returned from seats reserved for the province's 10,000,000 Hindu voters.

Such a situation would radically affect the work of drawing up a new constitution, now going on in Karachi, the state capital.

U.S. Communists Issue Platform

New York — (AP) — The Communist party of the United States Saturday made public the text of a 5,500-word program it calls "the American way to jobs, peace, democracy."

The party said 1,000,000 copies would be distributed.

In an accompanying summary, the Communists said that U.S. foreign policy since the war "can lead only to disaster" and that "Communism" is an "ominous and monstrous trend toward a full-fledged police state and fascism."

Five "basic" points were listed for the program: raising purchasing power and "curbing the power and profits of the trusts," spending for human welfare, "not bombs and battleships," ending the cold war, "returning to the bill of rights, and equal rights for Negroes."

The Communist party advocates a peaceful path to socialism in the United States, "the state-mandated, 'brands as a lie the charge that it advocates the use of force and violence in the pursuit of any of its immediate or long-range goals."

Today's child will seem to be one of those slow and deliberate youngsters who gets little accomplished but there is such tenacity in his, or her, make-up that it is evident early that real strength and force of character are integral parts of the basic nature. You would be wise to early train in courses that combine the artistic and the financial, for there is talent in both—and a combination of the two is a natural for your talented progeny. Also requires fine early spiritual training.

Hollywood—Behind the Screens: Mark down spring, 1954, as the time for Margaret O'Brien, who hit her 17th birthday last month, to blossom out as a grown-up star.

The once sad-faced mopey, now a real beauty, is being piloted in a big movie comeback by agent Mitchell Gertz, who has set three films for her to star in beginning next month.

One will be a British flicker, "Orchard Walls," to go before the camera later this year, but the first two will be at Hollywood studios.

Predicts Gertz: "I believe Margaret's on the verge of a film career as a leading lady that will eclipse her career as a child star."

The Susan Cook who will wed Charlie Chaplin, Jr., shortly is a showgirl at the Sahara Hotel in Las Vegas.

Peter Lawford will apply for American citizenship and become a convert to Catholicism shortly after he weds Pat Kennedy. Side angle on Pete's big romance is that Pat is a close friend of Sherman Douglas, his old flame.

The Preston Foster who's credited as the composer on Bing Crosby's new "Two-Shillalah O'Sullivan" record hit is the same Preston Foster who stars on TV's "Waterfront" series.

Another Version
Marjorie (Mrs. "Life of Riley") Reynolds isn't happy about the version of her feud with her ex-husband, Jack Reynolds, that holds her responsible for Jack not seeing their young daughter. She blames all the trouble on Jack and claims that he refuses to talk to or see their offspring.

Marlon Brando's pals in New York say that he isn't seeing a psychiatrist because of the \$20,000,000 lawsuit slapped on him by Fox for walking out of "The Egyptian."

It's in fine print in Marlon's contract with the studio, they say, that he has the right to turn down the assignment if the screenplay isn't all he thinks it should be.

Hollywood lensers are boiling at Columbia's edict that no outside photographers—and that goes for the top magazine staffers—can aim cameras at Betty Grable during filming of "The Pleasure's All Mine."

A number of people came in at the tea hour, when a very dainty tea was served.

Jewish Community Pays Tribute To Thirty-Five Years Of Work By Rabbi

The thirty-five year period of their devoted service to one congregation, a period seldom matched, was the theme of the farewell testimonial reception tendered to Rev. and Mrs. A. Mittleman by Sherbrooke's Jewish community on Saturday evening. The Community Hall on Montreal Street was filled to capacity as the local congregation paid tribute to its former spiritual leader and to his tireless and conscientious leadership.

M. Smith, the community president,

RABBI MITTMAN

dent, was the chief speaker. Mr. Smith spoke of the harmony which prevailed during Rabbi Mittleman's long leadership although there had been the trials and tribulations inevitable in a congregation's growth.

Rabbi Joseph Kelman, the new spiritual leader, paid tribute to his predecessor and thanked Rabbi Mittleman for putting the fruit of his experience and judgment at his disposal.

The evening's addresses covered the time from the arrival of Mr. Mittleman and his wife in May, 1919 when, it was pointed out, he was a young man, full of

enthusiasm, ready to assume the duties of spiritual leader, teacher and shochet in the providing of kosher meat in accordance with Hebrew dietary and hygienic laws. The impetus he provided had, together with the co-operation of lay readers, been responsible for the erection of the present structure on Montreal Street.

"So devoted was Rabbi Mittleman to this task," said one speaker, "that he almost literally saw every brick go into place."

Albert Hyman, president of B'nai Brith, presented Mr. Mittleman with a jeweled past president's pin. Greetings of esteem were expressed particularly to Mrs. Mittleman by Mrs. A. D. Echenberg, president of the Ladies' Auxiliary, and by Mrs. J. Cooperman, president of the Leah Echenberg Chapter of Hadassah.

Henry L. Echenberg was chairman of the evening's program. It was Mr. Echenberg's father who was one of the lay leaders of the congregation when Mr. Mittleman first arrived.

Mrs. Joseph Kelman gave a piano selection and Mrs. Irene Echenberg read a poem of tribute. Thanks to the arrangements committee was expressed by Irving Steinman, vice-president of the Congregation Agudath Achim. This committee, under the chairmanship of A. J. Wener, had as its members: Henry Echenberg, Sam Shimmelman and Mrs. I. Echenberg.

Both Mr. and Mrs. Mittleman were interested in general community work as well as that of the Jewish congregation. Mrs. Mittleman was active in the Hadassah and in the Ladies' Auxiliary and also in the work of the I.O.D.E., and of the Y.W.C.A. Auxiliary. Out-of-town guests at the reception included Joseph Mittleman and Mrs. Eta Powell, Montreal, son and daughter of the Rabbi and his wife, and Mr. and Mrs. Sam Kirmayer, of Coaticook, and Mr. and Mrs. Jack Hitman, of Thetford Mines.

Religion Offers Greatest Thrill To All Humanity

"To the average man religion as a thrill is a fantastic thought and church-going is close to a final extremity. Yet the fact remains that to a minority group in the past and present, religion is a thrill." Very Rev. C. Ritchie Bell, D.D., professor of practical theology at Presbyterian College, Montreal, declared here yesterday in a sermon delivered at St. Andrew's Presbyterian Church.

"It was the overwhelming joy of life to such men as Paul, Augustine, Wesley, Whitefield, Brother Lawrence, John Knox and Martin Luther. Religious could become a thrilling thing by considering the great love of God or by understanding the wonder of prayer," Dr. Bell said.

Dr. Bell stated that prayer brings mankind into communion with God, gives him interior relaxation and serenity and is the manner by which moral courage can become a daily possession.

"Worship is the pause that refreshes and in proportion as one worships he enjoys freedom from tension and strain. True prayer is the great quietener, for it keeps the personality, calm, balanced and

Special Week-End Music Program At Salvation Army

On Saturday evening a musical program was presented by the Salvation Army Band and Songster Brigade at the Sherbrooke Citadel on the occasion of the week-end visit of the Secretary for Immigration, Senior Major J. A. Calvert. Several brisk marches by the band and a few memorable revival songs by the Brigade along with some of the old time choruses provided enjoyment for all, young and old alike.

At this time Mr. Syd Hart, a prominent friend of the Salvation Army presented the Corp with a portrait of Her Majesty Queen Elizabeth II. This portrait is to be appropriately placed in the hall.

Commissions were then presented to the Bandmaster and Bandmen by the Major, who is doing so added a few words suitable to the occasion and wished the band success in its future work for God. Also a band Reserve Certificate was presented to Brother Robert Moulard, thus honorably retiring him from active service as a Salvation Soldier.

Sunday saw the Major lead the morning and evening meetings along with the assistance of the Band and Songsters. On Sunday evening, on behalf of the commissioner he presented Songster Commission to the songsters, the vocal group at the "army."

St. George's Choir Members Are Feted

A short monthly meeting was held in the church hall. The president opened the meeting in the usual manner and 29 members answered the roll. Minutes were read and approved and the treasurer gave her report.

The date was set for the Easter Tea on April 21, and tentative arrangements were made.

There being no further business the meeting was adjourned by Mrs. Burt.

The Ladies then set up and decorated tables in the lower hall and entertained members of the choir with their wives and husbands at a delicious chicken-pie supper.

"If more persons would find their way to a place of worship each week there would be less people waiting in the consulting rooms of psychiatrists. Prayer is not begging; it is affirming. It is not the whiner seeking a grudging aim, but a son and daughter making a grand declaration."

"THANK YOU"

Ascot Lodge To Provide Annual Oyster Supper

The annual oyster supper sponsored by Ascot Lodge, No. 30, A.F. and A.M., will be held on Saturday evening, March 13, in Gertrude Scott Hall, Lennoxville.

Woman Slightly Hurt In Mishap

Municipal Police reported only one accident over the week-end. Mrs. Rejeanne Dostie, 26, of 1820 King Street West was struck by a car owned and driven by Bertrand Tarte of 338 Ball Street at 6:20 on Saturday night.

Mrs. Dostie was walking from south to north on King street not far from her home when she was hit. She was removed to St. Vincent de Paul Hospital suffering from lacerations to the left wrist and nervous shock. She is being retained under observation.

Beaver Meadow Farm Forum In Regular Session

The Beaver Meadow Farm Forum held its weekly meeting at the home of Mr. and Mrs. Frank Green with ten members being present. A very good discussion on school taxes was held, the majority agreeing to the present method of taxation is being satisfactory. After this lengthy discussion, The Green Leaf was read, and other papers discussed. Games of "500" were enjoyed, after which the hostess, Mrs. Smith, assisted by Mrs. William Arbery, served delicious refreshments. The next meeting is to be held at the home of Mr. and Mrs. Gordon McBain.

Left On Porch, Injured Collie Finds New Home

A baby was delivered not far from the doorstep of the Frontenac street home of Inspector Frank J. Thompson, of the Sherbrooke S.P.C.A., on Saturday afternoon, but it was not a human baby. It was a two-months-old Scotch collie.

An anonymous call had arrived in the afternoon saying there was a collie pup with a broken leg not far away. When told by Mrs. Thompson that the S.P.C.A. truck service had been suspended the caller, a man who refused his name, hung up.

At about 10 o'clock the same evening the pup was found in the Thompson sunporch. After a good meal and a bit of doctoring he recovered enough to play on three legs with the Thompson dogs. He was adopted this morning.

The S.P.C.A. has had quite a few calls since the suspension of its truck service for lack of funds. Most of the dogs have been looked after by Dr. L. A. Gendreau, the veterinarian who has helped the Society many times.

Slippery Roads Fractured Leg Of Churchgoer

Slippery streets yesterday caused an elderly lady to fall and injure herself on her way to church. Miss Sadie Morrissey, of Racine, slipped and fell on the sidewalk yesterday.

She was brought to the Sherbrooke Hospital where she is being operated on for a fractured right leg. Condition is not serious.

Social Creditors Invade Home Of Mayor During Week-End Propaganda Drive

The city is once again being plagued by another group wishing to sell literature from door to door. The hopefuls this time are the Social Creditors.

Yesterday morning two Social Creditors were arrested outside of St. Joseph's church on Belvidere Street for refusing to circulate after being warned by the police. They had previously asked permission of the Parish priest to hold a meeting after Mass and this was refused. Their arrest followed after they had caused a disturbance outside the church.

Twenty of these young men, all wearing white berets, called on the

Mayor at his home last night to seek his help on their behalf. Mr. Levesque heard them but not by door to door. They had taken off their berets, which they had previously refused to do. They then called on W. H. Bradley, Q.C., who represented them this morning when they appeared in Municipal court before Acting Recorder Richard Crepeau. Their case was postponed to next Monday, March 15th.

City Council intend to deal with this matter in the very near future and it is hoped they will pass a by-law preventing any such groups from disturbing the peace any more.

Death Claimed Mrs. L. R. Hebert This Morning

The death occurred at the St. Vincent de Paul Hospital, this morning of Mrs. Lucie R. Hebert, 658 Prospect Street.

Mrs. Hebert, formerly Miss Rita Gordon, native of Sherbrooke, was married in 1933 and in addition to her husband leaves three sisters: Mrs. Ashley Burton, Ayer's Cliff, Mrs. T. L. Dumont, Knowlton, Miss Gertrude Gordon of Montreal, six brothers, Clarke E. and John D. Gordon, of Detroit, Lloyd L. Gordon, Ottawa, Charles J. Gordon, Covansville, William J. Gordon, St. Johns, Que. and Hugh E. Gordon of Granby. She also leaves five sisters-in-law and two brothers-in-law.

The body is resting at Brien Funeral Parlor, 22 Ball Street, from where the funeral will be held on Wednesday at 9:15 a.m. for service in St. Patrick's Church at 9:30.

Revision Urged In School Taxes

The Third Range Farm Forum met at the home of Mr. and Mrs. E. M. Hall and Leland Hall. There was a small attendance owing to illness and sugar-making.

The broadcast, "The School Tax Rate," was listened to.

The secretary read the Green Leaf. Leland Hall led the discussion, "Do you think that the property school tax is on a fair basis?"

The answer was yes, but every family should pay a school tax, so non-property owners should pay a direct school tax.

TINGWICK—

Mr. Alfred Picard, of Ste. Marie de Beauce, spent the week-end with Mr. and Mrs. C. Picard.

Mr. and Mrs. Andrew LeRoux and Miss Joyce LeRoux were guests of Mr. and Mrs. Harry Evans, at Asbestos.

Mr. and Mrs. W. Broscomb and Anthony and Tonnetella Broscomb and Mrs. L. Walker were guests of Mr. and Mrs. Emerson, in Danville.

NO. 40

EXPLANATION OF MORE DIFFICULT CLUES:

ACROSS:

- LIFE is the more comprehensive answer since, if he happens to be married, the wife will merely be part of his full life.
- REST is more comprehensive. It can help a man to put more vigor, or zest, into his work.
- WASTER is better. To be as apt as WASTER, WASTER needs to be qualified by some uncomplimentary adjective, such as "lazy".
- CHANGE is best. The driver is a "good" one. This does not mean because he is a good driver that he is over cautious or unduly careful. So he being a "good" driver might judge he could CHANGE it particularly being in a hurry. The clue doesn't say he is replacing the tire with a new one. He is probably only substituting the spare which might also induce him to CHANGE it.
- MEDAL is best. Pedals go in pairs, and PEDAL seems a little odd in the singular. MEDAL is very apt.
- ROMAN is best. ROMAN implies an ANCIENT ROMAN, thus the book will have considerable historical interest which may make it fascinating reading. WOMAN is too vague.
- TIP is best. A TIE may be quite good, but not suitable and so not likely to be chosen. Since it is good, might well be defined as a USEFUL piece of information.

DOWN:

- HOPE is preferred, since this would apply in any of the many ways in which a person can be "in a bad way", whereas DOPE would not.
- SNOW is best. The clue says "a trip to the theatre". SNOW may spoil the trip TO the theatre. The SHOW may spoil your pleasure at the theatre.
- MITTENS is best. "Nice soft little" is a pointer to MITTENS. MITTENS. ALL MITTENS are soft and little.
- LEARNED is best. "A thirst for knowledge" is a spontaneous love of learning, or a thirst for knowledge. A LEARNED person, a LEARNER has a NEED for knowledge, but not necessarily a "thirst" for it.
- LOVELY is best. The artist who works outdoors develops the ability to ignore people, thus LOVELY is weak. A LOVELY spot may well be ideal.
- COW is best. To make a driver to "IN THE MIDDLE OF THE ROAD". A COP "policeman" would be better, can signal a driver to stop from a variety of places. COB is not good.
- WALK is best. When a baby stops crawling and begins to WALK, the parents are naturally pleased. Baby's speech on the other hand, passes through a process of evolution from mere noises to more or less fluent expression, and you therefore cannot say that there is a time when baby "begins to TALK".

Engravers To Accept Compromise

New York — (P) — A possible new strike against major New York City newspapers has been averted, with AFL photo-engravers voting to accept a fact-finding board's decision.

The photo-engravers Sunday voted 209 to 76 to accept a weekly package of \$3.75 including wage increases and other benefits. This was the same package that the publishers offered before the engravers went out on strike at the city's major newspapers for 11 days during the Christmas shopping season.

The engravers had agreed to let a fact-finding panel decide whether they should get more than the \$3.75 package offered. The board's decision, announced last Tuesday, was not binding on either side, and the engravers could have struck again.

Both Edward J. Volz, president of the International Photo-Engravers' Union of North America (AFL), and Denis M. Burke, president of Local 1 here, urged the members to accept the recommendations. Burke said: "It's a bitter pill that no one hates to swallow more than I do."

Slay Trio In Venging Of Lieutenant

Cuernavaca, Mexico — (P) — Supporters of Gen. Miguel Henriquez Guzman shot and killed three government political leaders and critically wounded a policeman Sunday in a new outbreak of the continuing strife between the Henrriquezistas and President Adolfo Ruiz Cortines' regime.

Witnesses said Ruben Jaramillo, former Henrriquezista candidate for governor of Morelos state, led the attack by about 30 men on the town of Tlacotal, southeast of Cuernavaca. They said he shouted it was to avenge the slaying of one of his lieutenants in a clash last week with troops in the area.

The Henrriquezistas also have said that the government assassinated three of their leaders in Mexico City recently.

In Sunday's attack Jaramillo's band grabbed two local political leaders who were killed by a firing squad. They also shot and killed a city council member who heard the firing and ran into the street. A policeman who tried to stop the raiders was wounded, and is not expected to live.

The hand then kidnapped an official of a sugar mill, apparently for ransom.

Henrriquez ran second to Ruiz Cortines in the 1952 election. His party was outlawed last month.

Wrongfully Jailed, Faces New Charge

Hartford, Conn. — (P) — Lawrence D. Howley, serving a federal prison term for a \$25,000 robbery confessed by another man, won't get complete freedom if he is released, state police said Sunday night.

Howley will be charged with another robbery, state police commissioner John C. Kelly announced.

At the same time, U.S. district attorney Simon S. Cohen said Howley would be released immediately from the Danbury, Conn., federal correctional institution if the Federal Bureau of Investigation finds the confession of Bernard E. LaClair in Fort Wayne, Ind., is true.

Fort Wayne authorities said LaClair admitted Friday the \$25,000 holdup of the New Britain National Bank branch in nearby Berlin along with a string of others in Indiana, Ohio and Massachusetts.

The Connecticut state police commissioner said Howley would be arrested on a charge of armed robbery of a Kensington restaurant in September, 1952.

Howley was convicted of the Berlin bank holdup May 19, 1953, about 4½ months after it occurred, and sentenced to 10 years. He insisted he was home listening to the radio when the holdup occurred.

Boy Scouts News

By ALAN TRUSSLER
Although the Sherbrooke District Council has set up a committee to make arrangements for the forthcoming Sixty-Patrol, leader and district rallies, a meeting of the Cub and Scout leaders of the district is an absolute necessity. On Wednesday, March 17, at 8:00 p.m. a meeting of all leaders will be held at room 201 of the Bank of Commerce building at 235 Dufferin avenue to iron out anything pertaining to these rallies and draw up suitable programs. As leaders it is your duty to attend this meeting for the welfare of scouting and cubbing as your unit lies in your individual hands.

Congratulations are extended to Billy Brown of the 7th (St. Paul's) Pack, who last week was invested into the movement as a full-fledged Wolf Cub. Meantime, Akela reports that now 2nd star work has commenced to meet the requirements of the amount of fellows needing it.

Last week the Scouts of the 10th (St. Paul's) Troop and their fathers were hosts of the Holy Name Society at their recent father and son banquet. After the supper a film of apparent interest was shown to all present.

Recently the leaders of the St. George's Troop and Pack at Lennoxville met at the home of the Cub Master, Mr. Cecil Dougherty, to draw up plans for the joint hobby show, Saturday, May 15, was the date set for the event. It is understood that from the earnest work on the part of the boys to their hobbies, this event should be well worth attending. Recently the troop has grown in number by two, for Cubs Chester Stroner and Bill Harrison have "graduated" from the Pack and are now with their older brothers in the Troop.

On Friday the 5th (St. Paul's) Pack based their instruction periods chiefly on instruction on Union Jack, 1st Star and Highway Code. Several candidates were successful in passing several of the tests.

In general all units seem to be carrying on routine meetings with much being accomplished in the various phases of scouting and cubbing. The Packs seem to be working on Star work with games being mingled amongst the time while the Troops are doing second or first class work. According to several leaders, many regular hikes in conjunction with various subjects have been planned.

Various units have already begun work for the forth coming rally in June, in which over 300 boys from the Sherbrooke District will take part in. Start now, prepare your work well in advance, for time is quickly fading into the annals of the past and before you know it June will be here. Don't be caught without anything prepared, start now and live up to the Boy Scout motto of "Be Prepared—B.P."

Scouting is a full time game which should be played all year; are you a player or a spectator?

Canadian Singers Received Awards

New York — (P) — Two Canadian-born singers were given awards Saturday night for their contribution to goodwill between Canada and the United States.

Gisèle Mackenzie, a native of Winnipeg, and Dorothy Collins, from Windsor, Ont., singing stars on the Saturday night television show "Your Hit Parade," were honored by the Canadian National Sportsmen's Show, which opens in Toronto March 12.

Ray Lawrence, Canadian consul-general in New York, presented each of the singers with a silver trophy inscribed for outstanding achievements in the television and radio fields and "for her contribution to the development of goodwill between Canada and the United States."

MANSONVILLE—A large number of interested people went to Sutton on Friday evening to attend the Public Speaking Competition sponsored by the Brome County Teachers Association. Competitors from the Intermediate School were Vonita Fuller and Lorna Aiken in Class I, Roberta Bailey and Colin Hopkins in Class II, Dorothy Dix and Ernest Tomuschat in Class III. Roberta Bailey won the first prize in the Intermediate Section so Mansonville has the honor of possessing the trophy for that class. Dorothy Dix came second in Class III.

Women hockey enthusiasts put on a game of broom ball one evening recently. The married women played against the single women, resulting in a score of two to nothing in favor of the unmarried ladies. A collection went to swell the funds of the Athletic Association.

Mothers' March On Polio Resulted In Collection Of \$441 At Boundary

Rock Island, March 8 — The Mothers' March on Polio, held at the Boundary Villages of Stanstead, Rock Island and Beebe on Friday evening, February 26, sponsored by the Stanstead Frontier Branch No. 5 of the Canadian Legion and the Ladies Auxiliary of the Legion, was a decided success resulting in the collection of \$441.04.

Stanstead donated \$116.50, Rock Island \$192.50 and Beebe \$107.04, with the Ladies Auxiliary of the Legion donating \$25 to the drive. After the list of canvassers was published last week, others volunteered to march, namely, Mrs. Bernard Laberee, of Beebe, Mrs. Clara Curtis and daughter Christina

and Melinda Leckie-Ewing, of Stanstead. The chairman of each community wishes to thank the canvassers who marched in the rainy weather, and the canvassers want to thank all citizens who donated so willingly and generously in the very worthwhile cause of striking at this crippling disease.

Thanks also go to the Stanstead Journal, Sherbrooke Record and Newport Daily for their excellent publicity prior to the march, to WKE radio station at Newport for daily announcements two weeks prior to the canvass, as well as to the clergy, who made the announcement from the pulpits the Sunday preceding the drive.

The success of the canvass was through the co-operation of everyone. It is expected this drive will be an annual event in the communities. In addition to the amount collected, the Legion Branch has also circulated Dime cards and has had "iron lung" containers in public places, from which quite a sum of money was collected.

After all reports are complete the Legion will report on the total collections to be sent to Provincial Command in Montreal.

HAPPY GANG CLUB

The Happy Gang Club was delightfully entertained at the home of Mrs. Thomas Lees, Rock Island, on Friday evening, February 26,

with ten members attending, two being absent because of illness. This was the birthday observance of Mrs. Goff Probyn of Stanstead, who was presented with a gift of money by the hostess, Mrs. Lees, and extended the usual good wishes by her friends.

Games were played and the winners awarded prizes. Mrs. Howard Bishop winning the guessing game. Refreshments served by Mrs. Lees included a pretty trimmed birthday cake, made by Mrs. Eulalie Goodsell, who was to have been the assisting hostess, but was unable to attend owing to illness. The cake was presented to Mrs. Probyn, who made the initial cut, as the Birthday Song was rendered by the group.

The next party will be held on March 26 at the home of Mrs. Clifford Shonyo in Stanstead.

U-NEED-US CLUB

The U-Need-US club of the Derby Line Universalist church met at the church social rooms on Wednesday evening, February 24, sixteen members and two guests attending.

The president, Mrs. Carl Nelson presided, and the meeting opened with devotionals conducted by Mrs. Wayne Hitchcock and Mrs. Frank Grout. The usual reports were given and approved.

Mention was made of the Lenten services to be held the next few weeks at the various churches in the community with the first service taking place at this church on March 3.

The next meeting was planned for March 10, when the guest speaker will be Dr. Caffin of Orleans. The Women's Society of this church will also be guests at this time to hear the Doctor speak on physiology.

The meeting adjourned and a short skit, "Fresh Bearable Winds" was presented, with a cast of Mrs. Carl Nelson, as Jeff, the father; Mrs. James Stevens, Jr., as Tucky, a ten year old boy; Mrs. Fred Batchelor, as Aunt May, a 60 year old lady; Mrs. Lola Kelley, as Helen Griddly, a ten year old spoiled brat, and Mrs. C. A. Bacon as Mrs. Griddly.

This amusing skit was very entertaining and exceptionally profitable, providing a lot of good advice in handling growing children. The enjoyable evening terminated by the serving of refreshments by the hostesses, Mrs. Hitchcock and Mrs. Grout.

BIRTHDAY PARTY

Miss Sandra Hartley, daughter of Mr. and Mrs. Ellie Hartley, of Rock Island, observed her tenth birthday on Saturday, February 27, the highlight of the day being a party given by her mother at 4 o'clock.

Games were played until the tea hour when supper was served at the dining table, beautifully appointed in pink and white and having a place card, a basket of sweets, favors and balloons at each place. The table was centered with the traditional cake, topped with ten candles.

The remainder of the evening was spent watching TV programs. Attending the party were Misses Verdena Ellis, Beverly Dustin, Linda Ellis, Linda Pellerin and Sandra's sister, Connie.

What's news at Inco*?

Pumping ore through a 7-mile pipe

If you were asked to transport more than 12,000 tons of ore 7 miles every day, you would not think of using wheelbarrows. You might think of trucks, or you might use trains, as we did for many years, but that would require 400 big railway cars per day.

Inco engineers came up with a plan to separate the ore at the mine-head into two products—valuable material (concentrate), and waste rock (tailings). The concentrate is pumped 7 miles through wood stave pipes to the Copper Cliff smelter. The waste material is pumped 4 miles to waste beds.

Why pump the waste so far? Because we must not fill up valuable lakes and streams.

This new transportation has helped make it possible to mine low grade ore. It has saved trouble too. These materials in ore cars would freeze solid in the sub-zero temperatures of this district. Freezing has not occurred in these B.C. fir lines since they were first put in operation.

Account Of A. C. W. W. Convention And St. Faith's Guild W. I. History Given At Stanbridge East At Magog Hold Tea, Food Sale

Stanbridge East, March 8 — The Stanbridge East Women's Institute enjoyed a rare treat at the home of Mrs. Neil Crelier, when Mrs. Gordon Harvey gave an account of the A.C.W.W. Convention, held last August in Toronto, Ont.

It is impossible, of course, to give the complete text of the report, but one may grasp the importance of the event, when you realize that over a 1,000 women from 25 countries of the world attended this great convention, and that on Canada Day over 12,000 women were in attendance at Maple Leaf Gardens.

A pageant, which portrayed the development of our wonderful Canada was the high light of the entertainment. Scenes from the lives of the Indians; the early settlers, the movement West; the founding of the first Institute at Stony Creek, Ont.; Canada at War; the Red Cross; etc., on and on it went right up to our present Canada, a beautiful, young, healthy girl—barely in her teens—that's what our Canada is today.

A young country, beautiful, healthy and growing like a teenager, and along with it grows the Women's Institute of Canada. Canada, as you know was the birthplace of the Women's Institute. One woman, Mrs. Adelaide Hoodless, because she lost her baby through the use of impure milk, decided to do something about it. She founded the first group at Stony Creek, Ont., on February 19th, 1897, and from that small group has grown the largest women's organization in the world.

It's membership is made up of women from all stations of life, from farm women in rural communities to our noble Queen in Buckingham Palace. Women who devote their time and energy to improving living conditions the world over.

The first Institute in the Province of Quebec was organized on January 27th, 1911, at Dunham, by Mrs. Jean Muldrew, of Macdonald College, with Mrs. G. M. Beach, of Cowansville, as president.

The first Provincial Convention of the Quebec Women's Institute was held at Macdonald College on February 11th, 1914, to which came representatives from the Women's Institute at Dunham, Howick, Cowansville, Cookshire, Shawville and Bristol.

At this convention the "Women's Institute" was changed to "Home-maker Club" only later at the seventh Annual Provincial Convention June 1920, to return to the name "Women's Institutes" in conformity with the name given to the clubs in the other provinces of Canada. The Quebec Women's Institute was incorporated February 20th, 1933.

In 1915 the Women's Institute movement was started in the British Isles; Llanfair, P.G. Anglesey, Wales, being the first to organize. Mrs. Alfred Watt, M.B.E., A Canadian, holds the honor not only of introducing the Women's Institute into England and Wales but also of organizing the Sandringham Women's Institute, of which Her Majesty, the late Queen Mary was a chosen president.

In February 1919, representatives from the Women's Institute of the several provinces of Canada met in Winnipeg, Man., and there formed a Federal organization, an organization that would unite the work being done in the different provinces, one that would act as a clearing house for the various provinces. This was constituted the Federated Women's Institute of Canada.

The objects of the Women's Institutes are: 1. To encourage the development of Agriculture and promote school fairs; 2. To raise the standard of homemaking, maintain the national traditions of handicrafts, and encourage the production and use of Canadian made goods; 3. To promote all educational measures, particularly rural education; 4. To teach Canadian Citizenship and to foster a true spirit of patriotism and the maintenance of Imperial relationships; and to assist in the colonization of new Canadians; 5. To promote the welfare of the child and the health of the public, cooperate to this end with the health authorities and social agencies; 6. To disseminate news or information regarding the Women's Institutes in order that the objects here referred to may be fittingly attained.

Thus from these six objects come our six conveners, Agriculture, Home Economics, Citizenship, Health and Welfare and Publicity. It is the aim of our Institutes to lend a helping hand in our communities regardless of race or creed. At present one of the projects of our local branch is to help in raising funds to clear the debt from the Memorial Hall. As you know our hall is only a little over a year old and already the debt has been reduced to around \$5,000—a very small debt considering the cost of erecting a hall of its size and convenience. It is our aim to try to pay a consider-

able sum on the principal during the coming year, besides the maintenance and upkeep. The sooner the debt is cleared the sooner the directors will be able to reduce the cost of rental to community activities.

Business carried on at the February meeting was the appointment of the nominating committee: Mrs. Harvey, Miss Hazel O'Neil and Mrs. G. Bullard; Program committee, Mrs. Lyall Richard, Mrs. Earl Cornell and Mrs. Donald Blinn.

A letter of thanks was read from the Shriners Hospital, of Montreal, for toys sent them at Christmas.

The annual meeting in March will be held at the home of Mrs. Earl Cornell.

Refreshments were served by the committee in charge and everyone enjoyed a pleasant afternoon.

Stanbridge Ridge Forum Suggests Increased Grants

Stanbridge Ridge, March 8 — There was an attendance of fifteen at the Forum meeting held at the Frank Corey home.

The broadcast was on the topic "Are School Taxes Fair? How Should They be Set?"

Mr. Frank Corey led the discussion in the absence of the chairman, Mr. Wilbur Clough.

Two discussion groups were formed and agreed that in the main, the property school tax in this locality is fair, discounting the problem of Quebec tax-payers, two sets of schools in every municipality, one for Protestant and one for R.C. school.

One group suggested that since in war time, such huge sums are raised for defence purpose, and at the present sitting of Parliament, very large sums were being allocated for increased salaries of M.P. members, surely money could be forthcoming in the form of larger grants, both provincial and federal, for the education of our children.

The minutes and "Green Leaf" were read and some plans were discussed on financial matters.

Mr. and Mrs. Patterson will entertain the next meeting in the parish hall at Stanbridge East.

A pleasant social hour was enjoyed and refreshments were served.

Close Matches Feature Lennoxville Bonspiel Finals

Carl Skinner's Local Foursome Cops John Nichol Memorial Trophy While Stan Hamilton Wins Lennoxville Press

Carl Skinner of Sherbrooke won the John Nichol Memorial trophy and Stan Hamilton of Lennoxville copped the Lennoxville Press trophy in the finals of the 22nd annual Lennoxville Curling Club Bonspiel Saturday evening.

Skinner's local foursome topped off Wes Nichol's Lennoxville quartet 11-9 in a closely fought battle while in the other section of the "Spiel Stan Hamilton guided his squad to a 10-7 decision over Sonny Mooney's rink in another well contested duel. Both matches were close the whole way and the outcome was in doubt right until the last couple of ends.

Following the final games the prizes and trophies were presented. Howard Moffatt, vice-president of the club, presented the Nichol Memorial trophy while Otis Burns awarded the Lennoxville Press trophy.

One hundred and eighty curlers attended the Bonspiel dinner held Saturday noon and everyone had a very enjoyable time. Norrey Hunting, president of the club, officiated and called upon Mayor Lee Watson of Lennoxville to welcome the curlers. Following the official welcome Mayor Levesque spoke a few words and thanked the Lennoxville Club for their invitation and told a few humorous stories. President Hunting then called upon Rev. Dr. Outerbridge, honorary chaplain of the Club, for a few words.

J. A. Ste. Marie thanked the ladies for the wonderful banquet while Dr. J. Hibbard, vice-president of the Sherbrooke Club, E. Whalley of Magog and W. S. Richardson, chairman of the Bonspiel Committee, were the other speakers. Mr. Richardson thanked all the curlers for their fine support and made special mention of his committee and the press for their untiring efforts in making the event such a fine success.

Wes Nichol was leading Carl Skinner at the end of the 6th by 7-3 and seemed to be on his way towards having his name added to the trophy given in memory of his father. However, number "seven" must be his unlucky number for in that end Carl counted four to tie the game 7-7. Carl added two on the eighth and one on the ninth to increase his lead to 10-7. Wes picked up one point on the last end to make the final score 10-8.

In the consolation event the teams were evenly matched and the game was close throughout. At the end of the third the score was 3-3. At the end of the fifth 5-5. Stan Hamilton picked up a point on each of the next three ends to make it 8-5 going into the ninth. Ronnie Mooney tried to tie the count with three stones on the button. Skipper Hamilton had last shot and cut the count down to two which took Hamilton into the last end with a one point lead and last shot. In the final end both leads and seconds knocked each other out while the thirds put their four rocks in the house. Hamilton's two were on the button and Mooney grazed them with

his last stone. Hamilton drew his last shot to the other two giving him three for the end and a final score of 11-7.

Vice-President Moffatt thanked the donors of the prizes and congratulated W. S. Richardson for the smooth way in which he had organized the bonspiel for the fifty-six rinks which had entered the 22nd annual competition.

In the semi-finals of the Press trophy Sonny Mooney's rink came through with a 10-4 win over Bert Keeler's Sherbrooke crew while Stan Hamilton downed Roy Hatrick of Brant Manor 10-3 to win their way into the finals.

In the semi-finals of the John Nichol Memorial trophy it was a close duel in both matches. Carl Skinner of Sherbrooke eked out a 7-6 decision over Bruce McTae's local quartet but only after a hard fight. Skinner was leading 6-5 coming home and Skipper McTae got three stones in the house but Pilot Skinner got one out to stay and when McTae missed on his final stone he came through the winner 7-6 in a hard fight.

In the other half of the semi-finals Wes Nichol walked off with a 12-6 win over Jim Fuller's quartet. The Fuller squad was ahead 6-4 until the Lennoxville rink chalked up a five-end to move to the fore and remained there to emerge the victors after a close duel.

In the previous matches McRae came through the winner over R. Couture's Windsor rink while Skinner downed Roy Wiggitt 9-2 and Jim Fuller's foursome posted an 8-6 verdict over Sid Cross. W. R. Colling of Thetford Mines upset Rup Atto of Lennoxville 8-5 but then he dropped a 9-6 verdict to Wes Nichol's Lennoxville foursome. Skipper Nichol downed L. Gnaedinger 9-7 to move into the semi-finals.

In the duel for the Lennoxville Press semi-final spots R. Mooney posted an 11-2 verdict over J. Connor of Magog and then came up with a 10-2 win over president Norrey Hunting of Lennoxville. Bert Keeler won his way into semi-finals with decisions over

Lafreniere got his first overtime goal at 5:26 and rapped in an insurance tally at 9:34 to round out a hat trick. His other marker came late in the second period. Laval took a 2-1 lead in the first period on goals by Maurice Blake and Claude Roy, matched Montreal's two-goal spurt in the second stanza, but lost control late in the third as Claude Dion fired an equalizer for Montreal seconds before the final whistle to make the score 5-5.

Other Laval scorers were Jules Hivon and Andre Marceau, while Jean Desrochers, Bernie Quesset, Claude Dagenais, and Jacques Hotté got Carabins four other tallies.

Attendance was 1,686. There were 15 penalties, the visitors drawing 10 of them.

Lennoxville Grads Pull Upset By Edging Independents 38-36 In Opening District Playoff Fixture

George Garard's Lennoxville Grads pulled the biggest upset of the year in E. T. basketball circles Saturday night, when they defeated Sherbrooke Independents 38-36 in the opening playoff game.

The Lennoxville club, who now hold a two-point lead, will be the guests of the Sherbrooke Independents at the Sherbrooke High School gym Thursday night in the final and deciding game of a home and home total point series. This game is scheduled to get underway at 8:00.

The winner of Thursday's game will represent the district in the provincial playoffs at Shawinigan Falls on March 20-21. The game, played before a small crowd at Lennoxville High School gym, marked the first defeat of the year for Ray Brown's team in eleven league games and playoff tilts.

The game, although lacking in high scoring, saw both teams put on an excellent display of hard work and close checking. Even so the referees found the checking very clean as they only saw fit to call a total of 17 fouls. Eleven fouls were handed out to the Independents and the remaining six were given to the Grads.

The checking was very prominent throughout the first half with a 7-7 tie at the first quarter, followed by an 11-11 deadlock at half-time.

Aces Upset Royals 5-3 To Move Into Sole Possession Of Fourth Position

Quebec Aces advanced into sole possession of fourth place in the Quebec Hockey League Saturday, scoring a 5-3 upset victory over Montreal Royals before 7,846 fans.

The triumph was the fifth straight for the Aces in their climb from sixth place. The decision broke a fourth-place tie with Valleyfield Braves, who lost 8-4 to Ottawa Senators.

The Aces outplayed the second-place Royals thoroughly in the first two periods, outscoring them 4-1. Goalie Jack Gelineau was spectacular in the final frame as the visitors put on the pressure. The Quebec netminder had to handle 16 shots in the third period while Montreal's Bob Perreault was tested only five times.

Larry Regan, Buddy Bonne, Ray Powell, Michel Labadie and defenseman Joe Crozier were the Quebec marksmen. Crozier played an outstanding game, breaking up Montreal attacks time and again. Former National League Dick Gamble pumped home two goals for Montreal and Gerry Desaulniers scored the other. Lulu Denis had a hand in all three goals.

Montreal Royals Swamp Valleyfield

Montreal, March 7. — Montreal Royals yesterday blanked Valleyfield Braves 7-0 in a Quebec Hockey League game before 5,500 spectators but the win left them still in second place as the pace-setting Chicoutimi Saguenays defeated Quebec Aces 5-3.

Montreal's defensive platoon played a big part in the Royals' victory. Goalie Bob Perreault turned back 20 shots to register his 4th shut-out of the season and defenseman Glen Harmon and Roger Leger tallied a goal each. Harmon also collected two assists and Leger one.

Dick Wray scored two goals — Both within the last two minutes of the game — and Lulu Denis, Edouard Litzberger and Skipper Burchell contributed one apiece.

Goalie Andre Payette made 40 stops for Valleyfield but had little protection.

Leger opened scoring when he staged an end-to-end rush, stick-handling and shoving his way through the Valleyfield team to poke the puck through Payette's legs.

Denis connected at 19:37, lifting in Dick Gamble's rebound, and Litzberger tallied the only goal of the second frame while Burchell's Bingo Ernst was sitting out a penalty.

Burchell and Harmon added two more goals in the third stanza and Wray counted his double just before the closing siren.

Royals drew six of the game's eleven penalties but Wray and Gerry Desaulniers checked effectively to help kill them off.

Frontenacs Defeat Canadiens 4-1

Quebec, March 8. — Quebec Frontenacs wound up their Quebec Junior Hockey League schedule yesterday with a 4-1 victory over the first place Montreal Canadiens.

Mike Ratford rapped in three goals for Quebec and Charlie Denomme completed the scoring. Warren Hynes scored Canadiens' only goal.

The teams battled through a scoreless first period before Ratford counted twice in the second to put Quebec ahead. Denomme made it 3-0 before the period ended.

Hynes ruined Jacques Marcotte's shutout attempt at 2:55 of the first period but Ratford came back to match that tally for Quebec.

5:01. Hollingsworth 10:50, Nadeau 16:09.

Third Period

6. Montreal Desaulniers (Denis, Gamble) 3:58

7. Montreal Gamble (Desaulniers) 7:24

Maurice Richard Tallies His 35th Goal To Give Canadiens 3-3 Tie With Boston Bruins In Hard Tilt

Montreal — (CP) — Maurice (Rocket) Richard's 35th goal of the season, the only marker in a thrilling third period, gave Montreal Canadiens a 3-3 tie with Boston Bruins Saturday night.

The point-hungry clubs each benefitted by the tie, but neither appeared satisfied to settle for a deadlock as they fought out the fast, open game before a crowd of 14,410.

Dave Creighton, Fleming MacKell and Eddie Sandford scored for the Bruins and Burch Bouchard and Bert Olmstead for Canadiens before Richard supplied the tying counter on a perfectly timed pass by Doug Harvey. Bouchard's goal was the first of the season for the veteran Montreal defenceman. Creighton's was his 17th, all but two scored on the road by the handy Bruin forward.

Canadiens had to overcome a two-goal deficit to earn the tie and each time the Bruins were short-handed. Through the split-points saw-off the National Hockey League standing underwent at least a temporary change. The Bruins took over fourth place from the New York Rangers by a single point and Canadiens moved into a second-place tie with Toronto Maple Leafs.

In addition to capitalizing on Bruin penalties and absorbing without trouble two of the five called against both teams, the Montrealers had a 34-24 edge on shots.

Creighton scored on a backhander early in the first period after Bouchard had lost the puck deep in his own end. Bouchard evened the score seven minutes later with a screened shot off Richard's pass but MacKell put the Bruins ahead again at 17:08. Bob Armstrong supplied the centre-ice pass and MacKell neatly split the Doug Harvey-Jim MacPherson defence, moving in on goalie Jacques Plante to score with a high corner shot.

Sandford gave Boston a two-goal lead at 8:56 of the second period, taking Johnny Peirson's pass and scoring on a screened shot. Late in the period Olmstead deflected Bernie (Boom Boom) Geoffrion's shot past

goalie Jim Henry while Armstrong was serving a penalty. Sandford was in the box when Richard took Harvey's perfect goal-mouth pass and scored before Henry could get set.

The game ended the regular-schedule play between the teams, Canadiens having six wins, four ties and four losses. They lost no games at home but on Boston ice the Bruins won four and tied two, dropping only one game.

Canadiens Tie With Two Hillcrest Men
Detroit Red Wings Place In Quebec

Detroit, March 8. — Detroit Red Wings, frustrated for 50 minutes by rookie goalie Jacques Plante, scored two goals in 23 seconds of the third period to tie the Montreal Canadiens 2-2 in a torrid National Hockey League game last night.

Alex Delvecchio and Bill Dineen scored the crushing, goals which dropped Montreal into third place in the standings.

Montreal swept to a 2-0 lead in the first period on goals by Jean Beliveau and Bert Olmstead and seemed sure of remaining in a second-place tie with Toronto Maple Leafs, who blanked New York Rangers 4-0.

But the league-leading Wings, digging to keep up their sixth straight league championship, brought the sellout crowd of 14,089 to its feet by ramming in two close-up goals past Plante, who had been unbeatable until then.

Delvecchio, a Red Wing disappointment this season, swept in from the right side, took a pass from Gordie Howe and drilled his 10th goal from about 10 feet out.

Before the Canadiens could settle down, Detroit again rushed into their zone and swarmed around the net. Dineen took Metro Prystai's passout from behind the goal and drove home a five-footer for his 14th goal.

The Canadiens tried hard for the tie-breaking goal but the Detroit defence, minus the injured Red Kelly and Marcel Pronovost, held them off.

Beliveau scored after less than four minutes of play, firing a long 35-footer. It was his 10th goal since he first joined Detroit. At 17:25 Olmstead tipped in Beliveau's long shot for his 14th goal.

Ed Stankiewicz Paces Saints To 4-0 Win Over Ottawa

Posts Hat-Trick As Dave Gathrum Registers Fourth Shutout Of Year; Bud Howard Wins Buick Riviera Sedan

Perseverance finally paid off for the Sherbrooke Saints. The locals, who have gone winless in their last eight starts on their home ice, finally broke the jinx last night in a masterly fashion when they applied a first class white-washing job to the Ottawa Senators 4-0 with Dave Gathrum and little Ed Stankiewicz playing the major roles.

It was the first win for the Saints at home since January 28 when they trimmed the Indians of Springfield 7-4. The victory moved them back into fifth spot, one point ahead of the Valleyfield Braves and the same behind the fourth-place Quebec Aces.

BUD HOWARD WINS BUICK
The 1954 Buick sedan which was raffied last night at the end of the game was won by Bud Howard of Sherbrooke. The numbers were drawn by Hon. J. S. Bourque, who drew the first number, which was 7, while Maurice Gingues picked out the second, 6, to reduce the field to ten while Mayor Emile Levesque came out with the winning one which was 3 and was held by Bud Howard. Five of the last ten ticket holders were on the ice for the final drawing. Turk Broda, coach of the Senators, attended to the pucks, picking them off the board each time to fill the pool.

The shutout was the fourth for Gathrum, who had previously posted blanking jobs on Quebec and Valleyfield, with a scoreless tie on the Senators at the beginning of the season. Stankiewicz, who was moved into a new role last night as he took over the centre slot on a new line, was a ball of fire and turned in a strong two-way game. He tallied his hat-trick with goals in the first and second, while Joe Malo, member of the same trio, notched the fourth one in the third period.

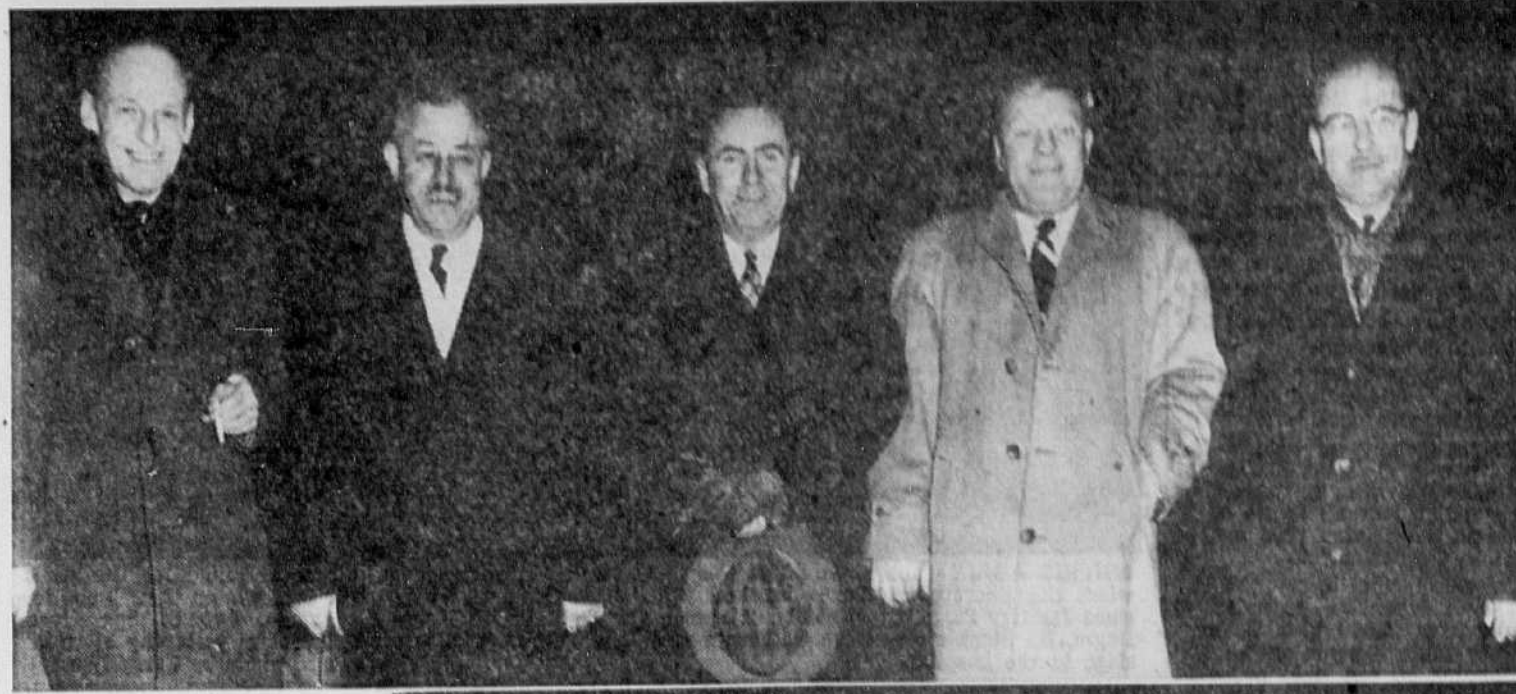

The Saints dropped a close verdict to the Indians in Saturday night 2-2 and yesterday's game was an important one for the locals. They now trail the Aces by one point and the third place Senators by seven points. They move to Montreal to tangle with the Royals tomorrow evening and Wednesday they take on the Broda squad in the Capital City before returning home Saturday to be hosts to the Royals.

Ed Stankiewicz registered his first goal in the opening frame when he checked Riopelle on a gangling play and broke away alone with Devanny at his mercy. He made no mistake as he picked the corner and the Saints were ahead with Nels Podolsky sitting out a holding penalty.

The Saints were driving all out and just before the end of the frame Stankiewicz tallied his second goal from a scramble around the Ottawa net. Rivalyk, newcomer to the squad, and Moe Irving drew the upper hand and forced Devanny to make 13 saves to Gathrum's 6.

In the middle session big Moe Irving split the Ottawa rearguard but lost the disc before he could shoot. Jack Giesebrecht got away from Gathrum and saved the situation. Gilles Dube and Ed Bruneteau were in but failed to click. Hudson got the nod for tripping and during his absence the Saints applied the pressure.

A scramble developed around the Ottawa nets and Johnson claimed the disc rolled across the

Indians Keep Playoff Hopes Alive With 3-2 Win Over Saints Saturday; Rawlyk And Malo Tally For Locals

Springfield, Mass. — The Springfield Indians kept their playoff hopes mathematically alive Saturday when they turned back Sherbrooke Saints, 3-2, in a Quebec Hockey League game before 2,000 fans.

Hugh Currie's unassisted goal from the blue-line at 13:15 of the final period provided the winning margin.

Springfield jumped into a 2-0 lead in the first four minutes of the game when Bronco Horvath counted on a pass from Ants Atanas, and playing-coach Doug McMurtry found the mark on a play with Brent McNab and Del Franche.

Sherbrooke battled back in the second period with a goal by Rivalyk. Ed Bruneteau and Moe Irving drew assists. Joe Malo tied the count for Sherbrooke early in the third period on passes from Ed Stankiewicz and Nellie Podolsky but Currie's goal less than nine minutes later decided the issue.

WINDSOR TAKES 2-0 LEAD IN LEAGUE PLAYOFF

Paper Makers Edge Locals 5-4 In Overtime In Fast-Stepping Contest; Win Saturday; Meet Tomorrow Night

Windsor Paper Makers, with Roger Longpre at the helm, copped the two opening games of the Intermediates "C" playoffs over the week-end. Playing in Windsor Mills on Saturday night, they faced the Sherbrooke Intermediates 3-1, and returned to the local arena on Sunday afternoon to edge them 5-4 in a hard fought 70-minute battle.

Tomorrow night, in the paper town, Roger Gingues' local squad, will face elimination as they tangle with the Windsor club, who hold a 2-0 margin in the best of five series. Should the Sherbrooke Intermediates come through with a win, they will meet in the fourth tilt at the Sherbrooke Arena Thursday night.

Outstanding in both week-end tilts was Benoit Lapierre, the Paper Maker's goalie, who certainly deserves much credit for his work between the pipes, as he repeatedly kept batting out the disc to save the game. Following his sensational netminding exhibition on Sunday afternoon, radical Windsor fans jumped on the ice to congratulate him.

His spectacular saves, came in the overtime period at the local arena, when the Sherbrooke squad, trailing 5-4, plastered him from all angles in a last desperate effort to even the count.

Old timers will recall yesterday afternoon's tilt, as one of the best all-round games with plenty of action, witnessed in Sherbrooke in recent years. Over 1,000 fans, watched ageless Bob Morey bang in the winning tally at 8:52 of the overtime period, to give Windsor the win.

Sherbrooke took a 2-1 lead in the first period on goals by Dave Hayden and Claude Gingues. Hayden's marker came at 13:25 after picking up a loose rebound. Gingues accepted a beautiful pass from Hayden at center, skated in to deep Windsor territory, and poke checked it in for the second goal.

At 17:32, C. Couture gave the Paper Makers their first tally. Defenceman Daigneault passed the rubber to Couture in his proper zone, and he skated over the Sherbrooke blue-line, dragging two rearguards with him. A high shot from the left hand corner of goalie Roch Labbe's net, brought the count to 2-1 for the locals.

Dussault increased this margin to 3-1 in the second period, as he scored on a play with Doucet and Gingues. Behind the Windsor nets, Dussault shot out front to wingman Gingues, but the rubber struck Lapierre's stick, and dribbled into the nets.

Two goals by Windsor in the third period sent the game into overtime. F. Juneau notched the first on a scramble before Labbe's nets, while a break-away by Couture brought the count to 3-3. On the last marker, Labbe was unable to snare the disc as he was knocked down by defenceman Guy Roby, who threw himself forward in an effort to block the shot.

Although the Sherbrooke defence-men were partly responsible for this important marker, they played an exceptionally good game. Ch. Clark, another local rearguard missed action yesterday, and John Dumas, Guy Linday, and Guy Roby had to be alert to check the fast breaking Windsor squad.

With 3:30 played in the extra 10 minute period, Bertrand Papipeau, who was playing despite a bad shoulder injury slipped in Roby's shot from the blue-line to

give Sherbrooke a 4-3 lead. Martin evened the count several minutes later, with Cloutier getting the series by blanking Roger Gingues' crew 5-4. Cloutier, Bachand and Couture were the marksmen in this contest with Lapierre starring in the nets.

Cloutier drew first blood at the 3:00 minute mark of the first period, and Bachand increased the lead to 2-0 at the halfway mark. After playing to a scoreless second frame, and 10 minutes in the third, Couture ticked in a pass from Spennard to complete the scoring. Incidentally, Spennard and Alard were not included in the line-up at the Sherbrooke Arena yesterday afternoon.

Russian Dynamos Dump Canada 7-2 To Win World Hockey Championship; Fourth Time Canadians Lost Title

Stockholm — (CP) — An inspired Russian team taught Canada a lesson in stickhandling, skating and passing Sunday to beat Toronto East York 7-2 for the world hockey title.

The Canadians, unbeaten and untied in six previous starts in the eight-team round-robin tournament, were heavily favored over Moscow Dynamos. Russia's first entry in international competition, who had looked bad at times in compiling a record of five victories and one tie.

But the faster, better-organized Dynamos took command from the opening whistle to hand Canada her worst defeat since the tournament began in 1924. It was the fourth time Canada was beaten for the title in 20 tries.

The Russians also showed mastery of other aspects of a game that once was virtually a Canadian monopoly and was introduced to the Soviet Union only eight years ago.

Their captain argued heatedly and unsuccessfully with one of the Swiss referees over an offside call. And several players joined in a spirited free-for-all behind the Canadian net when Dynamo forward E. Babich fell and dragged East York defenceman Russ Robertson down with him.

The Canadians appeared nervous at the outset and East York manager Don Preston later explained that they had been told to go easy on their checking rather than risk costly penalties.

The Dynamos ran up a 4-0 lead in the first period, made it 7-1 in the second and coasted home. Despite their caution, the Canadians picked up six of the game's eight penalties, two of them resulting in Russian goals.

While he repeated earlier charges that the Swedish press had stirred up animosity against his team, adding that "even some of the referees were affected," Preston withheld no credit from the victors.

"The Russians are wonderful hockey players," he said, "they deserve the victory they got."

Crowd Shifts Sympathy

The Canadians received a hand as they pressed their attack in the game's early stages. But sympathy among the 16,725 spectators gradually shifted to the Dynamos as

the Russian defence blunted most of the East York sorties while East York goalie Don Lockhart was in constant trouble from Soviet sniping.

Lockhart earned the crystal vase he received from the Swedish Ice Hockey Federation after the game as the best goaltender in the series, but inevitably Russian shots got past him.

By the time right-winger Moe Galand outskated the entire Russian team to score Canada's first goal early in the second period, the Ontario Hockey Association senior B club had a three-goal lead to overcome. It was Galand's 16th goal of the series, making him the tournament's top marksman.

Boston Bruins Blank Chicago

Boston — (AP) — Boston Bruins walked Chicago 6-0 last night to boost their margin over New York to three points in the hot tussle for the National Hockey League's last playoff position.

Veteran Joe Klukay scored twice to lead the four-place Bruins to their 10th victory in 12 games with the last-place Black Hawks—while the Rangers were losing to Toronto in New York.

Klukay's goals were his 19th and 20th, well above his previous best season's production of 15. He assisted on a third-period tally by rookie Doug Mohns.

First period goals by Klukay and ex-Black Hawk Gus Bodnar provided all the scoring needed to insure Bruins goalie Sugar Jim Henry of his sixth shutout of the season before a near capacity 13,157 crowd in Boston Garden.

The second session was sluggish and scoreless but in the final Boston broke the game wide open on goals by Leo Labine, Klukay, Mohns and Johnny Peirson.

Boston, with seven games left, has 63 points while New York, with only six games to play, has 60. The two teams meet in Boston Thursday night.

Cornwall Sweeps Ste. Therese Series

Montreal, March 8. — Cornwall Colts registered two victories over Ste. Therese Beavers during the week-end to sweep the Provincial Hockey League best-of-nine finals 5-0.

Sunday Colts shut out the Beavers 4-0 after edging them 3-2 Saturday.

Jean-Paul Payette scored three goals and assisted on another in Cornwall's shut-out win. Gerry Moore collected one goal two assists and Pete Payette two assists. Saturday, Ralph Batten, Cliff Connolly and Pat Long scored a goal each for Cornwall while Real Beloit and Guy Labelle counted for Beavers.

Toronto In Third Spot; Beat Rangers

New York — (AP) — Goalie Harry Lumley, aided by an impenetrable Toronto defence, racked up his 12th shutout of the National Hockey League season last night as the Leafs downed New York Rangers 4-0 at Madison Square Garden. Defenceman Tim Horton scored one goal and assisted on two others for the winners.

The loss dampened the Rangers' chances of gaining a Stanley Cup playoff berth. They dropped three points behind the fourth-place Boston Bruins.

The whitewashing was ample revenge for Lumley, who had to have ten stitches taken over his right eye during Wednesday's game against New York. The 27-year-old netminder, who blocked 24 shots, now is tied with Detroit's Terry Sawchuk for the most shutouts.

Toronto, which moved a point in front of Montreal in their battle for second place, broke the game open with three first period goals—by Eric Nesterenko, Harry Watson and Jim Morrison. Horton was credited with assists on the first two.

Sports Writers Take Blasts At CAHA On Choice Of Lyndhursts As Representatives In Matches

The Canadian Amateur Hockey Association, as was perhaps to be expected, came in for a bit of a roasting today at the hands of some of Canada's sports columnists.

The writers, commenting on Canada's 7-2 defeat by Moscow Dynamos in the world hockey championships in Stockholm Sunday, complained that the CAHA didn't choose a stronger team than Toronto East York to represent Canada abroad.

East York, senior B squad, has been under editorial fire both at home and abroad as not being representative of the country that has made hockey its leading sport. Nevertheless, East York ran up a string of victories in pre-tournament exhibition games in Europe and went undefeated through six games of the world tournament before bumping into the Dynamos.

Sports columnists on morning papers were slow to comment. Only two had anything to say today: Harry Eisen, London, Ont., Free Press:

"No one but the CAHA can be held responsible for Canada's defeat. . . The East York Lyndhursts were not strong enough to uphold Canada's prestige as a leading hockey nation. Unless Canada can send its best team into these so-called world hockey tournaments, the wisest course would be to pass them up."

Jack Howlett, St. John's Nfld. Daily News:

"Canada thought she had the title in the bag before sailing, but this might wake her up for another year."

Choose Team Earlier

Columnists on evening papers, making their copy available to The Canadian Press in advance of publication later today, had this to say:

Steve Herder, St. John's Evening Telegram: "It should take future competition better."

Like Howlett, Herder took the view that Canada's entry was three or four individuals stars, not an outstanding team. They agreed that in future a team should be chosen early in the fall and go through tough drills before entering the games.

Aubrey Keizer, Sydney Post-Record:

Alouettes May Use Molson Stadium For Home Games

Montreal — (C) — Montreal Alouettes of the Big Four Football Union may shift their home playing field from the Montreal Royals baseball stadium to McGill University's Molson Stadium.

President Roy Robertson of the Alouettes Sunday announced the near-completion of negotiations for rental of the McGill stadium and said a decision will be made at a meeting of McGill's board of governors Wednesday.

A spokesman for the university said there would definitely be no Sunday football at Molson.

Seating capacity of each of the two stadiums is about 23,000, but the baseball park is 40 yards short of regulation football length — 10 yards on the playing field and 30 yards in the end zones.

University officials say the McGill field could be expanded to handle from 40,000 to 50,000 persons by utilizing open spaces and eliminating an old field house at one end.

Walls And Harrison To Fight In Toronto

Toronto — (C) — The return heavyweight match between Earl Walls of Toronto and Tommy Harrison of Los Angeles will be staged at Maple Leaf Gardens March 22 instead of March 23 it was announced Sunday night.

Promoter Frank Tunney said the date change was decided upon so as not to interfere with any possible Stanley Cup playoff dates of Toronto Maple Leafs of the National Hockey League.

Harrison won a unanimous 10-round decision over the Canadian champion here early this year.

Riopelle Brothers Set Pace With Two Goals Each As Senators Dump Braves In Fast-Stepping Fixture

Ottawa. — (CP) — Brothers Howard and Hugh Riopelle each scored two goals here Saturday night to pace Ottawa Senators to an 8-4 win over Valleyfield Braves in a fast Quebec Hockey League game. Senators took a 3-1 lead in the opening period, led 5-3 at the end of the second and outscored the Braves 3-1 in the final.

Other Ottawa scorers were Phil

Valleyfield came out strong in the second and evened the score before the half-way mark. Corribeau scored on a long drive that caught the upper corner of the net, and Joannette drilled in a long, low drive at 8:18. Ottawa took over after that and were never headed.

Howard Riopelle got his second goal at 12:34 and Bobby Robertson scored on a screened shot at 14:18.

Alex Delvecchio Tallies Two As Red Wings Stop Maple Leafs 3-1 To Extend Lead To Ten In Race

Toronto — (C) — Centreman Alex Delvecchio scored two goals Saturday to lead Detroit Red Wings to a 3-1 victory over Toronto Maple Leafs in their last scheduled appearance of the National Hockey League season here.

The win, before 13,502 fans, put Detroit 10 points ahead of the Leafs who were forced to share second place with Montreal Canadiens by virtue of Canadians' 3-3 tie with Boston Bruins.

It was also Detroit's first victory over the Leafs in Toronto. In six previous appearances this season the teams tied two games.

All the scoring was done in a wild first period that saw Leaf's George Armstrong and Wings' Ted Lindsay trade blows. Both were given Major Penalties and Lindsay also received a minor.

Delvecchio scored his first goal unassisted at 3:25 when he slapped in his own rebound during a goalmouth scramble.

A string of penalties followed the Armstrong-Lindsay duel and at one time three Detroit players were in the penalty box.

Jim Morrison scored Toronto's goal at 12:16 after snaring a pass from Harry Watson and beating diving Terry Sawchuk. Rudy Migay was also given an assist.

Fern Flaman's penalty was costly for the Leafs; Delvecchio took a pass from Lindsay and beat Harry Lumley with a short drive. Glen Skov scored Detroit's third

A minor squirmish between Irvine and Ottawa's Bep Guidolin broke out at the end of the game but officials broke it up quickly.

goal at 18:30 when he received a passout from Marty Pavelich and slammed the puck past Lumley.

Leafs put on the pressure in the remaining periods but their offensive died at the stout Detroit defence wall.

The win gave Sawchuk a wider berth in the Vezina trophy race. He leads Lumley by seven goals.

Chicoutimi Retains Lead On Top Of Heap With 5-3 Win Over Aces

Chicoutimi, Que. — (C) — Chicoutimi Saguenays retained their two-point grip on first place in the Quebec Hockey League yesterday by downing Quebec Aces 5-3 before 6,000 fans.

The Chicoutimi victory broke a five-game Quebec winning streak and kept the Saguenays a game ahead of the second-place Montreal Royals, who trimmed Valleyfield 7-0 in Montreal.

Jacques Locas, Fern Perreault, Gerry Glaude, Stan Smrke and Normie Dussault counted for Chicoutimi. Erwin Grosse, Rags Raglan and Adam Brown accounted for the Quebec scoring.

Raglan put the aces ahead with the only goal of the first period but Locas tied the count early in the second. Grosse again gave Quebec the lead but Perreault tied it up before the period ended.

Glaude and Brown matched counters early in the third before Smrke and Dussault sewed up the game for Chicoutimi.

Jack Gelineau turned back 37 shots in the Quebec nets while Phil Hughes handled 22 for Chicoutimi.

doesn't have any pain. I hope he's all right, but he can't tell and nobody else can until he pitches in a regular game. Just throwing a ball doesn't mean anything. I'm going to let him go a few innings against the Cardinals this week-end and then maybe I'll know something."

Blackwell pitching anywhere near his old form would take up the slack caused by Vic Raschi's departure and probably clinch a sixth flag for Stengel. The sad truth is, though, that when an arm once goes it's usually gone forever.

Another affliction Stengel mentioned was that of his catcher, Yogi Berra. Yogi grinned and moved on when the telling began.

"Believe it or not," Casey said, "He's got a couple of very sore knees from running. Those knock knees of his keep hitting together. We had to have some special shin guards made for him so that when he ran for fouls they wouldn't hit together and get turned clear around on his legs. New, there's something to have—a sore-kneed catcher."
