## Well Known Artists Join City-Sponsored Art Group

A small but very enthusiastic group met last Tuesday evening in the Oak Room of Victoria Hall, starting what is hoped to be an outstanding centre for serious artists.

The idea behind all this is to get together all the people who really have the urge to 'get in there' and paint, regardless of their experience, whether they are professional or amateur.

It is interesting to note that among the artists who were at the opening meeting were Mr. and Mrs. Robin Watt, noted portrait painters who have only recently moved to Westmount. Both have studied at the Slade School in London, one of the finest, and in Paris and Rome, and have been

## Jr., Sr. Stamp Club Members Back at Hobby

President J. E. Pickering, of the Westmount Stamp Club, having welcomed back the members at the first meeting two weeks ago, had a members auction last week with Christopher Ellis acting as Auctioneer. There was a lot of bidding and the meeting finished with general trading.

The Westmount Junior Stamp Club had the first official meeting of the season last week with President Max Caplan and Secretary Michael Neysmith officiating. J. Eidinger and Mrs. Bay from the senior club were on hand the same as last year in an advisory capacity. Only general trading and welcoming new members took place. An active season is anticipated, the same as last year.

teaching at Stowe Public School for boys in England, where many of their former pupils have already gained considerable fame. Mr. Watt has exhibited at the Royal Academy, London, and also the Paris Salon. Both Mr. and Mrs. Watt are keen to get this group going also, and will be very helpful with their knowledge and background.

D. H. Sharp, another enthusiast who has painted at the art colony at Rockport, Mass., and Miss Marion Kenworthy who has studied at Banff are also very interested in getting started.

Rene Welter, young Westmount Artist whose work is a happy medium between Emily Carr and Van Gogh and whose work shows great promise, will also be taking advantage of painting with this group, as will Miss H. Fiddes, sculptor, and Miss E. Watt.

Possibly another location will be used for a studio other than the Oak Room of Victoria Hall, but if anyone wishes to paint, using models and with ideal atmosphere, this municipal project will fill the need.

## Communicable Disease Cases In City On Downgrade But Poli Up In August

Incidence of most communicable diseases took a sharp drop in Westmount during the month of August, it was made known at this week's meeting of the City Council, but the number of cases of poliomyelitis took a sharp incline as they made up six of the 11 communicable disease cases reported to the Health Department. Last year during August there were no poliomyelitis cases in the City. The six cases in August this year are also the totals for the year to date.

There was one case of measles, one of chicken pox and three of tuberculosis reported during that time.

Three of the poliomyelitis cases developed their symptoms while out of town, only slight paralysis was evident and progress and recovery in all cases has been good.

Eleven building permits were issued during the month. Value of these permits was \$30,500. Last year for the same time, eight

Three portraits show ability to handle portraiture.

Mr. Armstrong has had paintings accepted and hung in Royal Canadian Academy Exhibitions at Montreal, Toronto and Quebec.

Dwellings, 10; additions, 2; conversion to two-family dwellings, 7; alterations, 42; and garages, 19; for a total of 80.

**Electricity**  
Sales of electricity for the month were recorded at 1,948,000 kilowatt hours, which is 188,000 more than August, 1948, equal to 10.7 per cent. There was an increase of 500 kilowatt hours in the peak load compared with last year's August.

**Police Report**  
The City Council reported that there were 52 accidents, with 16 injured and one killed during the 31 day period.

The injured were treated as follows:- 4 persons were taken to hospital in ambulances, 2 by automobile, 5 by patrol car, 4 walked and 1 did not require hospital care. 1 person was taken to the morgue. In August, 1948, six persons required hospital care.

One hundred and forty-one cases were made during the month and taken before the Recorder's Court for trial. Of the 141 cases made, 88 were given court tickets, 41 were apprehended on sight, 5 on warrants, and 7 were summoned to court. One hundred and sixteen of the cases were for traffic offences (parking 59; traffic lights 29) and the re-

## Pt. St. Charles Is Story Setting For Local Author

Another success in the journalistic field has been scored by Phyllis Lee Peterson, a Westmounter who resides at 39 Windsor Avenue.

In the October issue of Canadian Home Journal, a story entitled "The Banshee and Willie O'Hara", will appear under her by-line.

Not her first successful endeavour, Mrs. Peterson has had two other efforts published in the same magazine besides two more in Maclean's Magazine. She has also sold articles in the United States and has written for radio as well as contributed to Toronto's Saturday Night.

This story is laid out in old Point St. Charles at the turn of the century and revolves around a small boy and his encounter with a banshee who guards the graves of the Irish immigrants, victims of ship fever who died in Montreal in 1847. The story is based on fact.

Mrs. Peterson was educated at McGill University, and is the mother of two small sons.

"It is only in the past two years that I have been slowly emerging from the 'domestic jungle' to write Canadian short stories", she told The Examiner.

The editors of Canadian Home Journal referred to the story as "distinguished Canadian history, beautifully handled". A biography note and portrait of the author are appearing with it in the October issue.

## Dickie Byford Receives Prize From P. J. C. Drawing

Police Juvenile Clubs all over the island receive a terrific boost each Saturday night from a Montreal radio station. At the same time a drawing is held and each Saturday some P.J.C. member walks away enriched by a prize. Winner of last week's booty was Dickie Byford (centre), son of Chief Robert Byford of Westmount Police. Here he is shown with Captain Frank Hogue, N.D.G. District Police Juvenile Club President, and Chief Byford. Dickie's winnings included a hockey stick, softball bat and softball.

## Vast Mining Industry Outlined In Movie

A movie entitled, "No Man Is An Island", produced by the Consolidated Mining and Smelting Company, gave members of the Westmount Rotary Club some indication of the size of Canada's mining industry.

The film, shown at their regular luncheon meeting held on Wednesday, was highly educational as it showed the enormous mining plants at Trail, British Columbia, and proved that no man could work alone, or could possibly know all about the various types of mining being done by the Consolidated plant, one of the largest in the world.

It proved that from the basic metals, lead, zinc and iron, countless other more valuable metals are extracted, such as gold, silver, cadmium, bismuth and antimony. It also showed how the smoke given off in producing these metals is now collected and turned into valuable fertilizers, shipped throughout the world. Even tin is

produced from the mines in British Columbia.

The movie was cleverly photographed to show every type of operation the Consolidated plant has, and was connected with various workers in the plant, who did a commentary on the part and type of work they did in the company.

Some of the highlights shown were the underground schools that are built to train new miners in the rules of safety. It also pointed out that all blasting is done at 11 p.m., so that the air has a proper chance to circulate before the morning shift goes to work.

Another highlight was the showing of many complicated and highly technical machines used in processing the base irons and in making them pure. More than six operations are used in producing pure lead, and part of the impurities include silver, gold and antimony.

The movie was secured by A. W. Callard, who was thanked by Vice-President F. Kenwood for making its showing possible.

### FROM VARIOUS SOURCES

"It's a fact that however physically tired one becomes in any kind of rural occupation, that tiredness is a perfectly normal thing and it doesn't create any tension, because in what you have been doing you've been in harmony with nature around you. The difficulty comes when you live in the artificial conditions of urban life; the difficulty is to carry any sort of inner harmony through into those conditions." — Douglas Houghton speaking on Industrial Democracy in Action in the BBC's Far Eastern Service.

A play broadcast recently by the BBC dealt with the subject of nursing in military hospitals and aroused a good deal of controversy. Amongst those who listened to it was Collie Knox, radio critic of the London Daily Mail, who praised the skill and devotion to duty shown by British Army nurses and wrote in his column: "I always recall with exquisite pleasure that during a painful eight months in a military hospital my nurse never failed to kiss me goodnight."

This touching tribute was noticed by the British War Office magazine "Soldier," which commented, "It is a bit late to take disciplinary action now, but doesn't this emphasize what 'Soldier' has always said — that Army nurses will cheerfully face almost any hardship?"

## Large Enrolments Made For Children's Theatre

Dorothy Davis and Violet Walters, the competent directors of the Montreal Children's Theatre, Canada's largest and finest dramatic school specializing in work for children, announce that registrations are pouring in from all sections of the city for both their north and westend studios. Additional classes have been formed and the children's theatre staff increased.

An extremely ambitious programme has been scheduled for the coming season, including four major productions at Victoria Hall, as well as a number of shows which will be given at various other places for organizations during the season.

The kindergarten group with children from four to six years, is proving extremely popular, and these little folk will get preparatory work for the higher classes. The intermediate and senior groups are also enlarging, and with the additional classes which are being formed to accommodate the extra pupils, it is advisable to make registration now.

The course includes diction, poise, deportment, elocution, and the Children's Theatre, through the medium of the drama, helps the children to become conversant with the art of self-expression, both through voice and action, with dramatics or separately, although newcomers are subject to The radio classes are another very active department.

## Many Decisions About Future "Y" Plans Made

The Friday Night Social Dances sponsored by the Young Adult Section of the Westmount Y.M.C.A. are to be held in the form of a Club Dance. This decision was one of many which were reached at the Keymen's Retreat held at Camp Perrot on September 17-18. A committee, comprised of Robert Morrow, Jean Mitchell and Ernest Hall, was appointed to make the necessary arrangements. The Club feature will bring the members closer together in the organizing and operating of the dances; it will give more aim and purpose to this event; and make newcomers feel they have a place in the running of the program.

Plans were laid by the Young Adult Section of the Westmount Y.M.C.A. to hold a Fall So-Ed Program between October 18 and December 6. Under the chairmanship of Ernest Hall, a group of the members are arranging to operate a weekly program on Tuesdays, comprised of instruction in leathercraft, woodturning, dancing, bridge playing and badminton. The instruction period will be followed by popular lectures, films, and discussions on marital, psychological and every-day living subjects. After the lectures refreshments and a social evening will be held.

Sunday Evening Firesides, which proved so popular during the latter part of last winter, will be held again this winter. A group of interested members are to meet and plan the program which is to start on October 22.

The Bridge Club is to hold its

fall meeting on September 26 to arrange its steering committee for the coming winter. A roster of instructors is to be arranged in order that new players will be sure of adequate instruction each evening. Tournaments and playing of duplicate hands will be held during the season.

James Carnie, Westmount Branch Executive Secretary, closed the Retreat with an informal talk on the city, nation and world-wide aspect of the Y.M.C.A. The need was stressed for members to feel responsible, not only for their own activities and branch, but for the wider fields of the Y.M.C.A.

## Rosh Ha-shono, Jewish New Year, Will Begin Tonight At Sundown

Rosh Ha-shono, the Jewish New Year, begins at sundown tonight, Friday, September 23rd, and for Reform Jews, concludes at sundown, Saturday, September 24th. Orthodox and Conservative Jews observe two days for this Holiday. The Hebrew date is the first of Tishri, 5710.

Rosh Ha-shono is one of the

most sacred days in the Jewish religious calendar. It begins the ten days of penitence and prayer which end with the Day of Atonement. During this period the religious Jew withdraws from all material pursuits and concentrates his thoughts to improving his relationships with man and the Almighty. He examines his

past conduct in the light of his religious teachings. If he has wronged his neighbor, he must obtain his pardon and make restitution for the harm inflicted before he can approach the Almighty in prayer and petition.

The ritual for this Festival stresses the mercy and loving-kindness of the Eternal. It is written again and again, that the Heavenly Father does not desire the

death of the sinner, but that he return from his evil way and live. Judaism holds that man can grow and mature through self-study, penitence and prayer.

The symbolic act of blowing the Shofor, or ram's horn, in accordance with Biblical precept, is intended to bring home to every Jew this aspect of the festival's meaning.

In a period when the role of the individual is minimized, this New Year's festival speaks to man of the dignity and integrity of the human soul. It comes to rouse man from indolence and indifference to serve under the banner of truth and injustice, of security and peace.

## Scouts & Cubs

By REG. GROOME

The Western Area Headquarters is slated to open on October 1st, under the guidance of Frank Hicks, well-known former Provincial Field Commissioner. A more detailed announcement concerning the opening of the building for the new season will be found in this paper next week. Senior Scouting is being promoted in the district, and District Senior Scoutmaster Lionel Leighton was up at St. Columba Troop Monday evening discussing plans for the opening of a St. Columba Senior Scout Troop. Wesley Seniors, somewhat to their dismay, found their meeting time had been advanced from 8 p.m. to 9 p.m., in order to allow the second junior Scout Troop to meet on Monday night's in the Church's lower hall.

What effect this will have on the Senior Scouts, who have met at 8 p.m., on Monday evenings since their inception, is not known, but it is perhaps significant that only three or four members turned up Monday this week, and then went home when they found how few they were.

### Trinity Memorial

Sixer Roy Smith led the opening Grand Howl at Trinity Monday evening with 35 Cubs present. Second Richard Howard was promoted to Sixer of the Grey Six and Jim Chidley replaced Richard as Second of the Brown Six. After games, Akela Bedford instructed the New Chums. The Gold Six won the evening's relay race and Akela Swales of St. Luke's Pack arrived at this point to assist with instruction period. The first part of the Going-Up Ceremony was held for Sixers Robert Turnbull and Roy Smith who are going up to Trinity Troop. Both these boys have completed their 2nd star, have many badges to their credit and have been regular and enthusiastic Cubs at Trinity for several years. Bob has been a camper at Cub Camp MacAuley for two seasons and Roy has been there for the past three years.

Service Stars were presented to Warren Franklin, who has completed one year and to Allan Brown and David Shaw, two years. Gary Worsley of the Blue Six was given the Six Competition Trophy to hold in his possession for a period of six weeks. The Gold Six won the evening's Six competition and the pennant was presented to Sixer Roy Smith. Akela reminded the boys in closing that all Pack meetings start 6.45 p.m. sharp.

**Xavier Guild Opens Season With Talk By Rev. M. D. Dubec**

The opening meeting of the Xavier Apostolate Guild was held

in Congress Hall on Monday, Sept. 19, when the Rev. M. D. Dubec, was guest speaker. Father Dubec is founder of the St. Genesius Players Guild, Guest Lecturer of Religious Radio at Fordham University, New York, and Canadian chairman of the Catholic Broadcasters Association.

Introduced by Mrs. J. W.

McAnally, president, Father Dubec gave a very interesting and entertaining account of his recent trip to Hollywood, where he attended the Catholic Theatre Convention.

Mrs. J. J. McAsey, thanked the speaker. The guest artists were, Miss Helen Chamberlain, cellist

and Mrs. J. O'Kane, violinist, both

members of the Montreal Women's Symphony Orchestra and Miss Ethel McDermott, pianist, who played selections during the tea hour.

Rev. J. J. McCaffrey, moderator, was present and addressed the gathering. The Tea Hostess was Mrs. Peter Reid, assisted by her committee.

To encourage neatness and self-reliance, a playroom window seat has hinged doors, concealing a closet for toy storage.

The doors let down to the floor, and playthings can be taken out and put away without assistance; while the open door acts as a ramp for wheeled toys.

## APPEALS IN ONE

ERIC A. LESLIE  
VICE-PRESIDENT AND COMPTROLLER,  
CANADIAN PACIFIC RAILWAY COMPANY

The prime necessity for the work done by the 31 agencies comprising Welfare Federation is recognized by us all. Yet during the last three years expenditures have exceeded income by about \$100,000.

At the current level of costs the Federation requires a minimum of \$1,350,000 to carry on its essential services. To meet the needs of the Federation during 1950, an AVERAGE increase of 20% is required in all subscriptions. Remember, 31 appeals are consolidated in this single drive... food and other costs have mounted faster than income

Please give your Red Feather canvasser a sympathetic hearing and an appropriate subscription to maintain your share of these vital community services throughout the coming year.

Following his Quebec address, Mr. Ross is to visit the Kiwanis of Sherbrooke on October 5th, as guest speaker while on Armistice Day, November 11, he is to speak to the Rotary Club of Syracuse, N. Y. State, with its membership of some 450.

**C.S.P.C.A. Tag  
Day Saturday**

Miss Elsa May, Chairman of the Committee for the C.S.P.C.A. Tag Day, stated today at an interview that 732 taggers would be out on Saturday. Many of the taggers will be accompanied by their pets and a number of ponies will be coming into town to help with the appeal. This event has been sanctioned by the City of Montreal and each authorized tagger will wear an arm band with S.P.C.A. on it.

The taggers will start out at 8 a.m. and will continue until noon on St. James St., Notre Dame St., and Craig street. In other parts of the city as well as St. Lambert, the Lakeshore, Hudson and Como, Cartierville and St. Laurent tagging will go on until 6 p.m. Near the night clubs, hotels and restaurants a few taggers will work with escorts until midnight.

Miss May wishes to point out that as the C.S.P.C.A. services the whole province, with the exception of Quebec City and Shawinigan Falls, that out-of-town donations may be sent to C.S.P.C.A. Tag Day Fund, 1705 St. James street west. She also stated that as the Society is dependent on voluntary contributions the proceeds from this event are of vital importance.

**FOOT COMFORT**

Good shoes and proper care of the feet are most important for health and comfort. Feet should be washed or given a brisk rub in cold water daily. Socks should be washed frequently to keep them soft. A change of socks after work is refreshing, and a

change of both shoes and socks is imperative if the feet are wet. Early Puritans celebrated Christmas about the middle of the 19th century.

## COMPLACENCY — MENACE TO CANADA

### Dangerous Tendency to Place Too Much Reliance on Government

Widespread complacency is one of the outstanding problems of our day, Henry G. Birks, President of the Canadian Chamber of Commerce, told delegates to the 17th Annual General Meeting of the Canadian Institute of Plumbing and Heating at Murray Bay the other day.

Speaking on Canada's future, Mr. Birks stressed complacency as a menace to present

high standards of living and successful business methods.

Our freedom does not include the right to exploit labor and waste natural resources, he emphasized. "We must recognize freedom does not include the right to monopolize — whether on the part of the state, labor or private interests — for the purpose of restricting production or raising prices."

To guard against the inroads of any form of totalitarianism, the Montreal speaker urged further enlightened programs to ensure interested, informed and enthusiastic employees. He deplored "the growing tendency of the individual to place full reliance on government for the solution of all the problems of human welfare."

There is growing across the world a glorification of and a demand for the welfare state, stated the speaker. Social security in many quarters has become an end in itself and the vigor, initiative and enterprise of the individual have been curbed.

"Canada should impress upon immigrants and citizens the fact that this country is just at the beginning of its greatness", he concluded. "What Canada needs are pioneers prepared to work and exercise all their skills and abilities in the sure hope of a strong future."

### Stanley Presbyterian

The service on Sunday morning will be conducted by the Rev. Wm. Tyler of the China Inland Mission at Stanley Presbyterian Church. In the evening the service will be conducted by Rev. Robert Lennox, M.A., Th.B., Ph.D., Principal of the Presbyterian College, Montreal.

The Sunday School will resume its classes on Sunday at 11 a.m. On Sunday, October 2nd, the Young People's Bible Class will meet in the Ladies' Parlour.

### Westmount Baptist

The annual Montreal meetings of the China Inland Mission will be held in Westmount Baptist Church from Sunday, Sept. 25th to Tues., Sept. 27th. At the Morning Service on Sunday the Address will be given by Rev. William Pape. Other Missionaries will be in attendance. Meetings will also be held on Monday and Tuesday evenings at 8 p.m. when, in addition to Rev. William Pape, Mr. and Mrs. Tyler and Miss Lilly Snyder will be the Speakers.

In the evening the ladies of the Justice Chapter of the Eastern Star will attend the Church in a body. Dr. Johnston will preach, the Sermon Theme being "The Gospel in the Golden Rule".

Two interesting features will characterize these Sunday Services. In the morning there will be the Dedication of Parents and the Presentation of their infants for blessing. At the close of the evening service baptism by immersion will take place.

Westmount Church Bible School meets in two sections. The upper section, from Grade 4 onward, meets at 10 a.m. The lower section, from nursery to grade 3, meets at 11 a.m. The bus service is continued, leaving Montreal West at 10.20 and proceeding through the Benny Farm area at 10.30. Pupils of the school and adults attending the services are invited to use the facilities provided.

### Dominion-Douglas

Religious Education Sunday will be observed in Dominion-Douglas Church on Sunday. At 3 p.m., the Church School Rally Day and Promotion Exercises will be held. Every member of each Department is expected and new members will be welcomed.

"The Citadel of Faith" will be the subject of Dr. Lloyd Smith's sermon at the morning service. In the evening, Rev. Charles Johnston summer is ended . . .

On Monday the Girl Guides will gather at 7 p.m. for their first meeting of the season, and invite new members. At 4 p.m. on Tuesday the first meeting of the Brownies will be held. Scouts will meet as usual at 7.15 and will en-

### Christian Science

"Reality," is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday.

The Golden Text is from Lamentations 5:19. "Thou, O Lord, remainest for ever; thy throne from generation to generation." Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Thus saith the Lord, Let not the wise man glory in his wisdom, neither let the mighty man glory in his might, let not the rich man glory in his riches: But let him that glorieth in this, that he understandeth and knoweth me, that I am the Lord which exercise loving-kindness, judgment, and righteousness, in the earth: for in these things I delight, saith the Lord." (Jeremiah 9: 23, 24).

### Christian Science Lecture At Victoria Hall, Sept 26

Archibald Carey, C.S.B., of Detroit Michigan, will deliver a lecture on Christian Science in Victoria Hall, Westmount at eight thirty o'clock on Monday evening, September 26.

Mr. Carey is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

Many people are interested in learning about Christian Science. They like to know how Christian Science heals disease, how it banishes fear and solves all manner of business problems. The purpose of these lectures is to give the public the facts in simple, understandable terms.

First Church of Christ, Scientist, Westmount is sponsoring this lecture, and it is free to everyone.

### YOUR APPENDIX

Dr. H. Chandler Elliott, writing in Canadian Red Cross Junior magazine, says man's appendix is a useless, partially shrivelled, blind pocket of the small intestine. Its chief claim to fame is that it causes trouble — appendicitis. In vegetarian animals, says the doctor, the appendix is quite a flourishing adjunct; but in man it is slowly vanishing. Its name, of course, means "hung on!"

Sterling Hayden portrays a private investigator in Paramount's "Manhandled," produced by Bill Pine and Bill Thomas. Hayden co-stars in the suspense melodrama with Dorothy Lamour and Dan Duryea.

## LETTERS to the Editor

**CANADIAN HEART SOCIETY**  
 Editor,  
 The Examiner,  
 Westmount.  
 Sir,  
 The terrific toll of valuable lives taken by the major diseases are civilization's number "1" enemy. Hardly a day passes without a report of the untimely death of a prominent citizen, the victim of one or the other of the several diseases which neither medicine nor surgery can overcome. Research is being carried on in every democratic land to cope with these diseases either in the way of prevention or cure but apparently, with little success to date. This of course is not the fault of the members of the medical profession either as practitioners, specialists, or research workers. Nevertheless, the results that research has accomplished, prove that given the means and the type of men and women prepared to devote their lives to research, effective progress can be made.  
 Information concerning the care to be taken by those afflicted with one or the other of the major diseases is now given the public through medical columns in the press and at meetings of medical men whose clinical discussions, and suggestions are fully reported. I note that a Canadian Heart Society was recently

formed. Its officers are outstanding specialists and authorities on diseases of the heart. I take it, that the purpose in forming this association was to further research and bring about a more intimate co-operation between its members in the exchange of information, as well as making representations to governments to obtain whatever financial assistance may be required in order that the society may be able to more effectively carry out its objects.  
 Since those affected or afflicted with heart ailments generally walk in fear and trembling because of what may occur without warning, I trust that the new association will hold frequent meetings in order that its members may freely express their views and convey to the public the result of their findings and what further steps may be taken by victims of any form of heart disease, to take all necessary precautions to save themselves unnecessary pain and prolong their lives.  
 Members of the medical profession owe it not only to themselves, but the public, to make known what measures should be taken along medical or legislative lines to give hope to sufferers from heart ailments, in following the advice given of new methods of treatment, so that their spe-

cial skill and experience can be used for the benefit of their fellow-citizens and the community.  
 We have come a long way from the days when medicine consisted of incantations and the use of nostrums that far from helping the patient made him worse.  
 Medicine is now being taught in accordance with modern scientific principles, and with the research facilities that can be made available, a great deal can be accomplished to help the millions who suffer from heart ailments, unnecessary pain, or leaving their sphere of usefulness before their allotted time. Doctors, because of their training and understanding of human nature, can do a great deal toward making the community a healthier and happier one.  
 Signed  
 Bernard Rose

**Mr. and Mrs. David Cyril Creaghan**

Photographed following their marriage in the Church of St. Augustine of Canterbury on Saturday morning, Mr. and Mrs. David Cyril Creaghan are pictured above. Mrs. Creaghan, formerly Miss Mary Therese McMullen, is the daughter of Mr. and Mrs. Henry McMullen, of Notre Dame de Grace, and Mr. Creaghan is the son of Mr. and Mrs. Thomas Cyril Creaghan, of Westmount.

**CREAGHAN-McMULLEN**  
White gladioli arranged with palms decorated the Church of St. Augustine of Canterbury on Saturday morning, for the marriage at ten o'clock of Mary Therese, daughter of Mr. and Mrs. Henry McMullen, of Notre Dame de Grace, and Mr. David Cyril Creaghan, son of Mr. and Mrs.

Thomas Cyril Creaghan, of Westmount. The soloist was Mr. Stage, accompanied by the organist.

The bride, who was given away by her father, was in a gown of white satin, fashioned on simple lines with a bodice having a collar and cuffs of Carrickmacross lace. Her veil of tulle illusion was held by a cap of the same lace and she carried a semi-cascade bouquet of Eucharist lilies and stephanotis.

Miss Dorothy Ann Creaghan, sister of the bridegroom, as maid-of-honor, was in a frock of silver blue satin, fashioned on similar lines to that worn by the bride, the skirt falling into a slight train. She wore a matching bonnet, trimmed with ostrich feather tips and carried a semi-cascade bouquet of white larkspur and blue delphinium.

Mr. Paul King acted as best man for Mr. Creaghan, and the ushers were Mr. Daniel Donnelly, jr., Mr. John McMullen and Mr. Peter McMullen, brothers of the bride, and Mr. Wilfred Bulger.

Mrs. McMullen, the bride's mother, was in a floor-length gown of black crepe and wore a matching hat and a corsage bouquet of ervantamia.

Mrs. Creaghan, mother of the bridegroom, wore a floor-length gown of cocoa Alencon lace with a matching hat and accessories and a corsage bouquet of American Beauty roses.

The reception was held at the Naval Officers' Club, where white pompons and gladioli were used as decorations.

Later Mr. and Mrs. Creaghan left by motor for the Adirondacks, the bride travelling in a frock of rust brown corduroy and wearing a hat of darker velvet and a corsage bouquet of Talisman roses.

Among the out-of-town guests were: Mr. and Mrs. H. McKenna, of Quebec; Mr. and Mrs. D. S. Creaghan, Miss Norah Creaghan and Mr. Mark Creaghan, of Newcastle, N.B.; Mr. and Mrs. V. S. Murray, of Toronto; the Rt. Rev. Msgr. E. Brown and the Rev. Herbert Hannan of Plattsburg, N.Y.; the Rev. E. Gallagher, Mrs. Agnes Dinneen, of Lake Clear, N.Y.; Miss Katherine Mullen, of New York; Mr. and Mrs. R. E. Hannan, Mr. and Mrs. John Hannan and Miss Frederica Hannan, of Ogdensburg, N.Y.; Mrs. Joseph Gallagher and Mr. Joseph Gallagher jr., of Cleveland, Ohio, and Mr. and Mrs. Web Mahoney and Miss Roberta Vair, of Ottawa.

**BARTRAM-JONES**

At St. Matthias Church, Westmount, Saturday afternoon at four o'clock, the marriage was solemnized of Miss Mary Louise Jones, daughter of the late John Hugh Jones and of Mrs. Jones, and Mr. Victor George Bartram. The ceremony was conducted by Canon Gilbert Oliver, and Mr. Jonathan Robinson was at the organ, with

Mr. Roger Bourne as soloist. Gladioli and candelabra composed the church decorations.

Mr. J. Birkett Jones gave his sister in marriage. The bride wore a gown of Madonna blue satin with rose cluster motifs embroidered around the neckline and skirt, the long-sleeved moulded bodice fastened with tiny buttons down the back, and the skirt falling in a circular train. Her veil of tulle illusion was held by a demibonnet of rose trimmed satin, and she carried a bouquet of Delight roses and bouvardia. Her only ornament was a diamond and platinum wrist watch, the gift of the bridegroom.

Mrs. Edison Allarie, as matron of honor for her sister, was in a gown of yellow shot taffeta, fashioned on princess lines, with heart-shaped neckline, full skirt, and cap sleeves, with mittens to match. Her halo hat of matching taffeta was trimmed with green ostrich feathers, and her shoulder-length veil was of green tulle. The bridesmaid, Miss Barbara Bartram, was dressed in identical fashion, in jade green taffeta her halo trimmed with yellow ostrich feathers. Both carried semi-cascade bouquets of gladioli in autumn shades. Little Miss Kathleen Allarie, the bride's niece, as flower girl, was in a frock of pale pink organdy over taffeta, wearing a halo of Sweetheart roses, and carrying a colonial bouquet of Sweetheart roses and cornflowers.

Mr. Louis F. Loutrel, of New York, was groomsmen, while ushers were Messrs. Lorne, Howard and Ross Bartram, and Mr. Edison Allarie.

Mrs. Jones, the bride's mother, was in a floor-length gown of moss green chiffon velvet with matching felt hat trimmed with bird of paradise feathers, wearing a moleskin jacket, and a corsage cluster of Joanna Hill roses.

A reception was held in the ballroom of the Ritz-Carlton Hotel, where roses adorned the bride's table. The couple left later by private plane for New York, whence they sail by the Caronia for England and the Continent.

Going away the bride wore a grey tricotine suit with matching accessories, contrasting feather trimmed hat, and grey squirrel jacket, her corsage flowers being yellow Goldilock roses.

Out-of-town guests were present from London, England; Cin-

cinnati, New York, Wilmington, Toronto and Shawinigan Falls.

Mr. and Mrs. Bartram will reside in Westmount.

AT THE WESTMOUNT

Frank Sinatra, Ester Williams and Gene Kelly form the stellar trio of the rollicking new Technicolor musical, "Take Me Out To The Ball Game," which starts Sunday at the Westmount Theatre. Others in a standout cast include Betty Garrett, Edward Arnold and Jules Munshin (the comic waiter of "Easter Parade").

AT THE SEVILLE

Bad moment! — Robert Ryan is down — but still looking up — in this crucial moment in his fistie encounter with a younger opponent, in RKO Radio's "The Set-Up." The picture, which co-stars Ryan and Audrey Totter, depicts the fortunes of a fast-fading veteran of the ring who pits his courage against the evil forces with which he is surrounded. Robert Wise directed, from the script prepared by Art Cohn, a noted sports writer, and based on Joseph Moncure March's original. This picture starts Saturday at The Seville Theatre!

## George Formby Makes Local Appearance On Oct. 6, 7

Britain's Top-Ranking Male Comedian Heads "London Music Hall Varieties"

George Formby, Britain's top-ranking comedian, will appear at the Forum, Thursday and Friday nights, October 6 and 7. This is the first time this versatile comedy artist has ever visited this Dominion. For six consecutive years, George Formby headed the popularity poll conducted by "The Motion Picture Herald" as Britain's biggest box-office attraction (his opposite number in the feminine classification has been Gracie Fields). In addition to his stage and screen appearances, George Formby is the favorite of the B.B.C. broadcasts and his phonograph recordings are already collectors' times in Canada.

### Breaks Record

Just prior to his trans-Canada tour, George Formby completed a comprehensive circuit of Australia and New Zealand in which he broke all existing box-office records, a feat which apparently will be duplicated during his Canadian visit. It is notable that, when his trans-Canada tour was announced, so many enthusiastic Formby followers insisted that the Lancashire comedian visit their own particular town or city that not all of these centres could be fitted into his limited six-week's itinerary — but over a score of Canadian cities have been fitted into his visiting program.

In presenting his "London Music Hall Varieties", Formby has assembled a typical vaudeville lineup of the top-ranking acts who have headlined at London's leading music halls, these including the Palladium, His Majesty's and the Victoria Palace. While George Formby is the draw on the basis of his stage and screen reputation and the sales of his phonograph recordings, he has assembled a splendid surrounding bill of the finest variety acts in Britain's booming vaudeville. Many of these terminated their United Kingdom top variety engagements just in time to come to Canada. These outstanding favorites of the London music halls include Alan Clive, the world-known mimic of the famous; Medlock and Marlowe, the great novelty dance set; Guus Brox and Myrna, musical clown act; Cynthia and Gladys in novelty balancing; the Humoresque, a harmony quartet; and Robert Harbin, Britain's foremost magician.

Macdonald Carey plays a villain in Paramount's Technicolor western, "Copper Canyon," his third 'heavy' role in succession. Carey also played a villain in "Bride of Vengeance" and "Streets of Laredo."

Gloria Swanson, starred in Paramount's "Sunset Boulevard" and long one of the world's best-dressed women, says: Black is the most flattering and smartest color a woman can wear."

## Stuart Downs Gill to Win Singles Title

Leo. J. Stuart defeated Cliff Gill to win the Westmount Mens' closed singles championship. Gill won the first set 6-3, but could not stand up under the fine placements of Stuart and lost the next two sets 6-4, 6-1.

The draw for the Westmount Mens' open singles championship is posted in the Adult courts in Westmount Park. Due to the wet weather an extension of the date has been granted to finish the first round.

The draw sheet for the Scholars championship is posted in the Western Ave., courts in Westmount Park.

The entries in both these tournaments are requested to play their matches as soon as possible.

Grounds. It'll be the first school tilt played there since 1939, when the Army boys took over for the duration — plus a few years.

Westmount, who were nosed out of the 1948 Protestant section championship, appear to have come up with another powerful contending team this season. They journeyed down to Quebec City last week-end and administered a 12-6 rubbing to Quebec High, a school noted for its gridiron outfits.

### Veterans Back

Back from last year, and expected to carry most of the mail for Westmount, are Ross Rubenstein, Mike Crombie and Johnny Ferrabee. These three, with plenty of football moxie and an abundance of desire, are in tip-top shape and should be in for a great season.

Among the newcomers the work of young Johnny Haire has impressed spectators at the Westmounters' daily workouts.

### Patrick Coach

Jim Patrick, who mentored three consecutive Westmount Junior aggregations to championships in 1940, '41 and '42 before enlisting in the Canadian Army and seeing extensive action overseas, where he was wounded, is back at the helm of the purple and white again this season.

The quiet-spoken and popular coach extracts the most from his charges, is beginning the 1949 season with no rash predictions but a feeling that Westmount won't be counted out for lack of effort.

Roy Chesley, highly touted coach of West Hill, has kept mum on his 1949 squad. The Red Riders had a comparatively poor season last year, are expected to be right in the contention for the top slot this season.

## Memorial Cup Games Slated for Montreal

Frank Selke's fight to get playing dates for Montreal's junior champs in the silverware hunt will prove successful next spring if a Quebec club gets into the Memorial Cup finals.

The C.A.H.A. has announced that all games in the best-of-seven final round will be played in Montreal in that event. If an Ontario team is the winner, the round will be played in Toronto, starting not later than May 22.

Allan Cup finals will be played in Western Canada next spring, opening May 29.

### STEW AND NEW DEPT.

In their own version of the French language, which seems to rely heavily upon the works of Henry Drummond, Stew and New take me to task this week for sleighting their constant sidekick, Margaret Rose Rogers, also known as Slats, Jr. The latter appellation the girl has earned as a result of her oft-stated admiration for the playing ability, gentlemanly qualities and all-round usefulness of one, William Jack "Slats" McKissock, stellar shortstop of Robitaille Motors' Snowdon Senior Fastball League entry.

As requested last week the gals have come through with a poem which they encumbrously title: An Impression of the "Side of Baseball

## OXFORD WINS BALL SERIES

Scoring a run in the sixth, eighth and ninth innings, Oxford Intermediates captured the N.D.G. League Championship from Ascension on Saturday afternoon.

The closely fought contest provided plenty of thrills as Denis Stringer and Chuck Biggs hurled smart ball, with Biggs gaining a shut-out over the luckless Westmounters.

First and winning run of the game came in the sixth frame when Logan MacDonald, the Westmount receiver, lost a low ball that skidded wide of the cage and rolled under one of the benches, allowing an Oxford runner on third plenty of time to amble across the home plate.

Westmount provided Biggs with some anxious moments but were never able to produce a run, in a game that seemed to lack the play-off fever until the last few pitches.

Few hits were given out by either pitcher who went the distance, while both were responsible for a number of strikeouts, Biggs being the king pin in this department.

The game climaxed a five game series that went the limit. Ascension lost the first two, one by protest, when they used a junior player for one inning, and then evened the series with two straight wins. But Oxford, sparked by some nifty plays by Charlie Rowan, came back in the sudden death game to take the trophy.

## Peloquin Top Batsman

Leon Peloquin, the lean young man who won the Snowdon Senior Fastball League's batting crown in 1949 and who slumped down into the .299 class during the 1949 regular schedule, regained his batting eye in the course of Ascension's seven-game semi-final playoff series with Steinberg's. Peloquin paced the Westmounters in hitting in the seven games with an average of .407, seven percentage points higher than the average compiled by Gerry Snyder, Steinberg's top man, in the same series.

Complete playoff batting averages of the A's are as follows:

	AB	H.	Pct
Peloquin	27	11	.407
Heron	17	6	.353
Jones	13	4	.308
Kennedy	23	8	.285
Romney	28	8	.285
King	4	1	.250
Brennan	26	6	.231
Harvie	28	6	.214
Provost	30	4	.133
Barrette	25	3	.120

Seldom (and we might add never) Seen. It goes something like this: Nine grown men are chasing a ball. They have white suits and socks and all. Men stand near bags and start to call

For a man to slide, or maybe fall. Another man with muscles big, In just the same outlandish rig, Waving a stick at another's wig, While still more depart to have a pig.

And then this man, a warrior bold, Swings and of the ball gets hold. For this he is being paid much gold;

If he can't do it he will be sold. The pitcher he is looking glum. For throwing balls he collects a sum.

If he can't pitch well, he is a bum. So he stands there, and chews his gum.

If he is lucky the ball is caught; The man gets a nit if he is not. If he's out, he certainly had fought

To make things for the pitcher hot. When he's safe he stands upon first sack.

He's got the hurler on the rack. He glares upon the pitcher's back. He runs back and forth like he's on a tack.

He runs to second really fast — The catcher throws like that throw's his last.

The throw goes to the base, and past; The pitcher is angry and lets off a blast.

The fellow runs to third, and then, He goes and runs right home again.

The base coach clucks like a setting hen, The pitcher madly surveys his men. The game is soon over. One team has won

Because they scored an extra run. The winners make noise and have some fun; The losers' room is a quiet one.

### WELCOME HOME

After three games on the road the Alouettes open a home stand down at Delorimier and Ontario this Saturday with a two-game winning streak under their belts and a Grey Cup glint in their eyes.

The Als, slow to round into shape, dropped a tough pair to Ottawa, came back strongly against Hamilton and Toronto, are now tied with the Argos for second place. The Hay-men should have undisputed hold on that number two slot in the standings on Saturday night.

Given a half decent break from the weatherman, there will be a near capacity throng on hand Saturday to cheer the Larks on. This game against Todder Morris' Scullers should be worth an afternoon of any grid fan's time.

### JOTTING

Columbus' hulking Hank Attenborough, a sick man under doctor's care for much of the summer, left for northern Quebec earlier this week to take a permanent job. This, he says, will be his last season in ball and he's hoping that the Knights sweep through to the

# Juniors At Home Tomorrow

## Meet Strong South Shore Aggregation At W.A.G.

By BOB LUNNY

You can bet your bottom dollar that when the Westmount Warriors go into action tomorrow afternoon at the Westmount Athletic Grounds on St. Catherine street that they will be a much wiser club than that which took to the Rosemount gridiron last Sunday afternoon if Coach Johnson's pep talks mean anything.

The Westmounters dropped a 13-1 decision to Rosemount Bombers last week-end in the Junior Q.R.F.U. inaugural. The grid battle was played on a mud-splattered field before some 600 fans who braved the continual rain during the afternoon.

The North End boys took advantage of the locals' fumbles to take an early lead in the first quarter.

At only a few times in the game were the Westmounters a scoring threat. The line, in particular, seemed very weak with only a few doing their share of work. The Johnson's boys had four kicks blocked.

### Offensive Too Late

The Warriors' offensive started to open up holes in the Rosemount defence through which poured some running ground gains but it all came too late. Rosemount's line were very effective in their blocking. Hébert Lafontaine was a steady ground gainer for the locals while Keith Mansdan and Sully Morano were the pick of the line.

Starting time for tomorrow's game will be 2:15. In the South Shore team the Westmounters will meet one of the league's best. There will be three pretty cheer leaders to liven things up tomorrow.

## Westmount High Proves Mettle In Quebec Game

By Allan Sandzelius

On Saturday afternoon, Westmount's Senior "A" High School gridgers handed a luckless Quebec High School team a 12-6 setback in a challenge exhibition on Quebec High's field overlooking the beautiful St. Charles River valley.

The Westmounters were received with a wonderful display of generous hospitality by "Les Québécois" on the eve of battle as they were shown the town and taken to their respective "billets" for the night.

Although the first quarter was scoreless, Westmount came through with flying colours in the second frame when Ross "Ruby" Rubenstein chalked up a major and converted it to boot!

The same quarter also saw Quebec High tally with a rouge for one point. The score at the half: Quebec-1, Westmount-6.

The third quarter, according to Westmount coach Jim Patrick, was a real "whiz-bang" affair with the Quebec eleven scoring a touchdown on a 'rules misunderstanding' by Westmount, but they failed to convert it. Then, with deadly accuracy, Westmount struck back as Captain Johnny Ferrabee sent a long, high forty yard pass to Mike "The Flash" Crombie who, in turn, took it over for another five points which Rubenstein converted. The final score, due to a fourth quarter "zoopher", was; Westmount: 12 - Quebec: 6.

Last minute "plays": Too bad about those called-back touchdowns... and how about that "Looie" character?, some guy, I hear... there was nothing but praise for the boys' behaviour, etc., from coach Patrick... glad to hear it, it sets a good example for Westmount!... no serious injuries, it's reported... don't let it get to your heads, fellas... Incidentally, that first game of the season will be played TO-NITE at the Westmount Athletic Grounds, West Hill, I believe, is the name of the opposing team... prices are very reasonable, so let's see you all out there.

## R.M.R. Intermediates Top Q.R.F.U. Standings

Westmount's R.M.R. football eleven brought the game back to the Westmount Athletic grounds in a grand style on Saturday, when they downed a strong squad from Three Rivers to gain sole possession of first place.

Dave Peebles, the army coach, seems to have produced a formidable squad for the Intermediate League race as the Army boys displayed plenty of power in the contest.

The scoring opened early in the first quarter when Jack Danner booted the ball behind the Three Rivers' goal post, and Stan Tait, with Gordie Lawrence, went in to make the tackle for a rouge.

At the eight minute mark in the same quarter the Westmounters added another five points to their score, when Frank Creaghan went over. His touchdown climaxed a downfield drive by Kieth Tait and Andy Edwards.

Ernie Gray put the visiting Three Rivers' squad on an even basis when he picked up Danner's fumble on the Westmount 30 yard line and scooted across the line for a major. Stan Rose converted, which deadlocked the two squads at the end of halftime.

In the third quarter, Al Garbarino's kicking was one of the main points, while Rose again displayed a brilliant running display when he ran an R.M.R. kick back 35 yards.

The quarter was a see-saw battle throughout, and it was midway through the last quarter when the

Army team managed to get in a scoring position. With the ball on the visitors nine yard line, Dick Walker tossed a short pass to Jimmy Wrigglesworth who was standing in paydirt. The touch was not converted, making the score, 11-6.

Three Rivers took to the air in a desperate drive upfield, but at the three minute mark, Bernie Murray intercepted a forward pass by Bob Gibson to end the threat.

Outstanding amongst the visitors were Ducky Air, Ernie Gray, Ken Zeta, Mickey McFall and Stan Rose, while big guns for the R.M.R. were Andy Edwards, Bern Murray, Billy Telfer, Kieth Tait, Art Lett and Howie Odell.

# House Painter Once Worked On Movie Job

Expertness of the work he does once earned for Paul St. Charles

of the Metropolitan Paints and Sales Service a contract with a movie company.

Mr. St. Charles was placed in charge of the painting of the sets for the film "Père Chopin," which was shot a few years ago. Besides painting scenery for the movie, he was in charge of set decoration.

For two years now he has had

his own business, painting a church in Outremont, theatres, homes, cottages and single rooms. Mr. St. Charles says that no contract is too large or too small for him — he has had 20 years of experience in the business, and has handled large crews of painters.

His specialty, though, is laying out entire decorative color patterns for the home. After draw-

ing up a color pattern that will bring out all the architectural beauties of a home to their fullest extent, Mr. St. Charles completes the job.

Although his services have been greatly in demand by large construction projects, Mr. St. Charles still finds time to pursue his favorite work — brightening up homes with fresh colors and new ideas for blending color patterns.
