Owing to fluctuation in the value of the £ sterling, it is impossible to furnish any fixed rate of conversion showing the amounts in Canadian money to be paid by remitters for money orders on Great Britain, British Colonies and countries addressed via England.

Information as to the rate of conversion in force from time to time can be obtained at any Post Office authorized to transact Money Order business.

The commission rates in the above tables include the Revenue Tax of 3 cents, which is charged on all Money Orders.

No single Money Order may be issued for an amount in excess of \$100.
