DIGITAL AND ARTIFICIAL INTELLIGENCE ETHICS: REFERENCE DIRECTORY

August 2024

This reference directory was produced as part of the effort to develop digital and artificial intelligence ethics guidelines for the First Nations in Quebec. This directory, both non-exhaustive and evolving, is designed to be enriched over time. The compilation of these references was made possible with support from the Scotiabank Fund for AI, the AI + Society Initiative at the University of Ottawa, and the valuable collaboration of students under the direction of Professor Karine Gentelet from the Université du Québec en Outaouais (UQO & Obvia).
