### NIXON & CO.'S

ESTABLISHMENT, St. JOHN'S STREET. NIXON & CO. having determined to produce an article, superior to any ever offered to the Public in Canada, have spared no expense in fitting up their apparatus in a most splendid manner, and on a quite new principle; it with they challenge any SODA WATER manufacturer in Canada to meet them on the fair field of competition, or to produce any article superior, or even equal to theirs,—the machinery for preparing which is solely of their own invention and manufacture.

They will also manufacture

MAGNESIA WATER, LEMONADE,

AND

This last article they would particularly recommend to the public, as being a safe and easy method of taking Magnesia, and especially of giving it to children, as it is deprived of that nauseous taste which renders it so disgusting to take.
