URGES FOREIGNERS EVACUATE SPAIN

Council Of League Condemns Raids On Undefended Cities

Steps Taken by Certain Governments to Evacuate Women and Children from Spanish War Zones Also Approved in Resolution Passed Today—No Recognition Given of Alleged Territorial Aggression in Spain.

Geneva, May 29.—The Council of the League of Nations today unanimously voted a resolution favoring withdrawal of foreign volunteers from Spain.

The League resolution condemned the bombardment of open cities.

It also expressed approval of the steps taken by certain governments to evacuate women and children from Spanish war zones.

The resolution, completed at a closed session of the Council this morning, expressed the hope that the initiative undertaken by the London Non-Intervention Committee toward the withdrawal of foreign volunteers would show results.

The Committee's action was called "the most effective remedy" for the present situation which is of such "gravity for the general peace."

This morning the delegates of France and Turkey signed an agreement guaranteeing the integrity of the Sanjak of Alexandretta and of the Turkish-Syrian frontier.

Representatives of the states of the Balkan entente, like those of the Little Entente yesterday, met today and announced their complete unanimity of views.

The resolution on Spain called upon every League member to respect the territorial integrity and political independence of every other nation. It did not, however, give formal recognition of the Spanish Governments contention that territorial aggression had occurred in Spain. The Spanish Government has accused Italy of such aggression and in lesser measure, has assailed Germany for permitting its nationals to fight on the side of the insurgents.

Julio Alvarez del Vayo, the Spanish delegate, accepted the resolution but voiced reservations to the effect that the non-intervention programme had not prevented participating powers from sending contingents of people larger than anyone had expected.

He also objected to the references to "two parties" in the civil war, claimed that the contending factions were not belligerents with equal status. One was a legitimate Government, the other a junta of military rebels, he asserted.

The League resolution expressed regret that the march of events did not seem to justify belief that non-intervention measures, taken by the various Governments on the recommendation of the Council, had so far had the full desired effect.

It hoped that results would be achieved with the utmost possible celerity in the withdrawal of all foreign volunteers from Spain, considering this the most "effective remedy for the situation."

INSURGENT BESIEGERS OF BILBAO DECIMATED

Hendaye, Franco-Spanish Frontier, May 29.—Bilbao's defenders were reported today to have inflicted heavy losses on insurgent besiegers in an attack that routed an insurgent advance guard near Orduna, on the Nervion River south of the regional capital.

The Government's fifteenth brigade, the Febus (Spanish Government) news agency reported, drove General Emilio Mola's outpost garrisons from their positions and then dug in to withstand repeated counter-attacks.

Basque authorities announced three captive German aviators who had been sentenced to death and a Swiss prisoner would be traded today for prisoners of their insurgent foes. Notification of the exchange was telegraphed to the League of Nations.

REBELS TODAY RAINED BOMBS ON BARCELONA

Barcelona, Spain, May 29.—More than fifty persons were killed and one hundred wounded by insurgent bombers in a raid on this Catalan capital early today.

The squadron of insurgent attacking planes was driven off finally by anti-aircraft fire, but not until enormous damage had been effected. The bombers disappeared out to sea.

Government authorities said, meanwhile, today they had frustrated an insurgent plot to seize the island of Minorca with the aid of three thousand troops from neighboring Mallorca, allegedly the base for insurgent aerial attacks on Spain's eastern coast.

The coastal city of Valencia, temporary capital of the Spanish Government, counted two hundred dead after yesterday's dawn air raid that Please Turn to Page 2, Col. 3.

NEW RECORD SET FOR ELECTRICAL OUTPUT

April Production Almost Double that in Same Month of 1935 and 7.3 Per Cent. Above April of Last Year.

Ottawa, May 29.—Spinning dynamos set up a new monthly record for electrical output in Canada in April. Output was 2,322,884,000 kilowatt hours, almost double April, 1935 and 7.3 per cent. above April, 1936, the Dominion Bureau of Statistics reported today.

The total for the first four months of the year was 9,199,627,000 kilowatt hours against 8,329,743,000 in the same period of 1935.

Exports to the United States amounted to 164,247,000 kilowatt hours compared with 125,496,000 kilowatt hours last year.

Wallis Will Not Be Entitled To Style "Her Royal Highness"

Announcement Described by London Times as Removing "The Burden of Speculation and Discussion" from Duke of Windsor's Approaching Wedding—Action Taken Under Letters Patent of Queen Victoria Seventy Years Ago.

London, May 29.—Announcement that Mrs. Wallis Warfield would not be entitled to the style "Her Royal Highness" after she is married to the Duke of Windsor was described by The Times today as removing "the burden of speculation and discussion" from the Duke's approaching wedding.

In an editorial entitled "An Act of Renunciation," The Times stated: "The King's advisers' decision is in keeping with the tradition that right to the title of Royal Highness by custom at home, throughout the Empire and elsewhere abroad is essentially the attribute of a potential successor to the Throne—the Duke of Windsor himself remaining the special exception to the rule."

"It also accords with such parallels as are found in other official practice and should relieve the ceremony which is to take place in France next week from some part of the burden of speculation and discussion that is settled upon it."

"Public interest in that event is inevitable. It may be past hope that the Duke of Windsor should be granted the privacy which is manifestly foremost in his own wishes and would in similar circumstances be claimed and enjoyed by ordinary citizens, but there can be neither public gain nor personal service in publicity heightened by unnecessary controversy."

Some newspapers, however, found the announcement, made in the official London Gazette, as conflicting with former Prime Minister Baldwin's statement at the time of the abdication crisis that no such thing as morganatic marriage "is known to our law."

Lord Beaverbrook's Daily Express said "it is puzzling because Mr. Baldwin said he told King Edward: 'If you marry her she will be Queen.'"

"It is curious," declared the Manchester Guardian, "that in the discussions on the subject of the exact designation of the Duke's future wife the letters patent of Queen Victoria to that effect were not mentioned. They might properly have been set out in the abdication terms."

The announcement in official court organ said: "The King has been pleased by letters patent under the Great Seal of the Realm bearing the date May 27, 1937, to declare that the Duke of Windsor shall, notwithstanding his instrument of abdication executed on the 10th day of December, 1936, and His Majesty's declaration of the Abdication Act, 1936, whereby effect was given to said instrument, be entitled to hold and enjoy for himself only the title, style or attribute of Royal Highness, so, however, that his wife and descendants, if any, shall not hold the said title, style or attribute."

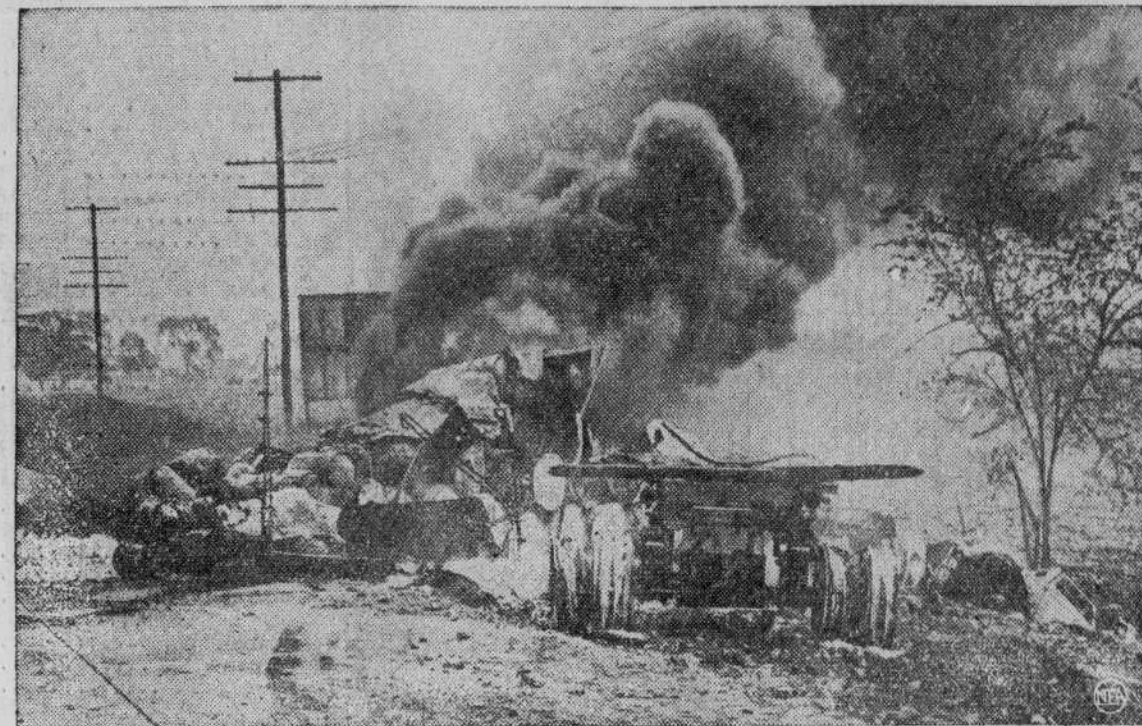

The Gazette announced that Let-

CENTENARIAN DEAD

Elbow, Sask., May 29.—C. S. Martinson, who lived under the reign of six monarchs, is dead here in his 102nd year. He was born October 15, 1835, in Salangen, Norway, coming to Elbow, 97 miles northwest of Moose Jaw, in 1903.

A Blowout --- Then This --- And Five Die

A blowout that careened the car in which six musicians were driving to a Catskills resort into the path of a five-ton truck laden with barrels of inflammables near Coxsack, N.Y., was blamed for the collision and fire in which four of the passengers car occupants and the truck driver were burned to death. The wreckage of the passenger car just protrudes from the ditch at right, above, and only the chassis and metal containers of the blazing cargo of the truck remain.

FRANCO-GERMAN TRADE PACT TO BE SIGNED SOON

Agreement in Principle on All Main Points of Accord Was Reached Yesterday—Will Continue Dawes and Young Plan Interest Rates.

Paris, May 29.—A Franco-German trade treaty will probably be signed three weeks hence, it was reported in political circles today.

Agreement in principle on all the main points of the accord was reached yesterday in the final meetings between Reich Economics Ministers Hjalmar Schacht and French officials.

A subsidiary agreement on tourist trade was reached two months ago and is to go into effect next Tuesday.

Political circles here regarded these developments as of capital importance for the further evolution of Franco-German relations.

It was understood that the commercial accord would continue the Dawes and Young plan interest rates. Germany would purchase in France not only raw materials but a certain proportion of French manufactured products as well. The clearing system is replaced by one similar to that which now governs Belgian-German trade.

St. Louis, May 29.—The following advertisement appeared today on the financial page of a St. Louis paper.

Former market analyst and investment counsel would like job in private family as chauffeur and butler. Will also do laundry and look after children.

Million Dollars In Rare Currency Destroyed By U.S. Treasury Agents

Suitcase Full of Rare United States Money Burned as Executors of Estate of Hetty Green Seek to Enhance Value of Remainder.

Washington, May 29.—A suitcase full of rare currency was hacked to pieces and burned at the U.S. Treasury. Authorities said it would have been worth \$1,000,000 in the collectors' market.

Disclosed yesterday the currency was from a collection started by the late Hetty Green, once rated the world's wealthiest woman.

It was turned over to the treasury for its face value of \$198,176. The collection was one of the most valuable in the world, officials said, containing two sets of all notes ever issued by the Federal Government.

Explaining why the Green estate handed over currency worth \$1,000,000 for less than a fifth of that figure, officials said James Wade of the Chase National Bank at New York had advised this be done. They said Wade suggested that, where the collection contained more than two of any type of note, the extras should be redeemed.

The usual treasury policy is to destroy redeemed currency when it is of a kind no longer being issued. This had the effect of making the remaining "Green" collection more valuable, it was said, by reducing the number of rare notes outstanding.

PREDICT EARLY RE-UNITING OF DIONNE FAMILY

As Quints Enter Fourth Year of Life in Perfect Health, Members of Family Indicate that Children May Be Restored to Family Circle.

Callander, Ont., May 29.—Pro-nounced "physically fit" by Dr. Allan R. Daffoe, the physician who has looked after them from birth, the Dionne quintuplets entered their fourth year of life today after the best—at least the noisiest—of the three birthday celebrations they have had.

The five—Yvonne, Annette, Cecile, Emilie and Marie—couldn't eat their five gorgeous birthday cakes, but they had a lot of fun whooping it up for a radio broadcast that had the entire continent for an audience last night.

"Ah-wa, ah-wa, ah-wa" chorused the French-speaking children to the radio listeners as the announcer asked them to say "Au Revoir" at the close of the programme which included "singing" of a French song, the "music" of their toy drums, and their thumpings and squealings as they played in the nursery here.

Encouraged to make themselves heard, the quints performed both separately and in unison while four radio chains carried their presentation. But apart from their appearance before a microphone, it was little different from any other day in the lives of the world's most famous babies.

They ate their oatmeal, spinach, milk—a usual meal—and their playtime as usual, had a few more Please Turn to Page 2, Col. 4.

POPE SENDS SPECIAL BLESSING TO GERMAN CATHOLICS

Castel Gandolfo, Italy, May 29.—Pope Pius sent to German Catholics today a special blessing "in the midst of the very grave events" in the Third Reich—the controversy between the Nazi State and the Church.

Thus the Holy Father sought to fortify the Church in Germany against a fierce attack by Dr. Joseph Goebbels, Nazi Minister of Propaganda, on the Catholic clergy at home and abroad.

Goebbels delivered the attack before 20,000 Nazis in Berlin's Deutschland Hall last night. It was his reply to George Cardinal Mundelein of Chicago, who censured Germany's government of fomenting atrocity propaganda on the world in the form of the Nazi-publicized "immorality" trials.

The Pope, who will be eighty years old on Monday, sent an encyclical to Germany before Easter in which he accused the Hitler Government of breaking the Church-State concordat and encouraging pagan movements.

MUST HAVE BEEN A PEACEFUL TOWN

East Greenwich, R.I., May 29.—Coroner Frank R. Hill of this town has resigned after eighteen years during which he never had occasion to conduct an inquest, and never collected a fee. He was not, however, exactly disappointed. His father, Charles G. Hill, was coroner twenty-five years before him, and collected only twenty dollars in fees for one two-day investigation.

WEALTHY U.S. TAX DODGERS TO BE PROSECUTED

Revenue Authorities Hope to Transfer \$100,000,000 from Pockets of Tax Evaders to Federal Treasury.

Washington, May 29.—Revenue authorities of the United States disclosed today they hope to transfer \$100,000,000 from the pockets of tax evaders to the Federal Treasury. The officials, spurred by President Roosevelt's broadcast against wealthy tax dodgers, agreed on a two-day programme of prosecution and evasion-proof legislation.

They said fraud proceedings, involving possible jail sentences and heavy fines, would be recommended to the Justice Department wherever evidence justified and that several changes in the tax laws would be sought to seal existing loopholes.

Fraud actions, in which penalties amounting to fifty per cent. of the tax may be imposed, may total more than five hundred, some authorities said. They declared that 290 such proceedings last year netted the treasury \$31,000,000 and said the amount probably would be doubled this year.

Substantial additional revenue also is expected from civil proceedings against persons not criminally liable and from revision of the tax structure. Authorities said the entire campaign probably would bolster revenue by \$100,000,000 or more.

Mr. Roosevelt indicated yesterday recommendations for legislation to reinforce the tax structure would be completed soon.

The internal revenue bureau already has issued a regulation designed to prevent persons with large incomes from escaping taxes by transferring assets to foreign corporations set up for that purpose.

DEATHS REPORTED TODAY

The following deaths were reported in today's press despatches to the Record:

Aberdeen, Scotland—Professor Alfred Adler, sixty-seven, Viennese psychologist and long-time associate of Dr. Sigmund Freud.

Memphis, Tenn.—Mrs. Mary N. Rice, 105, the United States "oldest mother."

Hamilton, Ont.—James Allen, seventy-five, former mayor of Burlington, Ont.

"Regenerated" Catholic Church, Free Of Vatican Ties, Planned For Reich

Observers Believe Virulent Attack of Propaganda Minister Goebbels on Catholic Church Forecasts Establishment of Church "Regenerated" Along Lines Amicable to a Totalitarian State—Threatens to Call High Churchmen Before Courts.

Berlin, May 29.—The virulent oratorical attack of Joseph Paul Goebbels, Minister of Propaganda, on the Catholic Church was believed today possibly to foreshadow a Nazi move establishing a "Regenerated" German Catholic Church completely severed from the authority of the Vatican.

Millions of Germans were stirred to intense speculation by Dr. Goebbels' speech, broadcast throughout the Reich last night, which threatened widespread expulsion of the Catholic clergy and accused the clergy of a "general decadence of morals."

The fact Reichsfuehrer Hitler's personal mouthpiece, Voelkischer Beobachter, prominently displayed Goebbels' quotation of Napoleon concerning suppression of monasteries gave weight to rumors that drastic measures were not far off.

Concluding words of the Nazi Minister's unprecedented attack were studied closely for a clue to National Socialism's next move in its bitter dispute with the Catholic Church.

"I speak in the name of thousands of decent priests who—as countless letters addressed to me clearly indicate—view with heavy hearts the greivous decline and decay of the Church," said the Government press chief.

"I venture to express the hope that out of the midst of these very circles a regeneration will come and come so quickly it won't be too late," he declared.

This passage was interpreted variously to mean either the German hierarchy was being given a last chance to "regenerate" the Church along lines amicable to the totalitarian state, or that plans were complete already for a "regenerated" church cut off from Rome.

Goebbels, apparently speaking with the full weight of the Nazi party behind him, spoke before 20,000 excited listeners in the great Deutschland Hall.

His speech was designed as a reply to the criticism of German church immorality trials by Cardinal Mundelein, of Chicago, but most of his time was occupied with threats against the entire Catholic hierarchy in words which some German newspapers said were aimed "over Mundelein's head straight at the Vatican."

Goebbels threatened to call high churchmen to testify under oath if they continued their "slander" of Nazi justice in criticizing the publicity given trials of numerous churchmen on charges of sexual offences.

TURGEON ROYAL GRAIN COMMISSION ADJOURNS

Numerous Proposals on Marketing and Extension of Foreign Markets Laid Before Commission.

Regina, May 29.—With the proposed overseas visit to study marketing in Great Britain and Europe undecided, the Turgeon Royal Grain Commission stands adjourned today until the autumn.

Hearing five farmer witnesses and receiving several more exhibits, the three-week session in Regina closed late yesterday.

Numerous proposals on marketing and extension of foreign markets abroad and upon other matters were laid before the Commission which began its sittings last December 1 in Winnipeg and later took evidence in Saskatoon, Regina, Edmonton, Calgary and Vancouver.

QUICK THINKING SAVES CHILD

Trail, B.C., May 29.—Mrs. E. Turner was driving on a curving bridge approach when a door of the car opened and her two year old daughter, Mary, tumbled to the street. To avoid striking the child, Mrs. Turner ran her car against the bridge railing. Neither was seriously hurt.

THE WEATHER

FAIR AND WARM.

Pressure is high over the Lake region and eastern states, also on the Pacific coast, and relatively low over Labrador and Newfoundland with a fairly deep disturbance centered over Manitoba. The weather is fair and warm over eastern Canada while in the Western Provinces it has been unsettled with moderate to heavy rains occurring in many districts.

Forecast: Fair and warm today and most of Sunday; probably followed by local thundershowers Sunday night or Monday. Light to moderate variable winds today, becoming fresh southwest on Sunday.

Northern New England: Fair to night and Sunday; slightly warmer in the interior Sunday. Monday: mostly cloudy; showers Monday afternoon or night.

INSPECTION OF LAKE MEGANTIC O.E.S. CHAPTER

Large Number Attended Annual Inspection of White Heather Chapter, Eastern Star, at Lake Megantic.

Lake Megantic, May 29.—The annual inspection of White Heather Chapter No. 23, Order of the Eastern Star, was made by the worthy Grand Matron, Sister Margaret Morrison, of Montreal, and worthy Grand Patron, Bro. Floyd Johnson, of Cowansville. Among other distinguished guests were Sister Ellen Pratt, Grand Instructor of District No. 1, from Cookshire, and Sister Mary-Miller, Grand Chaplain.

Supper was served in the lower hall promptly at six o'clock, and a lunch was served after the evening meeting.

During the initiation ceremonies, Bro. Sydney Pudney was heard to advantage in two well-chosen solos. A new and attractive march opened the evening ceremonies.

The supper committee, headed by Sister Mabel Lavoie, consisted of Sisters Jennie McLeod, Bertie Crandall and Bessie Matheson, to whom much credit is due for the well-appointed tables. This committee was aided by all the members in preparation for the event.

Flags and Coronation banners made gay the walls of the dining hall, while flowers and candles of the Star colors set off the finely appointed tables.

The upper hall or Chapter room was decorated with cherry bloom and potted plants. Sister Martha Beaton and helpers had charge of the decorations.

During the evening, gifts were presented to the worthy Grand Matron and Grand Instructor, Sisters Florence Bailey, Emma Kelly and Mary Miller were on the gift committee.

The worthy Matron is exceedingly grateful to all the sisters and brothers who assisted in making this annual inspection one of real pleasure and profit.

General Notes.
The death of Mr. Donald G. MacDonald occurred at the home of his brother-in-law, Mr. William G. MacLeod, in Bury on Monday, May 17th. The funeral was held at St. Andrew's Church on Wednesday, May 19th. Interment took place in Echo Vale Cemetery. The sympathy of the community is extended to the bereaved ones in their loss.

A Coronation programme was carried out at the High School. After the singing of the National Anthem, prayers were offered for the King and Queen by Rev. A. F. G. Nichol. This was followed by an address by D. J. Munn, B.D., on the British Constitution and the meaning of responsible government. The pupils then sang, "O Canada," after which Mr. Nichol read the Governor-General's Coronation message to the school children of Canada. The pupils of the primary room sang, "The Children's Song," by Rudyard Kipling. Some interesting features of the Coronation were explained and illustrated with colored pictures. Miss Shirley Crandall spoke of the interesting history surrounding the Coronation Chair. Miss Isabelle Stevens of the King's, and Miss Phyllis McLeod of the King's, the programme closed with the National Anthem.

Britain's New Prime Minister.

The ambition of a great political family has been realized and a Chamberlain of Birmingham has become Prime Minister of Great Britain.

Neville Chamberlain, like his father before him, started in politics after having been a success as a business man. His political career did not begin until he was forty-seven years of age.

The advent of Neville Chamberlain to the greatest post a politician can achieve in British life will sign and seal the Chamberlain family as one of the greatest dynasties in modern political history.

Neville Chamberlain will never set the Thames afire with eloquence, as Lloyd George used to do. He will not impress with a Roman dignity like Asquith. He will not amuse with apt literary allusions like Stanley Baldwin.

But he is a hard worker, a capable executive and eminently safe and sane. There is one great factor about Neville Chamberlain—he will get things done, because his gospel is work.

Britain's new Premier has had considerable schooling for the task ahead of him. His long term as Chancellor of the Exchequer has been marked by many triumphs. Prospects for his regime as Prime Minister are bright and there is every assurance that he will be able to serve the nation and prove a worthy successor to such an outstanding statesman as Stanley Baldwin.

In the retirement of Stanley Baldwin the Empire loses a man of eminent qualities. It is, however, fitting that Mr. Baldwin should seek rest and enjoy leisure.

The name of Stanley Baldwin will remain throughout the years as representing one who gave of his best to his country. He made mistakes, but he was sincere of purpose and he rendered wonderful service to his people and to the Empire.

With the bestowal of the highest honor his Sovereign could give him and with the gratitude of his people, Stanley Baldwin leaves the ship of state to other hands.

He has abundantly earned the repose that advancing years have made it necessary to seek. His place in history is secure, and as he enjoys the evening of life he may rest assured of the respect and affection of his countrymen and of British peoples the Empire-over.

Do Canadians Realize These Facts?

Are Canadians fully informed about their own country? Every Canadian who has travelled to any extent realizes that the world knows all too little about this country.

Even in the United States, Canada's closest neighbor, the knowledge of this country is shockingly limited. Canadians would do well to polish up on the achievements of their country. It is well to know these things and to be able to tell outsiders just what this country has to offer.

Perhaps many Canadians are not aware of the fact that:

Canada has the largest area of any country in the British Empire.

Toronto has the world's largest exhibition.

Canada leads the world in per capita trade.

The Royal York Hotel in Toronto is the largest hotel in the British Empire.

The Canadian Pacific and Canadian National Railways are two of the largest business institutions anywhere.

Montreal is the largest inland harbor in the world.

Niagara Falls is a tourist attraction of scenic splendor unrivalled in the world.

The Welland Canal has the world's largest single canal lock.

The largest telescope in the British Empire is at Victoria in British Columbia.

Canada is the bread-basket of the British Empire, producing the finest and hardest bread wheat in the world.

Essex County, Ontario, produces the finest corn and it took the first prize at the Chicago show for many years.

The largest flour mills in the British Empire are Canadian.

Halifax has one of the best land-locked ocean harbors known to mariners of the Seven Seas.

The reversible falls of St. John, N.B., are unique.

The St. John Valley provides a motor drive

through New Brunswick that will rank in scenic beauty with any valley.

There is no finer stretch of country in the world than that part of Ontario between Windsor and Niagara Falls and Toronto.

The deepest under-sea coal mines in the world are in Nova Scotia, where miners go three miles under the ocean to dig out the black fuel.

Canada gave the world its first steam-propelled ocean vessels in 1831.

Canada's gold mines are among the greatest producers of mineral wealth in any country, excepting South Africa.

Sir Frederick Banting, a Canadian doctor, discovered insulin.

Vancouver is one of the most progressive ports on the Pacific Ocean.

Bridges like the Ambassador in Windsor, Quebec in Quebec, and Montreal Harbor in Montreal are among the leading bridge engineering structures in the world.

Canada's area is greater than that of the United States.

Canada leads the world in the yearly production of newsprint, the amount being nearly two million tons.

The finest asbestos in the world is found in Quebec.

Canada's educational system is considered among the finest to be found anywhere.

Canada leads the world in the production of nickel.

Canada's grain elevators will hold over 400,000,000 bushels of grain.

Ontario has the only living quintuplets.

Importance Of Meditation.

Grenville Kleiser.

You grow your best thoughts in silence, solitude and meditation. When you relax and think deeply, you are giving your inmost powers their best opportunity to disclose themselves. Constant action and expression are direct drafts upon your mental capital. To continue growing and accumulating useful ideas you must have frequent times of mental relaxation, concentration and silence. Beware the modern tendency to hurry and waste. The time you give to quiet and intelligent meditation will repay you well. Cultivate quietness, poise and deliberateness. It is at times of inward stillness that you can best hear the voice of God and learn His will. It is then that you most clearly realize the Divine presence and power.

What Editors Say

CANADA HONORED.

Canada has genuine reason to feel proud of the consideration given to her representatives at the Coronation and at the Empire Conference which opened two days following that great event. It goes to prove that Britain thinks highly of her Canadian possession, and we, in turn, can best reciprocate by showing our highest loyalty to the Mother Country. The fact that the Canadian Premier, Right Hon. Mackenzie King, had a place in the Coronation procession immediately following the carriage of Premier Baldwin, of Great Britain, was a mark of great honor to this Dominion and to Canada's chief representative.

BALDWIN APPROVED.

The suggestion that Right Hon. Stanley Baldwin may be the choice of the Canadian Government to head the forthcoming Royal Commission on Canada's constitutional and financial problems is one that should receive the unanimous approval of all Canadians. There is no Imperial statesman of recent times who has more deservedly won the confidence of the people of this Dominion. If there is any one who could help us solve our railway impasse and the proper division of responsibilities between Dominion and Provincial Governments it is he.

GREAT NEED OF THE UNITED STATES.

Nichols Roosevelt says that runaway budgets are balanced only when "a man with iron in his soul decides he has to make the personal sacrifice of incurring the undying hatred of the politicians and the parasites in order to save the nation from financial disaster."

In other words, this country needs in a place of authority today a courageous patriot who knows the meaning of the word "necessity" and who stands ready to make the sacrifice comparable with that offered by the men who went over the top.

HARD TO UNDERSTAND.

Irish Free State seems to be more bitter against all things British even than Mussolini. Difficult is it for us who know and respect many Irishmen here to understand such an attitude in the Emerald Isle.

PROMINENT PEOPLE OF THE EASTERN TOWNSHIPS

REVEREND ERROL C. AMARON, M.A., B.D., STANSTEAD.

When, in 1931, the Board of Trustees of Stanstead Wesleyan College sought a principal for that widely-known Eastern Township's seat of learning they decided Reverend Errol C. Amaron was the type of man to assume this responsibility.

Rev. Mr. Amaron accepted the charge, and his regime has proven that the governors of the College were not mistaken in their choice. A man of forty years, Mr. Amaron has the initiative, tact and ability for the task. Under his guidance Stanstead College is making rapid strides and is ably filling its position as one of the leading co-educational institutions of Quebec Province.

Mr. Amaron has all the requirements for the task which has fallen upon his shoulders. As a clergyman, he is qualified to assume the charge of an institution which is under the administration and direction of the United Church of Canada. As a scholar, he is fitted to dictate the educational policy of the College. As a prominent athlete in his college days, he is thoroughly familiar with the physical and recreational side of the life of the students. Mr. Amaron is an all-around man who is capable of putting into his work the practical knowledge and experience which is of such vital importance.

It was once written of Mr. Amaron that "his ability and leadership in pastoral work have made a great impression in United Church circles." Apart from pastoral work, his ability and leadership have been equally evident in the field of education and his worth to Stanstead College cannot be over-estimated.

Mr. Amaron was born at Montreal on August 15, 1897, the son of Rev. Eli Amaron, founder of the American International College, of Springfield, Mass., and of Margaret Lorne Lynch.

He was educated at the Pointe-aux-Trembles School, the high school of Quebec City, Stanstead College and McGill University, Montreal. He was graduated from McGill University, receiving his Bachelor of Arts degree with honors in 1923, and in 1933 was awarded the degree of Master of Arts.

He studied theology at the United Theological College, Montreal, receiving his Bachelor of Divinity degree in 1929. He also attended the United Theological Seminary in New York and the Teachers' College, Columbia University.

Mr. Amaron has had a varied career and has gained wide experience in various fields of endeavor. He was director of religious education of Ridgeview Congregational Church, White Plains, N.Y., in 1927-28, and from 1928 until 1931 was associate minister of American-Presbyterian Church, Montreal.

While in Montreal he was keenly interested in social service work, having served as chairman of the Social Service Exchange. He was also a member of the Montreal Council of Social Agencies.

During his undergraduate days, Mr. Amaron won enviable reputation as an athlete, receiving thirteen letters in different sports. He was captain of various basketball and track teams and holder of a record for discus throwing.

He was twice president of the Students' Council of McGill University and president and general secretary of the Students' Christian Association. He also served as secretary of Stanstead College.

From 1912 until 1914, he was in the veterinary corps of the Canadian Militia and from 1915 until 1918 saw active service overseas. He was with the 2nd Field Ambulance Depot, 5th Battalion, C.M.R., C.E.F., from June 1915 until January 1916. From January 1916 until March 1919, he was with the 9th Canadian Field Ambulance, C.A.M.C. His record of service speaks for itself in that he was mentioned in despatches and is holder of the Military Medal.

He is a member of the Psi Upsilon Fraternity and of the Empire Service League, and is keenly interested in all movements of a religious, patriotic or charitable nature.

Mr. Amaron as an educationist, clergyman and orator is regarded as one of the leading figures in the Eastern Townships. He is giving of his best to a worthy cause. The results of his work bear testimony to his ability.

THE FRENCH PRESS

DEFENDS PREMIER'S ATTITUDE

Le Soleil, Quebec.

The economic theory which Mr. Mackenzie King suggests at the Imperial Conference is disturbing the privileged class which profits from tariff protection. As it exercises an influence on a part of the Canadian press the latter reacts in the direction desired by the protectionists. They let it be understood that if customs duties are further reduced it will be exclusively to the advantage of foreign competition. That mistake is easily corrected, at least in a mind which is sincerely seeking the public interest.

If the British democracies conclude an agreement such as that which is now proposed, concessions will be mutual. Even more, in the preparation of such a treaty precautions will be taken not to upset unduly the present conditions of industry. An increase of trade exchanges and the reduction of the cost of living, this is the double objective to be realized.

It is therefore wrong, as certain papers are now doing, to represent Mr. King as the agent of protectionism in an assembly where only British countries are represented. Was it not the Prime Minister of Canada who won over the American Government to his point of view on economics?

The fastest thing you can do is to wink your eye, which takes an average of one-tenth of a second.

Parliament Hill Hears...

By Wilfrid Eggleston.

What do our neighbors think of us when they come to visit us?

The Canadian Travel Bureau has the answer to that one. Thousands of letters pour in every year after the tourist season, praising and criticizing.

The great majority of the letters, it should be said, are favorable, and among them the Bureau gets such compliments as the following, which came from Logan, Utah: "I cannot speak too highly of the fine French courtesy and kindness of the people we met in Montreal and Quebec. I have not found (with the exception of my own home here in Utah), a more serenely beautiful spot than the Quebec province. Its charming old world atmosphere and culture stay with one long after he has left it. Quebec has much to teach all of this mad modern world. Its wholesome simplicity, and its charming people 'get you'."

Even more laudatory was the letter from a lady of New York City: "Accommodations everything we could desire, courtesy shown everywhere. Would like to comment on courtesy and patience of traffic officers. The customs men at the border were exceptionally kind and considerate, and I think Uncle Sam is a very fortunate old gentleman to have such a pleasant and peace-loving neighbor to the north. As for the police officers, they certainly 'sell Canada' to the tourists from the States—no question is too annoying to answer, no detail too small to explain. Have become Canada conscious."

However, any time Canada's tourist authorities get too cocky about our Canadian virtues, they can turn up their files and contemplate another letter from a lady, this time from Detroit, who wrote D. Leo Dolan, director of the Canadian Travel Bureau, in the following vein:

"I have never had a more disagreeable and unpleasant trip. The trip was my honeymoon, and I shall always regret that we wasted the time and money in Canada. We stayed at hotels and tourist camps. Your hotels are old and dingy, and the owners of your tourists' camps are disconcerting. Particularly disagreeable is their habit of turning on the electricity in the morning so a guest cannot warm a little water for the morning's shave and cleansing."

"Two weeks of Canada was all we could stand. We had intended to go around the Gaspé Peninsula, but we turned back and came to Detroit as fast as traffic laws would permit, as we were so disgusted at the getting about 150 miles past Quebec City. If you would spend your money educating your own people to be courteous to their guests instead of advertising for more tourists, you would profit far more."

A letter like that is so exceptional that one doesn't like to leave the subject with a bad taste in the mouth. The very next letter in the file, from a Bellefonte, Pennsylvania visitor, serves as an antidote. He wrote, simply:

"I have been so very much pleased with the courteous and general good-will that I have enjoyed the border 34 times, and hope to make two trips this coming summer."

Edward James Young, the Saskatchewan dirt farmer who has now become chairman of the Industry and Labor Board of Ontario, after a brief experience on the National Employment Commission, known at first hand both the carpenter's bench and the handles of a walking plow. He sold papers as a little nipper on the streets of Winnipeg and saw the troops leave for the "Saskatchewan Rebellion" in 1885. He worked his way through High School and Normal, taught school and worked in the employ of Mackenzie and Mann, the railway contractors, at one time. He has been on a famous royal commission and spent ten years in Parliament. So he brings to his new task a varied experience.

When "Ed" went out to his home-land west of Winnipeg very early in the present century, he purchased four oxen, because they were cheaper than horses, a walking plow and a wagon. He put up the usual "homesteader's shack" of single ply boards, 12 feet by 14. The next year, Ed says, he put another ply of boards on the shack, and it was a darter good thing he did so, for that was the year of the "Big Winter" the old timers in those parts still talk about.

It snowed about three feet in one storm in November and when the furious winter blizzards began to blow, some of the settlers' shacks were buried for the winter, with only the tin smokestack sticking through the drifts to show where the dwelling was. Or that's how "Ed" tells it, anyway.

"Ed's" present wheat farm is in the "dust bowl" and he has persevered, like all his neighbors, through all sorts of discouraging conditions. When the "black blizzards" were at their worst several years ago, "Ed" said: "You daren't hardly take your storm windows off in the spring, for fear the farm would blow into your house." That was not just rhetoric, either, because five or six years ago part of a field did blow into his farm yard and it took him a couple of weeks with a scraper to put the silt back where it belonged.

Did you know . . . that it was always Hon. H. H. Stevens' secret ambition to be a journalist, and he realized it at least to this extent, that for some years he edited a weekly as a side issue. Says he lost money on it but enjoyed the experience.

A Study Of The Stars

Psalms VIII, 3, 4: "When I consider Thy heavens, the works of Thy fingers, the moon and the stars that Thou hast ordained, Lord, what is man that Thou regardest him, or the son of man that Thou visitest him?"

What variety and splendor of room for religion in the scheme of things, until man becomes convinced that he has no soul!

Something further may perhaps be profitably said about the psalmist's conviction of the utter insignificance of man. It was only natural. Sheer immensity enrages the imagination and distorts the judgment. We forget there is no common ground on which that which is purely physical meets that which is essentially spiritual. There is no fair basis of comparison. Vast as the Universe is, it is only law of change and decay; but the Soul lives on, unaltered in conscious identity, binding the present to the past, and the future to the present, in a continuous unbroken chain forever!

We are reminded of Kant's famous saying: "Two things there are that fill the soul with awe: the starry heavens above and the Moral Law within."

And, indeed, in the sight of the God he worshipped, the author of this poem was even more wonderful, and far more important, than the Universe he "considered." For, in due course of time, that God was to send forth His Son, out of the love He bore the crowning labor of His hands. Meanwhile His Holy Spirit was at work. God did not leave Himself without witness, even in Earth's darkest days, but sent lawgivers, judges, prophets, "to turn the hearts of the disobedient to the wisdom of the just."

Thus, our text suggests to us the Majesty of the Lord, as revealed in the material creation, and His Love, as shown in His "mindfulness" of the children of men.

In David's day, and for more than two thousand years after his day, the earth was regarded as the centre of the Universe, around which Sun, Moon, and Stars ran their courses. Today, the earth is but a minor planet in a tiny system, one of millions of such systems. Compared with Sirius or Antares our Sun is a mere pigmy; while, as Herschel says: "The rays of light from some of the remoter nebulae must have been millions of years on their way."

In the presence of facts and figures so portentous, the mind is powerless. And yet, if we realize that all this was produced and organized and maintained by one Supreme Intelligence, how it must magnify our idea of that Intelligence! "Be- hold," said Solomon, "the heaven and the heaven of heavens cannot contain Thee: how then this House that I have builded?"

Marvellous, indeed, beyond conception is the truth that of the Creator of all these wonders we may say: "God so loved the World that He sent His only begotten Son!" And, bear in mind, it is the Divine Son Himself who gives us the complete assurance of the infiniteness of the Heavenly Father's love and care. "Not a sparrow falleth without your father; and the very hairs of your head are all numbered."

Evidently, then, nothing is too great, and nothing too small to be a matter of concern to the Infinite Mind and Heart. This is proved as we see how the marvels of the microscope supplement those of the telescope, showing how the infinitely small meets the infinitely great!

It is one-sided views of Nature that lead to scepticism, for the experience of the ages shows conclusively that Science cannot fully take the place of Religion. It cannot supply its consolations, nor offer any substitute for its hopes. We may well believe that many of the forms of religious devotion may be modified, as the spiritual experience of the race keeps pace with its growing knowledge, but there will always be

Weak as we are, and liable to be fascinated by false glitter, in our best moments we are fain to acknowledge that power and genius are never so great as when in noble selfishness they stoop to uplift the fallen and the lost. So, the Gospel of Jesus reduces to harmony within us the idea of God's Power, and that inner dictate of our Nature which sets the highest crown upon Goodness.

The more profoundly and reverently we study our own Soul, and the standard of Moral Judgment there set up, the more we shall feel the need of the Revelation of God in Christ to disclose depths of compassion transcending even the sublime heights of power, and to point us to a Being who crowns His own Nature, as He crowns ours, with Mercy and Loving Kindness.

CONFERENCE OF Y.W.C.A. LEADERS UNDERWAY HERE

MacKinnon Memorial Is Headquarters for First Regional Conference of Quebec-New Brunswick Leaders' Corps.

Today the MacKinnon Memorial, Sherbrooke's beautiful and modern equipped Y. W. C. A. is en fête to welcome the delegates attending the week-end conference of the Quebec-New Brunswick Leaders' Corps. Visitors from all parts of the province and from New Brunswick arrived this morning, and registration, which commenced at three o'clock, will continue until supper-time. During the interim, "getting acquainted" games will be led by Miss Helen Mackey, of Montreal. There will be "Folk Dancing" under the supervision of Miss Evelyn Bale, of Quebec, and the Sherbrooke Health Committee will serve afternoon tea. Supper will be served after the roll call, and songs under the direction of Miss Hazel Sinclair, of Montreal, together with the social gathering around the festive board will surely make complete the business of "getting acquainted" so happily introduced in the opening games.

Group discussions play an important part in the evening's programme, and four questions pertaining to Y.W.C.A. work will be dealt with under the following leaders: Mrs. B. C. Howard and Miss Margaret Nicholson, of Sherbrooke; Miss Jean Brown, Miss Constance Balford and Mrs. F. J. Forman, all of Montreal. "Open Forum" will follow group discussions, with Mrs. Hawley Griffith, of Sherbrooke, in charge. Commencing at nine o'clock the remainder of the evening will be given over to "fun," which starts off with demonstrations in the pool and gymnasium.

Stunt performances and display features by groups from Quebec, Montreal, Saint-John, Moncton and Sherbrooke, under the direction of their respective delegates, will be supervised by Miss Nicholson, physical director at the MacKinnon Memorial.

Refreshments will be served and "Fireside Vespers," under the direction of Miss Dorothy Percival, of Montreal, will conclude the first session of the conference of the Leaders' Corps in Sherbrooke.

EMPLOYEES OF SILK PLANT ON STRIKE TODAY

Over Six Hundred Men and Women Affected by Surprise Strike Declared this Morning at Canadian Silk Products, Ltd.

Over six hundred employees of the Canadian Silk Products, Ltd., were affected this morning when workers on the night shift, estimated to number about seventy-five, declared a surprise strike and picketed the plant to prevent the day crew from going into the mill.

Chief H. O. Camirand despatched a squad of police officers to the scene a few minutes after the strike was declared, but no disturbance occurred. The strikers are reported to be demanding a wage increase, recognition of a mill committee and better working conditions.

A committee of four, representing the workers was slated to meet Albert A. Munster, general manager of the local plant at noon today, to receive a reply to their suggestions, but the surprise strike was declared before any such conference could be held.

Mr. Munster, who said he would issue an official statement later, stated to a Record representative this morning that he had been giving serious consideration to the suggestions made by the employees and that the company had only recently given a wage increase and acceded to certain requests, such as closing down of the mill on Saturday afternoons.

A strikers' delegation is expected to call upon Mr. Munster later today. In the meantime, operations at the local plant are at a standstill, with over six hundred men and women idle.

JUDGE REJECTS DEFENCE MOTION IN FRAUD CASE

Finds Crown Has Introduced Sufficient Evidence in Rodrigue-Grimard Case to Warrant Hearing of Defence Witnesses.

Declaring that the Crown's proof had not been contradicted, Judge J. S. Couture, presiding over the Magistrate's Court, yesterday afternoon dismissed the motion of non-suit in the case of Lionel Rodrigue and Louis Rodrigue, of this city, who are standing trial on a charge of conspiracy to defraud. The case was then adjourned until Friday next to enable the defence to present its evidence.

The motion for non-suit was made by Charles deL. Mignault last week, the defence attorney contending that Crown Prosecutor Antonio Drolet had failed to prove his clients had been guilty of the charges lodged against them. Judge Couture found, however, that the Crown had introduced sufficient evidence to warrant the hearing of defence witnesses.

Rodrigue and Grimard are accused of endeavoring to defraud a number of Eastern Townships farmers in what police claim were "shady" real estate transactions.

The two men were last fall condemned to stand trial at the criminal assizes, but optioned for speedy trials. They are out on bail.

TWO NEW MARKS ESTABLISHED AT STANSTEAD

"Happy" Austin Starred as Stanstead College Track and Field Athletes Defeated Newport High School.

Stanstead, May 29.—Two new records were established yesterday when the Stanstead College track and field stars romped to an eleven point margin victory over Newport High School, fifty-nine to forty-eight, in the fifth annual track meet between the two schools.

Alfred Mackay, of Stanstead, established a new mark in the one mile dash, clearing the bar at ten feet and bettering the former record by one foot two inches, while Rogers, of Newport, tossed the javelin 155 feet, nine inches, adding one foot nine inches to the old mark.

"Happy" Austin carried off the individual honors, finishing first in the hundred yards dash, the 220 and the high jump, and placing third in the discus throw.

Smith, of Newport, won two events, the mile and the half mile. Philip Poops captured the twelve-pound shot put for Stanstead, while his teammate, Dillabough, took the discus honors.

The closest event of the meet was the 880 yards relay, won by Stanstead with only inches to spare, the last two runners fighting neck and neck for almost the entire stretch.

The meet victory gives Stanstead the Britton Moore Cup for the fourth time as against once for the Vermont school.

The results follow:

100 yard dash: 1 Austin, Stanstead; 2 Rogers, Newport; 3 Bethel, Stanstead. Time: 11 seconds.

220 yards dash: 1 Austin, Stanstead; 2 Bethel, Stanstead; 3 Rogers, Newport. Time: 25 seconds.

440 yards dash: 1 Hamer, Newport; 2 Mullins, Stanstead; 3 Lepine, Stanstead. Time: 57.2 seconds.

880 yards run: 1 Smith, Newport; 2 Richardson, Newport; 3 Gordon, Stanstead. Time: 2 minutes, 17.4 seconds.

1 mile: 1 Smith, Newport; 2 P'Albenas, Stanstead; 3 Richardson, Newport. Time: 5 minutes, 16.4 seconds.

880 yards relay: Stanstead. Time: 1 minute, 42.8 seconds.

Pole vault: 1 Mackay, Stanstead; 2 Pepin, Newport; 3 Cotton, Stanstead. Distance: 10 feet, new record.

Broad jump: 1 Hitchcock, Newport; 2 Hamilton, Newport; 3 Bethel, Stanstead. Distance: 18 feet, 4 1/2 inches.

High jump: 1 Austin, Stanstead; 2 Fox, Stanstead; 3 Cotton, Stanstead. Distance: 5 feet, 1 1/2 inches.

Javelin throw: 1 Rogers, Newport; 2 Pepin, Newport; 3 Cotton, Stanstead. Distance: 155 feet, 9 inches, (new record).

Discus throw: 1 Dillabough, Stanstead; 2 Poops, Stanstead; 3 Austin, Stanstead. Distance: 99 feet, 7 inches.

Twelve pound shot: 1 Poops, Stanstead; 2 Keith, Newport; 3 Dillabough, Stanstead. Distance: 39 feet, 5 inches.

STANSTEAD ATHLETE SET NEW RECORD

Six youths from 'two Eastern Townships schools' placed in events at the McGill track meet held in Montreal, one of them, Sammy Bethel, returning to Stanstead College with a new record in the Class II broad jump and a first in the Class II seventy-five yard dash.

Bethel's leap of eighteen feet and seven inches broke the old mark by nearly a foot. His time in the sprint was eight and two-fifths seconds.

Four other Stanstead track stars also placed in the meet. Alfred Mackay came third in the senior pole vault, Malcolm Taylor won his heat in the senior 440 yard run, "Happy" Austin came second in his heat in the senior 220 yard run and Philip Poops was in the final of the senior javelin throw.

The other point winner from the Townships was F. Gifford, of Danville High School, who placed third in the intermediate pole vault. This meet, which was won by Toronto

Social and Personal

Miss Bernice Fuller, Queen street, has left for Toronto to spend a few weeks with her uncle, Mr. Harry F. Byrd, and Mrs. Byrd.

Congratulations are being extended today to Mr. and Mrs. George Strickland, of Quebec, on the occasion of the golden anniversary of their wedding day.

Mrs. Lena Atkinson and son, Robert, of Woodbury, Vt., are the guests of the former's brother, Mr. H. P. Hamel, and Mrs. Hamel, Stanley avenue.

Miss Louise Mitchell is leaving this afternoon for Compton to attend the annual meeting of King's Hall Old Girls' Association, and will return home on Tuesday.

Miss Helen Joy de Carteret, daughter of Mr. and Mrs. S. L. de Carteret, of East Angus, has just completed with honors her freshman year at Erskine School, Boston.

Miss Ethel Law, of Toronto, national conference secretary of the Y. W. C. A., and Miss Dorothy Percival, of Montreal, are here today, attending the regional conference of the Leaders' Corps at the MacKinnon Memorial.

Mr. and Mrs. E. N. Walley, Vimy street, returned last night from Montreal. They were accompanied by their daughter, Miss Buddy Walley, who has just completed her course at Maple Wood Convent and received her diploma.

Mrs. Oliver Trussler, Bowen avenue south, left last evening for Putnam, Conn., to attend the Hanabury-Welch wedding which takes place on Monday morning. Mrs. Trussler will be a guest of her son-in-law and daughter, Mr. and Mrs. Peter Welch.

Mr. and Mrs. R. B. Rowley and their children, Master Peter and Miss Helen Ann, are arriving from Montreal this afternoon to spend the week-end with Mrs. Rowley's parents, Mr. and Mrs. George Arncliffe, "Strensallwood," Montreal Road.

Dr. S. Marcus, Frontenac street, is leaving this afternoon for Saranac Lake, N.Y., where he will attend the convention of the American Society of Thoracic Surgeons. The doctor will return to Sherbrooke on Thursday. Mrs. Marcus is accompanying him to Montreal.

Mrs. J. S. McCaw, president of the Board of Directors of the Sherbrooke Y. W. C. A., Mrs. Hawley Griffith, president of the Health Education Department, and Miss Edith Martens, general secretary, with Mrs. Grant Pepler, of the national council, will act as hostesses at the MacKinnon Memorial during the week-end conference for Quebec-New Brunswick key girls of the physical education departments.

Miss Gloria Fraser, "The Evergreens," Cochrane, who recently returned from Mount Allison University, Sackville, N.B., is being warmly congratulated upon her success during her first year. Miss Fraser not only completed her examinations successfully, but was awarded the Governor General's medal, open to all undergraduates of the University, for "progress in French and French conversation."

An enjoyable card party was held on Thursday evening at the home of Mrs. C. Cotterell, St. Charles street, under the auspices of the Daughters of England, Caroline Lodge No. 13. Cards were played at three tables, the prize for bridge being won by Mrs. George Loke, Sr., and those for five hundred by Mrs. H. Cuthbert and Mrs. C. Aveling, the latter of Lennoxville.

The pretty guest box donated by Mr. Wood was won by Mrs. J. R. Ransons. At the close of the game the hostess served refreshments, assisted by Miss Florence Moorecroft.

Mrs. M. L. McFadden, president of the Girls' Auxiliary of St. Peter's Church, entertained the members at the closing meeting for the season at her home on Quebec street. The principal business of the evening was a discussion in relation to the request made by the Right Reverend Philip Carrington, Lord Bishop of Quebec, to the W. A. for help for the needier missions in the diocese as well as for those in other parts of the Dominion and in foreign countries.

Miss Edith Smith had previously given a most interesting account of the diocesan annual in Quebec, which she attended as a branch delegate. Miss Smith's excellent report and her reference to the Bishop's special appeal were largely instrumental in furthering the interest of the members in Home Missions.

At the close of the evening the hostess, assisted by Mrs. J. Grime, served delicious refreshments, the lace-covered table being arranged with purple lilies and white candles in crystal candlesticks.

LENNOXVILLE

A jolly time was spent last evening by the Lennoxville Boy Scouts, under their new Scoutmaster Sidney Davies, when a bonfire was made in Everill's woods and marshmallows were toasted. One of Rudyard Kipling's famous stories was related by the Scoutmaster, and a peppy song was led by Troop Leader Harry Morrison and the Scoutmaster.

Mr. and Mrs. C. Howard Aikman accompanied Mr. and Mrs. Wright Gibson on a motor trip to Shawinigan Falls today.

Central Technical School, drew 450 top-flight athletes from fifty-five schools, and competition was keen in every event.

"INSIDE STORY" OF SEIZURE OF DIAMOND RING

Samuel W. Smith Claims Ring Seized by R.C.M.P. Just Prior to Its Proposed Sale in Execution of Superior Court Judgment Is Really Property of American Citizen.

An "inside story" to the incident of the \$2,000 diamond ring that was seized by Royal Canadian Mounted Police just prior to its proposed sale by bailiff in execution of a Superior Court judgment was unfolded today by Samuel W. Smith.

It was the story of a Good Samaritan act that placed Mr. Smith in a decidedly awkward, not to say embarrassing, position.

For Mr. Smith does not own the ring that was seized because police claimed duty upon it had not been paid. In fact, Mr. Smith ordered the seizure.

Last July, according to Mr. Smith, Mrs. I. C. K. Reilly, of Springfield, Penn., a friend of long standing, was visiting in Sherbrooke and, finding herself short of money, approached him for a loan of \$400.

Playing the part of the Good Samaritan, Mr. Smith obtained the money from Mrs. B. Cohen. He gave Mrs. Cohen his promissory note and also Mrs. Reilly's five-karat diamond ring as security. It was agreed that Mrs. Reilly would leave the ring in Canada, return to the United States, reimburse Mr. Smith and the latter would redeem the note and claim the ring, and then return it to its rightful owner.

Mrs. Cohen, according to Mr. Smith, month interest for \$400 loan. The month interest for the \$40 loan. That is an interest rate of twenty-four per cent.

Mr. Smith said that he was in Miami, Florida, when the note fell due. Mrs. Reilly came to Sherbrooke for the express purpose of clearing up Mr. Smith's note, that he had contracted for her benefit, and redeem her ring.

They discovered upon arrival here, however, that Mrs. Cohen—the note having fallen due—had taken judgment against Mr. Smith and seized the ring in execution of that judgment.

And to make the situation more complicated, two of Mr. Smith's creditors who had outstanding judgments against him, also clamped seizures upon the ring, believing it to be Mr. Smith's property.

It was no longer a case of paying up the note—it was a matter of also satisfying the other two creditors. Mrs. Cohen arranged for sale of the ring by bailiff, and then it was, Mr. Smith continued, that he personally notified Customs authorities that the ring was United States merchandise upon which duty had not been paid. The Customs notified the R.C.M.P., and the police immediately seized the ring in the name of the King. Duty was estimated to amount to about \$1,200.

Yesterday, Mrs. Reilly forwarded a sworn affidavit to the effect that she is the rightful owner of the ring. She also explained the circumstances under which it had come into Mrs. Cohen's position and that it did not belong to Mr. Smith. Her affidavit and the particulars of the case have been sent to Ottawa for consideration.

In the meantime, the ring is in the safe-keeping of the Customs Office.

"SIT-DOWN STRIKE" BROUGHT TO SUDDEN END

New York, May 29.—William Kee, negro, offered to shine a parked automobile. The motorist declined.

So Kee sat on the bumper, refusing to dismount, until he got the shining order. The motorist feared to start the car and risk a damage suit.

But Mounted Policeman Irving Munster leaned down from his saddle and removed Kee from the bumper by his coat collar. Kee will have no chance to shine a car during the next five days.

WEEDON TO EXPROPRIATE WATER WORKS

The Municipality of Weedon can obtain possession of the waterworks system now owned by Pierre Fortin by the payment of \$2,000 to the present proprietor, an Arbitration Commission comprising Edouard Boisvert, K.C., and Armand Crepeau, C.E., has decided. The Commission was appointed after Fortin had set a price of \$8,400 on the property while the municipality offered \$1,850. The town was ordered to pay the entire costs of the expropriation proceedings.

SPEEDING REPAIRS TO MONTREAL HIGHWAY

The hope has finally been extended to Sherbrooke motorists that before the summer is too far spent the roads in this vicinity will be open to traffic with a certain degree of comfort. During the past few days, the Provincial Roads Department has had a large gang of men on the Sherbrooke-Magog section of the Montreal highway and according to latest reports are putting the road into a condition fit for travel on the basis of a mile a day.

Early next week the number of gangs will be increased and it is hoped that before very long the road will be in as good a condition as last summer.

The motorist in the district are receiving attention from the Department in its drive to repair the large scale damage caused by the heavy frosts and lack of snow during the past winter.

OFFICIAL OPENING OF SHIELDS' GROCERIA

"Shields' Groceria," located at 96 Wellington street north, which held its official opening yesterday, is an innovation for this city in its self-service feature and has all the prospects of becoming one of Sherbrooke's popular, individually-owned stores.

The "Groceria" is owned and operated by John Shields, who was connected with the Dominion Stores for fourteen years, during which time he was manager of the local branch and superintendent for the Eastern Townships. Mr. Shields, in deciding to launch a business of his own, selected Sherbrooke, and was exceedingly pleased yesterday with the support accorded him by local citizens upon the official opening of his business place.

The store, which presents an attractive appearance, carries a complete line of groceries, fruits and vegetables. The customer, upon entering the store, takes up a shopping basket, waits upon himself and has his purchases checked and parcelled at the checking counter.

"STEWART'S"

SHERBROOKE'S NEWEST RESTAURANT OPENS ITS DOORS

At 54 WELLINGTON STREET NORTH

"Stewart's" represents the growth of an ideal. When Stewart Grose opened his Cozy Diner in Sherbrooke just over three years ago, it was with the conviction that Sherbrooke needed a place where good meals could be procured — meals that were hot from the oven—meals that retained the natural flavor of each item on the menu.

The restricted size of the Cozy Diner soon proved inadequate to accommodate the hundreds of patrons who came regularly, and it was only lately that arrangements could be made to enlarge the space; this in turn permitted of an enlargement of the idea. And so the conception of the Cozy Diner fades into a greater vision of what a modern restaurant can accomplish in its community — and "Stewart's" emerges to carry on.

INTERIOR "STEWART'S" RESTAURANT

Whether you want a snack and a cup of tea for yourself, or a full course dinner for a party, you'll find us always at your service without a moment's notice! Regular Breakfasts, Lunches and Dinners every day of the week, or meals a la carte — as you prefer.

Modern Soda Fountain where soft drinks and ice cream may be had. Cigarettes too for your after dinner smoke.

The left front corner of the restaurant, and the window facing on Wellington street, have been leased to Miss Bertha Leaman who will conduct a Candy Shop, specializing in the famous "Hunt's" Chocolates.

WORK OF PAST YEAR REVIEWED BY INSTITUTE

Many Interesting Reports from Branches and Departments Submitted at Annual Meeting of Compton County Institute.

Sawyer, May 29.—The annual convention of the Compton County Women's Institute was held at the Mission Hall, Sawyer, on Friday, May 21st, with an exceptionally large attendance of members from all branches in the county, namely, Bury, Canterbury, Brookbury, Cookshire, East Clifton, South Newport and Scottstown. Several visitors from East Angus were also present.

The meeting, which was presided over by Mrs. L. H. Hunt, president of the county, opened with "O Canada."

Mrs. I. E. Lobdell, president of the local branch, gave the address of welcome, which was replied to by Mrs. H. A. Scarth, of Scottstown.

Mrs. F. G. Bennett, of Canterbury, secretary-treasurer, read the minutes of the annual meeting held in East Clifton last May, and also of the semi-annual held in Cookshire. These were adopted as read, and Mrs. Bennett also presented the following statement, after which the auditors, Miss Marjorie Waldron and Mrs. E. J. Weir found that all accounts were correct.

There are eight branches in the county with a total membership of 175. The amount raised during the year was \$1,150.65.

Total receipts for the year were \$170.93 and total expenditures \$126.71, leaving a balance of \$44.22 now in the treasury.

There are twenty-six members now subscribing to "Home and Country."

The reports of the county and branch conveners showed that all branches had been very active during the past year. The following is a brief review of the year's work.

In Scottstown, instruction had been given to school girls in various forms of handicraft, and soup had been served to school children. \$17.50 was expended on Christmas cheer for the needy, \$13 sent to the Sherbrooke Hospital, an electric pad bought for an invalid, vegetables were sent for distribution in the western provinces, a clean-up week was held and trees and shrubs planted, which greatly improved the appearance of the town. A school fair was held and prizes were given for home gardening, \$25 was donated towards a war memorial. This branch also had a demonstration on making sandwiches, given by one of their home town girls who was in her final year at Simmons College, Boston, Mass.

Bury obtained and set out shrubs, exchanged seeds, donated ten dollars to the Sherbrooke Hospital, and sent supplies including a quilt, to the new settlement at Nawport and five dollars was sent to the Red Cross for flood relief. Hot cocoa was served to the school children.

Clothing was given to a needy family of seven, and an order of groceries given to another needy family. Exhibits of quilts, spreads and rugs were made at the Cookshire fair, food sales were held during the summer months and a sale of hand-made articles was also held.

Thirty-five dollars was donated by a friend of the W.I., and with this over sixty children were remembered at Christmas. Fruit and cards were sent to eighteen invalids at Easter. Mrs. Beach, of Lennoxville, addressed one meeting, and at another legislation was the topic for discussion. Flowers were placed at the War Memorial and a Dominion Day celebration sponsored. A public library was established, under the direction of the W.I.

Canterbury celebrating in 1936 the hundredth anniversary of pioneer ancestors coming to Canada, an anniversary picnic was held, with addresses suitable to the occasion. At the regular meeting, each member gave a short history of her ancestors. One boy was given a winter home and a number of boys were entertained at the hall. An amateur evening was held, also a social evening and several contests. Five dollars given to the school fair and local cemetery was kept in repair. The W.I. also assisted the teachers in the school in forming a Junior Red Cross. One evening was devoted to home economics.

Brookbury provided dinners for two children, showers were given for two babies, ten dollars given to school fair, one meeting was given to child welfare and public health. Plants were exchanged and a well come extended to the teachers. A letter regarding postal laws was read at one meeting, and two "bees" were held, when work was done on the cemetery.

Cookshire held a demonstration on home economics. Many talks and papers were given on educational topics, including a travelogue on Italy. Cash awards were given in various departments at the fair, and donations were made to the cemetery fund, the library, the school, Sherbrooke Hospital, the tennis club and for Christmas cheer and flowers for the sick.

East Clifton gave shrubs and seeds to the children of the community sponsored a school fair at which prizes were given and assisted in the upkeep of the cemetery. Mrs. Charles Pelch, of Hemmingford, provincial president, addressed one meeting on the subject of a health unit. Mrs. L. H. Hunt, county president, and Mrs. A. G. Hurd, Sawyer-ville's delegate to Macdonald College, were also entertained by this branch. Vegetables were sent to aid the western provinces, and a towel shower given a friend who had lost her home by fire. Clothing and food were given to needy families, homeless boys remembered at Christmas and a family assisted in getting a home on the new colonization land in Newport. A demonstration was given on making angel cake, and

several quilts were priced and quilted.

South Newport received seeds from the Experimental Farm, Lennoxville, had a talk on poultry, held a school fair. A talk was given at one meeting by an overseas nurse. Arrangements were made for medical examination for children under eighteen. A discussion was held on present European problems. An exhibit was given of articles made from flower sacks. Prizes were given for cooking to the younger girls. The branch held a school fair at which prizes were given. A quilt was sent to the flood sufferers. A spelling bee and two stork showers were held. A sunshine box was sent to a sick member and others remembered with fruit, flowers and cards.

Sawyerville advocated the erection of a war memorial on the town lot and gave twenty-five dollars towards the fund. Poppies sold for Armistice Day and a wreath placed at the base of the memorial at the time of the unveiling. The final payment of fifty dollars was made on the cemetery fund. Supper had been served at several dances and home-made candy and Christmas gift packages sold and food sales held. A handsome trunk, box and a cake were raffled. A play and a debate were put on by the pupils of the High School. A social afternoon held with Ascot branch as guests. A sale of plants and bulbs was held, and through Mr. Beach's assistance, shrubs and perennials were secured at a low price. Books and food were provided for two children, to enable them to attend school.

Shields and prizes were given to the school. Five dollars was sent to the Red Cross for flood relief and sick and shut-ins remembered with fruit and flowers. Papers, lectures, discussions and roll call answered, helped to make up a varied, interesting and instructive programme in all branches for the past year.

All branches are in favor of the health unit and making every effort to obtain same for this county.

The matter of covers for the program was discussed, and it was finally decided to have some wording suitable to Coronation year on the cover, and to have names of famous women who were members of the W.I. printed on first page.

It was decided that in honor of Coronation year the county would confer a life membership upon a member, and Mrs. F. G. Bennett, of Canterbury, secretary-treasurer, was chosen for this honor. It was also suggested that each branch appoint one or more life members in their own society, and Cookshire reported that they already had three life members in their branch.

Mrs. Hunt spoke of the successful year just passed, and congratulated Cookshire on beginning this year's work by holding the Coronation Day celebration, which was decided success. East Clifton and South Newport were also to be congratulated on the success of their school fairs, these being a new undertaking for their branches.

A discussion took place regarding exhibits for the Cookshire Fair and the county president and presidents of the eight branches comprise the committee to arrange for this exhibit.

It was decided to award prizes for posters made by children attending school and exhibited at the Cookshire and Scottstown fairs.

Miss Hazel B. McCain, superintendent of the Quebec Women's Institutes, was present and took the chair for the election of officers and conveners, which resulted as follows: president, Mrs. L. H. Hunt, vice-president, Mrs. F. G. Bennett, secretary, Mrs. H. A. Scarth, Scottstown; second vice-president, Mrs. O. S. Hamilton, South Newport; secretary-treasurer, Mrs. P. G. Bennett, of Canterbury; convener of agriculture, Mrs. J. Sherman, Canterbury; education and better schools, Mrs. L. McLeod, Bury; Canadian industries, Mrs. Philip Boy, Scottstown; national events, Mrs. R. J. Marshall, Sawyerville; legislation, Miss M. Waldron, Sawyerville; home economics, Mrs. E. J. Weir, Brookbury; child welfare and public health, Mrs. M. S. Banfill, Cookshire; immigration, Mrs. Harold Sutton, South Newport; publicity, Miss I. L. Matthews, Sawyerville.

Mrs. O. S. Hamilton invited the members to come to South Newport for the next annual meeting, and Canterbury branch extended an invitation to meet with them for the semi-annual.

Miss Leblanc, of the Department of Fisheries, Ottawa, was present and gave an interesting talk on the value of fish in the diet, after which Miss McCain spoke at some length on Institute work, and gave much interesting information regarding the conventions held in various other places.

Dinner, and later tea, was served to the guests in the dining room at the mission hall, and this and the main floor had been tastefully decorated in Coronation colors, the Misses Edith Long and Marguerite Gaulin being responsible for this artistic and creditable piece of work.

General Notes.
Mr. Uhlman Bartholomew, of Waterloo, was a recent week-end visitor at the home of Mr. and Mrs. G. S. Hurley.

Mr. Elton Thompson, of Sherbrooke, spent a week-end at his home here.

Congratulations are extended to the Misses Muriel Gaulin and Louise Lake, who were among the class of nurses who graduated last week from the Sherbrooke Hospital. Mr. and Mrs. M. J. Gaulin, Mrs. John Williams, Miss Marguerite Gaulin, Mr. and Mrs. George Lake and Miss Leona Lake were among those who attended the graduating exercises.

Mrs. T. G. Hodgins, the Misses Margaret and Shirley Hodgins and Mr. Kitchener Hodgins motored to Lincoln, Ont., to spend a week-end with Mrs. Hodgins' parents, Mr. and Mrs. Brownlee, and other relatives and friends.

Mr. Neil Mullins, of Stanstead College, spent the holiday week-end at his home here.

YOUNG PEOPLE ARE ORGANIZED AT ASBESTOS

Busy Times Experienced by Young People's Groups Organized at Asbestos Anglican Church.

Asbestos, May 29.—The recently organized branch of the Anglican Young People's Association of All Saints Church, Asbestos, entertained the United Church Young People at their last regular meeting. The officers in charge of the affairs of this Society are: President, Mr. Alan Royal; vice-president, Capt. F. Butler; secretary, Miss Helen Gallup, and treasurer, Miss Nora Gallup.

Six months ago a branch of the Church Boys' League was formed in All Saints' Church under the leadership of Captain Butler (C.A.). The branch has a membership of ten, and the zeal, ability and enthusiasm shown on the part of the boys along Missionary lines—the object of the branch—cannot be over-estimated. A meeting has been held regularly every Friday afternoon with practically full attendance now going in full swing. A rummage sale was held under its auspices on May 8 in the basement of the Hotel. Mrs. H. Ingrey acted as salesmanager for the occasion, aided by members of the A.Y.P.A., and the boys themselves. Their efforts were crowned with great success. A shield was made for the League by Mr. W.N. Reakes and presented as a gift to the boys. It was dedicated on Sunday, May 23 by the Rev. S. Wood. Immediately after the sermon, the boys proceeded up the aisle and Bernard Hilliker, bearing the shield, presented it to the rector. Special prayers were offered for the C.B.L. everywhere and especially for the All Saints' Branch. The members of the League are: R. Lockwood, E. Lockwood, G. Smith, A. Smith, H. Smith, D. Reakes, D. Lamplough, B. Hilliker, E. Ingrey and J. Findlay.

Capt. W. J. Lennox, Field Secretary of the Church Army in Canada and Capt. R. L. Morrill, training centre Captain, paid a flying visit to Asbestos recently when on a trip from Toronto to Sherbrooke in the interests of the Church Army.

Mr. Roger Smith, Mr. Donald Gallup and other friends spent the week-end in Montreal.

Mr. James Gilbert, who is securing practical training on a farm near St. Felix, spent the week-end of May 15 with his parents in Asbestos.

Ronald Morrill, son of Mr. and Mrs. Isaac Morrill, and Miss Marion Lockwood, daughter of Mr. and Mrs. Henry Lockwood have been in the C.J.M. Hospital at Asbestos recently undergoing slight operations. Both children are now doing well and we are glad to see them around again.

Gordon Smith, son of Mr. and Mrs. B. Smith, spent the week-end with friends in Richmond.

Mr. Robert Harris, who has been attending college in Montreal, has recently returned to spend the summer with his parents in Asbestos.

BOYNTON

Mrs. Gordon Cass entertained at her home on Saturday afternoon in honor of Miss Marion Sim, who is to be an early summer bride. Miss Sim, who was invited out for a drive found on reaching Mrs. Cass' home about thirty-five friends who had previously arrived. The bride was ushered to the seat of honor, and was entertained by a reading full of advice and also a mock wedding. Miss Muriel Cooper enacted the part of the bride; Miss Marguerite Williamson, the groom; Miss Marion Cooper, bridesmaid, and Miss Adelphine Hill, best man, while Miss Ruth Parkhill took the part of the clergyman. Misses Darlene Walsh and Miss Isabel Ferguson presented the bride-to-be with a basket of useful and fancy articles. After each one had inspected the gifts, Miss Sim thanked her friends for the surprise given her. Refreshments were served by the hostess, assisted by several of the school girls, Mrs. Sim and Mrs. Waite pouring tea. Miss Sim has taught school in Boynton for the past three years and has made many friends, who wish her much happiness in her new home.

Mrs. Thomas Dustin and sons, Ken Jenckes says:

Now that Moving Day is over you will be taking stock of the things to be done about the house. A house quickly deteriorates unless kept in good repair and it is a dangerous thing to let the weather have a chance to do its dirty work. Are your steps working loose? They'll soon be falling down if not attended to. Has the frost canted up one side of the garage? Fix it at once or the doors will soon be pulled off their hinges.

I have a permanent staff of master workmen — carpenters — plumbers — bricklayers — men thoroughly competent to do any job, whether large or small. We are ready at all times to build a house or to re-lay a loose brick.

Call or Telephone 3078
Shon on Jenckes Lane.

Weldon and Winn spent a week-end with her parents, Mr. and Mrs. Hibbard, and also attended the shower in honor of Miss Sim.

Mr. Leo Demick spent a week-end with Mr. and Mrs. Sheldon at Libbytown.

Mrs. Percy Mosher is ill with rheumatism.

CASSVILLE

Mr. and Mrs. George Vivian were Sunday visitors of Mrs. George Bullis at Barnston.

Mr. T. D. Heath, of Ormstown, spent Victoria Day at his home.

Mr. W. Wood, of Barnston, is visiting Mr. Charles Lawton.

Mr. C. L. B. Wheeler, of Huntingdon, was a Sunday guest of Mr. W. Heath.

COMPTON

The Ladies' Aid Society of the United Church was pleasantly entertained by Miss Munroe at her home. There was a good attendance of members and visitors. The business session was conducted by the president, Mrs. Haseltine, after which a social hour was spent and tea was served by the hostess.

Mrs. Eardley-Wilmot attended the Diocesan W.A. annual meetings in Quebec last week. While there she

was the guest of the Baron and Baronesse D'Avray, Grande Allee.

Mrs. Irvin Waldron, of Coaticook, spent a few days with Mrs. Fowler.

Mrs. M. P. Smith was a guest at the rectory one day recently.

Sunday callers at Miss Munroe's home included Mrs. A. E. Rowell, Mr. and Mrs. G. Rowell and Mrs. S. Rowell, of Sherbrooke.

Mr. Bradley spent a week-end at the home of Mr. and Mrs. Farwell, Ives Hill.

Miss N. E. Stanley, of Montreal, was a guest at Mrs. Todd's home over the holiday week-end.

Mrs. R. M. Wharram, of Stanstead, spent the Empire holiday with her uncle, Mr. Rea.

Canon Eardley-Wilmot attended a meeting of the clerical Deaneary on Monday.

Mr. W. U. Rugg, of North Hatley, was calling on friends here recently.

Mrs. C. H. Bowen and Miss Cecily Eardley-Wilmot spent a week-end at the rectory.

Mrs. Paice and Miss Stewart, of Montreal, were holiday guests of Mr. and Mrs. Pomeroy at "Lee Grange."

Inspector Hunter visited the village school on Tuesday and was very satisfied with the year's work.

McKENNEY ON BRIDGE

SUBDUES "ROCKCRUSHER"

Player, Void in One Suit, Dummy in Another, Gives Opponent With Stronger Hand Only One Trick

By Wm. E. McKenney,
Secretary, American Bridge League.

To make all, except one, of the 13 tricks in a hand is a thrill to most bridge players. The bidding and making of slams is one of the most attractive features of contract, even when the opponents do not enter the auction.

How much greater, then, is the

Today's Contract Problem

South has opened the bidding with one diamond. Should North, after West's pass, show his weak four-card spade suit, his better club suit, or bid two no trump, even with a singleton diamond?

all that was needed for game. Yet West was able to make 12 tricks against his rockcrusher.

The fact that North and South were vulnerable, and that East and West were not, explains the bidding. Of course, West did not expect to make his contract, but thought that a penalty of a trick or two was well worth while, as he felt that his opponents could make five, but believed that they could not make six.

He was right as regards the trick available for his adversaries, but to his own surprise, he wound up making his contract, losing to the ace of trumps alone.

The success of this contract tellingly demonstrates the major role played by distribution in the play of many hands at bridge. South had three first round suit controls, but two of these were made valueless in the adverse hands.

In this instance mass strength proved far more potent than high cards.

CONVENTION OF
WOMEN'S UNION
WAS SUCCESSFUL

Interesting Address and Splendid Reports Featured Largely-Attended W.C.T.U. Annual County Meeting at Granby.

Granby, May 29.—The annual county convention of the Women's Christian Temperance Union for Sheffield and Missisquoi County was held in Granby United Church on Tuesday.

The morning session was spent in reports given by the conveners of the different departments, and at noon luncheon was served by the local branch. At the table of honor, officers and local clergy were seated, and at the close of the lunch the president, Mrs. Stowe, of Cowansville, called on the local president, Mrs. George Blake, to give the address of welcome, which was responded to by Mrs. W. G. Brown, of Cowansville.

Other speakers were Rev. Thomas Scott, Rev. Charles Huxtable, Mr. C. A. Adams and Mr. J. G. Fuller. Special reference was made by Mr. Fuller to the late Mrs. D. H. Kibbe, former president, who was an active worker in the local union, and as she had been his teacher in a country school, her fine qualities were well known to him. The convention placed on record their great sorrow at the sudden passing of Mrs. Kibbe, and two minutes of silence were observed as a tribute to her memory.

The afternoon session was devoted to many good reports. Rev. E. M. Wilson, of Waterloo, who was the guest-speaker, delivered an inspiring message on temperance.

Two solos given by Mrs. A. Day, and "The Thrush in My Garden," were much appreciated, as were the recitations by Mrs. Albert Coupland, "The Licence" and "The Orphan Child." A trio, "Joy to the World," was sweetly sung by Mrs. Sadler, Mrs. George Blake and Miss Gladys Nicholson, and was much enjoyed. Tea was served at the close of the meeting, bringing a most successful convention to a close.

Officers and delegates attending were: Cowansville: Mrs. H. L. Stowe, county president; Mrs. W. Stowe, delegate; Mrs. Lloyd Lewis, Mrs. W. G. Brown, Mrs. N. Fair, Mrs. W. Craigie, Mrs. George Blake and the Misses Velda McClatchie and Laura Robinson.

Dunham: Miss Edith Small, president; Misses Winnifred Small, E. A. Small, Mrs. William McElroy and Mrs. Arnold Jones.

Waterloo: Mrs. Ernest Bridge, county treasurer; Mrs. Walter Wallace, Mrs. E. Stone, Mrs. A. C. Miller and Rev. E. M. Wilson.

The Granby members were Mrs. George Blake, president of the local branch; Mrs. Thomas Scott, Mrs. A. Rutherford, Mrs. J. P. Annal, Mrs. A. Robinson, Mrs. J. Reiley, Mrs. H. Ryder, Mrs. Frank Hollywood and Mrs. W. Wright.

Also present were Mr. Donald Small, of Dunham, Mrs. Clayton McCormack, of Kingston, Ont., and Mrs. Albert Coupland, of Sheffield Mountain.

GOLF CLUB GAVE OPENING TEA

The official opening of the Granby Golf Club was held on Monday, May 24th, when a mixed foursome was held, the following competitors winning prizes: Miss Dana Topp and Mr. Billie MacDonald, best gross, and Miss Frances Dunn and Mr. H. L. Lawrence, best net. The following couples held second best: Miss Kathleen Topp and Mr. Donald Boyd, Mrs. J. Collins and Mr. A. C. Smith.

The first tea of the season was served in the clubhouse, which presented a very attractive appearance with the new chairs and settees and charmingly spread tea tables, each centred with a vase of white lilies and tulips. A large basket of purple lilies and apple blossoms graced the centre table. The mantelpiece, piano, etc., were also profusely decorated with the same lovely spring flowers. The hostesses were Mrs. J. W. Halpin, Mrs. H. L. Alcorn, Mrs. Arthur Dickenson, Misses Eva Kennedy, Carol Giddings and Grace Alcorn.

SUNSHINE CLUB PLAN UNIQUE PARTY

A meeting of the Sunshine Club was held on Monday at the home of Mrs. F. N. Lynch. There was a very large attendance and to open the meeting Post-Laureate John Masfield's prayer for the King was read by Miss Bella Savage.

Arrangements were made for a "measuring party," which will bring the club's activities to a close until autumn. Several bills were ordered paid and the secretary reported that five tea parties had been held at the homes of sick and shut-ins.

Other matters of business were taken up and discussed, after which a very pleasing programme was rendered. Miss Gladys Nicholson sang, "The Maple Leaf" and Miss Beulah Robinson, "Britannia the Pride of the Ocean," all joining in the choruses. Readings were given by Miss Isabel Savage and Mrs. L. C. Sweet and an interesting talk on the Coronation by Mrs. J. G. Fuller, "Land of Hope and Glory," was very pleasingly rendered by Mrs. A. M. Sadler.

At the close, a very appetizing lunch was served by Mrs. V. Doe, Mrs. H. Salisbury, Mrs. H. W. Bowker and Mrs. Harley Irwin.

DEATH OF MRS. G. MITCHELL

Mrs. George Boyd received a wire announcing the death of Mrs. George Mitchell, which occurred at the Hollywood, California, Hospital. Mrs. Mitchell was formerly Josie Hibbard, and spent her early girlhood in West Sheffield and Knowl-

ton, where she attended the Knowlton Academy. She had many friends and relatives in Granby and West Sheffield, including a half-brother, Mr. William Lang, of Sheffield. After her marriage to Mr. George Mitchell, they resided in Scranton, Pa. Her husband predeceased her about eight years ago, and since then Mrs. Mitchell has resided in Hollywood. She was known as a talented elocutionist and entertainer, and gave many entertainments. The funeral took place in Scranton, Pa., and the interment was in the cemetery beside her late husband.

Among those who attended the funeral were Mr. William Lang, of West Sheffield, Mr. G. A. Roberts, of Granby, and Mrs. G. Dutilly, of West Sheffield.

ROMANTIC ADVERTISING

COSTLY

Vancouver, May 29.—A Vancouver firm reflected today on what appeared to be a youthful love triangle and a bill for \$125, "Peggy loves Roy" with here and there a lone "Tommy" deeply scored into woodwork and glass of the firm's building caused damage to the extent of the bill.

DEATHS REPORTED

FUNERAL OF MR. ARTHUR ROBERT MARCHANT

The funeral of Arthur Robert Marchant, whose death occurred in the Sherbrooke Hospital after three days' illness of pneumonia, was held from the chapel of Lord's Funeral Home, the service being conducted by Rev. F. A. C. Dossie assisted by Rev. Canon H. R. Bigg.

The bearers were all brother members of the Masonic fraternity, S. McGregor, G. MacLeod, J. Scott, J. Jowett, A. Earnshaw and H. Buck-ley, this order also conducting its funeral service. The remains were laid to rest in Elmwood Cemetery.

Many beautiful floral offerings and the large attendance of friends and relatives testified to the esteem in which the deceased was held by all who knew him.

Mr. Marchant had been in failing health for the past several years, but his sudden death from pneu-monia on April 2 after a three-day illness came as a great shock to his family and many friends. The fun-eral was held on Sunday, April 4.

The deceased was born in Bright-on, England, in 1886, and was mar-ried to Rose Mary Lyne, of London, England. They came to Canada in 1911. His wife predeceased him in 1924. Three children were born of this marriage, namely, Winifred (Mrs. C. W. Hatch), Doris (Mrs. C. H. Phillips) and one son, Arthur Lyne Marchant. He is also survived by his second wife, Evelyn Thomas, and three granddaughters, Rose, Dorothy and Doris, all of this city; one brother, Gordon, of England, be-sides a number of other relatives.

Mr. Marchant had been employ-ed as overseer in the Paton Manu-facturing Company for a number of years, which position he held up-until the time of his death. He was a member of the Masonic Order, Victoria Lodge A.F. and A.M., and a member of the Plymouth Church.

MR. EDMUND DOE, FULFORD.

Fulford, May 29.—The funeral of Edmund Doe which was held in the United Church on Thursday afternoon, May 20th, was largely at-tended. Rev. J. B. Howe, pastor, and Rev. W. H. Thompson, of South Stukely, officiated.

The bearers were Messrs. Otis Streeter, David Bull, Richard Bob-bis, Maurice Williams, Forest Tib-bits and Guy Graves.

Mr. Doe spent practically all of his seventy odd years in this vicin-ity, where he was highly respected. His wife, Elizabeth Kennison, died in January, 1936. He is sur-vided by two sons, Roy Doe and Ed-mund Doe, of Worcester, Mass., and two daughters, Mrs. Jennie Miles, of Ottawa, and Mrs. Arthur

between the Atlantic and North-West Railway Company and the railway of the Ontario and Quebec Railway Company on the point of connection between the railway of that Company and the railway of the Ontario and Quebec Railway Company at or near Mattawamung, in the State of Maine, for the term of 99 years from January 1, 1937.

Notice is also given that all persons in-terested in desiring to be heard on such application, may appear and be heard at the time and place herein mentioned.

Dated at Montreal this seventeenth day of May, 1937.

P. BRAMLEY, Secretary

Ingis, of Foster, in whose home the deceased was living when his death occurred, after an illness of three weeks.

He also leaves several grand-children and one sister, Mrs. Neil, of Mansenville.

MRS. WEALTHY FINDLAY, DANVILLE, QUE.

Danville, May 29.—The funeral service for Mrs. Wealthy Findlay, widow of John Findlay, who passed away at the home of her daughter, Mrs. Charles Fowler on May 10, was held at the late residence on Wed-nesday, May 12, Rev. W. Long offici-ating assisted by Rev. A. Sproule.

The flower covered casket was borne to its last resting place in Danville Cemetery by six grandsons, Gordon Frost, John Frost, Hilton Findlay, Leslie Findlay, Roy Badger and James Badger.

The late Mrs. Findlay was born in Warwick on September 10, 1859. Later she moved to Kingsley Falls with her parents, where she married John Findlay on February 27, 1878.

The greater part of her married life was spent in Shipton but she made her home with her daughter, Mrs. Fowler, in her declining years.

She leaves to mourn her passing, three daughters, Dora, Mrs. F. Frost; Gertrude, Mrs. H. Badger; Ola, Mrs. C. Fowler; two sons, Clifton and William Findlay; four sisters, Mrs. Dearborn, Mrs. Shaw, the Messrs Maud and Bertha Wilcox and two brothers, Fred and Angus Wilcox.

MRS. CHARLES H. EDWARDS, COOKSHIRE

Cookshire, May 29.—The funeral of Mrs. Christianna Edwards, of Cookshire, whose death occurred on Friday morning, April 23, took place on Sunday afternoon, April 25, from her late residence, where prayers were said by the Rev. Dr. W. Carr, who also officiated at the service at Trinity United Church, which was largely attended by re-latives and friends.

The bearers were Messrs. J. A. Butler, J. H. Planché, A. H. Goff, R. J. Stevenson, O. T. H. Cromwell and Thomas R. Beattie. The inter-ment took place in the Cookshire Cemetery.

Mrs. Edwards, who was born in Sawyerville, Que., was the eldest daughter of the late Mr. and Mrs. Thomas Lowry, of Sawyerville, and was in her sixty-ninth year. She married Charles H. Edwards, of Cookshire, who predeceased her four-teen years ago.

Mrs. Edwards leaves to mourn her loss, her daughter, Miss M. Hazel Edwards, her stepdaughter, Mrs. Ethel Giffander, one sister, Mrs. S. J. Elliott, four brothers, Mr. Joseph Lowry, Mr. H. E. Lowry, Mr. W. H. Lowry and Mr. Clarence Lowry, and many other relatives and friends.

MISS MARGARET BULLARD, ADDERLEY, QUE.

Adderley, May 29.—The church filled with neighbors and friends showed very plainly the sym-phony of the entire community was being extended to Mr. and Mrs. William Bullard, when death claimed their second daughter, Margaret Jane.

Margaret, a promising young girl of sixteen, was writing her grade VII examinations in Adderley rural school when she was taken ill. She was helped home from school by her younger sister on May 4. The fol-lowing Tuesday she was laid to rest in the family plot at St. Luke's Church, Adderley, beside her eldest brother, who predeceased her two years ago.

Margaret Jane, fifth child of a fam-ily of eleven, was born to Mr. Wil-liam

PIRATES HANDED A TRIMMING TO ST. LOUIS CARDS

Pittsburgh Stretched Lead Over Idle Giants—Detroit Regained Second Place in American League with Double Victory Over the Browns.

The baseball folks in Detroit and Boston should be thankful these days that Roxie Lawson and "Footsie" Marcum chose this spring to do their come-backing.

If those two hurling hopefuls hadn't started like a couple of houses afire, the Tigers would be out of the first division now and the Red Sox would be about eighth in the American League.

As it is, Lawson already has won as many games as he took all last year, and has been the No. 1 finger in the Tigers' trek to second place. And Marcum, with five victories to his credit so far, is the only elbow among the Red Sox starters with a better than .500 average to date.

Lawson, after a fine start with Detroit in '35, wound up winning eight games last season. Marcum lost thirteen and won eight last year.

At the moment, Lawson is the "workhorse" of the League, with twenty-seven innings on the mound in nine games. Yesterday he was never in trouble as he hurled the Tigers to a seven to two victory over the St. Louis Browns in the eighth of a double-header. Detroit also won the first game by six to five on a homer by Hank Greenberg, to climb back into second place.

Marcum has seen sixty-two innings of action in nine games, and has walked only seventeen batters while fanning twenty-three. He muffed the Washington Senators by seven to nothing with six hits yesterday to put the Red Sox over the .500 mark for the first time in two weeks.

The work of these two hurlers, featured a curtailed programme in both leagues. Otherwise, the highlight was a fourteen-run bombardment by the Pittsburgh Pirates exploded on the St. Louis Cardinals for a ten to three win, thereby stretching the Bucs' National League lead to a game and a half over the idle Giants. The Chicago Cubs found Cincinnati pitching easy and clubbed out a twelve to three decision behind Charley Root's steady tossing. The rest of the League teams had an open date.

The Chicago White Sox outlasted the Cleveland Indians and came through with a three to two win on Zeke Bonura's timely two-bagger in the tenth inning. The looked-for start of the Yankees-Athletic series was delayed a day by rain and was carried over to a double-header today.

MONTREAL ROYALS ON HELLS OF PACE-SETTERS

"Rabbit" Maranville believes his Montreal Royals are good enough to give Newark's leading Bears a stiff battle for loop laurels and observers along the International League front are inclined to string along with the "Rabbit."

The Royals have won four straight and are now in second place, five games off the Bears' pace. And the way the Royals have been winning their ball games lately indicates this is no flash-in-the-pan but the work of a smoothly co-ordinating team. Montreal has been getting consistent pitching, timely hitting and dependable fielding.

Harry Smythe, the veteran right-hander, hurled the Royals into second place yesterday. He held the Toronto Leafs to seven hits while his mates belabored Mike Meola and Babe Davis for fourteen and a nine to three victory. It was Harry's ninety-ninth International League victory and his fifth of the season.

The triumph moved the Royals a half-game ahead of their victims. Gus Dugas and Dave Harris smashed out homers for the Royals and Smythe also had a hand in the offensive with a triple, double and single. Jim Davis, Toronto's first-sacker, also hit for the circuit.

Meanwhile the Bears took advantage of the break to nip Syracuse by three to one in a night encounter before a crowd of 6,000 at the Chiefs' ball park. Frank Pearce hurled four-hit ball for the Chiefs, but three errors by second baseman Al Glossop and a fluke double by Bob Seeds in the second inning gave the Bears their winning margin.

In another arc-light contest, Buffalo's Bisons staved off a ninth inning threat to defeat Rochester by seven to six. The Red Wings scored in two runs in the last inning to come within one run of tying the contest, but "Lefty" Jacobs relieved Truett Sewell and put down the uprising. The Baltimore-Jersey City contest was postponed because of wet grounds.

JACK CRAWFORD AND QUIST WILL MEET U.S. PAIR

Selected Today to Play Opening Davis Cup Singles Matches Against California's Don Budge and Atlanta's Bryan "Betsy" Grant—Quist's Condition Uncertain.

New York, May 29.—Australia's Davis Cup team, hoping for a few more good "breaks" to offset the bad ones it has suffered in the past month or so, today called upon the same pair of players who were successful at Germantown a year ago to oppose the United States in the North American zone finals.

Clifford Sproule, Aussie captain, hesitatingly named Adrian Quist, ill during the past week, and the twenty-year-old "veteran" Jack Crawford, to play the opening singles matches today against California's Don Budge and Atlanta's Bryan "Betsy" Grant in the big stadium of the West Side Tennis Club at Forest Hills.

Although his condition remained uncertain, Quist was well along the road to recovery from an attack of intestinal flu when Sproule decided yesterday to nominate him. The captain has the privilege of naming a substitute any time before noon today if Quist is too ill to play. In that case, however, the substitute would have to finish out the series Monday.

The draw favored the Australians to the extent that Crawford was pitted against Budge in today's first match at 2 p.m. E.D.T. while Quist drew as his first opponent the diminutive Grant. The tall, red-haired Californian is rated as at least a match for either of the Australians, while Grant, although picked to defeat Quist, is considered a gamble as a grass-court player.

PASTOR PUNCHED NESTELL OUT OF HEAVYWEIGHT PICTURE

Los Angeles, May 29.—Bob Pastor, 183 1-4, of New York, punched Bob Nestell, 191, of Long Beach, out of the front ranks of the heavy-weight hopefuls last night, winning by a wide margin a ten round decision before more than thirty thousand fans at Wrigley Field.

After a wild first round in which both fighters hit the floor in a vicious exchange of blows, the squat New Yorker went on to deal out a brutal beating to the Californian.

Pastor's win ended Nestell's record of eleven straight knockouts since he turned professional a year or more ago. Both started punching at the opening bell. Pastor took two rights to the head, but Nestell, who had that sent Nestell down for an eight-count. Nestell got up shakily, took another to the head and suddenly connected a right to Pastor's chin. Pastor plumped to a sitting position on the canvas, but jumped up without a count, and carried the round by a slim margin.

YESTERDAY'S STARS

Outstanding players in yesterday's major league games were:
Hank Greenberg, Tigers: Hit a homer in opener and drove in two runs with a single and a double in nightcap as the Tigers topped the Browns by six to five and seven to two.
Charley Root, Cubs: Muffled Reds with eight hits, fanning five, in twelve to three win.
Zeke Bonura, White Sox: His two-bagger in the tenth drove in the winning run against the Indians.

Paul Waner, Pirates: Hit two doubles and a single, driving in two runs and scored two others himself in ten to three victory over the Cardinals.

Johnny Marcum, Red Sox: Blanketed the Senators by seven to nothing with six hits.

DEFINITE IMPROVEMENT IN CONDITION OF "IRON MIKE"

New York, May 29.—Definite improvement was noted today in the condition of Mickey Cochrane, manager of the Detroit Tigers, who suffered a skull fracture when he was struck by a ball pitched by "Bump" Hadley, of the Yankees.

A morning bulletin signed by Drs. Byron Stookey and Robert E. Walsh said:

"Cochrane had a good night. Condition satisfactory and has made some progress."

In their final bulletin last night the doctors said "the signs are encouraging."

That hopeful statement from the physicians who previously had endeavored to avoid saying anything that might raise false hopes was received as a good sign for Cochrane's admirers.

AMERICAN-BORN LONDONER WON BRITISH AMATEUR GOLF CHAMPIONSHIP

Sandwich, England, May 29.—Robert Sweeney, American-born resident of London, today won the British amateur golf championship, defeating fifty-year-old Lionel Munn, of Ireland, three and two, in the thirty-six hole final round.

RECORD ENTRY FOR U.S. OPEN CHAMPIONSHIP

New York, May 29.—A record field of Canadian and United States links hopefuls will compete Tuesday in one of golf's toughest tests, a gruelling effort in which not one in ten can hope for success.

It is the sectional qualifying tournament of the national open championship and the United States Golf Association announced today that the entry list had reached an all-time high of 1,404. Of these thirty-two have been granted exemption because of last year's performance, and eight already have made the grade by licking sixty-two rivals in the two Pacific Coast districts.

That leaves only 130 places in the field of 170 which will start in the championship proper at the Oakland Hills Club, Birmingham, Mich., on June 10.

This year's list is more than one hundred above the previous high total of 1,277 established last year.

DUEL BETWEEN CHAMPIONS

Pittsburgh, May 29.—Golf's greatest "natural" in years brought today the professionals' championship.

Tony Manero, the United States open titleholder, bumped into Denny Shute, defending his Professionals' Association crown.

It could be billed as an unofficial battle for United States supremacy, bringing together the last winners of the country's two main tournaments open to professional experts.

Harold "Jug" McSpaden, Winchester, Mass., faced Ky Laffoon, Chicago, in the other thirty-six hole semi-final P.G.A. contest, but it couldn't compare in popular interest with the duel between champions.

Tony yesterday came from behind with a rush to overhaul Harry Cooper just as he did in winning the open last summer at Baltusrol. A victory over Shute and a triumph in the final tomorrow, would make him the first man in fifteen years to hold both titles.

Manero's tenure as a double winner might be as brief as a fortnight, however, for he's no better than a thirty to one shot to win 1937's open starting on June 10.

While attention centred on their engagement, the best scores in the tournament played the other match. McSpaden is one over par for the 145 holes he has played. Laffoon is six over for 136 holes, Manero thirteen over for 139 holes and Shute ten over for 136 holes.

Winnipeg, May 29.—Samuel and Michael, twin sons of P. Yaholninitz, sky, of Yorkton, Sask., passed final examinations here in medicine. They will serve as internes in Winnipeg hospitals.

FRENCH HORSE IS FAVORED TO CAPTURE DERBY

Possessing Both Speed and Stamina, Le Ksar Is Expected to Take Honors in British Turf Classic to France for First Time Since 1914.

London, May 29.—Twenty-two of the world's finest three-year-olds, bred in three countries, were being put through the final stages of training today in preparation for Wednesday's 158th running of the Epsom Derby, most colorful of England's turf classics.

The three favorites, attracting thousands upon thousands of pounds of the betting public's money, were from as many countries—Le Ksar from France, the American-bred Perifox, and Cash Book, bred in Lord Astor's stables in Wiltshire.

Born readers for the most part, Le Ksar, Evromond de St. Alary's Two Thousand Guineas winner, and thus prevent the blue ribbon of the English turf going across the English channel for the first time since Derby II carried off the richest of the five three-year-old classics in 1914.

But that has proved a difficult task. Le Ksar in winning the Guineas by four lengths showed he had not only speed but stamina, shaking off what challenge there was and winning as he pleased. Returned to France to France Carter's famous stables at Chantilly—the bay son of Cash and Queen Iselt finished second in the French Guineas at Longchamp but ran in such a way as not to affect his Derby status.

The colt arrived at Epsom today from Chantilly where on Thursday he had his final trial over the full Derby distance. His handlers said he showed marked adaptability round left-hand turns similar to the Epsom course and produce a great burst of speed over the final furlong to defeat handily Petit Jean, who ran fourth in last year's French Derby.

All in all turf followers are convinced it will take a decidedly useful colt to show the way to the Frenchman. On the point of breeding Le Ksar passes the test for stamina better than most of his opponents, and although not supposed to appreciate soft going won the Guineas over a soggy course. De St. Alary, long associated with the turf, has paid a great deal of attention, in co-operation with his trainer, to the colt's preparation, and G. H. Semblat, who rode him in the Guineas, again will come from France.

The colt's sire, Ksar, bred two winners of the French Derby, Thor and Tourbillon. He is at present believed to be in the United States, where he was sent in 1935 when he was seventeen years old. Le Ksar's sky, of Yorkton, Sask., passed final examinations here in medicine. They will serve as internes in Winnipeg hospitals.

The American hope, William

Woodward's Perifox, a son of Gallant Fox and Periwinkle II, was reported coming along nicely at Newmarket after having been subjected to an interruption of training due to a jarred near foreleg. However, healing and cracked heels were still causing considerable anxiety in the Suffolk racing centre where the going was becoming rather firm and trainers were having a trying time.

Perifox was not a candidate for the first of the classics open to colts, the Two Thousand Guineas, and first was taken seriously as a Derby factor after winning the Payne Stakes three weeks ago at Newmarket. The bay colt ran a magnificent race over one and a half miles, the Derby distance, and turf experts, conceding him stamina, were able to find little fault with his performance.

Most popular in this country would be a victory for Cash Book, the entry of Lord Astor, whose ill luck in the Derby has become proverbial. A great patron of the turf for years, Lord Astor has never had a Derby winner and has consistently met misfortune in connection with the race. His colt Early School, most promising of last year's two-year-olds, developed an ailment during the late winter months and was struck from his engagements.

Cash Book was seriously trained as a two-year-old but when Lord Astor's other candidates failed to shape up he was brought along quickly and impressed the experts by his stylish victory in the Newmarket Stakes a couple of weeks ago. In that race he beat a number of Derby aspirants, including Fair Cop, Full Sail, The Hour and Solfo.

The colt is a son of the 1931 Derby winner Cameronian.

The other candidate conceded a splendid chance of winning the Epsom classic was mid-day Sun, owned by Mrs. G. B. Miller and her mother, Mrs. C. Talbot. Should the colt win it would be the first victory by a woman trainer in the Derby proper. Lady James Douglas Gainsborough won the 1918 wartime Derby but that was over the easier Newmarket course.

Mid-day Sun was sired by the famous stallion Solario and won the Derby trial stakes, which April the Fifth also won before winning the Derby in 1932. Trainer Fred Butters said today he considered Mid-day Sun's form equal to that of any other Derby candidate with the possible exception of Le Ksar. The colt was third in the Guineas, finishing second behind Le Ksar and Goya II.

Another hopeful declared to be extremely fit was Major J. S. Courtin's Solfo, also a Solario colt, who has been going well in exercise and gives the impression he enjoys the business. Marcel Boussac's Goya II, runner-up to Le Ksar in the Guineas, also was reported shaping up nicely at the Newmarket establishment of the veteran trainer, Hon. George Lambton.

Sir John Jarvis' Gainsborough Lass, the only filly in the race, has a chance of equalling the brilliant achievement of Signorinetta, a filly who won both the Derby and The Oaks—the premier classic for fillies—in 1908.

Gainsborough Lass, sired by Gainsborough, winner of the 1918 Derby, and sire of Hyperion, the 1933 winner, has been going well and will have the additional help of

TEXTILE AND HOTELMEN WON AT SOFTBALL

Dominion Textile Downed Hoboes by Ten to Four and New Wellington Handed Out a Trimming to Beavers in Last Night's Games on Parade Grounds.

Dominion Textile handed a ten to four whipping to the Hoboes and New Wellington downed Beavers by twelve to four in last evening's City Softball League games played on the Parade Grounds. An exhibition game between Paton and City Transit was won by the former by five to one.

G. Riel copped the individual batting honors of the evening with three two-baggers. A five-run spurge in the fifth inning, in which Blais homered and Riel and Boisvert doubled, put the game on ice for the Textileists, Raymond, of the winners, tripled in the second and Melvick socked a double in the third.

Maurice Parsons, of the Hoboes, slammed a homer in the first and Filion hit a two-bagger. New Wellington tallied in every inning except the fourth in trouncing the Beavers by twelve to four.

Scores by innings:
Dominion Textile . . . 113 050 0-10
Hoboes 100 030 0-4

Batteries: Lefebvre and Blais; Filion and Boisvert.

New Wellington . . . 122 033 1-12
Beavers 012 000 1-4
Batteries: Cote and Couture; St. Francois and Welsh.

Harry Wragg, who twice has won the Epsom event.

The Aga Khan's chances of winning the classic for the third year in succession were not rated high, his colt Le Grand Duc not having turned in any notable performance in the various trial events.

But Frank Butters, the noted trainer who is in charge of the Indian Prince's stables, again may turn in a surprise.

SEVERAL CANADIANS DREW SWEEP CASH PRIZES

Dublin, May 29.—No Canadian drew one of the ten residual prizes worth \$37,000 each as new counter-foils on the Irish Hospital sweepstakes were pulled today from the whirling drums of chance.

Five of the rich prizes went to the United States, three to Europe and two to Africa.

Following the drawing for residual prizes came 1,000 cash prizes of \$500 each. Canadians winning these follow:

ALL THE FINEST FEATURES ... WITH PEAK ECONOMY!

Is your present car more than three years old? If it is, your first ride in this year's Chevrolet will literally amaze you! And here's why...

Since you bought your car, Chevrolet has stepped 'way out ahead—in everything but the money it costs to buy and run!

For instance, here are just a few of the great "forward steps" pioneered in the 1937 Chevrolet: A longer, 112 1/4-inch wheelbase. ... Big, attractive Unisteel Turret Top Bodies by Fisher, the safest known. ... More power, resulting from the perfection of Chevrolet's famous Valve-in-Head engine. ... Unequalled comfort, due to the exclusive Knee-Action gliding ride. ... Matchless safety, thanks to new Hydraulic Brakes, all-steel construction, and Safety glass throughout. ... "Air-conditioned" interiors, with improved Fisher No-Draft Ventilation.

Chevrolet has never stood still! In fact, you'll find just two things about this year's car that are not new... and they are *quality* and *economy*. The truth is, for all its big-car size and "stepped-up" performance, Chevrolet today costs less than ever before to operate! ... Less for gas, less for oil, less for upkeep!

So you see why Chevrolet is Canada's fastest-selling automobile. It's the only complete low-priced car. ... The only car that brings you all the finest features at the lowest prices, and *without sacrificing the peak economy you want!*
