'WILD MAN' CONTINUES EFFORTS TO STIR UP FLAME OF WORLD DISCORD

German Dictator Scorned Democracies in Another Diatribe Against Soviet Russia During Which He Predicted Spread of Bolshevism in Europe Will Plunge Continent into a "Sea of Blood" — Warns Soviets that If They March Against Germany the Nazis Will "Throw Them Out as They Did Bolshevism Itself"—Extent of Hitler's Influence Over Austria Is Worrying Italy.

Nuremberg, Germany, September 15.—The spread of Bolshevism in Europe, Chancellor Hitler believes, will plunge the continent into a "sea of blood."

"I watch with fearful anxiety the developments in Europe," Hitler declared last night in the closing speech of the annual National Socialist convention.

Hitler's last utterance at the convention, like his first, was a diatribe against Bolshevism.

"I have seen this danger clearly, but I do not belong to those who faint at the sight of it," he told the applauding thousands. "If the Bolshevik military forces ever march against us, we'll throw them out as we did Bolshevism itself."

The 800,000 Nazis who have crowded this little town for the past week have heard from Hitler a proclamation asserting Germany's desperate need for colonies and announcing a four-year programme of intensive economic development and two bitter speeches attacking Russian Communism.

They heard many speakers extol the achievements of the Nazi party and saw the swelling German army manoeuvre planes, horse, foot and guns in a vast military demonstration.

Hitler accepted the name the Russian press gave to him after his caustic criticism of Jewry and Bolshevism, saying:

"They call me a wild man. All right. As a wild man I am a better European."

He scorned democracy with the comment:

"It's all the same to us whether democracies hate Nazi Germany or not. One can love or one can hate Germany—but one could never destroy it."

"If our neighbors respect Germany's freedom, honor and equality, they'll find in Germany their best friend."

"But if the Bolsheviks try to open the gates to other countries, they'll find a new German army standing at Germany's door."

He showed no compromise—sooner or later—between two schools of political and economic theory, Hitler asserted. Naming "Bolshevism" as one school, he told his listeners National Socialism in Germany is fully prepared to fight against surrender to the enemy we have come to know so well."

AUSTRIANS AND ITALIANS HOLD VITAL CONFERENCE

Rome, Sept. 15.—Extension of German influence in Central Europe was the reported subject today of conversations between high Fascist officials and Guido Schmidt, Austrian Foreign Minister.

Schmidt, accompanied by Count Galeazzo Ciano, Italian Foreign Minister, and other officials left for Forlì for a conference with Premier Mussolini.

The conference discussed at length the present political line-up in Central Europe and results of the Austro-German accord.

The Italian leaders were reported particularly interested in learning from the Austrian Cabinet member the extent of German influence in Austria under the new treaty.

(Italy has not entirely approved of the agreement signed last July which allowed Germany to widen the scope of Nazi activities in Austria.)

Schmidt declared his visit was not inspired by "any particular political circumstance and therefore it has no secret scope."

He asserted he wished to "even more firmly re-knot and perfect the personal relations" between Italy and Austria which the Austrian Chancellor, Kurt Schuschnigg, has already built up between officials of the two Governments.

FRANCE ANXIOUSLY WAITS FUTURE GERMAN ACTIONS

Paris, Sept. 15.—Anxiously France awaits Chancellor Hitler's next move. Will it be a last offer to France of a Franco-German agreement with denunciation of the Franco-Soviet pact as the price which France must pay?

Now that the feverish limelight has ceased to sputter over Nuremberg the French observer is weighing the probabilities. And it is felt that either by regular ways of diplomacy or by another public declaration Hitler will still have something to say.

It is noted that in his final declaration at the Nazi party congress at Nuremberg Hitler somewhat softened his tone, yet the declaration was regarded as fundamentally much the same thing.

In effect, Paris Midi comments today, Hitler says: "I am the civilization and the life. Bolshevism is the doctrine of death. I shall not allow this pestilence to establish itself on my frontiers. You must choose between Stalin and Hitler."

"Between Stalin and Hitler," Paris Midi adds, "Every Frenchman already has made the choice. He has chosen France. It is neither from Berlin nor from Moscow that France takes orders. She is mistress of her own destinies."

While Hitler's attack was directed against Russia, it is regarded here as having France really in mind. Hitler is seen as trying to stir up discord in France and endeavoring to please turn to page 2.

BODY OF BEAUCE MAN FOUND IN RIVER AT QUEBEC

Quebec, Sept. 15.—The body of a man found in the River here late yesterday has been identified as that of J. B. Vachon, of St. Georges, Beauce, Vachon came here last week to buy ammunition for hunting.

After visiting a hardware store here, nothing more was heard of him until his body was found by a schooner captain. The Attorney-General's department is investigating.

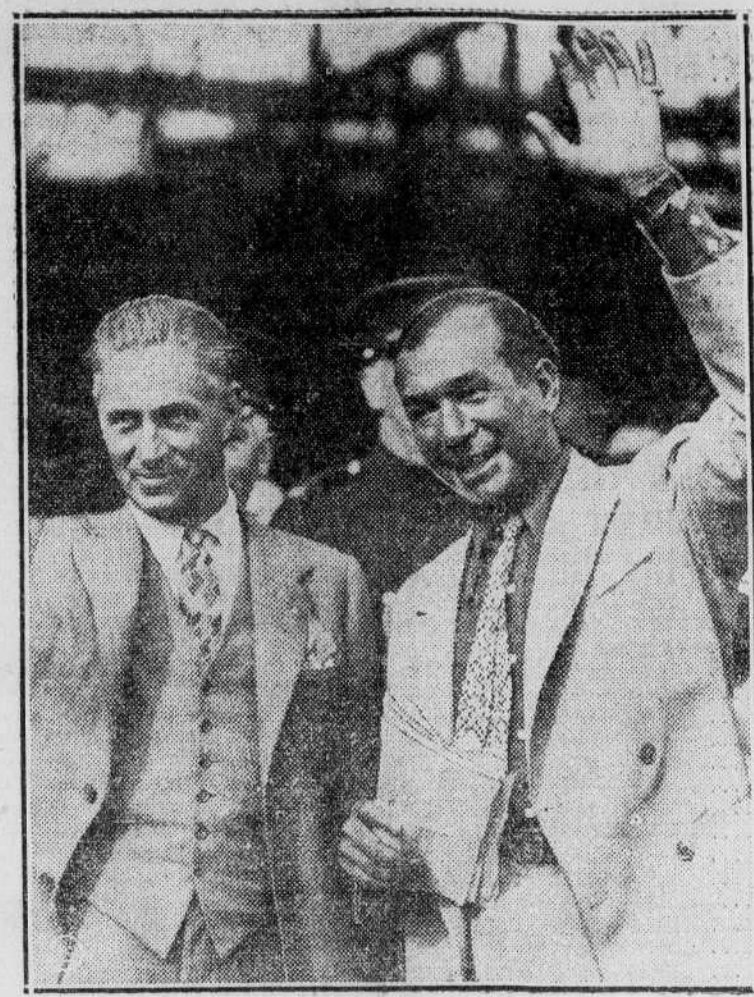

GOVERNOR-GENERAL STRUCK BY OPTIMISM OF PRAIRIES

Swift Current, Sask., Sept. 15.—Baron Tweedsmuir, Governor-General of Canada, is struck with the optimism and hope of the people of the prairie following such severe drought as has been experienced in recent years.

He stated here yesterday he had rarely visited a country that had attracted him more than the Canadian prairie and that he would go away with confidence in the destiny of the prairie.

Lord Tweedsmuir is returning to Ottawa following a trip through the west and a visit to Vancouver's Golden Jubilee Celebration.

FIRST TO MAKE ROUND TRIP TRANS-ATLANTIC AIRPLANE TRIP

Forced to land in Newfoundland on their return trip from England to New York owing to gasoline shortage, Dick Merrill, commercial pilot, left, and Harry Richman, night club master of ceremonies, are shown in the above picture at Croydon Aerodrome, London, where they were given a warm welcome after completing the first stage of their round trip trans-Atlantic journey.

ARABS SENTENCED TO DEATH FOR ATTACKING BRITISH SOLDIERS

Jerusalem, Sept. 15.—Palestine's Court of Assizes, for the first time since the beginning of Holy Land disorders last April 15, today sentenced two Arabs to death for attacking British soldiers near Nablus.

Four Jews were injured when a bomb exploded in a factory near the Jaffa boundary of Jerusalem.

APPEAL AGAINST DEATH SENTENCE DISMISSED

Fredericton, N.B., Sept. 15.—The Supreme Court today dismissed an appeal in behalf of Daniel Bannister, youthful lumberjack, sentenced to be hanged one week from tomorrow with his younger brother, Arthur, for the shooting and cremation of Philip Lake, in a midnight tragedy that claimed three lives last January.

Grand Rapids, Mich., Sept. 15.—Patrolman Percy K. Lane told the city finance committee that a greased pig hunt at a picnic cost him money for doctor bills. He explained an excited woman spectator kicked him in the ankle and infection developed.

The committee awarded him \$40.23 compensation.

PAIR, AGROUND IN NEWFOUNDLAND, AWAIT ARRIVAL OF RELIEF PLANE

Dick Merrill and Harry Richman Confident that, with Help of War-Time Ace, They Will Be Able to Arrive in New York Tonight After London-United States Trip Was Interrupted by Gasoline Shortage Over Newfoundland—Fuel Consumption Far Above Estimates Believed Responsible for Forced Landing—Temporary Haven Is Isolated Spot.

St. John's, Nfld., September 15.—Dick Merrill and Harry Richman rose with the sun today and the first fliers to make a round-trip crossing of the Atlantic were assured supplies were on the way to remote Musgrave Harbor where their plane "Lady Peace" was bogged.

Refreshed after a long night's rest and by breakfast in the home of T. W. Abbott, merchant in the tiny fishing community on the northeast coast of Newfoundland, the Broadway crooner and his pilot surveyed their damaged plane which brought them from Southport, England, yesterday.

They were confident that with the help of Captain Eddie Rickenbacker and his crew now racing to them, it would be easy to get their big monoplane into the air again, and once more Richman planned dinner in New York.

Early this morning, they were beside the plane, now attended by kindly fisherfolk of Murgrove, anxious to do everything possible to expedite the fliers' operations.

Meanwhile Rickenbacker, manager of the airline company, Merrill, was on his way to them with supplies of gasoline, a spare battery, and a new propeller, picked up at Hartford, Conn., on the dash from New York.

Weather here was cloudy today, but visibility was good and it was believed Rickenbacker would have slight difficulty in landing at Harbor Grace airport, although little attention has been given to the runways there during the past year.

Too weary to tell of the hazardous flight, they merely said they had come over because they had most exhausted the 1,000 gallons of gasoline with which they started out from Southport, England, for New York.

Hundreds of messages demanding stories were left unanswered by the fliers and when the telegraph office closed last night, few details of their experience were known here.

Aviators were unable to understand the use of so much fuel in fifteen hours and seventeen minutes of flying. The night club crooner and his pilot had expected to breeze into New York in time for a big celebration dinner last night with plenty of gas to spare.

But it was fuel shortage that forced them down in South Wales after their west-east flight and belief was expressed the \$100,000 monoplane had consumed fifty-three gallons an hour instead of its rated forty-four gallons.

Richman and Merrill were more than two hundred miles off their course when they first sighted land yesterday afternoon. After flying over Musgrave Harbor they pushed on looking for a landing field, circled over Carnanville and returned to the level marsh.

The village where they spent last night is about 150 miles north of St. John's and accessible only by plane or boat. It is fifty miles from the nearest railroad and far off the highways.

Rescue planes would have some difficulty in finding a suitable landing place, it was said here, and some doubt was expressed about the possibility of making a runway for the "Lady Peace" to take off.

A rescue plane winged toward isolated Musgrave Harbor in Newfoundland today where Harry Richman and Dick Merrill grounded their monoplane in a bog near a tiny fishing village to end their round-trip trans-Atlantic flight.

Capt. Eddie Rickenbacker, veteran aviator, headed the relief expedition that took off from Boston for Sydney, N.S., carrying gasoline and spare parts for the fliers' damaged ship, "Lady Peace."

Richman, suave night club entertainer, and Merrill, crack pilot and air mail pilot, rested last night at the home of T. W. Abbott, a merchant, a short distance from the spot where they landed early yesterday afternoon.

Shortly after they were forced down, the fliers sent this message to Rickenbacker, official of the airline employing Merrill:

"Marooned Musgrave Harbor, 150 miles from Harbor Grace. Need mechanic and battery. Small ship can land on beach where we are. Signed, Richman and Merrill."

Flying with Rickenbacker in the rescue plane, which left early last night, were George W. "Pete" Branson, chief pilot; Joseph J. Kelly, co-pilot; Earl Powell, Richman's private mechanic and pilot; John Dobson, McPhail and Jewell Nurenhouse, mechanics.

They carried eight hundred gallons of gasoline, a spare battery and oil, and picked up a spare propeller for the "Lady Peace" at Hartford, Conn. After a brief rest at Boston they continued their relief flight.

RESCUE AIRPLANE MADE BRIEF VISIT TO SYDNEY

Sydney, N.S., Sept. 15.—Flying to the rescue of two trans-Atlantic aviators stranded in a Newfoundland village, Captain Eddie Rickenbacker and a crew of mechanics landed here today from New York and took off later for St. John's, Nfld.

Harry Richman and Dick Merrill, their airplane bogged in a marsh on the northeast Newfoundland coast, awaited them at Musgrave Harbor, Nfld. They dropped down there yesterday when their \$100,000 plane ran out of gas on a return flight from England to New York.

GOVERNMENT FORCES CLAIM REBEL MARCH ON MADRID WAS REPULSED

Fascist Troops Defeated in Series of Sharp Engagements in Central Spain, War Ministry Reports—Government Victories Also Claimed on Northern, Aragon and Southern Fronts—British Destroyers Free Vessel Seized by Spanish Government Warship—Rebels Strengthen Lines Around San Sebastian.

Madrid, Sept. 15.—Government military forces repulsed a rebel march on Madrid in a series of sharp engagements in central Spain, the War Ministry reported today.

The Socialist lines repulsed Fascist attacks, an official announcement declared, and halted an insurgent attempt to march on Toledo from the south.

On the northern front: Government forces continued to bombard Oviedo. Twenty fascists were reported killed and thirty-five wounded.

On the Aragonese front: Insurgent columns were cut up by Government gunners near Huesca. A Fascist fighting plane was forced down inside the Government lines because of lack of fuel and its occupants taken prisoner.

On the southern front: Socialist militiamen defeated a Fascist column near Campllos in Malaga Province and captured three field guns and a truckload of ammunition.

The Ministry asserted Government columns in the northeast had captured the town of Sietamo after hard fighting.

In Madrid, seizure of \$14,000,000 worth of securities, jewels and cash was reported after a search of homes of wealthy aristocrats.

(Reports from Gibraltar said two British destroyers, the Arrow and the Anthony, were called to the assistance of a British steamer stopped by a Spanish Government destroyer.

The steamer Gibel Zorjon asked for assistance by wireless after the Spanish Government vessel ordered it to change its course while en route to Melilla, Spanish Morocco.

The destroyer departed when the British warships appeared in response to the Gibel Zorjon's request.)

FASCISTS STRENGTHENING LINES AT SAN SEBASTIAN

San Sebastian, Spain, Sept. 15.—Spanish fascists renewed their campaign to subdue Socialists in Northern Spain today with an advance toward the Government lines at Ohio, ten miles west of this city.

The first contingent of Fascist soldiers drove forward while others of the victorious insurgents hurried repairs to the war-damaged northern railroad in San Sebastian.

The object of the new military advance, Fascist commanders said, is Bilbao, approximately fifty miles westward along the northern coast.

Renewal of the offensive resulted in hasty evacuation of Bilbao by foreigners.

Fascist and Government threats.

THE WEATHER

PROBABLE LOCAL THUNDER SHOWERS.

Pressure is high on the Atlantic coast and over the western portion of the continent, with a deep low area over Hudson Bay and a shallow trough extending southward across Lake Superior to the southwestern states. The weather has become quite cool in the Western Provinces with showers in Manitoba and some sections of Saskatchewan and Alberta. Showers have also occurred in Ontario and western Quebec, while in the Maritime Provinces the weather has been fair and cool.

Forecast: Southeast to southwest winds; clearing and warmer. Wednesday—moderate to fresh southwesterly winds; partly cloudy and becoming somewhat cooler; probably local thunder showers.

UNITED STATES DEFENCE COSTS OVER BILLION

With National Defence Budget for Present Year \$920,000,000, It Is Expected That Expenditure on Various Projects Will Increase in Next Budget to Pass Billion Dollar Mark.

Washington, Sept. 15.—High United States Government financial quarters disclosed today that budget estimates for the next fiscal year probably will call for defence expenditures topping the \$1,000,000,000 mark.

This report circulated as Government departments engaged in a last-minute rush to file estimates for the 1938 fiscal year with Daniel W. Bell, acting director of the Budget Bureau.

The deadline for filing estimates for the year beginning next July 1st was set today, with hearings opening on September 21.

In a call for estimates to the heads of Government departments and agencies, Bell urged that "every possible effort" be made to bring demands for 1938 below appropriations for the current fiscal period.

Officials said, however, that the national defence estimate would rise above the \$920,000,000 outlay projected in the current year, because costs for some features already inaugurated will grow heavier.

The amount of a possible increase was not estimated, but officials asserted requests for allotments probably would go above \$1,000,000,000.

Another major factor in next year's budget will be the drought, which will be felt in several different ways. Besides the possibility of requests for a long-range drought programme, the price of food for Government hospitals, prisons and other institutions may advance, officials asserted.

JEWISH CONGRESS FLAYS LATEST HITLER ADDRESS

Protest Launched with League of Nations Against "Campaign of Threats and Defamation" Declares Allegation that Judaism and Bolshevism Are Identical Is Absurd.

Geneva, Sept. 15.—The executive committee of the World Jewish Congress protested today to the League of Nations against "the campaign of threats and defamation organized methodically at the Nuremberg Congress by the highest dignitaries of the German Government and the Nazi party."

The protest declared the German allegation that Judaism and Bolshevism are identical is absurd.

It was not world Jewry, the protest asserted, but "German militarism" which during the Great War facilitated the rise of Bolshevism to power.

Vancouver, Sept. 15.—Cats were returning to Vancouver today in an annual invasion that prompted the humane society to seek public cooperation in dealing with the feline hordes.

DISAPPEARANCE OF BOY CAUSED MUCH ANXIETY

Punctured Tire Ended Adventure of Twelve-Year-Old Jack Harrington, of Rock Island, Who Left Home Suddenly Yesterday and Travelled to West Burke, Vt.

Rock Island, Sept. 15.—The lure of adventure proved too much for twelve-year-old Jack Harrington yesterday—or perhaps it was that restlessness which assails schoolboys during the first few days of a new term.

Without informing his parents, Rev. and Mrs. S. Harrington, or letting his chums in on the secret, the young adventurer started to see the world on his bicycle.

His voyage led him across the international border and all thoughts of time and the anxiety his absence had created at home vanished.

His distracted parents spent a very anxious time. They telephoned and communicated with every home in which the young lad might have taken refuge and visited all his favorite haunts. But there were no signs of the missing youth.

Police authorities were informed of the disappearance and Quebec officials asked that a watch be kept on the American side of the border. Many joined in the search as word of his unexplained absence spread around the countryside.

The mystery was solved late last night when the boy returned home safely. To relieved parents and friends he told a story of having journeyed to West Burke, Vt., on his wheel. A punctured tire had prevented him from continuing his excursion and sightseeing.

Although the urge to travel still burned brightly, young Harrington was footsore and weary when he reached home. He had been obliged to walk nearly twenty-five miles and was enjoying a much-needed rest when border authorities were informed that the wandering boy had returned and that their services were no longer required.

NORWEGIAN VESSEL RIDES OUT TROPICAL HURRICANE

Commander of Steamship Torvanger Refuses to Send Out Distress Calls Despite Fact Rudder Is Broken and Ship Taking Water.

Jacksonville, Fla., Sept. 15.—A latter-day Viking in command of the Norwegian steamship Torvanger calmly radioed nearby vessels today that hurricane-bred seas had smashed her rudders and were tumbling water into her holds.

But no distress calls came from the craft in the path of a tropical hurricane. The master of the Torvanger told his story to the Coast Guard cutter Unalga and another Norwegian steamer, the Noravind.

The latter radioed she was leaving her course and steaming toward the Torvanger which gave a position approximately five hundred miles north of Puerto Rico.

Earlier last night the Noravind had reported she was in the edge of the Indies-born hurricane and feeling winds of gale force.

U.S. SHIPPERS WORRIED BY THREAT OF SOUTH AFRICAN TRADE BOYCOTT

South African Wine and Fruit Producers Conducting Campaign to Replace Purchases of United States Goods with Those from Empire as Result of Failure to Expand Market in United States—U.S., Fearful of Losing Profitable Markets, Denies Charges of Discrimination.

Washington, Sept. 15.—A threatened boycott of United States products in South Africa—one of this nation's most profitable markets—presented the State Department today with a serious problem.

The State, Agricultural and Treasury departments are attempting to work out an amicable solution of trade differences before the controversy develops into a costly trade war.

South African wine and fruit producers are conducting the campaign to boycott American products in favor of purchases from England and dominions and colonies of the British Empire, officials said.

The South Africans protest that American import regulations discriminate against their products.

The balance of trade is heavily in favor of the United States and the wine and fruit producers have been unable to build up their markets here.

During the past five years American exports to South Africa totalled \$164,321,000, as against imports from that country of \$17,069,600. Exports last year totalled \$52,864,000, as against imports of \$5,610,000.

Americans officials said today, however, that American trade with the British Empire practically balances at \$2,000,000,000 and that South Africa benefits considerably from it. For example, they said that in 1935 alone the United States imported more than \$15,000,000 worth of diamonds, all of which originally came from South Africa, although shipped here from other countries.

Declaring there is no discrimination against South African goods, they said wine and fruit imported from there is subjected only to the same regulations imposed on products from any other country.

Francis B. Sayre, Assistant Secretary of State, said the Agriculture Department is conducting experiments in Mediterranean fruit fly control which will have an important bearing on any solution of the controversy over sanitary regulations.

As a result of heavy losses from fruit crops infested by the fruit-fly after the Great War, the Agriculture Department requires that fruit imported be subjected to a fifteen-day refrigeration under department supervision upon landing. The object is to kill any insects.

The South Africans assert their fruit is refrigerated for twenty days in vessels en route and that the refrigeration here adds to the cost and delays sales.

Failure of South African wineries to build up a profitable market here, officials said, was due chiefly to the fact that Americans are not wine-drinking people and have been educated to French, German and domestic products for what wine they do consume.

LONDON POSTMEN TO BE DOLLED UP FOR CORONATION

London, Sept. 15.—London postmen are to be smartened up for the coronation.

The summer uniform will be padded at the shoulders, weigh less and be made to measure.

Messenger boys, too, will be nattier. They will be issued with shoes instead of boots.

In the third district, easily outstripped his Democratic opponent, Wallace F. Mabey, by a lead mounting toward 19,000 votes.

Behind the tide of ballots was an intensive campaign of bitter partisanship claims and recriminations.

BIBLE SOCIETY AT BISHOPTON HELD MEETING

Interesting Lecture Delivered at Annual Meeting of Bishopton Branch of British and Foreign Bible Society—Successful Year Concluded.

Bishopton, Sept. 15.—Rev. James Adams, B.A., district secretary of the British and Foreign Bible Society, gave a very inspiring address in the United Church last week in the absence of the president, Rev. Frank Cooke, of Marleton, the minister of the United Church, Rev. Mr. Gilbert, was asked to act in the former's place. The meeting was opened by singing the hymn, "Father of Mercies." This was shown on the screen by Mr. Adams, after which Mr. Gilbert read the Scripture lesson, which was Matthew, 26th chapter, followed by prayer by Rev. Mr. Adams.

The secretary-treasurer, Mr. J. R. Andrews, was asked to read the last year's report, which was very gratifying, \$31.80 having been collected by Mrs. de Gruchy. The collection of the evening was one dollar, making a total of \$32.80. Mr. J. R. Andrews then gave the amount collected by Mrs. de Gruchy this year, which was \$41.05, the evening collection being ninety-six cents, making a total of \$42.01, an increase over last year of \$9.90.

Before Mr. Adams gave his address, he thanked Mrs. de Gruchy very kindly for her constant and efficient service as collector. Mrs. de Gruchy replied that it was a pleasure to do so and it was only made possible by Mr. Andrews driving her to different homes outside of Bishopton village.

The officers were all re-elected, with the exception of Rev. F. Cooke, president, who was replaced by Rev. Mr. Gilbert, of Bury. The officers are: Mr. de Gruchy, first vice-president; Mr. J. R. McPadden, second vice-president; Mr. J. R. Andrews, secretary-treasurer. After the election of officers, the hymn, "Where Cross the Crowded Ways of Life," was again shown on the screen.

Following this, Mr. Adams gave an inspiring address illustrated by slides, on the life of Rev. David Livingstone. The views were beautiful and very much appreciated. The hymn, "Jesus Shall Reign," and the benediction, pronounced by Rev. Gilbert, brought a very delightful and edifying service to a close. Mr. Adams was very heartily thanked by Mr. Gilbert for his evening's entertainment.

LADIES' AID MEETING HELD.
The Ladies' Aid of the United Church was entertained by Mrs. de Gruchy, president of the Society, with a splendid attendance considering many of the members and friends who usually attended, had decided to spend that day at the Sherbrooke Fair.

The meeting was opened by Scripture reading and prayer, all joining in reciting the Lord's Prayer. The secretary, Mrs. Bessie Bishop, read the report of the June meeting, being the last meeting held before closing, for the summer months.

The principal business of the afternoon was making arrangements for their annual salad tea. The meeting was closed by the nuptial benediction. Lunch was served by Mrs. M. Porter and Mrs. de Gruchy assisted by Mrs. H. Kennedy.

Let The Economy Drive Continue.

Hon. Maurice Duplessis, sworn in as Prime Minister of the Province of Quebec less than a month ago, has proved the truth of the old saying that "A new broom sweeps clean." Already savings have been effected in Government costs approaching two million dollars a year, without visibly affecting the efficiency of the public service. And, according to the new Premier, only a start has been made. Investigations into all departments will be pressed. Needless expenditures will be eliminated and, in cases where irregularities existed, attempts will be made to recover the money which has been wrongfully taken from the Province.

The hard-burdened taxpayer, realizing that the effecting of real economy will sooner or later be reflected in the lightening of his load and at the same time an improvement in the various works being carried on by the Government, cannot but express the warm wish that Mr. Duplessis will be able to carry out his plans. He has given a fair example of his intentions and it is to be sincerely hoped that when the fresh enthusiasm of a new office has worn off that it will not take with it the desire for a substantial reduction in needless expenditure.

Here, a word of advice may be tendered to the new chief of the Province. In his desire to balance the budget and reduce taxation, the Prime Minister must remember that it is not in lowering present costs alone that this happy result can be achieved, but that no new extravagant commitments can be undertaken in the future.

Part and parcel of his campaign programme, the very keynote of his battle cry, was that the Public Accounts Committee investigation would continue, sparing no one.

From all accounts some rather interesting and perhaps embarrassing facts should be disclosed if this Committee continues with the new Premier in the driver's seat. And it is doubtful that from the viewpoint of the taxpayer motorist anything could give more satisfaction than a probe into the past activities of the Road Department. Millions upon millions have been spent on the construction of new highways, but with the exception of the Prouty's Crossing to Derby Line Highway and the Laprairie-Harbor Bridge boulevard in the vicinity of Montreal, the best that the Province can boast is a few hundred miles of "black top" highways. Local motorists would rather relish a statement on the exact cost per mile of the famous—or infamous—Sherbrooke-Magog road on which money has been spent without check or question for the sole purpose, apparently, of demonstrating how NOT to build and maintain a road.

Canada's Mineral Wealth And Defence.

Certain pacifists and other sections of the population of the country which believe that Canada does not need to provide itself with adequate defence services, since this country has no need to become engaged in any future war are apparently of the belief that Canada has nothing to invite an ambitious invader. In all probability they do not appreciate the fact that the next European war, if such an event unfortunately occurs, will not be a struggle between two nations for the possession of one another's continental territory, but rather a fight for the possession of territory for expansion and for those valuable natural resources so vital to their economic development.

In such a struggle Canada would very likely be involved, for in the most vital of all products, especially minerals, she holds an important place. The supposedly uncolored Year Book of the League of Nations gives the standing of nations as producers of various minerals as follows:

Gold—1, South Africa; 2, Soviet Russia; 3, Canada; 4, United States.

Silver—1, Mexico; 2, United States; 3, Canada; 4, Peru.

Copper—1, United States; 2, Chile; 3, Canada; 4, Rhodesia.

Lead—1, United States; 2, Australia; 3, Mexico; 4, Canada.

Zinc—1, United States; 2, Belgium; 3, Canada; 4, Germany.

Nickel—1, Canada; rest negligible.

Asbestos—1, Canada; 2, Soviet Russia; 3, Rhodesia; 4, South Africa.

Canadian authorities put the Dominion first in

platinum metals, second in radium and third in cobalt.

With the addition of its valuable farm lands, Canada is too important in the world today to leave itself long without proper defences, and the sooner certain ministers realize this the better.

Republican Victory In Maine.

The smashing Republican victory in Maine's presidential elections yesterday will serve to attract even keener outside interest in the United States nation-wide elections in November. Alone among the states to retain advance elections, it is said of Maine, "As Maine goes, so goes the country." Accepting the truth of this statement, the Republicans are proclaiming defeat of the "New Deal." However, the Democrats can obtain some satisfaction in the thought that it is a poor rule that has no exceptions.

Probably no United States presidential campaign has equalled the present one in the sheer volume of verbiage flung at the voters. Regular United States newspapers daily carry columns of election news and appeals, already there are four books on Governor Landon, New Deal and anti-New Deal books are being turned out just as fast as the presses will run and temporary newspapers are springing up like mushrooms. Pennsylvania, for instance, has a Democratic organ in "We, The People," while the Republicans are angling for Labor support with a "Labor World."

Noventies like the "New Deal Mazuma," distributed at the G. O. P. convention; rubber dollar bills and animated cartoons lambasting Roosevelt compete with pro-New Deal pictures like "The Plow That Broke The Plains."

It goes right on down to low tide in the scurrilous little sheets passed out on the street.

The campaign itself is providing the best possible evidence that freedom of speech and press is still doing nicely in the country to the south of us.

Editor's Note-Book.

Hon. Michael Dwyer, Minister of Mines for Nova Scotia, is quite right when he states the best way to build up Canada is with our own people and our own material. If we would forget our own problems and regard them as national problems it would bring an ever united Canada.

What Editors Say

PART OF THE BRITISH EMPIRE.

For our part we have no hesitation in stating where we stand. We are part of the British Empire (not Commonwealth, a clumsy and meaningless term invented by a group of constitutional nationalists) and we will take all necessary steps to maintain that connection. . . . We owe a great deal to Great Britain that we will never be able to repay. Our democratic and national institutions, our civil and religious freedom, our social and economic customs are just a few of our intangible inheritances from the Old Country. Then we have had the protection of British defensive forces ever since we became a colony first, and then a Dominion with a gradually developing degree of self-government—and this at no cost to ourselves.

WORKING TO MUSIC.

Music has many uses outside the field of amusement and entertainment. It has been said that music has the power to soothe the savage beast; that blast from a trumpet of minor chords will cause a ferocious lion to turn tail; that music at the proper tempo will induce pupils in school to do neater writing.

The Stanley Motor Co., Limited, Canby, Coventry, England, one of the largest automobile manufacturers in that country has found that the broadcasting of music in part of their factory has had a beneficial effect on the spirit of the workers, has created a cheerful atmosphere, and has caused no deterioration in efficiency and careful workmanship.

Thirty Years Ago Today

September 15th, 1906.

The officials in charge of the first annual Scottstown fair were Messrs. George W. Stokes, Archibald Irving and C. H. Tamba.

Ten year old Joseph Couture, of Rock Island, was electrocuted when he fell across a power line while playing on the bridge.

A new electric light scheme was sprung on the City Council and approved in principle by six to three calling for the development of the "Drop-off" power at Rock Forest.

Joseph Leith, thirty years old of Sherbrooke, was fatally shot when his gun discharged accidentally.

Hostesses at the opening tea for the season of St. Peter's Church Guild were Mrs. T. S. Somers, Mrs. S. A. Jones, Mrs. W. Price, Mrs. H. M. Tomlinson and Mrs. George M. Howard.

With the new court house officially opened, the Sherbrooke City Council decided to call for tenders for the old building, now part of the 53rd Armoury.

The model school re-opened at Robinson (Bury) with the following staff of teachers: Miss M. Smith, Miss A. Bullock and Miss W. Miller.

ANNUAL FIELD DAY AT BEEBE MUCH ENJOYED

Over Three Thousand Persons Gathered to Witness Keenly-Contested Sporting Programme Sponsored by Border Musical Club at Beebe.

Beebe, Sept. 15.—A large crowd gathered to witness the Border Musical Club's second annual field day on Monday, September 7. Although the weather looked discouraging, an estimated crowd of three thousand people attended the parade, sports and band concert.

In the morning, the parade scheduled to start at ten o'clock was slightly delayed by the late arrival of the Waterloo Band, unavoidably detained by road conditions. However, Mr. Young, director of the Waterloo Band, joined the parade in due course.

Heading the parade was Mr. L. B. Pierce, mounted flag bearer. Mr. Pierce, a well-known citizen of Beebe and color-sergeant of the local Legion, has carried the flag in all parades and festive occasions for the past twenty years. Following Mr. Pierce were Miss Genevieve Prouty, of Newport, Vt., mounted on a white western pony, and Miss Frances Wilkinson, of Beebe, mounted on a brown gelding.

The Waterloo Band, playing a march, preceded the gaily colored and decorated floats which were entered by the various citizens of the community. The B.M.C. Band, led by Drum-Major Byron Herrick and Mr. Phil L. Lecours, headed the second procession of floats. Acting as marshals were R. Crook and H. Cass, both of Beebe, mounted on western horses.

The judges, Rev. G. D. Harrington, of Stanstead, and Messrs. J. D. Ferguson, I. C. Holland and James Denning, of Rock Island, after viewing the procession from the bandstand and close inspection at the field, awarded the prizes as follows:

Flower and ribbon floats: 1, "Old Fashioned Garden Scene," entered by Snag Proof, Limited; 2, "Spanish Style Boat," covered with evergreens and garlands of red and yellow, and with six small girls dressed in yellow and white riding with Mrs. Frank Haselton.

Comic floats: "Market Day in Beebe," entered by Miss Emma Messier, Beebe.

Bicycles: "Red Indian," entered by R. Desjardins, Stanstead.

Special award was made for "Reckless Driver," entered by Arthur Henderson, Beebe. Also in the parade were "Back to the Land," Rouyn or Bust," entered by I. Stuart, Beebe; "The Skunk Hollow Band," entered by T. Wheeler, "The Flying Fish," entered by Carroll Brown, of Brown's Hill, "Pioneer Horseman," entered by I. Probert, of Granville. "Just Married," presented Lois Wells and Donald Venning, dressed as bride and groom and seated in a decorated cart-drawn by Tex, a German police dog, who was led by Robert Denny, Jr., in the conventional ministerial garb; John Wilson and Herbert Roy, dressed as "Spanish Toreadors," rode on decorated bicycles. The tug-of-war teams of Snag Proof, Limited and Dominion Glove Company were represented by several girls, led by Frances Grieve, dressed in Highland costumes, while Katherine Pierce and Barbara Hamilton represented "The Gay Nineties."

The junior sports, scheduled to be held in the morning, were postponed and held simultaneously with the senior events in the afternoon.

The result follows:
50-yard dash, five to seven years: 1, Bruce Anderson; 2, Billy Rollins.
50-yard dash, ten years and under: 1, John Hebert; 2, Willie Stuart.

15-yard dash, ten to fourteen years: 1, R. Goudreau; 2, R. Goyette.

Junior high jump, seven to ten years: 1, J. Hebert; 2, L. Martin.

Junior high jump, ten to fourteen years: 1, F. Munro; 2, A. Bronson.

Broad jump, ten to fourteen years: 1, R. Goudreau; 2, H. Lars.

Senior high jump: 1, R. Laythe; 2, E. Lahar.

Senior broad jump: 1, E. Lahar; 2, L. Wilkie.

Senior 100-yard dash: 1, R. Rogers; 2, L. Wilkie.

Senior mile: 1, D. Emslie; 2, R. Munro.

Horseshoe pitching: team of Arthur Lapenna and L. Martin.

Tug-of-war: Snag Proof, Limited.

In the early afternoon the crowd was entertained by the Waterloo and Beebe Bands playing together.

Owing to the heavy shower in the late afternoon, six major events were cancelled, to the great disappointment of the large crowd assembled at the field.

In the evening, the best parking spaces were taken at least an hour before the concert, while at seven thirty the streets were heavily lined with automobiles and people.

The massed band was led by Mr. Young, leader of the Waterloo Band. After the first group of numbers, the prizes were presented by Rev. George D. Harrington, of Stanstead. Because of the thunderous applause near the close of the concert, several requests for encores were played.

For the end of a perfect day a dance was held in the Town Hall with music by a Sherbrooke orchestra.

The citizens of the Border Villages and members of the Border Musical Club wish to extend their appreciation to the Waterloo Band for their splendid assistance, to Mayor R. R. Woodard for his kindness in allowing the sporting events to be held on his property, and to all others who assisted in any way in making this day such a success.

Much credit is due Mr. Mitchell Thomson, manager, Jack Anderson, in charge of the sports event; Armand Dusseault, at the refreshment stand, and Viola Moranville,

ASBESTOS OUTPUT REACHES HIGHEST PEAK SINCE 1931

Report of Quebec Bureau of Mines Also Records Cement Production Was Highest Since June, 1932, and Clay Products at Top Figures Since 1933.

Quebec, Sept. 15.—The continuation of the upward trend in asbestos

shipments is one of the outstanding features in the latest report of the Quebec Bureau of Mines. The report points out that during the month of July asbestos shipments reached the highest monthly production since June, 1931. Cement was also the highest since June, 1932, and clay products at the top figure since 1933.

An increase over the corresponding month of last year, which is particularly important for asbestos, gold and silver, is seen in all sub-

stances covered by the bulletin. In spite of a slight decline as compared with the preceding month, the gold production of July nevertheless represents a relatively high yield.

The figures of the first seven months of 1936 show an increase of 51, 54, 33 and 31 per cent, respectively, for asbestos, gold, clay products and cement, as compared with the corresponding period of 1935.

LENNOXVILLE CHURCH GROUP NAME OFFICERS

Weston Orr Succeeds Alan Wilard as President of Young People's Union of Lennoxville United Church—Activities of Library Expanding.

Weston Orr was elected president of the Young People's Union of the Lennoxville United Church at their regular meeting in Douglas Hall last evening, succeeding Alan Wilard, who headed this active group during the past year.

The other officers elected are as follows: Secretary, Miss Emma Matthews; treasurer, Guy Littlejohn; convener of Fellowship, Miss Nadyne Webster; convener of Missions, Alex Savage; convener of citizenship, Fred Fox; convener of literature and art, Miss Edith Titcomb; social convener, Scott MacAllister; and pianist, Miss Lillian Moir.

Following the opening ceremony, which included Scripture reading by the president and prayer by Rev. F. R. Matthews, the retiring president thanked his officers for their loyal support during the past year and expressed the wish that the incoming Board would have a most successful year.

The slate of new officers was submitted by Miss Thelma Crawford and unanimously accepted by the meeting. Rev. Mr. Matthews presided during the election of officers. The newly-elected president conducted the brief business session which followed the installation of the new officers, after which the members enjoyed a social period, during which Ross Spry was in charge of the games.

Later an appetizing lunch was served by the refreshments committee under the convenship of Miss Lillian Moir, who was assisted by Mrs. Martin Merrill, Miss Geraldine Lane and other members of the Union.

INCREASE IN LIBRARY MEMBERSHIP

Eight new names were added to the list of subscribers of the Lennoxville Library during the past three months. This was one of the welcome announcements made at the monthly meeting yesterday of the library officers held in the reading room at the Town Hall.

The president, Rev. Mr. Clarke, conducted an interesting and busy period, during which the sum of twenty-five dollars was voted for the purchase of new books.

A satisfactory outline of the summer activities was embodied in the report of the secretary and treasurer, both of which were read by Mrs. Charles Parkin. A report was also given on the successful mystery drive held recently. The book committee announced that sixty new books had been purchased since the beginning of the year. A penny sale has been planned for the near future.

General Notes

Mrs. J. Robinson, of Inverness, is a guest at the home of her sister, Mrs. A. B. McKee, and Mr. McKee. Mrs. J. Ford and family have returned home after spending some time with relatives in Kimberley and Portneuf.

Recent guests at the home of Mr. and Mrs. F. J. Marshall were: Mrs. F. Benker, of Boston, Mass., and Mr. and Mrs. W. L. Peacock, of Newport, Vt.

Mr. and Mrs. Earle Parker, of Bulwer, were week-end guests at the home of Mr. and Mrs. Philip Walton.

Friends of Mrs. Clifford Coates will be sorry to learn that she is confined to her bed with lumbago.

PREDICTS BATHING SUITS WILL GO WAY OF HORSEHAIR SOFAS

Chicago, Sept. 15.—Dr. Alois Knapp, national nudist leader and director of the Zoro Nature Park at Roselawn, Ind., ventures a prediction the bathing suit will go the way of the horsehair sofa and the moustache cup.

"Nudism will be practised on the beaches not many years hence," he said yesterday. "The idea is not so strange when we remember that twenty-five years ago a woman could be arrested for taking off her stockings on the beach."

BRIEF SESSION OF LADIES' AID HELD AT MILAN

Routine Business Discussed at Regular Meeting of Milan Ladies' Aid Society—Other Notes of Interest to Residents of Milan and Vicinity.

Milan, Que., September 15.—Miss Annie MacInnis has received word of the death of her brother, Mr. Duncan MacInnis, in a hospital at Vancouver, B.C. Mr. MacInnis passed away on August 31st, after suffering from a painful illness. The heartfelt sympathy of the community is extended to this estimable, aged lady, who is the only surviving member of the family. She was bereft of another brother, the late Donald MacInnis, on June 4th last, and the only other surviving relatives are two nephews, Messrs. Norman and Colin MacInnis, of Timmins, Ont.

The Ladies' Aid Society met at the home of Mrs. Malcolm Ross on Tuesday of last week with a good attendance. After the meeting, refreshments were served by the hostess, assisted by her daughter, Miss Dorothy Ross.

Mrs. Donald MacArthur received word last week that her brother, Malcolm Macdonald, of North Dakota, is confined to a hospital, after being thrown from a farm implement he was operating, and receiving very painful internal injuries. Mr. Macdonald, son of the late Mr. and Mrs. Alex B. Macdonald, of Milan, is well-known to many in the surrounding districts, who regret to learn of his misfortune and wish him a speedy and ultimate recovery.

A "ten-cent social" was held, under the auspices of Patricia Rebekah Lodge, when sandwiches, cake and tea were served. A cake was raffled. Mrs. Muriel Graham, holding the lucky ticket. The total receipts were \$4.45.

The following members of Lewis Lodge, I.O.O.F., journeyed to Sherbrooke and attended a very interesting district meeting. Brothers Norman MacLeod, Roderick Morrison, Murdo E. Murray, Neil D. Maciver, Fred Mackenzie, Alex D. Nicholson, Kenneth D. MacLeod, Murdo J. Graham, John C. Morrison and Norman Campbell.

Miss Annie MacLeod, of Springfield, Mass., is spending her vacation with her mother, Mrs. J. K. MacInnis, of Milan.

Misses Jean and Margaret Gerard, of Drummondville, spent the holiday week-end as guests of Mr. and Mrs. George A. Macdonald and family.

Mr. and Mrs. Donald MacLeod and their little daughter, Audrey, of Farnham, recently visited their parents, Mr. and Mrs. K. D. MacLeod. Mr. MacLeod returned to his work on Labor Day, leaving his family for a longer visit.

Miss Lillian C. Graham has returned to Sherbrooke to complete his business course.

Mr. Milton MacAskill, of Detroit, Mich., is a guest of his sister, Mrs. J. E. Matheson.

Messrs. Angus A. Murray and Norman L. and his twin sons, Douglas and Howard Murray, of Wilfrid, and Mr. and Mrs. W. L. Peacock, of Newport, Vt.

Recent guests at the home of Mr. and Mrs. F. J. Marshall were: Mrs. F. Benker, of Boston, Mass., and Mr. and Mrs. W. L. Peacock, of Newport, Vt.

Mr. and Mrs. Earle Parker, of Bulwer, were week-end guests at the home of Mr. and Mrs. Philip Walton.

Friends of Mrs. Clifford Coates will be sorry to learn that she is confined to her bed with lumbago.

Miss Catherine Nicholson was home from Drummondville over a week-end. She was accompanied back on Monday by her sister, Miss Dolene Nicholson, and Mr. Malcolm Martin, of Gould.

Mr. John MacIver and Miss L. C. Graham, of Sherbrooke, Mrs. Allen and Miss Alene Morrison, of Scotland, called on the former's aunt, Mrs. Malcolm Ross, and uncle, Mr. J. A. Graham, on Labor Day.

Miss Isabelle MacArthur has gone to Sherbrooke, where she will attend school and reside with her aunt, Mrs. Donald M. MacAulay.

Mr. and Mrs. Murdo Campbell and two children, of Springfield, Mass., spent the holiday week-end as guests of Mr. Campbell's father, Mr. D. M. Campbell, and other relatives.

Miss Inez Nicholson, of Coaticook, spent a week-end with her parents, Mr. and Mrs. K. K. Nicholson.

Miss Lucy Poulin has gone to St. Marguerite, Gould, to resume her teaching duties there.

Mr. William Askew, of Springfield, Mass., spent a week-end here with his family.

Mr. John Mackenzie and son, Finlay Mackenzie, of Williamstown, Vt., were Labor Day guests of the former's sister-in-law, Mrs. Angus F. Mackenzie, and nephew, Frederick Mackenzie. They were accompanied here by the former's niece and nephew, Miss Hazel and Mr. Oliver Mackenzie, of Minneapolis, Minn., son and daughter of the late Donald Mackenzie, formerly of Victoria.

Mr. Raymond Van and two children, Jocelyn and Allan, of Quebec City, accompanied by his parents, Mr. and Mrs. Rupert Van, and his three sisters, Helen, Katherine and Jean Van, of MacLeod's Crossing, were guests of relatives at Springfield recently.

The residents of this community were shocked over the tragic fate of Mr. Thomas Jacques and family and the two Trahan brothers, and deeply sympathize with the grief-stricken relatives left to mourn their untimely deaths. The Trahan boys have resided in the vicinity of Milan for the past ten or twelve years, and Mr. Thomas Jacques, though a resident of St. Leon, was a well-known figure and highly respected by those who knew him in Milan since he was a young boy.

Both he and Mrs. Jacques were a hard-working couple and, after rearing their family, were bringing up two grandchildren. They started out to enjoy a well-earned and rare holiday which ended in such a fearful catastrophe.

Mr. and Mrs. William MacLeod and daughter, Janet, of Maine,

BOARD MEETING HEARD REPORT ON GIRLS' CAMP

Miss Margaret Nicholson, New Directress of Health Department, Welcomed—Efforts Will Have to Be Made to Increase Income.

A complete report of the Young Women's Christian Association's camp was submitted yesterday afternoon to the Board of Directors at their initial meeting after the summer recess. The statement was presented by Miss Margaret Nicholson, recently named directress of the Health Department, who outlined the factors which contributed to the success of the camp conducted by Miss Alberta Gough.

During the meeting snapshots, taken at the camp by Mr. E. Cotterell, were distributed, and hearty votes of appreciation were extended to all who assisted in the success of the undertaking, particular mention being made of those who had loaned cars to transport the girls to and from Little Lake, the St. John Ambulance Association and the Red Cross for the use of extra blankets.

Motions of thanks were also adopted and forwarded to Mr. Cotterell, a member of the T. H. C. society through which the public appeal for funds was made—and Mr. Marshall, the untiring collector, who also provided concerts each week for the entertainment of the campers.

The president of the Board of Directors, Mrs. J. F. S. McCaw, presided over the gathering and Mrs. A. E. Willis, in the inspirational address and prayer, again set forth the ideals of their calling before the members. Mrs. McCaw interpreted the Board's welcome to Miss Nicholson and expressed the hope that her stay in Sherbrooke would be a happy sojourn and success.

Mrs. David Wilson, in presenting the financial report, pointed out that another change in securities had been found necessary. This change involved a still further reduction of interest. Mrs. Wilson stated as she stressed that efforts would have to be made to increase the income. Since the last meeting subscriptions of from one to ten dollars have been received.

Rev. W. S. Lennon, the Misses Wells, M. Milford and M. J. Mitchell, Mrs. A. R. Wilson, Mrs. E. G. Pierce, Mrs. J. K. Edwards and Messrs. J. Nicol, E. B. Rugg, Hawley Griffith, J. Bayes, R. E. Richardson, A. C. Skinner, A. C. Stevens, R. Emerson, J. Norton and A. G. Campbell.

Mrs. S. A. Jones reported that First Aid classes would begin on September 30th and that Dr. A. Hill had consented to be the lecturer.

While Miss Edith Martens referred to the repairing and extensive redecorating done to the MacKinnon Memorial by the caretaker during the summer months.

Plans were discussed for Miss Ethel Law's visit next month. Miss Law is Training and Girls' Secretary from the National Council of the Y.W.C.A. It was decided that the next Board meeting would be one to which any interested person could come to hear Miss Law's address.

Arrangements were made for a rummage sale and tentative plans discussed for the observance of the week of prayer and world fellowship in November.

NEW LIGHT IS THROWN ON PROBE INTO GIRL'S DEATH

Three Men Reported to Have Signed Statements that Twenty-One Year Old Barrie, Ontario, Girl Fell Through Trap Hole in Riding Stable.

Barrie, Ont., Sept. 15.—Police investigation into the death of Charlotte Muriel Sweeney, twenty-one year old shoe factory employee, took on a new angle today with the statements to the effect that she had fallen through a trap hole in a riding stable.

Frank Simon, owner of the stable, and two employees, Wilfred Ferris, 32, of Ottawa, and George Brentnall, 41, of Toronto, said the girl accidentally tumbled nine and a half feet to the floor of the stable. Chief of Police Alex Stewart announced.

Previous reports were to the effect the girl had been found lying unconscious on the street about three blocks from the stable, had been picked up by a passing motorist and rushed to the office of Dr. E. G. Turnbull and thence to hospital. She died Thursday last, six days later.

Chief Stewart said the three men had signed statements to the effect that they had picked up the girl after she had fallen and taken her to the street. Ferris and Brentnall carried her to the spot where she was previously thought to have been found, while Simon went to get his automobile to take her to a doctor, the statements said.

Just then Harry Travers happened to pass in his automobile and picked her up, taking her to Dr. Turnbull's office. All three men stressed that the fall was purely accidental, the chief said.

Dr. Turnbull, who is also coroner, announced the inquest would be adjourned until September 25.

YOUNGEST BISHOP IN WORLD VISITING HIS QUEBEC HOME

Quebec, Sept. 15.—Youngest bishop in the world, Mgr. Joseph Marie LeBishop of Sendai, Japan, arrived in Quebec last night from Vancouver. Mgr. Lemieux, who is only thirty-three, was created Bishop of Sendai a few months ago. He is visiting his father, Joseph Lemieux, of Quebec, and will remain in this country until January, when he returns to Japan.

Were recent guests at the homes of Messrs. George A. Macdonald and Leslie MacLeod.

STRAY BULLET PENETRATED LOCAL MOTORIST'S CAR
While driving leisurely along the Stoke Road, about five miles from the city limits yesterday afternoon, Charles Gingras, who resides on Council street, suffered cuts to his face and hands when a stray bullet struck his automobile.

The bullet, which apparently came from a huntsman's gun in the nearby woods, went directly through the windshield near the spot where Mr. Gingras was sitting and out the rear door of the car.

Fortunately Mr. Gingras was alone at the time and he suffered only minor cuts from the flying glass from the broken windshield.

JEWISH PEOPLE TO CELEBRATE ROSH HASHANAH
Synagogue of the world over will be filled with worshippers tomorrow evening to herald the approach of the Jewish New Year or the feast of Rosh Hashanah.

In the olden days this festival marked the beginning of the agricultural and economic year in Palestine. With the destruction of the temple in Jerusalem and the dispersion of the people, new customs were developed in regard to worship. Instead of sacrifices offered on the altar, the holiday has come to mean a time of prayer, meditation and of penitence.

Rosh Hashanah is a day on which family ties are strengthened and friendships are renewed. Encompassing the idea of Divine justice and human responsibility, the day begins "The Ten Days of Penitence" which culminate in Yom Kippur or the Day of Atonement.

BUSINESS WOMEN ANTICIPATE MARGARET CURRIE'S VISIT
Members of the Business and Professional Women's Club assembled at the MacKinnon Memorial last evening to formulate plans and arrange a programme for the coming season. Mrs. A. S. Lothrop, the president, was in the chair and Miss Roberta Tobin presided.

An interesting account of two meetings of the Club held during the summer holidays, when the members were entertained by their president and by the Misses Bessie and Alice Milford at their respective summer homes.

Mrs. Lothrop in turn reported an unusually delightful dinner, which she attended in Montreal, given in honor of Miss Mary Mount, upon her return from France, where in Paris she had been in attendance at world conferences for women. After disposing of other business, the anticipated visit of Miss Margaret Currie in October was discussed and tentative plans for her reception were put under way.

At the close of the meeting the hostesses, Mrs. Eva McWilliams and Miss R. Tobin, served refreshments.

YOUTHFUL VIOLINIST SCORED SUCCESS
Sponsored by the Thursday Musical Club, Noni Brunet, a promising young violinist from Montreal, delighted a large and most enthusiastic audience in the City Auditorium on his first appearance in Sherbrooke. Much interest centers around this youthful musician, who is only nineteen years of age and has just been awarded the European prize by the Academy of Music in Quebec, entitling him to three years' study abroad.

The recital young Brunet played remarkably well, tone, technique and expression revealing that patient practice and devoted study have already brought reward, and if continued consistently during his winning him an honored place among Canadian musicians.

Brunet's success was largely augmented by Miss Jeanne Servetto, his efficient and brilliant accompanist, who also delighted everyone in her several piano solos.

An outstanding feature of last evening's recital was the wholehearted and spontaneous reception given to the young violinist by the audience, which for the most part consisted of young people.

Their happy recognition and appreciation of the artist's work creating an atmosphere of camaraderie which was very pleasing. The programme follows: Sonata, Allegro vivo, Fantasia leger, Tres anime, Claude Debussy; Poeme, Ernest

LUXURIOUS NEW TRAIN ON VIEW IN CITY TODAY

Mayor Rioux and Members of City Council Made Official Tour of Inspection of New Semi-Streamlined C.P.R. Train Stationed in C.P.R. Yards Today.

The new light-weight, semi-streamlined train of the Canadian Pacific Railway which is the latest word in railway transportation is today on view in the Canadian Pacific Railway yards adjoining the Belvidere street station.

Hundreds of citizens, young and old alike, were privileged to wander through the luxurious cars and to view at will the mighty engine during the day.

At about thirty o'clock Mayor Emile Rioux and members of the City Council were taken on a tour of inspection of the train.

Entering the cabin of the Jubilee locomotive, which is capable of attaining a speed of 110 miles per hour, the visitors were given a thorough explanation of the engine. The total weight of this engine is 268,000 pounds. The fact that the diameter of the driving wheels is eighty inches will give some idea of its magnitude.

Roominess and air-conditioned comfort are but two of the many features of this passenger coach of this famous train. These modern coaches have been fitted with an ice-activated, air-conditioning system so that the cars will be at all times well ventilated with clean, fresh air of pleasant temperature.

The plainness of the coaches adds to their impressiveness. Each coach has a five-seat women's lounge and a ten-seat men's lounge, with seating capacity in the body of the car for thirty-six people. The seats are of the individual, self-adjustable, reclining type and are spaced well apart, providing a maximum of comfort for the passenger.

The interest which this modern form of railway transportation is attracting was evident by the large number of spectators who examined the train this morning.

L. J. Foley, local C.P.R. agent, was on hand to welcome the Mayor and visitors this morning and accompanied them on the tour of inspection.

Mr. Foley was accompanied by the following C.P.R. officials: A. S. Teers, district master mechanic; N. Donegan, assistant superintendent; P. H. Johnson, divisional master mechanic; R. H. Riepert, district electrician, and D. A. McGregor, in charge of air conditioning.

AYER'S CLIFF W.C.T.U. HELD BUSY SESSION

Many Matters of Routine Nature Decided at Opening Meeting for Season of Ayer's Cliff W.C.T.U.—Institute Members Heard Reports.

Ayer's Cliff, Sept. 15.—The first meeting of the Women's Christian Temperance Union after the summer holidays was held at the home of Mrs. W. C. Dustin, Tyler street, Wednesday afternoon with a very good attendance. The president, Mrs. E. E. Temple, conducted the meeting which opened in the usual manner with the devotional period, minutes of the union in the town minutes of the last meeting and the roll call.

Some discussion arose regarding the town meeting to be held in Hatley this year, while a delegate was appointed to attend the provincial convention in Cowansville this fall. Mrs. E. E. Temple and Mrs. F. A. Johnston were appointed to complete the year's programme with leaders and hostesses.

A pleasant feature of the afternoon was the presentation to Miss Mildred G. Paul by Mrs. Temple of a county life membership pin. Mrs. McCadden, planning it on. Although quite taken by surprise, Miss Paul voiced her sincere appreciation.

Assisted by Mrs. W. H. Goodrow, Mrs. Dustin served delicious refreshments.

REPORTS SUBMITTED TO MEMBERS OF INSTITUTE.

The president, Mrs. Leavitt, presided over the meeting of the Women's Institute at her home on School street. Considerable business was transacted, Mrs. J. E. Gibson, convener of public health, reporting that two throat operations had been performed during the summer and presenting the surgeon's bill. Mrs. S. S. Worthen submitted a statement about the county meeting at Hatley.

Plans were made for the school fair work which the Institute sponsors every year as a means of increasing its funds. New committees were named and other necessary arrangements made. At the conclusion of the meeting a social chat was enjoyed, during which tea was served by the hostess.

General Notes.

The home of Mr. and Mrs. F. J. Brown was the scene of an enjoyable concert when the "Town Tooters" from Beebe gave another performance before a fairly large gathering. The event was under the auspices of the Ladies' Association and ice cream, cake, doughnuts and coffee were served.

Mr. Graham Barr has left for Stansfeld College where he will take a preparatory course in theology with hopes of becoming an Anglican minister. During his stay at the Cooper farm, Mr. Barr made a host of friends by his cordial manner and ever-readyness to help.

The Women's Institute met at the home of Mrs. Alice Allen on Thursday, September 3, with seven members and seven visitors present. The president was in the chair. The meeting was opened by all repeating the Club Women's Creed. Very interesting remembrances of school days were given in answer to roll call.

Several items of business were discussed but as so few members were present they were all laid over to be disposed of at the October meeting. A paper was read by the secretary from the Y.W.C.A. in Montreal. A letter of sympathy was sent Mrs. Tibbitts in her recent bereavement. The meeting adjourned, Mrs. Allen and Mrs. Lahue serving tea, being assisted in serving by Mrs. Bresee and Miss Allen. This brought a pleasant afternoon to a close.

MARRIAGES

CORRIVEAU-LAMOTHE

Bedford, Sept. 15.—A very pretty wedding was solemnized at St. Damien's Church Bedford on September 5 of Marguerite Mary, eldest daughter of Mr. and Mrs. Leonard Lamothe to Edmond, second son of Mr. and Mrs. Joseph Corriveau, both of Morgan's Corner. The nuptial Mass was sung by Rev. Father A. Couture, uncle of the groom. Miss Lumina Hebert presided at the organ and Mrs. Adelard Corriveau, aunt of the groom, was soloist, assisted by the young ladies' choir.

The bride, given in marriage by her father, Mr. Leonard Lamothe, wore a gown of white satin with the customary wedding veil and carried white lilies.

The bride was attended by Miss Fernande Barsalou as bridesmaid, who was gowned in old rose taffeta and carried pink roses, and little Miss Rita Corriveau as flower girl, who was dressed in pink organdy and carried sweet peas.

The best man was Mr. E. Campbell.

The wedding breakfast was served at the home of the bride's parents. Among those who attended were the grandfathers of the bride and groom, namely Mr. Alphonse Lamothe, Mr. Isidore Corriveau and Mr. Napoleon Couture, another grandparent, Mr. Thomas Gibson being unable to attend owing to illness, and the Rev. Father Breton, of Phillipsburg.

In the evening a reception was held in Victoria Hall at Bedford to about three hundred relatives and friends.

Among those from Stanbridge

Station who attended were Mr. and Mrs. Isidore Corriveau, Mr. and Mrs. Felix Moreau, Mr. and Mrs. Levi Lamothe, Mr. and Mrs. Pierre Galipeau, Miss Noella Galipeau and Mr. Louis Galipeau.

CHOQUETTE-GAUTHIER

A marriage of interest to many Sherbrooke people took place at St. Gerard Majella, l'Assomption County, when Miss Elaine Gauthier, of that place, formerly of Sherbrooke, became the bride of Roger Choquette, secretary to City Clerk Antonin Deslauriers, and son of Mr. and Mrs. Mastai J. Choquette, of this city. Rev. Father Gustave Gauthier, brother of the bride, officiated at the ceremony, which took place on Monday morning, September 7th.

The bride, who was given in marriage by her father, wore a gown of chiffon velvet with matching accessories, and carried a bouquet of pink roses. Mr. J. Choquette supported his son.

Following the ceremony, a reception was held at the home of Mr. Mandeville, sister of the bride.

A large number of beautiful gifts were received by the young couple, which testified to the esteem in which they are held.

Later Mr. and Mrs. Choquette left by motor for Quebec City, where they visited Rev. Sister Saint Damase de Lama, a sister of the bride, who is at Bellevue Convent. They also stopped at St. Anne de Beaupre and in the Laurentians. Traveling, the bride wore a navy blue suit with a large blue fox collar, felt hat and accessories to match.

Upon their return, Mr. and Mrs. Choquette will reside on Laurier avenue, Sherbrooke.

TAYLOR PACED CANADIANS IN U.S. GOLF PLAY

Toronto Shotmaker Was One of Few Able to Break Par as Canadian Contenders Gained Second Round in United States Amateur Golf Championship Tournament.

Garden City, N.Y., Sept. 15.—As the second and last detachment of big guns wheeled into action in the second round of the United States amateur golf championship tournament today, the topic on all tongues was the definitely dangerous threat of Scotland's Hector Thomson. The British amateur champion made such a deep impression as he carved out a machine-like seven and six victory over John Roberts, of Columbus, O., yesterday that they concede him a good chance of becoming the first par-pusher from the British Isles to win the American title since Harold Hilton's triumph twenty-six years ago.

Thomson and his fellow Scot, Jack McLean, who eliminated Robert Lowe, of Clarksburg, W.Va., by three and two, led a contingent of five invaders from across the pond into the second round today when the original field of 210 will be reduced to sixty-four. Five others, including one member of the invading Walker Cup squad, Harry Bentley, passed out of the picture. Bentley figured in two of the biggest form reversals. The former was the victim of one as he dropped the last four holes to Walter Blevins, of Kansas City, and the match by one up, while John Langley, London youth, was three down at the turn and won six of the next seven holes to overcome Eugene Pittman, of Bethesda, Md., by three and two.

The wind upset many calculations, but the little Canadian force came through intact. Joe Thompson, of Hamilton, Gordon Taylor, Jr., of Toronto, and Jack Cameron, of Ottawa, were playing for a Chicago club, shot down their initial opponents and moved up alongside "Sandy" Somerville, the London larruper who won the title in 1932.

In the opening skirmishes Taylor looked best of the Canucks. One of the few able to tame the out-nine, Taylor dropped Alvin Everett, of Atlanta, by six and four after sniping a stroke from par with an out thirty-six to put his opponent five down. The Canadian won the eleventh with a par four, dropped the thirteenth with a bogey six, but took the next with a par four to close out his triumph.

The distinction of two wins finished gamely to Gust P. M. Hohlfelder, of Cleveland, by two and one after making the turn two down. The Hamilton contender birdied the 41st yard tenth, won the twelfth with a par three and ended the argument on the 48th yard seventeenth with a par while Hohlfelder was scrambling for a seven.

Cameron was steadiness personified as he beat R. E. McCreary, of Indianapolis, by four and two.

Somerville, one of the six men most frequently mentioned as the gallery seeks to pick the coming champion, meets David L. Davis, of Texas, this morning, while Taylor faces Walter Emery, steel-eyed westerner who was runner-up last year to Lawrence Little, Emery looked to be off stride in winning his opening engagement by one up over Knox M. Young, Jr., of Pittsburgh, with an approximate medal card of eighty-five. Thompson's second-round foe is Harold LeBlond, of Chicago, while Cameron meets O'Hara Watts, of Dallas.

The chief scoring fireworks were contributed by diminutive Reynolds Smith, John J. Fischer, of Cincinnati, and Tommy Teller, the metropolitan star who belongs to the Garden City club, Smith, coasting to an easy four and three triumph over Gordon Kummer, of Milwaukee, fired the best nine holes of the day, a two-under-par thirty-five for the outgoing stretch, but he skidded five over regulation figures on the incoming and much more treacherous side of the course.

Fischer, another American Walker Cupster, shared with Teller the distinction of registering the duration of their matches. Fischer, out in thirty-six, was one under perfect figures for thirteen holes in disposing of Eddie Meister, of Cleveland, by six and five, while Teller duplicated Fischer's feat in trouncing Virgil Scott, of Houston, Texas, by seven and five.

Johnny Goodman, of Omaha, and Albert "Scotty" Campbell, of Seattle, the American favorites, all survived the opening test although the former gave his adherents some concern by trailing at various stages before hitting his winning stride to dispose of Hunter Hicks, of Chicago, by four and three. Campbell, who twice won the Canadian amateur diadem, was all square at the turn with an outgoing forty-two, five over par, because his opponent, Forrest Thompson, of Landover, refused to take advantage of his lapses. Thereafter Campbell settled down sufficiently to win by three and one. Campbell and Smith were scheduled for seemingly "soft touches" today, but Goodman was matched against the erstwhile Boston sledge gun and former title-holder, Jesse Guilford, who gained the second round with a one up conquest of Chris Brinke, of Detroit.

Most favorites emerged safely from their first tests, but the day's firing took a considerable toll in so-called upsets. Chief among the casualties was Freddie Haas, Jr., of New Orleans, newly crowned Canadian titlist, who lost a sensational duel with the Long Island amateur champion, Charlie Mayo, Jr., by one up. Another title-holding victim was Paul Leslie, of Jefferson City, Mo., western amateur champion, who lost

1932 TITLIST TOOK OPENING ROUND HONORS

Montreal's Margery Kirkham Captured Medalist Honors Yesterday as Canadian Women's Open Golf Championship Play Started.

Dixie, Que., Sept. 15.—Montreal's Margery Kirkham, with an accuracy reminiscent of a day four years ago, started out today in search of the Canadian women's Open golf championship after stamping herself as Canada's top choice against a strong group of invading United States players.

Back in 1932 this red-headed girl brought this same golfing title to Canadian soil after it had rested across the border for five years. She whirled around Royal Montreal's difficult course yesterday in a three-over-par eighty-two to snatch medalist honors from seventy-two other contenders, including the defending champion, Ada Mackenzie, of Toronto.

This performance was good enough to establish her at least an even money bet with Marion Milay, of Lexington, Ky., who need just one more stroke than the Montrealer.

Thirty-two survivors of the opening day's eighteen holes of medal play were drawn in match play today with Miss Kirkham in the top half against such golfing names as Miss Mackenzie, Mrs. T. Rudel, of New York, Mrs. Leo Dolan, of Ottawa, Marjorie Harrison, of New York, Marian McDougall, of Portland, Ore., and Mary Peck, of Montreal.

Miss Milay, expected on preliminary showing to be Miss Kirkham's opponent in the final, was bracketed with Mrs. E. H. Gooderham, of Toronto, third low in medal scoring with her eighty-four, there considered likely to travel the route to the last rounds were the two Montreal matrons, Mrs. A. B. Darling and Mrs. H. W. Soper, Dorothy McIlwraith of Hamilton, and Kave Mountfield, of Edmonton.

The luck of the draw pitted the medal winner against Dorothy Stanforth, of the Seignior Club, Quebec, in the opening match. Among the shotmakers who managed to break into the eighties, Mary Peck will follow closely behind, paired with Mrs. R. J. Holmes, of Toronto. Mrs. Dolan engages Marian McDougall and Mrs. Rudel tees off with Heather Leslie, of Winnipeg.

At the top of the second half Mrs. Gooderham will be tested by Betty Botterill, of St. Lawrence. Further down the list a group of Montrealers are lined against each other. Mrs. Darling plays Mollie Hankin and is followed by Mrs. Soper and Dorothy Nicoll. Western Canada must suffer the loss of one entrant as Kaye Mountfield and Barbara Northwood, of Winnipeg, play together.

Difficulty on the second nine kept Miss Kirkham and Miss Milay kept missing shots to perfect figures. The Montrealer went out in even par—thirty-nine—aided by a smashing eagle two on the 225-yard par-four eighth hole. The southern girl was just one stroke over this mark.

But coming home it was a different story as shots began to stray a little and forty-three were carded. Miss Milay went over on the short fourteenth where she had bunker trouble and ended with a seven. This practically ruined her hopes of par figures for the round. The Montreal girl, however, needed only 5-5 on the final two holes to equal par, but took a 6-7.

QUEBEC BODY BEGINS FIGHT AGAINST IMPORTATIONS

Montreal, Sept. 15.—The Quebec Amateur Hockey Association last night ordered a telegram dispatched to Bobby Hewitt, of Toronto, Canadian Amateur Hockey Association field star, declaring the Q.A.H.A. would stand by recent agreements with the British Ice Hockey Federation and the French Federation of Sport limiting foreign teams to importing only one player a year from any one Canadian team.

The Q.A.H.A. forwarded recommendation to the Amateur Athletic Union of Canada that Poland Reeves, former professional hockey player, be reinstated as amateur status. Reeves, one-time Montreal amateur, turned professional and played for the New York Rangers in 1934, later transferring to the Cleveland Indians of the International Hockey League.

Failure of the Ottawa and District Amateur Hockey Association to approve the application of the Ottawa Senators for permission to continue in the Montreal Senior Group brought an ultimatum from the Q.A.H.A. The Ottawa branch was notified at last night's meeting that unless a satisfactory answer is given the Q.A.H.A. regarding the Senators' application for membership within seven days, "immediate action will be taken."

The Ottawa branch was further informed that the only club from the capital that would receive consideration for membership would be the Senators. Just what action would be taken by the Q.A.H.A. should the Ottawa branch ignore the ultimatum was not indicated at the meeting.

A hot battle to the seasoned Bostonian, Joe Lynch, a semi-finalist in last year's national tournament, by two and one.

Only thirty-eight players out of 164 broke forty on the first nine, whereas par for the first nine was either equalled or broken by six shotmakers, Smith leading the small group with an outgoing thirty-five—two under.

WATERLOO WON DISTRICT NET CHAMPIONSHIP

St. Luke's Succeeded Mount Sutton as Champions of District of Bedford Tennis League by Defeating Cowansville by Five Matches to Two.

Waterloo, Sept. 15.—New champions have been determined for the district of Bedford Tennis League. The local St. Luke's Club annexed the 1936 title Sunday afternoon, clinching the first-place honors and succeeding Mount Sutton by scoring a five to two triumph over the Cowansville Golf Club. The series, three matches of which had been played nearly a month before and the remaining four fixtures postponed on account of weather conditions, was concluded here.

After downing the strong Granby Social Club two weeks ago by five matches to two, the local racquet wielders needed to win two of their remaining four engagements with Cowansville to finish ahead. Prior to Sunday's programme Mount Sutton occupied first place with twenty-seven points and Waterloo trailed with twenty-six. When the season's schedule was concluded the local contenders had twenty-nine points to their credit, Mount Sutton had been shoved down into the runner-up berth with twenty-six; Granby ranked third with twenty and Cowansville brought up the rear with eight points.

The weather was ideal for Sunday's activities and fine exhibitions of tennis were witnessed by the fair-sized crowd which turned out to attend the final programme of the season.

The feature contest of the afternoon was the third singles in which Waterloo's Allen was called upon to reveal his entire repertoire of strokes before downing M. Larocque after three keenly-fought sets. P. Jolin and C. Grenier, substituting for Hubert and Larocque, who have returned to college, turned in a good performance in taking the measure of Cowansville No. 1 player, Brown, and Grant Lauer in three sets.

C. Larocque was responsible for Cowansville's lone victory Sunday afternoon when he defeated J. Jolin. St. Luke's, 6-1, 3-6, 7-5. Doubles—Domique and J. Larocque, Cowansville, defeated L. Choquette and L. Allen, St. Luke's, 6-1, 3-6; F. Cann and J. Dean, St. Luke's, defeated M. Larocque and C. Larocque, Cowansville, 6-4, 7-5; P. Jolin and G. Grenier, St. Luke's, defeated J. Brown and G. Lauer, Cowansville, 4-6, 6-4, 8-6.

The detailed results of the Waterloo-Cowansville series follow: Singles—L. Choquette, St. Luke's, defeated J. Brown, Cowansville, 8-6, 6-0; R. Hubert, St. Luke's, defeated J. Isaac, Cowansville, 6-2, 6-4; L. Allen, St. Luke's, defeated M. La-

SPORTING NOTES

REINSTATEMENT OF JESSE OWENS RECOMMENDED
Cleveland, Sept. 15.—The Ohio District Board of the Amateur Athletic Union interviewed Jesse Owens, sprint star, yesterday and recommended his reinstatement by the National A.A.U.

Owens has been under suspension since his decision to pass up a trip to Sweden with other United States athletes following the Olympic Games at Berlin.

Asked after the meeting what he told the Board members, Owens replied: "What could I say? I'm no professional. I haven't received any pay. All they had was my statement in the past that I might turn professional. I hope to be reinstated so I can return to Ohio State and complete my studies."

ROSS AND HITCHMAN WILL HANDLE BOSTON BRUINS
Boston, Sept. 15.—The Boston Bruins will be piloted in the approaching National Hockey League campaign by the familiar and expert hand of Art Ross.

Announcement that he would quit the office of general manager to resume the duties he performed from 1924 through 1934 was made last night, confirming reports that Frank Patrick was through as manager of the Hubs team.

Lionel Hitchman, who managed the disbanded Boston club of the Canadian-American League, will be assistant manager.

President Charles Adams also disclosed that the Bruins had secured crafty Nels Stewart and Joe Jervana from the New York Americans. Last week the club secured "Bur" Cook from the New York Rangers and LeRoy Goldsworthy and Sam McManus in a trade with the Montreal Canadiens.

Ross said twenty-three players had been ordered to report at Boston on October 15 for training. After a work siege in the Boston Arena, the manager hopes to take his team to the Canadian Maritimes for an exhibition series with the Montreal Maroons, then wind up training in Montreal. Ross said he expected the Bruins to open the season in that city on November 7.

The above scene marks the triumphant climax of a two-year comeback for Alice Marble, of San Francisco, who stunned 14,000 fans by defeating Helen Hull Jacobs in the final round of the U.S. Women's Tennis Championship at Forest Hills, L.I. The victory transferred to Miss Marble's brow the crown worn for four straight years by her opponent. The dethroned queen stands with head dejectedly bowed as Merrill Hall, president of the United States Lawn Tennis Association, presents the cup to the new titlist.

At left is shown Fred Perry, the British ace who became the first invader to win the American men's singles title three times when he downed Don Budge, of California, in a brilliant five-set duel. The champion is shown with his trophy and Budge with red head bowed.

SURVEYOR AND CHAREST GAIN DOUBLES FINAL

Straight Set Victory Over Gregoire Brothers Placed Surveyor and Charest in East Sherbrooke Championship Final—Defending Champions Also Victorious.

Fabre Surveyor is today within a step of capturing his second East Sherbrooke tennis championship. Victorious over Hector Prefontaine in the men's singles final on Sunday, Surveyor and his partner, Majella Charest, reached the men's doubles title round last night when they whipped the Gregoire brothers, Connie and Marcel, in straight sets in a semi-final encounter. The Surveyor-Charest combination will now encounter the survivors of tonight's fixture between last year's champions, Paul Biron and Lucien Goyette, and their challengers, Leo Gagne and Lorenzo Thibault.

The fans who journeyed to the Boisvert court on Murray street last evening watched two exciting matches as they kept themselves warm. They were rewarded and kept their blood circulating by applauding vigorous and frequently during the two men's doubles events. The players were unable to shed their sweaters because of the fall-like weather and took considerable time in warming up their tasks.

Surveyor and Charest, particularly the former, proved too strong with their stinging drives for the Gregoires. The older brother, Connie, was off color and the victorious pair concentrated their attack on him. Even a net attack was of no avail for the losers, who were checkmated at every turn by a series of lobs to the back court and drives down the corridors.

The winners rushed through the initial set without the loss of a game and had established a four-one lead in the second tie before their opponents rallied strongly to square matters only to lose the next two games and trail by two sets. The Gregoires went out ahead in the third set and established a five-three lead before Surveyor and Charest against struck their stride to cap their performances by winning the match in the fourteenth game.

Biron and Goyette were obliged to come from behind to place Prefontaine and Ivan Boisvert on the sidelines. The latter partnership came from behind a five-three deficit to win the first set after sixteen games, while the defending champions evened matters by annexing the second tie which also went to extra games. With Goyette flashing a fine brand of net play and Biron backing him up with back court shots aimed to capture the deciding set, Biron and Goyette were favored to eliminate Gagne and Thibault this evening and advance to the final bracket where a stern battle will be in store before the 1936 winners are determined.

The detailed scores of last night's games follow: Men's doubles: Fabre Surveyor and Majella Charest defeated Connie Gregoire and Marcel Gregoire, 6-0, 6-4, 8-6; Paul Biron and Lucien Goyette defeated Hector Prefontaine and Ivan Boisvert, 7-9, 7-5, 6-4.

The games scheduled for tonight are: 7 o'clock, Misses Ida Goyette and Pauline Turner to Page 2.

HUBBELL AGAIN HELPED GIANTS INCREASE LEAD

New York Mound Ace Played Brilliant Relief Role in Terrymen's Victory Over Cardinals Yesterday—Brooklyn's Victory Lessened Chicago's Title Hopes.

Out of three teams staggering along in an exciting, if not especially brilliant, rivalry for the National League pennant, it begins to look as if the one that managed to stay the closest to a direct course would win the championship. Right now that means the New York Giants. They took the lead at the end of a fifteen-game winning streak late last month and since then they have barely managed to outdo the St. Louis Cardinals and the Chicago Cubs, mostly because of Carl Hubbell's pitching.

Since the last victory of that string on August 28, Bill Terry's men have played over 500 ball for twenty games. The Cards have lost ten out of nineteen, while the Cubs have recorded only seven victories in twenty starts and are now trying to protect a three-game margin over the surging Pittsburgh Pirates.

Another remarkable similarity is seen in the "one-man" mound staffs of the Giants and the Cards. Of New York's ten victories, Carl Hubbell has accounted for five, pitching four of the seven complete games, turned in by a brilliant victory in a relief role as the Giants whipped St. Louis by seven to five in their final encounter yesterday. "Dizzy" Dean has been working just as hard, though not quite as effectively, for Manager Frankie Frisch. He also has hurled four complete games, winning two, and has been on the mound the last three days in succession.

Hubbell's elbowing yesterday enabled the Giants to stretch their margin to four and a half games. A six-run outburst in the third inning, during which they shelled Bill Walker and Jim Winford off the mound, paved the way for the Giant victory. But "Gabbo" Gabler and Dick Coffman had trouble protecting the lead and King Carl was called in. He gave only one run, a homer by Ed Heusser, and six hits in the last five frames to gain credit for his fourteenth consecutive victory and his twenty-fourth triumph of the season. Hubbell was credited with the victory by the official scorer because he was the most effective of the three New York hurlers.

Frisch called on five pitchers, including "Old Diz," in the back-to-the-wall stand against the leaders. Walker, Winford, McGee and Heusser were wild and ineffective, but Dean, despite the fact that he has been called to the mound four times in three days, pitched hitless ball for the last two and one-third innings. The proceedings were enlivened by a fist fight on the St. Louis bench in the seventh stanza when Heusser and Medwick exchanged blows before team-mates could drag them apart. Heusser had chided Medwick for a poor throw to the plate.

Meantime, the Cubs dropped further into the ruck as Van Mungo, hurling five-hit ball, and "Babe" Phelps, driving in both runs, landed Brooklyn a two to one decision. Chicago got one run off Mungo in the first inning and apparently were headed for victory behind the shut-out hurling of little Roy Henshaw who, although yielding eight safeties, kept the Dodgers away from the plate. In the eighth round, however, Henshaw weakened and filled the bases with none out. Lon Warneke was summoned but could not stem the attack until Phelps had driven the tying run in while being thrown out. In the ninth inning, Warneke loaded the bases and Phelps singled home the winning tally off Larry French, who replaced the right-handed ace.

Pittsburgh climbed closer to third position with a double victory over the Phillies by scores of eleven to four and six to five. Paul Waner set the clotting pace for the Pirates with five hits in the two games, passing the 200-hit mark for the seventh season to equal the National League record made by Rogers Hornsby. Ty Cobb holds the American League record with two hundred safeties in nine seasons.

Chicago's White Sox improved their position in the American League by trimming the Washington Senators twice to the tune of five to four and eleven to three, while Detroit moved into a tie with Washington by nosing out the Boston Red Sox by one to nothing.

The Chisox won the opener in the tenth inning when Jackie Hayes doubled and Clint Brown singled to drive in the winning marker against Pete Appleton, who went the route for the Nats and yielded ten hits. Vernon Kennedy won his twenty-first game of the season in the nightcap when he allowed the Senators only five safeties.

The Red Sox were unable to score against the Tigers although they collected eight hits off Tommy Bridges and received five bases on balls while Jack Wilson was limiting the Bengals to five safeties. The lone Detroit run, which gave Bridges his twenty-first triumph of the campaign, was scored in the fourth frame when Al Simmons singled and was brought home by a double by "Salty" Parker, substitute shortstop.

The remaining major league game saw Paul Derringer, of the Cincinnati Reds, whitewash the Boston Bees with five hits to win by six to nothing. Only two Boston players managed to reach second base as Derringer recorded his nineteenth win to date, Jim Chanlin, who went the distance for the Bees, stayed on even terms with Derringer until the sixth chapter when Ernie Lombardi started the Reds on their way by poling his eleventh home just after

Kiki Cuyler and Les Scarsella had singled.

RAIN HALTED BALTIMORE-ROCHESTER SERIES
Given a welcome respite by a rainy day, the second-place Rochester Red Wings and the fourth-place Baltimore Orioles resume their International League play-off series tonight.

Leading by three games to two, the hard-hitting Orioles hope to end the series without further delay and go on into the final play-off against the champion Buffalo Bisons, who eliminated Newark by a four to one margin. The sixth game was rained out at Rochester yesterday.

The Orioles plan to send Hy Vandenburg, who won the first game here, back at the Wings tonight, while Manager Ray Schalk, of Rochester, has nominated another right-hander, Norbert "Nubs" Kleinke.

Vandenburg hurled eight-hit ball in the opener but was battered from the hill at Baltimore on Saturday when the Red Wings chalked up an even to five victory to square the series. Kleinke has not started previously in the play-offs but was credited with Rochester's first victory in a relief role. He replaced Tony Kaufmann, who had given five runs in three innings, and, though rapped freely, was so effective in the clutches that the Orioles scored only one more run.

The delay also may benefit the Bisons as they seek to add the Governors' Cup, play-off trophy, to their championship and go on into the Little World Series against the American Association's play-off winner. With at least two days of rest since they polished off Newark, Buffalo should have its brilliant pitching staff all primed for the task of subduing either Baltimore or Rochester, both of which specialize in clotting more than mound work.

GIANTS ARE WITHIN FOUR VICTORIES OF PENNANT
New York, Sept. 15.—As the result of their victory over the St. Louis Cardinals yesterday, the New York Giants were in a position today where they need only to win nine of their remaining thirteen contests to clinch the National Baseball League pennant even though the second-place Cards take all of their twelve games.

The Giants must capture only seven to win the flag from the Chicago Cubs, even if the National League champions take all of their eleven games, including a clean sweep of the six-game series with the Cardinals.

The standings, with games won and lost, percentage, games behind and games to play, follow:
W. L. P.C. G.B.L. T.P.
Giants 85 56 .603 13
Cardinals 81 61 .570 4 1/2
Cubs 80 63 .559 6 11

FOUR MEMBERS OF "BIG SIX" INCREASED AVERAGES
Paced by Paul Waner, of the Pittsburgh Pirates, every member of baseball's "Big Six" who got into action yesterday came through with gains. Waner, passing the two-hundred-hit mark for the seventh year, connected with five hits in ten times at bat to boost his batting average four points to .377. Luke Appling, of the Chicago White Sox, also got five out of nine to gain three points and send his average soaring to .384.

LORD WAKEFIELD GUARDS MILTON COTTAGE GROUNDS

Alderman for the Ward of Bread Street, City of London, Moves to Associate District where Writer Was Born to Cottage Where He Wrote His Greatest Works.

London, Sept. 15.—Through the generosity of Lord Wakefield of Hythe, the amenities of John Milton's cottage at Chalfont St. Giles, Bucks, will be preserved.

The trustees of the poet's cottage recently issued an appeal for £1,200 (approximately \$6,000) to enable them to purchase an adjoining piece of land, threatened by builders. They now announce Lord Wakefield has expressed his desire to purchase this land and present it to the trustees as a means of associating the Ward of Bread Street, City of London, of which he is the alderman, with Milton's cottage.

In his letter Lord Wakefield says: "I make this suggestion as alderman of the Ward of Bread Street, in which John Milton was born. I should like to associate the Ward of Bread Street, which gave him birth, with the historic cottage at Chalfont St. Giles, where some of his finest work was composed."

It is proposed to place upon the site some permanent indication of Lord Wakefield's gift.
