WESTMOUNT, THURSDAY, JANUARY 28, 1943

PRICE—TWO CENTS

Gift of \$574,098 From City Helping 3 Bankrupt Towns

Total Contributed by Island Municipalities to Weak Sisters Comes to \$9,370,540

Westmount has contributed \$574,098.53 towards the maintenance of the Island of Montreal's three bankrupt municipalities, Pointe aux Trembles, Montreal North, and Ville St. Michel, during the past 22 years, according to a report submitted by E. Brisebois, secretary-treasurer of the Metropolitan Commission at a meeting of the board this week.

This city has contributed the second highest amount to this more or less worthy cause, Montreal being first with \$7,601,856. In all Montreal and suburban municipalities under the jurisdiction of the commission have contributed \$9,370,540 to the three bankrupts.

Other than Westmount and Montreal are: Outremont, \$345,914.93; Verdun, \$314,314.58; Lachine, \$159,583.94; Montreal East, \$102,910.68; Montreal West, \$59,708.55; Mount Royal, \$67,838.36; Ville La Salle, \$47,728.32; Ville St. Pierre, \$33,325.59; Hampstead, \$26,350.60 and Ville St. Laurent, \$36,880.15.

Amounts Received

Out of the amount paid by Montreal and other cities, Pointe aux Trembles received \$3,839,559.07; Montreal North, \$2,013,648.90; and Ville St. Michel, \$5,526,332.05. On the other hand, the report adds, these three municipalities have lived within their budget during the last fiscal year. With budgeted expenses of \$58,503, Pointe aux Trembles spent only \$55,230.42, leaving a surplus of about \$3,200. Montreal North had a budget of \$93,511, but disbursed only \$88,018, leaving a favorable balance of about \$4,500. Ville St. Michel completed the last fiscal year with a surplus of about \$500, its budget being \$47,586 and its actual expenditures \$47,085.

Mr. Brisebois said that administrative costs of the commission since its establishment in 1921 totalled \$390,494.26. Expenditures varied from \$10,000 to \$15,000 during the first seven years. Administrative costs then jumped to \$22,170 in 1929. In 1933, the figure was reduced to \$7,665, the lowest in the history of the commission. In successive years, disbursements were as follows: 1934, \$10,139; 1935, \$17,099; 1936, \$22,201; 1937, \$36,311; in 1938 \$62,012, when the late W. Biggar created the town planning department. Last year they were \$11,788.

Triple Measure Of Life Theme At Baptist Church

Dr. J. A. Johnston to Give Message for Common Citizen at Evening Service

At the morning service at Westmount Baptist Church, Dr. Johnston will have as his theme: "The Secret Place of the Most High—Under the Shadow of the Almighty." This message will seek to show the richness and the satisfactory nature of real Christian experience. At the evening service, the address will have as its theme: "The Rhythm of Life's Triple Measure—Fact! Faith! Feeling!" This message is conceived as being of the greatest possible help to ordinary folk. It will tell how we may acquire a song in our hearts and a lit in our souls.

The Young People's Assembly meets Monday evening at 8 o'clock. They are organized as an Airforce Squadron and the programmes are of a very high quality. Young men and women in the city are cordially invited to attend.

On Wednesday evening the congregation has its mid-week fellowship assembly. This is conducted by the minister and officers and is a source of inspiration and helpfulness to all who participate. Visitors are most cordially welcome to all services of the church and congregation.

Endeavour Unions From Westmount Will Attend Rally

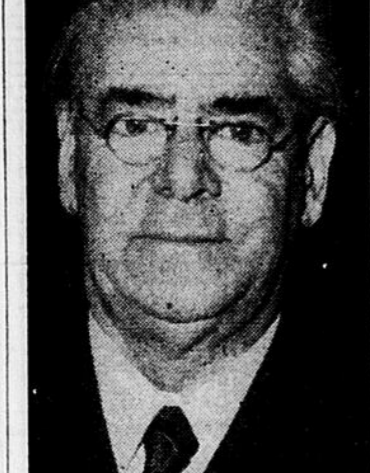

Week-end to See Celebration of 62nd Anniversary of Organization

Along with Christian Endeavour Unions throughout the North American continent and Great Britain, the Montreal Christian Endeavour Union will celebrate the sixty-second anniversary of the founding of Christian Endeavour with a two day rally on Sunday and Monday, Christian Endeavour groups from Westmount will attend.

Rev. Dr. F. W. Norwood, internationally famous Australian-born preacher and former pastor of City Temple Church, London, England, will be the principal speaker at the two day gathering of endeavours from churches of all Protestant denominations in this city. Dr. Norwood opened his ministry in Montreal at St. James United Church only two Sundays ago. Other speakers on the programme include, Rev. Dr. W. Stanford Reid, pastor of Fairmount Taylor Church, Rev. G. D. G. Kilpatrick, D.D., principal, United Theological College, Montreal, Rev. H. S. Rodney, pastor Ephraim Scott Presbyterian Church and W. Kenneth Hall, president of the Union.

Programme of Events

The complete program of events is as follows: Sunday, 9:00 a.m. "The Quiet Hour" in the Chapel, Erskine and American Church, speaker: Rev. Dr. W. Stanford Reid; 7:30 p.m., union church service, Fairmount-St. Giles church, preacher, Rev. G. D. G. Kilpatrick, D.D. On Monday at 6:15 p.m. the Endeavour banquet will take place followed by the final rally at 8 p.m. in Fairmount-St. Giles church at which Dr. Norwood will give the address. Christian Endeavour was founded on February 2nd, 1881, in Portland, Maine, by a young minister of Canadian birth, Rev. Francis E. Clark, who realized the need of an organization through which young people could give expression to their Christian experience and find an avenue of service. It has grown steadily until today it has a world-wide membership of approximately four and one half million people. Its purpose, as expressed in its motto, is to serve "Christ and the Church" and to seek to bring young people to lives of consecration, training, service and fellowship.

P/O Woods Is Graduate Of Westmount High

An Examiner reader commenting on press stories of the award of an Air Force Cross to Pilot Officer George W. Woods, son of Mr. and Mrs. N. P. Woods of 4151 Hingston avenue, points out that no mention has been made so far of the fact that P/O Woods is a graduate of Westmount High School where he played in intermediate and senior hockey and rugby. P/O Woods was included in the King's New Year Honor list.

Calvary Church Reports Progress During Past Year

Increases in All Departments Shown at 65th Anniversary Services

The 65th anniversary of the founding of Calvary Church was observed at the special services held in the Church on Sunday last with the Minister, Capt. the Rev. T. W. Jones, M.A., D.D., preaching both morning and evening.

The Sunday School, which preceded the formation of the Church, celebrated its 84th anniversary, while the Young People's Society celebrated its 60th Anniversary on Monday, January 25th.

The annual business meeting of the congregation was held last night. Following a devotional service conducted by the Pastor, the secretarial report of the year's work was presented by A. S. Keiller, secretary of the church. The statistical section showed a net gain during the year of 28 members, the membership now standing at 713 resident and 41 non-resident members. Among those lost by death were T. B. Macaulay, Miss Maud Lebourveau and Mrs. N. S. Dunlop.

The report revealed that 137 members of the church and congregation have enlisted in the active services of the country, of whom six have already given their lives in this great crusade.

Reports from all departments of the life and work of the congregation were presented. These revealed much activity, earnest labour, and sincere devotion to the cause of Jesus Christ and humanity through this branch of His church. While Sunday School and Young People's work is being maintained under increasing difficulties, the spirit of optimism was sounded in the reports of the school and the Y.P. Union. Women's work was reported in the W.M.S. story; in the work of the Women's Association, and in the report of the Red Cross Units.

The church treasurer's report presented by T. Haugland, showed \$10,428 raised for the local work of the congregation, while the Missionary and Benevolent Funds report of A. Modler showed a total of \$2,194 raised for these purposes.

The trustees and canvass committee reported through the secretary of the Trustee Board, which Dr. Norwood will give the address. Christian Endeavour was founded on February 2nd, 1881, in Portland, Maine, by a young minister of Canadian birth, Rev. Francis E. Clark, who realized the need of an organization through which young people could give expression to their Christian experience and find an avenue of service. It has grown steadily until today it has a world-wide membership of approximately four and one half million people. Its purpose, as expressed in its motto, is to serve "Christ and the Church" and to seek to bring young people to lives of consecration, training, service and fellowship.

It was reported that constant communication is being maintained between the men and women of the congregation on active service and the groups to which they belonged, as well as by the Women's Association sending parcels to those overseas.

Officers for the year 1943 include: Chairman of the Church Board, Mr. F. N. Stephen; Secretary, A. S. Keiller; treasurer, T. Haugland; Missionary and Benevolent Fund Treasurer, A. Modler; President of W.A., Mrs. J. Heron; President of W.M.S., Mrs. A. N. Curtis, superintendent of Y.P.U., Miss Margaret Robertson; President of Red Cross, Mrs. A. W. Brown.

Musical items were rendered during the evening by Miss Evelyn Beban and Mr. George Patterson, accompanied by the organist, H. E. Colcomb. Following the business session a reception was held in the Ladies' Parlours and refreshments served by the Women's Association.

ASSOCIATION TO MEET

A meeting of the Roslyn Home and School Association will be held next Monday at 8:15 in Roslyn School. The speaker will be J. W. Perks and the subject of his address, "How and Why Our Schools are Changing."

Churchill Piloted To Africa By Airman From Westmount

Captain W. J. Vanderkloot, With Fellow-countryman From U.S. Captain Jack Ruggles, Also in Charge of Plane Which Took Premier to Moscow for Stalin Conference

Captain W. J. Vanderkloot whose wife is living on Arlington avenue, had again the honor of piloting Premier Churchill to a conference of world importance, this time to the meeting with President Roosevelt at Casablanca, French Africa, which was revealed to the Allied and Axis camps this week.

In the plane which carried the British premier was Captain Jack Ruggles, as co-pilot. His wife lives on Cote St. Luc road.

These two young officers, both Americans, were in charge of the big Liberator plane which carried Mr. Churchill to Moscow for his first personal meeting with Joseph Stalin. They also took him to Cairo for a series of army inspections which finally resulted in the shake-up of the Middle East command and led to the appointment of General Sir Harold Alexander and General Sir Bernard Montgomery to the posts of leadership and to the ending, not only of the Axis threat to Alexandria and the Nile, but to the complete and final eclipse of the African Empire of the ex-bawdy house bouncer and common thief, Benito Mussolini.

The two officers, both attached to the Royal Air Force Ferry Command, were out of communication with their homes for several weeks prior to the announcement of the Moscow conference and the visits to Cairo and the African battle front. They have been similarly incommunicative during recent weeks—a circumstance which prompted their wives to the guess that something big was again afoot.

Appeal Renewed For War Salvage

Committee Hard at Work on Important New Drive

The City of Westmount War Salvage are again in a position to collect newspapers, wrapping paper and large corrugated boxes. It is necessary to the newspapers in bundles or pack them tightly in cartons before putting them alongside the garbage cans on your collection day with any other salvage you might have. If a householder has a large accumulation of Salvage please call FI 5831 War Salvage and arrangements will be made to have it collected.

Attention of the citizens is drawn to the fact that although bottles are not being collected in certain other districts the Salvage Committee are still authorized to collect bottles for the war effort.

1943 Officers Elected At Onway Club Meeting

The Onway Club of Stanley Presbyterian Church held its annual meeting at the home of Mrs. F. S. Morley recently. The treasurer reported that an increase of \$150 had been made in the club funds over the previous year.

The officers elected for 1943 are as follows: Hon. president, Mrs. T. A. Windsor; president, Mrs. F. S. Morley; vice-president, Mrs. L. C. Currie; treasurer, Mrs. Robert Alexander; secretary, Mrs. T. A. Windsor; supply convener, Mrs. G. MacKellar; attendance convener, Mrs. H. Dunn.

DR. H. S. ROSS TO SPEAK

Our columnist, Dr. Howard S. Ross, K.C., will spend the week-end in Burlington, Vermont, where he will address a few meetings, including one at the University of Vermont, where he will speak on "Some Post-Victory Plans."

Lieutenant E. J. Neill Awarded Commission

Lieutenant E. J. Neill was one of the first Canadian soldiers to be sent back from Britain to qualify for officer's rank in Canada. He was recently awarded his commission and has rejoined his old unit, the 1st Battalion, The Black Watch (R.B.R.) of Canada. He is the son of Petty Officer Jack Neill, R.C.N.V.R., and Mrs. Neill, of 4327 Western avenue, and has three years active service to his credit of which two were spent outside Canada. A graduate of Westmount High School, he was an active member of the Scout movement.

Noseworthy Talks At Social Evening Of C.C.F. Branches

Local Club Joins in Conduct of Successful Party Held in Victoria Hall

A social evening presented by the N.D.G., Westmount and Verdun units and other clubs of the C.C.F. was held in Victoria Hall, on Saturday. Well over 300 members and friends of the C.C.F. attended. Comments indicated the party was a huge success and that everyone thoroughly enjoyed themselves. Games, entertainment and dancing filled out the program.

Although mostly attended by C.C.F. members, a surprisingly large number of friends and strangers were present. In order to get everyone acquainted, a game was played in which pictures of notables were pinned on everyone's backs and each one had to find whose picture he or she had on their back by asking such questions as "Am I dead or alive?" or "Am I a man or woman?" One can well imagine some of the answers they received. Norman Dax, of the Verdun C.C.F. Club, acted as master of ceremonies.

The Workman's Circle Choir, a Jewish fraternal society, whose thousands of members support C.C.F. activities, sang three selections. Miss Doris Silverman was the accompanist and the choir was under the able direction of A. Krashinsky, Miss Toffelman, a member of the choir, gave a beautiful rendition of the "Blue Danube" and the "Indian Love Call" as well as other numbers, which were well received by the audience.

"Information, Please" was another interesting and sometimes amusing item on the program. Dr. J. Cyril Flanagan acted as questioner, while Prof. F. R. Scott, national chairman of the C.C.F., Mr. Rubenstein, R. J. Lamoureux, district representative of the United Steelworkers, Miss Alice Calder, and Norman Hillier, president of the Co-Operative Commonwealth Youth Movement, acted as the experts.

John Parker, president of the Verdun C.C.F. Club gave his interpretation of that famous recitation "The Ramshodders" which brought many a hearty laugh from all quarters of the hall.

Dr. Walsh Presides

Dr. W. E. Walsh, president of the Westmount C.C.F. Club, thanked the artists and introduced the guest of honor of the evening, J. W. Noseworthy, Mr. Noseworthy is the C.C.F. Member of Parliament for South York, who has become a national figure in Canada since he defeated ex-Senator Rt. Hon. Arthur Meighen, one-time leader of the Conservative party. Mr. Noseworthy, who is making a speaking tour of Sherbrooke, Mazow and Stanstead, spoke briefly about the growth of the C.C.F. in Ontario and said that in one year the membership in Ontario had increased five-fold and that a C.C.F. government in Ontario was no longer wishful thinking but a political possibility.

The newly elected councillor in N.D.G., Dr. D. P. Mowry, also said a few words. Dr. Mowry is a great believer in child welfare and believes that strong healthy children make a strong healthy nation. He said he would like to see compulsory education plus a good well-balanced meal for every school child. Progress can never be achieved with ignorance and malnutrition.

Dancing and refreshments wound up the evening. The committee responsible for the success of the party were: A. Langis, Hogg of Verdun, J. Bradner of Rosemount, S. Lochhead, N.D.G. Miss E. Gahan, Westmount; Miss S. Kinsella, Westmount; Miss M. Lafontaine, J. Douglas, E. Lafontaine.

Inflation Curbs Discussed in Talk Before Rotarians

Gordon Brownlee Finds No Reason for Alarm in Canadian Increase of Note Issue

Westmount Rotary Club heard its secretary talk on a financial subject yesterday when Gordon Brownlee discussed the increase in note issue in Canada during the war.

Mr. Brownlee pointed out that the phenomenon was common to all countries during a protracted war, citing the present cases of the United States, Great Britain and Canada. The increasing amount of notes in circulation in these countries, was not inflation, he observed. Many complaints were heard in this country about the various war bureaus. But many of these were serving to check inflation and keep our currency on an even keel.

The function of a central bank, he said, is to preserve a smooth flow of credit and currency. The agency for this control was created by law as in the United States with the Federal Reserve Bank or by custom as in Britain where the Bank of England acted as regulator.

Currency was well regulated in Canada, said Mr. Brownlee. Note circulation as from January 1 of this year was limited to 45 per cent of the chartered banks paid-up capital at the time of the creation of the Bank of Canada in 1936. Heavy penalties were provided for breach of this regulation and the banks, under that threat, kept well within the limit.

Creation of the Bank of Canada was a very long and wise step, said the speaker. Its centralized reserves were a bulwark to our currency and its control helped to guard us against the kind of financing which resorted to the printing press and made prices sky-rocket and money meaningless.

The speaker was introduced by Cecil T. Medlar, A. W. Callard introduced a visiting Rotarian. Three members of the British mercantile marine were presented and received a hearty round of applause. Two pupils from Westmount High School were presented by P. G. Delgado, P. C. Whitaker, president of the club occupied the chair.

Former President Is Chief Speaker At Banquet Friday

Wm. S. Belson to Address Father and Son Function of Boys' Brigade Company

The 1st Montreal-Westmount Company will hold their 8th annual Father and Son Banquet tomorrow Friday evening in Melville Church Hall, commencing at 6:30, when the speaker of the evening will be Wm. S. Belson, battalion president in 1935-7. His topic will be, "Building Better Boyhood." Toasts will be proposed by the following N.C.O.'s: The King, Sgt. Edwin Goring; The Church, Corporal James Wright; The Boys' Brigade, L/C. Robert Eastwood; Boys on Active Service, L/C. George MacFarlane. Special guests for the evening include Messrs. Duncan McLellan, D. A. Grant, John Rae, C. Victor Curtis, Gibson Smith, battalion president; C. Prindiville, Harold W. Dyer, T. W. Ritchie, and Rev. Dr. T. A. Wilson.

Immediately following the banquet, a program has been arranged, to which the public are cordially invited to attend. This will take the form of a display, based upon the regular work carried on each week in the Brigade. A drill down competition, under the direction of Sgt. Paul Newsom (R.A.F.), will start the evening program, followed by a squad drill display by the 1st and

Wardens' Report Reveals Liabilities Met in Full

The wardens' report of the annual vestry meeting of St. Stephen's Church, held on Monday evening, showed receipts for the year amounting to \$10,622.31 and a surplus over expenditure of \$644.47. All liabilities for the current year were met in full, including a reduction in mortgage principal of \$1,000. Also, the full amount promised to the Mission Budget of the Diocese of Montreal, of \$1,100 was paid.

The Women's Association had a most successful year. Their financial statement showed gross receipts of \$2,972.35 of which \$2,939 was given to current expenses of the Church, \$152 to the Church's Mission Budget and \$329.69 through the W.A. Branches to the Montreal Diocesan Branch of the Women's Auxiliary for Missions.

The following officers were elected for 1943:

WESTMOUNT, THURSDAY, JANUARY 28, 1943

RABBI STERN'S FINE ADDRESS

RABBI H. STERN, of Temple Emanu-el, Westmount, recently addressed the Beacon Study School here on a subject that all democratic people hold to be one of the bulwarks of our liberal philosophy. Sir Wilfrid Laurier frequently spoke on the same subject: it was one of the great desires of his life to see it extended during his lifetime. He called it "unity in diversity." Rabbi Stern illustrated it by making a vivid contrast between unity and uniformity. Uniformity, he said, is well illustrated among the peoples who today are our enemies—the nations who seem to be personifying, en masse, the very spirit of evil. Hitlerite Germany is probably the most rigidly regimented nation the world has ever seen; Italy and Japan little less so. Unity, on the other hand, can be something quite different. Rabbi Stern illustrated the idea of unity from nature with its infinite varieties. No two blades of grass are alike, he said; no two grains of sand, no two trees, no two persons. Yet, in all nature, there is unity and harmony. The educated man, therefore, knows that differences of race, creed, and tongue are no bar to unity, provided he is animated by a spirit of sympathy, understanding, and charity. He knows that, being all children of one Father, we are all, in God's sight, brothers.

THE REAL RUSSIA

SIR BERNARD PARES, who was once decorated by the last Tsar of the Russians, spoke in Montreal on Monday in support of the Aid to Russia fund, and told some things of present day Russia that many of us had suspected for a long time; chiefly, that Russia is no longer a communistic state, and hasn't been since 1921. Sir Bernard, who is a leading British authority on Russia, said that the old Bolsheviks, in spite of their ardour, couldn't make Marxist communism work and discarded it entirely with the coming to power of Joseph Stalin. Today, Russia is a socialist state—or, rather, a union of autonomous socialist republics—but we didn't learn of it until Germany warred on the Soviet because the old fear of communism was kept alive by powerful organizations who found it very much to their advantage to do so. Germany, Italy, and Japan also "played upon the red

bogey to split their enemies and further their own nefarious ends. Sir Bernard's speech explains many things. It will be remembered, for example, that when the Russian ambassador to Canada, Hon. Feodor Gusev, was asked if Canadian communism had any connection with Russia, he unhesitatingly answered in the negative. The type of communism that was exported from Russia in the days of Trotsky apparently has no connection with the Stalin regime. The so-called communists of Canada are probably only a vestige of the old Trotskyists. Incidentally, one of our own people, Mr. Kirk Cameron of Westmount, who went on a lengthy mission to Russia in 1936 for the Canadian government, told a meeting at the Community Hall in Notre Dame de Grace, upon his return, that Russia was no longer a communistic nation but had turned to a system of state capitalism. His remarks were quoted throughout the country, and were roundly condemned by many prominent editors and others who had never been to Russia and whose knowledge of that country had probably been gleaned from nineteenth century Russian novelists and a high school geography.

EAT RIGHT TO FEEL RIGHT

THE NUTRITION CAMPAIGN, sponsored by the Federal government, now in full swing throughout the country, is designed to build up the health of our people in order better to prosecute the war. The government expects the co-operation of all citizens in this patriotic undertaking. This district can be counted upon to do its full share toward making the campaign a success. There will be lectures, open to the public, delivered by doctors, dietitians, and other food specialists. Instructional films will be shown dealing with the relative value of various foods and their proper preparation. Health is one of our greatest assets. The present campaign is intended to extend information as much as possible among our people to enable them to keep healthy in the great task to which we are committed.

"FASCIST" IS THE WORD

IN CONTRAST TO THE GERMANS and Italians, the Russians have been precise, accurate, and truthful in their communiques since the war started. In the early days of the invasion of their country they announced the bad news without delay, and there was plenty of it. They acted in complete good faith toward their people. Now, they announce good news several days after the events—no doubt to make doubly sure of their facts. It is interesting to note that seldom if ever do the Russians refer to the Germans as 'Nazis'; they invariably use the term 'fascists' for both Italians and Germans. In this, too, they are accurate. National Socialism is meaningless as a description of the German system. The German system, like the Italian, is fascism or corporatism, inaugurated by Mussolini and copied by Hitler. Fascism is the enemy, no matter under what name it operates.

Dominion Douglas Church Notes

In Dominion-Douglas Church next Sunday morning Dr. Lloyd Smith will continue the series of addresses based on "The Letters to the Seven Churches"—the theme for Sunday being: "The Gift of the Morning Star". Church School and the Minister's Class in preparation for church membership will meet at three p.m. In the evening at 7.30 p.m. there will begin a series on vocational guidance specially designed to be of help to young people. Mr. Ewart Hinds, Ph.D., a student in the senior year in medicine at McGill University, will speak on "The Ministry of Healing". All young people who are considering the practice of medicine as their life work are invited. Following the evening service, the Young People's Union will meet.

The Sewing Circle on Monday at 2.00 p.m. will be working on Red Cross supplies. At the Women's Association beginning at 10.00 a.m. Tuesday, the needs of the Red Cross will also be given consideration. The Red Cross Unit will meet from 10.00 a.m. to 5.00 p.m. on Wednesday to work on surgical dressings and on sewing for Russia.

MELVILLE CHURCH NOTES

The Rev. Canon Oliver, the rector of St. Matthias Church, Westmount, will give the address on Sunday evening in which he will deal with some of the issues which confront all the churches at the present time. A rearrangement of the Sunday school work and groups is being made which it is hoped will result in a better use of all the teaching material and methods for the benefit and training of all the pupils. A communicant's class is being formed under the instruction of the minister and new members will be welcome. Arrangements are being made for a Valentine party and for a Tea and sale in February.

"Our tactics must be such that our objectives will be gunned, bombed or torpedoed to destruction."—Admiral C. W. Nimitz.

The Examiner's Hidden Titles Contest

The Westmount Examiner's Hidden Titles Contest is run with the kind co-operation of Mr. Godel, manager of the Westmount Theatre. Each week twelve passes are given to the six lucky winners who comply with the following requirements: Simply find the two "ads." in the current issue of The Westmount Examiner in which the names of the two feature pictures being shown at the Westmount Theatre during the first half of next week are hidden. Submit all answers to The Contest Editor, The Westmount Examiner, 2191 Hampton Avenue, using the special coupon provided in each issue for the purpose. Contestants must be over 16 years of age. Residents of Westmount, only, are eligible. All answers must be in this office not later than Wednesday, and the names of the winner will be published in Thursday's paper. The winners are drawn from among those who submit the correct answers, and, unfortunately, it would be impossible to give passes to every one submitting the right answers. THE FORUM

Conducted by HOWARD S. ROSS, K.C., D.C.L.

In Which Subjects of General Interest Are Discussed

The opinions expressed in this Forum are not necessarily those of this newspaper, and it does not accept responsibility for them.

The humble life and remarkable achievements of Dr. George Washington Carver of Tuskegee Institute have done much to cause Alabamans and other whites throughout the south to appreciate the Negro and to dispel the idea held by so many that the Negro race as such is inferior. Recently, this eminent scientist, the son of a slave, died. His death is being mourned by blacks and whites alike. From the peanut he made over 300 different products; from sweet potatoes, 118. Hundreds of useful products were made from waste materials. One of his maxims was: "Start where you are, with what you have. Make something of it and never be satisfied." John Temple Graves, columnist for the Birmingham Age-Herald, said of him: "History is going to remember George Washington Carver not only as a Negro who became a great scientist but also as a great scientist who was also a great believer in God, his country and his fellow man. It is going to remember him, too, as one born in slavery who was freed not only by act of Abraham Lincoln but also and in a deeper sense by what he made of himself and his world, what he did for himself with his slender opportunities, what he did with the impoverished soils of the south he loved. He made the most of everything, of his chances, of himself, of the poor and trifling things around him."

Our Changing World It is not enough that we should win battles and destroy our enemies. It is not enough that our noblest sons should perish in immortal deeds that flash across the sky. We shall not have won the war unless we can rid the world of wrong and injustice in the economic as well as the political sphere. The lives of millions of men and women have become infused with an idealism they did not know before. The war has shown us that we could accomplish in a night things that we were afraid of for a generation—conscription of excessive profits, the taxation of wealth, and the establishment of a living wage. It has shown us that a nation that has hagglled about old age pensions, and would not pay for adequate education of its children, had it in its power to spend \$3,000,000 a day for years on any enterprise it chose to begin!—The Halifax Herald, leading Conservative Party Journal of Nova Scotia.

On Jan. 12 Dr. Howard A. Kelly, famous Baltimore surgeon, died at the age of 84. Dr. Kelly died six hours later. With Osler, Welch and Halstead, Dr. Kelly comprised the "big four" who founded the Johns Hopkins medical faculty and gave it world fame. Always deeply interested in religion, and active in church affairs, Dr. Kelly held conservative theological views which were widely circulated through pamphlets and addresses. In fact, he might be said to have stood for a species of fundamentalism which was all his own. Declaring that "we are determined to provide the civilian population with adequate medical care," Dr. E. L. Henderson of Louisville, chairman of the procurement and assignment service committee of the Fifth Service Command, comprising Kentucky and three adjacent states, has announced that plans are being formulated to secure compulsory relocation of doctors and dentists. The plans provide that voluntary supplies of areas deficient in doctors and dentists be tried first, but if this fails, drafting will be in order. —Leading Conservative Party Journal of Nova Scotia.

"Bureaucratic squanderlust" will not go far to heal the miseries that handicap the full existence of human society. Nor can pious platitudes provide them with enduring remedy. Both obligations must be made our rule of life: "Praise the Lord, and heed His admonitions," both faith and works must combine to save true manhood. —Archbishop McNally.

Doctors Approve of Group Medicine A new medical care plan involving more than 2,500 doctors, representing every hospital in the metropolitan area and covering all fields of medicine and surgery was announced last week by Group Health Co-operative, Inc., a non-profit medical service corporation with headquarters at 1790 Broadway. The doctors, the announcement said, were offering their services in a plan to provide medical care insurance at an average cost of two and one-fourth cents a day. Winslow Carlton, executive director, declared that at a basic monthly cost of \$0 cents for a single person, \$1.50 for a

A friend living in California (now 82) who has been for some years receiving an old age pension of \$40 (of which \$25 is paid by the State and \$15 by the Federal authorities) wrote me recently: "Just heard over the radio that our new Governor and Legislature propose to give all persons 60 years and over a straight pension of \$60 a month, regardless of their physical or financial condition."

Westmount Women Give \$2,100 To Buy Blood Donor Clinic

At the business meeting of the Westmount Women's Club, held in Victoria Hall, on Friday afternoon, the climax of many months' activities was reached, in the presentation of a cheque for \$2,100 to Major D. J. Corrivall, of the Canadian Red Cross Society. This money is to be used for the purchase of a blood donor clinic for the city of Montreal and surrounding districts. The presentation was made by Mrs. R. M. Macaulay, president. Major Corrivall, in expressing his thanks on behalf of the Canadian Red Cross, urged the necessity of carrying on this work, and told how welcome were these contributions.

Committees Active
Mrs. J. M. Wright, treasurer, presented the financial report, which included the sum of \$237.50, raised from the donation of the dressed doll donated by

Mrs. Lorne H. Eaton, also that \$6.55 was realized at the Christmas party from the miscellaneous table, convened by Mrs. A. S. Thomson and Mrs. A. M. Boucher. Thanks were expressed to Mrs. R. M. Whitmore, chairman of the Christmas party, and of the annual musicale, for the programs presented on these days. It was noted that the welfare committee, under the chairmanship of Mrs. Chas. Shearer, distributed five Christmas hampers to needy families, and had also sent several thousand books and magazines, which were the result of the club's Christmas party appeal, to the book depot, for distribution to the armed forces.

War Work Reported
Mrs. Harold Mills, chairman of the war work committee, in presenting her report, stated that the total receipts for last year were \$2,247.34 and total disbursements \$1,674.14; the club is one of several organizations supplying articles of clothing, books and canteen supplies to H.M.C.S. Westmount, and its ladies cooperate with other organizations in distributing books, magazines, cigarettes, home-made candy and cookies, games and playing cards to the convalescing veterans of Ste. Anne's Military Hospital at Christmas. The chairman also commented on the production record of 437 articles sent to V-

St. Andrew's Choir To Give Program Of Russian Music

A program of music by the great Russian composers will be rendered Sunday evening in St. Andrew's Church, by Fred Whiteley and his well-known choir. The entire open collection will be contributed to the Aid-to-Russia Relief Fund.

The impressive and intricate instrumental effects so characteristic of Russian music will be rendered on the organ by Mr. Whiteley. The soloists will be Mrs. W. H. Lewis and Herbert Hewetson.

Five numbers will be from the works of Tchaikovsky, including the Pilgrim Song, Rachmaninoff's lovely "Hymn to the Cherubim" will also be rendered, as well as numbers from Arensky, Gretchaninoff and Ippolitoff-Ivanoff.

At the morning service in St. Andrew's, Rev. Dr. Kerr will preach the first in a series of sermons on the Book of Job. In this first sermon he will give a perspective of the book, and will indicate the problems raised in this book regarding the suffering of godly men.

Distast

"I hear you're related to our wealthy neighbor?"
"Distantly."
"How distant?"
"As far distant as he can keep me."

Bundles for Britain, 29 to Scottish War Relief, 96 articles of sewing, 177 knitted garments and 76 pairs of minisweeper mitts to the Red Cross, made from material which they supplied. 320 knitted articles were made from the club's material and supplied to various military units, she said. Suppers Served

Mrs. Harold Mills briefly outlined the two suppers given in the Westmount Y.M.C.A. to men in the services, and the work done by the bandage committee who, she said, have made 250 bandages and 350 dressings to date from salvaged bath towels, sheets, tablecloths, men's shirts, napkins, etc.

Reports were then read by other standing committees. At the close of the business part of the meeting, Miss Freeman of the R.C.A.F. gave a brief talk on the necessity of encouraging all would-be recruits of the Women's Division of the R.C.A.F.

Mrs. R. M. Macaulay, president, was in the chair. War-time refreshments were served by the hospitality committee, under the chairmanship of Mrs. A. E. Thomson.

"I DO"

To a bridegroom 4000 miles away Evalyn Daniel happily spoke those magic words of marriage and heard his reply come back over the wires and wave lengths from Hawaii. WESTMOUNT PARK CHURCH NOTES

The annual meeting of the congregation of Westmount Park Church will be held on Wednesday, February 3 at 8.00 p.m. The meeting will be followed by a social hour and all members and friends of Westmount Park Church are encouraged to attend. The "Fireside" hour after the evening service last Sunday was of an unusually high standard. Dr. C. P. Martin, of McGill, gave a very stimulating and heart searching address of genuine Christianity. He made pointed reference to Christianity as a faith which demanded action on the part of the individual. Many young people of the church find real fellowship at these informal gatherings.

On Sunday morning, Mr. Goth will commence a short series of sermons on "Portraits of the Master." The topic of the first sermon will be "The Charm of Jesus". The evening sermons are in the nature of a search of the relevance of Christianity to what is happening all about us. The theme for this week is "Mussolini: Sawdust Caesar". This sermon ought to have a timely interest just now in view of what has happened in recent weeks.

Christian Science Services

"Love" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday, January 31st. The Golden Text is from Jude 1:21. "Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life." Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And we have known and be-

Miss Dowling Presents Interesting Report For Westmount V.O.N.

During the year, 16,128 visits had been made to all types of illness by the nurses, stated Miss C. Dowling, supervisor of the West District, at the annual meeting of the Westmount district committee of the Victorian Order of Nurses held in Victoria Hall recently. The nurses taught prevention of disease and the maintenance of health in every visit made, to over 1,500 patients, she said.

The district committee reported a busy year, 28 meetings had been held with an average attendance of 30; 857 flannelette garments were made; 145 knitted articles; 127 quilts and aprons for the nurses had been made when requested by the headquarters office.

The committee had provided clothing and camp fees for children; Christmas baskets and other cheer for twenty "shut-ins" and funds were supplied for cod liver oil.

This committee meets in Victoria Hall every Wednesday to sew from 10 a.m. to 5 p.m., and is interested in securing new members to assist in the carrying on of this work.

The following members were elected for the year 1943—First directress, Mrs. J. N. Poole; second directress, Mrs. G. O. McMurtry; third directress, Mrs. D.

lieved the love that God hath to us. God is love, and he that dwelleth in love dwelleth in God, and God in him." (1 John 4:16.) The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Divine Love is infinite. Therefore all that really exists is in and of God, and manifests His love." (Page 340.)

U. S. Registering of Women For War Work is Shelved

WASHINGTON. — National registration of women for war jobs has been definitely shelved with announcement from War Manpower Chief Paul V. McNutt that recruiting will be done locally "only after full use has been made of the local unemployed reserve."

About 100 communities have reached the point where they need to recruit women out of the home, according to Miss Margaret A. Hickey, Chairman of the Women's Advisory Committee to the Manpower Commission.

In these areas women will be asked to enroll with the United States Employment Office voluntarily, to state their availability, qualifications for training and employment.

To Be Interviewed
The women who indicate their availability will be interviewed at the United States Employment Office and referred to jobs or training as rapidly as they are needed.

The proposal for a nation-wide registration of women, advanced several times by President Roosevelt, was abandoned because of the need of adapting mobilization plans to each local situation.

Experience of about 25 cities which have already held local recruiting drives for women was drawn on in establishing the national policy.

Cities are advised by Mr. McNutt not to register women until full use has been made of those regularly in the labor market, and until employers have

This Board has been established to facilitate the settlement or adjustment of the ration problems of people residing in the district defined above.

The object is to ensure that restrictions made necessary by war are applied with maximum effectiveness, minimum inconvenience and equal fairness to all consumers and suppliers. The basic reason for all rationing is to assure a fair division of available supplies to everyone.

Serving voluntarily on the Board are local citizens representative of the people of this district, and able to bring an intimate knowledge of local conditions to this new wartime task.

At the local Ration Board's offices you can get full information on all aspects of consumer rationing, and prompt adjustment of special problems, such as—what to do in the event of loss or damage of your ration book... whether extra rations are allowed for special purposes... and other matters announced from time to time.

V.O.N. Sewing Branch Reports Good Results At Annual Meeting

The annual meeting of the Westmount sewing committee of the Victorian Order of Nurses was held recently in Victoria Hall. Miss Dowling, the V.O.N. nurse in charge of the branch on Addington avenue, reported that 16,128 visits were made by the V.O.N. nurses in the west district in 1942.

The sewing committee held 28 meetings with an average attendance of 35. 796 flannelette garments were made and 145 knitted articles, 127 quilts, 59 miscellaneous articles and 20 nurses' aprons. Christmas baskets were sent to five families and 20 families were sent comforts and toys. Twenty-five dollars were given for cod liver oil.

The slate for 1943 was presented by Mrs. G. Starkweather, and the following officers were elected: 1st Directress, Mrs. J. M. Poole; 2nd Directress, Mrs. G. O. McMurtry; 3rd Directress, Mrs. D. the bride's only attendant and LAC Jack Ray of Manitoba will act as best man for the groom.

WEDDINGS

Mackie-Bennett

The marriage of Janet Stoddart Cochrane, only daughter of Mr. and Mrs. John C. Bennett, Town Cottage, Gorebridge, Scotland, to John H. Mackie, R.C.C.S., son of the late Henry Gordon Mackie and Mrs. E. Mackie, of Montreal, took place recently at Stobhill Church, Gorebridge, Scotland, the Rev. C. Clark officiating.

Flynn-MacDonald

The marriage of Flora Elizabeth, only daughter of Mr. James MacDonald and the late Mrs. MacDonald to Petty Officer Jas. C. Flynn, R.C.N.V.R., son of Mr. Arthur Flynn and the late Mrs. Flynn took place on January 11th at St. Anthony's Church, the Rev. M. O'Brien, P.P., officiating. In the absence of the bride's father who was unable to attend owing to illness, the bride was given in marriage by her uncle, Mr. Mitchell Henri. The bride wore a floor-length dress of white mousseline-de-soie, with a full skirt, sequin bodice and a veil of tulle illusion. She carried an arm bouquet of Johanna Hill roses and freesia.

Miss Frances Grant was her cousin's only attendant and was gowned in blue chiffon with matching hat and finger-tip veil. Mr. Arthur Flynn was best man for his son.

After the ceremony a reception was held at the home of the bride's aunt. Later Mr. and Mrs. Flynn left on a wedding trip to Toronto, the bride wearing a green print dress with gold sequins, matching hat and a muskrat coat.

Mr. and Mrs. Paul Lauzon of Alexandria, Ont., are the bride's maternal grandparents.

The out-of-town guests at the wedding were, Mrs. Daniel Mooney of Ottawa, the bride's great aunt, Mrs. MacDonald of Glen Roy, Ont., and Mr. Paul Lauzon of Alexandria, Ont., uncle of the bride.

Riordon-Usher-Jones

The marriage was solemnized last Saturday afternoon, of Betty Usher-Jones, daughter of the late Andrew Usher-Jones and of Mrs. Usher-Jones, of Westmount, and Major Peter Hamilton Riordon, R.C.A.F., son of Mr. and Mrs. Carl Riordon, of Montreal, in the Chapel of Youth, of the Church of St. Andrew and St. Paul, the Reverend George H. Donald, D.D., officiating. Freesia and roses in a low silver bowl and tall silver candlesticks were arranged on the altar.

The bride, who was given in marriage by her brother, Lieutenant Ernest Usher-Jones, R.C.N.V.R., wore a gown of ivory satin having a fitted bodice buttoning down the front with tiny self-covered buttons and a heart-shaped neckline edged with net ruffling and a full skirt ending in a long train. Her veil of tulle illusion, reaching beyond the hem of her train, was held by a halo of tulle, caught across the back of her head with a spray of orange blossoms. Both the gown and the veil were loaned for the occasion by Mrs. J. LeM. Carter. The bride carried a cascade bouquet of carnations and bouvardia tied with the ribbons used to tie the bouquet carried by her sister, Mrs. Eric Riordon, at her wedding.

GENERAL MEETING HELD BY GROUP

At the January general meeting of the Young Ladies' Sodality of the Church of the Ascension of Our Lord held in St. Paul's Academy, Miss Carroll McDonald, prefect, presided. Miss McDonald thanked the sodalists for their enthusiasm and co-operation in the past and extended her wishes for an even better year. Special guests of the evening were Rev. Mother Directress and the sisters of St. Paul's Academy.

Committees Report

Reports were read by the recording secretary, the corresponding secretary and the treasurer. Sheila Tremblay, chairman of Our Lady's Committee, reported that rosaries were being sent to soldiers overseas. The Eucharistic committee reported a special drive for Handmaids of the Blessed Sacrament. Miss Loretta Slattery, chairman of the Catholic Truth Committee, stated that the recently organized study club was under the direction of Leo McKenna, Father Thoms, director of the sodality, then spoke a few words. The Apostolic committee presented a report on the Christmas baskets, fifteen in all were delivered. Cigarettes and tobacco were also sent overseas.

BUTTER CONSUMPTION TEMPORARILY REDUCED

It has become necessary to reduce the current rate of consumption of butter, and accordingly changes have been made in the dates on which (brown) spare "C" coupons of the current ration book may be used.

Spare "C" coupons 10 and 11 may not be used for the purchase of butter. Coupons 1 to 4 inclusive, have already expired.

Expiry dates for spare "C" coupons 5 to 8, inclusive, have been extended to aid consumers in stretching out the butter allowance over the period from now until February 28th.

Each coupon will continue to be good for the purchase of one-half pound of butter and will be good only on the dates specified below:

HERE IS THE NEW SCHEDULE			
Coupon Number	Good for purchase beginning on:	Not good for purchase after:	
5 and 6	January 18th	February 28th	
7 and 8	February 1st	February 28th	
9	March 1st	March 14th	

The result of this is to reduce each individual's allowance by 2 2/3 ounces per week during the temporary period.

CONSUMERS WILL FIND IT ADVISABLE TO RATION THEMSELVES SO THAT THEY MAY BE ABLE TO STRETCH THE NEW BUTTER ALLOWANCE OVER THE NEXT SIX WEEKS

WAR WORK REPORTED BY CATHOLIC WOMEN

At a meeting of the Catholic Women of Westmount War Work Group, held in St. Leo's School Hall, Mrs. J. T. Rogers presided in the absence of Mrs. A. A. Pare. Mrs. C. Dessaulles, co-convenor, addressed the meeting in French and asked the ladies to continue their support of the work.

Mrs. M. S. Milloy, treasurer, reported that the following donations had been made: \$50 to Mrs. Harold Mills, chairman of the committee representing the Westmount group for Christmas cheer for the men of H.M.C.S. Westmount; \$50 to the Women's Voluntary Services for Christmas cheer for St. Ann's Military Hostesses had been made: \$50 to Mrs. M. O'Brien, P.P., officiating. In the absence of the bride's father who was unable to attend owing to illness, the bride was given in marriage by her uncle, Mr. Mitchell Henri. The bride wore a floor-length dress of white mousseline-de-soie, with a full skirt, sequin bodice and a veil of tulle illusion. She carried an arm bouquet of Johanna Hill roses and freesia.

of honor and her sister's only attendant, wore a frock of yellow georgette, the bodice having a bateau neckline and wrist length sleeves with a three color panel of pale green, mauve and blue georgette inset in the back of the straight skirt, and falling to form a slight train. She wore a Watteau hat trimmed with pale green, mauve and blue flowers with a shoulder-length veil of yellow tulle, and she carried a large yellow muff with orchids pinned in the centre.

Major John M. Cape, R.C.A., acted as best man for Major Riordon and the ushers were Flying Officer C. H. Riordon, R.C.A.F., brother of the bridegroom; Captain H. F. G. Boswell, R.E., cousin of the bride; Major T. Donald Cleghorn, The Black Watch (R.H.R.) of Canada; Flying Officer Donald Nasmith, R.C.A.F., Trenton, Ont., cousin of the bridegroom, and Mr. John Pemberton, also a cousin of the bridegroom.

Later Major and Mrs. Riordon left for the Laurentians, the bride travelling in a Paddy green wool suit with a white crepe blouse and wearing a Paddy green hat with yellow feather and brown broadtail fur coat.

At The Snowdon

Nevil Shute, the famous author, advised Hollywood that he couldn't go to that delightful Southern city to write screen plays—he was much too busy designing war-planes. Studio executives who made the film version of Shute's famous novel, "The Pied Piper" opening Saturday at the Snowdon Theatre, had hoped to get him to do an original story for them.

covered that Shute, whose whimsical, "Pied Piper" was one of the best-sellers of last winter, is not an author by profession but an aeronautical engineer. His full name is Nevil Shute Norway and he wrote The Pied Piper at the rate of an hour a night, after working fourteen hours a day on airship plans.

Singleton, Arthur Lake and Larry Simms and, as its title implies, "a little bundle from heaven" is said to be the best of the popular Blondie pictures adapted from the newspaper comic strip by Chic Young.

At The Monkland

"My Sister Eileen" came to town yesterday, at the Monkland United Theatre, and she owns the town today. She's a devastating bundle of blonde dynamite, a cute little eyelet with a flair for hilarious trouble.

Screen version of the uproarious stage success which has convulsed American theatre audiences for more than two years. "My Sister Eileen" was directed by Alexander Hall. It stars Rosalind Russell, Brian Aherne and Janet Blair, and has a supporting cast of such other excellent farceurs as George Tobias, Allyn Joslyn, Miss Jeff Donnell, Richard Quine, Donald MacBride, June Havoc, Grant Mitchell, Gordon Jones, Frank Sully and Elizabeth Patterson.

"My Sister Eileen" in film form, is even more delightful and refreshing than its literary or

theatrical predecessors. The greater scope of the camera, the inimitable performances of its stars and other players, the shrewd showmanship brought to the screen by Mr. Hall, all contribute to the appealing, uproarious effect of the new screen comedy. "My Sister Eileen" takes its place, and deservedly, as the one motion picture with which all future film comedies will be compared.

At York Theatre

A tale of love with the accent on laughs is headed this way, due to arrive next Saturday at the York United Theatre. It's Paramount's hilarious Preston Sturges picture, "The Palm Beach Story," co-starring Claudette Colbert and Joel McCrea, with Rudy Vallee and Mary Astor.

In "The Palm Beach Story" Sturges takes the plight of a young couple married five years with nary a penny to its name and develops a riotously funny plot hinged on the fact that the wife, Claudette Colbert, decides she can do more for husband Joel McCrea if she's divorced from him. To acquire the divorce she heads for Palm Beach with nothing to go on but sheer nerve.

Plans Completed For 'Little Women'

All is set for Saturday's productions of "Little Women" at Victoria Hall, which is being produced by the Children's Theatre under the direction of Dorothy Davis and Violet Walters, with the entire proceeds for the Canadian Aid to Russia Fund. These performances are being sponsored by the Jewish Laurentian Fresh Air Fund.

MRT Will Present New York Success Beginning Jan. 30

MRT's next major production to its members and the public— which will be presented at the Studio, 1550 Guy Street, January 30th, to February 6th, in accordance with their new policy—will be Lillian Hellman's outstanding New York success, "Watch on the Rhine." Miss Hellman's play is a timely one and weaves a web of intrigue about a country home not far from the United States capital.

Walters, who are directing this production, have put forth every effort to make these performances outstanding in every way. An excellent cast of well known players are in the cast, including Eileen Nemtin, Ella Steinberg, Joy Ballon, Esther Ostor, Reina Aron, Joan Joudry, Ella Pollett, Bonnar Stuart, Lionel Thomas, Walter Wakefield and Harvey Malles. "Little Women" is a favorite with adults as much as children.

Winter House Party To Laurentide Inn

A winter House Party at Laurentide Inn at Ste. Agathe des Monts is being arranged by the Tobin's Travel Bureau, which will be personally supervised by Mrs. H. B. Pope. Where's Joe?

An Appreciation IT IS now more than five years since "Joe" walked into our lives. A long life, by the way, for an advertising character. We forget now where it was we first met him, but it was in one of those situations which, multiplied by days and years, make up life. For Joe was a composite, a cross-section of all. He represented surprise, joy and embarrassment, but in each situation he also dramatized the spirit that lifts us above all these and makes us masters of our fate. For Joe was life, your life and mine, and he met every situation with calm indifference. You remember that day when he left his wife in a sea of indecision, stranded in a shoe store and surrounded by a flotilla of shoes, while he went for a Dow, or, when as a diver, the men on deck raised the diving suit only to discover, to their horror, that Joe was missing. In all these escapades Joe struck a human note that has endeared him to us. How he effected some of these quick Houdini transpositions we do not know, but they reflected our own feelings and pictured just how we ourselves would like to act, to disappear and find relief in the same happy way. "Where's Joe?" is a phrase heard from the lips of everyone. Its popularity has grown by leaps and bounds. We'll miss Joe, miss him more than even his associates did in all of his escapades, because they always found him again and found him in a very happy situation. But, to our question "Where's Joe?" there'll always be the same happy solution that he himself found for all of his problems—A refreshing Dow. So, while we say Goodbye and Good Luck to Joe, wishing him God-speed and a safe return, we would like to remind his many friends that Dow, the finest tasting ale that people ever drank, will always be available and that the same carefully guarded quality and richness, the same delicious flavour will be found in every bottle of Dow, the favourite for over 150 years. More people are discovering every day that Dow is the finest tasting ale they ever drank

ARGOS LEADING BANTAM LEAGUE AFTER VICTORY

Twelve games were played in the bantam section of the Westmount Municipal Hockey League during the week so that eight teams in the group are gradually catching up on themselves. Johnnie O'Meara's Argos took over first place in the standing when they copped three wins, two of them over their closest rivals.

The Argos shut out the third place Black Hawks 10-0, turned back the fourth place Commandos 3-1 and defeated the Staynor Royals 5-1.

Johnnie Choyce's Black Hawks defeated the Staynor Royals, 3-2, dropped the 10-0 game to the Argos and then fought a 1-all tie with the Vampires.

Dave Binmore's Rangers banged out a pair of wins shutting out the Staynor Royals 2-0 at Staynor and defeating the Skulls 3-1 at Westmount Park.

The Commandos won but one game out of the three they played, the Commandos beat the Vampires 4-1 for their only win. They dropped a defaulted game to the Thunderbolts and a 3-1 decision to the Argos.

John Waterston's Vampires picked up four points as the result of two draws and a win. The Vampires drew with the Black Hawks 1-all and then had a scoreless tie with the Thunderbolts. The Vampires' lone win was a 5-0 shut-out over the Skulls.

Bill Fee's Thunderbolts had a fair week and added three important points when they held the Vampires to a scoreless draw and got a game from the Commandos by default.

Richard Lord's Staynor Royals won their first game of the season when they defeated the winless Skulls 7-0, the Royals had dropped their other three games.

Johnnie Choyce, Black Hawks, George McLanders and Maurice Strachan of the Argos are running a close race for the individual scoring honours. Choyce and McLanders are credited with 11 points apiece while Strachan is right behind them with ten. Choyce and Strachan have the most impressive goal total, each of these players having scored nine times. McLanders is next in line with six goals. Other high on the scoring list are Ian Hutchison, Argos, eight points; Ronnie

SPARES and STRIKES

Second of series
By FRED FITZSIMMONS, A Big League Bowler, Too
Shoes represent one of the most important factors in your bowling score. The other is the ball, the selection of which will be discussed in my next article.

Footwear is of prime importance to footwork.

Choose a pair one-half size smaller than your ordinary street shoes. Bowling shoes stretch to a certain extent, as do all light athletic shoes.

If they are uncomfortable at first, don't discard them. Have patience. Break them in.

A shoe that is too big will interfere with footwork and comfort. Footwear is of prime importance because bowling is a game of balance and rhythm, which come only with proper footwork.

You should have your own bowling shoes and take good care of them, even if you bowl only occasionally.

Don't borrow the shoes of others.

Naval Exhibition Reveals Grimness Of Warfare At Sea

Deadly Weapons Used In Allied Defence of Sealanes Shown at Eaton's

Anybody who has ever wondered, when reading the account of a naval disaster, how a large modern battleship can be sunk by a single torpedo, should repair to the Canadian Naval War Exhibition which is being held on the fourth floor of the Eaton store, and which is being presented by the Navy League of Canada.

One of those most deadly and effective weapons of naval warfare is on exhibition, and its sight will easily explain how the "tin fish" as navy men contemptuously call it, can easily send the most powerful fighting craft to the bottom if only it strikes in any vital part of the man of war.

As it rests on its trolley, in its newly applied coat of paint, the missile may look "pretty" and "sleek", but its size and weight — it tips the scale at close upon two tons — gives the impression of tremendous destruction power when loaded with a quarter ton of the highest explosive.

The smashing effect of a torpedo can only be realized when one can actually get in close touch with one of those awe-inspiring engines of destruction, and to get a complete sensation of what a torpedo can accomplish, is in itself well worth a visit to the show, as it will then permit one to understand such headlines as "Dreadnought sunk by enemy torpedo."

The exhibition which was officially opened on Monday last by vice-admiral P. W. Nelles, C.B., R.C.N., chief of naval staff, attracted a large and most representative group of men in uniform and civilians, including members of the Provincial Cabinet, mayors and aldermen, professional and businessmen, etc.

Eaton's Gives \$1,000

After the official opening, F. B. Walls, vice-president of the T. Eaton Company, presented a cheque for \$1,000 to William Ewing, president of the Navy League of Canada, Montreal Division, as Eaton's contribution to the splendid work carried on by the League.

In opening the exhibition, Vice-Admiral Nelles stated: "This is an attempt, on the part of the Government Exhibition Commission working with the Navy League and the R.C.N. to 'bring the navy to you'; to show you some of our tools of war, models of ships our men are serving in, pictures and photographs of their work and thus give you some idea of the life they lead and the work they do... I hope as you walk around, you will think what lies behind it all."

"The navy has traditionally done its work beyond the horizon but seldom has it had to operate behind such a screen of secrecy. Our intelligence and that of the enemy in this war continually endeavor to find out what the other side plans—hence the silence."

Hon. J. Arthur Mathewson, provincial treasurer, who represented Premier Adélard Godbout, said that the display would show Montrealers what the navy was actually doing and what it could accomplish if given the necessary support.

Mayor Adhemard Raynault, declared that the work of the Navy League deserved the gratitude of the citizens of Canada.

Minister Speaks

Hon. James A. MacKinnon, Minister of Trade and Commerce, urged everyone to see the exhibition, and remarked that not enough could be said about the work done by Canada's seamen.

Besides Vice-Admiral Nelles, the following occupied the

Church of Verdun in the District of Montreal and with the second largest membership and the largest Sunday School enrolment in the Presbytery of Montreal of which body the author was Moderator as well as of the Synod of Montreal and Ottawa. Since 1936 the author has been chairman of the General Assembly's Board of Missions. Dr. Hill was born in Halifax, N.S. He is a graduate of Dalhousie University and of Pine Hill Theological College. He is also a Bachelor of Divinity and a Doctor of Divinity of the Presbyterian College of Montreal.

The Signal School band under the direction of Chief Petty Officer Anley, R.C.N.V.R., played at the official opening.

The exhibition which was thrown open to the members of the Press on Saturday for a "preview," has so far been visited by large crowds of most interested spectators and visitors.

Although streees has been laid in this story upon the torpedo, this most destructive weapon is by no means the only interesting piece of ordnance on display. There is a contact mine, cut in half to show the interior mechanism; the cerillon gun, which fires bursts of shots at the rate of 50 a second; the explosive shells travelling at the speed of half a mile a second; a "paravane," used to sweep mine fields; twin 5-inch machine guns; life raft of various sizes and kinds, including the very latest model that can carry 27 men; smoke floats for the protection of ships; the bell of Canada's first warship, H.M.S. Niobe; bullet-riddled tanks; samples of emergency rations of various kinds; depth chargers and throwers for same; large models of many types of war ships, complete in the smallest detail; over a hundred paintings and photographs; and a multitude of other articles, all of tremendous interest.

Men and women members of the Naval Service are on hand, and all are ever anxious to fully explain any of the objects on exhibition so the show should prove one of extremely instructive value to young and old, to male and female, and to people in all classes and walks in life.

The exhibition is open for two complete weeks, and when it leaves here it will go to Quebec City and hence to other parts of Canada.

HAMS ON THE HOOF

For his "Story of Dr. Wassell," C. B. De Mille is "searching" for 10 of the wildest, meanest, ugliest razorback hogs in the country and has offered \$100 apiece for winning candidates. He requests photographs of all entrants be mailed to him for judgment.

HIS OWN IDEA

Victor Moore personally planned the elaborate air raid war-dress outfit which he wears in "True to Life." The comedy star loaded himself down with the maximum that he could tote, including helmet, armband, gas mask, flashlight, nightstick, whistle, rope, hose and a hoe.

The volume of water under the earth's surface has been estimated at nearly one-third the amount on the surface.

Y's Chats

In the Junior floor hockey league on Tuesday, three games were played, the Red Devils played the Sharks in the first game with the Sharks coming out on top, with the score of 4-1. Marv. Greenbaum was top scorer with 3 points to his credit, and George Thomas tallied the final point for the Sharks. Cam MacFadden was the lone scorer for the Devils.

The second game saw the Sharks again triumph, this time over the Rangers. Jim Kennedy scored twice for the losers, while Marv. Greenbaum again led the scoring for his team by scoring two points, with George Thomas again scoring one point.

The final game was a victory for the Red Devils over the Rangers. Renteln and Young scored two points a piece and Baker one. Owen Kennedy scored the lone point for the Rangers.

Each Wednesday the craft shop is open for all members. Sam Russell is in charge of the shop and the boys are really showing what they can do. Here is a chance for you fellows who like to use your hands to work with good tools. Both leather-work and woodwork are carried on, and Sam Russell is an excellent instructor.

Each Saturday morning the preps meet with Mr. McFarlane for gym program, followed by a swim and a craft shop period. There are several preps whom we have missed lately, and we feel they are missing a really good time. The program starts at 9:30 a.m. Try to be present.

The next Red Cross Home Nursing Class will be held at 9:00 o'clock on Monday evening.

The subject will be "Communicable Diseases." There will be a special speaker.

Plans are underway to commence a St. John Ambulance First Aid Course. Will all those interested please 'phone WI. 2159.

M.H.S. Wins Water Polo Final Over Westmount High School

After the regular season's water polo league games in the Protestant High School (Section A), Westmount High and Montreal High tied on games and points. The play off took place last week in a neutral pool, Central Y.M.C.A. R. E. F. Jardine called the players together and flipped the coin, M. H. S. winning the toss, so decided to defend the deep end of the pool.

In the first quarter, D. Logan of M.H.S. slipped his check and scored a nice goal. Half time arrived with the score M.H.S. 1, W.H.S. 0.

On the start of the third quarter, Bob Mahon of W.H.S. got possession of the ball and scored on a close in shot, directly after the face off Mahon scored again. Then G. Cooper of M.H.S. got going and scored the third goal in that period. Bob Mahon got steam up once again and dented the net behind Goaler Young. But that was not the finish of

the scoring in that period. D. Logan comes along and scores again, making the score read three all at the end of the third period.

Going in to the final period, W.H.S. got going again and after a nice piece of combination between Tilden and Mahon, the pass was given to Corrigan, who put it in the net, and to finish the scoring Bob Mahon scored the final goal, which gave the W.H.S. possession of the trophy for this season.

MAGIC EYE LESSENS ACTS OF SABOTAGE

Increased fear of sabotage of industrial plants lends special interest to new protective devices. One employs a photoelectric cell so sensitive as to be actuated by a practically invisible beam of light from a source as much as 700 feet away. (The usual photoelectric cells will operate over only a fraction of this distance.) An alarm sounds if the light beam is interrupted. Yet another mechanical watchman, whose nature is not disclosed, detects sounds, even whispers, along the long lines of wire fence protecting munition's plants, and relays these to a certain point. Location and character of the sound can be determined in this way.

MOUNTAINEERS

More than 125 miles of the wildest mountain country in the United States, between Sonora Pass and Tuolumne Canyon in the High Sierra, was covered by Gary Cooper, Ingrid Bergman, Producer-Director Sam Wood, and the location troupe filming Paramount's "For Whom the Bell Tolls."

1,000,000 CITIZENS SAY Please Mr. Motorist

Don't keep us waiting in the cold

When a street-car track is blocked by a stalled motor vehicle, we wait and wait for "the car that never comes."

We stand in the cold, not only near the actual scene, but far out along the lines of the street-car routes involved in the delay.

Mr. Motorist—one example:—If you stall on St. Catherine Street, you delay the street cars on ten tramway routes. The results of these delays, often recurring, are felt throughout the whole system.

Most routes converge on the main streets. Any service interruption on such streets delays thousands of waiting passengers, including those who wish to make transfer connections with intersecting routes.

Whether we wait in the North, East, or West part of the City, we all suffer from any delay along main streets.

Mr. Motorist, it's a community need. Please, therefore, equip your automobile or truck with chains, immediately road conditions are bad.

EAGLES HOLDING PLACE AT TOP IN LOCAL LOOP

The Golden Eagles and the Gunners, two of the best juvenile teams in the city, met in a pair of closely contested scheduled games in the juvenile section of the Westmount Municipal hockey league this week. After the smoke had faded away, Dougie Alexander's Golden Eagles remained perched at the top of the group standing. The clubs battled to a 2-1 tie in Wednesday night's game but in the other game the Golden Eagles shut out their rivals 2-0.

Goals by Jim Macken and Stu Beaune in the first half of the game gave the Golden Eagles a 2-0 lead on Wednesday night, but the Gunners came back to take over command of the play from then on and tied the score in the third stanza on tallies by John Peirson and Harold Fairhead.

Peirson, Brace, Harvie and Fairhead were the best for the Gunners while Macken, Bussiere, Romney and Lunny stood out for the Golden Eagles.

The second game between the two teams was rough and exciting with the rival goalies, Ross Miller of the Gunners and Lorne Cullinan of the Golden Eagles, turning in fine performances.

Frank Provost and Euard Read accounted for the two goals that the winners scored. Provost's was an individual effort while Read banged his in on a pass from Jim Macken.

Read, Macken, Provost, Lunny and Cullinan stood out for the Golden Eagles with Strachan, Fairhead, Miller and Craig the best of the Gunners.

In the third game of the week, the Golden Eagles defeated the Maple Leafs at the Staynor rink 3-3. Euard Read was the big noise in this win with four goals while Frank Provost scored two, Pat Wickham and Donn Bussiere each tallied one.

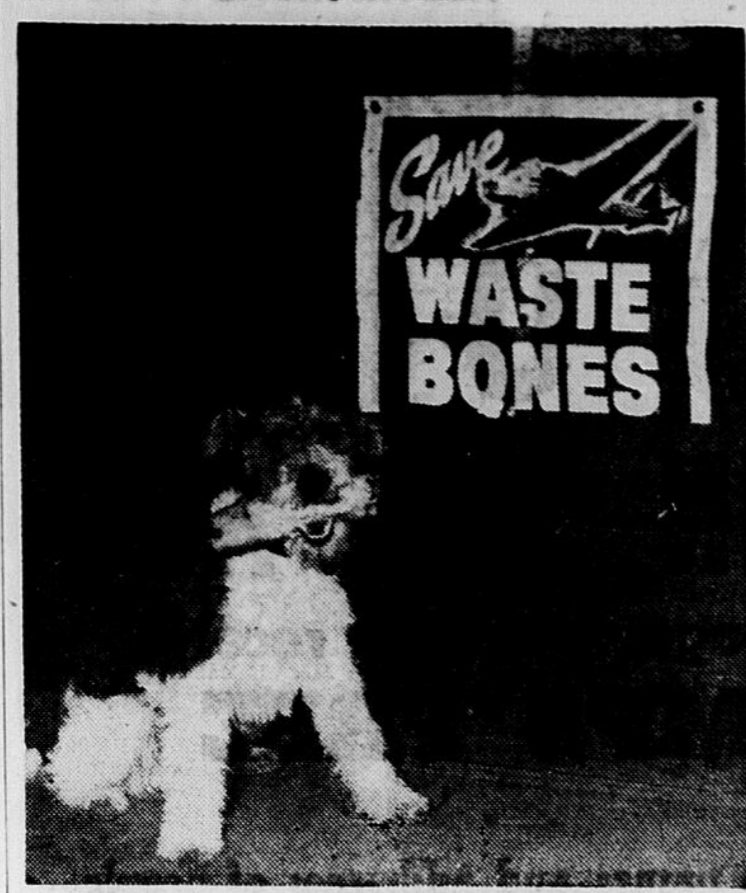

Warren Prud'homme, Rupert Rubens and Guy Bonnier tallied for the Maple Leafs.

Donn Bussiere and Euard Read are leading the individual scoring list with eight points apiece. Read has scored six goals and is credited with two assists while Bussiere has scored but one goal and has seven assists.

Next in line are Jim Macken and Frank Provost, both from the Golden Eagles. Each of these players have six points, all of Provost's points being goals.

Three more juvenile games will be played this week, tomorrow

BONES TO SCRAP HITLER

Scrapy, who takes his wartime duties very seriously these days, pauses a minute for the photographer on his daily trip to turn in a bone he's been saving to the local salvage collection depot. He has decided to help National Salvage in their drive for salvage bones and fats in every way possible, and let the fun of burying bones and digging them up again wait until the war is over.

Physical Fitness Through Exercise And Diet

This is another in a series of health articles by P. M. McFarlane, Physical Director at the Westmount Y.M.C.A.

I think that most people are aware of the fact that a National Nutritional Campaign is being conducted at the present time. We hear a great deal about vitamins and their importance in our daily diet. In order to throw a bit more light on this subject I am going to review an article, by Lionel Bradley Pett B.S.A., M.A., Ph.D., F.C.I.C., Director of Nutritional Services, Department of Pensions and National Health.

According to this authority, a vitamin is an organic food substance, essential for life, but needed in very small quantity. For instance, the absence of even one of the vitamins from the diet results in impaired growth and health, and even in specific disease. Man must eat foods containing the vitamins, or the substances from which the body makes them, and in sufficient quantity to maintain health and efficiency.

There is no doubt that much of the ill-health that humans suffer is due to dietary deficiencies, but it must be realized that food is not the only factor involved in good health. A proper balance of exercise and diet is necessary to keep the body functioning normally at all times.

It is important to remember that the functions of food are many: it must supply sufficient carbohydrates and fats for energy, sufficient proteins to build new and replace old body tissue, sufficient minerals to give good bones and sound teeth, and then sufficient vitamins to regulate the

utilization of the above food constituents. To provide all the vitamins necessary for health, an adequate diet must be taken. Speaking generally, the food dollar should be divided into fifths: one-fifth or more should be spent on milk, cheese and butter; one-fifth or more on fruits and vegetables; one-fifth on bread, flour and cereals; one-fifth on meat, fish and eggs; and not more than one-fifth on fats, sugars and extras. Canadian people who follow this rule and get sufficient variety in the first four groups above are likely to get an adequate supply of vitamins.

Unfortunately, vitamins are lost from foodstuffs in many ways:

1. They may be removed in processing, as in milling.
2. They may be lost during the storage of products and during transportation to markets.
3. They may be lost in drying.
4. They may be lost in cooking:
 - (a) by being leached into cooking water, where they may still be used, or
 - (b) by the destructive action of the heat, or
 - (c) by adding injurious chemicals during cooking (e.g. soda).
5. They may be lost in canning, more especially in some home-canning.

These losses vary under different conditions for each vitamin, and with each foodstuff. It is, therefore, necessary to consider each vitamin separately, and to learn methods of cooking, canning, and so forth, that are least destructive.

night the Gunners make their second trip of the week down to Staynor rink to play the Maple Leafs, while on Monday evening the Gunners and Golden Eagles will square off again in their third joust of the season. Next Wednesday evening the Golden Eagles make their last visit of the season to Staynor when they meet the Maple Leafs in a game starting at nine o'clock.

The following is the league standing including games played up till January 25th.

G.W.L.T.	F.A.Ave.
G. Eagles 4 3 0 1 20 6 875	
Gunners 2 0 1 1 2 4 250	
Maple Leafs 2 0 2 0 4 16 000

CANADIAN "WREN" ENJOYS HER WORK

(By Staff Reporter)

"I've been in the service since its organization last October and I love it," said smiling Wren Beth Teed of Saint John, N.B., at the Canadian Naval War Exhibition.

Wren Teed, with others of the service, is travelling with the exhibit, which was presented this week on the fourth floor of the T. Eaton Company store. From here, it will go on to Quebec, St. John and Halifax.

When asked about the training they receive, Wren Teed told us that it takes four weeks of drilling, lectures on naval customs and traditions, physical training and a lot of hard work.

Beth received her preliminary training at Galt, Ontario, where the girls are taught to use naval terms. Their rooms, which contain two bunks each are called "cabins" and part of the parade grounds is called the quarter-deck. They are not allowed to use much make-up and their hair must not be longer than an inch above their collars. The girls receive two complete uniforms, with shirts, collars and shoes and \$15 to purchase their own underwear.

Original instruction was given by the Wrens of England, who are well trained in this work. The English Wrens man the harbor craft, but so far, there is very little of this work done by the girls in Canada. Their principal job is to relieve the men from office duties. The English and Canadian uniforms of the Wrens are almost identical.

BY-LINES

by S. B. McCLEAN

According to a recent lady speaker, women have much hard work to do and a great deal to put up with in this man-made world. But it doesn't seem to put years on them, all the same.

A little N.D.G. girl stopped her elder sister before a poster in Hebrew and asked her to read it. "But I can't!" protested the older girl. "You've been a stenographer for nearly a year now and you can't even read shorthand yet!" exclaimed the little girl scornfully.

A number of shoppers fainted in a local store the other Saturday afternoon. No doubt it was the

unaccustomed sight of bananas being on sale that caused their collapse.

At breakfast the other morning, a little local girl asked her mother the following significant question: "Mummy, do little Negro boys and girls have to wash their faces every morning, too?"

THE NEW POSING

I have just seen a recent photograph of an American society lady, in which she is seen gracefully seated on top of a grand piano with her feet resting on the keyboard.

I hastily glanced through the

family portrait album and had to admit the superiority of the new posing. This is a somewhat belated attempt to break away from the orthodox methods of facing the camera, methods which have remained substantially unchanged for so long that the camera must feel like yawning.

I am going to have a new set of photographs of our family taken at once.

I shall be taken sitting in an easy chair with my feet resting on the mantelpiece. I shall be smoking my pipe and glancing over the cartoons in the current issue of "Esquire". I shall have this photograph tinted to give an adequate idea of the colour of my house slippers.

My wife, I fancy, will look rather well reclining at her ease on the top of her favourite buffet, holding a feather duster in one hand and a lipstick in the other.

My wife's sister is rather a problem. I thought of the piano, but had to rule it out as it had

already been "done". So I have arranged to photograph her while she is doing her slimming exercises on the floor in the morning. I hope to catch her just when she has managed to touch her ears with her toes. I am ready to predict that she will gain at least half a dozen new admirers in the first week of her showing that picture round.

There was no problem about the kids, however, for any change from the usual sedate tidy group would be an advance. I am going to have the youngsters taken in the middle of one of their bedroom tank battles, when the "field" is strewn with the wreckage of the fight and the combatants have that "time for breakfast" gleam in their eyes.

I have no doubt whatever that, after I have carried through this programme, our family portrait album will have a best-seller circulation and there will be a substantial diminution in yawning among the visitors to our house.

U.K. Economizes On Bus Tickets

Britain's salvage experts have now got the job narrowed down to a fine art.

Each bus ticket is only 1-5000th part of an inch thinner than in pre-war days, but it represents a total saving of 450 tons of paper pulp in a year.

Cans of powdered household milk now have their contents stamped on the tin instead of on a paper wrapper. The saving on every million tins represents 110 3.7-inch shell containers.

London's Metropolitan Water Board delivers its bills and letters in envelopes made from obsolete forms, saving the purchase of 4 1/2 tons of paper.

Government typists, by closer spacing and other economies, save 5,000 tons of paper yearly.

Some of the ants in New York's Bronx Zoo are fed on rose petals.

Some Plain Talking About THE BEER SHORTAGE

This advertisement is addressed to the Canadian people who have been asking the questions shown below. As brewers we have an established position in industry and in citizenship. We feel duty bound to place the plain facts before the public because the prohibitionists are, as in the past, using WAR as a means of forcing their will on the people of Canada, with absolute prohibition their ultimate goal.

WHAT IS THE EXTENT OF THE SHORTAGE?

(Answer) The available supply of beer under the new regulations is less than 70% of today's demand with the expectation that the demand will become greater as time goes on.

WHAT HAS CAUSED THE SHORTAGE?

(Answer) The Dominion Cabinet by Order-in-Council has restricted the quantity of beer which may be sold between November 1, 1942 and October 31, 1943.

WHY DID THE CABINET DO IT?

(Answer) It is believed the Cabinet did it without careful study and principally to placate the prohibitionists who, by means of a powerful lobby, misrepresented conditions to the Prime Minister. In placating that element of society the Government was placating the same class of people who, years ago, did everything they could to prevent Sunday street cars, who more recently have denounced the sending of beer to the very soldiers who, in the blistering heat of North African deserts, were fighting to preserve the liberties of the people back home; and who in their narrow-mindedness have effectively blocked proposals to have our picture theatres opened on Sundays for the benefit of enlisted men on week-end leave; who also even spread the false story that sugar is used in the brewing of beer in Canada.

WAS IT NECESSARY?

(Answer) Beer has long been regarded the people's drink in the free democratic countries of the world. Canadian consumption has been low in relation to consumption in Great Britain and the United States.

	Consumption 1942
Canada	100,000,000 Imperial Gallons, equivalent to 1.3 pints per capita per week.
United States	1,750,000,000 Imperial Gallons, equivalent to 2.0 pints per capita per week.
Britain	700,000,000 Imperial Gallons, equivalent to 2.3 pints per capita per week.

Beer is brewed from Canadian ingredients which are in plentiful supply and not required for the war effort. Canadian beer contains no sugar. Tea, coffee and sugar are transported to Canada by sea and their curtailment has been made necessary only by a shortage of ocean shipping.

WHAT WILL BE THE CONSEQUENCES?

(Answer) Many of the evils of the prohibition era will return. Many of our soldiers, sailors, airmen and war workers are already being deprived of the nourishment and relaxation provided by a glass of beer.

WHAT IS THE REMEDY?

(Answer) In a democracy a government is the servant of its people. Governments are not infallible and from time to time, acting on bad advice, make mistakes. Whereas they should be quick to correct such mistakes, experience has shown that they are slow to do so unless the force of overwhelming public opinion makes itself known. The remedy in this case, therefore, is in the hands of the people of Canada, who believe in tolerance and moderation, to take every opportunity to publicly and privately express themselves against the Government's too drastic restriction of the sale of beer. Otherwise a fanatical minority will be able to continue to impose its wishes upon a tolerant majority.

In the last war (1914-1918) the British Government cut the production of beer but the indignation of the munition workers was so great that it had to be restored in order to maintain production.

HAVE WE PUBLISHED THIS ADVERTISEMENT BECAUSE WE FACE THE LOSS OF PROFITS?

The answer is: *Emphatically NO!* This Company's profits are not at stake because we are even now heavily into the 100% Excess Profits Tax category and any additional volume would only further wear out our plant without any compensation to our shareholders. We are making the fact known because we sincerely believe that the present shortage of beer is unnecessary and is not in the interests of true temperance, the maintenance of morale, and war production.
