## SOVIET DRIVE CREATING HEAVY GERMAN LOSSES

### Great Areas On Leningrad Front Retaken By Reds

Germans Forced Back More than Thirty Miles in Some Areas as Red Flank Attack Snips Off German Salient at Base—Report Italian Troops Being Drafted to Refill Badly-Depleted German Divisions.

Moscow, Sept. 3.—(AP)—Two Red army counter-offensives, one commanded personally by Marshal Klementi Voroshilov before the gates of Leningrad, were reported today to have hurled the Germans back with heavy losses in the Northern and Central areas of the Eastern front.

On the centre of the front, in the sector entrusted to Marshal Semion Timoshenko, Pravda, the Communist party organ, said advancing Red army troops have retaken twenty-two villages in ten days of battle.

Units commanded by Col. Boyekov, it was stated, threw the Germans back more than thirty miles after a flank attack by Russian mechanized forces had snipped off a German salient at its base.

A German SS—Elite Blackshirt—infantry division was destroyed and a Nazi-held height commanding the countryside in one central front area was recaptured, its dispatch said.

Outside Leningrad, the Red army newspaper, Red Star, said Voroshilov directed an attack which pushed the Germans back three miles and drove them from a strategically important town.

The Marshal, charged by Joseph Stalin with holding the Northern-most segment of Russia's long line, went to the front approach of Leningrad at night, worked out a plan of attack, and launched it the next dawn.

Combined forces of the Red army and the People's army which is sworn to die rather than yield their city carried out the counter offensive, Red Star said.

Heavy losses were reported to have been inflicted on the Germans and some Russian losses also were acknowledged.

Red Star said Voroshilov's arrival at the front "inspired Soviet troops for heroic deeds and they took an oath to fulfill his order regardless of difficulty. . . . Thus, day and night, our men heroically defend the approaches to Leningrad."

The dispatch to Pravda said the Germans had been put completely on the defensive in the Central sector and that the Russians had succeeded in ironing out their uneven line.

Houses, bridges and roads have been rebuilt to within two miles of the front line, it reported, and overripe crops are being harvested.

In the assault in which Red army

### RAILWAYS CUT RATES TO EASE GAS SHORTAGE

United States Roads Cut Rates in Half in Effort to Increase Rail Shipments of Crude Oil.

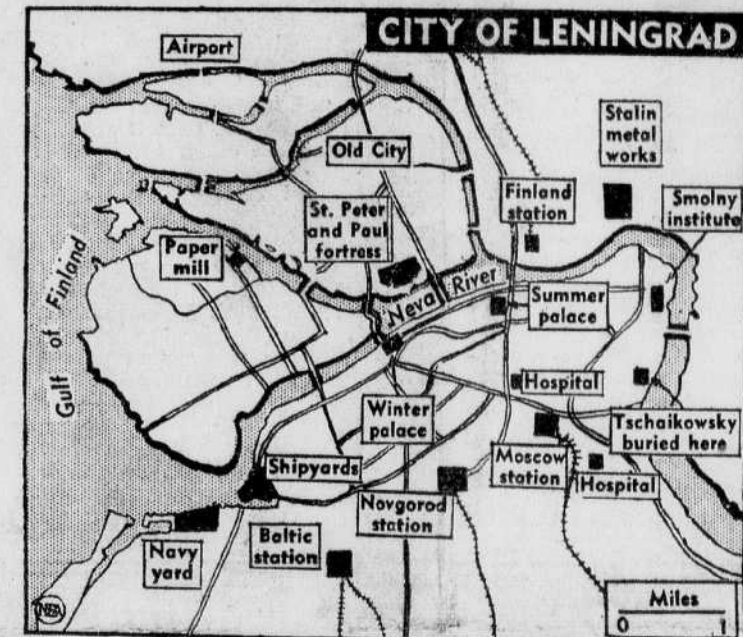

Washington, Sept. 3.—(AP)—Senator David Walsh (Dem., Massachusetts) today described the enforced curtailment of gasoline sales in the Eastern United States as a "glaring example of bureaucratic blundering," and appealed to a special Senate investigating committee to find "some rational plan" to assure fuel oil and gasoline to Northeasterners this winter.

Walsh's written protest against blanket cuts in gasoline deliveries was made a part of the committee record as J. J. Pelley, President of the Association of American Railroads, was asked to testify concerning use of railroad tank cars to alleviate the Atlantic seaboard supply problem.

K. Davis, Acting Petroleum Coordinator, announced yesterday that September gasoline deliveries to filling stations would be held ten per cent below July sales. The reduction, the same as the original cut which was in effect the last half of August, means that pleasure drivers must continue to get along with approximately fifteen per cent less fuel than in July.

### How 3-Way Attack Perils Leningrad

Leningrad, Russian city founded in 1703 by Peter the Great as a "window" on the Baltic, now stands besieged from three sides by Axis armies. Maps show direction of German-Finnish attacks from Novgorod, Narva and Finland, and closeup of the city, formerly St. Petersburg and Petrograd, where citizens are pledged to fight to the death in the streets.

### PLANE OUTPUT MAIN PROBLEM FOR RUSSIANS

United States Navy Officials Declare Visit of Forty-Seven Constitutes a Purely Technical Mission.

Seattle, Sept. 3.—(AP)—United States Naval District Headquarters awaited today a flash from the distant navy air base at Kodiak on the departure of a flying Russian military mission on the second leg of its two-plane hop over United States territory en route to Washington, D. C.

The two flying boats, with forty-seven aviation experts from Moscow and a Russian diplomatic official from Washington, who joined them at Nome, arrived at Kodiak last night. There was no information on when the Russians expected to take off.

The navy base at Sitka, about 700 miles due west across the Gulf of Alaska and the North Pacific, appeared the next likely stopping spot.

The War Department in Washington announced yesterday that the Russians were coming to the United States on a "purely technical mission" in connection with airplane production.

JAPANESE WARN THAT RUSSIAN SPIRIT MAY ENDANGER GERMANS

Tokyo, Sept. 3.—(AP)—Domei news agency quoted a commentator today as saying the approach of winter would not affect the German-Russian war but warned of the strength of Russia's spirit.

"The Russians have a radical, fatalistic view of life and that counts most. . . . the commentator was quoted as saying.

"It is this fatalistic view of life which produces strong resistance and power. This is a grave question for Germany."

NO PACKAGED CIGARETTES

London, Sept. 3.—(AP)—Another inconvenience of war cropped up today when a tobacco manufacturer announced he would sell cigarettes loose because of a cardboard shortage.

By LOUIS HUNTER  
(Canadian Press Staff Writer)

A British Port, Sept. 3.—(C. P. Cable)—The Third Canadian Division has been raised almost to full strength with the arrival at this war-scarred port of a large contingent of troops representing all parts of Canada from Halifax to Victoria.

Maj.-Gen. C. B. Price of Montreal, divisional commander who visited ships in the convoy to greet the new arrivals, acknowledged with a wave of his cap cheers and shouts of "Bring on the war" and "We have come to win the war," as a launch carrying him and other members of a welcoming party approached the big transports which were escorted safely from an East Coast Canadian port by warships of the Royal Navy and Royal Canadian Navy.

The tin-hatted soldiers, anxious to get ashore to join the 100,000 other Canadians guarding vital areas of the United Kingdom, included a West Coast infantry regiment, a Western Canada rifle regiment, a Quebec reconnaissance regiment, a detachment of the Royal Canadian Engineers, anti-aircraft units of the Royal Canadian Artillery and an ambulance unit of the Royal Canadian Army Medical Corps, recruited mostly from Ontario, as well as mobile laundry department of the Royal Canadian Ordnance Corps which included French-Canadians and Western Canadians who had given up all kinds of jobs to keep the army's linen clean.

Gen. Price, who was accompanied by Rear-Admiral Sir Arthur Bromley of the Dominion Office, brought a message from Prime Minister Mackenzie King which was read as the General stood on the after deck of each of the transports with soldiers crowded on the companionways, around the hatches and in the lifeboats.

"I send my warmest greetings to you, my fellow Canadians, upon your arrival in the United Kingdom," the message said. "You have come to Britain to help in breaking the back of the enemy who is now in many countries in Europe. In these isles you will be defending the citadel of freedom."

"No greater honor can fall to your lot. I wish the opportunity were permitted me to welcome you all in person."

### Another Big Attendance At Brome Fair For Second Day

### PLAN FURTHER NAVAL GROWTH

Halifax, Sept. 3.—(AP)—Hon. Angus L. Macdonald, Defence Minister for Naval Affairs, told newsmen here last night "more men and more ships" would soon be added to Canada's rapidly growing navy.

In line with this "continuous and steady expansion," he said, would be the building of "Tribal" class destroyers in the Dominion. Keels for the first of these would be laid "very soon" in Halifax, the Minister disclosed.

The former Nova Scotia Premier is making a brief visit with his family here.

Brome, Sept. 3.—With ideal weather conditions prevailing on the second day of Brome Fair, another great crowd visited the fair grounds yesterday to view the scores of fine cattle, the large exhibits of horses, poultry, sheep and swine, the beautiful floral displays and the exhibits of cooking, canning and fancy work that for years have made the Brome County exhibition one of the finest of its kind in Canada.

There were thousands, too, who thronged Sim's Midway throughout the day to enjoy the rides and games of chance, and to witness the thrilling horse races, the military manoeuvres and the outstanding vaudeville attractions in front of the grandstand in the afternoon, and the usual grandstand performance at night.

The grandstand was filled to capacity for both performances, with the afternoon crowd deriving particular enjoyment from the one-half mile parade of the County's finest livestock on the race track.

Judging was completed in the cattle and poultry sections yesterday afternoon, and there was a large display of horses shown on halter, as well as judging in many carriage classes. Principal prize-winners in various classes yesterday were: Pair of carriage horses and two classes of high-steppers, special, A. A. Milton, of Magog; general purpose colt, Allen Whitteer, of Foster; light driver, special, Mrs. M. J. M. Magog; Jersey cattle, W. Elmo, of St. John's; and a number of other prize-winners.

Races today will be the 220 and the Free-for-All, while a feature of tonight's programme will be a competition of the Civilian Protection Committee units of Brome County.

### Japan Facing Gravest Crisis Of History, Premier Prince Claims

Tokyo, Sept. 3.—(AP)—Premier Prince Fumimaro Kono today told Government and war industries representatives today that Japan was facing the gravest crisis in her history, and that total mobilization was necessary to overcome the emergency.

It was Kono's first public statement since July 30 and came as the proposed movement of United States war supplies to Soviet Russia through waters adjacent to Japan was a subject of discussion in Tokyo, Washington and Moscow.

The Premier spoke before a round table conference of Government executives and leaders of business concerns, one of a series of meetings instituted by the National Service Association to develop Japan's economic power.

Leaders of Tohoku, Nationalist political group headed by Seigo Nakano, threw their support to proposals for establishment of an ocean safety zone around Japan, a plan which Kono was said yesterday to have under consideration.

Flight of two Soviet planes across the Bering Sea to Alaska (bearing forty-seven Russian airmen on what was described in Washington as a "purely technical mission") was cited by the Japan Times and Advertiser as indicating a possibility of future dangers in the North.

"Any effort to establish a system of warplane service between the American and Asiatic continents," he said, "will be viewed by authorities charged with the defence of Japan as a question of state and international importance."

Meanwhile, the newspaper Yomiuri carried an interview in which Rear-Admiral K. Turner, of the United States Navy, was quoted as saying Japan should make an expression of good-will if she expected the United States to do likewise.

Admiral Turner was said to have told Jiji Kasei, member of the Japanese Diet, in an interview at Washington that bellicose views attributed to some State Department and naval young-bloods did not reflect the general American attitude.

He was quoted further as saying the United States Government and navy wanted to avoid war with Japan, but that there had been a hardening of public opinion against Japan, especially since her move into French Indo-China.

Shoji Koyama, Speaker of the Japanese House of Representatives for the past four years, and Kazutami Tago, Deputy Speaker, resigned today simultaneously with the formation of a new House of Representatives National Service Federation.

Our general policy is simple," the Board announced, outlining its plan of operations. "Production shall be stimulated and organized to the limit of the nation's resources."

"We must forego the less essential that we may have an abundance of the essential. By less essential industry is meant those industrial activities involving use of materials and production facilities which are not necessary to a realistic all-out defence programme."

To accomplish this purpose, the Board said a code of regulations would be worked out with the idea of making the most effective use of available raw materials and production facilities for military and essential civilian needs.

The Board also promised action to obtain vital materials which it said are being hoarded by certain industries and traders. It likewise served notice it would not tolerate speculation in such necessary supplies.

In discussing the projected increase in arms expenditure, Mr. Roosevelt said the additional funds would be largely in general appropriations, rather than as a special

### Berlin Becomes Chief Objective Of British Night Aerial Attack

London, Sept. 3.—(AP)—Waves of Royal Air Force planes swept across the English Channel last night and early today to continue a round-the-clock offensive by blasting at Berlin, parts of Southwest Germany and Nazi-occupied France.

The Air Ministry said that Berlin and Frankfurt were the main objectives of the overnight attacks, and that other points in Western Germany including Mannheim, also were bombed as well as docks at Dunkerque and the port of Ostend in Belgium.

At Frankfurt a severe attack was made on railway communication lines and industrial targets. Large bombs fell on industrial buildings in Berlin and great fires were observed as the British bombers set a course for home.

Nine R.A.F. planes were lost in the night operations.

The first wave of British night raiders droned Eastward shortly after midnight and violent anti-aircraft flashes lighting the sky over Boulogne and Calais indicated that the French coast—hammered all day Tuesday—was taking another pounding.

Succeeding waves of long-range bombers, flying at higher altitudes, carried the attack to the heart of Germany where thousands of citizens raced to air-raid shelters.

(Nazi sources in Berlin admitted the German capital experienced the liveliest air raid in months. An announcement said that strong R.A.F. units participated in the raid over Berlin and Northern, Central and

Southwestern areas of the Reich. Explosive and incendiary bombs were dropped.

(As an indication of how widespread the British raids were, the British Broadcasting Corporation said last night in a broadcast heard in New York that the biggest radio blackout of the war was reported in Germany and Nazi-occupied countries.

(The broadcast said German and German-controlled stations in Eastern Europe, including Budapest, Bucharest and Prague, shut down after midnight. It was the first time so many stations left the air at the same time. German stations remained off the air four hours after closing down.)

Over the British Isles during the night, enemy activity was slight. A small number of German planes dropped bombs at one or two places in East Anglia and in Northeast England and some damage was caused. No casualties were reported.

Anti-aircraft fire was heard in London shortly after dawn today but there was no alarm and it was presumed the guns were firing at German reconnaissance planes.

### WAR BULLETINS

Rome — The Italian high command reported and exchange of air blows in the Mediterranean theatre today and claimed Fascist forces in East Africa had made a successful attack on British lines in Ethiopia.

Italian planes, the communique said, bombed and machine-gunned a column of British trucks near the Giarabub oasis in Libya and British planes raided the Libyan port of Bengasi and several places on Sicily.

London — Britain is insisting that "the menace represented by the large and potentially-dangerous German community in Iran be effectively and fully eliminated in the shortest possible time," authorities said today.

Instructions to this effect have been sent to diplomats negotiating terms with the Iranian Government at Teheran. The broad principles of an agreement are reported to have been reached among British, Russian and Iranian negotiators.

### Trouble Brewing For Long Time, Aluminum Company Workers Claim

By D'ARCY O'DONNELL  
(Canadian Press Staff Writer)

Chicoutimi, Que., Sept. 3.—(AP)—The rest of the line foremen and members of two strike committees are slated to testify today before the Royal Commission investigating the reasons for a five-day strike last July at the Aluminum Company of Canada plant at nearby Arvida.

Eleven witnesses took the stand yesterday when the hearings were resumed after a holiday week-end adjournment.

One of those to testify was Leo Tremblay, a head potman, who told the gathering a group of men in the potroom had planned to go on strike a year ago, but the move failed because others refused to join. He was

coarse necessary to a realistic all-out defence programme."

To accomplish this purpose, the Board said a code of regulations would be worked out with the idea of making the most effective use of available raw materials and production facilities for military and essential civilian needs.

The Board also promised action to obtain vital materials which it said are being hoarded by certain industries and traders. It likewise served notice it would not tolerate speculation in such necessary supplies.

ductions and the small bonus caused the walkout.

Johnny Perron, another head potman, also believed "the wages were cut too much by tax deductions."

The Commission heard from Willem Laurensen, general plant foreman, that the men expected a cost-of-living bonus July 23. He said the workers were under the impression that the cost-of-living bonus of \$1.93 a week paid employees of the Canadian Pacific Railway would apply to all other industries.

Albert Sangwine, supervisor in Plant No. 4, where the walkout allegedly started, said he knew nothing of the strike until he was told the men were leaving their posts.

He said bands of strikers entered the plant from time to time after the strike started, and urged others to join them. "I thought all along that we would get help so that we could protect those who wished to work."

Sangwine told the hearing that the first group of strikers to come through were "pale-faced, afraid and fairly determined. The second group surprised to see we had carried on so long and were determined to stop the work."

"They were determined, however, not to damage any equipment because they did not bother the plant foreman."

Others heard during the morning and afternoon sittings were Felix Roy, a head potman, and Olivier Dubeau and A. Bouchard, both line foremen.

## NEW EXCHANGE INAUGURATED AT COOKSHIRE

Many Distinguished Visitors

—J. A. Blanchette, M.P.,  
in Address.

Cookshire, Sept. 3.—Under the auspices of the Women's Institute, the inauguration of the Women's Exchange in Compton County was held in Victoria Hall, Cookshire. Following the singing of "O Canada," the guests were welcomed by Mr. Pratt, of Cookshire, who praised the quality and quantity of the display of handicrafts.

The County W.I. President, Mrs. H. A. Scarth, of Stouffville, spoke briefly of the aim of the Institute in sponsoring the exchange, an experiment, which, it is hoped, will promote and develop the creative spirit in handicraft work in the county.

Letters of regret at unavoidable absence, with good wishes for the success of the undertaking, were read from Premier Goudreau, Mrs. Dow, Provincial W.I. President, and Mrs. Petch, Provincial Past President. Speaking in both English and French, W. J. Duffy, M.L.A., of Goudreau, expressed surprise at the wonderful display of outstanding exhibits and congratulated the Women's Institute on the renewal of handicraft.

Miss Roberta Scott, Demonstrator of the Quebec W.I., tendered good wishes for continued success in the new departure, after which

## NAME HIGHWAY OVERSEAS FOR LOCAL MAJOR

Major E. J. Young, Nephew of  
Mrs. George Robins, Had  
Charge of Vital Construc-  
tion Job "Somewhere in  
Britain."

Sherbrooke citizens will be interested to learn that a Canadian-built highway "somewhere in Britain," opened formally recently by Prime Minister Mackenzie King, was built under the supervision of Major E. J. Young, of North Bay, Ont., a native of this city and a nephew of Mrs. George Robins, of Magog Street.

Constructed to detour a congested town, the road "might mean the saving of 1,000 lives in one night," according to Gen. A.G.L. McNair, Commander of the Canadian Corps Overseas, who described it as a vital link in the anti-invasion plans of Britain.

The road is called Young Street, after Major Young, who commanded the Canadian construction detachment. It is described technically as a balanced cut-and-fill job on which Canadian and American equipment was used. The material was supplied by the British Government and the labor and equipment by the Canadian Army.

A veteran of the First Great War, Major Young was recruiting officer in North Bay for a time at the outset of the present struggle. His unit was one of the first of the Canadian troops to go Overseas.

## GOULD CONCERT IN BENEFIT OF OVERSEAS FUND

Gould, Sept. 3.—An enjoyable event took place in the town hall when a social evening, sponsored by Mr. Arnold MacDonald, of North Hill, was successfully carried out for the purpose of raising money to help buy the contents of boxes sent to the local boys and girls Overseas.

With Mr. W. R. Elliott acting as chairman, a short programme was presented, opening with violin selections by Arnold MacDonald and Gerald MacKay accompanied at the piano by Miss Eleanor Duffy. Miss Mary Gates favored with a song accompanied by Mrs. Gates. Remarks were given by Mr. W. J. Duffy, M.L.A., after which dancing was enjoyed with music furnished by the above mentioned violinists accompanied by Mrs. Hamilton and Miss Lois Hamilton.

During a short intermission refreshments were served. Dancing was resumed and continued till a late hour. A large number were present showing their appreciation of the object for which the entertainment was given when \$22.50 was raised.

It is hoped this little movement will increase an interest in the Red Cross Branch in this district.

A poem of Mr. Elliott's composition was read at the meeting.

## Railways Cut

Continued from Page 1  
Eastern and Western railroads meanwhile joined in a voluntary fifty per cent cut in the freight rate on crude oil, to encourage rail shipments from the mid-continent to Eastern refineries. The new reduced rate of 2 1/2 cents a gallon compares with the steamship tanker rate of one cent.

The current Eastern fuel stringency has been attributed officially to a scarcity of tank ships, caused by assignments of vessels to Britain. Oil men said the new rail rates should prove helpful in making up the shortage.

Pelley, as spokesman for the railroads, urged use of tank cars for hauling gasoline and oil to the East several weeks ago. He then estimated that 17,500 railroad cars were available although Davies told the Senate Committee his aides had been unable to locate these idle cars.

flight of Russian technicians from Siberia to Nome, en route to the United States, said today it saw pressure against Japan in the development.

"Japan must re-examine her position with regard to this Northern passage if adequate defence is to be realized," it is said.

"The country cannot stand idly by while a scheme of Northern encirclement is in the making."

A message in French was given by Mrs. J. A. Emberton. A short talk was given by J. A. Blanchette, M.P., who commended the Women's Institute on laying a foundation for an important movement which should prove an asset to the County, Province and country. Mr. Blanchette also spoke of the new order in the economic field, establishing a firm basis at the termination of the war. The meeting closed with the National Anthem.

Those on the platform included W. J. Duffy, M.L.A., J. A. Blanchette, M.P., and Mrs. Blanchette, Mr. Pratt, Miss Roberta Scott, Mrs. H. A. Scarth and other members of the County Executive.

On Thursday, members directed the sale of exhibits, which included rugs, woven, hooked and braided, patchwork quilts, woodwork, parchment, cooking, sewing, knitting, crocheting, redwork, shell work, jams, pickles, flowers and vegetables. The outstanding exhibits were hand-woven blankets, spreads, curtains, rugs and hammocks. Dinner and tea were served by Institute members.

## FATAL MISHAP NEAR LAMBTON TO BE PROBED

Car-Truck Collision Claiming  
Two Lives and Injuring Six  
Other People Will Be In-  
vestigated Tonight.

Lambton, Sept. 3.—Two lives were lost and six people injured in a collision between an automobile and a truck two miles from Lambton on the Lambton-St. Romain highway which is to be probed tonight by a coroner's jury at Lambton.

Those killed instantly in the collision were Miss Claire Labrecque, 18, daughter of Mr. and Mrs. Raoul Labrecque, of Lambton, and Gilles Bernier, 16, son of Mr. and Mrs. Edmond Bernier, of St. Sebastian. Bernier was at the wheel of the death car when it collided late Monday night with a fruit truck owned and driven by M. Bergeron, of Coaticook, who was accompanied by his son. The Bergerons were uninjured.

Carmen Bernier, 22, of Lambton, received a possible skull fracture and may lose the sight of an eye. Lesser injuries were suffered by Miss Celeste Gagnon, 16, Roger Gagnon, 20, Laval Gagnon, 18, and Miss Lucille Gagnon, 21, all of Lambton, and Camille Bernier, 18, of St. Sebastian. They were taken to Mrs. Ronald Roy's hospital in Lambton.

Mr. Roosevelt did disclose, however, that he hoped to have a new Lease-Lend programme ready for Congress in a week or so. The original Lease-Lend appropriation was \$7,000,000,000 and Congressional informants said they expected the new programme to be in the vicinity of \$5,000,000,000.

Appropriations of the original fund, Mr. Roosevelt told reporters that all of it already had been allocated. Orders covering half the amount have been placed, he said, and the remainder will be covered in sixty to ninety days.

## WOMEN'S CLUBS

### MUNICIPAL CHAPTER I.O.D.E.

Mrs. W. E. Loomis, Regent of the Sherbrooke Chapter, I.O.D.E., warmly welcomed the large number of members who attended the opening fall meeting at the MacKinnon Memorial last evening.

After the disposition of routine business, special features of the gathering included plans and the appointment of conveners and helpers for the annual I.O.D.E. Tag Days on September 26 and 27, and the announcement that contributions for the Mary Barrow Nursing Service Fund should be handed in as soon as possible.

Discussion ensued regarding the coming season's activities and Primary Chapters were requested to submit their plans without delay to the Municipal Chapter, in order to avoid conflicting dates.

The war service report by Mrs. Albert Reid was outstanding and proved that the I.O.D.E. in Sherbrooke had not spent their summer holidays for themselves, but had devoted much time and energy towards helping others to "win the war."

It was decided to purchase a large order for gloves for soldiers in Great Britain, in answer to an imperative demand and an urgent special appeal for same. It was also decided that the I.O.D.E. would supply five British war guests with school uniforms, shoes and stockings.

A request was made for playing cards to be left at the Y.M.C.A. for the men at the Lord Sherbrooke Training Camp.

It was agreed to purchase a large quantity of wool for immediate distribution.

In answer to an appeal from England for girls' pianofortes, nineteen covers were brought in for yesterday's meeting and other articles for distribution in bombed areas in England.

Members of the Auxiliary met on Monday evening at the home of their President, Mrs. H. P. Hamel, Wolfe Street.

The customary opening prayer, correspondence was attended to, letters of thanks from Overseas being read by the President, each soldier, airman or sailor expressing their appreciation for cigarettes and other comforts forwarded by the Auxiliary.

Mrs. Hamel gratefully acknowledged a donation towards a box for a sick soldier Overseas, from Mrs. Wright, and also read letters from Mrs. C. Moss, Compton, and Mrs. Kain, Queen's County, N.S., congratulating the Auxiliary upon the excellent work being done for the King's Forces on sea, land and in the air.

Mr. and Mrs. H. Maskell sent a card of thanks for sympathy extended by the President and members during their recent sad bereavement.

The evening's work consisted of pecking an Overseas box, ironing silver foil and knitting.

It was reported that a carton of clothing had been forwarded for Bundles for Britain.

Refreshments were served by Mrs. Jack Whitaker acting hostess with Mrs. George Mouldy assisting.

The meeting closed with the singing of God Save the King.

## COMMERCIAL BODY SEEKS CLOSER CO-OPERATION

Members of Trade Group's  
Council to Meet with Civic  
Representatives in Near  
Future.

Routine matters were discussed by members of the Council of the Sherbrooke Chamber of Commerce at a regular semi-monthly meeting held at the Chamber's headquarters in the Sherbrooke Trust Building yesterday afternoon under the presidency of L. W. Dixon.

Among those who attended the meeting were Aveline Noel, J. O. Nault, A. W. Reid, N. V. Cloutier, G. D. Wadsworth and C. de L. Miznault.

George W. Murphy, Vice-President of J. S. Mitchell and Company, was chosen as the delegate to represent the local Board at the annual meeting of the Canadian Chamber of Commerce which will be held at the Seignior Club September 17 and 18.

Although it was not announced in the official communiqué issued by the Secretary, Alberic Julien, it was learned today that members of the Council will shortly confer with Mayor Joseph Labrecque and the Aldermen when mutual problems will be discussed.

Chief complaint in the past has been that there was a lack of co-operation between members of the Chamber of Commerce and the City Hall and it is with a view to putting an end to this difference that the members of the Council have decided to be ready to take their place beside other units of Canada's Overseas army by November 1.

Between now and that date, Gen. Price said, the men would undergo heavy training. "I know you will put your hearts into the training and I can depend upon you not to miss a minute of that work," he said.

Ear-shattering cheers met Gen. Price's announcement that the men would have landing leave in a few days.

Sir Arthur, welcoming the Canadians in behalf of the British Government, said: "Lord knows, we want your help."

The majority of the new arrivals were from Western Canada and the Pacific Coast with Quebec and Ontario next. It was estimated 200 Americans were sprinkled among the various units. Many of the soldiers expressed disappointment that their crossing was so peaceful.

Escorting warships dropped depth charges once but there was no evidence of submarines in the vicinity. The major complaint was that "there was too much fog."

The men milled around The Canadian Press representative, the only newspaperman to meet the men when they learned that news of their arrival would be carried back to Canada, pieces torn from cigarette packages, on which they had scribbled their names and home towns. Some uttered phrases.

A Canadian reconnaissance regiment which L.-Col. R. O. Osmond, of Montreal, said had chosen itself to be "The Spearhead of the Canadian Army" boasted representatives of the Eastern Provinces and a number of American states.

L.-Col. Dermot Baker, a former Montreal newspaperman, was said to be his profession temporarily by rounding up a group on a deck corner and collecting names which included Sgt. A. R. Stewart, of Sherbrooke, Que., Mrs. A. Martin and H. L. MacFarlane, of Truro, N.S., F. Davies, of Farnham, Que., A. Fourie, of St. John's, Que., Keith Anderson, of Valleyfield, Que., and R. ## PLAYGROUND TO HAVE SURPLUS FOR THIS YEAR

Vacation Colony Finances to  
Be in Blue Bracket for First  
Time Since Inauguration.

Indicative of the long strides taken this year by the Vacation Colony in Jacques Cartier Park was the announcement last night by President Eugene Lalonde, at the second annual banquet in honor of the residents of the Sacred Heart Hospice, that the Colony would this year realize a surplus of over \$100, the first time since the organization of the group ten years ago that the figures have been on the blue side of the ledger.

Mr. Lalonde spoke briefly about the work for Sherbrooke children carried on by trained supervisors throughout the summer, and expressed thanks to Mayor Joseph Labrecque and the City Council for their encouraging interest in and support of the Colony.

In Mr. Lalonde's opinion there are four requirements in connection with the Colony in which the Council might well take an interest. The first place, a sidewalk along the shore of the Magog River from the city to the Colony would make a safer and more pleasant route available for adults and children alike. Then, too, he said, the road leading from King Street West to the Park should be improved, a bandstand should be built, suitable for entertainments and concerts, and conditions on beach and the circulation of water need to be bettered.

London, Sept. 3.—(P)—The British Government, forced to seek a replacement for Rt. Hon. Arthur Purvis, who was killed in an aircraft crash in Britain two weeks ago, today selected another distinguished Canadian as the Empire's chief purchasing agent in the United States.

A formal announcement from Mr. Churchill's official residence revealed that the choice had fallen upon Morris Wilson, Montreal banker who has been Deputy Chairman of the British Supply Council in North America, and now steps up to Mr. Purvis' position as Chairman.

Appointments of E. Taylor, Toronto industrialist, to the newly-created post of Chief Executive Officer of the Council also was announced.

Both Mr. Wilson and Mr. Taylor have been in Washington for many months, the former engaged largely in matters concerning the supply of American-built planes for the Ministry of Aircraft Production, and Mr. Taylor dealing with the supply to the United States of defence materials available in Canada.

Mr. Wilson became the representative of the Aircraft Production Ministry in Canada and the United States shortly after it was set up in June, 1940, and as such was a right-hand man to Lord Beaverbrook.

He has been President of the Royal Bank of Canada since 1934 and is a director of several well-known Canadian companies.

Mr. Taylor was Executive Assistant to the Canadian Supply Ministry, Hon. C. D. Howe, for the first year and a half of this war. Then he was appointed President of War Supplies, Limited, a Canadian Government company organized to implement the Hyde Park agreement under which Canada supplies defence materials to the United States.

For the next three nights, it added, the Germans made no move, but could not dislodge the Russians.

At the same time the Red air fleet and the Nazi air force were reported testing strength anew as Nazi bombers blasted at Russian defence positions before which the German advance was said to have been virtually stymied for the last six days.

Claiming an edge in the fierce dog-fights along the battlefront, Russian pilots said they shot down 195 German planes Saturday, Sunday and Monday, with a loss of less than a third of that many Russian aircraft.

Today's earliest communiqué said a large formation of German bombers was beaten off from an attempt on a heavily-fortified sector, pursued to their own airfield by Russian planes, and bombed when they landed.

The communiqué acknowledged the loss of the Estonian capital and Baltic naval base, Tallinn, whose capture the Germans claimed last Friday. The war bulletin indicated a stubborn fight was continuing in the same principal defence lines the Red army had reported holding for almost a week.

A mid-day communiqué said, "Our troops continued to fight the enemy on the entire front."

(The Nazis claimed their troops had penetrated to the rail-line town of Krasnogoravsk, twenty miles South of hard-pressed Leningrad.)

S. A. Lozovsky, Soviet spokesman and Vice-Commissioner for Foreign Affairs, said last night Hitler's losses on the Russian front had drained German manpower so deeply Mussolini had been called upon to fill the gaps in the ranks with Italian troops.

The Soviet spokesman, at the same time, denied foreign reports that negotiations had been started between Russia and Finland for a peace.

Of Italy, Lozovsky said: "It is quite clear that Germany, having lost more than 2,000,000 men on the Eastern front, has decided it was time to make Italy pay her share of blood and cannon fodder."

He said an Italian effort to send a volunteer army against Russia had failed and added: "When it comes to the actual sending of Italian armies to the Eastern Front, then Premier Mus-

## FINANCIAL AND MARKET NEWS

### MONTREAL LIVE STOCK MARKET

Montreal, Sept. 3.—(P)—There were 74 cattle, 59 sheep and lambs, 129 hogs, and 118 calves for sale on the two Montreal livestock markets today.

Prices on all classes of livestock were firm.

The cattle offered were mostly cows and bulls. Butcher cows were \$4.75 to \$7.25 tops \$7.50. Canners and cutters \$5.50 to \$4.50, common bulls \$4.50 to \$5.75.

Veal calves were \$9 to \$12. Good quality veals brought \$12 up. Drinkers \$7 to \$8.50 and grassers mostly \$6 to \$6.50.

Good ewes and wethers were \$11.50. Buck lambs and culls were \$2 per cwt. Sheep were \$3.50 to \$6.50.

The bulk of the hogs were sold on a rail grade basis at \$14.75 for M-1 and \$11.25 to \$11.35 of trucks delivered live weight. Grade A drew \$1 per hog premium with discounts on off grades. Sows were \$8 to \$9 live weight.

### MORRIS WILSON NAMED TO FILL DEFENCE POST

### MONTREAL CURE MARKET

Montreal, Sept. 3.—Continued strength in eggs under light receipts and good inquiry featured local produce trade. Grade shipments were selling on spot at 41 cents for A-l eggs, about the same as last Saturday and 2 cents higher than Friday's level. There were further sharp upward adjustments in small lot offerings to retailers, as a result, but there was an exceptionally wide range in these particular prices.

This was said due to ability of some jobbers to sell from stocks purchased last week. The open wholesale butter market was easier at 36 to 36 1/2 cents for No. 1 pasteurized while Commodity Exchange spot sales were also somewhat easier. There was a good demand for potatoes, receipts of Quebec 2's being heavy and the price range slightly easier. Other items were about steady.

## Licensing Of Bicycles Given Unanimous Council Approval

Measure Imposing Thirty-Five Cent Licence Fee on Bicycles Owned by Local Citizens Given Second and Third Reading by Council—Compulsory Installation of Check Valves Also Approved.

Receiving second and third readings in rapid order after its submission to the City Council last evening, the by-law providing for the licensing of bicycles was unanimously approved by the Aldermen and is now in effect. According to the terms of the original by-law, a charge of twenty-five cents was to be levied on each machine licensed, but a minor amendment was made last evening which increased the charge to thirty-five cents. In announcing the change, the sponsor of the measure, Ald. Cinq-Mars pointed out that the plates would cost this sum and that therefore the City was actually gaining no revenue from the new measure. Essentially it was a control measure, designed to give the police authorities more information on the

activities of cyclists and at the same time ease the task of locating stolen machines. Although the meeting last night was the first regular session since the spring adjournment, a number of special meetings throughout the summer had disposed of current business to a great extent with the result that little business was on the order paper and the much-delayed session lasted but a few minutes.

Aside from the approval of the by-law licensing bicycles, the chief item of business to come up was the by-law which compels the installation of check-valves in sewers in event of unusually heavy rains. In event of the failure of the property-owner to install these check-valves or other safety devices, the city is relieved of any responsibility for flood damage.

This by-law results from the heavy rainstorm of last July when a number of cellars on Wellington Street and other parts of the city were flooded owing to overflowing sewers. A number of damage actions have been entered against the city by the proprietors, and while the Council contests its liability under existing legislation, the new by-law definitely shifts the responsibility to the proprietors.

The greater part of the half-hour session was devoted to the approval of committee reports calling for the purchase of a wide range of routine articles, most of which have already been effected, and the payment of wages and salaries for the month of August.

At the close of the meeting, Ald. A. C. Ross, Chairman of the Electric Committee, reviewed the recent trip made by some members of the Council to La Tuque, where they were guests of the Shawinigan Water and Power Company. On this trip, which was made without cost to the city or the Aldermen, the giant plant of the Company was inspected and some good fishing enjoyed.

Although favoring the proposal, Ald. Ross expressed the hope that the duties might be performed by one of the numerous officials already in the employ of the Department of Agriculture.

## PRINCIPLES OF ROTARY NEEDED IN PEACE PACT

International Governor Describes How All Nationalities Get Together in Syria.

Francis Kettaneh, of Beyrouth, Lebanon, director of Rotary International, told members of the local Rotary Club in an address at the New Sherbrooke House last night that "there is no doubt that we will win this war" but that the important thing was "winning the peace which will follow."

The speaker warned against such a pact as the Versailles Treaty and said that "we must go to the peace table without hate in our hearts as that is the only way in which we can build a safer and saner world."

Mr. Kettaneh said that the world in general would do well to follow the principles of Rotary because under the Rotarian banner all men were equal and there was never any question of race or creed.

The Rotarian director spoke of the work accomplished by Rotarians in Iraq, Palestine and other points where the Jew and Arab met. He said that the Arab and the Jew "might be enemies, but each other on the streets" but "they seem to be able to get along under the Rotary table."

In spite of the difference which existed between the Arab and the Jew, Mr. Kettaneh said that the Rotarians always managed to meet regularly and that all controversial subjects were forgotten when they did get together.

He said the fact that men of twenty different nationalities could meet under the Rotary banner without any difference of opinion was still a hope that international problems could be solved without bloodshed.

The speaker gave the Rotarians an outline of the history of Damascus, capital of Syria, one of the oldest cities in the world and described living conditions in that part of the world.

He said that there was something about the history of "Eastern civilization" which the manpower of Hitler's army could not wipe out and that it would "continue to live long after Hitler has been forgotten."

The speaker was introduced by George Ewing, who spoke of the outstanding record which Mr. Kettaneh had achieved in Rotary International and he was thanked by Rotarian A. C. Skinner, who recalled some "four memories" of the visit which he made to Syria several years ago.

Birthday greetings were extended by President A. A. Munster to Lt. Col. Emile Levesque and D. J. McManamy.

Among the guests were Harlan M. Bisbee, Rotary Governor for District 193, Dover, N.H.; J. J. Marnell, of Quebec City, and several others.

Inquiries received by the municipally-operated Tourist Bureau during the month of August were the largest since the office was opened in 1937, the year of the Centenary celebrations, according to a report issued today by Jean Joncas, acting director.

While actually there were more people in the city during the August Centenary celebrations, inquiries at the Bureau were not in such great number as they were this year, but this is attributed to the fact that gasoline restrictions made a number of tourists make inquiries which they would not have made under other circumstances.

The number of persons who made inquiries at the Bureau during the month of August, 1940, was 1,609, while during the same month this year the total was 3,246.

Inquiries about hotels alone jumped from 93 in August, 1940, to 212 in the same month this year, while queries about maps, routes, etc., jumped from 882 to 1,024.

Popularity of the Gaspé tour was evidenced in the number of inquiries about this trip, which jumped from 18 in 1940 to 104 in August this year.

## FORMER MEMBER OF PROVINCIAL HOUSE MOURNED

Henri Gerin, Forty-Year-Old Coaticook Lawyer, Died Yesterday Afternoon Following Heart Attack.

Coaticook, Sept. 3.—Henri Gerin, well-known resident of this town, who represented Stanstead County in the Provincial Legislature from November 2, 1938, until the general election in 1939, during the regime of Maurice Duplessis, died at his residence yesterday afternoon at about three o'clock, following a heart seizure. He was in his forty-first year.

Son of the late August Gerin, the deceased was a member of the legal firm of Samson and Gerin, Town Attorneys, belonged to the Bar of the District of St. Francis and was also an insurance agent.

In 1938, following the resignation as M.L.A. for Stanstead of Rouville Beaudry of Magog, Mr. Gerin was elected to the Legislature in place of Dr. E. C. Cabana, also of Magog, but was defeated the following year in the general election by Raymond Fregeau, of Rock Island, the present member.

Mr. Gerin is survived by his wife, the former Bernadette Codere, five brothers, Denis, of Coaticook, Etienne, of Magog, and Maurice Antoine and Rev. Father Marcel, of Montreal; seven sisters, Yvonne, Rev. Sister Therese l'Enfant Jesu, in China, Berthe, Rev. Sister Madeleine de la Croix, Marie, Rev. Sister Marie de Cenacle, Blanche, Rev. Sister Marie Auguste, Rachel, Rev. Sister Marie Leonie and Marie-Louise, Rev. Sister Marie Emma, all of Montreal, and Miss Jeanne Gerin, at home; and the following brothers and sisters-in-law: Rev. Canon N. Codere, Joseph Henri Codere, and J. G. Roy, of Sherbrooke, Louis Codere, of Lennoxville, and C. E. Troitier and Georges Cormier, of Montreal, the Misses Corne, Augustine and Eugenie Codere, Rev. Sister Therese de Jesus, Rev. Sister Ste. Adolphe and Mrs. J. G. Roy, of Sherbrooke, and Mrs. Troitier and Mrs. Mercier, of Montreal.

Funeral services will be held on Friday morning from the late residence to St. John the Evangelist Church, Coaticook, for nine-thirty o'clock.

**PARIS REJECTS ASSEMBLY-  
LINE CLOTHES**  
Paris, Sept. 3.—(A)—This hard-hit but persistent fashion capital has put up grimly with less food and drink and ersatz apparel such as pumps made from old Panama hats, but the howls were loud and long over a plan to turn out "assembly-line clothes." So the authorities hastily dropped the matter.

## HARD SURFACE IS SOUGHT FOR SECOND AVENUE

St. Jean Baptiste Church Parishioners Ask City Council for Asphalt Surface and Sidewalks.

At its regular meeting last evening, the City Council heard a request from a number of parishioners of St. Jean Baptiste Parish in East Sherbrooke for the construction of sidewalks and the laying of asphalt surface on Second Avenue from Council Street to the Church.

In presenting the petition of the delegation, O. Deziel pointed out that there is heavy traffic to the church and that on a rainy Sunday morning, the faithful often had to wade through a virtual sea of mud to reach their place of worship. Answering a number of questions by the Aldermen, Mr. Deziel stated that the City was being asked to care for the entire cost as the lands adjacent to the proposed works were owned either by the Parish or the Roman Catholic School Board. This precluded the usual procedure whereby the proprietors bore their cost of the work.

After being assured that their request would receive a sympathetic hearing from the Road Committee to whom it was referred, the delegation departed.

Another request for the laying of gas, water and sewer mains on Dominion Avenue North from Ontario Street, was received from Joseph V. Ames and referred to the committees concerned.

**BRITISH LIBRARIES SUFFER  
HEAVILY**  
London, Sept. 3.—(P)—Millions of books have been destroyed in air raids which destroyed twenty-five well-known libraries in British cities and towns, according to Sir Frederic Kenyon, Chairman of the Friends of the National Libraries.

They have been installed for the protection of both. The lights have the arrows allowing right turns on red lights.

**ARRIVES SAFELY OVERSEAS**  
A cablegram from Sgt.-Observer E. H. Martin, R.C.A.F., of Bury, who is well-known in Sherbrooke and vicinity, has been received by his parents, Mr. and Mrs. J. F. Martin, of Bury, announcing his safe arrival Overseas.

## Old Folks And Orphans Guests Of Vacation Colony Officials

Old people and orphans of the Sacred Heart Hospice on Belvidere Street had a big day yesterday when they were guests of the officials of the Vacation Colony, who entertained them throughout the afternoon and evening and served a banquet in their honor.

Several coaches of the Sherbrooke City Transit Company were chartered for a bus ride in the early afternoon. The Hospice residents, about one hundred strong, were driven around the city, visiting the Exhibition Grounds, the Lord Sherbrooke Training Centre and other points of interest.

Travelling to Jacques Cartier Park, the guests of honor were provided a short programme in which Constable Albert Bell, of the Police and Fire Department, George Vlahakis and Lorne Harding performed on a slack wire, and Gerard Denault provided acrobatic comedy.

Mrs. P. S. Desranleau, Lord Bishop of Sherbrooke, arrived at the Colony at about five o'clock and spoke briefly to the Hospice residents, pointing out how pleased he was to see them in such large numbers with their Sisters. Mrs. Desranleau also praised the excellent work that is being carried on at the Colony for the benefit of local children, and commended the officials for holding such an event for those in unfortunate circumstances.

Speaking at the largely-attended banquet in the evening, Mayor Joseph Labrecque paid a warm tribute to President Eugene Lalonde and his Colony officials for their untiring efforts in behalf of Sherbrooke, and pointed out that this was the second annual event for the Hospice residents. He also commended the Sisters of the Hospice for the selfless and devoted work for the residents, and told those under their care to show their gratitude to them by words of thanks and praise.

Too few of the residents of Sherbrooke appreciate the work that is carried on in behalf of poor people of all ages at the Sacred Heart Hospice, it was pointed out by J. S. Bourque, M.L.A., who spoke following Mayor Labrecque, and too few realize the sacrificial service of the Sisters. Mr. Bourque also lauded the Colony and its officials, and said that such an event as last night's should be held every year.

Maurice Gingues, M.P., spoke in similar vein, and remarks were also made by Ald. P. A. Cinq-Mars, President of the Boys' Work Committee, who had been in charge of the distribution of milk to the Colony. Ald. Cinq-Mars thanked those who had taken part in the afternoon programme. J. A. Rouleau, President of the Canadian Social Club and a Colony Director, spoke briefly about the past season, and Rev. Father Antoine Samson, Assistant Chaplain, dealt briefly with the activities for the children during the summer months. Two residents of the Hospice then expressed thanks for the hospitality they had received during the day.

Among those at the head table were President Eugene Lalonde and Mrs. Lalonde, Mayor Joseph Labrecque and Mrs. Labrecque, J. S. Bourque, M.L.A., and Mrs. Bourque, Maurice Gingues, M.P., Ald. J. O. Chertier and Mrs. Chertier, Ald. Armand Fiset and Mrs. Fiset, Ald. J. A. Robert, Ald. P. A. Cinq-Mars, Mr. and Mrs. Antonin Deslauriers, Mr. and Mrs. Maurice Cormier, Mr. and Mrs. J. A. Rouleau, Mr. and Mrs. J. O. Dubuc, Mr. and Mrs. A. Belanger, Dr. Valmore Olivier, Rev. Father Samson and others.

## WOMEN'S CLUBS

### LADIES' BRANCH SHERBROOKE COUNTRY CLUB

At a meeting of the Executive Committee of the Ladies' Branch of the Sherbrooke Country Club, held on Tuesday afternoon, several activities were arranged.

These included a bridge-party to be given at the club on September 13 to raise money for the C.L.G.U. Spitfire Fund.

Also the captains of the ladies' and men's teams submitted plans for a two-hall mixed foursome in the near future. It was further decided that the annual meeting, to be preceded by a luncheon at the club, would be held on Wednesday, October 1.

esses for their hospitality.

Mrs. James Towers, Work Converter for the Red Cross, was present, and much work was accomplished.

A letter was read from a soldier in England who had been remembered by Mrs. Ida Reed with a pair of mitts she had knit and donated to the Red Cross. The soldier expressed his thanks and appreciation. Mrs. Reed is eighty-five years old.

A form of attraction was a fish pond in aid of the Sunday School and Cradle Roll Department, which was supervised by Miss Lena Mae Towers. Miss Gwendolyn Bellam acted as cashier. Results were very gratifying.

At the close of the meeting, supper was served by the hostesses, assisted by Mrs. James Bellam.

## SWEETSBURG

Mrs. Charles Middell, of Shawinigan Falls, was a guest of her sister, Mrs. Eugene Hall.

## TESTED RECIPES

### SCHOOL BELL WILL RING SOON: PLAN A PICNIC!

By MRS. GAYNOR MADDOX  
School bells will soon be ringing, but there's still time for a few more picnics to make youngsters feel the summer has been full of good times. The following recipes have been tested for picnic usefulness and pleasure.

### MEAT LOAF ROAST (Serves 6)

Four tablespoons quick-cooking tapioca, ½ teaspoon salt, dash of cayenne, dash of black pepper, 1 teaspoon Worcestershire sauce, 1 teaspoon minced onion, 1 tablespoon minced parsley, 3½ cups ground cooked meat (veal, pork, ham, etc.), ¾ cup tomato juice or meat broth, ½ cup hot water and 2 tablespoons butter.

Combine tapioca, seasonings, onion, parsley, meat, and tomato juice. Shape into loaf in roaster or turn into loaf pan. Bake in hot oven (450° F.) 30 minutes, basting frequently with mixture of water and butter. Serve hot or cold.

### TOMORROW'S MENU

**BREAKFAST:** Grapes, scrambled eggs, whole-wheat toast, coffee, milk.

**LUNCHEON:** Potato soup, raw cabbage and apple salad, muffins, tea, milk.

**DINNER:** Meat loaf roast, gravy, brown rice, green corn, sliced tomato salad, stewed fruit, chocolate cake, coffee, milk.

### ONE-EGG CAKE

Two cups sifted cake flour, 2 teaspoons baking powder, ¼ teaspoon salt, 4 tablespoons butter or other shortening, 1 cup sugar, 1 egg unbeaten, ½ cup milk, 1 teaspoon vanilla.

Sift flour once, measure, add baking powder and salt, and sift together three times. Cream butter thoroughly, add sugar gradually, and cream together well. Add egg and beat very thoroughly. Add flour alternately with milk, a small amount at a time, beating after each addition until smooth. Add vanilla. Bake in greased pan, 8x8x2 inches, in moderate oven (350° F.) 50 minutes.

Several readers have asked to have this delicious, easy to make frosting repeated. So here it is.

### CHOCOLATE WONDER FROSTING

Three ounces (1 package) cream cheese, 2 to 3 tablespoons milk, 2 cups sifted confectioners' sugar, 2 squares unsweetened chocolate melted, dash of salt.

Soften cream cheese with milk. Add sugar, 1 cup at a time, blending after each addition. Add chocolate and salt and beat until smooth. Makes enough frosting to cover top and sides of 8x8x2 inch cake.

### KRISPIES BANANA TARTS

½ cup butter  
½ pound marshmallows (about 30)  
1½ teaspoon vanilla extract  
1½ cups package oven-popped rice cereal

Ice cream — Bananas  
Press cream marshmallow mixture into buttered tart pans or large muffin pans to form tart shells. Let set until firm; remove from pans. Fill with sliced bananas topped with ice cream.

Yield: 16 tarts (3 inches in diameter).

## Social and Personal

Mrs. W. S. Varney entertained the following guests at her home, 244 Wellington Street, for the week-end and Labor Day, her brother, Mr. George Muir, Mrs. Muir and their daughter, Eileen, Hartford, Conn., her parents, Mr. and Mrs. George Muir, Sr., and their daughter, Miss Mildred Muir, Beebe, and another brother, Mr. W. R. Muir, from Newport, Vt.

Mrs. E. P. Quinn entertained delightfully on Saturday afternoon between four and six o'clock at her residence in Bromptonville in honor of her daughter, Miss Evelyn Quinn, a bride-to-be of the week who has been much feted by her hosts of friends. Garden flowers in profusion were placed about the rooms, the hostess choosing petunias and English daisies to adorn the lace-covered tea table, which was lighted with tall white tapers in silver holders. Tea and coffee were poured by Mrs. Roy Andrews and Mrs. Frank Hovey, and the fees were served by Miss Genevieve Smith. Assisting in the tea room were Miss Viola Mullins, Miss Kathleen Loomis and Miss Monica Quinn.

Mr. and Mrs. G. E. Rowell gave the members of their staff a complimentary turkey dinner. Covers were laid for twenty, the table being beautifully adorned with small vases of cosmos and bowls of fruit. Flags and gladioli decorated the spacious room, which was en fête for the happy occasion. Mrs. A. E. Rowell acted as hostess in the absence of Mrs. G. Rowell, who has been called to Liverpool, N.S., by the serious illness of her father, Mr. Charles Zink. After the table, which was laden with good things, had been cleared, toasts and speeches were taken both at the table and on the grounds. After many expressions of appreciation had been voiced by members of the staff, the activities for this year were concluded by the singing of "God Save the King."

Among those who entertained for Miss Pearl Whiting prior to her marriage, which took place on Saturday, were Mrs. A. W. Brown and Mrs. P. Stanford, who gave a delightful party on Thursday evening at the latter's home on Federal Street. Bingo was played and after a pleasant sing-song with Mrs. G. F. Sims presiding at the piano, refreshments were served in the dining room. Mrs. J. C. Whiting, mother of the bride-elect, did the honors at the lace-covered table, which was centered with blue corn flowers and baby's breath in a silver vase and tall matching blue tapers in silver holders. During the interim the bride-to-be was presented with a miniature blue and white home with a flower garden edged with a picket fence, the latter concealing a set of lovely blue bedchamber lamps. Assisting were Miss Betty Whiting, Miss Evelyn Webb and Miss Ruby Whiting.

Mrs. W. D. Racicot, of Knowlton, is a guest of friends in Sherbrooke for a few days.

Mrs. de Winton, of London, England, is arriving in Sherbrooke today and will be a guest of Mr. and Mrs. Robert Newton, Victoria Street.

Miss Viola Thompson and Miss Irene Thompson, who have been visiting friends and relatives in East Angus and Sherbrooke, have returned home to Gatineau, Que.

Mrs. Donald Cameron, who has been a guest for a few days at Mrs. J. M. Jencke, Quebec Street, left yesterday for her home in Medford, Mass.

Flying Officer Mackenzie Hume, who has been transferred from Summerside, P.E.I., to St. Hubert, Montreal, spent the week-end with his mother, Mrs. Gordon Hume, Prospect Street.

Mrs. Ralph McVey and Miss Marion Badger spent the Labor Day week-end in Long Branch, Ont., visiting Sgt. Ralph McVey and Sgt. Laurence Varney, who are in training there.

Mr. and Mrs. E. R. Mullin, Aberdeen Avenue, who left on Sunday for a two weeks' vacation, journeyed first to Toronto, where they will spend several days and attend the Toronto Fair. When they leave the Queen City they will stop over in Shawinigan Falls to visit their son and daughter-in-law, Mr. and Mrs. Cecil Mullin, and later will tour the Maritimes, visiting Fredericton and Saint John in Nova Scotia, and Prince William in New Brunswick.

Miss Gwen Hurn gave a charmingly arranged miscellaneous sherry-party last evening at her home on Walton Avenue, for Miss Isabel Ross, a popular bride-to-be of the month. Bingo was played, the prizes being won by Miss Irma Ross and Miss Vivian Jones, the hostess presenting the sherry with lovely gifts to the bride-elect in a large hat box, daintily decorated in pink and silver tissue and topped with a colonial bouquet of pastel-shaded sweet peas. Later, when delicious refreshments were served, Miss Hurn was assisted by her mother, Mrs. T. C. Hurn, Helen Ross and Miss Peggy Wilcox.

## MARRIAGES

### RAWLINGS—WHITING

The marriage of Pearl Elsie, daughter of Mr. and Mrs. J. C. Whiting, Federal Street, to Mr. Harold Norman Rawlings, son of Mr. and Mrs. E. Rawlings, Wellington Street South, took place in Plymouth United Church on Saturday afternoon at half past one o'clock, the Rev. F. A. C. Dossie officiating. Plix and gladioli in tall standards were used to decorate the church and the guest-pews were marked with hydrangea.

Mr. C. V. Chamberlain presided at the organ playing the wedding marches and continuing a soft accompaniment throughout the ceremony.

The bride was given in marriage by her father and wore a floor-length gown of white sheer over taffeta, fashioned with long, full sleeves with tucked bands at the wrists, a deep shirred girdle and a tucked v-neck edged with tiny covered buttons.

Her finger-tip veil of tulle illusion was held in place with a coronet of orange blossoms and she carried an arm bouquet of Happy Day roses and bouvardia.

The maid of honor, Miss Ruby Whiting, sister of the bride, wore a floor-length frock of dusty-rose self-stripe sheer, made with a deep shirred bodice and short shirred sleeves. She wore a coronet of Sweetheart roses and forget-me-nots in her hair and carried a Colonial nosegay of the same flowers.

The bridesmaid, Miss Betty Whiting, also a sister of the bride, was wearing a open-blue dress fashioned on the same lines as the maid of honor's and used the same flowers for her coronet and bouquet.

Mrs. Whiting, the bride's mother, wore a grape-vine crepe dress, a black hat and accessories and a corsage of cream roses. Mrs. Rawlings, mother of the groom, was dressed in air-force blue with matching accessories and a corsage of pink roses.

Mr. Percy Rawlings acted as best man for his brother and the ushers were Mr. Leslie Whiting and Mr. George Loke.

The reception was held at the home of the bride's parents, where pink and white sweet peas, gladioli and ferns, were used for decorating in the hall and living room, while the bride's table, which was covered with a cut-work cloth, was centered with a three-tiered wedding cake topped with white sweet peas, while small silver vases of pink and white sweet peas were placed at each corner to meet the white ribbon streamers which fell from the chandelier above.

Later the bride and groom left to spend their honeymoon in Montreal and its environs, the bride travelling in a crater-blue flannel dressmaker suit, with a white eyelet blouse and a navy blue hat and accessories, and the groom in a grey flannel suit, 34-b Alexander Street, Sherbrooke.

The out-of-town guests included Miss Jean Whiting, Miss Norma Whiting, Stanhope; Mrs. Arnold McNab, Rock Island; Mr. and Mrs. H. T. Cleveland and Mr. and Mrs. W. L. Cleveland, Barnston.

The bride and groom received a congratulatory telegram from Mr. and Mrs. A. L. Brownlow, Philadelphia, Penn.

## Girls' Smart Two-Piece Style

MARIAN MARTIN  
Pattern 9782

A new season is just around the corner—the smartly ready with this Marian Martin two-piece, Pattern 9782! It's simple as can be to make. ## EVACUEES GET TEN DOLLARS FOR RED CROSS

**North Hatley Children Earn Money by Selling Rides on Pony.**

Two English evacuees, Anne and Jean Fazan, aged twelve and nine, who have been spending the summer at the Parsonage, North Hatley, with the Minister's fourteen-year-old daughter, Margery, raised ten dollars for the Junior Red Cross. A friend loaned them a pony and the children thought that by giving rides to small children at five cents a ride, it might be possible to raise five dollars for the Red Cross. They soon reached their objective and then decided to make their goal ten dollars. This was a little harder, for there were not so many summer visitors in North Hatley at the end of August, but they earned their ten dollars by Thursday afternoon, August 28th, with a few cents to spare for the money order charge. The children were very pleased because they have accomplished their objective, even though giving some 200 rides mean quite a lot of work, or at least persistence. Anne and Jean left on Friday for their temporary homes in Ormstown. Their father and mother are busily engaged in war work in England.

That hat still on his head, for instance! He doesn't know he should take it off when talking to a woman. Nor does he realize he should tip his hat on leaving a girl or when saying "Excuse me" or "Thank you" to anyone.

A woman notices those little things! She's embarrassed it, on a bus, her beau stays seated while an older woman or a woman with a baby is standing. (Of course, he needn't give his seat to a young girl!)

And if she's the kind men like she knows her part in etiquette, too. She gets on the bus first, goes directly to a seat while he pays the fare. When she's introduced to a man, she knows she should start the conversation.

## MIND YOUR MANNERS

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

1—Should a hostess talk about how much the price of food has gone up?

2—If a guest praises a brand of Scotch served him by his host, may he ask the cost of it?

3—If you are introduced to a doctor, should you begin immediately to talk about sickness?

4—If you say something that is funny, though unintentionally so, should you laugh with the others or get angry?

5—If guests are enjoying a general conversation, should the host turn on the radio because there happens to be a programme he wants to hear?

What would you do if—  
You are writing a business letter in which you wish to apologize for a mistake—  
(a) Phrase your apology "I regret..."  
(b) Phrase your apology "I am sorry..."

**ANSWERS**  
1—No.  
2—No.  
3—No. When out socially most doctors want to get away from symptoms and diseases.  
4—Laugh with the others.  
5—No. When a person entertains others, he must think first of their pleasure.

Best "What Would You Do?" solution—(b). The more simple the language, the better.

## OBITUARIES

### MRS. DANA GARDNER, OF PIERCETON.

Piercetown, Sept. 3.—Mrs. Dana Gardner, died at her home on Tuesday, August 6, after an illness of nearly two years.

Mrs. Gardner was born at Stanbridge East on December 29, 1873, daughter of the late Mr. and Mrs. Harley Johnson. On October 1, 1890, she was united in marriage to Mr. Dana Gardner, of Piercetown, where her entire married life was spent. On October 1, 1940, she celebrated her golden wedding anniversary.

The funeral service was held at her late residence on Thursday, August 7, at two o'clock, and was largely attended. Rev. C. Brown, of Montreal, a former pastor, officiated, assisted by Rev. J. Carleton, of the United Church, Dunham, and Rev. Mr. Fricker, of Bedford. Floral tributes were many, and beautiful, tokens of sympathy from relatives and friends.

Following the services the funeral cortege motored to Stanbridge East, where the remains were borne to their last resting place in the Anglican cemetery by Messrs. John Holloway, Frank Corey, Edmund Hodge and Donald Blinn, the committal services being by Rev. Mr. Fricker, of Bedford.

The deceased leaves to mourn her loss her husband, Mr. Dana Gardner, one sister, Mrs. M. Beaman, of Shelton, Vt., one brother, Mr. S. Johnson, of Bedford, and several nieces and nephews and other near relatives.

### MRS. E. FOSTER, OF WATERLOO.

Cornwallis, September 3.—The funeral of Mrs. Elizabeth Foster was held at the United Church, Cornwallis, on the afternoon of August 13, at two o'clock.

Mrs. Foster was born at Fordyce Corner, December 8, 1865, the daughter of the late John Jones and his wife, Eliza Hetherington. At the time of her death, Mrs. Foster was residing with Mr. and Mrs. Henry Jones at Waterloo.

Although she had been in failing health for many years, Mrs. Foster was feeling quite well up until a few days prior to her death, when she suffered a shock.

She leaves to mourn her loss two sisters, Mrs. Martin, of Newport, Vt., and Mrs. Booth, of Rawdon, who were both unable to attend the funeral on account of illness; one brother, Mr. John Jones, of Cornwallis; three half-brothers, and several nieces and nephews.

The funeral service was conducted by Rev. Mr. Munn, of West Shefford, in the absence of the pastor, Dr. Boyd. Two vocal duets, "The Old Rugged Cross" and "Rock of Ages," were rendered.

Beautiful flowers covered the casket, which was borne to its resting place in Sweetsburg Cemetery by four of the deceased's cousins, Messrs. Fred Jones, James Hetherington, George Booth and Miles Enright.

## KNITTING CLUB OF SUTTON HAS SUGAR SOCIAL

Sutton, Sept. 3.—A large crowd gathered in this town Wednesday evening to attend a sugar social and street dance, held on the United Church grounds for the benefit of the Sutton-Abercorn Knitting Club. There were various booths including those selling hot dogs, soft drinks, etc.; a vegetable and home produce counter; bingo, for which War Savings Stamps were given as prizes; and several other games. The best attraction of the evening was the maple syrup on real snow. The snow, which was donated by Mr. Quilliams, was brought in from South Stukely and was served along with doughnuts and coffee. A bag of flour, two chickens, a box of candy and a silk cushion were raffled. Later on in the evening, a section of the street was roped off for dancing to the music of McGrath's Orchestra. The net proceeds of the affair were approximately two hundred and twenty-five dollars. The Sutton-Abercorn Knitting Club wishes to thank all those from Sutton, Abercorn, and surrounding districts who donated so generously, as well as McGrath's Orchestra who gave their services, and to whom the complete success of the social is due in a large part.

## Kidney Acids Rob Your Rest

Many people never seem to get a good night's rest. They turn restless—lie awake and count sheep. Often they blame it on "nerves" when it may be their kidneys. Healthy kidneys filter poisons from the blood. If they are faulty and fail, poisons stay in the system and cause sleeplessness, headache, backache, often called "flu" if you don't sleep well, try Dodd's Kidney Pills—for half a century the favorite remedy.

# HIGBE AND FLATBUSHERS OVERWHELM BRAVES

## Brooklyn Shows Power Defeating Boston 9-2

Higbe Scatters Six Hits for 19th Mound Victory as Dodgers Make Up for Week-End Lapse in Torrid National Baseball League Battle—Charley Root Rides Again as Cubs Conquer Reds 3-1.

There have been a lot of cracks about Brooklyn Dodgers but so far there have been no cracks in them. From time to time the Dodgers have looked doddering and their fans have become fearful. The latest occasion of this kind was last week-end when Brooklyn dropped a double-header to New York Giants and came out of a 21-inning double tussle against the seventh-place Boston Braves with one close victory and one tie.

But Brooklyn has a way of making up for these lapses and yesterday the Dodgers overwhelmed the Braves 9-2 just as they slaughtered the Giants 13-6 Sunday to cover up the embarrassing caused Saturday.

Kirby Higbe had one of his powerful days yesterday and achieved his 19th victory. He did not allow a hit for the first five innings and gave only half a dozen in the entire game.

His teammates gave him all the runs he needed to win in the first inning and then piled up the score.

Brooklyn bagged three runs at the start when they loaded the bases with one out. A force play brought two of them home with Pete Reiser running a record anchor lap to score from second base while the putout was being made there. Then Lew Riggs doubled the other across.

They added four more in the third knocking Al Javery out of the box with five hits, and finished with two in the seventh off Frank Lamanna.

There was only one other game in the major leagues yesterday. In it Chicago Cubs clipped Cincinnati Reds 3-1 in a pitching duel between old Charley Root and young Gene (Junior) Thompson.

Thompson allowed just four hits, but two of them, a double by Lou Stringer and a single by Stan Hack were linked with a walk and a long fly for two runs in the third.

Root held the Reds to five safeties and they lost their only run on a walk, a sacrifice and Lloyd Waner's double in the third.

**YESTERDAY'S STARS**  
Kirby Higbe, Dodgers: Scored 19th victory with six-hit hurling against Braves.  
Charley Root, Cubs: Held Reds to five hits to win pitching duel from Gene Thompson.

## QUARTER-FINAL PLAY OPENS AT FOREST HILLS

U.S. Tennis Championships Get Down to Serious Business—Defending Champ Don McNeill Gets First Real Test.

New York, Sept. 3.—(AP)—The United States tennis championships finally got down to serious business with the playing of four quarter-final matches at Forest Hills today.

In the men's division, defending champion Don McNeill of Oklahoma City, bumps into his first real test, when he encounters Wayne Sabin of Reno, Nev.

The day's other feature struggle brings together Frank Kovacs of San Francisco, second seeded man's star, and John Kramer, of Montebello, Calif., with the somewhat reformed Kovacs a top-heavy favorite to win through to the semi-finals.

Half of the women's quarter-finals are down for decision, with top-seeded Pauline Betz of Los Angeles meeting Barbara Kruse of San Francisco and Helen Mernhard of New York tackling Margaret Osborne of San Francisco. Betz and Mernhard are the logical favorites. The other four quarter-finals will be played tomorrow.

Names still in play:  
The Norfolk Club of the Western League has a pitcher named Buntz And Red Records, the auto racer, really wrecked one down at the Flemington, N.J., fair the other day.

## LEADING GOLF PROS TO SPLIT \$11,000 PURSE

Best Field of Year Will Tee Off Tomorrow in Tam O'Shanter Open, Richest Event of Golfing Year.

Chicago, Sept. 3.—(AP)—The best field of the year—including of course, Ben Hogan, leading money winner of 1941—will tee off tomorrow in the richest event of the golfing world, the \$11,000 Tam O'Shanter Country Club Open tournament, which will end Sunday.

The array of approximately 200 professionals and amateurs included the names of Craig Wood of Mamaroneck, N.Y., National Open champion; Vic Ghezzi, of Deal, N.J., National Professional titleholder; Stewart "Skip" Alexander of Burlington, N.C., medalist in last week's National Amateur; Byron Nelson, of Toledo, O., and Jimmy Demaret, of Noroton, Conn.

More than 100 of those present could be considered satellites, because they were put to no extra effort to compete for the \$2,000 first prize, \$1,400 second money and \$1,000 third.

Jimmy Thomson, of Chicopee, Mass.; Sam Snead, of Hot Springs, Va.; Clayton Heafner, of Lenoir, N.C., and Horton Smith, of Durham, N.C., were others lured by the word that there would be prize money enough for the first thirty pros.

Mr. Stanley Rider spent a recent week-end in Lenoxville.

Mr. and Mrs. Arthur Belair, of Claremont, N.H., have returned home after spending a few days, the guests of Mr. and Mrs. E. O. Rider.

## May Shift World Series Games From Flatbush If Dodgers Snare Pennant

Delegates to a baseball meeting being held today under the Presidency of Kenesaw M. Landis, Baseball Commissioner, are to consider the possibility of having the home games of the Brooklyn Club shifted from Ebbets Field in order to accommodate the crowds should the Dodgers win the National Baseball League pennant.

The conference itself is an annual affair to which all teams with a chance to win the championship of either the National or American Leagues are invited.

But the chief question to be decided concerns the handling of the tremendous Brooklyn following should the Dodgers nose out St. Louis Cardinals for the National League pennant.

New York Yankees are on the verge of clinching the title in the American League and if the Cardinals, now leading by two percentage points, come through in the senior circuit, there will be no problem.

Under normal circumstances the Series would open at Yankee Stadium Wednesday, October 1, with two games, then three in Sportsman's Park, St. Louis, and two more, if necessary, in Yankee Stadium.

However, Brooklyn fans, hoping to see their idols in their first World Series in 21 years, are afraid of being crowded out of Ebbets Field if the Dodgers win. President Larry McPhail of the Dodgers, spent most of today assembling seating figures for his park, which can accommodate about 33,000 persons comfortably.

These will be presented to Landis, who then will decide whether Brooklyn's share of the games, if any, might be played at Yankee Stadium (capacity 75,000) or at the Giants' Polo Grounds (capacity 55,000).

One alternative that has been suggested would be the rearrangement of the dates so that the Sunday game could be played at Yankee Stadium. This could be accomplished by opening the series in the National League park.

There is a precedent for this, because both the 1934 and 1935 series opened in Detroit. In the latter year, Chicago Cubs won 21 straight games in September and clinched the pennant September 27, two days before the season closed. The first two games of the Series were given to Detroit instead of Chicago to enable the Cubs to print tickets and complete other arrangements.

## PATRICK PLANS TO DISMANTLE RAMBLER CLUB

Minor-League Outfit Will Be Disbanded by Ranger Organization—Patricians to Carry Larger Squad.

New York, Sept. 3.—(AP)—Unable to locate a satisfactory home for the team, New York Rangers have decided to disband their minor league Ramblers, and place the players on sale immediately, it was announced today.

For the last six years the Ramblers played at Philadelphia under a working agreement with the Philadelphia Arena, owner of the American Hockey League franchise. This agreement expired last spring, and was not renewed, the Quaker City promoters electing to assemble and operate their own club.

After considering several offers to place the Ramblers elsewhere—in either the Eastern American League or the Mid-Western American Association—Lester Patrick, Director General of the Rangers' hockey organization, decided to dismantle the team.

With the disbanding of the Ramblers, indications are that during the coming National Hockey League campaign the Rangers will carry a squad of at least 17 players, instead of 15 as in recent seasons. In this way replacements will always be readily available.

Following the practice of carrying large squads for several years.

The fortnight shipment to Red Cross headquarters contained six sheets, twenty-four towels, two child's outfits, five pairs sea-boot stockings, one sweater, twenty-two pairs of mitts, three pairs of gloves, eight pairs of socks, one pair of wristlets, ten caps and thirty-two scarfs. Donations were five large quilts and a box of waste and tin foil.
