Canadian National Railway Storage Battery Cars Skayef Equipped

ON storage battery cars now in operation and others under construction, owned by the Canadian National Railway, Skayef Self-Aligning Roller Bearings, because of their dependability and low cost operation have been chosen for the journals of the trucks—eight bearings to a car.

Their use is a safeguard against interrupted schedules and layups for repairs. Practically frictionless, they insure easy running for the life of rol-

ling stock with a minimum of wear. Binding and heating of bearings are eliminated since housing misalignment is automatically compensated for within the bearings themselves. They are self contained—with no necessity for adjustment.

For every phase of railroading from the sensitive train control apparatus to the heaviest duty journal boxes—there is an **SKF** marked ball or roller bearing.

INTRODUCTION

THE Executive of the Grand Trunk Boating Club, in publishing this Review, covering the activities of the Club since its inception in 1875, to the present year, have as their main objective the creating of a greater interest in the sport of paddling.

We point with a large amount of pride to the achievements of our members and their prowess at the various Regattas, full details of which are found in the enclosed records.

In conclusion, we wish to thank our various members for data supplied: "The Montreal Daily Star" and "The Montreal Morning Sun" for their co-operation in supplying Photographs and also our Advertisers for the support they have favored us with.

The Canadian National Railways also operate the Canadian National Telegraphs, the Canadian National Express and the Canadian Government Merchant Marine, which carries Canadian products over the seven seas.

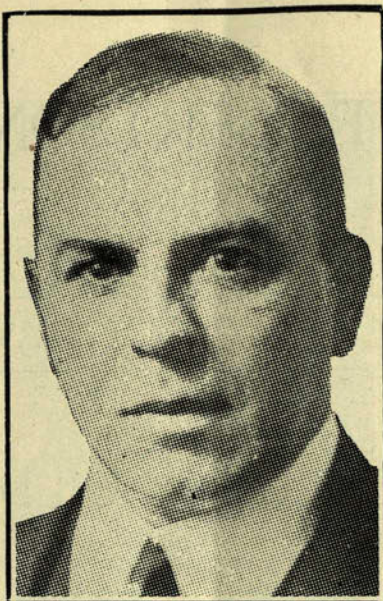

Paths of steel that stretch for more than twenty-two thousand miles are yours to traverse on the Canadian National Railways—the largest railway system in North America. Sights of natural beauty unequalled in diversity, rugged mountains, vast stretches of primeval forest, rolling prairies, sparkling lakes, tumbling rivers—Canada from coast to coast, every capital city, every industrial centre—wherever and whenever you wish to go there is a splendidly equipped Canadian National train awaiting your pleasure.

The Canadian National Railways cross the Rocky Mountains at the lowest altitude of all transcontinental railways, and in plain view of Mt. Robson, the highest peak in the Canadian Rockies (13,068 feet).

See Canada by Canadian National. Its excellent trains provide every known convenience for the traveller. Your every comfort is attended to, quietly and unobtrusively from the time you step aboard till you step off at your destination.

Apply to your nearest Canadian National Railways office for full information and descriptive booklets.

11 Place d'Armes, Montreal

GRAND TRUNK WATERS SUIT DISAPPEARING PROPELLER BOATS

When channels are narrow and shallow, and where slowly shelving beaches make landings almost impossible to ordinary motor boats, the Disappearing Propeller Boats prove indispensable. In open waters they are safe and sturdy and very roomy and comfortable. They are speedy and their consumption of gasoline is very moderate.

DISAPPEARING PROPELLER BOAT

The Disappearing Propeller allows the boat to be brought right up to shore and it can navigate in a few inches of water.

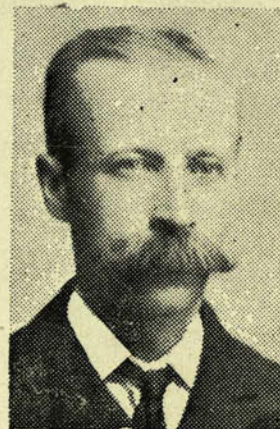

Three sizes are offered. Prices \$290 and upwards. Terms arranged if required.

Call and see them or write for descriptive catalogue to—

CONSTITUTION AND BY-LAWS

— OF THE —

Grand Trunk Boating Club

NAME

1. This Club shall be called the GRAND TRUNK BOATING CLUB.

OBJECTS

2. The objects of the Club shall be the encouragement of Boating and Aquatic Sports, as well as the providing of rational amusements and recreation for its members.

MEMBERSHIP

3. The membership of the Club shall be limited to amateurs. No person shall be eligible for membership who is under the age of eighteen (18) years.

JUNIOR MEMBERSHIP

4. Applicants between the ages of fourteen (14) and eighteen (18) may be elected Junior Members.

LIFE MEMBERSHIP

5. A member of twenty (20) years standing (consecutive) shall be a Life Member of the Club. Any person paying the sum of One Hundred and Fifty (150) Dollars, at one time, may be elected a Life Member of the Club.

NON-RESIDENT MEMBERSHIP

6. Non-Resident Membership open to those residing at least fifty (50) miles from Montreal, with full privileges.

CLUB FLAG

7. The Club Flag shall be a pointed Burgee, the width, two-thirds of the length. Strips, one Red and two Blue, each one-third the width, the Red stripe in the centre, on which in large block letters shall be G.T.B.C.

COLOURS

8. The Colours of the Club shall be Blue, Red and Black.

FUNDS

9. The Funds of the Club shall be kept in some chartered bank and shall be withdrawn only on the joint signature of the Commodore and Treasurer.

ANNUAL SUBSCRIPTION

10. The Annual Subscription shall be Seven (7) Dollars and shall be due on the first day of May, in each year and must be paid not later than June 1st, of each year.

LIFE MEMBERSHIP SUBSCRIPTION

11. Any person paying the sum of One Hundred and Fifty (150) Dollars, at any one time, may be elected a Life member of this Club.

JUNIOR MEMBERSHIP

12. The Annual Subscription shall be Two (2) Dollars, payable with application on the 1st day of May, in each year.

NON-RESIDENT MEMBERSHIP

13. The Annual Subscription shall be \$2.50 payable on the 1st day of May, each year.

PRIVILEGES

14. The payment of the Annual Subscription Fee shall entitle the member to all privileges of the Club, viz:—Of the buildings occupied by the Club and its various departments, with free admission to the grounds on all occasions when used by the Club, except upon such occasions as the Executive may deem it advisable to suspend any or all privileges. A member may at anytime introduce a non-member of the city into the Club House and shall register his name and address, date of introduction, together with his own name, in a book kept for that purpose and may obtain a pass for him from the Secretary, giving him the privileges of the Club for one week.

Constitution and By-Laws (*Continued*)

SPECIAL MEETING

15. Special Meetings of the Club may be called whenever the Executive Committee shall deem it expedient, or whenever the Commodore shall desire to call one by the written request of twenty-five (25) members, setting forth the purpose thereof. Ten days' notice of such meetings shall be posted on the Club's Bulletin Board and if the Executive Committee sees fit, members shall also be notified by circular.

QUORUM FOR MEETINGS

16. None but members in good standing shall be present at any meeting and thirty-five (35) shall be a quorum for the transaction of general business.

ORDER OF BUSINESS

17. The Order of Business at all regular meetings shall be as follows:—

1. Minutes of preceding meeting.
2. Reports.
3. Communications and Accounts.
4. Unfinished Business.
5. New Business.
6. Ballotting for New Members.
7. Proposal for Membership.
8. Election and Installation of Officers.
9. Adjournment.

18. Every candidate for election as a member of this Club shall personally fill in an application form which must be signed by two members, recommending the said candidate for membership. Application blanks for this purpose to be furnished by the Secretary.

19. Said application shall be passed to the Secretary, and shall be read at the next ensuing meeting of the Executive Committee. The Name, Occupation and Residence of each candidate, as well as the names of the members who have recommended him, shall thereupon be posted up in the Club Room until the following meeting, when the election shall take place.

20. The Commodore or Chairman of the meeting at which the names have been proposed, may appoint one or more members of the Executive Committee, who shall make such inquiries as they deem proper regarding proposed candidates, and report at the next meeting.

21. Any member objecting to a candidate shall signify his objection to the Executive Committee in writing, which shall take it into consideration.

22. Elections shall be by ballot, two black balls to exclude the applicant.

23. Every candidate's proposition must be accompanied by an initiation fee of Three (3) Dollars, in addition to the Annual Subscription, and in the event of his rejection, money to be refunded.

24. Any member in arrears to the Club for two months shall be excluded from all privileges of membership and he shall be liable to expulsion by the Executive Committee and legal process taken for the recovery of same.

25. Any member misconducting himself may be suspended by the Executive Committee for a period not exceeding one month, or expelled by a two-thirds vote at a Special or General Meeting of the Club, offending members having received at least five (5) days' notice, and any member expelled shall not be reinstated except by two-thirds vote of the members present at a special or general meeting of the Club.

26. Any member having disqualified himself by any violation of the Amateur Clause in this Constitution shall forfeit his membership, on proof of such violation being furnished to the Executive Committee.

27. Junior Candidates proposition must be accompanied by the Annual Fee, viz: Two (2) Dollars and a certificate of age, signed by parent or guardian. Money to be refunded in the event of his rejection.

28. Juniors may renew their membership each succeeding year.

29. Junior members shall not be allowed the privileges of the grounds or boat house after 10. p.m. They shall have neither voice nor vote in Club affairs, nor shall they be entitled to lease boat sheds or ground which may be the property of the Club.

30. Junior members upon entering the senior ranks shall be credited with half of the amount paid as juniors, not exceeding Three (3) Dollars, as part payment of their senior's initiation fees.

Constitution and By-Laws (*Continued*)

31. All resignation of office or membership shall be made in writing, addressed to the *Secretary*, to be submitted to the next regular meeting of the Executive Committee for action thereon. All dues must be paid in full before a resignation is considered.

32. No member shall use the private property of any other member without his permission in writing, which shall be handed to the Caretaker. Any member damaging or breaking any apparatus or other property of the Club, or its members, shall replace the same at his own expense, within a reasonable time, or shall be charged for the same by the Executive Committee.

33. None but members, candidates for admission, or visitors accompanied by members, shall be admitted to the Club Grounds, or take part in the amusements provided for the members except when special permission is granted by the Executive Committee.

34. Intoxicating liquors, gambling or betting are forbidden on the Club premises, (either leased or owned).

35. All races held under the auspices of this Club shall be conducted under the Rules of the Canadian Association of Amateur Oarsmen and the Canadian Canoe Association.

36. Boat sheds which are the property of the Club are leased to the members for their use from May 1st annually.

37. Members renting boat sheds shall be required to sign an annual lease on or before the 15th of May, the rental of such boat sheds to be paid not later than June 1st. The Executive Committee shall have the right to cancel any lease where it is found that the terms and conditions thereof are not being complied with.

NOMINATION OF OFFICERS AND EXECUTIVE

38. That two nominating committees be appointed before the semi-annual meeting (second Monday of July) by the Executive: one Committee to consist of three members of the Executive and the other to be composed of three members not holding any Office in the Club.

The nominating committees must submit nominations to the Secretary twenty days before the Annual Meeting and the Secretary will ad-

vise the members of the Club of such nominations ten days before the Annual Meeting.

Any five members desiring to make further nominations may do so by advising the Secretary in writing before twelve o'clock noon of the Monday previous to the Annual Meeting and upon receipt of such further nominations shall have same published in the Montreal daily papers not later than Thursday a.m. previous to the Annual Meeting.

Members may have the right to run for one or more offices but in the event of being elected to more than one office they shall retain only one. The position thus vacated shall be adjudged to the member having the next highest vote. Members would have the choice of which Office they would decline.

OFFICERS

39. The Officers of the Club shall be:—

Commodore.
Vice-Commodore.
Rear Commodore.
Captain.
Assistant Captain.
Secretary.
Treasurer.

They shall be elected at the Annual General Meeting of the Club and shall hold office until their successors are elected and installed in their place.

40. The Hon. Officers shall be elected at the Annual General Meeting of the Club.

EXECUTIVE COMMITTEE

41. The Executive Committee shall be elected at the Annual General Meeting of the Club and shall consist of the Commodore, Vice-Commodore, Rear Commodore, Captain, Asst. Captain, Secretary, Treasurer and six members, who with the immediate Past-Commodore, shall constitute a governing body to manage the affairs of the Club, seven (7) of whom shall form a quorum.

DEPARTMENTAL COMMITTEES

42. At the first Committee Meeting after the Annual General Meeting, the Commodore shall appoint the following committees, viz:—

Amusement.	Finance.
Boat House and Grounds.	Motor Boats.
Publicity.	Racing.

Constitution and By-Laws (*Continued*)

43. The Chairman of each Department shall have entire control of the same. They shall at end of the year, make a report in writing to the Executive Committee.

AUDITORS

44. Two Auditors shall be appointed at the Annual General Meeting to audit the books of the Club.

DUTIES OF OFFICERS

COMMODORE

45. It shall be the duty of the Commodore to preside at all meetings, to see that the Rules of the Club are strictly enforced, to order special meetings, to declare the votes, and to have a general supervision over the affairs of the Club.

In the absence of the Commodore the Vice-Commodore shall perform his duties, or in the absence of the Commodore and Vice-Commodore the Rear Commodore shall act; Should none of these officers be present at a meeting, a Chairman shall be chosen by vote of the Executive Committee.

The Commodore shall be ex-officio a member of all Committees.

SECRETARY

46. The Secretary shall keep an accurate record of the proceedings at all meetings of the Club and Executive Committee.

He shall keep a record of the name and address of each member, notify candidates of their election, and the members of all meetings, keep copies of all letters written, and files of all received, and shall perform such other duties in connection with the Club as he may be directed to do by the Executive Committee.

TREASURER

47. The Treasurer shall receive and have the custody of all Monies, Bonds, Title-Deeds, and other securities belonging to the Club, shall receive all subscriptions and other sums of money which may be paid to the account of the Club, and deposit the same in some Chartered Bank in the name of the GRAND TRUNK BOATING CLUB, and shall keep and manage the same under the control of the Executive Committee.

He must not keep more than Twenty (20) Dollars on hand.

He shall pay no bills save those approved and passed by the Executive Committee.

All payments over the sum of Ten (10) Dollars shall be by cheque.

He shall be entitled to give a sufficient discharge for all sums of money which may be received on account of the Club.

He shall keep a regular account of the receipts and disbursements of the Club, and have his books and vouchers ready whenever he may be required to produce them by the Executive Committee.

He shall prepare statements for presentation to the regular Annual and Semi-Annual Meetings, or more frequently if deemed necessary.

He shall advise the Executive Committee of the names of all members who are two months in arrears to the Club, with the amounts due placed opposite their names.

CAPTAIN

48. It shall be the duty of the Captain to have charge of all the boats and apparatus of which he shall keep an inventory, and shall see that they are kept in proper repair, he shall keep a record of all racing events in which the members of the Club compete and shall hand same to the Secretary after each meeting, to be entered in the minutes and incorporated in the Annual Report.

It shall also be his duty to receive applications of crews for the privilege of using the racing-boats, and to see that such crews to whom the privileges have been granted take proper care in handling same, and to report to the Executive Committee any member whom he considers incompetent to use same properly.

Should any crew be refused the use of the boat by the Captain such crew may at any time have recourse to appeal to the Executive Committee.

In the event of a vacancy occurring in any crew a candidate for such vacancy may be elected by a majority vote of the rest of the crew members forming such crew, and should the election result in a tie it shall then be the duty of the Captain to poll the casting vote. In the absence of the Captain the Asst.-Captain shall perform his duties.

EXECUTIVE COMMITTEE

49. The Executive Committee, shall, within two weeks after their election, appoint such Departmental Committees as it may deem necessary for the proper working of the Club. The Executive Committee shall have full administrative control of all property, effects and assets of the Club, with power to sell, or dispose of any movable effects which may not be required or which may have become obsolete.

It shall see that Officers of the Club handling the Club's funds are properly bonded in a recognised guarantee Company at the Club's expense.

It shall enforce the preservation of order and obedience to the Constitution Laws and Rules of the Club, and shall make or authorize all necessary contracts and purchases. It shall have power to employ such servants and assistants and to make such regulations for the economy, comfort and success of the Club, as it shall think proper.

It shall, at the Annual Meeting of the Club, make a full report of its proceedings during the previous year and recommend such measures as it may deem advisable.

The Executive Committee shall during the boating season hold weekly meetings at the Club House or oftener, if called by the Secretary, at the request of the Commodore or any three members of the Executive Committee, the order of business shall be the same as at the Annual Meeting of the Club.

AUDITORS

50. It shall be the duty of the Auditors to examine the books and accounts of the Club, whenever they deem it necessary or whenever requested to do so by the Commodore, or Executive Committee, and report thereon to the Executive Committee.

51. The Executive Committee, shall have full control of all regattas. It shall prepare the Programme of events, appoint the proper officials, judges, etc., draw up a list of prizes and generally conduct with such assistance as it shall appoint the arrangements for such regattas.

Should a vacancy occur in the Executive Committee, they shall appoint a successor.

Any member of the Executive Committee may for repeated negligence or dereliction of his duties be removed from office by a vote of two thirds of the members of the Executive Committee present at a regular weekly Meeting, such a member having the right of appeal, within two weeks, to the Club, at a Special Meeting to be called as provided.

ANNUAL MEETING

52. The Annual Meeting of the Club shall be held on the 1st Friday of April, for the reception of the Report of the Executive Committee, and Treasurer's statements, (which shall be printed and circulated among the members at least ten days before the meeting) and for the transaction of such other business as may be brought before it.

SEMI-ANNUAL MEETING

53. The Semi-Annual Meeting shall be held on the second Monday in July, to receive the Semi-Annual Report and Statement of the Treasurer, and for the transaction of general business.

AMATEUR

54. An Amateur is one who has not entered into an open competition for either stake, public admission money or entrance fee, or competed with or against a professional for any prize. Who has never taught, pursued or assisted in the pursuit of athletic exercise as a means of livelihood. Whose membership of any rowing or other athletic club was not brought about or does not continue because of any mutual agreement or understanding expressed or implied, whereby his becoming or continuing a member of such club would be of any pecuniary benefit to him whatever, direct or indirect. Who has never been employed in any other occupation involving any use of the oar or paddle. Who paddles or rows for pleasure or recreation only, and during his leisure hours, and who does not abandon or neglect his usual business or occupation for the purpose of training, for more than two weeks during a rowing or paddling season, who has never pawned or sold any medal or trophy won by him in any aquatic or athletic contest and who has never entered in any such contest under a name other than his own.

AFFILIATED CLUBS

55. The Affiliated Clubs shall elect annually a President, a Secretary-Treas., and a Committee of three members who have been members in good standing of this club, except that of Non-Resident member for at least two years, the Treasurer of this Club shall be ex-officio Treasurer of all affiliated Clubs.

That the Grand Trunk Riverside Gun Club season shall be from Oct. 15th, to April 15th, and that the Annual Meeting of said Club shall be held on the first Monday in June. At said meeting the Officers, which will be a President, Secretary-Treasurer and a Committee of three, all of which must have at least two years membership in the Grand Trunk Boating Club, will be nominated and elected for the coming season.

That the Secretary-Treasurer shall make a report duly audited at said meeting to the members.

That the Annual Subscription for membership shall be \$2.00 per year.

That the Officers of said Club shall have care over all property of the Grand Trunk Boating Club during the season, that is from Oct. 15th, to April 15th.

That the revenue from said Club be handed to the Treasurer of the Grand Trunk Boating Club to be handled as follows :

One half of the revenue each year be set aside to be known as Gun Club Fund, said to be deposited in a chartered Bank and only withdrawn on signatures of the President of Gun Club and Treasurer of Boating Club.

One quarter of the revenue of said Club to be used by the Incoming Committee of the Grand Trunk Boating Club.

One quarter of the revenue of said Club to be handed to the Trustees of the Grand Trunk Boating Reserve Fund.

AMENDMENTS OR REPEALS

56. The Constitution and By-Laws may be amended or repealed by a vote of two-thirds of the members present at a meeting of the Club, provided the proposed amendment or repeal has been submitted to the Executive Committee,

and that the members have been notified by circular or notice posted on Club's Bulletin Board, or an insertion of an advertisement in two daily papers, stating in general terms such proposed amendment or repeal at least ten days previous to the meeting at which it is to be acted on.

RESERVE FUND

57. Ten per cent of the amount of the Annual Rental of the Boat Sheds of the Club, or Private Boat Sheds, together with ten per cent of the Annual Subscriptions collected from Members of the Club (including Juniors) be set aside each year and placed to the credit of the Fund.

That this fund be known as the Grand Trunk Boating Club Reserve Fund and that the same be deposited in the Bank of Montreal.

That the proceeds of the Fund may be used for any purpose deemed necessary, provided that notice of motion has been given which must be voted upon and passed by a two-thirds majority of Members present at any regular or Special Meeting of the Club, and that the withdrawal of the whole or any portion thereof shall be accomplished on signature of two Trustees together with the Commodore and Vice-Commodore of the Club at the time of such withdrawal.

CLUB REMINISCENCES

The Grand Trunk Boating Club originated in 1875 through the endeavours of the late Mr. James Anthony who conceived the idea of holding a Regatta. For this purpose he collected various subscriptions among the employees of the Grand Trunk Shops, situated at Point St. Charles. Through the courtesy of the Hon. James McShane who presented a silver cup for competition, the event received further stimulus and so successful did the event prove that no anxiety whatsoever was evinced as to the further success of the new organization, when in the spring of 1877 the Grand Trunk Boating and Swimming Club was inaugurated.

At the time of inception the Club was governed by the following officials. President, Mr. James Anthony, who held this office up to and including the year 1885. Vice-President, Mr. John Laing. Secretary, Mr. Geo. Warren. Treasurer, Mr. John Powles. Committee, Messrs. Alex Turnbull, Joe Laing, W. Cockfield, Joseph Ward, Joseph Clark, J. Underwood, J. Pitt.

The regatta of that year was held on Price's Island and in order to increase the finances of the organization a small charge was made for ferrying the visitors over to the Course. Among

CLUB REMINISCENCES (*Continued*)

the large crowd who were attracted to the Regatta was Mr. Hubert Wallis, then Mechanical Superintendent of the Grand Trunk Railway who became an enthusiastic and generous supporter of the Club for many years.

Shortly afterwards the Club was enabled to build a boat shed on the river bank. The building was a rather unpretentious structure about forty feet long by ten feet wide. However it served the purpose until 1883 when this building was replaced by a more spacious boat house built from plans prepared by the late Mr. Geo. Holland, then chief Draughtsman of the Grand Trunk Railway.

During 1879 the Grand Trunk Boating Club was first brought into prominence through the efforts of the late Mr. Joe Laing, defeating all the crack amateur scullers of the West, in a discarded paper shell. The race was held on Toronto Bay, on Sept. 6th, in the forenoon. The Western Oarsmen, wishing for another trial, invited him to Hamilton for another race in the afternoon, which event was also won by our representative.

In 1880 the first Regatta of the Canadian Amateur Association of Oarsmen was held, at which meeting the Grand Trunk Boating Club oarsman came out on top in the Single Scull Shell Race and for the following three years this event fell to the prowess of the same representative.

At these early meetings the Club added further to its laurels by winning several Skiff Races through the skill and efforts of Messrs. B. L. Leroux and Mitchell and also further

afield during the years 1883-1884 at the American National Regatta at Newark N.J. and Watkins Glen. N.Y. two banners, trophies of the N. A., were brought back by the late Joe Laing and now adorn the Club House.

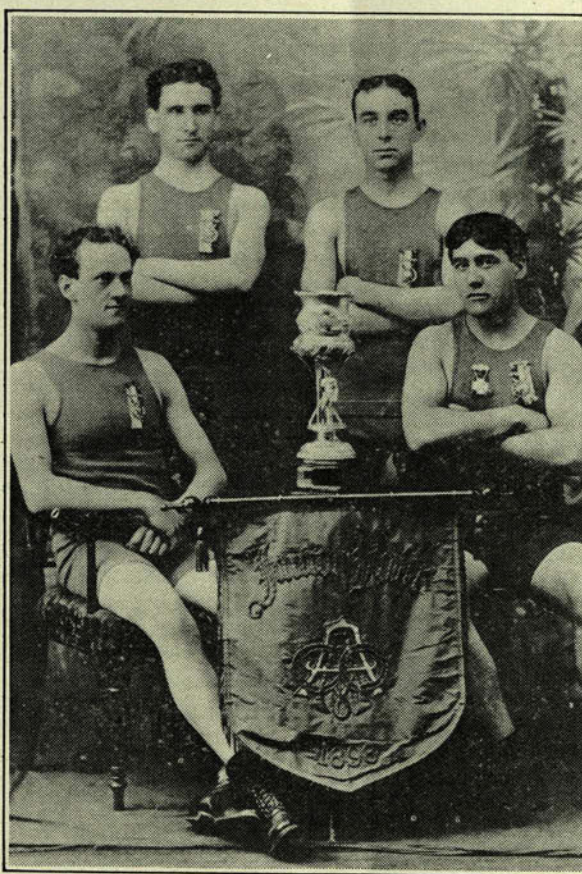

At these early meetings the events consisted of single, double and four oared races including pleasure and sailing races and it was not for several years later that the canoe races came

into vogue and gradually but surely crowded out, and took the place of the above mentioned craft, the first canoe race being held in 1884 the winners being Messrs. Aljoy and Howard of Lachine, who were the first outside competitors at a G.T.B.C. Regatta.

It was due to the efforts of various of our members that the "War Canoe" Races first came into existence. A number of whom purchased two canoes called respectively the "Minnewawa" and "Wanderer". Keen rivalry existed between the two crews and many exciting contests took place. During one season arrangements were made to play Baseball, Lacrosse, Football and Cricket, which was a source of enjoyment and merriment as a number had never played the games before. These events were the means

of attracting interest to the Club and during this period the membership grew very rapidly and a further extension to the boat houses was necessary. During this period the West End Tennis Club leased land beside the Club House this sphere of activity being eventually taken over by the Boating Club during 1888.

A tragic event in the history of the Club

CLUB REMINISCENCES (*Continued*)

occurred in July 1891 when the above-mentioned war canoe "Minnewawa" returning from a pleasure trip to St. Helen's Island was capsized in the current of the River opposite St. Lambert's, six of the crew being drowned.

The club has had misfortunes as well as triumphs in its history, two of which will long be remembered by the older members. One occurred in 1896 when the Club House was almost totally destroyed by fire, and all the club's racing boats as well as several highly prized banners were consumed, as were also a great many of the early records of the club. Again in 1904 the club house was badly damaged by an ice shove which for a time threatened to demolish the whole structure.

opposite that on regatta day one observes what a difference has been effected in the course of time. Both these coigns of vantage on regatta day are crowded with spectators, old and young, ladies and gentlemen, boys and girls, all enjoying themselves to the utmost. The crowd is a good-natured, well-dressed one, and the scene is full of life and coloring. The regatta is one of the great events of the Montreal sporting world. Paddlers and oarsmen from Ottawa, from Toronto, from Lachine and Brockville, from St. Lambert and Longueuil, from places too numerous to mention in detail are entered for the several events. No sporting organization in Canada enjoys the patronage of the general public to a greater extent than the Grand Trunk Boating Club, as is vouched for by the popularity of the

GRAND TRUNK BOATING CLUB WAR CANOE
WORLD'S CHAMPIONS 1901—1904

The rebuilding was done immediately at a cost of \$1,500. It was moved back at this time some thirty-five feet from the old site so as to be protected in the future. These setbacks seemed but to rekindle the enthusiasm of the members, so that what at the time seemed to be disasters, really turned out to be blessings in disguise.

From an original membership of between twenty and twenty-five the club has increased until on the roll at present there are upwards of a thousand members, the largest purely aquatic club in existence. The regattas have grown in size and in importance. Time was when a two dozen attendance was reckoned a pretty fair turn out. Now the regattas are beheld with delight and the deepest interest by thousands of spectators.

The course is precisely the same as when the club held its first regatta. But it is in the appearance of a high river bank and the island

club amongst the various sister clubs and the esteem in which it is held by all.

The old original boat house was a long shed with a slight slope to the roof. It was built of rough inch boards and was forty feet long. On the end a committee room was built and on the top a grand stand was erected. This building was replaced by the one destroyed by fire in 1896. It consisted of a large boat house with a club house on top. The club house had a verandah around. Several additions were made to the building before its destruction by fire. In 1897 the present club house was erected. It is double the size of the former building, and is fitted up with shower-baths, dressing rooms and all manner of conveniences. It is a square structure forty-five feet to a side and has a spacious verandah on top. On the second floor there is an elegant dance hall reached by stairways both from the front and rear. The

executive room is reached by a stairway leading on to the roof where it is situated—a special super-structure. The building is all wood, pine lined inside. The club room is adorned with many costly pieces of plate—trophies, the rewards of victory in many hard-fought contests. Numbers of championship banners adorn the walls.

The long array of boat houses plainly visible from Wellington street above indicate how the club has grown in size and importance. Ten

in Ottawa later in the same year, in the presence of Their Highnesses the Duke and Duchess of York, our present King and Queen.

Too much praise cannot be given to such paddlers as Louis Leroux, the late Ben Leroux and Donald Murdock, who for several years previous to the formation of the Canadian Canoe Association upheld the honor of the club both at Toronto and at most of the local meets, and in their respective classes were practically unbeatable; also to Charlie McLean, whose pheno-

C. N. MARSHALL, H. VIARY, A. L. MARSHALL, C. W. MCLEAN

were built as an experiment. The experiment was so successful that from ten they were increased in number until at the present time they number well over the hundred mark.

In the paddling line the G.T.B.C. has always been to the fore, as will be noted from the list of Canadian Canoe Association Championships held by the club; but there are two particular races which will always stand out prominently from the rest, namely, the defeating of the hitherto undefeated war canoe champions, the Bohemians of Brockville, at the annual regatta of the club in 1901, and the subsequent winning of the War Canoe Championship of the C.C.A.

menal paddling at the Pan-American Exhibition at Buffalo in 1901 stamped him as the greatest single paddler of his time in America.

In referring to our rowing department, any remarks would be incomplete without mentioning a few names that will always be revered among the older members. Present members will perhaps not recognize the names of some of those who in the early days of the club's existence, won the laurel wreath of fame, but the records bear witness to the prowess of such men as Davie Davis, Joe, Bob, and Walter Laing, the late Bob Kell, Louis Leroux, and his late brother Ben, Ford Auburn, Albert and Fred Green,

Fred Scott, Pete Raymond, Oliver Harwood, Victor Henrichon, John Beattie, Sr., and Wm. Charles and others. These oarsmen made many gallant attempts to win championships and always made it interesting for their opponents.

It was a sore disappointment to many when in 1891 at Barry our senior four, with victory actually conceded to be within their grasp, had the misfortune to be run down by a steamer, while out for a trial spin on the evening previous to the big C.A.A.O. regatta, and their shell cut in two. The steamer, contrary to law, did not

At the Annual Meeting of the Club held on April 2nd, 1915, it was decided that all members who had enlisted or who might enlist with the overseas contingents would be carried on the Club's books as Honorary Life Members. At this early period of the Great War there were between thirty and forty members in uniform and this motion was made and passed to encourage other members who might enlist. The above ruling made a large drain on the finances of the Club and at the Annual Meeting held April 6th, 1917, it was agreed that in order to obtain the benefits of Honorary Life Membership, that

show proper lights and owing to this fact, the club was awarded damages. The crew in question composed of Davis, Kell and the Green brothers, after their miraculous escape of the night before, and in a borrowed shell made the winners go all the way to win at the regatta the following day.

The club was more successful however in 1898 at Toronto in the rowing line when through the magnificent work of Scott, Auburn, Harwood and Raymond, the Championship of the C.A.A.O. for junior fours was landed.

enlistment must be made prior to July 1st, 1918. At this date the number of members enrolled totalled nearly one hundred.

During the month of August 1915, when various organizations were offering and donating Machine Guns to the Government, a subscription list for this purpose was commenced among our Members. However before completion the Committee were advised that no further Guns were required and the sum collected to that date viz: Six Hundred and Thirty Five Dollars was finally handed to the Canadian Red Cross.

CLUB REMINISCENCES (*Continued*)

The Canadian Canoe Association at their Annual Meeting held in May 1916 decided to cancel any further Dominion Championship Meetings until the completion of the War and this ruling enabled the Executive to devote their energies to War Work.

Chas. W. Marshall, Commodore of the Club at that period, with his Executive arranged several patriotic affairs in aid of the various War Funds.

Lt. Col. Lordly of the Pioneers was then recruiting and amongst his officers was Lt. R. J.

The Club also held a Regatta the proceeds of same being handed to the Red Cross.

During 1918 a large Fete, lasting for one week was held, finishing with a Regatta. The total proceeds being donated to the Verdun Red Cross for War supplies.

During the four years of war the Executives and members put forth every effort to assist in these various patriotic events and through these efforts the organizations benefited to the extent of Three Thousand Dollars.

G.T.B.C. CANADIAN CANOE ASSOCIATION CHAMPIONS

SENIOR FOUR 1908

R. GLASS, G. W. BROWN, J. BEATTIE, G. D. MARSHALL

Campbell, a popular member of the Club who had already seen service overseas with the Thirteenth Highlanders. To this regiment the Club presented a set of Bagpipes and invited the officers and men to use the club house and grounds prior to their departure.

During the same year a Patriotic Regatta was held and the proceeds donated to the Khaki League.

The year 1917 saw several Patriotic Groups in charge of various Fetes. The Riverside Red Cross held a Bazaar for two days which was largely patronized by members and friends.

We have reposing in our trophy case approximately sixty-five trophies which have been won outright by our paddlers at C.C.A. Championships and Eastern Division Regattas, also at the Rouses Point Centennial, amongst which are such trophies as the "Howard G. Kelly," "E. W. Beatty," "Huntley Drummond," and "Sailing Ship," presented by officers of the old Grand Trunk Railway.

In addition to the above there are a large number of shields hanging on our club house walls noting championship races won by our paddlers of the past.

City of Verdun

Electric Light Dept.

WHEN considering your requirements for ELECTRIC SERVICE always keep in mind the fact that you are a joint owner of the Municipal Electric Light Plant. You must also remember that the City of Verdun provides—

Dual Service

WHICH is of more vital importance to you than that served by any other public utility.

THE City provides you with your water supply and your electric service so that you should not be misled by advertisements which tend to show that by supporting your own systems you would not be working in your own personal interests.

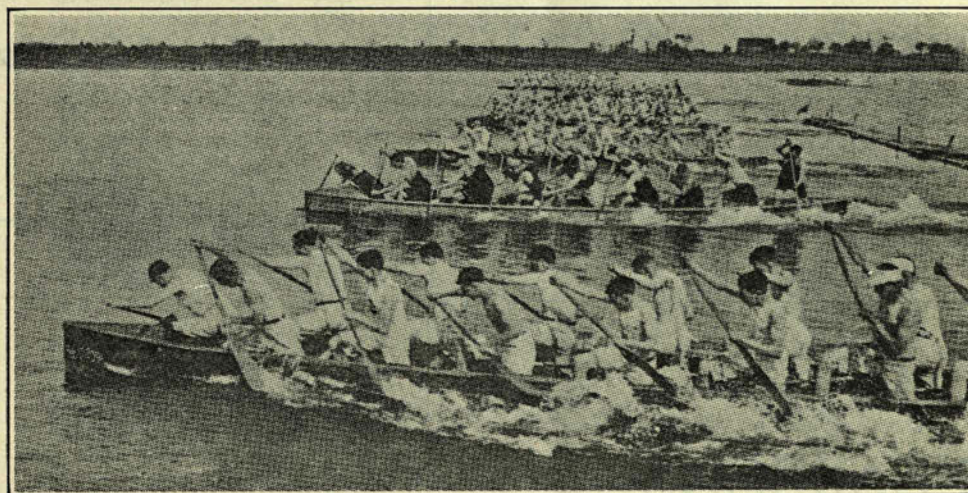

STUDY carefully the services rendered by our departments and those rendered by Companies which offer services in competition to the municipal services, and if in your opinion the municipal service is to your advantage support your service by signing all your contracts at the City Hall. The City does not ask any guarantee minimum for service nor does the City exact a deposit guarantee when you sign your contract. This is a consideration that should be worth considering.

CLUB REMINISCENCES (*Continued*)

The Canadian Canoe Association Dominion Championship Regattas were resumed in 1919, no meetings having been held for the previous three years owing to the war. Since the resumption our paddlers who have been successful in winning in the various events are as follows: K. Hale who won the Junior Single at Ottawa 1923, and Laing and Clements Senior Tandem at Carleton Place 1920.

direction of Commodore "Jack" Walker, was inaugurated a Lawn Fair which was held on the grounds for several days. This event proved such a financial and social success that it was decided to renew same during the last season under the guidance of our present Commodore "Ernie" Sauve with a like result.

The interest and devotion to the "Old Club" shown by all our members is without doubt the

W. P. KENNEDY

PAST PRESIDENT G.T.B.C. 1904-1905

So imbued was the late W. P. Kennedy, (or "Bill" Kennedy as he was better known to so many of his fellow members) with the spirit of the Club, which to him stood for clean sport and a field wherein friendship were developed and grew apace; a sort of social haven where people with at least one common interest met in harmony and trustfulness, that it would be out of place to write a mournful obituary upon him.

He lies cold in death, and has no longer the power to quicken us into action by his example, or to gladden us with his subtle, though never unfriendly humour, or to extend the balm of sincere sympathy to those in trouble, but in a better, in a higher sense, he still lives on as one of us.

So we write this as an appreciation of him; not so much to extol his virtues as to set forth the pride of his fellow-members in their association with him, do we feel that this item, with its many imperfections, has place here. We shall ever mourn his irreparable removal from our active ranks, but he will still serve us through an unblemished record of high ideals and great achievements, as a potent and helpful factor.

The late Ex-president Kennedy shares with the Club the right to call the "Over the Subway" district his birthplace. He never failed to proudly claim this title. It was his native heath and no chief of a Highland Clan was more firmly attached to the scenes of his boyhood, amongst the glens and dales of Auld Scotia, than was "Bill" Kennedy to that part of the City which was to him "home" in every sense that hallows the word.

Despite his modest retreat from honours on countless occasions, his qualities and energy brought him recognition in many and widely diverse fields of activity and public service. But he never wavered in his attachment to the "Point" and, withal, to the Grand Trunk Boating Club.

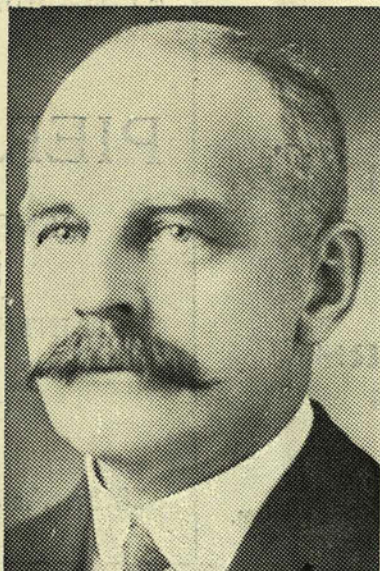

"Quietly Efficient and Efficiently Quiet" generally were apt descriptions of his characteristics in Club activities. While diplomatic and persuasive to the degree of genius, however, he never burked at being firm and outspoken whenever a principle was at stake, or when the path of duty lay through troublous ways. But he was never hasty in his judgements, nor harsh in his condemnations. Generous and broadminded, he knew no bounds of race or creed in his friendships and sympathies. Independent in character and unbending in his attitude to all that he considered

wrong, he admired independence in others and was kind in his regard of what he felt to be their defections. A clean fighter, a good sportsman and a faithful friend, he deprecated the bearing of grudges, was never a faction man and never "went back" on a friend in need. "The Grand Trunk Boating Club Bunch," as he affectionately referred to us collectively, never meant to him a clique or a faction of the Club, but rather it meant a circle of friends, bound together in a common and sincere purpose.

A life-long abstainer and abhorrent of the abuse by others of the "cup that cheers," he was never a "spoil-sport" and many a one of his older associates will

recall occasions when "Bill" stayed with the game long after the patience of most "non-participants" had worn out.

Unwavering in his principles, he tolerated differences in others with a magnanimity that portrayed the nobility of his character. He was an "executive man" in the fullest sense of the term, and his honour and good name bespeak the integrity with which he discharged his many positions of trust. He had an ability for "sizing up" men, both in sport and for office, that was almost uncanny, and he could ever secure fuller and more immediate results by inviting his fellow members to effort than most men could obtain by an order calling to labour. "Bill" Kennedy's "I want you to do it" is an order more than one of his colleagues has admitted.

He has gone, but his example and his memory are ours. His memory is enshrined in the spirit of the club, as it is in the hearts of his countless friends, as a dear possession. His example will ever serve as one of our noblest traditions. By those who knew him, he will ever be recalled as one of whom "Nature might stand up and say

to all the world, 'Here lies a man.'" To all who seek the better part, his life may well serve to mark the way to unchallengeable right to the greatest epitaph ever penned, "Here lies an honest man," for to this proud and ultimately highest human greatness our late fellow member "Bill" Kennedy fully attained.

CHARLES N. MARSHALL

COMMODORE G.T.B.C. 1907 and 1916

COMMODORE C.C.A. 1910

"Charlie Marshall," twice Commodore of the Grand Trunk Boating Club, and a former Commodore of the Canadian Canoe Association, one of the most enthusiastic members to participate in the activities, has passed into the Great Beyond and has left behind him a record for keen and clean sportsmanship which will serve as his best memorial as long as there remains a man who had known him in life.

Mr. Marshall became a member of the Club in 1893 and from the very first threw his energies into the service of the organization with whole-hearted devotion which made him a leader in and a supporter of every movement calculated to advance the interests of the Grand Trunk. Mr. Marshall was a real paddler. He liked the out-of-doors and found great pleasure on the water either in pastime or in the thrill and excitement of the contest.

It was in 1900 that "Charlie" with C. W. McLean, H. Veary and his own brother, Arthur Marshall, represented the Grand Trunk at the Pan-American Exposition at Buffalo and this quartette practically won all before them. In the same year, on Dominion Day the same four represented the club in the C.C.A. Regatta at Toronto and clearly indicated their real mettle.

A year later there was a dispute over the championship war canoe race at Brockville causing a postponement to a later date at Ottawa. "Charlie" and Mr. McLean organized a crew and with "Charlie" as stroke the crew flashed to victory, the occasion being the first on which a Grand Trunk crew had won a Dominion Championship in this event. The occasion was rendered the more memorable by reason of the presence at the regatta of His

Majesty, King George, then Prince of Wales. It was said of Mr. Marshall that he was unquestionably the best stroke in a war canoe in Canada during his prime.

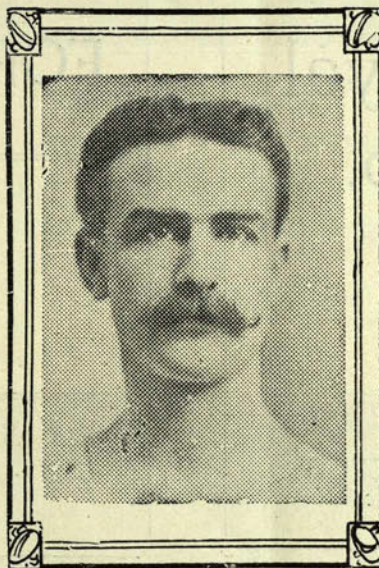

It is on record that Mr. Marshall was always willing to forego his own pleasures for the sake of the club, one notable occasion being when he terminated a motor trip in order to stroke the war canoe crew at the regatta at Rouse's Point which formed part of the programme of the ceremonies for the celebration of the Champlain Tercentenary.

Instances are innumerable of his devotion to the club during times of stress, such as the fire and the damage caused by the ice crush, and it was he who advocated the principle of a reserve fund.

Mr. Marshall was not limited in his interests. He was a supporter of the motor boat, his first venture being to install an engine in a war canoe. Mr. Marshall was an oarsman and a good runner either on the track or with the snowshoes. One of his most treasured prizes was a gold medal won in a handicap steeplechase over the old mountain course when he won from "Bob" Davis, of Lachine, then regarded as being King of them all.

Although a total abstainer, Mr. Marshall was always ready to join in the social functions of those who were not and his fine baritone voice was frequently heard at the gatherings of members when the "tankard" was in evidence.

Mr. Marshall died in February, 1920 following an illness of a week's duration. By his death the club lost a man of sterling character and his friends suffered an irreparable loss.

ROB ROY CANOE 1886

HOW I INTRODUCED THE TYPICAL "ROB ROY" CANOE INTO THE GRAND TRUNK BOATING CLUB!

In the summer of 1885, I paid a visit to England and when in London, visited an Exhibition being held there and was very much impressed with the exhibit of fine boats and canoes of Messrs. Searle and Sons.

In the following summer I decided to order a "Rob Roy" canoe. In the month of June or early in July, my canoe arrived, splendidly packed in a deal case which looked very much like a large coffin as many remarked when seeing it on its way up the Lower Lachine Road to the Grand Trunk Boating Club grounds. Great was the excitement and much interest was shown by all members of the Club present when the case was opened and all were curious to see a real "Rob Roy."

It was about the summer of 1886 that the canoe craze really started in the Grand Trunk Boating Club and I am proud to say that I was one of the first in.

Below is a copy of a letter from the Builders of my canoe:—

Stangate, Lambeth,
London. S.E., July 30th. 1886

H. J. Dix, Esq.,
Grand Trunk Railway,
Mechanical Department,
Montreal.

Sir:—

We thank you for your favour of the 19th inst., and are much gratified to hear that you are so well pleased with the canoe.

She is the typical "Rob Roy" travelling canoe. a copy of the second one we built for Mr. John McGregor

H. J. DIX, LIFE MEMBER G.T.B.C.

If I remember rightly, old Mr. Laing was building a canoe at the time and hearing that I was importing one from England waited till it arrived in order to get some pointers. After this several canoes appeared.

Our old esteemed friend the late Mr. Wells, a canoe enthusiast, built several I believe.

Extract from a Montreal paper in the summer of 1886:—

POINT ST. CHARLES:—A craze has been started in Point St. Charles boating clubs in favor of canoes. Several members and others are either building or buying canoes, and in a few weeks it is likely a separate canoe club will be organized. One prominent resident of the Point is importing a first class Rob Roy from England, and already some others of a very good style and the same pattern have been on the water some time. Great interest is being evinced in the idea, and the models being adopted are of a good form.

The side decks are mahogany, the cover cedar, which wood we use principally for hot climates but of course the canoe should not be exposed too much when not in use and if you varnish her now and then we think she will stand the climate.

With regard to the air tanks, you can have them made either of thin zinc or of galvanized rubber (the latter you can inflate)

They should be fitted as nearly as possible under the decks forward and aft.

Yours truly,
(Sgd.) Searle & Sons.

This canoe is built of oak, lap streak and copper fastened and has stood the test and is in perfect condition to-day after 38 years.

Enclosed is a photograph taken near the Blue Bridge Lower Lachine Road in 1886.

H. J. DIX,
LIFE MEMBER.

GRAND TRUNK BOATING CLUB PIONEER

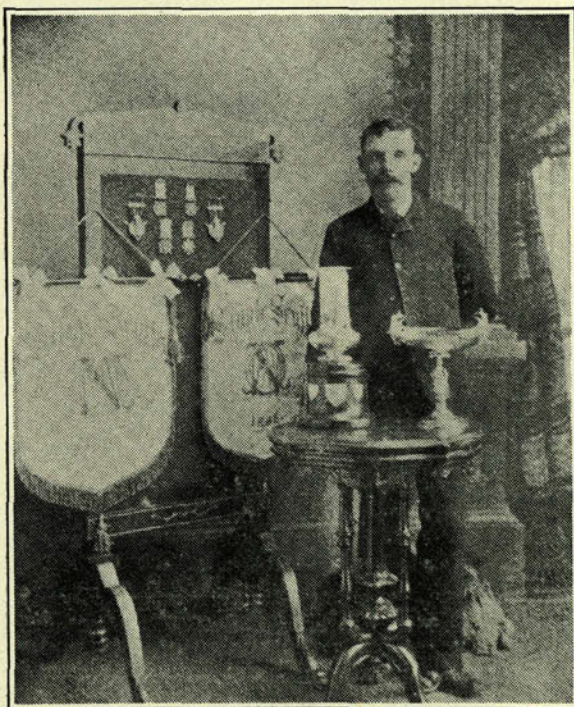

THE LATE MR. JOHN LAING A FOUNDER OF THE G.T.B.C.
IN HIS FAVORITE BOAT IN WHICH HE DIED

The photo given in this issue of the late Mr John Laing will be an object of interest to the thousands of friends of this Grand Old Man. He had reached the patriarchal age of 84 years, and had never missed a single regatta during the long course of its history. He was one of the founders of the club which has won not only honors in the Dominion of Canada, but throughout the English speaking world. No form was more familiar than his on the waters in the vicinity of the Club House which was to him a second home.

He died in harness amongst sons and grandsons and beloved friends, having passed away on the St. Lawrence River during the progress of the regatta which he had attended for so many years.

The officials did which he would have doubtless wished in continuing the days proceedings.

JOE LAING CHAMPION OARSMAN G.T.B.C.

Joseph Laing, born in London, Eng., May 3rd, 1855, height 5' 6 $\frac{3}{4}$ ", weight 145 lbs., chest measurement 39". He made his first appearance as an athlete at the Caledonia snow-shoe races at Point St. Charles, March 6th, 1876, winning the one mile, and quarter mile club races. His first appearance as an oarsman was at the first Grand Trunk Boating Club regatta Sept. 6th, 1876, subsequently representing his club at all local regattas at Laehine, St. Anne's, Longueuil and Pointe Claire till 1884 when he retired from the amateur ranks. On May 24th, 1881 he won the Idlewild Cup at Peterboro, Ont. During his career as an oarsman he won the Canadian Amateur Association championship single scull shell four consecutive times and the National Association championship cup and medal twice. His record of 8.44 minutes for this race made at Newark, N.J., still stands.

He also took part in snow-shoe and foot races, notably a go-as-you-please race for volunteers in light marching order with rifle and accoutrements, covering 20 $\frac{1}{4}$ miles in three hours. He died in April 25th, 1895.

G.T.B.C. Polo Team Champions of Canada 1893

The club has also taken an active interest in swimming and at the game of Water Polo, and it will no doubt surprise a great many of the new members to learn that back in the early nineties we had a polo team managed by Mr. Thomas Wall which held the local championship so long that it actually was the means of the dissolving of the league.

In later days the Motor Boat has taken the popular fancy and our fleet, although not so pretentious as some of our sister clubs, is nevertheless very much in evidence, as witness the large amount of gasoline put through the bowser bank last season.

The club has been ably represented on the executive board of both the C.A.A.O. and the C.C.A. in the past, of both of which organizations the club is a chartered member; Mr. James Stewart, Mr. George Ewart and Mr. Fred Scott have been prominent as representatives to the Oarsmen's Association and Mr. James Powell, Mr. W. P. Kennedy and Mr. C. N. Marshall have each in turn held the office of Commodore of the C.C.A.

In the social line our bright light is still shining and many a jolly time has been spent at the numerous functions held by the club.

Long life and prosperity to the Grand Trunk Boating Club: may it continue to fulfil the purpose for which it was organized, namely, to foster and perpetuate aquatic sports, the finest on earth, and to see that they are kept absolutely clean.

All honour to the peerless enthusiasts on the club's roll of fame, and still more to the pioneers who made such success possible.

Howard G. Kelley War Canoe Trophy

Owing to the Drummond Trophy having been won outright by the Grand Trunk Boating Club in 1918 the season for the following year opened without any War Canoe Trophy being available for contest at our annual regatta. However Mr. Howard G. Kelley, then president of the Grand Trunk Railway, and Hon. Commodore of the G.T.B.C. in the activities of which he displayed an enthusiastic interest, kindly came to our assistance. He expressed to the Executive of the club his desire to present a trophy for annual competition among the War Canoe crews of the clubs of the Eastern Division, leaving the conditions governing the competition for the trophy entirely to the Grand Trunk Boating Club.

Chateauguay Boating Club, captained by W. Reid. In 1920 this same crew repeated its splendid performance.

In 1921, when Jack Walker assumed the Commodoreship of the Grand Trunk Boating Club, he succeeded in persuading the club to place on the water a stronger War Canoe crew, one which would be able to capture this trophy from our rivals and thus keep it in open competition for a longer period than three years. In this the Grand Trunk Boating Club was signally successful. At the Annual Regatta of that year our crew, captained by Jack Beattie, after a neck-and-neck race with Chateauguay crossed the line first and thus wrested the trophy from the club which had held it for two years.

The offer was gratefully accepted and after due deliberation the conditions governing the contest were settled. It was decided that any competing club to become the possessor of the trophy outright must win it three times though not necessarily three times in succession.

The trophy was purchased from the Standard Silver Company of Toronto and when publicly displayed, created a widespread sensation since it was the largest and most handsome trophy ever presented for an aquatic event up to that time. It stimulated every club of the Eastern Division to strengthen its War Canoe Crew and each increased its efforts to capture this much-coveted prize.

The first competition for the Howard G. Kelley trophy took place at our annual regatta held in August 1919 when it was won by the

In 1922, during the term of Commodore held by Lieut-Colonel H. Harrison, this splendid achievement was repeated, and in the following year, 1923, it passed into the permanent possession of the Grand Trunk Boating Club through the success of the War Canoe crew captained by Charles Boaz.

The Howard G. Kelley Trophy was successful in investing the War Canoe event with more interest and created far keener competition and more wholehearted enthusiasm than had ever been recorded before. When Mr. Howard G. Kelly presented this trophy to the Grand Trunk Boating Club he not only received the thanks and appreciation of this club, but of the whole Eastern Division of the Canadian Canoe Association.

PNEUMATIC TOOLS for Railroad Work

Ingersoll-Rand Pneumatic Tools give the dependable and economical service essential to railroad work. They are simple in design and have great power and durability.

There are drills to do your drilling, tapping, reaming, flue rolling, valve setting, etc.

A line of modern riveting hammers is available in two types (central and offset valve) for all classes of work.

For chipping, calking, beading, etc., I-R Chippers are without equal. A complete range of sizes assures the right tool for each kind of work.

I-R Grinders, rammers and air hoists are equally efficient and dependable.

Write for bulletins describing the complete line of Ingersoll-Rand air tools.

Commodore J. S. Walker War Canoe Trophy

PAST COMMODORE J. S. WALKER
and the War Canoe Trophy which
he presented to the Grand Trunk
Boating Club.

In 1921 when Mr. J. S. Walker accepted the Commodoreship of the Club, he instilled such enthusiasm in the paddlers that they won outright the Howard G. Kelly trophy in three successive years. Not being satisfied with this he promptly came forward and presented the Club, with the handsome trophy as shown here. This is the largest and most valuable trophy ever donated for an aquatic sport event. The trophy was manufactured in England. This is only one of the many donations made to the Club by our past Commodore, and one whose smiling countenance is welcomed by everyone at all times.

The condition under which these Trophies are competed for is that they must be won three times by any Club before becoming their property, with the exception of the Trophies for the Senior Single and Senior Four races. The Senior Single Trophy must be won by an individual paddler three times before becoming his own property. Senior Four Trophy must be won five times, or three times in succession, by any Club before becoming their property.

K. HALE, C.C.A. JUNIOR SINGLE CHAMPION 1923

G.T.B.C. CHARTER, May 1888

MONTREAL, 21st May, 1888.

To His Worship the Mayor and Council of the City of Montreal;—

We, the undersigned, residents of the City of Montreal, desiring to obtain incorporation under the name of the Grand Trunk Boating Club, as provided in 50 Victoria, Chapter 41, of the Acts of the Legislature of Quebec, instituted "an Act respecting the incorporation of Associations for literary purposes and for purposes of amusement," do, in accordance with section 1 of the said Act, pray that you may be pleased to give your consent to and authorise our action in this matter aforesaid, and we shall ever pray.

Signed:—

HENRY HADLEY,	A. PATTERSON.	J. A. STEWART.

MONTREAL, May 22nd, 1888.

I hereby certify that the Petition of residents of the City of Montreal, in *re* the Grand Trunk Boating Club, of which a correct copy is attached hereto, was granted by the Council of the City of Montreal on the 21st day of May, 1888.

Signed:—

CHARLES SLACKMEYER,
City Clerk.

Province of Quebec }
District of Montreal }

We, the undersigned, Frank Humby Wildgoose, Clerk, Alfred Bland Dutton, Fitter, Joseph Asselin, Clerk, John Sly, Butcher, Donald Robertson, Clerk, Alexander Turnbull, Carpenter, Edward Law, Clerk, John Laing, Jr., Turner, James Anthony, Foreman Fitter, Henry Hadley, Manager, A. Patterson, Foreman Blacksmith, and James Alexander Stewart, Clerk, all residing in the City of Montreal, in the said Province and District, hereby certify and declare that we, with other persons, members thereof, have united ourselves in a Club under the Provisions of 50 Victoria, Chapter 41, of the Acts of the Legislature of Quebec, instituted "an Act respecting the incorporation of Associations for literary purposes and for purposes of amusement," known as the Grand Trunk Boating Club. The objects of the said Club are the encouragement of boating and providing rational amusements and recreations for its members.

The seat and place of business of the said Club is in the City of Montreal.

WITNESS our hands at the City of Montreal, this 25th day of May, 1888

Signed:—

FRANK H. WILDGOOSE,	ALFRED B. DUTTON,	JOSEPH ASSELIN,

CONSTITUTION--REGATTA RULES

AND

LAWS OF CANOE RACING

OF THE

CANADIAN CANOE ASSOCIATION

NAME

Article 1.—The name of the organization shall be the Canadian Canoe Association.

OBJECT

Article 2.—(A) The object shall be to promote, foster and perpetuate Canoeing in Canada; protect it from professionalism, and to establish canoe championships for war canoes, fours, tandems and singles, in the Dominion, and to promote and cultivate a kindly feeling among the members of canoe clubs.

(B) It shall consist of clubs which adopt this definition of an amateur, viz;—"One who has not entered into an open competition or for either a stake, public or admission money or entrance fee, or who has never taught, pursued or assisted in the pursuit of athletic exercises as a means of livelihood, or who has never competed with or against a professional in any line of sport; whose membership of any canoeing or other athletic club was not brought about, or does not continue, because of any mutual agreement or understanding, expressed or implied, whereby his becoming or continuing a member of such club, would be of any pecuniary benefit to him whatever; who has never been employed in any occupation involving any use of the oar or paddle, and who paddles for pleasure or recreation only, and during his leisure hours, and who does not abandon or neglect his usual business or occupation, for the purpose of training, for more than two weeks during the paddling season, the said two weeks not to include the time taken up by contestants travelling to and from regattas.

OFFICERS

Article 3.—Its Officers shall be Commodore, Vice-Commodore and Rear Commodore, elected the one to each division, and Secretary-Treasurer, elected from the Executive Committee.

EXECUTIVE COMMITTEE

Article 4.—(A) The Executive Committee shall be composed of one representative, duly accredited as such, from each Club in good standing at the annual meeting, who shall hold office until their successors are appointed. It shall be the governing body in all matters affecting the interests of the Association, with full power to make such rules as it may be considered to further the objects of the Association.

(B) All Past Commodores shall be members of the Executive, without however the privilege of vote.

(C) Any vacancy occurring in the Executive shall be filled by a representative appointed by the club whose nominee has retired, and who shall hold office for the remainder of the term.

(D) Five members shall form a quorum.

(E) An Auditor shall be appointed by the Executive Committee who shall audit the Annual Statement of the Secretary-Treasurer before the Annual Meeting and certify to its correctness.

(F) There shall be no proxies for Executive meetings, but should it be found impossible for an Executive Officer to attend any regular Executive meeting, the Club he represents, by certificate of its proper officers, may delegate authority to some other nominee to represent it at such meeting.

DUTY OF OFFICERS

Article 5.—(A) Commodore. The Commodore shall preside at all meetings of the Association and of the Executive, and shall have general supervision over all matters affecting the interests of the Association. He shall have a vote as representative of his Club, and a casting vote in case of a tie. He shall call special meetings whenever he deems them necessary, or when requested to do so by any three clubs in good standing in the Association—the said clubs must state reasons in writing for requesting such meeting.

Constitution and Regatta Rules (*Continued*)

(B) Vice-Commodore. The Vice-Commodore shall perform the duties of Commodore in the absence of the latter.

He shall deposit all cash receipts in a chartered bank to the credit of the Association, keeping a correct account of receipts and payments in a proper way.

He shall collect and have charge of all monies belonging to the Association; he shall pay all bills when properly certified, and shall submit a report to the Executive Committee when called upon by them to do so, and shall render his accounts together with vouchers for all payments, at the annual meeting of the Association, which closes his term of office.

He shall give a bond to the Executive Committee for an amount to be fixed by them.

(C) Rear Commodore. The Rear Commodore shall perform the duties of Commodore in the absence of the latter.

He shall be responsible for the securing of bonds, for the protection of the Association Trophies which are in the hands of the various clubs.

(D) The Flag Officer of each Division shall be the senior Executive Officer in the Division, and shall report at the Annual Meeting as to progress and business transacted in the Division during the year.

(E) Secretary. The Secretary shall keep an accurate record of the proceedings of the Association and of the Executive Committee; a register of the Clubs in the Association, with the names of office bearers as well as the addresses of Secretaries. He shall conduct all correspondence of the Association and of the Executive; keep a record of the decision of the latter on all points of appeal or complaint. He shall notify all officers and clubs of their election, and issue all notices of meetings.

He shall obtain from each Divisional Secretary or other officer who shall in turn furnish him with a complete and accurate list of winners of each and every event at the Divisional Meets and open Regattas held during the season. These records shall be tabulated and kept for reference so that the status of paddlers may at all times be readily ascertained.

ANNUAL MEETING

Article 6.—(A) The Annual Meeting shall be held on the second Saturday in May of each year, at Ottawa, at the hour of 3 p.m.

(B) Clubs shall be notified of the time and place of meeting at least 10 days previous thereto.

(C) One half of the eligible representatives of the Clubs in good standing, at the date of calling the meeting shall constitute a quorum.

(D) Each Club whose dues are paid on or before the Annual Meeting, and is otherwise in good standing, shall be entitled to two representatives. The representative or representatives present shall be entitled to cast the full vote of his Club.

(E) Every Club shall send to the Secretary of this Association a certificate of appointment of two representatives (one of whom shall be named as its Executive Officer)—said certificate to be signed by the President and Secretary, or other similar officers of the Club.

(F) An absent representative may be represented by Proxy provided said Proxy is furnished with power of attorney or certificate duly attested by the proper officers of his Club.

(G) No representative shall represent more than one Club by proxy or otherwise.

COMPOSITION OF ANNUAL MEETING.

Article 7.—(A) The Annual Meeting shall be composed of the Executive Committee, and of one representative from each of the Amateur Canoe or Boat Clubs in Canada, which have been duly admitted to membership.

(B) Each representative shall have a vote as well as each member of the Executive Committee.

(C) No representative shall be admitted to the Annual Meeting unless he shall have filed with the Secretary a certificate of his appointment signed by the proper officers of the Club he represents.

ADMISSION TO THE ASSOCIATION

Article 8.—Any canoe club desiring to join this Association may be admitted into membership and representation on the Executive, upon recommendation of any two clubs in good standing, on application to the Secretary and payment of annual dues.

ANNUAL FEES

Article 9.—(A) The annual fee for each affiliated club shall be twenty-five dollars, payable on or before date of annual meeting and shall include entries of all events at the annual Regatta.

(B) Subsequent applications for membership must be accompanied by the annual fee of twenty-five dollars.

(C) Any club whose fees remain unpaid shall be considered to have forfeited its rights to membership in the Association.

ANNUAL CHAMPIONSHIP MEET

Article 10.—(A) The annual Championship Meet of the Association shall be held on the first Saturday in August of each year.

(B) The sum of \$350 shall be provided to the Division holding the Annual Meet, for the purchase of suitable prizes each year, from the funds of the C.C.A., this amount to be placed in the hands of a Prize Committee composed of three members of such Divisional Executive, of which the Divisional Commodore shall be one.

(C) Each Division shall hold, not more than two weeks prior to the Annual Championship Meet, a Qualifying Meet. The winners of first, second and third places in each event shall be qualified to enter the championship races of the Association.

AMENDMENTS TO CONSTITUTION

Article 11.—No addition, alteration or amendment to these articles of Constitution shall be made at any meeting except by a two-thirds' vote of the representatives present.

ORDER OF BUSINESS

- Article 12. — (1) Minutes.
 (2) Credentials.
 (3) Correspondence and Reports
 (4) Unfinished Business.
 (5) Election of Officers.
 (6) New Business.

Article 13.—Each Division shall be governed by this constitution at all their meetings; the Flag Officer and Secretary of same to perform the duties as designated to Commodore and Secretary of the Association.

The Canadian Canoe Association was organized in 1900, the original charter members being as follows:

- 1924—Ottawa N.E.C.C.

REGATTA RULES

1. All races shall be under the direction and full control of the Executive Committee of the Association.

2. Regatta shall be open to all amateur clubs which have been duly organized three months prior to the holding of the Regatta and have paid their subscription to the Canadian Canoe Association. Entries of individuals will not be received.

3. An amateur shall be defined as one who has not entered into an open competition; or for either a stake, public or admission money, or entrance fee; who has never taught, pursued or assisted in the pursuit of athletic exercise as a means of livelihood, or who has never competed against a professional in any line of sport; whose membership of any canoeing or other athletic club was not brought about or does not continue because of any mutual agreement or understanding, expressed or implied, whereby his becoming or continuing a member of such club would be of any pecuniary benefit to him whatever and who has never been employed in any occupation involving any use of the oar or paddle and who paddles for pleasure or recreation only, and dur-

ing his leisure hours and who does not abandon or neglect his usual business or occupation for the purpose of training for more than two weeks during a paddling season, the said two weeks not to include time taken up by contestants in travelling to and from Regattas.

4. No club shall be allowed to enter any person who has not been a member thereof for at least thirty days preceding the Regatta, or who has been entered in any race from any other club during that time, or who, during that period, has had a residence more than fifty miles from the club he represents; except where there is no canoe club within fifty miles of a paddler's residence, the fifty mile limited does not apply; nor shall any entry be received from a club, which shall include in its list of active members any professional canoeist or athlete.

5. Any club intending to compete at the Divisional Regattas must file with the Secretary of the Division a list of entries together with the of the competitors on or before the day appointed for closing the entries. Entry lists for the Divisional Regattas shall close five days before the date of such Regatta. The Divisional Secretary shall forward to the Secretary of the Canadian Canoe Association a complete list of all entries from his Division in not less than two days following the holding of the Divisional Regatta. The entries for the Annual Regatta shall consist of the first three contestants in all the different Divisional Regattas. Amateur Declarations must accompany all entries. Secretary shall forward copy of this resolution to each club, two weeks prior to Annual Regatta.

6. There shall be sent to the Divisional Secretary and to the Secretary of the Canadian Canoe Association, in all cases of entries for War Canoes, a list of not more than twenty names; for Fours, not more than six names; for Tandems, not more than four names, and for singles, not more than one name, and from these the actual crews shall be selected. The Secretary and Captain of the club entering must certify to the seniority status of each man. The name of the Captain and Secretary of each club entering for any race shall be sent at the time of entrance to the Secretary of the Canadian Canoe Association. A copy of the entrance list shall be forwarded to the Secretary of each club so entered.

Constitution and Regatta Rules (*Continued*)

7. No assumed names shall be given to the Secretary of the Canadian Canoe Association.

8. No one shall be allowed to be entered twice for the same race.

9. The Secretary shall not be permitted to declare any entry nor to report the state of the entrance list until such list shall be closed.

10. Each division of the Association shall have the authority to appoint each year, prior to the first Regatta, a discipline Committee of four from the executive representatives of the clubs forming the division, or from past Commodores of the Canadian Canoe Association, who, with the flag officer of the division as chairman, shall have charge of investigating all complaints against the conduct at Regattas of individual competitors, crews or clubs within the jurisdiction of the division.

11. Each division may draw up a Code for the regulation of conduct of competitors and clubs attending Regattas, to be administered by officials and the Discipline Committee.

12. Objections to any entry at a Divisional Regatta shall be made to the Divisional Secretary and to the Secretary of the Club making the entry in not less than two days following the closing of the entries. Such objections shall be investigated by the Divisional Executive and a decision made relative to same prior to the holding of the Divisional Regatta. Objections to any entry at the Annual Regatta shall be made to the Secretary of the Canadian Canoe Association in not less than four days prior to the holding of the Annual Regatta; copy of such notice to be sent to the Secretary of the Club making the entry. The Executive Committee of the Association shall investigate any objections made and a decision shall be given relative to same prior to the holding of the Annual Regatta.

13. The races at each Regatta shall consist of:—

- Junior Singles
- Intermediate Singles
- Senior Singles
- Junior Tandems
- Intermediate Tandems
- Senior Tandems
- Junior Fours
- Intermediate Fours
- Senior Fours
- War Canoes

All races shall be one half mile straight away excepting Singles and Tandems which shall be with a turn one quarter mile out turn to right and one quarter mile back.

14. No member of a club shall be allowed to be substituted for another who has already paddled in a heat, nor shall any member of a club be allowed to paddle with more than one crew for the same prize.

15. In the event of a dead heat taking place the same crews shall contend again after such interval as the Referee may appoint. Any crew refusing shall be adjudged to have lost the heat.

16. In each class two or more entries shall be required to insure a race and should withdrawals, after the entries are closed, reduce the number to one canoe the crew thereof must paddle over the course to be entitled to the prize.

17. Heats and stations shall be drawn for by the Executive Committee on or before the Wednesday prior to the Annual Meet, each Division to be represented by one man at the draw for courses.

18. The Executive Committee shall choose a Referee, Assistant Referee, Starter, Timekeepers, Scorers, Measurers, Clerks of the Course, Announcer; the Starter may appoint one or two assistant starters if he so desires. More than one judge at the start and more than one judge at the finish.

19. The laws of canoe racing adopted by the Executive Committee shall be observed at the Regatta, and its definition of an amateur shall govern the qualification of each competitor.

20. Entries for races shall be governed by the following definitions:—

A Junior Single Paddler shall be one who has never won a single canoe race previous to the current year and who has not won more than two races in such class during the current year.

A Junior Tandem Paddler shall be one who has never won a tandem canoe race previous to the current year and who has not won more than two races in such class during the current year.

Constitution and Regatta Rules (*Continued*)

A Junior Four Paddler shall be one who has never won a Four canoe race previous to the current year and who has not won more than two races in such class during the current year.

An intermediate Single Paddler is one who has never won other than a junior single race previous to the current year and who has not won more than two intermediate races during the current year.

An Intermediate Tandem Paddler is one who has never won other than a junior tandem race previous to the current year and who has not won more than two intermediate tandem races during the current year.

An intermediate Four Paddler is one who has never won other than a junior four race previous to the current year and who has not won more than two intermediate four races during the current year.

The current year shall be from Annual Regatta to Annual Regatta.

In War Canoe races there shall be no status of seniority.

The class status of a paddler remains unchanged during the Regatta at which he may be a winner. There shall be no change in the class status of a Winner at a Divisional Trial Regatta until the completion of the Annual Regatta, providing he wins no races in such class during the ensuing interval.

Competitions with members of his own club shall not affect the classification of any paddler.

21. Prior to the start of the mile War Canoe Race all of the War Canoes shall paddle past the judges, stand together and at a given signal shall salute the Commodore by raising their paddles in the air.

22. The prizes shall be delivered at the conclusion of the Regatta to their respective winners, who, in case of a challenge prize, shall furnish such bonds as may be required by the Executive Committee.

23. Any participant in the races shall have the right at any time previous to the awarding of the prizes to object to any club or person participating in or being declared the winner of any race where it may appear to the person

making the objection that such club or person has not entered such contest with the intention of participating therein in an honest manner, and making all reasonable efforts to be successful. The evidence shall be presented to the Executive Committee, who, after hearing the accused, shall, by a majority vote, decide the objection. They shall have power to order the race paddled over or to confer the prize on whomsoever, in their judgment, is entitled to it.

24. All questions of eligibility, qualifications or interpretation of the rules shall be referred to the Executive Committee, and its decision shall be final.

25. The Executive Committee shall have power to reject any entry.

26. It shall rest with the Executive Committee whether more than the winner of a trial heat should paddle in the final heat, except when in any trial heat of a Regatta a foul occurs under such conditions and with such results that the laws of canoe racing, the exigencies of time and the circumstances of the Regatta do not afford full justice to any contestant, the Referee may permit such aggrieved competitor to start in a subsequent or in the final heat as in the judgment of the Executive Committee is most convenient.

27. A canoe, to compete in any race, must be sharp at both ends, with no counterstern, and must come within the following limits prescribed for its class:—

“Single and “Tandem” Maximum length 16 feet; minimum beam, 30 inches; minimum depth 10½ inches; minimum weight, 45 lbs ; a deficiency of weight to an amount not exceeding 5 pounds may be made up by ballast.

“Fours” Maximum length, 20 feet; minimum beam, 30 inches; minimum depth, 10½ inches; minimum weight, 70 pounds.

War Canoes Maximum length, 30 feet; minimum beam 36 inches; minimum weight, 120 pounds.

Measurement.—The length shall be taken between perpendiculars at the foreside of the stem and the afterside of the stern. The beam shall be taken at the widest part wherever

Constitution and Regatta Rules (*Continued*)

found. The depth shall be measured from the inside of the garboard next to the keel to the lower side of a straight-edge across the gunwales. Splash-boards may be used.

Any Canoe used in the C. C. A. races must sit on its own bottom to the satisfaction of the Referee.

The Laws of Canoe Racing of the "Canadian Canoe Association"

1. All canoe races shall be started in the following manner:—The starter, on being satisfied that the competitors are ready, shall give the signal to start.

2. If the judges consider the start false, they shall at once recall the canoes to their stations, and any canoe refusing to start again shall be disqualified.

3. Any boat not at its station at the time specified shall be liable to be disqualified by the Referee.

4. The Referee may act as Starter if he thinks fit; where he does not so act, the Starter shall be subject to the control of the Referee. The Assistant Referee shall appoint judges to select crews finishing First, Second and Third in the various races, these judges corroborating their decisions with the Referee.

5. Canoes shall be started by their bows and shall have completed their course when the bows reach the finish.

6. A Canoe's own water is its straight course parallel with those of the other canoes and this position must be maintained from the start to the finish.

7. Each canoe shall keep its own water throughout the race, and any canoe departing from its own water will do so at its peril.

8. The Referee shall be sole judge of a canoe's own water and proper course during the race.

9. It shall be considered a foul when, after the race has commenced, any competitor, by his paddle, canoe, or person comes in contact with the paddle, canoe, or person of another competitor, unless, in the opinion of the Referee, such contact is so slight as not to influence the race.

10. No fouling whatever shall be allowed; the canoe committing a foul shall be disqualified.

11. The Referee may, during a race, caution any competitor when in danger of committing a foul.

12. The Referee shall decide all questions of a foul and give his decision without it being necessary to make an appeal to him.

13. A claim of foul must be made to the Referee by the competitor himself, and, if possible before getting out of his canoe in cases when the Referee has not announced his decision.

14. In case of a foul, the Referee shall have the power—(a) To place the canoes (except the canoe committing the foul, which is disqualified) in the order in which they came in.

(b) To order the canoes engaged in the race other than the canoe committing the foul, to paddle over again on the same or another day.

(c) To restart the canoes, other than those disqualified, from the place where the foul was committed. (d) Referee shall carry a gun in his boat and a signal given by him to stop a race will be (2) two shots from the gun.

15. Every canoe shall abide by its accidents, except when, during a race, a canoe, while in its own water, shall be interfered with by any outside canoe or boat, the Referee may order the race to be paddled over, if, in his opinion, such interference materially affected its chances of winning the race.

16. No canoe or boat shall be allowed to accompany a competitor for the purpose of directing his course or affording him other assistance. The canoe receiving such direction or assistance shall be disqualified at the discretion of the Referee.

Constitution and Regatta Rules *(Continued)*

17. The jurisdiction of the Referee extends over the race and all matters connected with it from the time the race is specified to start until its final termination, and his decision in all cases shall be final and without appeal.

18. The Judges at the finish shall report to the Referee the order in which the competing canoes cross the line, but the decision of the race shall rest with and be declared by the Referee.

19. Any competitor refusing to abide by the decision or to follow the directions of the Referee shall be disqualified.

20. The Referee, if he thinks proper, may reserve his decision, provided that in every case such decision be given on the day of the race.

21. Contestants, paddling a dead heat shall compete again after such interval as may be appointed, and the contestant refusing to so paddle shall be adjudged to have lost the race.

22. In turning races each competitor shall have a separate turning stake and all buoys be turned to the right. Any competitor may turn any stake other than his own, but does so at his peril.

The Grand Trunk Riverside Gun Club

The Grand Trunk Riverside Gun Club was organized in the season of 1919 by twenty members of the Boating Club, who were very keen on Clay Bird shooting, and has gained great popularity ever since and the membership has increased to over two hundred. In the formation of the Gun Club, which season starts at the latter end of October, has been a great help to the Boating Club, for the fact that it keeps the members of the Club together all winter, and apart from the active sport of shooting, many very sociable afternoons and evenings are spent in the Bungalow, the home of the Gun Club.

During the seasons of 1919-1920, the Clay Bird shooting was very popular in Montreal, and each week-end, seventy-five to a hundred would be seen at the traps, and the members were increasing to such an extent, that the quarters which were bequested by the Club, were not large enough to accommodate the gathering. At the close of the 1920 season a Bungalow was purchased by the Boating Club from the Dom. Cartridge Company and erected on the western section of the Club Grounds, where it now stands, and is known as the Home of the Gun Club.

Wm. (Bill) Ramsden was elected the First President of the Gun Club, with Wm. (Sammy) Clements as Secretary and Andy Anderson as Treasurer, and to them to a great extent, the success that the Gun Club has attained has been due. They were successful in bringing to the Club the best known Trap Shooter in eastern Canada, and held many tournaments that has made the Grand Trunk Riverside Gun Club one of the best known Gun Clubs in this section of the country.

The Club has also been a financial success and divides its revenue each year as follows:—One half of the total profits are set aside each year and is kept as a Gun Club Fund, one quarter is paid over to the Reserve Fund of the Boating Club, and one quarter paid to the Incoming Committee of the Boating Club.

The Club is holder of the following Trophies at the present time:—
