Which school will win the Y's Men's 1962 Track meet?

Bishop's College School five-time winners of the Sherbrooke Y's Men's Eastern Township Track and Field Meet put their title on the line Saturday when, along with 18 other schools they vie for 1962 honors in the 20th running of the meet.

On the strength of their great performances during the past five years, the Bishop's team is rated as the team to beat and officials figure if anyone is going to dethrone the champions it will be either the Sherbrooke High School or a team of athletes from Stanstead Wesleyan College.

The Stanstead squad, always top contenders, did not compete last year thus leaving a clear field

for a "down-to-the-wire battle" between Bishop's and Sherbrooke High.

And a battle it was. At the noon break of last year's meet, BCS held a slim five-point spread over the Sherbrooke team. As the afternoon wore on, Sherbrooke edged closer and finally with five events remaining they surged into the lead. Showing terrific spirit, Bishop's fought back and took firsts in the next two events. This tied the two teams with three races left on the card.

A murmur went through the crowd and the stage was set for the battle. Spectators watched with admiring eyes as the Bishop athletes showed their superiority and salvaged

eleven points out of the next three events to win the title.

The Sherbrooke High team had to be contented with "also-ran" handshakes and the occasional "maybe next year boys."

Well next year is here and last year's also-rans have still another crack at dethroning B.C.S. They were almost giant-killers last year and this year, well . . . nobody knows . . . maybe . . . just maybe.

There are also two smaller schools that could possibly make it a five-team meet. Athletes from the Asbestos-Danville-Shipton High School showed their strength a week ago when they swept almost every event of the RDA track meet held in Asbestos and won going away.

They were a close third last year, 13½ points behind Sherbrooke High. They have lost very few of their top performers this year whereas Sherbrooke and BCS have been weakened somewhat because of age problems.

Knowlton High School have been chosen to finish in the first five and have been given an outside chance of finishing in the top three. All of the schools entered, representing over 300 contestants have well-conditioned athletes who promise to make this year's meet one of the closest and most interesting yet.

One of the main attractions, drawing hundreds of track fans to the parade grounds every year is the last event on the program, the open mile. In the past few years it has gotten so the fans don't go to see who wins the mile anymore but rather to see who places second.

Charlie Boreham, a

tall lanky distance runner who competes for ADS, has won the mile last three years in a row and every year he has set a new record. Last year he broke the tape at 4:41:55 to better his previous mark of 4:48 set the year before.

Charlie is expected to be back for this year's mile and don't worry about him not being in shape. He trains the year round. In the winter months even 40 below weather can't keep him from running his daily mile. This year he will be

pitted against stiff competition, something that Charlie likes because it "makes him do better."

So remember if it is a good day of entertainment you want, the parade grounds, 9 o'clock Saturday morning, rain or shine.

1961 TRACK MEET WINNING TEAM, BISHOP'S COLLEGE SCHOOL

Bishop's College School took top honors in 1961 event for fifth consecutive year

Bishop's College School track team won eleven points.

The spread then dropped to High five and Windsor High School with two. President Earl Caunter of the Y's Men's Club, sponsors of the meet, presided at the presentation of the thirteen trophies immediately following the last event on the card, the Open Mile.

Six records were broken and one was tied during the day. In the Pee Wee Wayne Stewart of Sherbrooke tied the mark in the 75-yard dash and Peter Coupland of ADS set a new record for the discus in the same class. In the Bantam David McGaw of ADS heaved the shot-put 38 ft. 5 in., for a new mark. In the Midget class Terry Lewington of Granby High School romped under the wire in 2:19.6 to set a new mark.

The other two new records came in the Junior class with Bruce Ross of ADS going over the bar at 5 ft. 10 1/2 in., to better the mark set last year by Mike Allatt of SHS by five inches. He tried for a higher record but failed after his three attempts to get over but he set a good mark.

In the Open Mile for the Sam Abbott Trophy Charlie Boreham of ADS set a record when he led the field across the finish line in 4:41.55 to better his own record, set last year when he won in 4:48.0. He opened at a fast clip and maintained it the whole distance crossing well ahead of his opponents.

Ken Flewelling of Knowlton High School won the Sports Commission Trophy for the high aggregate of the Meet. It was presented by Gordon McFarlane of Verdun, former member of the club. Bishop's won the Junior and Juvenile classes with S. Marshall and Hamilton Carter cleaning up. Chick Whatley and Bill Richardson awarded the Mitchell and City of Sherbrooke Athletic Commission trophies.

Y's Men sponsor camp for children during the summer at Shore Acres

Apart from organizing the annual E.T. Interscholastic Track Meet, the Sherbrooke Y's Men's Club has another major project, that of maintaining the Y's Men's Camp at Shore Acres.

Soon after receiving its charter from International, the Y's Men foresaw the necessity of one main single welfare project; large in scope, broad in vision and charitable in purpose, to keep the club operating at its maximum efficiency.

A camp was decided upon and for several years the club operated a camp on an island in Lake Memphremagog, then known as Howard's Island. A new camp site was soon to be desired because of the inaccessibility of this location. Led by Carl Skinner, the club undertook an extensive campaign to raise funds by subscription from any generous firms and citizens in the City of Sherbrooke, to purchase

and erect a permanent camp nearer Sherbrooke. Once fully subscribed, these funds were used to erect a summer camp for boys and girls on the newly purchased land.

Located in the heart of the Eastern Townships, the Y's Men's camp is ideally situated on one of the finest stretches of the line on Little Lake Magog (Lake Scaswanipus); it is just 12 miles from Sherbrooke and adjacent to the Shore Acres Club property.

From 1929 when the main cabin was put up until 1934 when the camp had a main cabin and five sleeping cabins, it was owned and operated by the Y's Men's Club. In 1935 to 1939 saw the camp under the direction of the Y.M.C.A. In 1939 operation and directorship were again taken over by the Y's Men's Club. The new cabins were added, flush toilets and an electric water pump installed with electric lights in all the cabins, along with many other improvements.

The main cabin serves as a dining hall and a recreational centre on rainy days. The adjacent, newly modernized kitchen is well stocked with all necessary eating and cooking utensils. Running water, a sturdy stove, electric range, electrically heated water and an electric refrigerator, make cooking for 70 hungry boys a pleasure.

The sleeping cabins hold six boys each without any difficulty, and the bunks are army springtype and the boys rest comfortably on real mattresses and soft pillows.

The flush toilets are kept in first class condition and are inspected daily, as indeed are all the cabins and kitchen.

The boys who attend camp are enthusiastic as only boys can be about swimming, and the large raft is the most popular place in camp. Swimming is one of the most important phases of camping activity. Those who do not already know how to swim are taught by expert supervisors. All campers are required to pass a test when first entering the water and are graded accordingly. Boasting a large playing field which has been ploughed and levelled, the camp can offer softball, soccer, volleyball, archery and many other field games. Water skiing has also been added.

The Camp Director will take to camp a well planned program, for both outdoor and indoor, day and evening recreation. The Y.M.C.A. has loaned the camp its movie projector for any rainy days or evenings that may come along. Cabin competition in all lines of sport with marks given for all the daily inspection and improvements to the camp in general, and aptitude in all phases of camping life keep the boys always active.

Camping gives a training in self reliance, utilization of skills, love of nature and the out-of-doors that no other institution so adequately provides. The boys learn to stand on their own, to be physically fit, to do hard things and to do them well. They know that accomplishing hard things makes for strong bodies and stalwart characters. They learn how to sacrifice and to serve, how to take orders as well as to give them, how to follow as well as to direct. They develop a capacity for

co-operation and a sense of comradeship. They learn what a precious thing it is to BE LONG.

Camp life is of the utmost importance in building the youth of today to be the men of tomorrow.

Full first aid equipment is always ready at hand in the new A. C. Skinner first aid hospital, in case of emergency. A telephone is also at hand to summon a physician from nearby Sherbrooke if the situation demands it.

Food is a very important factor in camping life and every mother is most interested in knowing if her son is going to be properly fed. Meals consist of good wholesome food, a well balanced diet at each meal, and no requests are refused when a second serving is demanded.

Devotion Periods are held weekly and Roman Catholic boys are at liberty to attend their Sunday Devotion at nearby Katelye.

Visitors are especially welcomed on Sunday, but visiting on other days is discouraged as it interferes with the camp program and activities. Visitors who like to swim are requested not to go in except during the regular swim periods when there is a life guard on duty with the boys.

As in the past the Y's Men's Club will again sponsor a number of boys who would benefit physically and mentally from a summer outing but who otherwise would be unable to attend.

Y's Men's Club has long service record

The Sherbrooke Y's Men's Club, sponsors of the 20th annual Interscholastic Track Meet taking place at the Parade Grounds has had a long and impressive record of service.

The Club was formed in 1923. Closely associated with the spiritual and physical influence of the YMCA, then under the directorship of the late Rev. W. P. McVie, this group of men felt the urge to create in Sherbrooke a new fellowship and service club.

In associating themselves with International Y's Men, these farsighted young men chose a club whose motto is "To acknowledge the duty that accompanies every right." A club whose aims and ideals are to support the mental, physical and spiritual forces of the YMCA, a club that seeks to be of service to others.

The club flourished well until 1934, when evil times befell and operations were temporarily disbanded. Not for long however, for in 1937 the club blossomed forth once more and became intensely popular and a very active organization.

To mention some of the stalwarts who reorganized the club at that time, there were Les Draper, Lyman Tomkins, John Fitzsimmons, Bud Howard, Mait Soles, Norm Welsh, Douglas Howard, Stan Pearson, Dean Bishop, Larry Pergau and several others.

Since 1937 the club has had an unbroken wave of popularity and has operated to the

fullest of its membership. Past presidents of the club have been: John Leigh, 1923; E. T. Harbert, 1924; C. K. Tate, 1925; Norton Baldwin and P. G. Smith, 1926; E. Johnston, 1927; Nelson Lothrop and G. Parker, 1928; W. H. Griffith and Walter Murray, 1929; William B. Watson, 1930; R. M. Simmons and Howard Moffatt, 1931; Edward B. Loomis, 1932; Leonard E. O'Donnell, 1933; John A. Fitzsimmons, 1934-35; William Watson, 1936; W. Lyman Tomkins, 1937-38; Ben C. Howard, 1939; Norman Welsh, 1940; Lawrence Pergau, 1941; Wesley Bradley, 1942; Stan Pearson, 1943; Dean Bishop, 1944; V. W. Newton, 1945; C. F. Simms, 1946; J. J. McKnight, 1947; C. Griffith, 1948; Archie Mitchell, 1949; Ernie Chalut, 1950; Jeff Wilson, 1951-52; Mac Bradshaw, 1953-54; Bud Chadsey, 1955; Jim Atto, 1956; Ken Strew, 1957; Cliff Lamb, 1958; Don Griffin, 1959; Curtis Bishop, 1959; Halley Evans, 1960.

SWEETSBURG — Mr. and Mrs. R. B. Johnston accompanied Mrs. Lucy Aseltine and her son, Mr. Chas. Aseltine, to East Hill for Mother's Day and were guests of Mr. and Mrs. Leman Fuller. Wesley Wentworth also spent the day with his uncle and aunt, Mr. and Mrs. Fuller.

Mrs. Christina McLaughlin spent a weekend at Bromes with Mr. and Mrs. Hugh Miller and Mr. and Mrs. Kenneth Miller.

What it means to be a Y's Man

"It means something to be a Y's Man. It means five things (at least). First, it means to be an idealist — one whose conduct is motivated by an idealism expressing itself in sacrificial altruism.

Various organizations have various membership requirements. Some require business prominence, some social standing, some intellectual attainment, some athletic prowess, and so on. But, none makes the basis of membership Unselfishness of character — except the Y's Men!

One who seeks increased business, social, intellectual or athletic opportunities, will find them in greater abundance in the Y's Men's Club. Next to the church the Y is the greatest character builder in the world, placing emphasis on the boys and young men of today, the citizens of tomorrow.

Next to the church the Y is the greatest character builder in the world, placing emphasis on the boys and young men of today, the citizens of tomorrow. Next to the church the Y is the greatest character builder in the world, placing emphasis on the boys and young men of today, the citizens of tomorrow.

One who seeks to ally himself with young, active idealists in order to increase his effectiveness in serving his fellow men — one who asks in return nothing but that rarest fellowship bound to permeate a group founded on unselfishness of character — will find his opportunities with the Y's Men's Club.

Second, To be a Y's Man means to be loyal to the Young Men's Christian Association. Y's Men understand the Y is not a building, gymnasium or dormitory, any more than a dining room is the Y's Men's Club. Nor is the Y an institution promoted by professional secretaries. It is what its name implies: an association, a union of persons acting together for a common purpose. The secretaries are trained specialists who are employed to supervise work, and the building is an instrument to facilitate the accomplishment of some of our common aims.

Third, To be a Y's Man means to be world-minded. In many cities of Europe, Asia, Africa, Australia and the Americas there are Y's Men's Clubs, all imbued with the same idealism, all working for the same objectives, one of which is "To achieve Christ's ideal of international and inter-racial justice."

Fourth, to be a Y's Man means to acknowledge the duty that accompanies every right. This motto was adopted by the Y's Men because of the tendency of most people to insist upon full enjoyment of all their rights while remaining oblivious to the corresponding duties giving validity to such rights.

The Y's Men's motto is a constant challenge to them to pay less heed to the enforcement of their rights, and more to the discovery and discharge of their corresponding duties — to transfer the emphasis from rights to duties.

Fifth, to be a Y's Man means to be enthusiastically active. Their constitution says there shall be but one class of members — active. And it means just that.

The Y's Men's emblem consists first of a red triangle, the symbol long employed by the Y to denote its three-fold program of spirit, mind and body-building.

In the upper border of the triangle appears the word "International" indicative of the scope of their brotherhood and the breadth of their purposes. Within the triangle a golden star shedding rays of light on the name "Y's Men's Club." This star symbolizes the Star of Bethlehem which nineteen centuries ago guided the Three Wise Men of the East to the Christ Child. Even as the Star of Bethlehem served as a guide to the Wise Men of the East, so the golden star in this emblem, representing also the ideals of the club serve as a constant guide to the Y's Men of today.

The objective of the Y's Men's Club are:

(1) To cultivate good fellowship among Y's Men's and Young Men's Christian Association members everywhere.

(2) To enable Y's men to keep better informed upon subjects of immediate civic, economic, social and international interest.

(3) To support, by active service, deserving philanthropic and social movements.

(4) To encourage righteousness and justice in civic and international affairs, abstaining always from party politics and sectarianism.

(5) To develop by sound character-building substantial, as distinguished from formal patriotism.

(6) To serve, by diligent, active, personal and united effort in carrying forward every phase of the program of the Young Men's Christian Association.

Montreal biochemist may have cure for cancer, experiments successful

MONTREAL (CP)—A spoonful of white powder, reputed to be good for black eyes, may play a part in the search for a cure for cancer.

The powder—extracted from the pancreas of cows—is an essential part of a research project under the guidance of the Montreal Cancer Institute and a 38-year-old biochemist, Dr. Gaston de Lamarande, who has shown it can reduce the growth of certain cancers in mice.

The powder is an enzyme—a tiny ingredient in body cells which acts as an activator of certain chemical reactions in the cell.

Basing his work on the fact that one of the differences between a normal and a cancerous cell is the absence of certain enzymes, Dr. de Lamarande has been trying to reintroduce them into cancer cells to see if they would reverse the growth process.

In some cases he has succeeded. He found that mice which normally died in seven days from abdominal cancer lived instead for 12 or 13 days.

RETARDS GROWTH
"If we can influence animal tumors like that," he says, "I don't see why, in a number of years, we can't do the same in men—and perhaps even more effectively."

About two years ago Dr. de Lamarande, then working in England, showed that one particular enzyme called xanthine oxidase could be reintroduced into a cancer cell and retard its growth.

Since then, he has been engaged in similar work in Montreal.

In future, he will extend his

research into the effect on cancer when two or three more active enzymes are reintroduced simultaneously in animal tissues.

"Unfortunately," says Dr. de Lamarande, "we have not yet gathered enough information about this process to use it on people."

"It's a fascinating field and I feel that enzyme therapy may one day play a role in the control of cancer."

Benefit party held by Foster Evening Guild

Foster — The Evening Guild held a benefit card party on May 12, when 500 was played at ten tables.

Among the prize winners were G. I. Snodgrass, of Cowansville; Mrs. M. The handmade afghan, made and donated by Mrs. Victor Beale, was won by Mrs. E. M. Brooks, Foster.

Mrs. Miles Rihard, who had charge of the food table, auctioned some of the cakes, cookies, doughnuts, etc.

The event was considered a success.

GENERAL NOTES
Mr. and Mrs. James Taylor, of Montreal, were weekend guests of Mr. and Mrs. Clifford Taylor.

Stanstead WA holds novel event
STANSTEAD — Christ Church Parish hall was the scene of a pleasant gathering when the Women's Auxiliary held an afternoon tea and sale. The hall was attractive with white chrysanthemums, poms and daffodils.

Refreshments were served by the visitors each writing down her name and price offered, the highest bidder receiving the article, thus creating much fun.

Tea was served at small tables centered with bowls of daffodils. Mrs. John Shipway poured.

This project is a way of earning money with which to send young people of the Parish to Quebec Lodge for a few days this summer and towards the educational fund for youth assistance.

SAO fails to stem flow of settlers, 1,600 Europeans leave every week

ALGIERS (AP) — The fatherly Algerian government failed to stem the flow of settlers, 1,600 Europeans leave every week.

The handsome blonde youth took his pretty wife by the arm and hurried to the airport. In his pocket: Two one-way tickets to Canada.

"I know it's cold in Canada," said the Mediterranean-born lad. "But there is no future for us here any more."

The young couple — leaving with no visible regret — were joining the exodus of European settlers reported officially at about 1,600 a week.

The terrorist European Secret Army, which opposes the departures, has been unable to stem the flow since ship and plane boardings were taken over by the navy and air force.

BOMBED PLANE
The Secret Army's intimidation so far has been limited to the bombing of personal property left behind, the blasting of an out-of-service airliner, a control tower, and the baggage room of a shipping company.

The terrorists could fire on the passengers going into the military bases, "but we don't think even the Secret Army would fire on fellow Europeans," a police spokesman said.

The people leaving are mostly in the middle or upper-middle economic class, officials say.

Many leave their shops, homes and furniture to relatives or friends with a half-hearted promise to return when things get better. No one would pay them any money for such property. Sometimes it is destroyed anyway by Secret Army blasts or fires.

Unit Two, UCW holds meeting at Richmond

RICHMOND — The regular meeting of Unit 2 of the U.C.W. of Chalmers Church was held in the church parlor, Mrs. C. E. Manning, leader, welcomed the members and a guest, Miss N. Montgomery, of the nursing staff of the Wales Home.

The devotional period was conducted by Miss Mary Ewing, followed by a program from the study books, given by Miss Hazel Boast and by Miss Mary Ewing.

Twenty-one parish calls were reported.

The leader thanked Mrs. Ross Ewing and Miss H. Boast for decorating the church at Easter-time and also for being hostesses.

Mrs. Manning and Mrs. Reta McManis were appointed delegates to the Presbyterial at Lennoxville, May 31.

PLANS JUNE MEETING

Plans were discussed for the June meeting, the last one until September. Each member is requested to invite two guests. A film will be shown and food sale held. The hostesses will be Miss Edith McCourt, Miss Beatrice Cross, Mrs. Hazel Semple, Mrs. John Lowry and Mrs. George Cogan.

The sum of \$4.35 was realized from a sale of materials.

After the meeting refreshments were served by Mrs. Hazel Hardy and Mrs. Florence Roster, and an enjoyable social hour followed.

MAGOG —

Mrs. E. Jackson and Mrs. E. Graves entertained St. Luke's Women's Guild at the home of Mrs. Jackson, Pine Street on May 16. Mrs. E. Hendry won the gift donated by Mrs. C. Styan, and Mrs. C. Buzzell won a special prize donated by Mrs. Jackson. Refreshments were served by the hostesses at the close of the meeting. Mrs. E. Hendry will be the hostess for the next meeting.

Mr. and Mrs. P. Catchpaugh and grandsons, Dalton and Trevor, were in Gould, visiting Mr. and Mrs. Geo. MacKay.

RICHMOND —

C.W.L. Council hears reports on activities

RICHMOND — A regular meeting of the St. Theresa Council of The Catholic Women's League was held in Holy Family Parish Hall with a good attendance. The treasurer's report showed a satisfactory balance in bank, despite many extra expenses, and the conveners reported various activities.

Children were suitably dressed for confirmation. Used clothing to the value of \$10 was distributed, also some new clothing and 1½ dozen cans of meat.

Conveners of sick calls reported several calls made and one family helped.

The annual pilgrimage to Our Lady of the Cape will be organized for May 30 with a delegate from each parish attending.

The sum of \$25 was voted for the Fund for Priestly Vocations, \$10 for school prizes, and \$25 to the Boy Scouts.

A paper on The Liturgy from the League Magazine was read by Mrs. Ola Campbell.

Mrs. W. Murphy, president, read the annual report which showed that much splendid work had been done by the members during the year, in the fields of Spiritual Activities, Education, Citizenship, Work for the Missions, Social Welfare, Red Cross and Parish Assistance.

Besides work done, the following amounts were spent: Education, \$167.15; Social Welfare, Child Welfare and Health, \$649.44; ditty bags, for Catholic Sailors' Club, value \$9.48; Red Cross, members assisted at the Blood Donor clinic; 18 articles were knitted, 228 pieces of sewing were made by members, as well as 2,762 surgical dressings.

Red Cross drive realizes \$700

NORTH HATLEY — The campaign chairman for the local branch of the Red Cross, David Pollock, has announced a most successful campaign. Close to \$700 has been collected, a larger sum than in any previous campaign.

Holding display of Eskimo art at Coaticook

COATICOOK — An interesting exhibition has opened to the public at the Art Center of the Coaticook Library on Court Street, through the cooperation of the National Gallery. The fine selection of prints done by Canadian Eskimo artists is attracting much attention and admiration.

Canadian Eskimo Art remained unknown to the outside world until a few years ago. Discovery brought instant recognition, respect and popularity in North America and in galleries across the world. This was sculpture in stone. Eskimos had also been engaged in incising of stone and bone. They had decorated clothing with appliques cut from the skin of a seal.

On display are sealskin prints, stone cut prints, and stone rubbings.

Small reproductions of the prints many of the originals of which are quite large designs, are available at the Art Centre in portfolio form.

The display, open each week day at no admission charge, will continue for a limited time only.

Plans food sale

FARNHAM — At the final meeting of the Evening Guild of St. James Church held in the Church Hall, it was decided to hold a coffee break and food sale, including a white elephant table and fish pond, in the Church Hall on May 26, from 10 a.m. until noon. The next meeting will be held in September.

SWEETSBURG —

Mrs. Redvers Mackenzie and Mrs. Harry Beeks, of West Bolton, called on Mrs. G. A. Perkins while in town to visit Mr. Beeks, who is patient in the B.M.P. Hospital.

SIDE GLANCES

"Oh, yes, sir—legs are very good again this season!"

Guild to hold summer sale

BEEBE — At a meeting of All Saints' Church Guild at the home of Mrs. Stanley Emslie on May 8, it was decided that during the month of June each member will be responsible for raising talent money, and the annual summer sale and tea will be held on July 12 at the home of Mrs. Howard Cass.

The treasurer reported the card party held last month a success. The round robin was won by Mrs. Russell King.

At the close of the meeting, refreshments were served by Mrs. Emslie and Mrs. Kathleen Richards, assisted in serving by Susan Denney and Jackie and Eula Emslie.

The June meeting will be held at the home of Mrs. Edward Lee.

Compton County Museum Soc. to hold open house

COOKSHIRE — At a meeting of the executive of the Compton County Historical Museum Society held at the Town Hall in Eaton, and presided over by Lionel Hurd, plans were made to have the Museum open on June 2, from 2-5 and from 7-9 p.m.

All members of the Women's Institutes are invited to visit the Museum, and others will also be most welcome.

Two delegates, Lionel Hurd, of Sawyerville, and Thomas Burns of Island Brook, were appointed to attend a meeting at the University of Sherbrooke on May 28 for the purpose of forming a co-ordinating committee to study the demands of the various historical societies regarding the placing of commemorative plaques for historical sites, and to exchange historical data.

This co-ordinating body will serve as a link between the Eastern Townships Societies and the Quebec Commission on Historical Sites and Monuments.

A discussion was held on the proposed repairs to the Museum, but an architect will be consulted before further work is done on the building.
