PARLIAMENT TODAY PAYS TRIBUTE TO MEMORY OF LATE MONARCH

Session of House of Commons to Be Devoted Exclusively to Expression of Suitable Sentiments on Death of King George and the Accession of King Edward—Criticism of Action of Speaker in Dismissing House Employees Unusual Development During Opening Day of Parliament.

Ottawa, February 7.—Parliament assembles today to devote the second day of its session exclusively to expressions of appropriate sentiments on the death of King George and the accession of King Edward.

In both the Senate and the House of Commons addresses expressing loyalty to the new monarch and sympathy to the King and to Queen Mary in their bereavement are on the order paper and leaders of all parties will speak to them.

Except for the unusual development of a dispute over the election of the Speaker in the House of Commons the opening passed off in the traditional way. Pierre F. Casgrain, former Liberal whip, was elected Speaker over the protests of Conservative leader Bennett and J. S. Woodsworth, C.C.F. leader.

While both leaders registered objection on the ground Mr. Casgrain had demonstrated unfitness for the post by authorizing dismissal notices, later cancelled, to be sent more than one hundred and twenty employees of the House, they did not press the issue to a vote.

Mr. Casgrain, elected Speaker "on division," thanked the members for their trust and led them into the Senate chamber where, with members of the Upper House, they heard the Speech from the Throne read by Lord Tweedsmuir, the Governor-General.

Mr. Bennett said Mr. Casgrain had no more right before his election as Speaker to dismiss an employee of the House than the youngest member. He claimed the dismissal notices were a serious invasion of the rights of the House and complimented Prime Minister Mackenzie King on his prompt action in having them cancelled.

With the tradition that the speakership should alternate between the French and English-speaking groups in the House, Mr. Bennett expressed agreement. He said there were many able French-speaking members on the Government side other than Mr. Casgrain who would be fully acceptable to the Opposition.

Members should withhold their judgment of Mr. Casgrain's fairness until they observed his actions as Speaker, said Mr. Mackenzie King. The Speech from the Throne forecast a number of Government measures that Parliament will be asked to pass and some enquiries about to be launched.

Government ownership of the Bank of Canada, provision for "a greater measure of Government authority" over the Canadian National Railways, a House Committee on radio broadcasting and further enquiry into the importation and distribution of anthracite coal, were forecast in the Speech.

Satisfaction was voiced in the adherence and confidence expressed that this adherence had the approval of the people of Canada as a whole.

Parliament would be asked with the approval of all the provinces, to make provision for creation of a national commission to deal with unemployment and relief problems.

Reference was made to the close relief camps at an early date as expanding employment permitted. In connection with the recent appointment of a Royal Commission to investigate the textile industry following the closing of a plant in Sherbrooke, the Speech observed that the Government had a duty to recognize an obligation to co-operate in every manner possible in continuing and providing employment, and that labor and consumers have a right to have their voice heard and influence felt in the control of industrial policy.

When the end of the year is achieved voluntarily "there are the strongest reasons for state intervention."

Parliament would be invited, the Speech continued, to approve the Canada-United States trade agreement, to deal with a proposal to amend the British North America Act, to adopt legislation for reorganization of Government departments, and to approve measures for the creation of Parliamentary secretaries.

BACK-TO-LAND PLAN IS NOT REMEDY FOR UNEMPLOYMENT

Claims There Are Sufficient Experienced Farm Workers to Meet Demand Without Calling on City for Untrained Men.

Montreal, Feb. 7.—Upturn in general business conditions has not been reflected to any extent in the Montreal labor market, while the back-to-the-land movement has been of little help to city-trained jobless citizens, it is reported by W. H. Holliday, secretary of the Protestant Bureau for Homeless Men of Montreal.

To the annual meeting of the Bureau last night Mr. Holliday voiced his regret that relief camps should have assumed a place of semi-permanence in the social relief structure.

Of the Quebec colonization movement he said: "Back-to-the-land schemes do not appear to be the solution to unemployment. There seem to be a sufficient supply of experienced farm workers to meet the demand without calling on the city for untrained men."

He had testified also that stains on clothes O'Donnell wore the previous night were found on examination of the pathologist, with O'Donnell's clothes were essentially identical with material in murdered girl's sweater.

Toronto, Feb. 7.—Scientific evidence held the spotlight again today as Harry O'Donnell's trial for the murder of twenty-year-old Ruth Taylor resumed with Dr. J. H. Erb, pathologist, in the witness box.

Dr. Erb underwent further direct examination and cross-questioning on his testimony of yesterday that blue hairs found on O'Donnell's clothes were essentially identical with material in the sweater found on Ruth Taylor's body when it was discovered in a lonely east end ravine last November 5.

He had testified also that stains on clothes O'Donnell wore the previous night were found on examination of the pathologist, with O'Donnell's clothes were essentially identical with material in murdered girl's sweater.

Prosecutor J. C. McEwen, K.C., resumed the direct examination of the pathologist, with O'Donnell looking on coolly from his accustomed corner of the prisoner's dock.

Asked about an injury to O'Donnell's right hand, found when he was arrested, Dr. Erb said it was "possible but very unlikely" it had been suffered on a pump at the gasoline station where O'Donnell worked.

The projector on the pump that O'Donnell said caused the injury was "hardly sharp enough to turn up the skin." If it had been broken O'Donnell would have had to draw his hand back over the projector for a second time to produce the double scratch, and this seemed hardly likely.

Dr. Erb was asked by defense counsel if he appreciated the importance of the hairs to the case, and replied, "I do."

"Did you undertake all possible tests?" "I suppose I could have kept on making tests."

He repeated he could find "no structural difference" in the hairs. "Do you feel that needs qualification?" "Well, maple leaves will differ but they are structurally alike."

"And rabbit's hair, whether on the clothing of the accused or on the girl's sweater, is still rabbit's hair?" "That's true," he said; then added that these particular rabbit hairs were all blue.

AMHERST, N.S. IS SCENE OF A \$70,000 BLAZE

Fire Raced Through Theatre and Four Adjoining Buildings—Other Properties Threatened as Strong Wind Fanned Blaze.

Amherst, N.S., Feb. 7.—Fire raced through the Empress Theatre and four adjoining buildings here today, causing a loss of \$70,000. Fighting firemen had to battle the blaze under control, but before flames had eaten into the Windsor Block, one of the largest apartment and business blocks in the town.

When the first alarm was sounded fire raced through the theatre building a mass of flames. A wooden building occupied by John J. Twaddell, a billiard room proprietor, soon caught and flames quickly spread to another wooden building in which Arthur Holland, antique dealer, had his premises. The Halifax Herald circulation branch, however, the Tivoli dance hall, and K. C. Goodwin's grocery store were gutted.

The buildings were owned by Mrs. J. V. Moore and are partially covered by insurance. For a time a large garage and motor show room was threatened as a strong wind fanned the blaze. The Terrace Hotel was right in the path of flames before firemen got the fire under control.

Extensive water and smoke damage was suffered by occupants of the Windsor Block. Papers caught fire in the law office of H. A. Purdy, K.C. The worst smoke and water damage was in the lawyer's office, the Canadian Pacific Telegraph office and the print shop of R. L. Wilson.

Whether the veterans will seek a new bill or attempt to return the present bill to its original form has not yet been decided, they said. "We are determined to fight for some kind of a universal service bill," one veterans' spokesman said, "if we can't get the bill we want, we may decide to push the best bill we can get."

STRONG CROWN EVIDENCE IN MURDER CASE

Pathologist States Blue Hairs Found on Accused's Clothes Essentially Identical with Material in Murdered Girl's Sweater.

CLAIM ENGLISH LIBERALS NOT MUCH DESIRED

Montreal English-Speaking Federation Hears Charge that French-Speaking Liberals Are Determined to "Squeeze Out" English Voters.

Montreal, Feb. 7.—Alleged determination of the French-speaking element in the Dominion and provincial Liberal parties to squeeze out English-speaking voters entirely, was charged here last night at a meeting of the Federation of English-speaking Liberal Clubs of Montreal.

It was urged copies of a resolution censoring organization methods be sent Liberal headquarters. "It's no use," a delegate asserted, "they'll throw it in the basket." Others thought a copy should be sent to Premier Taschereau himself.

Delegates from Verdun claimed they were "gyped" in the last Dominion and provincial elections and threatened to join Action Libérale Nationale, the party of rebel Liberals headed by Paul Gouin. From Montreal-Laurier spokesmen came the cry they were denied a convention, while Rosemont and Maisonneuve claimed their meetings were packed and their conventions "run into farces."

E. H. Reilly, chairman, thought too little attention was paid English-speaking clubs. He felt Premier Taschereau would realize their value and he suggested they be made stronger and new ones formed.

From the floor came this statement: "The French don't want us at all. They want the English to be Conservative. They don't want us because they're afraid they'll have to do something for us."

NOT BOASTFUL ABOUT HIS ACHIEVEMENT

Montreal, Feb. 7.—If there is honor among thieves there are also some possessed of a marked degree of humility.

Henri Toussignan, no address, appeared before Chief Justice Gauthier yesterday charged with a \$12.50 theft.

"Any record?" the Court enquired. "Oh—only a few peccadilloes."

The court clerk found Toussignan had been convicted seven times, all for terms of two years each. Sentence was one month with a warning not to consider theft a peccadillo.

REMOVING OF WHOLE MILITIA SYSTEM URGED

Noted Soldier and Author Claims Canadian Militia Possesses No Modern Equipment Outside Signal Service.

Ottawa, Feb. 7.—Canada should overhaul its militia, increase the strength of its air force and promote a centralized, modern, technical organization, in the opinion of Lt.-Col. George A. Drew.

Col. Drew, soldier and author, said in a speech last night before the Canadian Institute of Ottawa that the Canadian militia, despite the fact it was filled with enthusiasm, possessed no modern equipment outside the signal service.

Professing to have seen signs in Europe last summer that the danger of war was "greater than in 1914," the Colonel urged modernization of all Canadian forces, increase in the strength of the military air force from four to forty squadrons and steps to support a British aircraft industry in Canada.

Of the Canadian forces, he said there were too many infantry battalions, enough cavalry for the whole British Empire, no mechanized artillery and practically no post-war equipment. He said planes of the Royal Canadian Air Force were so obsolete their pilots displayed courage in flying them.

WERE ALL IN THE SAME FIX

Stratford, Ont., Feb. 7.—A local man came from the north by train and during the trip spoke to eleven commercial travellers on the same coach. Every one of them had a car snowbound somewhere in the territory north and west of here.

DEVELOPMENT OF NORTH'S LATENT RESOURCES URGED

Regina, Feb. 7.—Members of the Saskatchewan Legislature marked time today, awaiting the opening of the debate on the Speech from the Throne on Monday.

Without the usual ceremonies, the first session of the eighth Legislature was opened yesterday with Lieutenant-Governor H. E. Munroe reading the Speech from the Throne.

The Speech from the Throne contained guarded reference to the business before the House. It recommended to the Legislature its practical interest in the development of the "multitude of latent resources in the north," and spoke optimistically of the future possibilities of the gold areas.

It forecast a balanced budget for the province "in the near future."

WOMAN WHO HELPED BRITISH ESCAPE FROM GERMANS IS DEAD

Brussels, Feb. 7.—Mme. Ada Bodart, who aided British prisoners to escape from the Germans in Belgium to Holland during the Great War, died today at the age of fifty-four.

She was sentenced to death with Edith Louisa Cavell, a British nurse with whom she collaborated in aiding prisoners, but Mme. Bodart escaped by pretending insanity. Miss Cavell was executed by a firing squad.

BRITISH NURSES PICKED FOR SERVICE IN ETHIOPIA

London, Feb. 7.—Lady Decies, who was decorated for service on the Great War battlefield, and Mrs. F. C. Gorrings, widow of a British war ace, today chose a group of British nurses to accompany them in Red Cross work in the Ethiopian war zone. The nurses were picked from a number of volunteers.

EINSTEIN WILL REVISE FIELD EQUATION IDEA

German Professor Admits Criticism of Toronto Scientist on Theory of Matter Is Well Founded and that New Equation Must Be Found.

New York, Feb. 7.—Criticism published by Dr. Ludwik Silberstein, of the University of Toronto, led Professor Albert Einstein today to undertake the task of revising his theory of matter.

The distinguished scientist expects that his new theory will eliminate defects found in his old equation. The defects were revealed in data published by Dr. Silberstein in the current issue of the Physical Review. The field equation is the expression of the unifying principle that was expected to tie together in comparable form all physical phenomena.

Dr. Silberstein reached the conclusion that the Einstein equation, which was designed to explain the gravitational powers of matter, provided a kind of matter that has no gravitational powers at all.

Einstein studied the criticism and decided the objections were valid. He promptly began to review his theory and urged the Toronto scientist to publish his findings.

The nature of the theory has not been revealed, but Dr. Einstein, who is working at the Institute for Advanced Studies at Princeton, N.J., has informed fellow scientists that he finds the early results satisfactory.

TWO-MILE ROCKET FLIGHT TO BE ATTEMPTED SUNDAY

Rocket Plane Will Carry About Four Thousand Pieces of Mail Sent by Stamp Collectors.

New York, Feb. 7.—A rocket flight from Greenwood Lake, N.Y., to Hewitt, N.J., about two and a half miles, will be attempted Sunday. It was disclosed today.

The rocket plane, which is made of duralumin, weighs about one hundred pounds and is twenty-five feet long, was designed by Frido W. Kessler, of New York. It will carry about four thousand pieces of mail sent by stamp collectors.

Officials of the Post Office Department and aeronautical engineers will watch the take-off which is scheduled for 1:45 p.m., Eastern Standard Time.

MOVE TO ABOLISH KOSHER SLAUGHTER IS PROTESTED

Polish Rabbis Sponsor Move for One-Day Fast by International Jewry in Protest Against Proposed Law for Discontinuance of Animal Slaughter According to Jewish Rites.

Warsaw, Feb. 7.—Polish Rabbis sponsored today a move for a one-day fast by international Jewry in protest against a proposed Polish law for discontinuance of slaughter of animals in accordance with Jewish rites.

Kosher slaughter had been abolished in Germany soon after the Nazis took control of the Third Reich. The Polish measure was introduced into Parliament by Mme. Yanina Pryor, wife of the former Premier, a deputy from Vilna province.

The proposal was supported by the Polish Society for Prevention of Cruelty to Animals. Jewish deputies, meanwhile, protested to Parliament in connection with recent anti-Semitic disturbances.

The Minister of Interior replied that the Government was well aware of such incidents and was taking preventive measures.

SUBSTITUTES FOR ITALIAN PETROL NEEDS UNAVAILABLE, LEAGUE TOLD

Special Sanctions Committee Reports Only About Fifteen Per Cent. of Needs Could Be Substituted in Event of Embargo Despite Contention of France that Use of Alcohol and Benzene Might Make Ban Ineffective—Britain Replies to Italian Charges of Supplying Dumdum Bullets to Ethiopia.

Geneva, February 7.—Italy cannot obtain sufficient oil substitutes to combat oil sanctions is the apparent opinion of the committee of governmental authorities, in session since Monday.

League officials said the conclusion had been reached only about fifteen per cent. of Italy's requirements could be substituted.

French experts contended use of alcohol and benzene might make the embargo effective. British experts maintained Italy did not have sufficient substitutes.

The question of the effective enforcement of the embargo was still unsettled.

ITALIAN ACCUSATION IS REPUDIATED BY BRITISH

Geneva, February 7.—Italian charges British armament makers have sold dumdum bullets in Ethiopia have been vigorously repudiated. A British note yesterday to the chairman of the League of Nations Sanctions Committee asserted a vigorous control is exerted over munitions exports.

Labels claimed by Italians to have been found on packages of dumdum bullets in Ethiopia have not been used by Ely Brothers, British manufacturers, since 1914, the note said.

INFORMS MUSSOLINI OF LATEST BRITISH TRENDS

Rome, Feb. 7.—Dino Grandi, the Italian ambassador to London, informed Premier Mussolini in a conference today of the present British political trends, and handed Il Duce 1,150,000 lire (about \$92,000) worth of gold raised by Italians in England.

FORMER TRADE MISSION OBJECT OF AIR ATTACKS

Addis Ababa, Feb. 7.—The Ethiopian Government announced today that Magalo, important southern trade centre, was bombed for the first time since the war started in October.

Ethiopian officials said the bombing was a concerted attack on a building which once housed the former Italian trade agency at Magalo, and expressed belief that the Italians were aiming at destruction of documents.

KINDLY CONSIDERATION OF KING GEORGE IS REVEALED

Lord Blanesburg Relates How Distressed Late Sovereign Was when Ramsay MacDonald Found Himself without a Parliament Seat.

London, Feb. 7.—The keen sympathy of the late King George for Ramsay MacDonald after the defeat of the former Prime Minister in the general elections was revealed last night by Lord Blanesburg.

Speaking at the Royal Caledonian Schools, he said the late King was distressed when Mr. MacDonald found himself without a parliamentary seat following last November's general election.

"The time was coming," Lord Blanesburg said, "for the state opening of Parliament, which, you will remember, did not take place owing to the death of Princess Victoria."

"Some days, so I am told, before the opening was to have taken place, the King sent for Ramsay MacDonald and said: 'I think this all wrong that you, who have been Prime Minister for so long, merely because you have no seat either in the House of Lords or the House of Commons, should not be present at the state opening of Parliament, and accordingly I invite you to attend me and as Lord President to stand behind me when I read my address.'"

"That was characteristic of King George at his best."

FOUR PERSONS KILLED IN DISORDERS

Beirut, Feb. 7.—Four persons were killed today in new clashes between police and nationalist demonstrators at Hamah.

Several scores, mostly policemen and soldiers, were injured in street fighting in Hamah yesterday following an attempt by authorities to break up a nationalist meeting taking place in the town mosque.

Markets and shops in all the main centers of Syria remained closed today, continuing the general strike in sympathy with the Nationalists.

THE WEATHER

FAIR; NOT QUITE SO COLD.

The weather has been fair and cold in eastern Canada while the mass of Polar air, covering the northwest portion of the continent, has caused extremely low temperatures in the West and light snow has fallen in Alberta and southern Saskatchewan. A deep disturbance, centred off Cape Hatteras is moving rapidly northeastward and pressure is low over the far southwest states.

Forecast: Fair tonight and Saturday; not quite so cold.

Temperatures yesterday: Maximum, 7; minimum, 8 below.

Same day last year: Maximum, 14; minimum, 26 below.

MOREY'S TALLY GAVE WINDSOR MILLS VICTORY

Richmond, Feb. 7.—Bobby Morey's goal after four minutes of the third period gave Windsor Mills a close four to three victory over Richmond here last night in a regular St. Francis Valley Hockey League contest. The defeat practically eliminated the local puck-chasers from the race for the championship and the right to participate in the provincial intermediate playoffs.

Play was fast and evenly divided in the first period which ended with the count deadlocked at two-all. Tony Frenette started the scoring for the visitors after ten minutes of play on a lone rush. Six minutes later Ab Kerr, assisted by "Chic" Fuller, counted the equalizer. Then came the exciting last minute of play during which each side tallied once while Alcide Frenette, of the Windsor squad, was serving a penalty. Henry Beaubien slammed home Doug Gleason's pass to put Richmond one up, but the pace-setters evened matters twenty seconds later. Tony Frenette again being the

Richmond went ahead a second time during the middle stanza. Murray Smith was credited with the marker and "Chic" Rattray received an assist on the play. With less than three minutes to go in this chapter Morey registered on Alcide Frenette's pass during a scramble in front of Cruise's citadel. At the outset of the middle canto Tony Frenette was knocked out by a stiff

ed to revise the ruling of Wednesday night.

Canada's latest action therefore takes the responsibility out of her hands whether the players involved play or not. It is now solely up to the International Committee which has not yet had a chance to discuss the matter.

However, it does not seem likely that Foster and Archer will be able to play today when England tackle Sweden unless an emergency meeting is called. In any case a meeting has been called for late tonight when the matter may be thrashed out and the suspended players announced eligible for the remaining games.

PRESSURE BROUGHT TO BEAR ON CANADIAN OFFICIALS

Garmisch-Partenkirchen, Germany, Feb. 7.—The English hockey team took the Olympic ice today for its opening game with Sweden with James Foster, goalie, and Alex Archer, wing, the former Winnipeg players declared ineligible two nights ago in the line-up.

Canada asked that the suspensions be lifted and this was agreed to by the International Hockey Association only a few minutes before the game was scheduled to start.

This action probably averted a serious rupture between the British players, who were determined not to play without their two comrades.

The Associated Press learned that considerable pressure had been brought to bear on Canadian officials by British Olympic higher-ups. Foster and Archer, former Winnipeg players, were suspended by the Canadian Amateur Hockey Association for violation of a C.A.H.A. rule which forbade players to transfer to other countries without permission of the Association.

It was on the basis that both players were under suspension in Canada that Foster and Archer were declared ineligible for Olympic competition by the International Hockey Association at a meeting here Wednesday night.

bodycheck handed out by Akins, but returned later after recovering his mind. Cruise played a remarkably fine game between the Richmond goal posts, particularly during the second episode when he stopped many dangerous shots rifled by the visiting snipers.

At the 3:53 mark of the final round Morey slipped around the Richmond nets and his shot was deflected off Cruise's goalstick into the drawbar for the deciding count.

Richmond used four and five forwards during the remainder of the period, but lack of finish around the Windsor net prevented the home-sters from squaring the count before the final whistle sounded.

Dennis Towne, of Sherbrooke, handled the game satisfactorily before a large crowd of spectators. The game was played on smooth ice under ideal weather conditions.

The line-ups follow:
Windsor Mills goal: Cruise
Levesque defence: Akins
Rice defence: Beaubien
Cayer defence: Beaubien
Ant. Frenette centre: P. Janelle
Healy l. wing: Kerr
Gaucher r. wing: Fuller
Windsor Mills subs: Landry, Costello, Morey, Alc. Frenette, Couture and F. Frenette.

Richmond subs: Rattray, Chasney, Gleason, Smith, B. Janelle and Geoffrey.

It is recognized that it will take time to clean up the situation. Many personal factors have to be taken into account. Where employees are nearing the retirement age, action is being delayed until the closing will involve no undue hardship. In other cases, where a transfer would mean breaking up family relations, etc., prolonged delay may be inescapable.

SENATE TO TAKE UP SPEECH FROM THRONE ON TUESDAY

Ottawa, Feb. 7.—The Senate today will devote itself to resolutions of sympathy and condolence in the death of King George. Two dresses have been drawn up, one to King Edward VIII. and the other to Queen Mary. They will be moved by Senator Raoul Dandurand, Government leader in the Upper House, and seconded by R. Hon. Arthur Meighen, leader of the Conservative senators. Following these resolutions, the Senate will adjourn until next Tuesday.

Parliament opened yesterday with a new Governor-General, officiating at his first such function, and two speakers—Hon. Walter E. Foster in the Senate and Hon. P. F. Casgrain in the Commons. Despite the atmosphere of mourning, the opening ceremonies were carried out with all their customary dignity in the presence of diplomats, the judiciary, foreign consuls, leaders of the church and public notables.

On Tuesday the Senate will take up the Speech from the Throne. The address in reply will be moved by Hon. W. A. Buchanan, of Lethbridge, with Hon. Jules-Edward Prevost, of St. Jerome, seconding.

BOWLING

PACE-SETTERS SHOWING NO SIGNS OF FAULTING

Although the dropped a string to the Canadian National this week there is no indication of the Newsboys loosening their grip on first place in the Industrial Bowling League standing. The loss of a string to the Railroads had no effect on their margin, however. The Levesque squad, current holders of the runner-up berth, took two strings from Modernist and remained seven strings behind the leaders. The Modernist squad saved itself from a shutout by winning the first string with only two pins to spare.

The Bankers remained on even terms with Modernist in third place in the rankings. They dropped the first string to Canadian Silk but rallied to win the decision.

St. Francis continued its drive for a place in the play-offs, annexing two strings from the Bankers, while East Sherbrooke edged closer to sixth position by blanking the last-place Idealists.

A. Baron, of the Bankers, shared individual honors with O. Duperron, of the Newsboys. Baron had a high single-string score of 238, while Duperron topped the three-string column with a mark of 594.

BROWNS REMAIN ONE STRING IN FRONT OF MAROONS

The Browns are determined to maintain the one-string margin they hold at the top of the Julius Kayser Girls' Bowling League. There is no change today in the relative positions of the two leading clubs, the Browns still leading the Maroons by a single string. The Blues, however, have dropped out of contention for the leadership, while the Reds are continuing their drive for fourth position.
--

In last night's games three shut-outs were recorded—by the Browns over the Whites; the Maroons over the Blues; and the Reds over the Greens.
--

Irene Begin, of the Whites, posted a high single string total of 140 and A. Abbe, of the Blues, annexed three-string honors with an aggregate of 340.

FARNHAM YOUNG PEOPLE FORMED ORGANIZATION

Interesting Programme Presented at Initial Meeting of Newly Organized United Church Young People's Society at Farnham.

Farnham, February 7.—In Grace Church Hall, on Tuesday, January 28th, thirty-seven young people gathered in the hall to organize a Young People's Society in the church. Rev. J. C. Downing acted as chairman for the evening. Mr. Donald McGill opened the meeting with a piano selection. A hymn was sung and Rev. J. C. Downing led in prayer. Then Rev. J. C. Downing proceeded to explain and a discussion followed on the work of the Young People's Societies in Canada. Rev. J. C. Downing led a discussion on the present conditions of the world today. Following the discussion, lunch was served and an enjoyable social hour was spent.

On Friday afternoon Mrs. F. Donegan entertained at her home on Company street in honor of Mrs. O. P. Pepin, who is leaving shortly to take up residence in Montreal. Bridge was played and the prizes were won by Mrs. Trepanier and Mrs. Bertrand. The guest prize was awarded to Mrs. O. P. Pepin. Mrs. L. G. Rogers presided at the tea table, which was prettily decorated with spring flowers, and was assisted by Miss Yvonne Donegan.

The A.Y.P.A. held their regular weekly in the St. James' Hall with a good attendance present. Dorothy Morrison presided at the meeting. The meeting opened with a hymn, "What a Friend We Have in Jesus," followed by prayer led by the president. The minutes were read and approved. During the business period, final arrangements were made for the sleigh ride to Brigham, which was cancelled the week previous. Ruth Clough's group was in charge of the entertainment. Irene Elms' group was in charge of the luncheon, and Avery Allen's group to clean up. The meeting closed with "God Save the King."

Mrs. F. Donegan entertained at a luncheon in honor of Mrs. C. O. McHugh, who has left to take up residence in Montreal. Lunch was served at one o'clock at small tables covered with yellow cloths. The house-flower decorations were daffodils, tulips, and marigolds. The hostess was assisted by her daughter, Miss Yvonne Donegan, and also by Mrs. Clare Brown, Mrs. Peter Johnson and Miss Bluenueve. After the luncheon, the guests played bridge at four tables, and the prizes were won by Mrs. Jacques, Miss Morrisette and Mrs. Robert Wilkins. The guest prize was presented to Mrs. C. O. McHugh.

Mrs. F. Bradlock entertained at her home on Thursday afternoon, January 30th, in honor of Mrs. A. L. Longtin, of Saint John, N.B., who is visiting in Farnham. Many lady friends of the guest-of-honor called during the afternoon to whom the hostess served dainty refreshments, assisted by Miss Evelyn Harris. The floral decorations were assorted tulips. The hostess served tea in the dining room at a nicely arranged table. The afternoon was pleasantly spent by all present.

Mrs. and Mrs. Bonn left on Wednesday for a two weeks' vacation in New York City as guests of friends.

Mrs. W. McGill and Joan spent Thursday of last week in Montreal.

Mr. Horace Dimick, Mr. Earl Dimick and Miss Martha Morse attended the funeral of Mr. Ronald Lodge, of Bedford, on Wednesday of last week. Mrs. Ronald Lodge accompanied her sister, Miss Morse, to Farnham to spend a few days.

WATERLOO

Mrs. Robert Rowan, of Great Neck, Long Island, N.Y., who spent several days with her parents, Mr. and Mrs. Percy Boright, while here to attend the funeral of her uncle, Mr. Curtis, of Warden, left on Monday for Farnham, where she is visiting her sister, Mrs. Donald Kavanagh, and family, before returning to New York.

Mr. Richard Shaw was home from Montreal and spent the week-end with Mrs. Shaw.

Mr. H. H. Curtis, of Westmount,

ANNIVERSARY OF STANSTEAD UNITED CHURCH

Large Congregations Attended Special Services to Mark 132nd Anniversary of Centenary United Church, Stanstead.

Stanstead, February 7.—Centenary United Church celebrated its 132nd anniversary on February 2nd, with special services morning and evening. At the morning service, held at 10.30 a.m., Rev. George Butt, of Orleans, Vt., was the guest-speaker, and Rev. E. C. Ameron, principal of Stanstead College, presided.

The subject of Mr. Butt's address was, "Choosing the Highest," psalm 132, "He gave them their request, but sent leanness into their souls." The hymns, "When Morning Gilds the Skies," "Pleasant Are Thy Courts Above," "Rise Up O Men of God," were sung by the choir and congregation. Psalm 8 was repeated in unison and prayer offered by Mr. Ameron.

The choir rendered the anthem, "Send Out Thy Light," acceptably. Mr. Butt declared that one whole life is a series of choices and the temptation comes to all to choose the better instead of the best. Solomon chose wisdom and became a great ruler and was filled with riches and failed in the greater quest, of "Holiness of Heart." The speaker emphasized the fact that the choice of the highest and best cost the most tears, sacrifice and at times life itself as a test of our faith. Jesus said, "My need is to do the will of Him that sent Me" and the challenge to Christians today is to be diligent, to strive to attain the highest in right living and service to others. Mr. Butt's message was appreciated by all present.

The evening service in connection took place with Dr. Philip presiding and Rev. H. A. Carson, of Stanstead South Church, assisting, and Rev. R. L. Rood, pastor of the First Baptist Church, Newport, Vt., as the guest-speaker. The services were well attended considering the extreme weather that prevailed during the day.

The service opened with Scripture reading by Dr. Philip and the hymn, "Praise God From Whom All Blessings Flow," followed by prayer by Rev. Mr. Rood. Rev. Mr. Carson read the Scripture, Mr. J. Rhar sang, "O Lord Have Mercy."

Stanstead College orchestra assisted in the service and rendered the offertory.

The subject of Rev. Mr. Rood's address was, "Redeeming Our Day." The speaker gave an interesting address, which was enjoyed by all present.

General Notes.

Dr. J. H. Philp was in Orleans, Vt., on Sunday, February 2nd, where he conducted the service in the Congregational Church there.

Miss Gwen Hodgson, violin instructor at Stanstead College, rendered the violin solo, "Meditation," Thais, "Massana," at the morning service at Centenary United Church on Sunday, very acceptably.

Mr. J. D. McFadyen was in Newport, Vt., on Sunday, where he conducted a service.

Mr. McLeach conducted the service in the United Church in Beebe Sunday morning.

KINGSEY FALLS

Mr. and Mrs. E. A. Rockett and daughter, Miss Kathleen Rockett, of Dulhouse, N.B., spent a week-end with Mrs. Rockett's parents, Mr. and Mrs. James A. Rose.

A slight improvement in the condition of Mrs. J. A. Rose, who has been quite ill with the grippe, is noted.

Miss Erena Leith is improving after being confined to the house for the past five weeks.

Interested to learn that the body of their brother, Mr. Isiah Sweet, of Essex Center, Vt., who mysteriously disappeared on November 7, 1935, was recently discovered by young hunters in a small grove about two miles from his home and about ten rods from the road. Apparently Mr. Sweet, who was about eighty-seven years of age, grew bewildered and lost his way in the darkness and died from exposure. His wife, who was ill at the time, died last week. Mr. Sweet was reared in this neighborhood and will be remembered by the older residents.

Mrs. William Clark, of Iron Hill, is staying at the Fessenden home at present.

Mrs. D. E. Mooney spent Thursday of last week in Granby.

Mrs. P. W. Matthews and Mrs. Charles Sparke returned from St. Andrew's East and Montreal on Saturday last.

The Guild of St. Stephen's Church was entertained at the home of Mrs. Guy Graves on Thursday, January 28th.

FULFORD

Congratulations are due five pupils of the Fessenden School for winning prizes in the recent temperance contest. They are Kenneth Graves, Bruce Wright, Hazel Legge, Laura Graves and Mildred Sheridan.

Miss Kathleen Badger recently spent a week in Bolton at the home of her uncle, Mr. J. Badger.

Miss Thelma Fessenden, of Iron Hill, spent the week-end here with her parents and brother.

The Women's Association of the United Church was entertained by Mrs. L. E. Fessenden on Thursday of last week and a good attendance was recorded.

Miss Marion Bell, of Foster, was a recent guest at "Rose Lodge Farm."

The friends of Mrs. S. P. Westover, of this place, and Mr. Benjamin Sweet, of Knowlton, will be

Troublesome Night Coughs Hard on the System

It is the cough that sticks; the cough that is hard to get rid of; the cough, accompanied by a tickling in the throat, that causes the nerve and throat wracking trouble that keeps you awake at night.

Dr. Wood's Norway Pine Syrup relieves this coughing condition by soothing the irritated parts, loosening the phlegm, and strengthening the bronchial organs. When this is done there is no more lying awake at night with the system wracking, irritating cough.

Get a bottle from your druggist. It will help you.

GOULD CHURCH HELD SERVICE FOR LATE KING

School Pupils Join Citizens of Gould in Largely-Attended Service of Tribute to Late British Ruler.

Gould, Feb. 7.—Falling in with other churches in observing the day of national mourning, a memorial service was held in Chalmers' Church on Tuesday, January 28, at 10.30 a.m., as a tribute to the late King George V, and was well attended. The teachers and pupils of the intermediate school attended in a body, which helped to make the service more impressive. The following simple but fitting service was conducted by the pastor, Rev. J. M. Beaton, who spoke in tribute to the late King George and in sympathy with his bereaved family: Organ prelude; Scriptural prayer, Psalm 90; hymn, "Peace, Perfect Peace"; Scripture by congregation; "Let Us Now Praise Famous Men"; duet, "Crossing the Bar," Lydia Wood and Roderick McAulay; Scripture reading; prayer; hymn, "Abide with Me," address by Rev. Beaton; hymn, "O God Our Help in Ages Past"; organ postlude.

The following lines are a contribution from Murdo N. McKay, in memory of the late King George:

King George V in unity,
Faith, love and loyalty,
Reigned a little while.
A little while, what dost thou say?
The sorrowing friends did cry,
Be not in grief at this little while,
The King of Kings replied,
When face to face ye shall me see,
What happy meeting it will be,
Again a little while,
And then rejoice eternally.

General Notes.

Miss Margaret McMillan has gone to Beebe where she will remain for a few weeks.

Mrs. A. A. McAulay has returned home from Scottstown, where she spent ten days as a guest of her mother, Mrs. A. G. Sherman.

Miss Beryl McKay has returned to Lorne to resume her school duties after a few days spent at the Smith home.

Friends of Mr. J. N. Cowan will be pleased to know that he has sufficiently recovered from his recent illness to be up and about again.

Mr. George Martin has returned to Montreal after a week spent with his parents, Mr. and Mrs. George O. Martin.

Measles, R. A. McAulay and F. Woody spent a day in Bishopston, where they were guests of Mr. and Mrs. R. M. Bishop.

Mr. P. A. Sherman, M.L.A., was a recent caller in town.

The sympathy of many friends in Gould is expressed for Rev. Parsons, of Scottstown, in the loss of his mother.

Rev. J. M. Beaton was in Scottstown on January 31 to attend the funeral of Mrs. Parsons.

MILBY

Miss Alice Lennon spent the past week-end with her grandmother, Mrs. E. Lennon.

A number from here attended a card party on Thursday night of last week at the home of Mr. and Mrs. Mason, Mr. C. H. George taking a double sleigh to accommodate those going from here.

Miss Tambs entertained a number of girls from Compton College at tea on Friday afternoon last.

The road is open again for cars between Lennoxville and Milby and is expected to be open between Milby and Compton this coming week.

Mr. Charles Moss, of Compton, was a Sunday guest at the home of Mr. and Mrs. H. Raymond.

Mr. Macchell, of Huntingville, is spending the winter with his daughter, Mrs. B. Urwick, and Mr. Urwick.

EAST CLIFTON

Mr. Henry Jones has returned to Montreal, after spending the past few weeks in town.

Miss Marjorie Waldron has gone to Sawyerville, where she is teaching in the Consolidated School during the illness of one of the teachers.

Miss Gladys Reed spent the past few days in Sawyerville as a guest of her grandparents, Mr. and Mrs. George Hurley.

Miss Bertha McBurney spent a week-end with her cousin, Miss Isabel Forgrave, High Forest.

Mr. and Mrs. James Bellam gave a surprise party on Saturday, January 11th, for their eldest son, Gordon, the occasion being his tenth birthday. Fifteen of his boy friends were there for dinner in the afternoon. Mr. Bellam took them in a double team to the rink for a while. A very good time was enjoyed, all later joining in wishing Gordon many happy birthdays.

MILAN

Miss Dorothy Ross has resumed her duties in Asbestos, after spending the past three months at her home here.

BISHOPTON

The service in the United Church on Sunday morning was of a memorial nature to the memory of King George V. The pastor, Rev. Mr. Smith, B.D., preached a very impressive sermon, taking as his text "Honor all men, Love the Brotherhood, Fear God, Honor the King." The 23rd psalm, one of the King's favorites was read by the pastor and congregation together. Rev. Mr. Smith spoke very feelingly and at some length of the wonderful qualifications of the late King and his most devoted wife, Queen Mary, about their home-life. The three hymns were in keeping with the subject, favorites of the King. The pulpit was draped in black and Royal purple for the occasion. The benediction and singing of "God Save the King" closed a very solemn service.

Mrs. O. S. Joyce was in East Angus recently.

Mrs. Hilda Goodenough spent the week-end in Sherbrooke as a guest of her daughter, Mrs. B. Gilbert, and Mr. Gilbert.

Mrs. Bertha Price was a guest of Mrs. O. S. Joyce recently.

Miss Christie Matheson, of East Dudswell, formerly of Marsboro, who has been confined to her bed since early in December, does not improve. Miss Ethel McCormick, of Gould, is taking care of her.

Mrs. Jamieson, of East Angus, was a guest of her daughter, Mrs. L. Hughes, and Mr. Hughes recently.

The Church of the Good Shepherd annual vestry meeting took place at the home of Mr. and Mrs. B. A. Gilbert with Rev. Mr. Cooke presiding. The meeting opened with prayer. The minutes of the last regular meeting, also special meeting, were read by the vestry clerk. The financial statement was read by Mr. Lloyd Harrison, treasurer, showing all obligations met. A very optimistic atmosphere prevailed. Mr. Cooke thanked the organist, all officers and organizations for their good work done the past year and chose Mr. Percy Hall for clergyman's warden. Mr. Lloyd Harrison was elected people's warden. The sidesmen are Messrs. Charles Gilbert, Leland McConnell and Scott Allison. The delegate to the Synod is Mr. G. A. Harrison. Mr. and Mrs. Gilbert were thanked for their hospitality and meeting closed with the benediction.

A house party was held by the Willing Helpers at the home of Mr. and Mrs. G. A. Harrison on Friday

WOMEN'S GROUP AT BULWER HAD BUSY SESSION

Highly Satisfactory Reports of Past Year's Activities Presented at Regular Session of Bulwer Women's Association.

Bulwer, February 7.—The regular monthly meeting of the Women's Association was held at the home of Mrs. Ruth Richardson on Thursday of last week. The president, Mrs. Colby presided, and the meeting was opened in the usual way. The minutes were read and approved, and letters of thanks were read for Christmas cheer, and from those who received plants while ill.

The treasurer's report showed that splendid work had been done during the last year, \$208 being taken in. One new member was added to the list.

After all old business was disposed of plans were made for a sugar social to be held at Valentine time.

The meeting was closed and a social afternoon spent. There were sixty-six who came in at the tea hour, and the evening was pleasantly spent playing crokinole. Proceeds were over nine dollars.

General Notes.

GOULD CHURCH HELD SERVICE FOR LATE KING

School Pupils Join Citizens of Gould in Largely-Attended Service of Tribute to Late British Ruler.

Gould, Feb. 7.—Falling in with other churches in observing the day of national mourning, a memorial service was held in Chalmers' Church on Tuesday, January 28, at 10.30 a.m., as a tribute to the late King George V, and was well attended. The teachers and pupils of the intermediate school attended in a body, which helped to make the service more impressive. The following simple but fitting service was conducted by the pastor, Rev. J. M. Beaton, who spoke in tribute to the late King George and in sympathy with his bereaved family: Organ prelude; Scriptural prayer, Psalm 90; hymn, "Peace, Perfect Peace"; Scripture by congregation; "Let Us Now Praise Famous Men"; duet, "Crossing the Bar," Lydia Wood and Roderick McAulay; Scripture reading; prayer; hymn, "Abide with Me," address by Rev. Beaton; hymn, "O God Our Help in Ages Past"; organ postlude.

The following lines are a contribution from Murdo N. McKay, in memory of the late King George:

King George V in unity,
Faith, love and loyalty,
Reigned a little while.
A little while, what dost thou say?
The sorrowing friends did cry,
Be not in grief at this little while,
The King of Kings replied,
When face to face ye shall me see,
What happy meeting it will be,
Again a little while,
And then rejoice eternally.

General Notes.

Fifteen of his boy friends were there for dinner in the afternoon. Mr. Bellam took them in a double team to the rink for a while. A very good time was enjoyed, all later joining in wishing Gordon many happy birthdays.

MILAN

Miss Dorothy Ross has resumed her duties in Asbestos, after spending the past three months at her home here.

BISHOPTON

The service in the United Church on Sunday morning was of a memorial nature to the memory of King George V. The pastor, Rev. Mr. Smith, B.D., preached a very impressive sermon, taking as his text "Honor all men, Love the Brotherhood, Fear God, Honor the King." The 23rd psalm, one of the King's favorites was read by the pastor and congregation together. Rev. Mr. Smith spoke very feelingly and at some length of the wonderful qualifications of the late King and his most devoted wife, Queen Mary, about their home-life. The three hymns were in keeping with the subject, favorites of the King. The pulpit was draped in black and Royal purple for the occasion. The benediction and singing of "God Save the King" closed a very solemn service.

Mrs. O. S. Joyce was in East Angus recently.

Mrs. Hilda Goodenough spent the week-end in Sherbrooke as a guest of her daughter, Mrs. B. Gilbert, and Mr. Gilbert.

Mrs. Bertha Price was a guest of Mrs. O. S. Joyce recently.

Miss Christie Matheson, of East Dudswell, formerly of Marsboro, who has been confined to her bed since early in December, does not improve. Miss Ethel McCormick, of Gould, is taking care of her.

Mrs. Jamieson, of East Angus, was a guest of her daughter, Mrs. L. Hughes, and Mr. Hughes recently.

The Church of the Good Shepherd annual vestry meeting took place at the home of Mr. and Mrs. B. A. Gilbert with Rev. Mr. Cooke presiding. The meeting opened with prayer. The minutes of the last regular meeting, also special meeting, were read by the vestry clerk. The financial statement was read by Mr. Lloyd Harrison, treasurer, showing all obligations met. A very optimistic atmosphere prevailed. Mr. Cooke thanked the organist, all officers and organizations for their good work done the past year and chose Mr. Percy Hall for clergyman's warden. Mr. Lloyd Harrison was elected people's warden. The sidesmen are Messrs. Charles Gilbert, Leland McConnell and Scott Allison. The delegate to the Synod is Mr. G. A. Harrison. Mr. and Mrs. Gilbert were thanked for their hospitality and meeting closed with the benediction.

A house party was held by the Willing Helpers at the home of Mr. and Mrs. G. A. Harrison on Friday

SHERBROOKE, FRIDAY, FEBRUARY 7, 1936.

No Friend Like An Old Friend.

Oliver Wendell Holmes.

There is no friend like an old friend
Who has shared our morning days,
No greetings like his welcome,
No homage like his praise.
Fame is the scentless sunflower
With gaudy crown of gold;
But friendship is the breathing rose,
With sweets in every fold.

Sherbrooke Happy To Welcome Their Excellencies.

The coming visit to Sherbrooke of Their Excellencies Lord and Lady Tweedsmuir is eagerly anticipated by all classes of citizens.

Although a comparatively newcomer to Canada, His Excellency the Governor-General has already made his way into the hearts of the Canadian people, while Lady Tweedsmuir has shown a deep and sincere interest in all worthy undertakings and has made her influence felt in many directions.

Owing to the fact that Canada, like the rest of the Empire, is observing the period of Court Mourning prescribed following the death of King George the Fifth, the Vice-Regal visit will be devoid of much of the splendor and festivity which otherwise would have featured it.

However, Their Excellencies have expressed a personal wish to learn about Sherbrooke and to meet its people. Consequently they will be afforded an opportunity of becoming thoroughly acquainted with the Metropolis of the Eastern Townships, and it is hoped they will take back with them pleasant memories of their sojourn here.

The New House Speaker.

Pierre Francois Casgrain, M.P. for Charlevoix-Saguenay, newly-elected Speaker of the House of Commons, comes of one of the oldest families in Quebec Province, one which has given men to both church and state. Born in Montreal in 1886, he has been a member of the Commons since 1917 and was chief Liberal Whip in the last Parliament.

In professional life, the new Speaker is a lawyer, practising alone, while his affiliations in club life are essentially those connected with law and politics. He is a life governor of Notre Dame Hospital and a life member of the 65th Regiment, les Carabiniers Mont Royal.

A Well Deserved Victory.

No victory in the recent political history of Great Britain will meet with as much general acclaim as the return of Ramsay MacDonald to Parliament as the result of the bye-election in the Scottish Universities. The saddest tragedy of the November general elections was the personal defeat of the former Prime Minister in his old constituency of Seaham, and his subsequent election to represent an "intellectual" division is but fitting tribute to a man who sacrificed his personal health and political future in the service of his country.

Admittedly broken in health and with a future that will be far from active, Ramsay MacDonald will go down in history for what he has done. Future generations will recall that he stood forth and stood fast for Britain in a period of grave testing and real peril. All this he did with the almost certain knowledge that he was writing "Finis" to his career in that constituency which he had represented and loved for the greater part of a lifetime.

Our Veterans Are Different.

It is not surprising that, here and there in Canada, individuals are beginning to talk about the recently adopted legislation at Washington which will pay a lump sum bonus to men who served in the United States Expeditionary Forces between 1917 and 1919. Some of this opinion is frankly envious, and there are people who, without thinking, express the view that if this bonus is to be paid in the United States, something of the same sort might be done in Canada.

It seems to be the part of sound judgment at this moment to point out that circumstances in this country are entirely different. Our Canadian veterans were much more generously treated at demobilization than United States soldiers. Our pension system is more generous, too, and, most important of all, the basic spirit and temperament of Canadian veteran organizations is vastly different from that of the U. S. veteran body which, after years of vigorous, sometimes drastic, political

paigning, has smashed the bonus vote through Congress over the Presidential veto.

Canadian veteran organizations have never played politics, and that, we think, is to their credit. They have concerned themselves entirely with the personal welfare of the veteran, not threatening, not attacking parliaments, or individuals in high places, but seeking facts, presenting evidence in orderly fashion, always avoiding extravagant words or actions which lead only to antagonism, even in victory.

The conduct of our veterans has, ever since the war, been admirable. Much of this conciliatory co-operative spirit is due to the nature of the organizations pledged to forward the welfare of the Canadian ex-service man. The oldest of them all, The Army and Navy Veterans in Canada, has a record of ninety-six years behind it. Fenian Raid, Reil Rebellion and Boer war veterans were members of this organization many generations before 1914. With such a tradition behind them, Canadian veterans are less disposed toward political excesses than those ambitious young men of the United States. Our veterans are different.

Editor's Note-Book.

John Barrymore, nearing his fifty-third birthday, gives the world a good bit of philosophy to mark the occasion. And John's words should be worth studying—he has lived a lot. Says the noted actor: "Every split second of my life has been worth it, and I'll tell you why. An event in your life is like a gold coin with two sides. On the other side of a failure there's success. To be hit and knocked down flat by a great tragedy gives me the capacity to be lifted to the skies by a great happiness."

It's a philosophy that applies all the way down the human scale. A lot of us acquired a bit of this outlook during the last five years, when men and events generally were skidding off the easy roads. And we can use a lot more.

The world is still crowded with folks working overtime at the failure side of their gold coin.

Canada is getting ready for still bigger and better anniversaries. It is perhaps a far cry to 1942, but arrangements are already being considered for the celebration that year of the tercentenary of the foundation of Montreal. The committee charged with putting the plans into shape can hardly be too ambitious, the history of Montreal goes further back than that of any other metropolis in the Dominion and is, moreover, a colorful and significant story.

The greatest enemy of all new ideas is ignorance. The next greatest is loyalty to customs long established—and war is the oldest institution in the world. The third greatest enemy is the war institution itself.

There is a new rubber highway in Malaysia which, with the co-operation of drivers, will probably introduce for the first time bouncing grown-ups.

What Editors Say

WHY KIPLING WAS NEVER LAUREATE.

Windsong Free Press.

Kipling's fame as a writer grew as he got older, but his political ideas began to date as far back as thirty years ago. And that answers the familiar question why he was never poet laureate. There were three chances to appoint him. The first came in 1892, when Tennyson died. Kipling then twenty-six, may have been thought immature and it is possible (though the story always sounds incredible) that Queen Victoria resented the reference to "the widow at Windsor." In any event, the post of laureate was not vacant after that until 1913. A Liberal prime minister was then in office, successor to the Liberal prime minister who had described the tactics of the South African war as "methods of barbarism" and given self-government to the conquered South African provinces amid cries of dismay from the Tories whose spokesman Kipling was. Kipling's brand of Imperialism was old-fashioned by 1913 and still more so by 1930 when the next laureate had to be appointed and the first Labor government, seeking a man with some consciousness or new social forces remaking the world, chose John Massfield.

Thirty Years Ago Today

From the Files of the Sherbrooke Record.
February 7th, 1905.

AYER'S CLIFF TRADE BOARD HAD ELECTION

Mr. A. H. Slack Re-elected as President of Ayer's Cliff Board of Trade—Active Year Recorded in Reports.

Ayer's Cliff, February 7.—The annual meeting of the Board of Trade was held on Monday evening, January 7th, in the board room, with a good attendance, and the president, Mr. A. H. Slack, presiding. Mr. E. S. Beerworth reported that the matter of holding a card party, which had been left in the hands of the entertainment committee, was temporarily abandoned owing to the many counter attractions.

Mr. N. W. Lobb referred to the death of King George V, and the general feeling of bereavement the whole Empire felt in the passing and its sympathy to the Queen Mother, King Edward VIII and the other members of the Royal Family. He then suggested that the members of this Board stand and observe the two-minute silence.

The reports heard from the president, treasurer, secretary and chairman of the entertainment committee were most encouraging. The president outlined the activities of the Board the past year and voiced appreciation and thanks to the members for their support.

The treasurer in his report advised total receipts of \$136.01, and expenditures, \$135.63.

The secretary reported fifty-two paid memberships, with an average attendance of sixteen at the meetings.

Mr. E. S. Beerworth, chairman of the entertainment committee, reported some of the activities comprised the entertainment of the Eastern Townships Associated Boards of Trade in October and a card party held at the home of the president, Mr. A. H. Slack.

The election of officers for 1936 resulted as follows: president, Mr. A. H. Slack, re-elected; vice-president, Mr. H. I. McFadden; secretary, Mr. H. P. Stone; treasurer, Mr. E. P. Lyon.

The president then named the following to be members of the entertainment committee: Messrs. J. E. Bayley, E. S. Beerworth, J. P. Lyon, H. P. Stone and E. E. Temple, and the following were named as membership committee, Messrs. William H. Brown, J. E. Bayley, E. L. Colt and R. G. McHarg.

Mr. H. I. McFadden reported that at a meeting of the Eastern Townships Associated Board held in Sherbrooke, January 14th, that the subject was brought up by the local president, Mr. A. H. Slack, relative to increased support of the game wardens. This caused considerable interest and discussion.

Considerable discussion took place regarding the amount of membership fees and finally a ballot was taken, which resulted in the fixed fee of one dollar.

It was moved by Mr. H. P. Stone and seconded by Mr. E. Temple that a resolution of condolence be forwarded Mrs. Alfred Bissonnet and family, expressing the sympathy of the Board in the loss of her husband. The meeting then adjourned.

NEWLY-MARRIED COUPLE HONORED

On Saturday evening, a reception was held in the vestry of the Advent Church in honor of Mr. and Mrs. Arnold Waite, nee Mildred Hurlbut, who were married in December. About seventy-five of their friends gathered to congratulate them and wish them many years of happiness.

Upon their arrival to the strains of the Wedding March, played by Mrs. W. S. Keeler, they were escorted to the specially decorated corner by Mr. and Mrs. William Sparks, who also received with them.

After the personal greetings, a short programme was given, consisting of an organ solo by Mrs. W. S. Keeler, a melody by the Mosher Brothers, who blended the sweet music of guitar, harp and voices, and a song by Miss M. Pierce, "Carrie Jacobs Bonds" "I Love You Truly," was rendered as a vocal solo by Mr. Alfred Keeler.

Nelson Pierce acted in the capacity of chairman and then called on Mr. E. E. Temple for a few words. The speaker of the day, a very good deal of remarks and giving some advice, presented the guests of honor with a purse of money accompanied by the hope that they might be long spared to each other and that the journey through life might be a very pleasant and happy one.

Mr. Waite, on behalf of himself and bride, conveyed his appreciation and thanks in a few well-chosen words.

Music by the Mosher Brothers, Jessie Gibson and Miss May Pierce was enjoyed until the serving of refreshments.

The beautiful three-story wedding cake, which was placed on a stand beside the bride and groom with lighted candles and carnations, was admired by all. The serving was done by the young people; at the conclusion, before bidding the happy couple good-night, all joined in singing, "For They Are Jolly Good Fellows" and "God Save the King." The guests were received by Mrs. Sterling Zezan, Mrs. L. Pierce and Miss Zeza Pierce.

FARMER'S CLUB NAMES OFFICERS

The Stanstead County Farmer's Club met on Saturday, February 1st, for the purpose of electing their officers and to consider the plan of work for the ensuing year. A very good delegation was present. Mr. H. G. Ayer, vice-president, and Mr. E. E. Temple, re-elected secretary-treasurer.

General Notes.

Several have had cards and letters from Mr. and Mrs. Ralph Amy, who are spending the winter at Daytona Beach, Florida, and they say

DRUMMOND FAIR SOCIETY NAMES NEW OFFICIALS

Severe Bolduc Elected President of Drummond County Agricultural Association Succeeding James Gallagher Who Resigned After Many Years of Service.

L'Avenir, February 7.—The annual meeting of the Board of directors of the Drummond County Agricultural Society for the year ending December 31, 1935, was held in the town hall on Tuesday, January 28th, at 1.30 o'clock, with James Gallagher, president, in the chair, and J. S. St. Amant as secretary-treasurer present. The following directors were also present: Messrs. B. M. Smith, Severe Beaulac, Onil Defosses, A. P. R. Kerr, J. Herman Charpentier, Alex. Charpentier, Alphonse Manseau, Arthur Roy, Austin Duffy, J. Gordon Smith and Pierre Granger, of Drummondville, district agronomist.

The meeting was opened with the minutes of the previous meeting, followed by the financial report of the fiscal year, 1935. On motion of Severe Bolduc, seconded by Onil Defosses, the Agricultural Society decided that merchants hereafter purchase grass seed certified and grown in the Province of Quebec.

The Society was pleased to hear that the Daves Brewery, of Montreal, was placing a Black Horse in the county this year and that the Society requested the brewery to station said horse in the lower section of the county.

A. P. R. Kerr was recommended by the Society to represent the county on the Council of Agriculture, filling the vacancy caused by the death of Mr. Gordon Smith. The Council of Agriculture was asked to change the date for the annual meeting of the Society from the fourth Tuesday in January to the fourth Tuesday in November, to avoid severe cold weather.

The secretary, J. C. St. Amant, read a letter from James Gallagher tendering his resignation as director and president of the Society. A. P. R. Kerr, on behalf of the directors, moved a hearty vote of thanks to Mr. Gallagher for his ever faithful and untiring services as president of the Society, also that Mr. Gallagher be an honorary member of the Society with the privilege of taking part at the annual meetings.

Mr. Gallagher has served the Society as a director for the past twenty-five years and as president for the past eighteen years. During that period, many hardships have confronted the Society, requiring the best of guidance, in which Mr. Gallagher has proven himself capable by the fact that during the past several years of depression, there has always been a surplus in the finances at the close of the year, and also the Society has always paid its prizes one hundred cents on the dollar. All regret very much the resignation of such a capable person as Mr. Gallagher. It was decided that Harry Mullen, Candlish Bogie and Elphege Boisvert be appointed to replace James Gallagher, James P. Millar and Herman Charpentier, respectively, as directors for the coming year.

The following is a list of the new Board of Directors with the town each represents: Harry Mullen, L'Avenir, Bert Smith, Ulverton, Alfred Smith, Kingsley Falls, Dr. R. Rajotte, Drummondville, E. Provancher, St. Felix de Kinsey, Assiniboia, South Durham, Albert Cote, St. Cyrille, Gordon Smith, St. Eugene, Nap. Francoeur, St. Lucien, Severe Beaulac, St. Cyrille, Arthur Roy, St. Edmond, A. P. R. Kerr, Ron Consell, Eugene Callee, St. Nicéphore, Alphonse Manseau, Grantham, James Duffy, Wickham, Alex. Charpentier, St. Germain, Candlish Bogie, South Durham, Wilfrid Joyal, St. Marjorie, Wilage, C. M. Wintle, St. Jeanne d'Arc, Onil Defosses, Kingsley Falls, Elphege Boisvert, Wickham, Noise Manseau, L'Avenir Village.

Ernest Boisvert was re-elected auditor.

There being no further business, Mr. Gallagher took a few minutes in which to thank his fellow directors and friends for their co-operation and kindness shown him during the term as president, and stated that he hoped the Society would continue to flourish under new leadership, and if at any time he could be of assistance, he would be only too willing to render any services possible.

Due to the cold weather prevailing, all agreed that the new Board of Directors appoint their officers in the same day instead of February 4th as scheduled.

Mr. Gallagher, upon request, presided over the meeting, with the following directors present: James Gallagher, honorary member, Bert M. Smith, Severe Beaulac, Onil Defosses, A. P. R. Kerr, Alex. Charpentier, Candlish Bogie, Elphege Boisvert, Alphonse Manseau, Arthur Roy and Gordon Smith.

Severe Beaulac was elected president by acclamation and J. C. St. Amant was succeeded as secretary by Arthur Roy.

A very hearty vote of thanks was passed to Mr. St. Amant for his long and faithful services as secretary-treasurer of the Society and with this the meeting was closed.

The patrons for 1936 are, Rev. J. C. Masson, Hon. Hector Laferte and W. Grouard, N.P.; associate-directors, C. H. Millar, H. E. Bieher, K. G. Nourie, Nap. Proulx, Alexandre Mercier, Dr. Joseph Garon, Anthony J. Curtoia, George O. Cummings, I. Fournier, J. A. Larue, W. A. Moisan, Dr. L. Helle, Dr. L. Lane Charpentier and J. A. Proulx.

they are having very beautiful weather and enjoying the comforts of the Sunny South very much. Mr. and Mrs. Arnold Waite were visitors in Newport, Vt., on Saturday last.

REQUIESCAT IN PACE

And then came Death—
Upon his kindly face
A smile of splendour shone,
"I come," he said, "for thee, O King
Thy work on earth is done
And thus my Lord hath spoke
Well done thou good and faithful
one
Take now thy rest,
And in eternal peace thou shalt
await
The second Advent of the Christ
our Lord."
So with this gracious promise did
our King set forth
Leaving behind him all he loved
so well
But claiming with great joy
The promised peacefulness of the
great Hereafter.

DEATHS REPORTED

MRS. CHARLES SOLES, COWANSVILLE.

Cowansville, February 7.—The funeral of Maud Elizabeth England, beloved wife of Charles R. Soles, was held at her residence Saturday, February 1, at two o'clock in the afternoon, Rev. Dr. S. W. Boyd, of Emmanuel United Church, officiating.

A quartette composed of Mrs. S. W. Boyd, Mrs. George Boyd, Messrs. Harry Baker and John McClure sang, "Nearer My God to Thee" and "Abide With Me," Mr. Clifford Johnston accompanying at the piano.

The bearers were Messrs. W. J. Bell, W. Craigie, F. Nunnis, Charles Robinson, Kenneth Elvidge and Henry Fuller. Interment was made in the Union Cemetery.

The casket was covered with beautiful flowers, silent tokens of love and esteem.

The deceased is survived by her husband, two daughters, Edith Soles, on the staff of Mount Royal School, Montreal, Stella, Mrs. Nelson Wyatt, of Cowansville, and one son, Mr. Clinton E. Soles, manager of the Bank of Commerce, Rock Island; four grandchildren, William Soles, of Quebec, Sylvia Soles, of Montreal, Charles and Mary Wyatt, of Cowansville, and one brother, Rev. Clarence P. England, of Waterville.

Sincere sympathy is extended to the bereaved family, who mourn the loss of a beloved wife and mother. Mrs. Soles was a fine Christian character and devoted to her family and bore her sufferings of the past years with great patience and without complaint, and her passing away leaves a great void.

Mrs. Soles was born in Fulford, Que., in 1862, only daughter of Philo England and his wife, Margaret M. Butler, who was a daughter of Philip Butler, one of the earliest settlers of Cowansville.

Mr. and Mrs. Soles had been married over fifty-four years and had made their home here for over forty years. Mrs. Soles was a member of the former Methodist Church and later of the United Church of Canada.

Among those present from a distance in addition to those already named were Dr. Frank England, of Montreal, cousin; Miss Bullock, of Montreal, and Mr. and Mrs. William Soles, of Knowlton.

MRS. JAMES FLANAGAN LAID TO REST AT ISLAND BROOK.

Island Brook, February 7.—Although absent from this community since shortly after the death of her husband eighteen years ago, her many friends cherished the memory of Mrs. James Flanagan and testified to the esteem in which she was held by attending her burial here last Sunday in large numbers. Mrs. Flanagan passed away in Deserion, Mich., on Wednesday, January 29th, her death culminating an illness of two years' duration.

The wide circle of friends she made in Detroit formed the funeral cortege from the late residence, 4770 Middlesex street, to St. Clement's Roman Catholic Church, and accompanied the body from the church to the station, where it was placed aboard the train and conveyed to Cookshire. The solemn mass of requiem was celebrated by the parish priest, Rev. Father Oakley, who was attended by a friend of the family, Rev. Father Tierney, of St. Dominic parish. The pallbearers were Messrs. Frank, Joseph and Fred Carrigan, Frank E. Hill, Edward Gauthier and Earl Adam. The casket was covered with flowers, while masses, messages of sympathy and telegrams received from friends revealed the sympathy felt for the bereaved family.

The remains were met at Cookshire by Edward Stokes and a host of sorrowing friends, and taken to the home of Mr. and Mrs. Fred Sunbury, who had opened their residence to permit former neighbors and friends the opportunity to pay their last tribute of respect to a beloved and highly respected lady. In spite of the severely cold weather, every family in the community was represented when interment was made in the family lot. Mr. Stokes and local friends of the family had arranged every detail for the comfort of the grief-stricken relatives, pressing school buses and snow car into service to convey the immediate mourners to the graveyard and back to Cookshire.

Mrs. Flanagan, nee Mary Ann Nolan, was a native of St. Agathe and was in her seventy-first year. She and her husband had been residents of Island Brook for many years before the deceased moved with the family to Detroit. Mrs. Flanagan had always enjoyed good health until two years ago. For the past year she was confined to the house and, although she suffered greatly, her illness was borne with true Christian spirit. Surrounding her deathbed were the sons and daughters who had attended her constantly in her declining days.

Of a cheerful, generous and friendly disposition, Mrs. Flanagan was beloved by all with whom she came in contact. She was a devoted and kindly mother to a loving family who will feel her absence keenly. While her health permitted, Mrs. Flanagan was an active and faithful member of many societies, including the Catholic Women's League of the Little Flower.

The deceased leaves to mourn

ANOTHER COLD ARCTIC BLAST HITS DISTRICT

Storm Caused Engine of Special Train to Derail at East Angus and Forced Mercury to Thirty Below Zero—Work on Highways Resumed Today.

Arctic winds, their frigid blast forcing the mercury to thirty degrees below zero, howled through Sherbrooke and district again last night and piled up mountains of snow across railway tracks and highways. A special train was derailed at East Angus, delays occurred in different train schedules and the progress made in the attempt to open up winter highways was wiped out inside of a few hours.

The severe weather conditions last evening were directly responsible for the derailment of the engine of the special C.Q.R. train dispatched to East Angus to convey the hockey

team to Sherbrooke for the scheduled game at the Arena. The special left Sherbrooke at 4:30 o'clock yesterday afternoon but did not reach the pulp and paper town until 10:20 o'clock. The engine went off the track about two miles this side of East Angus and it was several hours before it could be re-railled. The C.Q.R. train from Quebec City, due here at 9:20 last night, was one and a half hours late. The storm also caused minor delays in C.N.R. schedules, but all trains were reported on time this morning. The C.P.R. trains ran on time.

Lucien Lachapelle, in charge of the Road Department office at Lennoxville, stated to the Record this morning that highway conditions were very bad. He reported work resumed today on the Sherbrooke-Montreal route, but did not think that this highway would be open before the beginning of next week. Ten-foot drifts have piled up along all highways and the task of ploughing through these and opening the roads to motor cars is by no means a simple one.

Local citizens continued to grumble today as they took note of the big hole the severe weather has made in their fuel supplies. Gas bills for the week were excessively high and February has all the earmarks of being just as expensive a month for fuel.

Yesterday's temperature as recorded at the Lennoxville Experimental Farm was maximum seven and minimum eight below and on the corresponding day last year maximum fourteen and minimum twenty-six below. Last night and at seven o'clock this morning thermometers registered thirty below zero.

NEW COLD WAVE HITS U.S. Chicago, Feb. 7.—The weather renewed its onslaught today, bringing a new cold wave with heavy snow to the Pacific northwest, threats of a new flood menace in the south and a continuation of subzero temperatures in the corn belt states.

The most dangerous flood conditions were reported in southwest Alabama but rivers in Georgia, Mississippi, Tennessee and the Carolinas also neared overflow stages. Coal shortages continued acute at many places and schools remained closed. Many railroads in the northwestern states continued snow-bound. One way traffic was resumed on some main highways but few secondary roads were reopened.

CLEAR LINES OF WRECKAGE AT ST. GERMAIN. St. Germain, Drummond County, Que., Feb. 7.—Wreckage from five derailed freight cars was being cleared here today so re-routed traffic might again proceed along the Montreal-Charney main line. Rear-end collision of two sections of a C.N.R. freight train occurred here Wednesday due to poor visibility on account of the blizzard then sweeping over this and most other parts of the province. No one was injured.

Snow conditions forced the freight train to be divided into two sections. The first section slowed up near here and the second crashed into it, sending five cars flying off the track.

RECEPTION FOR VICE-ROYALTY WAS DISCUSSED

Tentative Programme for City's Welcome to Lord and Lady Tweedsmuir Has Been Forwarded to Ottawa for Approval.

At the request of His Worship Mayor F. H. Bradley, His Lordship Mr. Justice C. D. White, Col. the Rev. A. H. McGreer, principal of Bishop's University, Lennoxville, Dr. V. Olivier, Officer Commander 10th Infantry Brigade, Lieut.-Col. L. Chevalier, Officer Commanding Les Fusiliers de Sherbrooke, and Major Leo M. Watson, of the Sherbrooke Regiment, met at an informal meeting in the City Hall yesterday afternoon to discuss tentative plans for the city's reception to their Excellencies Lord and Lady Tweedsmuir.

The drawing up of a suitable programme in the case of the Vice-Royal visit made quite difficult owing to the Court mourning, which will necessitate the elimination of all gatherings of a social nature.

The people of Sherbrooke, however, feel highly honored by the coming visit and every effort will be made to make the distinguished visitors feel at home and to thoroughly enjoy their stay in the city.

According to present plans, which have been forwarded to Ottawa for His Excellency's approval, a Mayor and a small gathering of leading citizens will meet the Vice-Royal train upon its arrival at the C.P.R. station at seven-thirty o'clock on Monday evening, March 2nd. Following this short informal meeting His Excellency, if he is pleased to accept the invitation, will honor the officers of the two local regiments by visiting the Officers' Mess of the Belvidere street Armory. While His Excellency is meeting the military leaders of the city, Her Excellency will be afforded an opportunity of meeting the ladies representing the various religious, patriotic and charitable organizations of the city.

At a comparatively early hour their Excellencies will return to their train, where they will spend the night.

At ten-thirty o'clock on Tuesday morning the city's official reception will begin with His Excellency inspecting the guard of honor, which will be drawn up in front of the Vice-Royal train.

The party will then proceed to the Belvidere street armory, where His Worship the Mayor will extend an official address of welcome, which will be responded to by His Excellency. Lady Tweedsmuir will be presented with flowers, and the citizens generally will be given an opportunity of meeting their Excellencies.

The ceremony at the Armory is scheduled to last half an hour. At 11:15 o'clock the party will leave the Armory and, travelling by motor cars, proceed to the Soldiers' Memorial on King street west, where the Governor-General will deposit a wreath.

At eleven-thirty o'clock the party is scheduled to be at the Bishop's Palace.

Following a short visit with the Lord and Lady, the party will separate. The Governor-General going to St. Charles Seminary, while the Mont Notre Dame convent will be honored by receiving Lady Tweedsmuir. At twelve-thirty o'clock the two hospitals will be visited, His Excellency going to one and Lady Tweedsmuir visiting the other.

Their Excellencies will return to their train at one o'clock. They will then be left to themselves, having lunch in their private car, and at three o'clock in the afternoon will leave for Lennoxville.

In Lennoxville they will first visit Bishop's College School and at four o'clock will be received at the University of Bishop's College. After visiting the University buildings they will honor the University authorities by their presence at tea, and it is expected will attend even-song in the College Chapel.

Returning to Sherbrooke His Excellency will attend the Rotary Club meeting.

There is a possibility that the programme as at present outlined may be changed. Advice is awaited from Ottawa in regard to certain other details.

Apart from flags flying from all public buildings, the city will assume no further outward mark of celebration, owing to the Court mourning, and it is likely that there will be no band in attendance when the party proceeds throughout the city.

ORFORD W. I. PAYS TRIBUTE TO LATE MRS. W. J. MCURDY

The February meeting of the Orford Women's Institute at the home of Mrs. Andrew Crawford, Victory Highway, was a most interesting gathering, notwithstanding the fact that the attendance was small, owing to the inclemency of the weather and the consequent bad roads. Mrs. Faith presided, and prior to proceeding with business a minute of silence was observed in tribute to the memory of the late Mrs. W. J. McCurdy, a past member of the Orford W. I.

Plans were made to co-operate with the Belvidere W. I. in entertaining Miss McCain during her visit this month. The sum of \$5 was voted towards the upkeep fund of the MacKinnon Memorial, and work was continued on the work box.

Later a delicious chop-suey supper was served by the members, everyone enjoying the repast and the pleasant social relaxation at the close of a busy afternoon.

SARAZIN HEARING AGAIN POSTPONED

The absence of a judge to preside over the Magistrate's Court this morning necessitated another postponement in the case of George Sarazin, sixteen years old, of Lennoxville, facing a charge of manslaughter in connection with the death of sixteen-year-old Russell Hooper who was killed by a stray bullet in Clough Park at Lennoxville on September 8th last.

Sarazin's preliminary hearing, which was to have proceeded this morning, will be held on Monday afternoon.

Young Sarazin was arrested upon an order from the Attorney General's Department at Quebec four months after a coroner's jury investigating Hooper's death returned a verdict of "accidental death."

Sarazin has admitted that he fired 22 caliber rifle in the vicinity of Clough Park at or about the time Hooper was killed by a bullet of the same calibre.

BISHOP'S STUDENTS ENJOYED NOVEL "LEAP YEAR" DANCE

"Leap Year," says the old verse, "comes but once in four years." Bishop's University being aware of that fact, duly took advantage last night of the rights and privileges accorded them by the fact that 1936 is Leap Year. The opportunity was a Leap Year dance given by the Bishop's Women Students' Association in the College gymnasium, which was an unqualified success.

A giant poster, bidding the girls to take revenge on the procrastinating males, and injuries suffered from them in the past, had been decorating a wall in the hall of the new Arts building for some time. This announced to one and all that the co-eds would have the opportunity of taking as many boys to the dance as they desired, for the remarkably low price of only one cent a head.

The young ladies took full advantage of the offer, many of them arriving at the appropriately decorated gymnasium with two males in tow. Some, even, brought four, just in case three should tire themselves out.

There was another side to the picture, however. The men of St. Peter's, burdened by their escorts with huge purses and handkerchiefs, made the ladies supply and light their cigarettes and also to help them on and off with their coats. Rules for the guidance of boys brave enough to venture out with co-eds during Leap Year were laid down, and these were followed to the letter.

Dr. and Mrs. A. H. McGeer, Dr. and Mrs. E. U. Owen and Professor and Mrs. A. L. Kushner received the guests, and the "Blue Barons" furnished music for the dancing. Supper was served at intermission.

LOCAL TEACHERS SPENT DELIGHTFUL AFTERNOON

Members of the Protestant Teachers' Association in Sherbrooke were charmingly entertained at their meeting in the Baptist Church hall yesterday afternoon by Miss Lea Tanner, of Quebec, provincial inspector of French. Miss Tilton, president of the local branch, presided, and prior to proceeding with the agenda she read the cable sent by Miss Jessie Morris, president of the Canadian Teachers' Federation, to His Grace's Majesty King Edward VIII, on the death of the late beloved King George V of England.

"French and English—A Contrast," was the subject of Miss Tanner's address, her clever comparisons of the people of France and England in regard to literature, customs, manners and education being charmingly and most interestingly defined.

During the business session the president reviewed the executive meeting of the Provincial Association of Protestant Teachers, held in Montreal, which she had attended during the past year. Miss Tilton also reported that several new books had been added to the teachers' library at the Sherbrooke High School.

After making plans for the

Social and Personal

Miss Janet Wood, Queen street, is leaving on Tuesday for New York, where she will be a guest for a few days of her uncle, Mr. James Lake, en route for McAllen, Texas, where she will spend the remainder of the winter.

Mrs. E. McKenna, Mrs. R. Blouin, Mrs. J. Jowett and Mrs. O. Houle were hostesses at the tea hour yesterday afternoon in St. Patrick's Church hall at the close of the weekly card party. Tea was poured by Mrs. James Kenalty and Mrs. Dan Irwin, the tea table being attractively arranged with spring flowers in a silver basket and yellow candles in silver candlesticks.

At bridge the prizes were won by Mrs. Leonard Barlow and Mrs. Austin Workman, and at "500" by Mrs. O. Proulx and Miss L. Langis.

Mrs. Garnet Ross and Mrs. Alex. Johnston were hostesses at an unusually pretty and successful Valentine tea given yesterday afternoon at the close of a meeting of the Women's Association in Plymouth United Church hall. The tea table, at which Mrs. Salter, Sr., and Mrs. W. H. Abbott presided, was effectively decorated with red carnations and narcissi in a silver basket and lighted red tapers in silver holders.

The same colored candles, adorned with cupids, decorated the small tables at which the many guests partook of the delicious afternoon tea. Assisted by the hostesses were Mrs. J. A. Bourque, Mrs. S. P. MacLagan and Miss E. Lothrop.

Several musical numbers were interspersed during the tea hour. Songs by Miss Mona Bigg and Mrs. Lloyd Dobbs, with Mrs. W. G. Cross and Mrs. J. G. Ransohoun acting as accompanists, greatly enhanced the pleasure of all, and lent additional charm to the Valentine tea party.

Plans for a Shamrock luncheon were informally discussed earlier in the afternoon.

Observance of "Education Week" in the schools, the meeting was adjourned.

Before the business conference the members were entertained by the teachers of the Mitchell School, who acted as hostesses at a delightful Aid of the Baptist Church in their attractive and home-like hall.

G. S. THOMSON PRESIDENT OF ST. GEORGE'S CLUB

Members of St. George's Club were unanimous in their choice of G. S. Thomson as their president. Albert A. Munster as vice-president and Cyrus A. French as honorary president at the adjourned annual meeting held last night. John Wells, K.C., D.C.L., reviewed the financial statement previous to vacating the president's chair, and Henry Welsh paid a glowing tribute to the past year's officers, especially to the house committee, G. S. Thomson, James J. Bell and K. B. Jenckes, for their successful accomplishments.

J. G. Kershaw, Larry McGannon, Dr. W. E. Hume, Reford Stewart, F. Johnson and R. A. Webster, the latter to complete Dr. W. E. Baker's unexpired term, were appointed to serve on the Board of Governors with E. E. Spafford, James Bell, K. B. Jenckes and Gordon Miller, whose term of office does not expire for another year. The retiring governors were E. E. Goodenough, F. W. S. Webster, A. A. Munster, K. E. Barrett and Dr. G. L. Hume. Ray Edney was reappointed auditor.

A jolly party of young people, including members of the Y. W. C. A. Girls' Supper Club and the Young Girls' Gymnasium Class, enjoyed an unusually delightful sleigh drive last evening. Later they returned to the MacKinnon Memorial, where they were welcomed by Miss Edith Martens and Miss Emily Odell, who later assisted in serving a delicious baked bean supper, which was greatly appreciated by the young people after their outing in the frosty winter's night.

ENGLAND'S NEW SCHOOL SYSTEM WAS DESCRIBED

Gathering of Teachers and Students Privileged to Listen to Interesting Educational Address Delivered by Dr. F. H. Spencer, of London, England, in Bishop's University Convocation Hall.

Members of the faculty and students of Bishop's University, the teachers and pupils of the Lennoxville High School, the Ascot Consolidated School, the Sherbrooke High School and Bishop's College School were privileged to listen to an interesting address on "Popular Education in England," delivered in Convocation Hall of Bishop's University by Dr. F. H. Spencer, D.Sc., LL.B., of London, England.

Dr. Spencer, who has been visiting various Canadian and American universities, was introduced by Rev. Dr. A. H. McGreer, Principal of Bishop's University, who also thanked the speaker at the conclusion of his address.

"Popular education in England," Dr. Spencer said, "is a comparatively recent development. In the elementary schools every child between the ages of five and fourteen must attend. There is no stand-

ardized curriculum or series of text books, the choice of these being left entirely to the headmaster of each school. This does not cause any confusion, the speaker said, and all schools reach the same goal by somewhat varied means.

Within the last generation the old examination system has been abolished. Now in England the only examinations in the elementary schools are for eleven-year-old pupils in order to determine their quality of mind and what sort of future education is best suited to them.

The best pupils, according to these tests, are sent to secondary schools, the second go to continuation schools, while the others remain in the elementary or primary schools.

The speaker also explained the "head-all re-organization plan," which divides the pupils in elementary schools into two sections, one from the ages of seven to eleven and the other from eleven to fourteen.

Dr. Spencer spoke at considerable length on secondary education. The great public schools like Eton, Harrow and Rugby, he remarked, are also undergoing changes. They are retaining the best of their traditions and are adjusting themselves to a more democratic world.

Until 1902, Dr. Spencer said, English secondary schools received little attention. In that year, however, an act of Parliament gave the various county and city administrations the right to build secondary schools. Now there is a secondary school within easy range of every town. Sixty-five per cent. of the pupils in these schools have passed the scholarship examinations of the elementary schools. They are also given free tuition and money for their expenses.

Even the old universities, Dr. Spencer went on to say, are adapting themselves to new conditions and their student-bodies as types are also changing. In them will be found the intelligent poor on equal footing with the young nobility. A man is taken for what he is worth in these universities.

At the age of sixteen the pupils may take non-compulsory first school examinations. These tests are intended as an aid for entrance into certain professions. If students secure sufficiently high marks in these examinations they are qualified to enter the universities, but remain at school until

they are eighteen years of age, when they are required to write further examinations. The problem is to abolish the higher level of the examinations at sixteen years, and to make the tests at eighteen years count as well for university entrance. Another problem confronting English educationists is to decide whether everyone will benefit by secondary academic education, the speaker said.

"The aim of the system," Dr. Spencer concluded, "is to produce a clean-living, intelligent, courteous and understanding citizen."

INJURIES DEAL TORONTO HOPES A SEVERE BLOW

Loss of Horner and Clancy, Possibly for Remainder of Season, Sends Leafs' Stanley Cup Stock Down to a New Low—Americans, Boston and Detroit Victorious.

Toronto's Stanley Cup stock crashed to a new low today as the Maple Leafs faced the loss of "Red" Horner and King Clancy, colorful defencemen, for an indefinite period—possibly the remaining six weeks of the season.

Injuries to the two suffered last night in a clash with the Americans at New York removed them from the National Hockey League picture just as the Leafs seemed to be recovering from a month-long slump.

Their absence, even if they are out of the game for only a short time, will greatly lessen the Leafs' chances of finishing on top in the Canadian division. If their injuries keep them off the ice for the rest of the season, Toronto may not find sufficient substitute strength to carry them into the play-offs at all.

The injury to Clancy, spark-plug of many Leafs attacks and a great inspirational player, is not as serious as the head wounds Horner suffered but may shorten the veteran's playing career. He twisted his knee in a game at Toronto last Saturday and last night it developed into a bad charley horse when he clashed with Al Murray, American defenceman.

Besides their loss in player strength Toronto missed an opportunity to break their tie with the Maroons for the division lead when the Americans came from behind three times to defeat them by four to three with "Sweeney" Schirmer's third-period goal deciding the contest.

Johnny Sorrell's goal midway through the second period gave the Detroit Red Wings a one to nothing victory over the Black Hawks in Chicago and the leadership of the American division. Jack Adams' team was tied with the Chicagoans until last night.

The Boston Bruins climbed out of one cellar position and shoved the Canadiens into the Canadian division from the Habitués by four to three at Montreal. The win put the Bruins a point up on the New York Rangers in the American section and left the Canadiens trailing the Americans by the same margin in the Canadian group.

The Americans came through in the pinches and richly deserved their win from the Torontonians. Twice in the first period and again in the middle session, "Red" Dutton's team tied the Leafs after the latter had gained a goal advantage.

Nick Metz took over goal scoring leadership of the Canadian division when he marked up the Leafs' first goal. He now has a total of four goals. Charley Conacher and Bill Thoms got the other Toronto goals, while Eddie Wiseman, "Red" Doran and Carl Voss tied the game up at various times for the Americans.

"Red" Graham, Boston defenceman, was the hero of the Bruin win at Montreal, scoring two of their goals, both on passes from "Peggy" O'Neil. The Canadiens came from behind twice, but Graham beat them with his final tally midway through the final period.

"Red" Beattie opened the scoring for Boston in the first frame and after "Polly" Drouin and Johnny Gagnon tied the Habitués ahead Graham tied it up in that period. "Babe" Siebert got the only goal of the middle frame and Jack McGill landed home the Canadian tally in the third chapter.

Norm Smith, Red Wing goalie, was handed a lot of the credit for the Detroit win against Chicago. He kicked out forty-four Hawk shots, twenty-one of them in the first period. The Wings were outplayed until Sorrell caught up a loose puck near the Hawk cage and shot past Mike Karakas as he pivoted.

Sweeney Schirmer, of the New York Americans, is setting a scoring pace no other National Hockey League marksman seems able to equal. Last night he scored the winning goal and an assist against Toronto, and shot out in front of the "Big Seven" back again.

His two points gave him a total of twenty-eight, two more than Cecil Dillon, of the New York Rangers, who tied Schirmer at twenty-six on Tuesday. Bill Thoms, of Toronto, moved into third place alone with a goal against the Americans. Art Chapman, of the Americans, was the only other "Big Seven" member to increase his total, adding an assist.

The standing of the "Big Seven" to date is:

G. A. P.	
Schirmer, Americans	12 16 28
Dillon, Rangers	16 10 26
Thoms, Toronto	12 12 25
Rommes, Chicago	8 16 24

Boucher, Rangers	9 14 23
Chapman, Americans	8 15 23

HORNER INJURY RECALLS SHORE BAILEY AFFAIR

Husky Toronto Defenceman Sustained Brain Concussion in New York Game Last Night when Felled by Dutton's Body Check—Possibility of Skull Fracture.

New York, Jan. 7.—Doctors planned to unwind the bandages from Reginald "Red" Horner's sore-top today and determine with an X-ray full extent of the injuries he suffered when crashed to the ice last night in the Toronto-New York American hockey battle.

The hardy Maple Leaf defenceman was known to have sustained a brain concussion when Manager "Red" Dutton, of the New Yorkers, dropped him with a stiff check. It was believed to be slight, but there was also the possibility of a skull fracture such as almost cost the life of Irvin Bailey, another Leaf star, in 1933.

The bad spill came as Horner engaged a three-man thrust on the American net, goalie Roy Worters fended "Red's" shot, but "Buz" Ball stepped in for the rebound. As Horner closed in the burly Dutton checked him with such steam that the Toronto rearguard was knocked off his feet.

This latest accident to strike the ice sport in some ways paralleled that which ended the brilliant play-liner of "Ace" Bailey. On all sides, however, apparently well-founded optimism was expressed that the consequences would be worlds apart.

The "Ace" was knocked down by Eddie Shore in a Toronto-Boston game during December, 1933. His head struck the ice with such force that the skull was fractured. Delicate trepanning operations saved his life after many anxious weeks, but he was warned against returning to skating. He came back as a coach, however, and is now handling the United States team.

Hospital surgeons and brain specialists were still diagnosing Horner's case late this morning after the brilliant defenceman had spent a "fairly restful night" at the Poly-clinic Hospital.

TWO TEAMS DEADLOCKED AT TOP OF BANTAM LEAGUE

The Bishop's College School Purple and the St. Patrick's Academy Greens are tied today at the top of the Eastern Townships Bantam Hockey League with four victories and one tie in five contests. The B.C.S. boys bridged the gap separating them from the Irishmen when they scored an eight to two victory over the Lennoxville Red Jackets, with whom they were previously deadlocked for second place.

Charlie Kenny and Donald Dodds were the leading point-getters for the Purple and White-clad youngsters. Dodds provided his team with a two-goal lead in the first period to which Charlie Kenny added a single tally in the middle frame. Charlie Kenny harvested three more goals in the final chapter before his cousin-in-law, Jim Kenny took over the sniping duties and accounted for the last pair of B.C.S. points.

Doug Sample and Harry Allen were responsible for the Red Jackets' goals, both in the second period. The Red Jackets held well for two periods, their regular forward line leaving the school forwards behind frequently by last breaking.

The line-ups follow:
B.C.S. Purples: Goal, W. Howe; defence, D. J. Dodds and T. B. Stoker; centre, J. W. Moreland; wings, C. W. Kenny and E. Spafford; subs, J. Kenny, W. G. Shaughnessy and J. Fletcher.

Red Jackets: Goal, Bessant; defence, G. MacDougall and H. Allen; centre, D. Baker; wings, B. Johnston and M. Martin; subs, D. Sample and W. Atto.

The Bantam League standing today is:

B.C.S. Purples	P. W. L. D. F. A. P.

EXPULSION OFFICERS SEEK TO CLEAR THEMSELVES

Ottawa, Feb. 7.—Nine members of the Ottawa Rough-Riders Football Club, including President George F. Perley and Mayor Stanley Lewis, today prepared to defend themselves against expulsion from the Amateur Athletic Union of Canada, already ordered by President W. A. Fry.

Perley issued a brief statement early today after an executive meeting, saying the executive would produce all evidence in its possession in an effort to clear itself of complicity in the now-famous Roy Berry-Bohn Hilliard "impersonation" case.

Fry two days ago issued a statement at Toronto saying the A. A. U. had expelled the Ottawa men because in the last interprovincial football breach of the ethics of British fair play and sportsmanship. He added it would be a "pleasure" to reinstate them if they produced evidence showing the "impersonation" took place without their knowledge.

The Amateur Union claims Bohn Hilliard, of Port Arthur, Texas, a famous half-back in American football, impersonated Berry, a former star of the University of Tulsa squad, and played for Ottawa during the last interprovincial Rugby Football Union season.

nine and tied seven, thirty-seven points.

Points—Dillon, Rangers sixteen goals and ten assists, twenty-six points.

Goals—Dillon, sixteen.

Assists—Rommes, Chicago, sixteen.

PLAY ADVANCES IN BATTLE FOR RECORD TROPHY

Rupert Atto's Lennoxville Quartette in Semi-Final Round of Record Trophy Competition at Curling Bonspiel—Mitchell Cup Series Opens.

Rupert Atto and his Lennoxville cohorts are already in the semi-final round of the Sherbrooke Record Trophy competition at the Sherbrooke Curling Club's annual bonspiel as the result of yesterday's encounters. Atto, who defeated Fred Southwood on Wednesday evening by a single point in the first round, proved too strong for another Lennoxville aggregation skipped by Ralph Fletcher in the second round yesterday afternoon, taking the long end of a twelve to ten score.

In the remaining Record Trophy first round games, Clement Moreau edged out Henry Downs, of Lennoxville by ten to nine in a nip and tucked eleven-end encounter and Gordon Armitage led Larry McGannon by eleven to four. The Moreau-Downs event proved one of the features of the day, both squads dividing the honors fairly consistently and ending the regulation ten ends with the score nine-all. In the extra end, Downs failed in an effort to dislodge Moreau's counter to loss the event.

Six events were also run off in the first round of the Mitchell Cup competition, Sherbrooke, Lennoxville and Magog rinks all advancing a stage. One experience with winter roads evidently convinced the Magog contingent that railways still provide the surest means of winter travel, especially after a blizzard. Thus although a few minutes late for their first scheduled encounter, the Textile Town outfit arrived in time to divide laurels in two matches with Sherbrooke rinks, losing one game but taking the second.

Clement Moreau registered his second victory of the evening when he eliminated the Magog rink entered by John Connor from the running by a score of twelve to six. Alex Russell redeemed the honor for the visitors, however, with a fourteen to seven victory over Larry McGannon's combination skipped by Gordon Armitage.

Henry Downs provided another keen battle when he took the measure of Hubert Ames by a single point margin, scoring two in the last end to turn defeat into victory. Fred Southwood was defeated for the second time in the bonspiel by a single point. Encountering Jim Watson, Southwood ran up an early lead, but was unable to hold his advantage and lost out by eight to seven.

A seven-end played an important part in Les Sanger's eleven to nine victory over Bob Costley, while Roy Clarke, of Lennoxville, edged out Arthur Cross by ten to eight.

Play continues this afternoon and tonight in the second round of both the Record and Mitchell competitions and the opening of the consolation flights is also scheduled.

"Tomorrow" is the heavy day of the programme, the first games being scheduled for ten o'clock in the morning, with play to continue all afternoon and evening, the final encounter in the Record contest being set for 6:30 o'clock and the wind-up of the Mitchell Cup at 8:30 o'clock.

The visiting curlers will be the guests of the Sherbrooke Club at the annual bonspiel dinner at one o'clock.

MONTREAL PAIR LED CANADIANS TO SECOND WIN

Hugh Farquharson and Ralph St. Germain Were Big Scoring Guns in Dominion's Eleven to Nothing Olympic Triumph Over Latvia Today.

Garmisch-Partenkirchen, Germany, Feb. 7.—Canada's defending champions hung up their second successive victory in Olympic ice hockey competition today, burying Latvia under an eleven to nothing score.

The Canadians had defeated Poland yesterday by eight to one. Hugh Farquharson and Ralph St. Germain, part of the Montreal contribution to the Maple Leaf team, were the big scoring guns in today's one-sided tussle. The former skatered an eleven to nothing score, while St. Germain, formerly of Port Arthur but more recently of England, notched two tallies and got credit for a pair of assists.

The Canadians shot to the front after eight minutes of the initial period when St. Germain scored with Haggarty's help. The Montreal sharpshooter duplicated the feat four minutes later on an identical play and with Haggarty again making the pass.

From the opening face-off in the second frame Farquharson scored his first goal on Neville's pass and, like St. Germain, followed it right up with a tally of his own. After an individual rush less than four minutes later, Haggarty wound up the middle session tallying by carrying a pass from St. Germain.

Right from the face-off of the third frame Farquharson again caught the Latvians flat-footed and dashed through to score by himself. He then aided Neville to ring up a brace of goals before giving St. Germain the opening for Canada's ninth score. Having played the Good Samaritan on three straight markers Farquharson then got help from St. Germain in notching his fourth tally. Haggarty wound up the scoring-feat with a clever solo effort.

The Canadians showed to better advantage today than yesterday when they played on Lake Rivessee in a heavy storm which covered the ice with several inches of snow. After the first period today the ice was clear of snow and in good condition.

Most of the spectators—there were not many as the game was the first event on today's programme—left convinced that Canada has a strangle-hold on the Olympic title which she has had at every Olympic since hockey became an official part of the Winter Games' schedule.

The Maple Leaf hockey team seemed to improve as the game progressed and during the last period residents of this winter resort marvelled at the Canadians' performance.

Five-man attacks based in on the Latvian defence continually, and never was there such a busy man as poor, helpless goalkeeper Lapinakis, of Latvia, who stopped thirty-one well-aimed shots in the last period alone. The Latvians at this stage were so badly outplayed that they looked like the easiest of amateurs, although it was not so much their inability that made them look bad as it was the brilliance of the defending champions.

Couch Pudas gave Arthur "Jakie" Nash, netminder of Port Arthur, a chance to limber up by allowing him to guard the Canadian goal in the first period. Fortunately it was not unusual cold so Nash did not suffer although he had so little to do that he was skating around in front of his net a good deal of the time to keep warm. The Latvians hoisted one puck at Nash in the first period and more than that in the last two periods.

The line-ups follow:

AMERICAN VICTORY OVER GERMANY CRITICIZED	Berlin, Feb. 7.—The opening Olympic hockey victory of the United States over Germany drew criticism today from Herman Kleeberg, German hockey authority.
--	--

In an interview published in German papers, Kleeberg called the match "irregular."
--

"It's a pity the game ended irregularly," Kleeberg said. "Judge Loicq, of Belgium, had proposed an interruption on account of the heavy snowfall. The Germans agreed, but the American manager,

Walter Brown, protested because the Americans had an advantage of one goal with prospects that snow would make scoring impossible for the Germans."

AMATEURS MAY WITHDRAW FROM LEAGUE TODAY

Possibility of Local Squad Resigning from Sherbrooke County Hockey League Because of Adverse Judgment Handed Down Last Night in Roy Case.

The Sherbrooke Amateurs are on the brink of resigning from the Sherbrooke County Hockey League. An emergency meeting of a number of directors was held this morning to receive word from Montreal that Henry "Guido" Roy's transfer had been refused at a meeting of the executive of the Quebec Amateur Hockey Association in the metropolis last evening. Final confirmation of the club's stand will be made this afternoon when the entire state of directors gather with Nelson Chartier, president of the local intermediate circuit.

The consensus of opinion at this morning's meeting was that the Amateurs should play only exhibition games for the remainder of the season because of the judgment handed down in the Roy case. The Amateurs feel that they have been punished too severely in comparison with similar cases which have gone unnoticed in Montreal this winter.

A despatch from Montreal this morning states that Alcide Gagnon, president of the Quebec Association, announced today that Roy was ineligible to play intermediate hockey in this district. Gagnon claimed that the transfer had been refused because Roy played two games with the Laval club of the Quebec Senior Amateur League and because regulations do not permit a player appearing in two leagues during the same season.

The two County League games in which Roy participated—against East Angus and the Sherbrooke Maple Leafs—may be defaulted, Gagnon continued.

This morning's announcement followed the decision of the league scheduled for last night between the Amateurs and East Angus. A special train, chartered to bring East Angus here, left Sherbrooke at four-thirty o'clock yesterday afternoon but failed to reach the Paper Town before ten-thirty o'clock last night.

Telephone wires were kept humming as local league officials talked to the East Angus club's executive and discussed what could be done to play the game and not disappoint the large gathering of fans which braved the cold weather to journey to the arena. At eight-thirty o'clock, however, word came back that it would be at least two hours before the special reached East Angus. It was then that the decision was made to postpone the fixture until Sunday afternoon in place of the originally slated contest between the Amateurs and the Canadians.

Railroad officials stated today that weather conditions had caused the derailment of the engine pulling the special train two miles this side of its destination.

This morning's development leaves local hockey in a bad quandary. The many who felt that the remainder of the schedule should have been played and the consequences, if any, suffered at the end of the season. The showdown was delayed for so long that it might have been preferable to wait until such time that the matter of Montreal would be governing. Eastern Townships affairs could be settled one and for all.

Now there exists the possibility that Sherbrooke fans will witness only exhibition games during the remainder of the winter. It is probable that other clubs will follow the Amateurs' announced intention of withdrawing. Then if there are only two teams left the Sherbrooke County League will be unable to place representatives in the provincial playdowns.

LEMESURIER BOYS DOWNED KINNEAR'S MILLS TEAM

Lemesurier, Feb. 7.—Lemesurier's Wild Cats and Leeds Village are tied for first place in the Megantic Triangle Hockey League. The deadlock was created when the local entry defeated a visiting Kinnear's Mills squad by six to three. It was the first league game for Kinnear's Mills, while Lemesurier had bowed to Leeds Village before recording their first victory.

The line-ups follow:

Lemesurier	Goal, A. Guy; defence, Al Guy and H. Guy; centre, E. Majury; wings, R. Jameson and L. Guy; subs, E. Hearn, A. Cruickshank and K. Nugent.
------------	--

Kinnear's Mills:	Goal, J. Jacques; defence, C. Varcup and D. Savage; centre, P. Rogers; wings, D. Donchy and G. Dussault; subs, B. Scallan, B. Ross and H. Robinson.
------------------	---

ASCOT CONSOLIDATED BOYS BLANKED BY B.C.S. SQUAD	The Ascot Consolidated School has hockey aspirations this winter. The school boys have organized a team which will improve with time. Their first contest was against the Bishop's College School Whites of the Eastern Townships Midget Hockey League.
---	---

The B.C.S. boys emerged victorious by a score of five to nothing despite the brave efforts of their less-experienced opponents to avert a shutout. Goodson tallied twice and Hale, Boswell and W. Molson collected the other tallies.

Line-ups were:	B.C.S. Whites: Goal, P. T. Molson; defence, Tyndale and Johnston; centre, W. Molson; wings, Hale and Caves; subs, Goodson, Brown, Boswell and McKenzie.
