

Rink proves popular; ice schedules ready

The popularity of the new Artificial Ice Rink is proving even greater than was anticipated at opening time three weeks ago.

This is revealed in a report from the City Manager's office.

The rink is being used by skaters to maximum capacity, with attendance on Friday nights close to the 1,000 mark and on Saturdays and Sundays well over the 1,000 mark.

The ice is so continuously crowded, in fact, that finding time for surface maintenance has occasionally proved a problem, particularly during the busy weekend.

Off-setting this, however, is the increasing experience of the maintenance force, resulting in a reduction of the time necessary to do the job.

SCHEDULES

Schedules for general skating,

the skating rink only and hockey are now available.

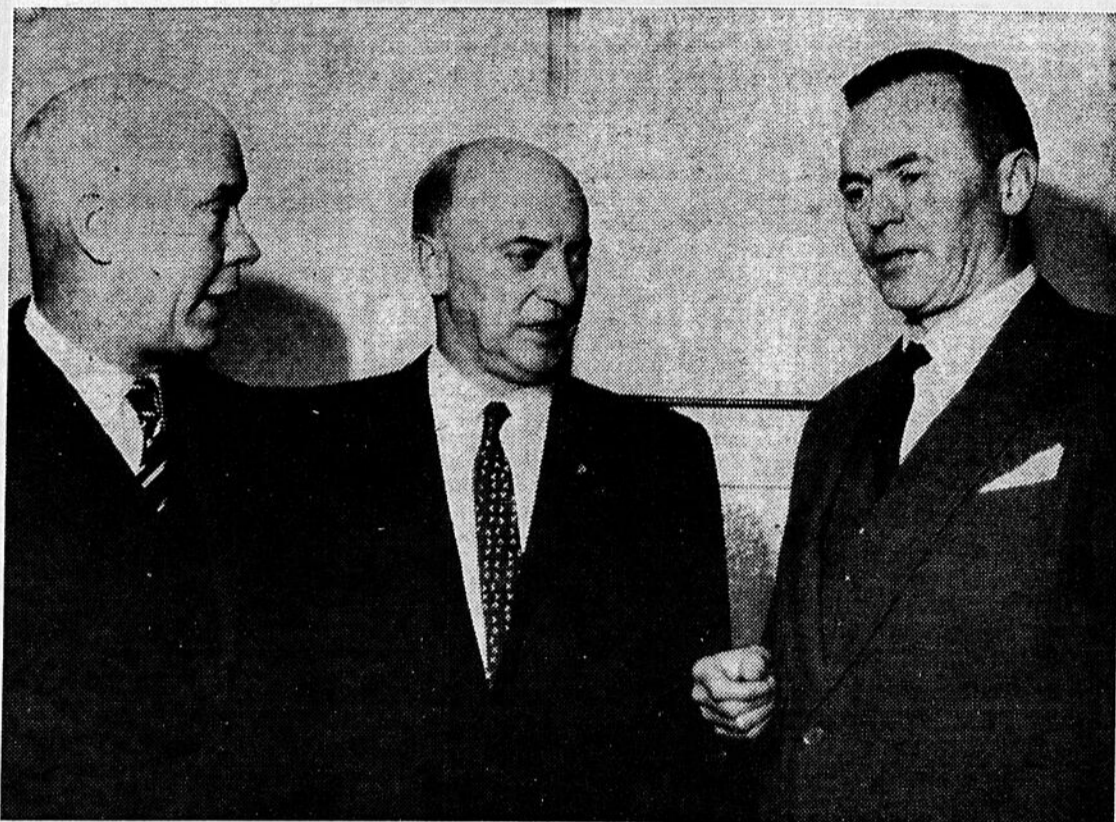

General skating, both rinks— Wednesdays, 6:30 p.m. to 10:00 p.m.; Fridays, 7:30 p.m. to 10 p.m.; Saturdays, 2 p.m. to 10 p.m.; Sundays, 1:00 p.m. to 6 p.m.

Skating Rink only — Open Mondays to Saturdays at all times between 9 a.m. and 10 p.m., except for a supper hour from 5:30 p.m. to 7 p.m.

Hockey — Mondays, Tuesdays and Thursdays: 3:30 p.m. to 10 p.m.; Wednesdays, 3:30 p.m. to 6:30 p.m.; Fridays, 3:30 p.m. to 7:30 p.m.; Saturday mornings, 9 a.m. to 2 p.m.

Industry looks to future, Stelco man tells Rotary

In a program conducted by the Vocational Service Committee, Westmount Rotary Club heard E. D. Ramsay, Eastern Sales Manager for the Steel Company of Canada, describe the importance of the newly discovered iron ore deposits in Northern Quebec.

It must not be thought he said, that this would bring an immediate benefit to the province or that as a result a gigantic steel industry would emerge overnight.

"When a new deposit is discovered, mining operations depend on a balance of circumstances which will make it profitable to operate."

"The location of the raw materials and their quality, ease of transportation and the finding of a site where the final product is made are all vital factors" he said.

CAPITAL

He commented that the reason so much U.S. capital was needed for the project was that to make it profitable 10 million tons had to be taken out. The whole of Canadian industry used only 5 million tons a year.

A great steel industry cannot be developed immediately and at the moment the consumption of steel in Canada per capita is only half compared with the U. S. Nor is there, at the moment, any world market for Canadian steel.

He was confident in the future of the Canadian steel industry. Commitments had been made in Montreal to buy large tracts of land on which to erect steel plants. His own firm was planning a \$10,000,000 plant to open next year on the South Shore.

However, he felt that the real future of the industry lay in its ability to attract the right kind of man who could be trained and given responsibilities which would make him suitable for higher management positions.

Motorist hurt in collision with MTC bus

(See Photo on Page 2)

The season's first snow-fall took its first accident toll Monday when a car and MTC bus collided at the corner of Wood and Saint Catherine resulting in slight injury to the car driver and considerable damage to his vehicle.

The bus driver, Auguste Bouillard, 55, 6641 De Montigny street, Montreal, told police he was travelling west on Saint Catherine. He approached a stop at Wood and seeing no passengers waiting, pulled away again.

The car, driven by James Birmingham, 30, 6867 Lacroix street, Ville Emard, made a left turn to go onto Wood and he was not able to stop in time to avoid hitting it.

Birmingham told police he thought the bus was going to stop and he was just turning into Wood when it crashed into him.

Birmingham was taken to Queen Elizabeth Hospital by Radio Car 21 for treatment to chest pains.

The car's right rear door was pushed in, the roof and frame on the right side was damaged and the left rear axle broken.

The force of the collision knocked the car onto a sidewalk, partially blocking it.

New parking regulations are approved

The following items were approved by City Council at its Monday night meeting.

To install a Stop Sign on Barat road at Wood avenue.

To prohibit parking on both sides of Bethune street, south of Saint Catherine street.

To make a regulation that no vehicles be allowed to park within 125 feet of the approach side of an intersection where there are automatic traffic signals and within 75 feet of

Minister lauds Govt. successes in speech to Conservatives here

St. Antoine-Westmount Conservative Association held its annual meeting and election of executive officers Tuesday night at Westmount Junior High School. Guest speaker at the meeting was Minister of Defence Production, Raymond O'Hurley, P.C., M.P. for Lotbiniere, Ross Webster, M.P. for St. Antoine-Westmount, Harold Monteith, M.P. for Verdun, and J. C. Van Horne, M.P. for Restigouche-Madawaska, were also present and addressed the meeting.

Mr. O'Hurley opened his remarks by tracing the steps in the landslide majority given the Conservatives in Quebec and the rest of Canada. "For 22 years the people believed that they were sleeping on a bed of roses. When the roses faded only the thorns remained. The people joined hands to support the Diefenbaker platform."

Referring to unemployment and recession, Mr. O'Hurley said that the government had taken steps to avoid a recurrence of the thirties. This was being done through an extensive winter works program, a realistic monetary policy, and a vigorous campaign to create new markets for Canadian products.

"Unemployment figures are

exaggerated. The new figures to be released shortly by the Dominion Bureau of Statistics will show that unemployment is receding in every province. There will be less unemployment this winter, and we believe that by next summer we will be back to normal conditions. The signs are good."

DEFENCE

Mr. O'Hurley focused on defence production in general and the CF-105 Arrow Jet interceptor in particular. He said that the Arrow is still continuing in limited production and that a final decision regarding the fate of the plane will be taken in March. Only the fire control and special navigation system for the Arrow has been discontinued and replaced by an already developed and cheaper unit. Mr. O'Hurley mentioned that other countries had shown interest in the possibility of equipping their air forces with the Arrow.

On trade, the Minister said that the prime purpose of Mr. Diefenbaker's present journey around the world was to make friends and open up new and larger markets for Canadian products. He warned, however, that Canada is the second highest production cost country in the world and "we are in danger of pricing ourselves out of the world market."

In respect to wheat, Mr. O'Hurley brought home the point that in the past year Canadian wheat exports had increased. The 317,000,000 bushels sold had established a five year record.

Mr. O'Hurley castigated the old Liberal regime for "neglecting Canada's potential." He stated that it was only under the Conservative Government that Canada had taken steps to prepare a concrete National Development Program.

He pointed with pride to the

fact that the Conservative regime had reduced taxes by \$200,000,000., and that workers had a bigger take home pay than ever before.

In relation to Civil Rights, Mr. O'Hurley proudly pointed to the fact that it was only under the Conservative government that a Bill of Rights had been formally introduced by the governing party in parliament.

In regard to provincial rights, Mr. O'Hurley said, "We absolutely do not want to infringe on provincial rights."

Officers elected by the St. Antoine-Westmount Conservative Association were:

President, Mr. R. L. Hunter; Vice Presidents, Mrs. Theodore Meighen, Mr. E. D. Gordon, Mr. W. T. Wood, and Mr. Fred Tees; Treasurer, Mr. Derek Ramsay. Members: Mrs. A. K. Glassford, Mr. Robert Archer-Shee, Mr. William Betts, Mrs. Pam Broadhead, Mr. James Chippendale, Mr. Jack Cross, Mr. Frank Donaldson, Mr. Frank Greenwood, Mrs. Dent Harrison, Mr. L. Hibbs, Mr. Peter Kerrigan, Mr. J. P. Labelle, Mr. Harold Lande, Mr. L. Laporte, Mr. Bruno Lepine, Mrs. N. Lyman, Mr. Norman McDonald, Mrs. J. Forbes MacLean, Mr. Patrick G. McCormick, Mrs. Percy Porter, Mr. B. Puddicombe, Mr. Gavin Ross, Mr. James Walsh, and Mrs. Fred Whittall.

Rink closed for carnival

Special attention is directed to the Ice Carnival to be held by the Home and School Association of Saint Leo's and Saint Paul's Academies next Friday when both the skating and the hockey rinks will be reserved from 2 p.m. to 5 p.m. for the occasion.

VARIETY SHOW PRESENTATION — DEC. 12th

The Unity Boys' Club Talent Parade under the direction of Fred Pennell will present their first performance of the 1958-59 season at the Federal Training Centre of St. Vincent de Paul on Friday, December 12th, at 8.00 p.m.

This marks the seventh consecutive year that the Talent Parade is conducting a series of Variety Shows as a public service to hospitals, church organizations, Masonic Orders and in this case to the inmates at the Penitentiary.

The Talent Club has been rehearsing every Tuesday and Wednesday in preparation for the first full-scale performance. Singers and dancers have been working out weekly under the

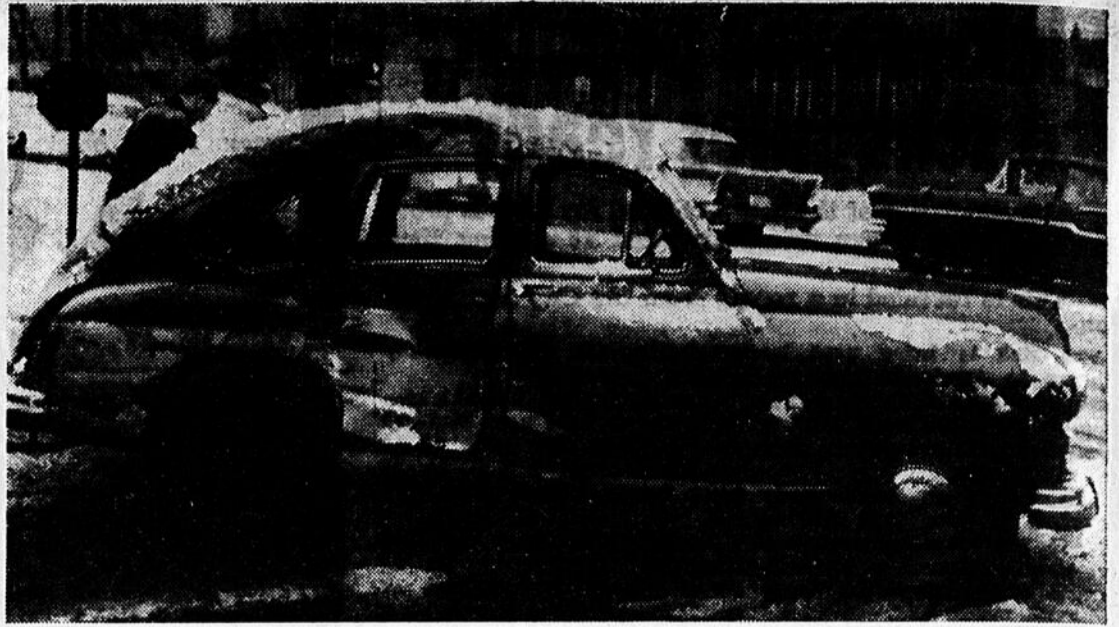

leadership of Fred Pennell and Heather Smith.

Some newcomers will be introduced for the first time but many of last year's group will be on hand for the Show. They are: Billy Walker, Audrey Jay, Kenneth McWhirter, Gerald Herbert, Lily Parks, Pat and Erlana, Louise Blais, Evelyn Desjardins, Little Bobby, The Rhythm Eagles, Maureen Rennie, Evelun Anthony, Gertrude Cogan, Brian Christie, Wayne McCullough, The Charleston Group, Carole Sparks, Nicky Borzelli, Hannah Lebwohl and the Unity Cuties — the Club's precision chorus line.

All members of the Talent Club and others who wish to audition are reminded that rehearsals are held every Tuesday evening. On December 9 a complete rehearsal will be held and Club members will be permitted to watch the Show.

awaiting the 1958-59 schedules from the City and District Biddy League, the City of Montreal Basketball League, the Montreal Basketball League and the Montreal Ladies Basketball League.

The MBL Golden Ball Tournament has not as yet been completed—our Juvenile and Junior cage squads are still in the running for top honors.

The Unity Boys' Club will be well represented. In boys basketball, the Club has the following teams and their coaches. Biddy-Coach Bob Neal, Bantam-coach Richard Cessford, Midget-Coach John McDonough, Juvenile-Coach Bob Neal, Junior-Coach Morton Bain, Senior "B"-Coach, Ulric Brown. In Girls Basketball: Biddy Girls-coach John Forbes, Juvenile-Coach Dorothy Mariasine, Junior-Coach Norman Yule and a four-team Senior Girls' House League under the direction of Pat Kearney.

HOCKEY NEWS

The Monday snow-fall gave us an indication that the winter season has begun and that hockey will soon be a major outdoor attraction. It is expected that the Club will enter teams in the QA HA and that now is the time for all hockey enthusiasts of the Club to register for one of the teams. Pat Geary is looking after the hockey registrations so all members are urged to see Pat as soon as possible.

THIS AND THAT

Club members Ellen Rowland and Joan Driver were the recipients of special awards at the Mother and Daughter Banquet. The former is also busy teaching tap dancing every Friday to a large group of girls. Miss Jean Rose, Unity's Junior Dramatic Coach took 15 girls to see "Beauty and the Beast" at Victoria Hall on Saturday.

Police Chief says 'watch canvassers'

Police Chief R. Edmonstone advises local residents who may want to have repairs carried out on their homes to contact recognized contractors and beware of door-to-door canvassers.

They do the work required, he says, but the quality is poor and the costs are usually exorbitant.

Two cases have recently been reported to the police in one of which two men got on a roof and told the proprietor it needed repair. In fact, the roof had been repaired two years previously and further work was unnecessary.

Obituaries

S. J. STANIFORTH

A funeral service was held Tuesday for S. J. Staniforth, 715 Grosvenor avenue, president and treasurer of Staniforth Lumber and Veneer Ltd., who died Sunday at the Montreal General Hospital in his 74th year.

Mr. Staniforth was a native of Arundel, Que., and attended Lachute Academy. He joined the Fassett Lumber Co., Fassett, in 1906, as a bookkeeper, becoming general manager in the space of five years.

In 1924, he was appointed vice-president and managing director, when the company dissolved and reformed. Later, in 1936, The Staniforth Lumber Co. was formed, with Mr. Staniforth as president and treasurer. The name was subsequently changed to Staniforth Lumber and Veneer Ltd.

During World War II, he was Assistant Timber Controller for the government, and in 1942 was appointed president of the Veneer Log Supply Log Co., a crown company. He was awarded the Order of the British Empire in this connection, having been responsible for organizing supplies of veneer and hard woods for aircraft construction.

A past president of the Canadian Lumbermen's Association, Mr. Staniforth was also a director of the National Harwood Lumber Association, a member of the Beginners' Club, the Seignior Club and the Kanawaki Golf Club.

He is survived by his three sons, Harold, Donald, and Robert; two daughters, Dorothy (Mrs. T. M. Lockwood) of Port Credit, Ont., and Joan (Mrs. J. C. Bonnett) of Granby.

The sport of curling was introduced to Canada nearly 200 years ago by Scottish troops stationed in Quebec. A kind of shuffleboard on ice, the game gets its name from the motion of the rounded stone as it slides toward the scoring area.

Folk dancing at N.D.G. YMCA

Men and women who are interested in the enjoyment of lively folk dancing and square dancing will find that the establishment of such a group is underway at the N.D.G. YMCA, every Monday from 8:30 to 10:30 p.m.

Among the first people to think of introducing this program was David Gwinnell, British Trade Commissioner to Montreal. His enjoyment and enthusiasm for folk-dancing is such that he feels almost anyone can participate in the variety of dances and have a good time doing it.

Also with the group is Mrs. Betty Harrison, a former specialist in physical education, who has taught folk dancing in a Toronto high school.

The group is open to anyone wishing to attend, and all interested persons will be welcomed.

WESTMOUNT, FRIDAY, NOVEMBER 28, 1958

Constable Dorothy Barnes is 'special' to children in city's parks 16 years

"THE faith of the citizens is my strength" is the motto of the City of Westmount. It is also the motto of Dorothy Barnes Munden, park ranger, a familiar figure for sixteen years in the parks and playgrounds of Westmount.

Mrs. Munden, then Miss Barnes, was sworn in in 1942, and was among the first women park rangers in Canada. She and a Mrs. E. Dengate, who enlisted at the same time, were I looked upon with great interest and curiosity by the citizens, and a little askance by their male counterparts in the force, even though it was wartime, and women in uniform not unusual.

The uniforms in themselves, however, were unusual, having been specially designed, and the caps having soft pleats in the crown in contrast to the peaked cap which was then in vogue. It was also noted that no badge appeared on the uniform, only the city crest on the hat.

CIVVIES

Previous to donning the now well-known navy blue habit, Miss Barnes had worked for six weeks in "civvies". Patrolling without a uniform, she says, was the most difficult part of her job.

"I learned my job the hard

way", said Mrs. Munden in a special interview with the Examiner. Before becoming a park ranger, who took an athletic course at the old YWCA on Dorchester street, and later earned her medallion in St. John Ambulance first aid. The rest came from experience.

"I've handled everything from dogs to teenagers," said Mrs. Munden, who exercises a kindly but strict discipline on the many youngsters who pass through her jurisdiction.

When asked if she ran into

Police Station." She felt that her work was made pleasant by the different class of people with which she has to deal, and the outdoor nature of her work.

Why did Mrs. Munden go in for this type of work? To quote her, "My father used to eat, sleep and talk police work." Most of her family has been involved in this type of occupation, from her uncles to her brother and sister. Even after retiring from active police work, the men of the family have con-

any serious problems with juveniles, Special Constable Munden said that very few such problems arise if common sense and quick action is applied. She finds that most parents are co-operative if it is necessary to go that far, but that this seldom occurs.

PATROL

Her duties consist not only of patrolling the parks, but of checking the greenhouses, being on duty during floral exhibitions in the Conservatory, taking temperature readings there, closing playgrounds and comfort stations, and directing children's school traffic. She works forty-four hours a week in varying shifts.

Mrs. Munden's job is unique in that she patrols her best alone. "There are about eight women in the Montreal Police Force," she said, "but they patrol in cars, or work in the jails, and always have a male escort. My work is mainly outside, although I am sometimes called upon to search women in the Westmount

continued by establishing a private agency.

"Life begins at 40," is Const. Munden's philosophy. She was married then to William James Munden, formerly one of Canada's leading flat-racing jockeys and now a patrol judge at Blue Bonnets Raceway. They have recently purchased a home in Boucherville, where Mrs. Munden spent the summer indulging in her talent for gardening and landscaping.

OFF-DUTY

In her off-duty hours, she divides her time between reading the Bible — she has taken three courses in Bible study — and taking care of her budgie and four-month-old pup. Mrs. Munden is especially proud of her

9 local McGill students to take part in debate

Nine local McGill students are taking an active part in the McGill University Debating Union program which is sponsoring its third exhibition debate Tuesday at 8.30 p.m. in Redpath Hall at McGill.

A political debate of the question Resolved: That This House Has No Confidence in Her Majesty's Government, the debate will feature liberal Ken Mackay, candidate for Notre Dame de Grace in the last federal election; Montreal Liberal MP Guy Rouleau and Conservative MPs Frank McGee of Toronto-Scarboro and Heward Graftey from the Eastern Townships.

Program for the political debate is being planned by Peter Duffield, 3965 Ramezay public debates chairman of the Union, Peter White, 3072 The Boulevard, treasurer of the Debating Union; Michael A. Meighen, 16 Brae-side Place, chairman of public speaking; Stuart Smith, 338 Metcalfe; Roy Heehan, 439 Victoria; Jacob A. Elkin, 581 Lansdowne, winner of last year's Bovey Shield, the highest public speaking award to a freshman student; Dugald Christie, 1 Belvedere road; Renee Rothman, 789 Lexington and Henry Moskevitch, 3029 St. Sulpice road.

Aiming to give experience in

public speaking and debating to young people, the McGill University Debating Union sponsors intercollegiate debates in Canada and the United States, five exhibition debates, a high school tournament, interfaculty debates, a conference at the Winter Carnival and competitions in public speaking. Exhibition debates this year have included the Oxford Debate in October and the recent Mock Trial at which a scene in Canadian History was enacted. Later in the season a student-faculty debate and a debate with Harvard will form part of their program.

At open debate trials in October each year eight debaters are selected for the Intercollegiate Debate Team which is sent to debates throughout Canada and the United States. Some of the United States stops this year will include Pittsburgh, Tufts University, Westpoint, MIT and Norfolk Penitentiary.

Organized in the 1890s, the McGill Debating Union held its

Examiner profile:

Sadie Heywood works for all children

By CYNTHIA JONES
Sara Heywood, called "Sadie" by one and all, has been an indefatigable, volunteer community worker, especially in the interests of children, since she breezed in from the West 21 years ago to marry her consulting engineer husband.

Open-hearted and informal like most West-erners, Mrs. Don W. Heywood is a five foot two dynamo with round blue eyes, a sparkling smile, keen sense of humor and slim, youthful figure. Her friends say she has an excessive amount of energy and a genius for getting money out of people for ser various causes.

Both qualities have put Sadie Heywood on top of the heap. She is the only woman to have held the position of president of the enterprising NDG Community Council, acting in this capacity for the four years from 1944 to 1948. For wonderful library service in NDG the children can thank Mrs. Heywood who has no children of her own. Now honorary chairman of the NDG Library for Boys and Girls, Mrs. Heywood worked long and hard to establish the three libraries at the Community Hall, Snowdon and in Southern N.D.G. There is a shelf dedicated to Sadie Heywood at the main library.

For the past three years Mrs. Heywood has been work-

ing for the needy children of the world. She is the vice-chairman for Canada of the United Nations International Children's Emergency Fund, and its Quebec chairman.

"Did you know that of the

Jennie went through high school together but split up at the university level. Sadie took two years at the University of Alberta before financial reasons forced her to leave. Her twin completed

SARA HEYWOOD

900,000,000 children in the world today 600,000,000 are in desperate need of medical help and good nutrition?" asked Mrs. Heywood during an interview at her charming home on Randall avenue.

"UNICEF which is set up by the United Nations Association in Canada, helps 50,000,000 of these children and their mothers in 100 different countries," she stated.

Mrs. Heywood's magic financial wand has swayed visibly over the UNICEF picture in Quebec. In 1955 the fund raised only \$927 in this province. In 1956, with the Heywood touch, it grossed \$7,200; in 1957, \$25,500, or one third of the Canadian UNICEF total of \$75,000. "Proceeds from our Hallowe'en shell-out penny drive this year is now being counted and we hope to top \$40,000 in the province of Quebec," said Mrs. Heywood. "The children love collecting pennies when they are out on their Hallowe'en rounds and I don't think they really mind giving them up for the unfortunate children of this world. Their imaginations seem to be fired with the UNICEF idea and they work most enthusiastically."

UNICEF Cards

At the moment Mrs. Heywood is immersed in the UNICEF Christmas card project. The cards are as attractive as ever this year and each box sold gleans 50 cents for UNICEF.

Born in St. Mary's Ontario, the daughter of a contractor, Mrs. Heywood went west with her family to High River, Calgary, in 1905 when she was a small girl. "I have an identical twin, Jennie, who is a widow, Mrs. George Brake," she said. "My sister has a successful dress shop in Calgary."

The twins' father was killed in an accident in 1910 and their widowed mother "went teaching". Sadie and

two years at Macdonald College in Guelph.

Sadie taught music, dramatics and English at public and junior high schools in Calgary until 1937 when she came to Montreal to marry her husband, also a native of High River.

"Everything I have done has been volunteer work," said Mrs. Heywood. "I have had no desire to go into competitive business. I loved teaching and am really interested in the world of ideas. When I find they have to be financed I find myself out financing them. UNICEF and the Community Council caught my imagination."

Arts and Letters

Besides her library work, Mrs. Heywood helped Mrs. Alex Lyle to establish the Arts and Letters Festival, an annual competition in N.D.G. for children in poetry, music, ballet, essays, book reviews, etc.

A few years ago Mrs. Heywood served as vice-chairman of the metropolitan division of the Salvation Army for the Eventide Home for old people. For a year she also served as a vice-chairman of the Canadian Association of Consumers in Quebec.

Her hobbies? A great reader, she likes gardening and going West with her husband each year. "We have a wide circle of Western friends here in Montreal," she said.

With great powers of recuperation, Mrs. Heywood has been described as having two speeds — full steam ahead and full stop. "She has the happy faculty of getting other people to do things," said one of the 100 UNICEF chairmen in metropolitan Montreal. "After talking to Sadie you feel like tearing down trees and working like bees."

WE SAY

Stop-start system is traffic hazard

THE problems facing a municipality in the area of traffic control grow year by year.

Westmount has gone a long way toward solving the parking situation by employing inspectors who are not members of the regular force but who have the authority to issue tickets to offenders. It seems to be working well.

With report to speeding, too, Westmount seems to be moving in the right direction with the proposal to put a radar speed check unit into operation early in the New Year.

However, traffic control involves something more than just issuing tickets for infractions. It involves maintaining a free flow of traffic, particularly where there are a succession of intersections with traffic signals.

Sherbrooke street, east from Victoria, is a case in point.

A motorist starting on a green light at Victoria will get through Grosvenor and Roslyn — then come to a dead halt at Lansdowne.

If he starts at Grosvenor, he will get through Roslyn and Lansdowne, but, again, will be halted at Strathcona.

This lack of co-ordination is not only dangerous in itself — frequent stopping and starting on a main route is an acknowledged cause of accidents — but drivers using Sherbrooke regularly are beginning to catch on.

In an effort to get through all the intersections they're beginning to try the dangerous game of 'Beat the Light'.

This causes speeding and creates its own trap.

Oddly enough, the situation even exists at 2 o'clock in the morning, when traffic is very light and the irritation at having to wait unnecessarily is very great.

Conscientious application of traffic laws is

commendable. But before starting on new schemes it seems only reasonable to put existing arrangements in order first.

Hobbies are safety-valves

WITH this issue, The Examiner includes its annual edition of the Hobby Guide which is devoted to the study of spare-time pursuits and attempts to give an insight into the activities of local hobbyists.

But each issue of the Hobby Guide does more. It makes a plea to the harried modern laborer or executive to lay down the tools of his trade from time to time, whether those tools be his hands or his mind, and take up the relaxing yet enervating pursuit of a hobby.

For we believe that hobbies are safety-valves — outlets for the accumulated tension, worry and pressures of contemporary society, business or industry.

Statistics on physical and mental health throughout the world, and particularly in America, illustrate the toll that our highly-charged, speed-paced society is exacting. And even these figures fall far short of the true total in terms of strong men becoming weak, brave men losing courage, and valuable men declining in worth both to themselves and the interests which they serve.

In a quieter, less hectic, more casual world, these men would have thrived. But today they are unable to withstand the furiously headlong pace.

And much of the problem, indeed the crux of it, is inherent in the word 'relaxation'.

Were all men able to relax, many more would be able to stand up to life; were all men able to divert themselves of worry for even the shortest specified periods, few would succumb to the malignant forces of mental illness; were all men capable of sustained interest in an endeavor di-

forced from toil for glory, power or daily bread, none would fall prey to the death-like acceptance of unbearable emotional and mental pressure so typical of the average businessman.

Simply to relax is to grasp the key to normality and peace today. And since idleness merely occasions greater worry and tension, to relax effectively implies an activity unrelated to one's chosen mode of wage-earning. This is a hobby.

YOU SAY Democracy urged for Westmount

Sir: As a property owner on Thornhill avenue, I should like to add my voice to the two letters published simultaneously in the Examiner on November 7th; one pointing out the democratic approach to municipal affairs in Hampstead in contrast to Westmount, and the other objecting to the proposed apartment house on Stanton avenue. The two letters have some bearing on each other.

Many of the residents of Thornhill avenue who thought apartment houses would not be allowed above Cote Saint Antoine road, have learned now to their sorrow that a by-law was passed re-zoning the property a stone's throw away on Stanton avenue. If something as vital to the resi-

Several thousand heavenly bodies not only put out visible light — they also broadcast radio waves which now are heard by scientists, the Reader's Digest reports. The science of radio astronomy has monitored hisses, crackles and rumbles from remote corners of the universe, including strong signals from Jupiter and the corona of our sun. The radio astronomers also can grope backwards in time: they detected signals from remnants of a star which Chinese historians saw explode 900 years ago.

'Y' drive nears 50% mark; collect \$4133 in two weeks

With two weeks of the Annual Maintenance Campaign completed Westmount reported \$4,133.00 or 48.5% of its minimum objective of \$8,500.00 at the Third Report Luncheon. City-wide reported 69.5%.

A new feature of our Westmount Campaign are the 48 teenagers — members of the Boys Hi-Y, Girls Hi-Y and Teens Club who are responsible for canvassing 315 cards in the area. Under the leadership of Elizabeth Abbott, Cathy Ferguson, Dave Kittredge, Kent Taylor and Marjorie Wright, this group has already turned in results of 145 cards. Many of these young people are giving not only of their time and effort but have already made their own subscription. This fine showing does a great deal to counteract the poor publicity dealing with "irresponsible teenagers" and "juvenile delinquency" that is heard these days.

Commenting on the work of these clubs, F. James Hawkes, "Y" Youth Secretary said, "These High School students have accepted this responsibility as one of its community projects. With Christmas exams coming up, it is gratifying to see the willingness that is shown by teenagers in carrying out this community service. I sincerely hope the public will be generous if called on by one of teenage canvassers."

W. D. Macdonald, Westmount Campaign Chairman stated today, "To date our results have been very encouraging with an 11% increase on the cards reported to date. I urge every canvasser to complete their canvass as soon as possible and report their results. With such a fine start and with the co-operation of a generous public, I feel certain that Westmount will reach its minimum goal by the Closing Dinner on Tuesday."

G. L. Welton, Executive Secretary of the Westmount "Y" report that seven canvassers have completed their canvass and several others are working on "call backs." Mr. Welton said, "These are busy times for everyone and it is encouraging to note that the public, in general, are assisting our canvassers by not causing too many "call

backs." With over 1,300 cards in the hands of 139 canvassers, this is an important feature of the Campaign."

Nice guys make it too!

Along with the occupational hazards of questionable spelling, syntax and rhetoric, conducting a column like this has other dangers. Without deliberate intention, it

GEORGE POWELL

can become a "shopping guide" reflecting the writer's personal likes or dislikes — despite the vigilant, and for the most part benign, editorial supervision of three of the finest weekly newspapers in Canada. (If at this point, we guide you gentle readers to The Monitor, Westmount Examiner and Verdun Guardian, it's excusable.)

So with this preamble and apologue safely off our chest, let's get to the gist of the business at hand. To wit: George Powell's elevation to the presidency of the Hotel

Sales Management Association. This group, representing 400 or more of the finest hostelrys in the world, recently convened in Montreal; and inasmuch as the news services and other media of communications covered and proclaimed at length the goings-on — and George Powell's election — we're not offering a great news scoop.

Just the following: In our opinion (and it isn't humble), based on a broad view of global happenings in the restaurant and resort picture, the choice of Powell is not only logical but very fortunate for the industry.

At the age of 39, the head of the Laurentian's Chantecler and the Association's new prexy, brings to the high office a solid background of marketing hotel and restaurant services to an international clientele. And without gilding the lily, George Powell is probably the ablest hotel executive available in America, to direct and assist in formulating the Hotel Sales Management Association's policies. Plus this he possesses infinite tact, graciousness and intelligence.

Powell, the first Canadian to be thus honored, is completely bilingual from a local standpoint; but if the occasion arose could also break into Manhattan Latin or a deep Southern drawl without flexing an eyebrow — depending on the geographical position or problem of the member hotel.

There you have it, girls and boys. Apparently the Association likes George Powell — and so do we!

PEOPLE AND PLACES

An accompanying weekly column devoted to winter sports and resorts is scheduled to appear in this paper about the first of December which will run through to March 15th or so. Beating the gun by an edition or so we have to take a quick bow to two new directors of the Laurentian Resorts Association. First, Betty Gall the charming and enterprising manager of the **Far Hills Inn** at Val Morin, has come up with a delightful and new departure in breaking the ennui of looking at the same waiter and menu with a plan to swap lunching and dining facilities with other establishments in the Laurentian area. Implementation of the project is going forward with Mary Glaveen of the **Win-Sum Inn** at St. Sauveur, Gil Graton of **Manoir Pinoteau** and the **Cuttles of The Tremblant Club** enthusiastic participants, among others. Our second curtsy goes to Jim Cuttle of the Tremblant Club on his election to the directorate of the Laurentian Resorts Association. Jim and his wife Betty recent arrivals in the Mont Tremblant section are doing a terrific job with their operation. On the football front, Gord Sinclair and Russ Taylor in the Pavillon Room of the **LaSalle Hotel** weighing the possibility of getting some sleep before taking off for Vancouver and the special Grey Cup Panorama. Their broadcast will be heard in Montreal beginning at 9 a.m. morning of the game. That's all. Got your shills ready?

Tomorrow

The wind today, that roughly blows,
May softly sigh tomorrow:
The night of fear will pass away,
Why load your life with sorrow?

Time's healing hand a garden grows,
Where wild leaves, winds have taken,
And "deserts blossom like the rose",
In barren lands forgotten.

Though flowers fade, true love lives on,
Life is too short, for sorrow,
Hope's gate of gold swings open wide,
To usher in tomorrow.

Dr. C. Woodward famed specialist to speak Nov. 30

With a trained mind, a scientific outlook and a defiant faith, Dr. Christopher Woodward who will be in Montreal November 30, refuses to call any case, even inoperable cancer, incurable by the healing Christ. His three books, are a truly amazing chronicle (and autobiography) causing world-wide comment and discussion.

A spare five-foot ten, in his middle forties, Dr. Woodward speaks quietly and with deep persuasive power. Telling a personal experience concerning his own son Christopher, he says:

"At the age of two and a half years, in 1949, he was stricken with fulminating cerebro-spinal meningitis — paralysed, blind, deaf and dumb, he was also mentally affected. The attending doctor gave him half an hour to live." Listening to this doctor-father recount the recovery of his son, through prayer and the laying on of his hands, is a breath-taking experience which gripped the capacity congregation in an Ottawa Church last month.

Reviewing his latest book "A Doctor's Faith is Challenged" the Methodist Recorder has this to say "he is not one who has "all the answers" but he has a rich experience and a deep and beautiful faith."

As a Harley Street specialist Dr. Woodward is a strong advocate of co-operation between doctors, ministers and priests. He tells you that he has seen what enormous help in modern medicine and surgery, a Spirit of faith can bring, with a knowledge of the Will of God in these matters. Born in England in 1913 Dr. Woodward was educated at Lansing and Trinity College, Cambridge. During World War II he became a surgeon-lieutenant in a flotilla of mine-sweepers.

An MA in psychology at Cambridge University, he holds the degree of Member of the Royal College of Surgeons and the Licentiate of the Royal College of Physicians in England.

Writing the Introduction to his third book "A Doctor's Faith is Challenged" the author says: "I am challenged by my Church; by my profession; challenged by all and sundry. But I believe more strongly even than I did before . . . in the miracles of spiritual healing . . ."

dents of a community as rezoning is considered by the city, may I suggest that, instead of tucking the notice away in an inconspicuous corner of two Montreal papers where few people see it, it would be more in keeping with democratic traditions to have it published on the front page of the Westmount Examiner. Also the Westmount Municipal Association should send a copy of any proposal to change a by-law to all members.

Since not even delivery trucks will be allowed to park in the vicinity of the fire station on Stanton avenue to serve the new apartment house, what will happen to Thornhill avenue just above; a street so narrow that even now some people cannot back out of their driveways if someone is parked opposite?

In addition to this the inevitable soot from the furnace of an apartment house will be showered on a street zoned for private homes.

Why, when there are apartment-to-let signs on so many present apartment house in Westmount, must a new one be built in a location which no one can claim is a good one from anyone's point of view?

to Build Houses...

JUST fifty cents a week...yet the regular deposit of this young lady at one of our school wickets makes her a "valued customer" of "MY BANK".

She's one of more than two million Canadians saving at the B of M. Their deposits run into the billions. To be exact, this year-end — October 31st — total deposits amount to \$3,038,349,556.

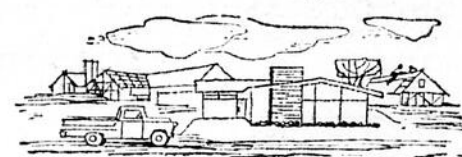

But her part in the B of M's "total deposits" is only half the picture.

What's happening to her deposit?

Well, along with the deposits of the other two million, her money is being lent to build houses, buy tractors, cut lumber — to do a thousand and one things.

How?

Through hundreds of thousands of bank loans, the B of M is employing this

youngster's deposits, with many others, to finance the operations of business and industrial enterprises of all kinds and sizes... of farmers, fishermen, oil-men, miners, lumbermen and ranchers... of citizens of every calling... of provincial and municipal governments and school districts. Total B of M loans now run to no less than \$1,416,518,876.

Yes, when you save your money at the B of M you not only keep it safe and earning interest for you, but you make a sound investment for yourself in Canada's growth now and in the years ahead.

What's more — whether you want to save money or borrow it — you'll like banking at the B of M. Why not drop in next time you're passing?

urday evening, December 6th at 7
o'clock. Annual election of officers
and trustees for the ensuing years
will take place.

able, or to those who prefer the
casual job if they can just get
by.) There are probably none of
us who would take advantage
of our brothers in this way. But
we do not always recognize the
brotherliness of fellow-citizens
and fellow-saints.

You may say that we have
Welfare Federation and unem-
ployment insurance to care for
cases of need. Yes, they are won-
derful facts, but we let our Red
Feather Campaign down by ten
per cent and unemployment in-
surance will only go so far. We
must be ready to go father.

You have heard of tithing. In
the first century the Jews recog-
nized three obligations, the
tithe to the King, the tithe to
the Temple and the tithe to the
poor. I wonder how many of us
when we make up our Income
Tax can claim the ten per cent
deduction for charity that the
Government allows us. Suppose
you check what you are going
to be able to claim for 1958 and
see where you are short and
send a cheque to Family Wel-
fare.

Even that may not be enough.
These are critical times. We
who have no incomes are going
to suffer. We who have incomes
can share the sufferings by self-
denial and sharing. There are
jobs to do which we cannot
afford. See that we do afford
them to help our fellow-citizens
to maintain their well-being and
independence, and let us prove
ourselves good Canadians and
good Christians. Then we shall
know that we believe in the
sharing with our fellow-saints.

Writing is like religion. Every
man who feels the call must
work out his own salvation. —
George Horace Lorimer.

New chimes installed at Melville Church

Sunday's services at Melville Presbyterian Church had a dual significance. During the morning service the newly installed chimes and tablet in memory of Miss Lillian Kerr were dedicated. The evening service was a commemoration of the 73rd anniversary of the founding of the church.

The Maas chimes located above the rear balcony are so connected that they may be played for a service in the church, or, by a hook-up in the tower, their music may be disseminated over the surrounding area. It is intended to have them played through the tower fifteen minutes before Sunday services. Miss Gladys Scott, President

of the Melville Auxiliary, W.M.S. unveiled the memorial tablet. The presentation was made by K. J. Doig for the Kirk Session. The Minister, Rev. Charles C. Cochrane B.A., B.D., received the memorial on behalf of the congregation.

In accepting the chimes and tablet, Mr. Cochrane said, "Miss Lillian Kerr, whose generous bequest to Melville Church has made possible the purchase of these beautiful chimes, was for many years a faithful and devoted member of the congregation. She was a loyal member of the Women's Missionary Society whose work she supported with singular liberality. Miss Kerr was greatly loved and respected among her fellow-workers in the church. Her keen interest in the affairs of the congregation continued throughout her life."

"For these reasons, it was deemed appropriate by the Kirk Session that the memory of this servant of the Lord be preserved among us in this fashion.

The guest preacher was Rev. J. C. McLelland M.A., Ph.D., Professor of the Philosophy of Religion and Christian Practice at Presbyterian Theological College.

The Valois United Church Male Quartet provided special music for the evening service. Mr. Cochrane who has been minister at Melville for over ten years, in a friendly, informal talk, spoke of the development and progress of the church over the 73 years of its existence.

Melville and St. Andrew's were a united congregation from 1885 until 1900 at which time the congregation had grown was done with the erection of

large enough to warrant the the present edifice on Melville building of a second church. This Avenue.

THE TORONTO-D SHERBROOKE AND

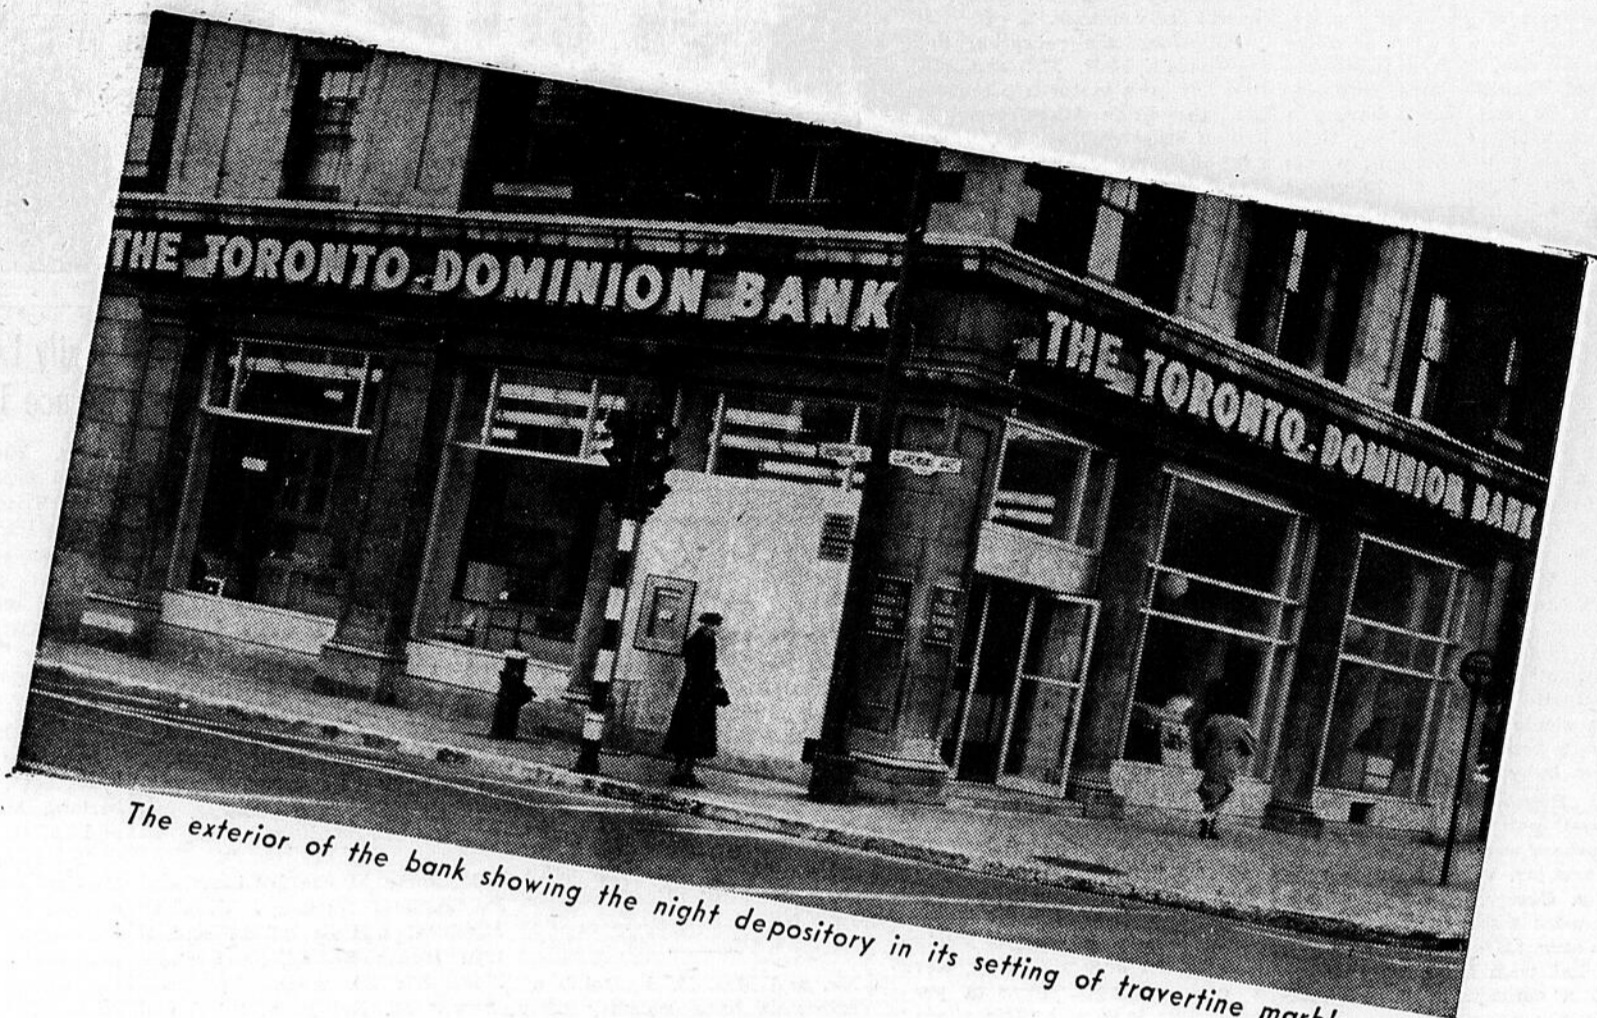

This branch of the Toronto-Dominion Bank has just been renovated and enlarged to double its former size. The interior has been completely modernized and redecorated in pleasing colors and the exterior has been enhanced by the erection of new illuminated signs.

One of the most important features is the night depository which has been installed to give better service to the general public.

The bright, modern interior with the new-style counters and tellers' windows

who has been the manager of this branch for some years.

Aluminum and glass doors and windows are new additions and the main entrance has been treated on one face with a travertine marble. An acoustical tile ceiling with fluorescent lighting strips gives the interior a bright, modern look. A vinyl asbestos floor in a pattern has been laid throughout. New counters and partitions give increased counter length with added tellers' windows provided. The counter is a new style and design which allows for ready expansion in tellers' windows and other changes with a minimum of delay.

For the convenience of the staff, new storage and washroom facilities have been included in the renovation.

Miss Margaret E. Carter marries Mr. William H. Pim

The marriage of Margaret Elizabeth, daughter of the late James S. Carter, and of Mrs. Carter of Westmount, to Mr. William H. Pim, son of Mr. and Mrs. William C. Pim, took place recently in the Lady Chapel of St. Patrick's Church, the Rev. Colford officiating. Yellow and bronze mums arranged with greenery were used to decorate.

The bride, who was given away by a friend of the family's Mr. A. Menard, wore a gown of white poul de soie, with a fitted bodice of chantilly lace embroidered with seed pearls having a sabrina neckline and long tight fitting sleeves ending in points over the hands, a voluptuous skirt with a large bustle bow at back with skirt ending in a chapel train. Her fingertip length veil of tulle illusion was held by a coronet of seed pearls and she carried a semi-cascade bouquet of stephanotis centred with an orchid.

Mrs. Robert Moreau, as matron of honor, wore a frock of honey poul de soie princess style with a bronze feather headdress, and carried a semi-cascade bouquet of bronze and yellow baby mums.

Mrs. William Somerville, sister of the bridegroom, and Mrs. Raymond Watkins as attendants, wore identical frocks of deep aqua poul de soie princess style with feather head-dresses of the same shade, and carried semi-cascade bouquets of white and yellow baby mums.

Mr. Raymond Watkins acted as best man for Mr. Pim, and the ushers were Mr. Robert Moreau and Mr. William Somerville.

Mrs. Carter, the bride's mother, wore a sheath dress of blue lace over taffeta and matching blue hat with black accessories, with a corsage of pink sweetheart roses.

Mrs. William Pim, mother of the bridegroom, wore a sheath dress with matching jacket of Viking red wool crepe and black

accessories with a corsage of bronze baby mums.

Following the reception held in Victoria Hall, Mr. and Mrs. Pim left on a motor trip to Florida, the bride travelling in a suit of beige wool, and wearing a cafe-au-lait hat and scarf with dark brown accessories and a corsage of bronze baby mums.

Wood-Cox

The marriage of Cecilia Margaret daughter of Mrs. John J. Cox of Dorval and the late Mr. Cox, to Mr. Estant John Wood, son of Mr. and Mrs. Harry A. Wood of Westmount, took place recently at the Church of the Ascension of Our Lord, Westmount, Rev. Myles J. Kelly officiating. White chrysanthemums decorated the altar and sanctuary.

The bride, given in marriage by her uncle, Mr. Sarsfield Cox, wore an original gown of pure silk white taffeta, fashioned with oval neckline and full skirt appliques in sprays of pearl sequins and lace, a poul bustle falling in panels, and a chapel train. Her tulle illusion veil was held by a lace cap embroidered in seed pearls and she carried a cascade bouquet of white roses.

The bride's sister, Miss Evelyn Cox, as her only attendant, wore a cocktail-length dress of peacock blue lace and taffeta with lace sleeves ending in points over her hands, and a matching cap applied with sequins. She carried a cascade bouquet of pink roses.

Mr. David Wood, brother of the bridegroom, acted as best man. The ushers, brothers of the bride, were Mr. R. Edward Cox, Mr. Leo J. Cox, Mr. H. Francis Cox and Mr. John J. Cox.

The bride's mother, Mrs. Cox, wore a lace gown of mink taupe over taffeta, a matching hat embroidered with tiny beads, and a corsage of tiny pink roses.

The bridegroom's mother, Mrs. Wood, wore a nylon marquisette gown of orchid over taffeta, a matching hat of velvet, and a corsage of sweetheart roses.

The reception was held at the home of the bride's mother.

Later Mr. and Mrs. Wood left for Florida, the bride travelling in a two-piece dress of blue-green, a small hat of green satin with blue and green feathers and wearing a corsage of bronze sweetheart roses.

Upon their return, Mr. and Mrs. Wood will reside in Dorval.

Emily Lawrence heads Dance Teachers Assn

Mrs. Emily Lawrence was elected president of the Quebec Dance Teachers Association and affiliated artists, at the Association's annual meeting. Miss Milly Neuhaus and Miss Thelma Wagner were elected vice-presidents; Mrs. Mabel MacKenzie, recording secretary; and Mrs. Helena Scott, corresponding secretary; Mrs. Muriel Shoobridge, treasurer.

Miss Carrie Diggers, Miss Juliette Fischer, Miss Sonia Chamberlain, Miss Margaret Mercier, and Miss Milenka Neiderlova, were elected directors. Miss Mary Beetles and Miss Aline Legris are in charge of English and French publicity. Interesting programs are being planned by the new executive, commencing with a membership sherry party and a panel discussion early in December and a full day student convention early in January.

The main objectives of this association are to elevate the standard and improve the dance teaching profession by developing a better understanding of the true values of teaching techniques. To foster among its members a feeling of fraternity and mutual confidence. To help increase the membership by inviting teachers and interested people to activities calculated to stimulate their interest in the Dance World.

Sandra Patricia Bennett weds Dr. Michael Francis Bennett

The marriage of Sandra Patricia, daughter of the late James Morley Bennett, and of Mrs. Bennett, of Westmount, to Dr. Michael Francis Bennett, son of Mr. and Mrs. F. J. Bennett of Lee Mount, Tivoli, Cork, Ireland, took place November 15, in the Church of the Ascension of Our Lord, the Rev. Father Kelly officiating. Standards of white gladioli, chrysanthemums, and pom poms, with candles in candelabra were used as decorations. Mr. J. E. Savaria played the wedding music and Mr. L. P. Lecours sang during the signing of the register.

The bride, who was given in marriage by her brother, Mr. Laurie Bennett, wore a gown of white Italian silk, fashioned with a fitted bodice of Guipure lace, having a scalloped neckline, cap sleeves embroidered with seed pearls and iridescent sequins, and a bouffant skirt softly draped falling into a cathedral train. Her veil of tulle illusion was held by a coronet of seed pearls and sequins, and she carried a cascade bouquet of white orchids and stephanotis.

Miss Ann McCahey, as maid of honor, and Mrs. Joseph Armstrong, of Toronto and Miss Carolyn Cox, as attendants, were in frocks of silk taffeta; Miss

McCahey being in ice blue, and the attendants in Saguenay blue. They wore profile turbans to match their frocks trimmed with contrasting petals and carried cascade bouquets of chrysanthemums and pom poms in autumn shades.

Dr. William Woods, of Cork, Ireland, acted as best man for Dr. Bennett, and the ushers were Dr. George Wertzman and Dr. John Lynch.

Mrs. Bennett, the bride's mother, was in a gown of Hawaiian blue peau de soie. She wore a portrait hat of the same shade, a mink stole, and a corsage bouquet of roses.

The reception was held at the Queen's Hotel, where pink and white carnations and chrysanthemums were used to decorate.

Later, Dr. and Mrs. Bennett left for New York, the bride travelling in a suit of dark green wool, trimmed with sapphire mink, and wearing a small matching hat and a corsage bouquet of Sweetheart roses. Upon their return they will take up residence at 36660 Pell street.

Marianopolis students present play entitled "The Joyous Season"

Marianopolis College students are presenting a play entitled "The Joyous Season," by Philip Barry, to take place at 8:15 p.m. December 3, in Montreal High School Auditorium.

The play concerns the Farley family of Boston, who have worked their way from Scollay Square up to Beacon Hill. They have amassed wealth and some social position, but it hasn't done them much good as a family. Teresa Farley's marriage to Harvard Professor Francis Battle is on the rocks. The drama is provided by the return of Christina, a sister, after fifteen years absence.

Students from the college participating are: Rosemary Trainor, Jim Baker, Win Hackett, John Baker, Joyce Tyrrell, Stanley Gibbons, John Giuliani, Patricia Hinchy, dramatics president; Joyce Bordon, Judy Fitzpatrick, Tony Dawson, Basil Holland and Irene Szabo.

which, but by the grace of God, might have been ours.

Party to benefit retarded children

"But you don't have a retarded child" is a comment made to many members of the committee for the Christmas cocktail party being held by the Women's Auxiliary of the Association for the Help of Retarded Children, Quebec.

The answer is simply that mental retardation is a problem not only of the parent of the retarded child, but of society as a whole.

Mental retardation has no respect for race, creed or the I.Q. of the parents. Although we, as parents of the fortunate 97%, are thankful, we forget all too soon how easily our circumstance could have been the reverse.

We may not have a retarded child, but we do have a responsibility to do what we can to assist in solving this problem,

Irish beat Westmount for Standard trophy

In a thrilling climax to the local rucker season, Montreal Irish confounded the pre-game tipsters by upsetting the recently crowned provincial champion Westmount squad 11-9 to capture the Quebec rucker league championship in a game played last Saturday at the West Hill High School grounds.

These two teams had finished in a deadlock for first place in the standings at the end of the regular campaign and were forced to play the post-schedule play-off to determine holders of the Standard Life Trophy.

One week ago the Westmount team had won the provincial championship by beating the Barbarians 6-0 in the final play-off.

The Irish went into a 3-0 lead after five minutes play when Ian Thempson, the diminutive scrum-half, caught the defence on the wrong foot to go over for the TD which went unconverted.

Although the Greens had more of the play in the first half the Westies were able to change ends leading 6-3, as ace kicker Jim Adam got away a couple of long boots from around the 40 yard mark to count six points for the interval edge.

In the second stanza Irish quickly equalised when Gerry Pitcher dropped a neat goal from the 15 yard stripe to knot the count. Then 20 minutes from the end Pitcher, the Irish captain, who turned in a fine display, broke up the game with a beautiful touchdown when he outwitted the Westie defence on a 40 yard run to score under the posts for Terry McCabe to boot an easy convert for an 11-6 lead.

Following this Westmount turned on their best play of the game and were able to pierce the stout Irish defence when Alister Wittet intercepted on the half-way line made some ground before passing on to John Goldsmith who went 40 yards to score in the corner to reduce the score to 11-9. Jim Adam's long convert attempt from out on the touch-line which would have levelled the scores if good thudded against the cross-bar and stayed out as the final whistle blew.

Almost all of the winning squad of Saturday will be returning although veteran forward Des O'Neill announced his retirement following Saturday's game.

McGill Redmen second team won the President's Trophy presented this year for the first time by Quebec Rucker Union president, Colonel Eric Rook, for winning the second team league. In the crucial league match on Saturday, Redmen defeated Westmount - Barbarian side 15-8.

The Quebec Rucker Union will hold its annual general meeting Wednesday, December 3 at the Trophy Room of the Town of Mount Royal Arena starting at 8.00 p.m.

Sportsmen's award night set for Tuesday, Dec. 2

Certificates of Merit will be presented to five sports personalities long recognized for zeal and organization in various branches of athletics at the 26th annual Awards Night and banquet of the Sportsmen's Association of Montreal, Tuesday, December 2, at Sheraton - Mount Royal Hotel.

Bill Hutchison, Doug Kerr, Arthur Lessard, Dave Campbell and Kenneth M. Smith, all of the West End of Montreal are to be so honored.

Cameron Grout
'58 Top Athlete

Hutchison was for many years an earnest worker in amateur baseball first as player and coach, and later as umpire-in-chief following long service as an active arbitrator in the Atwater Park and other leagues.

He also was prominent in the activities of Military Indoor

Baseball, winter-time in the armories of M.D. No. 4.

Kerr was head football coach at McGill in the years immediately preceding and following the Second World War. He piloted the 1938 Redmen who won the last senior intercollegiate title for McGill that year.

A re-union of the '38 team Kerr was signally honored when "A Day" was designated for him. Before his McGill appointment Kerr was for 10 years coach of Intermediate QRFU teams at Westward. During this term his squads won four QRFU titles and one Dominion Intermediate championship.

Art Lessard, who played minor pro hockey in the early '40s, has been director of athletics in Ville Saint Laurent for a number of years, and many athletes who reached stardom later in baseball, hockey and football owe much of their success to his early tuition and encouragement.

Dave Campbell was Sportsmen's president in 1955, but has an elaborate background in hockey as player and coach.

Smith is also a past president of the Association (1956-57) and was for many years chief of minor officials at the Forum in QSHL and QHL games.

Masonic bowlers in 20th season

The Masonic Memorial Temple Bowling league is now in full swing with action seen on Saturday afternoons at the Park Bowling alley, where the league has bowled for the past 20 years.

T. Breeze, Devonshire lodge 112 is the president of the 16 team league. H. Westcott, Waverly 82 is a vice president along with W. Gammond, Victory 94.

R. Duncan, St. Andrews, 53 is the treasurer; W. Manning, Royal Arthur 85, is the secretary.

Spoon winners in last week's play were J. Glen with a 206 single and T. Svendsen with 543 in section 'A'. H. Westcott with a 226 single and E. MacDougall with a 579 triple were tops in section 'B'.

'No-girls' clause put into minor hockey rules

The Ontario Minor Hockey Association has added a "no-girls" clause to its constitution.

The association took the action to prevent the repeat of a case where a young Toronto girl, Abigail Hoffman, played in the Toronto Hockey League for three years as a boy. The masquerade was discovered in 1956.

Action plenty in Metro jr. loop

A SMALL riot at the Lachine rink saw one of the Metro Junior Hockey league games called in the second period with Verdun Maple Leafs and Lachine tied 1-1.

President Alex McKeller, when he has received all reports will make his decision. The game has gone down in the record books as a tie game for the time being.

While this was happening there was plenty of action on other league fronts.

Quebec and Sorel are running one two in the eastern section with Lachine and Nationale tied for the third position and Verdun brings up the rear.

The western section is still a runaway for the St. Jerome team. But there is little to pick between the other two teams with NDG Monarchs, Snowdon Ponsards and Lakeshore only three points separating the three rivals.

One game is set for Friday night with Lachine meeting Lakeshore at Macdonald College rink.

Four games will be played on Sunday: NDG will make a trip to Quebec; Sorel will be in Lachine; Snowdon travels to St. Jerome and Lakeshore will be at Verdun.

Verdun and Lakeshore will tangle next Tuesday at Macdonald College ice surface. This is Verdun's first visit to St. Annes.

At Lachine on Sunday, Lachine fans started a fight with Verdun supporters and it finished on the ice.

It's been a rough winter, all right. So far not one TV cowboy has made it back to the old ranch without being ambushed by a commercial.

John Henderson POLBA president

John Henderson of the Westmount Lawn Bowling club was elected president of the Provincial Lawn Bowling Association. Jim Brodie of the Verdun Lawn Bowling Club was elected vice president.

Mr. Henderson as well has been a member of the Westmount Club which won the provincial single crown this year and represented the province at the Dominion tournament in Vancouver.

Retiring president James S. Riley of C.N.R. Lawn Bowling Club who was president for the past three years, was applauded for his great efforts, having piloted through a number of much appreciated improvements for the good of the game.

He was re-elected as the Quebec representative on the Canadian Lawn Bowling Council.

Sidney F. Gillabe, Riverside Lawn Bowling Club, went back for a third term as Provincial Publicity Officer.

Bob Fender, Verdun Club, announced his retirement after a number of years as secretary-treasurer.

For his diligence and good work he was honored by a standing ovation. The name of his successor will be announced later.

Westmount calls for pucksters

The city of Westmount Recreation department are now accepting names for hockey in the termite, mosquito, pee wee, bantam, midget and juvenile.

Team managers are instructed to submit their players, at least 10 contracts by 5.00 p.m. December 5. The balance of forms by December 31. Each team signs 15 players.

Any boy who is not attached to a team but would like to play for one, should contact John Garland at WE 2-2493.

The department is also seeking managers or coaches for some of these teams. They may contact Mr. Garland.

In the referees' department, any boy 14 years and older may also apply to Mr. Garland.

The ages of various sections are as follows:

TERMITE — under 10, as of Sept. 1, 1958, born after Sept. 1, 1948.

MOSQUITO — under 11, as of Sept. 1, 1958, born after Sept. 1, 1947.

PEE WEE — under 13, as of Sept. 1, 1958, born after Sept. 1, 1945.

BANTAM — under 15, as of Sept. 1, 1958, born after Sept. 1, 1943.

MIDGET — under 17, as of Sept. 1, 1958, born after Sept. 1, 1941.

JUVENILE — under 19, as of Sept. 1, 1958, born after Sept. 1, 1939.

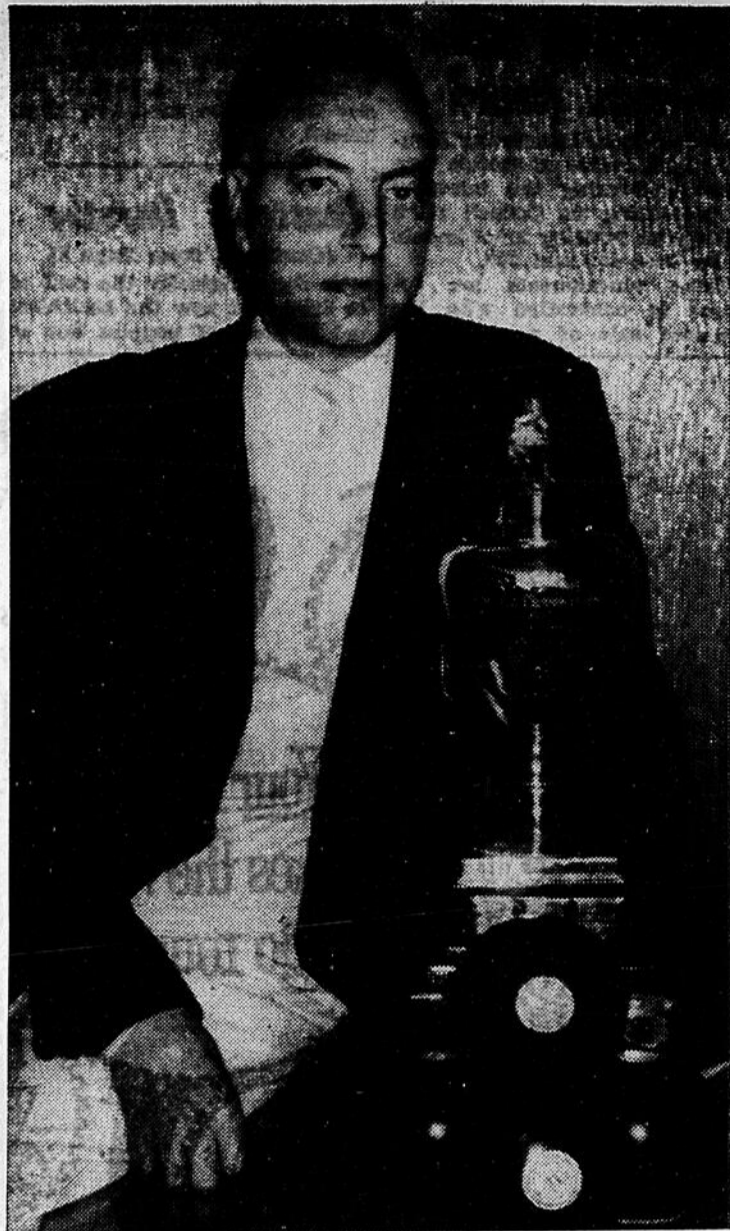

Example: — **MOSQUITO** — A boy 10 years of age before September 1st., and a boy who turns 11 after September 1st. is eligible. A boy 11 years of age before September 1st. would have to play Pee Wee.

Heather ladies win rink title

Heather Curling Club's three-day Open Bonsel wound up with Town of Mount Royal rink skipped by Mrs. G. Cruiskshank the winners.

They took home the handsome new Remine Trophy after defeating Huntingdon's rink skipped by Mrs. D. L. Kelly by an 11-6 score.

Delivering their stone with deadly accuracy, the winners piled up a 6-0 lead early in the final 10 ends and at the finish of the 8th end had an 8-2 margin.

Lord de la Warr to discuss U.K., Canada affairs Thursday

An event which may prove of interest to Westmounters is the projected visit of Lord de la Warr to the Montreal branch of the Royal Commonwealth Society. Lord de la Warr, who is Chairman of the Council to Eastern Canada of the Society, will deliver an address "The Commonwealth in the Modern World", at the Mount Stephen Club, Thursday, Dec. 4, at 8.30 p.m.

The Rt. Hon. Earl de la Warr, P.C., G.B.E., became Chairman last year, at a time when the Society was changing its name from "Royal Empire" to "Royal Commonwealth Society", which in itself reflects its new policy.

At 58, he is the youngest Chairman of the Society, which is the oldest in the Commonwealth, having been established in 1868. Its present-day aim is to promote closer understanding among the peoples of the Commonwealth, and recently, it set up a foundation to develop the cultural and educational side of its work.

Lord de la Warr plans to meet and discuss U.K. and Commonwealth affairs with a wide range of business people and educational organizations, hoping to interest these concerns in the work of the Society and its Foundation.

Rotarians holds Ladies' night on Wednesday

Final details were announced Wednesday of the Westmount Rotarians Ladies' Night to be held next Wednesday at the Chateau de Ramezay.

Principal speaker will be E. A. Collard, Editor of the "Gazette" and Mayor Sarto Fournier and Mrs. Fournier are among the guests of honor.

The dinner will be in the candlelit cellar of the Chateau after which a tour of the historic building will be made.

Mr. Collard's talk will likely be on the history of the Chateau. Entertainment afterwards will be by the Montreal Brass Ensemble and the Adult Musicians' Organization of the Boy Scouts Association, directed by Richard Munroe.

Radar check starts soon

Negotiations are proceeding with the Northern Electric Company in connection with the City's proposal to install a radar speed check system.

It will probably be another six weeks at least before the radar unit is put into operation but the motoring public will be warned well in advance how the system works and where and when it will operate.

There will likely be a 'probationary' period during which the unit will be used but no speeding tickets issued.

First Japanese ambassador to the United States was Niimi Buzenokami, in 1860.

New high school by-laws heard

At the Council's meeting Monday night, notice of motion was given concerning the intention of presenting to Council at a subsequent meeting amendments to By-laws 473 and 555.

These amendments are required in connection with the proposed sale of a portion of

the Westmount Athletic Grounds to the School Commission for the Municipality of the City of Westmount to form part of the site for the proposed new High School.

Every time you make a bank deposit at the BNS you help keep the wheels of Canadian industry turning. Through its nationwide system of branches, The Bank of Nova Scotia puts your money to work in cities, farms and in factories across the country. This investment in Canada helps provide greater employment opportunities and a higher standard of living for us all. The BNS statement below shows what your money—and that of over 1,000,000 other depositors—accomplished in 1958.

HIGHLIGHTS OF THE BANK OF NOVA SCOTIA'S 127th ANNUAL STATEMENT as at October 31, 1958

ASSETS

— the Bank's resources and how they work for you

\$247,872,764 cash, cheques and due from other banks
This is like cash in the Bank's till.

\$467,091,259 investments
These funds (mostly Canadian Government Bonds) help finance varied Government activities such as the St. Lawrence Seaway and also the building of schools, highways, new plants and equipment—to make more of the good things of life available to us all.

\$133,136,698 call loans, secured
This money, lent to investment houses, is subject to immediate recall.

\$797,867,038 other loans, less provision for estimated loss
These loans help finance the purchase of materials and the sale and distribution of goods... from the cutting of trees in the forest to the sale of refrigerators... from starting a business to improving a farm or home.

\$31,253,962 customers' liability under Letters of Credit
This is the amount customers are pledged to repay the Bank for funds it may pay out on their behalf under Letters of Credit, covering trade in Canada and abroad.

\$26,803,272 bank premises and other assets
Most of this money goes into a continuous programme of improving our branch facilities so that customers can do their banking more pleasantly and easily.

LIABILITIES

— money entrusted to us by you, the customer

\$1,595,474,227 deposits
More than a million customers now bank with the BNS. Our customers place these funds for safety and convenience in current and savings accounts, personal chequing accounts and such special accounts as the Bank's unique PSP.

\$31,253,962 Letters of Credit
This shows the amount of credit the Bank has guaranteed on behalf of its customers buying from suppliers, particularly those abroad. This encourages the expansion of foreign trade and in this way helps develop new outlets for Canadian goods and services.

\$6,011,237 other liabilities
This represents money set aside to cover expenses which must be met, but are not yet due, such as our 1958 Income Tax.

WHAT SHAREHOLDERS CONTRIBUTE

\$71,285,567 capital paid up, rest account and undivided profits
The shareholders—the real owners of the Bank—contribute these funds which protect the interests of the customers. They thus ensure the strength and stability of the BNS.
