## REDS DEMAND DISARMAMENT DEBATE

### Wheat, Wheat, Wheat; What Will Become Of West's Stockpile?

MONTREAL — (CP) — Canada's record wheat stockpile stands in the West like an immense question mark, casting a shadow that reaches to Montreal. With the end of navigation only six weeks away, shippers and railways are studying the traditional stepped-up end-of-season flow of grain between the Prairies and this port. Markets—spotty all season—still are uncertain, causing transport problems. Daily shipments from Montreal now go as high as 700,000 bushels — and drop as low as 70,000 bushels on other days.

#### World News In Brief

**Vancouver** — The Vancouver Province was fined \$1,208 Thursday by Mr. Justice A. M. Manson for contempt of court arising out of the trial of five men charged with attempted murder. Despite the appeal of the Province lawyer, Senator J. W. (Doc) Harris, that the paper's error was "sheer inadvertence," Mr. Justice Manson declared that anything in the press "calculated to prejudice the fair trial of the accused cannot be countenanced."

**Quebec** — An advance guard of some 5,000 Canadian troops will return home after two years service in Germany arrived here Thursday on board the transatlantic liner Columbia.

Predominant among the returning soldiers, part of the first Canadian Infantry Brigade which will be replaced by the second, were units from the Royal 22nd Regiment of Quebec and the Princess Patricia Canadian Light Infantry.

**Toronto** — Hospital officials Thursday reported as "satisfactory" the condition of Ray Lawson, Canadian consul-general in New York and former lieutenant-governor of Ontario. Mr. Lawson underwent an abdominal operation Monday. He was admitted to hospital last week for a checkup after he complained of feeling ill.

**Albania** — Three persons were killed Thursday night and a fourth was injured in a collision between two trucks near this Lake St. John community some 40 miles north of Roberval.

All four men are from Albanian. Police said the driver of the second truck did not stop following the accident but was arrested a short time later. He was imprisoned at Dolbeau.

**Bonn** — West German Chancellor Konrad Adenauer's health is steadily improving, it was announced Thursday. The 79-year-old chancellor has been confined to bed with bronchial pneumonia since Oct. 7. He left his bed briefly for the first time Wednesday.

**Paris** — (Reuters) — French Premier Edgar Faure said Thursday: "France has no intention of sending back her delegation to the United Nations in the near future." He was answering a question at a press conference here. France withdrew her delegation to the general assembly in New York on Sept. 30 when the assembly voted to discuss Algeria, which is legally an integral part of France.

### Gas Fumes Kill Parents

MONTREAL — A Montreal couple died from asphyxiation today and their three children were overcome by gas fumes escaping from a heater in their Esplanade avenue home in the city's north end, police said. Dead are R. Genereux, 40, and his 35-year-old wife. A son, Raymond, 5, was taken to hospital. Two other children, Marie, 10, and Francis, 3, were treated at the scene. A Hydro-Quebec emergency crew, called by a neighbor, tried for 45 minutes to revive the victims. Police said the family was apparently trying to heat their flat with a heater which appeared to be in a faulty condition.

Latest bureau of statistics estimates set the stockpile at 992,000,000 bushels. Of this the carryover—the amount left from the 1954 crop—was estimated at 493,726,000 bushels.

The previous record stockpile was 983,000,000 in 1953. Grain sources here were reluctant to discuss market outlook for competitive reasons. Transport sources said an important railway problem is allocation of freight cars in view of unpredictable market conditions.

The railway has a responsibility to provide cars as needed for grain movements. They also tried to keep the equipment busy in other uses when not required in the grain trade.

One Montreal source in close touch with the situation said a shortage of railway cars is developing, and he added that there are already complaints of this in the West.

A Canadian Railway Association spokesman said some 29,000 railway cars now are in the United States but he added that an adequate number is on hand for grain movements in the West.

Harbor officials said Montreal elevators are being kept full almost to capacity with shipments increasing as the navigation deadline approaches. The St. Lawrence usually begins to freeze in the first week of December.

The association provided figures indicating that Canadian Pacific and Canadian National Railways on Oct. 16 had a total of 44,351 box cars in western Canada, compared with 49,182 on the corresponding date last year.

The box car "fleet" was considered adequate for current grain movements and the railways were handling traffic as it was offered. But the continuing problem of car allocation was not being taken lightly. The railways were making efforts to retrieve cars now operating on U.S. railways.

### BofM Has Wheat Comment

MONTREAL — Canada can solve her overriding wheat surplus only through international consultation and agreement, says the Bank of Montreal.

Surveying the country's crop growing season in its current Business Review, released today, the bank states:

"The idealistic picture of harvest-time that can be truthfully painted this year must unfortunately be placed against a backdrop of large stocks and abundant supplies and uncertain marketing prospects which centres on Canada's most important agricultural product—wheat." Marketing channels are "clogged with last year's low-grade grain that is only now beginning to move on the heels of the 1953 crop" and the abundant 1955 crop is likely to stay where it is—on the farm—for some months to come, The Review says.

An explanation of the problem of disposing of Canada's wheat lies in the international wheat situation. The Review continues, emphasizing as the primary factor the increased efficiency in wheat production in the postwar period through improved farming methods.

Noting that in each of the wheat exporting countries export sales were in effect controlled by a single seller—the government—the bank stresses that there has been little attempt at competitive under-bidding to move wheat. The tendency has been to maintain prices and allow surplus supplies to accumulate.

The bank says "the conference beginning next Wednesday (in Geneva) to consider renewal of the International Wheat Agreement is of major significance."

**Factory Landmark Going** — Once the pride of Sherbrooke's factory district which was then located along the banks of the Magog river from the Belvedere street bridge to the junction of the St. Francis, this city-owned building on Frontenac Street is being demolished after being declared unsafe. Part of the structure once housed the plant of the Canadian Edison Co. Ltd., later transferred to Peterborough, Ont., as Canadian General Electric, later being used by the Julius Kayser and by Quebec Rayon, its last tenants. (Record Photo by Gerry Lemay)

## Was It A Celebration? Still No Word Of Margaret's Marriage Plans

LONDON — Princess Margaret and Peter Townsend emerged early today from a gay, informal dinner party which had all the earmarks of a celebration. The question "did they announce their engagement?" quickly raced through the city.

There still was no answer this morning, just mild circumstantial evidence that the occasion was somewhat special.

The gathering took place in the tiny, whitewashed London cottage of the princess's cousin, Mrs. John L. Wills. The two principals arrived separately just before 7 p.m. They left separately—each looking happy—more than six hours later—shortly after 1 a.m. The atmosphere of the party was unmistakably one of high good cheer.

Curious bystanders outside the cottage at No. 49 Kinnerton St., in the Knightsbridge district, heard frequent bursts of merry laughter through the brightly lighted windows.

In addition to Margaret and Townsend, those present included Mr. and Mrs. Wills, their 18-year-old son Andrew, Margaret's lady-in-waiting, Miss Iris Peake, and at least two unidentified guests.

Margaret's car arrived at 10:40 to take her home, but she stayed on. Finally she came out at 1:10, dainty and lovely in a green velvet dress. A detective tacked her in and she was driven to Clarence House, her London residence.

Townsend followed five minutes later. A friend drove him to the London flat where he is staying while on leave from his post of air attaché in Brussels. The airman gave a cheerful "good-night" to the uniformed policeman outside the building as he unlocked the door and went in.

Mrs. Wills, whose mother, Lady Elphinstone, is a sister of Queen Mother Elizabeth, has been acting as hostess and chaperone for these views are mixed.

"The Princess and Peter Townsend are talking things over at their meetings together. They are discussing the representations that have been made to them and all the complications that face them."

"Their meetings are approved by the Royal Family, who realize this is the first time in two years they have been able to talk over the future in private."

"The decision, as Townsend has said repeatedly, cannot come from him."

Mr. Bourque who also holds the hydraulic resources portfolio in the Quebec cabinet said he is fully aware that negotiations have been going on for some time between the commission and Trans-Canada.

"Has the sale been completed?" he was asked.

"It has not, to my knowledge," he said.

In Edmonton Wednesday N. E. Tanner, president of Trans-Canada, said his firm has bought the gas section of Quebec hydro and formed the Quebec Natural Gas Company.

He told the Canadian Advertising Agency Association that half the homes in Canada have yet to acquire their first vacuum cleaner, their first heating unit or their first car.

Forty percent of Canadian homes still have no bathtub or shower. Half of Canada's farm households are without electricity and the appliances that go with them.

This great domestic market is open for development, he said. Advertisers, as the selling agents of business, have an essential role to play.

The minister said world conditions are spasmodically precarious both politically and economically. Any significant improvements in domestic consumption of Canadian goods is "reassuring evidence of a better balance, even if Canada has won high place as one of the great trading nations of the world."

He took with him a satchel containing \$6,000 in cash but missed an additional \$6,000 and \$5,150 in bonds that Cunningham carried in his clothes.

"I've only got three months to live and I'm going to have a good time out of it."

Graves and Cunningham were shot in a hospital ambulance, about 10 miles outside the city and dumped into a ditch. The killer then drove off in the ambulance.

Cunningham identified the killer as a former hospital patient but he did not know his name.

He quoted him as telling the victims before he shot them:

### Deny Rumor Of Gas Sale

Quebec — Lands Minister Bourque of Quebec today described as incorrect reports that Trans-Canada Pipe Lines Ltd., has completed purchase of the Quebec Hydro-Electric Commission's gas manufacturing and distribution facilities at Montreal.

### Canada Mart Still Great - Winters

MONTREAL — Works Minister Winters said last night the facts belie the statements of those who say Canada now is producing all and perhaps more than she can sell.

### Block Roads In Hunt For Hold-Up Killer

SAINT JOHN, N.B. — (CP) — Heavily-armed police patrolled exits from this city today in the hunt for a youthful gunman who predicted his own death within three months then killed one man, wounded another and fled with a \$6,000 hospital payroll.

Road blocks were set up as the RCMP and city police joined in the search for the man who Thursday shot to death Allison Graves, 40, chauffeur of the Saint John Tuberculosis Hospital, and seriously wounded Harold W. Cunningham, 65, hospital business manager.

Cunningham identified the killer as a former hospital patient but he did not know his name. He quoted him as telling the victims before he shot them:

### Today's Chuckle

He: "Didn't you say there was something about me that you liked?" She: "Yes. But you spent it all."

### British Police Tear - Gas Young Cypriot Rioters

NICOSIA, Cyprus — (Reuters) — British police today fired tear-gas bombs to break up a demonstration by Greek-Cypriot students. Several students and police were reported injured in the one-hour clash in the north coast city of Kyrenia.

### Queen Unveils Memorial To Father

LONDON — The Queen today unveiled a memorial statue of her father, the late King George VI, and called him a man whom millions mourn as a "true and trusted" friend.

"Much was asked of my father in personal sacrifice and endeavor, often in the face of illness; his courage in overcoming it endeared him to everybody," said the Queen. "He shirked no task, however difficult, and to the end he never faltered in his duty to his people."

"Throughout all the strains of his public life he remained a man of warm and friendly sympathies — a man who by the simple qualities of loyalty, resolution and service won for himself such a place in the affection of all of us that when he died millions mourned for him as a true and trusted friend."

The statue, set in a quiet garden overlooking the Mall near St.

### Want Controversial Item Put On Agenda Of Sub-Committee

UNITED NATIONS, N.Y. — (AP) — Russia demanded today a full debate on disarmament in the UN assembly political committee, without waiting for disarmament decisions by the Big Four foreign ministers.

Arkady A. Sobolev, permanent Soviet delegate to the UN, made the demand in the 12-nation UN disarmament commission.

He accused the commission of attempting to delay a report on disarmament debates of its big-nation sub-committee. Further delays would be harmful, he said.

"It has been alleged that discussion of disarmament here would interfere with or prevent discussion by the Big Four ministers," Sobolev said. "But disarmament was a major topic of all the general policy statements in the assembly. Every member of the United Nations has the right to debate this subject."

The Big Four foreign ministers meet at Geneva Oct. 27.

The disarmament commission sub-committee—composed of Canada, Britain, the United States, France and the Soviet Union—recessed sessions here Oct. 7. They were deadlocked over disarmament plans, especially on U.S. insistence that President Eisenhower's "open sky" plan be adopted as a prelude to disarmament.

Under that plan, the United States and the Soviet Union would exchange aerial reconnaissance and defence blueprints to prevent surprise attack.

Sobolev told the commission—composed of the 11 Security Council members and Canada—that everybody agrees on the necessity of measures to avert surprise attack.

That closeness of agreement on the necessity of reducing armed forces, and the necessity of continuing inspection make it desirable to open the disarmament debate here, Sobolev said. He said there now is a definite possibility of reaching agreement.

He blamed the United States for blocking progress in the closed sub-committee sessions.

Sobolev's statement unveiled some of the mystery behind his request last week for an urgent meeting of the commission.

That dispatch added that Mr. Pearson said details are being worked out for the recently-announced atomic reactor for India. The reactor's cost, to be considered apart from Canada's normal contribution to the Colombo plan, is expected to be about \$15,000,000 over a three-year period.

A news dispatch Thursday from Singapore, where the Colombo plan conference is meeting, quoted External Affairs Minister Pearson as saying the government will ask Parliament for a "significant increase" in next year's contributions.

The dispatch added that Mr. Pearson said details are being worked out for the recently-announced atomic reactor for India. The reactor's cost, to be considered apart from Canada's normal contribution to the Colombo plan, is expected to be about \$15,000,000 over a three-year period.

### To Extend Canadian Aid In S - E Asia

OTTAWA — The largest part of Canada's proposed increase in Colombo plan aid next year will go towards a new atomic reactor for India and for big existing projects.

But the government also hopes to inaugurate some small-scale projects, especially in the technical assistance field, and an extension of Canadian aid to Southeast Asian countries which have received little help from this country in the past.

However it was learned here Thursday that the exact amount of the boost in Canadian aid still has not been decided. Her contribution this year is \$26,400,000—an increase of \$1,000,000 from last year.

A news dispatch Thursday from Singapore, where the Colombo plan conference is meeting, quoted External Affairs Minister Pearson as saying the government will ask Parliament for a "significant increase" in next year's contributions.

Several students and police were reported injured in the one-hour clash in the north coast city of Kyrenia.

The new violence followed a day of bombings and terrorist attacks by members of the Greek-Cypriot underground, which vows to put an end to British rule of the Mediterranean colony.

It came after the island's new governor, Field Marshal Sir John Harding, commandeered six mountain resort hotels for the army and took over buildings in the troubled port city of Limassol.

The former British army chief of staff already has set up a streamlined military operation to try to stamp out the terrorism which has plagued the colony for months. During the night 150 new reinforcements were flown in from Britain—the third such airlift within a week.

Thursday night in Famagusta, terrorists ambushed an RAF officer while he was parking his car. Two bullets fired at close range struck him in the face, wounding him seriously.

Harding declared himself "particularly incensed by the dastardly attack." He told reporters that he will not tolerate any "insults to British forces" here.

In Nicosia, the capital, terrorists tossed bombs at two bars frequented by British soldiers. A Cypriot boy selling flowers was wounded.

Another terrorist band exploded a bomb in the yard of the Famagusta police station, causing heavy damage. The city's streets were deserted this morning as troops manned machine-gun posts to enforce a daytime curfew there.

KING GEORGE VI In Loving Memory

"He hated official dress," said William McMillan, 68-year-old Chelsea sculptor who spent three years creating the memorial.

A drizzle of rain fell during the simple ceremony of unveiling.

The monument is part of a larger memorial. It is the central symbol of a £1,700,000 fund to be used, as Sir Winston Churchill said in 1952, "in support of causes which he (the king) cherished and for which he strove."

Two-thirds will be devoted to youth, especially for training youth leaders. Five King George VI memorial hospitals will be opened in Britain. Part is being spent on clubs for elderly people.

The bronze figure stands 9½ feet high and is mounted on a plain nine-foot plinth. The inscription merely says "George VI." The sculptor, a member of the Royal Academy, designed a similar memorial to King George V, which now stands in Calcutta.

The others will be awarded to those who have filled the requirements in four divisions of conservation — forest, soil, water and wildlife. (CP Photo)

**THE CAMPING TRAIL** — Well over 50 Scouters and other Scout executives attended the weekend preliminary course of troop scouters last weekend at the Granby Scout Camp, Lake Bonnaltee, near Eastman. There were a large number representing Scouting in the Eastern Townships, as well as leaders from Montreal, Quebec, and other areas throughout the province. The only Sherbrooke representative, Lloyd Crowdis, Scoutmaster of the 5th Sherbrooke Troop, reports that a very enjoyable and profitable time was spent, in spite of cold, rather damp weather. The whole camp was run as a model troop, divided up into four patrols. J. Barry Cale, Assistant Provincial Commissioner for Training acted as the Scoutmaster, and showed his charges some top notch troop training tricks, with a good number of first rate games thrown in.

The roster of Eastern Townships Scouters is a large one: Granby, SM John Fanning, ASM W. O. Lewis, ASM W. E. Poljar; Group Committee Chairman, Orville Cloutier, Committee secretary, T. E. Unsworth; Beebe, SM A. C. Peacock; Drummondville, B. M. Templeman, Assistant District Commissioner for St. Francis Valley; St. Johns, Bob Gage, District Scoutmaster for Richmond Valley; Knowlton, SM L. K. Eden, ASM C. L. Church; Mansonville, SM Melvin Humphrey; Fitch Bay, SM John Kimpton; Waterloo, SM Paul Hamel; Stanstead, ASM J. Crepeault; Yamaska Valley, C. D. Porter, Assistant District Commissioner; Asbestos, SM D. W. Clark.

**SNAPPING FLAGS** — A troop church parade is always a colorful, brave sight, but when the Cubs, Brownies and Guides join in, the event is that much better. Waterville Scoutmaster Lloyd Spafford reports of such an event last Sunday in that town.

"It was a fine, sunny morning," SM Spafford reports, "uniforms were glistening and flags were snapping in the breeze" as 29 Scouts and Cubs, 28 Guides and Brownies and six leaders paraded to the Waterville United Church. Rev. B. Mallalieu chose as his text for the special sermon the story of the ransomed Christian knight of the Crusades, showing that the word of a Christian, and a Scout, is his bond. Scout and Guide promises were repeated by Scout Murray Powell and Guide Barbara Williams, respectively.

**Ministers Hold Mission At Magog**

Magog — The United Church ministers of the Quebec-Sherbrooke Presbytery met in St. Paul's United Church for a Mission to Ministers.

Rev. Dr. George Caird, principal of the United Theological College in Montreal, was the director and gave three addresses on "The Minister's Devotion Life", "A Modern Minister's Problems and Their Solutions" and "Complete Consecration in the Power of the Holy Spirit."

The Mission to Ministers is the first step in the United Church Evangelistic Mission to the Nation. Later in the fall there will be a Mission to Lay Workers in the Church, and next spring there will be in every church a Mission to Church Members.

After these preparatory steps, a Mission to the Nation will be launched next fall during which an attempt will be made to draw back into the fellowship of the church the many members and adherents who have become careless about church attendance, Bible reading and prayer.

## Why The Cheering?

There are always interesting side-lights to the romances of public figures.

The Princess Margaret-Peter Townsend affair is the one in the public eye at the moment, but while circumstances may vary, almost all follow a certain pattern as far as public reaction is concerned.

There are usually two camps — one in favor of the wedding, the other opposed. And while the larger camp is usually "Pro-Wedding," there are exceptions, such as the Duke of Windsor-Wallace Simpson match, which the masses generally opposed.

Certainly, in the Townsend-Margaret romance, the masses have aligned themselves stoutly in favor — a state of mind that the news mediums have no doubt greatly influenced.

But, while it would be presumptuous to suggest that the Princess not marry the man of her choice — if he is her choice — let us not get carried away and cloak her swain in a coat of shining armor.

Beyond the fact that Peter Townsend was an R.A.F. hero of the Battle of Britain — no mean recommendation — his attributes would seem to

be chiefly that he is handsome and is endowed with a thorough knowledge of the social graces.

Analyzed, in fact, there are many reasons why one might easily conclude that the Princess could find herself a more suitable partner.

1. He is 41, which makes him 16 years her senior. While such an age-spread isn't unusual, it isn't highly recommended.
2. He is divorced, and while modern society doesn't now consider this serious, it seems significant that his former wife has apparently found happiness since quitting him.
3. There may be an explanation logical to some, but few fathers would so easily allow two sons to depart to their mother, when under the divorce decree he was granted their custody.
4. Peter Townsend is a commoner. The significance of this depends on the individual's attitude to royalty and things royal.
5. The Princess' church must oppose the wedding because of Townsend's divorce.

Some or all of these factors must seem important. Why, then, all the hurrahs?

## Restoring Faith In Humanity

The recent story of an expedition by doctors and nurses during the past summer to Moose Factory in Northern Ontario is a heart-warming reminder that Canadians are not lacking in the spirit of true humanitarianism. The Department of National Health and Welfare operates a hospital on behalf of Indians and some Eskimos at Moose Factory at the southern end of James Bay. That hospital has 200 beds, a staff of 230 people, of which 105 are medical personnel.

Taking part in the expedition were clinicians representing the Hospital for Sick Children at Toronto, the Ontario Society for Crippled Children and the Department of National Health. These men and women

conducted a three-day clinic for crippled children for the James Bay and Hudson's Bay area.

Altogether they examined 80 children, many of whom were brought as far as 200 miles by air to attend the clinic. Others travelled by boat and many walked miles to join the patients who already had registered at the hospital. Among the patients examined, two babies under two years of age were recommended for treatment for congenital dislocated hips at the Toronto Children's Hospital immediately, and they will have every chance of recovery.

Here we have a splendid palliative to soften pessimistic thoughts about selfishness apparent here and there throughout the nation.

## Swedes Live In Glass Houses

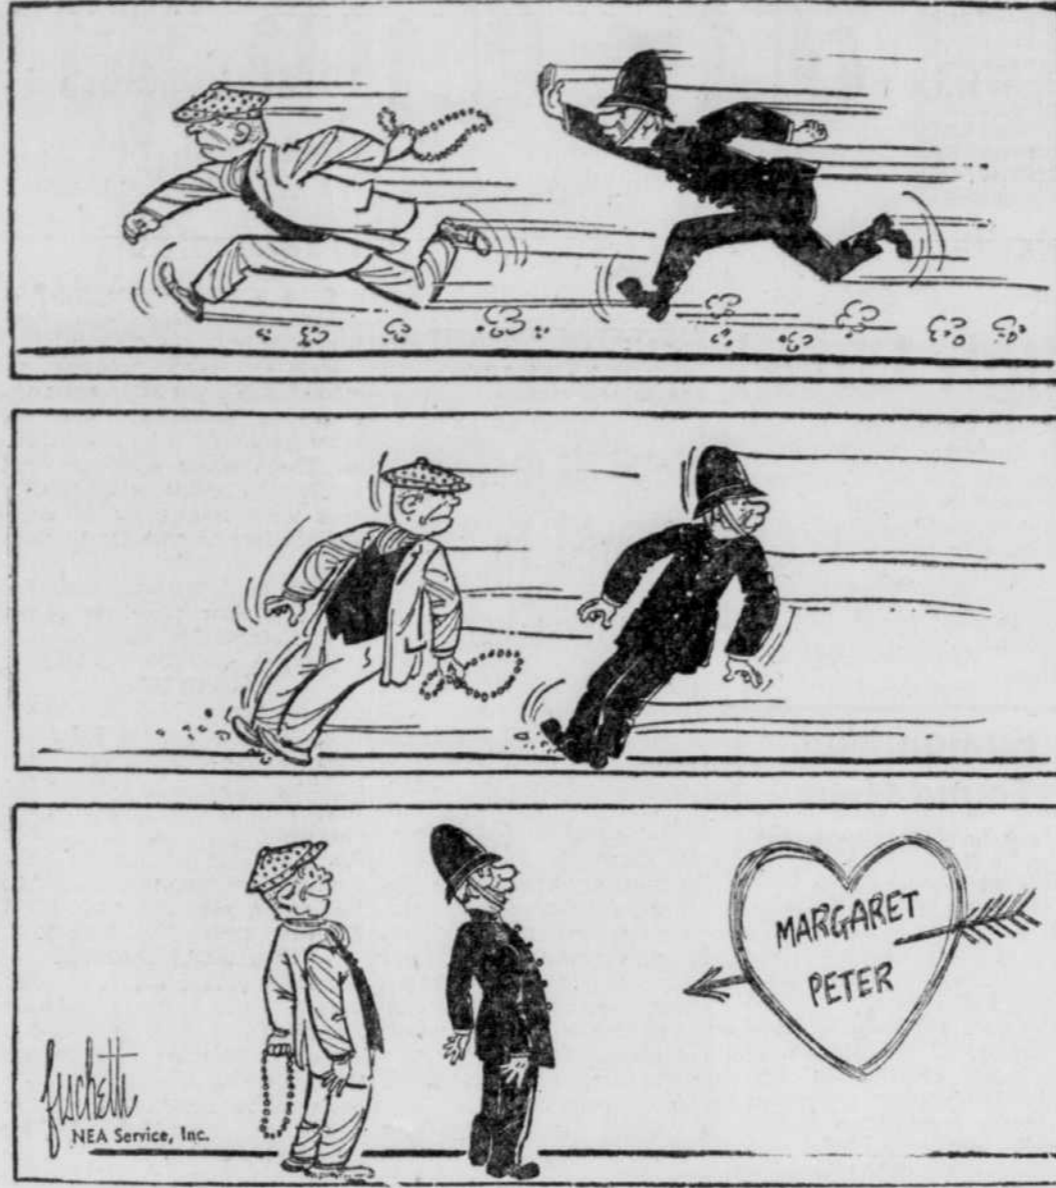

Glass houses are one of Sweden's latest experiments with new building materials. They are being built at a factory at Kosta, a village in the southern province of Samland, where some of Sweden's best glassware is made.

All the walls of these houses are in glass three sheets thick with insulating spaces between each layer. The advantage of using glass for

walls is that, apart from making the interior lighter, the whole wall is dropped into place in one operation, saving time and labor costs.

Nor is the glass really transparent. Although ordinary plate glass is used, it will be possible to live in the houses without covering all the walls with curtains. On the contrary, the glass gives a pleasant, luxurious light inside the room while the effect outside is opaque.

**THIRTY YEARS AGO**  
From the Record Files of Wednesday, October 21, 1925.  
Col. E. B. Worthington was the unanimous choice of the Conservative convention last night and he informed the gathering that he would accept the nomination. The decision of the Conservative Association makes a political fight certain in Sherbrooke County.

The Vatican in Rome has arranged for a \$1,500,000 credit to be advanced by Blair and Company and the Chase National Bank, the first contract of its kind ever entered into by the head of the Roman Catholic Church and Wall Street bankers.

**TWENTY YEARS AGO**  
From the Record Files of Monday, October 21st, 1935.  
British observers believe it is highly questionable whether European Nations could stand another critical period as that which has just passed. Within a month the new British Government is expected to be in a position to carry through any National Policy considered necessary.

Mackenzie King is busy preparing to take over the reins of the Government at the end of the week. Practically all Bennett ministers, successful and defeated alike, were in attendance at the final cabinet session this afternoon. Only routine matters necessary for the continued functioning of the Government will be dealt with.

## Finds Delight In Teaching Of Duller Students

Calgary. — Hand puppets which "bring out the quieter children and develop clear speech" may become a part of Canadian elementary school equipment after an exchange teacher returns to England next year.

C. F. Fish brought a box of the puppets, made by his pupils in England, to Canada. He has found his Calgary grade V children fascinated by them.

But the children are not the only ones who have learned by the exchange. The biggest difference between British and Canadian schools noted by the teacher, a former RAC officer, is the democracy in the schools here.

"The headmaster, you call him principal, is more 'captain of his ship' in England," he said. Members of the teaching staff in England rarely call each other by their Christian names, even if they are good friends.

"You may drive to school with the headmaster for several years and you would still call him mister," he said. But he has not seen any lack of discipline in Canada.

### DUMMY TRUMPS NEED GUARDING

Thus far in the series of hands on trump management, we have seen several cases in which it is important to protect your own trump suit. Today I present an example of protecting dummy's trump holding.

West leads the king of spades, and East signals with the nine. West continues with the ace of spades, and East completes his

seven of hearts, hoping that East cannot top this card. This gives our optimistic friend nowhere, for East does overruff. The defenders eventually get a club trick, and the contract is therefore defeated.

The better play is to discard a club from the dummy instead of ruffing the third spade. East likewise discards a club, and West wins the third trick.

Now the defenders are helpless. No matter what West does, you can win, draw three rounds of trumps, take the top clubs, and ruff your last club in the dummy.

The club discard from the dummy prepared you for an eventual club ruff. It gave the defenders the spade trick that was always bound to be theirs, but it deprived them of the club trick that they would otherwise win at the end.

### CARD SENSE

Q—The bidding has been:  
North East South West  
1 Heart Pass 1 Spade Pass  
1 N.T. Pass ?  
You, South, hold:  
Spades Q-10-7-5-3, Hearts 7-4, Diamonds K-J-9-6-2, Clubs 5.  
What do you do?

A—Bid two diamonds. You hope to play the hand at a low suit contract and expect to pass your partner's next bid.

**TODAY'S QUESTION**  
The bidding is the same as in the question just answered. You, South, hold:  
Spades A-J-7-5-3, Hearts 7-4, Diamonds K-Q-9-6-2, Clubs 5.  
What do you do?

### Questions and Answers

Q—Does any species of bird have teeth?  
A—No. A bird swallows food without chewing it, and it is ground by gravel in the gizzard.

Q—Are freckles hereditary?  
A—They frequently are.

Q—What is the beverage called kava?  
A—It is a peculiar non-alcoholic drink but very intoxicating beverage drunk in the islands of the South Pacific. It is made from the roots of the kava, a shrub of the pepper family.

## Australian City Is Startled By Juvenile Crime

Adelaide, Australia. — Adelaide, known as the "City of the Churches" and capital of South Australia, has been shocked by an official report of widespread vice among the state's teen-agers.

The report, prepared by the chief magistrate of the Children's court, W. A. Scales, says there is unmistakable evidence of "shameless immorality and adolescent gangsterism."

The report says: "Immoral conduct among juveniles in South Australia is clearly on a much larger scale than the number of prosecutions might indicate.

"The increase has been almost entirely due to the formation of gangs of children known as boddies and widdies.

"In the latest cases before the court there has been evidence that drugs or other stimulants have been added to drinks.

"Most of the children have come from inadequate homes, but others from respectable homes have been drawn into the gangs and once they have indulged in sexual misconduct they generally lose all sense of restraint. The distress of respectable parents when the facts have been disclosed has been very evident.

"The gangs usually congregate at milk bars and carry on their practices at Sandhills and at private homes when the parents are away."

Meetings of parents and citizens' associations connected with South Australian schools have been called to discuss the report and to decide on means of dealing with the situation.

## LETTER TO THE EDITOR

Editor,  
Sherbrooke Daily Record,  
Sherbrooke, P.Q.  
Dear Sir:

I have just returned from a stay in North Hatley where I read your Record. I noticed a slur on our U. S. Senator Joseph R. McCarthy from the sovereign state of Wisconsin, who was duly elected twice by a large majority of the voters of that state.

If Senator McCarthy sues the voters of his own state and they so desire to have him as their Senator it seems hardly fair for the foreign countries to have so much to say against the Communist fighter. Surely the people of Wisconsin are not all fools or knaves and they do not have to ask Canada, Britain or any other country who should be their Senator.

Mr. J. Edgar Hoover, our FBI chief, supports Senator McCarthy 100 per cent so I for one, as millions of others, have more faith in his judgment than I do in the Daily Worker and the rest of the left wing press who spend their time in sneering at our great and patriotic Senator.

Let each and every country attend to its own business, I say. When the state of Wisconsin does not want Senator McCarthy they will speak, without any help from Canada or any other foreign country.

Sincerely,  
LAUREL BENSON.

## RECORD - CROSSWORDS

\$290 or \$580 in CASH!

As no contestant was successful in winning last week's prize of \$280.00, this week's prize will be \$290.00.

**HOW TO DOUBLE THE PRIZE MONEY**  
If a sales slip from A/J BON MARCHÉ ENRG. is included with your entry the prize money will be doubled.

Solve the clues as you would any crossword puzzle. Clip out the puzzle after you have filled it in and mail it — or good exact-size facsimile of it — to CROSSWORD PUZZLE COMPETITION, c/o the Sherbrooke Daily Record. All answers must be received by mail or delivery in the Record Office not later than next WEDNESDAY at 8 p.m. If more than one contestant succeeds in answering the puzzle correctly the prize will be divided among those having the correct solution. If no one succeeds in answering the puzzle correctly the prize will be added to next week's puzzle prize money.

No household may send in more than TWO solutions. Sherbrooke Record employees and their families are not eligible for the prize money.

Study the clues carefully before you write down your answers. There is always one answer which is the best. The decision of the judges in the contest will be final and all contestants taking part agree to abide by the decision.

**IMPORTANT — To be acceptable all entries must be clipped along the dotted line. This is important.**

Tom Wilkinson Named To Head Waterloo Club

Waterloo — Tom Wilkinson, popular member of the Waterloo Kiwanis Club, was elected president for 1956 at the annual election of officers. Others elected were Armand Russell, vice-president, and Gene Sheppard, treasurer. The seven directors are Al Parkins, Pick Pickford, Derric Grenier, Burt McColeman, Les Hopperton, Jesse Smith and Joe Rydzak. Immediate past president, Roger McKergow, presided over the election.

The guest speaker for the occasion was Lucien Moise, of the Public Relations Department of the Bell Telephone Co. Mr. Moise, who was accompanied by Leo Hudon, local branch manager from Granby, spoke on "From the Talking Box to Transistor" and he took his audience through the 75 years of telephone service in Canada.

"Canada has the honor of being the biggest users of the telephone in the world today, and are third in having the largest number of telephones in use," Mr. Moise explained. He had much equipment on hand to use and demonstrate.

He explained that today there are over 53,000,000 phones in use on the North American continent, and within five years the Bell Telephone expects to have what they call direct dialing in

TOM WILKINSON

working order. By this means a person sitting in their own home will be able to dial any person anywhere on the continent without the call going through an operator.

This visit was one of several the Bell Telephone Company has made to the Kiwanis Club, and each one has been most interesting and very instructive. The speaker was introduced by Kiwanian Wes Parkes and thanked by Kiwanian Roger McKergow. The meal was prepared and served by some of the members themselves.

It was announced that next week's meeting will be a stunt night, when the members themselves will be taking part in the activities.

Rotary Objectives Explained To Boundary Club

Rock Island — F. Manning Moody, of Hanover, N.H., Governor of District 28 of Rotary International, was guest speaker at the Rotary Club of the Boundary, following a conference with local Rotary officers and committee chairmen.

The meeting, held at the Del Monty Hotel, with the president, Beverly Haselton, presiding, was a 100 per cent meeting, with every member of the club present. Fourteen members of the club remained for a club assembly, where various aspects of Rotary were discussed and plans made for the coming months.

In addition to the activities of Rotary's 8,700 clubs within their own communities to promote world peace and understanding, Mr. Moody explained, Rotary International has spent more than \$1,750,000 in recent years through its program of student fellowships, which enable outstanding college graduates to study for one year in countries other than their own, as ambassadors of good will. Since 1947, when this program was established, 709 Rotary Fellowships have been awarded to students in 57 countries. Several have been awarded in this district.

"With fellowship and service to others as its keynote, Rotary provides a common ground for 414,000 business and professional executives throughout the world, regardless of differing nationalities or political or religious beliefs," the Rotary District Governor emphasized.

"In addition to the promotion of international understanding," Mr. Moody continued, "special emphasis is being placed by Rotary Clubs this year on activities of their own communities which will furnish leadership in youth programs, raise standards in businesses and professions, promote traffic safety, develop good citizenship and build better rural-urban relationships."

The District Governor congratulated the local club on the management and on the 100% attendance and expressed his thanks for the donation to flood relief from the club. About \$2,000 has so far been raised in this district to aid the towns and cities so severely damaged.

Mr. Moody also said he thought the success of the recent Rotary Fair was proof that the people of the Boundary district realized the good that the club was doing.

The Governor was introduced by President Haselton and thanked for his inspiring talk by E. J. Struthers, Visiting Rotarian at the meeting were Lyndol Palin and Harry Rice of Newport. Music for the singing was played by Miss Aline Ricard, and S. R. MacLean led the singing.

WEST SHEFFORD—

Candidates prepared and presented by the Rev. Canon Lewis were confirmed at St. John's Church by the Lord Bishop of Montreal. Those receiving confirmation were Mrs. Bennett, Mrs. Hamilton, Ruth Brunton and John Hamilton with Anthony Morgan, of St. Luke's parish, Waterloo, Archdeacon Lidstone and Mr. Wilmur Davidson, B.A., attended the Bishop. Miss Winnifred Lang presided at the organ and the choir was augmented by Mrs. Morrison and the Misses Corrigan and Horner, of Knowlton. After the impressive service, the Altar Guild sent flowers to Mrs. Benham, Mrs. Donaway and Mrs. Bartlett. Later Bishop Dixon, accompanied by Canon Lewis, motored to Knowlton where they attended the Bromes-Shefford Deanery service in St. Paul's Church.

After motoring to St. Mary's de Ely one Sunday with Mr. and Mrs. Joseph Bernier, Mr. and Mrs. Michael McMahon went on to Montreal with them. They also visited their son, Frank, his wife and family, who motored them back to Shefford and remained for the week-end.

Friends Honor Bury Couple On 45th Anniversary

Bury — Mr. and Mrs. W. E. Goodenough were pleasantly surprised when relatives and neighbors gathered at their home to extend congratulations and best wishes on the occasion of their 45th wedding anniversary.

On the arrival of the guests of honor, their daughter, Mrs. Lloyd Morrison presented her mother with a corsage and Mrs. Earl Goodenough presented the groom with a boutonniere of a white carnation.

The flowers for the occasion were sent as a gift from Mr. and Mrs. Herbert Dapp, of Melbourn.

The guest book, a gift from Mr. and Mrs. T. G. Stokes, was presented to the bride and groom and contained the names of the 40 guests present.

During the evening, Mr. Lloyd Hunt, of Sawyerville, who was the best man at the time of their wedding in 1910, on behalf of the assembled guests, presented Mr. and Mrs. Goodenough with an electric tea kettle, a purse of money and also many other useful and beautiful gifts.

Mr. and Mrs. Goodenough thanked the guests for their kind tokens of remembrance and the remainder of the evening was spent with music and the singing of old time songs, with Mrs. Lloyd Hunt, of Sawyerville at the piano and Mr. Gordon Boynton on the violin. As a contribution to the evening's entertainment, Mrs. Earl Goodenough gave a resume of the past forty-five years of their married life and also read a humorous poem.

Later, lunch was served, the catering being in charge of Mrs. Lloyd Morrison and Mrs. Edith Morrison of Sawyerville, Mrs. Earl Goodenough and Mrs. T. G. Stokes, of Bury. The threepiece wedding cake was made and decorated by Mrs. Lloyd Morrison. Those who assisted in serving were Mrs. Dick Aulis, Mrs. Lawrence Aulis and Mr. Lloyd Morrison.

### B. And P. Club Hears Talk On Municipal Affairs

Rock Island — Alton Grady, Mayor of Rock Island, Hugo Lapenna, Mayor of Beebe, and Howard Wells, representative of the Stanstead Council, were special guests at the October meeting of the Border Business and Professional Women's Club held in the reception rooms of Stanstead Wesleyan College.

The subject of the meeting was "Municipal Affairs." Upon arrival of the guests they were received by the president, Miss Margaret Maston.

Each of the men spoke briefly on the affairs of the Council, and how it is governed. They also answered numerous questions in regard to valuation, taxes, mill rate, voting and others.

Mr. Wells told how the council is divided into committee chairmen in charge of roads, fire and lighting, health and sewer, town hall, parks and police, and industrial development.

The guests gave the members some idea of the vast amount of time and work the Mayor and the Council are required to give for successful management of a municipality such as the towns of Beebe, Rock Island and Stanstead, and is done all on a voluntary basis, for there is no pay attached.

Miss Elsie McFaden thanked the speakers for their interest in coming to this meeting, and explained to them something of the B. & P. Club's work.

The next meeting will be held at the home of Mrs. M. Farman and Miss Eva Bullock on November 21.

Refreshments were served from the lace-covered table by the hostesses, Miss Eva Bullock, Miss Ruth Wing, Mrs. Catherine Er-you and Mrs. Charles Merriman.

### COOKSHIRE—

Recent guests of Mr. and Mrs. Earl Parker were Mr. and Mrs. Arnold Wheeler, of Coaticook.

Recent guests of Mr. and Mrs. Jack Bolter were Mr. E. Johnson, Mr. and Mrs. Burton Hall and baby Ricky, of Pittsburg, N. H., Miss Ida Locke, nurse-in-training at the Sherbrooke Hospital, Mr. and Mrs. Dick Tracey, of Lennoxville, Miss June Fraser, of Coaticook, Mr. and Mrs. Willard McLeod, of Gould Station, and Mr. and Mrs. Alfred Rowland, of East Angus.

Mr. and Mrs. Donald Standish and two daughters, Carol and Patricia, were weekend guests of Mr. and Mrs. John Chisholm, in Montreal.

There will be a meeting of the B.I.C. Home and School Association on Thursday, October 27, at 8 p.m. in the Cookshire High School. Mr. Wright W. Gibson, principal of the Sherbrooke High School, will be the guest speaker.

The pupils of the Sunday School of Trinity United Church with their superintendent, Mrs. D. J. Macmillan, were in charge of the morning service. All participants carried out their duties efficiently, and the staff is to be congratulated on their work. The following program was presented: Invocation, Eleanor Vogel; announcement of hymns, Trudy Learned; responsive reading, Barbara Learned; prayer, Brian Gilbert; hymn by the entire Sunday School; Scripture lessons, Lyland Northcott; announcements, Norval Northcott; offering, Edward Northcott, Gordon Vogel, Malcolm Learned, Arnold MacMillan; door attendant, Jimmy Waldron; organist, Betty MacRae.

## NOODLES AND BRISKET ARE THRIFTY AND GOOD

It's often the most inexpensive cuts of meat that make the tastiest meals. A thrifty supper combining tender-cooked lamb or beef with noodles and vegetables is a satisfying and welcome sight on chilly Winter evenings when appetites demand plenty of old-fashioned goodness and flavor. Macaroni products combine perfectly with any kind of meat in nutritious and well-balanced dishes the whole family enjoy. You'll want to serve this hearty recipe often during the cold-weather months, so be sure to stock up on a wide variety of macaroni products during National Macaroni Week, October 20th to 29th.

Cooked in one pot and served together on a platter, rolled beef brisket, vegetables and egg noodles make a simple and hearty Winter meal. Horse-radish sauce is a flavorful accompaniment.

### Beef Brisket and Noodle Dinner (Makes 6 to 8 servings)

- 1 3-pound beef brisket rolled and tied
- Salt and pepper
- 1/4 cup butter or margarine
- 1/2 cup chopped onions
- 1 1/2 quarts water
- 2 teaspoons salt
- 1/2 teaspoon pepper
- 8 small whole carrots
- 12 small whole white onions
- 8 ounces medium egg noodles (about 4 cups)
- Salt and pepper to taste

Sprinkle beef with salt and pepper. Melt butter or margarine over medium heat. Add chopped onions and saute 5 minutes. Add beef and brown well on all sides. Add 1 quart water, 2 teaspoons salt and pepper. Cover and cook over low heat 2 to 2 1/2 hours, or until meat is almost tender. Add carrots, whole onions and remaining water. Continue cooking 30 minutes, or until meat and vegetables are tender. Remove meat and vegetables to heated serving platter.

Heat stock to boiling point. Gradually add noodles so that stock continues to boil. Cook uncovered, stirring occasionally, until tender. Season to taste with salt and pepper. Drain noodles and reserve stock. Surround meat and vegetables with noodles. Serve with thickened stock, if desired.

## Miss C. Aitkenhead Entertains B & P W Club Members

The members of the Business and Professional Women's Club were guests of Miss Clara Aitkenhead at the Sherbrooke Hospital Nurses' Home, Norton Residence, on Monday evening.

The president, Miss Margaret Haight, presided at the meeting and brought to the attention of the assembly a circular urging members to purchase United Nations Christmas cards, proceeds of the sale of which go to the U.N. Children's Relief Fund. It was also mentioned that in the United States a Halloween Fund had been inaugurated, one half million dollars having been gathered and turned in by the children for the benefit of the U.N. Children's Relief Fund.

Sympathy was extended to Miss Geraldine Hebert in the loss of her mother Mrs. F. J. Hebert. Regret was also expressed at the illness of Mrs. Mabel Barter, presently a patient in the Montreal Neurological Institute.

A bulletin received from the Montreal B. and P. W.'s Club outlined its activities for the month of October. Sherbrooke members being cordially invited to participate.

Mrs. Kenneth Little of the Lennoxville High School teaching staff was officially welcomed into the Club by the president. The name of Miss Rita Shea, secretary-treasurer of the Quebec Maple Products was proposed for membership and unanimously approved.

The suggestion of a Christmas supper meeting at Rockcliffe met with general approval — this event being scheduled for Monday, December 12.

An appeal was made by Miss Bessie Milford for Cancer Dressings Group workers for Monday, November 21.

At the close of the business session Miss Margaret Haight voiced to Miss Aitkenhead the appreciation of the Club members for her very kind invitation to hold their meeting at Norton Residence. Miss Aitkenhead in turn extended greetings before proceeding to the evening's program consisting of the showing of coloured pictures taken on a trip in April to Williamsburg and Washington at the height of cherry blossom time.

Miss Bessie Milford thanked Miss Aitkenhead for the very interesting entertainment she had provided.

A social hour and the serving of refreshments brought to a close a pleasant evening.

## School Board Supervisor Explains School Finances To Beebe W. I.

Beebe — Mr. MacKeen, County Supervisor of the Protestant Central School Board was guest speaker when the Women's Institute met at the Beebe town hall.

Mrs. Donald Rivett, vice-president, opened the meeting and Mrs. Rivett welcomed the school teachers to the meeting.

The treasurer stated a bank balance of \$242.15. Of this amount, \$151 has been set aside to purchase dishes to be placed in the kitchen of the new school. The sum of \$14.75 will be used to buy Christmas gifts for patients in the Children's Memorial hospital.

A letter was read from Mrs. Brevoort, thanking members for the sunshine basket received.

Mrs. Richard Halsall, education convener, reported that music classes, under the direction of Mrs. Howard Cass, have begun in the school.

A donation of \$5 will be sent to the Salvation Army in memory of the late Harold J. Stubbs.

A hat re-modelling course will be held during the week of November 14, at the town hall with Miss McQuat, technician, in

attendance. Members are requested to bring needles, thread, scissors, thimble and an old felt hat.

It was suggested that members be approached concerning the Quebec Service Fund, with the idea of each one personally earning the fee money to be submitted.

The sum of \$37.75 was realized from the food sale held last month. A rummage sale is planned for November 5, in the council room, beginning at 9 a.m.

Mrs. Rivett was appointed as delegate to the November County meeting to be held in Minton.

Mr. MacKeen was introduced and spoke on "The School Finance" mentioning the cost of educating one child per year, teachers' salaries, cost of school buses and drivers, upkeep of school buildings, etc. He stated that 50 per cent of all costs dealing with the school and staff were paid by the government, with the remainder being raised locally, thus explaining the amount of school tax being paid.

Mr. MacKeen also stressed the need of teachers for backward

pupils, giving several examples of children being held back for the need of special teachers.

Refreshments were served by Mrs. J. Ewan, Mrs. L. Brown, Mrs. T. Parker and Mrs. B. Labere.

### CHRISTENING

The infant son of Mr. and Mrs. Roland Sheldon was baptized at All Saints Church, with Rev. A. L. Salt officiating. The name, Kevin Dale was bestowed on the child, and he wore the little jacket that his paternal grandmother wore at her christening 66 years ago. The godparents were Mr. and Mrs. Dale Rollins, uncle and aunt of the child and Mr. George Hartwell of Hatley.

After the christening, the parents were at home to the guests, and refreshments were served. The linen covered table was centered with a beautiful christening cake, decorated in blue and white and flanked by blue tapers in silver holders. White baby mums completed the decorations. Tea was poured by the maternal grandmother, Mrs. Forest Rollins, and the christening cake was served by the godmother.

Guests included: Mr. and Mrs. Ralph Sheldon, Mr. and Mrs. Forest Rollins, Mr. George Hartwell, Miss Kay Sullivan, of Lennoxville, Mr. and Mrs. Charles Aulis and Hollis, Mrs. Maurice Labere and Maureen of Halifax, N.S., and Mr. and Mrs. Eugene Carboneau and Gary.

The guests registered in a "baby book" which was in charge of the baby's aunt, Mrs. Maurice Labere.

### General Notes

S.M. John Kimpton, of the Fitch Bay Boy Scout Troop, A.S.M. Corde Crepeau, of the Stanstead Troop and S.M. Alden Peacock, of the Beebe Troop, attended a Preliminary Wood Badge Training Course for Scout leaders held at the Yamaska Valley District Scout Camp on Lake Bonnalieu.

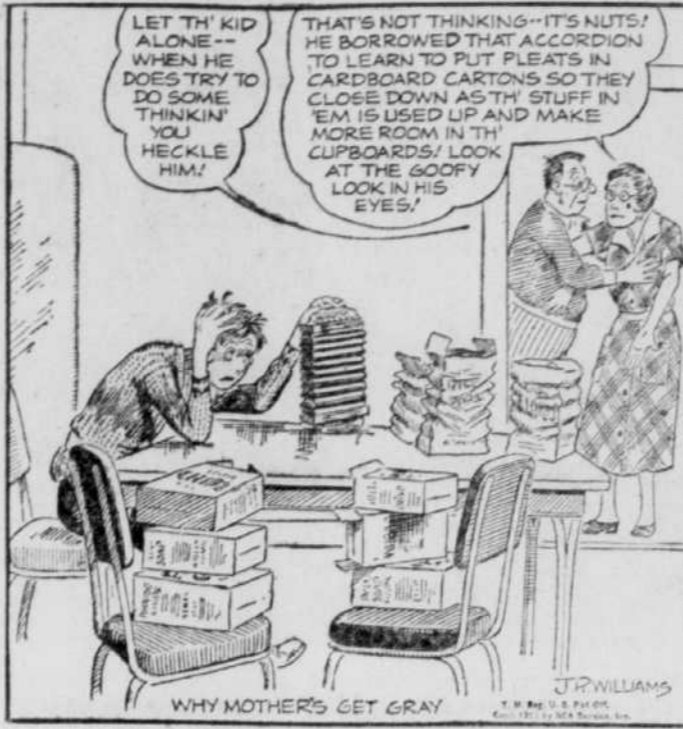

The annual meeting of the Welcome Club was held at the Club house. The president, Miss Mae Bean, presided and following the monthly reports the election of new officers took place as follows: President, Miss Mae Bean; vice-president, Mr. Wells Brown; treasurer, Mrs. W. Brown; secretary and news reporter, Mrs. Carroll Brown. The club is pleased to welcome Mr. and Mrs. Gus Patenaude, Mr. and Mrs. Harold Emslie and Mr. Cecil Barnett as new members. Final plans were made for the Hallowe'en parties. One for the 4-H children and friends will be held on October 28 and the adult party will take place on October 29. Following the business meeting darts were played and a taffy pull was enjoyed. Refreshments were served by Mr. and Mrs. Bill Jones, Mrs. Florence Rhodes and Mrs. Carroll Brown.

At a special meeting of the Welcome Club the dart teams for the coming year were formed with Mrs. Carroll Brown named as captain of the ladies' team and Alton Wing, captain of the gents team.

### OBITUARIES

**MRS. THOMAS GUY, OF KINNEAR'S MILLS**  
Kinneare's Mills — A highly respected resident of this town, Mrs. Ellen (Nellie) Guy, widow of Thomas Guy, passed away at her residence on Tuesday, October 11, following an illness of three months.

Mrs. Guy was born June 14, 1876, on the second range of Thetford, daughter of the late William Murray and his wife, Elizabeth Morrow, one of a family of ten children.

On March 14, 1899, she was united in marriage to Thomas Guy, residing on the first range of Thetford until 1907, when they moved to Kinneare's Mills, where she had since resided. Her husband predeceased her May 4, 1933.

To this union five sons were born, William, of St. Johnsbury, Vt.; Allan, of Ottawa; Leonard, at home; Harold, of Kitchener,

Ont.; Alvin, of Lennoxville.

Besides her sons, she leaves to mourn her loss, two sisters, Katie, Mrs. A. Jamieson, of Lennoxville; May, Mrs. Lewis Arnold, of California; four daughters-in-law, Mrs. W. J. Guy, Mrs. L. Guy, Mrs. Harold Guy and Mrs. Alvin Guy; a brother-in-law, Andrew Nugent, twelve grandchildren, many nieces and nephews. She was predeceased by one brother, Robert Murray, and six sisters, Eliza Walker, Agnes Nugent, Christmas McElravy, Bella Nugent, Annie Guy and Emma Murray, who died in infancy.

The funeral was held on Thursday, October 13, in the Catholic Church, Rev. F. A. Crook of Inverness, who officiated spoke comforting words to the family. The hymns were "Abide With Me" and "Jesus Savior Pilot Me," and a favourite hymn, "There'll Be No Dark Valley" was rendered by the choir, with Mrs. Lewis Eager as organist.

The bearers were Edgar, Clark and Kenneth Nugent, Elmer Guy and Wesley Robinson, nephews, and H. L. Wallace.

Mrs. Guy was a life long member of the United Church a member of the Women's Association and an associate member of the Women's Missionary Society. She was a kind and loving wife and mother. The flowers were numerous, showing the esteem in which she was held.

Among those present were Mr. and Mrs. W. J. Guy and daughter, Mildred, of St. Johnsbury, Vt., and Mr. and Mrs. Robert Perry, of Cabot, Vt.

### DIANA WOODS, OF OLIVER CORNER.

Fitch Bay—The funeral of Diana Woods, eldest daughter of Mr. and Mrs. Rupert Woods, who passed away in La Providence Hospital, Magog, on October 7, following an accident, was held at St. Matthias' Church on Monday afternoon, October 10, after prayers at the home on the Oliver Corner Road.

The service was conducted by Rev. Alfred Salt, of Stanstead, and was attended by a large number of friends and neighbors. Two hymns, "Abide with Me" and "Safe in the Arms of Jesus," were sung by the choir and the service closed with the singing of the Nunc Dimittis.

The flower-laden casket was carried to its last resting place by Jack and Alfred White, Lyndon Sheldon, Arnold Thayer, Joseph Wharry and Wayne Corbett.

Besides her parents she leaves to mourn her passing two sisters, Agnes and Lorraine; four brothers, Allan, Brian, Douglas and Carson; two grandmothers, Mrs. Etta Woods and Mrs. K. M. Gilson, of Niagara Falls, and a number of aunts, uncles and cousins.

Relatives were present from Magog, Marlinton, Beebe and other places.

### C.W.L. Tea At Thetford Mines

Thetford Mines — The autumn tea of the Catholic Women's League was held in the Salle Poulin, with Mrs. J. L. Demers and Mrs. O. C. Smith presiding at the tea table.

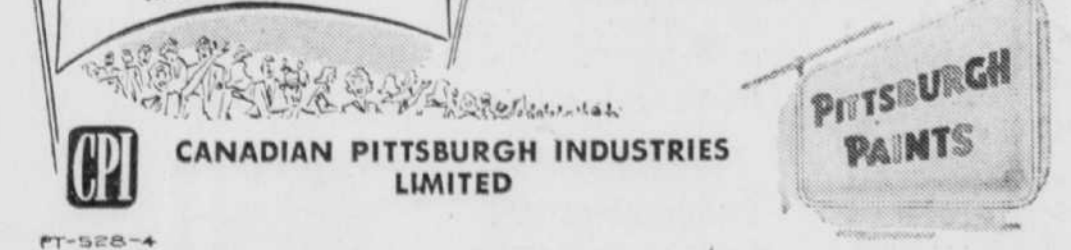

The tea was convoked by Mrs. L. Lavigne, who was assisted by Mrs. J. Atto. Extra interest was provided by having a table of new articles and a White Elephant table, which were under the supervision of Mrs. W. J. Johnson.

The event was most successful and will provide the League with additional funds to carry on its charitable work.

# Sherbrooke Racing Club Presents Final Card Of Season This Weekend

## Free-For-All And Five-Mile Events Slated For Season's Closing On Sunday Afternoon; Races Tomorrow

The final two racing cards of the season will take place this weekend according to Adelard Dumas, president of the Sherbrooke Racing Club. Tomorrow evening nine classes are on the agenda while Sunday afternoon the curtain will drop on the 1955 season and a Free-for-all and Five-mile marathon are slated on the closing program.

On tomorrow night's card a \$300 claiming race is scheduled to take place in the fourth with eight horses entered in it. In the "DD" Trot eight are entered and no doubt they will go all out in order to end the season with a victory.

Three of the classes are doubles with three single dashes. The opening class on the card is a single dash but the second half of the double is a two-heat affair. Several winners during the past week are booked to make their farewell appearance and this should entice the drivers to go all out in an attempt to pick up a little extra cash before the snow flies.

A few new horses at the local track are making their initial appearance on the program which should no doubt cause a little extra trouble to the railbirds in making their selections. Picking favorites in the different classes presents quite a problem and the railbirds came up with a few tough ones. Selecting a daily double combination will take a little consideration if the past records of the horses are any indication as several of the starters have won within the past few weeks.

In the main class Maryland Port has been picked as the winner but any of the other seven could well pull through. Joseph at Forbes and He's II follow in order but again Flo Express, Baden's Ray and Miss B. Dickerson should come in for a little consideration.

## Aces Eke Out 3-2 Win Over Trois Rivieres

Quebec — (P) — Quebec Aces held off a late rally by Trois-Rivieres Lions Thursday night for a 3-2 victory in a Quebec Hockey League game before an estimated 1,000 fans.

The win — Quebec's second of the season — moved the Aces into undisputed possession of fourth place in the standings. Trois-Rivieres dropped all alone into the cellar.

Billy Ford, Ray Powell and Gilles Thibault scored Quebec's goals, while Jean-Paul Bisailon and playing-coach Jean-Paul Lamfrance counted for Trois-Rivieres.

Phil Hughes made 23 stops and Claude Evans 30 for the Aces.

## Sports Of Sorts

GLEN BROWN

Basketball is away in a cloud of dust with Granby High seniors having visited Knowlton and Sutton High taking a look at the Cowansville layout, while Knowlton High tangled with Waterloo High in an exhibition at the Slack Bros. Memorial Gymnasium.

The results? Well, Knowlton took Granby at Knowlton and got the Fleuwelling clan off to a good fast start with Harvey Lowry playing his best offensive game, racking up 20 points. Actually Granby High played a fine game but poor shooting was the only thing that kept them out of the running. The Granby boys played a heads-up open game on offense and on defense their zone stood up fairly well and you can expect a better showing the next time the Dave Savage boys meet anyone.

In the Sutton-Cowansville go Sandy Sanford's boys came out on top 28-22 in a tight game over the league's new entry, Sutton. Jan Terauds was high basket pouter with 15 points for the Big Red team. Spicer scored seven, Farr two and Dickie Barrett knocked off the remaining four points for the winners. For Sutton Ralph Davidson set the boys up for 11 markers, Bob Brett six of the good ones, Roy Seaman three and "Moose" Beuregard two.

Swinging over to the Waterloo-Knowlton exhibition do, Waterloo made K.H.S. look very bad indeed, coming up with a fighting game to lead the defending champions at halftime 10-1. Bruce Racicot, Wallace Tibbitts, George Young and Gary Perkins seemed to be playing the Purple and White boys right off their feet. However, the Fleuwelling clan settled down and gradually dropped in a few baskets to finally come out ahead in the dying minutes of the game 20-15, but not until the Knowlton cheering section had chewed their fingers up to the first knuckle.

So by the looks of things the league race is going to be tighter than ever. Actually right now it looks as if basketball is going to be bigger and better this year and that is making quite a statement.

CHAFF—Entries for the intermediate league are five in the boys' line with Waterloo, the defending champs, entered as are Knowlton, Cowansville and Granby. The four teams are going through a regular league schedule and then they are going to play off with the Mansenville team, who will have to rely on exhibition games only.

In the girls' schedule they have finally opened up a formal league with Mansenville, Knowlton, Sutton and Waterloo in the eastern section. Ken Rhiard is showing the bird boys how to get partridge these days with a lovely 17 for the season so far.

Legion Wins To Remain On Top In Darts Loop

The Richmond Darts League downing Trenholm 23-17 in the only game played in the circuit. This evening the Richmond Darts Club will be hosts to Trenholm while Valcourt will tangle with the Rovers in the other tilt.

There were no five-round winners but two Legion's duos got four rounds out of five, Eddie Campbellton with Elmer Fuller and Les Dalton with Harold Kydd. Four other teams had three out of five. Bert Dean and his partner Omer Mallette got a "skunking" in their fifth round. They did not even get started on the double...

Guelph Husk and James Leckie almost came up with a perfect dart game when they finished their third round with ten darts, nine of them true to their mark. Their opposition was the Ray Lampron-Jacques Gervais duo and Leckie started the game throwing a three-dart total of 51. Husk threw 118 on his turn and Leckie used two darts for a 120 throw.

The Trenholm duo hadn't started the double yet and the Legion sharpshooters got down to a double six. Husk was ready to throw and he made it with the one dart. He sank it to end the game and skunk their opposition in the third round. They had won three out of five and Trenholm had three teams winning the same number.

THURSDAY'S FIGHTS  
Los Angeles — Pimi Barajas Jimenez, 115-4, Tijuana, Mexico, outpointed Jackie Spurgeon, 112, New York, 10.

Boise, Idaho — Mickey Rhodes, 159, Boise, outpointed Dick Lane, 149, Billings, Mont., 10.  
Houston, Tex. — Ray Riojas, 135, Houston, outpointed Boland Abrams, 134, Philadelphia, 10.

Philadelphia — (P) — Eddie Collins, Jr., son of one of baseball's all-time greats, Thursday resigned as assistant general manager of Philadelphia Phillies because, he said, he was placed in the position of endorsing policies he disapproved.

Collins joined Phillies as assistant farm director in 1947 and was named assistant general manager last Dec. 19. Actually, his resignation was the result of a policy conflict with general manager Roy Hamney.

Collins, whose dad, (Edward Trobridge Collins, Sr.) is in the Hall of Fame, said his decision to quit was not sudden. He said it had been building up over the last summer.

## Don McKenney's Third Period Goal Gives Bruins 3-2 Win Over Canadiens; First Break Of Season For Habs

MONTREAL — (CP) — Don McKenney's goal at 18:28 of a blistering third period Thursday night pulled out a 3-2 win for Boston Bruins over Montreal Canadiens, the Bruins socking the Montrealers for their first loss of the National Hockey League season.

Canadiens overcame a two-goal deficit in the final period themselves, with the crowd of 13,555 in a continual uproar, but McKenney settled the issue with a whistling shot as both teams battled all out for the decision.

The Bruin's victory lifted them into second place in the standing, while the first-place Canadiens had their margin trimmed to two points.

Boston took the lead in the first period on Vic Stasiuk's goal at 18:01 and went two up at 9:52 of the middle period when Doug Mohns counted on a deflected shot.

Up to that point the fast-skating Bruins had outplayed Canadiens by a good margin, keeping the Montrealers off balance and letting them seldom get organized for a consistent offense.

It was a different story in the final session when Henri (Pocket Rocket) Richard counted at 2:56 and Dollard St. Laurent tied the score at 7:15.

From there on it was a battle royal and goalie Terry Sawchuk was brilliant in the Boston nets, turning back a rain of 22 shots that came at him from all directions.

The break came suddenly when Marcel Bonin carried the puck into a corner and back-passed to McKenney who blasted a 30-foot angle shot past goalie Jacques Plante. It was McKenney's first goal of the season.

Stasiuk, back in the game after a layoff because of injuries, beat Plante on a high shot to start the Bruins off, and Mohns' goal was a sharp deflection of Leo Boivin's waist-high drive.

Henri Richard smacked in the rebound of a shot by Beliveau, who was far and away Montreal's best player of the night, the little Rocket shooting from a few feet outside the crease.

St. Laurent received credit for his goal during a play he started himself with a back pass to Leclair. Leclair's net-bound shot clipped St. Laurent and swept past Sawchuk.

Canadiens third-period offensive gave them a wide margin on shots, Sawchuk handling 36 in all and Plante 20.

The break came suddenly when Bishop's University Gaitors will be out for their third victory of the year in the Ottawa-St. Lawrence Valley Section "B" football league when they travel to Ottawa tomorrow to play St. Pat's College.

Game time is 2:00 and the Gaitors will be aiming for their ninth straight victory. In other league games this year the Gaitors have beaten teams from Collège Militaire Royale and MacDonald College. They are heavy favorites to win tomorrow's game due to last week's defeat of the McGill Indians in an exhibition tilt.

St. Pats have not fared as well this year, their first in the league. They lost their season's opener to the Royal Military College, 21-0. Coach Gordon "Beef" Ross of the Gaitors is taking no chances however, he plans to have his boys in top shape for the clash. They spent the week working out the roughness left by the McGill game.

## Isaac Logart, Welterweight From Kid Gavilan's Home Town, Gets His Big Chance Tonight With Gil Turner

New York — (AP) — Isaac Logart, a 22-year-old welterweight from Kid Gavilan's home town, makes the jump to the big time tonight against experienced Gil Turner at Madison Square Garden.

The young Cuban from Camaguey, latest idol of the metropolitan area's Latin-American set, is a 9-to-5 underdog for the 10-round.

Logart has 13 brothers and three sisters. He once fought a main event for \$1.50 in Cuba. Tonight, he not only gets a chance to crash the spotlight but he'll pick up a check for about \$5,000.

"This is my big chance," he says. "All the time I want to fight in the Garden like Kid Chocolate (his idol) and Kid Gavilan. I show I belong. Maybe I get chance for the title."

He is raring to go but so is Turner. Gil, now 25, was only 22 when he was knocked out in 11 rounds by Gavilan, then the

## Ted Lindsay Fires Equalizer As Wings And Hawks Battle To Draw

Detroit — (P) — Captain Ted Lindsay fired in the equalizer at 4:06 of the final period Thursday night to give the National Hockey League champion Detroit Red Wings a 2-2 tie with Chicago Black Hawks.

Lindsay scored the tying marker after Bill Dineen had reduced a 2-0 Chicago lead in the second period.

The Black Hawks had gone out front on goals by Red Sullivan and Harry Watson.

Thursday night's tie, coupled with the earlier victory, gave the Hawks as many points against Detroit as they were able to compile over all of last season when they were able to muster only one win and one tie in 14 starts. Sullivan in the first period and

Wes Santee Gets Off To Flying Mile In 4:05.2

New York — (P) — Wes Santee got the indoor track season off to a rushing start Thursday night by winning a 4:05.2 mile victory in Madison Square Garden.

A crowd of 10,300 watched Santee and Fred Dwyer fight it out until the final lap.

Then Santee, a Marine Corps lieutenant, pulled ahead and won by 20 yards. Billy Tidwell was third and Joe Lapierre fourth.

Denmark's Gunnar Nielsen holds the world indoor mark of 4:03.6, set in the Garden last season.

Milwaukee Signs Catcher Limato For Quebec Club

Milwaukee — (P) — The Milwaukee Braves Thursday signed catcher John Limato of Trenton, N.J., to a 1956 Quebec contract. Limato, 19, stands six feet tall, weighs 195 pounds and bats and throws right-handed.

He will report to the Braves minor league training camp at Waycross, Ga., next spring.

## Canadian Pro Football Heading Into Final Stages Of Schedule; Als Move To Toronto And Riders To Hamilton

Canadian football heads into the home stretch this weekend and about all that's left to decide is which teams get the last playoff spots.

In the professional leagues the first two places, have been decided but the third playoff spots remain in doubt.

In the Western Interprovincial Union, Winnipeg Blue Bombers and B.C. Lions play crucial games Saturday. Both must win to keep their playoff hopes alive. Lions in fourth place with 10 points, play Saskatchewan Roughriders at Regina, while Bombers, in third spot with 12 points, meet the first-place Eskimos in Edmonton.

Lions have only two games left while Bombers have three. Bombers have to win two of them to catch a playoff berth while Lions have to win both games while Bombers drop two.

In the Big Four, Montreal Alouettes and Hamilton Tiger-Cats have assured themselves of a playoff spot, but Toronto Argonauts and Ottawa Rough Riders still are jockeying for the last position.

Argos have six points, two up on Riders, and both have three games left to play. Argos play league-leading Alouettes in Toronto Saturday while Riders play Hamilton at Ottawa.

## Dow "Certificate Of Merit" Bowling Tournament Opens; Weekly Prizes At Stake For Winners In Both Sections

The annual "Dow Certificate of Merit" Bowling tournament, which proved so successful and popular last season with local players in the various leagues throughout the Townships, commences again.

Ivan Dugre, local representative for the Dow Brewery, will once again sponsor the tourney. It will take in all league games from October 9 until April 1, 1956, and each week the lady and man bowler rolling the highest single will receive a special gift of a cabaret and six tumblers for achieving the feat.

The monthly winners, in their own sections, will be presented with a "Dow Certificate of Merit" for rolling the high singles. The tourney will cover all league games, both big and duck pins. At the end of the season the high lady and man bowler will be presented with a \$50 War Savings Bond.

A grand total of three hundred prizes will be presented by the "Certificate of Merit" winners and the two performers who will be awarded the War Savings Bonds at the end of the year.

During the past season the Dow tournament raised considerable interest among the bowlers as each player kept aiming for the high single in order to become eligible for the "Merit Certificate". At the same time it helped to keep the league thriving with extra interest and helped the owners of the various alleys.

It is expected that the tournament this year will add extra interest especially with the weekly gifts at stake in addition to the monthly ones and the War Savings Bonds at the end of the season and next April. Players can obtain all information for the owners of the alleys and heads of the leagues.

## Largest Crowd In Canadian Football History Expected For Grey Cup On November 26 In Empire Stadium

Toronto—East and West, the mad scramble is on for tickets for the Grey Cup game that this year will attract the largest crowd ever to watch a football game in Canada.

The plea, "Where can I get a couple of Grey Cup tickets?" is rising in volume every day with the country's greatest sports classic little more than a month away. The clamor is even stronger in the east though the game has been shifted from Toronto to Vancouver's Empire Stadium.

Close to 40,000 fans are expected to jam the country's largest stadium for the final Nov. 26. There'll be seating capacity for 31,520 and 8,000 standing-room tickets will be sold. The previous high crowd figure was 29,503 set at Empire Stadium last Sept. 19 in a regularly scheduled Western Interprovincial Football Union game.

The fans across the country won't get a crack at the standing-room spaces. They all will be distributed in Vancouver.

Harry McBrien, Canadian Rugby Union secretary and in charge of the annual ticket-distribution headache, said Thursday: "I expect every seat to be sold and every standing-room space to be taken."

The tickets will be divided on the same basis as last year with a slight difference. The Big Four League, the Western Interprovincial Football Union and the CRU will each get 30 per cent with the other 10 per cent going to the Ontario Rugby Football Union.

The difference is that this year 5,000 of the CRU block go to the west and 1,000 to the east—the opposite to when the game was played in Toronto.

The Big Four and WIFU will give each club a certain number of tickets and then wait for a further distribution until after the league playoffs determine which clubs will be in the east-west final. The champions will get the most tickets and the other teams a lesser amount depending on how they finish.

## Bud Smith Still In Daze Regarding Who Is His Manager; \$9,000 Cheque Is Attached By Manager John Joiner

Cincinnati. —(AP)—The financial troubles which often plague a boxing champion moved in on lightweight title holder Bud Smith Thursday.

He appeared before the Cincinnati Boxing Commission to collect a check for \$9,000 this afternoon with a big smile on his face. He was happy, because he had squeaked out a victory over challenger Jimmy Carter Wednesday night in 15 bruising rounds.

The smile became a bit frozen, however, when sheriff's deputies delivered a court order attaching \$6,000 of the Cincinnati's guarantee from promoter Sam Becker.

The attachment followed a suit filed earlier in the day by John Joiner, Cincinnati, who claims he is Smith's manager.

Smith said before the fight he

did not know just who were his managers. That statement was made to the commission when he was asked the status of Carmine Graziano and Tony Ferrente, who had been acting as his managers.

Ferrente and Graziano are under investigation by the boxing commission in Pennsylvania because of alleged associations with undesirable characters.

It then was decided to make out the check for the Carter fight to Smith.

Joiner claimed Smith signed a five-year contract with him in 1950. Graziano was in Smith's corner Wednesday night.

San Francisco—Tanny Campo, 116, Philippines, outpointed Johnny Ortega, 112, Oakland, Calif., 10.

## 3-Year Contract Reason Harris Wasn't Signed

San Diego, Calif. — (AP) — Bucky Harris was eliminated as a candidate for general manager of San Diego's Pacific Coast League baseball club. The Union said Thursday, because he wanted a three-year contract.

Ralph Kiner, 32, former National League home-run king, was given the job Tuesday on a one-year contract, at a reported pay of \$25,000.

## Sacrifice Fly Helps Three To Reach .300 Mark

New York — (AP)—Baseball's sacrifice fly rule caused a general increase of 2.1 points in major league batting averages in 1955.

However, even with the help of the "free" at bat, only 20 players hit .300 or better, three fewer than in 1954, when the regulation was revived after a 14-year absence.

Figures compiled by the Associated Press also disclosed Wednesday that Mickey Vernon of Washington, Forrest (Smoky) Burgess of Cincinnati and Harry Simpson of Kansas City were the rule's chief benefactors. Each finished among the .300 batsmen, but they would not have done so if the regulation were not in effect.

Vernon wound up with a .301 average. Counting his eight sacrifice flies as times at bat, the veteran first baseman would have had a .297 mark.

Burgess, who also hit .301, collected six sacrifice flies. He would have finished at .297 and Simpson, who batted an even .300, would have had a .298 average if his three run-scoring flies were charged to his bat total.

Jackie Jensen of Boston Red Sox led both leagues in number of sacrifice flies with 12. He had a final .276 average, a pickup of six points.

Gil Hodges of Brooklyn, the majors' pace-setter in 1954 with 19, again topped the National League with 10. He would have hit .284 without the sacrifice flies. Instead he finished at .289.

Rocky Marciano won the "professional athlete of the month" award for September, it was announced Thursday.

The heavyweight champion easily outvoted Johnny Podres, and Duke Snider of the Brooklyn Dodgers in the poll of sports writers and broadcasters.

Marciano thus became the first former winner to qualify for a second shot at the "professional athlete of the year" award.

Two of his Detroit teammates and big Jean Beliveau of Montreal closed the gap on Gordie Howe Thursday night in the race for National Hockey League scoring honors.

Howe was held pointless but still leads the pack with nine points on five goals and four assists. Ted Lindsay and Alex Delvecchio, both of the Red Wings, and Beliveau, each picked up a point Thursday, however, to move to within a point of the leader.

The leaders:

Howe, Detroit	5	4	9
Lindsay, Detroit	5	3	8
Delvecchio, Det.	4	4	8
Beliveau, Montreal	2	6	8

## Office Squad Holds Small Margin In Dominion Textile Bowling League; Standard Takes Three From Cards

The Office squad moved into a slim one-point lead in the Dominion Textile Masculine Bowling League when they swept two strings from Weavers in the weekly fixture. They are tied with the Standard crew in games won and lost but hold an advantage over them in the total pinfall.

The Weavers trail in third spot, two points behind the pace-setters, while the Cards follow with nine, three better than the Spinning and General teams, who are tied for the cellar with six each.

P. Jacques still holds the high single and triple of the league with his 227 and 550 while the Weavers' marks of 780 and 2,179 are still the figures to beat. R. Tinker posted the high single for the Office staff with 195 while the triple honors went to M. Caya with 459. R. Roy copped both the high single and triple with 192 and 505 for the Weavers.

The Standard swept all three strings from the Cards with F. Boulanger rolling a single of 205 with R. Asselin taking the honors for the triple with 491. For the losers P. Jacques posted a single of 153 and a three-string total of 395.

In the other tilt between the Spinning and General the former won the first and third strings for their victory. G. James posted a single of 183 and took the triple with 414. For the losers A. Poulin took both the single with 151 and the three-string total with 425.

## Greenberg Ready If Franchise Is Donated To Body

San Francisco — (AP) — General manager Hank Greenberg of the Cleveland Indians said Thursday night he is prepared to take over the San Francisco baseball club if the Pacific Coast League will donate the franchise.

Greenberg said he and his group, which he did not identify, are prepared to deposit \$150,000 in a San Francisco bank as working capital in order to open the 1956 season.

"We have asked the league to forfeit the franchise and turn it over to us to form a new corporation," Greenberg said. "That is the only way in which we'd be interested in coming here."

## St. Francis Fish And Game Club Of Drummondville Leads Townships In Molson's Fishing Tournament

The St. Francis Fish and Game Association of Drummondville is setting the pace for the Eastern Townships clubs in the Molson's Fishing Tournament according to the latest bulletin released by Richmond Pelletier, director of Molson's Fishing Club.

The Mont Laurier Fish and Game Association is leading the pack closely followed by the St. Francis Anglers Club of Valleyfield. In third position is the Rouyn-Noranda Fish and Game Association while the Levis Club trails in fourth with the St. Francis Club of Drummondville fifth.

Thetford Mines Fish and Game Association follows next while the next group from the Townships is the Memphremagog Conservation Club in eleventh position with Little Lake Magog and Stanstead County Fish and Game Club next in line.

Only five clubs of the Townships are listed in the first fifteen to take part in the tournament but several members of the other clubs are holding the top spot in various sections of the tourney.

The top fifteen clubs follow:

1. Mont Laurier Fish and Game Association.
2. St. Francis Anglers Club, Valleyfield.
3. Rouyn-Noranda Fish and Game Association.
4. Chasseurs et Pecheurs Levisiens Inc.
