ATTENTION !

Good News for the Ruptured.

PERMANENT RELIEF OF

ABDOMINAL HERNIA OR RUPTURE.

ALEXANDER'S

Electro-Galvano-Magnetic Truss

Positively relieves the most inveterate cases.

The Best is always the Cheapest.

Spring Band Trusses abandoned.

TO THE PROFESSION.

Having been afflicted with right Inguinal Hernia for sixteen years, and left Inguinal Hernia for eleven years, I have had abundant opportunity for experimenting practically upon myself, and now propose devoting my *attention solely* to this **Department of Mechanical Surgery** not being otherwise engaged in practice.

I therefore appeal with confidence to the *profession*, for their encouragement in introducing a Truss, which I feel assured will meet a want not hitherto supplied and afford to all (even the worst cases) immediate and permanent relief.
