PLACES IN THE NEIGHBORHOOD OF MONTREAL OUTSIDE CITY LIMITS.

LACHINE

A City on the St. Lawrence and on the Island of Montreal (Seigniory of Montreal), county of Jacques-Cartier. It is the summer residence of many Montrealers and one of the most prosperous manufacturing centres of the Province of Quebec. Part of the Parish of Lachine has been annexed to the city. Its works are very numerous and thousands of men are employed yearly. The chief industries are: The Dominion Bridge Co., Limited, The Copper Products Co., Limited, The Canadian Linde Refrigerator Co., Limited, The Saxonia Fruit Preserving Co., Limited, The Robert Lucas Glove Co., Incorporated, The Canadian Allis Chalmers Limited, Daly & Morin Limited, Asbestos Manufacturing Co., Limited, The Dominion Wire Rope Manufacturing Co., Limited, McLaurin Lumber Ltd, Steel Co. of Canada Limited, The National Breweries Limited, The General Railway Signal Co of Canada Ltd, The Hutchins Car Roofing Co Limited, The Lee Puncture Proof Tire Co of Canada Ltd and The Compo Co Limited.

In winter months it is greatly frequented by pleasure parties, while in summer, thousands of tourists pass through Lachine to run the Lachine Rapids, also cross the St Lawrence River on the ferry for Malone N. Y., Ogdensburg N. Y., etc.

Regattas and other sporting events take place every summer and are largely patronised by visitors. Lachine is now provided with up-to-date hospitals where surgical and ordinary cases are attended to by a skilful staff of surgeons and physicians. They are known as the Lachine General Hospital and St. Joseph Hospital. They are provided with automobile ambulances that attend all emergency cases. A handsome public market has been built at a cost of $30,000.00 and is open daily from 5 a.m. to 9.30 p.m. It is provided with the most modern refrigerators and coolers, and all perishable articles are constantly kept on ice.

A public weigh house has been built for the accommodation of the traders. Three hundred houses were built within the past year and are all rented. The leading citizens of the city have provided a Board of Trade where all important business matters are discussed. There are four banks, viz., la Banque Provinciale, la Banque Canadienne Nationale, the Bank of Montreal and the Royal Bank of Canada, all of which are doing good business.

The Canadian National Railways run several trains daily to Montreal. Montreal Tramways have also a line of electric cars running from the City of Montreal to the western limits of the City of Lachine, in forty minutes. Cars are running at ten-minute intervals from 6.20 a.m. to 8.20 a.m. and from 4.20 p.m. to 7.40 p.m., and twenty-minute intervals during day-time, and at night until one o'clock. The Montreal Tramways Company has entered lately into contract with the City of Lachine for putting an autobus service running at 10 minutes intervals for 18 hours a day, from Lachine to Montreal and vice-versa. The tariff charged by the Company for riding with the autobus, will be absolutely the same as that charged for the tramways. The above Company will also extend its line from the actual western limits up to the western limits of the City of Lachine comprising a distance of one mile. The Lachine United Church has been rebuilt and enlarged. New granolithic sidewalks have been laid on mostly all streets, and tar has been laid on St. Joseph street, to prevent dust, and make the road bed as level as possible for automobiles. A ship canal connects the navigable waters of Montreal with Lake St. Louis. Trees have been planted on all avenues, so as to give shade to the residential districts.

The Great North Western Telegraph Co., have offices here. There are two post office branches, also the Bell Telephone Co. The City is lighted by electricity, and has a fire alarm system and a complete system of waterworks and drainage. There are, besides the convent, a first class commercial college, two Catholic academies and three Protestant academies.

Distant from Montreal City Hall, nine miles. Mail three times daily. The City of Lachine is inviting manufacturers to ask for all facilities and advantages offered by Lachine, Que. Population 15,600.
