CITY POSTAL DELIVERY.

The following are arrangements in connection with Free Postal Delivery in the City of Montreal:

1. There are no fees chargeable on the delivery of Letters or Papers.

2. There are six deliveries daily, Sundays excepted, in the Central portions of the City commencing respectively at 8.30 a.m., 1.00 a.m., 11.30 a.m., 1.00 p.m., 2.00 p.m., and 3.30 p.m., and four deliveries in the other portions of the City, commencing at 8.30 a.m., 11.30 a.m., 1.30 p.m., and 3.30 p.m., excepting, however, in the more distant divisions in the Northern and Eastern portions of the City, in which there are only two deliveries, commencing at 8.30 a.m., and 1.30 p.m.

3. Letters and papers addressed to particular streets and numbers are delivered without delay by Letter Carrier.

4. Letters and papers addressed to Box and Drawer holders are, until otherwise ordered, delivered through the Boxes and Drawers, as usual. Should, however, such letters and papers be addressed to Streets and Numbers, they will be delivered by Letter Carrier, unless the Sorting Clerk should distinctly and promptly remember that the parties for whom intended are Box and Drawer holders. No letters or papers are placed in the Boxes or Drawers unless addressed either to the number of the Box or Drawer, or to the holder, or to the care of the holder thereof.

5. Letters and papers addressed simply "Montreal," to parties who have neither Boxes nor Drawers, are delivered as expeditiously as circumstances will permit, either through the General Delivery or by Letter Carrier. If papers and periodicals published in the city are addressed to Box or Drawer holders in the Montreal Post Office they will be delivered if prepaid by postage stamp, one cent each package of four ounces. Papers or periodicals published in the city are not delivered by Letter Carriers.

6. Persons desirous of receiving their letters and papers promptly by Letter Carrier, should request their correspondents to place on the addresses the Street and Number at which they are to be delivered, as otherwise they will be subject to delays, which it is impossible to avoid.

7. They should also provide themselves with small change for the payment of unpaid postage, as the Carriers (who are not allowed to give credit) cannot be detained for its collection. In the event of an unpaid letter or paper not being delivered, in consequence of the party to whom addressed having no change, it will be taken back to the Office and sent out again for delivery as soon thereafter as practicable. If, on its being tendered a second time, the party to whom addressed is not provided with the postage, it will be sent to the General Delivery at the Head Office, where application for it will have to be made.

8. Persons having offices at which they desire their letters and papers to be delivered by Letter Carrier, should affix a letter box to the door, with an opening from the outside, as

otherwise, in case the office is closed, the letters and papers will be delayed until the next delivery. It would also be very desirable that, where convenient, letter boxes should be affixed to the doors of private residences.

9. Persons receiving their letters by Letter Carrier should, in the event of their removal, advise their correspondents, and at once send their new address, in writing, to the Postmaster.

10. Three Postal Receiving Offices are established:—One in the East, at No. 588 St. Catherine Street; one in the North, at No. 311½ St. Lawrence Street; and one in the West at No. 466 St. Joseph Street; to which the letters and papers will be conveyed by vehicle from the Head Office four times daily, viz: at 8.00 a.m., 11.00 a.m., 1.00 p.m. and 3.00 p.m., and distributed from thence by Letter Carrier at the hours already mentioned.

11. These Receiving Houses are also open for the sale of Postage Stamps, and the reception of Registered and other mailable matter, from 8.00 a.m. to 6.00 p.m.

12. Collections are made from the Receiving Houses and Street Letter Boxes by vehicle, leaving the Head Office as follows:—For Receiving Offices, daily, Sundays excepted, at 8.00 a.m., 10.00 a.m., 11.00 a.m., 1.00 p.m., 3.00 p.m., 6.00 p.m., 8.30 p.m., and on Sunday at 8.30 p.m. For Street Letter Boxes: Daily, Sundays excepted, at 10.00 a.m., 1.00 p.m., 6.00 p.m., 8.30 p.m., and on Sunday at 8.30 p.m.

13. Every effort is used to secure the satisfactory working of these arrangements. If, however, irregularities occur, they should be at once reported to the Postmaster.

I.—Patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material fastened in such a manner that they may be readily opened, or in bags entirely closed, provided that they be transparent, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

II.—The packet may bear on the *outside* the address of the sender, in addition to the address of the person for whom it may be intended—also a trade mark and numbers, and the price of the articles enclosed; *inside* there must be no enclosure but the samples or patterns themselves—the particulars, however, of the trade marks, numbers and price, may be marked on the articles themselves instead of on the outside of the packet, at the option of the sender.

III.—Any sample or pattern packet containing a letter, or otherwise violating the conditions of the preceding rules, is to be rated and treated as a letter.

IV.—The rate of one cent per four ounces is to be pre-paid by postage stamp,—and if such rate be not fully pre-paid by the stamps affixed, the package is to be rated with the deficient postage, and a fine of five cents in addition.

V.—Packets of samples or patterns may be registered on pre-payment by postage stamp of a registration fee of five cents in addition to the postage rate,—and provided such packets be duly handed into the Post Office for registration.

A registration receipt or certificate should always be obtained for such packages when presented for registration.

VI.—No packet of samples or patterns must exceed twenty-four ounces in weight; any packet exceeding that weight is to be sent to the Postmaster-General.

Penal Clause.—The Act contains the following penal clause: To enclose a letter or letters, or any writing intended to serve the purpose of a letter, in a parcel posted for the parcel post, or to enclose a letter, or any writing, or make any written marks to serve the purpose of a letter, or to enclose any other thing in a newspaper, posted to pass as a newspaper, at the rate of postage applicable to newspapers, (except in the case of accounts and receipts of newspaper publishers, which are permitted to pass folded within the newspapers sent by them to their subscribers), is an offence punishable by a penalty of not less than ten and not exceeding forty dollars.

Miscellaneous Postal Matter—On books, pamphlets, occasional publications, printed circulars, prices current, hand-bills, book and newspaper manuscripts; printers' proof sheets, whether corrected or not; maps, prints, drawings, engravings, lithographs; photographs, when not on glass or in cases containing glass; sheet music, whether printed or written; documents, wholly or partly printed or written, such as deeds, insurance policies, militia and school returns, or other documents of like nature; packages of seeds, cuttings, bulbs, roots, scions or grafts; patterns or samples of goods or merchandise, when posted in Canada for any place in Canada, the rate of postage is *one cent per four ounces in weight*, to be pre-paid by postage stamp, or by the use of stamped post bands when suitable for the purpose. No letter, or other communication intended to serve the purpose of a letter must be sent or enclosed in any article of miscellaneous mail matter; and all transmissions authorized by this regulation must be put up in covers open at the ends or sides, or in such manner as to admit of inspection to ensure compliance with this condition. If enclosed in sealed envelopes, notched at the ends or sides, or with the corners cut off, letter rate of postage will be charged.

Miscellaneous mail matter as above specified when addressed to the United States or to Newfoundland, may be forwarded when pre-paid the one cent per 4 oz. rate, as if addressed to a place in Canada, with the exception of packets of samples and patterns of merchandise addressed to the United States, on which the special rate of ten cents must be pre-paid.

Money Orders in Canada.—All the Money Order Post Offices in Ontario, Quebec, New Brunswick, Nova Scotia, Prince Edward Island, Manitoba and British Columbia, are authorized to draw Money Orders on each other for any sum up to \$100, and for as many Orders of \$100 each as the applicant may require, upon the following terms, viz:—

Orders up to \$1	2 cts.
" " 10	5 "
" from 10 to \$20	10 "
" " 20 to 40	20 "
" " 40 to 60	30 "
" " 60 to 80	40 "
" " 80 to 100	50 "

Money Orders on the United Kingdom.—The Money Order Offices in the Dominion also draw upon all the Money Order Offices in England, Ireland and Scotland, the Channel Islands, and British India, save those in British India for which there are special rates, for any sum up to £10 sterling, and grant as many Orders for £10 sterling each as may be needed to make up the amount to be remitted. The terms are as under:—

Orders up to £2	25 cts.
" from 2 to £5	50 "
" " 5 to £7	75 "
" " 7 to 10	\$1.00

Money Orders on Newfoundland.—The Money Order Offices in Ontario, Quebec, New Brunswick, Nova Scotia, draw also upon Money Order Offices in Newfoundland, Prince Edward Island, Manitoba, and British Columbia. The Orders upon Newfoundland, like those of the United Kingdom, are made payable in Sterling money.

Orders up to £5	25 cts.
" from £5 to £10	50 "
" " £10 to £15	75 cts.
" " 15 to 100	\$1.00

All the Money Order Offices in the Dominion are also authorized to grant Money Orders on the United States, the maximum amount of which, however, upon a single order, is limited to \$40 Canadian currency. The rates are:—

For Orders under and up to \$20	25 cts.
" " over \$20 up to \$40	50 "

In all the classes of Orders, as many of the maximum amount may be obtained as will be needed to make up the sum the applicant desires to remit.

By the amended Post Office Act, which came in force on the 1st October, any Postmaster issuing Money Orders on credit, and any person aiding and abetting, or procuring the issue of such Orders, will be guilty of misdemeanor.

The Money Order Post Offices in the Dominion are furnished with lists of all the Money Order Offices in Canada, the United Kingdom, Nova Scotia, New Brunswick, Prince Edward Island, Manitoba, British Columbia, and Newfoundland; and the Postmasters are instructed to afford every information in their power, in respect of

the places upon which they draw, together with any other information relating to the issues as the intending remitters may desire.

POST OFFICE SAVINGS BANK.

1. The Post Office Savings Bank commenced operations in Ontario and Quebec on the 1st April, 1868.

2. The direct security of the Dominion is given by the Statute for all deposits made.

3. At each Savings Bank Post Office the Savings Bank regulations may be read by the public, giving full information with respect to the mode of depositing and withdrawing money, and these regulations are printed upon the cover of the Pass Book supplied to each depositor.

4. Any person may have a deposit account, and deposits are received daily during the ordinary hours of Post Office business, of any number of dollars, from \$1 up to \$300, the total amount which can be received from a depositor in any one year, except in cases to be specially authorized by the Postmaster-General.

5. The Postmasters of the Savings Bank Offices will act as agents for the receipt of the money deposited for transmission to the Postmaster-General, and for the payment by the Postmaster-General of money withdrawn by depositors.

6. Each depositor is supplied with a Pass Book, and the sums paid in, or withdrawn, are entered therein by the Postmaster receiving or paying the same. In addition, a direct receipt for each amount paid in is sent to the depositor from the Postmaster-General, and the Postmaster General will issue a cheque payable at any Post Office Savings Bank desired, for any sum withdrawn.

7. Every depositor's account is thus kept with the Postmaster-General, and a depositor may pay into his or her account with the Post Office Savings Bank at any of the Savings Bank Post Offices, which at the time may best suit his convenience, and exercise the same choice in drawing out money, subject only to the obligation of producing the Pass Book, in proof of identity whenever paying in or drawing out deposits.

8. Interest at the rate of four per cent. per annum is allowed on deposits.

Postmasters are forbidden by law to disclose the name of any depositor, or the amount of any sum deposited or withdrawn.

10. No charge will be made to depositors on paying in, or drawing out money, or for postage or communications with the Postmaster-General in relation thereto.

11. The Postmaster-General will always be ready to receive and attend to all applications, complaints, or other communications addressed to him by depositors or others, relative to Post Office Savings Bank matters.

The course of studies, in which religious instruction holds the first rank, is divided into two sections—the classical and the commercial.

The classical course, principally taught in French, is designed to impart a thorough knowledge of the Greek, Latin, French and English languages and literature, pure and mixed mathematics, history and geography, philosophy and natural sciences, and whatever is necessary as a preparation for a professional career.

It comprises eight classes—Latin Elements, Syntax, Method, Versification, Belle-lettres, Rhetoric, 1st and 2nd year of Philosophy.

The commercial course, principally taught in English, embraces the English and French languages and literature, mathematics and the other branches named above, moreover book-keeping, and whatever else may fit a young man for commercial and industrial pursuits.

It comprises four classes: Grammar, Literature, Rhetoric and Philosophy.

There are, moreover, elementary and preparatory classes for younger students.

The system of education is paternal. The teachers endeavour to unite kindness with firmness, and make use of the means of persuasion in preference to those of severity.

To be admitted into the college, applicants must present a certificate of good character.

Monthly reports of behaviour, application and progress are sent to parents or guardians.

None but relatives or those who represent them, are allowed to visit the boarders.

Half-boarders and day scholars must not absent themselves without previous leave from the College authorities.

The collegiate year is of ten months, beginning in the first week of September, and ending in the first week of July.

Terms per year.—Board and tuition, \$150.00; washing, \$20.00; bed and bedding, \$10.00; music lessons, \$25.00; use of the piano, \$5.00; drawing lessons, \$20.00. Half boarders, \$80; day scholars, \$30.00.

Payments, which are required in gold or its equivalent, and strictly in advance, are

made in two instalments, 1st in the beginning of September, 2nd on the 1st of February.

The college will not take charge of providing a student with clothing or other necessaries, unless a sufficient sum be deposited in the hands of the treasurer.

No reduction in the above mentioned terms will be granted for absence of less than one month.

MR. W. E. CHESTER.

DEAR SIR—I received your package of half dozen boxes Cure last mail. Am much obliged. He distributed it. Am happy to say it is doing wonder. Enclosed is price for another half dozen. I am forthcoming or would order more largely, as I have been sick for thirteen years with Asthma and Bronchitis in its worst forms, and have been for months that I could neither move or lie down, but since used your medicine I am in great hopes of getting well again, as I am so much improved. I will gladly act as your Agent here, and do what I can for you, I can only give you small orders at first, my means being small at present, in consequence of being long sick. I have spent upwards of \$300 in GREEN MOUNTAIN ASTHMA CURE, and can safely say I have derived more real benefit from part of a box of your Cure than from all the others I have used, for which please accept my heartfelt thanks and may the Almighty in His providence spare and bless you, and may you still prove a further blessing to suffering humanity. I used to teach school, I had to give up on account of my health, but since using your Cure I am so much better that I have offered of a school, which I have accepted for the summer term. Please send me Circulars and me oblige.

Yours respectfully,

JAMES C. SPENCE

P.S.—This is a country place, but I will do my best to get your cure to the suffering. I have just heard of a case of Consumption (which the doctor gave up) being cured by your Cure, but cannot vouch for its accuracy yet, as it is about 60 miles from here. Can you recommend it for the above complaint. Answer and oblige. J. C.
