Rust has perfect safety record on Pontiac mill site

The safety record at Rust Associates is front page news this week. It has just been discovered here that this firm has maintained, on the millsite construction in Litchfield, the best record ever seen by the Quebec Safety Committee inspector.

On inspection of the work in progress here, the inspector found the entire project "clean and beautiful" and very well organized.

This was music to the ears of Safety Engineer Larry Mosgrove who is responsible for safety measures on the project. Proud of his safety record on other previous jobs, Mr. Mosgrove also gives credit for the record here to his assistants John Moulton and Bob Craft.

Though to the untutored eye the works down at the millsite may seem to be confused, actually all is orderly, especially from a safety point of view.

There are five hundred men on the job today and about 20 new men are added to the force each week. The work has been going on about two and a half months and there has been no working accident—not one.

Camp Pontiac opens June 4th

Special "Open House" activities will be held at Camp Pontiac on the Ottawa River, near Quyon this coming Saturday, June 4th.

These events mark the 20th Anniversary of Camp Pontiac which is the Diocese of Ottawa (Anglican) Youth Camp.

All persons are welcome to visit Camp this Saturday, particularly Anglican families with young children. There will be sports and guided tours, and at 1.30 p.m. a special service of Thanksgiving will be led by the Rt Rev Ernest Reed, Bishop of Ottawa.

Persons planning to attend are asked to bring their own picnic lunch.

The route into camp has numerous turns, but each turn is marked by a sign- The road into Camp begins at Highway 8 — turn west at the new red brick "Onslow School" near upper end of Quyon.

See you there Saturday!

Much Pontiac progress attributed to Johnston

Swinging through Pontiac on a speaking tour is the Union National team out to get Ray Johnston returned to Quebec on June 5. Citing every good thing in Pontiac County which has been achieved in Ray's eighteen years as a Member of Parliament, the speakers repeat that more of the same will be Pontiac's if Ray is re-elected.

They have carried the message on television and on radio and in person to platforms familiar to Ray as he enters his sixth election campaign. They plan to wind up th epublic meetings this week with Fort Coulonge Wednesday, Beechgrove and Quyon Thursday, Calumet Island Friday and Ray's hometown Otter Lake Saturday. Monday they met at Ladysmith and Tuesday it was Shawville's turn with a big turnout at the High School.

The message is just about the same everywhere. Typical was the campaign at Waltham last Saturday night. Waltham is also a home town for Ray and the hall wasn't nearly as crowded as Vinton Parish Hall had been the night before when hundreds of Pontiac Young Conservatives twisted and watusied to the music of Quyon's great young band "The Keepers". (At that Friday night do, Mr. and Mrs. Raymond Johnston, along with Father May and a number of adults chaperoned one of the campaign's liveliest evenings.)

But at the Waltham meeting, as one in the audience remarked, everyone in Waltham already knows which way they're going to vote!

But even with a small group to address and a nice Saturday night outside, the speakers came forth with their messages.

Lee Hodgins criticized the suggestion that Pontiac should elect a Liberal member to have a "man on the Government side". He said Gatineau has a Liberal Member and the Gatineau people tell him that Johnston has done a lot more for Pontiac than the Liberal Member has done for Gatineau.

"It is a matter of history" said Lee, "that the Liberal government is only interested in cities and metropolitan areas, not in rural areas."

"Daniel Johnson has a team working with him," Lee said "he is not a one man show, and he will run his government as a well run team".

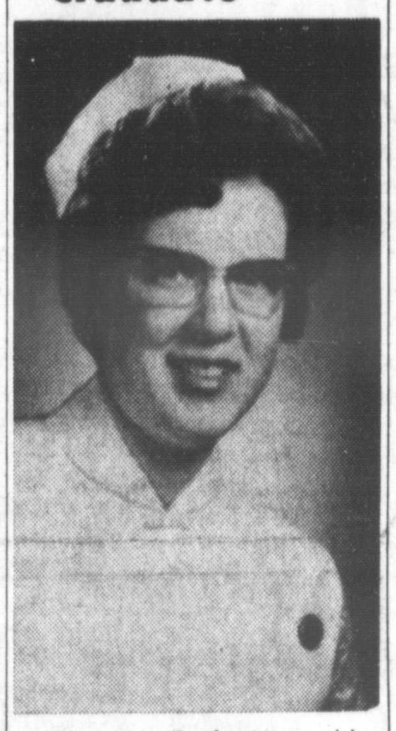

"The rural areas of Quebec will elect the Union National government on June 5 because the budget at present is being spent in Montreal and the larger centres" he said.

Lee Hodgins said that Ray Johnston is a hard worker, has devoted his full time for the people in Pontiac, that he has integrity and that he will be a senior member of the Union National government and will undoubtedly be a Minister when Daniel Johnson forms his Cabinet. This announcement was greeted with enthusiastic applause.

Edgar Allard spoke of Ray Johnston's great achievements during the many terms of office he has served since 1948.

Miss Lois Emily Mee, elder daughter of Mr. and Mrs. Russell Mee, who graduated May 25, 1966 from the Ottawa Civic Hospital School of Nursing.

Dance Champs

Buster Brown, Don Poirier and Lucille Hodgins

Pontiac did itself proud at the Pembroke Step Dance competitions last Fridaly and Saturday Buster Brown was named champion in the senior division and Donnie Poirier is junior champion. Coming second in the senior, and winning top lady honors for the entire event was Lucille Hodgins. This was an open international championship which puts these youngsters at the very top of their field.

Lucille received the Royal Canadian Legion Branch 72 Trophy and $5 in prize money. She will be bringing honor to her school, Elmwood in Rockcliffe as well as to her home town, Shawville, when she takes part at the Toronto Canadian National Exhibition doing a song and dance routine. She is the first girl from Elmwood ever to have been accepted by the Ontario Dept of Education Talent Show in which she will be appearing on August 25th.

Where to vote in Shawville

For voting purposes, the village of Shawville is divided into quarters and one of the quarters is divided again into halves. This gives us five polls altogether.

The lines of demarkation are Center Street and Main Street.

The north-east quarter (with the Royal Bank as its corner marker) is poll 58 and will vote at the Agricultural Hall.

The north-west quarter (with the Bank of Montreal as its corner marker) is poll 59 and will vote in Eric Judd's office (James Dean's carpentry shop beside the Curling Club).

The south-west quarter (with the Post Office as a corner marker) is poll 60 and votes at the Agricultural Hall along with poll 58. The Agricultural Hall is not within the boundaries of poll 60 but that's where they vote.

The south-east quarter of the village of Shawville (with Lamb's Corner Store as a corner mark) is the one which is further divided with Victoria Ave as the division line. The part between Center Street and Victoria is poll 56 and votes at the new Orange Hall on Center Street. The part east of Victoria Ave is poll 57 and votes at the Masonic Hall on Main Street.

Now, everyone in Shawville knows where to vote, let's hope they get out and do it intelligently!

Calumet 4-H Club party

An enjoyable party was held Saturday May 21st by the 4-H Members of Calumet Island and their parents. At the beginning the president, vice-president. secretary and directors addressed the crowd and welcomed them in each their own words, they were Russel Stewart, Martel Lance, Jacques Lance, Andre Dumouchel, Coleen Griffin, then Mr. McMillan agronomist who always encourages this new club spoke with enthusiasm, and mentioned the parents who always attended meetings with the members. A draw of a quilt made by Mrs. Ross Stewart in benefit of the club was held, the lucky winner was Mr. Harold Brown of Campbell's Bay, Mr. Judd of Shawville pulled the ticket.

The crowd of one hundred enjoyed dancing to the good music supplied by Mr. Judd and his son from Shawville. A lunch was served by the mothers and everyone seemed to have enjoyed the evening. Among the crowd were some members of the 4-H of Shawville and their parents.

Calling all photos of past Wardens of Pontiac

Rev. Ludger Emard (Professional Photographer) is preparing large portraits of past wardens of Pontiac County to be on display at the County building. Each portrait will be enlarged and framed to fit a certain plan, surrounding a photograph of the building which houses County Council.

To obtain the best possible likeness of each past warden, it would be appreciated if anyone having a photograph of one of these would let Mr. Emard see it.

Much Pontiac progress attributed to Liberals

Hon Lucien Cliche said he thought for a long time that Father May was the Member from Pontiac. He was speaking on Friday night to a gathering in Fort Coulonge, and was talking particularly about the intervention of the Pontiac delegation to put the embargo on export of raw natural resources to Ontario. Mr. Cliche said it was the stopping of this export which brought the Consolidated Paper Corp. mill to Litchfield.

The Minister of Forests, Mr. Cliche, also said that as a Member for Abitibi he had intervened in favour of local employment priorities at the mill in his riding and that Cliff Robillard would do the same for Pontiac if he were elected on June 5. He said that he felt local people should be employed as far as possible and that where training was necessary, local people should be trained, rather than bringing in already trained outsiders.

There was also mentioned that a representative of the Department of Labour was located near the premises of the new mill site to assure that local people are given employment priority.

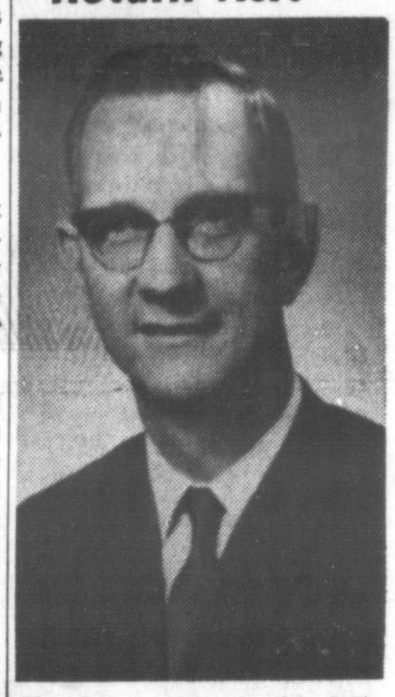

Mr. Cliche also mentioned that there should be an office of Lands and Forests in Pontiac County. He said he saw a bright future for Pontiac. " You have one mill now and there is room for another one. We are already studying this" he said.

The hall, as they are for all meetings in favor of Cliff Robillard, was arrayed with great red and white banners and giant size portraits of Cliff and his chief, Jean Lesage. Considering the energies he must be exerting in his own riding towards re-election, Mr. Cliche certainly spent a lot of his reserves on behalf of Cliff Robillard in Pontiac.

On the platform along with the guest speaker were Tom Lefebvre, Federal MP for Pontiac-Temiscamingue, Mrs. Muriel Ayearst, Warden Bill Burke, Mayor F. X. Bertrand, Stan Callaghan, Mrs. Marion and her daughter, Litchfield Mayor Melvin Brown and Thomas Shea.

IN ALL THE EXCITEMENT ABOUT JUNE 5
LET'S NOT FORGET JUNE 4

The Shawville Spring Horse Show is looked forward to by a lot of people from year to year as a big event. The English riders and jumpers from Aylmer and Ottawa come to Shawville to try out their new mounts and get into trim for the season of meets. Everyone who comes to Shawville enjoys the friendly informality of our Spring Show and some of the finest Ottawa Valley horsemen use Shawville as their first run of the season.

Road horses from a wide area meet top competition in Shawville and the "ride on gentleman" command of the judges brings some of the most exciting moments of the evening. A number of Shawville drivers will be pitting their best against anything the valley has to offer.

No horse show these days would be complete without ponies and the Spring Show will have four pony classes to give the youngsters an opportunity to show their Shetland and Welsh pets: Saddle, hitched, parade and fine harness.

An innovation this year will be a special class for Western riders. Last year they just rode into the ring and out again as they were not allowed to enter in the English saddle class but this year they will be in their element and some of the fanciest Western tack will be demonstrated as these lively riders take the arena.

There will also be highsteppers, hackneys and a bike class with colours, and the entire evening will be made more enjoyable by the presence and sound of the Shawville Community Band.

Playing before, after and in between events, the band will donate their services for the evening as their contribution to the great show.

Everybody is talking about the election and what they are going to be doing on June 5. Let's just not forget that the Shawville Spring Horse Show comes first and will be off to a great start at just about 7.30 p.m., Saturday night, June 4, at the Agricultural Hall in Shawville.

It's worth coming a long way to see and makes a great evening out for the whole family.

Anyone who knows a Rotarian is fortunate because they can easily buy tickets on the lawn mower which is displayed in the window of Bill Fletcher's old Barber Shop.

★

On the subject of Fletcher's old Barbtr Shop, his new location between Stonehaven Florists and Dr. Cowley's office, directly across from the IGA is a bright spot on Main Street.

★

And speaking of the IGA, progress on their rear end expansion is going ahead apace. The extension and extra checkout counters should be ready for the summer influx of cottagers.

★

And on the subject of summer and back to that lawn mower being raffled by Shawville Rotary, if you don't happen to win it you might use Joe Kennedy's method of fertilizing his lawn with beer so the grass will come up half cut!

★

And speaking of Joe Kennedy the Quyon Legion provided a nice coffee and donut reception for the Shawville Community Band which played at St. Mary's last Wednesday night.

★

And speaking of the Shawville Community Band, anyone moving into this area who plays or would like to play a band instrument is welcome to join by going to the High School any Wednesday at 7.15 p.m.

★

And about the High School it would appear that all action on the new combined Technical and Academic secondary school to be built here is being postponed until after the Provincial election.

Frances Lester tops class; receives Medal in Medicine

The medal in medicine was awarded to Frances Thelma Lester of Kingston at Queen's University May 28 Convocation for Medicine, Law and Nursing Science graduates.

Miss Lester also received the W.W. The Editor,
The Equity,
Shawville, Quebec
Dear Sir:

I read with interest Mr. Mulligan's letter on the origin of the word "mugwump". (The Equity, May 26, 1966). This is essentially similar to the only definition I had heard before: "a bird that sits with its mug on one side of the fence and its wump on the other".

Yours faithfully,
P. M. Ebsworth

Troubled

The Editor,
The Equity,

Sunday does not belong to the politicians! It is the Lord's Day. It is a day of rest and gladness set aside for worship and meditation on the things of God. We have watched with dismay our Sunday afternoons being chaepened by the sporting events and the profaning of Sunday evening by the entertainment and amusement world. How long will it be before we lose our Sunday mornings?

Can a Christian be true to his beliefs if he votes on Sunday? Before he answers this question he should look into God's Word (the Bible) for instruction and to seek Divine Guidance in prayer. This would be better than falling for that false philosophy of "better the day—the better the deed".

C. G. Crouse

Turnabout

Wyman, Que.

Editor
The Equity

As the date of the Provincial Election draws near, many of us who oppose the idea of holding an election on Sunday debate in our minds whether or not we should vote. While I have stated on numerous occasions that I am most strongly opposed to a Sunday vote, and while I declined to take any active part in a campaign where I would be required to urge people to go out and vote on a Sunday yet I have never said that I would not vote, nor have I said that I would vote.

Some have suggested that in protest we should accept our ballot and deliberately spoil it by writing on it that we protest a Sunday election. This would be foolish and useless because no one would know of our protest except a few officials at our local polling station; the ballot would be placed in a sealed envelope marked Rejected and would probably never be seen again unless in the case of a judicial recount.

Others have decided not to vote at all. This is the course I have considered. However, this would in effect, give each side half a vote. Not a very positive course of action.

The best way to protest a possible Sunday Election in the future is to organize a Province-wide front against such an event and back it up with strong representation to the Government after the dust of this election storm has settled.

When I consider the aims of the Union National Party as evidenced by the statements of its leader as compared with the record of the present Liberal government, especially in the field of hospitalization, a policy which has helped so many of those who need it most; when I consider the recent declarations by Premier Lesage in answer to the Separatists throughout the Province; when I further consider how much more could be obtained for Pontiac if our member at Quebec was a supporter of this Government when it is returned to office as it most assuredly will be, I have to come to the conclusion that I should vote.

For these reasons I intend to vote for Mr. Clifford Robillard, Liberal candidate.

JOHNSTON

(Continued from Page One)

"During those 18 years the progress has been tremendous" he said, "in our roads, our schools, our hospitals, our bridges. Anything worthwhile in this County has been worked for and achieved by Raymond Johnston" he said.

Then Mr. Allard related some of the troubles that are being suffered by the present Liberal administration. "Civil servants are on strike, provincial police are going on strike, farmers have had to block the roads to express their dissatisfaction with government action, industrial strikes, steady strikes one after the other for the past six years and unemployment in Quebec when one of the election promises was to see an end to unemployment".

Edgar said 36% of the unemployment in Canada is in Quebec.

"The Liberals promised no increase in taxes" said Edgar Allard. "They then imposed 29 new taxes. The school taxes on properties are more than doubled in some places, Waltham for instance, and there have been no new schools since 1960 to show for it. In fact", said Allard, "there are fewer schools as the great Normal School in Fort Coulonge has closed and now the thirty or so new teachers who were educated there each year have to go outside for their training, usually at serious expense to their families who are not well-to-do for the most part."

"The attitude in the Liberal regime" said Edgar Allard "is to make things difficult for the poorer people". He cited an instance where a man on salary, no matter how high his salary is, pays less for pension benefits and gets more on retirement, than a man working for himself with a small income.

The Union National government wishes, he said, to correct this.

When the Liberals took over, Mr. Allard said, income tax deductions were reduced and the U N proposes no income tax unless a single person makes $2000 or a married person makes $4000. This will affect almost everyone in Pontiac County, said Mr. Allard.

Before concluding his talk, Edgar Allard recalled that Pontiac has had Liberal Members before and "what did they ever do for us"

Most of those who attend political meetings go to hear the candidate speak and Ray rewards these with a confident and interesting delivery. He asks for his sixth mandate at Quebec from the people who have seen fit to elect him five times. (People will be voting this year who have in their lifetime never known any other Provincial Member. For the 18 year olds, Ray Johnston has always been their man in Quebec).

Ray tells how the House adjourned for Easter on March 31 and on April 18 Lesage and his inner cabinet returned from Florida to call this June 5 election. He did it, says Ray Johnston, rather than face the ridicule of parliament because of his bad budget.

"We were fooled in 1960 and again in 1962 when Lesage went out and borrowed millions of dollars to buy up the electrical companies" says Ray, "and when he talked about free education and then slapped on 29 new taxes, and when he used to say the 2% sales tax was a nuisance and then increased it to 6%".

Ray said very few properties which were up for sale for taxes in Campbell's Bay are being picked up because the school taxes are so high, so they revert to the municipality and become non-revenue producing and a burden on the town.

Ray quoted endless statistics to show how money is being spent by the Liberals in a way which he feels the Union National could easily correct.

As for accomplishment in the rural areas, Ray Johnston says they have received very little while Montreal has received a great deal to dress it up as a showplace for EXPO 67. The same lack of interest in rural areas, says Ray, obtains in Gatineau where they have a Liberal Member.

"After June 5" Ray says, "Lesage will not be leading the government because even in the city of Montreal the people are fed up with the Liberals, mainly because of the strikes".

Ray Johnston also spoke of the mess made by the Department of Education in grading exams last year and the confusion of Operation 55.

He spoke very strongly on the subject of the Regional School Boards, saying there was no reason in the world why one Region could not have been made in Pontiac County. "This issue alone is enough to overthrow the Government" he says, remarking that the dissatisfaction was not confined to Pontiac County but was province-wide.

"When the Union National government is formed there will be some housecleaning" he says.

His party is studying methods to double family allowance and increase pensions and to provide monthly allowances to $25 for students over 18, and to set up a Department of Recreation.

He said the Union National will re-introduce recreation grants which had been discontinued by the Liberals.

"It was the Union National government which introduced every single Social measure in Quebec" he says, and that if elected he will go on working for every part of Pontiac as always in the past.

Ray said he had seen the proposed road schedule for Pontiac by the Liberals for this year and that it included only asphalt from Waltham to Chapeau and from McKee to Bristol. He says promises for Pontiac had been forgotten by the Liberals such as the hospital for Fort Coulonge, the Home for the Aged in Campbell's Bay and the wing on the Pontiac Community Hospital and the Chapeau Hospital. He says in concluding his talks that though others are being given and taking credit for having the Consolidated Mill placed in Pontiac County he himself had been working on this project with Gillies Company and with Consolidated before the present Minister of Forestry was even in Parliament. Ray Johnston gives credit to many, many people in this County for having worked for and achieved the commencement of that mill and that it is a mistake to toss the bouquet in any one person's lap.

The talks go on night after night. Each place brings out a new idea and a new slant on old ideas, but the general message remains the same. The pace would kill an ordinary man but politics seems to breed a strong race.

EMPLOYMENT WANTED

For the past six weeks THE EQUITY has published free of charge a list of ladies willing to do work in their homes such as typing, babysitting, knitting and mending, and others who would work out doing cleaning housework and baby sitting or office work The response to this free offer has been worthwhile for both the ladies seeking work and others who were looking for help of one sort or another.

The free listing has now come to an end. Henceforth anyone wishing to list their services will pay the regular rate of 50 cents per week.

SUMMER JOBS FOR HIGH SCHOOL STUDENTS

There are very few jobs available for high school students during the short summer holidays but every year there are a number of such young people seeking summer employment. Part-time jobs are occasionally available and usually the high school boy or girl who wants work will do any sort of odd job which will get him or her those necessary dollars to buy the things they need to return to school in the fall.

At this time THE EQUITY will publish FREE, any job offers for high school students. If any reader has something to be done for which he would pay a high school student during July or August, they may publish their need here free and it is likely that some student will come knocking to apply for the job.

At the same time, any high school student who would like to work during the holiday may list their name here and perhaps a prospective employer will contact them. We can't promise anything but it just might help.

IN MEMORIAM

ALEXANDER—In memory of a loving daughter, Margaret E. Alexander, daughter of Mr. and Mrs. E. Alexander who passed away June 5, 1961.
Jesus said "Suffer the Little Children to come unto Me"
Ever remembered by
Mother, Dad, Edith, Carson and Dale x

HOBBS—In loving remembrance of a dear sister, Vera Hobbs, who passed away June 3, 1963.
Many a day her name is spoken,
And many an hour she is in our thoughts,
A link in our family chain is broken,
She has gone from our home but not from our hearts.
Sadly missed,
Marjorie and Shirley b

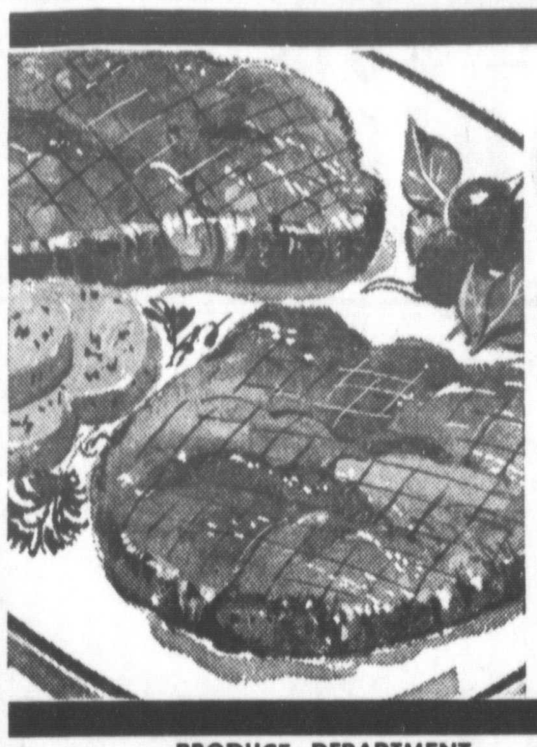

HOBBS—In loving memory of a dear mother, Vera Hobbs, who passed away June 3, 1963.
We do not need a special day
To bring you to our mind,
For the dalys we do not think of you
Are very hard to find.
If all this world were ours to give
We'd give it, yes, and more,
To see the face of Mother, dear,
Come smiling through the door.
Gone but not forgotten
Wade, Wendy, Gloria, Wallace and Gerry. b

HODGINS—In loving memory of a dear wife and mother, Mrs. J. Arthur Hodgins, who passed away June 1, 1961.
Please God forgive a silent tear,
A constant wish that she were here,
Others were taken, yes we know,
But she was ours and we loved her so
She bid no one a last farewell,
Nor even said good-bye,
She was gone before we knew it,
And only God knows why.
If all the world was ours to give
We would give it, yes and more,
To see the face of the one we loved,
Come smiling through the door.
Please God just take a message,
To her in Heaven above,
Tell her how much we miss her,
And give her all our love.
Ever remembered
Arthur, Marjorie and Shirley b

Riding weekend at Davidson

Mr. and Mrs. Jack ONeil received a group of saddle weary but high spirited riders at their Trout Lake Camp near Davidson on the weekend of May 21-22. In fact the O'Neils rode in from Davidson with their guests and the whole group all members of the Shawville Pony and Saddle Club, enjoyed a horseback weekend which will long be remembered by all who took part.

Riding around the trails and through the unexplored places on Jack's big ranch was a treat to the group. "Roughing it" for the weekend included a feast of steaks on Saturday night and probably the biggest breakfast any had eaten for some time before setting out to explore the terrain on Sunday.

"The food committee was fantastic" was the concensus of opinion "and the ranch was a dream come true for riders."

Cabins were provided by the O'Neils for the tired riders with one main lodge for cooking, eating and sitting around half the night playing cards, talking over the day's fun and planning future adventures on horseback.

Suntanned and musclebound, the nine happy wanderers returned to Shawville late Sunday, but not until they had a real wild west experience rounding up their horses which had trotted merrily away from the ranch while the riders were resting. It was all in a day's fun and the whole gang, plus any others who might wish to join the club, intends to take another trip, under the same capable direction of Phil and Sally Thomson of the Diamond T, as soon as time will allow.

Ladysmith

Mr. and Mrs. Fred Krose, Diane and Darwin attended confirmation service by Rev. Beulhow in Zion Lutheran Church in Pembroke on Sunday morning, there was a confirmation class of 32, after the service Mr. and Mrs. Krose and family were dinner and supper guests with Mr. and Mrs. Roy Wegner.

Mrs. Ken Matacheskie and girls are spending the week with her parents, Mr. and Mrs. Wm. Olm.

On Sunday eve fire destroyed a landmark, the old Seaman farm house at the end of the lake, the cause of the fire is unknown.

Bristol

Weekend guests with Mr. and Mrs. Chas Russell were Mr. and Mrs. John Walker of Montreal.

Mrs. C. Farnam and Robert of Dunham were weekend visitors with Mr. and Mrs. Earl Findlay.

Mr. and Mrs. William Wilson and family, and Jack Wilson of Ottawa were weekend visitors with their mother, Mrs. R. W. Wilson.

Mrs. R. W. Wilson and Mrs. Howard McWhirter leave this week for Toronto where they will be guests of Rev Lors Carlson and Mr. and Mrs. John Henderson.

Mr. and Mrs. John Laird and family spent Saturday at their cottage.

Married

Mr. and Mrs. Archambault

Mrs. Archambault is the former Pearl Lance, daughter of Mr. S. Lance and the groom is the son of Mr. and Mrs. Jos. Archambault.

Shawville

Mrs. Secil Sly and Mrs. Hillis Graham are attending the Montreal and Ottawa Conference of the United Church of Canada which is being held this week in Carleton University, Ottawa as lay delegates from their respective churches.

Mr. and Mrs. Ernest Bradley of Mansonville were weekend visitors at the home of his sister and brother-in-law, Mr. and Mrs. Lem Hodgins. They are visiting relatives in Ottawa as well as attending the Montreal-Ottawa Conference of the United Church. They are representatives of Mansonville United Church.

Get well wishes to Mr. Elliott Hodgins who is presently a patient in Pontiac Community Hospital.

Mr. and Mrs. Phillip Hodgins and daughters Deborah and Joanne spent the weekend with their parents, Mr. and Mrs. Martin Black and Mr. and Mrs. Lem Hodgins.

Get well wishes to Messrs Hubert Brownlee and Robert Sparling who are patients in Pontiac Community Hospital.

Mr. and Mrs. Allan Black and Gordon visited Sunday in Carleton Place with Mr. and Mrs. Clifton Black.

Campbell's Bay

Mr. and Mrs. T. J. Barnes of Ottawa visited Mr. and Mrs. Lionel Martin Sunday.

Mr. and Mrs. G. A. Mowat of Ottawa were guests of Mr. and Mrs. H. R. Lunam, Sunday.

Attending the Spring Convocation of the University of Ottawa were Mr. and Mrs. E. B. Lunam where Mrs. Lunam's sister, Mrs. Ralph Pequegnot received her Degree in Public Health Nursing and Mr. and Mrs. Steve Robinson where Mrs. Robinson's nephew, Mr. Darwin Johnson received his B.A. Darwin is the son of Mrs. Alex Johnson and the late Mr. Johnson of Ottawa.

LIBERALS

(Continued from Page One)

Chairman was Mr. Bertrand and first speaker was Tom Lefebvre. He said that despite the fact that he was unknown in Pontiac, the Liberals here gave him great support and that Cliff Robillard, whom everyone in Pontiac County knows and who has spent his whole life in the service of his Pontiac County neighbors would doubtless be elected too.

"No matter what anybody says" said Tom, "the only reason a mill is being built here is because of the embargo enforced by the Liberal Minister of Forestry, a law which had been on the books for many years but not enforced by the former government".

Tom also praised Stan Callaghan for his efforts in enrolling 200 young people in Pontiac in the Liberal camp. "The future of Pontiac is with the youth" said Tom, "and the most important consideration now is education. The Liberal government will establish here a technical school with Federal-Provincial co-operation. Cliff and I will always work together" was Tom Lefebvre's pledge.

Vivian Marion spoke briefly. Her theme was "it's about time to have a Member on the Government side".

The candidate, Cliff Robillard was the man most had come to hear. His work throughout Pontiac on this campaign has included many platform appearances but most of Cliff's work is in door-way chats with homeowners. Going from house to house is the time-honored method of electioneering and has come back into its own recently as fewer and fewer people go out to party rallies.

Knocking on doors and asking the people for their support in the June 5 election has taken hours and days of this short election campaign for Mr. Robillard but he seems not to be tiring.

He says on his platform appearances, that he will establish other industries in this County, that he will improve the roads in this County, that he will build a hospital at Fort Coulonge and also that he will build an Old Folks Home here.

He says the Liberal Government has been a benefit to farmers, has been strong with assistance and social service, has provided educational opportunities of unprecedented dimensions and has provided hospital insurance, all of which is of personal benefit to the people of this particular county.

Mrs. Muriel Ayearst said she was sorry she couldn't speak in French as all the others did but that "when we take up the Liberal Banner, we all speak the same language!"

Mrs. Ayearst said the other parties must be defeated in this election and also that in social legislation the best is yet to come. "Everything" she said "depends on co-operation with the Federal Government" which she felt would be assured with the Robillard-Lefebvre combination.

As the time to vote approached, Cliff appeared at Parish Halls and meeting rooms supported by various Ministers of the Lesage government. Friday night it was Hon. Lucien Cliche. Sunday it was Hon Claire Kirkland-Casgrain, Minister of Transport and tonight Thursday June 2 at Shawville it will be Hon Eric Kierans, Minister of Health. Dr. Victor Goldbloom spoke on Cliff's behalf at Quyon on Tuesday and a number of local people have appeared on TV and spoken on the radio for Robillard. The main message seems to be that the Liberal Government can be thanked for progress in Pontiac and the County will continue to go ahead with Cliff Robillard.

Pastoral comment...

by Rev T. G. Klatt, Quyon

In speaking of the Providence of God, one of his eight great attributes, we tried to show that as a true father, He will provide for all our needs, both corporal and spiritual. He is THE WAY, THE TRUTH and THE LIFE. There is no call for fear, for despair, so long as we believe in Him and hope and trust in Him and love Him. And, because we love Him, obey His every law, His every wish.

Of course this does not mean that He will do everything Himself .We must co-operate with God and do our share. That means that He would expect us to read and study the Scriptures, both the Old and the New Testament, according to the amount of education we have received, of course. He would want us to keep an open mind to all the precious inspirations He might care to send us. We must keep THE TEN COMMANDMENTS practice daily prayer, and attach ourselves to some church, since we all need guidance, encouragement and help. We owe God private worship, but public worship as well, and we have the obligation of giving good example to our fellow-men in this regard.

He it was, who created the world, chose the Jewish people and then spread Christianity throughout the world at the appointed time. We, who are living in a modern world of daily discoveries and achievements, find it hard to realize how childlike were our First Parents and their descendants, for many centuries. It might help us to understand this, to know that God never threatened His chosen people with the fear of Hell. It is true that a place of final punishmtnt was understood to exist in the plan of God and was some times even referred to, but it was always an earthly punishment, with which God threatened the unruly members of his

THE QUEBEC LIBERAL PARTY PROGRAM

The Quebec Liberal Party, under the leadership of Jean Lesage, has adopted an imaginative, sound and realistic program for the future. It covers all aspects of our society. Some of the more important projects are —

HUMAN RIGHTS

- A *Liberal* government will undertake the enactment of a BILL OF RIGHTS setting out, and guaranteeing, the fundamental rights and freedom of the individual.
- The administration of the Bill of Rights will be administered by a CIVIL RIGHTS COMMISSION.
- And, it will establish a LEGAL AID SERVICE so that individuals who cannot afford legal advice may have access to it.
- And, it will establish family courts in place of the Social Welfare Courts so that they may deal with all family problems.

THE CONSUMER

- A *Liberal* government will establish an OFFICE FOR THE PROTECTION OF THE CONSUMER.
- And, it will pass a law against usury practices which will require the TRUE INTEREST RATES and THE COSTS for loans and time-payment purchases to be clearly shown and made known to the consumer.

CHILDREN

- A *Liberal* government will radically revise the LAW OF ADOPTION; and establish A CODE FOR THE PROTECTION OF CHILDREN so that the child's rights and interests are properly protected.
- And, it will establish a FOSTER HOME PLAN to assure the upbringing of neglected children and orphans in a proper environment.

FARMING AND FISHING

- A *Liberal* government will institute a program of financial assistance to create larger farm units so that farming will become more profitable.
- And, it will establish CROP INSURANCE; and adopt a plan so that the farmer may retire at an earlier age on an adequate pension.
- And, it will continue its policy of modernizing the fishing industry through research, adopting up to date fishing methods and financial aid for the purchase of boats and fishing equipment. Processing plants will be modernized and consolidated.

THE ECONOMY

- A *Liberal* government will establish a Department of Economic Development to stimulate the growth of secondary industry and regional development.
- And, it will construct trunk highways to make the various regions accessible to industry; and undertake a rural roads program to aid the marketing of farm produce.

The Quebec *Liberal* Party's program is designed to meet the needs of modern Quebec and serve the interest of all its citizens. The Party is confident that, with your support, its program will be realized.

Sparling-Buckland wedding

Mr. and Mrs. Wallace Sparling

Dawn Elizabeth, daughter of Mr. and Mrs. Rexford W. Buckland of Lachine, was married to James Wallace, son of Mr. and Mrs. James Roy Sparling of Campbell's Bay on April 30 at St. Paul's Church, Lachine, by Bishop Kenneth Maguire, assisted by Rev B. Midlige.

Music at the ceremony was "O Lord Most Holy" sung by the church choir. The church was decorated with yellow and white gladioli and mums.

Given in marriage by her father, the bride wore ivory silk faille with lace applique in princess lines with a train, short tulle illusion veil, and she carried red sweetheart roses and white stephanotis.

Joy Buckland, sister of the bride, as maid of honor wore floor length yellow chiffon over silk taffetta, empire style, with small headdress of dark green velvet and she carried shasta daisies with dark green velvet streamers.

Hilda Sparling, sister of the groom, Judith Roberts and Penelope Saunders were bridesmaids, wearing floor length pale green chiffon over silk taffetta in the same style as the maid of honor and they carried similar bouquets.

Best man was Norris Sparling, brother of the groom and ushers were Sherwood Sparling and Cledus Tubman, cousins of the groom and Rex Buckland, brother of the bride.

Mrs. Buckland wore an off-white peau de soie jacket dress with a black picture hat and a corsage of pink roses.

Mrs. Sparling wore a navy blue silk gown with white trim, navy accessories and an orchid en corsage.

Yellow and white flowers decorated St. Paul's Church Hall for the reception after which the couple went to Arlington, Virginia, for a wedding trip. The bride wore a biscuit colored linen dress with matching accessories and a corsage of orchids. Greenfield Park is their home after the honeymoon.

chosen people. He knew that they were not sufficiently advanced in knowledge or disciplined in morality to be able to accept this terrible truth. The word "Gehenna" or Hell is not once mentioned in the Old Testament, but in the New Testament, when these men had been formed and ready for it, we find several mentions made, especially in Matthw, Marc, Luke and the Epistles of James.

Yes, the Holy Spirit of God inspired the writers of the Old Testament. It was God's work and Christ did not come to destroy it. On the contrary He distinctly declared in His Sermon on the Mount: "Do not think that I am come to destroy the law and the prophets. I am not come to destroy, but to fulfill. For Amen, I say to you, till heaven and earth pass, one jot or one title shall not pass of the law, till all be fulfilled".

Every good christian should read and meditate on the inspiring passages of the Old Testament. It will help us to better understand its fulfillment in the New. For those who have no manual at hand, we would suggest that each week they read attentively the Sunday School Lesson by Earl L. Douglas in the Saturday edition of the Ottawa Journal. The editor who used the word "Hell" in the title for a recent lesson which appeared, was just one step ahead of Christ.

AN OPEN LETTER TO RAY JOHNSTON

Campbell's Bay, Que.
May 24, 1966

Dear Sir:

When it was first brought to my attention that the election in the Province of Quebec on the 5th of June next would be held on a Sunday my first reaction was one of disbelief and as a result I immediately made up my mind to abstain from voting. However. after due consideration I have come to the conclusion that nothing would be gained from abstaining from voting since this would be considered a tacit approval of the Sunday vote.

On the other hand I wish to protest the calling of an election on Sunday and the only way to do this effectively is to vote on June 5th next and thus make sure that this would be the last time that the Government would call an election on Sunday. I believe that if I did not vote on that particular day, the party that instituted Sunday voting would gain from my abstention.

Furthermore, I have always been brought up to believe that it is the duty of everyone of us to take an interest in the administration of our Province and in the choice of those who must govern us. It is my civic duty to vote even though I may have certain reservations about the day on which the election was called.

Yours truly,
Asa M. Smith

Campbell's Bay, Quebec

Quand il a été apporté à mon attention. que l'élection dans la Province de Quebec, le 5 juin prochain aura lieu un dimanche, ma première réaction était un refus de croire en conséquence, et immédiatement mon intention était de m'abstenir de voter. Cépendant, après due considération, je suis venu à la conclusion, que rien serait gagné en m'abstenant de voter, étant donné que ceci serait considéré une approbation tacite au vote du dimanche.

D'un autre coté, j'aimerais protester l'appel d'une élection un dimanche, et la seule manière c'est de voter le 5 juin prochain, espérant que ce serait la dernière fois au Governement d'appeler une élection un dimanche. Je crois que si je ne vote pas ce jour, le parti qui a institué le vote du dimanche, aura gagné l'avantage sur nous.

De plus, j'ai toujours été apporté à croire, que c'est le devoir de tous à prendre intérét dans l'administration de notre Province et dans le choix de ceux qui nous gouvernent. C'est mon devoir comme citoyen de voter, même si j'ai certaines réserves du jour que cette élection a été appelée.

Bien à vous,
Asa M. Smith

18 oppose Pontiac Centennial Farm
Shawville ratepayers vote June 13

Quyon, Fort Coulonge applications turned down in favour of Couunty project here
$59,400 will be lost to Pontiac if Shawville property owners vote against bylaw

At a public meeting held Wednesday May 25 at the Town Hall in Shawville eighteen people signed a paper opposing adoption of the necessary bylaw to implement action towards the proposed Pioneer Farm reconstruction on Clarendon Street, Shawville.

The plan for this Centennial project has been drawn up by Architect Donald Griffin and has been approved for a Centennial Grant by both the Federal and Provincial Centennial authorities and the necessary funds have been approved by the Treasury Board at Quebec as well as at Ottawa.

The project, being the only official Centennial Project under the Provincial-Federal grant for Pontiac County, has received the approval of County Counci which has also approved a substantial grant.

The project includes a reconstructed square timbered dwelling, furnished as these log houses were by the pioneers of Pontiac County, with a barn and stable and drive shed, each also equipped as these buildings were originally equipped. Included will be the necessary blacksmith tools for the care of horses, and harness repair equipment. Antique horse drawn vehicles are included in the plan and on the front of the property there was to be an old fashioned general store where Pontiac handicrafts would be on sale. These would include the many types of articles which are on display at our Agricultural Fairs in Quyon, Shawville and Chapeau and for which there is always a demand by city people.

The idea of the general store was to encourage the production of hand made articles such as are becoming rare, and to provide a market for those who still are able to make such things as hooked and braided rugs, quilts, knitwear and hand embroidered articles. Baked goods, and maple products would also be on sale at the general store as well as wood carving, painting by local artists, and any other hand made article.

The location of this Centennial project for all Pontiac in the village of Shawville was chosen after many considerations by the committee. The choice finally centered on the site of one of Pontiac County's original grist mills and a reconstruction of such a mill was to have been added at a later date.

Having chosen this site, the committee found that to comply with the rules of Centennial Grants, it would have to come under the authority of the Municipal Council in Shawville so they went through the necessary motions to conform with these requirements.

Ten percent of the total cost of the project had to be raised by the committee before they were eligible to receive the grants and this was done, with the co-operation of many individuals, many organizations and businesses and the hard work of members of the committee.

At the time of the aplication for the Centennial Grant for this project, there was, as there still is, a need in Shawville for money to instal artificial ice in the arena. A special request was made to Quebec to see if the Centennial Grant could be used for the installation of artificial ice and the answer from Quebec was that this was not possible. There might be other grants applicable to artificial ice, they said, but not the Centennial Grant.

This left the Pioneer Farm as the only official Centennial project for the County and the Quebec Government included the plans for the Pioneer Farm in Shawville in their brochure of 77 approved projects in the Province. A full page feature story in the Montreal Star also gave prominence to the proposed Pioneer Farm here as a great tourist attaction for Centennial year.

To receive the grants it is stipulated, among other things, that the project must be complete by January 1, 1967 and must be ready for the public and opened officially on July 1, 1967. The Committee has been at work on the plans and wishing to get started with the actual construction for three years.

The Municipality of Shawville has purchased the necessary property for the project and has been asked by the Province to enact a bylaw to cover the necessary money for its construction. The reason for this is so that contractors can be paid when the work is completed by the Council and not have to wait for the grants to come in.

The bylaw was passed unanimously by Council but as it involves the possible levy of a tax it required a public meeting which was held last Wednesday. Had nobody objected, the bylaw would have gone into effect and the work towards construction of the project would now be in progress.

As it happened, eighteen people signed their opposition to the bylaw which means the matter must be taken up by the ratepayers in a public vote which will take place on Monday, June 13.

If the project is to be proceeded with there will need to be a large vote in its favor on June 13th.

There has been some talk that the Centennial grants could better be used in some other project. As it has taken this committee three years to manoeuver the Pioneer Farm project through the various complex channels of government red tape, it is hardly likely that any other project could be rushed through and constructed in the seven months left before the January 1 deadline. In this connection it might here be mentioned that an old folks home, a library or other such project can be built here without assistance from the Centennial grants as there are other arrangements obtainable for these amenities.

Centennial planning has been going on for the past few years and any group or individual, municipality or county has been free to suggest or request action on any project they might have wished to see undertaken. As it happened in Pontiac County one application was accepted and the originality of this particular project has been remarked upon favourably by the officials both in Ottawa and in Quebec.

As a tourist attraction, the proposed Pioneer Farm has been praised by many people who are in the Tourism business and as a means of preserving the ways of our forefathers for future generations it has met with enthusiasm by historians.

OTHER APPLICATIONS FROM OTHER PONTIAC MUNICIPALITIES WERE TURNED DOWN IN QUEBEC IN FAVOR OF THE PIONEER FARM AND IF SHAWVILLE NOW VOTES AGAINST THIS ONE APPROVED PROJECT THE ENTIRE COUNTY WILL BE DEPRIVED OF ANY CENTENNIAL GRANT.

Had the current Centennial Museum Committee not received prior approval of the authorities for the Pioneer Farm Reconstruction it is quite likely that applications from either Fort Coulonge or Quyon would have been approved.

One factor in favor of the Pioneer Farm was that it would be a County-wide project with participation from Beechgrove to Fort William and Portage to Wolf Lake. When the Pioneer Farm is furnished, placards on the items will identify them with the name and origin of the family which brought them first to Pontiac.

If the Pontiac project is rejected now, the money might easily be used in Montreal or Quebec City, where their Centennial projects are consuming millions of dollars and the $59,400 slated for Pontiac would be a mere drop in the bucket.

The total cost of the project is to be $66,000. The committee has raised $6,600, $2100 yet to come from County Council and the County Women's Institute both of whose promises can be relied upon. The remaining $59,400 will be made up of $22,000 promised from the Federal Government and $37,400 promised from the Provincial Government, also both of whose promises can be relied upon. The municipal bylaw to empower Shawville to levy a tax to temporarily pay contractors would not likely be used, particularly because of the very short time left to complete the project.

It is unfortunate for the project that it has been necessary for this bylaw to be enacted but apparently this is purely a legal matter according to the town's lawyer, Mr. Edgar Allard.

For people who do not wish Shawville, or indeed Pontiac County, to join in the celebration of Canada's Centennial of Confederation with a project of its own, the bylaw issue has afforded an opportunity to delay it another month and perhaps throw it out altogether.

A visit to Upper Canada Village, or any of the other many such reconstructions of early Canadian homes, might persuade these people that such a project would be an asset to Shawville.

For those who wish to see the project completed, this set back has been disappointing but it is the will of the majority which will decide the issue on June 13.

Band plays at Quyon

Quyon received a rare musical treat last Wednesday evening when The Shawville Community Band gave a concert in St. Mary's School Auditorium. The programme consisted of light classical numbers, folk songs and marches under the direction of the leader, Mr. Lydal of Ottawa. The players from several age groups give the impression that they are enjoying themselves as they finger their instruments. Perhaps that is the secret of causing their listeners to relax and absorb the music. One little lady in the front row was able to eat potato chips and swing her legs to the steady beat of the music at the same time. Of course, the presence of Daddy and Grandpa in the band gives a wholesome musical background to her life.

The male quartet which is generally associated with its church work expanded its repetoire and offered as part of the program several numbers which provided ample opportunity to display the best of the human voice in musical harmony. It was assisted by Helen Hodgins at the piano.

The evening was sponsored by the Quyon No. 231 Branch of the Royal Canadian Legion which will devote the proceeds to child welfare.

135 attend KBK closing

The closing exercises for "Kids Bible Klub" convened at Shawville Pentecostal Tabernacle Friday evening May 20 at 7.00 p.m.

There were 135 present and the evening included a special programme by the children. The Pastor, Rev G. Atkinson welcomed everyone and then led in prayer. A group of the KBKs recited from memory the Ten Commandments which was a highlight of KBK this year.

Miss Elaine Sparling led the children in a lively song-time of Bible-action choruses. The KBK kids recited from memory all the scripture verses they had learned during th epast year.

Another group of Kids recited from memory The Beatitudes, another highlight of KBK.

Then all the KBK kids took part in the great big KAZOO Band while the offering was received.

Presentation of awards took place: Leslie Thompson, Donna Towell, Janyce Dale, Jennifer Dale, Marleen Sparling, Marilyn Wallace, Bonnie Sue Towell, Judy Hynes, Nancy Barber, Ruthie Sparling.

The evening climaxed with a film entitled "The clockmakers Secret". Sincere thanks to every one who helped to make KBK a success this past season was expressed at the close of the meeting.

— OBITUARIES —

Mrs Henry Henderson

Mrs. J. H. Henderson passed away at Shawville Hospital, May 5, 1966 after a lengthy illness.

She was born at Eardley, Que on Dec 13, 1896 daughter of the late Joseph Thompson and his wife Annie McCrea.

She is survived by one son, Kenneth of Ottawa, one daughter, Anne (Mrs. Joe Yurkiewicz) of Cartier, Ont, one sister, Mrs. Alex Davis of Quyon and 9 grandchildren. She was predecesaed by her husband John Henry Henderson on March 23, 1966 and a son Alfred in 1959.

The funeral was held from the Hayts Funeral Home to Shawville United Church where the service was conducted by Rev S. Snowden. Burial was in Maple Grove Cemetery.

Pall bearers wtre Marvin Thompson, Raymond Davis, Jamie Horner, Harry McCrea, Hilliard Sinclair and Sherwood Henderson.

The Rev. E. Rex Taylor

The death of the Rev E. Rex Taylor B.D., occurred last Thursday night in hospital near his home at Abington, Penn., USA. Mr. Taylor came to the Bristol Charge of the United Church of Canada in the autumn of 1956 and in the interven ng years held pastorates in Ottawa and Edmonton, Alta., prior to going to the United States for further study.

Before entering the ministry of the Presbyterian Church of England, he had been a professional engineer. In a natural way he always retained an interest in motor mechanics. Among the several other avocations he followed was that of music and he always enjoyed playing the violin and the guitar.

Early after completing his theological training at Cambridge University Mr. Taylor developed a ministry to youth and travelled throughout England presenting the Christian Gospel to many young persons who had little affiliation with the Church.

Within him grew a relationship for Pontiac County which took the form of his building a cottage to which he returned every summer to gain recreation on the banks of the Ottawa River.

To Mrs. Taylor and their daughter, Lindsay, who survive, those in Pontiac County who knew Mr. Taylor would share in their loss and express their deepest sympathy.

"There, there on eagle wings we soar,
And time and sense seem all no more,
And heaven comes down our souls to greet,
And glory crowns the mercy-seat."

Rev. Ed McColl

Elwood Clifford Mackay

Elwood Clifford Mackay passed away May 11th at his home in Charteris as a result of a heart attack. He was 76 and plans were in progress to celebrate his Golden Wedding anniversary on May 17th, which was the date in 1916 when he had married the former Ethel Merritt.

Surviving as well as his widow are thirteen children, forty grandchildren and one great grandchild as well as a brother Karl Mackay.

Ellie, as he was always known, was born in Portage du Fort on December 17th, 1889, the son of the late Mr. and Mrs. S. A. Mackay. He was a veteran of the first world war and a farmer.

The funeral was Saturday, May 14th with a service by Rev Frere Kennedy assisted by Mr. Lawrence in St. Matthews Church, Charteris. Mrs. Lillis Ladouceur played the organ and burial was in the Charteris Cemetery with Ken Woods, Don McCord, Vic Horsley, Erlin Tubman, Lawrence Lang and Henry McCord as pall bearers. Funeral arrangements were by W. J. Hayes.

ST MARY'S C W L

A general meeting of St. Mary's Council of the CWL was held May 10th in St. Mary's School auditorium, Quyon. Mrs. Basil Stanton presided. There were 25 members present.

A discussion was held regarding a new altar for St. Mary's Church, as a project for the new term.

Members planning to attend the convention in Our Lady of Lourdes Parish, Pembroke May 26, submitted their names.

A motion was passed to contribute $5 to the Legion of Mary.

An invitation was read from Mrs. W. Hytonen to the 19th Annual Convention of the Ontario Provincial Council July 5, and 7.

A motion was passed to partake in the bake sales to be held this summer as we did last year. Convenors for the first bake sale June 4th were Mrs. Francis Daley, Mrs. Martin Dowe, and Mrs. Bert Kennedy. Members were asked to have their food contributions in before 1.30 p.m.

Convenors have all accepted their convenorships for another year. Mrs. Steve Robinson was chosen as Social Action convenor. She read an article "Christian in the Community" by Rev Meahem.

Mrs. Leo Foran has postponed the completion of the cook book until early Fall.

Mrs. Joseph Kennedy, Educational convenor, read letters of thanks from the Scarboro Mission, and the Sisters of the Precious Blood for used stamps.

Sister Theodosia played a tape recording of Sister Mary Theresa of the Grey Sisters of the Immaculate Conception. Her topic was "The need for Vocations." Sister asked us to pray for the success of Vocation Day which was May 13th.

Mrs. Stanton thanked the members for their wonderful attendance during the past year, and suggested we try to get new members.

The tea prize was won by Mrs. Arnold Trudeau.

The meeting closed in prayer. Refreshments were served by Mrs. Stan Scott and Mrs. Arnold Trudeau.

Country Notes

By Walker Riley,

Macdonald College, Agricultural Extension

"To understand a problem is to lose fear of it, and to lose fear is the first step in finding a solution".

Miss Chevrier a rural sociologist whose home was in Pontiac county set the theme at the Women's Institute Annual Leadership Conference last week with a graphic picture of the change in the agricultural population of the trend from rural to urban, of the specialization and mechanization in farming, and the accompanying loss of farms of the increasing difficulty of finding a dividing line between rural and urban. She spoke of the need to train youngsters to be fitted and flexible in their search for careers and of the changing attitudes and values in the rural communities.

The discussion groups which followed dug into the problems arising from these changes—the difficulties of transporting pupils a hundred miles to school, the hardships imposed by higher production costs and constant returns, the problems of distant markets.

Jack Cram, Senior Editor of the Family Herald, set the stage for a discussion of feeding the world's hungry, while at the same time keeping bread and butter on our own tables.

Professor Arch Jones took on that aspect of change, the increasing need for recreational facilities and the necessity of unilizing all our renewable resources to the best advantage. To illustrate his points, he took the delegates to he Morgan Arboreum where he practices what he preaches.

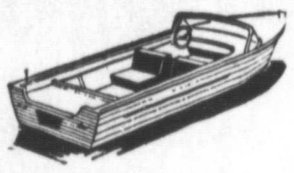

Prof. John Ogilvie for his part undertook to break into manageable parts a very serious problem of change: pollution of our beautiful lakes and rivers, and pollution of the air. Nor could all the blame go to the large communities on the river side. Pollution, John pointed out was also manure piles on the banks of creeks, insecticide bags tossed into the ditch, drifts from crop spraying, silt from eroded fields. Pollution, he said, was not the other fellow's responsibility, but resulted from accumulated carelessness of a crowded society. It was a problem to be accepted equally by the small community.

Then Dr. Howard Steppler, in his banquet address, gave an encouraging picture of the future of agriculture, a changed agriculture, it is true, he said but still a vigorous and prosperous industry, embracing a greatly broadened and challenging field. It will demand men highly trained in their specialities and men able to put these specialties together into meaningful practice.

Priests exchange

At the Trinity Sunday Services in the Anglican Parish of North Clarendon this coming Sunday, June 5th, the guest officiating Minister and Preacher will be Rev Thomas Daniel, Parish Priest, Kazabazua.

The services June 5th will be Holy Communion, 9.30 a.m. St. James Church, Otter Lake, Morning Prayer 11.00 a.m. St. George's Church, Thorne Centre and Evening Prayer, St. Matthews Church, Charteris at 2.30 p.m.

The Rev Thomas Daniel has been in parishes in England and in the United States, and was appointed to the five-point parish working out of Kazabazua several months before the Deanery of Clarendon joined the Diocese of Ottawa, July 1st last.

At the same time, the Incumbent of North Clarendon, Rev Frere Kennedy will be celebrant and preacher at St. Stephen's Church Kazabazua 9.00 a.m. and at St. James Church Wright Pickanock 11.00 a.m. both services being Holy Communion.

Rev Thomas Daniel will return from Charteris in time to officiate at evening prayer at Christ Church, Maniwaki.

Trinity Sunday (or the Octave Day of Pentecost) is the Sunday, in the church year which comes immediately following Whitsunday or Pentecost. Because Easter Day and therefore Whitsunday, falls on a changing date each year Trinity Sunday is also a moveable feast.

Trinity Sunday marks the beginning of the long summer season of Trinity, the liturgical colour of which is green.

During Trinitytide the teaching of the church emphasizes the three-fold activity of God. As Father (who creates), as Son (who forgives) and as Holy Spirit (who spiritually strengthens).

The exchange arranged for this Sunday is a post-ponement from an exchange originally planned for last autumn. The sudden arrival of snow, however made the Pickanoc road largely impassable at the time.

The exchange is the second of its kind between the two parishes in the last two years.

QUYON W I

Mr. Francis Murdock of the Dept of External Affairs was guest speaker at the May meeting of Quyon WI held at the home of Mrs. J. A. Steele.

"Fanny" has returned from a two year tour of duty in Ankara, Turkey. His experiences were quite interesting and his remarks instructive. One strong impression with which he came home is that he needs more education so has enrolled at Ottawa U for summer courses. His advice to pupils in school is to take advantage of their opportunity to finish school. Education makes life more enjoyable.

"Franny" was introduced by Mrs. Kennedy and thanked by Mrs. Fraser who congratulated him as a local boy who had initiative to venture into foreign fields. He was presented with a small gift in appreciation of his talk.

Mrs. McCann presided at the business meeting.

Eight members had visited Bushnell TV station to observe the taping of the show Take a Bow and subsequently had the dubious pleasure of seeing themselves on TV.

The Tupper-Ware demonstration at the home of Mrs. McCann was a financial success for the branch.

Plans were made to entertain the annual convention on the 18th. The meeting will be held in the Legion Hall and the meal in St. John's Church hall.

A Bake-Sale will be held on Aug 6th.

Christmas stockings will be filled by teams of three. Subscriptions were taken for Federated News.

We hope Mrs. McColl will take the Leadership Training Course. Mrs. Burke will represent the WI on the Quyon Centennial Committee.

We wish to thank Miss Mildred Amos and Rev E. N. McColl for their help in preparing our new programmes.

Mrs. McCann presented gifts of china floral brooches to five members who had arrived at ten year's consecutive membership, namely Mrs. Gordon. Mrs. Kennedy. Mrs. Johnston and Mrs. McColl.

A.C.W.W. pins were given to Mrs. Davis and Mrs. Fraser for perfect attendance.

Mr. Murdock drew the winning ticket on the draw for the picture painted by Mrs. Viola Steele. Congratulations to Mrs. J. L. Amm who holds the lucky ticket.

Refreshments were served by Mrs. McCann, Mrs. Fraser and Mrs. Steele.

Grand Orange Lodge Session and banquet

The Rt Wor Grand Orange Lodge of the Province of Quebec met in the Laurentian Hotel on Friday May 20th with the Grand Master Rt Wor Alex Lough presiding.

Pontiac County was represented by Mr. Dean Tubman, Past County Master and Mr. Kenneth Tubman present County Master.

Ottawa County was represented by Mr. A. Hall and Messrs Asler Easy, Edgar Reside, Raymond Reside, Roderick Brown and the Rev R. S. Smith. Rev E. McColl attendtd as a speaker at the banquet on behalf of the Children's Home.

The sessions were well attended and considerable business was accomplished.

At 4.30 Divine Service was held for the Orange Grand Lodge and the Grand Lodge of the Ladies Orange Benevolent Association. Rev R. S. Smith, Grand Chaplain conducted the service assisted by Rev A. E. Dovey, Rev Dr. Perry and Rev Dr. Patterson who preached the sermon.

The banquet was a huge success. The report was given by Rt Wor Sister Erskine and the financial report was given by R.W. Bro. Harry Butler.

During the evening almost fifteen hundred dollars was donated to the new building fund of which over $200 was given by the ladies of Shawville. The Most Wor Bro Smith, Grand Master of British America gave an interesting address as did also the Rev E. McColl of Quyon.

On Saturday at noon a service of Divine Worship was held at the cenotaph on Dominion Square which was conducted by the Grand Chaplain the MW Bro Rev R. S. Smith assisted by Rev Perry. The wreath was placed by the Grand Mistress of the LOBA and the Grand Master of the LOA.

It was a beautiful service, during which the lodges received every courtesy possible in the city.

Among the distinguished visitors were a number of Grand Lodge Officers of Toronto and also a large delegation from Ottawa and Ontario East.

The sessions ended at 5 p.m. on Saturday with Rev R. S. Smith offering the closing prayers. The meeting next year is to be at Kinnears Mills and for 1968 an invitation was extended by Ottawa County.

Election of officers resulted as follows: Grand Master Alex Lough; Deputy Grand Master Scott Maclean; Junior D.G.M. Osler Easy; Grand Chaplain, Dr. Perry; Grand Secretary, Leslie Kerr; Grand Treasurer, Harry Butler; Grand Marshal, Harry Roberts; Grand Lecturer, N. Walters, Deputy Grand Chaplain of BA, Rev R. S. Smith; Deputy Grand Chaplain of B.A. Rev G. Perry.

The Facts

Six years of achievement

Six years of unparalleled progress

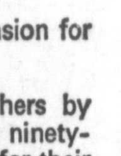

Six years ago The Quebec Liberal Party, under the leadership of Jean Lesage, promised to take Quebec out of its political and social limbo and make a great leap forward. These were not idle words. The facts are —

The Lesage government with your support has —

- ✓ enacted the first anti-discrimination law in the history of Quebec;
- ✓ established in law the rights of married women;
- ✓ adopted public tendering for government contracts;
- ✓ reorganized the Provincial Police Force;
- ✓ established a universal and portable pension plan which served as a model for the Canada Pension Plan;
- ✓ provided assistance for widows and spinsters;
- ✓ increased by ten dollars a month the pension for invalids and the blind;
- ✓ increased the allowance for needy mothers by twenty dollars per month (seventy-five to ninety-five dollars) and increased the allowance for their children by ten dollars per month (now twenty dollars per month) for each child after the second;
- ✓ adopted a hospitalization insurance plan;
- ✓ created a public electricity system and undertook the most spectacular hydro electric development program in Canada including the installation of the highest voltage transmission system of alternating current in the world;
- ✓ provided free secondary education for all;
- ✓ provided free text books and transportation for students;
- ✓ provided student allowances of 120 dollars a year for 16 and 17 year olds;
- ✓ reduced the drop-out factor of 13 to 16 year olds, in one year (1965) by 13%;
- ✓ provided technical training for 47,805 unemployed persons; and retrained 2,000 skilled workers, in one year, who had been displaced by automation or for economic reasons;
- ✓ increased the limit on farm loans from 10 thousand to 15 thousand dollars and, since 1960, approved 19,450 loans amounting to 137 million 316 thousand dollars;
- ✓ provided farmers with compensation for crop losses caused by inclement weather;
- ✓ provided municipalities with 115 million dollars for certain public works, 6 million in four years for improvement in fire protection and 22 million 900 thousand dollars for waterworks and sewer systems;
- ✓ authorized 11 thousand 476 winter works in five years which provided 141 million 841 thousand dollars in wages;
- ✓ constructed 1 thousand 189 miles of new roads since 1960;
- ✓ spent in six years 196 million dollars in the construction of rural roads, 295 million on highways and 343 million dollars on road and highway maintenance;
- ✓ developed a master highway plan for Quebec;
- ✓ doubled the expenditure for winter road maintenance in five years;
- ✓ created an economic planning council;
- ✓ established an Industrial Development Board.

In the past six years 3 thousand 562 new industries were established in Quebec creating 289 thousand new jobs.

A GENERAL MOTORS VALUE

Pontiac Parisienne Custom Sport Convertible with Sports Option

The only thing that says "low price" about Pontiac is its price tag... and that's removable.

It would be easy for a guy like you to get excited about a new Parisienne convertible, wouldn't it. Breezy, full-sized styling. Rich interiors. The car has success written all over it. Sure, you'd like to own a Pontiac. But if you're like a lot of people we know, you maybe figure that Pontiac is just too good to be true. You figure it costs a lot of money. Of course we can tell you all kinds of nice things about Pontiac; how well it's built, how much you deserve one, but the nicer we make the car sound, the more expensive you think it is. The only way we can get around this is to invite you in to have a look at the price tag. It's maybe not quite as colorful as the car, but it's liable to turn you on just the same. People forget (and who can blame them), but Pontiac is not an expensive car! And that's not just talk. We can offer *you* the kind of a deal that could put you behind the wheel of your own new Pontiac this week. A guy like you could really go places in a Pontiac. If there's any better way to get there, we can't think of it. And an *easier* way, we're sure there isn't. So drop in and get acquainted with *all* our price tags. You'll know us right away. Just look for one of the names listed below. Be seeing you.

Census takers take oath of secrecy

Work to be completed by mid-June

Although the Census officially begins on Wednesday, June 1, 1966, very few people in the Pontiac area will get a call from the census taker on that day. In fact only a small proportion of the area population will be enumerated this week, stated Joe Doyle Census Commissioner for Pontiac West.

In theory the Census starts June 1 and continues on until completed he said. In actual fact because a majority of census takers are new to their jobs, only a small number of names are completed on the first day. And on the second day, Thursday, June 2, they meet together with the census commissioner to review problems they have encountered in their field work.

It is therefore on the third day Mr. Doyle stated, that the Census gets into high gear. However the third day is a Friday and while some census takers do elect to work on the Saturday, it is the week starting on Monday June 6 that will see the greatest amount of census taking completed.

The population Census is expected to be completed entirely within two weeks (and the Farm Census within three weeks) he said. The listing of businesses for the Census of Merchandising at the end of the 1966 fiscal year will also be completed within that time.

The census schedules are carefully checked by the Census Commissioner and get a further check at the regional office of Dominion Bureau of Statistics, in this case at Fort Coulonge. But the compilation of figures and the release of all statistical data is made at Ottawa after returns are processed through the computer centre there.

Mr. Doyle stressed the need for public cooperation. He said that this need was emphasized by the slogan being used for the 1966 Census, which is: "Be Counted for Canada". The law requires everybody to answer the Census questions, but the Census can only be complete and accurate if the public cooperates.

He also emphasized the secrecy of the Census answers, pointed out that everybody working for the Census which Dominion Bureau of Statistics administers, is required to take an oath of **secrecy.**

COURT REPORT

Court was held in Campbell's Bay on May 27, 1966 with District Judge Avila Labelle presiding.

Three young men, Garnet Fremont, 20 yrs, of 305 Dominion St., Donald Wayne Simpson, 19 yrs, of 316 Haig Ave, and Ronald Rickman, 19 yrs of 340 Raglan St. all of Renfrew who were caught by the QPP while drinking beer in their car parked on main St. of Campbell's Bay were fined $25 each and ordered to pay the Court Costs.

Merlyn Moore, 19 yrs of Campbell's Bay who took a pick-up truck without the owner's permission, was sentenced to 8 days in jail. The Court was told that the accused took the truck the property of Mr. David Lunam, Mayor of Campbell's Bay from the latter's houseyard, and then drove it to the village. Apparently going back to Mr. Lunam's place he lost control of the vehicle, and took the ditch, causing approximately $200 damages.

A 43 year old Pembroke man, Basil Sutton, of 321 Christie St. who was found dead drunk, and lying down across a street in the village of Chapeau was sentenced to the time already spent in jail, namely 6 days.

Roger Bellemaire 20 yrs of Shawinigan who pleaded guilty 2123 de la Montagne St., in to two charges of hit and run, was fined a total of $100 and Court costs. His driver's permit was suspended for a period of one month. According to evidence Bellemaire while going out of a hotel parking lot in Rapides des Joachims hit two other cars, and drove on with intent to escape civil or criminal liability. Damages to the two ht cars were slight, and the accused was arrested shortly after by the QPP of Campbell's Bay.

Donald Brownrigg of RR 1, Breckenridge, was fined $100 & ordered to pay the Court Costs, when he pleaded guilty to a charge of hunting deer during last hunting season, with the aid of a jack light.

Fined $100 and ordered to pay Court costs for infractions to the Game Laws during the last hunting season were Raymond Lizotte of 3659 Montana St., Montreal, for illegal possession of a rifle on the site of lumbering operations and Polydore Paquette of Otter Lake who was caught hunting moose at night.

For illegall possession of hunting equipment in the DeLaverendrye game reserve, Rene Pierre Bouthotte, of 110 St-Jacques St and Jean Demers of 7 Mercier St. both of Hull, were fined $25 each and ordered to pay court costs.

Joseph Blaskie, Otter Lake, was fined a total of $10 for illegal muskrat trapping as well as illegal possession of four muskrat pelts.

Charles Dubeau, 24 yrs of Otter Lake who could not resist the temptation to appropriate himself a Boy Scout's tent found on the latter's property was given a suspended sentence and ordered to post a personal bail bond of $100 to keep the peace for a period of 12 months. The tent was returned to the Boy Scouts.

Stealing a ladies wrist watch and 3.50 in cash brought a 14 days in jail term to Marcel Goupil, 19 yrs of Capreol. The evidence revealed that Goupil while working on a CPR extra gang at Portage du Fort broke into another worker's locker, and stole the article and money.

Almas Lavoie, 56 years of age of St. Dominique du Rosaire, Abitibi who was found guilty of illegal moose hunting in the DeLaverendrye Game Reserve was fined and paid $200 plus the court costs.
