St. Stephen's Church Westmount Burns Mortgage

For the first time in 52 years, the century-old parish of St. Stephen's Anglican Church, Westmount, is out of debt. Marking a high point in the congregation's life, a \$10,000 mortgage was burned at the annual vestry meeting Monday night in the parish hall. The honor of applying the mortgage to the lighted taper went to Mrs. William Sloan, who with her husband, at her left, has been associated with the parish for over 50 years. From left, above, are: H. H. Walker, people's warden; Rev. A. T. Love, rector; Mrs. Sloan, Mr. Sloan, L. A. Love, the rector's son, who is rector's warden. The mortgage being burned is the residue of a \$27,000 mortgage assumed in 1937 and which consolidated two previous mortgages.

Ex-Westmount Policeman Is Killed in Mishap

An ex-Westmount Policeman, Alexander Beaton, 31, of 935 Addington avenue, N.D.G., Montreal, was killed when the automobile he was driving went out of control near Metcalfe avenue on St. Catherine street, and crashed headlong into a steel pole.

The mishap occurred at 4.44 a.m. His wife, 24, suffered multiple abrasions, lacerations on the right knee, a possible fracture of the left ankle and periods of unconsciousness as a result of the accident, while two other people in the car from Longueuil, were slightly injured.

At an inquest held Monday, Coroner R. Duckett requested that all the passengers of the automobile be present before judgement would be passed. Other witnesses besides the passengers are: Miss F. Leathead, of 6400 Iberville street and Leo McMahan, a Westmount taxi driver.

Boys' Hi-Y Club Plans Banquet

The Westmount Boys' Hi-Y Club are playing hosts to their fathers next Monday night, January 29, at 6.30 p.m. The occasion is a Father-and-Son Banquet, to be held at the Westmount Y.M.C.A.

The main speaker of the evening will be Dr. G. O. Rathney, M.A. Ph. D., professor of history at Sir George Williams College, who will address the group on "Russia."

Doug Reed and Mr. John Noel have agreed to act as chief chefs for the banquet.

President Bob Webster asked all members of the Club to be sure to be present with their fathers at this banquet. He also announced that the members of the Girls' Hi-Y Club have kindly consented to act as waitresses at this event.

Victoria Avenue Corner Due for Face Lifting

The Examiner learns that Steinberg's Wholesale Groceries contemplate opening a master market at the southeast corner of Sherbrooke street and Victoria avenue, next to the new Montreal City and District Bank now being erected.

It is believed that the new Steinberg's store will have an entrance on Sherbrooke street, and another on Victoria avenue, the store to be "L" shaped. It is understood that Steinberg's has acquired parking space on Victoria avenue next to Western Taxi.

The same source of information

has it that the present Steinberg's store at 4833 Sherbrooke street west, just opposite the projected new groceries, has been sold to F. W. Woolworth Co. Ltd. or that at least the "5" & "10" company have an option to purchase the property.

If the contemplated plans go through, the Woolworth Co. will, it is learned, open up a super store just as soon as Steinberg's can get into their new premises to be erected on the opposite side of the street.

It looks as if the Victoria avenue corner will become a major shopping centre in Westmount.

Gift Making Course Being Given By Recreation Dept.

Two courses are being given at the Westmount Athletic Grounds Clubhouse by the Recreation Department in Feltwork.

Eight week courses starting Thursday February first:

Afternoon class 2:15 p.m. to 4:00 p.m.

Evening class from 7:15 p.m. to 9:30 p.m.

Come and learn how to make gay colored slippers, bags, mitts, stuffed toys and many other attractive articles that will be a joy to wear and will be well received as a gift.

Registration is now open for further details. Phone Mrs. N. E. Brown, FI. 6975. Register now as classes are limited in number.

W. A. Kennedy Is Fêted by Aldermen

Ex-Alderman W. A. Kennedy of Westmount was guest on honor at a special dinner held for him by former colleagues of the Westmount City Council, Tuesday noon. A presentation was made to Mr. Kennedy by Mayor J. S. Cameron of Westmount, who said that the officials had gathered to pay tribute and show their appreciation of the work he has done for the City of Westmount.

An alderman for two years, and an executive of the Westmount Municipal Association for ten years before that, Mr. Kennedy was Warden in charge of the Fire Auxiliary of Westmount during the war. While an alderman, he was Commissioner of Electric Light, Health and Public Welfare in the City.

Attending the dinner held at the University Club Tuesday, were Aldermen, R. Panet-Raymond, J. S. B. Pemberton, H. Lloyd Blachford, R. H. Dean and Roy Campbell, together with the Mayor, J. S. Cameron, City Manager, Thomas J. Hughes, Secretary Treasurer, A. W. D. Swan, and City Solicitor, J. W. Weldon.

Westmount Orchid Show Now On in Conservatory

To those who have thought of an Orchid as something only to be worn in "milady's" corsage, a visit to the Conservatories will be well worth while.

The Orchid family is distributed over all parts of the world with the exception of the polar regions, and the great deserts. Over 15,000 species and more than 5,000 varieties are known. About 85 percent of the species occur in the tropical or sub-tropical regions.

Orchids are horticulturally divided into two groups terrestrial and epiphytal, the former embracing those that grow on the ground and derive their food more or less directly from it, and the latter those that usually attach themselves to rocks and trees, and derive a greater portion of their nutriment from the atmosphere.

The Calanthes flowering just now are terrestrial orchids from Malaya and are interesting because they lose their leaves at flowering time, and the small flowers are produced on spikes from what appears to be a bulb.

The Cattleyas are epiphytes from tropical America and grow on rocks and trees devoid of other vegetation along the margins of rivers and ravines usually in shade where they receive a copious supply of water from heavy dews and condensation of morning fogs which saturate the forests during the dry season and often excessive rains during the wet season.

It is the flowers of the Cattleya group that the florist uses mostly for corsages because of their colour and the length of time the flowers last. About a hundred flowers may be seen in the Conservatory at the present time.

Cyclamen, Begonias, Primulas and Hyacinths are also flowering in the Conservatory.

J. A. Delalanne Is Elected Chairman Of School Board

At a meeting of the School Commissioners for Westmount held Thursday evening, J. A. deLalanne was appointed Chairman of

JAMES A. deLALANNE

the Board for the year 1951, and D. A. Baillie was named Vice-Chairman.

The Westmount representatives on the Montreal Protestant Central School Board are Mrs. M. L. Tucker and J. G. Hutchison.

The Westmount Board now consists of:

J. A. deLalanne, Chairman,
D. A. Baillie, Vice-Chairman,
J. G. Hutchison,
T. W. Gilmour,
G. L. Vickerson,
Mrs. M. L. Tucker,
J. R. Fenwick.

F. B. Whittet, whose registration was to have taken effect on January 31st, has agreed to remain on as Secretary-Treasurer.

Putters Club To Have Movies In Oak Room

Monday night at Victoria Hall was Beetle game night which was not too well attended with only five members being present.

Next week we have a very good collection of movies to be shown in the Oak room. The show will run approximately two hours and will get under way at eight o'clock. The more people who can attend the show the better so don't forget to tell all the members you know about it.

Citizen Tips Off Police, 2 Arrested

The co-operation of a Westmount woman over the week-end resulted in the arrest of two men, accused by the Westmount Police Department with breaking and entering by night.

Conor Dolan, 20, and John Angrove, 30, both of whom gave no address, were arraigned before Recorder C. A. Hale of the Westmount Recorder's Court, Monday, but pleaded not guilty through counsel for the defence.

The Counsel, Joseph Cohen, K.C., also requested that they be tried before a jury, so that the case will be transferred to a Montreal Court for further hearing.

Woman Injured Crossing Street

Mrs. Gabrielle Lafontaine, 53, of 429 Mount Stephen avenue, Westmount, suffered a compound fracture of the left leg and a possible fracture of the right leg, when she was struck by an automobile while crossing Sherbrooke street with her husband.

According to the driver of the automobile, Andre Beauchemin, 24, of 4334 Westmount boulevard, he was nearing the intersection of Mount Stephen and Sherbrooke street, when the accident took place.

One report indicates that the couple were crossing the street together, and that the wife suddenly went ahead to cross the street before the car ahead reached them.

She was taken to the Homoeopathic Hospital and treated by Dr. MacDonald for the injuries.

Annual Business Meeting Held by Calvary United

The 74th annual business meeting of Calvary United Church and the congregation was held yesterday. Following a devotional service, conducted by the pastor, the Very Rev. T. W. Jones, M.A., D.D., the secretarial report of the year's work was given by T. H. Skelcher, secretary of the church.

The statistical section showed that 75 babies had been baptized, 45 burials conducted and 68 marriages performed during the year; also that 96 had been received into the fellowship of the church, of whom 62 were on confession of faith, including 14 from Dr. Jones' training class. The membership roll now stands at 767 resident, 53 non-resident, making a total of 820.

Reports from all departments of the life and work of the congregation were presented. The church treasurer's report, showing that all obligations of the congregation for the year had been fully met, was presented by L. H. Corbett, treasurer of Calvary Church.

The Missionary Educational and Benevolent Funds report was presented by Albert H. Modler, the treasurer of this department. Excellent results were reported for the year.

The trustees, stewards, deacons and all major organizations of the congregation reported through their respective secretaries and indicated an encouraging outlook for 1951.

Round-Table Talk By Current Events Group Proves Hit

"How shall we rearm Germany?" was the main problem tackled at the Round-Table Discussion of the Westmount High School Current Events Club last week. Though generally agreed the defence of western Germany is vital to our own survival, conflicting viewpoints were warmly expressed by participants as to how this could best be accomplished. Some favoured the recruiting of independent German divisions under their own command. Others preferred separate units of German soldiers incorporated into the armies of the various Western Allies.

In addition, the Korean War inevitably came under discussion. Points for and against withdrawing from Korea received close attention. The Current Events Club then passed to the significant and valuable question of exactly what we are fighting for. Time, unfortunately however, elapsed so quickly that this and several other questions had to be carried over until the next meeting of the round-table kind.

At the conclusion of the discussion of each topic, Mr. Snyder, the club's advisor, summed up the points, and, where possible, drew a conclusion for the benefit of the participants. At the close of the meeting, he congratulated the club in the knowledge of current problems displayed by so many of the members.

Y. M. C. A. NOTES

Sweetheart Dance: The dance committee met last Monday night to complete arrangements for the annual St. Valentine's Day Sweetheart Dance on Friday, February 9th. The party starts at 8.30, with refreshments being served at 11.00, followed by more dancing. The dance program will be varied, including square, modern and novelty dances with prizes.

Effective Speaking Club: This active weekly group has decided to send two delegations to the Model United Nations Assembly, being held at Central "Y" on March 2 and 3. The Club will represent the countries of Poland and Australia.

Square Dance Skating Party: This Tuesday, January 30th, the Square Dance Club will go skating first and then come back to the "Y" for square dancing and refreshments. The gang will leave the "Y" at 8.30 and head for the "Horseshoe Rink" in Westmount Park, returning around 9.30 for squares and unique refreshments. Sounds like fun!

Other Plans: Cards on Monday at 8.15... Sweetheart Dance Committee on Monday at 8.00... Supper Club on Thursday at 6.00... Sunday Ski Bus still needs a few more names before chartering a bus.

Fencing Club: Congratulations to the Fencing Team for the fine showing last week against the powerful Palestre National Team. It was a decided upset and a pleasant surprise to all those watching the competition. The "Y" team came through with a 6-3 win in an excellent exhibition. This is the first time for some years that a team from Westmount "Y" has been in competition and is an encouraging sign of things to come.

Swim Team: The Westmount "Y" Swimming Team is still holding its own in City competition, placing second to Central "Y" in the City-wide meet held last Friday night at the International "Y" pool. Outstanding performers for the local team were: Bobby Hamilton, with a first in the Free Style and Back Stroke; Don Seller, with a first in Diving and Free Style; and Lloyd Kishino with a decided first in the Breast Stroke and a third in the Free Style.

Gymnastic Club: All gymnasts

Unity Boys' Club News

Outdoor hockey and skating are now the major subject of conversation around the club and the Unity Boys Club are very fortunate to have been able to secure a nearby rink for practice and games for its members. Any member of the club may join in these activities and play for one of the House League teams — so Earle MacDonald has specially asked all who want to sign up right away as he is anxious to have a regular schedule in force next week. So far Bantams will practice from 4 to 5 p.m., Midgets from 7 to 8 and Juniors from 8 to 9. But the days upon which these practices will be held cannot be decided upon until he knows how many boys are joining up and how many teams.

Another big activity coming up in February will be the Unity Boys Club Ice Carnival and you are all asked to submit your suggestions regarding the program. Keep your eye on the Bulletin Board at the clubhouse and on this column for further news.

Parent's Night: Don't forget Parent's Night this Friday, January 26, at 8 p.m. A program of interest and entertainment has been planned for parents only. V. F. McAdam, Executive Director of the Boys' Club of Canada will be the guest speaker. And remember, there will be "NO CLUB" for members on this evening — its for parents only.

Woodwork: One of the projects making most progress is woodwork under the general supervision of T. Cartwright. Competition is keen in each of the divisions with Ernie Mills working with the Midgets on Monday while Major Stikeman and his Juniors

are making tables. The big project of the woodwork shop is the construction of a stage and all the art and craft activities of the Bantams, Midgets and Juniors under the supervision of Major R. Murray will contribute to its being one of the most modern club stages among boys clubs.

Inter-Club Sports: Two basketball games and one Floor Hockey game were played in the Inter-club Series last week. In Basketball Unity won over Imperial Tobacco and was defeated by Iverley Settlement. In Floor Hockey Iverley were one point up on Unity.

Basketball: Iverley won 21 to 20 in a hard fought game. T. Hanlon scored 10 points, B. Glome and K. Cooke 3 for Iverley. For Unity R. Whims scored 12 points, K. Lyons 6 and C. Black 2. In the Unity-Imperial Tobacco game which Unity won 30 to 11, Alexander scored 12 for Unity, Lord 8, and Craig and Smith 2 points each. For Imperial Sanders scored 6 points, Smith 3 and Baxter 2.

Floor Hockey: Iverley won 1 point over the Unity Boys' Club in another fast game of hard playing floor hockey. Chubb of Iverley scored 6 points, Ray and Bismard 2 points each, and B. Chubb 1 point. Sanders led Unity with 4 points, with Carter and Mata-buchi 3 points each.

Correspondence: Where are my letters from you boys and girls. We want to hear from you and whether we are giving you enough news in this column.

Love Called Most Effective For Children, Parents Told

Love is the most effective disciplinary measure, Mrs. Ewen Irvine stated in a talk on "The Problem of Discipline in the Home," given to a meeting of parents at St. George's School last evening. Mrs. Irvine, who lectures on child development at Sir George Williams College and is research assistant in psychiatry at McGill University School of Social Work, explained that to the frightened, helpless

newborn child love is a guarantee of life. If every time he is cold or unhappy, in pain or hungry, someone comes and gives him what he needs, he feels safe and reassured. In order to keep this safety, which is love, the child will do his best to conform to the standards of the person who gives it to him. The delinquent is the child who was never given this incentive to conform.

Consistency in the demands made upon the child also helps him to become socialized, Mrs. Irvine stated. The child then knows more clearly what he must do to keep the loving parents' approval.

However, while the greatest possible degree of gratification was good at the beginning of the child's life, small necessary doses of frustration, when he was able to bear them, were required for an emotional growing-up. These served also as an inoculation against the big frustrations that are inevitable in life.

One of the things people find it most difficult to deal with in today's world is their aggressive impulses, the speaker continued. The young child is terrified of his hostile feelings because they are so violent. He does not realize that there is a gap between feeling and action, and he fears a still more violent retaliation. Parents can help their children cope with their aggressive feelings and their expression by telling the angry child that it is all right to feel that way in a given situation, that everyone feels this way when such things happen, but that he cannot do the damage he wants to the person with whom he is angry.

The child thus learns to accept his feelings without anxiety and guilt, and to find some modified or substitute expression for them. The neurotic is the person who has never learned this lesson but goes around feeling guilty for things he has never done.

While most modern parents have given up the idea that their children have to be angels, Mrs. Irvine concluded, they still expect themselves to be saints. Parents will get the best results, she suggested, if they can learn to give up this impossible and uncomfortable goal of perfection and become as tolerant and understanding with themselves as they are with their children.

High Commissioner Tells Of India-Pakistan Split

The reasons behind the division of India and Pakistan into two separate powers, were given by His Excellency the Hon. Mohammed Ali, High Commissioner of Pakistan to Canada at the Westmount Rotary Club luncheon meeting, Wednesday.

After pointing out that India and Pakistan, while politically new countries in the world, are among the oldest so far as civilization, development and culture were concerned. He said that 3,000 years before Christ, there were highly-developed cities in the sub-continent.

Claiming that the main reason for the division of the two countries was due to the two basic religions of the area, Moslem and Hindu,

"The Hindu is made up primarily of four castes" the High Commissioner said, "the lowest of which is the untouchable, who is not able to mix with the other three castes under any circumstances."

He said that Christians, Jews, and Moslems were also considered of this caste by the majority of the Hindu people, claiming that this led to the basic reason for the split of the sub-continent. "They believe in many Gods, and do not believe in the equality of man," he explained.

Outlining the ideology of his own religion, he said that the Moslems do believe in the absolute unity of God and in the equality of man. He pointed out that the Moslem beliefs did embrace the prophet Jesus Christ, together with other prophets, such as their own, which came 500 years after Christ was on earth. He said that the Moslem faith most truly believe in the brotherhood of man, and in "the principle of praying directly to God, Our Maker."

Through these conflicting ideologies, an economic question arose, when the Hindu people would not buy in Moslem stores because they looked on the Moslems as untouchables, while the Moslems would buy in the Hindu stores because they believed in the equality of man.

This and other conflicting points brought a separation between the two, and since the Hindu religion was the strongest of the country, numbering some 250,000,000 believers, the Moslems wanted their own government for fear of becoming secondary citizens of the country.

He said that there were some 100,000,000 Moslems in the Pakistan area, and because of this tremendous population, felt the absolute need for its own system and maintenance of personal laws.

Calvary Church Holds Service on 75th Anniversary

Assurance "that God's way will triumph," patience at the "slow but sure" way of God, and the need for "consecrated men to do His work" are three lessons which the 74-year-old history of Calvary United Westmount Church has taught, Rev. Dr. T. W. Jones told his congregation Sunday night at an anniversary service.

Dr. Jones has been minister of Calvary for more than half the 74 years.

Both services yesterday were devoted to a commentary on the spiritual significance of the church's entry into its 75th year of service. Originally the Western Congregational Church on Guy street, later Calvary, the church moved to its present location at 4206 Dorchester street west in 1912, which was the year that Dr. Jones, then a student, entered its service.

In his morning address, Dr. Jones urged: "Don't let the song go out of your heart." The "song," he said, had four aspects — thanksgiving, faith, hope and love. The song of faith should build a confidence in which Christians "cannot be pessimistic regarding the building of the Kingdom of God," he said.

Plastic Covering Helps Housewives

A local firm in Westmount has just introduced a useful and novel material that will be a great help to the proud but frustrated housewife. Like so many discoveries in the past, this one was come upon quite by accident. Perhaps not as great a discovery as Mr. Watt made when he discovered the tremendous potentialities of steam power and the consequent luxuries that it gave the world but, nevertheless, a finding important enough for the housewife.

It all started one day when the wife of one of the employees of the Consolidated Tower Company chanced to visit the shop and noticed the plastic material used by the firm in making self-adhesive sign-making letters and figures as well as a number of kiddies' educational toys. On studying the material, this lady got the notion that it would serve ideally as a covering for her kitchen shelves. Several pieces were given her and nothing more was thought of it until a number of her friends started asking for it in different colours. This immediately gave the firm the idea that they had something that would appeal to all homemakers. At first the price was an obstruction but this has been overcome by setting a new price for purchases made directly from the firm. They are now able to deliver or mail C.O.D.

The material needs no tacking down, is washable, non-inflammable and standing dishes will not slide on it. It is most economical as it will last indefinitely and it may be cut to any required size. It is available in several colours and may be purchased in a flexible or rigid state. Further information may be obtained from the Consolidated Tower Company, 4263 St. Catherine Street West, or by phoning WE. 6066.

TO RELIEVE TRAM CONGESTION

Westmount Would Benefit Indirectly By N.D.G. Council Plan

Westmount residents are not entirely disinterested in the matter of the request by the Community Council of Notre Dame de Grace to have a small station constructed by the Canadian Pacific Railway at the subway on Melrose avenue.

According to F. R. Hannen, K.C., president of the N.D.G. civic organization, the request has been turned down by the C.P.R.

Chief among the reasons put forward by the railway company in making its decision was that it did not feel that it should run trains for commuters in areas served by the Montreal Tramways Company.

The opening of a station at the Melrose avenue site, would relieve traffic conditions on westbound streetcars and buses, with consequent benefits to Westmounters.

It has been said that if sufficient use were made of the existing rail lines which circle greater Montreal with the C.N.R. tunnel line cutting diagonally across the Island that we

might get along without subways for some time.

The suggested plan is that buses or street cars would feed into stations constructed at vantage points in the suburban districts with the railways carrying the passengers into the centre of the city.

That this plan has merit cannot be disputed as those living closer to the downtown area would find the buses and cars less crowded. Any lessening of tram passenger congestion would have the additional advantage also of speeding up motor vehicular traffic.

There would have to be agreement between the various parties to any such traffic arrangement, and admittedly it might be difficult to arrive at an equitable arrangement between the C.N.R., C.P.R., Harbour Commissioners, who control the river side rail lines running east, and the Montreal Tramways. The facilities of all four would be needed to make the suggested plan effective.

It is to be hoped that the Notre Dame de Grace Community Council and allied organizations at their joint meeting, to be held shortly, will decide to carry their case to the Board of Transport Commissioners, in Ottawa, and at the same time will press for an extension of the plan to take in other parts of the Island.

The opening of a station at Bellingham road, Outremont, would prove a boon to residents of the Cote des Neiges area and would relieve traffic on other thoroughfares such as Park avenue, Cote des Neiges and Girouard, as a shuttle service could be run from Snowdon to the Bellingham station.

Westmount citizens who use the trams and buses would most certainly derive considerable, if indirect, from the creation of suburban rail stations, and citizens generally might be well advised to add their voice to the demands of the N.D.G. groups.

Christian Science

"Truth" is the subject of the lesson-sermon to be read in Churches of Christ, Scientist, on Sunday.

The Golden Text is from Psalms 108:3 and 4, "I will praise thee, O Lord, among the people: for thy mercy is great above the heavens: and thy truth reacheth unto the clouds."

Among the citations which comprise the lesson-sermon is the following from the Bible: "Thou therefore, my son, be strong in the grace that is in Christ Jesus. Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. And let us not be weary in well doing: for in due season we shall reap, if we faint not."

The lesson-sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Mind-science teaches that mortals need 'not be weary in well doing.' It dissipates fatigue in doing good. Giving does not impoverish us in the service of our Maker, neither does withholding enrich us. Implicit faith in the Teacher and all the emotional love we can bestow on Him, will never alone make us imitators of him. We must go and do likewise, else we are not improving the great blessings which our Master worked and suffered to bestow upon us. The divinity of Christ was made manifest in the humanity of Jesus. It is Christian Science to do right, and nothing short of right-doing has any claim to the name."

Westmount Baptist

"Secrets of Christian Living" is the title of a group of teaching-sermons by Dr. J. A. Johnston in Westmount Baptist Church. The subject Sunday morning will be, "Receiving the Power from God". These messages in practical every day living are proving themselves to be of greatest interest and practical value. The last in the group will be delivered Sunday Morning, Feb. 4, under the title "Bearing our Witness for God".

In the evening the address will carry the title: "That Magic Word — 'Whosoever'."

Among many recent gifts received by this Westmount Church, the newest is that of a beautiful Communion Table. This lovely production of master craftsmen, which matches the pulpit but recently dedicated, will constitute a suitable Table of Remembrance, around which the congregation will share in the Lord's Supper. The next Communion Service will be observed Sunday, Feb. 4 and the new Table will be presented and dedicated on Sunday, Feb. 11.

The Mission on the McGill Campus, conducted under the auspices of the Inter-Varsity Christian Fellowship and under the leadership of Leith Samuel of England has been marked by great depth and unusual fruitfulness. During the next two weeks Dr. J. A. Johnston will have the privilege of meeting young men and women of McGill in instruction periods covering basic training for Christian life.

More Wells Needed
For Civil DefenceLt.-Col. P. W. Cook, E.D.,
director of Civil Defence, for the
City of Westmount, advises that
in response to the request for in-
formation regarding wells in
Westmount, which appeared in
The Examiner last week, he has
received several calls giving the
location of active and inactive
sources of water.Col. Cook states that he is very
anxious to get as much data on
wells as he possibly can, and would
appreciate citizens getting in
touch with him either by phone or
letter at the City Hall, Westmount.One informant stated that there
are several wells behind the row
of houses on Greene avenue, just
north of St. Catherine street, on
the east side of the street. These
have not been used for many
years but presumably could still
be tapped in an emergency.Mrs. Dunn Suffers
Serious Injuries

Mrs. Lindsay, of T. Eaton Co., will be the guest speaker, and Miss Ann Stone, the soloist.

Among those who will be present at the Speirs-Miller Model Agency fashion show at Victoria Hall this evening to present door prizes, will be Mrs. J. C. McKean, president of the Westmount Women's Club; Mrs. C. N. Knowles, President of the Homoeopathic Women's Auxiliary; Mrs. M. P. Stoker, former president of the auxiliary; and Mrs. K. E. Norris, President of the Notre Dame de Grace Women's Club.

ENGAGEMENTS

Mr. and Mrs. Lewis A. W. Wheatley, of Westmount, announce the engagement of their daughter, Lili-Amoy, to Mr. Eliot Lincoln Emerson, son of Mr. and Mrs. James Emerson, of South Portland, Maine.

WEDDING

FLYNN - TRACY

The marriage of Miss Constance Annie Tracy, eldest daughter of Mr. and Mrs. Colin Alfred Tracy, of Verdun, Que., to Mr. Walter Russell Flynn, youngest son of Mrs. Isabella Flynn and the late Mr. Charles Flynn, of Kingston avenue, N.D.G., was solemnized at four o'clock Saturday afternoon, January 6, at Verdun United Church. Rev. Dr. J. G. Joyce officiated.

The soloist was Mr. David Jones accompanied by Mr. J. Duckworth at the organ. Baskets of pink snapdragons composed the floral decorations.

Given in marriage by her father, the bride was attended by

It has been found necessary to postpone the annual Royal Montreal Regiment Military Ball until after Lent. It will be held in the Armory on Friday night, March 30th, at 4625 St. Catherine Street West. The associated officers' committee under the chairmanship of Captain Taylor Kennedy are in charge of all arrangements. The usual dinner will be served and Larry Edwards and his orchestra will play for dancing.

At the Fashion Show being staged this evening by the Speirs-Miller Model Agency in Victoria Hall, proceeds of which will be given to the Women's Auxiliary of the Homoeopathic Hospital, the following committee of the auxiliary will act as ushers: Mrs. C. Pirrie, Mrs. George Mallinson, Mrs. Gordon Glass and Mrs. Roy Jefferson.

ioned on the same lines as the bride's gown with similar head-dresses and sprays of lilacs, and shoulder length veils. They carried fan-shaped bouquets of yellow snapdragons and yellow carnations.

Mrs. Tracy, the bride's mother, wore a frock of pearl-grey with navy blue accessories and a corsage of pink carnations. Mrs. Flynn, the groom's mother, was unable to attend due to ill health.

The reception was held at the LaSalle Hall, Verdun. Pink snapdragons formed the table decorations.

For going away the bride wore a wine wool gabardine suit with navy blue accessories and a corsage of white carnations. Mr. and Mrs. Walter Flynn who left for their honeymoon in Burlington, Vermont, will reside in Westmount upon their return.

Mme Benoit to Discuss Budget Glamour Cooking At Mothers' Meeting

An interesting topic for all women today, "Glamour Cooking on a small budget," will be presented by Mme. J. Benoit on Wednesday, in St. Leo's School Hall, 360 Clarke Ave., at 8.30 p.m.

Madame Benoit is a well-known lecturer, organizer and tester of many commercial cooking products. She has just returned from an extensive tour of Europe and is well informed on how to stretch a budget and still preserve appeal.

There will be door prizes and "glamour refreshments."

Mrs. R. S. White, president, and Mrs. G. Patenaude, convener, will receive the guests.

English Smocking Expert Will Advise In Westmount

Mrs. Grace L. Knott of Toronto, prominent authority on English smocking, is to arrive in Montreal on Wednesday, Jan. 31, for a four-day visit. Her school in Toronto is widely known, and her smocking book, coloured plates, basic patterns, transfer and printed dots, are used extensively in all parts of the country.

During Mrs. Knott's stay in Montreal, a considerable amount of her time will be spent at Croft's Fabric Centre, 361 Victoria Avenue, Westmount, which carries a complete stock of her supplies. She will be very pleased to meet and advise anyone interested in English smocking, and information as to the times she will be at Croft's each day may be obtained by phoning WALnut 8416.

Groups Hold Luncheon At Westmount Baptist

Ladies of Westmount Baptist Church W. A. were entertained Tuesday at a luncheon given in the church hall by Groups 4 and 5, under the convener'ship of Mrs. Frederic Bull. About 70 members were present to hear Miss Beatrice Norman speak on "Self Assurance."

Mrs. George Mallinson, president, presided and introduced the speaker. Mrs. O. C. S. Wallace gave the vote of thanks.

On behalf of the W. A. Mrs. Mallinson presented a brooch to vice-president Mrs. H. Greig, who is soon to take up residence in Calgary.

Newman Alumni Bridge To Be Held at Loyola

The Newman Alumni Club of Montreal is holding its Third Annual Bridge on Tuesday, February

Mr. and Mrs. L. Roy Jefferson, ticket chairmen for the annual Valentine dinner dance being held by the Homoeopathic Hospital Women's Auxiliary in the ball room at the Mount Royal Hotel on Saturday night, February 17, at seven o'clock, when funds raised will be used for refurbishing of rooms and hospital equipment.

IMPORTANT

Please send in your news as early in the week as possible. A great deal of interesting material is being discarded because it arrives too late for publication in the current week. Be sure your notice or report will be inserted — post your letters over the weekend so that they ARRIVE in this office on Monday.

Xavier Apostolate Guild And Distinguished Clergy Hear Archbishop Léger

His Excellency Paul-Emile Léger, D.D., Archbishop of Montreal, addressed the Xavier Apostolate Guild at the January meeting held in Congress Hall.

Rt. Reverend G. J. McShane, D.D., D.P., pastor of St. Patrick's Church, was host. Mrs. J. W. McAnally, president, and the past president, received the guests among whom Mme Léger, mother of His Excellency was present.

Introduced by Very Rev. J. T. McCaffrey, S.J., Rector of Loyola, His Excellency commended the Guild on the charitable work being done and urged them on to greater efforts, so needed in the distress of the world today.

Pontifical Benediction was celebrated afterwards in Our Lady's Chapel, by His Excellency with Rt. Rev. G. J. McShane, Very Rev. J. T. McCaffrey, S.J., Rev. Raymond Phelan, S.J., and Rev. J. H. Brennan.

Mr. W. J. Doyle, organist of St. Patrick's Church, presided at the organ for community singing. Mrs. J. J. McAsey, 1st vice-president, conducted a business meeting at which secretaries' reports were read. Mrs. J. B. Boyne, vice-president, expressed appreciation of the assemblage.

Mrs. Peter Reid and committee served refreshments.

6, at 8:15 p.m. in the Foyer of Loyola College.

Patrons for this event are Very Rev. J. F. McCaffrey, Rev. G. E. Carter, Mr. Murray G. Ballantyne, Mr. John T. Hackett, Mr. John L. O'Brien, Dr. John T. Howlett and Dr. William J. McNally. Assisting Mr. Ed Lehman and Miss Barbara Joy, Co-Chairmen of the Bridge, are Mr. Lloyd O'Toole, Tickets (DE 5386); Miss Louise McCabe, prizes; Miss Sheila McCarthy, refreshments; Miss Eileen Goodman, publicity.

The proceeds are for the Chapel Fund under the direction of Her-

Planned Saving

paid off for the Browns

The neighbors remember how sick young Donny was a few months ago, and how worried the Browns were. But they never guessed what a serious drain his illness had been on the family purse.

Wisely, the Browns had made it a rule to put something into their savings account, week by week, almost from the day they were married. So when they consulted their bank manager, their credit was good. With the help of a small bank loan, they were able to pay all their bills promptly. Now Donny is healthy again—and so is their bank account.

Planned saving pays off,

Betty Speirs to be Commentator

An original fashion show with something of interest for all ages is scheduled for top entertainment tonight in Victoria Hall the proceeds to be given in aid of the Women's Auxiliary of the Homoeopathic Hospital. A record turnout is expected, as Speirs-Miller shows have won special recognition for originality in this city. Betty Speirs will be at the microphone, giving a running description of the new modes to be displayed by about 70 models.

Brilliant Showing of Modes, Models, Planned for Benefit

Speirs-Miller Model Agency is staging a Fashion Show, this evening at Victoria Hall, at 8 o'clock at which Montreal's most experienced models will display the latest creations from the various garment houses of Montreal. All fashions worn by three-year-olds, kindergarten, high school girls, debutantes and "My Lady" with her

mink coat, will be on display.

Blue Goose Executives Complete Arrangements For Annual Card Party

The seventh Anniversary Card Party of the Blue Goose Ladies' Auxiliary will be held on February 22, in the Ballroom of the Ritz-Carlton Hotel, at 8.15 p.m., under the joint convenership of Mrs. J. E. Gordon Weekes and Mrs. Alex. Avery. Arrangements were completed at an executive meeting held at the home of Mrs. Weekes with the President, Mrs. Benoit Bertrand, presiding.

Mrs. R. A. Dyer and Mrs. S. F. LeRiche are co-chairmen of the Ticket Committee.

Auxiliary officers and members in charge of other arrangements include: Mrs. Chas. H. Wood, Mrs. P. J. Ryan, Mrs. J. Hubert Lesperance, Mrs. L. J. Leclerc, Mrs. LeBaron LeBlanc, Mrs. Harry E. Laws, Mrs. F. W. Moore, Mrs. J. J. Bonhomme, Mrs. C. G. Mott, Mrs. Henri Valois, Mrs. Etienne Crevier, Mrs. Paul Courtois, Mrs. Merlin Donald, Mrs. Gaston LePage, Mrs. E. J. Beauvais, Mrs. W. G. Bacon, Mrs. E. H. Shea and Mrs. W. H. Bell.

Tickets are available to friends and members of the Ladies' Auxiliary and its parent affiliation, the Honorable Order of the Blue Goose. Quebec Pond, and may be obtained from Mrs. R. A. Dyer, At. 7742, or Mrs. S. F. LeRiche, El. 5283, Ticket Chairmen for this event.

The Anniversary Card Party is the major fund-raising project of the organization, to help its charitable interests which are devoted mainly to underprivileged children and homes for the aged.

Numerous door prizes from the merchants of Montreal will go to the lucky winners. Among them to date is a beautiful Chartreuse Crosley Radio which P. V. A. Aspeck, 1671 St. Catherine Street West, will present to the lucky door-prize winner.

Heading the Show will be June Raymond, last year America's most photographed model. Peter Miller will show the celebrated afternoon suit created by Montreal Custom Tailors for the last American Custom Tailors Convention. Betty Speirs will be the commentator in her usual inimicable manner.

The proceeds will go to the Homoeopathic Hospital Woman's Auxiliary.

Among the firms participating at the fashion show will be France Del, whose distinguished gowns will be modelled; Feil's, who will be responsible for all the children's wear; Teena Page Dresses; Teen Togs; the Robert Simpson Company; Johnny Brown Shoes; Juliette's millinery creations; Madame Joel, foundation garments and gloves; France Del's jewelry, bags and other accessories; and Irving Sportswear. Mrs. W. Watmough, of the Art Institute of Hairdressing, will be in charge of make-up and cosmetics.

BACON WRAP-AROUNDS

Have you ever eaten these delectable hot rolled sandwiches? Once you taste them, you'll eat them often. Spread condensed mushroom soup on slices of soft, fresh bread from which the crusts have been cut. Roll the bread with the mushrooms inside and wrap a strip of bacon around each one. Secure with toothpicks. Bake in a hot oven (400 degrees) about 25 minutes. Count on two or three wrap-arounds for each person and serve with fruit or vegetable salad.

Westmount Conclave No. 4, True Kindred Holds Installation

At a colorful ceremony held Wednesday evening in the N.D.G. Community Hall, Mrs. Kenneth W. Matheson and corps of officers were installed. The officers were: Mrs. K. W. Matheson; Mrs. Grace Melrose; Miss Nessie Segal; Miss Charlotte Young; Mrs. Wm. Seeds; Mrs. Alice Stitt; Mrs. Elizabeth Taylor; Mrs. R. Lewis; Mrs. E. Munro; Mrs. E. Secord; Mrs. Florence MacGregor; Mrs. Wm. Field; Mrs. E. Lebrun and Mrs. Daisy Eccles.

The room was decorated with ferns and spring flowers and all officers wore white formal dresses with red carnation corsages. Mistress of ceremonies was Mrs. Constance Laycie; and the installing officer Mrs. Kate Brown, P.G.C. Other installing officers were: Mrs. W. S. Andrews; Mrs. F. C. Ford; Mrs. Alex. Leslie and Mrs. E. Gibbs.

True Kindred was first incorporated under the laws of the State of Illinois as a fraternal organization with the following objects: To encourage the principles of Fraternal Love, Relief and Truth. The Westmount Conclave No. 4 was constituted in 1936 with the organizer Miss Florence Fox. Its object is two-fold, both social and philanthropic, and last year six complete layettes were made and given for babies of the poor. Donations were also given yearly to other charitable causes and to the Christmas Tree in the Jas. A. Ogilvy Store for the Veterans.

The jewel of the order was presented to Miss Nessie Segal the retiring officer by Mrs. Matheson, and she also was the recipient of a beautiful ring from the members of the Conclave.

Soloist of the evening as well as the Installing Musician was Mrs. Ena Taylor.

Refreshments were served by Mrs. E. Lebrun and her committee.

The first meeting under these new officers will be held in Community Hall, on Wednesday, February 14, at 7:30 p.m.

... Consumer Representation ...
... Costs in Bakery Products ...

The Canadian Association of Consumers has come into being at a period of great strain on the average family budget. For several years now, a running battle has been going on between wages and prices, and you can nearly always bank on the fact that prices will win and wages will lose. Despite the highest level of pay rates which this country has ever known, there are many different sections of our population whose income consistently runs behind the current cost of living.

Many of our new members, and many more of those who are not members, begin by expecting that an organization such as C.A.C. can put a stop to this runaway cycle of higher and higher prices. It is only when we begin to look below the surface, to see the close-knit root system of a country's economic life, that we dimly realize that no one group could halt the world wide trend which effects Canada no less than England or South America.

However there is a most important thing which a Consumer organization can do. There is always a tendency when large interests sit at the council table, to look only at the overall picture of a country or an industry. The little man — in this case the little woman, tends to be forgotten. The need for the consumer viewpoint is to show what even a few cents increase in the price of a necessity can do to a family budget.

Consumer Representative

A small, and perhaps unnoticed item in a local paper last week, told of a development in Ontario, where there may be a re-organization of the Ontario Milk Board,

Melville Presbyterian Church Hall, 349 Melville Avenue, on Thursday, at 8 p.m., under the auspices of the Melville Church Association.

so that a consumer representative may be added to producers and distributors, who together with a neutral judge, compose the Board. It is this kind of consumer voice which C.A.C. has been asking for. While it is not to be expected that a consumer representative could

"Tea for Two" and "Suspence" Starting Saturday at Monkland

The singers and the dancers come into their own in Warner Bros.' "Tea For Two," the romantic musical with a cast of the brightest young players in years.

In the Technicolor film, due at the Monkland Theatre Saturday till Tuesday are stars Doris Day and Gordon MacRae, both of whom sing and dance in the film. For Doris it's the first dancing she's

done since she was hurt in an auto accident at 16. At that time she gave up a dancing career to become a vocalist, at which she's done pretty well, too. Gordon, primarily a singer, continues some of the terpsichorean stuff he started in "The Daughter of Rosie O'Grady," in which he co-starred with June Haver.

There's Gene Nelson, the Broadway dancing sensation who got his first big picture break in "The Daughter of Rosie O'Grady." Gene does a dance with Doris Day that's got even dance director LeRoy Prinz excited.

Two newcomers to films but veterans of Broadway are Patrice Wymore and Virginia Gibson, tall redhead born on the banks of the Mississippi at St. Louis.

Patrice has appeared in a number of Broadway shows, including "Up in Central Park," "Hold It!" and "All For Love." She recently won the Theatre World Award as one of the most outstanding new personalities of the year on Broadway. Virginia appeared in "Along Fifth Avenue" and "Look Ma, I'm Dancin'."

"Tea For Two" is the story of a group of show people during the Wall Street panic, looking for someone to finance their musical production. How they set about

this task makes for one of the liveliest, tune-filled films this season, it is reported.

No question about it: Humphrey Bogart has been typed as a man of violence. Even in so seemingly innocuous a role as that of a Hollywood writer, in his current film, "In a Lonely Place," Bogart goes in for much of the two-fisted violence which has marked every one of his films since "The Petrified Forest."

"Knock On Any Door" probably was the closest Bogart ever came to a role in which his own savage fury did not figure prominently, but even in that one he tangled with a young hoodlum to demonstrate his own "toughness" as a Skid Row graduate. He has been a gangster and a killer in such pictures as "Brother Orchid," "High Sierra" and "Angels With Dirty Faces." He has been a crime-fighter in films like "The Maltese Falcon," "Dead Reckoning" and "The Big Sleep." He has been a soldier or a veteran out for revenge in such films as "Sahara," "Key Largo" and "Tokyo Joe." He has played "man-of-action" roles in pictures like "Casablanca," "Action in the North Atlantic," "Chain Lightning" and "Treasure of Sierra Madre."

No guns go off in "In a Lonely Place," but there is a murder. There also are a couple of night club brawls, a near-murder and sundry other devilments all moving relentlessly to one of the most exciting surprise endings ever seen in a Bogart film.

"In a Lonely Place" is a Santana Production for Columbia Pictures. Lovely blonde Gloria Grahame tops the important cast which includes such players as Frank Lovejoy, Carl Benton Reid, Art Smith, Jeff Donnell and Martha Stewart. The suspense drama is based on a best-selling mystery novel by Dorothy B. Hughes, and it was produced by Robert Lord, who made "Knock on Any Door" and "Tokyo Joe," two other recent Bogart starrers. Nicholas Ray directed "In a Lonely Place," from the screen play by Andrew Solt.

Ballet Performance To Be Given At Club

Tea hostess will be Mrs. C. R. Sellar with Mrs. J. H. Thomson and Mrs. C. W. Thompson pouring assisted by the house and hospital-ity committee.

Mrs. K. E. Norris, president of the club, will receive the guests, assisted by the honorary president, Mrs. J. W. Perks; Mrs. J. M. Purcell, first vice-president; Mrs. F. R. Murray, second vice-president; and Mrs. C. A. Camirand, third vice-president.

Kaufman-Hart Comedy To Be Staged by Westmount High School Drama Group

A merry mad comedy about a wacky Manhattan family whose members do exactly as they please has been chosen by the students of Westmount High School for their big show of the year, to open for a three-night run starting Tuesday, February 13. This is "You Can't Take It With You," the Broadway hilarity hit by George S. Kaufman and Moss Hart, which presents the world's most rugged individualists — the daffy Sycamore family.

Heading the tribe of genial mad-caps is Grandpa Vanderhof, who for thirty-five years has confined his activities to hunting snakes, practicing dart throwing, attending commencement exercises, and ignoring his income tax payments.

Equally uninhibited are Penelope, a playwright because a typewriter was delivered by mistake; Paul, who manufactures fireworks in the cellar with Mr. de Pinna, a congenial iceman who has been a house guest for eight years; Essie,

who studies ballet in the living-room; and Ed, who gets in trouble inserting maxims from Trotsky in the candy boxes he peddles.

Out of the manic clan somehow has come a normal daughter whose hopes of marrying the son of her wealthy boss are almost lost when his dignified family drop in on the Sycamores on a night when they are not expected.

A double prize winner, "You Can't Take It With You," captured the Pulitzer Prize as the best play of its season, and won the Academy Award in 1938 when it was converted into a movie.

"You Can't Take It With You," which will be presented at the Westmount High School, is a product of the well-known collaboration of Kaufman and Hart, who have given the American stage such comedy hits as "The Man Who Came to Dinner," "Once in a Lifetime," and "George Washington Slept Here," among many others.

Marler Criticizes N.U. Regime at Reform Club

George C. Marler, liberal member for Westmount-St. George and opposition leader in the Quebec Legislative Assembly told members of the Reform Club at a luncheon meeting on Saturday that administration of public affairs by the National Union Government is determined by the "rule of political convenience."

The National Union administration of Premier Maurice Duplessis has increased the debt of the province by \$100,000,000, not counting an additional \$25,000,000 owed by the government in school grants, Mr. Marler said.

"The provincial treasurer loves to tell audiences that the debt of the province has been reduced by \$28,000,000," said Marler, "but he does not say that the funded debt, represented by bonds, has increased by \$25,000,000, or that the indirect debt has jumped by \$75,000,000, which is wholly payable out of the revenues of the province."

do very much about present price levels of milk or any other commodity, a watching brief on behalf of the consumer can be a valuable contribution to stability, and consumers can often show some amazingly good suggestions for improvements.

Another surprising thing which the new student of economics—in this case the average housewife—finds, is the great number of factors entering into the composition of even a single every-day article.

When the last increase in the price of bread came into effect, the National Office of C.A.C. made inquiries and representations to the Baking Industry. Some of the facts which came out of this inquiry were: that the cost of flour forms only a small part of the cost of a loaf. While the actual cost of wheat did decline last year, all other ingredients increased. And even here, some of the decline in wheat cost, was wiped out by higher freight rates. Don't forget that each time you heard of freight rates being increased, that this was not just an abstract fact about which you read. It vitally affected the final cost of every commodity of which the whole or part had come to your locality by rail.

Bread Not Only Made of Flour

Among the many items which the Baking Industry listed as going in to the production and distribution of a loaf of bread were: lard, shortening, sugar, milk or milk powder, malt products, salt, shipping cartons, wax paper and even raisins if you are a devotee of raisin bread. Each one of these had increased in price during the past year. C.A.C. was informed that the wholesale price of lard went from 12½ cents a pound last June, to 22½ cents a pound in September. Even salt has shown a rise, due to the higher freight rates. Then there are distribution costs, and one of the biggest factors is labour cost, which is climbing all the time. Big bakeries have union employees, and employee benefits which are given as a matter of course today, all add up to

"And when he talks about schools,—all of which were planned by National Union architects and built by National Union contractors at National Union prices, he doesn't tell you that the government only gave promises and not real money, and that there still remains \$25,000,000 to be paid for these schools out of future budgets."

Mr. Marler said this was not all.

"As if \$125,000,000 wasn't enough, Mr. Duplessis now proposes to borrow another \$60,000,000 for roads and bridges," he said. "When I tell you that the National Union government has already spent \$300,000,000 for roads and bridges since 1944 you may wonder why the government wants to borrow another \$60,000,000 is to be spent within the next three years, and it is, of course, a pure coincidence that we shall be having general elections in the meanwhile."

The speaker recalled that after the 1948 general election, "Mr. Duplessis promised to save the province."

a bigger price for the finished loaf which is delivered to your door. It might also be pointed out, that as the spokesman for the Baking Industry said in his letter to C.A.C. that your loaf of bread is still the biggest bargain in today's food market. M. F. G.

Musical and Murder Pictures Opening Sunday at Westmount

With Fred Astaire and Vera Ellen as a new dancing team, with Red Skelton in his first straight character role, and with such other luminaries as Arlene Dahl, Keenan Wynn, Gloria De Haven and Phil Regan adding to the parade of stars, "Three Little Words" starts Sunday at the Westmount Theatre.

Latest of the popular biographical tuners, the new offering is based on the lives and songs of Bert Kalmar and Harry Ruby, two of America's most successful composers. The story traces the careers of the songwriters from their first meeting in a Coney Island beer garden, where Harry Ruby (Skelton) bumbles up Bert Kalmar's (Astaire) magician act, and continues with their happy efforts as collaborators despite such diver-

sions as Ruby's passion for baseball and Kalmar's propensity for legerdemain.

With their rise to phenomenal success as writers of popular songs, Broadway and London stage hits and Hollywood musicals, is the story of their respective romances. Kalmar marries his Palace Theatre dancing partner, Jessie Brown (Vera Ellen), and Ruby makes film star Ellen Percy (Arlene Dahl) his wife. The team breaks up due to a quarrel over a play written by Kalmar, but through the efforts of their wives, Kalmar and Ruby are reunited to bring forth their biggest song hit of them all, "Three Little Words," in the picture's rousing finale.

Junior Ballet to Make Debut

Derek Shaw, above, is featured in the *Dancing Queen*, a ballet for children to be presented at the Junior Ballet Entre Nous at the Gesu Theatre Saturday, Jan. 27, at 2.30 p.m.

Saturday, Jan. 27, the Junior Ballet Entre Nous will make its debut at the Gesu Theatre, Bleury Street.

This group was formed last September by Miss Mary Beetles and consists of dancers from 12 to 15 years of age. It is quite independent of the Senior Ballet Entre Nous, but will graduate into it as soon as the members become 16 years of age. Meanwhile they study and rehearse and present their own performances. They are also encouraged to make suggestions for choreography, decor, costumes and music, thereby giving them a chance to show their creative ability.

The Ballet to be presented on the afternoon of Jan. 27, is called *The Dancing Queen* and tells the story of the Queen of Make Believe Land, who, being interested in ballet dancing, encourages the children of her realm to study the art, and as a reward for their serious work she promises them a Gala Performance at the end of the year.

To make this occasion more interesting she travels to various countries, selecting talented dancers to bring back with her to dance for her subjects.

The result of her travels will be seen at the Gesu Theatre, Saturday afternoon, Jan. 27.

Members of Junior Ballet Entre Nous featured in this performance will be: Barbara Belasco, Shirley Cook, Lyn Geddes, Avril George, Vera Glassman, Lois Ann Goldstein, Audrey Gordon, Gloria Julian, Jeannine Leger, Joy Lewis, Susan Mendelsonn, Lucette Paradis, Derek Shaw, Helen Thibaudreau, Carol Thomas, Jacqueline Wournell, with Gwendolyn and Marilyn Coleman as stand ins for quick changes. Otto Newfield will accompany the ballet, with Miss Jeanne Rodier as ballet mistress assisted by Ann Holland.

Miss Mary Beetles will direct the performance. The decor is by Desmond McDermott and the costumes are designed and executed by the Mary Beetles costume department.

Junior Ballet Entre Nous hopes

that as many children as possible will be present at this performance and will bring their parents with them.

Dell Faring murders Celia, the sister who has taken everything away from her, and then lets the blame fall on Celia's husband, unaware of a secret witness in the person of a six-year-old child, "Shadow on the Wall" holds the spectator in a grip of suspense and excitement.

The M-G-M mystery-drama is the added attraction at the Westmount. First of all, it breaks away from the accepted who-dun-it tradition of not letting the audience know who the criminal is until the final reel.

Secondly, it engenders suspense in the characterization of a little child whose mind has become unhinged in the shock of witnessing a crime. The attempts of the murderer to put this little witness out of the way balanced against the efforts of a skilled psychiatrist to restore the child's memory and thus ferret out the true criminal gives the story its emotional validity and dramatic power.

Westmount 'Y' Wins Inter-Club Fencing Meet

In an inter-club fencing competition, held at Westmount Y.M.C.A. last Thursday evening between Palestre Nationale and Westmount "Y," the local club scored an upset by defeating the Palestre Nationale team by a score of 6 to 3. Fencing for Palestre Nationale were: Bob Desjarlais of Canada's Olympic and Empire Games teams; Ed Brooks, member of Empire Games team; and Karl Schwendie, provincial champion of sabre and dueling sword. In action for the Westmount "Y" team were: Frederick Wach and Miclos Fonay, formerly of Hungary and now fencing with the "Y" club; and Coach Roland Asselin, of Canada's Olympic team.

Each member of the Westmount team netted two victories to their credit, while Schwendie was top man for the visitors with two, and Desjarlais accounted for the other victory. Total hits showed a close match, with Palestre Nationale having 36 scored against them as compared to the "Y's" 34 hits.

First Win of Season For Purple and White

St. Leo's unpredictable Seniors, who have been making a habit of blowing hot and cold, blew a 3 to 2 decision to Westmount High at the Forum Tuesday afternoon. Last Friday the Academics knocked off the league leading Montreal High squad 3 to 2 at Verdun Auditorium. This Sunday at 3.15 p.m. the Saints will travel to Loyola to engage the Collegians in their fifth league encounter.

Tuesday's game at the Forum against the Westmounters was a game of lost opportunities for St. Leo's and one in which Westmount capitalized to full extent on their few opportunities. The game was 20 minutes late starting on account of the Forum ice cleaners laxity in cleaning the ice and surfacing it. This was a bad break for the Academics, as they were swarming all over the desperate Westmounters when the game ended prematurely at the three minute mark of the third period.

St. James Scores

Tommy St. James opened the scoring with a pretty solo effort at 1.45 of the first period. Charlie Baillie tied it up with a shot that goalie Claude Sawyer deflected into his own net as he unwisely attempted to stop a shot that was headed over the top of the cage. A series of chippy penalties by referee Morrow put the Saints on the defensive and with Peter Grant and Tommy Grant cooling their heels in the penalty box,

Fred Hoffman slapped his teams second goal past the bewildered Sawyer.

Dave Bradley eluded a St. Leo's ganging play to break away for a smart goal to put his team two up.

Ray Losito took a pass from Buster Smart near the end of the second period to sink the Saints' second goal. From here on to the end of the abbreviated game St. Leo's carried the play to the Westmount School and they were on the ropes when the Forum bell sounded at the three minute mark of the third period. It was Westmount's first win and congratulations are in order to coach Jimmy Patrick and his charges. They played a good game and their forwards showing scoring punch that the Academy sadly lacked.

Last Friday's game at Verdun against Montreal High, saw 15 year old Tommy St. James, steal the show with two clever goals that were the team's margin of victory.

St. Leo's Bantams playing in improved fashion dropped a close 3 to 2 decision to the powerful D'arcy McGee gang at Lachine last Saturday. Mario Chartrand notched two goals on smart passing plays with his linemates Grant Gill and Wayne Hibbard. This afternoon at Lachine, the Bantams will be seeking their first league victory when they meet up with Lower Canada.

Westmount High To Hold Annual Athletic Night

Westmount High senior "A" hockey team has registered two victories over the past two weeks.

On Tuesday afternoon at the Forum they edged out a narrow 3 to 2 win over St. Leo's. Only 3 minutes were played in the third period, as the Forum needed the ice.

Star of the game for Westmount was Charlie Baillie, who got one goal and one assist. Fred Hofman tallied the second counter. Roland Bradley scored the third goal which was of the picture variety as he received the puck at his own blue line to get away from three St. Leo's men to race in on goal and draw the goaltender out of position, to place the puck nicely in the corner.

Dave McDougall, playing defence for the first time, got an assist on Charlie Baillie's first goal. Buddy Forrest got an assist on the second Westmount goal.

The scheduled senior "A" game against Catholic High set for Friday at the Forum has been cancelled due to Catholic High having asked for a postponement on account of their carnival the same evening.

Westmount senior "A" will play a league game against D'Arcy McGee at the Forum on Tuesday afternoon at 4 p.m.

Juniors Win

Westmount Juniors won their first league game when they completely whitewashed William Dawson by 8 to 0.

Jim Besant, Noel Isene and Skip Warnock each scored 2 goals with Mac Ito and Harty McEown getting one each.

Next game for the Juniors is to-day when they meet Strathcona at St. Laurent Arena at 4 p.m.

Annual Athletic Night

The second annual athletic night of Westmount High will be held tonight, Friday, in the gymnasium of the Junior High School, Academy road.

The two feature attractions will be a boys' basketball game, and also one for the girls.

The girls will play an exhibition game against Montreal High girls at 7.30 p.m. followed by the boys game which will be a regular league match against Montreal High at 8.00 p.m.

At 7.00 p.m., there will be a Borden Ball game between two class teams. This game was originated by Lew Davies, school gymnastic instructor, and is played with a football and hockey nets for goals. It is said to be a fast and furious sport.

At half-time, in the boys basketball game, a gymnastic display will be given by a team of Westmount High boys.

Dancing will take up the time from 9.30 p.m. till midnight. Proceeds from the athletic night go

Brendan and Pat Macken Ranked No.1. by P.Q.L.T.A.

Brendan Macken and sister Patricia Macken of Westmount, were ranked No. 1 by the Province of Quebec Lawn Tennis Association, which should come as a surprise to no one.

It was strictly no contest in the men's division as Brendan completely dominated every tournament run by the P.Q.L.T.A. for senior men. Henri Rochon, Canada's top French-Canadian artist was ranked No. 2 with George Robinson in No. 3 spot.

Rochon reached the finals of many tournaments this year but didn't have the big game to cope with Macken, whom he met with great regularity.

On the distaff side, blonde Patricia was a good head above her perennial rival Elaine Fildes. Francoise Lacasse was placed No. 3 while Mrs. Ruth Porter gained the fourth spot.

One of the province's up and coming net luminaries, Roland Godin, gained the top spot in the junior men's section. Godin reached the finals before losing out to Jim Bentley of Toronto in five sets.

Jean Dussault earned the runner-up spot in this division.

Monique Gilbert, pert Quebec lass, edged Mariette Laframboise of Montreal in the junior women. The remaining rankings were all Montrealers with the exception of Marguerite Poulin of Sherbrooke who was placed ninth.

The rankings will come up for approval at the annual meeting of the P.Q.L.T.A., February 23.

Avenue Stars Bantams Win 8-1

Hand Unity Onesided Setback in Loop Opener

The Municipal Hockey League saw its first action of the season last week with two Intermediate games and two Bantam A games. On Tuesday in a Bantam A fixture at Western Ave., Ave Stars handed Unity an 8-1 trimming and on Wednesday night St. Leo's outclassed an undermanned Panther's team 6-1.

In the first of two Intermediate games on Wednesday, Ave Stars walloped the Air Force 14-0 at Queens School. McGowan, Bourrassa, Cotter, Lomosney and Wolfe each picked up two goals to lead their team to victory. While the Air Force were being whitewashed at Queens School their brothers in arms, the R.M.R., were going down

O'Connell Bantams Top Junior High

Daniel O'Connell Bantams scored a decisive 6-1 victory over a strong Westmount Junior High School squad at Lachine Arena last Friday. Both teams played clean, fast hockey, but the O'Connell forwards used their superior speed to good advantage both on offense and in their back-checking.

Frank Ala and Ronnie Furlong led the scorers with two goals each, with Bill Quirk and Sonny Sodeur accounting for the remaining D. O.C. scores.

Furlong for Westmount played a sound game and saved his team from a shutout late in the third period by scoring on a power play.

in defeat at Western Ave. Jack Kisko and Dave Barnard both turned in hat tricks to lead the Aces to a 7-1 victory over a hard fighting R.M.R. team.

The first Bantam (B) game of the season was played at Prince Albert on Monday the 22nd. Both teams played a hard game but to no avail as the game ended with no score for either side.

Games Postponed

All of last Friday's games were postponed because of the lack of ice. These games will be worked in at the earliest opportunity.

Betts with five goals and P. Hamilton and T. Grey with three each led the Ave. Stars Bantam team to a 15-1 drubbing of Panthers on Tuesday January 23rd. At the same time St. Leo's defeat-

ed Unity 4-1 at Queen's School. When St. Leo's meet Ave. Stars in the next game it should be a real tussle to decide the league leadership.

In two Bantam (B) games on Tuesday the Eagles defeated Black Hawks and the Comets and Warriors played to a 4 all tie. Ronny Roycroft scored two goals for Warriors and Doug Smith got a goal and an assist.

Football Trophies Presented At RMR Armoury Monday Night

By BERNARD DUBE

Whether Moe Herscovitch meant to be humorous or not, the remark he made while presenting the Bunny Sabbath Provincial Championship Trophy to the N.D.G. Maple Leaf Club Monday night provoked quite a laugh.

In his brief speech while handing over the silverware, he said: "This will look good in your clubhouse."

Anyone who has set eyes on the team's clubhouse could hardly have restrained himself at the pun. The Leaf clubhouse is a basement apartment with a cement floor, without showers and with old draperies as partitions. Except for a few wooden benches and a small cellar window it has nothing to set it apart from a bare little corner in any other cellar.

The resultant laughter was well in keeping with the manner which the entire championship trophy presentation night passed at the Royal Montreal Regiment Armory.

Watson Presides

Reg. Watson, president of the Quebec Rugby Football Union presided over the gathering and presented several of the trophies to the champion Leafs and the Senior title holders Lakeshore Flyers.

Along with the Bunny Sabbath, the Leafs were presented with the Pat Lynch Trophy and the new Leo Dandurand Trophy which was being put up for the first time by the president of the Montreal Alouettes.

The Maple Leafs were presented with an individual trophy for winning the junior Provincial honors three times. This trophy will remain in the Leaf's possession while the original Sabbath perpetual trophy continues to go up for competition from year to year.

Senior champions Lakeshore Flyers were presented with the Dunville Trophy, emblematic of the champions since it was first won by McGill in 1894, and the Major Forbes Mug.

Presentation of crests was also made to the players of both teams and to members of the Verdun junior and juvenile champion teams.

ASIDES AND COMMENTS

Jim Ambrose was present, as if the evening could have been complete without him, and he obliged the noisy crowd with a couple of sessions at the piano and the old smooth stream of humorous pitter-patter especially tuned for a stag party which had the crowd of about 125 in fits of laughter half the night. My, how that boy can pour it on when he gets going.... Among members of the sportwriting press attending

was Pat Curran of The Gazette. Pat, falling into the mood of the affair offered his services to a magician and played the part to the hilt... During the last part of the night, Blimp McCallum, with fire in his black eyes, was slowly and patiently trying to get at his team captain, Bob Swail, who inadvertently spilled some refreshments over Blimp's curly locks and suit. Bob who is lighter and swifter kept at a good distance from his pursuer all night, while Blimp with bottle in hand ready to render tooth to tooth relentlessly followed him. Finally, during the last few minutes, the boys hugged and made up... Stan Easton was relating how he was assaulted and stabbed a month ago and missed suffering a severe spine injury by less than an inch. But he's o.k. now, he says, and raring to be out on the gridiron next year when he promises the Leafs will cop the National championship. Bill Melvin was another who boasted the Leafs would take the National championship and was ready to wager a five spot on it. We'll see boys, we'll see; that's the spirit... Bob Byford was unable to attend. He's in Ottawa with the R.C.M.P. now and reported getting along fine...

Westmount Business Men Head Citizenship Drive

Two well known Westmount business men will play an important part in the forthcoming citizen fund drive.

Anson C. McKim, 3057 Trafalgar road, who is vice-president of Trans Canada Air Lines, has been appointed national campaign chairman of the Canadian Citizenship Council, according to an announcement in Ottawa by General H. D. G. Crerar, C.H., C.B., D.S.O., honorary president of the Council, and Andre Taschereau, LL.D., K.C., president.

Philip S. Fisher, 56 Belvedere Circle, Westmount, president, Southam Co. Ltd., was appointed a member of the national organizing

Physical Program Among Features Of Hobby Show

The Physical Committee of the Westmount Boys' and Girls' Hobby Show has announced a varied, thrill-packed program of physical activities to run throughout the entire show. The dates of this 15th annual production are set for March 28 to March 31, and will be held in the Westmount Y.M.C.A., 4585 Sherbrooke Street, West.

Highlighting the physical program on the opening night of the show will be Girls' Gymnastic competition, a demonstration of the art of Judo by a team of selected experts, and a demonstration in gymnastics by the Westmount Leaders' Corps. At the same time, in the swimming pool will be a Boys' Swim Meet as well as a special number—a spectacular clowning demonstration.

The following night will be a Basketball tournament followed by a Fencing Demonstration, which will feature several of Canada's top fencers, and a Boys' Pentathlon competition all in the gymnasium. Meanwhile, in the swimming pool will be a Girls' Swim Meet.

On Friday evening there will be a short boxing exhibition followed by a selected group of teams playing floor hockey.

The closing night will feature a Gymnastic Exhibition on the High Bar, Flying Rings, Mats and Parallel Bars by members of the Westmount "Y" Gymnastic Club and outstanding gymnasts in the Montreal Area.

Leather Classes At WAG Clubhouse

Registration is now open for leatherwork classes. Classes are to be held every Wednesday evening at 7:30 at the Westmount Athletic Grounds Clubhouse. An eight week course commences Wednesday, January 31. Instruction for beginners and leatherworkers will be given by a qualified instructress.

As classes are limited in number please register early by phoning or writing to Mrs. N. E. Brown, FI. 6975. Registration closes Tuesday January 30.

committee. Also serving on this committee are R. C. MacInnes, director of public relations, T.C.A.; and H. M. Wallis, president Mount Royal Rice Mills, Ltd.

The Council, a national voluntary organization which co-ordinates the work of scores of agencies concerned with the problems of citizenship, has set as its overall goal a total of \$75,000. Regional chairmen in 43 principal centres from Newfoundland to British Columbia have been enlisted and work is under way for the official opening of the drive on February 5 which will run for two weeks.

No Public Appeal

Mr. McKim pointed out that there will be no public appeal for funds. Regional chairmen across the country will approach a selected list of corporations and individuals who by virtue of their status in their own communities might be expected to take a lead in fostering the ideals of Canadian citizenship, its rights and obligations.

"With 450,000 new members in our 14,000,000 Canadian family since the end of the war," said Mr. McKim, "the task of stimulating good Canadian citizenship is a vast one. More than 250,000 Canadians come of age each year and it is imperative that we help them to an understanding of the true meaning of democracy, especially at a time when strong, subversive influences are actively at work. Citizenship is a living thing and our youth and the newcomer must be trained for it."

Aims of Council

"The Council works in a positive way to combat subversion. It co-ordinates and directs the effort of its member agencies so as to most effectively inculcate the idea of real democracy and to emphasize to all Canadians the responsibility of good citizenship."

Mr. McKim stressed the fact that the Council has the full co-operation of the Canadian Clubs, Chambers of Commerce, educational authorities, veterans' organizations, service clubs, churches, labor, welfare and other important national bodies.

petition to be held next month. After the meeting, every member from all the "Y's" was hard at work on the compulsory routines. The big meet will be held at February 12, at 7.30.

Badminton Club: The Badminton Club enjoyed a visit last week to Point St. Charles "Y" for an evening of invitation playing. A return visit is scheduled for this evening at the Westmount Branch. All members are reminded of this and asked to be on hand.

Women's Swimming Instruction: Friday evenings from 7.30 to 8.30 have been reserved for swimming instruction for business girls and women. These classes are proving quite popular, offering instruction in beginner swimming as well as advanced.

Business Men: The Tuesday and Thursday night periods of calisthenics and volley ball are now well established. Drop in either or both of these evenings at 5.30. Handball is going strong on the other evenings at the same time—Monday, Wednesday and Friday.

Saturday Afternoon House League: Last Saturday saw a change in the standing of the Basketball House League. Doug Seller pulled ahead of the pack, with an accumulated score of 9 points, followed closely by Doug Reed and Bruce Robertson with 7 points each. The League will continue, as scheduled, tomorrow at 2.30 p.m.

Three Westmount Lawyers Created King's Counsel

Three Westmount lawyers have been created King's Counsel according to an announcement by Premier Maurice Duplessis in Quebec on Friday.

The three named are: Charles M. Drury, C.B.E., D.S.O., F. Campbell Cope, and J. Leigh Bishop.

C. M. Drury, is a son of Victor M. Drury, 1523 Summerhill. He is at present Deputy Minister of National Defence in Ottawa. During the second World War Brig. Drury served as a brigadier with the Royal Canadian Artillery overseas. He practised law in Montreal before his appointment to the federal post.

F. Campbell Cope is a son of Mrs. F. G. Cope, 460 Wood avenue. His father was, prior to his death, secretary of the Sun Life Assur-

ance Co. of Canada. Mr. Cope received his early education at Westmount High School before proceeding to McGill where he graduated in law. He is a member of the firm of Montgomery, McMichael, Common, Howard, Forsyth and Ker.

J. Leigh Bishop lives at 42 Belvedere road, Westmount, and is well known in local circles over many years. He is also a member of Montgomery, McMichael, Common, Howard, Forsyth and Ker.

Now—pay Yourself, too, on pay-day...with Personal Planning

The B of M featured *Personal Planning* on a test basis at the Canadian National Exhibition last autumn. In two weeks, 27,000 people asked for a copy of the B of M's booklet on *Personal Planning*. Here are some of the comments these people have volunteered:—

"A very workable budget. Your service is appreciated."

"... wish we had started the plan long ago."

"Thank you so much for showing us the way to make a budget work. Have tried for a year with no success, but now I think we can really live and save with *Personal Planning*."

"The best yet."

"... appreciate commonsense method of handling money."

"Swell idea."

Most people leave themselves out in the cold on pay-day. They pay the grocer and the baker... the milkman and the landlord. Everybody and his uncle dig into their pay envelopes but themselves.

Result—they're usually in a financial strait-jacket... and they worry. They worry about bills on hand. They worry about bills to come. They worry about unexpected bills. Money is always on their mind—souring their pleasure in living. And cobwebs gather on their plans for tomorrow.

What's the answer? There's only one...

... Personal Planning ... WHY?

Personal Planning is much more than just drawing up a budget. Budgets are often frustrating dog-collars. They usually tie you down and make life a very monotonous affair.

No, *Personal Planning* shows you how to live within your income and enjoy it. It's a complete financial program, cut from the pattern of your particular needs and problems.

Personal Planning won't help you make millions. But—given an honest chance—it will cure your 'day-after-pay-day blues.'

You'll learn how to make your budget work for you, instead of you working for it. And you'll also find that *Personal Planning* helps you realize your plans for tomorrow much sooner than you have dared to hope.
