HOME FURNISHING EMPORIUM

# N. Valiquette LIMITED

471 - 477 ST. CATHERINE EAST

¶ A Store's usefulness to its community lies in the quality and variety of the goods it sells and the value it gives.

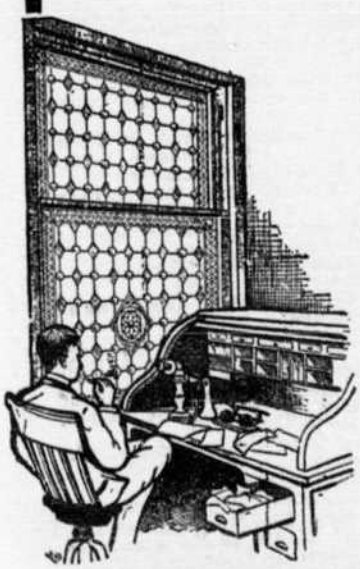

¶ In no branch of trade are these essentials more necessary than in the furnishing of homes.

¶ Fourteen years have taught us how serious our business is and how much each new home maker depends upon our honesty and experience.

¶ There is something above mere profits in the furniture business. The conscientious furnishing of a young couple's home is not measured by any rule of dollars and cents.

¶ There is a reason for every price in our store being marked in perfectly plain figures. The courtesy of our salespeople means something. But our desire to hear you say you are entirely satisfied after your purchase is sent home is the point which is most gratifying.

¶ The next time you need something for your Home or your Office test our ideas of appreciative treatment.

## WINDOWPHANIE

Is a thin transparent material made in attractive designs and colors.

It is a perfect substitute for the rich Leaded Glass or Stained Glass.

After soaking in water for a few minutes it sticks firmly and securely to window pane.

It hides an ugly outside view and gives the inside a rich luxurious effect.

It is 18 inches wide and sells from 35c. per yard upwards.

Free Samples if interested.
