Thirty-Fifth Year.

JAPANESE SOLDIERY OCCUPY WOOSUNG VILLAGE AS TOKYO GOVERNMENT PROPOSES TO AMEND TREATIES

After Overcoming Stubborn Resistance, Reinforced Japanese Troops Occupy Part of Village—Destroyers Open Fire as Japanese Advance Is Repulsed—While Fighting Is Being Carried on at Woosung, Chapei District of Shanghai Remains Quiet.

While armed Japanese forces at Woosung landed from the river, diverting the attack from Chapei, the Government at Tokyo proposed today that the Nine-Power Treaty be revised to eliminate Manchuria from its provisions.

Regular Japanese troops were engaged at Woosung, sixteen miles down the Whangpo from Shanghai, and apparently they overcame stubborn resistance to capture part of the village about the forts. When their advance was halted nine destroyers opened shellfire on the village.

In Chapei, where artillery has blazed for more than a week, the day was quiet, although machine guns still rattled, and fires were raging at several points.

The new Japanese treaty proposal would establish a neutral zone under international supervision around each large Chinese commercial centre as a means of cutting off the revenue of the Chinese war lords and demilitarizing China.

Japan would demilitarize Manchuria herself. Such an arrangement, Japan admitted, would run counter to the spirit of the Nine-Power pact, guaranteeing China's territorial integrity, but Japan contends that the principles embodied in the pact have proven inadequate, predicted as they are, upon the assumption that China can work out its own problems.

AMAZED AT STAND MADE BY POORLY EQUIPPED CHINESE

SHANGHAI, Feb. 8.—A fresh force of 2,400 Japanese troops outnumbering the Chinese more than two to one, smashed through sleet, snow and rain today towards the embattled Chinese at Woosung, and occupied the village of Woosung under the cover of a heavy barrage from the guns of the warships in the river.

The Chinese offered less resistance at Woosung today in contrast with the gallant fire they poured on the attackers yesterday.

Today only a light exchange of rifle and machine gun fire from the Chinese was heard. As the 2,000 Japanese infantry troops, fresh from Japan, pushed on, crossing Woosung Creek after repairing a bridge which had been wrecked by the Chinese, the Chinese withdrew into open country to the west. Established in the village, the Japanese continued their drive on the battered forts, which have withstood all their attacks for a week.

All effective Chinese guns in the forts were silenced.

It was widely commented, however, that in spite of the continuous bombardment and the severe fighting, in which the Japanese used tremendous quantities of ammunition, they made comparatively slow progress. Observers expressed themselves as amazed at the stand made by the poorly equipped Chinese troops against every implement of modern warfare.

The Woosung battle turned virtually all attention from the Chapei front in Shanghai, already devastated by fire and the fierce bombardments of many days.

Foreign residents of the Settlement entered a protest against Japanese airplanes today. They asked that the Japanese aeroplanes be forbidden to fly over the foreign quarter.

A wholesale exodus of Japanese from Shanghai has reduced the Japanese population by nearly twenty per cent, and the flight continued today. Japanese consular authorities estimated that about 4,500 Japanese have left the city since the fighting began. Every ship bound for Japanese ports has been crowded with fugitives, many of whom came from interior cities. A large group arrived today from Nanking, Hankow and Wuhu.

STATES BRITAIN AND U.S. HAVE NO DESIRE FOR WAR

OTTAWA, Ont., Feb. 8.—"Great Britain and the United States do not want to go to war at present, and I rather think they are banking on Japan's policy in China being so destructive of her own interests that she will shortly be prepared to arbitrate," declared Professor M. A. MacKenzie, of Toronto, in an address before the Ottawa Teachers' Institute.

"Russia is so busy with her own economic reconstruction," the professor in international law at University of Toronto continued, "that she is unable to take any action in Manchuria."

THE WEATHER

BECOMING DECIDEDLY COLD. A deep depression, 29.30 inches, is centred this morning over the Ottawa Valley, while an area of high pressure covers Manitoba and the Northwest States. Snow is falling this morning in many parts of Ontario and Quebec, while the weather in the Western and Maritime Provinces is mostly fair and cold.

Forecast: Strong winds and cold, shifting to west and northwest; clearing tonight and becoming decidedly cold. Tuesday: Fair and cold, with strong northwest winds.

New England States: Snow; not so cold tonight. Tuesday: Partly cloudy and colder.

Temperature yesterday: Maximum 20, minimum 5.

Same day last year: Maximum 12, minimum 12 below.

APPOINTED WESTBURY SCHOOL COMMISSIONER

QUEBEC, Que., Feb. 8.—Notice of an order-in-council appointing Thomas Campbell to be School Commissioner for the municipality of Westbury Township, in Compton County, appears in the current issue of the Quebec Official Gazette.

Other appointments include the naming of Lt.-Col. B. W. Browne, D.S.O., M.C., assistant Adjutant and Quarter Master General, Military District No. 4.

ECONOMY REAL OBJECTIVE OF CONTROL BILL

New Commission to Enforce Fiscal Sanity on Misgoverned Municipalities of Province.

QUEBEC, Feb. 8.—The Government of the Province of Quebec intends to keep Quebec Province as one sane spot in a universe of crazy finance. This, declare the supporters of the Government, is the sole reason for the introduction of the Municipal Commission bill which the Opposition are criticizing as a deathblow to municipal economy.

For the past few years municipalities have gone on in their own way, borrowing as they saw fit, balancing their budgets if they felt like it and generally having their own way with little hindrance from the Government. This system proved all right in years of prosperity, but with diminishing revenues and mounting expenditures for unemployment relief, many smaller towns and villages are finding themselves in difficult financial straits. Before the situation becomes too critical the Government intends to force a showdown and bring about fiscal reorganization of the affected municipalities before their credit is endangered.

The prospective Commission will have power to examine the financial condition of the municipalities and order reforms in finance. If the Councils cannot effect their own reformation, the Commission will step in and take over the financial administration of the town, reducing expenditures, increasing revenues and otherwise acting to maintain the solvency of Quebec institutions.

While the measure is meeting with considerable opposition, the majority of the municipalities who have managed their affairs with reasonable prudence, welcome the measure as one which will serve as a commendation for the cautious and a curb on the extravagant.

EXPORT TRADE OF CANADA ON BETTER BASIS

Sales of Canadian Products More Varied, Despite Decline in Dollar Value of Exports.

OTTAWA, Feb. 8.—Although Canada's foreign trade, like that of the rest of the world, has shown a marked contraction during the past twelve months, it compares much more favorably with previous years than any of its competitors. A distinct widening has been noted in the products sold by the Dominion, and with a recovery in world trade Canadian exports are expected to mount to new levels.

Trade with Australia gives a striking illustration of this. No big increase has been shown in volume or dollar value, but decreases in exports of some commodities have been offset by exports of lines that were only slightly traded in before. Cotton manufactures have grown in the last five months of 1931, as compared with the same period in 1930, from \$8,966 to \$56,682, a gain of \$47,726; felt from \$14,613 to \$18,763, a gain of \$4,150; Douglas fir logs from \$749 to \$19,996, a gain of \$19,247; planks and boards from \$130,666 to \$250,205, a gain of \$119,537; Douglas fir square timber from \$14,000 to \$44,502, a gain of \$30,493; wood pulp from \$11 to \$22,094; iron pipe and tubing from \$25,348 to \$34,671, a gain of \$9,323; hardware and cutlery from \$10,260 to \$24,060, a gain of \$13,800; firms from \$53,038 to \$84,809, a gain of \$31,771; asbestos from \$629 to \$12,700, a gain of \$12,071.

Since the conclusion of the trade agreement between Canada and Australia, during the last five months of 1931, the total trade with that Dominion has increased from \$4,706,490 to \$5,332,183, these figures of course being for the five month period in the two successive years.

LADY FLAVELLE DIED TODAY. TORONTO, Ont., Feb. 8.—Lady Clara Ellsworth Flavelle, wife of Sir Joseph Flavelle, Bart., died today.

COMING TO CANADA TO OFFICIALLY OPEN THE IMPERIAL ECONOMIC CONFERENCE

His Royal Highness, the popular Prince of Wales will, it is stated on the best of authority, pay a visit to Canada this coming summer to officially open the Imperial Economic Conference, and visit his Alberta Ranch.

JAPANESE GOVERNMENT MOVES FOR REVISION OF NINE-POWER TREATY

Would Exempt Manchuria from Provisions of Non-Interference—Also Plans Creation of Neutral Zone, Policed by Foreign Troops, Around Each Large Commercial Centre of China.

TOKYO, Feb. 8.—The Japanese Government, for the second time since its policy in Manchuria and China has been questioned by foreign governments, moved today for a revision of the nine power treaty under which Japan, with eight other world powers, agreed to respect China's administrative integrity.

Included in the new proposal, which a Foreign Office spokesman said is being sent to Japan's diplomatic representatives abroad to be broached at the proper time to foreign governments, is a provision that Manchuria be eliminated from the treaty's provisions.

Under the new proposal made to the diplomats, a spokesman said today, each large commercial centre in China would be surrounded by a neutral zone fifteen to twenty miles wide, policed under international supervision. Chinese soldiers would be excluded from these zones.

Such an agreement, he said, would recognize that some measure of international intervention is necessary to give China peace and stable government, whereas the nine power pact is based on the principle of avoiding foreign interference in China.

CHINESE HALTED ADVANCE OF JAPS ON WOOSUNG FRONT

SHANGHAI, Feb. 8.—Advices from Woosung late today said the Japanese were repulsed by the Chinese forces immediately after they captured a part of the village of Woosung and their drive on the Woosung forts was halted. Following the setback nine Japanese destroyers began to shell the village, the reports said.

UNITED STATES PREPARED TO REJECT ANY PROPOSAL

WASHINGTON, D.C., Feb. 8.—The United States will reject any plan suggested to it by Japan to demilitarize the principal ports of China.

BRITISH TROOPS BLOCKED JAPANESE FLANK ATTACK

SHANGHAI, Feb. 8.—British troops guarding the International Settlement boundary near the Chapei north station today, blocked a Japanese flank attack on the Chinese.

Fighting was renewed when the Chinese unlimbered their trench mortars late in the afternoon and began shelling Hongkew. The Japanese replied with their artillery and sent a detachment of bluejackets into action.

The firing kept up for three hours and some of the shells fell in

BRITAIN AND FRANCE AGAIN STAND UNITED IN A DETERMINED ATTEMPT TO ENSURE WORLD PEACE

CANADIAN DOLLAR EASED SLIGHTLY AT NEW YORK

NEW YORK, N.Y., Feb. 8.—The Canadian dollar eased one-eighth of one per cent to 86 1/2 cents in United States funds during early trading today on local foreign exchanges.

The pound sterling was steady at \$3.45, Saturday's final figure.

MEMORIAL IN HALL OF FAME WAS UNVEILED

Marble Group, the Contribution of Canadians Resident in the United States, Commemorates Canada's Sixtieth Year of Confederation.

OTTAWA, Feb. 8.—The Governor-General of Canada, the Earl of Bessborough, unveiled Saturday afternoon a marble group in the Hall of Fame in the Parliament Building, placed there through the contributions of Canadians resident in the United States. The memorial, commemorating the sixtieth year of Confederation, was the result of activities directed by a memorial committee headed by W. W. Colpitts, former resident of the Canadian Club of New York. It was to have been presented in 1927 when Canada was celebrating the sixtieth birthday of the Dominion, but various circumstances caused the delay.

The presentation was made by Mr. Colpitts and Rt. Hon. R. B. Bennett, Prime Minister of Canada, spoke the words of acceptance. The ceremony was brief, taking less than fifteen minutes.

Seated on the platform, erected near the memorial, were their Excellencies, the Prime Minister and Mr. Colpitts, representatives of foreign countries and several members of the cabinet. Following the Prime Minister's acknowledgment of the memorial, Hon. H. A. Stewart, Minister of Public Works, passed the silken cord to the Governor-General who drew aside the flags veiling the group, while the Temple Choir, massed on the gallery bridging the main corridor, rendered "Land of Hope and Glory."

"The Government, on behalf of the people of Canada, thank you for this memorial and I would ask that you convey our thanks to the members of your committee," said Mr. Bennett. "We accept it as an evidence of the fine spirit in the hearts and minds of Canadians who, although they live abroad, have not forgotten the claims of the homeland."

His Excellency described the memorial as a token of the pride Canadian abroad feel for their homeland and a tribute to the achievements which made it great.

SHARP DECLINE IN EARNINGS OF NATIONAL ROAD

Net Operating Earnings of Canadian National Drop Eighteen Million During Past Year.

MONTREAL, Que., Feb. 8.—Net operating revenues for the year 1931 of the Canadian National Railways totaled \$7,585,700 compared with \$26,510,938 in 1930, a decrease of \$18,925,238.

1931 total operating revenues approximated \$177,273,700, compared with \$221,770,445 for the previous year, a decrease of \$44,496,745, or about twenty per cent. During the same period expenses declined from \$195,259,507 in 1930 to \$169,685,000 in 1931 or thirteen per cent.

These figures cover all lines comprised in the Canadian National System, with exception of the lines east of Levis and Diamond Junction, which are operated under the provisions of the Maritime Freight Rates Act. Final figures will be made available when the annual report of the company is presented to Parliament during the course of the present session, the statement issued here yesterday from the Canadian National headquarters being a preliminary one.

The traffic earnings in 1931 were the lowest experienced in any year since the present Canadian National System came into existence, but the operating performance was such as to very considerably offset the severe shrinkage in business, says the statement. While revenue from freight traffic decreased by approximately sixteen per cent, operators were so arranged that the gross tonnage carried on each freight train operated was maintained and slightly exceeded.

Speed was increased and fuel consumption decreased. Loadings of grain and grain products decreased 3 1/2 per cent and the only listed commodity carried by the railway to show an increase during the year was coke. The freight traffic revenue of the railway in 1931 was thirty-three per cent below that of 1928.

Both Nations Today Submitted Their Cases to World Disarmament Conference—While Their Methods of Approach Differed, Both Agreed in Principle—Britain Anxious to Place a Limiting Line on Armaments, While France Would "Organize Peace"—Both Demanded Effective Action.

GENEVA, February 8.—Great Britain and France today submitted their cases to the World Disarmament Conference, now in session at Geneva.

Their methods of approach differed. Britain would place a limiting line on armaments. She would rule out submarines, poison gas and chemical warfare, and reduce the size of capital ships and their guns. France, in contrast, would "organize peace." She would back the League Covenant with an international force.

Yet the old allies of the war differed only in methods — they emphasized their agreement in the purpose. Both demanded effective action.

"The Conference failure would be an unmeasured and immeasurable calamity," declared Sir John Simon, British Foreign Secretary.

"If we fail," echoed Andre Tardieu, French War Minister, "it will be the failure of the greatest attempt humanity has ever known."

The general discussion will be continued tomorrow.

Customarily Sir John is the picture of a polished counsel arguing his case. Today he pleaded from the tribune the cause of a world demanding peace.

"Many peace conferences before this have failed," Sir John warned. "The consequences of their failure have been written in letters of blood in the history of the world."

"But failure now means nothing short of an unmeasured and immeasurable calamity. We have to proceed with our task through many weeks and months conscious of the doom which is in store for mankind if any practical results are not achieved."

Great Britain, Sir John announced stands for two methods of treatment of disarmament:

1. Fixing a limiting line in armaments beyond which the nations will pledge themselves not to go.

2. Exclusion by international agreement from the use in warfare of certain defined instruments and methods.

Great Britain supports the establishment of a permanent Disarmament Commission. She is charged with the abolition of poison gas and chemical warfare. She presses for the abolition of the submarine. She urges limitations by agreement of the numbers of effective. She is ready to co-operate in an agreed reduction of the size of capital ships; of the size of maximum gun calibres; of the size of maximum gun calibre. At present the capital ship limit is 35,000 tons, and naval guns limit sixteen inches, fixed by the Washington Treaty.

Sir John did not agree with the view that because bombs were dropping from the Far Eastern skies and troops were on the move, the ideals of the League Covenant were in jeopardy. "I do not agree with those who suggest that this paradox makes our meeting inopportune," Sir John exclaimed with emphasis. "Rather, I declare these solemn events illustrate and reinforce the urgent necessity of undertaking and discharging our task."

Andre Tardieu, French War Minister, followed Sir John and, like the British spokesman, he warned the Conference of the consequences of failure.

The aim of France was to build on the basis of the League Covenant, rather than to seek a new basis. The French conception of disarmament was, and remained, determined by the French conception of the covenant.

"France," here M. Tardieu paused for a second to lend added force to his words, "France, despite the reduction in armaments to which she has spontaneously consented, is ready to undertake a contractual agreement to limit her armaments for a determined period. France is ready without conditions," he repeated, "let there be on that point neither misunderstanding nor equivocation."

M. Tardieu then sketched the general lines of the scheme for an international force under control of the League of Nations, which he had already submitted to the Conference. "Believe France when she says that there will be no assured peace until we have fortified the League of Nations," the French spokesman pleaded. "Believe her when she tells you that to create this force she asks you to endow the covenant with the resources it contemplates."

Vincent Coll, Youngest and Most Ruthless of New York Mobsters, Machine-Gunned to Death Early This Morning as He Stood in Telephone Booth.

NEW YORK, Feb. 8.—Vincent Coll, youngest and most ruthless of New York mobsters, was machine-gunned to death at 12.30 o'clock this morning as he stood in a telephone booth of a West 23rd street drug store.

His assassin, with two companions, who waited outside with an automobile, escaped.

The killer, the sub-machine gun under his arm, entered the drug store and told the clerk and patrons to "keep cool and you won't get hurt."

He walked directly back to the phone booth in which Coll, his back to the door, was telephoning. With a word he swung the gun into position and sent slugs cutting through the thin partition and glass. Twelve bullets entered Coll's body.

The killer, with a menacing wave of the weapon toward the others in the store, backed out, ran to the car, climbed in with his two companions, and was driven away.

BRITISH PROPOSALS WOULD REDUCE OFFENSIVE FORCES

GENEVA, Feb. 8.—The British Government's proposals before the world disarmament conference were summed up by Sir John Simon, Secretary of State for Foreign Affairs, as follows:

"We accept as a basis for further discussions the general scheme of the draft of the disarmament convention."

"We accept, in general, the methods and limitations with reference to the establishment of maxima contained in the convention. We support the establishment of a permanent disarmament commission. We urge the abolition of gas and chemical warfare. We press for the abolition of submarines."

"The abolition of conscription is, as we realize, a subject with controversial aspects, but we seek and urge upon others the most practical course for limiting by agreement the number of effectives."

"The temptation to resort to arm-

MISSION BAND AT SCOTSTOWN HELD MEETING

Officers of United Church Organization Elected—News Items and Personals from Vicinity.

SCOTSTOWN, Que., Feb. 8.—The January meeting of the St. Andrews' United Church Mission Band was held in the church on Thursday, January 28. The meeting was opened by singing "Tell Me The Old, Old Story" and "The Lord's Prayer." The president, Miss Wilma Scott, read the Scripture from the Psalms 149 and 150. Eighteen members were present. As the older girls are leaving the Band, new officers were elected as follows: President, Annie MacLennan; vice-president, Betty Ladd; treasurer, Payson Sherman, Jr.; secretary, Ruth Kinsey; organist, Elaine Scott. Several members took part in readings from "Young Japan." Another hymn was sung and the Lord's Prayer repeated, which closed the meeting.

Rev. E. M. W. Templeman was in Lennoxville on Thursday, the guest of Dr. and Mrs. Frank Vial at the Divinity Lodge, after spending the past week-end at Marbleton, in which mission he took the Communion service, assisted by Capt. Gray, C.A. While there, Mr. Templeman was the guest of Mr. and Mrs. William Bishop.

The January meeting of St. Alban's Guild was held on January 27 at the home of Mrs. B. Woolley, with a good attendance. After the opening exercises and the usual routine business, plans were made for an old-fashioned concert after Easter. At the close of the meeting, refreshments were served by the hostess, assisted by Mrs. R. Desruisseaux. Guests at the meeting were Rev. and Mrs. Templeman and Mrs. R. Doherty.

The Presbyterian Circle held their February meeting on February 4 with Mrs. D. L. MacRitchie and Mrs. Kenneth Smith as joint hostesses. This was a banner meeting, a large number being present. Mr. Murray opened the meeting with Scripture and prayer. On account of the absence of Mrs. D. A. MacIver through illness, the meeting was conducted by Mrs. M. Nicholson. After the reading of the minutes of the previous meeting and disposing of other minor details, new business was discussed. A set of by-laws for the Auxiliary was presented and unanimously adopted. The social committee reported that the play for which a group are practicing will be ready for presentation by the end of the month. Plans are also under way for a St. Patrick's tea in March. The treasurer was instructed to send flowers to one of the members, who is ill. At the close of the meeting, the hostesses served refreshments, assisted by a number of the young ladies. A number came in at the tea hour.

Mrs. Valade, of Burlington, Vt., is in town, visiting her sisters, Mrs. MacLean, Mrs. John Smith, Mrs. I. Elger and Miss Grace Mackay. Miss Christy MacLennan, Montreal, is visiting at her home on Dittor street.

Mrs. William Buchanan has returned from a visit in Detroit, Mich. She was accompanied home by Mrs. Murdo Buchanan, who spent the past few months with relatives in Detroit.

Friends of Miss Winnie McLaughlin will be sorry to hear that she is confined to her home through illness.

Mrs. S. N. Pergau spent the past week-end at his home in Lennoxville. Mr. John E. Nicholson has returned from Milan, where she was visiting her parents, Mr. and Mrs. John Murray.

Mrs. W. Buchanan spent a few days recently in Montreal.

A prominent divine says there is no social competition in hell, but what makes it hell if it isn't necessary to keep up with the Joneses?

COUGHS

Don't let them get a strangle hold. Fight them quickly. Cold Cream combines the 7 best helps to modern science. Powerful but harmless. Pleasant to take. No narcotics. Money refunded if any cough no matter how long standing is not relieved. Ask your druggist for Creemulsion. (adv.)

STOPS ACHES and PAINS

No matter whether it is a little ache or a big pain, no matter whether it comes from headache, neuralgia, the monthly periods of women or from a cold, ZUTOO TABLETS will relieve it in 20 minutes and leave you feeling good. Recommended for sale and used by thousands as the standard remedy for colds, flu, and all aches and pains.

ZUTOO

BURDOCK'S BLOOD BITTERS

For sale at all drug and general stores; manufactured for the past 52 years, only by The T. Mothershead Co., Ltd., Toronto, Ont.

STANSTEAD TP. COUNCIL HELD BUSY SESSION

Road Matters Discussed at Meeting of Stanstead Township Council—News Items and Personals from Tomifobia.

TOMIFOBIA, Feb. 8.—The February meeting of the Stanstead Township Council was held at Tomifobia on Monday, February 1st. Those present were Mayor P. W. Baldwin, Councillors Cochran, Cass, Kimpton, Watson and Fauteux. Councillor A. C. Parkhill was absent on account of illness.

The only roll-in bill presented amounted to \$3.30, which would prove the mildness of the present winter. While some of the councillors feared the mild weather in January had caused the gravel roads to be badly rutted, which would make expense another summer, yet on the whole it appears that a saving will result to the rural townships.

A letter was read from a ratepayer of Brown's Hill in regard to some change in the Vaughan Hill road. Last summer it was proposed to blast the top of the hill and place the road on a level with the foot of the lower grade. It is suggested now that the road could be changed to go north of C. Martin's farm and get a much easier grade. Councillors Cass and Kimpton were appointed a committee to look the matter over.

A resolution was passed asking the member of the Legislature for Stanstead County, to apply for a grant for permanent road on the 50-50 basis.

General Notes.

Mr. J. C. O'Leary, of Beebe, was a guest at Fairview Hotel, January 29th.

Mr. Otis Sherman spent the week-end at Massawippi.

Y. P. S. met jointly at the home of Mr. and Mrs. Robert Farquhar on January 28. Mrs. Farquhar had a quilt in the frame, which was finished during the afternoon. The business meetings of both societies were held and reports of the Association officers given. The election of officers for 1932 was proceeded with, Rev. J. W. Shier being asked to preside. The officers for 1932 were elected by acclamation for 1932: Mrs. M. W. McCourt, president; Mrs. Robert Farquhar, secretary; Mrs. B. Watson, first vice-president. The hostess served a hearty supper which was greatly relished by all present.

The attendance at church last Sunday was small, owing to the cold, stormy weather. The services were in harmony with the programme announced by the United Church in agreement with other denominations. Mr. Shier preached in the morning on "The World Common-wealth of Nations" and in the evening on the topic, "Universal Disarmament the Only Effective Course." The choir rendered an anthem, "Sing, My Soul," in a very fine and appreciative manner, so much so that they were asked to repeat it at the evening service.

The Y.P.S. sponsored a sleigh drive party on Tuesday evening. Sleight and fine teams were provided by Messrs. Stanley Farquhar and Gordon McCourt. Over fifty people availed themselves of a very enjoyable hour and a half in the open. The party returned to the church hall soon after nine o'clock, when they spent an hour in singing, games and social intercourse. Misses Witty, Campbell, Sykes, Davies, Landry and others served a hot dog luncheon, with coffee. The evening function closed with the national anthem.

Mr. Frank Rankin called at the parsonage on Tuesday. Mr. Rankin is the only living member of the first Methodist class formed in Windsor in 1869. Mr. Rankin is living with his niece, Mrs. John Bate, of Greenlay.

Mr. S. J. Caswell, who had the misfortune to break his left arm at the elbow, returned on Friday, January 26, from the Sherbrooke Hospital, where he spent a week.

Sores Broke Out All Over Her Body

Mrs. T. E. Cliff, Kelwood, Man., writes: "My little daughter's hands and arms broke out in sores which spread all over her body. Nothing I tried gave her any relief until I got a bottle of Burdock Blood Bitters, and I could see an improvement, as the sores began to disappear. I gave her three bottles and she has had no more trouble."

BURDOCK'S BLOOD BITTERS

For sale at all drug and general stores; manufactured for the past 52 years, only by The T. Mothershead Co., Ltd., Toronto, Ont.

ISLAND BROOK SCHOOL PRIZE PRESENTATION

Interesting Programme Presented at Island Brook Gathering—News Items and Personals from District.

ISLAND BROOK, Que., Feb. 8.—About eighty-five parents and friends assembled at the Intermediate School on Friday evening, January 28th, for the distribution of prizes for last year. A short programme was presented by the pupils which consisted of the following: songs, "O Canada" and "The Lord's Prayer," by the school; a monologue, "Unfortunate Irene," by Irene Sample; play, "From Down East," song by the girls; recitation, "Company Is Coming to Tea," by Glenna Sample; dialogue, "The Census," by Doreen Bates and her brother, Todd; by Mr. Hollis Burns, chairman of the School Board, after which he presented the prizes: spelling match, grades IV and IX; song, "Lord, While For All Mankind We Pray," by the school. The singing of "God Save the King" brought the programme to a close.

The prize list is as follows, the first and second prizes for general proficiency in each grade being given by the School Board:

Grade I first general proficiency, Doreen Bates; second general proficiency, Marion Bates; second general proficiency, Vonda Kerr. Grade III, first general proficiency, Garfield Spaulding; second general proficiency, Delbert Alden. Grade IV, first general proficiency, Thelma Dawson; second general proficiency, Fernie Stronach. Grade V, first general proficiency, Doreen Bates; second general proficiency, Bernice Ewing; highest marks in Scripture, Doreen Bates. Grade VI, first general proficiency, Pauline Burns; highest marks in geography, Mabel Alden. Grade VII, first general proficiency, Mildred Doherty; second general proficiency, Herbert Todd; improvement in French, Mildred Doherty; highest marks in spelling, Marjorie Ewing; improvement in spelling, Elmer Kerr. Grade VIII, first general proficiency, Earle Dawson; improvement in spelling, Earle Dawson.

General Notes.

Miss M. MacIntyre has gone to Mystic, after spending the past few weeks at Mr. N. D. Todd's.

Mr. and Mrs. John Patton gave their home for a card party on Thursday evening for the benefit of the Guild.

Miss Ruby Lister has gone to Cookshire to stay for a while with Mrs. E. Mowle.

Mr. and Mrs. Alfred Peasley and Mr. W. R. Bullock are ill.

CRAWFORDVILLE

All are pleased to hear that Mrs. James Crawford is gaining after her serious illness.

Mr. Hector Prevost's children, who are ill with scarlet fever and whooping cough, are improving.

Recent guests at Mr. James Magwood's were Mr. and Mrs. Eddie Canning, Mrs. Fred Crawford, Mr. Albert Geake and Miss Alice Geake, Miss Elsie Grady and Messrs. Jack and Albert Grady, Elmore Guy, Glen and Earl Crawford.

Mr. Elmore Guy was a guest at Mr. T. A. Watts, of Lysander, recently.

Miss Pearl Magwood was a recent guest of Miss Alice Geake.

Mr. and Mrs. Edward Canning, Miss Pearl Magwood and Mr. Cecil Magwood spent an evening at Mr. Everard McKee's recently.

Mr. James Magwood was a recent guest of Mr. and Mrs. B. McHarg, Maple Hill.

CRANBERRY

Mr. and Mrs. Grant Nugent and family and Mr. Willard Ainsley were recent guests of Mr. and Mrs. Norman Gill.

Mr. and Mrs. Norman Gill were guests of Mr. and Mrs. Allan Crawford recently.

Mr. and Mrs. Grant Nugent and family spent a recent evening as guests of Mrs. John Seely and Mr. Foss Seely.

Friends of Mr. Irvin Cross are glad to know he is improving after his operation in the St. Joseph's Hospital, Thetford Mines.

Mr. and Mrs. Albert Nugent were recent guests of Mr. and Mrs. Allan Crawford.

RICHMOND TOWN COUNCIL HELD A BUSY SESSION

Committees for Coming Year Appointed—Report of Investigation into Dairies Submitted—News Items and Personals from Vicinity.

RICHMOND, Que., Feb. 8.—The new town council held its inaugural meeting Monday evening, February 1st, with Mayor S. E. Desmarais presiding.

The mayor congratulated the members of the council on having been elected to their offices by acclamation. This, he remarked, not only saved the town the cost of an election but it also indicated that the ratepayers had confidence in the integrity and administrative ability of those whom they had chosen, since all, with one exception, had served on the council board during the past two years.

Mr. A. E. Dyson succeeds Mr. C. C. Healy in Ward 1, Mr. Healy refusing to allow his name to be put in for nomination on account of ill health. He also referred to the serious industrial conditions everywhere and which are felt very keenly in this town. It would, therefore, be the duty, he said, of the different committees to economize as much as possible with due regard to efficiency.

The following standing committees were named for the term, first named being the convenor in each case: finance, Councillors Manning, J. P. Bouvette; roads, Councillors Hill, Dyson, Emond; fire and water, Councillors McKee, Hill, Tremblay; light, Councillors Dyson, Hill, Bouvette; police, Councillors Tremblay, Emond, McKee; charity, Councillors Bouvette, Manning, Emond; health, Councillors Manning, J. P. Bouvette, Tremblay; town hall, Councillors Emond, McKee, Manning; manufacturing, Councillors Dyson, McKee, Hill. Councillor McKee was named pro-mayor for three months.

Dr. John Hayes, medical health officer, presented a comprehensive report concerning the inspection of the five dairies which supply the principal portion of the milk to the town.

The object of the inspection as set forth in the report was two-fold in its purpose: first, to detect disease germs, if there were any, in the household; among the employees, or among any recent visitors, of those supplying milk; and second, to investigate the condition of the herd, barns, milking utensils, etc.

In pursuit of this task, Dr. Hayes examined six dairies and inspected 150 cows. The persons showed that all persons examined were in good health and no germ-carriers were found among them. The herds, he found in good condition with one exception where there was evidence of underfeeding. They had all been tested for tuberculosis. The stables with one exception were in good and satisfactory condition.

In closing his very interesting report Dr. Hayes made four recommendations: first, that each dealer should secure a permit to sell milk; second, that samples of milk being delivered should be taken frequently; third, that the barns, etc., should be inspected regularly and frequently; fourth, that a printed form of instructions regarding the regulations of the Provincial Board of Health should be placed in the possession of each dealer.

CRANBERRY

Mr. and Mrs. Grant Nugent and family and Mr. Willard Ainsley were recent guests of Mr. and Mrs. Norman Gill.

Mr. and Mrs. Norman Gill were guests of Mr. and Mrs. Allan Crawford recently.

Mr. and Mrs. Grant Nugent and family spent a recent evening as guests of Mrs. John Seely and Mr. Foss Seely.

Friends of Mr. Irvin Cross are glad to know he is improving after his operation in the St. Joseph's Hospital, Thetford Mines.

Mr. and Mrs. Albert Nugent were recent guests of Mr. and Mrs. Allan Crawford.

This huddled group of granite buildings comprising the lonely Dartmoor penal settlement, famous in fiction and fact as a prison for England's most desperate criminals, recently was the scene of the greatest convict mutiny in modern British prison history. Three hundred inmates, enraged at being served porridge without sugar for breakfast, fought a pitched battle with war-cars and special police and set fire to prison buildings before being subdued by riot guns. Nearly 100 persons were reported to have been injured.

ST. FRANCIS DISTRICT

SAND HILL

The annual vestry meeting of St. Luke's Church, was held on Wednesday, January 27th, in the church. It was opened and closed with prayer by the Rev. Mitchell, incumbent, who presided. Minutes of the previous meeting were read and approved. Mr. Lawrence Copping, people's warden, presented the financial report, which shows a slight additional balance in the bank over last year. The report from Mrs. F. E. Warner, secretary-treasurer of the Ladies' Guild, was read by Rev. Mitchell. It shows a balance on hand. A hearty vote of thanks was extended to Mrs. Warner for her work. The following are the officers for the coming year: Mr. Ernest Hemming, minister's warden; vestry clerk, Mr. Milton Laberee; Mr. R. Laberee was appointed delegate to the Synod, and Mr. E. Hemming, substitute. At the close of the meeting, a vote of thanks was extended to the organist, Mrs. R. Laberee, with a cheque from the Guild.

During the winter months the Men's Club is meeting at the homes of the members, the first meeting being at Mr. R. Laberee's, the second at Mr. W. T. Hemming's and Mr. M. D. Laberee's. At each of the meetings, Rev. Mr. Mitchell is giving a series of very interesting short talks on early church history. The men's club presented Mrs. R. Laberee with a cheque, as a small token of their appreciation for her very faithful service as organist. The next meeting will be at the home of Mr. George White.

Miss Lottie Coates is staying for a time with Mrs. Florence Cates, Eaton Corner.

BISHOP'S CROSSING

The Ladies' Guild was pleasantly entertained on Wednesday afternoon, February 2, at the home of Mrs. M. J. Cunningham with a good attendance of members and visitors present. The meeting was opened in the usual way. The minutes of the last meeting were read and approved. A few other items of interest were dealt with. After the business was closed, the rest of the afternoon was spent socially. Lunch was then served by Mrs. Cunningham, assisted by Mrs. B. A. Gilbert and Mrs. G. A. Harrison.

Owing to the inclemency of the weather on Sunday, January 31, Rev. Mr. Pollitt was unable to hold service at the United Church.

Miss Simard, of Thetford Mines, is a guest of Mrs. G. A. Harrison for a few days.

A card party under the auspices of the Rebekahs was held on Wednesday evening, February 3. Cards were played at eight tables. The highest scores were won by Miss Simard, first and Miss Margaret Clark second, ladies' prizes, and Mr. Alex Lancaster, first, and Mr. Ernest MacAulay, second gentlemen's prizes. Lunch was served by the ladies.

Mrs. R. C. Rolfe and Mrs. J. H. Beaumont were calling on Mrs. Victor Gilbert at Lime Ridge on Thursday afternoon.

EAST CLIFTON

Miss Marjorie Hyatt and Mr. Rudolph Grenier, of Hyatt's Mills, are spending a few days in town, the guests of relatives.

Mr. Edwin Harran, of Waterville, is spending a few days in town, as guest of relatives.

Mr. Albert McConnell was called to Bethel, Me., to attend the funeral of his brother, Mr. Sam McConnell. The community extends their sincere sympathy to family in their sad bereavement.

Mr. Aubrey Bain, of Potsdam, N.Y., was in town recently, guest of his grandparents, Mr. and Mrs. Hollis Cairns, and Mrs. I. Bain and other relatives.

The many friends of Miss Freda Glen, of Eaton Corner, will be sorry to learn she is confined to her home through illness. They all wish her a speedy recovery.

MARBLETON

Mr. H. G. Weston was in Sherbrooke on Wednesday, January 27. Rev. E. M. W. Templeman, of Scotstown, and former pastor of Marbleton, officiated at the Communion service at St. Paul's Church on Sunday, January 31.

A card party was held at the Arlington Hotel on Saturday, January 30, for the benefit of the Red Cross. Cards were played at ten tables. Refreshments were served by several of the members. The proceeds were quite satisfactory.

Miss Angie Bishop, of Sherbrooke, was a recent guest of parents, Mr. and Mrs. H. N. Bishop.

Mr. and Mrs. W. T. Oughtred had the pleasure on Sunday, January 30, of speaking by telephone with their son, Mr. Lawrence Wilson in Nelson, B.C.

Mr. Gerald Bishop, Master Garth Bishop and Miss Lola Williams, of Sherbrooke, were guests for the week-end of Mr. and Mrs. E. J. Westman.

Mrs. F. N. Wilson has returned from a pleasant visit with relatives in Lancaster, N.H.

Mrs. G. Willard has quite recovered from her recent illness.

Mrs. Phaneuf and children have returned from Danville and Sherbrooke where she was called by the death of a sister. Mrs. Phaneuf has the sympathy of the community.

Mrs. H. N. Bishop spent a recent week-end in Sherbrooke the guest of her sons, Messrs. Gerald and Reginald Bishop.

Mr. R. L. Bishop, who has been a patient in the Sherbrooke Hospital, is so far recovered as to be able to return to his home on Larroque street.

The two last card parties of the Guild at Mrs. H. H. Bishop's on January 20 and with Mrs. Phaneuf on January 27, were well attended and much enjoyed, and the proceeds quite satisfactory. The prize on the first occasion went to Mrs. E. J. Westman, and Mrs. Clifford Weyland was the fortunate one at the second meeting.

The Junior Red Cross of the Marbleton Intermediate School held a card party at the Arlington Hotel, on Saturday, January 30, 1932. Progressive five hundred was played at eight tables. Mrs. Cyril Weyland, winning the ladies' first prize, and Mr. Clifford Weyland, the gentlemen's first prize. Refreshments were served to the sixty guests. Proceeds amounted to \$8.10. The Juniors want to take this opportunity of thanking Mr. and Mrs. Weston for the use of the hotel, Mr. Thorndike for his assistance during the evening, and all who helped make the evening a success.

Mrs. E. J. Westman is quite ill at her home here. Miss Lola Westman returned from Sherbrooke on Wednesday to care for her during her illness.

Miss Lucy Weston is in Sherbrooke, the guest of her sister, Mrs. Roy Butler.

Mrs. H. G. Weston was called to Valley Junction on account of the illness of Mrs. Lawrence Weston.

Mr. J. Adolphe Seguin, and consolation by Mr. Hubert LeBaron. Lunch was served at the end of the game. Mr. and Mrs. A. J. Jackson entertained at three tables of bridge Wednesday evening, February 3rd. Prizes for highest score were awarded to Mrs. H. D. Turcott and Mr. W. G. Woodard. Refreshments were served at the conclusion of the evening.

Mr. Ronald M. Sampson spent a few days recently a guest at the home of Mr. and Mrs. P. H. Woodard in Lennoxville.

The senior hockey team played the Magog team in Magog Tuesday evening. The score resulted in a defeat for the North Hatley boys by three to nothing.

Dr. and Mrs. J. R. Spier are spending a few days in Montreal.

Miss Marion Thomas returned from Sherbrooke on Tuesday.

Miss Eldora Parker, of Cherry River, spent the week-end, the guest of her parents, Mr. and Mrs. C. E. Parker.

Miss Adah Bailey, of Richmond, was a recent week-end guest at the home of Mr. and Mrs. J. L. Dean.

Mr. S. Meigs enjoyed a recent ski trip to his camp near Orford, where he spent a week-end.

Recent week-end guests at the home of Mr. and Mrs. J. P. Bailey were Miss Beulah Smith, of Beebe, and Mr. Sydney Ball, of Sherbrooke.

A card party was given in the St. Barnabas' Church Hall, Wednesday evening, under the auspices of the Ladies' Guild. Bridge was played at six tables, prizes for highest score being awarded to Mrs. J. G. Sampson and Mr. Hugh Guild. Refreshments were served.

Miss Elia Webster, who has been a guest of Mr. and Mrs. Grant LeBaron, returned to Beebe, on Thursday.

Mr. C. A. Hawes is scraping the ice on Lake Massawippi in preparation for cutting it.

Mrs. R. L. Bishop, who has been a patient in the Sherbrooke Hospital, is so far recovered as to be able to return to his home on Larroque street.

Mrs. Frederick Carr and Master Basil Carr, who have been ill with la grippe, have recovered.

Miss Etta Kendall, of Windsor Mills, has returned to her home after spending two weeks with her sister, Mrs. F. Carr and family.

Mrs. B. E. Reed and Mr. A. P. Kerr attended the funeral of Mrs. Reed's sister, the late Mrs. R. Armitage, of Sherbrooke, on Wednesday. Much sympathy is felt for Mrs. Reed and her family in their sad bereavement.

Mrs. H. C. Whitton and Miss Eleanor Whitton are at home with Miss Kerr since fire destroyed their home in Melbourne.

Friends of Miss Mildred Gilchrist, especially in the school and Young People's Club, join in wishing her a speedy recovery from an operation for appendicitis in the Sherbrooke Hospital.

Miss Reta Cota is in Drummondville caring for her sister, Mrs. Rudolph Blanchette, and daughter.

Master Gerald Bursey is ill.

Mr. L. Gunter has recovered from la grippe.

If You Get Up Nights Beware Kidney Acidity

Thousands of men and women past 40 and many far younger, needlessly endure their lives by neglecting to treat serious conditions such as kidney acidity, or getting Up Nights, Leg Pains, Neuritis, Lumbago, Nervousness, Rheumatism, Puffy Eyelids, Dizziness, Backache, or Burning Bladder Weakness. Your troubles may be due entirely to poisoning by Kidney Acidity. Clear out the Acids and soothe and heal raw irritated membranes with Cystex and feel 14 years younger. Guaranteed to stop your troubles and get your money back. Delay is dangerous. Get Cystex (pronounced Sias). Today. Only 75c at druggists.

ROYAL WELCOME WAS ACCORDED TO CANADIANS

Island of Montserrat Turned Out in Full Force to Receive and Entertain Members of Canadian Trade Ship Which is Touring British West Indies.

MONTSERRAT, British West Indies (By Mail).—The hurricane fated island of Montserrat turned out in full force to receive and entertain the Canadian exhibition trade ship, New Northland, during her stay here. The Canadians were officially welcomed, and entertained at a reception at Government House at the close of a busy day of business both on shore and on ship. The members of the Canadian party were hosts at a dance on the New Northland in the evening, and then at midnight the vessel left for its next port of call, Roseau, Dominica.

W. Llewellyn Wall, chairman of the Montserrat Agricultural and Commercial Society, acted as spokesman for the welcoming committee and the government of the island. "Your mission is one that should greatly assist in furthering the development of our trade with the Dominion of Canada which has done much, and is doing more, to aid in the advancement of these islands," he said.

A reply for the Canadian party was made by Thomas Morton, of Toronto, who hoped that the exhibits would prove interesting, that useful business contacts would be made, and that above all an era of reciprocal trade might be commenced between Canada and the islands as a result of this visit.

In Montserrat the story of trade was similar to that in the other islands. The pro-Canadian spirit was in evidence, but the purchasing power was lacking here due to the setback caused by the hurricane of 1928 and to the failure of the cotton markets. Orders were obtained, however, during a strenuous day of business, and the results of the visit were generally regarded as satisfactory.

JAPS DECLARE NEXT MOVE IS UP TO POWERS

Japanese Cabinet Met Today in What Was Described as "a Momentous Session" to Discuss Important Matters Relating to Shanghai Situation.

TOKYO, Feb. 8.—Japanese official quarters here indicated today that if there are to be any further negotiations between the powers and Japan on proposals for mediation in the Shanghai controversy the next move is up to the powers.

Doubt was expressed, however, whether anything more will be done. It was admitted here that the three proposals of the five, which Japan accepted conditionally were the three of lesser importance, affecting only local conditions at Shanghai, which Tokyo is confident will be radically changed soon through means it is now impossible to outline. This change would make the three proposals obsolete, it was pointed out.

The cabinet met today in what was described as "a momentous session" and discussed important matters relating to the Shanghai situation, but details were withheld from the public.

Rear Admiral Shiosawa, Japanese commander at Shanghai, called the navy office that Chinese casualties in the Shanghai fighting during the past few days have been very heavy. He said the Sixth Chinese Division which arrived in the Chapei section to replace the Seventh-eighth Division was "almost annihilated."

Mamoru Shigemitsu, Japanese minister to China, reported that with today's arrival of additional British and United States troops at Shanghai their shore contingents would exceed the Japanese forces.

PRELIMINARIES OF CONFERENCE ARE IMPORTANT

Much of Imperial Economic Conference's Work Should Be Already Done When It Meets at Ottawa, Declares Rt. Hon. Walter Runciman.

LONDON, Feb. 8.—"You cannot conduct big affairs like Ottawa on the house-tops—it's the spadework that counts, and when the conference meets much of its work should be already done," emphatically declared Rt. Hon. Walter Runciman, president of the Board of Trade, speaking of the coming Imperial Economic Conference at a luncheon of the Canadian Chamber of Commerce here.

The preliminaries must be done by men sitting closely around tables, Mr. Runciman continued. "We are doing our utmost to initiate that progress on this side," he said. "If you do the same thing there is every prospect of turning Ottawa into a brilliant economic success."

PETER WHITE COUNSEL TO REPARATIONS COMMISSION

Toronto Man Acting in Case of Vessel Supposedly Sunk by German Submarine During the War.

OTTAWA, Ont., Feb. 8.—Peter White, K.C., of Toronto, has been appointed counsel to the commission investigating the reparation payments made to the owner of the Canadian vessel, Gypsum Queen. Chief Justice Harvey, of the Alberta Supreme Court, will conduct the investigation, which is not expected to open for a week or ten days.

The Gypsum Queen was sunk during the war, the owners claiming by a German submarine. Reparations totalling about \$70,000 were paid out. Recently some doubt has arisen concerning the authenticity of the owners' claims.

INVESTIGATION OF PAYMENT BY HYDRO ORDERED

Ontario Government Names One-Man Royal Commission to Inquire into Certain Phases of Hydro Activity.

TORONTO, Ont., Feb. 8.—The Ontario government has appointed a one-man Royal Commission to investigate payment by the Ontario Hydro Power Commission of \$50,000 to John Aird, J.C., Toronto, and the purchase by the Commission of the Dominion Power and Transmission Corporation. Mr. Justice W. E. Middleton was named the commissioner.

Decision of the government was made public in an official announcement by Premier George S. Henry. In his statement the Premier stressed the unqualified confidence of the government in the Commission and its administration. He said, however, "insinuations" had been made, which it was felt, had created a disturbance in the public mind. Mr. Henry made it clear there would be no investigation into the general policy of the Commission.

Limitation in the scope of the enquiry confining it to two items of the Commission's activity brought vigorous protests from sources in opposition to the government. Harry C. Nixon, Progressive leader in the Ontario legislature, W. E. N. Sinclair, Liberal legislature leader, and Mitchell F. Hepburn, M.P., Provincial Liberal chieftain, expressed strong disapproval of the limitations placed upon the Royal Commission and expressed renewed demands for a complete investigation in the administration of the Hydro Commission.

FIRST NURSE OF CANADA LED A HEROIC LIFE

Life of Jeanne Mance, Who Founded Hotel Dieu, Montreal, Vividly Described—Could Well Be Termed the Florence Nightingale of Canada's Nursing System.

SAINT JOHN, N. B., February 8.—Many are the legends and stories that have grown about the beautiful life of Jeanne Mance, who, when but seven years of age, decided to dedicate her life to the service of God. The first authentic biography to be written in English, however, is that by the late Dr. Forgan, K.C., Litt. D., L.L.B., written several years ago and published under the auspices of the Religious Hospitalists of St. Joseph, Hotel Dieu, Montreal.

Dr. Forgan aptly and vividly describes the heroic Jeanne Mance, when he writes "A foundress of communities and a nurse by inclination, and we might also say, by instinct, a person with lofty ideals and magnificent aims, relying upon the guidance of Providence, yet anxious to utilize every human means to attain her ends."

And it was her fine character and achievements that led Hon. Dr. MacLaren to choose as the subject of his address before the graduating class of nurses at General Public Hospital, Saint John, "Jeanne Mance, the First Canadian Nurse." In his address Dr. Murray vividly described the story of her life in Canada, the founding of her hospital, the Hotel Dieu at Montreal in 1644, and the life and hardships within this ramshackle building. For a year the little colony was blessed with peace, while they ministered to the sick and destitute. But for a year only, for during the next decade, they were to know the horrors of Indian invasions.

After the foundation of the Hotel Dieu, Dauversiere de La Roche purchased the Island of Montreal thereon to found a hospital and set out for Quebec in 1641 with Maisonneuve as Soldier General, and forty men. They were accompanied by Jeanne Mance, who, legend has it, was the first white woman to set foot on the island.

Many extracts from Dr. MacLaren's address have been reprinted in the published biography, thus showing the approval with which the publishers regard his interest in her life. Concluding, he says, she was "the soul of the expedition that settled in Montreal. Her energy stimulated the lazy, her indomitable courage shamed the timid, her angelic sweetness comforted the sick and wounded. Her life was truly a romance of Christian chivalry. She not only as-

The Blue Boy Was a "Regular Fellow" Despite That Fancy Satin Suit!

When young Master Buttal, back in 1769, donned a blue satin Van Dyck costume to have his picture painted he couldn't have posed so calmly and naturally if he had known the furor his portrait was going to make in the world.

Of course he was proud to have the distinguished artist Thomas Gainsborough paint him, but as his father was a man of wealth and taste he took it as a matter of fact. That he—or rather his likeness—was one day to cost an American magnate more than half a million dollars would have seemed as fantastic as that he himself would be known to fame, not as Johnathan Buttal, but as The Blue Boy.

Johnathan's father was a rich ironmonger of Greek and King Street, Soho. Among his friends was the artist Gainsborough who had spent his youth at Ipswich, where the Buttals had much property. The quiet, studious boy was accustomed to meet people of the art and literary world in his home. When Thomas Gainsborough asked him to wear a blue satin Van Dyck costume, he was probably too much of a regular boy to bother about the reason. After all, English artists of the late eighteenth century were given to painting their subjects in picturesque effects.

But The Blue Boy was blue in more than costume. It was Gainsborough's answer to Sir Joshua Reynolds' assertion that light in a painting should be warm yellow or red and that the use of blue could not produce a fine picture. Gainsborough's reply in paint is of course one of the world's masterpieces. And he did not have to wait until he was dead to have his work appreciated, though his portraits rarely brought him over one hundred pounds. Five hundred dollars—and Henry Huntington is reputed to have paid \$850,000 for The Blue Boy!

The portrait has a meaning other than its artistic principle. It reveals that Gainsborough's best work was produced when he was inspired by certain qualities in the sitter. Beauty and gentility and dignity of character aroused all the poetry and sympathy of the artist's nature. He never spouted theories like Reynolds nor did he try to tell a story. He merely painted what he saw, which is a fine compliment to Master Buttal, who is revealed as a well-bred young gentleman. The nicely modelled head, drawn with precision, glows with color. The face is impressive because of its refinement and pure coolness of expression. The firm sensitive mouth, the straight nose and fine eyebrows, the natural grace of pose tell their own story.

When Johnathan's father died the son succeeded to his business. And the Gainsborough portrait remained in his possession until 1789. Although he conducted the big inter-

"The Blue Boy"... the firm sensitive mouth, the grace of poise.

ests of his dead father until 1796, for some reason or other he sold most of his personal effects at auction. It was in 1789 that George, Prince of Wales, obtained possession of The Blue Boy, which eventually passed through different hands to the Duke of Westminster, from whom it was purchased for Mr. Huntington. When Johnathan's things were auctioned off there was a number of Gainsborough's sketches among the books, paintings and musical instruments that went on the block. And one item that takes our breath away was sixty dozen bottles of choice, old, red port.

He and Gainsborough had many tastes in common, for the artist was musical and he loved books and culture. Gainsborough was born in Sudbury, Suffolk, in 1727. His father was a well-to-do crape maker and importer of this funeral material. His mother was a fine painter of

flowers. His brother Johnathan was a genius of sorts who as a youth invented an airship. Gainsborough loved the country and his landscapes are the pictures he loved best to paint. Portraits, however, were his bread and butter, and to this we owe The Blue Boy.

Johnathan Buttal—The Blue Boy—was not of noble blood as were so many of Gainsborough's subjects. But when he died something fine that bespeaks a real nobility was expressed in a brief notice in the London Morning Herald of December 2, 1805: "Died on Friday last at his home in Oxford St. Johnathan Buttal Esq. a gentleman whose amiable manner and good disposition will cause him to be ever regretted by his friends."

Would The Blue Boy whose portrait is valued in America at \$850,000 have asked for a dearer valuation than to have been so loved by his friends?

DEATHS REPORTED

MRS. RACHEL G. MARTIN, SOMERVILLE, MASS.

SOMERVILLE, Mass., Feb. 8.—Mrs. R. G. Martin, widow of Edward G. Martin and daughter-in-law of the late George R. Martin, formerly of Sherbrooke, passed away at the Haymarket Relief Station, Boston, Mass., January 21, from cerebral hemorrhage.

Mrs. Martin is survived by one son, Edward G. Martin, of Boston, and one granddaughter, Shirley I. Martin.

Funeral services were held at her late home, 44 Montrose street, Somerville, Mass., and at Christ Church, Episcopal, Somerville, Sunday afternoon, January 24. Interment was in the family lot at Woodlawn, Everett, Mass.

MRS. ALICE JONES, VALE PERKINS

VALE PERKINS, Que., Feb. 8.—Funeral services for Mrs. Alice Jones, who passed away on Friday, January 29, after a short illness, were held at the home of her daughter, Mrs. H. B. Nutting, Sias avenue, Newport, where she had made her home. The Rev. Howard N. Walton, pastor of the Advent Church, of which she was a member, officiated. Burial was in the family lot in Glen Sutton.

Mrs. Jones would have been seventy-five years of age on February 13. She was born in Mansville, and lived in Vale Perkins until the death of her husband, Mr. Selby Jones, eight years ago, when she moved to Newport. She is survived by three sons, Dan and Joseph of Vale Perkins, and Ralph, of South Troy; one daughter, Mrs. Nutting, of Newport; twelve grandchildren, one great-grandchild, three sisters, Mrs. W. Porter, of St. Johnsbury, Mrs. R. A. Dawson, of

sisted at the birth of the Great Canadian metropolis, but powerfully aided by ensuring its continuous existence by inducing colonists to come and settle here and by procuring funds for its maintenance. Some of the old writers speak of her delicate frail appearance, her rare charm, exquisite manners and refinement, inspiring great interest and pity, yet neither terror of the Iroquois nor any difficulty presented to her could daunt her.

"Through everything she maintained the courage of her convictions and persisted in her work. Endowed with an energy that would be remarkable in a man, this frail woman had no fear in leaving her native land and civilization to become a leader in an expedition destined to found a new colony in a strange and barbarous country, and to succor ailments and afflictions which were the lot of the colonists in their strife against the elements and the ferocious Iroquois, the necessity of the work to which she had consecrated herself in her fervour of devotion upheld her in her task, for she possessed unalterable confidence in the Supreme Master.

"Jeanne Mance might well be called the Florence Nightingale of Canada's Nursing System."

Orleans, and Mrs. W. Clarke, of Mansville, and one brother, Chauncey Estey, of Vale Perkins. Among those from a distance to attend the funeral were Mr. and Mrs. Dan Jones, of Vale Perkins; Mr. Ralph Jones, of South Troy; Mr. and Mrs. Robin Nutting and daughter, of Rhincliffe, N.Y.; Mrs. Pearl Curtis, of Bradford; Mr. and Mrs. William Clarke and three sons, of Mansville; Mrs. O'Brien, of Highwater, Que., and Mrs. Lewis Guy, of Lyndonville. Much sympathy is extended to the bereaved in the loss of a loving mother and sister.

GEORGE ROSE, SCOTSTOWN.

SCOTSTOWN, Que., Feb. 8.—This community was saddened by the sudden death of one of its highly respected residents, Mr. George Rose, who passed away on Sunday evening, January 24th. Mr. Rose had been in poor health for some time, but three weeks ago became seriously ill and was removed to the home of Mr. and Mrs. James Black, where he was tenderly cared for.

The deceased was born in Derbyshire, England, seventy-two years ago. Coming to Canada some fifty years ago, he spent a large part of that time on a farm in Canterbury, later buying another farm in Scotstown. Mr. Rose had also sold his farm here, and for the past few months had made his home with Mr. Rupert Vane on his farm at McLeod's Crossing.

His wife predeceased him about four years ago. A son, Arthur, was killed in action at Ypres in 1916, and a son, Sydney, who was also overseas, was wounded at Vimy Ridge. He returned disabled and his death followed two years later. There were also still living of his children are Mrs. Edwin Locke, of Onalaska, Wash.; Mrs. Percy Coates, of Scotstown, daughters; and a son, Milton, of Scotstown. He also leaves to mourn his loss a sister, Mrs. Luvin, of Melrose, Mass.

Prayers were offered at the home of Mr. Black and the funeral service was held in St. Alban's Anglican Church on Tuesday, January 26th. Rev. George Robins officiating. The choir assisted in the singing of the hymns, "There Is No Night in Heaven," "Peace, Perfect Peace," and "How Sweet the Hour of Closing Day." Interment was in Riverview Cemetery, Scotstown, and was in charge of Angus J. MacDonald.

MRS. ARTHUR W. ROYEA, BOLTON PASS.

BOLTON PASS, Que., Feb. 8.—There passed to her last rest on Tuesday evening, January 21st, 1932, at her late home, Bolton Pass, Gertrude Lottie Masson, second daughter of Mr. Joseph Masson and the late Mrs. Masson, of Knowlton, and beloved wife of Mr. Arthur W. Royea.

The funeral, held Sunday afternoon at her late residence, was largely attended. The service was conducted by the Rev. D. H. Macfarlane, of Knowlton. The choir rendered "Jesus Lover of My Soul" and "How Sweet the Hour of Closing Day." Interment took place in the Knowlton Cemetery, the bearers being Messrs. Fred Knowlton, John Badger,

Owen McLaughlin, A. McLaughlin, Norman Snodgrass and Erwin Cousens.

The beautiful flowers which covered the casket were a silent tribute to the love and esteem in which the deceased was held.

The late Mrs. Royea was born in Bolton on September 4, 1882. In 1900, she was married to Mr. Arthur W. Royea and has resided in Knowlton and vicinity since that time. She leaves to mourn her loss, her husband, four daughters (Haldie) Mrs. Elton Foster, (Sadie) Mrs. Melbourne Benoit, (Florence) Mrs. Frank Cousens Miss Frances Royea, several grandchildren and an aged father, Mr. J. Masson, one sister, Mrs. Ernest Chamberlain and other relatives.

The late Mrs. Royea was well known in this vicinity and will be greatly missed by her friends and neighbors, whom she was ever ready to help. Her passing has cast a gloom over a happy home and left a void in the hearts of those who loved her.

The sympathy of the community is extended to those who mourn her loss.

FUNERAL OF MRS. R. N. FINDLAY, GRANBY, QUE.

GRANBY, Que., Feb. 8.—The funeral service of Mrs. R. N. Findlay, who passed away on January 7, 1932, was held at her late residence, 19 Young street, Friday, January 29th. Rev. Thomas Scott officiating. The service was largely attended by her many friends and her daughter, Miss Florence M. Findlay, who is a teacher at the Granby High School. There were many beautiful floral tokens. The service was most impressive.

On Saturday morning, January 30, the remains were taken to Danville for burial, accompanied by Miss Findlay, her two brothers, Edwin H. Findlay, of Bridgeport, Conn., and Charles G. Findlay, of Detroit, Mich., as well as their wives, who came home with them.

A prayer service was conducted by Rev. W. E. Long, pastor of the United Church at the home of Mr. and Mrs. Edward C. MacGonigal and Mrs. John E. Findlay, sister of the deceased, in Danville, as the latter was unable to attend the subsequent church services on account of her own illness. At the home, the United Church quartette sang, "We'll Never Say Goodbye to Heaven" at the request of the bereaved sisters, Mrs. John E. Findlay and Mrs. Austin J. Haddock. Miss Kathleen Armstrong sang a solo, "From Every Stormy Wind That Blows," at the request of Miss Florence M. Findlay. This was a favorite hymn of the deceased and one frequently sung at her home.

Impressive services were held at the United Church, Rev. W. E. Long officiating. The church was filled with loving friends, and the floral offering were abundant. The text of the pastor's address was "In quietness and in confidence shall be your strength" (Isaiah 30:15). Nothing could have been more appropriate for Mrs. Findlay and the address was most comforting and satisfying, touching, as it did the very keynote of Mrs. Findlay's beautiful life.

The bearers, all former neighbors of Mrs. Findlay, when she lived at Danville were: Messrs. Bert Webb

BEDFORD DISTRICT

SUTTON

Shortly before five o'clock p.m. on Wednesday, February 3, the siren sounded an alarm for fire which proved to be at the home of Mr. and Mrs. Fred Crowell. In less than two minutes the truck was out of the fire-station and in three minutes were at the scene of the fire and starting to cope with it. The fire, caught from wiring in a closet, had a considerable start before being discovered. Considerable damage was caused by heat and smoke. Mr. and Mrs. Crowell were out at the time but the firemen entered and extinguished the flames.

Mrs. Jennie Wells, who has been spending a few weeks with her daughter at Drummondville, has returned home.

The Jigg's supper presented by the young people of the United Church on Wednesday evening was well attended.

On February 2, Mrs. John Robinson entertained the W.C.T.U. at her home. There was a large attendance, and the subject for the day was "World Missions." Reference was made to the opinion of many missionaries on the effects of the liquor traffic on the natives. The Presbyterian Board in Egypt have thirteen

Elton Webb, Otis Gallup, Edward Wilkie, Herbert Goodenough and Harry Robinson.

Mrs. Findlay is survived by her daughter and two sons mentioned above; a brother, Mr. William T. Mountain, of Amesbury, Mass.; two sisters, Mrs. John E. Findlay and Mrs. Austin J. Haddock, of Danville; a grandson, Ralph N. Findlay, of Saskatoon, Sask., and a granddaughter, Norma Joan Findlay, of Bridgeport, Conn.

COWANSVILLE

Miss Lowe and Mrs. Kerr entertained the Women's Institute at their home on Wednesday, February 3, with a large attendance of members and several visitors. The meeting opened in the usual way with standing and repeating the Club Women's Creed in unison. A bill for flowers was brought in and ordered paid. After routine business was completed, Miss Hazel B. McCain, superintendent of Quebec Women's

missions, and it is hoped to have a W.C.T.U. connected with each station. Information read at the meeting showed that the largest mission field in the world and the most difficult one to manage is among the Mohammedans. In answer to roll call, clippings were read on "Disarmament." One clipping quoted Prince of Wales as saying that the way to prevent war is not by some sudden and violent action at the eleventh hour but by the gradual and steady formation of habits of international co-operation. The reading of the clippings was followed by several prayers. Letters of sympathy were sent to two of the members, Mrs. Kemp and Mrs. Ford. The Francis Willard meeting is to be held at the home of Mrs. Clinton Crowell on the first Tuesday in March. At the close of the meeting, lunch was served by the hostess, assisted by Mrs. L. Hunt.

Mrs. F. Crowell received a severe shaking-up from a fall on Wednesday night, February 3. After the fire at their home, Mr. and Mrs. Crowell were spending the night at the home of a neighbor, Mr. Clarence Darrah. Mrs. Crowell fell down the stairs. Fortunately no bones were broken.

Mr. C. O. Jones, who has been in the Ross Memorial wing of the Royal Victoria Hospital in Montreal, will this week undergo a second operation. During his convalescence since the first operation he has been visited by many former residents of the Eastern Townships now living in Montreal, all of whom have accorded the patient both sympathy and good cheer. His doctors look for his return to his home and a restoration of his usual vigor within a month.

Prosperous times are those in which nobody is envious enough to condemn the crookedness of the big fellows.

For their sake and yours

Hold Fast to your Life Insurance

YOUR wife must never be deprived of a home and forced to menial and insecure employment.

Your children, who depend on you for food and shelter, must never know the hopelessness of hunger and cold.

You, yourself, dare not face old age without the means for a livelihood.

Think seriously on these facts . . . and hold fast to your Life Insurance. By doing so, you will protect yourself and family against dangerous uncertainties.

Life Insurance is the one savings plan which ensures financial security for your loved ones . . . an education fund for your children . . . independence for your own old age. If your Life Insurance is insufficient, resolve to add to your holdings NOW.

GORDON MILLER, Managing Editor.
C. F. BUCKLAND, Advertising Manager.

DON'T BLUFF.

Grenville Kleiser.
Don't say you're right
When you're wrong;
Don't weaken and shrink
When you're strong.

Don't say you will
When you won't;
Don't say you do
When you don't.

Don't praise yourself
When you talk;
Know how to stop,
When to walk.

Don't stand in doubt
When you know;
Keep straight ahead
When you go.

Don't say you can't
When you can;
Don't bluster or bluff,
Be a man!

THOSE WHO TAKE PRECEDENCE.

We commoners take unctuous satisfaction in the poet's declaration that "the rank is but the guinea stamp; a man's a man for a' that." But ancient usage and established custom, ordains a scale or table of precedence which places the social scale according to the rank rather than the man.

The English custom of precedence in social functions was first ordained by King Henry VIII, who had been Mayor of Reno in the present day, but these tables of precedence have been revised from time to time in accordance with changing forms of government in both Britain and Canada.

The last order of precedence for Canada's officials was revised in December, 1923.

No. 1 is, of course, the Governor-General, followed by the Lieutenant-Governors of the nine Provinces.

In tenth place stands the Prime Minister of Canada, followed by the church dignitaries, such as Archbishops, Bishops and Moderators. With No. 14 starts the Dominion Cabinet Ministers, according to seniority, and in 15th place comes the Chief Justice of Canada, with Privy Counsellors, not in the existing Cabinet, following.

For 17th place stands the Speaker of the Senate, after whom come the Premiers of the nine Provinces.

There are four descending places for the Judges of the Supreme Court and Chief Justices of the Province.

With 24th place occupied by the Senators—Then Judges of the Exchequer,—

Followed by members of the House of Commons, with the chiefs of the military staff in 27th place.

Twenty-eighth place for Provincial Cabinet Ministers, and 29th the Speakers of the Legislative Councils. Then in 30th place members of the Legislative Councils, followed by the Speakers and members of the Legislatures.

Presently, under the revision of the Mackenzie King administration, Canadians who have been granted Imperial orders, or titles or knightly rank, are ignored in favour of those having no claim to even complimentary precedence at a vice-regal function. This is an anomaly, or a democratic gesture of the boorish type.

THE SUNSHINE EDITION.

The London Daily Express publishes a Sunshine Edition to prove and to proclaim that the British trade slump is over and that the pessimists are in flight.

Some of the inspiring paragraphs in the issue have a world-wide meaning, such as:

Industry is awakening.
Why Have the Blues?
Spring is coming in the whole industrial and economic life of the nation.

The cost of living stands at a lower level than at any time since the war.

Unemployment is going down! More work! Heavier pay-rolls!

The feeling of confidence is spreading with a jump of 118,000 more workers in December.

There are reasons for cheer and contentment. Britain begins to work at a profit.

We shall win through.

Good employers and good employees are national assets.

These are captions of various articles which will help bring about that "walking on air with never a care," such as the music hall singer gives as cheering fare.

TO LOOK AND TO LISTEN A BLOCK AHEAD.

To hoot or not to hoot? When to use the motor horn is a difficult question to decide. The improper use of the horn is a source of recrimination between drivers and walkers. It is more often than not a source of annoyance. Many an insult is sounded on the motor hooter, which is not a musical instrument.

Some drivers have at the back of their mind the

fear that if they do not frequently press the button they may be charged with failing to give audible warning of their approach.

Yet, you can be charged with so many things these days: making too much noise, not making any noise, going too fast, and not going at all.

The driver who dashes up behind another car and gives a continuous shriek, as much as to say, "Get out of my way!" is a road hog.

Then there is the driver who suddenly hoots at innocent pedestrians. He gives a blast on his horn, and expects the walker to jump out of his way, instead of slowing down.

The motor horn should only be used in an emergency. Good drivers handle their cars in such a manner that its use is rare.

The driver who hoots on every possible occasion is proclaiming to the world his inefficiency at the wheel and his panicky mind.

EDITOR'S NOTE BOOK.

A. G. Doughty, Dominion Architect, has produced and printed a gem of Canadian literature in his quaintly illustrated book, "Quebec of Yesterday." The author shows a deep understanding of Quebec in both its present and its past and he has lightly limned the trials, troubles and tribulations of the brave and hardy adventurers who first visioned an overseas empire in North America. From the days of Samuel de Champlain, who landed in Quebec on July 3rd, 1608, until the bodies of those two great heroes, Wolfe and Montcalm, were laid away on the acres of their valour, Mr. Doughty has pictured in plain and simple language the history of the yester-years in our proud province. With the materials at his disposal now preserved in the Dominion Archives at Ottawa, he has created a classic in Canadiana. The publishers, Thomas Nelsons & Sons, of Toronto, are fortunate in their author and in the skill of the printers and book-makers who so prettily handled the book for presentation to the public.

Public opinion has long voiced its approval of every vehicle moving along the highway being advised to carry lights for the protection of life and property. But there has been no request for the expression of public opinion on the taxing of food for the traveller and tourist. The tax may appear trivial, but it was impositions of this nature which made Intendant Bigot so unpopular that his countrymen were relieved at the capture of Quebec in 1756. We so much like the present administration that we are moved to advise them again that direct and daily taxes are an irritant which will strengthen even partizan opposition. History relates that Intendant Talon was a constructor and Intendant Bigot a destructor.

Picnic hampers will have a big sale in Quebec Province on the final adoption of the new tax on meals served in hotels and restaurants. To "do" the Government out of customs duties or irritating taxes is a favourite pastime with most people, and the roadside luncheon will become more popular in that it is an evasion in which tourists will take a keen delight. There are other and better ways of raising taxes than that of making every gas station and every stopping place a gateway for tolls of some sort.

FRONT WINDOW MUSINGS

A peddler is a man who uses your time to make a store of the front porch on which you pay rent.

The historian still finds himself exploring for new truths and finding only old lies.

When they want to keep fruit they can it—but that is not the way they keep employees.

All the world's a stage and there are a lot of stage frights.

The man who can hold his tongue generally knows how to hold his money.

THIRTY YEARS AGO TODAY

From the Files of the Sherbrooke Record.

February 8th, 1902.

The business section of Paterson, N.J., was almost wiped out by a fire which caused \$10,000,000 damage. There was no loss of life in the disaster.

Frank W. White was presented by a number of his Sherbrooke friends with a beautiful onyx clock in honor of his approaching marriage.

The Sherbrooke High School hockey team played a scoreless tie with a team of juniors from Stanstead. The "High" players were Hawkins, Maguire, Long, Armitage, Moe, Bray and Duffy.

Among the officers recommended for the Colonial Auxiliary Forces officers decoration were Lt.-Col. W. A. Morehouse, Lt.-Col. H. R. Fraser and Major R. J. Sparring, of the 53rd Sherbrooke Regiment.

Visitors in Sherbrooke included Smeaton White, of Montreal, a guest of Hon. Justice White and family; Mr. and Mrs. W. L. Shurtliff and daughter, of Coaticook, guests of Dr. and Mrs. E. G. Berry.

Mrs. John Buchanan and Miss Buchanan left to visit relatives at Lake Megantic after spending some time with Mr. and Mrs. W. R. Hall at their home on Bowen avenue.

The steamer Philadelphia, of the American Line, broke the long-distance wireless telegraphy record, messages being sent and received when the vessel was 150 miles from land.

At a banquet given at Montreal to Hon. J. Israel Tarte, the Minister of Public Works, who was then in his 54th year, said he hoped to live twenty years more, during which time, he predicted, the population of Montreal would reach the million mark.

The works of Richard Wagner provided most of the programme at a recital by the Ladies' Musical Club. The contributing artists were Mrs. H. A. Odell, Mrs. Codere, Misses Edgell, Bostwick, Mitchell, Wiggitt, Hubbard, Caron and Doherty and Mr. Jack Morkill.

FINE BANQUET IS STAGED BY LOCAL SCOUTS

Enjoyable Gathering on Saturday Evening When Officials and Leaders of Boy Scout Association and Friends Assembled for Banquet.

The banquet held by the Sherbrooke Boy Scouts Association at the New Sherbrooke House on Saturday evening proved to be a decided success in every respect. It is the intention of the officials of the Association to make this an annual event. They were given every assurance that their plans would materialize and that Saturday's gathering was but the beginning of what should grow in popularity each year and become a much anticipated event.

The presence of the ladies added grace and charm to the occasion, and all thoroughly enjoyed themselves during the entire evening. Two large dining rooms which were placed at the disposal of the Scouts were well-filled and provided a fine opportunity for the dancing which followed the banquet.

This was Mr. J. R. Sangster's first public appearance as District Commissioner, and the presentation of his warrant, signed by His Excellency the Governor-General, Chief Scout for Canada, was one of the main attractions of the evening. This presentation was made by Mr. Wardleworth, of Montreal, Provincial Commissioner, who came to Sherbrooke especially for the occasion.

Accompanying Mr. Sangster at the head table was his daughter, Miss Alice Sangster, who ably filled the position of accompanist for the evening's sing-song, also Messrs. D. J. Salls, honorary president of the Association, F. C. Churchill, vice-president, A. J. Phillips, president, Clarence Blake, Assistant District Commissioner, His Worship the Mayor, F. S. Rugg, the speaker of the evening, and others.

The evening's activities were set in motion with a few "peppy" songs led by Mr. Clarence Price, with Miss Sangster at the piano, while Messrs. E. Waller and D. Bradford also helped out admirably in one number.

During the course of the evening several remarks were made by the speaker, which included, apart from the warrant to the District Commissioner, the presentation of the Gillwell Beads by Mr. Wardleworth to Mr. Clarence Price, an Assistant Scout Master's warrant to D. Bradford of the 4th Troop, and assistant Cub Master's warrants to J. Vogel of the 5th Troop, and L. Hayes of the 6th Troop. A Thanks Badge from the Provincial Council, was also provided for Mr. W. E. Paton, past District Commissioner, although he was not present to receive it. A similar badge from the local association was presented by Mr. D. J. Salls to Mr. Sangster.

A very appropriate and thoroughly enjoyable address was delivered by Mr. F. S. Rugg, who stressed the origin and development of the Boy Scout movement, showing how it had originated in England through the efforts of the Chief Scout, Sir Robert Baden-Powell, and was adopted by the United States, Canada, France and other important powers.

During his remarks Mr. Rugg referred to the Russia of today, pointing out that in this troubled nation young boys were being brought up without any home life and with total disregard for God or religion. In a few years' time these boys would take their places as men instilled with these thoughts which they had received in childhood, and then the real problem would present itself. The world, he said, could not expect to live without realizing the influence of such a powerful nation as Russia, and he asked just what would the situation be.

On the other hand the Boy Scouts were playing a most valuable part in the development of other nations. The movement was sponsoring the development of clean, healthy youth and teaching boys to be brothers to one and all.

In conclusion Mr. Rugg urged the local Boy Scouts to carry on their great work, and wished them every success, growth and development.

CITY BRIEFLETS

CAPT. ROBERTS TO GIVE ADDRESS AT BISHOP'S UNIVERSITY

A brilliant Canadian writer, Captain Theodore Goodridge Roberts, Litt. D., is coming to give an address at Bishop's University on Thursday evening. Captain Roberts is a brother of Dr. Charles G. D. Roberts, and a cousin of the late Bliss Carman.

Though his name, in Canada, has been somewhat overshadowed by the earlier fame of his distinguished kinsman, Captain Roberts has received great recognition abroad. Particularly in England is this the case, where his genius has been honored by having selections from his pen printed in their collegiate text books.

But what most concerns those who will have the pleasure of hearing Capt. Roberts speak at Bishop's is the fact that he is acknowledged a born story-teller, possessing a vivid personality and dramatic presentation.

Among the varied titles chosen by Capt. Roberts for his delightful lectures are "The Verses of a Story Teller," "Sea Magic," "Life and Literature," "Magic Casements," "Canadian Lyrics," and "Love Among the Poets."

Considering the near approach of St. Valentine's Day, the speaker may select the last-mentioned to give at Lennoxville.

The keenest razor blade, under a microscope, shows a saw edge. Perhaps the laundry could sharpen them along with the collars.

Loss of memory isn't a tragedy. The victims usually recover when the boss comes in.

Social and Personal

Mr. and Mrs. D. J. McManamy, Queen street, are spending a few days in Montreal.

Mr. David Camp, who spent a few days in town on business, has returned to Montreal.

Mr. Frank Norcross, Fulton Avenue, returned last night after a short stay in Montreal.

Miss Blanche Roy is in Lachine, where she was called by the death of her brother-in-law, Mr. Proulx.

Congratulations are being extended Messrs. A. M. Sangster and W. J. Gregoire who are today observing their birthdays.

Miss Myrtle McLaughlin, of East Angus, spent the week-end in town a guest of Mr. and Mrs. Howard A. Price, Hubbard Avenue.

Mr. and Mrs. R. G. Harrison, of Richmond, are in town to be near Mrs. W. Harrison, who is seriously ill at her home on Laurier Avenue.

Mr. J. C. Stewart returned last evening to Montreal, after spending the week-end a guest of Mr. and Mrs. David Wilson, Victoria street.

Mrs. A. L. Parker and Miss Mary Dillon, who spent a few days in Quebec with the former's son, Mr. Maurice Parker, have returned home.

Miss G. Hunting, of Huntingville, Que., has gone to Bermuda for the remainder of the winter. She was accompanied by the Misses Annie Pearl Johnson and Gladys Mosley, of Westmont.

Friends of Miss Marion Parker, Portland Avenue, who has been confined to the house for nearly two weeks with a severe cold, will be pleased to hear that she returned to her duties at the Mitchell School this morning.

Mr. Forbes Hale, of Montreal, who journeyed to New York to attend the Register-Pratt wedding which took place in that city on Saturday, is a guest of his sister, Mrs. George D. Pratt, and Mr. Pratt, Glen Cove, L.I.

Mrs. George W. Pomeroy, of Kincaid, Sask., who has spent the past several months with her mother, Mrs. W. S. Comstock, in Tonfobia, left for her home on Saturday. She was accompanied as far as Montreal by her cousin, Miss Edna Beerworth.

The Scouts and Cubs of the 4th Sherbrooke Troop will be pleased to know that Cub Norman Heathcote has returned to his home, 5 Fabre street, from the Sherbrooke Protestant Hospital. His parents and his little friends sincerely hope his complete recovery will be speedy.

Mrs. F. A. Briggs was hostess at a delightful luncheon on Saturday at her residence on Quebec street, when dainty spring flowers centered the table where covers were laid for six. After luncheon Mrs. Briggs and her guests attended the matinee at the Granada Theatre.

The hostesses at the 54th Regiment Badminton Club tea yesterday afternoon were Mrs. Charles Mignault, Mrs. R. Boisvert, Mrs. J. Nadeau and Mrs. W. Nadeau. The attractive tea table decorations were carried out in honor of St. Valentine, with red carnations and lighted red candles.

Congratulations are extended to Miss Minnie Hale, of Quebec, who today is celebrating her birthday. A sister of Mr. W. A. Hale, "St. Francis Cottage," Melbourne street, and former resident of Sherbrooke for many years, hosts of friends will unite in extending affectionate birthday greetings to Miss Hale and wish her health and happiness.

On Saturday afternoon the weekly tea given by the Sherbrooke Regiment Badminton Club was unusually well attended when Mrs. Gordon Edwards, Mrs. H. L. Allen, Mrs. H. Bruce Fletcher, Mrs. S. R. Fuller and Mrs. Fred Bertrand acted as hostesses. Pink tulips with matching tapers centered the tea table, where tea was poured by Mrs. H. L. Allen.

One of the most successful and largely attended teas of the season, sponsored by the Sherbrooke Skating Club, took place on Saturday afternoon at the Arena. Mrs. Leo Liddell, Mrs. Gladys Hunter, and Miss Muriel McHarg acted as hostesses at the tea hour, when daffodils were used in decorating the pretty tea table at which Miss Gladys Hunter presided. Miss Marjorie Mercer with some other young ladies assisted in serving. There was quite a large turnout of skaters who, led by the enthusiastic president, Mr. W. E. Loomis, commenced their afternoon's skating with the Grand March, always a spectacular and attractive performance for the participants as well as for the onlookers.

On Saturday afternoon a very successful Valentine tea and food sale was given in the Church of the Advent hall with members of St. Agnes' Guild acting as hostesses. Miss Doris Price, the president, and Mrs. E. H. Humphries received the numerous guests, and the hall was prettily decorated with hearts and cupid, while beautiful red azalea plants and red candles carried out the bright color scheme which has ever marked the decorations done in honor of St. Valentine. Mrs. William Peak and Mrs. D. Murray were in charge of the tea and table, at which many delectable articles were sold. Red tulips in a silver basket centered the attractive tea table, at which Mrs. George Mitchell presided, while Mrs. A. Kinder, Miss Blanche Woodgate and Miss Evelyn Kinder were in charge of the tea arrangements, with the Misses Doris Robinson, Agnes Grey and Olive Eccles assisting in serving.

Mrs. R. I. Dean, Moore street, is spending a few days in Montreal.

Mr. Gordon Coles, High street, is spending a few days in Toronto on business.

Mrs. P. M. Robins entertained at a very jolly skiing party, when about twenty-two enthusiasts enjoyed this exhilarating winter sport at "Sleepy Hollow," a favorite spot for many years for snowshoe and skiing parties. After a pleasant afternoon of sport, the guests returned to Mrs. Robins' residence on Stanley Avenue, where a delicious baked bean supper was very much appreciated by the guests after their strenuous exercise in the keen winter air.

A very delightful party was given on Thursday evening at the home of Mrs. C. F. Patton, Lincoln Avenue, when bridge and "500" were played. The prizes at bridge were won by Mrs. W. Brown, Mrs. G. Carrigan, Mr. Bert Hyman and Mr. Carrigan, and at "500" by Mrs. Albert Whitaker, Miss Horsfall, Mr. Walter Seaward and Mr. Frank Horsfall. At the conclusion of the card game a delicious buffet supper was served, when a profusion of daffodils adorned the pretty table. The hostess was assisted in serving by Miss Patton, Miss Barlow and Mr. Herbert Patton.

Mr. and Mrs. N. E. Lindsay, of Bayport, L.I., and Mr. and Mrs. A. E. Hodgman entertained last Tuesday evening at the latter's home, 1011 St. John's street, at a delightful bridge and linen shower in honor of Miss Nina M. Williams, formerly of Bulwer, Que., whose marriage took place in Boston, Mass., on February 3rd. The guest-of-honor was presented with a beautifully decorated basket full of useful and ornamental household linens, the opening of the parcels causing much fun and merriment. After the excitement of undoing the pretty gifts had subsided, bridge was played at four tables, when the prizes were won by Mrs. A. E. Hodgman, Mrs. J. C. Hall, Mr. L. Greenwood and Mr. J. C. Hall. At midnight delicious refreshments were served, and before dispersing the guests united in extending best wishes to the bride-to-be for her future happiness. The guests included, in addition to Miss Williams, the raison d'être of the party, Mr. and Mrs. Arnold McDonald, Mr. and Mrs. Louis Greenwood, Mr. and Mrs. J. Blair, Mr. and Mrs. W. Sawyer, Mr. and Mrs. Lennox Frappier, Mr. and Mrs. J. C. Hall, Mr. and Mrs. A. E. Lindsay, Mr. and Mrs. A. E. Hodgman and Mrs. Barbara Wilson.

LOWER IRELAND

Mrs. Henry Lowery, of Kinnear's Mills, is caring for her daughter, Mrs. Lloyd Bennett, and infant daughter.

Messrs. Alex and Henry Wright, who have been quite ill, are on the road to recovery.

Mrs. Wilhelmina McGill is ill at the home of her daughter, Mrs. W. J. Robinson.

Mr. Curtis Bennett spent a day last week with his brother at Bennett.

Mrs. Eliza Cox has been indisposed, but is now somewhat improved in health.

The Orangemen held a dance at their hall on Friday evening, January 29. Quite a large number attended.

Mrs. Joseph Wright, of Glen Murray, and Mrs. James W. Lacey, of King's Corner, are assisting in the care of Messrs. Alex and Henry Wright.

DIXVILLE

A supper under the auspices of the Ladies' Guild was held in the Foresters' Hall on Tuesday evening. The quilt which was raffled for the benefit of the Society was won by Mrs. H. M. Coward, while the trimmed pillow cases became the property of Mr. Robert Richardson. The proceeds were quite satisfactory.

All are pleased to hear that Mr. Fred McCoy is able to be out again after his recent severe illness.

Mrs. H. Judson Norris left last week for a visit with her daughter, Mrs. H. J. Feltus, and Mr. Feltus, Quincy, Mass. Mrs. Norris will also visit friends at Bath, Me.

Quite a number from here attended the church supper which was held at the home of Mr. and Mrs. Henry Marsh, Norton Mills, on Thursday evening.

Mr. M. A. Woodman, of Coaticook, was in town Friday.

SONGS OF SHERBROOKE

By Lady Fan

It takes
All sorts and kinds
To make up cities.
Some have
Prosy minds,
And some like ditties.
We asked, at dinner,
A very
Nice man,
To tell us quite frankly
What he thought of Lady Fan.
Noncommittally he said,
(While his face
Grew red)
"Poetry generally
Goes to my head.
It might be better
And it might be worse.
I'm not very keen about
Any kind of verse."

Letters to The Editor

YOUNG SPORTSMAN'S LAST SHOT

To The Editor,
Sir:—I read in the Record of February the 3rd, both Mr. Channell's and Mr. Hatch's letters. I am glad to see that Mr. Hatch has a supporter. In many ways, I do support him myself.

Mr. Channell, if he were a game warden, would be very hard on jacks, and so would I. But like would do our best, and that would not be very much if everybody was of his and Mr. Hatch's opinion that reporting your neighbor isn't being done. The game that is in the woods belongs to everybody, but we can't all do as we like with it, although some people take it unto themselves to destroy as much of it as they can, by jacking, and by other illicit ways. If we don't report them, can the game warden do? He can't be everywhere at the same time.

Not reporting law-breakers would be as a business man whose partner is robbing him, and he won't do anything because he is his friend. After all, if your neighbor is not a sportsman enough to observe the same law, he is not worth being protected by your silence. What is the use of fish and game protective associations if they stock our streams and forest and we undo their work by not reporting law-breakers as soon as we see them in their poaching. Mr. Channell says we should all work together, and not quarrel. I'm with him for that, but expressing your opinion is not quarrelling. I am not in favor of handling poachers with kid gloves, but keeping silent about their doings is worse than handling them with kid gloves.

Mr. Hatch hopes that I don't live to see a dog run a deer five miles. I think the distance is considerably shortened since Mr. Hatch wrote his first letter. It was then five hours, not five miles that his dogs run deer. I am not shooting at imaginary deers as Mr. Hatch states.

Our American cousins, as Mr. Hatch says, are certainly to be admired for the way they preserve their game, but the authorities ask for and get co-operation from every sportsman. He admires them so much for that, let us follow their footsteps, and help the game warden to catch and condemn law-breakers. Let us not say one thing, and mean the other, as so many do.

A. G. COTE
"A Young Sportsman,"
Sherbrooke.

MELBOURNE RIDGE

The annual congregational meeting of the United Church was held on Tuesday evening, February 2, with a good attendance. Rev. E. C. James presided. Reports were presented from all the organizations connected with the charge, showing deep interest in each department. Officers were elected for the coming year. Members of the Board of Session are Messrs. H. W. Fowler, E. D. Taber and N. H. Beers. The board of finance comprises Messrs. E. H. Beers, A. R. Johnston, W. R. Beers, S. Miller and G. H. Beers. Mr. Delbert Stevens was elected as secretary-treasurer. Mrs. J. W. Barrington as auditor, and Miss Mary Beers as organist.

The Melbourne Ridge Auxiliary of the W.M.S. held their regular monthly meeting on Thursday afternoon, February 4, at the home of Mrs. Arthur Driver. The president, Mrs. E. H. Beers had charge of the meeting. The programme for the World's Day of Prayer was closely followed with much interest. Business was discussed and a reading from the study book was given by Mrs. T. L. Johnston. At the close of the meeting, Mrs. Driver served refreshments. She was assisted by her daughters, Mrs. R. Pariseau and Mrs. L. Driver.

Mrs. E. Cross was in Sherbrooke for a few days recently. She attended the funeral of her cousin, Mrs. R. Armitage.

Mrs. A. Smith, of Lowell, Mass., is spending some time with her sister, Mrs. Arthur Driver, and Mr. Driver.

Much sympathy is expressed for Mr. Albert Beauregard and Mrs. Charles Smith and families at the death of their father, Mr. Henry Beauregard, which occurred at his home at Valcourt on Sunday, January 31, after a long illness.

Mr. and Mrs. H. W. Taylor spent a few days recently at Bethany, guests of Mr. F. Clark and Miss Clark.

Farmers are busy putting in ice for the season.

LADIES' GUILD MET AT BROME; GENERAL NOTES

Personals and Social Items of Interest to Residents of Brome and Vicinity.

BROME, Que., Feb. 8.—The Ladies' Guild was pleasantly entertained at the home of Mrs. William Chapman on Wednesday. Owing to the stormy day, not as many were present as usual. However ten ladies partook of the bountiful dinner served by the hostess, who was assisted in serving by her daughter, Mrs. William Chapman, Jr. After dinner, all adjourned to the living room, where the business meeting was held, being opened with prayer by Rural Dean Gedye, the new president, Mrs. Frank Rhicard conducting the meeting. The minutes of the last meeting were read and adopted. It was decided that each member try and raise some talent money outside of the ordinary work of the Guild to be added to the Guild funds.

Mrs. Addie Rhicard is confined to her bed through illness at the home of her son, Mr. Frank Rhicard.

The friends of Mrs. William Bril, of Knowlton, are grieved to know of her serious illness in the Royal Victoria

Chase & Sanborn's
Tea actually contains
more Flavor Essence—
and less Tannic Acid
than other teas*

This famous tea contains an abundance of *theob*, or flavor essence. That's what gives it such a delightfully mellow taste. Why, too, Chase & Sanborn's Tea is more healthful.

For it gives you a full-bodied flavor. You don't get the bitter, puckery-tasting tannin—as you do in ordinary teas that lack flavor essence.

Try a package of Chase & Sanborn's Tea. It's blended from many of the choicest India and Ceylon teas and is picked only in the dry season—when tea reaches its flavor peak.

Ordinary teas are often picked "out of season"—in the damp, rainy months. That's why they are so weak in flavor essence.

The moment you sip a cup of Chase & Sanborn's Tea you'll notice a richer, mellower taste. A more stimulating flavor.

Blended and packed in Canada. Sold in ¼, ½ and 1 lb. packages.

*except the highest-priced connoisseur's blends

Ideal Weather for Winter Sports
—Temperature Took Sharp
Drop During Night.

Blue, wintry skies overhead; fast snow on long, soft padded hills and along open highways, and speeding skis carrying happy youngsters through thrilling moments. That is vigorous Canadian winter in all its splendor and glory.

With ideal weather for skiing and other winter sports prevailing yesterday, a record crowd enjoyed a good time. The majority were on skis, but others could be seen tramping on snowshoes and sliding in swift toboggans. Ski-joring activities have been curtailed this winter on account of the lack of snow, but the road-sides were in ideal condition yesterday. Gripping tenaciously to long ropes, until a spill compelled them to release their hold as they tumbled in an intricate heap into the soft snow, skiers sped along the highway in the vicinity of Sherbrooke, enjoying to the full all the thrill and excitement which accompanies ski-joring.

The recent carnival apparently has done much to revive the sport of snowshoeing in this district, for an unusually large number of youngsters were seen tramping through the fields and jogging along the highways yesterday.

Weather conditions were menacing Saturday, and it was feared another mild spell would set in. It began to snow and blow around four o'clock in the afternoon, and this saved the situation. By night-fall the wind was sharper and the dampness had left the atmosphere. A maximum temperature of 32 prevailed Saturday, while the minimum was five. Yesterday the mercury took a sharp drop late in the afternoon, with the result that last night one of the coldest periods this winter was experienced. A thermometer fell to ten below during the night. During the day the maximum was 20 and minimum 5.

Brownlow, Harriet Brownlow, Muriel MacIntyre and Vina Miltimore.

An evening of Fireside Songs, in aid of Church of Advent, given by Mrs. Adams and her pupils, assisted by Mr. Graham Ferguson, Mr. Ernest Armitage, Mr. Dean Bishop, Tuesday, Feb. 23rd, 8 p.m. Adm. 35c. Ch. of Advent Hall, East Sherbrooke.

AUTO BUS ACCOMMODATION
The Stork Shop, Oliver Edge, where most auto bus transfers are made, has arranged a comfortable little waiting room in the store for its past, present and future clients, Ladies and children most welcome.

FATHER LEGRIS AT ST. PATRICK'S CHURCH HALL
Under the auspices of the Catholic Women's League, Rev. J. Legris, C.S.R., of Ottawa, will deliver a lecture in St. Patrick's Church Hall, on Tuesday evening, Feb. 9th, at 8 o'clock.

The well known reputation of Father Legris as an eloquent orator is sufficient guarantee for anticipating a pleasant evening.

There will also be a short musical programme, Mrs. L. E. Codere, off. A.C., playing some of her compositions and with Miss Blanchard as soloist.

Friday, Feb. 12.—3 p.m.: W. M.

LOCAL WORKMAN
BADLY INJURED
IN HIGH FALL

Edward Perreault, Alexander Street, Fractured Thigh and Sustained Other Injuries.

Falling from a height of about forty feet on Saturday afternoon when he slipped off the scaffolding upon which he was at work, Edward Perreault, twenty-six years old, Alexander street, sustained serious injuries, consisting of a fractured left thigh, a badly cut head and severe bruises to the body. He was rushed to the St. Vincent de Paul Hospital, where his condition is regarded as satisfactory today.

The accident occurred while Perreault was at work for a sub-contractor at the Canadian Silk Products plant. He was working outside the building, three storeys up, when in some manner he fell off the scaffolding.

Jalbert's ambulance rushed him to the hospital, where the extent of his injuries was determined. The mishap occurred at about four-thirty o'clock Saturday afternoon.

S. World Day of Prayer in Plymouth Church Hall. All are invited. Collection.

FUNERAL OF FORMER SHERBROOKE RESIDENT TOOK PLACE IN SAN DIEGO

The funeral of Mrs. Lillian B. Hamilton, wife of Col. Wesley W. K. Hamilton (retired U.S. Army officer) who passed away suddenly on January 11th, at San Diego, Cal., was held at All Saint's Church, on January 13th. The pastor, Rev. Mr. Kain, officiated and also conducted family prayers at the late residence, where many intimate friends assembled to pay a last tribute of affectionate remembrance to the deceased and outwardly express their sympathy for the bereaved husband and her sister, Miss Mary Bacon, who has been their guest for the past year. Many beautiful flowers and messages of sympathy were received from relatives in Canada, England and the United States, who mourn her untimely passing.

Mrs. Hamilton (Miss Lillian Bacon, formerly of Sherbrooke) was apparently in her usual health until the morning of January 11, when she was taken suddenly ill and removed at once to a hospital, where everything possible was done, but she only lived a few hours, continuing in a semi-conscious condition. The sympathy of hosts of friends in Sherbrooke will be extended to Col. Hamilton and Miss Mary Bacon in their irreparable loss.

ALL SIN HAS AT ITS ROOT AN ERRONEOUS IDEA OF GOD

The services in Trinity United Church yesterday were conducted by the minister, Rev. Dr. W. S. Lennen, who preached in the morning on the subject, "The Basic Importance of Right Thoughts About God." Beginning with Christ's warning to his disciples concerning the persecution they might expect at the hands of those who would none the less feel that they were doing God service because, "they know not the Father nor Me," and marshalling a number of passages showing the persecuting attitude of Saul of Tarsus "in ignorance and unbelief," and his changed view of God as Paul the apostle, Dr. Lennen went on to illustrate from the Scriptures and from life the fundamental part played in human experience by the thoughts men entertained of God. All sin had at its root, as the naive story of the fall of man reveals, in an erroneous idea of God, and all moral and religious action is preceded by the arrival of juster views of God. Jesus felt this, and it is in accordance with this truth that His ministry as a teacher dealt so largely and constantly with the truth of God's fatherhood. He did not dogmatize about the truth, however, but did something much more effective. He lived life consistently on the basis of it being true that God was handling His life providentially as a father should, and then throughout His teachings moved upon the assumption that the fundamental truth about God is that He is just such a father. Even Calvary is foreannounced by Him as a father's way of redeeming His children.

The regular choir of the church did not function yesterday, they being absent assisting the Lennoxville United Church choir in its anniversary music. The junior choir, with a number of others, members of former members of the choir, led the singing at the morning service. The junior choir rendered Hamblen's "A Little Prayer," and Miss Eleanor Wheeler sang a solo.

Mrs. Emerson, superintendent of temperance for the Sunday school, gave a brief temperance address to the school in the afternoon, and the temperance subject was also followed in the Brotherhood, those present spending a very profitable session in discussing together the subject, "Slavery and Freedom."

In the evening Rev. Dr. Lennen preached on the subject, "Great Salvation." A few members of the regular choir and a number of ex-members led the singing, and Mrs. F. H. Bradley rendered a solo in close sympathy with the theme of the sermon.

SUN LIFE EXECUTIVE
PROMOTIONS

ARTHUR B. WOOD,
formerly vice-president and chief actuary, becomes vice-president and managing-director.

President T. B. Macaulay, of the Sun Life Assurance Company of Canada, announces the following promotions: Arthur B. Wood, heretofore vice-president and chief actuary, to be vice-president and managing-director; E. A. Macnutt, heretofore treasurer, to be vice-president and treasurer; Geo. W. Bourke, assistant actuary, to be actuary; J. J. Cooper, J. B. Mabon and C. D. Ruthford to be associate actuaries. The appointments were confirmed at a meeting of the board of directors.

Arthur B. Wood, vice-president of the Sun Life, who now becomes managing director, has been with the Sun Life since 1893, joining the company just after he graduated from McGill with high honors in mathematics. In 1900 he was appointed assistant actuary, and in 1908, chief actuary; in 1923 he was appointed vice-president, retaining his title of chief actuary. Mr. Wood is recognized as one of the outstanding actuaries of the insurance world. He is a past president of the Actuarial Society of America and also of the Canadian Life Officers' Association; he is a Fellow of the Institute of Actuaries of Great Britain, the Actuarial Society of America and the American Institute of Actuaries. His career with the Sun Life has been a brilliant one, and his appointment is well earned.

"The future is bright and recovery will come sooner than expected," is one of the sunshine expressions of T. B. Macaulay, the President of the Sun Life who will preside at the annual meeting of the Company to be held today, at which some glowing reports of progress made in 1931 are promised.

TWO MEGANTIC
MEN INJURED
IN EXPLOSION

Leopold and Armand Morissette
Removed to L'Hôtel Dieu Hos-
pital Suffering from Severe
Burns and Lacerations.

Injured in an explosion at Lake Megantic, two brothers of that place, Leopold and Armand Morissette, were removed to L'Hôtel Dieu Hospital, on Saturday, suffering from severe lacerations and burns. Leopold, twenty-five years old, the eldest of the two, was the most seriously hurt, having sustained painful burns to the face, neck, hands and arms. His brother suffered from injuries to the face and right hand.

Hospital authorities this morning report their condition as very good.

FEWER BIRTHS
AND MARRIAGES
HERE LAST YEAR

During Past Year 751 Births,
194 Marriages and 355 Deaths
Were Registered in Sherbrooke.

During the past year 751 births, 194 marriages and 355 deaths were registered in Sherbrooke. This represents a decrease in births and marriages as compared with the previous year, but a slight increase in the number of deaths. The figures for 1930 were as follows: births, 783; marriages, 217; and deaths 351.

Of the 751 births reported, 668 were registered in the various French churches of the city and 83 in the English churches. During the year 140 marriages were solemnized in the French churches as compared with 144 in the English churches. There were 290 burials reported in the French parishes and 65 in the English churches.

The following figures show the number of births, marriages and deaths in the different English parishes.

both victims having passed a comfortable night.

The accident occurred when the young men threw a shovelful of snow in an oil furnace in an effort to subdue the blaze. As soon as the snow struck the flames an explosion occurred and the blaze enveloped the two victims.

They were immediately rushed to the hospital.

Those occasional eruptions on the surface of mother earth, called ego, eczema or war, are caused by the itch for power.

Distinguishing
Characteristics

Facts from the Annual Report.
(Weekly Message)

As a result of the successful operations of the year 1931, the London Life was able:

1. To increase its policy reserves to a standard higher than that employed by any similar company in Canada or the United States;
2. To cover all shrinkages in its investments;
3. To add substantially to its emergency funds; and—
4. To increase the Free Surplus, which now amounts to \$2,811,721 on the Company's own high standards.

"The Statement is of a high degree of excellence which will be uncommon in any part of the world just now. And it is due not to any particular luck in recent years, but to the general policy of economical and cautious, but efficient management, persisted in for half a century."

MONTREAL LIVE STOCK MARKET

MONTREAL, Feb. 8.—Cattle receipts were 1,121 on the two Montreal live stock markets today. The bulk of the cattle offered were only steers of fair to medium good quality. Steers were very slow. Cows and heifers and calves were the first to move at steady prices, while other grades of cattle were estimated to be about steady to twenty-five cents lower. A couple of small lots of top steers were sold for \$6 to \$6.25, with half a dozen or so up to \$6.50. Just medium good steers sold up to \$6.75, with some kinds from \$3.50 to \$4.25. Good butcher heifers sold up to \$5.25, with the bulk of the good cows from \$3.75 to \$4. Common cows sold from \$2 up to \$2.25 for those of fairly good kinds. Bulls were unchanged at \$2 to \$4, according to quality. About 400 cattle were not sold.

Calf receipts were 892. Veal calves were in fairly good demand at about steady prices. Prices ranged from \$7 to \$8.50, with the bulk between \$7.50 and \$8. Fairly decent quality calves were mostly \$3.50. Grass calves were unchanged at \$3 to \$3.25. Quotations: Good and choice veal, \$9; common and medium, \$4 to \$8.50; grassers, \$3 to \$3.25.

Sheep receipts were 117. There were only 117 sheep and lambs for sale. Fairly good ewes brought \$6.75, with buck lambs around \$7.50. Good heavy weight sheep sold up to \$4 with a range of \$2.50 to \$4.

Quotations: Ewes, \$2 to \$4; lambs good, \$6.75; common, \$5.75 to \$6.25. Hog receipts were 2,494. The most common price paid for hams, butchers and lights was \$5, fed and watered. Heavy hogs in mixed lots brought around \$4.75, and sows were slow at \$4 to \$4.25.

NARROW PRICE MOVEMENTS AT OPENING TODAY

Less Than One Thousand Shares Traded by Noon on Montreal Stock Exchange—Nickel Active Leader.

MONTREAL, Que., Feb. 8.—Trading was dull and price movements narrow during the morning's session in the Montreal Stock Exchange. Less than one thousand shares had been traded in by noon. Of this amount Nickel absorbed about 300; establishing itself as the active leader. The stock sold at the unchanged price of \$8 1/2. Canada Cement and Macdonald, both sold at \$4. Canada Power and Paper, Industrial Alcohol A and B stocks, Steel of Canada and Asbestos, were unchanged at midday.

EARLY RALLY ON NEW YORK EXCHANGE DID NOT ENDURE

NEW YORK, N.Y., Feb. 8.—A flurry of short covering gave stocks a moderate rally during the first hour today, but the gains of one to 1-1/2 points were generally lost when Farm Implement and Tobacco issues turned heavy.

Both International Harvester and J. I. Case reacted more than a point to new lows. American Tobacco "B" sagged two points. Auburn, which had been up five, yielded most of its rise. Italy, prominent in the early advance, fell back to the previous close and then steadied. Trading was quiet.

EXPORT TRADE OF CANADA ON BETTER BASIS

Continued from Page 1.
The increase is due to an increase of imports of nearly \$1,000,000 from Australia, namely, from \$1,849,446 to \$2,843,706. On the other hand, Canadian exports to Australia fell off by \$334,657, or from \$2,813,041 to \$2,478,387 in the last five months of 1931.

HEAVY HOCKEY CARD IS FIXED FOR THIS WEEK

Every League in Eastern Townships in Action as Respective Schedules Near Completion—Visit of New York Rangers Is Outstanding Attraction.

When Lester Patrick breezes into Sherbrooke Thursday morning with his New York Rangers in tow, Eastern Townships hockey fans will be afforded an opportunity of witnessing a professional exhibition when the leaders in the American section of the National Hockey League play at the Arena. The attraction is the main entertainment on the hockey schedule for this week. Final arrangements for the flying visit of the Rangers were completed by long distance over the week-end by a local sportsman, George Povey, and the exhibition similar to the one staged last year by the Flying Frenchmen at the Arena.

The Rangers have been the sensations of the present N.H.L. campaign, and are now setting the pace in the American section with a substantial margin over their nearest rivals. Tomorrow evening they play in Boston and entrain Wednesday evening for Sherbrooke. From here they will journey to Montreal, where they will clash with the world champion Canadiens on Saturday evening. The entire roster will stop over in this city. Among their stars are Jean Ross, Ross, Ching Johnson, the Cook brothers, who are now among the leading scorers, Frank Boucher and Cecil Dillon, the "find" of the National League this winter.

Tomorrow evening a juvenile fixture between the Rangers and Pirates, and a junior match between the champions of Maroon and East Sherbrooke will constitute the doubleheader at the Arena, while on Tuesday Codere's travel to East Angus where they will tackle the paper-makers who handed Southern Canada a reverse last week. Tuesday evening is also an important date in the Richmond Hockey League when Dan Dugan's team will meet their town rivals, the Flying Frenchmen. A victory for the Danville Hockey Club will mean the league title, while a reverse at the hands of their opponents, who have already defeated them this season would create a three-cornered race for the leadership between the Danville aggregations and the third inter, Asbestos. Wednesday's intermediate game slated at the Arena between East Sherbrooke and Bishop's University has been switched to the collegians' home ice to keep the Arena ice in first class condition for Thursday night's major event.

Friday evening will bring the weekly juvenile, midget and junior fixtures at the Arena. Although the leadership honors in midget and juvenile circles have been won by the Lennoxville Red Jackets, there is a lively scramble for the other positions in the leagues. The junior race is far from decided, with Maroons and St. Francois as the likely contenders, although East Sherbrooke are bound to cause considerable trouble before the schedule is completed.

The finale to the big sports week is fixed for Saturday evening when the Industrial League will provide the attraction. The projected fixture between Southern Canada Power and Julius Kayser will be replayed, and a great deal hinges on the outcome. Although the Power boys are assured of a play-off berth, Julius Kayser still have a chance of catching up with Canadian Silk Products and causing a late night to meet the leaders. Eddie Wolfe's outfit need the victory, while Emmett Kenalty's squad are striving to keep their record free of defeat.

Australia is largely due to growth of fruit purchasers from that Dominion, these imports from \$1,220,418 to \$1,709,833, or almost \$500,000. During the same period the importation of fruits into Canada from the United States dropped from \$9,688,398 to \$5,754,184, or nearly \$4,000,000.

This transfer of Canada's fruit purchases from the United States to the Dominion of Australia is itself an important achievement in connection with the new trade pact. Importation of butter from Australia declined from \$168,159 to \$30, but gelatine and isinglass, animal glue, wool, worsted, tops, grains, sugar and miscellaneous articles all showed increases.

Decline in Canada's exports to Australia attributable almost entirely to the exceptional conditions prevailing in the automobile and allied trades the world over. In the last five months of 1931 Canadian automobile exports to Australia amounted to \$63, cars valued at \$200,000, whereas, in the same period in 1931, only one car valued at \$500 was sold to Australia. Automobile parts, too, dropped from \$89,735 to \$31,798, thus the decline in automobiles and automobile parts was responsible for a slump of \$25,438.

Newspaper exports to Australia declined in common with other commodities. Canada's export of newspapers to all countries in the last five months of 1931 was \$54,483,107 and this declined to \$42,674,993 in the same period in 1931. Newspaper exports to Australia in the same period declined from \$935,873 in 1930 to \$797,823 in 1931 a drop of \$138,050. Other commodities including farm implements, electrical apparatus and coal, showed similar decreases.

One reason why it's cheaper to rent is because the wife doesn't insist on tearing up and changing the interior every year.

MONTREAL TEAM TOOK VERDICT FROM CODERE'S

Forest Freres, Montreal Commercial Hockey League Leaders, Defeated Industrial League Entry at Arena Yesterday.

Forest Freres, of Montreal, leaders in the Montreal Commercial Hockey League, came, saw and conquered the Codere entry in the local Industrial League at the Arena yesterday afternoon. When the last packages of tobacco which the visitors distributed to the fans had been safely tucked away and the three hundred spectators wended their way home to a late supper, the score board showed Forest Freres 4, Codere 1. It was a good exhibition, but the hectic battle which the local aggregation staged the evening previous had its effect on their playing. However, after a disastrous first period, during which the visitors secured a safe lead of three goals, the Black and yellow sweater outfit settled down and held their own with the metropolitan team in the remaining two sessions.

Owing to a slight mishap which happened to the visitors on their motor bus journey from Montreal, the game was held up for a considerable length of time, but the fans were kept in good spirits by a snappy band which rendered several selections. Without any preliminary practice, the Montrealers took the ice and skated away with the home team during the initial twenty minutes. The Codere outfit, who had occupied the interval before game time with several practice runs on the ice, seemed unable to find their legs until they found themselves on the short end of a three to nothing count at the conclusion of the first chapter. From then on they battered at the Forest citadel and succeeded in saving themselves from a shutout when Parsons beat Lalonde. At the other end of the rink Boisvert and Mathieu were equally effective. Jerry Mathieu and Aime Morin, the regular Kayser defence, were loaned to bolster the Codere rear guard for the occasion and gave good accounts of themselves. Two minutes after the opening whistle, Thomas shifted to left wing and winged a shot which lodged in the net behind Boisvert. The Codere netminder's vision was blocked and he had no chance on the ankle-high shot. Less than four minutes later Corneliier took Thomas' pass and Forest Freres were two up when the former's drive from the right wing caused the red light to blink a second time. At the five minute mark both coaches shifted their lineups and Lacasse took the first penalty for tripping Turgeon. The visitors maintained their attacks and Thomas added his second counter after thirteen minutes on a backhand shot. Salois acted as the spear head to several Codere onslaughts with Couture and Lacasse, but if they beat the opposing netminder they met an unsurmountable stumbling block in Lalonde in the visitors' nets. Lacasse and Dagenais followed one another to the penalty box, but poor shooting by Gene Lalonde's forwards caused their own downfall while the visitors were two men short.

Raymond, midget defence man, concluded his team's scoring four minutes after the opening of the middle frame when he split the defence and rifled a fast one past Boisvert as the latter fell in a vain effort to save. Codere assumed the upper hand when Walker was banished for three minutes, and Lalonde stood up all under the bombardment and kept the score sheet clean. He was fortunate on several shots, especially when Gauvin and through his defence and again when Mathieu and Carrier had combined to penetrate to the goal mouth. As the session ended, Maloney's Irish broke under Mathieu's persistent tactics and both players were penalized for three minutes when they started a private argument behind the Montreal nets.

The fans had scarcely settled back in their seats for the final chapter when the home team rammed home its only counter at the exhibition game. Salois broke up the defence and sent a shot into the net and caught two visiting forwards up to accompany his team mate and accepted Salois' pass to coast in on Lalonde and give the midget goaltender no chance. The local Industrial team kept the pressure but were unable to reduce their opponents' margin.

The line-ups were:
Forest Freres: goal Boisvert, defence Parsons, Plamondon, centre Gauvin, wing Couture, Corneliier.
Subs: Forest Freres—Dagenais, Lemer, Langis and Lacasse.

Codere—Mathieu, Morin, Salois, Cloutier, Camire and Clouture.

THE SUMMARY
First Period
1—Forest Freres—Thomas ... 2.10
2—Forest Freres—Corneliier ... 3.40
3—Forest Freres—Thomas ... 6.05
Penalties: Lacasse 2, Thomas, Dagenais.

Second Period
1—Forest Freres—Raymond ... 3.20
Penalties: Walker, Maloney and Mathieu (three minutes each).

Third Period
1—Codere—Parsons ... 1.10
Penalties: Walker (three minutes).

BETWEEN THE PERIODS OVER THE WEEK-END

Seldom has a team rallied like Codere's did when they came from behind to tie Julius Kayser in the Saturday night's second game. Robert Couture performed the "hat trick" in the final period, and was also credited with an assist in the second period.

The Harris brothers and Nichol were again in a large measure responsible for Southern Canada's victory. The Lennoxville boys tallied two tallies while Nichol was in fine form.

An interesting by-play in the final period gave the spectators a good laugh. Bud Goff spilled Stan Ferry, the Silk Products' express, and then assisted the 200-pound defenceman to his feet.

In the first chucker Goff stood on his head near Harper after one of his lone sorties. The big red-headed rearguard gave his opponents plenty of trouble.

During the interval Sammy Cohen addressed a select audience on the formation of a Jewish hockey aggregation. His remarks were listened to very "attentively."

The first game saw two families on the opposite sides of the fence. Harold Shields opposed his brother Leo, while Charlie Gordon played opposite his younger brother, Billie. Honors were even.

The body checks Goff meted out took their toll on the big boy. It was feared after the game that he had suffered a fractured rib, but he was on deck to see the Codere-Forest game yesterday afternoon.

Billie Gordon and Spike Kelly played prominent roles in the Products' attacks, but their efforts were nullified by Nichol.

Eddie Wolfe was jubilant at the end of the second period when his team led by five to two. "When we wanted goals we couldn't get them, but now they are coming by handfuls," was his comment. By the end of the game, however, Julius Kayser needed every point to stave off defeat.

Harvey Whitcomb also performed the celebrated "hat trick" and gave an assist. It was Harvey's night, and every time he received the puck it was a bad omen for Codere's.

Desrochers proved a valuable aid with two goals and two assists, while Wilfrid Gauvin accounted for a brace of Codere's counters.

Mathieu played an effective game and perhaps could have staved off Codere in the final frame. When Jerry relegates his temper to the background he flashes a keen game.

Salois was Codere's individual star yesterday afternoon. However, his plays were mostly without result when he had no one to pass to. His play with Parsons was well executed and resulted in the home team's lone tally.

Forest Freres breezed into town under the tutelage of Armand Brunelle, former Sherbrooke boy. His short visit prevented him from renewing his many acquaintances.

Codere's are definitely eliminated. Should Julius Kayser defeat Southern Canada Saturday evening a play-off will be required for the runner-up position, between Silk Products and the Frontenac street boys.

AN INCREASE IN TAXATION IS SEEN IN NEWFOUNDLAND

Certain Changes Have Been Suggested as Means of Overcoming Present Financial Deficit.

ST. JOHN'S, Nfld., Feb. 8.—Increased taxation, chiefly in the form of customs duties, is foreseen in the interim report of Sir Percy Thompson of the British Treasury Department, who came to Newfoundland last fall to investigate the financial structure of the island Dominion.

Estimating revenue for the fiscal year starting July 1, 1932, at \$7,474,594, and expenditures at \$10,634,959, the report expresses the belief that by making postal services self-supporting, by increasing and by effecting reductions in the costs of several departmental services, the expenditures may be cut to \$9,000,000.

The suggestion is put forward that the remaining deficit of about \$1,500,000 should be met with increased taxation, so as to start the country on her promised career of balanced budgets.

The suggested changes include duties on such commodities as flour, salt pork and beef, now on the free list. An increase in income tax rates also is suggested.

BODIES OF TWO MEMBERS OF WRECKED TUG FOUND
Lonnie B. Shaw, Which Sank in Gale Off Delaware Capes on Thursday Night, Located on Ocean Bottom.

CAPE MAY, N.J., Feb. 8.—The bodies of two members of the wrecked tug Lonnie B. Shaw, which sank in a gale off the Delaware Capes on Thursday night, were picked up on Thursday patrol boats on Saturday night.

The bodies were identified as those of John Carson, first mate, and Jeff Jordan, thirty, of Port Royal, Maryland, engineer.

They were found floating about

HOCKEY LEAGUE RACE CAPTURED BY POWER TEAM

Southern Canada Took Firm Grip on First Place in Industrial League With Victory Over Silk Products—Kayser and Codere Played Draw.

Southern Canada Power captured the Industrial Hockey League race, Canadian Silk Products are practically in a play-off berth and Julius Kayser have a slim chance of challenging the Power boys in the circuit finals as a result of the weekly double-header at the Arena Saturday night. Retaining their unbeaten record, which has reached four victories and three deadlocks the league leaders took the measure of Silk Products in the opening battle by a count of two to nothing, while in the nightcap the Frontenac street outfit saw a three-goal attack of the Codere squad and the final outcome after ten minutes overtime was a six-all draw.

Both Southern Canada and Silk Products were on even footing when they clashed in the opener, although Emmett Kenalty's aggregation had a game in hand. Until a few minutes before the end there was no score. Then the Harris brothers notched two counters in quick succession to seal their opponents' fate and gain undisputed possession of the leadership. There still remains the protested game between Southern Canada and Julius Kayser, which will be played Saturday evening, and on the outcome hinges the Kayser chances to play Silk Products for the right to meet the pre-setters in the finals.

The largest crowd of the season, nearly seven hundred fans, witnessed the bargain bill. During the first half of the Southern Canada-Silk Products pastime, both teams felt each other out, but failed to find any weakness through which they could enter to draw first blood. At the five minute mark the substitutes were rushed in and Charlie Gordon started one of his solo efforts. He attempted to split the Ferry-Banks shock troop, but was heavily bodied. On the next play Gordon was penalized when he retaliated on Ferry. The guarding was so close that very few scoring opportunities were afforded.

Listless play featured the opening minutes of the middle chucker until the relief troops were injected to carry on the battle. Dwyer was banished for upsetting Billie Gordon, but the crowd here evened out. The netminders were called upon to sweep aside several dangerous broadsides, but both Nichol and Harper held their respective fortresses. Billie Gordon was caught tripping Dunbar and during his absence Bud and Henry Harris and Red Morin bored in until the fans felt each other out, but failed to find any weakness through which they could enter to draw first blood. During this canto Harper stopped eleven shots to Nichol's eight.

Until five minutes before the end no impression had been made on the score board. The fans were continually on their feet as the heavy defence dumped the opposing forwards with regularity. The checks were all clean, however, and although the forwards were slowed up considerably, not a single member of the rear guards was penalized. Pandemonium reigned when Bud Harris broke through the Products' defence accompanied by his brother and scored. The younger Harris was penalized shortly afterwards and O'Donnell sent four and five men to attack. When Harris returned he assured his team of their fifth straight victory by bulging the twine with a shot which beat Harper cleanly as the gong ended the hectic session, five Silk Products forwards were on the offensive.

The line-ups were:
Southern Canada: goal Harper, defence G. Guld, Banks, centre Pergau, wing Cloutier, L. Goyette.
Subs: Southern Canada—C. Gordon, L. Shields, Dwyer, Dunbar and Hensworth.
Silk Products—Ferry, Dunsmore, P. Guld, Kelly, L. Shields and B. Gordon.

THE SUMMARY

First Period
1—Jul. Kayser—Whitcomb ... 6.30
2—Jul. Kayser—Desrochers ... 12.10
Penalties: Turgeon.

Second Period
3—Codere—Carrier ... 4.30
4—Jul. Kayser—Thibault ... 3.20
5—Jul. Kayser—Whitcomb ... 3.30
6—Codere—Gauvin 25
7—Jul. Kayser—Desrochers ... 7.20
Penalties: Desrochers, Deslaiviers, Parsons.

Third Period
8—Codere—Gauvin ... 2.30
9—Codere—Couture ... 1.25
10—Jul. Kayser—Whitcomb ... 2.55
11—Codere—Couture ... 8.30
12—Codere—Couture ... 3.10
Penalties: None.

Overtime
No score.
Penalties: Dwyer, Ferry, B. Gordon.

Third Period
1—S. Canada—B. Harris ... 15.10
2—S. Canada—Harris ... 2.50
Penalties: H. Harris 2.
Twelve Goals in Second Fixture
Over-confidence after they had established a five to two lead prevented Julius Kayser from breaking away from Codere's in the league standing and obtaining a better opportunity of entering the playoffs. The nightcap established a scoring record, no less than twelve counters being registered before the final whistle. Jerry Mathieu had scarcely set foot on the ice when he engineered the play which resulted in Julius Kayser's first score. Boisvert stopped his shot, but in the resulting melee

SPORTING NOTES

FRANK HOEY STILL LEADING MONTREAL, Feb. 8.—Frank Hoey, twenty-eight year old Montreal Irishman, yesterday scored his second successive victory in the annual two hundred mile snowshoe race from Quebec to Montreal that began a week ago yesterday. Hoey completed the final day's run in one hour and nine minutes, behind Morris Richman, bearded New Yorker, and August Payer, of Ashtabula, Ohio, to end the eight day test of speed and endurance with an elapsed time of 26 hours, 16 minutes and one second.

Hoey, who took the lead in the race in Friday's lap, had a lead of over fifteen minutes at the start of yesterday's run, over Payer, who held second position by three minutes over Johnny Coco, husky New York Finnish star. The other sixteen men were strung out behind these three, and when the final lap was completed the runners were in exactly the same positions in elapsed time as they were when it was begun.

Whitcomb scored. Both Boisvert and Mercier stopped flying rubber from all directions, the former having more work, for Codere's wild shooting seldom touched the Kayser citadel. As the period ended Desrochers sank an offside goal which nearly everyone but the referees noticed. He accepted Whitcomb's pass in front of Boisvert and added number two.

Goals came thick and fast during the middle session. Carrier led the way after four minutes of play when he batted Desrochers' rebound from a face-off, and three minutes later Thibault followed in his own shot and took Boisvert's measure. Codere's defence weakened and Boisvert had his hands full. Whitcomb laid his stick on the puck and as Camire watched the man instead of the disc the lanky left hander accepted a pass from Desrochers to beat Boisvert. Twenty-five seconds later Wilfrid Gauvin tallied and the score was Julius Kayser 4, Codere 2. Gene Lalonde tried Desrochers with Parsons on defence, but both men drew penalties and Codere's were in a tight corner. In their absence Desrochers backed into the net and the rebound was handed from a face-off, and the Wolfe outfit left the ice with an apparently safe three-goal margin.

Codere's however, were far from beaten. Parsons rounded Mercier's net early in the third frame, and as the latter watched him, Parsons whipped a pass to Gauvin. Before Mercier could turn around the puck was lodged in the twine. Couture placed the black and yellow shirts a point behind when he shot as he reached Aime Morin and Mercier failed to see the puck. Wolfe shoved in his second line which had provided the scoring punch, and Whitcomb responded with his third goal of the evening on an assist from Desrochers. This sixth counter demoralized Codere's temporarily and Morin and Desrochers coasted in to allow the latter to score. The play, however, was called back on an alleged offside. In the final five minutes Couture rose to the occasion and scored twice in rapid succession to deadlock the count. On an assist from Frank Plamondon, instead of reverting to strong defensive hockey, the Kayser squad attacked and lost the safe lead they had obtained at the end of the second frame.

The overtime resulted in no further scoring, although both jaxators were faced with several dangerous situations.

The line-ups were:
Codere: goal Mercier, defence Morin, Cloutier, defence Chazier, Couture, centre Thibault, wing L'Abbe, Vincent.
Subs: Codere—Camire, Turgeon, Cloutier and Deslaiviers.

Julius Kayser—Whitcomb, Mathieu, Desrochers and F. Goyette.

THE SUMMARY
First Period
1—Jul. Kayser—Whitcomb ... 6.30
2—Jul. Kayser—Desrochers ... 12.10
Penalties: Turgeon.

LENNOXVILLE DEFEATED BY LOCAL SCHOOL

Sherbrooke High School Took Five to Two Verdict from Lennoxville High on Saturday—Only Three Penalties Imposed During Fast Exhibition.

Sherbrooke High School chalked up a five to two victory over the Lennoxville High on Saturday afternoon at Minto rink in the first fixture between the two schools. Although the home team established a two-goal lead in the opening frame of the exhibition match, they were unable to hold their advantage and found themselves at the short end of a four to two count at the close of the middle chucker. In the final twenty minutes the visitors tallied their fifth point and a strong defence prevented the Lennoxville boys from reducing this three-goal lead.

Johnston drew first blood for the local students when Jackson misjudged his long shot from the blue line. Lennoxville following this up shortly after with another tally when Jackson held the puck too long. Christison rushing in and batting the disc into the twine to put his team two up.

Clayton Conley led the visitors in the second session and was credited with two goals and an assist. Jerry Dunsmore followed Conley on a lone rush and netted the latter's rebound for S.H.S.'s first tally. A Lennoxville attempt was broken up by Conley, who dented the twine behind Squire and deadlocked the score. The same player was responsible for Sherbrooke's high third point on another solo effort. Lennoxville then placed a strict watch on Conley, but allowed Billy Cohoon to break loose and bring the visiting pupils' total up to four.

E. Martin was responsible for the final point in the last frame when he coasted in on Squire and gave the home team net custodian no chance. The game, during which only three penalties were inflicted, was satisfactorily handled by Gordy Titcomb.

The line-ups were:
Sherbrooke H.S. goal Squire, defence Christison, defence Raycraft, forward Cohoon, forward Nichol, forward M. Dunsmore, forward G. Ross, forward Johnston.
Subs.: S. H. S.: Henderson, Conley, Daniels, J. Dunsmore, Pettigrew, Willis, Stevens and Spanswick, L. H. S.: Shand, Trenholme and Aldrich.

'Y' BLUES AND SCHOOL WON IN HOOP CIRCUIT

DETROIT HANDS A REVERSE TO TORONTO TEAM

Maple Leafs, However, Divided
Week-End Honors as Result of
Their One-Sided Victory Over
Boston — Maroons Defeated
Americans.

TORONTO, Feb. 8.—Home clubs were successful in all four games played in the National Hockey League over the week-end.

Toronto's fast-slipping Boston Bruins by six to nothing in Toronto on Saturday, the Maple Leafs moved into Detroit last night and after sixty minutes of gruelling hockey were forced to accept a three to one reverse at the hands of the upclimbing Falcons. While Toronto was adding two points to their standing and pulling to the front of the Canadian section, the Maroons strengthened their hope of reaching a play-off berth by drubbing the Americans by three to one, and the Rangers increased their lead in the American division to nine points with a one to nothing triumph over the Chicago Black Hawks.

Maple Leafs' loss proved costly to the Toronto club as their star right winger, Charlie Conacher, had his hand fractured in a collision with the Bruins' defenceman, and will be absent from the lineup for some time. With Conacher on the injured list, Toronto will be minus two of their regulars in their next few starts as "Red" Horner, rugged defenceman, is also out with a broken collar bone.

Failing to show the form they displayed in previous visits to Toronto, the Boston Bruins fell easy victims to a speedy Leaf attack and accepted one of their most decisive setbacks of the campaign when they were blanked by six to nothing. Hardly had the puck been faced off and the spectators in their seats, when Charlie Conacher netted his twenty-sixth goal of the season on a pass from Primeau in the record time of seven seconds.

In the second period the Leafs continued their speedy attacks, and before the frame ended enjoyed a four-goal lead on scores by Jackson, Conacher and Finnegan. The Bruins pressed hard in the final period, but Lorne Chabot stopped everything that came his way and Toronto added to their lead when Levinsky and Bailey broke away for scores.

Detroit kept their home winning streak intact by a three to one triumph, but only after a wildly disputed goal in the second period from the stick of Herbie Lewis, speedy Falcon forward. Harvey Jackson gave the Leafs the edge early in the first session by snaring Primeau's pass and boring in on Connell for the opening goal, but Frank Carson soon earned the equalizer while the Leafs were short-handed when he drifted through the Toronto defence and batted the rubber past Chabot.

The disputed tally came late in the second period when Lewis tied a shot at Chabot and the goal judge flashed the light. Although Referee Cameron allowed the goal, the goal judge was removed after vigorous protests by Manager Smythe. Late in the final stanza when Toronto were playing five men up for a tying goal, Frank Carson broke away, and with only Chabot to beat, sailed the game away for Detroit.

A goal a period gave the Maroons a three to one victory over Eddie Gerard's Americans, and strengthened the Montreals' chances of gaining a playoff berth in the Canadian division of the league. "Buddy" Northcott earned a tying goal for the Maroons late in the first period after Bill Brynne had put the New Yorkers in front, but the game did not remain at a deadlock long for shortly after the middle period got under way Neil Stewart grabbed Bryson's pass and beat Forbes. Dave Trotter put the game "in the bag" for the Maroons midway through the final session on a solo dash while Americans were short-handed.

"Hooley" Smith, clever pivot of the Maroon second forward line, received his third major penalty and will be absent from the Montreal line-up when the Maroons meet the Canadiens on Tuesday.

Melville "Butch" Keeling, scintillating sub forward of Rangers, provided the only goal of a speedy fixture in New York when the Rangers edged out a one to nothing triumph over Chicago. Joan Ross Roach, clever Ranger goalie, was the star of the speedy contest and numerous times turned back sure looking Hawk goals. Chicago did not press their attack until the Rangers gained the lead in the middle period.

TECO STORE BROADCAST SALE!! LINENS and BEDDING

Another Big Saving Event for Thrifty Housewives! Come Early Tuesday!

"IBEX" Flannelette Blankets

Large Size 70 x 90 inch. "Firsts"
In A Feature Sale Offering, Pair

\$2.00
PAIR

For this great Broadcast Sale offering we placed a huge order with this noted mill, enabling us to offer these flannelette blankets to early shoppers at an attractive saving. This is a "stand-out" value among many great ones. They are softly napped—comfortable and serviceable. In white, finished with neat colored borders of rose and blue. And note—double bed size 70 x 90 inches. We have a liberal quantity—but the value is so good, we expect them to sell out quickly. See the windows! Come sharp at 9 a.m., Tuesday. Pair —Second Floor.

Pillow Cotton

Sale Price,
A yard . . . 22c

Good quality bleached circular pillow cotton, 42 inches wide, at a low sale price. Buy and save!

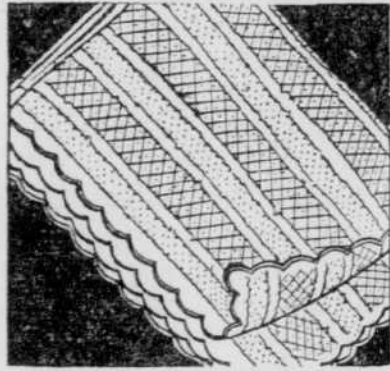

—Second Floor.

Hemmed Pillow Cases

Sale Price,
A pair . . . 35c

Plain hemmed pillow cases, of sturdy bleached cotton, 42 ins. wide. An unusually low price for these. Save!

—Second Floor.

Rayon and Cotton Bedspreads

3 Big Groups at Big Savings

At
1.35

Size 72 x 90 inches. In lovely shades, yellow, rose, blue and green, and shop promptly. Oh! there'll be a rush for them at this low price

—Second Floor.

At
1.55

Two sizes in this big value group. 72 x 100 and 80 x 90 inches. Choose from these shades, yellow, rose, blue and green, and shop promptly.

—Second Floor.

At
1.85

Lustrous spreads of rayon and cotton in an extra size, 80 x 100 inches. Choice of shades. See them in windows. Don't miss such a big saving.

—Second Floor.

EXTRA! Bleached Sheeting

An excellent quality for such low prices. Fully bleached and evenly woven. Buy yards at these savings.

68 inches wide, a yard
29c
78 inches wide, a yard
32c
