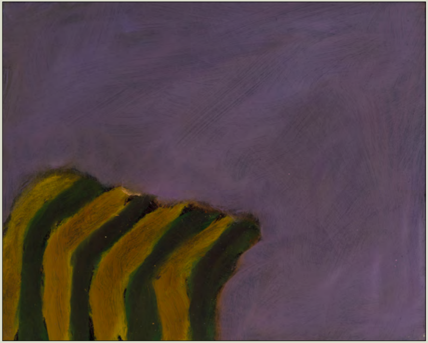
Matisse Matisse

PREMIER LIVRE



Vertiges
JEAN YVES COLLETTE ÉDITEUR

Plain planes of colours
Toutes les couleurs des bonbons secs

Matisse métisse Matisse
Comme un bouquet d'alysses
Sur les galets d'une plage
Entre deux ballons verts
Et les surfaces d'une marocaine

Comme une matrice noire
Dans les ocres et les jaunes du jour
Derrière un paravent persan
Et la musique d'un violon

Le secret qui s'offre discret
Dessine les voiles de son contour
En deçà des volets et des fenêtres
Et bien au-delà, des roses et des bleus

Tout là devant les yeux
Se déclinent comme voyelles
Le rythme tranquille d'une courbe
Et toute la lenteur d'un lent café lent

Tout est ouvert dans l'aisance
Comme un matin qui traîne au lit

Ici, il n'y a aucune soumission

Rêvons indéfiniment
Que Matisse danse avec Rothko
