PARLIAMENT APPROVES SPENDING BILL

\$301,000,000 Voted For Payrolls, Bills, To Sit This Summer

OTTAWA — (P) — The government, with the speedy approval of the opposition, has received more than \$301,000,000 in badly-needed spending money to pay its June bills and payrolls. Parliament will sit into the summer.

But Progressive Conservative and CCF parties, still angry from the gas pipeline fight which ended in the Commons a week ago, made it clear they would rather have an early general election.

The money-one-twelfth of requested appropriations for the fiscal year—was voted by the Commons Monday in 75 minutes after Prime Minister St. Laurent's assurance that the House will continue in session to deal with unfinished business.

The prime minister had asked last week for uncontested approval of the temporary money supply for the "virtually exhausted" treasury. Mid-month civil service salaries are due this week.

Opposition leader Drew replied Monday his party isn't "letting bygones be bygones." But it would not let government employees be made "the victims of this government's misconduct."

Stanley Knowles (CCF—Winnipeg North Centre) said the government could and should have sought the money in May. But it had been too preoccupied with getting "its precious pipeline bill" passed by the deadline of last Thursday.

The government now was asking the opposition to bail it out of a bad situation and had no moral right to govern, the CCF spokesman said. He joined Mr. Drew in calling for a prompt election.

Social Credit leader Low, whose party went along with the Liberals in the pipeline battle, made no objection to voting the June money supply.

The Conservative-CCF agreement to the money bill ended the possibility that the two parties might continue the fight they had put up against the pipeline bill.

Mr. St. Laurent said that with approval of the June money bill, the government will proceed with sessional business in the normal way. At the end of this month it would seek further interim supply pending Commons allocation and approval of the full year's spending program.

He said he hopes the session's business won't run beyond July. However, the House has made almost no progress in its job of reviewing the 600-page book in which the government's spending program for the year is set out.

Only one of 19 government departments had had its entire appropriations approved. Besides the departments, spending plans of 14 separate branches and agencies also remain to be approved.

There is little of a controversial nature in legislation already presented to the Commons.

Railways Given Temporary Four Month Freight Raise

OTTAWA — (P) — A chance to earn about \$10,000,000 in new money in four months will be given the railways.

Then they will have to show the board of transport commissioners how they have used an opportunity to raise freight rates to offset developing increases in wage rates.

After that, the railway-regulating board will settle the question of whether the roads are to get, on a more or less permanent basis, all or part of a 15-per cent general rate increase they are seeking.

The points developed out of board action Monday on a railway application to get permission to raise some \$46,800,000 a year to meet contract concessions recently awarded 150,000 non-operating workers.

The board shifted consideration of the major issues to the fall, but said that in the meantime it will give the carriers authority to boost rates by an unspecified amount between July 1 and Oct. 31.

While the extent of the temporary increase was not indicated, it was learned the boost will amount to not more than 10 per cent and probably will be less.

Final calculations have not been made, Mr. Justice J. D. Kearney, chief commissioner, said at the hearing. But he said the interim increase will be ordered almost immediately to take effect July 1 for four months. Informants said the judgment might come out this week.

Lapalme Charges LP's Financed By UN Party

QUEBEC — (P) — Liberal leader Georges Lapalme maintaining a brisk campaign schedule, charged Monday night that some of the 33 Labor-Progressive candidates in the June 20 provincial election are "financed" by the Union Nationale party.

The Liberal chief, who made the statement at a mass rally at the Montreal Forum, was countering what he described as "smear" campaign by the Union Nationale to link Liberals with Communists.

His principal opponent, Premier Duplessis, resumes his speaking tour tonight at Shawinigan Falls after a day's rest.

At another election rally in Montreal Monday night, Quebec Trade Minister Paul Beaulieu predicted Quebec will be Canada's most industrialized province within 10 years.

Mr. Lapalme did not elaborate on his charge that some Labor-Progressive candidates are "financed" by the government party. But he said he would like to know whether Premier Duplessis approves of the Union Nationale's "smear" tactics.

Mr. Lapalme said already 1,000,000 copies of a pamphlet attempting to link Liberals with the Communist movement have

been circulated. However, he said, no one apparently can establish the pamphlets' origin.

"I summon Mr. Duplessis to say whether there is a single Communist among our candidates," the Liberal leader said.

Sharing the platform with Mr. Lapalme was Louis Even, director of l'Union des Electeurs—Quebec Societ Credit movement recently disowned by national Social Credit leader Solon Low.

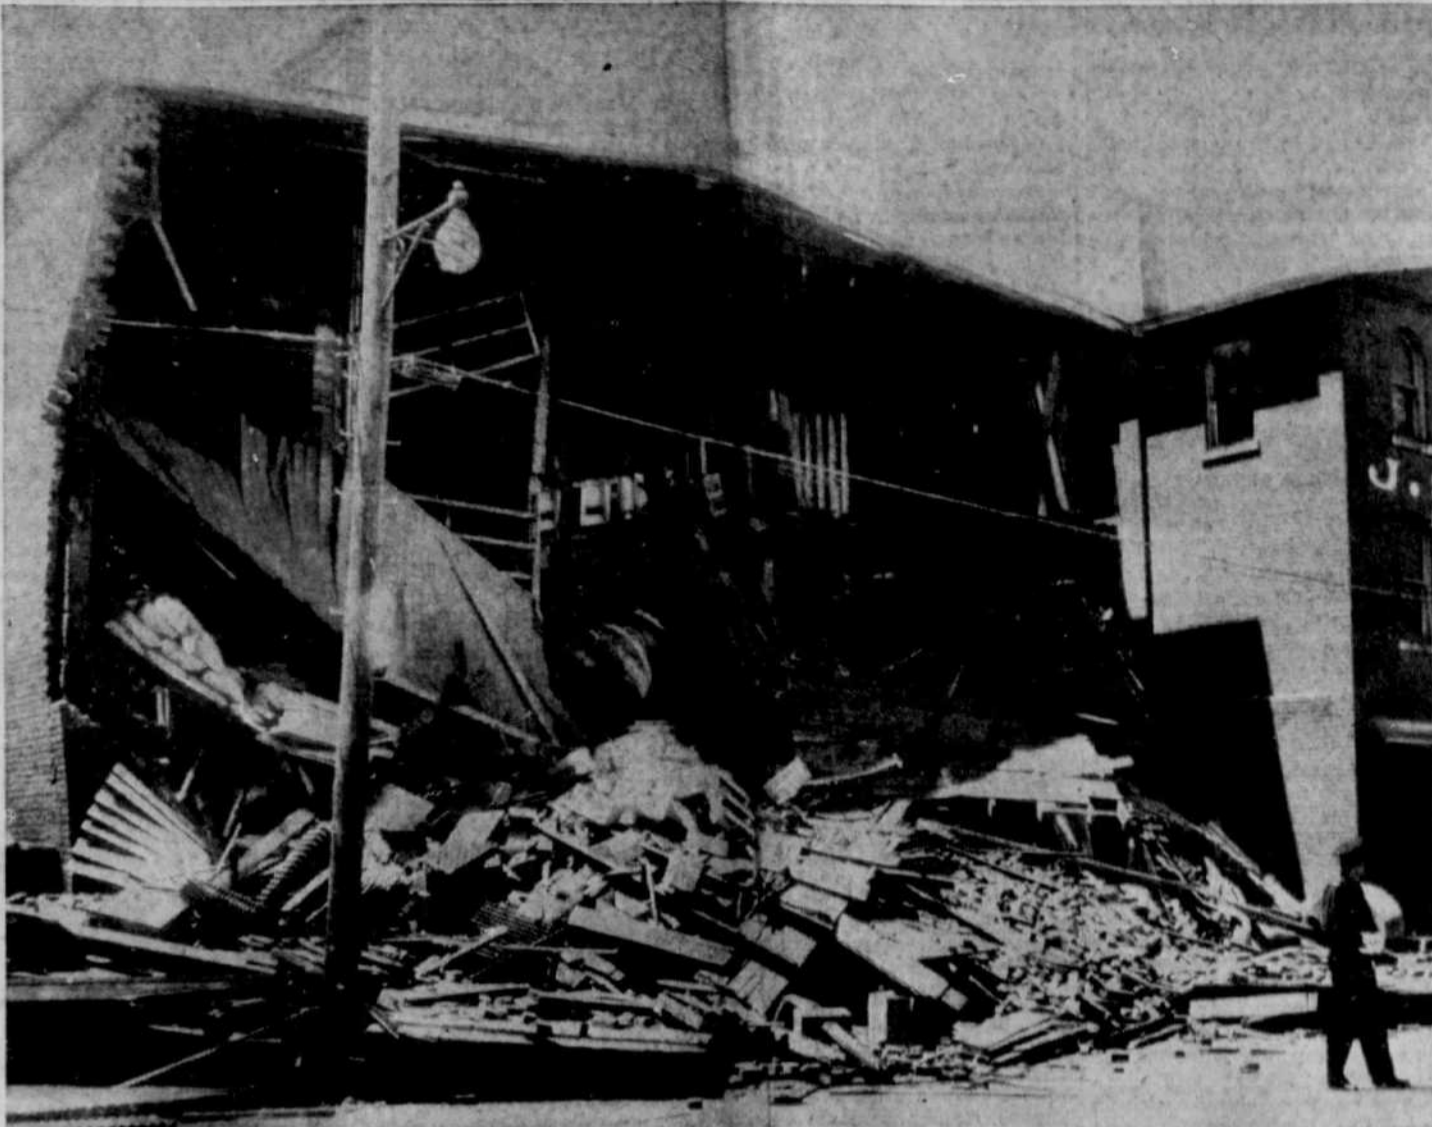

Mr. Even said his group is backing the Liberals in the campaign to "break the dictatorship of Mr. Duplessis and his party."

Mr. Lapalme continues his campaign tour tonight with speeches at l'Assomption and nearby Rawdon, in Montcalm riding.

Mr. Beaulieu, in predicting a decade of continued industrial expansion in Quebec, asked Mr. Lapalme to list any large organizations which had left the province in recent years.

"Some main offices have been relocated," he said, "but their huge factories remain in this province."

The minister described Mr. Lapalme as "a man with no heart" and said the liberal leader should "look on his province as a family, instead of trying to discredit it before the world."

Warehouse Collapses On Grand Forks St.

By GERALD McDUFF

The entire front of the three-storey J. S. Mitchell Co., Ltd. warehouse on Grand Forks St. collapsed with a roar yesterday afternoon, spreading debris across the pavement.

A considerable amount of construction material and heavy machinery was stored on the second and third floors. Mr. A. C. Stevens, president of the company, said this morning "we feel that the fortunate part was that nobody was hurt and that the loss itself is very little."

Most of the stock, he said, was salvagable.

Clearing of the wreckage started this morning and the company plans to reconstruct the warehouse, according to Mr. Stevens.

Stock-keeper Jim Lepage, of 1882 Denault St., was in the depot office in a building immediately beside the warehouse when the collapse occurred.

"I heard noise and I thought it was just the vans going by on the street," he said. Debris crashed through the window, spraying broken glass across the office and just missing Lepage who was seated at a desk some five feet from the window.

Police quickly roped off the area and re-directed traffic around the wreckage which partially blocked the street. The collapse occurred around 12:45 and two passersby narrowly escaped injuries when they passed under the building as the third floor started to give way. People on the opposite side of the street warned them in time.

The building was heavily damaged when the side walls buckled under the impact. The ceiling and supporting pillars on the in-

Report Rebel Leader Caught

BUENOS AIRES — (P) — Gen. Juan Jose Valle, sought as leader of last week-end's brief but bloody revolt in Argentina, was reported captured early today.

The newspaper Clarin says it received information that Valle was taken prisoner and "placed at the disposition of the army ministry." There was no official confirmation.

Valle and Gen. Raul Tanco, both high military figures in the regime of deposed president Juan Peron, were named by the government as the key military leaders in the abortive rebellion.

Tanco apparently is still at large. It is considered likely Valle will face a firing squad, since a high government spokesman said earlier that a presidential order commuting 11 death sentences set no precedent for other persons arrested—and especially did not extend to Valle and Tanco.

The clemency order came after firing squads had executed 33 military men and civilians as participants in the revolt. The source said the 11 probably will be sentenced to life imprisonment.

Military courts now are deliberating the fate of other rebels caught. Possibly 100 or more persons died in the brief fighting.

Provisional President Pedro Aramburu told a press conference that the main body of the rebels was formed of die-hard supporters of Peron. But he said the "head operated with the style of action used by the Communists."

The government chief said the rebels had planned to kill or hold as hostages about 1,000 government officials, including himself and the vice-president, Admiral Isaac Rojas. The plot called for setting up a Communist-Peronist-Nationalist government, he declared.

Deport Greek Church Official From London

LONDON (P) — The government disclosed today that it has deported a high official of the Greek Orthodox Church in Britain, Archimandrite Kallinikos Macheriotis.

A home office spokesman said the clergyman, a Greek national, was placed on a plane for Athens Monday night.

The deportation was ordered by Home Secretary Gwilym Lloyd George "in the public interest," the spokesman said. He declined to elaborate.

Macheriotis carried out his duties at the Greek Orthodox Church in London's Camden Town district Monday.

Hold Three Suspects In Murders

MONTREAL — (P) — Three suspects—two men and a 16-year-old youth—are being held by provincial and city police in connection with three separate week-end slayings in Montreal.

Victims of the slayings, described as among the goriest ever recorded by Montreal police, were nine-year-old Robert Jones, 13-year-old Yvon LaFrance, and Aldea Levesque, 23.

The body of the Jones boy, the head smashed in by a rock found nearby, was discovered Sunday in a clump of bushes behind a service station in Montreal north. A Montreal man was being questioned in connection with the case.

A 16-year-old youth also was being questioned by provincial police following his arrest Monday in connection with the death of the LaFrance boy, whom police were told was pushed screaming into the St. Lawrence river Sunday by two "English-speaking" youths. The victim's body was recovered from the river later in the day.

Police said they are still seeking another youth in connection with the case.

Being held in the death of Miss Levesque was a 30-year-old accountant who reported to police and said he had killed the woman. Police said the woman, whose body was found early Monday in her Rosemount district apartment, had been stabbed twice in the throat and hammered about the head.

A bloodstained hammer and a hunting knife was found near the body, officers said. No charges have been laid against any of the suspects.

P.C. Leader Reiterates Demand

OTTAWA (P) — Opposition leader Drew appealed to Canadians Monday night to support his party in its demands for an immediate general election.

In an appearance on the CBC's free-time political television program The Nation's Business he said Canadians can do this by sending messages to the government urging that an election be held.

He reviewed the parliamentary battle over the government's pipeline bill and said the issue was no longer the pipeline but the protection on the rights of Canadians.

During the protracted parliamentary battle, the government had to use debate-cooking closure four times to overcome Conservative and CCF opposition and obtain Commons approval of the bill.

Mr. Drew also referred to his censure motion against Commons Speaker Rene Beaudoin. The motion was defeated by the big Liberal majority and the Social Credit party. Mr. Drew said deputy speaker W. Robinson, who should have been impartial arbiters of debate, actually carried out the will of the government.

The government had "tossed them into the Ottawa river as someone put it," Mr. Drew said.

Ike Shows Continued Recovery

WASHINGTON — (P) — President Eisenhower's doctors today said the president passed his most comfortable night since his operation. His spirits are high and his morale good, they reported in this morning's bulletin.

The medical bulletin was issued a few hours before Eisenhower, in Walter Reed army hospital, was to confer with aides on the outcome of a White House conference on the foreign aid bill.

The medical bulletin said: "The president had a more comfortable night than he has had to date."

"As for this morning his temperature is 99, his pulse is 80, his blood pressure is 132 over 70, and his respiration is 20—all of which indicate an essentially normal reaction at this time."

"His spirits are high. His morale is good." The bulletin came three days after Eisenhower underwent emergency surgery to correct an intestinal block.

World News In Brief

VANCOUVER — (CP) — Gen. Guy Simonds, former chief of the general staff, was scheduled to speak to the Canadian Legion's annual convention today on the country's preparedness to resist aggression.

Gen. Simonds is said to be in line for the presidency of the legion.

MONTREAL — (CP) — A three-alarm fire burned out of control late Monday in St. Gabriel's Roman Catholic church in Montreal's Point St. Charles district.

Flames could be seen shooting from the roof of the grey stone building along with yellow acid smoke.

MONTREAL — (CP) — Two independent Union Nationale candidates have withdrawn from the June 20 provincial election race, returning officers announced Monday.

Raoul Gagnon, candidate in Montreal Laurier, dropped out of the running leaving the field to four candidates. Arsene Gagne, Union Nationale member for the riding in the last legislature seeks a new mandate.

J. Eugene Belair announced he will not run in Montreal St. James where four other candidates are entered. The seat was formerly held by provincial secretary Omer Cote who resigned last March to accept appointment as magistrate.

VANCOUVER — (CP) — Rescue boats and aircraft Monday night called off a search for a mystery fishing boat reported grounded off Vancouver island.

The vessel was seen Sunday tipped over at an angle of 45 degrees on Pearl rocks, about 220 miles north of here, but no vessel has been reported overdue or lost.

Cypriot Ordered Executed

NICOSIA, Cyprus — (P) — A 23-year-old Cypriot today was sentenced to death for shooting at two British airmen.

The defendant, Stelios Mavrommatis, pleaded not guilty, and presumably will appeal the sentence.

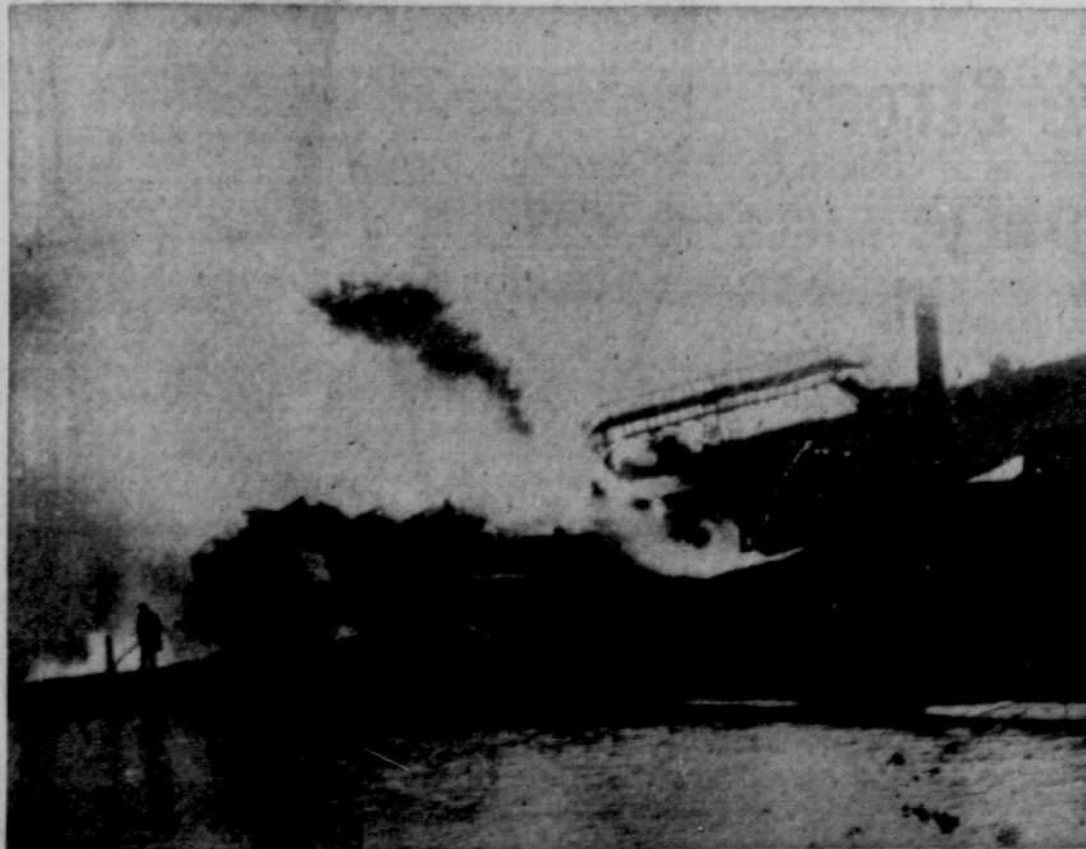

British authorities last May 10 hanged two pro-Greek Cypriots for political shootings in the struggle to end British rule of Cyprus and unite the Mediterranean island with Greece. The pro-Greek Cypriot underground claimed the following day that it had hanged two British soldiers in reprisal for the executions.

Mavrommatis formerly was employed by the RAF as a clerk. Lawrence Leith and Norman Kitchen, RAF members, testified at his trial that he was one of three persons who fired at them as they rode by on bicycles in Nicosia March 15. They said the shots missed, they fired back, chased the three men and caught Mavrommatis.

Silver Service Presented To Richmond Group

RICHMOND—A beautiful silver tea service was presented to the Women's Association of the Richmond and Melbourne United Church, by Mrs. Barrington, on behalf of the family of the late Mrs. Ruby Meist, when the Association met in the church hall. Mrs. M. Butler accepted the gift on behalf of the Association and Rev. J. Leslie Dean recited a prayer of dedication.

The meeting was presided over

by the president, Mrs. John Barrington and was attended by approximately fifty ladies. The devotional period was in charge of Mrs. Chamberlin. The musical selection "Take my life and let it be" was sung by Mrs. J. Leslie Dean, Mrs. Arnold Healy and Mrs. Douglas Kerr, accompanied by Mrs. H. Frazer at the piano. The minutes were read by the secretary, Mrs. Butler, who also read the correspondence which included five thank-you notes. The treasurer, Mrs. J. S. MacNaughton gave the financial report. Each of the five groups had held a meeting and all reported their various activities.

Mr. Dean gave a report on the projector and it was decided to have a demonstration on Monday evening. The question of having a Harvest Supper was discussed. It was agreed that the Marjorie Group would again convene the supper which will be held on September 12. The presidents' reminders were to the Emerald Group, who will do the visiting in June and have the care of the communion glasses in July. Also anyone wishing to supply flowers for the church during the summer should contact Mrs. Moreland, Mrs. W. J. Ewing, or Mrs. Dapp.

Mrs. Arnold Healy reported on the C.G.I.T. collections for the Camp Fund and on behalf of the girls expressed thanks to the W.A. for their assistance. Mrs. Chamberlin introduced the guest speaker, Mrs. N. Lothrop, president of the Quebec-Sherbrooke Presbyterian W.M.S. The theme of Mrs. Lothrop's address was divided in two parts, the first dealing with the training of children from infancy on to Sunday School, Mission Band, C.G.I.T. and Explorers. She pointed out the importance of helping them to feel that they are a necessary part of the church. The second part dealt with the work of Missions and their great need—such as our friendship to newcomers or strangers in our midst, the importance of sharing with others and helping to raise the standard of living here and abroad.

Mrs. Barrington thanked Mrs. Lothrop for her very interesting address. The president thanked the hostess committee and hostesses, also the committee who purchased the new silver tea service.

The meeting closed with a prayer by the Rev. J. Leslie Dean, following which refreshments were served.

General Notes
Mr. and Mrs. Arthur Smith have returned from a visit to Pembroke, Ont., where they visited Mr. and Mrs. Ivor Allan. Miss Helen McKee, of New York city, is spending the summer months at Beechmore farm, Windsor Road.

The news was received here of passing of Mrs. Hattie Lowell, of Rock Island, mother of Mrs. William Lasonde, of Richmond. The deceased had many friends who were grieved to learn of her passing.

The Marjorie group of the Women's Association of the Richmond and Melbourne United Church held its June meeting in the church parlour. The president, Mrs. D. Kerr, presided and the secretary-treasurer, Mrs. B. Moffat, read the minutes and presented the financial report. Final plans were made for the catering to a wedding to be held in June. It was also decided that the group would convene the "Harvest Supper" to be held in September. At the close of the meeting the hostesses, Mrs. C. Norrish, Mrs. F. Thompson and Mrs. Turner served refreshments.

A social evening was held at the Legion hall by the Ladies' Auxiliary to the Canadian Legion. Mrs. Mabel Morrill was the winner at "500". A prize was donated by Mrs. Jessie Duboyce. Refreshments were served by Comrade Clark, assisted by other members.

LIBBYTOWN—

Mr. and Mrs. Gordon Cass and family were in Lyndonville, Vt., where they attended the 50th wedding anniversary of Mr. and Mrs. W. E. Davis.

Mr. and Mrs. C. Mayhew, of Montreal, spent the week-end with Mr. E. W. Perry.

Auxiliary Donates To Rock Island Swim Project

ROCK ISLAND — The June meeting of the Ladies' Auxiliary of Stanstead Frontier Branch No. 5 of the Canadian Legion, was held in the Rock Island armory with the president, Mrs. Geneva Lyons in the chair. The session was opened in the usual manner, with reports of the secretary submitted by Mrs. Margaret Bronson in the absence of Mrs. A. Arbery. Three letters of appreciation were read and reports of committees were given. It was decided to hold a food sale at the Southern Canada Power show room on the afternoon of June 21, at 2:30 p.m. Mrs. Ada Curtis was named as convener.

It was with sadness the Branch learned of the death of one of its members, Mrs. Hattie Lowell, which occurred that afternoon in Sherbrooke. It was agreed to purchase a High Mass.

A sum of money was voted towards expense for a hospital bed for a sick person for one month. Mrs. Hattie Eryou offered to inquire into the cost of a hospital bed to be purchased for veterans and community use and make a report at the July meeting.

The sum of \$10 was voted to the Frontier Swim Project, and \$5 for a gift to a member.

The hostesses for the July meeting will be Mrs. Geneva Lyons, Mrs. Nellie Kezar and Mrs. Ivy Hatch.

The meeting adjourned and games were played. Refreshments were served by the hostesses, Mrs. Peggy Parish, Mrs. Gladys Chartier and Mrs. Edna McArthur.

MILBY—

Mrs. H. J. Stevenson, of Toronto, has been spending a few days with her sister, Mrs. E. Beattie and family. Mr. and Mrs. G. Parker and children, of Lachine, were also week-end guests of Mr. and Mrs. Beattie, and Mr. and Mrs. Johnson Beattie, in Lennoxville.

Miss Ann Bowers entertained nine young friends in honor of her cousin, Jean Bowers, who leaves aboard the S.S. Seven Seas, June 30, on a student's tour of Europe. Games were played during the evening and refreshments were served by the hostesses assisted by her mother. The girls presented Jean with an appropriate gift and surprised her with a decorated cake wishing her "Bon Voyage."

Duplessis, Or . . . ?

As the day for the provincial election draws closer, it becomes more and more apparent that the only alternatives offered the electors of this province are the return of the National Union administration led by Prime Minister Maurice Duplessis or chaos.

The National Union administration has given this province an active and progressive government, with a record of achievement of which it is justly proud. Like any organization composed of human beings, it has made its mistakes, the gravity of which must be judged by the electorate. The purpose of the Opposition is to convince the electors that these mistakes are serious and that the opponents of the administration can do a better job if they are elected to office.

But the Liberal Opposition appears to have lost sight of its prime purpose and in a desperate bid to gain power at any cost has sold its policies and principles for the support of a small but determined group of economic radicals who have been repeatedly rejected by the vast majority of the electors of the province. As each day passes, it becomes increasingly obvious that the Quebec Social Credit party has taken over the fight from the traditional Liberals.

The Social Credit spokesmen, who occupy the greater part of the time at

the Liberal rallies, make it clear that in the event the Liberals do succeed in gaining power next week, they can continue in office only by introducing such legislation as meets the wishes of the Creditists.

And it can be presumed that this is no idle threat. Whether one agrees with the beliefs of the gentlemen who dislikes their doctrines heartily, he must give them credit for sincerity, for what amounts to a fanaticism.

Liberal Leader Georges Elie Lapalme need hold no illusion that, in the event he manages to grab power in the present elections, he can dispense with his election-time playmates. He must either accede to their demands or face a complete disorganization of his party. The Social Credit forces have been given definite assurances that some of their basic doctrines will be applied if the Liberals are elected. . . Liberal speakers have never denied this assertion by Creditist speakers. They will insist upon the fulfilment, of these pledges, come what may.

So the choice facing the electors is clear:

The return of the Duplessis Government with its strength and human weakness or the election of a party pledged to the inauguration of an untried monetary theory that may well end in disaster.

Tito's Moscow Kowtow

While Marshal Tito of Yugoslavia gets the Kremlin's newly patented warm welcome in Moscow, the West must look on with great misgivings.

Tito has not spoken the final word on his present relations with Russia, but his initial responses suggest he is leaning strongly toward a renewal of wholehearted friendship.

Should he, for all practical purposes, rejoin the Soviet camp it would be poor news for the West. Since his break with Russia in mid-1948 he has made military links with two NATO countries, Greece and Turkey. He has established close ties with other Western nations.

It is quite possible, of course, that Tito may not reverse himself so completely. It is possible, too, that he may seem to do so but that the appearance may be deceiving.

No one in the West believes a "new" Russia has replaced the old, that the goal of world conquest has been abandoned. For hard-bitten Tito, a realist if there ever was one, to believe Soviet blandishments is almost incredible.

Certainly he could not have been fooled by the stage-managed resignation of Foreign Minister Molotov, timed for the eve of his Moscow arrival. Molotov, one of the architects of the Soviet-Yugoslav break, has not been in charge of Kremlin foreign policy for a year.

(It would ill behoove us in the West to read the Molotov move any more encouragingly than Tito must. This is clearly another manoeuvre in a long series designed to sell the world on the "break with Stalinism.")

Some suggest that Tito may well believe that he is acting from strength, that he is now so fixed economically and militarily that he can deal with the Kremlin on his own terms. He may be gambling, in other words, that he can move closer to Russia without being gobbled up as just another satellite.

Whatever Tito does, it is the view of seasoned judges that the United States need have no regrets at having extended him one billion dollars since 1950.

This aid contributed heavily to his independence at a time when that was vital to the peace and security of Southeast Europe. It helped produce stability in that region when turmoil would have worked only to Russia's advantage.

In 1952, for example, Italy held its most critical postwar elections and the result might not have been favorable for the West had a Russian-dominated Yugoslavia been at Italy's border. By the same token, we could not have hoped for so reasonable a settlement of the thorny Trieste issue had Tito not at the time been detached from allegiance to Moscow.

"JUST PUT IT IN MY POCKET!"

Press Comment

UNUSUAL COMPETITION
(Winnipeg Tribune)

In connection with the hearings of the Fowler Commission on radio and television broadcasting, those in favor of the status quo repeatedly claim that there is no competition between the CBC and private stations. A. D. Dunton, chairman of the CBC, gave impetus to this line of argument in a radio interview some months ago.

The contention is that the CBC is charged with co-ordination of the national system, of which private stations are an adjunct, and that "there is no competition in the ordinary sense of the term."

It is difficult to see the validity of this argument. Certainly the CBC is in competition with private stations, at least where private stations are permitted to operate with CBC outlets for audience. The CBC is also in competition with the private stations for advertising revenue.

The fact that the CBC has regulatory powers over private stations may imply that the competition between the two is not "competition in the ordinary sense of the term." But certainly in the opinion of the private stations, there is competition, and not quite fair competition at that.

EXPERTS AVOID FINESSE PERIL

One of the first lessons a beginner learns is how to take a finesse. One of the last points learned by the expert is how to avoid taking a finesse.

The expert doesn't throw finesses out of the window. He is willing to rely on a finesse when he can find nothing better. The point is illustrated by a hand played in an international match last January in London.

North made a series of strong bids without showing tremendous enthusiasm for either major suit. As a result, South got the correct impression—he was requested to bid no-trump if he could supply part of a stopper in the enemy's suit.

West opened the five of diamonds, and South won with the queen. The average player would promptly take a spade finesse, on the theory that West needed the king of spades for his opening bid. The spade finesse would lose, and the defenders would take a spade and four diamonds.

Since Charles Solomon of Philadelphia was the declarer, no such defeat took place. Solomon began by taking dummy's top hearts. Fortunately for him, the queen of hearts fell, and he was able to cash dummy's jack of hearts. He next cashed three rounds of clubs, ending in his own hand.

As it happened, the clubs broke 3-2. Hence Charlie could lead a spade to dummy's ace in

order to cash the last club as his ninth trick. If the clubs had not broken so favorably, or if the queen of hearts had not dropped, Solomon would have been in position to take the spade finesse at the end.

 1 Heart 2 Diamonds ?

You, South, hold:
 Spades 7-4-2, Hearts 7-5-4-2, Diamonds A-J-4, Clubs K-Q-J-3-2.
 What do you do?

A—Bid three clubs. You will raise hearts at your next turn.

TODAY'S QUESTION

The bidding is the same as in the question just answered. You, South, hold:

UNIVERSITY EDUCATION

Peterborough Examiner
 Canadians should get their thinking straight on the monetary value of a university education before all our colleges are swamped with applicants and an unnecessary tax bill is created to pay for meeting the demand. At present in Canada about seven percent of the 18-21 age group are attending university. Ten years hence—owing to the prestige attached to a degree and the present prosperity of Canada—it is expected that 10 percent of that age group will be at college. There are now about 67,500 university students in this country. By 1965 it is estimated there will be 128,900. We do not disparage a university education nor the desire to have one. We do not look with gloom on the increasing enrolments. But we think that only the right students should be admitted, and for the right reasons.

Bygone Days

THIRTY YEARS AGO
 From the Record of Saturday, June 12, 1926.

Russia has cancelled large orders for manufactured goods it recently placed with German firms, demanding that German banks provide better credit terms.

Women from all walks of life are staging a mighty pilgrimage in Great Britain making the journey from all parts of the country on foot to London where they plan a mass demonstration opposing further wars.

Among those taking part in an entertainment presented at Abbotsford were: Miss W. Huff, Mr. and Mrs. C. Fisk, Rev. R. R. Farrell, Miss Marjorie Fisk, Herbert Buzzell and Henry Aldridge.

TWENTY YEARS AGO
 From the Record of Friday, June 12, 1936.

After holding premiership for fifteen years, Premier Taschereau has resigned office and handed over the Liberal party leadership in Quebec to Hon. L. A. Godbout, formerly Minister of Agriculture. Wild scenes of enthusiasm swept the ancient capitol on the announcement the Legislature had been dissolved and general elections called for August 15.

Officers elected for the Ladies' Committee of the Sherbrooke Library were: Mrs. Francis Hoyer, Mrs. Charles Rose, Mrs. George Lothrop and Miss Evelyn Bradley.

Among those taking part in an entertainment program presented in Waterville were: Mr. and Mrs. F. A. Johnston, G. Plummer, Mrs. Victor Parsons, Miss Marjorie Pye, Miss Pearl Benton, Miss Irene Parsons, Miss Mildred Smith, Miss Maude Pye, Miss Ione Maskerey and Miss Beatrice Charbon.

TEN YEARS AGO

From the Record of Wednesday, June 12, 1946.

Efforts to end the lake seamen's strike were spurred today by reports that unless operators and the Canadian Seamen's Union (T.L.C.) reached an agreement within a few days the government would take control of all lake shipping to move coal and grain.

The new plant of the Shefford Woollens Ltd., remained closed today for the second day following a walkout of employees on June 10th, and David Boson, president of the Company, told the Record today the plant would not be reopened until apologies had been received from a group blamed for disturbances which occurred on Monday.

Control of the development of atomic energy and redistribution of representation in the Commons held attention of members yesterday amid debates which drew from Reconstruction Minister Howe the statement that there is still secrecy surrounding the atomic process.

FATHER'S DAY

Father is a dozen men,
 All wrapped up in one!
 I have reckoned up to ten:
 Brother, lover, son,
 Dreamer, prophet, coach, and king,
 Hero, helper, friend —
 I could count from spring to spring
 And never reach the end!

Father is a dozen moods
 Merged in one design:
 Tenderness, solicitude,
 Mirth that is divine,
 Peace of prairies, strength of stone,
 Grace that gardens gather,
 Vividly the days enthroned
 The splendour of father.

Father is a word to sow
 In the mind's cool sod;
 Jesus long and long ago
 Made it one with God.

THE CHILDREN'S HOUR

When I lock the door of my office,
 And homeward wend my way,
 'Tis to spend an hour with the children,
 At the end of a busy day.
 When I throw my tools in the tool-box,
 Hang my overalls up on a nail,
 I think of the Tots, with the curly locks,
 I just grab my old dinner pail.
 When I count the cash that is handy,
 Pull down the shades of the store,
 I fill my pockets with candy . . .
 For the kids, as we play on the floor.
 'Tis the hour for all little children,
 Betwixt the day and the night,
 To frolic on the grass, or carpet,
 For an hour of greatest delight.
 I caper with them on the carpet,
 Or play ball out on the green.
 Play hide-and-go-seek in the attic,
 Hide behind an old barrel, or screen.
 I chase them till I am tired,
 Each wild little girl and boy,
 With mischief they seem inspired,
 This hour of their greatest joy.
 My, how they like to play soldiers,
 With sticks instead of a gun.
 Quick-march, I give the order,
 And p'rhaps they'll go off on the run.
 Sometimes we just tell stories
 Of Fairies, or Arabian Knights,
 Tales of the South Sea Islands,
 Or Mounties, near Northern Lights.
 Too soon it is time for Bye-Bye.
 And they climb the carpeted stairs.
 Then God in heaven will listen
 To the children, saying their prayers.
 And now, behold they are gone.
 I may seek them, yet all in vain.
 But memory is the Golden Key
 That brings them back again . . . to me.

BATTLE OF THE CRADLES

Financial Post

What France lost on the Plains of Abraham on a balmy September morning in 1759, the French-Canadian was supposed to win back again through early marriage and big families. The battle of the cradle, it was called and the stakes, of course, the control of Canada or what was then the joint colonies of Lower and Upper Canada now Quebec and Ontario.

For years Quebec won steadily and easily and only the much heavier immigration into Ontario made it a population race at all. But recently something seems to have changed. For the last three years, reports George Gathercole, Ontario provincial economist, total births in Ontario have exceeded those in Quebec, and while the actual birth rate still favors Quebec the gap is narrowing. Quebec's birth rate, he says, has increased only moderately over the last decade, while Ontario has soared.

Part of the change in Ontario is due to more prosperity, says Gathercole, but one of the most important reasons is something entirely different. "It is a basic change in social attitudes toward the family. It has simply become fashionable to have children." It is a fashion which every farseeing Canadian will hope to see grow.

Golden Wedding

Family Honors Sutton Couple

SUTTON — Mr. and Mrs. Cecil H. Woodard celebrated their 50th wedding anniversary on June 6, when they were "at home" to their friends during the afternoon and evening at their residence on Main Street.

Mrs. Fred Knights, their only daughter, who was becomingly gowned in blue nylon, welcomed the guests, and Miss Nellie Thompson, of Boston, Mass., was in charge of the guest book.

Mr. Woodard and Mrs. Woodard, who was wearing a printed silk gown and a corsage of pink rosebuds and lilies-of-the-valley, received the congratulations of their many friends in the living room, which was tastefully decorated with bouquets of tulips and apple blossoms.

Among the guests were the wedding attendants of the ceremony of 50 years ago, the bridesmaid, formerly Miss Gertrude Jennings, of Owen Sound, Ont., now Mrs. Homer Bates, of Sutton, and the best man, Mr. Proctor Lewis, of Sutton.

Members of the family, whose presence added to the happiness of the day, included their son, Mr. Harold Woodard; a foster son, Mr. Asa Squires; their daughter, Ruby, Mrs. Knights; Mrs. Harold Woodard, Mrs. Asa Squires, Miss Marilyn Squires and little Miss Janice Knights, granddaughters, and Mr. Fred Knights.

In the dining room the buffet was adorned with June flowers, silver candlesticks and white tapers. A lace cloth, crocheted by Mrs. Woodard's mother, the late Mrs. W. O. Hawley, covered the table, decorated with tulips and narcissi, and white candles in silver holders which had been received as wedding gifts. The three-tier wedding cake, ornamented with white bells and golden trimmings, was the centre of attraction.

Tea was poured in the afternoon by Mrs. Arthur Proper and in the evening by Miss Hazel Bates and Mrs. Frank Harvey. Mrs. John Ward, a recent bride, Miss Marilyn Squires and several others assisted in serving, under the direction of Mrs. Fred Knights and Mrs. Harold Woodard, who had planned and prepared for the anniversary celebrations.

A feature of the evening's entertainment was the reading by Miss Bates of a newspaper clip-

ping telling of that June wedding so long ago at the farm home of the bride's parents, Mr. and Mrs. W. O. Hawley, of Sutton Junction. Rev. Aaron Wallace, assisted by Rev. J. J. Theakston and Rev. W. A. Wells, had performed the marriage ceremony. The guests were named, a very complete and interesting list of gifts was included and the honeymoon trip to Boston was mentioned.

Mr. and Mrs. Woodard made their first home on a farm at West Sutton, afterwards moving to one at Sutton Junction and then to that now owned by their son, Harold. Mr. Woodard later became a merchant in Sutton, but is now retired.

The couple have a large circle of friends in the community and surrounding districts, and among the membership of Olivet Baptist Church, of which Mr. Woodard is senior deacon.

On display in the living room many greeting cards and valuable gifts testified to the love and esteem in which they are

held. The latter included a lamp and a studio couch, given by Mr. and Mrs. Harold Woodard and Mr. and Mrs. Fred Knights; an electric pop-up toaster from Mr. and Mrs. Asa Squires, and several envelopes containing money. Two aluminum porch chairs and a purse of money were presented from the members of Olivet Baptist Church and other friends.

Among visitors from out of town were: Mr. and Mrs. John Badger, Mr. and Mrs. Ernest Badger and daughter, May, and Mr. and Mrs. L. H. Hastings, of Knowlton; Miss Nellie Thompson, of Boston, Mass.; Mrs. John Ward, of Montreal; and Mr. and Mrs. Asa Squires and Miss Marilyn Squires of Waterloo.

HIGH FOREST—

A Red Cross meeting was held at the home of Mrs. James McBurney, when a quilt was tied and knitting and sewing done. During the business meeting, presided over by the president, Mrs. K. McBurney, a donation of \$10, was voted to the Sherbrooke Hospital Campaign and two sick friends were remembered. At the close of the meeting a lunch was served by the hostess, assisted by her daughter, Mrs. Eric Wilson.

Mr. and Mrs. Roy McRae, of Montreal, were recent guests of Mr. and Mrs. Grant Forgrave. Mrs. K. Johnston, of Buiwer, was a visitor at the same home.

Mrs. Margaret Wilson, of Sawyerville, Mrs. L. Taylor, of Cookshire and Mr. Vincent Taylor, of Perth, Scotland, spent a few days at the home of Mr. and Mrs. Verne Wilson.

Messrs. Malcolm and Welles McConnell spent a few days in Ontario.

HOME BUILDERS...

here are a few of the reasons why YOU should specify R.O.W. Windows on your project.

REMOVABLE - R.O.W. Windows are instantly removable from the INSIDE, making cleaning and glass replacement easy.

INSULATED - R.O.W. construction assures a minimum of air infiltration.

PREFITTED - R.O.W. Window units are shipped to job sites completely assembled, ready to insert into rough opening.

QUALITY - R.O.W. Windows are manufactured of CLEAR kiln dried Pine. No other window material blends so well with home furnishings, nor provides better insulation than wood.

DOUBLE GLAZING - R.O.W. double glazing is applied from the exterior, a feature possible only with a "removable" sash, and is supplied as an extra when preferred in place of regular storm sash.

CUSTOM BUILT - R.O.W. Windows are built to YOUR requirements and specifications.

ECONOMICAL - R.O.W. Windows cost no more than ordinary windows, and in many instances cost less due to the saving made on site labour.

For further information and prices, call or write MacPherson's at Magog, manufacturer and distributors of R.O.W. Windows in the Province of Quebec.

OBITUARIES

MRS. LINDA SPENCER, OF SHEFFORD MOUNTAIN
The death of Mrs. Linda Spencer took place at the B.M.F. Sweetsburg Hospital on May 11, following a short illness.

The funeral was held at Paul Ledoux' Funeral Home, Waterloo, on May 14. Rev. Paul Busing, rector of St. Luke's Anglican Church, officiated at the service, and the choir rendered the hymns, "Rock of Ages" and "Jesus, Saviour, Pilot Me."

The deceased, who was in her 92nd year, was the eldest daughter of the late Albert Temple, and his wife, Mary Ann Payton. In 1922 she married Mr. Fred Spencer, who predeceased her in 1936.

The bearers were A. D. McKenna, W. E. Averill, C. F. Hawke and A. E. Coupland. Interment was in the Waterloo Protestant Cemetery.

Mrs. Spencer leaves to mourn her loss three children, Hazel, Mrs. D. Martin and family, of Saskatchewan; Harold, of Knowlton; Donald of Waterloo; two daughters-in-law, Mrs. Harold Spencer and Mrs. Donald Spencer; four grandchildren, June and Connie Spencer and Freddie and David Spencer; a sister, Mrs. John Coupland, of Shefford Mountain; two nieces, Mrs. C. F. Hawke, of Granby and Mrs. J. Machacek, of Winnipeg; and two nephews, M. Lucian Temple, of Boston, and Mr. Albert Coupland of Shefford Mountain, besides a host of friends and former pupils to whom she endeared herself during the 35 years in which she taught in the County of Shefford.

Among those attending the funeral were Mrs. J. Machacek, the former Alice Donaway, of Winnipeg, Mrs. Elora Temple, of Ayer's Cliff and Mr. and Mrs. Roy Cliff of West Lebanon, N.H.

The floral offerings were many and beautiful, tokens of the esteem and respect in which the deceased was held.

BOLTON PASS—

St. Andrew's Ladies' Guild met at the hall with Mrs. Fred Knowlton as hostess. Reports of the rummage sale were most gratifying, over \$100 being realized. It was decided to purchase new hymn and prayer books for the church. Another barn dance will be held on Saturday, June 16. At the close of the meeting, refreshments were served by the hostess.

Mr. and Mrs. R. Yeoman and family, of Montreal, spent the week-end at their summer home on Inglis Island.
Mr. Bruce Johnston of Montreal, spent the week-end with Mr. and Mrs. D. Charters and family.

DAVIDSON-ROSS

Saturday afternoon, at three o'clock, the marriage of Sylvia Margaret, daughter of Mr. and Mrs. Alexander C. Ross, to Mr. William David Davidson, of Saint John, N.B., son of Dr. and Mrs. Victor Davidson, of Saint John, N.B., took place in Plymouth United Church, the Rev. R. C. Tait officiating. Mr. Wright W. Gibson played the wedding music and Mrs. Gibson was soloist. White tulips and white lilies, in tall standards, palms and white candles were used to decorate the church. The pews, reserved for the guests, were marked by identical flowers, tied with white satin bows.

Given in marriage by her father, the bride wore a floor-length gown of white organdy over taffeta, fashioned with a fitted bodice, the neckline being encrusted with appliques of Swiss embroidery. The appliques trimmed the points of the long sleeves and the very full skirt and formed the headband which held her shoulder length veil of tulle illusion. She carried a Colonial bouquet of lily-of-the-valley.

Mrs. Frederick Hovey, of Montreal, as matron of honor, was in a floor-length gown of pale blue organdy over blue and pink shot taffeta trimmed with blue velvet ribbon having a pleated bodice and a very full skirt. She wore a picture hat and carried a Colonial bouquet of pale pink carnations.

Miss Anne Morrison, as bridesmaid, was attired in a gown and hat identical to those of the matron of honor and carried a similar bouquet.

Miss Roslyn Newton, niece of the bride, as junior bridesmaid, also wore a floor-length gown of pale blue organdy having a tucked bodice, a Peter Pan collar and short puffed sleeves. She wore a head bandeau of pink tea roses and carried a matching nosegay.

Mr. Tega Wood acted as best man for his cousin, and the ushers were, Mr. Gordon Ross, brother of the bride, Mr. Ian Davidson, brother of the groom, Mr. Douglas White, brother-in-law of the groom, and Mr. Victor Newton, brother-in-law of the bride.

Mrs. Ross, mother of the bride, was in a gown of navy blue lace and taffeta over taffeta and she wore a picture hat of navy tulle, matching accessories and a corsage of pink carnations.

Mrs. Davidson, mother of the groom, wore a gown of beige Alencon lace, over satin, a matching hat and accessories and a pink carnation corsage.

Mrs. A. M. MacKay, grandmother of the bride, was gowned in black crepe and she wore an Alencon lace shawl, a small black hat trimmed with violets and a carnation corsage.

The reception was held at

For their wedding trip to the Eastern United States, the bride wore a beige Shantung suit, by Deja, a John Fredericks natural straw hat, bronze accessories and a corsage of yellow marguerites.

Out of town guests were from Saint John, N.B.; Bathurst, N.B.; Rothesay, N.B.; Halifax, N.S.; Windsor, Ont.; Detroit, Mich.; Brantford, Ont.; Quebec City, Montreal and Three Rivers. Mr. and Mrs. Davidson will reside at Lancaster, N.B.

Mother-In-Law Has Key To Daughter-In-Law Peace

By RUTH MILLETT

This letter is reprinted for the benefit of women who think it is impossible to get along with one daughter-in-law. It is written by a woman who is mother-in-law to six young wives and loves them all.

"I have six daughters-in-law and I get along just fine with them all. I love them and they seem to love me.

"I just treat them as though they were my own daughters. I don't give them any advice unless they ask for it. I try to help them out whenever they ask for my help, but I wait for them to ask.

"I don't drop in on them. Instead, I keep myself busy and go to their homes only when I am invited.

"I am a widow without income and my daughters-in-law seem as ready to help me as are my sons. They also teach their children to love me. So I think mothers-in-law and daughters-in-law can learn to love each other and help each other if they really want to."

Any mother-in-law who is finding it difficult to get along with a daughter-in-law ought to learn a lot from this letter. For it makes several good points: Treat your daughter-in-law as though she were your own daughter. Go easy on advice. Don't smother your daughter-in-law with help, but be ready to lend a hand when your help is asked for.

Keep busy with your own life. Give your daughter-in-law all the privacy she wants and needs, visiting her on invitation only. Give her full credit for everything she does for you. And most important of all, desire with all your heart to get along with your daughter-in-law.

You've got to really want her

Mission Circle Observed Its 37th Anniversary

The thirty-seventh anniversary of the founding of the St. Patrick's Mission Circle was celebrated on Sunday with corporate Communion at the 8.15 a.m. mass. Rev. Father A. Chafe of Scarborough Foreign Mission Seminary, Toronto, delivered sermons at all the masses.

In the afternoon, in the Canon Fissette Memorial Library of St. Patrick's Church, Father Chafe spoke to the members of the Circle and invited guests on the work that had been accomplished in less than fifty years in this country in connection with missions. He pointed out the great benefits to be derived by those who interest themselves in this worthy cause and said that more and more priests are needed to carry on the work. Father Chafe praised the Mission Circle for their many years of zealous efforts on behalf of missions.

Miss Geraldine Hebert, president, introduced the guest speaker and Miss Ariene Hand thanked him.

Seated at the head table, attractively decorated with a crystal bowl of lilies of the valley and lilies were Rev. Father Chafe, Rev. Father J. Clark, Miss G. Hebert, Miss Gladys Mullins, one of the original members, and Mrs. Victor Brownlow, secretary. The individual tables were centered with vases of lilies of the valley.

Mrs. Fred Wilson and Miss Mary McConnell poured from a table adorned with deep rose tulips and mint green candles in crystal candelabra. Tea conveners were Miss Valerie Brunelle, Miss Evelyn Murray and Miss Florence Clark.

KINGSEY-

The little daughter of Mr. and Mrs. Nelson Mastine was christened at the afternoon service in St. Paul's Church with Rev. Mr. Harrington officiating. The little girl received the name of Marilyn Jean, the Godparents were Miss Frances Mastine, of Tremholm, Mrs. Jacques Gervais and Mr. Robert Murchie of Richmond. Following the service, Mr. and Mrs. Mastine entertained at the tea hour when guests included the godparents, Mrs. Eddie Mastine and daughter, Dorothy and Mr. and Mrs. Harold Blake and children, of Kingsey Falls, Mr. and Mrs. Howard Mastine and two children, of Richmond and Mr. and Mrs. Fred Mastine. Week-end guests at the Lockwood home were Mr. and Mrs. W. J. Carson, of Montreal and Miss Sylvia Perkins, of Danville.

Models' Slim Figures Surprise To Russians

MOSCOW—(Reuters)—Six lovely British mannequins brought surprised murmurs from 1,000 Russian spectators at the opening here Saturday of a three-week display of British fashions.

The audience was as much intrigued by the models' slim figures and swaying hips as by the wide line of goods on show at the flag-decked pavilion in Moscow's Gorky Park.

All the Russians in the specially-invited audience commented on the British models' figures which are of the proportions generally accepted among leading fashion houses in the West.

A group of Russian mannequins, far more buxom than the British girls, attended the show and said politely the British clothes should have a "great success" in Moscow. But they talked mostly about "how slim those English models are."

Milby Couple Entertained On 40th Anniversary

MILBY — Mr. and Mrs. Robert Nutbrown, of Hatley, were the guests of honor at the Milby Church Hall when about 100 relatives and friends gathered to help them celebrate their 40th wedding anniversary. Mr. and Mrs. Rupert Nutbrown and Mr. and Mrs. Albert Nutbrown planned the party for their parents, and Mr. Clarence Nutbrown acted as master of ceremonies during the evening. The guests of honor were presented with a set of dishes and an electric tea kettle and numerous other gifts on behalf of the guests who came from Hatley, Stanstead, Beebe, Moe's River, Draper's Corner, Birchton, Lennoxville, Danville, Sherbrooke, Waterville, North Hatley and Coaticook.

On entering the hall, the happy couple was presented with a corsage of yellow carnations and a boutonniere by their oldest son, Rupert, and his wife. After congratulations were given, dancing was enjoyed to volunteer music until refreshments were served. The wedding cake had been made by Mrs. Albert Nutbrown and decorated by Mrs. Walter Blodgett. The happy occasion was brought to a close with the best wishes of their friends and the singing of "For They Are Jolly Good Fellows".

A workman at the pavilion said bluntly: "They're too thin—they need fattening up a bit."

A similar but more diplomatic comment came from Mrs. Andrei Gromyko, wife of the deputy foreign minister, at a special rehearsal Friday. She wondered whether the models were not "a bit too slim" for the Russian woman's figure.

Show organizer Mrs. Betty Millan assured Mrs. Gromyko that all the dresses being shown could be adapted for "any shape, size or figure."

A great favorite, especially among the men, was tall, glamorous Molly Frith who wears her blonde hair at shoulder length. The audience rose to their feet—as much from surprise as enthusiasm—when she appeared in form-fitting white cotton slacks, sleeveless white sweater with pink stripes and a white wool stole.

Another shock for the Russians came when pretty, dark-haired Joy Slape saucily flipped up her skirt to display a black petticoat hemmed with lines of pink, blue and lemon.

"Throughout most of the showing, however, the spectators were too busy making sketches of the dresses to display many outbursts of enthusiasm.

You owe a thank-you note to every person who gives or sends you a graduation gift. So don't put it off. They needn't be long, but they should be enthusiastic. And the sooner they are written the better.

Cutting The Tape — S. E. Giles, Director of Protestant Education in the Province of Quebec, snips the ribbon to open officially the new Windsor and Brompton Consolidated School. Watching the ceremony are some of the platform guests, from the left: G. L. Rothney, supervisor of the Richmond-Drummondville-Arthabaska schools; Mr. Giles, who was also guest speaker; George Witty, chairman of the Windsor School Board; A. J. Phillip, who thanked the speaker; Miss Marion Reed, principal of the school, and A. E. Dyson, of Richmond, a member of the R.D.A. Central School Board. At the back, left, is H. S. Sanderson, of Ayer's Cliff. Following the formalities, a tour of the building was conducted by senior pupils and refreshments were served by the Home and School Association.

Formal Opening Of New Windsor-Brompton School

WINDSOR. — Today's students are having a harder time getting through school than their parents did, E. S. Giles told the audience at the formal opening of the new Windsor and Brompton Consolidated School on Friday night.

Mr. Giles, director of Protestant Education in Quebec Province, conducted the opening ceremonies and was guest speaker.

He described the examinations students write today before graduation as much harder than those written by their parents. He looked to a future in which intellectual development and emotional strain would increase and in which more time would have to be devoted to mental health and to the remedy of physical defects.

Mr. Giles stated that two major problems faced educationalists today, namely financing and teacher recruitment. In 1931, a school teaching grades 1 to 11 averaged four teachers to 100 pupils, with the principal teaching all subjects in grades 9, 10 and 11.

Under the Richmond-Drummondville-Arthabaska centralization, things changed rapidly. Incidentally, the speaker stated that the first consolidation of schools took place in the County of Drummondville, which has always been a forward looking county.

In the ten years since World War II, growth has been phenomenal, with no greater progress

anywhere in the province than in the R.D.A. district, with an increase of 45 per cent in the number of pupils and 40 per cent for teachers. Thus, although taxes have doubled, costs have more than doubled.

Turning to the problem of recruitment of teachers, Mr. Giles blamed general prosperity for the present shortage of teachers, many young men and women preferring business offices to the classroom, although starting salaries have reached a point where teaching has the advantage.

He stated that the teaching life of a female teacher is short, many marrying before their certificates become permanent, and that the teaching average is nine to ten years. "You cannot expect high school graduates to be thinking of pension plans when they go job hunting," he admitted, although the fact that the Quebec pension system is the best on the North American continent should be taken into consideration, it being based on 70 per cent of the 10 highest salaries.

One of the most important reasons for the shortage of teachers is that since 1945 the school population has risen from 65,000 to its present 93,000.

Mr. Giles mentioned a new art course, which is beginning in the schools in September and

stated that music and art create a more rounded personality. He warned however, that the school cannot replace the church and the home, which are the real fountainheads of education.

"To be a Christian, to be educated, to be a good citizen, these are the aims of education," concluded Mr. Giles. The speaker was introduced by G. L. Rothney, Supervisor of R.D.A. Schools, and thanked by A. J. Phillip.

George Witty, chairman of the school board, welcomed those present and paid tribute to the men who had seen the need for a new school and enlarged sports facilities and who had worked so hard to attain the present fine results. He also thanked the Provincial Government and the Department of Education for making it possible.

Rev. Vaughn Wilford then dedicated the school.

His Worship, Mayor T. Bolduc, spoke in French and English, congratulating the Board on the fine new building and declaring it one of which the whole town

can be proud. Emelien Lafrance, M.L.A. for Richmond county, G. R. Lessard, inspector of Protestant Schools, and W. Dixon, of Montreal, also spoke.

Greetings were brought from the Protestant Committee of the Council of Education by Dr. C. L. Brown, of Ayer's Cliff; by H. S. Sanderson from the Quebec Association of Protestant School Boards, by M. J. Perry from the Provincial Association of Protestant Teachers; by A. E. Dyson from the R.D.A. Central School Board and by G. Durand, of the Roman Catholic School Commission of Windsor.

Seated on the platform, in addition to those previously mentioned, was A. Goudreau, past M.L.A. for Richmond county, to whom the school trustees are deeply indebted for his many trips to Quebec City with board members and for his assistance in obtaining a substantial grant.

Other platform guests were Dr. E. Jacques, Union National candidate for Richmond county; A. L. Perry, architect; L. H.

Williams, general contractor; M. Plandin, president, Home and School Association, and Board members, W. E. Rice, W. T. Houghton, H. Robinson, H. Farquhar and S. M. Paige.

The principal, Miss Marion Reed, spoke briefly and introduced the members of the staff, Miss U. Bozer, Miss T. Mills, Mrs. R. Lemoine and Mrs. J. W. Watt.

Rev. W. Reed gave the opening prayer and Rev. Vaughn Wilford pronounced the Benediction.

Among the out of town guests were: E. Denison, Lennoxville; Miss Verna Hatch and W. Gibson, Sherbrooke; Mr. and Mrs. L. Somerville and H. S. Stone, Richmond; Mr. and Mrs. A. Roy, Montreal; Miss Doris Welch, Cowansville; R. Reed, North Hatley; J. S. Prangley, Bury, and J. L. McKeen, Magog.

Katherine Dubuc, a grade 8 student, played the accompaniment for O Canada and God Save the Queen.

A tour of the building was conducted by senior students, after which the Home and School Association served refreshments under the conversership of Mrs. R. Wheeler, with Mrs. A. J. Phillip and Mrs. G. Witty pouring coffee.

Solemn Ceremonies Mark Dedication Of Church, Ordination At Thetford

THETFORD MINES — The new St. John the Divine Anglican Church was dedicated Thursday evening in a colorful and beautiful, but no less solemn ceremony. Present were a number of the highest ranking dignitaries of the Anglican Church in Quebec, including Archbishop Philip Carrington, D.D., D.C.L., M.A., S.T.D., from Quebec and Archdeacon R. F. Brown, M.A., formerly of St. Peter's Anglican Church in Sherbrooke and now rector of St. Mathews in Quebec.

Thursday evening and Friday morning saw two separate and distinct ceremonies, a dedication and an ordination, celebrated in St. John the Divine Church, but though they were such separate ceremonies, they yet complemented each other so closely that they became part of a very beautiful whole.

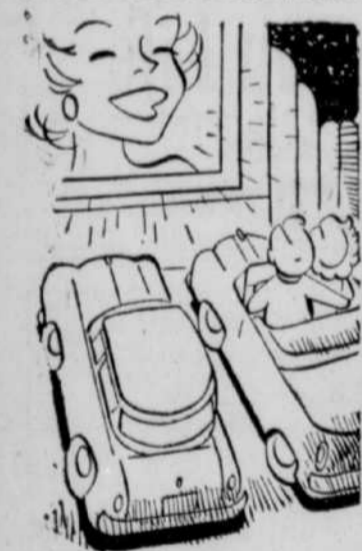

The ceremonies began Thursday afternoon with a quiet service conducted by Archbishop Carrington for local and visiting clergy and for Donald Grover Kendrick, ordainant.

Following the pre-ordination service some 25 visiting clergy and guests sat down to a supper in the Church Hall. Among the supper guests, in addition to Archbishop Carrington, were Archdeacon Brown; Canon Dunn, of Cookshire; Canon C. E. S. Bown, La Tuque; Rev. Mr. Norris, Bury; Rev. Mr. Walker, Scotstown; Rev. George Robbins, East Angus; Rev. S. A. Meade, Grand'Mere; Mr. Kendricks and party from Montreal and Halifax; Alfred Penhale, George Smith, Ralph Johnston, Arthur Johnston and B. Gagnon, the architect who designed the church. Also invited but unable to attend were J. Turcotte, Quebec, contractor for the church building, and Mr. Blouin, building superintendent.

At the close of the meal the party repaired to the church for the dedication services which began at 7:30 p.m.

The service, with the church filled to capacity, began with the singing of a hymn. During the hymn a procession was organized, consisting of the rector and some visiting clergy, wardens and laymen of the building committee, and this procession proceeded to the west end of the church.

Brighter Stars for Drive-in-Viewers

Your favorite movie star's smile beams three times as clear and bright from an aluminum screen recently developed for outdoor theatres.

The new screen has won the praise of both audiences and owners. Little wonder the latter like it: one operator found his receipts increased by \$40,000 in two months after he replaced his conventional screen with the highly reflective, weather-proof aluminum job.

And so it goes... Still another improved product, still another use for this versatile modern metal. The result: everybody gains by production from Canadian smelters that already account for a quarter of the world's primary aluminum.

ALUMINUM COMPANY OF CANADA, LTD. (ALCAN)

The Archbishop and his chaplains, in the meantime having completed an outside circuit of the church, arrived at the west door and the Archbishop knocked three times with his staff. The door was opened by Church Warden Arthur Johnston, who then read a petition asking the Archbishop to dedicate the church. The Archbishop, having given his consent, offered a prayer, after which the whole procession formed and went in to the main body of the church. During this procession the 24th Psalm was sung. Clergy and laymen took their positions in the sanctuary and chancel and the service proceeded.

Evensong was conducted by the rector, Rev. M. H. W. Seelye. Rev. George Robbins read the lesson. Archdeacon Brown then read the documents of permission signed by Archbishop Carrington. Church Warden Johnston gave the Archbishop a list of the gifts to be dedicated, which he proceeded to do.

The gifts were: Silver cross and vases in memory of A. H. Visser, presented by his wife, Agnes Visser; silver candlesticks in memory of Lovetta Seelye, presented by her family and friends; lavabo in memory of Lovetta Seelye presented by the Senior W.A.; silver bread box in memory of Lovetta Seelye presented by St. John's Ladies' Guild; two silken flags, Canadian Red Ensign and Anglican Church flag, in memory of Mabel Monro, presented by her husband, H. L. Munro; an oak almsbox in memory of Joseph M. Johnston, presented by his wife the late Adella Johnston; oak hymn boards in memory of Beatrice Johnston Brink, presented by her sisters and brothers.

Windows dedicated were: "Mary meets the Risen Christ," in memory of Stanley Briggs, presented by his wife, Kathleen Briggs; "Christ in the Temple," in memory of the new church; "Moses," in memory of Lt. David Bindman, presented by his parents, Mr. and Mrs. Carl Bindman; "Elijah," in memory of Tracey and Stanley Briggs, presented by their sister, the late Mrs. A. S. Johnson; "Baptism of Jesus," in memory of Beatrice Johnson, by her sister, M. E. Pearl Johnson.

Archbishop Carrington gave the dedication sermon. The ordination service, with a good crowd in attendance, began at 8 a.m. on Friday. Service opened with a hymn and immediately after Archdeacon of St. Francis, the Ven. A. Jones, of Lennoxville, presented the candidate Donald Grover Kendrick, for ordination.

After the solemn and moving ordination rites Rev. Mr. Kendrick took part in the Communion service, along with the Archbishop and the rector, Rev. M. H. W. Seelye. The sermon was given by Dean Seaborn, of Holy Trinity Cathedral, Quebec. At the completion of the service the clergy and their guests partook of breakfast in the Parish Hall, served by the St. John's Ladies' Guild.

Mr. Kendrick's wife who lived with her parents in Halifax while he completed his training at Bishop's University, and her parents and Mr. Kendrick's parents from Montreal were present for Friday's ordination service. Mr. and Mrs. Kendrick will remain in this area, as he is the new incumbent at Inverness.

It is interesting to note that this was the first time in the history of St. John's Church that an ordination service had been held here and it seemed a fitting climax to the dedication ceremonies that it should occur now. It is the third Anglican dedication ceremony to take place in Thetford, the first being in 1883 by Bishop Dunn, and the second one in 1914. Mr. Seelye's pleasure in the dedication ceremony was added to by the fact that four of his five children, including Mrs. Gonzague Tremblay, of Chicou-

Sharon Snow presented Miss Griffith with the gifts in an attractive decorated dolls carriage. The bride-to-be was assisted in unwrapping the gifts by her mother, Mrs. Myrlyn Griffith, and her fiancée's mother, Mrs. Leonard Goodhue. Miss Griffith graciously thanked everyone for the lovely cups and saucers, giving special thanks to the hostesses, Mrs. Porter, Mrs. Snowe and Mrs. Hills.

Bride-To-Be Entertained By Richmond Friends

RICHMOND — A cup and saucer shower was held at the home of Mrs. Howard Hills, College street, in honor of Miss Helen Griffith, a popular bride to be of the month. Miss Griffith was completely taken by surprise when she was met by a group of relatives and friends gathered in the darkness. She was presented with a corsage by Mrs. Hills and escorted to a decorated chair.

The rooms contained baskets and vases of tulips, the dining room table being covered with a hand crocheted table cloth, centered with a bride's cake, topped with a miniature bride and groom, pink candles in silver holders, pink and white streamers fastened at the corners with forget-me-nots.

The guests were entertained by a jumbled word contest conducted by Mrs. Rupert Porter, Mrs. Max Hughes winning the prize, after which a give and take game was conducted by Mrs. Helen Snowe for which several prizes were awarded. A few piano selections were played by Miss Smith.

After the games, little Miss

In Memoriam

BENNETT — In loving memory of our dear husband and father, Otis R. Bennett who passed away on June 12, 1952.
Gone dear father, gone forever,
How we miss your smiling face,
But you left us to remember:
None on earth can take your place.
A happy home we once enjoyed,
How sweet the memory still;
But death has left a loneliness
The World can never fill.
Ever remembered by,
HIS WIFE & FAMILY.

BENNETT — In loving memory of Hugh E. Bennett who passed away on June 12, 1949.
HIS WIFE SARAH, & FAMILY,
North Hatley, Que.

ROSE — In loving memory of our dear father and grandfather, Mr. James A. Rose, Kingsley Falls, Que., who passed peacefully away on June 13, 1950.
"Sheltered by the Rock of Ages,
Anchored on the Golden Shore,
In the loving arms of Jesus.
To rest forever more."
Ever remembered by,
LILIAN, EDDIE and KAY ROCKETT.

STREETER — In loving memory of a dear husband, father and grandfather, Otis W. Streeter, who passed away June 12, 1953.
A loving smile, a heart of gold,
Friends who knew him will know
How much we lost three years ago.
Always remembered by,
HIS WIFE & FAMILY.

Obituaries

JOHN SAMUEL HALL LYSTER OF KIRKDALE
KIRKDALE — One of Kirkdale's oldest and most respected residents, John Samuel Hall Lyster, passed away at the Sherbrooke Hospital on Monday, May 27th year, who was in his 78th year, had suffered a heart attack three days previously.

The funeral was held from Storie's Undertaking Parlors, Richmond, to Holy Trinity Church, Kirkdale, on Wednesday afternoon, May 30. The flower-covered casket was carried by six nephews of the deceased, Rev. James Brown, of Drummondville, minister in charge of Kirkdale, conducted the service.

His favorite hymn, "Abide with Me," and the "Nunc Dimittis" were sung by the choir, with Mrs. Louise Fee at the organ. The church was filled with relatives, neighbors and friends who had come to pay their last respects to an old and valued resident.

Mr. Lyster was the third son of the late William G. Lyster and his wife, Isabelle Hall. He was born on the old homestead, now owned by Ross Nixon, and had lived all his life in Kirkdale. In 1880 he married Eva Alice Houleston, of Three Rivers, who predeceased him on January 27th of this year. They had one son, who died in infancy.

Posessed of a cheerful nature, Mr. Lyster made many friends and was well and widely known as a kind and obliging neighbor. He loved his church, of which he was a life-long member, and was cemetery warden at the time of his death, an office he had held for many years.

Of his large family, only one sister, Mrs. Maude Skillen, survives. He also leaves a number of nieces and nephews and several cousins.

The remains were taken to Montreal for cremation and the ashes were buried beside his wife and infant son in the cemetery of which he had taken such care.

Present at the funeral were relatives and friends from Montreal, Lachute, Ville La Salle, St. Lambert, Halifax, Sherbrooke and the neighboring towns of Richmond, Melbourne and South Durham.

The Many-Splendored Thing...

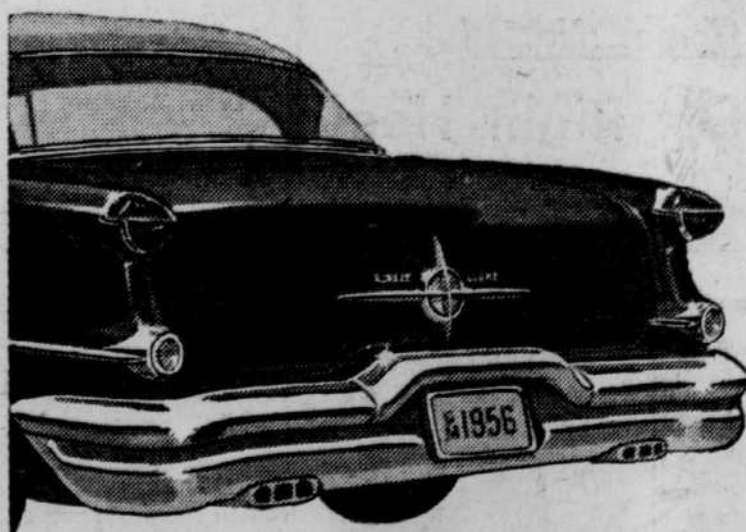

Splendor is everywhere in Oldsmobile.

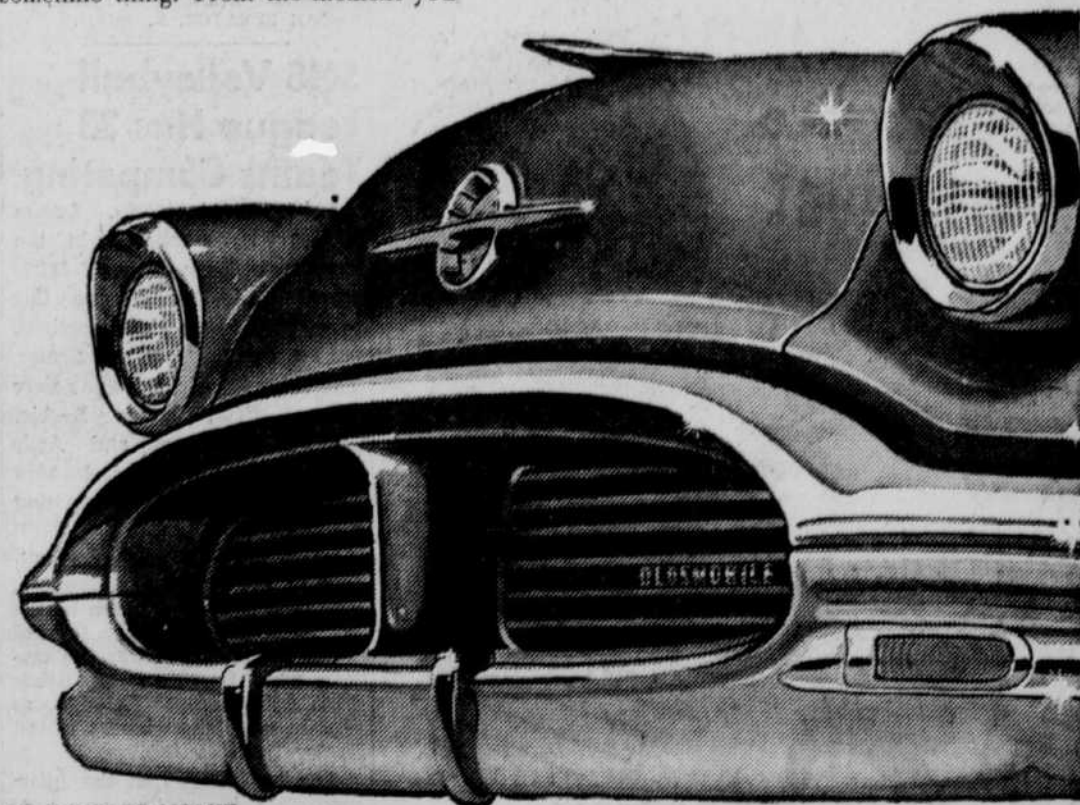

There's the splendor of distinctive Starfire styling—fresh, dignified, but so alive. There's the splendor of rich, custom-tailored interiors—luxurious, gracious and so comfortable. And there's the splendor of mighty power, tamed to go quietly about its task of producing swift, smooth motion.

And this Oldsmobile splendor is not a sometime thing. From the moment you

proudly take possession until that distant day when you decide to trade it in on an even more exciting Olds of the future, you'll keep discovering new splendors in this unusual car. And you'll keep reflecting all the while how wise you were in 1956 to step up from the ordinary into an Oldsmobile.

Indians Hosts To Coaticook Tonight At Park Avenue Stadium At 8:00; In Only Game In E. T. Baseball League

Sherbrooke Indians will be hosts to the Coaticook Canadiens this evening in the only tilt slated in the Eastern Townships Senior Baseball League. The tilt is booked to commence at 8:00 at the local Park Avenue Stadium.

The Indians will be trying to maintain the upper hand over their rivals and no doubt Manager Guy Proteau will send one of his top hurlers into action in an effort to pick up the decision. On the weekend the Indians' two tilts were washed out.

The Canadiens came through with an upset Saturday night when they eked out a close 2-1 victory after a close battle. On their last appearance at the local park the visitors dropped a hard fought 2-1 verdict to the Indians in which the teams battled through 13-innings before a decision was reached.

The locals haven't played since last Thursday when they took the count of Thetford Miners 7-2 and will be gunning for their fifth victory against one loss. The Indians were setback by the Miners in their first appearance at Thetford to the tune of 7-4.

Following tonight's tilt the Indians will travel to Coaticook Thursday for a return visit while on the weekend Plessisville will pay their initial visit of the season to Sherbrooke in an evening fixture at 8:00.

Manager Proteau will have his complete lineup in action for tonight's battle and will probably send his ace hurler, Bert Cotterell, to the mound although he has three others to choose from. The rest of the team will also be on hand.

St. Pat's White Sox Edge Kiwanis Senators 8-7 In Close Battle; One Game On Tap This Evening

St. Pat's Old Boys sponsored White Sox lead the pack in the Little League. They edged the Kiwanis sponsored Senators 8-7 at the Parade Grounds last night and had to come from behind to do so.

A change has been made in the Little League standing. The game June 4th between Athletics and Senators was thrown out as the teams had ineligible players taking part in the game. Tonight at the Parade Grounds Senators play their second game in a row against the Red Sox, game time 6:30.

In last night's game at the end of the third inning Senators had a 6-1 lead and added one more in the bottom of the fourth. They seemed headed for certain victory but a fighting fifth and sixth inning, for the White Sox, netted them seven runs and pushed them one run ahead to take the lead. They held on to this as Senators went scoreless in the bottom of the sixth.

The teams served up good ball and are improving as the season progresses, a feature of the game last night was the brilliant unassisted doubleplay by Lachance White Sox outfielder. It was in the final inning when the Senators threatened to tie up the game. Other stars on a good White Sox team, where Ogonoski, with four hits, one of them a circuit clout, and Findlay with three hits. Starring for Senators were Thomas and Belance.

Ben Hogan Claims US Open Will Be Won By Lowest Score Ever; Calls Oak Hill Course Easiest Open Course

ROCHESTER, N. Y. —(AP)—Stoical Ben Hogan confounded listeners Monday by calling Oak Hill 'one of the easiest open courses I've ever played' and in the next breath adding: "I'm playing pretty rotten. Unless I improve, my chances don't look very good."

Early arrivals for the 56th annual National Open golf championship, beginning Thursday, immediately accused the Texas master of launching a campaign of "confusion warfare."

"That's Ben," dourly said one of his longtime rivals. "He's talking about how easy the course is so they'll toughen it. He knows he has a better chance on a tougher course."

Hogan, looking a mite thinner and more tired than when he was beaten by Jack Fleck at San Francisco last year in his bid for an unprecedented fifth Open championship, predicted the tournament would be won by one of the lowest scores ever.

Other contenders joined Hogan in saying the beautiful, tree-lined Oak Hill course is far from the nightmares dreamed up by the U.S. Golf Association, in tournaments past. They called it "a fair course, but not an easy one."

Paul Desmarais Stars As Duchess Downs Legion 14-8; Jimmy Smith Clouts Homer; Tilt Slated Tonight

RICHMOND—21-year-old Paul Desmarais was the big factor in the Duchess win over Legion last night. Credited with seven putouts, all pop-ups, he helped his team to a 14-8 victory over coach "Tuff" Gregory's charges. Though scoring only once in the game, he gave a good performance in the outfield. At times he had to make rushes to get at the ball and twice he caught the ball with his left hand only.

Hughie Lancaster also played well for Duchess getting a homer, with two men on in the sixth, along with a double and a single. He had three-for-four. Jacques Marier, playing in No. 3 position, had three-for-four, counting four times for his club. Sylvio Viens hurled the game and gave way to Red Gauthier in the seventh after five hits. Gauthier had walked three in a row and Denery Bouchard hurled to the last man.

Viens allowed twelve hits and fanned one. Rollie Letourneau, giving the distance for Legion, gave up twelve hits, fanned eight and allowed two walks. Jimmy Smith homered for Legion in the seventh bringing in two men, but his blast was to no avail as his team was unable to continue the pace. Duchess had opened the scoring with two runs leaving Legion scoreless for two innings. The Duchessesmen were retired in order in their half of the second but came back in the third to score three runs to lead 5-0. Legion got into the game in their half of the third with three runs off four hits. Both sides were put out in order in the fourth and two runs in the fifth put Duchess ahead by four.

The Legion team was unable to count any runs in the fifth and sixth but a seven-run blast in Duchess' sixth gave them a commanding lead which they held onto. Smith drove out his homer. Desmarais caught Letourneau's fly in right-field to retire the first man. Noel and Kydd got on base with singles and then Gauthier was brought in for Viens. After walking three manager Paul Desrochers pulled Gauthier and sent Bouchard in to face Jimmy Pve. He flew out to Desmarais to end the game in favor of Duchess.

Smith had three-for-four while Frank Bergeron had two-for-four. Tonight's game has Bell Tel. meeting Brown Shoe while Sunday's game was rained out. It will be played Thursday night. Duchess ... 203 027 0—14 12 2

Bill Abernathie Signed By Seals

SAN FRANCISCO—(AP)—Jetty Donovan, president of San Francisco, Seals, announced Monday the Pacific Coast League club has signed Bill Abernathie, right-hand pitcher, formerly owned by the Cleveland Indians.

Abernathie, just out of the Marines, is 25 years old. In 1954 he was sold to Montreal but joined the Marines before the season started.

San Francisco—Flash Elorde, 130, Philippines, stopped Gil Velarde, 130, Los Angeles, 7.

Master Your Game... No. 24

Weight Off Right Heel

By JACKIE BURKE
Master of the Masters

Count how many times you did the following things during your last game.

- 1—Try for extra yardage with the driver instead of merely striving to hit the fairway.
- 2—Flirted with bunkers.
- 3—Bit off a corner of a green when you should have used all of it.

Why be haphazard? Decide before teeing off whether you are going to play match or medal. Match is a hole-by-hole contest against an individual.

It requires a boldness not conducive to intelligent medal play. It may be to your advantage to be shorter off the tee than your opponent in order to play first for the green. Depending on your opponent, it may be to your advantage to attempt to outdrive him, if, for example, he is not as long a driver as he believes himself to be.

While match is by far the more popular among friendly amateurs, particularly the Nassau variety (two nine-hole matches combined with an over-18-hole match), medal is winner on a percentage standpoint, so much so that most good match players find that the strategy of medal will win more matches.

If you have a match with everyone in the foursome, it is foolish to play match.

How can you possibly fit the strategy of each hole to the technique of each opponent?

A good medal round is bound to conquer the cobbed mistakes and gambits of all.

The average person is by temperament unconditioned for the rigors of match play. (NEA) NEXT: Forego driver until ready.

Ben Laughren Pulled Out Of Famous Straits

VICTORIA—(AP)—Ben Laughren of Victoria, 270-pound aspirant to long-distance swimming titles, was pulled from Juan de Fuca strait Monday in his fourth attempt to swim the 18.3 miles from Victoria to Port Angeles, Wash.

His efforts to conquer the once-beaten strait are getting progressively better. This time he covered about 11 miles from his starting point before swift tides and 45-50 degree water forced him out. He says he'll try again.

Only American League Hurler To Post Nine; Victory Earns Split With Cleveland; Cards Blow Lead

Tom Brewer, the young righthander, was almost forgotten in pre-season talk of Boston's pennant potential. Today he's the only American League pitcher with nine victories.

In early spring, the 24-year-old North Carolinian was mentioned only as the fourth man in the Red Sox pitching picture. Frank Sullivan, Bob Porterfield and Willard Nixon were the big guns. Today this trio can only count nine successes among them, with 10 defeats. Brewer's only loss was to New York.

An 11-10 record last season and a 10-9 mark in 1954 put Brewer in the shadows. Now he's sailing free and easy, with a neat 2.38 earned-run average, eight straight victories and six complete games in 11 starts.

Brewer set down the second-place Cleveland Indians on three hits Monday night, 5-1, for his seventh straight verdict over the Tribe, the third this season. Brewer's win gave the Sox a split in their day-night doubleheader. Porterfield gave the Tribe only four hits in the day game, but three home runs and Cleveland took it 4-1.

The split left the Tribe 3 1/2 games behind the idle New York Yankees. Baltimore replaced Detroit in fifth, by one point, edging the Tigers 5-4. Washington split a two-night twin-bill with Kansas City, winning 4-3, then losing 6-3.

St. Louis blew a chance for the National League lead, losing to Brooklyn 8-6 as the Dodgers moved into fourth place while Milwaukee slumped to fifth in a 6-2 defeat by Philadelphia. St. Louis fell from second to third behind Cincinnati and Pittsburgh, idle along with New York and Chicago.

Brewer has been a one-man gang for the fourth-place Red Sox. He's had 11 hits in his last 29 at bats for a .379 average and has handled 29 fielding chances without an error. He had two singles and drove in the deciding run Monday night against loser Mike 4-6 Garcia after Jackie Jensen had tied it one-all with his sixth homer. Ted Williams had two doubles in Boston's 10 hits, and Al Rosen homered off Porterfield, now 2-5, in the day game. Ray Narleski pitched 3 1-3 innings of one-hit relief to save Cal McLish's second victory.

Columbus Jets Are Roaring, Bump Leafs For 15th Win; Rolling Along At .682 Pace For Past Few Weeks

Columbus Jets are the hottest team in the International League at the moment, scooting along at a .682 clip for the past 2 1/2 weeks.

They made it 15 victories in 22 games since May 24 with a 2-1 decision over Toronto Monday night. But while the victory upped them to third place, they've managed to gain only two games on front-running Montreal in that span.

The Royals padded their lead to two games over idle Rochester with a 13-8 frolic over Richmond in the only other game scheduled. Montreal has been winning at a .625 pace since May 24 and Rochester has been playing .647 ball, which explains the Jets' slow climb.

An unearned run got the job done for Columbus against the Maple Leafs, who have been below .500 for the 2 1/2 weeks. An error by first baseman Ed Stevens, a wild pitch and Butch McCord's single got the run home in the third. Singles by Spook Jacobs, Dave Melton and Russ Sullivan brought one across in the first inning.

Lefty Bob Kuzava won his sixth in eight decisions, although clipped for 10 hits and relieved after 6 1-3 innings. Southpaw Ken Johnson was the loser, for a 2-4 record, despite nine strikeouts in the seven frames he worked.

The defeat dropped the Leafs into fourth. It was their 11th loss in 19 games. Columbus, in fifth place May 24, now has a half-game edge on Toronto, although still seven games back of the Royals.

Nine runs in the third beat Richmond for Montreal, which sent 14 men to the plate in the big frame and shelled starter Jim Coates with six hits that were good for seven of the runs. The other two came off Dick Starr. It was Coates' seventh defeat in nine decisions.

Billy Loes To Start Today For Orioles

BALTIMORE—(AP)—Manager Paul Richards of Baltimore Orioles will shoot his biggest gamble of the season Wednesday by starting pitcher Billy Loes against Detroit Tigers.

There was slaughter when Richards paid Brooklyn Dodgers a bundle of cash for Loes on May 14. It was common knowledge Loes had a sore arm. He had tried to pitch in only one game for the Dodgers and couldn't get past the second inning.

The patient Richards let Loes practice without playing, and finally trotted him out in the ninth inning against Kansas City Sunday.

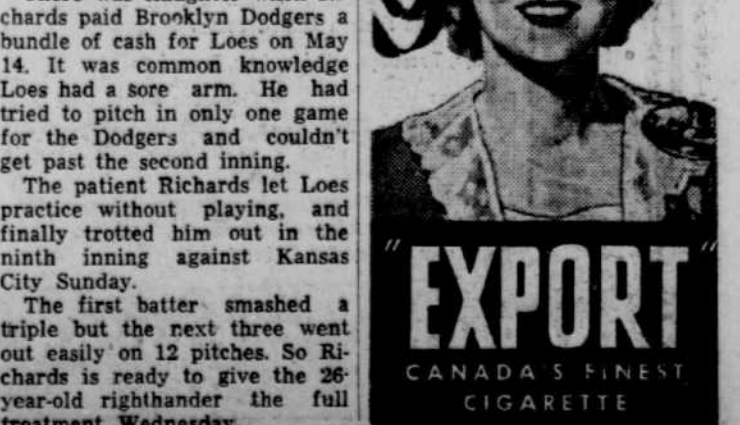

The first batter smashed a triple but the next three went out easily on 12 pitches. So Richards is ready to give the 26-year-old righthander the full treatment Wednesday.

Canadian Riders Place 9th And 12th In Opening Day Of Equestrian Games; Otto Rothe Of Germany Leads Event

STOCKHOLM (AP) — The superb horsemanship of riders from five nations turned the opening event of the equestrian Olympic Games Monday into a colorful and tense drama in Stockholm Stadium.

Horses and riders from Germany, Britain, Switzerland, Finland and Russia went through the intricate, academy-like — and usually unspontaneous — dressage moves in near-perfect precision to take the lead in three day trials.

John Rumble, 22-year-old University of Toronto student, was ninth among today's 30 contestants. He rode Clroy, an Irish-bred horse, and received 122.8 penalty points.

Brian Herbinson, 27, who works for a Toronto insurance company, had 131.2 penalty points aboard Tara, an Irish-bred 12-year-old, and was 12th.

Rumble, first Canadian to ride, said: "I think we did very well and Clroy seemed to be on form."

Jimmy Eider, 22, also a University of Toronto student who has ridden on international teams in Canada and the United States but making his first appearance in the Olympics, is listed among today's 27 entries. He will ride Colleen.

Horsemen the world over expected Germany and Britain to

take the lead but seeing the Russians up there in such high-class horse company must rank as one of the big shocks in sports.

After the first 30 riders in the three-day dressage had finished their 12-minute performances today, Otto Rothe of Germany was in the lead with 98.4 penalty points.

Maj. Laurence Rook, the British rider who became the unfortunate goat of the 1952 Olympic Games at Helsinki where he fell and was disqualified, was in second place with 101.6. Klaus Wagner of Germany, was third with 102.4.

The few penalty points a rider and horse receive the better their position will be when the remainder of the events on the three-day trial program — endurance and jumping — are run off Wednesday and Thursday.

The Americans fared poorly Monday. Maj. Jonathan Burton of Berwyn, Ill., with 155.6 was in 27th place, and Frank Duffy of Birmingham, Mich., with 162.4 28th.

A crowd of 10,000 turned out in the stadium Monday where in 1912 equestrian Olympic events first were held. They included visiting Queen Elizabeth, one of the world's leading race horse owners, the polo-playing Duke of Edinburgh and King Gustaf of Sweden.

Marilyn Bell Swims In Lake

TORONTO (AP) — Marilyn Bell paddled around Lake Ontario for an hour Sunday but she didn't know until she left the water that its temperature was only 14 degrees above freezing.

Coach Gus Ryder, who guided the 18-year-old marathon swimmer to her 1954 conquest of the lake, said he kept the temperature from her so she wouldn't suffer any qualms.

Marilyn is scheduled to tackle the formidable straits of Juan de Fuca late this summer and Ryder said she will have to contend with readings in the vicinity of 50 degrees in the long haul from Port Angeles, Wash., to Victoria. She stands to win \$30,000.

"I didn't know it was so cold," Marilyn said when she splashed ashore. "It wasn't bad as long as you kept going."

Marilyn was accompanied by Cliff Lumsden, the Canadian National Exhibition champion.

Army Shooters Leave For Bisley

TORONTO (AP) — Canada's eight top army marksmen leave Toronto today with their sights on the army shooting championships at Bisley, England, the Wimbledon of shooting. They sail from Quebec Wednesday.

Major Dick Hampton of Ottawa, army champion individual shot, captains the Canadian Army's first official entry against the Commonwealth's best. The shooting is during July.

Sure as the men's aim must be, they must also be in tip-top physical condition and for the last few weeks they have undergone a rigorous toughening-up program at Camp Borden. Army teams at Bisley must first complete an obstacle course.

B.C. All-Stars Hold Aberdeen To 2-2 Stalemate

VANCOUVER (AP) — Aberdeen's famed soccer team Monday night experienced what many visiting eleven have met in the past here—a British Columbia all-star side that fought them to the last minute of play. The game ended in a 2-2 draw.

Aberdeen had played to a 3-3 draw here Saturday against England's Everton.

Monday's exhibition was designed to give the visiting players some pocket money and the Scottish fans here, who missed Saturday's game because of heavy rain, a chance to see Aberdeen play. Eight thousand spectators were in 5,300-seat Callister Park when the game started.

Three Canadians Win In Kent Net Championships

BECKENHAM, England (AP) — Three Canadians joined singles matches on the opening day of the Kent lawn tennis championships Monday.

Don Fontana of Toronto defeated G. Kegan of Australia 6-2, 6-8, 6-1 and Paul Willey of Vancouver eliminated Australia's G. Radford 6-3, 6-2 in second-round matches. Laurence Barclay of Vancouver disposed of South Africa's K. Harris 6-2, 6-3 in a first-round match.

175 Canadians Beat The Champs In Fifth Annual National Golf Day; 748 Compete On Winnipeg's Courses

TORONTO (AP) — Upwards of 175 Canadian males but fewer than 50 women beat the champions in the fifth annual national golf day Saturday.

Hundreds of golfers, most with fat handicaps, trekked onto courses throughout the country to shoot at the 18-hole 69 carded by U. S. Open champions Jack Fleck at Rochester, N. Y. and the 80 fired by U. S. women's open titlist Fay Crocker.

Those that succeeded got "I beat Jack Fleck" or "I beat Fay Crocker" medals for the price of a \$1 entrance fee.

The proceeds after expenses have been deducted, are to be used in junior golf development throughout Canada.

The Royal Canadian Golf Association said Monday that unlike former years it will not donate one-half the proceeds to the Red Cross Society.

It could not afford to do so since it has taken over sponsorship from a magazine which paid expenses in previous years. At least two players beat

Fleck's 69-without handicaps. Alan Boes, former Manitoba amateur champion, shot a five-under-par 67 at Winnipeg and George Knudson, the 1955 Canadian junior champ, turned in a four-under-par 68 over another Winnipeg course.

Results at clubs in Toronto and Montreal were still not available late Monday.

A whopping 748 turned out at Winnipeg's 13 courses; 77 men and 13 women won medals.

Six hundred teed off at Edmonton. Forty-nine beat Fleck while 18 women topped Miss Crocker.

In Nova Scotia Ralph Hayter fired a 64 to lead the eight men who beat Fleck's mark at Dartmouth's Brightwood course. Marg Patterson got a 71 to lead the three winning women.

Six women won at the Halifax Ashburn Club together with 16 men.

At Ottawa 125 golfers had a crack at the target over seven courses in the Ottawa-Hull district but only two men pulled it off.

Mickey Mantle Latest To Try To Beat Baseball's "Four-Minute Mile" Ruth's 60-Homer Mark; Has Power To Spare

NEW YORK (AP) — Now that the four-minute mile, like Mount Everest, has proved vulnerable to human achievement, Babe Ruth's fabulous home run record stands alone at the pinnacle of athletic endeavor.

It can be argued that a 16-foot pole vault or an 18-hole golf score of 58 would be a more awe-inspiring performance than the disappearance of 61 baseballs propelled out of the park by a single man in 154 games. But in the eyes of a substantial proportion of sport followers in North America the Babe's 60 homers occupy a special place in athletic history.

Almost every spring some slugger belts a few and the speculation begins. By August, if he is still belting them, the record books are examined and show his day-to-day pace to be ahead of Ruth's 1927 performance. But in 29 years nobody has matched the fabulous September clouting that brought the Babe up to 60, although Jimmy Fox and Hank Greenberg have managed 58.

This year's candidate is Mickey Charles Mantle. And a considerable number of observers think he can do it.

The New York Yankee center-fielder won the nomination in spectacular fashion by hitting 20 home runs over a period in which practically every established slugger in the majors was still under 10.

But the convincing evidence to those who see Mantle breaking Ruth's mark has been not so much the frequency of his homers as the way he has hit them.

Mantle's fiercest detractors have to admit that his power is authentic. Not even Ruth has come as close as Mantle to driving the first fair ball out of Yankee Stadium—Mickey missed by 18 inches. And spectators in every American League park can show you hitherto untravel-

NHL Seeks Referees From Players

MONTREAL (AP) — The National Hockey League is going to look for referee talent among its own players. Several who may be considering retiring from active play will be approached.

Anyone else who thinks he has the ability to become a top-notch referee will be equally welcome to take a crack at the job.

The move to develop players into referees was taken up at last week's annual meeting of NHL club owners. Definite plans were made but the names of the few the NHL thinks might be interested have not yet been made known.

The league is always on the lookout for prospective officials, president Clarence Campbell said Monday, although it has been able to place few in the Canadian Amateur Hockey Association leagues for development. The CAHA goes along with those it has.

Under the new plan the NHL owners are prepared to make "preferred salary arrangements" during the development period of a player switching to officiating. It will take at least a year to bring him along until he is ready for regular work in the NHL.

Financially, the job would be just as remunerative as that of the average player, said Campbell. Last season three of the NHL's staff of six referees earned \$10,000 or more; three earned \$5,000 or more.

The NHL also supplies officials for the American Hockey League. Since players earn good salaries, the first step for the owners was to make the development stage for a prospective official

attractive enough financially. No figure was made known. After brief training in fundamentals the budding official would work in minor leagues as linesman and referee before making his bow in the NHL.

"One of the main problems is much like the adage of teaching an old dog new tricks," said Campbell. Some people think a player instinctively would be a good referee. Anybody can learn the rules but a player switching to officiating must change entirely his approach to the game. Temperament is of greatest importance in the development and ultimate ability of a referee. It takes three or four years for him to become a top-notch referee."

Floyd Patterson's Manager Going Ahead With Plans For Battle With Archie Moore Despite Broken Hand

NEW YORK (AP) — Floyd Patterson's manager said Monday he was going ahead with plans for a heavyweight title fight with Archie Moore in September despite Patterson's broken right hand.

"I'm operating on the theory we'll fight in September until I

get medical authority to the contrary," said manager Cus D'Amato. "The doctors told me Floyd had youth and good health on his side and those factors may bring about a more rapid healing."

Moore's manager, Charlie Johnston, ruled out any idea of Moore boxing Hurricane Jackson in case Patterson wasn't ready. "We're not interested," said Johnston. "He just got licked. We're only interested in fighters that win."

Moore sat in Johnston's office and talked about his successful defense of the light heavyweight title against Yolande Pompey in London last week and his future plans.

"I've already claimed the heavyweight title," he said. "If somebody isn't ready in September I'll post official claims and ask to be recognized by all the boxing commissions."

Moore has other plans before September. He is very much interested in a proposed match with James J. Parker of Barrie, Ont., at Toronto or Montreal.

Richmond Council Hears Report On Asphaltting Cost

RICHMOND — Engineer Gae-fan Cote, Sherbrooke, submitted his report on the asphaltting of the streets in town, at the regular monthly meeting of the town council, which was presided over by Mayor Alfred Geof-frey. There was a full attend-ance of aldermen.

The cost of asphaltting all the streets, including 29 not paved, would amount to \$65,000. The council is studying the report.

John Patric attended the meet-ing and was granted a taxi per-mit for his son, replacing the permit held by Walter Mastine. A permit was granted to the Catholic Guides to hold a tag day on St. Jean Baptiste Day.

A contract was awarded to Roland Nadeau for repairs to the Coliseum at a cost of \$475. The council decided to install new street signs wherever miss-ing.

Construction permits have been accepted for the amount of \$46,900, after being approved by the construction committee of the council, composed of

Aldermen Butler, Brouillette and Gagnon.

The council has received a letter from a ratepayer claiming that some damage had been done by water in the cellar of his property during a recent storm. The secretary was requested to answer that according to the construction by-law, every new proprietor who builds a house should install a back pressure valve in his cellar, in order to avoid an excessive flow of wa-ter.

Alderman Brouillette made a motion that an extra street light be installed on Adam Street to control heavy traffic.

Chief of Police Gerard Paquin has been authorized to at-tend the next convention of the Chiefs of Police of the Province, which will be held at La Tuque.

Advent Mission Group Assists At Danville Rally

DANVILLE — The Woman's Home and Foreign Missionary Society, of the Advent Christian Church, was entertained at the parsonage with Rev. and Mrs. J. L. Dean. Prayers were led by Mrs. Ralph Perkins, and the president, Mrs. Cotnoir, took charge of the business period.

Following the supper hour, the program arranged by Mr. and Mrs. Dean and Elmer Perkins was most enjoyable.

The June rally of the International Advent Christian Churches was held in the local church when representatives from Newport, Newport Centre, Morrisville, Waterbury and North Hyde Park, Vt., attended.

Rev. Ronald Walton acted as song leader, with Rev. Charles Foss at the piano. A five-piece orchestra from the local church assisted greatly in the service.

Rev. David Dean introduced Mr. Andrew Patton, of the Christian Church, Huntingville, who brought an excellent message that was a challenge to each one present. All enjoyed a vocal duet by Rev. and Mrs. Foss, and a number by a male quartette, Elton Webb, Marcel Cotnoir, Elmer Perkins and Chester Perkins.

Following the service, lunch was served at the home of Mr. and Mrs. Wilfrid Duperron, by the women of the Missionary Society.

The out of town guests who remained overnight were entertained by Mr. and Mrs. Elton Webb, Mr. and Mrs. Marcel Cotnoir, Mr. and Mrs. Chester Perkins, Mr. and Mrs. James Perkins and Mr. and Mrs. Duperron.

Inco Metals at Work in Canada

A MILKING MACHINE

To guard the purity of milk at milking time practically all metal parts of milking machines are made of stainless steel.

B MILK COOLER

Milk is quickly chilled to low temperatures in coolers made of easy-to-clean stainless steel.

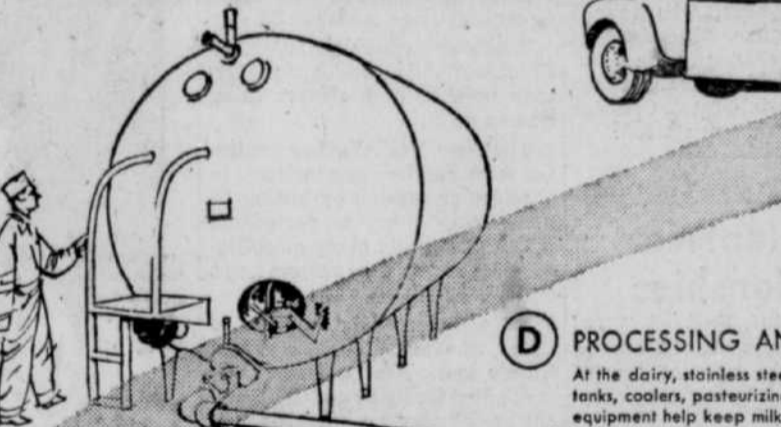

C DAIRY TANK TRUCK

Nickel-containing stainless steel lining of tank truck helps protect milk from contamination.

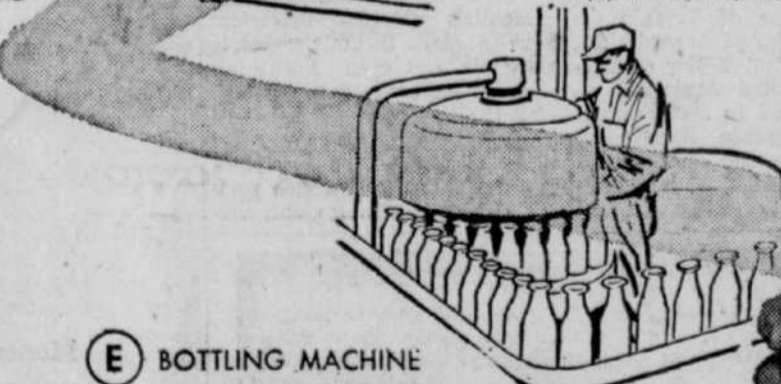

D PROCESSING AND COOLING EQUIPMENT

At the dairy, stainless steel storage tanks, coolers, pasteurizing and processing equipment help keep milk pure.

E BOTTLING MACHINE

Use of stainless steel metal parts in bottling machine helps keep milk sanitary at bottling time.

To make sure the milk you drink is pure, many Canadian farmers and dairymen now use milk-handling and processing equipment made from stainless steel containing

about 8% nickel. The Inco nickel used to make stainless steel in Canada is mined, milled, smelted and refined here, and stays in Canada to help provide jobs for Canadians.

This is how stainless steel made in Canada with INCO NICKEL helps bring you pure milk

and makes jobs for Canadians

From milking time to bottling time, milk produced by the most modern farms and dairies seldom touches anything but nickel-containing stainless steel.

This stainless steel has a hard, corrosion-resistant surface that is easy to clean. When used in farm and dairy equipment, it helps keep milk pure.

All the stainless steel produced in Canada for this equipment is made with Inco nickel. Here's how this Inco nickel helps provide jobs for Canadians:

1. Nickel-bearing ores are mined, milled and

smelted by Inco near Sudbury, Ontario. Final refining is done at Inco's plant in Port Colborne, Ontario.

2. Inco nickel is used in Canada for the manufacture of stainless steel.

3. This stainless steel is used by Canadian manufacturers in the production of milking machines, coolers and other equipment for handling and processing milk.

These steps in the manufacture of this equipment—from the ore to the finished product—require thousands of workmen. In this way, Inco nickel stays in Canada to help provide jobs for Canadians.
