Animateur plays presented at McDowell

Left to right, Sarah Zimmerling, Kim Graham, and Steven Bannon perform in a skit entitled *Les Jours de la Semaine* on June 9th at McDowell Elementary in Shawville. These students from Frances Finan's Grade One class take part in Hélène Dubé's Animateur class, in which they gain familiarity with the French language through participation in songs, games, and skits. The plays presented for the public on June 7th and 9th demonstrated the accomplishments of the Animateur program to the public. (More photos on page 9)

Hospital garage sale raises nearly $6000

The Pontiac Community Hospital garage sale, last Saturday, June 11, was a huge success.

Mr Gilles Lanteigne, Director General of the Hospital said there were over fifty people waiting at 9:00 am for the sale to start.

Almost $6,000 was raised and almost everything was sold.

The desks, chairs, typewriters, filing cabinets and other items up for sale were equipment no longer needed because of the renovations.

The money raised by this sale will be used to buy new medical equipment.

Mr Lanteigne says he is very happy with the response of the community to their garage sale.

Protestant Board rejects dress code ammendment

by Jo Anne Nimchuk

A small delegation of students from Pontiac Protestant High School, headed by Student Council President Mark Dods and representing the PPHS student body, was present at the June 7th meeting of the Pontiac Protestant School Board in Shawville.

The group presented a written proposal of an addition of shorts to the list of approved clothing in the school's dress code.

"We ask that the issue of shorts be carefully examined and reviewed," said the Student Council's prepared letter. "In the warmer months of the year, students request the permission of the School Board to wear dress shorts. We feel that if the students are more comfortable with what they are wearing, it will improve their participation and attention in class."

"We realize that in relation to other schools within our Board, our reputation is one to be admired. We also realize that students in other schools within our Board are permitted to wear shorts," the letter continued.

"We are not trying to change the whole dress code, only an addition of shorts to the code. This addition is an attempt to satisfy the students of PPHS," read Dods.

A list of specifications in the request included: no cut-off shorts, no clothing less than knee-length, no sport shorts or elastic shorts, well-tailored and properly fitted dress shorts only

"We are aware that if this rule is permitted, some students may abuse the privilege granted. The length and appearance (of shorts) would be left to the discretion of the authorities."

Parents' Committee Representative Helen Routliffe stated that her committee was opposed to granting the request because the students did not use the proper channels, but used blackmail-type tactics.

She suggested that a committee might be set up in September to review the entire dress code.

Discussion of the issue by Board Commissioners was then held in a closed session.

The vote following this discussion was four in favour, seven against approving the request.

In other business, the Board accepted the resignations of Forrest Sparling, janitor at Dr S E McDowell Elementary School in Shawville, and Jo Campbell, Grade One teacher at McDowell.

Pontiac Archives makes interesting new acquisitions

By Venetia Crawford

The Pontiac Archives, located in Campbell's Bay Elementary School, now has 1500 microfiches of Western Quebec church records and a microfiche reader on long-term loan from Les Archives National de Quebec.

Eventually they will receive an attachment to this machine which will enable them to make copies directly from the reader. These, along with marriage records, the censuses, the land grant books and the 39 cemetery listings they now possess, should enable people to trace their family trees. There are even genealogical forms available.

The Pontiac School Board has also made a photocopier available to the Archives.

Father May from Vinton has compiled the cemetery listing for the St Elizabeth Church cemetery. Dorcas Sparling has just completed her second cemetery listing - the Dunraven Protestant Cemetery on Calumet Island.

Although the Archives has 39 cemetery listings, there are still many more to catalogue. It can be a very pleasant summer pastime if anyone is looking for an excuse to spend a few hours outdoors.

So far there are no listings for Otter Lake, Danford Lake, the Catholic cemeteries on Calumet Island, Fort Coulonge, Davidson, Waltham, Chapeau and many other locations. Anyone who would like to help should contact the Archives.

The Archives will not be open regular hours as of the end of June for the summer. Before they close, they invite anyone interested in searching for their ancestors to take the opportunity to try our new microfiche reader.

Water shortage in Mansfield

The lack of rain in the past few weeks has increased the demand for water to the point of diminishing water reserve.

The Municipality of Mansfield has received many calls concerning the lack of water and water pressure.

In a public notice posted yesterday the Municipality is requesting that the residents of Davidson and St-Camille who are attached to the municipal water system to refrain from using too much water on their lawns and gardens.

The council says that if the present condition continues the municipality will have to prohibit all watering.

Relief should soon come for thirsty lawns and gardens, the weather forecast is predicting rain for Thursday.

Two men arrested in Luskville robberies

Two men have appeared in Hull court on charges of break and enter and theft in the Luskville area.

20-year-old Luc MacDonald of Shawville and 25-year-old Luc Piette of Ottawa pleaded not guilty to the charges.

Luc Piette has since been released on bail. The preliminary hearing is set for Friday, June 17.

Shawville thefts

Some progress has been made by the Quebec Police Force in solving the recent series of thefts in the Shawville area. A 20-year-old man has been arrested by the QPF. According to the QPF charges should be laid this week.

Moore retains PC nomination

Barry Moore will be representing the Progressive Conservative Party in the riding of Pontiac, Gatineau, Labelle in the next federal election.

Mr Moore was returned by acclamation at the nomination meeting on Tuesday, June 7 in Kazabazua.

Mr Moore said that he did not see the lack of opposition as a lack of interest but as a show of support for what he has already accomplished. "I hope that the population will give me another mandate," he said.

Guest speaker, Minister of Transport Benoît Bouchard said he believed that Mr Moore was one of those MPs who is close to the population he represents. "Barry Moore is one of the best MP's we have in Quebec. He's a very devoted man to his region."

Mr Bouchard ran down the list of accomplishments since the Conservatives took office in 1984. As is customary in such meetings, the speakers managed to get in a few swipes at the opposition.

$75 million for West Quebec

On June 9, Pontiac MP Barry Moore announced that an amount of 75 million dollars will be allocated to the economic development of the Western Quebec region over the next five years.

According to Moore, the agreement constitutes an unprecedented step in regional development in Quebec, and establishes a framework of cooperation between federal and provincial regional development programs.

The Western Quebec region's territory includes the Regional Municipalities of Pontiac, the Gatineau Valley, and Antoine-Labelle, as well as the federal ridings of Abitibi and Temiscamingue and the Regional Municiplaity of Papineau.

"Since last February," says Moore, "consultations have been going on throughout the riding. Once we knew what the population wanted, the Government of Canada invited the Government of Quebec to join in putting in place a common strategy of regional development, and as a result of those negotiations, we now have a joint development program."

"The creation of this program marks an unprecedented achievement in bringing intergovernmental dialogue further than ever before regarding regional development, and in doing so respects each level of governmental responsibilities." said Moore's office.

The funds allocated for the development of Western Quebec are part of a total amount of 970 million dollars to be devoted entirely over the next five years to the economic development of Quebec's regions.

As part of the program, the Government plans to pay particular attention to the development of forests, mines, manufacturing industries, tourism, and agriculture.

"For the first time in our political history," says Moore, "an agreement regarding economic development in the regions of Quebec will allow the Government to respond in a very specific manner to the needs and priorities of those regions by providing programs closely tailored to the individual needs of these communitites."

Grand Canal. Hon. Paul Martineau has placed a Notice of Motion on the Order Paper in the House of Commons asking that the Government consider undertaking complete studies to determine the engineering and economic feasibilities of the Grand Canal proposal.

The proposal intends to facilitate the opening of the Ottawa River to deep sea navigation, and it also furnishes a novel idea for the replenishment of the fresh water reserves of the Great Lakes by diverting some of the waters that are flowing into the James Bay watershed.

Romain Awarded. Mr. Carl Romain, 18, son of Mr. and Mrs. Lorney Romain of Fort-Coulonge, has been awarded the scholarship medal of Lieut. Gov. Hon. Paul Comtois of Quebec, for highest marks and best discipline out of 500 students at St Alexandre College in Hull.

Grains of Sand. Milton Harradence of Calgary has been named leader of the Progressive Conservative party in Alberta, where a provincial election will be taking place June 17. He is the son of the former Celia Horner and a nephew of Fred Horner of Shawville.

Sixty-eight travelling historians from Minnesota stopped over in Portage du Fort last week to hear Fred Coyne deliver a lecture in the Town Hall on the subject of Indians who used to journey this way.

Henry's brother, Bob McCord was the subject of an entire sports column in the Timmins paper lately when he made his big move from the American Hockey League's Springfield Indians to the NHL's Boston Bruins. He's moving to Boston with his wife and three children.

Married. At St Mary's Church, Quyon, on Saturday, May 25th, Mary Noreen, daughter of Mr and Mrs Thomas Dolan, married Eric, son of Mr and Mrs J G Russell of Bristol.

Mr and Mrs Keith Overton were married in Quyon United Church on June 1st. Mrs Overton is the former Helena Young.

Shawville. Mr Hilliard Hobbs, late of the Shawville Milling Co, has taken over the business known as Dods' Bread, and is already in charge. Mr Dods has returned to his farm in Elmside. Mr Hobbs will operate under the name of Shawville Bread, and will reside next door to the bakery, having leased his own residence to Mr Fairfield of the Cooperage Co.

Local News. Guests at the home of Mr and Mrs H Imison during the week-end were their daughter and son-in-law, Mr and Mrs Jim Johnson and children, Mrs Stubbs and son Claire, and Mr and Mrs Harold Hayward of Montreal; and Mrs A Armstrong and daughter, Miss Florence of Ottawa.

Robert W Pritchard of Wyman, having completed the honour course in Biological and Medical Science at the University of Toronto, graduated on Friday last with the degree of Bachelor of Arts.

Miss Eileen Walsh has returned home from Macdonald College, after successfully completing her course for teacher. She was accompanied home by her mother, Mrs G D Walsh.

Prior to her departure for Montreal to enter a training school for nurses, Miss Amelia Dale was the guest of honour at a farewell party at the home of Mrs C N Woodley, tendered by the girls' group of the WMS of the United Church under the leadership of Miss Amelia Smart.

Born. At Shawville Community Hospital on June 8th, to Mr and Mrs Wm. Easy of Elmside, a daughter, both well.

At Shawville Community Hospital on June 13th, to Mr and Mrs Basil Pappin of Sandy Creek, a son.

Married. At St Paul's Anglican church on June 9th, Ruby Annie Laura, daughter of Mrs Thomas Eades of Shawville and the late Robert John Wilson, became the bride of Robert Frederick Lang, only son of Mr and Mrs Frederick J Smart of Stark's Corners.

Around Shawville. Mr G M Donaldson received two more Studebaker cars last week. One was for our townsman, Mr J. W. Eades.

A large crowd, including a couple of coaches containing people living west of Shawville, took advantage of the Experimental Farm excursion rates on Tuesday to visit the Capital.

Off to Petawawa. A fairly good representation of the local section of the Field Engineers Corp left for Petawawa Military Camp on Monday, to participate in the annual exercises there. A good many members could not attend owing to pressing business and other matters, and were naturally disappointed, as everyone knows there is a certain degree of magnetism about a military camp. The boys will be absent until the 20th.

Quite a number of citizens and people from the surrounding country were at the station at 7 am to see the boys off by special train. The Shawville district was represented by about 30 men and youths, and eight or ten from Bryson neighborhood followed by the regular train. With the special went also nine head of horses that have been engaged for the camp, subject to examination on reaching Ottawa.

Married. On the 3rd instant, William Stewart of Calumet Island, to Miss Annie Perry of the same place.

Mr Wm. C Pirie (son of Mr Andrew Pirie) and Miss Rose A Robitaille, only daughter of Mr and Mrs John Robitaille, two popular young people of Murrell's section, were joined in matrimony at the Presbyterian church, Stark's Corners, on Wednesday the 4th instant.

Born. At Bryson on June 5th, to Mr and Mrs Thos. L Brownlee, a daughter.

Mining News. Some very rich looking specimens of mineral were found recently by Mr John Thompson on his Coulonge River limit.

Another consignment of dynamite in charge of Mr Martin Russell passed through here (Bryson) on Thursday last for blasting at the silver mine Calumet Island. Indications of a valuable deposit are cropping up as the ditching work progresses.

Work is quietly prgressing day by day at the Lawn Silver Mine. Mr Russell passed through here (Bryson) on Tuesday with two large derricks, which, we understand, are to be used in opening up the mine.

Bishop at Calumet. His Lordship Bishop Lorraine's pastoral visit, it is said, is being attended with the most beneficial spiritual results. The Calumet church was reached by way of Campbell's Bay on Monday evening, where the streets were handsomely decorated with evergreens and bunting in great profusion.

Every devout Catholic in this vicinity, who was not prevented by pressing business and other responsibilities, attended the service on Tuesday, which was marked by much pomp and solemnity.**Chapeau Church**. The ceremony of blessing the corner stone of St Alphonsus, the new Roman Catholic Church at Chapeau, was performed by Bishop Lorraine on Friday last. The new church is to be a handsome structure of the Roman style of architecture, 125x30, with a 45-foot ceiling.

The architect is Victor Roy of Montreal. The contractors are Charles Lemoyne of Montreal for the stone work, and Boileau Bros. of St Genevieve for the carpentry work. The cut stone is from Chambault, near Quebec, while the ordinary stone is from T Butler's quarry, Alumette Island.

Chichester Mills. The grist, saw and carding mills of W J Poupore, MPP, at Chichester are for sale. These mills are in good working order and situated in a part of the county where the trade must always be good. Mr Poupore's only reason for selling is because his time is so much occupied with the interests of his constituents that he cannot devote the time necessary to look after so important an enterprise.

Charles Imison's 80th

On June 4, close to two hundred friends and relatives dropped in at the I.O.O.F. Hall in Shawville to help the Imisons celebrate Charlie's 80th birthday which is on June 9.

Photo Ross Dickson

Family and friends celebrated Charles Imison's 80th birthday with a party held at the Oddfellows' Lodge in Shawville on June 4th. Left to right are Pat Howe, Kathy Howe, Bill Imison, Muriel Imison, Charles Imison, Helen (Imison) Howe and Patrick Howe.

The entire Imison family was present, Charlie and Muriel, their children Helen Howe (with husband Pat) and Bill, as well as grandchildren Patrick and Kathy Howe.

The hall was beautifully decorated for the occasion in royal blue and white congratulatory streamers, bells and flowers.

This 'once in a lifetime' occasion was opened when, on behalf of her mother Muriel and brother Bill, Helen Howe of Windsor, Ontario, touched the hearts of everyone with a few sincere remarks about her father. He was even crowned and made King for a day.

Charlie responded with a few thoughtful words of gratitude to all who came to bring greetings and for all gifts and numerous cards he had received.

Bill Imison escorted his father to the tea table to cut the large birthday cake, beautifully decorated by Inez Maheral with "Happy Birthday, Charlie, 1908-1988.

Grandchildren, Pat and Kathy Howe of Windsor, greeted the guests and asked them to sign the guest book. Pat also manned the video camera to take in the many events of the day. This provided entertainment for the family get-together on Saturday evening.

Candles and personalized blue serviettes, "Happy 80th Birthday, Charlie" adorned the tea table

Gwen Hayes and Inez Maheral poured tea, followed by Doreen Williams of Burlington and Jeannine Johnson of Chateauguay, nieces, then another niece, Dawn Johnson of Chateauguay and Charlie's sister, Dorothy Baugh of Morrisburg, Ontario.

This delightful afternoon tea was prepared and served by Adina Rebekah Lodge # 40. Assistant servers were Jill McBane of Quyon, Janey Campbell and Julie Tubman of Shawville, nieces of Charlie and Muriel.

Many pictures were taken which along with his many cards will make a souvenir scrapbook.

Guests present were from Windsor, Burlington, Montreal, Chateauguay, Renfrew, Petawawa, Niagara-on-the-Lake, Dewittville, Ormstown, Morrisburg, St Laurent, Nepean, Sand Bay and Saint John, N.B., as well as the local area.

It's not all that far to Napanee

Editorial

The past twelve years have been years of remarkable growth in the United Churches of Bristol and Clarendon. Changes in the populations of these municipalities may have been partially responsible, but as so many people pointed out during recent farewell parties, one of the main reasons has been the ministry of Ed and Bernice McCaig.

Their faith, enthusiasm and constant support rekindled the interest of the communities surrounding St Andrew's Knox and Stark's Corners Churches. Within a few short years, the rather elderly congregation became filled with young families; sunday school classes, youth groups and junior choirs were created and filled. As Don Duff so eloquently phrased it when describing Ed McCaig's contributions, "He made these old roots grow and flower."

Ed's influence extends far beyond the limits of his official congregation. For many years he has been a contributor to THE EQUITY, writing the regular column "Perspectives", and more recently participating in the Pontiac Clergy Association's "Church Corner". The interest generated by the insight and style of his writing cut across all denominational boundaries; he had something of value to say to everyone. His contribution will be missed.

It has become the norm for clergy to change their parishes every few years. That the McCaigs stayed as long in Pontiac as they have is our good fortune. Eventually, the time had to come, though, for Ed to move on to new challenges. Rumour has it that he may do some more writing; perhaps some of his experiences here in Pontiac County will grace the pages of another community newspaper in the near future. We join with the rest of the community in wishing them all, Bernice, Laurie, Paula, John and Ed the best in their new home, new parish, and new endeavours.

OST Program's first graduates

The Office Systems Technology graduates from Heritage Campus are elated. After three years of career training in the dynamic new field of office systems, they are now about to enter the job market.

Eight students from Office Systems Technology (OST), along with approximately 110 students from eleven different programs at Heritage Campus, College de l'Outaouais, in Hull, will receive diplomas at the graduation ceremony to be held at La Maison du Citoyen on June 17.

The challenging new program, which accepted its first students in the fall of 1985, trains young men and women in popular business software applications, such as WordPerfect, dBase III+, Lotus 1-2-3, as well as in desktop publishing, telecommunications, and all of the other skills required in today's automated office.

Tracie Saint-Jean, 19, of Fort Coulonge, is an OST graduate who agrees that the OST program at Heritage prepares students both to work in an office environment and to become a responsible employee requiring very little supervision. Tracie initially enrolled in the program because she wished to pursue a career in the modern office, with its numerous technological changes. Her expectations were met.

"The amount of computer software students are exposed to is phenomenal," she says. "Familiarity with all these packages is what employers want because they don't have to spend as much time training new employees."

"The teachers at Heritage are very good. They are concerned with helping students get ready for the workforce," Tracie adds. "And as for the facilities, you couldn't ask for better. Every student has their own computer so there is no need to share computers. Also, the College has a full range of computers for students to use; for example, the IBM PC, the Macintosh, Texas Instruments and the AES - all the basic computers used in offices today."

Tracie feels that the program also teaches students to become responsible employees and make it easier for them to adapt to new situations. Tracie would like to find a position as an executive or administrative asisstant and she is very optimistic.

William Young, Academic Dean of the College, has noted a change in the profile of students entering the program. He says although many are recent high school graduates, increasingly they include individuals who have been out of school for several years and who have decided to further their studies. "Also, we are seeing more and more male students enroll in the program."

"The OST program at Heritage Campus admits 15 to 20 new students each year," Young mentions. "There are still a few openings left." He encourages anyone interested in this rapidly expanding field consider applying to the College.

Individuals desiring information about the Office Systems Technology program should contact the Office of the Registrar at 778-2270.

Bryson CWL celebrates 50th

The Bryson Catholic Women's League (CWL) is in its 50th year, and four women Mrs Bertha Gardiner, Mrs Rachelle Poisson, Mrs Ellen Coine and Mrs Eva Maloney are celebrating their 50 years with the League.

On Friday, June 4th the CWL held its fiftieth Birthday Party. Events started with a Mass at Immaculate Conception church in Bryson followed by a luncheon at l'Auberge de la Forêt.

The Bryson CWL was organized on May 27, 1938. They got their charter in June of that same year. They had 22 members and membership fees were 25¢.

From the first, this concil was most active in works of social service and child welfare.

The practice of the members assembling for recitation of the rosary started in 1938 for the souls of Mrs Jules Brunet and Mr Fhaddeus Merleau.

During the war, the CWL donated knitted socks, scarves and goodies to the soldiers overseas. These are just a few of the things accomplished by the CWL during their 50 years.

In 1957 the Bryson Council was honoured when Pearl Keon was nominated and elected Diocesan President. She also served as third Vice President on the Provincial executive. Then in 1965 to 1967, Pearl was elected Provincial president of Ontario CWL.

Invited guests included Bishop Windle, Father Buckley, Father Pelletier of Bryson and Father Gauthier.

For the occasion, Bernice Brusenbauch wrote a poem in honour of the League's 50th anniversary and for the four women who have been members for the past 50 years.

Front row, three of the women who have been with the Bryson CWL since its foundation 50 years ago, Bertha Gardiner, Eva Maloney and Rachelle Poisson. Back row, Father Leo Pelletier; president of the Bryson CWL Mrs Agnes Kluke, Pearl Keon, Bishop Windle, Father Buckley, Mrs Adam and Father G ithier.

Portage Anniversary balloon release

Into the Wind

Into the wind we set them free
And watch we do as they all flee

For years gone by, and years to come
This has been home to more than one.
English or French, what does it matter?
When two strikes are gone it's you that's the batter.

To many religions we do belong.
With God up above, we are all strong.
If hate is within, let it not be
For this is a day for all to be free.

So open the bags, the balloons we release,
it's into the wind with love and peace.

Tent caterpillars invade Outaouais

People living in the Ottawa region will be affected by the outbreak of the forest tent caterpillar, Malacosoma disstria next summer. The insects have already moderately defoliated about 50 hectares of trembling aspens along the Ottawa river, between Bristol Mines and Quyon, and the infestation is feared to spread this year.

Biology and behavior

The favorite food of the forest tent caterpillar is the trembling aspen. However, during an outbreak, other poplars may be infested as well as birches, sugar maples and shrubs that stand in the way of the insect.

At this time of the year and until it reaches maturity in the middle of June, the forest tent caterpillar devours aspen leaves. When they are adults, the black caterpillars with blue-gray shimmers become a genuine plague. They move towards new sites they can defoliate and shelters where they can weave their cocoons. They are commonly found near houses, in ornamental trees and even in vegetable gardens. In cool and bad weather, and during the sloughing season, the insects gather into very dense and often striking bundles on the trunks of their hosts.

Damage

The forest tent caterpillar sometimes causes severe defoliation in hardwoods, though the life of the tree is generally not endangered. Even if a host is totally defoliated, its foliage can grow again during the same year. However, the weakened tree grows at a slower rate and often loses some of its branches.

Action and control

Various methods of treatment may be used, as soon as young caterpillars are seen, to protect ornamental trees and diminish the nuisance caused by these insects near our houses. The most common method consists of dislodging the caterpillars from the infested trees with a strong stream of water mixed with a small amount (1 teaspoon per litre) of dishwashing liquid. Bacillus thuringiensis (Bt) a bioinsecticide sold under various trade names (Dipel, Thuricide and Novabac), is also effective against the forest tent caterpillar. However, the insect dies only a few days after ingesting the product. It can thus cause damage for a longer period of time. When caterpillars are 4 to 5 cm (2 in) long and begin to move in search of food or shelters, chemicals are inefficient. By then, caterpillars are too big and too numerous to be affected by chemicals.

For further information

Those who would like to get additional information on the forest tent caterpillar may contact Mr Gilles Bonneau, entomologist at the Service de la protection contre les insectes et les maladies of the ministère de l'Energie et des Ressources. His toll free number is: 1-800-463-5530.

Canada's atomic subs

Dear Fellow Canadians:

As a very worried and concerned citizen, and a former member of the good old RCAF (before Mr. Hellyer spoiled it), I wish to point out that Mr Perrin Beatty, our Minister of National Defense, and his collegues, are absolutely crazy if they think atomic subs are the way to go.

First of all, I don't think they would be much help if an atomic war were to happen. If they were to meet the Russians or Americans under the ice up in the Artic, what would they do then? They couldn't even shake hands under water, and that's what the powers to be will have to do or there won't be any world left. We don't have a back-up system.

To make a long story short, Canada cannot afford to spend another ten or twelve billion, and that could be fifteen or more billion by the time they are built. Our national debt is already out of the ball park. The cost of one atomic powered sub would be equal to the value of a complete town, maybe the size of Renfrew. That is really frightening to say the least.

What really is so terrible is the fact that Canada needs more hospitals, senior citizen homes, and more highways. Why, Canada has only one highway from Nipigon to Thunder Bay. If that were to block, the only way to Winnepeg would be by air or train. Enough said, the things we need in Canada besides atomic subs would number in the hundreds.

It is a sad situation when the Government of Canada will not listen to its voice of the people, and are allowed to make deals and decisions that, if taken to a vote, would in a lot of cases be turned down.

The thought of writing this letter is that maybe if every Canadian who thinks we shouldn't spend billions on atomic subs were to write a short letter, even a few words, to say "no" to all this foolishness and put it in the mail within a week or so, Mr Beatty's room would be so full of mail there would be no room for him in the office. I wonder if he and his collegues would get the message? Some times I wonder. Everyone concerned please write a note and voice your opinion. Especially I ask the younger generation who seem to not care or are too busy to even think of what is going to happen to Canada.

Rustic Rhetoric

by E.B.W. Mulligan

An early visit to Ottawa

On June 30, 1927 my brother and I went to visit cousins in Ottawa. Our parents let us go and gave us money to spend because we has passed our exams and everyone was going to celebrate the sixtieth year of Confederation.

There seemed to be lots of reasons to celebrate that year, all school kids were given a medallion with King George and Queen Mary on the top side and the sixty-year anniversary on the lower side.

We took the train in or outside of Quyon at 8:20 am after buying tickets at an under 12 age (can't remember the price). We pretended to be world travellers by talking when people walked by, but we really enjoyed watching buggies and cars stopped at side roads while we had the right of way and sliding by at sixty miles an hour. We stopped at stations all along the way. Mohr to pick up 10 cans of cream and six 30 dozen egg crates, then on to Parker five people got on but no cream cans - there was a cheese factory at Merrifields Corners and Michael Cooligan was the cheesemaker we heard.

The next stop was Eardley and no cream there either because they too had a cheese factory but there was a lot of eggs loaded there and about twenty passengers; next came Lusk station where three passengers embarked and a few cases of eggs were loaded; on we went to Aylmer where three passengers embarked and a few cases of eggs were loaded on; then came Breckenridge and they loaded on about 30 cream cans and about 20 cases of eggs; on we went to Aylmer where they loaded something but I've forgotten what and away we went to Deschenes, Hull and landed in Ottawa after crossing the Victoria bridge.

We then picked up our overnite suitcases got off the train and walked up through the iron gates onto the rotunda of the Ottawa Union Station. We then visited the washroom after which we went to the pay phone and called one of our cousins. He told us to go and have a coffee and donut at Bowles' lunch and come back then sit on the benches on the men's side of the station and he would meet us in an hour. We went up the steps to Bowles' after enquiring how to get there and had a coffee and hot dog (15 cents for both).

Then we dawdled back to the high backed seats on the men's side of the Union Station in Ottawa.

So cousin Bill met us and he suggested that while we were down in the city we should go and see the By Ward market, we agreed. There were at least forty teams of horses all laden down with vegetables meat and live animals for sale after a while we decided to walk up to Sparks Street where we visited such stores as Birk's, Murphy-Gambles and Bryson-Grahams and Woolworth's where we bought pocket knives for 15 cents.

Time was sliding by and when we arrived at the Capital Theatre there was a matinee, the first "talkie" show "Sonny Boy" with Al Jolson. I think we had to pay 25 cents to get in. I'm telling you that was something to see and talk about for a long time.

We got out of there at about 4:00 pm and took a street car to Uncle Bill and Aunt Mae's place on Flora Street where we had a real city dinner in the middle of the week complete with table cloth, silver and about five courses as I remember it. Then I read the funny paper especially Maggie and Jiggs, Mutt and Jeff, Little Orphan Annie and Barney Google. (Next week Parliment Hill).

SOCIAL NOTES

Caldwell..... Hermonie Sharpe 647-3459

Sympathy is extended to the Coles and Campbell families in the loss of a dear mother and grandmother, Mrs George Coles. Florabell, as she was known by her many friends, was a long-time member of St Luke's Guild. She was a very quiet and loyal person, extremely good at quilting, knitting, sewing and whatever needed to be done. She will be sadly missed and lovingly remembered by all who knew her.

Harper Emmerson, Mr and Mrs Edgar Alexander of Weirstead and Edith Alexander of Gatineau, spent a few days last week visiting with Mrs Arthur Robinson in Hemmingford, Quebec.

Tom Glenn has returned to his home in Chelmsford, Ontario, after spending two weeks with his brothers, Bill, David and Reed on the West coast. He also visited with daughter, Lorraine Mifflin and family, in B.C. and attended the graduation of his grandson, Derrik Mifflin. Congratulations Derrik from all your friends here.

Donna Stephens, daughter of Mr and Mrs Sidney Stephens, has completed her first year at Commerce and will remain in Ottawa for the summer months. She is employed at Bleeker's.

A bridal shower was held in Ottawa at the home of Mrs Velma Hanson in honour of her niece, Shelly Armstrong. Attending from this district were Mrs Ethel Thomas, Doreen Armstrong, Kaye Ross and Doris Orr.

Annual Spring Tea

Sunday, June 5 was a very enjoyable day for the residents of St Joseph's Manor, the occasion being the Annual Spring Tea, sponsored by the Ladies Auxilary. This event gives them the pleasure of having tea with the members of their families and meeting friends.

The tea table was very attractive, the predominant coulour being yellow, a beautiful centrepiece made by Barbara Kluke Pilon with yellow flowers and yellow candles for the summer setting.

Mrs Jean Finlan wan in charge of the women presiding: Mrs K Griffin, Mrs P Kluke, Mrs J LaRose, Mrs M Hearty and Mrs A Kluke.

Members of the auxilary assisted in serving. Donations and sale of crafts which were donated by members of The Retired Teachers Association were looked after by Mrs Yvonne Bertrand.

Friends and relatives attended from throughout the Pontiac and were able to see the lovely yellow and white lawn furniture, purchased by the Auxilary for the residents. This purchase was made possible by the very generous donations of the Presbyterian Church, Fort Coulonge, for which the Auxilary is deeply grateful.

Presiding at the table are seen here Mrs Agnes Kluke and Mrs Agnes Lamothe.

Mansfield-Coulonge Lions Lob Ball Tournament

by Gilles Gervais

Things started a little slowly Friday night-June10th at Amyotte Park in Mansfield as the Third Annual Mansfield-Fort-Coulonge Lions Club Lob Ball Tournament got underway.

The Lions usually have 14 to 16 teams playing in their Tournament, but because of another tournament in the Pontiac on the weekend, only 10 teams signed up.

But as things got rolling along on Saturday and Sunday, and many of the games played were very close, the fans stayed in the hot and humid weather all day long and enjoyed themselves.

Beacause so few teams participated, the Tournament was played on a round-robin basis. Eight teams out of ten qualified for the semi-finals, and the most stunning upset of the weekend was the Fort-Coulonge Astros who were the defending champions of last year.

Each team played a total of three games and the Astros were winless in all three, losing twice and tieing once.

The'A' and 'B' finals were a diferent story. In the 'A' division a team from R A Tempelton blasted Le Petit Canadien by a score of 18-0 on Sunday. Because of the round robin , the two clubs had met earlier in the Tournament, with Le Petit Canadien playing a much better game on Saturday, losing 4-2 to Templeton.

The'B' division was a closer contest between Pontiac Tire and Bois-Fort. Bois-Fort had a 4-3 lead in the sixth inning but Pontiac Tire came back with 2 runs to win the game 5 to 4.

Pierre Laporte hit a home run in that sixth inning to break a 4-4 tie and Pontiac Tire (a popular name in Hockey and Ball in the Pontiac) were crowned 'B' division champions.

For the individual trophies, Gaetan Brassard of R A Tempelton was named Best Pitcher. Gilles "Jello" Jolicoeur of Francoeur Barber Shop was the Best Hitter in the Tournament. The Best Defensive Player was Edmond Martineau of Bois-Fort, and the Most Valuable Player was Michel Larouche of R A Tempelton.

Lions Club and Tournament President Mickey Belanger said he was surprised and happy with the turnout of the crowd especially with the warm weather and with only 10 teams participating.

Mr Belanger said the money raised on the weekend will be donated to various charities, and he would like to thank all members of the Lions Club, the volunteers, the umpires, and all the teams who helped make the weekend a success.

Bryan Murray Golf Tournament

Eleven directors met at the Coulonge Golf and Country Club on Wednesday night, June 8th to organize the Fourth Annual Bryan Murray Golf Tournament.

The Tournament is to be held on July16th, and like the last three years, all the money raised will be donated to amateur sport in Pontiac.

Entries are limited to a total of 100 golfers, and if everything goes as well as last year, approximately 160 people are expected for supper.

Tickets are sold at $20 for golf; $50 for the golf and supper.

Every golfer will receive a prize. About ninety per cent of the prizes are donated by businesses in the Pontiac.

The biggest prize will be a 1988 Ford Tempo from E J Ward Inc of Fort-Coulonge to be given to the golfer who makes a hole-in-one.

The planning committee is comprised of President Ken Hereault, Vice-President George Jewell, Secretary Ken Rose, Treasurer Shannon Doyle, and seven directors. They are Mr and Mrs Orval Lavigne, Mr and Mrs Ivy Mulligan, Mr and Mrs Ronald Soucie, and Ken Soucie.

Persons wishing to purchase tickets for the golf or supper can call any member of the committee. Everyone is invited to the Bryan Murray Golf Tournament at the Coulonge Golf and Country Club on July 16th.

Rapides derby

The McConnell Lake Camp site development committee is sponsoring a fishing derby on Saturday, June 25th.

There are no age restrictions but everyone must have a valid fishing license. Since the fishing is in the Ottawa River either Ontario or Quebec licenses will be acceptable.

The derby begins at 6:00 am and continues to 8:00 pm. Prizes will be awarded for bass, pike and pickerel catches. Further information is available for Jean Paul Dupuis, the mayor of Rapides de Joachimes, at 613-586-2559.

Quebec celebrates Canada Day

Celebration of Canada Day has grown into a tradition through which we Canadians give voice to our pride in our country. Hundreds of events will be staged throughout Quebec to mark Canada's 121st birthday on July 1 this year.

As it does each year, the Federal Government is offering grants to municipalities, associations and community groups in all parts of Quebec in order to promote special events.

In the words of Norma Passeretti, Secretary of State Regional Director, this financial assistance is designed to launch projects which have already attracted donations or assistance from other sources and which are sponsored by groups rather than individuals; private sector participation and citizen support for local organizations are strongly encouraged, as they contribute to the success of such activities.

This year, $451,000 will be allocated to Quebec festivities involving over one million Quebecers. Nearly 300 applications, from almost as many municipalities, had been submitted to the Department of the Secretary of State by the May 15 deadline. The majority of those projects which meet the eligibility criteria will qualify for assistance.

Marguerite Tourangeau of Portage-du-Fort celebrated her 99th birthday at Pontiac Community Hospital last Friday, June 10. For the occasion, the hospital baked her a cake. "It is not every day one of our patients turns 99," declared head nurse Joan Brown. Marguerite Tourangeau was born in Portage du Fort. She is the fourth child in a family of six children. Dixieland band takes bronze in Calgary

The Dixieland Band from A Y Jackson High School in Stittsville won a bronze medal in the Canadian Music Fest in Calgary on May 20th.

This highly-successful eight-piece band traces some of its lineage to Pontiac. Bandleader and clarinetist Steve Smith is the son of Gerald and Peggy (Stewart) Smith of Stittsville. Guitarist with the band is Jennifer Cluff, daughter of Bev and Julia (Hodgins) Cluff.

"I couldn't be happier," said Smith. "I'm really proud of everyone. We've only been together for a year, so I feel we've come a long way, and it's been loads of fun."

The band has also done quite well since returning home, taking part in the CHEO duck parade where they got to ride on the biggest float, and performing for Prince Edward of the British Royal Family at a VIP barbecue in Ottawa.

The band's success at the Ottawa Music Fest was reported in the April 6 issue of THE EQUITY. Since that time they went on to perform in Calgary before 8,000 other students from across Canada at the Music Fest, coming home with the bronze medal.

Smith feels that the band did really well, considering that the gold and silver medals both went to repeat winners.

Johnny Brisebois
100th birthday

by Denise Belec

A huge birthday bash was thrown for Johnny Brisebois at the Manoir Sacré-Coeur in Fort Coulonge on Thursday, June 9.

Mr Brisebois was celebrating his 100th birthday and all the residents of the Manor in Fort-Coulonge where he has been living for the past five years joined him in the celebration of this great day. Also family, friends and manor employees all took part in the celebration.

Mr Brisebois was born in Otter Lake, where he lived until moving to the Fort Coulonge Manor.

Jean Pilon, director of the Manor read letters of congratulations and good wishes written by Robert Middlemiss MNA for Pontiac; Thomas Lefebvre, senator; The Lieutenant Governor of the Province of Quebec; the manor employees and from the manor and residents. He also read a telegram sent by Canada's Prime Minister, Brian Mulroney.

With his best wishes and congratulations, Fort Coulonge Mayor Hector Soucie presented Fort Coulonge's centennial calendar and pin to M. Brisebois. Fort Coulonge is also celebrating its 100 birthday this year.

Mansfield Mayor Robert Ladouceur offered him with his best wishes a photo of the "Coulonge Chutes" on behalf of the Municipality of Mansfield.

After Mgr Bridge, from the St-Pierre Parish in Fort Coulonge, had offered Mr Brisebois his best wishes for health and happiness, he read a letter of congratulations from Pembroke diocese Bishop Joseph R Windle.

Mr Brisebois received gifts from the Fort-Coulonge Manor Ladies Auxilaries, from the residents and employees of the manor and from family members.

A fruit punch was served and every one drank a toast to Mr Brisebois' health.

Aline Dyelle, Everett Courtney, Darleen Gagnon and Maureen Soucie entertained with music and songs. Darleen's 5-year-old daughter April sang in a clear and beautiful voice *Stay Away From my Daddy*.

10-year-old Tanya and 7-year-old Tammy Ladouceur step-danced for the entertainment of the guests.

Journée d'activités pour les finissants du primaire

Environ 150 élèves de sixième année de la Commission Scolaire de Pontiac ont participé à une journée d'activités à l'école Poupore de Fort-Coulonge vendredi le 10 juin dernier.

Cette journée d'activités se voulait être une rencontre amicale pour les finissants des écoles primaires de la commission scolaire.

Cette journée leur a donné la chance de rencontrer et de se faire de nouveaux amis parmi les jeunes qui fréquenteront, avec eux, les écoles secondaires de la Commission scolaire de Pontiac l'automne prochain.

Cinq équipes de 30 élèves ont été formées regroupant des élèves de chaque secteur. Chacune des cinq équipes portaient le nom d'un des cinq continents.

Ils ont ensuite procédé à participer à cinq jeux d'équipe dont l'*échelle de pompiers; le soulier parachuté; relais mille-pattes; relais-brouette avec gros ballon; les échelles verticales.*

A l'heure du dîner, les jeunes ont pu échanger leur macaron avec celui d'un nouveau copain.

En après-midi, les jeunes se sont réunis pour d'autres activités coopératives, mais cette fois en plus gros groupe.

Gaston Allard lauréat au concours international des jeunes

Un élève de première année de l'école Poupore à Fort Coulonge est l'un des six gagants de la région de l'Outaouais au concours international des jeunes, des Caisses Populaires Desjardins.

Le dessin soumis par Gaston Allard agé de 7 ans, a été choisi parmi plus de 16,700 inscriptions provenant de la région de l'Outaouais.

De ces 16,700 participants, cent, dont Gaston Allard, ont gagné une médaille de bronze représentant le thème du concours ainsi que le droit de passer à la deuxième étape.

C'est lors de cette deuxième étape que les six gagnants régionaux ont été sélectionnés pour l'étape provinciale. Les deux gagnants de cette troisième étape se rendront en Italie pour recevoir leur prix et participer à l'étape internationale.

Roland Vallières, président de la Caisse Populaire de Fort-Coulonge a remis un cadeau, un radio-cassette, au jeune Allard, mercredi le 8 juin dernier.

Gaston a été éliminé à la sélection provinciale, mais il se prépare déjà pour le concours de l'an prochain qui a pour thème, *Moi, j'aime les animaux.* Le concours est ouvert à tous les élèves des écoles primaires et secondaires.

L'an prochain, Gaston a l'intention de gagner le voyage.

Oral history being compiled

Have you ever wanted to tell people what it was really like way back when? Since 1986, Outaouais Alliance has been compiling an oral history of the West Quebec Region. Student researchers, hired for the duration of the summer, to collect information and conduct interviews with people who lived in the Outaouais region in days gone by. Subjects have their memories recorded for posterity.

Oral histories are an effective means of gaining a more personal perspective on the often dry subject of local history. The interviews are being made available to the local schools. They will serve as teaching aids to help give local schoolchildren a sense of their heritage and a feeling of pride in their home region.

It is hoped that the recordings will also play a vital role in the study of the region, not just for historians, but also for anthropoligists, archeologists, and sociologists of the future.

The focus of this year's study is "Our Economic Past". The Alliance is looking for long-time Outaouais residents and business people who are willing to share their stories and experiences of making a living and contributing to the local economy. From farmers to factory workers; from the Pontiac to Poltimore, people are being sought to tell what it was like in the marketplace and in the workplace.

Interested parties are invited to call Gerry at Outaouais Alliance, 777-0177.

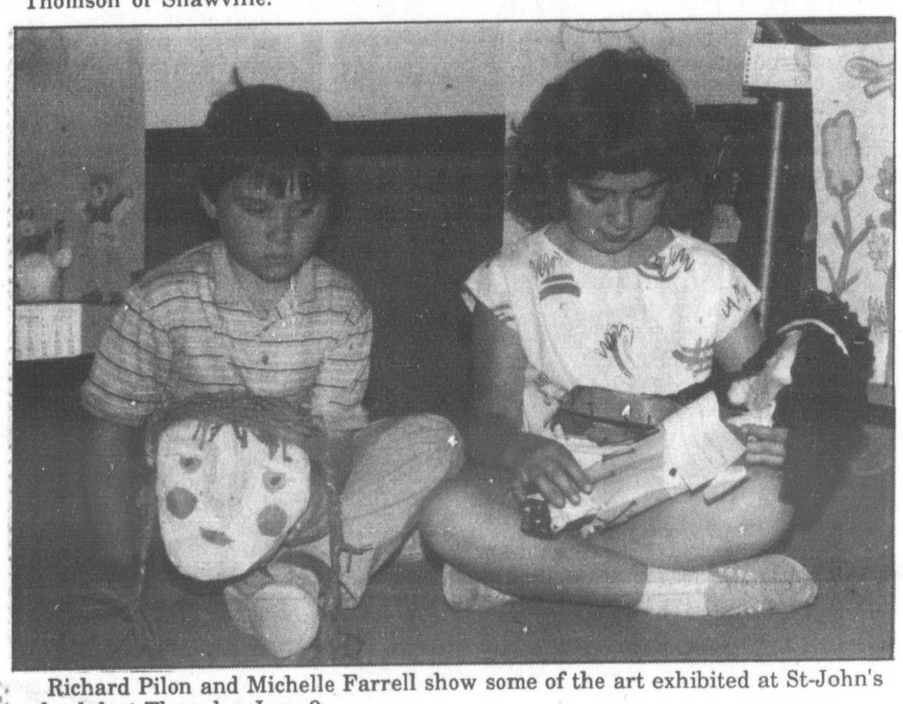
Grandparents' Day at McDowell School

Stacey Thomson of Jo Campbell's Grade One class at McDowell Elementary in Shawville was happy to invite her grandparents Merle and Dale Thomson into her classroom on June 10th. Mrs Campbell's class has been studying grandparents as part of their Language Arts program, charting their family trees, writing stories, and even baking the eight loaves of bread that was served to the approximately twenty-five grandparents present. Stacey's parents are Susan and Brian Thomson of Shawville.



Richard Pilon and Michelle Farrell show some of the art exhibited at St-John's school, last Thursday June 9.

Visual arts exhibit

by Denise Belec

The Ministry of Education's visual arts program that is taught in Elementary schools is not yet ready for the English schools. But teachers at St-John's in Campbell's Bay and Immaculate Conception in Chapeau, took the initiative and with the help of Joëlle Rose, visual arts specialist and teacher at the French elementary school in Fort Coulonge developed a program for their students.

Documents were translated into English. Joëlle taught the teachers who in turn passed on their newly acquired techniques to their students.

The results could be seen last week at St-John's in Campbell's Bay, this week until the 15th in an exposition at Immaculate Conception in Chapeau. The arts will be exhibited at Poupore School in Fort-Coulonge from the 20th to the 23rd.

The exhibit can be visited during regular school hours.

Priere au Saint Esprit
Saint Esprit, toi qui m'éclaires en tout, qui illumines tous les chemins pour que je puisse atteindre mon idéal, toi qui me donnes le don divin de pardonner et d'oublier le mal qu'on me fait; toi qui es avec moi dans tous les instants de ma vie, je veux pendant ce court dialogue te remercier pour tout et confirmer encore une fois que je ne veux jamais me séparer de toi, malgré n'importe quelle illusion que je pourrais éprouver. Je désire être avec toi dans la gloire éternelle. Merci de ta miséricorde envers moi et les miens. Remerciements au Saint Esprit pour faveur obtenue.

IN MEMORY

Chamberlain - In loving memory of a dear father, George, who died June 15, 1985, and mother, Ella, who died February 10, 1987.
In my heart your memory lingers,
Always tender, fond and true;
There's not a day, dear Mom and Dad
I do not think of you.
Betty, George and family.
xjn15

Gravelle - In loving memory of our dear father and grandfather, Romeo Edward, who passed away June 14, 1976.
A bouquet of roses, just for you,
Sprinkled with tear drops instead of dew,
And in the centre a forget-me-not,
To let you know we have not forgot.
May the winds of love blow softly,
And whisper so you hear,
That we still love and miss you,
And wish that you were here.
Parting was so sudden,
Only God knows why,
The hardest part of all,
Was we never said good-bye.
Remembered with love and sadly missed, Heather, Jack, Rob, Tim, Heath, Joan, Chantelle, Jodi, Chris, Muriel, John, Shawn, Shelley and Jodi. bjn15

IN MEMORY

Brownlee - in memory of Hilda who passed away June 19, 1984.
The times we spent together
The happy times we knew
Are lived again so often
In our memories of you.
Cledas and Theresa. xjn15

Gravelle - In loving memory of a dear husband, father and grandpa, Romeo, who passed away June 14, 1976.
It's lonely here without you,
I miss you more each day.
For life is not the same for me,
Since you were called away.
Always remembered by wife Margaret and family. bjn15

Lance - In memory of our dad, Armas, on Father's Day.
Although you are gone away from us, our love and our thoughts are always with you,
There is not a day goes by that your name is not mentioned.
When our heart is sad, and we have trouble,
You are always with us, so please keep on being with us.
With all our love
Remembered on Father's Day, daughter Cheriva and family. xjn15

Schroeder - With fond memories of my Dad, Fred, who passed away June 18, 1987.
These ten years have passed by so quickly, and although we are no longer together you still touch my life every day in so many ways.
Remembered with much love,
Caroline and family. xj15

Zacharias - In loving memory of our dear parents and grandparents, Hannah, who passed away June 17, 1986 and Emile who passed away July 31, 1963.
Because God knew your work was o'er,
Your children taught and grown.
He called you both to come and dwell,
Where no more work is done;
Where the golden sun doth never set,
And the sky's forever blue;
It's there, we hope in God's good time,
Dear parents, to be with you.
Dear parents, so gentle, good and kind,
Look down from Heaven above;
And know that the care you tenderly gave,
Is returned in our deathless love.
Loved and remembered by Edna, Don and family. xjn15

Leonore Carroll travelled overseas during May, taking in Holland, England, France, Switzerland, The Riviera and Italy into three weeks.

The most important stop being Switzerland, to see her brother D'arcy who is displaying his chef's skills in Tverdon, Dinner at Cafe L'isle is only $98 per person, so leave your wallet at the door. Leonore brought back several pictures of the above mentioned places and the big structures of grandeur, sights to behold over there!

Wally Stafford and his wife Dorothy went on a pilgrimage tour to Our Lady of Loudres Shrine in Portugal, Madjorie where the Virgin Mary appeared to the three children. They have returned and had a great trip.
