# ANNÉE 1938-39

---

Dans la présente section, les rues sont inscrites dans l'ordre alphabétique et les rues transversales y sont indiquées. Chaque bâtiment est entré dans son ordre numérique et, vis-à-vis le numéro apparaît le nom de l'occupant ou résident. Pour les édifices à bureaux, les occupants sont enregistrés suivant les numéros de leurs chambres.

Les numéros apparaissant aux intersections représentent le numéro de la rue transversale à l'endroit où elle est traversée.

Lorsqu'un numéro apparaît sans nom, cela indique qu'il n'y a pas d'occupant ou que personne n'était présent au moment de la prise de renseignement et, dans quelques cas, qu'on a refusé de donner le nom.

Le signe (*) en avant du nom d'un résident indique que nous avons été informés lors de nos enquêtes que la maison appartient à un occupant mais, comme les éditeurs ne peuvent garantir et ne garantissent pas l'exactitude des renseignements fournis, ni qu'aucune erreur n'a été commise, ils ne peuvent assumer et n'assument aucune responsabilité pour les erreurs et ne peuvent non plus fournir d'autres renseignements que ceux qui sont indiqués.

Pour trouver la profession des individus et des sociétés, veuillez consulter les sections alphabétique et d'affaires classifiées, où vous trouverez des renseignements complets.

## YEAR 1938-39

---

In this section the streets are alphabetically arranged, with the intersecting streets shown. Each building on the street is given in numerical order, and opposite the number is placed the name of occupant or householder. In office buildings the occupants are shown by room numbers.

The numbers appearing at the intersections represent the number of the street intersected at the point of crossing.

Where a number appears without a name, it shows there was no occupant, or the party was absent at the time of taking information, and in a few instances that the name was refused.

The symbol * before a householder's name indicates that we have received information during the canvass that the house is owned by an occupant, but as the publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes, no responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.

To find the occupation of individuals and firms, refer to the ALPHABETICAL and CLASSIFIED BUSINESS SECTIONS, where full information will be found.
