BRUNET'S BLOCK.

L'EQUITABLE SUR LA VIE.

Actif total \$32,000,000. Revenu annuel \$10,000,000.
 SURPLUS NET (au-delà de la réserve légale)..... \$5,000,000.

Surplus indivis calculé sur les Polices TONTINES... \$ 2,250,000.
 Nouvelles affaires en 1876, 8,000 Polices assurantes \$25,000,000.

Le rapport du surintendant du Département de l'Assurance de l'Etat de New-York, (fait après un examen de la condition de la Société lequel a occupé l'examineur en chef du Département, avec dix de ses comptables près de trois mois), conclut comme suit :

" L'examen a été du caractère le plus complet et le plus minutieux, et le surintendant croit qu'aucune corporation faisant des opérations d'assurance n'a été soumise à des épreuves plus sévères que cette société, rien n'ayant été pris pour accordé, mais chaque item et du passif et de l'actif a été scruté consciencieusement et jusque dans les moindres détails. Pour accomplir cette œuvre, dix personnes, dirigées par l'examineur en chef du Département ont été constamment occupées pendant près de trois mois. Le surintendant est très-heureux de pouvoir établir que le résultat de cette investigation démontre la complète solvabilité de l'institution ; et que si la même énergie et la même habileté sont déployées dans son administration et sa direction, aujourd'hui comme par le passé, elle a devant elle une carrière de prospérité commerciale solide."

" JOHN F. SMITH, Surintendant."

Le rapport d'un comité de détenteurs de polices et de leurs représentants (après un examen embrassant une période de plus de deux mois, aidés par un corps complet d'experts et de comptables) conclut comme suit :

" Les opérations de cette Société ont été conduites avec énergie, habileté et systèmes, et son accroissement sans parallèle, depuis son incorporation en 1859, comptant comme elle le fait, près de \$32,000,000 d'actif, et environ \$5,000,000 de surplus de profits, selon l'état de la Société, démontre une industrie et une vigueur peu commune de la part de ses officiers et directeurs, et dans l'opinion de ce comité, place la Société d'Assurance Equitable sur la vie au premier rang des institutions de ce genre."

Succursale à Québec.—Bureaux, No. 56, rue St. Pierre.—Edifice Banque Union.
 J. F. BELLEAU, Agt. Général pour la Prov. de Québec.

W. M c WILLIAM,

CONFECTIONER,

QUEBEC STEAM POWER MARBLE WORKS,

20, D'Aiguillon St., St. John Sub.

F. & J. MORGAN, with machinery and careful division of labor, make a solid reduction in prices, compared with hand labor only.

MANTEL PIECES.

15 to 20 always ready to select from (formerly made to order only) from \$15 to \$300 each, in Italian, Irish and American marbles, the lower priced ones more economical than wood painted.

FURNITURE SLABS, PLUMBERS, &c.,

Furnished to dimensions from 1 to 3 days, and much superior to work by hand.

MONUMENTS.

In Italian and American marbles; and in English sandstone practically indestructable.

HEADSTONES.

In stone and marble prepared by machinery, greatly reduced, offered from cost of wood upwards. About 40 monuments and headstones to select from, ready for erection, in every style and price.

IMPORTERS OF SCOTCH GRANITE

All good alike from same reliable manufactory, and not picked up at random for exportation to the colonies. Obelisk monoliths, 20 feet long, of proportions similar to the famous Cleopatra's needle.

CANADIAN GRANITE.

Furnished upon best terms obtainable.

TERRA COTTA AND MAJOLICA.

Best produced in England, perfection of design and color in wall tiles, and flooring for Hearths, Halls, Churches, &c., &c.

ALL OUR DESIGNS.

From the plainest, are carefully studied, and decorative sculpture is applied upon principles laid down in the English schools of art. Inscriptions and all details receive constant personal supervision, and the results of 25 years experience of this climate is applied in the selection of Materials.

F. & J. MORGAN,
