Mails.—Mails are conveyed twice each way every day, except Sunday, over the principal lines of railway in Canada. Over the less important lines of railway they are carried only once each way every day, except Sunday.

Mails are also conveyed once each way every day, except Sunday, over the principal lines of common road; and once, twice, or three times per week over the less important lines of common road.

The postal communication between Canada and the Lower Provinces is three times per week each way *via* Quebec, and once per fortnight each way by Cunard Steamers *via* Boston and Halifax. Also three times per week each way in summer by steamers between Portland and St. John, N. B.

The most speedy and direct postal route from Canada to almost every portion of the globe (with the exception of the Continent of North America, the Isthmus of Panama, and the West India Islands,) is by way of England, whence mails for the several British Colonies and Foreign Countries are regularly despatched.

The most speedy and direct postal route from Canada to all parts of the Continent of North America, the West Indies, Central and South America, and the Australian colonies is *via* New York.

Mails for Canada are despatched twice in each week from Canada, viz.: once by Canadian Steamer sailing every Saturday from Quebec in Summer, and from Portland in Winter; and once by Cunard Steamer sailing every Wednesday, either from New York or Boston.

The following post offices in Canada make up mails direct for certain post offices in the United Kingdom, viz.:

Hamilton,	Ottawa.
Toronto,	Montreal.
Kingston,	Quebec.

Mails are exchanged daily with the United States post offices at all the principal frontier points, and closed mails are exchanged daily between the principal cities of Canada and New York and Boston.

Montreal exchanges Mails direct with the following American Offices:—Boston, Buffalo, Burlington, New York, Plattsburg, Portland, Rouse's Point, Rutland and Whitehall.

Mails are also made up at Quebec, Montreal, Toronto, and Hamilton, for Halifax, Nova Scotia, and for St. Johns, Newfoundland, and despatched to destination by Cunard Steamer sailing from Boston, every alternate Wednesday. The mails for Halifax include matter for Bermuda.

Rates of Postage on Letters.—The rate of postage on *pre-paid* Letters between any place in Canada and any other place in Canada, and on *pre-paid* or *unpaid* letters between any place in Canada and any place in British North America (except the places hereinafter mentioned), including Nova Scotia, New Brunswick, Prince Edward Island, and Cape Breton, is regulated by weight, irrespective of distance, and is as follows:

On a letter not more than $\frac{1}{2}$ an oz.	5 cents.
“ more than $\frac{1}{2}$ oz. but not ex. 1 oz.,	10 cts.
“ “ 1 oz.	1 $\frac{1}{2}$ “ 15 cts.
“ “ 1 $\frac{1}{2}$ oz.	2 “ 20 cts.
“ “ 2 oz.	2 $\frac{1}{2}$ “ 25 cts.

And so on, 5 cents being charged for every additional $\frac{1}{2}$ oz., or fraction of half ounce.

If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to an additional rate.

Letters posted in and addressed to any place within the Province of Canada, if sent unpaid, are liable to a charge of 7-cents per $\frac{1}{2}$ oz.

In applying the 7 per cent unpaid rate to letters passing within the Province posted unpaid or not fully prepaid—it should be observed that a letter passes either as prepaid at 5 cents per $\frac{1}{2}$ oz., on condition that the whole postage due be fully prepaid—or at 7 cents per $\frac{1}{2}$ oz. if posted unpaid, or only partly prepaid—in the latter case the full rate at 7 cents per $\frac{1}{2}$ oz. will be marked and a deduction made therefrom of the amount which may have been paid—thus on an ounce letter prepaid 5 cents only—the rate will be 14 cents and crediting the 5 cents paid—9 cents will remain to be charged, and collected on delivery.

The object of the 7 cent unpaid rate, is to induce pre-payment and thereby relieve the Post Office from costs and trouble of account and collection, but this object is equally defeated whether the letter be wholly unpaid, or but partially prepaid—and therefore the 7 cent rate applies to the whole charge upon the letter in both cases.

The charge on local or drop letters, viz., letters posted at an office in Canada for delivery from that office, is one cent for each letter.

The charge on letters delivered by letter-carrier in Canada, is two cents for each letter in addition to the ordinary postage.

Letters for Nova Scotia and Newfoundland specially addressed by “Cunard Steamer,” sail-

ing from Boston to Liverpool *via* Halifax, every alternate Wednesday, are liable to a rate of 12½ cents per ½ oz.

The rate of postage on letters to British Columbia and Vancouver Island is 10 cents per ½ oz., which must be pre-paid. This rate covers the letter to San Francisco only; there will be an additional charge on delivery.

The rate of postage on letters to Red River *via* the United States, is 10 cents per ½ oz., which must be pre-paid.

The rate of postage on letters between any place in Canada and any place in the United States, is 10 cents per ½ oz., which may either be pre-paid or not, at the option of the sender.

Upon a letter or packet, of any weight, addressed to the United States, the whole postage or none at all should be pre-paid. If anything less than the whole is pre-paid, no account is taken of it, and it is entirely lost to the sender.

The scale of weight under which the above letters are charged is the same as the scale under which letters, passing between places in Canada, are rated.

The single rate of postage on letters between any place in Canada and any place in the United Kingdom, is as follows:

By Canadian Steamer, sailing every Saturday from Quebec in Summer, and from Portland in Winter, 12½ cents.

By Cunard Steamer, sailing from New York or Boston every Wednesday, 17 cents.

Letters addressed to the United Kingdom, and forwarded by either the above routes, will be charged according to the following scale:

Letters not over ½ an^d oz., 1 rate.
 " more than ½ oz., and not ex. 1 oz. 2 rates.
 " " 1 oz., " 1½ oz. 3 rates.

And so on, adding one rate for every additional half ounce or fraction of a half ounce.

The postage on all letters posted in Canada for the United Kingdom, and in the United Kingdom for Canada, should be prepaid.

If sent unpaid, 6d. sterling will be charged on each letter, on delivery, in addition to the ordinary postage rate.

Letters posted in Canada for the United Kingdom, and in the United Kingdom for Canada, unless specially addressed "By Canadian Steam Packet," or "By Cunard Steam Packet," are despatched in the first mail that is made up—whether for Canadian or Cunard line—after the letter is posted, so that letters intended for the Canadian Packets must either be posted on the proper days for the Canadian Packet Mails, or bear the words "By Canadian Mail Packet" on the address.

Two pence sterling, equal to 5 cents, will be charged on the delivery of letters which have been forwarded as above by Cunard Steamer, but on which 6d. sterling or 12½ cents, only per ½ oz. have been prepaid.

The charge on dead letters, returned to the writers, is three cents on each letter in addition to the postage.

Soldiers' and Seamen's Letters.—Non-commissioned officers, embodied pensioners, seamen and soldiers, and army schoolmasters of all but first class, while they are employed in Her Majesty's Service, can send and receive letters at the rate of 2 cents each, under the following regulations:

1. The two cents must be paid by postage stamp at the time the letter is posted.

2. The name of the soldier or sailor, his class or description, and the name of his ship, corps, or detachment to which he belongs, must be specified in the direction of the letter; and in the case of letters sent by soldiers or seamen, the officer in command must sign his name and specify his rank, and the name of the ship or regiment, corps or detachment, which he commands.

3. The letter must not exceed half an ounce in weight.

4. The letter must refer solely to the private affairs of the soldier or seaman.

All the foregoing descriptions must be fully written in the address in the following form, the initials of the name of any ships or regiments being insufficient:

SEAMAN.	SOLDIER.
From A. B.—Seaman of H.M.S. _____	From A. B.—Sergeant. Regt. _____
(Insert direction of Letter.)	(Insert direction of Letter.)
C.D., Captain or other commanding officer. H.M.S. _____	C.D.—Colonel, or other commanding officer, Regt. _____
To A. B.—Seaman, H.M.S. _____	To A. B.—Private, Sergt, or Corp'l. Regt. _____
(Direction to be finished.)	(Direction to be finished.)

Letters for soldiers or seamen may be forwarded at the above rate or through any country requiring the payment of any foreign or transit rate, but subject to the payment of such foreign or transit rate as may be chargeable thereon.

Soldiers' and seamen's letters are not liable to any additional rate on re-direction.

All soldiers' and seamen's letters are conveyed between Canada and the United Kingdom by the Canadian line of steamers.

Letters sent by commissioned or warrant officers, midshipmen or masters' mates, engineers, gunners, boatswains or carpenters in the navy, captains' clerks, or first class schoolmasters, or commissioned or warrant officers in the army, are not included in the privilege attached to letters of soldiers and seamen, but are chargeable with the same rates as ordinary letters.

Soldiers' and seamen's letters posted in Canada without a compliance with the above regulations are liable to full postage. If posted

in accordance with the above regulations, but without prepayment of 2 cents, they are liable to a charge of 2d. sterling on delivery in the United Kingdom.

Soldiers' letters posted, and addressed to places in Canada pass, under the above regulations, at the reduced rate of 2 cents.

Rates of Postage on Newspapers.—The law declares that for post office purposes a newspaper shall be held to mean a periodical published not less frequently than once in each week, and containing notices of passing events, that is to say, general news.

Although provision is made for forwarding newspapers through the post, it is not compulsory on any one to employ this mode of transmission; everything except letters may be sent in any other way.

A newspaper to pass at the undermentioned rates is subject to the following restrictions:

1. It must have no cover, or a cover open at both ends.
2. It must not contain any enclosure.
3. It must have no writing or mark thereon but the name and address of the person to whom it is sent, nor anything on the cover except such name and address.

Newspapers which are not posted in accordance with these regulations, are not forwarded, but are sent to the Dead Letter office and destroyed.

An extra newspaper, or a supplement to a newspaper, is deemed a distinct newspaper, and charged accordingly.

Newspapers published in Canada may be sent by post from the office of publication to any place in Canada at the following rates, if paid quarterly in advance, either by the publisher at the post office where the papers are posted, or by the subscriber at the post office where the papers are delivered.

A paper pub. 6 times per week, 40 cts. per quar.

"	3	"	20	"
"	2	"	13	"
"	1	"	6½	"

When the above rates are not paid in advance by either the publisher or subscriber, the papers are charged 1 cent each on delivery.

It is not necessary that the commuted rate on newspapers should be paid absolutely on the first day of each quarter. The regulation is intended to be carried out with all possible consideration for the convenience of the public, and it will be sufficient if the person desiring to pay the commuted rate declares his intention and offers the payment when *first calling at the office* within a reasonable time after the commencement of the quarter; but after having made his option to prepay the commuted charge, or to pay for his papers as received at one cent each, as the case may be, postmasters are not expected to alter their newspaper accounts to allow of a change until the commencement of the next quarter.

The commuted rate of payment can be accepted from new subscribers during a quarter for any unexpired period of the quarter not less than a month.

Newspapers published in Canada, which are not posted from the office of publication, must be pre-paid one cent each by postage stamps, otherwise they will not be forwarded, but be sent to the Dead Letter office and destroyed. Papers of this class are termed "Transient Newspapers."

Publishers of newspapers in Canada are allowed to enclose in copies of their papers sent to subscribers, subscription accounts, and receipts for the same, without rendering them liable to any additional postage.

Packets of unbound newspapers published in Canada may be returned by a subscriber to the office of publication at the rate of 2 cents per 8 oz. or fraction of 8 oz., which must be pre-paid.

Transient newspapers addressed to the United States must be pre-paid one cent each newspaper by postage stamp, otherwise they will not be forwarded, but be sent to the Dead Letter office and destroyed.

Newspapers posted in the United States and addressed to Canada, are liable to one cent each on delivery. The stamp *paid* on these papers indicates that the United States postage only has been pre-paid, the Canadian rate of one cent remaining to be collected.

American newspapers posted or re-posted in Canada must be pre-paid one cent each, by stamp, otherwise they will not be forwarded.

The option of paying the commuted rate on newspapers does not apply to papers published in the United States; they must be paid for at the full rate of one cent each.

Canadian news agents and booksellers may post American newspapers unpaid, when addressed to regular subscribers in the Province; but such newspapers are chargeable, on delivery, with one cent each.

Newspapers posted in Canada and addressed to the United Kingdom must be pre-paid by stamp, one cent each newspaper.

When two or more newspapers are enclosed under one cover, postage must be prepaid by stamp at the rate of one cent for each newspaper, or the package will be detained and sent to the Dead Letter office.

Newspapers forwarded by Canadian Steamer are delivered in the United Kingdom without additional charge.

Newspapers forwarded by Cunard Steamer are liable, on delivery, to one penny each, being the American transit rate.

Newspapers posted in the United Kingdom for Canada should be prepaid one penny each, by stamp.

If forwarded by Canadian Steamer they are subject, on delivery, to no additional charge.

If forwarded by Cunard Steamer they are subject, on delivery, to two cents each, being the American transit rate.

British newspapers re-posted in Canada must be pre-paid one cent each by stamp.

British newspapers distributed to regular subscribers by Canadian booksellers or agents, pass free in the same way as if received by the Canadian Steamers.

Canadian newspapers addressed from the office of publication to subscribers in the United States, the United Kingdom, Lower Provinces, &c., may be forwarded on pre-payment of the commuted rate applicable to subscribers within the Province; but they cannot be forwarded if unpaid.

Exchange papers passing between publishers in Canada, and between publishers in Canada and publishers in the United States, are carried free through the post.

No newspaper, properly so called (except exchanges), whether devoted to education, temperance, agriculture, or to any branch of science, is entitled to exemption from charge. The law exempts only periodicals, other than newspapers printed in Canada, and devoted exclusively to the above objects.

Newspapers addressed to Newfoundland must be prepaid three cents each, by stamp.

No United States newspapers of any kind or description (with the exception of exchange papers) are on any ground entitled to pass through the Canadian mails free of postage.

In cities and towns where newspapers are published, the printers and publishers should send them to the post office put up in a manner to admit of their being readily counted, and, if necessary, withdrawn from their covers for examination. The newspapers for each office also should be made up in strong paper in a separate parcel which should be plainly addressed.

When the numbers of a newspaper published in Canada, or in either of the other British North American Provinces, or in the United States, and issued daily, have remained in a post office in Canada uncalled for during two weeks; of a newspaper issued semi-weekly, or tri-weekly, during three weeks; of a newspaper issued weekly, during one month; and of a monthly periodical during two months, or when such newspapers and periodicals have been refused to be taken by the party to whom addressed, the postmaster is instructed to notify the respective publishers in the proper form, which is to pass free of postage. If the newspaper or periodical continues to arrive after the notice has been sent, the postmaster is instructed to notify the publisher in the same way a second time, specially calling his attention to the first notice.

To enclose a letter, or any writing, or to make any written marks to serve the purposes of a letter, or to enclose any other thing (except publishers' accounts and receipts, as before mentioned) in a newspaper posted to pass as a newspaper, is a misdemeanor. Postmasters are requested at once to transmit all newspapers

containing such writing, marks and enclosures, to the Postmaster General.

Periodical Publications.—Periodical publications are publications issued at regular intervals, but less frequently than once per week.

Periodical publications can be transmitted by post to any part of Canada and the United States at the following rates:

Periodicals passing by Mail in Canada.—The rate on all periodicals, other than newspapers, passing by mail in Canada, save such as may be addressed to or received from the United Kingdom, and such as are exempted from postage by statute, is one cent per 4 oz. weight of package containing periodical matter, whether the package contain one or more numbers.

Any fraction of 4 oz. to be charged as a full rate.

On Periodicals posted from the office of publication or by news agents or booksellers, to regular subscribers *within the Province*, this rate may remain to be collected on delivery, and must in such cases be marked upon the packages and charged in the letter bills; but when mailed to go out of the Province, such periodical matter must be pre-paid by postage stamp. British and United States periodicals may be posted in Canada by news agents and booksellers to regular subscribers in the Province under this regulation.

Transient periodical matter posted in Canada must in all cases be prepaid by postage stamp.

The above rate is payable on delivery on all periodical matter received from the United States, except that Canadian editors may receive exchange periodicals from the United States free of Canadian postage.

Canadian Periodicals posted for United Kingdom by Canadian Packets.—Periodicals, printed and published in Canada, may be posted addressed to any place in the United Kingdom by *Canadian Packet*, on pre-payment by postage stamp of two cents each number.

This rate is applicable to all classes of Canadian periodicals posted as above for the United Kingdom, the exemption to which certain classes of Canadian periodicals are entitled, extending to such numbers only as are addressed from the office of publication to places within the Province.

Periodicals printed in Canada other than newspapers, when specially devoted to education, meaning the instruction of youth (both religious and general), to agriculture, to temperance, or to any branch of science, and addressed directly from the office of publication, to be transmitted to any post office in Canada, are conveyed by mail free of charge. Such periodicals must not contain general news or general advertisements, or they forfeit their claim to exemption.

A periodical devoted to education to pass free must be either strictly scholastic in its subject matter, or manifestly adapted and intended for juvenile as distinguished from adult

instruction. It is in this primary sense that the word education, whether religious or secular, is understood to be used. Religious publications are not as a class entitled to exemption from charge. The law exempts only those which come within the foregoing definitions. It must, however, be borne in mind that when such periodicals are addressed to the United Kingdom or to foreign countries, they become liable to ordinary periodical (as above) postage.

No United States periodical of any kind or description can, upon any ground, claim exemption from Canadian postage.

Periodicals to pass at the above rates must be put up in covers open at the ends or sides; and if these regulations are not complied with, or if such periodicals are found to contain any writing other than the address, they are liable to full letter rates of postage.

No packet of periodicals can be forwarded through the post if exceeding the weight of 48 oz.

Bound volumes of any periodical published in Canada may be forwarded at the rates and under the conditions described under the article *Book Post*.

Almanacs, Reports of Religious and other societies and annual publications generally, are not entitled to pass by post at the rate of postage applicable to Periodicals, but are liable to the same rate as Books and printed matter generally, namely 1 cent an ounce to be pre-paid by postage stamp.

Book Post.—British Provinces and United States.—Books bound or unbound posted in Canada, and addressed to any office in Canada, British North America and the United States, are chargeable with a rate of one cent per oz., which must be pre-paid by postage stamps.

Books addressed to places in Canada can be sent through the mails in closed packets at the rate of postage applicable to parcels sent by parcel post.

Books cannot be forwarded except at letter rates of postage by the mail made up for the Cunard Steamers sailing from New-York and Boston.

Bound volumes of any periodical or news paper published in Canada, if bound in a form to come within mailable dimensions, that is to say, not exceeding two feet in length, breadth or thickness, nor exceeding 4 lbs. in weight may be sent from the office of publication to any place in Canada at a charge of two cents per 8 oz. or fraction of 8 oz.

Letters, whether sealed or unsealed, or any enclosure found in a book parcel, are liable to rates as unpaid letters, and the packet in which it is enclosed to an additional rate of 12½ cents as a penalty for a breach of the regulations.

Book Post.—United Kingdom, France, &c.—Book packets are forwarded by post from Canada to the United Kingdom, and vice versa,

by Canadian steamers only, at the following rates:—For each packet

Not more than 4 oz.....	7	cts.
Exceed. 4 oz. and not exceed. ½ lb.,	12½	“
“ ½ lb.	12	oz. 19 “
“ 12 oz.	1	lb. 25 “
“ 1 lb.	1¼	“ 32 “

And so on, the scale progressing throughout by a single rate for every four ounces.

Book Packets addressed to the United Kingdom may in future be registered upon payment of a registration fee of 8 cents, in addition to the ordinary rate of postage.

Book packets, printed matter, or single newspapers can be forwarded from Canada to France, or vice versa, by *Canadian Steamers only*, at the following rates:—

If not exceeding 2 oz. in weight...	5	cts.
If exceed. 2 oz. and not exceed. 4 oz.	10	“
“ 4 “	8	“ 20 “
“ 8 “	1	lb. 40 “

And so on, adding 20 cents for each additional ½ lb. or fraction of ½ lb.

The following conditions must be carefully observed:

1. Every book packet must be either without a cover or in a cover open at both ends or both sides.
2. It must not contain any letter open or sealed, or writing to serve the purpose of a letter, or any sealed enclosure whatever.
3. It must not exceed two feet in length, breadth, or width.
4. The postage must be pre-paid by stamps.

A book packet may contain any number of separate books, publications, works of literature or art, almanacs, maps or prints, photographs, daguerreotypes, when not on glass or in frames containing glass, and any quantity of paper, vellum, or parchment (to the exclusion of letters); and the books, maps, paper, &c., may be either written, printed or plain, or any mixture of the three, and may be either British, Colonial, or Foreign.

All legitimate binding, mounting, or covering of the same, or a portion thereof, will be allowed as part of the packet, whether such binding, &c., be loose or attached, as also rollers in the case of prints and maps, and whatever may be necessary for the safe transmission of literary or artistic matter, or whatever generally appertains thereto, and the postage is rated upon the gross weight of the packet.

The name and address of the sender may also be written or printed on the envelope or cover of the packet, in addition to the name and address of the person to whom it may be forwarded.

Book Manuscript and Printers' Proofs.—In Department Order No. 65, dated 24 Nov. 1863, permission was given for Book-Manuscript, and Printers' Proofs, whether corrected or not, to pass at the printed matter rate of one cent

an ounce, and it now appears to be necessary to explain that by Book-Manuscript, was meant the written sheets of any Book, and the intention was to encourage literary productions, by affording facilities for Authors to send and receive such matter to and from their Publishers by Post. Printers' Proofs are the printed impressions taken by a Printer, for correction or examination, of any matter passing through his Press. Under former regulations the written marks correcting such proofs rendered them liable to letter postage when sent by Mail, and the intention of the Department Order referred to was, to relax the rule in favor of such proofs, and allow them when corrected, to retain their character as printed matter, and pass at printed matter rates of charge.

PRINTED PAPERS, CIRCULARS, PRICES CURRENT, HAND BILLS, &c.—Printed circulars, prices current, hand bills, and other printed matter of a like character, posted in Canada, and addressed to any place in Canada, British North America, or the United States, are chargeable with a rate of one cent per oz. (one cent each when sent singly), which must be pre-paid by postage stamp.

The half-yearly School Returns made by School Trustees to the Local Superintendents of Schools, may, though the printed form be partly filled up in writing with the names of the pupils and days of attendance, be transmitted by post in Canada at the rate of one cent each, to be pre-paid by stamp.

When not filled up the above forms are printed matter, and liable as such to one cent per oz. postage.

Military returns, states, and rolls, containing written figures and signatures, may be forwarded as printed matter on pre-payment of one cent per oz.

Printed circulars are transmitted by post to the United Kingdom under the regulations and charges of the Book Post. They must be forwarded, however, open at the ends or sides. If sent in envelopes, sealed or unsealed, they are liable to letter rates of postage.

Prices current, posted in Canada and addressed to any place in the United Kingdom, are liable to a rate of 2 cents each, which must be pre-paid by stamp, when sent singly; when, however, sent in packages to one address, they pass at book rates.

Prices current enclosed in envelopes sealed or unsealed are by the regulations of the Imperial post office liable to letter postage.

Lithographed letters and circulars are allowed to pass through the Post at the same rate as printed circulars.

Printed Votes and proceedings of the Imperial Parliament and Colonial Legislatures pass to and from the United Kingdom at the ordinary book post charge.

Parcel Post.—Parcels closed at the ends and sides, and not exceeding 3 lbs. in weight, may be posted at any post-office in Canada, addressed

to any other post-office in Canada, Nova Scotia or New Brunswick at the following rates:

For each parcel weighing not more than 1 lb	25 cents
Exceeding 1 lb. and not exceeding 2 lbs.....	50 "
Exceeding 2 lbs. and not exceeding 3 lbs.....	75 "

The following conditions must be carefully observed:

1. No letter or letters shall be enclosed.
2. The parcel shall not contain any explosive substance, glass, liquids, or other matter likely to injure the ordinary contents of the mail.
3. The weight of the parcel shall not exceed 3 lbs., nor the size exceed one foot in length or breadth, or six inches in thickness.
4. The postage must be pre-paid by stamps.
5. The parcel should have the words "By Parcel Post" plainly written on the address. It should be well and strongly put up, and be legibly addressed to the post office address of the intended receiver, the name of the County in which the said office is situated being added.

If the name and address of the sender be written on the parcel, it will, if delivery should fail from any cause, be returned from the Dead Letter office unopened to the sender, on payment of an additional rate for the return conveyance.

If the number of stamps affixed to a parcel be insufficient to pre-pay the proper rate, the amount deficient will be rated unpaid, with a fine of 10 cents in addition.

Parcels may be registered on pre-payment, by stamp of five cents in addition to the postage. When registered, the postmaster should give a receipt to the party posting the parcel.

Parcels sent by post may contain books, daguerreotypes, photographs, printers' proofs and copy, military returns, statements and rolls, containing written figures and signatures; returns, deeds, legal papers, and all transmissions of a like character not being strictly letters.

To enclose a letter or letters, or any writing intended to serve the purpose of a letter, in a parcel intended for the Parcel Post, is a misdemeanor.

Should it be ascertained that a packet posted for the Parcel Post contains a letter or letters, the stamps it may bear will be cancelled and the parcel rated as a letter with full unpaid rates.

Parcels cannot be transmitted by post at the above rates to any place beyond the limits of the Provinces of Canada, New Brunswick and Nova Scotia.

The following is an example of the address recommended:

By Parcel Post.
 Mr. Thomas Jones,
 Paisley,
 County of Bruce.
 Sent by William Smith, Toronto.

Franking and Free Letters.—The following matter is exempt from Provincial Postage :

All letters and other mailable matter addressed to or sent by the Governor-General of Canada, or addressed to or sent by any Public Department at the seat of Government.

All letters and other mailable matter addressed to or sent by the Speaker or Chief Clerk of the Legislative Council, or of the Legislative Assembly, or to or by any member of the Legislature at the seat of Government during any Session of the Legislature, or addressed to any of the members or officers in this section mentioned at the seat of Government as aforesaid, during the ten days next before the meeting of Parliament.

All public documents and printed papers sent by the Speaker or Chief Clerk of the Legislative Council or the Legislative Assembly, to any member of either of the said branches of the Legislature of Canada, during the recess of Parliament.

All papers printed by order of either branch of the Legislature of Canada, sent by members of either branch of the said Legislature either during the session or recess.

Public documents and printed papers sent under the two foregoing clauses, should bear, as part of the address, the *bond fide* superscription of the Speaker, Chief Clerk, or officer specially deputed for this purpose, to act for those functionaries, or of the member sending the same.

All letters to and from the Postmaster General and the Deputy Postmaster General ; and all official communications to and from the post office department, and to and from the post office inspectors, are to pass free of any provincial postage.

Abating and Refunding Postage.—Postmasters in Canada are allowed to refund postage in the following cases only :

Letters originating and for delivery in Canada, charged as weighing more than the actual weight.

Postage incorrectly charged on editor's notices addressed to publishers and editors, and exchange papers, which should legally pass without charge.

All other claims for the return and abatement of postage must be specially referred to the Postmaster General for his decision, with the letter or packet on which the return is claimed.

Undelivered and Dead Letters.—All letters remaining undelivered in a post office on the first of each month, excepting drop letters and such letters as are daily called for, are advertised in a list posted at the office door for the information of the public.

If a newspaper is published in the neighborhood, the Postmaster is, at the discretion of the Postmaster General, directed to insert this list therein, provided the proprietor will give it insertion at the authorized rate.

Parties applying at an office for advertised letters should always ask for them as such.

Letters and papers after remaining undelivered in an office for three months are sent to the Dead Letter office, as also are all letters refused by the person to whom they are addressed, or letters addressed to persons deceased.

Letters are opened in the Dead Letter office in order that they may, when necessary, be returned to the writers.

Registration.—By the pre-payment of the following fee, in addition to the ordinary postage, letters and parcels can be registered at the office at which posted :

- On letters addressed to any place in Canada or the other British North American Provinces..... 2 cents.
- On letters addressed to any place in the United States..... 5 "
- On letters addressed to any place in the United Kingdom..... 8 "
- On books addressed to any place in the United Kingdom..... 8 "
- On parcels to any part of Canada, New Brunswick, or Nova Scotia.... 5 "

The registration fees on letters to British colonies and foreign countries will be found in the tables.

Every letter or parcel containing value should be marked for registration and presented to the Postmaster or his clerk, and a receipt obtained therefor. On no account should it be dropped into a letter box.

When letters are registered, both the postage and the registration fee must in all cases be pre-paid.

Books, periodicals, newspapers, circulars, and other printed matter cannot be registered (except books addressed to the United Kingdom) unless pre-paid the full letter rates, in addition to the ordinary registration fee.

Registered letters and packets can only be delivered to the parties to whom they are addressed or to their order; and a receipt must be given on the delivery of each registered letter in a book kept by every Postmaster for that purpose.

It should be clearly understood that the post office is not responsible for the safe delivery of a registered letter or parcel. The registration simply makes its transmission more secure, by rendering it practicable to trace it, when passing from one place to another in Canada, from its receipt to its delivery; and when addressed from any place in Canada to any place in the United States, the United Kingdom, or parts abroad, if not to its delivery, at least to the frontier or port of despatch.

Postage Stamps.—Every Postmaster is required to have on hand a sufficient stock of postage stamps, and to sell them to the public at 1 cent, 2 cents, 5 cents, 10 cents, 12½ cents, and 17 cents, each.

The Department has discontinued the supply of stamped envelopes.

Under the authority of the Postmaster General, postage stamps are sold to certain dealers

in the principal cities to retail again to the public.

Pre-payment of letters should, in all cases where practicable, be made by postage stamps.

A mutilated stamp, or a stamp cut in half, is not recognized in pre-payment of postage.

A medallion stamp cannot be accepted in pre-payment of postage separate from the envelope of which it may have formed a part.

No British stamps, or stamps of a foreign country, can be received in pre-payment of postage in Canada.

In affixing the stamp to the letter, wet slightly the corner of the envelope and the gummed side of the stamp, and gently press the stamp till it is firmly fixed. Stamps should be placed on the front or address side of the letter, and on the right hand upper corner.

Letters cannot be pre-paid partly in stamps and partly in money: the postage must be pre-paid either wholly in stamps or wholly in money.

If the stamps affixed to a letter addressed to any place in British North America be not adequate to the proper postage, the letter is rated with an amount equal to the deficiency; the whole postage being calculated at the *unpaid rate*, e. g. a single letter pre-paid 3 cents would be rated 4 cents additional: a double letter pre-paid 5 cents only would be rated 9 cents additional.

Letters addressed to the United States, on which stamps are affixed representing less than the amount of postage to which the letters are liable, are rated with full unpaid postage.

Postage stamps are received at all post-offices in payment of postage on unpaid letters delivered therefrom.

Postage Rates on certain Miscellaneous Matter passing within the Province of Canada, or to and from the United States.

1. Packages of seeds, cuttings, bulbs, roots, and scions, or grafts, may be posted in Canada for delivery within the Province or to an address within the United States, on pre-payment by postage stamps of a rate of one cent per ounce; and when received from the United States to any place in Canada, such packages may be delivered on payment by the person addressed, of a like rate.

2. The limit of weight for such packages will be one pound. No communication, whether written or printed, must be enclosed in them; and they must be so put up as to be easy of examination, for the purpose of verifying the alleged contents. If put up in bags, the bags must be simply tied at the neck, so as to admit of inspection; and in the case of such package, mailed in Canada, the nature of the contents, such as "*seeds*," "*roots*," &c., as the case may be, must be marked on the package by the sender, as a statement of the claim to pass at the reduced rate hereby made applicable to such matter.

3. Book manuscript, and printers' proof-sheets (whether corrected or not), maps, prints,

drawings, engravings, photographs when not on glass, or in cases containing glass, and sheet music (whether printed or written), may pass in covers open at the end or sides, and provided that no letter or other communication intended to serve the purpose of a letter, be enclosed therein, on pre-payment, when posted in Canada, by postage stamp of the ordinary printed-matter rate of one cent per ounce; or upon payment of that rate on delivery of such matter when received in the mails from the United States.

Transmission of Patterns of Merchandise and Samples between Canada and the United Kingdom, and certain other countries.

4. Patterns of merchandise and samples may be forwarded between Canada and the United Kingdom, and Denmark, France, Italy, Belgium, and the German States by the Canadian packet mails, at book-post rates, and subject to the following conditions:

A. The patterns or samples must not be of any intrinsic value; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material or article sent as a pattern or sample be so great that it could have on this ground an intrinsic value.

On this point an explanation in a subsequent Departmental Order, appears as follows:

B. It has hitherto formed part of the Imperial post office regulations that "*samples or patterns must not be of intrinsic value*," but in consequence of the difficulty that has been experienced in determining what is, and what is not, a pattern or sample of merchandise of intrinsic value, this prohibition has been removed.

The modification is a verbal one, and will not alter nor enlarge in any way, the character of the transmissions permitted to pass by pattern post.

The special prohibition as to intrinsic value has, it is understood, been withdrawn, not because the question of value will not still influence a decision as to whether an article offered for transmission by pattern post is a genuine commercial sample (or pattern) or not, but because as a general proviso it could not well be enforced; inasmuch as every article whether properly a pattern or sample or not, has necessarily more or less of an intrinsic value, and might be held to be amenable to a strict construction of this prohibitory clause in the regulation.

C. The patterns &c., must be sent in covers open at the ends, so as to be easy of examination. Samples however of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck; or, provided that bags be transparent, they may be entirely closed, if they are for delivery within the United Kingdom. Bags however, entirely closed, even though they be transparent, must not be

used for the transmission of seeds to foreign parts.

D. The rule which prohibited the transmission through the post, as patterns, of articles of cutlery, &c., has been rescinded; and scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like articles, are now allowed to be forwarded by the post as samples, provided they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags, and to the persons of the officers of the post office. Such articles, however, must be so packed that they may be easily examined; and it is made a rule that any packet containing such articles, which may be found to be insufficiently guarded, shall not be forwarded through the post.

No packet of patterns or samples must exceed 24 oz. in weight.

A packet of patterns or samples sent to France, must not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.

A packet of patterns or samples sent to Germany or Belgium must not exceed 8 ounces in weight.

None of the articles named in the rule D, may be sent as patterns or samples to any place abroad, except Germany, Belgium, and the British colonies, and not to these places when addressed "*via* France."

There must be no writing or printing other than the address of the person for whom the packet is intended, the manufacturer's or trade mark and number, and the price of the article.

Any infringement of the above regulations will render the packet liable to be treated and charged as a letter.

MONEY ORDERS.

Post offices in Canada at which money orders are issued and paid, are distinguished in the List of Post Offices by being printed in *italics*.

Every money order office in Canada issues money orders on every other money order office in Canada, as well as on every money order office in the United Kingdom. Every money order office in the United Kingdom also issues money orders on every money order office in Canada.

MONEY ORDERS ON CANADA.

All the money order Post Offices in Canada are authorized to draw money orders on each other for any sum up to \$100, and for as many orders of \$100 each, as the applicant may require, upon the following terms, viz :

On Orders up to \$10	5 cents.
" over \$10 and up to \$20..10 "	"
" over \$20 " \$40..20 "	"
" over \$40 " \$60..30 "	"
" over \$60 " \$80..40 "	"
" over \$80 " \$100..50 "	"

MONEY ORDERS ON THE UNITED KINGDOM.

The Canadian money order offices also draw upon all the money order offices in England, Ireland and Scotland, and the Channel Islands, for any sum up to £10 sterling, and grant as many orders for £10 sterling each, as may be needed to make up the amount remitted. The terms are as under :

On Orders up to £2	25 cents.
" over £2 and up to £5.. 50 "	"
" over £5 " £7.. 75 "	"
" over £7 " £10.. \$1.00.	"

MONEY ORDERS ON THE LOWER PROVINCES.

The Canadian money order offices draw also upon all money order offices in Nova Scotia, New Brunswick, Prince Edward Island, and Newfoundland. The orders, like those of the United Kingdom, are made payable in sterling money, and for sums up to £10 sterling. The terms are :

For orders up to £5, 25 cents.
" over £5 and up to £10, 50 cents.

No half cents can be introduced into orders.

No money order exceeding \$100 in amount can be granted on any office in Canada; but Postmasters are at liberty to grant two or more orders for \$100 or for any lesser sum.— They cannot, however, grant two or more orders for sums of or under \$30 on the same day to the same applicant in favor of the same payee.

Tables showing the amount of Provincial currency required for money orders issued in Canada upon the United Kingdom, in addition to the commission, and for money orders issued in the United Kingdom upon Canada will be found subjoined.

Applicants for money orders should always use the printed application forms, in which they should fill up the particulars of the order required. These forms are supplied gratuitously at all money order offices.

The Christian and surnames in full, and residences, both of the remitter and payee, should be furnished to the issuing postmaster. When a married woman is either the remitter or payee, her own Christian name should be given, and not that of her husband, thus—

"Mrs. Mary Smith," not "Mrs. John Smith."

If the remitter or payee be a Peer or a Bishop, his ordinary title is sufficient. If a firm, the usual designation of such firm will suffice, such as "Baring Bros.," "Smith & Son," "Jones & Co."

Parties procuring money orders should examine them carefully to see that they are properly filled up and stamped. This caution will appear the more necessary when it is understood that any important defect in these respects will throw difficulties in the way of payment.

Money orders, which, in consequence of misapprehension of the name of the remitter or place of payment, have been erroneously made

BILL STAMPS.

Bill Stamps.—Are distributed for sale very generally throughout the Post Offices in the Province: these Stamps are of various values from 1 cent upwards. Bill Stamps cannot be used in pre-payment of Postage.

Law Stamps.—Are also for sale at the principal Post Offices in Lower Canada.

General Regulations.—Postmasters and certain other officers of the department are exempt from serving on juries or inquests. This exemption applies to mail carriers, but not to assistants appointed and paid by postmasters.

The postmasters of Quebec, Montreal, Three Rivers, and Sherbrooke, and the postmasters of incorporated cities and towns in Upper Canada, divided into wards, and other officers of the Post office Department, excepting postmasters at other than the above places, cannot legally vote at the election of any member of the Legislative Council or of the Legislative Assembly.

Postmasters are not authorized to give credit for postage: if they do so it is entirely at their own risk.

A letter once posted becomes the property of the person to whom it is addressed, and must be forwarded according to its direction. On no application, however urgent, can it be delivered back to the writer, or to any other person.

A letter addressed to a firm may be delivered to any member of the firm. If addressed to several persons, it may be delivered to any one of them.

A letter delivered to the wrong person in consequence of his name being the same as that of the person for whom the letter is really intended, should be at once returned to the postmaster from whom received, the party writing on the cover "opened by me through mistake," and signing his name thereto.

Letters posted without any direction or addressed so imperfectly that they cannot be forwarded to their intended destinations, and also unpaid or insufficiently paid letters addressed to countries to which letters cannot be sent without the postage is prepaid, are returned to the writers through the Dead Letter office.

No information can be given respecting letters which pass through a post office except to the persons to whom they are addressed.

Parties desiring their letters and papers to be re-directed should send an intimation to that effect, in writing, to the postmaster of the office from which the letters and papers are to be re-directed.

Postmasters are allowed to re-direct letters to the known places of residence of the parties to whom they are addressed, after allowing a reasonable time to elapse without their being called for.

Letters and papers are not subject to any additional charge when re-directed from one post-office in Canada to another post-office in Canada.

Postmasters are instructed not to receive any letter or packet which there is good reason to believe contains glass or anything likely to injure the contents of the mail bag or the person of any officer of the post-office.

The transmission of indecent Photographs or immoral books through the Post is strictly prohibited, and all Packets containing such articles should be sent to the Postmaster General.

A postmaster is not legally bound to furnish change; but may require that the exact amount of postage on any letter or packet be tendered

to him in current coin, or in Canada postage stamps.

Postmasters and their assistants, in the above matter, as well as in all their official intercourse with the public, are expected to afford every accommodation, and to treat every person having business at their offices with the utmost courtesy.

Letters cannot be delivered at any intermediate office *en route*, but must be conveyed to the office to which they are addressed.

Mail couriers are bound to receive letters offered to them whilst on the road between one post office and another, provided that when a letter is so offered the distance from the nearest post office exceeds one mile. Such letters are termed Way Letters, and are subject to the ordinary rates of postage.

Suggestions for the Public.—Facility will be given to the post office in the discharge of its daily duties, and greater security afforded to the public, by careful attention to the following recommendations:

Post all letters and newspapers, &c., as early as practicable, especially when sent in large numbers.

When a number of newspapers are addressed to the same office, put them up in one parcel.

When a number of circulars are posted, tie them up in a bundle, with the addresses all in one direction.

See that every letter, newspaper, or other packet sent by post, is securely folded and sealed. Every such packet has to be several times handled; and even when in the mail bag, is exposed to pressure and friction. Unless, therefore, the article be light and pliant, it should be enclosed in strong paper, linen, parchment, or some other material which will not readily tear or break.

When dropping a letter or newspaper into a letter-box, always see that the packet falls into the box, and does not stick in its passage.

Never seal letters for the East or West Indies and other hot climates, with wax. Such a practice is attended with much inconvenience, and frequently with serious injury, in consequence of the melting of the wax, and the adhesion of the letters to each other. In all such cases use either wafers or gum, and advise your correspondents in the country referred to, to do the same.

Never send money or other articles of value through the post office, except either by means of a money order or in a registered letter. Carefully secure every letter or packet containing money or value, first with gum and afterwards with good sealing wax, on which make the clear impression of a seal.

In posting a registered letter or packet, always obtain a receipt for the same at the office where posted.

THE MERCANTILE AGENCY,

Established in New York nearly twenty-six years ago, on June 21st, 1841, for the promotion and protection of trade; Union buildings, St. François Xavier st., Montreal, C.E.

Our object, and that of our eighteen branch and associate offices in the large cities of the United States of America, Canada, and in London, England, is to give information to subscribers of the standing of those who purchase goods on time, or otherwise require credit.

We are supported by fully three-fourths of the merchants, bankers, and manufacturers of every community where our advantages are known.

"This institution, established in the city of New York over twenty-five years ago, for the promotion and protection of trade, was the first organized effort ever made to relieve the merchants and manufacturers of the Union from the insecurity of credit operations, and to substitute for the tardy, expensive, and unsatisfactory results of individual investigation, a system that should be alike prompt, economical, and reliable—whose purpose it should be to supply (to subscribers only) all necessary information as to the standing and responsibility of merchants, traders, manufacturers, public companies, &c., throughout the United States, their Territories, and British North America."

Collections of past due debts particularly attended to for all, whether subscribers to the Agency or otherwise.

Terms of subscription will be made known at the office, where we shall be much pleased to afford information as to the system pursued, and to give (free of expense) to those who contemplate joining the institution, a reasonable test of the correctness of our reports.
