40-ROOM SOREL HOTEL BURNS

World News In Brief

MONTREAL — (P) — Police said Rene Binette, 35, was in critical condition in hospital after he was shot and wounded by a watchman about 1 a.m. today at the back door of a house belonging to Jean-Paul Campeau.

It was reported Mr. Campeau hired Leo Cardinal as watchman six weeks ago after his brother, Jacques Campeau, who lives across the street was robbed of \$20,000.

Cardinal said he confronted two men "after they had gained entry to the house." He added that the men separated when they saw the gun and refused to halt.

LONDON — (AP) — The Daily Telegraph predicts Prime Minister Macmillan will hold a conference with President Eisenhower in Bermuda, probably in March. The Telegraph says this might be followed by a Big Three meeting in which France would participate.

VIENNA — (Reuters) — The wives of four Hungarian soccer players who returned to Hungary voluntarily a few days ago have been arrested, refugees reported here today.

The women are reported to have been arrested at Győr, on their way to Budapest. Their husbands are members of the Hungarian team now touring South America in defiance of orders from their Russian-supported government.

NEW YORK — (P) — Charles van Doren increased his winnings to \$123,000 Monday night on the NBC-TV program Twenty-One. The 30-year-old Columbia University English instructor defeated two opponents to add \$17,500 to the \$104,500 he finished with on last week's program. The previous TV give-away record was \$100,000, won by five persons on The Big Surprise.

OTTAWA — (CP) — Regional awards for well-designed Canadian homes will be announced during the next two months, the Canadian Housing Design Council said Monday.

The regions, with the number of awards, and when and where awards will be announced, include:

Quebec, eight, Montreal, March 1; Atlantic provinces, three, Halifax, March 8.

ALEXANDRIA, Egypt — (P) — A Czechoslovak government official pledged further aid to Egypt Monday in the form of technical assistance. Egypt has been getting arms from Red Czechoslovakia for some time. Y. Khouat, deputy minister of foreign trade, told the Egyptian Cotton Exporters Association his country will always support Egypt in a struggle for economic and national independence.

Don't Quit If Jokes Off-Color

HARTFORD, Conn. (P) — A few off-color jokes among the girls in the office are okay and certainly are not good enough reason for a secretary to quit her job, a Connecticut commissioner ruled Monday.

Harold Strauch, state unemployment compensation commissioner, said the secretary should get no unemployment benefits from the state.

This was the case, according to Strauch's report.

The secretary took a job in the office of a Hartford factory. On her first day she ate lunch in the basement with the girls. But she found their jokes appalling, "stormed out of the basement" and finished lunch in the office.

Next day, the same thing. On the third day, she couldn't take it any longer. She quit the job.

But Strauch contended that if she didn't like the jokes she didn't have to eat lunch with the girls.

Meeting In Washington — British Defense
Sandys, left, was greeted upon his arrival at the nation's capital by his American counterpart, Defense Secretary Charles E. Wilson. Sandys announced he had not come "on a begging mission." (NEA)

Arms Flow To Britain Possible Result Of Sandys-Wilson Talks

WASHINGTON — (P) — Talks continuing here today may result in the first substantial flow of American arms to the United Kingdom since the Second World War, as well as a sharing of U.S. experience in production and use of the new weapons.

Although Britain has shared in American military aid programs since the war, most of that help has been given indirectly rather than through direct arms shipments.

The accent appeared to be on missiles as British Defense Minister Duncan Sandys and U.S. Defense Secretary Charles Wilson began their talks Monday.

They voiced agreement that the three purposes of the talks were to exchange views on the military situation to compare the strategic thinking of the two countries and to explore the possibility of further co-operation in military research and "in other ways."

The first two points apparently raised no difficulties during the six hours Sandys and Wilson spent together Monday.

The main points of discussion and possible agreement are known to be in the area of weapons, particularly guided missiles and advances in military electronics which have been achieved by the United States.

Wilson, in addressing NATO defense ministers in Paris Dec. 14, said the U.S. is prepared to assist allies "who are willing and able to develop their own modern weapons systems." He offered also to "make available promptly certain items of modern weapons and equipment along

Today's Chuckle

The only reason some American families don't own a team of oxen is because nobody ever offered them one for a dollar down and a dollar a week.

Prince Charles Starts 'Democratic' Schooling

LONDON (Reuters) — British newspapers say the Queen and the Duke of Edinburgh disregarded the views of orthodox advisers in sending Prince Charles to day school for a "democratic training for kingship."

The tousle-haired, eight-year-old Charles became the first heir to the British throne to attend

an ordinary school. In the past, future kings and queens were educated by private tutors.

Charles became a pupil Monday in a modest private school located in Knightsbridge near Buckingham Palace.

He sat next to a doctor's son at an oak desk in one of the cream- and green schoolrooms. His other schoolmates - 101 in all - include the sons of lawyers, clergymen, journalists, businessmen and service officers.

His schooling will cost between £27 and £30 a term, with lunches two shillings and sixpence (35 cents) a day extra.

Teachers reported that Charles enjoyed every minute of his first day.

Headmaster is a 47-year-old former army artillery colonel onetime clergyman and athlete.

The school is run on modern lines by a staff of eight women teachers. The most severe punishment that a boy can receive is to be deprived of taking part in his favorite sport.

The Daily Mail says the Queen and her husband are insisting on their son having a democratic education "despite the advice of some of their more orthodox advisers."

The newspaper adds: "The duke's own experience of school life was the deciding factor."

The duke attended a "free expression" school in Scotland.

The prince will spend 6½ hours at the school, five days a week, for the next 18 months. Newspapers did not give the name of the school he is attending now

Unofficial Toll 10 Dead But Ruins Too Hot For Casualty Search

SOREL, Que. — (P) — Fire early today flamed through a 40-room hotel and five adjoining buildings in this St. Lawrence south shore industrial town. Police said damage may reach \$500,000 and there may have been loss of life.

There was one report that 10 persons lost their lives and a second that loss of life was six.

"We have had no reports of any deaths and no reports of missing persons," a police official said. "But we don't know until we can get into the ruins to check. They are still too hot."

One hotel employee said a room-by-room check was made through the hotel before it was destroyed. "We went from room to room—we had lots of time—and we are sure we got everybody out," he said.

Paul Tessier, president of the Red Cross at Sorel, said he felt sure there were no deaths.

Firemen blamed two overheated oil drums for an explosion that boomed out at 2:45 a.m. in the Chateaugay Hotel. The resulting fire was reported under control at 6:30 a.m., after more than 100 firemen battled it in near-zero temperatures.

Sorel, an industrial and ship-building centre, lies on the south shore of the St. Lawrence River 50 miles east of Montreal.

Destroyed were the hotel, a print shop where the weekly newspaper Le Sorelois is published, a tavern, a jeweler's store and a lingerie shop.

Scores of persons in nightclothes fled out into the bitter cold night. They stood hunched and chilled before taking shelter with other families or at a second hotel. Firemen from Sorel, Pierreville and St. Joseph poured 20 streams of water into the blazing buildings.

Witnesses said that although the fire was under control it "still is a raging inferno."

The blaze centred around the three-story brick hotel and the adjoining Morgau Building, close to 100 years old, and the jewelry store.

There were family dwellings in both the buildings near the hotel on Augusta Street.

The hotel housed two eating

Suez Pilot Wrecked Jet, Jailed

NICOSIA, Cyprus — (Reuters)

—A British pilot today was sentenced to one year's imprisonment and dismissal from the RAF for deliberately damaging his jet bomber before takeoff to avoid attacking Egypt last November.

The sentence, subject to confirmation, was announced shortly after a court martial found tall, slim FO Dennis Kenyon, 24, guilty of "wilfully" collapsing the Canberra's undercarriage at the start of "a warlike operation in the air."

Kenyon, who pleaded not guilty, testified at the start of his trial Monday that he had accidentally pushed the wrong button because of nervousness on his first combat mission.

He admitted he had said originally he did not support Britain's policy in Egypt but added that this was only his excuse to cover up a "tragic mistake" at the controls.

At the conclusion of the trial, the judge asked: "Why did a man say something to his own detriment which was not true? What he is saying is that he would rather be labelled a knave than a fool."

The air force alleged that Kenyon claimed it was an accident only after a serious charge had been made against him and "he sought a new avenue of escape."

Kenyon was found guilty of the main charge of deliberately retracting the plane undercarriage before takeoff Nov. 1 "with intent to relieve him from carrying the said orders to bomb Suez into effect."

The court returned no findings on two alternative charges of wilfully and negligently damaging the bomber.

Kenyon told the court Monday about his great worries after the incident.

"I considered my whole career was finished," he told the court. "I knew the crew would never trust me again. I knew most of my friends thought I lifted the undercarriage up deliberately."

The red-haired Kenyon admitted that he had stated that he did not agree with Britain's military action in Egypt.

Ontario Unveils Program For Hospital Insurance

TORONTO — (P) — The Ontario government today unveiled a hospital insurance plan aimed eventually at assuring basic hospital accommodation for every resident of the province.

Premier Frost tabled in the Ontario legislature a 7,500-word memorandum setting out background and details of the complex plan, tentatively scheduled to become effective Jan. 1, 1959.

In an explanatory speech, the Premier emphasized that inauguration of the plan is conditional on acceptance by the Federal Government which offered a year ago to assist financially in provincial hospital care programs provided they were launched by a majority of Canada's 10 provinces representing a majority of Canada's population.

The Ontario plan goes beyond the Dominion scheme since it covers care and treatment of mental illness and tuberculosis, said the Premier. Both were specifically excluded from the Dominion offer.

Cost of the Ontario plan, based on covering all the province's 5,500,000 population in 1956, would be \$160,000,000 a year. "By 1960, however, we are warned that the costs could total nearly \$300,000,000," although these could be kept in hand by sound administration.

The Dominion government would contribute about 35 per cent of the cost of the Ontario plan. The rest would come from premiums paid by those insured and from the provincial treasury.

Rates of individual premiums had not been decided. However, the premier told a questioner at an advance press conference that they would be less than those now charged under private hospital insurance plans. He cited the lowest present figure for a married man with dependents at \$4.70 a month.

At the outset, participation would be voluntary. However, "it will be made mandatory as the commission deems it to be feasible."

Up In Smoke — This aerial view shows part of the nearly three-million-dollar fire that killed one policeman and injured several firemen in Saratoga Springs, N.Y. The Red Cross declared it a disaster area as a whole city block was destroyed. The first started after an explosion in a bowling alley. (NEA)

Capital Hill Roundup

Garson Says Aid For Schools Threat To Provincial Rights

OTTAWA — (P) — Justice Minister Garson says provincial autonomy over education could not be maintained if the Federal Government made grants to the provinces for primary and secondary education.

He made the statement in the Commons Monday night in opposing a resolution of R. R. Knight, former school teacher, that the government relieve the financial crisis in education by granting financial assistance to the provinces "for the expansion and equalization of educational opportunity across Canada."

Mr. Knight, CCF member for Saskatoon, said such grants would no more interfere with provincial jurisdiction in education than do federal grants to universities and vocational schools, veterans' education assistance and grants proposed under the Canada Council.

However, Mr. Garson said if Mr. Knight's suggestion were approved, and the grants were large enough to be worthwhile, the federal government would have to include with them machinery to supervise their use. Under such circumstances "it seems quite beyond all reason to imagine that provincial autonomy over education would be maintained."

Earlier, the Commons defeated by a vote of 92 to 55 a resolution of Harry O. White (PC—Middlesex East) that the government consider putting a one-year limit on the time in which it can

reopen income tax cases of persons earning \$10,000 a year or less.

At present the revenue department, for any reason, can reopen an income tax case within four years of the date of its first tax assessment on a person's annual income. If the department suspects fraud or misinterpretation there is no time limit.

Mr. Knight's resolution produced no vote. Mr. Knight said that while Canada is split on the constitutional question of federal aid for primary education, the country is slipping behind other nations, some opposed to Canada ideologically. Federal assistance to education now had the support of labor, teachers federations, school boards and public organizations.

But Mr. Garson said it was not by accident that the British North America Act Canada's constitution gave the provinces

exclusive jurisdiction over education. It was one thing for the Federal Government to make grants to universities which formed only a part of their overall income. It was "a very different thing" to make contributions to provinces for use in their primary schools.

George Nowlan (PC—Digby, Annapolis-Kings) said, however, that federal aid for education would not necessarily infringe on provincial rights. No Federal Government would think of attaching conditions to the grants.

Andre Gauthier (L—Lake St John) said the provinces should come to the federal government with definite proposals if they want help for education.

Husband Held In Murder

CHENEVILLE, Que. — (P) — An 83-year-old pensioner has been taken into custody by provincial police in connection with the bludgeoning — slaying of his 79-year-old wife.

Jeremie Pilon was arrested Monday and taken to Montreal for questioning after his wife was beaten to death at the break fast table by a chunk of stove wood.

The slaying shocked villagers who described the husband and wife as a "quiet couple."

District game warden Gedeon Lindsay said it was Pilon's "second marriage and her fourth."

"They lived on old age pensions and had a nice little house in the main part of the village,"

Electrical Week Is Announced For Feb. 10-17

QUEBEC — (P) — R. E. Bailey of Montreal, president of the Canadian Electrical Council, said Monday night four of five Canadian homes, including new ones, are inadequately wired for electricity. To make the public aware of the dangers, he said the electrical industry will launch an educational campaign during National Electrical Week Feb. 10-17. He made his remarks in a speech prepared for delivery to the eastern zone meeting of the Canadian Electrical Association.

He indicated the government does not plan any immediate easing of credit restrictions as he asked his audience which they would prefer: A booming economy combined with high interest rates or low rates and an economy slowdown which could bring unemployment.

Mr. Harris was addressing a York Centre Liberal nomination meeting which named Allan H. Hollingworth, 33-year-old lawyer, to contest the seat he won in the 1953 general election.

Mr. Harris said there is no reason why Canada's economy should not continue to expand in 1957. An increase in earnings would raise the volume of savings, making more money available for borrowing and investment.

"But at a time like this, care is needed to ensure that the growth in the use of credit does not run ahead of the growth in savings."

With Canada's production machinery being strained to produce at full capacity the only result of increased credit would be to force up prices and costs, he said.

"I told Gomulka, 'You are just the beginning. You have still many difficulties to overcome but the beginning is very good.'"

The reception honored President Antonin Zapotocky and his Czechoslovak delegation, here to discuss economic and political problems.

Zapotocky said Western nations were, in effect, knocking their heads against a stone wall in efforts to drive a wedge between Czechoslovakia and the Soviet Union.

Save More, Spend Less Harris Cure For Inflation

TORONTO — (P) — Finance Minister Harris said Monday night Canadians should save more and spend less to maintain the present economy and prevent inflation.

Speaking to Communist correspondents at a Czechoslovak embassy reception, Khrushchev said:

"After the elections I telephoned Gomulka to congratulate him. The Polish people loved his political maturity. I told him I always was sure he would be able to defeat his enemies, the reactionaries."

"Building socialism is not an easy task. Building socialism is not embrodering roses. Look at Lenin. At first we had few intellectuals in our ranks, but the workers were behind him. And with their support Lenin did not hesitate to seize power."

"I told Gomulka, 'You are just the beginning. You have still many difficulties to overcome but the beginning is very good.'"

The reception honored President Antonin Zapotocky and his Czechoslovak delegation, here to discuss economic and political problems.

Zapotocky said Western nations were, in effect, knocking their heads against a stone wall in efforts to drive a wedge between Czechoslovakia and the Soviet Union.

Savings Interest Climbs To 2¾%

MONTREAL — (P) — Personal savings accounts will start earning the highest interest rate in 2 years next Friday when the rate climbs to 2¾ per cent.

The present interest rate of 2½ per cent will be boosted Feb. 1 by one-quarter per cent, the Canadian Bankers' Association announced.

The increase represents an extra \$15,000,000 a year in added interest to bank depositors, who had \$6,000,000,000 in savings accounts in chartered banks at the end of 1956.

Clarenceville
Grange Plans
February Party

CLARENCEVILLE — Grange
No. 10 held its regular bi-
monthly meeting in Empire
Hall with a very good attend-
ance. During the business ses-
sion a card party was planned to
be held early in February at the

home of Mr. Hugh Monaghan.
Mrs. Erle Clark won the hon-
ours in a word making contest
and a lively debate was held on
the pros and cons of Elvis Pres-
ley as an entertainer.

VESTRY MEETING

The members of St. Thomas'
Church of Noyan, Que., held its
annual vestry meeting at the
home of Mrs. Bernard Derrick.
Officers elected for ensuing
year for the W.A. were presi-
dent, Mrs. Bernard Derrick; sec-
retary, Mrs. Agnes Derrick;
treasurer, Mrs. William Dous-
sette, and for the Guild, presi-
dent, Mrs. John Mosher; sec-
retary, Mrs. Archibald Derrick;
treasurer, Mrs. A. Derrick.

Those attending from Clar-
enceville were the Rev. and Mrs.
William Sellwood and daughter,
Nancy, Mrs. H. H. Fadden and
Mrs. Willis Draffin.

Following the meeting refresh-
ments were served by the host-
ess.

General Notes

Mrs. Erle Clark and son, Peter,
spent some time in Montreal
with her parents, Mr. and Mrs.
McWhinnie and visiting Mr.
Erle Clark who is attending col-
lege there.

Employees Entertained

Pictured above are the employees of the Thetford Mines branch of the Eastern Steel Products Company, Ltd., and their guests, who were entertained recently by the firm at a dinner and social evening held at the Balmoral Hotel. Included among those seated at the head table are the Montreal visitors J. T. Wilson, vice-president of the company's eastern division, J. C. Laniel, works manager and D. Ward, personnel manager, and the local representative of the Eastern Steel Products, Frank J. Penfold. Speeches were made by Mr. Wilson, who thanked all personnel for their loyalty and co-operation, and Mr. Laniel, Mr. Penfold responding.

CLARENCEVILLE —

The members of the Clarence-
ville bridge club were invited to
join the lady bridge players of
the Lacolle curling club at the
club rooms. A jolly time was
reported by those attending and
refreshments were served by the
hostesses.

Rev. and Mrs. William Sell-
wood and daughter, Nancy, mot-
ored to Montreal to attend the
funeral of Mr. Sellwood's aunt.

Council Studies \$1,026,125 Public Works Expenditures

Services Director Outlines Proposals

A public works project for 1957 estimated to cost \$1,026,125 was presented to the City Council last evening by Director of Services Charles Langlois. This will be studied by the aldermen and a by-law prepared for submission to the ratepayers within the next few weeks.

The capital expenditures this year are slightly higher than those provided for in a similar by-law approved last year when the amount borrowed for public works outlays was \$72,000. This provided for the paving, opening and levelling of over 50 streets, sidewalk construction and about 20 others and the installation of sewer and water mains.

Expenditures under the proposed by-law are concentrated largely on the three wards where repairs, development and maintenance needs are most pressing — namely the West, North and East Wards.

In the West ward an estimated \$76,425 is provided for 14,365 feet of sidewalk and \$267,200 for 20,541 feet of paving; in the North ward, \$41,400 for 8,000 feet of sidewalk and \$158,800 for 12,865 feet of paving while in the East ward an estimated \$67,300 would go for 12,865 feet of sidewalks and \$247,800 for 18,366 feet of paving.

Total estimated expenses for 35,230 feet of sidewalk is \$185,125 and for 51,769 feet of paving is \$673,800 for all three wards. Added to this is the cost of underground works set at \$167,200 bringing the estimated expenditures to \$1,026,125.

Heaviest work will be carried out in the West ward where 26 streets are scheduled for sidewalks with 24 for paving. In the North ward sidewalks will be added to 11 streets and pavements to 19. In the East ward there will be 14 more streets with sidewalks and 20 more with pavement.

The addition of sidewalks to streets means in certain cases that only one side of the street will have walks while on other streets sidewalks will be complete on both sides.

Water and sewage pipes will be installed on 34 streets in the three wards.

Comparing the 1957 average estimates for underground works, sidewalks and pavement, calculated on a cost per linear foot, with those of 1956, Mr. Langlois arrived at the following figures:

The estimated unit cost of the underground works under the proposed by-law is \$12.17 a linear foot, compared with an estimated cost of \$12.38 per foot under last year's by-law and an actual cost of \$10.06. Sidewalk costs are placed at \$5.26 a foot, compared with last year's estimate of \$5.91 and an actual cost of \$4.84. For pavements the cost is estimated at \$13.02 a linear foot, compared with an estimate last year of \$12.40 and an actual outlay of \$10.54.

Mr. Langlois also presented a report of the 1956 public works project in which he said that the works completed cost the City \$99,000 less than estimated in last year's loan by-law.

In his remarks, he noted the average costs of works completed are all less than the estimated costs, but it is calculated that the work of street construction completed by the City cost less than those completed on contract. Portland St. costs were much higher than the average, so the cost of paving done by the City is \$9.96 for linear foot despite the fact that city did the streets where there was rock excavation.

Paving costs more when it is done by the City because the capacity of our municipal plant is too small. Last year's results show that the preparation of streets costs less when it is done by the city. The most economical solution would be then to make the preparation ourselves and have the paving made by a contractor, Mr. Langlois stated.

"In resume," Mr. Langlois continues, "the works completed cost \$99,000 less than the amount foreseen. Construction works left

District Governor Visits Local Lions

Lions Club Visitor — Shown at the official visit of District Governor Bob White to the Sherbrooke Lions Club last evening are, from the left: President A. Channell, Magog Lions Club; President F. Patafie, of the Sherbrooke Club; District Governor Bob White; Past President Dr. Georges Saine and Past President Cecil Dunn, both of the Sherbrooke Club. (Photo by Gerry Lemay)

District Governor Bob White was guest speaker last night at the weekly meeting of the Sherbrooke Lions Club held in the Hotel Sherbrooke, a meeting which also saw six new members inducted into the club.

President Frank Patafie presided over the gathering and welcomed the guests who included wives of the members.

"Operation, Along With Cooperation," was the theme of Governor White's remarks, and he pointed out that since 1917, when Lions International had a membership of 800, it had grown to a membership of 1700 clubs in 77 different countries with a membership of 500,000. Inter-club meetings were one of the finest ways of holding and bringing members together, he said. Immediate Past President, Dr. Georges Saine introduced the speaker and he was thanked by Dr. O. Noel.

Dr. Saine, assisted by District Governor White, inducted the new members into the club. These were: Marcel Courchesne, Paul Courchesne, Ned Messina, J. C. D. Dupuis, A. Choquette and Ted Anderson.

Lion Ronald Savoie led a singing during the evening and Gerry Villeneuve acted as club "tail-twister." Lion Hap Rice took charge of the ladies' gifts.

Seated at the head table were: Mrs. Cecil Dunn; Alan Channell, president of the Magog Lions Club; Mrs. F. Patafie; Governor White; President Frank Patafie; Dr. Georges Saine, Immediate past president; Mrs. Bob White; Cecil Dunn, past president; and Mrs. A. Channell.

Negligence Case Hearing Delayed

A criminal negligence case against Yvan Cyr, of Sherbrooke, scheduled to be heard before the Criminal Assizes of the Court of Queen's Bench today, was postponed until Feb. 26 due to the absence of two crown witnesses.

Thursday Eloi Marcotte is scheduled to come to trial on a receiving charge.

Bishop's Students Today Electing Carnival Queen

Students at Bishop's University are voting today for their 1957 Carnival Queen.

Results will be announced to the public Thursday evening at the gigantic "Ice-rama" show in the Sherbrooke Arena, when the winner will be driven before the public in an open car and crowned by His Worship, Mayor Armand Nadeau.

The three finalists are Virginia Emerson, an 18-year-old sophomore from Montreal West, Mary Fanok, a 19-year-old senior from Lachine, and Phyllis O'Dowd who is 20 and from Drummondville.

The crowning is only one feature of "Ice-rama." Also on the

Kiwanians Urge Bilingual Group At Civic Centre

The question of the proposed civic centre was discussed at the regular meeting of the Sherbrooke Kiwanis Club held at the Hotel Sherbrooke last evening and an overwhelming decision was reached that the committee controlling the centre, if it is established, be bilingual.

At the suggestion of Herb Plow, who introduced the matter, it was decided to prepare a brief from the club which would be presented to the inquiry committee by Albert Kouri and Mr. Plow.

Ray Ball, of Bishop's University, a guest for the evening, invited the Kiwanians to attend the Ice-rama and other events being held in connection with the University's winter carnival.

The speaker for the evening was Walter Lefebvre, manager of the Bank of Montreal, who described the recent goodwill visit to Halifax.

agenda are the annual hockey game between the University of Sherbrooke and Bishop's for the Skinner-Nadeau Trophy, a giant ice review featuring such well known stars as Sherbrooke's own Dick Nutter, Sheila Workman, who was formerly with the Hollywood Ice Revue and the Bishop's "Carnabelles", twenty young skating co-eds whose performance in last year's "Ice-rama" so enthralled the audience that they were invited to skate in the Montreal Forum at the McGill Winter Carnival.

These girls have been working hard on their new routines under the careful coaching of fellow student, Diane Montgomery.

Diane, who is from Lennoxville, was formerly a star for the Sherbrooke Winter Club. She is very excited about this year's skating routine because it features costumes which glow in the dark.

Rehearsals are progressing well and this feature of "Ice-rama" promises to be especially delightful to all the young fry in the audience Thursday evening.

Meeting Called To Study Rink At Lennoxville

Citizens of Lennoxville are invited to attend a meeting in the Lennoxville High School Gymnasium on Wednesday evening at 8 p.m. to discuss the possibility of building a covered ice skating rink.

The growth of the community in recent years has increased the number of young people to the point where consideration of such a project seems desirable and a good representation of residents would enable a serious discussion of the matter.

Mailhot Found Guilty

Georges Doris Mailhot, 27, of Asbestos, was found guilty of criminal negligence resulting in the death of Mrs. Leo Collard, of Sherbrooke, by a Court of Queen's Bench jury here yesterday afternoon. Sentence will

be rendered by Mr. Justice Gaston Desmarais on Feb. 8.

Mrs. Collard, the mother of three small children, was killed instantly when she fell from a car driven by Mailhot near Windsor Mills on July 10 last.

The jury deliberated for slightly more than an hour before returning their verdict. At one point during their deliberations the jury returned to the court room and asked Judge Desmarais for advice concerning the sentence.

Jury Foreman Donat Pinard explained that he and his conferees had come to an agreement on their verdict but before giving their decision wanted to know whether "the accused would be marked for life with a sentence of 10 or 11 years."

Judge Desmarais said the sentence did not concern the jury but if they asked for clemency he would be obliged to consider it in his sentence. The jurors then retired for ten minutes and returned with the guilty verdict.

The case went to the jury about noon, the morning session being taken up with arguments of the Crown and defence attorneys and the judge's charge to the jury.

Proprietors' League Hits New Water Tax Proposals

Amendments to the City Charter were topics for discussion at the special session of the Council last night following a request by the Proprietors' League for further explanations of the proposed changes.

The League also officially lodged a protest against the suggested arrangement between the federal and municipal governments on the construction of the airport. The subject was not discussed by the aldermen since no more information had been received.

Specifically, the League attacked the charter amendment changing the election date from April to October and proposed as an alternative that the mayor and aldermen be elected en bloc.

Mayor Nadeau said he was in favor of this method of election but added that the proposal should be presented to the ratepayers in a referendum.

Ald. Everett Nicol, on the other hand, felt it was a matter the Council should deal with alone. He cited one town where the government had reverted to rotating elections after electing its civic authorities en bloc.

A proposal to impose a water tax on vacant lots was criticised by the Proprietors.

With the new law, a flat rate of \$10 would be levied for water tax on all vacant lots. This amount added to the ordinary tax levied

from home owners, must amount to 10 per cent of the cost of supplying water to a particular street. If the total amount does not reach 10 per cent, then the difference will be divided among all the home owners and vacant lot proprietors living on a street.

If for instance, water service costs \$3,000 on one particular street, the tax would be 10 per cent of this or \$300. Say only \$250 is levied from home owners and the owners of vacant lots who are obliged to pay the \$10 minimum rate, the deficit of \$50 will be shared by all.

Mayor Nadeau pointed out that the City would lose less revenue in the case where water service is installed on a new street where only one house is built. On the other hand, he noted, the home owner would benefit by a decrease in taxation.

Ald. Nicol said this would reduce speculation by real estate agents who can ask for higher bids on lots where water service is supplied. With the new tax, real estate agents would consider selling properties at a lower rate, he said.

Mayor Nadeau said that if the agents were forced to sell at lower prices, housing development would be increased considerably.

Thursday morning, a delegation comprised tentatively of Mayor Nadeau, Aldermen Carrier Fortin, Paul Gervais, J. M. Jeanson, Everett Nicol, Robert Gauthier, Felix Thibeault and one municipal departmental official will attend the study of Sherbrooke's private bill by the Legislature private bills committee.

An appeal to the Supreme Court of Canada by four local industries and the City of Sherbrooke is scheduled to be heard in Ottawa either Feb. 1 or 4.

The City and the industries Paton Manufacturing, Canadian Ingersoll Rand, Dominion Textile and Domil Ltd. have appealed a decision by the Quebec Court of Appeals in the taxation of immovable machinery for school purposes.

The case was first taken before a board of arbitration here in Sherbrooke who rendered their decision in favor of the city, but the Quebec Court of Appeals reversed this decision and now the industries mentioned and the city will seek a final decision before the Supreme Court, Canada's highest court.

Lawrence Group Studies Problems

Mrs. G. B. Clark, former chairman of the Parent Education Group of the Quebec Federation of Home and School Associations, was guest speaker at the regular meeting of the Lawrence Home and School Association.

Mrs. Clark introduced a play entitled, "And You Never Know," depicting a typical day in a family with teenagers. Those taking part were Mr. and Mrs. Ronald Smith as the parents and Miss Marilyn Gellinas as the teenager. The speaker then led discussion groups in which the audience discussed the attitude of the mother towards her family.

It was announced that the February meeting would take the form of a Valentine Dance to be held in the Lawrence School Gym on Feb. 9 and to which everyone is welcome.

Sherbrooke Daily Record

"The Oldest Daily in the District"

Established Ninth Day of February, 1897, with which is incorporated the Sherbrooke Gazette, established 1837, and the Sherbrooke Examiner, established 1878.
The Record is printed and published every week day by the Sherbrooke Daily Record Company Limited of which Edna A. Beerworth is Secretary-Treasurer, at the office, 119 Wellington Street North, in the City of Sherbrooke, incorporating the news service of The Canadian Press, The Associated Press and Reuters.
Subscription Rates: Carrier delivery in Sherbrooke and Eastern Townships: 30 cents weekly \$15.00 per year. Mail subscription in Canada, Great Britain or the United States: 1 year \$9.00, 6 months \$5.00, 3 months \$2.75, 1 month \$1.00. Single copies 5c; 2 to 3 mos. old, 10c; up to 6 mos. old, 25c. "Authorized as second class mail. Post Office Department, Ottawa."
The Record is a member of the Audit Bureau of Circulation, its circulation being regularly audited and guaranteed.

TUESDAY, JANUARY 29, 1957

Mixed Reception

As measured by its reception in the Middle East, the so-called Eisenhower doctrine is neither totally welcome nor totally unwelcome.

After a two-day meeting, the countries of the Baghdad Pact — Turkey, Iraq, Iran and Palestine — declared their support of Mr. Eisenhower's proposal to defend any Middle East nation with force if requested.

But since these lands have long been eager to see the United States more closely identified with their joint defense pact, this announcement occasions no surprise.

On the other hand, four other countries in the area have gone on record as opposed to the President's

plan. They include Egypt, Syria, Jordan and Saudi Arabia.

Nothing else would be expected now from the first two, which show marked signs of Communist influence, nor from Jordan, which is pitifully weak.

Arabia is another story. It already has defence ties with the United States and is heavily dependent on American oil royalties for basic economic support. It is to be hoped that during King Saud's visit to the United States, President Eisenhower may be able to pry him loose from the hostile tier of Arab states and thus reduce Russia's potential spawning ground in the Middle East.

Israeli Conditions Reasonable

Just what exactly seems to be the matter with the United Nations in regard to serving the Egyptians a fat portion of the same unsavoury pie of which the British, French and Israeli peoples have forcibly partaken?

It seems to be a fact that, though in theory the U.N. is an assembly where the small have as loud a voice as the great, the United States is still a prime moving force and with this in mind we may ask, "Why don't they support to the hilt Israel's minimum conditions for solving the entrance to the Gulf of Aqaba and the Gaza Strip problems?"

Secretary Dag Hammarskjöld has received Mr. Ben Gurion's suggestion that an Israeli withdrawal from the Gaza Strip would be followed by a joint administration of the area by both Israel and the U.N. Furthermore, his suggestion that there be a treaty guaranteeing free navigation by the countries bordering the entrance to the Gulf of Aqaba is far from unreasonable. The solution of the refugee problem would also be contributed to

by Israel, and the fact that they have already complied with all U.N. demands thus far, should be sufficient proof of their word.

With the exception of the Israeli attack on Egypt, an act which was justified to some degree by the militant power and unmitigated hostility which the Arab nations have levelled in the direction of Israel for some time, all the efforts to humble and humiliate her have been exclusively incurred by Nasser and his underlings. The situation smacks of "Al Akhbar" — God wills it! — the old Moslem declaration of holy war. The most prominent paper in Egypt is even so named!

Egypt is not just a young country trying to achieve independence; it is a vulnerable stepping stone by which communist powers may have access to complete control of the Middle East, both strategic and economic. It is this extra-mural agitation which has caused the trouble, and if close scrutiny be switched from the Anglo-French-Israeli question to that of Egypt proper, perhaps a more proper perspective might be divined.

We Must Press On

Sometimes the inter-continental guided missile is described as the "ultimate weapon." It is hard to imagine anything more devastating than a device which can speed 5,000 miles without pilot to bring fire, ruin and death upon vast and distant targets.

The Western world fervently hopes that no such weapon will be

ever used, but against present-day prospects it is of the utmost urgency that we be prepared for any emergency.

That Russia will eventually perfect a guided nuclear missile seems inevitable and thus we have no choice but to assure that our own experiments are pressed with great speed.

THE TYPICAL FATALITY

(St. Thomas Times - Journal)

From the National Safety Council of the United States in Chicago comes the announcement that the typical driver who became a traffic

GETTING A START

(Ft. Wm. Times - Journal)
One of the 39 Hungarians who arrived in Fort William on Monday evening set out to start work yesterday morning. He was on his way to a lumber camp, to be employed as a cutter.

He will be cut off from city lights, from association with others who use his native tongue and have common interests. But he will have comfortable living quarters, excellent meals, and time for recreation of his own making. And if he does as well as the average fellow-woodsmen, he will earn four to five hundred a month. If he is like so many others of the newcomers to Canada, he will save much of his earnings.

In a year or two he may come out of the bush with a bankroll of as much as five to ten thousand dollars—a good sum with which to gain a foothold in a new country.

LANGUAGE

(Brandon Sun)
The Printed Word notes that two students from a Canadian college who made a motor tour of the United States last summer report that their blazers seemed to arouse some curiosity among the people they met. The blazers bear the college's Latin motto, *Timor Dei principium sapientiae* — "The fear of the Lord is the beginning of wisdom."

The curiosity was explained when a Oklahoma waitress asked them: "Where are you all from?"
"Canada," they answered.
"Oh, I see," said the girl. "I've been wondering what language that was."

statistic in 1956 had no business dying. Statistics indicate that this average driver was a man about 35 who had a steady, non-professional job and was in possession of his faculties but one day between four and eight o'clock he diverged from his usual habits and virtually killed himself. The typical fatal accident in-

THE GLOVE COMPARTMENT

(New York Times)

The automobile licence plates for 1957 now are available. To get them, the man at the window must be shown the registration. This naturally, is kept at all times in the glove compartment of the car. This glove compartment has various sound theories built upon it, the chief one being that it must hold only such important things as the registration. In reality, of course, it holds everything save the objects from which it derives the name. During the excavation process it is found that the compartment has no gloves. In place of gloves it has a worn-out flashlight, bottle openers, book matches, sea shells, a couple of pocket detective stories, crumpled-up cigarette packages and old maps.

A THOUSAND MILLION

(Chicago Tribune)
Twice in the last week our valuable colleagues in the proofreading department have notified us that we used the word million when we obviously intended to write billion. The proofreaders know that the word million is always wrong when it occurs in editorials dealing with the federal government's spending. Nothing less than a thousand million dollars is ever considered in Washington.

involved but one car which careened off the roadway at a curve.

This typical driver was speeding and day-dreaming—his attention was distracted—and he wasn't prepared to handle an emergency. The moment it takes to light a cigarette or observed an object along the road may be long enough to cause a speeding driver to lose control.

It's not so much the "wild hot-rod" that the council is worried about but the man who has been doing fine for years and becomes so automatic that his reflexes are not ready to function. The price of safety is eternal vigilance.

RECEIVE EXTRA PUPPIES

(Minneapolis Tribune)

One day a Minneapolis postman saw a black cocker spaniel frolicking in front of a house on his route. He knew that the people who lived there, wary of canine parenthood, never permitted their spaniel outside unless she was leashed. No one was home, so he took the trouble to catch the dog and slip it inside the door. When the lady of the house returned, she found not one but two black cockers in the house. It took a while, but the family found takers for the five puppies.

NEAR PEARLY GATES

(Windsor Star)

Clocked at 105 miles per hour near Orillia, Mrs. Jean Garbutt, wife of an Anglican clergyman, had her driving license suspended for three months.

Driving at that speed, the good lady was getting close to the angels.

Press Comment

WARNING FROM QUEBEC
Toronto Star

We commend for Premier Frost's reading the statement of the archbishops and bishops of the civil province of Quebec on alcoholism and the "shameful abuses" of liquor. At a time when the Ontario Government is relaxing liquor regulations, the French-language church leaders emphatically declare that "the time has certainly not come to slacken" liquor laws. On the contrary, they call for "prudent but severe laws concerning the opening of drinking outlets."

None should know better than the bishops of Quebec the evils that follow in the train of too liberal sale of liquor. Quebec has always been the most "wide open" of provinces in that respect. When all the rest of Canada had prohibition, Quebec had government sale. Today beer can be bought there as easily as soft drinks and spirits are sold without a permit (a "reform" some are urging in Ontario).

We in Ontario cannot point the pharisaical finger at Quebec. The words of the bishops apply with equal aptness to this province. There is disrespect for law here, too, and the government connives at it, as witness the farcical "institutional advertising" of Ontario brewers. It is most certainly against the spirit of the law. Still worse, the government has shown what is almost an eagerness to open new liquor outlets, in some cases against the vigorous opposition of the people.

REAL TEEN-AGERS ARE SOLID CITIZENS

(St. Louis Post-Dispatch)

Teen agers have too often been known to the rest of the population of late by those among their number who have disgraced them in one way or another. It is a pleasure to meet, therefore, the real teenager, 16,000,000 strong, as we do by way of a research study of 4,940 boys and girls in their teens throughout the country. The study was made for the

American Newspaper Publishers' Association Bureau of Advertising by Eugene Gilbert and Co.

A very solid citizen is the teenager, as this examination shows. Nine and a half million teenagers earn income in vacation, part-time or (after finishing school) full-time jobs. With allowances included, they have \$9,000,000,000 a year to spend. By the end of another decade it is estimated there will be 24,000,000 teen-agers Americans with \$14,000,000,000 a year to spend.

Already more than 9,000,000 teenagers buy their own phonograph records, 5,000,000 their own jewelry. Three out of every four teenage girls select and pay for their own lipstick one out of every three buys her own blouses, sweaters, skirts and lingerie, one out of every four her own dresses and toilet soap.

One out of every two teenage boys buys his own sports equipment, one out of every three his shirts, slacks and shaving cream. More than a million teen-agers are married — some seven per cent of the total — a larger group of married American teen-agers than ever before.

The researchers picture teenagers thus:
"Alert, modern, independent, with active minds and money of their own."

MUNCHING A LEMON

(Kitchener-Waterloo Record)

In a recent telecast a Harvard professor hypnotized some students. Thereupon, it is said, one of them munched a lemon with gusto in the belief it was a peach.

With final income tax returns coming up, the revenue department could make things a lot pleasanter by using hypnotism to make the final tax bite of the year taste like a peach instead of a lemon.

Bygone Days THIRTY YEARS AGO

From the Record of Saturday, Jan. 29, 1927.

The Dominion Government has announced a new immigration policy under which Canada will advance eighty dollars per boy for English youths of eighteen seeking to come to this country.

A statement submitted to the Quebec Legislature placed the net profits of the Quebec Liquor Commission at \$5,546,490 for the past year.

Prime Minister King has denied reports that Canadian troops will be dispatched to China.

TWENTY YEARS AGO

From the Record of Friday, Jan. 29th, 1937.

The Privy Council, decision restricting the powers of the Dominion Government on labour legislation has intensified the demand for a general conference designed to modernize the Canadian constitution.

TEN YEARS AGO

From the Record of Wednesday, Jan. 29th, 1947.

A Chinese commercial airliner carrying United States Methodist Bishop Schuyler Edward Garth, of Madison Wis., his wife and 21 other persons, was found wrecked and burned 100 miles west of Hankow today.

Canadian health authorities moved today to launch a national attack on cancer, second-place grim reaper of human life in the Dominion with an annual toll of more than 12,000 people.

WHAT'S FAIR?

(Ft. Wm. Times - Journal)
Is it any more unfair to insist on compulsory arbitration for those companies and unions who provide vital services like rail transportation, fire fighting, policing, than it is to make the whole population accept arbitrary compulsion to do without?

Jacoby On Bridge

DIAMOND RAID MADE
7 SPADES

Today's hand is from the 1956 Winter Nationals. Sally Johnson and Peter Cabral of New York obtained a top score when they bid six spades and made seven on a swindle play.

The bidding is a trifle optimistic. Mr. Cabral expected another spade in his partner's hand and his partner would like to have held it.

Peter won the opening trump lead in his own hand; played a club to dummy's ace; trumped a club; led a spade to dummy's queen and trumped a third club with his next to last trump. This set up dummy's club suit and now Peter led his ace of trumps and held his breath until both opponents had followed suit.

This lucky break in trumps insured the slam but Mr. Cabral was not content. He had discarded dummy's five of diamonds on the last trump and now played a heart to dummy's king.

He proceeded to run dummy's four clubs and discarded the three, nine, queen and king of diamonds. Then he got to his hand with the ace of hearts.

West carefully noted those cards but overlooked the fact that the eight was still missing. Hence he let his ace of diamonds go in order to keep a useless guard for his queen of hearts.

CARD SENSE

Q—The bidding has been:
West North East South
1 Club Double 1 Heart ?
You, South, hold:
Spades A-Q-8-7-6, Hearts 9-7, Diamonds J-6-5, Clubs 9-5-4.
What do you do?

A—Bid one spade. You have seven points and a good five-card suit and hope that your partner will show further signs of life, in which case you will bid strongly.

TODAY'S QUESTION

The bidding is the same as in the question just answered. You, South, hold:

U. S. COLOR PROBLEM

(Baltimore Sun)
This country's great continuing internal problem in 1956 was race relations. It is a problem that we Americans, white and Negro, have long struggled with.

It is a problem that will not be fully solved in 1957, or in 1958, or for a long time; for it is a very great problem. It involves hopes and aspirations, fears and ancient resentments. It involves sincerely held beliefs, and wild prejudices. It is in part an economic problem; in part a political; in part an educational.

It is a problem woven, indeed, into the whole fabric of the country's life.

Spades A-Q-8-7-6, Hearts 9-7, Diamonds K-6-5, Clubs 9-5-4.

What do you do?

Hart-Trial Re-Opening In Montreal

MONTREAL — Further testimony is expected Feb. 7 when the preliminary inquiry of 21-year-old Gary Hart, accused of stealing \$700,000 worth of securities, reopens in court here.

Hart and another man, Constantine Dean Papadakis, 23, both of Montreal, are free on property bail of \$25,950 each.

They are charged separately of theft and conspiracy in connection with the missing certificates.

Hart was formerly "senior" securities handler for R. Moat and Co., a 93-year-old brokerage firm now declared bankrupt. During an inventory last December, it was discovered securities were missing from two safety deposit boxes.

Brig. A. E. E. Tremain, a partner in the Moat company, testified that his firm's securities were withdrawn from the bank and several times transferred back a few days before dividend record dates to avoid discovery of irregularities.

N.Y. Snubs King Saud

NEW YORK (AP) — King Saud of Saudi Arabia arrived in New York harbor today to a welcome of contrasts. The federal government is rolling out the red carpet. New York City officials are ignoring the monarch.

King Saud, with a party of 71 persons, including several bodyguards who tote tommyguns, arrived in the harbor aboard the liner Constitution.

Welcoming groups in New York included representatives of the state department, the navy and the United Nations. The fanfare began even before the liner docked.

Mayor Robert F. Wagner laid down the city's "cold shoulder" treatment Monday by describing Saud as "not the kind of person we want to officially recognize in New York City." He accused the Arabian king of upholding slavery in his own country and of being anti-Jewish and anti-Catholic.

Bogart Leaves \$1 Million Estate

HOLLYWOOD (AP) — Humphrey Bogart's business manager Morgan Maree, says the late actor's estate will involve holdings of "well over \$1,000,000."

Maree said a percentage of the estate will be used to establish a foundation for undisclosed charities with Mrs. Bogart (actress Lauren Bacall) himself and a bank as trustees.

Annual Meeting Of Sawyerville Junior Auxiliary

SAWYERVILLE — Under the presidency of Barbara Montgomery, 13 members and their leaders attended St. Philip's Junior Auxiliary annual meeting. The secretary and treasurer's reports showed 41 meetings had been held during the year and receipts of \$89.85, expenditures, \$82.95, leaving a balance of \$6.90.

Following the business meeting officers were elected as follows: President, Gloria Raymond; vice-president, Carol Rand; secretary, Barbara French; treasurer, Pamela Lobdell; Living Message, Karen Olson.

At the close of the meeting games were enjoyed and lunch was served.

General Notes
Friends here of Master Morris Thompson, son of Mr. and Mrs. Earl Thompson, of Gorham, N.H., formerly of Sawyerville, will be interested to know he is one of the 17 prize winners of an essay contest sponsored by a company in Berlin, N.H.

Indians Become Hard Rock Miners

WINNIPEG — Indians from reserves in Northwestern Ontario, who are usually dependent on trapping and hunting for a living, are establishing a reputation as hard rock miners.

With the assistance and co-operation of the Indian Affairs branch, department of citizenship and immigration, the Indians are accepting employment in increasing numbers in mining and other primary industries.

Early in 1956 arrangements were made to transfer Indians from the Hudson Bay region to the Patricia and Kirland Lake mining areas. At Pickle Creek in the Kenora district, more than 70 Indians are employed by one mining company, which expects to increase this number.

Many at Pickle Creek arrived with their families and have taken advantage of existing government loaning facilities to purchase housing accommodation. They repay the purchase price of their houses plus interest under a plan of monthly payroll deductions and share in the cost of providing an education for their children.

GOLD COUNTRY

Gold is one of the principal exports from Nicaragua in Central America.

St. James Guild Names Committees At South Durham

SOUTH DURHAM — St. James Guild met at the home of Mrs. L. Stanhope, who was assisted in her duties as hostess by Mrs. Glen Henderson and Mrs. Calvin Coote. The president, Mrs. Henderson, conducted the meeting and the minutes were read by the secretary-treasurer, Mrs. Winston Duffy.

Those appointed on the entertainment committee were food, Mrs. F. Johnston, Mrs. Robert Johnston and Mrs. Glen Coote; social, Mrs. Nell Mountain, Mrs. Thomas Coddington and Mrs. Rodney Duffy.

Bazaar committee named are Mrs. John Adams, Mrs. Willie Johnston, Mrs. Gordon Bogie and Mrs. Emerson Richards. Mrs. Elmer Duffy was appointed Dorcas secretary.

Ten dollars was donated to the Cemetery Fund and \$40 to church expenses.

At the close of the meeting, supper was served to members and guests.

The next meeting will be held at the home of Mrs. Grover Montgomery on February 20th, when a hot supper will be served.

Three Village Happings

Miss Etta V. Taylor has returned to Rock Island after spending a few days with her sister, Mrs. J. P. Riley in North Hatley.

Friends of Mrs. Walter Curtis will be pleased to learn she has returned to her home in Derby Line from Orleans Memorial Hospital in Newport, where she has been under observation and treatment for the past week.

Mrs. Robert Wallace, of Stanstead, has received word from her brother, Mr. Clarence King, who is a surgical patient in Syracuse General Hospital, Syracuse, N.Y.

In Memoriam

FLACK — In loving memory of our dear daughter, sister and aunt, Doris Paterson Flack, who passed away January 29th, 1942.

Every day, in some small way
Memories of you come our way.
Ever remembered by
MOTHER and DAD
AUDREY and LESLIE
HARLAND
Danville, Que.

DOUGHERTY, George, Jan. 28th, 1956.

One year has passed, dear Uncle,
Since you were called away.
How well do I remember
That sad and weary day.
You suffered much,
You murmured not,
We watched you day by day,
We cried and prayed
That your dear life
Would not be taken away.
MADELEINE

ALLEN — In memory of a dear brother and uncle, Gordon Allen, who passed away January 28, 1954.

No length of time
could take away
Our thoughts of you
from day to day.
Remembered by
HARRY, DORIS and AL.

Births

MARTIN — At the Sherbrooke Hospital, Friday, January 25th, to Jean and Ray the gift of a daughter, Debra Jean.

BELL — At the Sherbrooke Hospital, on Saturday, January 26, 1957, to Allen and Anita (nee Duhamel), a daughter, Carol Ann. Both well.

Deaths

GIFFORD — At Bognor Regis, England, on January 18th, 1957, Adelaide M. Spon, widow of the late J. A. Gifford of Seelton and Lennoxville, in her 95th year.

MASTINE — Passed away at Laconia, N.H., on January 27th, 1957, after a lengthy illness, Charles Edward (Ed) Mastine, beloved husband of Florence Wentworth, father of Chester and Paul.

OBITUARIES

MRS. LEEWOOD LABEREE OF ROCK ISLAND

ROCK ISLAND — The Border communities were saddened by the death of Mrs. Leewood Laberee, a resident of Rock Island, which occurred at the Hotel Dieu Hospital in Sherbrooke on Thursday, January 17.

Requiem mass was celebrated at the church of Our Lady of Mercy the following Monday morning, January 21, and was largely attended by the family, relatives and friends as a last gesture of respect to the deceased.

Rev. Father George Guay, parish priest, was celebrant, with Rev. Father Archambault, of Waterville, and Rev. Father Laliberte, of the Ursuline Convent in Stanstead as Deacon and Sub Deacon. Paul Morel was organist, and the choir was under the direction of Octave St. Sauveur.

The bearers were Robert Cote, Wilfred Dumas, Elwin Humphrey, Frank Huitson, James Perron and Edward Girard. The remains were laid to rest in Mount St. Mary cemetery, Stanstead.

Born at Beebe, Vt., on April 19, 1895, Melvina Lacasse was the daughter of Richard Lacasse and his wife, Georgina Lizotte Lacasse.

She was united in marriage to Leewood Laberee, of Rock Island, to this union was born eight children, Ruth, with the RCAF stationed at Cold Water, Alta., Rita, Mrs. Owen Quillinan, of Rock Island; Lawrence, of Lennoxville; Irene, Mrs. Jean Paul Therberge, of Stanstead; Maurice, of the RCN stationed in the Maritimes; Jeannette, of Rock Island, and Robert, of Bermuda. Another son, Richard, was killed in an accident a few years ago.

Living all their married life in the Boundary community, Mrs. Laberee was highly respected by all who knew her, she was a good neighbour, wife and mother. Her passing leaves a great vacancy in the home and community. During the repose of the remains at Cass Funeral home, members of the family were in attendance and received the sympathy of many friends. The numerous floral offerings, these with the spiritual tokens of the love and esteem felt for Mrs. Laberee.

Mrs. Laberee is survived by her family, and the following brothers and sisters, Mr. Albert Lacasse, of Quincy, Mass., Mr. Alfred Lacasse, of Bangor, Maine, Mrs. James Farrow, of Hartford, Conn., Mr. Wilfred Bolduc, of Rock Island, Mrs. Beatrice Simoneau, Rock Island, and Rev. Sister Henriette de L'Immaculate des F.C.S., Superior of the Waterville Convent, grandchildren, nieces and nephews and more distant relatives.

Among those attending the funeral were all the children, the brothers and sisters and the religious of Sister Henriette's convent in a group from Waterville, Miss Ethel Laberee, of Newport, and many others.

Women's Sphere

Slim And Soft —

Londoner Shows New Line

By SYLVIA HACK

LONDON (P) — What will women wear this spring?

Part of the answer is supplied by Arthur Banks, British couturier who flies to Canada once a year to show a collection of his clothes. His spring show in London maintains the slim look for daywear, but introduces draping and wrap-fronted skirts for late afternoon wear.

Suits have plenty of soft detail with neat, defined gathers or pleats on the hip-line of the jacket. Some of the skirts also show the gathered hip-line.

Matching dress and jacket ensembles are still in vogue and Banks uses pastel shepherd plaids and printed and plain silks for them.

Silk chiffon, top fashion for evening wear this year, is also used for later afternoon dresses. Tiered horizontal effects are achieved with chiffon in a close-fitting dress by edging each tier with guipure lace or narrow ribbon.

Light-weight wool fabrics always popular come in delicate fern greens for day and lilac and navy blue are predominant colors.

For evening wear Banks favors full-length or ankle-length gowns in flattering fabrics like jersey, tulle, ribbed silks, brocades, satins and tulle.

Crystal and rhinestone embroidery adorn evening wear in moderation, sometimes used to give glitter to shoulder straps only.

Of the models, some are already on their way to Canada and others will follow shortly.

Two suits enroute to Canada are a navy wool fitted number with gathered-cape collar in matching grosgrain and three-quarter-length sleeves, and a belted lightweight canvas tweed suit in beige, piped around slit pockets with caramel contrast.

Two dresses about to go are a beige chiffon model used with a tiered effect and a navy silk slim-fitting number patterned with large pink roses. The low draped-neckline is also reflected in the side-wrap draping of the skirt.

Other ensembles in the collection include a matching dress and coat of bamboo green woven in two different weights, the heavier weave being used for the coat.

Banks, who has been to Canada two years running with his "flying fashion" scheme—whereby people can order numbers he displays and they're made up in London and flown back—plans to go again this August.

"I love a Canadian audience," says Banks. "Canadian women usually know what they want and don't dither around—they're a pleasure to deal with."

Brownies Enrolled In Sangster Group

An interesting ceremony took place recently at Sangster Memorial Church Hall when eight little girls were enrolled in the 2nd Sherbrooke Brownie Group by their leader, Miss Ruth Taylor.

Those enrolled were: Maida McLellan, Lucy Roy, Diane Caunter, Sandra Doyle, Brenda Stanley, Marilyn Innes, Carolyn Innes and Jacqueline Moore.

A number of parents were on hand to witness the ceremony and to see the youngsters receive their pins, an event which the girls have eagerly been awaiting and working for during the winter months.

Those enrolled were: Maida McLellan, Lucy Roy, Diane Caunter, Sandra Doyle, Brenda Stanley, Marilyn Innes, Carolyn Innes and Jacqueline Moore.

CHIFFON DRESS — This silk chiffon dress is a spring model created by Arthur Banks, British couturier who will show his spring collection in Canada. The beige dress is tiered with matching lace edging to give emphasis to the slim skirt and softly draped bodice.

Stop the pain and discomfort from red, sore chapped hands with medicated Noxzema—save money, too! Noxzema helps heal all those tiny cuts in chapped skin—fast!

For softer, prettier hands all winter, apply Noxzema before going outdoors—after having hands in water—and faithfully each night. It's greaseless. Never sticky! (Made in Canada)

Winter winds and snow are hard on children's hands and faces. Medicated Noxzema helps heal raw, chapped skin, windburn, chafed wrists.

Simplicity Of Design Favored In Furniture

Simplicity of design, combined with functional characteristics, are the preferences Canadian women have in modern furniture, a ladies' choice survey at the 8th annual Canadian Furniture Mart in Toronto has revealed. And milady's taste is discriminating, say most manufacturers at the exposition who have been designing their modern line to conform to this theme.

More than 12,000 women visiting the Mart on three public days selected their first choice in seven categories of furniture shown in the 300,000 square feet of display area at the Canadian National Exhibition Automotive and Coliseum and Industrial buildings.

The choice in most categories, officials of the Mart said, indicates the strong influence of the Scandinavian theme with its uncluttered, clean, slim lines. Functionalism is prevalent although cloaked in pure simplicity there is little waste in the designs of those pieces that prove most popular, they added.

In metal furniture there is a swing from the gaudy, ornamental style to conservative simple lines with neutral colors.

The traditional, however, still holds its own for the occasional chair. Most popular was an occasional chair in the French Provincial design upholstered in damask, showing fine workmanship of upholstery on fine woodwork.

★ RUTH MILLETT ★

Crashing Bores Display Incredibly Narrow Vision

She is a complete and utter bore. She has managed to become one the easy way—by never talking about anything except herself, her husband and her children.

Whether she is with one other person or in a crowd, she sticks to her three topics of conversation.

She can give out with more unimportant facts about herself in a few minutes than most women reveal in a dozen conversations.

She goes into great detail about everything concerning her, her husband and her children, and there is no side-tracking her or getting her to make a story brief and to the point.

If someone else does manage to take over the conversation and change the subject, she waits for a chance to break in. Whatever is being told, it invariably reminds her of something that happened to her, to her husband or to one of the children.

MADAM, YOU LIMIT YOURSELF
She is a nice woman. She has an intelligent husband. She has four fine children. But she makes the unpardonable mistake of thinking that every detail of their lives is as important to others as it is to her.

A woman doesn't need to become a bore simply because she hasn't time for many outside activities and spends most of her time being a housewife and mother.

She can read. She can open her eyes to the world about her. She can cultivate an interest in others that makes her willing to listen as much as talk.

So there is really no excuse for any woman, however "tied down" she may be, to turn into a bore because she has only three topics of conversation.

Just adding a fourth topic—the person she is talking to or his interests—will keep a woman from being a bore.

Social And Personal

Most Reverend Philip Carrington, Archbishop of Quebec, who administered the rite of Confirmation in St. George's Church, Lennoxville, on Sunday, was the guest for the week-end of the Venerable Archdeacon Albert Jones and Mrs. Jones, Queen St., Lennoxville.

Mrs. J. A. C. Thomson has returned to Kamloops, B.C., after spending a few days with her brother and sister-in-law, Mr. and Mrs. Sydney Cross, Vimy St.

Mr. Gaetan Cote has returned from Quebec City, where he attended a meeting of the Engineering Institute of Canada and reception which were held at the Chateau Frontenac.

Mr. Douglas Cross, who has been the guest of his brother and sister-in-law, Mr. and Mrs. Sydney Cross, Vimy St., for a few days, has returned to his home at Pointe Claire.

Mrs. W. H. Veilleux entertained at tea on Sunday afternoon, at her home on London St., in honor of her son's fiancée Miss Diane Gauthier, daughter of Mr. and Mrs. Roland Gauthier.

The dining-table, covered with a lace cloth, was centered with a silver bowl of pink carnations flanked by pink candles in silver holders.

The hostess was assisted in serving by her three daughters, Mrs. Victor Marcotte, of Lennoxville, Mr. Bernard Mayhew, of Bromptonville, and Miss Monica Veilleux.

The guests comprised the immediate relatives of both families.

Mrs. S. D. Arnott, who spent a week with Mr. and Mrs. Keith Arnott, of Montreal, has returned to her home, on Quebec St.

Friends of Mrs. F. J. Saunders will be sorry to hear that she is a patient in the Sherbrooke Hospital.

Mr. and Mrs. Harry Evans, Atto St., Lennoxville, entertained at a dinner party for eight, at Elmwood Manor Lennoxville, on Sunday, in honor of their daughter, Diane, who received the rite of Confirmation in St. George's Church, Sunday at eleven o'clock.

The guests included, Mr. and Mrs. John Evans, godparents of Diane, and Miss Sylvia Evans, of Sherbrooke, and Mr. and Mrs. Douglas Miller.

Dior Celebrates 10th Anniversary As Fashion Dictator

PARIS (P) — Christian Dior celebrates his 10th anniversary as dictator of Paris fashion with presentation Thursday of his new spring collection.

He has followed success with success, until today the House of Christian Dior represents a flourishing empire of high fashion, with branches in London, New York and other cities.

Behind the shy Frenchman from Normandy stand three women who have contributed almost equally to the Dior success story.

Mme. Raymond Zenacker, known simply as "Madame Raymond," has been described by the designer as "a second me, my exact complement." She is blue-eyed, brown haired, comfortably matronly.

Mme. Mitza Bricard, known in Paris as "Dior's inspiration," sits by the master's elbow when final choices are made, and runs the hat department of the house.

She is a slim, chic woman with roven hair swept straight back. "Dame Couture" is the name Dior has fondly given to his third muse, Mme. Marguerite Carre.

She runs the 24 workshops of Dior's Paris establishment with unchallenged authority.

In Dior's pearl grey, neo-Louis XVI salons, these three women sit with Dior to cull the new 1957 spring collection, as the

mannequins rehearse for the press opening. Not even the saleswomen are allowed to peek until Thursday.

Dior believes in fortune tellers. He relates that a charity fair palm reader first told him he "would make a great fortune through women" to the horror of his parents who envisaged white slave traffic.

Thetford Mines Woman's Club Elects Officers

THETFORD MINES — St. John's Woman's Club held its annual meeting and election of officers for the year 1957.

In addition to the minutes, Mrs. G. F. A. Brink, in the absence of secretary, Mrs. Ian Campbell, read a summarized report of the year's activities. It showed a busy and successful year, with an increased membership of six, bringing the present membership to a total of 37. During the past year, 19 meetings were held, clothing sales were packed and sent to the needy in Labrador, a substantial donation was made to the Springhill, N.S. Disaster Fund, the Nearly-New Shop was opened, monthly food sales were inaugurated and several catering jobs were taken on.

Following the reading of the annual report, discussion was opened on the topic of the debate challenge, on the subject "Resolved that men should help with the housework," made to the ladies by the Men's Club at the last meeting. As would be expected of such a spirited and sprightly group of ladies, the challenge was accepted with alacrity and the ladies, having thrown down the gauntlet, proceeded to make arrangements for the tourney.

Place of the encounter was set for the St. John's Church Hall but eschewing the historic custom of dawn dueling, the ladies settled for an hour more in keeping with their family duties. The verbal javelins will begin to fly at 9 p.m. on Wednesday, January 30th.

Maiden warriors of the wordy war will include Mrs. George Riley, Mrs. Charles Motherwell and Mrs. Peter Riordon. Knights of the Order of St. John's Men's Club jousting with them, will be Noel O'Brien, Bob Cooling and Ian Campbell. Judges of the fray, including two unmarried members to insure impartiality, will be Mrs. Vaudry, Miss Helen Bateman, Bill Adams and Charles Copeman.

A lunch committee headed by Mrs. W. R. Cooling and Mrs. H. Griffiths will take care of refreshments, and, if need be, render first aid, at the conclusion of the tourney.

Following completion of plans for the debate, the election of officers was held, with Mrs. B. Assels and Mrs. Noel O'Brien, counting the ballots and Mrs. G. McCammon presenting the voting lists.

The following officers were elected for 1957: President, Mrs. Norman Bradley; vice-president, Mrs. B. Assels; secretary, Mrs. George Riley, and treasurer, Mrs. H. Griffiths. The 1957 executive will include, retiring president, Mrs. Eric Pharo, Mrs. Noel O'Brien, Mrs. G. F. A. Brink and Mrs. W. R. Cooling. Auditors for the year will be, Mrs. G. McCammon and Mrs. M. Pharo.

Next meeting will be held February 6th, with Mrs. H. Griffiths and Mrs. R. Dodds-Hebron on the lunch committee.

The meeting closed with refreshments served by Mrs. W. R. Cooling and Mrs. J. Bateman.

SWEETSBURG —

Players for eight tables of "500" were present at the card party held at the home of Mr. and Mrs. H. J. Strange sponsored by the Sweetsburg Unit of the Woman's Association of Emmanuel United Church under the presidency of Mrs. H. P. Stowe. A pleasant evening was spent and the winners were men's first, Malcolm R. Hodge, consolation, H. P. Stowe; Mrs. Paul Powis, ladies first; consolation, Mrs. Horace Whitehead. The prizes were donated by Mrs. J. M. Ladd and Mrs. William Stowe and \$18 was added to the treasury. The members served refreshments and expressed thanks to Mr. and Mrs. Strange for preparing their house for this event.

Fred Whitehead and Miss Janice Allnutt were in Montreal over the weekend with the Knowlton High School Band playing in the Mount Royal Music Festival.

Mr. Carl Thomas, of East Farnham, is a patient in the Sweetsburg Hospital with double pneumonia.

Mrs. Enzie Lahue was the guest of her son and daughter-in-law, Mr. and Mrs. Arthur Lahue on the Dunham Road for the past two weeks.

MAPLE HILL —

Master Lyndon Cruickshank spent the weekend in Thetford Mines where he was an overnight guest of Master James Davidson, Alfred St.

Why Most Diets Fail

Fad diets too often trap you into a vicious cycle of losing weight and gaining it right back. Losing weight is not the big problem; it's keeping it off that counts.

February Reader's Digest gives you the kind of long-term diet that is effective (because you're more likely to stick to it), offers you a simple formula showing how many calories you should eat to control your weight. Get your February Reader's Digest today: 37 articles of lasting interest, in condensed form to save your time.

Farm Forum

Activities

IVES HILL AND DRAPER'S CORNER

On Monday evening January 21, the Ives Hill and Draper's Corner Farm Forum met at the home of Mr. and Mrs. Fred Green in Coaticook.

There were 12 members present and 2 visitors. Under the chairmanship of Mr. Robert Nichols, the group answered the "Guide" question concerning parity for farmer as follows:

In order that the farmer may achieve parity with other industries, he will have to market all his own products directly to the consumer, thus receiving the

full value of his product. The Greenleaf and a report concerning forest preservation were read.

Cards and crokinole were played and refreshments brought the meeting to a close. The next meeting will be at the home of Mr. Lee Pomeroy at Compton.

West Sutton Men

Injured While Working In Woods

WEST SUTTON — Alvide Desnoyes, of Sutton met with a serious accident while working in the woods on the farm of Mr. Bissonette, known as the Peter Sturgeon farm.

Mr. Desnoyes, who suffered the fracture of both legs and internal injuries was taken by ambulance to the B.M.P. Hospital in Sweetsburg, where he received immediate attention. Later he was taken to a hospital in Montreal.

Mr. Bissonette Jr., was also injured in the same accident and was taken to the hospital where

stitches were taken to close a wound in his head.

Mr. Douglas Cox attended the funeral service held in Bulwer United Church for Mrs. Minnie Little, a former resident of this place.

Three Important Tilts On Agenda Tonight In Massawippi League

NHL Scoring Race Appears Fight To Finish Among Beliveau, Lindsay And Howe; Glenn Hall Top Goalie

MONTREAL — (CP) — Messrs. Beliveau, Lindsay and Howe — take your pick — appear to have the 1956-57 National Hockey League scoring title in the bag.

They have monopolized the first three positions since Nov. 20 when the 70-game schedule was about 20 games old.

The official statistics, released today, show Jean Beliveau of Montreal Canadiens and Ted Lindsay of Detroit Red Wings tied for first place with 59 points each. Lindsay's teammate, Gordie Howe, is third with 58.

The fourth man in the race, Norm Ullman of the Red Wings, is 14 points behind Howe. Beliveau's total includes 25 goals and 34 assists while Lindsay has 23 goals and a league-leading 36 assists. The big Montreal centre managed to increase his point-total by only one point in the last week—a goal. Lindsay, on the other hand, scored once and helped set up four tallies.

Howe boosted his total by two goals and two assists. He now has a pace-setting 29 goals and the same number of assists.

Montreal's Pocket Richard and Andy Bathgate of New York Rangers are tied for fifth place with 41 points each and Montreal's Dickie Moore and Bert Olmstead are deadlocked in seventh position with 40 points apiece.

Meanwhile, Detroit holds first place in the team standings with 62 points, taking over from last week's leader, Montreal. The Canadiens have 59 points, seven more than the third-place Boston Bruins, the early-season leaders.

The Red Wings won their last three games while the Canadiens tied one and lost one of their two games last week. The Bruins won one and lost one of their two contests.

Goalie Glenn Hall of Detroit took over the lead in the netminding department from Jacques Plante of Montreal. Hall has an average of 2.11 goals per game while Plante, with some early season netminding chores taken over by Gerry McNeil, has a combined average of 2.13.

Plante still leads in the shutout department with seven.

The leaders:

	G	A	Pts.
Beliveau, Mtl.	25	34	59
Lindsay, Detroit	23	36	59
Howe, Detroit	29	29	58
Ullman, Detroit	12	32	44
M. Richard, Mtl.	20	21	41

Cincinnati's Birdie Tebbetts Takes Critics To Task For Openly Criticizing Life Of Baseball Player

MILWAUKEE — (AP) — Cincinnati's Birdie Tebbetts took critics of athletes to task Monday night, announcing, "I'm tired of people criticizing the life of baseball players."

Tebbetts, the 1956 "manager of the year" in the National League, addressed an audience of 500 at the annual Milwaukee Baseball Writers' Diamond Dinner.

"I don't believe anyone, just on hearsay information, has the right to jeopardize the family life of a baseball player," the Redlegs' manager said.

He referred to remarks made recently by Jackie Robinson that the Milwaukee Braves' 1956 pennant hopes were harpored by one or two key players who, according to Robinson, luxuriated in night clubs until "wee hours" while on the road. Robinson didn't name the players he said he had heard about.

Denouncing those who initiated the report, Tebbetts asked, "How did they know these same ball players didn't go to Fred Haney, Braves' manager, and ask him whether they could stay out a little later than usual? That happens quite often on all ball clubs."

"I'm not critical of Jackie Robinson," Tebbetts said. "He said he was sorry he made the remarks. But statement like that can be irreparable damage to the fans, the organization, the players and their families."

The baseball writers cited two left-handed pitchers for their value to the Braves, the clubs with the strongest mound staff in the National League. Warren Spahn was named the most valuable man on the team in 1956. Taylor Phillips was cited as the Braves rookie of 1956.

Before the banquet, Tebbetts started a jovial battle over whether the Cincinnati batsmen or the Milwaukee pitchers would win the 1957 pennant.

"You may have the six best pitchers in the world," chided Birdie, "but remember you can only pitch one at a time—and nobody has won every game they've pitched."

Trenholm Upsets Legion To Move Into Second Place In Richmond Darts' League; One Tilt Tonight

RICHMOND — Ray Lampron's Trenholm crew eked out a close 21-19 win over the league-leading Legionnaires to regain second place in the standings while RDC dropped Rovers 24-16, remaining one point behind.

The RDC team was paced by the duos of Real Provincial with Alex Dancause, who chalked up the 20th game of the night, and the winning 21st game coming off the Don Johnston-Danny Lynch two some. Both pairs won five straight rounds. Vic Betts and Harvey Massey won four rounds with Bob and Connie Pariseau back in the running with three out of five as well as Fred Roberts and Les Patrick.

The league-leading Legion team lost ground when they dropped the fourth round of the game by 6-2, after having tied

the first, 4-4, and losing the second 5-3. They came back in the fifth round to win 5-3. Though losing this one, the Barrie crew is still ahead of their nearest rivals, the team that beat them Friday night.

The five-game winners were Leo Delaney and Omer Mallette while three other teams won three rounds.

Trenholm's four-game winner was the Effie Lampron-Bert Lockwood team. Legion missed some of their top players and Barrie had to shuffle his players around. RDC could move ahead of Trenholm again in their season race for second place when the Berwick crew tangles with Rovers tonight. The game will be played at the Brunswick Hotel.

The Richmond Dart Club will hold a singles tournament on Feb. 16th for members of the club only and a week later, a mixed tournament such as the one held recently, will be played with all clubs competing.

Lew Hoad Out For Six Weeks

MELBOURNE — (AP) — Lew Hoad, Australia's top tennis player, Monday was ordered by his doctor to take at least six weeks rest for an injured back.

This, the doctor warned, includes all practice, so Hoad probably will have to cancel all commitments, including the West Australian championships, until March. If his back responds to treatment as expected, he should be ready to start a proposed overseas tour in the spring on schedule.

Magog Curling Club Men's Bonspiel

The above photos shows the four rinks who battled it out for the trophies in the Magog Curling Club Invitation Bonspiel. In the top picture are the finalists for the Alex Russell Memorial trophy which was won by Ernie Pilkington of Magog. He defeated Stan Hamilton of Lennoxville 9-7. In the front, left to right, skip Pilkington, E. Jackson, G. Bean and C. Styan. Standing, same order, skip Hamilton, Darcy Bennett, Charlie Warner and P. Leslie. In the lower photo are the two rinks who met for the Lapointe trophy in the consolation section of the 'spiel, and won by Gordon Conway's foursome from the Border Curling Club over skip G. Trew from Magog. In the front, left to right, skip Conway, E. Bushnell, J. Kirwin and Dr. P. Fitch. Standing, same order, skip Trew, J. Kimon, R. Charland and D. MacKinnon.

Scots Curlers Cut Canadian Lead To 197

MONCTON — Touring Scots curlers scored a 57-42 win Monday over five composite New Brunswick teams, cutting their aggregate deficit in Stratheona Cup play down to 197 with but two matches left in the 20-game series.

Canada now has 1,030 points, compared to 833 for Scotland. The Scots play in Dartmouth tonight and then wind up their coast-to-coast tour in Halifax Wednesday.

The Scots, who got off to a slow start, have been doing better lately, but their chance of retaining the Stratheona Cup is slim. They took home the trophy in 1949 and retained it in a 1950 series in Scotland.

Scores in Monday's matches: A. A. Mayers, 11-6 over C. G. Malcolm, Thistle, Saint John, N. B.

W. G. Piper, 14-8 over Dr. C. Baxter, Moncton Curlers Association.

J. McWhirter, 15-5 over R. W. Crocker, Newcastle, N. B.

J. O. Mitchell, St. Stephen, N. B. 9-5 over W. Mitchell.

R. S. Dickie, Moncton Beaver Club, 14-12 over J. F. Waugh.

Boston Daily Claims Sawchuk Return Shortly

BOSTON — (AP) — The Boston Record reports it has learned that goalie Terry Sawchuk soon will return to Boston Bruins of the National Hockey League.

Sawchuk quit the team because of nerves Jan. 19 which led to the acquisition by the Bruins of Don Simmons from Springfield of the American League.

The Record story says Simmons and Sawchuk will be platooned for the rest of the season.

When asked about the Sawchuk case, Boston general manager Lynn Patrick replied:

Gene Fullmer Outpoints Wilf Greaves In Hard Fought Battle, His First Since Winning Middleweight Crown

SALT LAKE CITY — (AP) — Windmill-punching Gene Fullmer slugged out a unanimous decision over Wilf Greaves Monday night in a 10-round, non-title bout, his first fight since he became middleweight champion.

Fullmer found himself in a tougher match than when he jolted the crown off the head of Sugar Ray Robinson less than four weeks ago and the husky crown-holder was the first to admit it after the battle.

"Greaves was tougher than Robinson," he said, leading, but when he didn't Fullmer did and devastatingly. Each was cut over his left eye, but neither was bothered by it.

Fullmer got the victory on Judge Del Markham's 6-3-1 scoring; Judge Bob Yokum's 7-1-2 call and the 9-1 marked up by referee Ken Schulsen.

Ayer's Cliff Drop Tilt To SHS Junior Girls

Sherbrooke Junior girls came through with a 30-22 win over Ayer's Cliff girls.

The game got off to a very quick pace even though the score board indicated the low score of 6-5 in favour of Ayer's Cliff at quarter time.

From the beginning whistle in this quarter it looked as though the spectators were in for an exciting and thrilling game as these two determined teams fought constantly. However at half-time the score had made a switch as the Maroon and White led their opponents by only 6 points.

The tension still held as the third quarter opened with Sherbrooke increasing their pressure, not only defensively but offensively as they bucketed 9 points to Ayer's Cliff 3.

In the last thrilling quarter the game took a turn again as Ayer's Cliff led by S. McNeay scored continuously on those deadly long shots. However, time ran out and Sherbrooke was victorious 30-22.

S. McNeay led Ayer's Cliff with 13 points while B. Heyford and G. Smith played a very good game. Sherbrooke's high scorer was N. Smith, bucketing 10 points, while R. Carleton and M. Elkas stood out on the winner's defense line.

Ayer's Cliff: S. McNeay 13; J. Stafford 5; B. Heyford 4; M. McHarg; D. Cass; B. Patterson; G. Smith; B. Webb; R. McComb, Total—22.

Sherbrooke: N. Smith 10; J. Turgeon 4; M. McLeod 3; D. Rich 5; A. Atto 3; M. Fleming 5; R. Carleton; M. Elkas; A. Livers; R. Innes; H. Echenberg, Total—30.

Lennoxville Cops Governor General District Playoff

The Lennoxville Curling Club won the right to represent the Townships in the Governor General's playdowns which will take place in Ottawa on Friday.

The event is a two-rink competition and Stan Hamilton and Sonny Mooney will skip the quartets who will represent the club in one of the top curling fixtures of the year. Three clubs from the Province are slated to take part in the competition. Montreal and Quebec are the others.

In the finals played in Granby Hamilton's quartet downed J. Clough of Valleyfield 15-8 while Mooney's foursome held Frank Soucy's famous rink to an 8-8 stalemate.

The Hamilton rink comprises Darcy Bennett, third, C. Warner, second, and Garth Crosby lead. Doug Macdonald plays third with Bob Nugent as second and Howard Leslie throwing the lead stone.

Bob Bedard Still Ranked Top For Davis Cup

MONTREAL — Bob Bedard of Sherbrooke and Mrs. Hanna Sladek of Montreal are still the best in their respective divisions, the ranking committee of the Quebec Province Lawn Tennis Association announced Monday.

The rankings were released subject to approval by the association's general meeting March 15.

Bedard, Canadian champion and backbone of Canada's Davis Cup team, led Montreals Val Harit, second, veteran Henri Rochon, Lawrence Barclay, Roland Godin, Dick Munn and Marcel Tremblay bracketed in sixth spot, and Michael Carpenter.

Mrs. Sladek, former Canadian singles champion, is followed by Shirley Harit, Eleanor Dodge, Sieglide Boeck, all of Montreal, Gilberte Morin, Quebec, Therese Helie, Ste. Dorothy, and Shirley Oram, Verdun.

Demaret Clobbers Venturi, Souchak In Thunderbird

PALM SPRINGS, Calif. — (AP) — The winter golfing trail winds on to Arizona today with Jimmy Demaret, the hero of the moment, returning to Phoenix and the scene of two past triumphs.

The popular Demaret, the Klamesha Lake, N.Y. pro who insists he is only 44, gave a couple of young men, Mike Souchak of Grossinger, N.Y., and Ken Venturi, 25-year-old neophyte pro from San Francisco, quite a lesson Monday.

Playing off the tie of the \$15,000 Thunderbird invitational, Demaret defeated Mike by eight strokes and Venturi by nine as he toured Thunderbird's par 36-35-71 course in 32-35-67.

This made three times Demaret has won the Thunderbird Invitational and the win was worth \$2,000. Souchak received \$1,000 and Venturi \$750.

Demaret has won the Phoenix Open twice. In 1948 he defeated in a playoff a man more his age and experience — fellow name Ben Hogan.

Flyers Host To Magog While Maroons Travel To Windsor And Asbestos Is At Richmond In Important Fixtures

Four teams, who are bunched in a battle for a better position in the Massawippi Valley Hockey League, will see action tonight. Waterloo travels to Windsor, Magog is at Brompton-East Angus while Asbestos moves over to Richmond.

The Maroons, a slim point in the rear of the Flyers in fifth spot, face a tough task in Windsor where they square off against the Paper Makers. The Lemay outfit will be out to try and move into fourth position ahead of the Parr squad but face a hard duel.

The Paper Makers and the Aces are stalemated in second position and they will no doubt be out to try and break it. They each have 23 points for 11 wins, 7 losses and a tie. The Windsor team will be at full strength and will be trying to upset the Maroons who have posted victories in their last two outings against the Flyers.

At Sherbrooke the Flyers will be at full strength with the return of their veteran pivotman, Frankie Reid. The shifty centre has been on the sidelines for the past couple of weeks with a fractured rib. His return should be a big help in trying to get the Brompton-East Angus squad back on the winning road. They have managed to pick up only

one win in their last five starts. The tilt at Richmond was originally scheduled for last Tuesday but was postponed owing to inclement weather. The Braves under the guidance of Coach Pelouquin will have their hands full in taking on the league-leading Meteors of Asbestos. The Miners are lodged in first spot with a three-point spread and they will be out to try and increase this.

Daffy Dodgers Come Up With New Idea, Hire Real Clown Who Will Help To Ease Tension At Ebbets Field

BROOKLYN — (AP) — The daffy Dodgers, whose outfielders sometimes get hit on the head with a fly ball and whose base runners have been known to wind up three on a bag, have decided they don't get enough laughs — so they have hired a clown.

With a completely straight face, Walter O'Malley, president of the Brooklyn Baseball Club, announced Monday that he had signed Emmett Kelly, renowned clown of the Ringling Brothers Circus.

Kelly's new job won't be to play baseball. O'Malley was quick to add, but as he put it "to ease the tension at Ebbets Field."

The bulbous-nose laugh-getter will perform for the Dodgers strictly in character—that is, in his tattered suit and with the soulful, forlorn look that has brought guffaws from millions.

Kelly will join the club at spring training quarters in Vero Beach, Fla. He will make appearances at Miami and at other places where the team plays in exhibitions.

He also will join the faculty of the Dodgers' baseball school, preceding the actual training period.

During the season he will be on the field before the games, helping amuse the customers.

O'Malley announced Kelly's services would not be confined to the parent club.

The clown also will make visits to farm clubs such as Montreal, St. Paul and Fort Worth where, the Brooklyn boss implied, "people need to laugh some, too."

Kelly was with the Ringling Brothers Barnum and Bailey Circus for 36 years and became the most famous of all clowns. He quit the group last spring as the outgrowth of a union dispute.

John Devitt Of Australia Sets World Record In Free-Style For Second Time Within Nine Days

BRISBANE (AP) — John Devitt, one of the less heralded of Australia's Olympic swimmers, shattered a world long-course freestyle record Monday night for the second time in nine days.

Competing in a special event of the Queensland swimming championships, the 19-year-old Devitt reeled off 100 metres in 54.6 seconds by far the fastest clocking ever for the distance in a 50-metre course and two-tenths of a second faster than the listed world mark set by Dick Cleveland of Hawaii and Ohio State University April 1, 1954.

Cleveland's record was set in a 25-metre short course pool at New Haven, Conn. The short course ordinarily produces faster clockings because the swimmers have the advantage of two extra turns.

Only Jan. 10 Devitt bettered Cleveland's record—also 54.6 for the 110-yard freestyle, producing a 55.2 clocking in the New South Wales championships at Sydney.

Pancho Gonzales Making Runaway Of Professional Tennis Series Against Ken Rosewall, Wins Again

WELLINGTON, New Zealand — (AP) — Pancho Gonzales is turning the new professional tennis series with Australia's Ken Rosewall into a runaway.

The pro champion from Los Angeles trounced the little Aussie Davis Cup ace again Monday 16-4, 6-7, 9-7. It was the American's seventh victory in eight matches in the 100-match series.

Most of Monday's action was packed into the long first set which was a battle of Gonzales' serving power and Rosewall's backcourt finesse, particularly his sharp passing backhand.

There wasn't a service break until the 21st game, with the score 10-10. Pancho cracked Rosewall's delivery but proceeded to lose his own in the next game.

Pat Supple Gets Unanimous Nod Over Spurgeon

QUEBEC — (AP) — Pat Supple of Montreal, Canadian bantam-weight boxing champion, Monday night scored a unanimous decision over Jackie Spurgeon of New York in an action-packed 10-round bout before 2,00
