A STREET DIRECTORY OF MONTREAL FOR 1915-16

AND OF

Westmount, Maisonneuve, Verdun, Outremont and Montreal West.

THE STREET DIRECTORY is presented in a condensed form. Being merely a street guide the occupation after the name is left out. The contractions are adopted to save space. Full information will be found in the ALPHABETICAL DIRECTORY.

The numbers appearing in the intersections represent the number of the Street intersected at the point of Crossing.

Where a number appears without a name, it shows there was no occupant early in May, or the party was absent at the time of taking information, and in a few instances that the name was refused.
