Soviet Infantry Replacing Tanks

Freedom Flight — The first six refugees from Hungary arrived this weekend by air bearing a few meagre possessions and hope for a new life. Left to right are Edward Pecs, 25, his wife Veronica, 19, Solyom Andras, 38, Mrs. Beata Marton, 27, her daughter Beata, 13 months and her husband Karoly, 35.

First Of 40 Hungarian Refugees Predict Struggle Will Continue

MONTREAL. — (CP) — The first refugees from rebellion-torn Hungary arrived here during the weekend and vowed they would continue the fight to free their homeland from Russian domination.

Six Hungarians, including a baby 13 months old, stepped off an airliner Sunday morning at Montreal's Dorval Airport and a few hours later asked to be taken to church to offer a prayer of thanks.

A few suitcases of clothing do-

nated by a relief organization in Vienna, a shopping bag with personal effects, \$8.47 in cash and a baby carriage that wheeled little Beata Marton into Austria, made up the group's entire possessions.

"Hungarians will keep up the struggle for liberty by any possible means, both inside and outside Hungary," said Solyom Andras, a 38-year-old former Budapest auto mechanic.

Mr. Andras arrived Saturday night. He was followed early to-

Pravda Criticizes Tito's Interference

MOSCOW. — (AP) — Pravda has accused Yugoslavia's President Tito of showing "tendencies to interfere in the affairs of other Communist states."

A dispatch from Belgrade to the Soviet Communist party's newspaper told the Russian people today for the first time that Tito had criticized the current Soviet line in a speech Nov. 11.

Pravda says the speech "contained certain statements which both in form and essence contradict the principles of proletarian internationalism and the international solidarities of the working people."

The dispatch linked Tito with "reactionary propaganda" in explaining the causes of Stalinism. Stalin ousted Tito's Communist party from the cominform in 1948 for "nationalism," but the present Soviet leaders have been trying to restore good relations between Russia and Yugoslavia.

Pravda adds that Tito said that "the cult of the personality of Stalin was the product of a definite system." The paper claims that this "is precisely what reactionary propaganda is trying to do in its struggle with Marxism-Leninism."

Pravda says the idea "seeps through" the Yugoslav press as well as Tito's speech that "Yugoslavia's road to socialism is the only true and even the only possible way for socialist development in almost all countries."

This view "contradicts the Marxist-Leninist tenet that each country can have its own method, forms and tempos of transition to socialism."

Pravda failed to quote Tito's sharpest attack on Russia and the Soviet-installed regime in Hungary. He said the decision to call in Soviet troops to quell the revolt was "a fatal error."

Tito made virtually the same criticism of Stalinist insistence on its way to attain socialism that Pravda hurled at him. He indicated that the Hungarian outbreak would convince the Stalinist wing in Russia that Communist countries should be permitted to find their "own road to socialism."

Hungarian Strike Continues

VIENNA. — (AP) — The Russians were reported today to be replacing their tank troops in Hungary with fresh infantry divisions. But defiant Hungarian workers continued their general strike, and unyielding rebel partisan bands took to the forests.

Sources in Budapest told Austrian papers that the Russians are sending in 20 infantry divisions to replace the hated Red panzers that crushed the anti-Communist revolt.

When the Russian tanks and bombers began their campaign two weeks ago to crush the lightly armed rebels, Soviet strength in Hungary was estimated at 11 armored and two infantry divisions.

The Russians apparently hope to achieve a double purpose in the shift to infantry. They will save on scarce fuel needed by the armored units, and remove the main symbol of Soviet might that smashed Hungary's bid for freedom.

Even Nép Szabadság, newspaper of Soviet-imposed Premier Janos Kadar's government, says "it violates Hungarian pride to see Soviet tanks rattling on our streets and their guns glaring at passers-by."

The general strike, the strongest weapon remaining in the people's hands, today was still admittedly paralyzing many parts of the country. Gyorgy Marosán, minister of state in Kadar's government, in a broadcast over the Budapest radio accused "Western imperialists" of trying to prolong the strike.

He claimed that "agitators are hampering by rumors and armed groups by terrorist acts and threats the resumption of work" in mines and factories.

Hungarian anger mounted at the reports of continuing mass deportations of rebels by the Soviet conquerors to Russia or to concentration camps in remote parts of Hungary.

Budapest Radio, which admitted deportations last week, changed its tune during the weekend. It claimed that "rumors of deportations, spread by the counter-revolutionaries, are without foundation; not one single person has been deported to the Soviet Union."

Later the radio said "counter-revolutionary elements and terrorists" had been rounded up and were being held "somewhere in the country."

Touching Farewell — Married in a morning ceremony at Calgary's Currie Barracks, Rifleman Robert Miller, 21, bids farewell to his wife, the former Mona Robillard, late that evening. He boarded the last flight of the RCAF's giant airlift "Rapid Step," carrying members of the 1st Battalion, Queen's Own Rifles to Halifax where they will board the carrier Magnificent for Italy and policing duties in Suez. The bride, still in her wedding dress, and groom are both from Windsor, Ont. (CP)

Hammaraskjold Mum On Nasser Meeting; Move To Clear Canal

LONDON. — (AP) — Secretary-General Dag Hammaraskjold flew back to New York today to tell the United Nations General Assembly the results of his talks with Egyptian officials on guarding the cease-fire in the Middle East.

He promised to begin steps immediately after his arrival to arrange UN help in reopening the blocked Suez Canal — a gigantic salvage job expected to take at least six months.

Before leaving Cairo Sunday, Hammaraskjold said the Egyptian government had asked for assistance to clear the waterway, and that he had agreed in principle. He declined to discuss other matters taken up with President Nasser before making his report to the Assembly.

Nasser's chief political aide, Wing Cmdr. Ali Sabry, said in an interview that Egypt would clear the canal with UN help. The Egyptians have already protested British clearance operations under way at the north end of the canal as a violation of Egyptian sovereignty and of the cease-fire.

Hammaraskjold talked with Nasser and other Egyptian leaders for three days about the duties of the new UN police force,

which now has more than 500 men standing by at a base in the Canal Zone, and other details of the cease-fire the General Assembly ordered 11 days ago between the Egyptians and British, French and Israeli troops.

There was no indication after the talks that the Egyptians had modified their demand for speedy withdrawal of all foreign troops and stationing of the UN forces only at points on the old 1948 armistice line between Egypt and Israel. Sabry said Egypt expects the withdrawal to begin during the coming week if possible, without waiting for the UN troops to take over.

Canada's role in the UN force remains in doubt. In Toronto, the Globe and Mail says in a dispatch from UN headquarters that Canada had been persuaded, because of pressure on the UN by Nasser, to substitute an administrative group for its infantry contribution.

One of the British-French conditions in agreeing to the cease-fire was that the UN force should be competent to "secure and supervise" reopening of the canal. They have made clear that they expect the UN troops to take over occupation of the canal when they pull their own forces out. The British and French troops hold the northern third of the waterway.

Foreign Minister Christian Pineau of France indicated he thought the Egyptian appeal for UN assistance meant that the UN troops would be stationed in the Canal Zone, despite persistent Egyptian denials.

Western Diplomats Quit Stormy Speech At Polish Embassy

MOSCOW. — (AP) — Red-faced and gesticulating, Nikita S. Khrushchev told the West Sunday night: "We will bury you."

For the second consecutive night, the Soviet Communist party leader delivered an anti-Western tirade so bitter that diplomats from the Atlantic Alliance and Israel left the room. Khrushchev's main themes at a Polish Embassy reception were Egypt and Hungary.

Obviously speaking to the Western diplomats in attendance, Khrushchev said:

"If you don't like us, don't accept our invitations and don't invite us to come to see you."

"Whether you like it or not, history is on our side. We will bury you."

The Western envoys, including United States Ambassador Charles Bohlen, retired to an outer room where one said "the atmosphere is much more pleasant." They returned to the hall where the Poles were toasting a just-signed Moscow-Warsaw joint declaration after Khrushchev finished speaking.

The night before, Khrushchev had denounced "Fascist gangs" in Hungary and "imperialists and their puppets" in the Egyptian war during a Kremlin reception for the Poles.

On that occasion the Western diplomats stalked out and did not return.

Sunday night's party followed agreement on a joint Polish-Russian statement which some Poles consider a virtual declaration of independence—although Poland remains firmly within the Moscow-led alliance.

Khrushchev began calmly: "We are Bolsheviks. We stick firmly to the Lenin precept—don't be stubborn if you see you are wrong, but don't give in if you are right."

He said the Communist countries can find solutions to all their problems on the basis of mutual understanding and equality.

But then, seemingly directing his remarks at the Western diplomats, he said:

"We say this not only for the Socialist states who are more akin to us. We base ourselves on the idea that we must peacefully co-exist. About the capitalist states, it doesn't depend on you whether or not we exist."

Khrushchev then announced that history was on the Communists' side and that "we will bury you." Other Russian leaders burst into applause.

On Hungary, Khrushchev said: "We are very sorry that such a situation exists there. We are sure that the Hungarian working class will find the strength to overcome the difficulties. But the most important thing is that the counter-revolution must be shattered."

"Of Egypt: 'The Western powers are trying to denigrate Nasser. . . the situation is serious and we are realists. The fire must be put out. I think the British and French will be wise enough to withdraw their forces and then Egypt will emerge stronger than ever.'"

Again referring to the West, Khrushchev said:

"We came here with fears that the leaders of the Soviet Union would not evaluate fully and correctly the changes which are taking place in our country."

"We can say with joy that our fears were not confirmed by the position the Soviet government took on the questions we brought them."

The Polish Communist party in a statement hailed the agreement as a "great success for Poland." Observers in Warsaw said it appeared Gomulka had got all he asked for.

In addition to the new arrangements covering Soviet troops in Poland, the Russians promised:

1. To deliver 1,400,000 tons of grain on credit to Poland in 1957;

2. Long-term credits totalling 700,000,000 rubles (\$175,000,000 at the official exchange rate) to pay for "mutually agreed" commodities Russia will supply Poland;

3. Settlement of outstanding financial accounts between the two;

4. Further repatriation of Poles still in the Soviet Union who want to go home;

5. Submission to the presidium of the Supreme Soviet (Parliament) of a proposal for the "early release and repatriation or the handing over of Polish persons in captivity to the Polish authorities."

The communique said Soviet troops were still necessary in Poland because of 1. German refusal to accept Poland's annexation of East German territory at the end of the war; 2. A lack of "sufficient guarantees against the rebirth of German militarism;" 3. The presence of Soviet troops in East Germany; and 4. "The existing international situation."

Russians And Poles Sign Pact

MOSCOW. — (AP) — The Communist leaders of the Soviet Union and Poland have signed a declaration of "indestructible union and fraternal friendship" but have agreed that Russian troops, "limited in strength and movement," should stay on Poland. Russia also offered promises to help in meeting Poland's economic crisis.

Results of the talks were summed up in a communique issued before the departure for Warsaw Sunday night of the new Polish Communist party chief, Wladyslaw Gomulka, Premier Josef Cyrankiewicz and their delegation of officials and experts.

The agreement was signed by Gomulka and Cyrankiewicz, and Premier Bulganin and the Soviet Communist party chief, Nikita Khrushchev.

Gomulka, who had led the move for Polish freedom from Moscow's domination, said at a reception following the signing:

"We came here with fears that the leaders of the Soviet Union would not evaluate fully and correctly the changes which are taking place in our country."

"We can say with joy that our fears were not confirmed by the position the Soviet government took on the questions we brought them."

The Polish Communist party in a statement hailed the agreement as a "great success for Poland." Observers in Warsaw said it appeared Gomulka had got all he asked for.

In addition to the new arrangements covering Soviet troops in Poland, the Russians promised:

3. Settlement of outstanding financial accounts between the two;

4. Further repatriation of Poles still in the Soviet Union who want to go home;

5. Submission to the presidium of the Supreme Soviet (Parliament) of a proposal for the "early release and repatriation or the handing over of Polish persons in captivity to the Polish authorities."

Mrs. Frank Jenne Addresses H. And S 30th Anniversary Meeting At Sutton

SUTTON. — The thirtieth anniversary of the Sutton Home and School Association was the occasion for an interesting meeting at which the past presidents were honored and all present had the privilege of hearing as their guest speaker, Mrs. Frank Jenne, of Newport, Vt., a former teacher at Sutton High School and the first president of the Sutton Home and School Association.

The meeting opened with a travelogue film which proved to be a very interesting and colorful description of life on the Amazon River. The president, Mrs. George Dyer, took the chair and Mrs. Winston Dyer read the minutes and the correspondence. It was reported by the committee that \$140 had been collected for UNICEF by the school children on Halloween night. A short discussion took place regarding the drawing up of a new set of revised by-laws for the Association. The matter was finally left in the hands of the president, who, acting upon suggestions from the executive will choose a committee to draw up same.

The Association decided to purchase a wreath to be laid at the Cenotaph on Remembrance Day. Mrs. Cecil Carr gave a complete report of the recent "Book Fair" and stated that she and her committee considered it to have been entirely successful and that the preliminary objective of 200 new and suitable books for the school library had been more than reached, with no expense to the Association. A surplus of about \$60 would be used to purchase additional books suitable for children in the primary grades. Mrs. Carr thanked all those who had worked towards making the fair a success, with special thanks to Miss N. Smythe, Mrs. Alton Greeley and Mr. Ivan Bowden. On behalf of the Association, Mrs. Arnold Thompson expressed sincere appreciation to Mrs. Carr and her committee for their efforts.

A special invitation to attend the meeting had been previously extended to all past presidents and all present were called to the front of the auditorium to receive recognition from the members. 15 past presidents answered the roll. A brief silence was observed in respect for two who are deceased, Mrs. A. Thompson, who in the past faithfully held the office of secretary for seven years was also honored.

Mr. Cedric Douglas, who was principal of the school at the time Mrs. Jenne was a teacher here then expressed his pleasure in introducing her as the guest speaker of the evening. She spoke of her delight in the new high school building and the progress that had been made educationally. She then spoke in a reminiscent manner about the early days of Home and School in Sutton and reminded the parents that home was where the ground-work was laid for the children's success in life and that we must give our full co-operation to the teacher, even at the sacrifice of our own pleasures. She also laid stress on the importance of good reading habits and the ability of a child to learn to think for himself. She was thanked by Mrs. Thompson.

The president asked the members to co-operate in trying to interest more parents in attending the meetings, for while the attendance is fair, considering the large enrollment in school, it is still not a fair representation of parents.

Suspended Sentence Given On Car-Stealing Charges

Two local youths were given suspended sentences in Court of Sessions this morning when they appeared on charges of theft. Judge Redmond Hayes told them he was being lenient because it was their first offence and they had shown a desire to make an honest living.

Robert Bazinet, 20, and Gerard Noel, 19, pleaded guilty to stealing a station wagon from A. W. Timmuth and taking various objects valued at \$90 from the vehicle. They also pleaded guilty to stealing articles valued at \$125 from J. G. Lacroix, Florian Desjardins and Alphonse Cote.

"You already have one foot on the road to crime," Judge Hayes said. "Now is the time to get yourself an honest job and live like good citizens. You know there are more honest people than dishonest ones. And the honest ones do not like the dishonest ones. They will put you in jail if they find you causing them trouble."

COMPTON FARMER INJURED — George Clark, of R.R. 1, Compton was admitted to the Sherbrooke Hospital over the weekend with serious knee injuries sustained when crushed between two cows in his barn.

Hunting Claims 2, Traffic 1

A Bury policeman and a St. Etienne de Bolton youth were victims of separate hunting accidents in the Eastern Townships yesterday. In addition, an eight-year-old Thetford boy died from injuries received when hit by a truck Saturday, bringing the Eastern Townships weekend death toll to three.

In all, there were 35 deaths in Canada from six o'clock Friday to midnight last night, Ontario lead with 13.

Eastern Township fatalities were:

George Ward, 40, of Bury, hunting; Bertrand Dufresne, 20, St. Etienne, hunting; Felicien Jacques, eight, Thetford, traffic.

The Bury accident occurred yesterday afternoon when Ward was accidentally shot by Georges Gingras of Farnham. The two were hunting with several other men in the Bury Corner bush. Ward had been sent to chase the deer toward the rest of the party and was killed when Gingras mistook him for the animal.

The dead man leaves a wife and six children, the oldest of whom is 16 years old. He was a part-time Bury town policeman and was employed at Anderson's Mill.

Investigating for the Provincial Police was Detective Guy Dupont of Sherbrooke. An inquest was opened and adjourned until later.

The Bolton accident occurred when Dufresne was struck by a bullet which ricocheted off a rock. The bullet entered his throat and went out through his ear.

Investigating was Larry Monseigneur, of the Cowansville Provincial Police who was unable to determine who was responsible for the youth's death. Three men, Albert Comeau, of Magog, Lawrence Tibbitts and Lincoln Tibbitts, both of South Stukely, shot at a deer from the top of a hill. Not until they heard a scream did they realize a man was in the gully with the animal.

Police said Dufresne was not struck directly but was killed when the bullet ricocheted off a rock. A verdict of accidental death was turned in at the inquest by the Coroner, Dr. Paul Rheault, of Sutton.

In Thetford Mines, eight-year-old Felicien Jacques died instantly after being struck by a truck in front of his parent's home on the 8th Range. Truck driver Napoleon Gilbert said the child rushed in front of the truck. A verdict of accidental death was rendered.

EAST PINNACLE—

Extension Is Dedicated Cookshire High School

COOKSHIRE — (Special) — Impressive ceremonies, attended by leaders in the Protestant education movement in Quebec Province and many local citizens, marked the official dedication of the recently completed addition to the Cookshire High School Friday evening.

The guest speaker for the evening was Robert Flood, of Waterloo, who recounted many of the difficulties experienced by school boards in keeping educational facilities in line with the increasing demands placed upon them. Mr. Flood presided at the formal dedication.

To talk of additions to the school buildings and equipment was an easy matter, he said, but added that it was tough to get the taxpayers to agree with the progressive moves. Values do not increase as fast as the demands placed upon them.

"There have been encouraging signs," he said. "That the need for tax redistribution has been recognized and the problems peculiar to Protestant schools have been noted are both steps in the right direction."

Mr. Flood went on to say that there has been more interest shown recently in what kind of a school the children go to. "There is more appetite, and good Home and School support will assure the right kind of school."

"The new gym is such a good move, because it is a legitimate place to expend legitimate energy. The science room is essential, today we have to grasp the complexities of a life such as ours to be able to get along in it. More such moves would prevent so many children from leaving school before they reach grade XI. The more money that is spent on education, the more will be assured the continuance of children to higher grades. This achievement of the Cookshire people has been a most wise investment."

Addressing the pupils, Mr. Flood said: "Your parents' efforts must not be wasted... and the way to thank them is to show results."

L. J. Lane, chairman of the Cookshire Protestant School Board who presided over the ceremonies, gave a report on the financing of the addition and stated that 75% of the cost would be met by the Provincial Government.

Progress On New Highway Is Announced

Gravelling of the second lane of the Sherbrooke-Magog highway between Sherbrooke and a point 4,000 feet west of the Village of Deauville, a distance of 6.42 miles, should be completed this fall, according to information given by the Deputy Minister of Roads, A. Bergeron, in a letter to the Record.

It is not planned to have a divided highway through the village of Deauville proper, the Deputy Minister continued, as this is not considered advantageous either for the motorists or the local population. But the department will construct a paved highway 44 feet wide with parking space on either side through the village.

Referring to the 5.23 mile stretch between Deauville and Magog, the right-of-way for which is now being cleared, Mr. Bergeron stated that it had not been decided whether this would be a boulevard-type highway or not. The decision would be made early in the spring when the estimates for the department have been approved by the Legislature.

Movie Show And Hockey Game End Optimist Week

Cold weather failed to chill the enthusiasm of some 1,400 cheering youngsters who invaded the Granada Theatre on Saturday morning to attend the free movie sponsored by the Sherbrooke Optimist Club.

Youngsters of all sizes and ages cheered lustily to a full-length Roy Rogers' film and several cartoons as well as a short film, starring "Lassie," the wonder dog.

Sunday afternoon another group of youngsters were guests of the Optimists at the Sherbrooke-Asbestos hockey game at the Arena.

These two activities brought to a close the observance of International Optimist Week sponsored by the local club.

The members wish to extend their sincere thanks to newspapers, the radio and all those who helped in any way to make the week a success.

GLEN MURRAY—

The November meeting of the Inverness Women's Institute was held at the home of Mrs. R. J. Graham with a good attendance of members including one new member.

Mr. and Mrs. Rufus Patterson, of Richmond, spent several days visiting relatives and friends in this vicinity.

Mr. and Mrs. Henry Welch, of Quebec, Mrs. Louise Craig, of Stoneham, and Mr. William Shaw, of Plymouth, N.H., and Mr. Bob Bennett, of La Tuque, were visitors of Mr. and Mrs. R. J. Leith. Miss F. Bennett, of Quebec, spent the weekend with her aunt and uncle.

Mr. and Mrs. C. W. McVetty, of Reedsdale, were visitors of Mr. and Mrs. R. J. Graham. The Misses Helen and Frances White, of Lennoxville, spent the weekend with their parents, Mr. and Mrs. Stanley White.

Lennoxville Optimist Trip — Members of the Lennoxville Optimist Club closed Optimist Week Saturday by taking youngsters on a trip to Barre, Vt. Several members of the club placed their cars at the disposition of the young travellers.

Wish Him Well

The West should welcome the news that Secretary of State Dulles is well on the way to recovery from the illness which felled him at the height of the turbulent events in Europe and the Middle East.

Dulles has many critics both at home and abroad, just as did his predecessor, Dean Acheson, in the Truman regime. It seems inevitable in this age of "angel-devil" politics that

any secretary of state shall draw blame like a magnet when world events do not proceed in good order.

But Dulles beyond question has served his country tirelessly and selflessly. His fellow countrymen, whatever their views, can only wish for him the speedy recovery the doctors predict. That would be the least of the rewards he has earned.

Keeping Pace With Granddad

How many of us have fondly reflected, while gulping corn that was frozen or milk that was powdered, on the heroic spreads that Grandmother turned out in the old days? Our justifying notion is that today's faster pace demands a slim, energetic race not made sluggish by overeating.

Ohio State University's College of

Agriculture knocks that theory into a cocked hat with the slightly disheartening news that we're eating as much as we ever did — averaging about 1,500 pounds annually per person since 1909.

Despite all warnings against it, there still must be a few people eating to beat the band (waistband, that is) — and enjoying every bite.

A Bulging Economy

The tune of production and trade is the same in most parts of Canada: Prosperity.

Federal economists says 1956 is the most prosperous year in Canadian history. They predict another big year in 1957.

For most Canadians, prosperity has brought more jobs, higher pay and the chance to buy some of the things missed in earlier years.

The wheels of industry are spinning faster than ever. Corporation profits are reaching new highs. Spending is at a peak. National production, say the economists, will reach a record this year of \$29,500,000,000 much higher than expected, and about \$2,700,000,000 higher than 1955.

The general building boom appeared to have no limits. It was this boom and the world demand for Canada's raw materials that sparked the brightness of prosperity. But at the same time they tinged the economy with the prospect of inflation.

Economists consider the inflation mild. Yet living costs, that held fairly steadily for years, suddenly rose to beat all records. Earnings rose faster than costs, so that real purchasing power increased.

But for those living on small, fixed incomes, a rising economy spells trouble. The Bank of Canada rushed to tighten credit, to ease the demand for scarce goods. But it was a question of how far the bank could go without hindering the general boom and perhaps causing some unemployment.

Farmers, too, view the year in varying moods. The butter surplus

crisis seems to be over. Stocks are easing up as consumption keeps up with production. Meat prices generally are strong. Grain sales are higher. But the west still has great surpluses of unsold wheat.

World wheat markets appear to be improving, but there is strong competition for Canadian wheat-growers, particularly from the United States.

And in the Atlantic provinces the cry is heard that federal credit restrictions are hampering development of vital maritimes industry.

At the roots of prosperity is capital investment. Plans for 1956 involved a record \$8,000,000,000 worth of capital expansion — in new machinery, plants, bridges, roads, office buildings and houses, churches, schools and hospitals.

A program of this size would be \$1,700,000,000 greater than that of 1955.

Experts said the country could not accomplish all that in one year even with tremendous imports of goods from the U.S. An appeal went out from James Coyne, governor of the Bank of Canada, urging industry to stretch out their plans, to hold off construction for a year or two to ease the strain on steel, cement and other essentials.

Now, however, it becomes evident that much of this work will be accomplished, perhaps about \$7,500,000,000 worth, and that there will be a big carryover of work for 1957. Trade Minister Howe predicts the 1957 capital investment program will be as large as 1956, perhaps larger.

This And That

We like a quip from Alec Guinness, the British actor: "England and America are two countries separated by the same language."

Nomination for the tongue-in-cheek statement of the week goes to Polish Communist Party leader Wladyslaw Gomulka. In Moscow, the rehabilitated Titoist said "We extend our brotherly greetings to the people of Moscow, the glorious capital of the Soviet Union." How different would have been the occasion had the Soviet

Union decided that the Poles, even as the Hungarian's needed a lesson, in satellite manners. And Mr. Gomulka probably well realizes it.

Perhaps Britain and France should agree to make reparations to Egypt in exchange for similar reparations by the Russians to Hungary. The damage done in the Suez area is mighty small when compared with reports and pictures of Russian destruction, particularly in the Hungarian capital.

DEW Tips

(By Hon. Ralph Campney)

I should like to make this point unmistakably clear—Canada works in defense matters with the United States in a self-respecting partnership. Our sovereignty is fully maintained.

Some months ago a misleading article in one of our national magazines gave widespread currency to unfounded allegations and fears that Canada's control of the DEW line area was in danger.

Of more recent occurrence was a news agency story with the ridiculous statement that senior Canadian government officials planning to visit the DEW line had to submit to a security check by United States sources.

The fact is that for Canadian visitors to the DEW line, security clearance is given by the appropriate Canadian author-

ities, and for United States visitors the clearance is given by U. S. authorities. In other words, both countries operate on a reciprocal basis with respect to their own people.

When Canadian ministers and officials go to the DEW line, there is no question therefore, of their asking United States permission to do so. But it is essential that they inform the people responsible for making the arrangements in advance to ensure that accommodation, which is scarce in the north, is available for them on arrival. This is only common sense and ordinary courtesy.

But Canada, not the United States, is responsible for authorizing visits of Canadians to DEW line in Canada.

I know of no instance in this whole project where the slight-

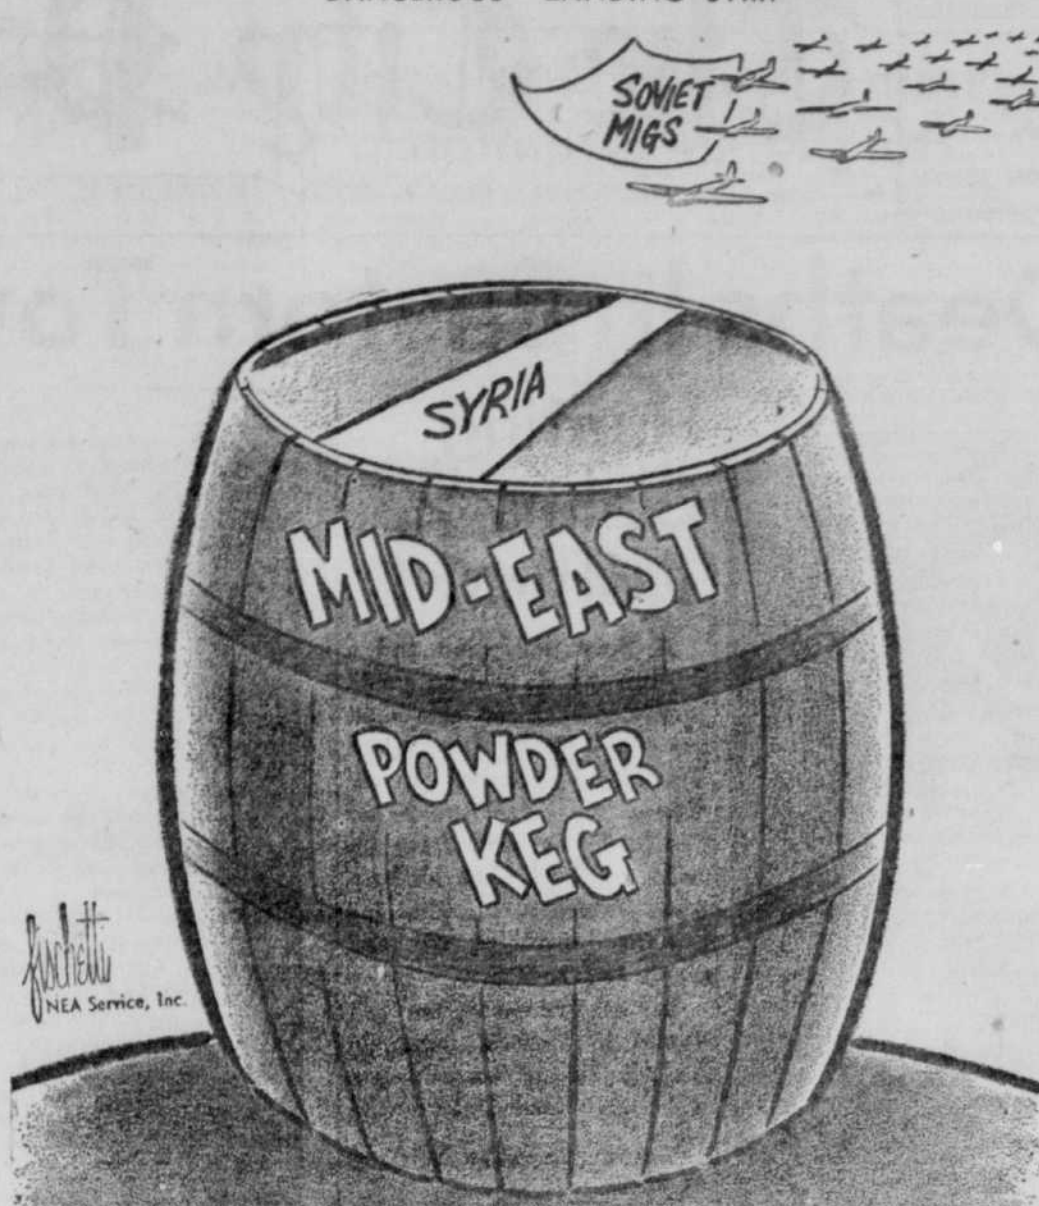

est difficulty has arisen or the slightest attempt been made by our southern neighbors to impair our sovereignty in the north, or to assert any claims incompatible with our national pride as Canadians.

I think that any attempts to rise prejudices and to create ill-feeling between us and the people of the United States are mischievous and hurtful and should be deprecated. The world needs more, rather than less, of the spirit of close co-operation which exists between Canada and the United States.

DISCARD BETTER THAN EARLY RUFF

Most of the country's experts will be in New Orleans for the national tournament during the first week in December. Many of them will remember today's hand, since some of them stubbed their toes on it in last year's tournament.

West opened the king of diamonds at practically every table, and declarer won with the ace. Each declarer cashed the king of clubs to get it out of the way and then returned a low diamond.

West's best defense was to take the jack of diamonds, and lead the queen of diamonds, tempting declarer to ruff in dummy. When declarer yielded to this temptation, East overruffed and returned a spade. The defense thus took a diamond, a trump, and two spades to defeat the contract.

The more cautious experts made their contract by refusing to ruff the third diamond in dummy. Instead, they discarded one of the losing spades.

Now it was possible to give up one spade and ruff the next spade in dummy. Declarer could then discard his last spade on the ace of clubs, after which it was safe to draw trumps and claim the rest of the tricks.

SOVIET INSULT

(Milwaukee Journal)

Russia has been allowed to slip into a position to further her goal of breaking up the North Atlantic alliance — and to the point of suggesting that the United States join her in fighting America's two major allies!

We can indignantly reject Russia's demands and point out the Soviets for the extreme hypocrites they are.

But there is little solace in finding ourselves in a world threatened by war and in a position in which Russia can insult us by suggesting that we join up with gangsters.

BYGONE DAYS

THIRTY YEARS AGO
From the Record of Friday, Nov. 19th, 1926.

Although the government proposals for settling the British coal strike have been rejected by the miners, there is a steady drift back to work and the strike is generally regarded as being broken. A substantial increase in taxation is expected to result from the trade dislocation caused by the tie-up.

A group of citizens made a tour of inspection of the improvements being made to the municipal power plant at Weedon, the estimated cost being \$80,000.

Prize-winners at a card party given by the Knights of Columbus at East Angus were: M. Theriault, Mrs. Bouchard, E. Delaire, Miss Fortin, John Rolfe, Miss Y. Lapoint, and P. Vien.

TWENTY YEARS AGO
From the Record of Thursday, Nov. 19th, 1936.

The action of the German

and Italian governments in recognizing the Fascist as the government of Spain has not changed the British decision to challenge the Insurgent right to blockade two of the Loyalist-held seaports.

TEN YEARS AGO
From the Record of Tuesday, Nov. 19th, 1946.

While Greek regular forces are fighting armed bands on the Greco-Yugoslav frontier, other mountain rebels are gaining control of western Macedonia. The rebels have extended their "free zone" in the Grevena area where they now control 100 out of 104 villages, it was learned today. The rebel bands in this area are reported to be led by two former schoolmasters whose names are given as Ipsilantis and Lasanis.

Two members of the Sherbrooke division of the Mounted Police have received promotions: Cpl. R. Murray Smith to the rank of acting Sergeant, and Const. J. M. McKenzie acting Corporal.

From The Pen Of E. T. Writers

AUTUMN
It's autumn, and the radiant hues,
Of red, and yellow, and gold,
Speak of the magic of nature's hand,
Speak of God's power o'er all the land,
Of his wisdom and love untold.

Soon the winds and freezing rains,
Will change all this splendour to brown,
Covering the tiny roots and flowers,
Protecting the stately trees that tower,
And by their naked branches we know,
The leaves are down.

Then tiny snowflakes fill the air,
Children search for their sleighs and skates,
The ice grows more dense,
The snow more intense,
We see by the dates,
It's winter.

Yes, winter in all of its glorious beauty,
In hall, and valley, sleigh bells ring
But with all of this splendour,
Our eyes grow more tender,
As we long, for the coming of Spring.

E. M. WILSON,
Sherbrooke, Que.

VOICE OF AUTUMN

The gentle voice of autumn
is whispering in the rain
That in some misty springtime
The rose is sweet again.

The silver tears of autumn
Are not sad tears we know,
They sing of glad awakening
Beyond the banks of snow.

O soft, grey rains of autumn,
Tell sad hearts this lovely thing —
Beyond all death and loss
Forever lies another spring.

A PIONEER'S CABIN

There is a little old log cabin
That was built by pioneer hands
In the Eastern Townships. Now it stands
And, is hallowed in this land.
It's in a beauty spot all its own
Amid flowers of every hue,
It stands in a village, quite well known
A memory, against the sky so blue.
Long since have those loved ones died,
Now reverently lay, where once they trod,
That old log cabin, now a place of pride,
It is a resting place, blessed by God.

All About Stamps

The Republic of the Philippines will issue a stamp on the 28th of November on the occasion of the 2nd National Eucharistic Congress. The central motif of the stamp will depict the sacred heart, this wooden statue was carved by Dr. Jose Rizal when he was thirteen years old. A special slogan will be used during the congress on all the mail from the Manila post office. This will read "A Better World Through The Eucharistic Heart."

The Crown Colony of Dominica is the most northerly of the four Windward Islands, the others being Grenada, St. Lucia and St. Vincent. It was the first island Columbus sighted on the second visit to the New world, and owes its name to the fact that he sighted it on Sunday the 3rd of November 1493. The area of the island is approximately 305 square miles and the estimated population in 1952 was 57,022. The first stamps were placed on sale in the Colony on the 5th of May, 1874. The West India Lime in the form of fresh fruit, distilled oil, juice and citrus peel, are the chief exports of the Colony. Prior to the last War bananas were an important crop for the export trade, but due to the loss of many refrigerators this is no longer the case. The Botanical Gardens pictured on the 6 cents stamp are considered to be the most beautiful in the world. On the 24 cents stamp we see a picture of Boiling Lake, this is actually a live volcano which emits only boiling sulphur. Normally full of liquid mud which seethes alarmingly, it is periodically emptied into some subterranean channel. It is reached through the Valley of Desolation, an area which is in striking contrast to the beautiful forest covered mountains of the rest of the island.

The Christmas issue from Cuba will feature the Three Kings this year, in previous years the stamps have shown Santa Claus, possettes and a Christmas tree.

The ASDA Stamp Show is now going on in New York, this show is the largest of its kind and this year is better than ever. The theme of this year's 8th annual event is, "International Friendship Through Children." Collectors in this country and the United States are finding that the new type of hinges from Austria and Sweden are really as good as the exporters say they are. They come ready folded and the regular type.

The Coaticook Stamp Club will be holding another one of its meetings soon, the weather was so good in October that attendance was not up to the usual number and then everyone seemed to have something to do. Information about the Club and the many benefits may be obtained from the Secretary, George Sarasin, Coaticook, P.Q. See you next week with more news and views on stamp collecting.

Nehru Finally Deplores Hungarian Situation

NEW DELHI — (Reuters) — Prime Minister Nehru declared today that "the gross and brutal exercise of armed might against weaker nations" in Egypt and Hungary would fail.

Events have shown that undoubtedly the government in Hungary is not a free government but an imposed one, and the Hungarian people are not satisfied with it, he told the Indian Parliament.

"I have no doubt that sooner or later the Hungarian people who have demonstrated so vividly their desire for freedom will triumph."

Nehru has been criticized at home and abroad for his attitude towards events in Hungary, particularly since India voted against a resolution in the United Nations calling for free elections there under UN auspices.

Nehru today said impartial observers, preferably from the U.N., should be allowed to visit Hungary and the occupied areas of Egypt to report on the facts.

He hoped the governments and authorities in both places would allow observers to enter their territory.

Nehru said he was more impressed by the passive resistance in Hungary than by the

fighting.

"There is little doubt that the present movement in Hungary is a popular movement," he said.

Dealing with events in Egypt, he said any kind of foreign aggression or intervention is an outrage on liberty.

Richmond I.O.D.E. Final Games Of Bridge Marathon

RICHMOND — The Uduphus Lord Aylmer Chapter I. O. D. E., sponsored a bridge party in the Legion Hall.

At the same time the winners from the eight groups who had been playing in the Marathon Bridge, convened by Mrs. C. Spence during the past five weeks met and played the finals which showed Mr. and Mrs. E. Hamilton the winners and Mr. and Mrs. M. Frazer as the runners-up.

Other couples who had taken part in the marathon played a friendly game which resulted in first prize going to Mrs. G. Tremblay, second prize, Mrs. R. A. Marcotte and Mrs. Jean Smith the consolation.

The door prizes were won by Mr. L. Somerville, Mrs. W. Murphy and Mrs. J. Fortin. Refreshments were served at the close of a most enjoyable evening.

Wallace Gilpin Veteran Vermont Publisher, Dies

BARTON, Vt. — (Special) — Wallace H. Gilpin, one of Vermont's oldest active newspaper editors and co-publisher of the Newport Daily Express, died at the Newport Hospital Friday afternoon following an operation.

Born in Westfield Vt., on Nov. 19th, 1883, he was the son of William B. Gilpin, and Harriet Farman Gilpin.

He was educated in Westfield at the Barton Academy and at Montpelier Seminary.

In 1900 he went into the printing business and four years later bought the Orleans County Monitor in Barton and later became associated with the magazine "Vermont Life."

On Sept. 27th, 1954, more than 200 people from all parts of Vermont attended a testimonial dinner held at Barton to commemorate Mr. Gilpin's 50 years in the publishing business.

Since 1936 he had been co-publisher with Franz A. Hunt, his business associate since 1908 of the Newport Daily Express.

Mr. Gilpin has served Vermont in several capacities. A good writer on local and Vermont affairs, he was also a very good speaker.

He was elected to the State Senate in 1927 and 1929 to represent Orleans county. He also served a term as Barton's representative to the General Assembly as well as serving on several state commissions.

Mr. Gilpin was the founder and first president of the North-Eastern Vermont Development Association.

A Mason for over 50 years, he was a member of the Orleans Masonic Lodge, F.A.M., Keystone Chapter, R.A.M.; a member of the Orleans Council of Royal and Select Masters and Malta Commandry of the Knights Templar.

For 45 years he was a member of the Crystal Lake Grange, being the oldest member.

Mr. Gilpin is survived by his widow, the former Lenore Park-er, of Derby Line, Vt.; two daughters, Mrs. Frank Shadbourne, Ruth, of Ipswich, Mass., and Mrs. Arthur Long, Esther, of Morro Beach, Cal.; three grandchildren, two sisters, one brother, and two great grandchildren.

Mr. Gilpin had been previously married to the former Laura Gay, of Orleans in 1906, who predeceased him April 22, 1942.

The funeral is being held this afternoon with the Rev. Leon Oliver presiding assisted by Theodore Griggs.

The interment will be held at the Wellcome O. Brown Cemetery in Barton.

It has been asked that no flowers be sent, but contributions may be made to Mrs. Gilpin for the Broadview General Hospital Memorial Fund.

Pineau Says "Volunteers" Mean War

NEW YORK. — (AP) — French Foreign Minister Christian Pineau said Sunday night that entry of Russian "volunteers" into the Middle East would bring "a third world war or... a situation like Korea."

Asked if he favored the use of military force to keep Soviet volunteers out of the Middle East, Pineau replied:

"It should be necessary, I think, to stop them by all means."

Pineau, here to confer with France's United Nations delegation on the Middle East crisis, was interviewed on the television show "Press Conference."

He compared the present situation to 1936, when Hitler remilitarized the Rhineland, and said if France had used troops against the Germans then, she might have prevented the Second World War.

CALL'S MILLS—

Mr. Jasper Byers is leaving soon for Venezuela, South America for an indefinite period.

Guests during the week-end at the Ladd home, were Mr. and Mrs. Ross Ladd, Coaticook, Miss Patricia Ladd, Mr. and Mrs. Rolfe Ladd and daughter, and Mrs. Elsie Knott, of Granby.

Cards Of Thanks

I should like to take this opportunity to extend my sincere thanks to all my friends and relatives for their kindness to me during my stay in Sherbrooke Hospital, for the many lovely cards and beautiful flowers and other gifts; to Dr. Hicks, Dr. Ellis, Dr. Wells and the nurses and aides on the second floor who were so kind and attentive; to Rev. Dr. Boucher of Saint George Memorial and Rev. Martin of Ulverton. I shall always remember your many kind deeds and goodness to me.

Women's Groups

BAPTIST LADIES' AUXILIARY
The Baptist Ladies' Auxiliary met at the home of Mrs. Cliff Wright, Elgin Ave., with the president, Mrs. Jean Byrd, in the chair. The devotional period was conducted by Mrs. Wright.

Final plans were made for the Christmas tea and sale which is being held November 28.

A nominating committee consisting of Mrs. H. Mills and Mrs. E. Wheeler was appointed to bring in the slate of officers for the coming year.

At the close of the meeting, the hostess served refreshments, assisted by Mrs. H. Sanbury with Mrs. F. C. Amery pouring tea.

ST. ANDREW'S MISSIONARY SOCIETY

St. Andrew's Missionary Society held its regular meeting at the home of the president, Mrs. G. Stevenson who also conducted the devotional period.

Twenty-four calls were reported made on the sick and shut-ins.

Mrs. E. T. Jones, supply secretary, read letters of thanks from the matron of the Indian School at Kenora for a large bale received, also from Miss Mallefant and Rev. Mr. Crump for gifts sent them for their work. Mrs. Stevenson spoke of Miss Gollan's visit to the group.

The treasurer reported the thank-offering collection to be very gratifying.

Mrs. G. Dick and Mrs. H. Thompson were appointed to bring in a new slate of officers at the next meeting.

Mrs. A. Morrison read two very interesting papers on the work of the Missionaries in the Jhansi and Bhil field.

Mrs. R. Ray closed the meeting with prayer.

LENNOXVILLE W. I.

Lennoxville Women's Institute met in the club room with Mrs. R. Pariseau, first vice-president presiding. The meeting was opened with the Salute to the Flag and Club Women's Creed.

Following the roll call which was responded to by naming a Canadian war hero, items of correspondence were read which included a letter of thanks for the sum of \$10 donated for prizes at the local High School.

Conveners reports included: Agriculture — Mrs. L. B. Pierce, noted programs on marketing and commented on the recent price rise on certain foods; Citizenship — Mrs. A. E. Abercrombie distributed illustrated pamphlets on the country surrounding Cooma, Australia, the country with which this branch is exchanging programs.

Home Economics — Mrs. H. L. Wallace gave a brief outline of the very successful cooking course held here for one week and asked for suggestions for a course for next year: welfare and health — Mrs. W. Beattie reported four members assisting at the Cancer Dressings Station when over 300 dressings were made and a large donation of used cotton taken in. Further dates for this branch will be December 20 and February 21.

A vote of appreciation was extended to Mrs. A. E. Abercrombie for her efforts in preparing and giving the monthly broadcast entitled, "Bridges of Understanding."

Mrs. Abercrombie in charge of the program gave some very valuable information on the making of wills as taken from "You and your Family under Quebec law," by Wilhelmina M. Holmes and Joan Gilchrist.

Members attended the Memorial Day ceremony and placed a wreath at the cenotaph.

Following the business an auction was held and the proceeds donated to the Foundation fund.

Afternoon tea was served by Mrs. L. Stewart, Mrs. L. Smith and Miss G. Killingbeck.

PLYMOUTH W.A. GROUP II

The monthly meeting of the Women's Association, Group II, Plymouth United Church, was held in the church parlor recently, with the president, Mrs. Hawley Griffith in the chair. Following an opening devotional period led by Mrs. N. Dinning, the treasurer's report was given by Mrs. N. Hunter.

The president gave an interesting report on the rally of the Quebec-Sherbrooke Presbytery of the Women's Association of the United Church of Canada which she had attended recently in Lennoxville.

It was agreed among the members to assist the Guild of Plymouth Church in soliciting for their forthcoming turkey supper.

Tea was served by the hostesses, Mrs. N. Hunter and Mrs. G. Rockwell.

The next meeting will be held on Monday, December 3. Any new members will be heartily welcomed.

Mrs. R. Alexander Reports On C.W.I. National Meeting

Mrs. E. J. Wolfe, president, chaired the meeting of the Sherbrooke archdiocesan council of the Catholic Women's League of Canada, held November 11, in St. Patrick's Church Hall.

Mrs. Ross Alexander, of Richmond, provincial president, graced the gathering and gave the report of the 36th national convention of the Catholic Women's League of Canada, held in London, Ont., in October, under the patronage of Our Lady of Loretto.

The theme, "Parental Authority in the Home," was the subject of all sermons and speeches, given by the hierarchy, said the speaker. They urged parents to return to the old time parental authority in the home.

"Laxity, in exercising their authority makes it more difficult to establish peace in the world and for the government and spiritual directors to fulfill their obligations."

The suggestion was made that the C.W.I. undertake a crusade to develop a closer parent-child relationship, by parents endeavoring to be Godlike in the exercise of their authority and to be consistent in seeking the child's good, not their own satisfaction.

Mrs. Alexander stated that total membership in Canada is 100,961. That the league is established in 19 dioceses in Quebec Province, comprising 51 subdivisions, 5348 members and 251 honorary members.

The need for study and discussion clubs in all subdivisions was stressed. The subject suggested for this year being "The Book of Tobias." She said the national scholarship for students qualifying for social welfare, was increased from \$1000 to \$1500, and members were urged to support Christ the King Cultural Foundation. This foundation, the only one of its kind in Canada, has a Federal Charter. Its purpose is to keep an eye on education in the national field and to provide scholarships for study in branches where shortage of personnel is found.

The following resolutions were adopted at the National Convention:

Family Allowances— to petition Federal Government of Canada to remove discrimination against children in institutions and those who are not in Provincial Government wards; that the age limit for family allowances be raised from 16 to 18 years.

Canadian Ambassador To The Vatican— To petition the Government to appoint an ambassador from Canada to the Vatican State.

Red China— that the C.W.I. in convention assembled, go on record as being militantly opposed to recognition of the Peiping Government of Red China as the Government of China.

Scholarships— that the C.W.I. request the provincial and federal governments to make more scholarships available in the educational field.

Television, Radio and Movies— that greater supervision be exercised on these mediums and caution be used in patronizing classified "B" films.

Canadian Mental Health Association— that League members work in close co-operation with this unit in promoting welfare of the mentally ill and assist in every way possible, in conformity with Christian principles in the treatment, care and rehabilitation of those about to re-enter society.

Prayers For Peace— because of the present world tension caused by the Middle East problems and the continuous expansion of atheistic communism, materialism and loss of spiritual values, that members redouble their prayers and penances as advocated by Our Lady of Fatima.

Following the meeting, which closed with prayers, refreshments were served by the members, Miss Gladys Mullins and Mrs. Paul Labrosse of Richmond, pouring.

Consideration Makes You 'Parent' Instead Of In-Law

By RUTH MILLETT
Want a recipe for making yourself welcome and completely at ease in the home of your married son or daughter?

Well, you'll find it in this letter from a young wife. She writes:

"I used to wonder why it was that my husband always seems as comfortable and easy around my parents as I do and why he has always seemed just as pleased as I when they came for a visit."

"Now I think I've figured out why. In the seven years that we have been married, my parents have never made a single critical remark about my husband. They have never even hinted that he might have a fault."

"Not only that, but they never miss an opportunity to build him up and make him feel pleased with himself. And they always treat him like the head of his own home."

"I'm sure that is why my husband feels so comfortable around my parents and why I feel so comfortable when we are all together."

"He never has to defend himself, and I know I'll never have to defend him. I know so many marriages where parents are so definitely in-laws to one half of a couple I just wanted to write and tell you how it works when

parents act like 'parents' to a couple, instead of just to their own child."

There's the recipe. If you want to feel at home in your married child's house set the stage for easy companionship by your complete acceptance and approval of your child's marriage partner "as is."

Remember that you are visiting "your children," not just your son or daughter, and you won't make any of the common mistakes of visiting in-laws.

Fair Lady Fabric

Those with long memories and a certain minimum number of birthdays will recall with nostalgia the fabric known as georgette. A real Fair Lady fabric, it was first woven in 1912 in France and named after Georgette de la Plante, a French modiste.

The following year it appeared in the United States. From then until the outbreak of World War II georgette was a leading luxury fabric for dresses and blouses.

Now georgette is coming back, but it is a new georgette—a 1956 version of a fabric the original Eliza Doolittle of Shaw's "Pygmalion" probably wore. Somewhat heavier, it is typical of the easy living developments of our times. Because it is made of nylon, it washes and dries almost iron-free within half an hour.

Since its principal feature is a delicacy of quality combined with considerable opacity, blouse manufacturers have been the first to use it extensively. And it is in the new season's blouses with their ruffles, embroidered touches, crisp tailoring or soft dressmaker detailing that georgette will be making a dramatic comeback.

For those to whom georgette is but a name, the fabric can be recognized by its crepe texture and dull finish.

BUILD HUNDREDS OF WORKING MODELS

When a Meccano boy wants a new toy he builds it himself—a different one every day if he feels so inclined. Not only does he build toys, he also builds real working models of Motor Cars, Aeroplanes, Cranes, Bridges, and hundreds of other engineering structures. He builds them with Meccano parts, because they are real engineering parts in miniature. All the parts are standardized and the same units can be used in hundreds of different models. Meccano, the most thrilling hobby in the world, becomes more fascinating every day.

Als Edge Tiger-Cats 48-41, Win Series 78-62; Esks Wallop Roughriders

22,280 Fans Jammed McGill Stadium To Witness Game Which Had About Everything; Pat Abbruzzi Gets Three

MONTREAL — (CP) — Montreal Alouettes scrambled to a 48-41 victory over Hamilton Tiger-Cats in a wild and weird Big Four playoff game Saturday and for the third year in a row won the right to play Edmonton Eskimos for the Grey Cup.

The victory gave Alouettes the two-game, total-point series 78-62 but they weren't sure of winning either the game or the playoff until the last three minutes of play.

The 22,280 fans who jammed into McGill Stadium saw just about everything in the football book — a 94-yard run, 11 fumbles, seven intercepted passes, a slugging match and two 50-yard touchdown passes by Hamilton quarterback Tony Curcillo that were almost matched by two 49-yard touchdown passes thrown by Montreal quarterback Sam Etcheverry.

From a technical standpoint, the game was erratic and loosely played but it had enough excitement to leave the fans limp and hoarse at the end.

Both teams tried for touchdowns every time they got the ball, disdaining slower scoring methods such as singles and field goals.

In the process they ran up a score that was only seven short of the record for a Big Four game — 96 set by the same two teams when Montreal whipped Hamilton 82-14 earlier this season.

They did set two records. The total yardage gained of 1,305 wiped out the old mark of 1,289 and the 887 yards made on passing alone broke the previous record of 823. The broken marks

were set in a Hamilton-Montreal game at Hamilton Sept. 29.

Pat Abbruzzi, the Big Four scoring champion, picked up three touchdowns, two plunging and one on a screen pass. Hal Patterson, Red O'Quinn and Fob James gathered in touchdown passes from Etcheverry and Herb Trawick lumbered over for a score after taking a lateral from Abbruzzi.

Curcillo passed for five of Hamilton's six touchdowns, three going to halfback Hal Waggoner and one each to Paul Dekker and Cookie Gilchrist. Ralph Goldston got the other score on a 43-yard run after intercepting a pass.

Bill Bewley converted six of Montreal's seven touchdowns and Steve Onechuk booted five in a row for Hamilton after his first attempt went wide.

Hamilton led the game three times but never went ahead on the round. They went into the game trailing by nine points and twice closed the gap to three and once to two points.

Time and a defensive lapse spoiled two chances Hamilton had of perhaps winning the series. With time running out in the first half, Curcillo tried to skirt his left end from the Montreal four-yard line but was belted out of bounds by Patterson inch, es short of the goal line as the gun sounded.

Lions Down Aces; Sags Wallop Montreal 9-2

Trois-Rivieres Lions Sunday moved into third place in the Quebec Hockey League when they overpowered the front-running Quebec Aces 4-1 at Quebec.

The victory gave the Lions 14 points, one more than Montreal Royals who lost 9-2 at Chicoutimi Sagueneens at Chicoutimi. The Aces top the standings with 23 points.

The Chicoutimi scoring outburst was the greatest made by any team in the QHL this season and put the Sagueneens within three points of Quebec.

Seven players shared the Chicoutimi scoring, with veterans Stan Surke and Jacques Locas each getting two goals. Other marksmen were Fern Perreault, Del Topoll, Stan Baluk, Jacques Pichette and Greig Hukic.

The Trois-Rivieres' markers were chalked up by Bev. Bell, Gilles Thibault, Rene Pepin and Pete Kapusta. Gene Achymichuk was the Quebec scorer.

The Sagueneens jumped into a 2-1 lead in the first period on goals by Perreault and Smrke while Coriveau counted for Montreal. Burnett tied the score early in the second but Topoll and Baluk gave Chicoutimi a 4-2 lead at the end of the period. Sagueneens ran wild in the third.

The Lions opened the scoring at 7:23 of the second period when Bell caught the corner of the net with a low 10-foot drive. Thirty five seconds later Thibault scored when he took the puck at the Quebec blue line and went in alone.

Achymichuk put the Aces back in the game at 1:26 of the third. Lions added the first insurance goal when Pepin shot a 15-footer that just caught the corner. Kapusta chalked up the final score with a shot that caught the inside of the post.

CONSECUTIVE GOAL SCORING — Fred Glover of Cleveland scored at least one goal in eleven consecutive games in 1950-51, while playing for Indianapolis, to establish the American Hockey League record.

THE VICTORS — Montreal Alouettes whoop it up in the dressing room following their 48-41 win over Hamilton Tiger-Cats in the second game of the Big Four total-point final series. Coach Doug (Peahead) Walker is shown centre. Montreal won the first game 30-21 to take the series 78-62 and advance to the Grey Cup final.

Gary Player Cops Aussie Golfing Event

MELBOURNE — (P) — Gary Player, 21-year-old South African from Johannesburg, won Australia's biggest golf tournament by six strokes Saturday with a 72-hole total of 280.

Bo Winner of Oklahoma City, an early leader in the \$22,500 Apol tournament, finished second.

LONGEST WINNING STREAK

The Cleveland Barons hold the American Hockey League record for consecutive victories with 11, which they established in the 1943-44 season.

Meteors Rally To Post 11-4 Verdict Over Beavers In High-Scoring Tilt; Yves Tessier Leads Way With 4 Goals

Rallying for ten goals in the last two periods the Meteors of Sherbrooke rolled to a 11-4 victory over the Sherbrooke Beavers at the local Arena yesterday afternoon in the only scheduled game of the Massawippi Valley Hockey League before 1,800 fans.

The win put the Meteors out in front in the seven-team circuit and gave them a double win over the local squad. The Beavers blew a comfortable 4-1 lead after the first period and the Meteors ran wild to bat home ten goals before the end of the game.

The Beavers squad jumped to the attack in the first frame and before the Meteors could get rolling were out in front on tallies by Bedard, Dumas, Dubois and Beaudoin while Vachon got the lone marker for the Asbestos club. It was all Sherbrooke as the young crew just skated the Meteors off their feet. Their plays clicked good with the youngsters.

In the middle session the kids seemed to get a little cocky and before they knew what had happened their more experienced opponents had moved into control. They were caught out of position time after time leaving the defense and goalie Courchesne at the mercy of the Meteors.

The visitors tallied two quick goals by Moore and Claude at the start within a minute and then just before the end of the period Drouin and Tessier put the Meteors out in front 5-4 and from then on they never headed.

Their passes were smooth and the wings were left open time after time and this proved costly to the locals. Guy Courchesne was bombarded from all angles and although he let a few easy ones get by him he made some outstanding saves.

Sherbrooke were trying to get back on the score sheet but their shots were missing the target. Langlois had a wonderful chance but blew his shot. Bob Bedard put Darche in the clear but he failed to make good his opportunity. On the other hand the experienced Meteors made things count and this was the difference.

In the third frame it was the same thing again with the Meteors taking command. Their first goal came when Courchesne made a great save on Illick alone but when his defence failed to clear Champagne batted home the disc from close range. A minute later Tessier finished off a play with Illick and Champagne. It was another rebound.

The youngsters tried their best with the play moving at a fast clip but they failed to dent the twine behind Averill. Darche hit the goal post and then Bob Bedard drove one over the top of the net. Another couple of shots slid between Courchesne's knees when he was down on the ice. He was weak on these. St. Onge pok-

ed home another when Courchesne's defense failed to clear on his doorstep and Yves Tessier registered his fourth goal of the afternoon to end the scoring.

Sherbrooke started off strong and it looked as though they would skate the visitors into the ground but when they commenced to wander out of their positions it was their downfall. It was a wide-open event and despite the large score Sherbrooke came up with some nice plays. It was a question of experience against youth with the former emerging once again on top.

Hamilton Tiger-Cat Bees Display Powerful Ground Attack On Muddy Gridiron To Win Canadian Title

FORT WILLIAM, Ont. — (P) — Hamilton Tiger-Cat Bees unleashed a powerful ground and passing attack Sunday and defeated Fort William Redskins 20-5 to win the Canadian intermediate football championship.

It was the third straight year that Redskins were defeated in the final.

Bees exploded for 14 points in the fourth quarter to take the 1956 crown.

Trailing 4-0 after the first quarter, Hamilton went two points up in the second on a touchdown but had the margin lowered to one point before marching to a decisive triumph in the final quarter.

Quarterback Glen Dawson, half Ed Kondziolka and end Bill Bingham paced the Hamilton offense. Kondziolka went for two touchdowns, one on a spectacular 75-yard run. Dawson added the

Optimist Ekes Out 4-3 Win Over St. Jean

Sherbrooke Optimist Juveniles edged out a 4-3 verdict over St. Jean Baptiste yesterday afternoon at the Sherbrooke Arena in a closely fought battle.

St. Charles Seminary was slated to oppose the Provincial champions but a last minute refusal by the Seminary Fathers to meet the Optimists, on the grounds that they were considered a "neutral club," caused the shift in the game.

It was a close checking game and it was only in the final period when Claude Richer's squad came through with the winning marker. Gagnon put the East Sherbrooke out in front right after the opening whistle. Menard knotted the count but Cote put the Baptiste crew out ahead again.

In the middle session Doyon came through with the only tally to even the count. It was a nice passing play. In the third frame Menard got his second goal and the Optimist were out in front for the first time in the game.

Gagnon teamed up with his mates to even the count once again but Doyon posted his second tally of the afternoon to give the Richer crew a 4-3 lead and they managed to hold on until the final whistle.

Lewiston Arena Lost By Fire, Damage \$500,000

LEWISTON, Me. — (P) — A spectacular fire, fanned by Maine's first severe snow storm of the season, levelled St. Dom's Arena here in 30 minutes Sunday. Officials estimated damage at about \$500,000.

The blaze destroyed the 2,540-seat wooden building only 1½ hours before a semi-professional hockey game was to have been played in the arena, which official said had one of the best indoor skating rinks in the east. There were no injuries.

Fire Chief Z. F. Drouin blamed the blaze on an oil burner in the rear of the building.

The fire was first reported by a policeman who saw smoke pouring from an open window.

Omer Cloutier, an official of St. Dom's Arena, Inc., said the complete hockey equipment of Waterville, Que., Maroons and Bates Fabrics' hockey teams which played Saturday night and were to meet again Sunday was lost in the fire.

Driver Daniels Posts Five Wins
TRURO — (P) — Driver Frankie Daniels came up with five firsts in a program of half-mile dashes opening the winter harness racing season here Saturday.

He drove C. Chips, Howie's Pride and Lucky Budlong to victory. Athlon Ruler set the best time—1:09—in the third dash.

The daily double paid \$27.40 the Quinella \$9.40 and \$15.80.

TORONTO — (P) — Donald (Doc) Kirk, 50, of Havelock, Ont., Saturday was presented with the Ontario Minor Hockey Association's honor award.

Edmonton Eskimos Scuttle Roughriders And Now Prepare To Take On Alouettes Saturday In Grey Cup For Third Time

EDMONTON — (CP) — Edmonton Eskimos, their split-T offensive working to perfection under Canadian quarterback Don Getty and their defence almost impenetrable displayed awesome power Saturday night to trounce Saskatchewan Roughriders 51-7 in the deciding game of the western football final.

They immediately began planning to leave for air Thursday for Toronto, where they will meet Montreal Alouettes Saturday for the Grey Cup.

A bitterly-cold wind, gusting to 35 miles an hour, swept Clarke Stadium and chilled a record Edmonton crowd of 22,461 persons who watched Eskimos score a touchdown on the second play of the game, then romp over Roughriders to their third-straight western championship and their fourth in five years.

Eskimos, in good health after the game, now seek a third consecutive victory over Alouettes, having beaten them 26-25 in Toronto in 1954 and 34-19 in Vancouver last year for the Canadian title.

Don Getty, 22-year-old sophomore Eskimo quarterback from the University of Western Ontario, justified the faith Coach Frank (Pop) Ivy placed in him; calling the entire game, handling the ball with cool efficiency and throwing four touchdown passes.

A rock-solid line, led by tackle Roger Nelson, who shook off a charley horse, centre Johnny Tatum and guards Art Walker and Frank Anderson, who played despite a back injury, gave Getty fine protection and opened big holes for the backfielders.

Defensively, Eskimos intercepted four Rider passes as Anderson led a rushing line against quarterback Frank Trippucka. Joe Mobra picked off two Trippucka forwards and Bill Roweck and Bob Komoff one each.

Three of Getty's touchdown passes went to Jackie Parker, brilliant all-around Mississippi State graduate who quarterbacked Eskimos through the season before being shifted to halfback when injury cut deeply into Ivy's backfield supply during the best-of-three final.

Parker was the leading scorer, punting for two singles for 20 points in all. Johnny Bright, power-running Drake fullback, drove

through the line for two touchdowns while Calgary-born Normie Kwong plunged for one and import end Bill Walker got another on a passing play with Getty.

Sully Glasser, a native Regina and a veteran Roughrider halfback, took a forward pass from Trippucka to score the only Rider touchdown. Guard Reggie Whitehouse missed the convert try but got a point earlier when a field goal attempt went wide for a single.

The victory kept Ivy's perfect coaching record intact, giving the 40-year-old Oklahoman his third Western Interprovincial Football Union title in three years at Eskimos' helm.

It also reversed the 1951 final in which Riders defeated Eskimos 21-0 on the series and recalled the old WIFU playoff jinx that held for the first four years after the three-game final was introduced in 1950. During that time, the club winning the first game lost the next two.

This year, Eskimos lost the series opener 23-22 at Regina, and Saskatchewan was hoping for its first Grey Cup trip since 1951. Eskimos won the second game at home 20-12 and turned the third game into a rout before the first quarter ended.

Chicago White Sox To Propose New Plan Regarding Famous "Bonus Rule" At Minor League Meeting Next Month

CHICAGO (P) — The Chicago White Sox Sunday proposed changes in baseball's controversial "bonus rule" which the club said would improve a young player's initiative and speed his progress to the major leagues.

Working through their Three I League affiliate at Waterloo, Iowa, the White Sox announced its "premium player" draft would go on the agenda of the minor league meetings next month at Jacksonville, Fla.

The changes were proposed by Roy Egan, a member of the White Sox board of directors. Under the bonus rule, a major league club signing a player for more than a \$4,000 bonus is required to carry him for two years.

Under Egan's proposal, independent minor league clubs could sign a player and if that player is wanted by a major league club during or at the end of his first year in baseball, the major league club would have to pay the minor league team a standard \$20,000.

If a boy is signed by a major league club to a major league contract, that club would have to keep the player on its active list for two years, as under the present bonus rule.

A major league club could, however, sign a player to a minor league contract and send him to an affiliate. The parent club then could claim the player during his first year up to Oct. 1.

If claimed, the club would have to carry him long enough to make up two years. But if the parent club did not claim the first-year bonus player by Oct. 1, the player would be subject to unrestricted draft with a \$20,000 claiming price regardless of the minor league classification.

Thus, a drafted player would cost a major league club \$20,000 if he were with a Triple-A team or a Class B team.

Minor league clubs of higher classification also are eligible to make selections under the premium draft of first-year players not selected by major clubs. But they would pay prices as provided in the present major-minor league agreement.

Bishop's University Win Their Third Straight Conference Championship

Rally To Down Macdonald Aggies 14-9 In Sudden-Death Playoff In Closely Fought Battle; Pratt Gets Both TD's

Bishop's University's purple and white Gaitsers are the Ottawa-St. Lawrence Valley Conference "B" Section football champions for the third straight year.

The Gaitsers captured the crown Saturday before over 500 fans with a 14-9 sudden-death playoff win over the Macdonald College Aggies on the University gridiron.

It was close all the way and for a time it looked as if the Aggies, who trounced Bishop's 19-6 last week to force the playoff, might unseat the champions. They led 2-0 at half time and 9-6 at the end of the third quarter, but the Gaitsers roared back and took complete control of the game in the final quarter, scoring the winning touchdown and kicking a single point while holding the Macdonald offensive team to a standstill.

The Bishop's win was strictly a team effort. Every player gave his most for this final and most important game of the season. John Pratt and Ian Warnock stood out offensively while Sam Poops, John de la Vergne, Glyn Edwards and Brad Mitchell shone on the defense. It was Pratt who scored both Bishop's touchdowns thus bringing his season total to a record-breaking ten in the six intercollegiate games.

Warnock, the freshman full-back, was a constant threat all afternoon, making large gains through the line behind some fine blocking. He was Bishop's top ground gainer with 92 yards in 16 carries. Poops, de la Vergne, Mitchell and Edwards made life miserable for Aggie quarterback Dave Mowat. They continually broke through the Green and Gold wingline to spill him for substantial losses.

For Bob Pugh's Aggies, Darcy Little, who scored two touchdowns in last week's victory over the Gaitsers, was again the top ground gainer. He averaged 4.8 yards in ten tries and also scored Macdonald's only major.

Mowat again called a fine game for the visitors, but didn't seem to be passing as well as he had in previous games. The Bishop's pass defense, which "Beef" Ross had been stressing all week in practices, proved very successful as the Aggies could only manage to complete three passes.

The first half proved how well the two teams were matched. The first score came after a little more than two minutes of playing time had elapsed. When the Aggies were held on two plays from the Bishop's 20-yard line, Bob Hamilton lofted a third-down punt deep into the Bishop's end zone where John Pratt was tackled for the point.

The second point of the first half came later in the same quarter when the Gaitsers held the Macdonald offensive drive on the Bishop's 28-yard line. Hamilton again kicked into the Bishop's end zone to Pratt who was knocked out of bounds while still in the end zone. This second point made it 2-0 for the Aggies.

The rest of the half saw the two teams battling to a stalemate. Macdonald had a territorial edge in the play gaining eight first downs to Bishop's four. The key plays which prevented the Aggies from capitalizing on their ground superiority were two pass interceptions by John Pratt and Bob Burt. The closest the Gaitsers came to scoring was when they advanced the ball to the Macdonald 16 yard line.

Bishop's began their victory march from the opening kick in the second half. In eleven plays they went 75 yards for the first touchdown of the afternoon. Sticking to the ground all the

way, Bishop's quarter Hugh Macdonald sent his backs through big holes which the linesmen had opened. Warnock was the big factor gaining three first downs by himself. It was Pratt however who made the big play of the march when he slashed around left end from the Macdonald 20-yard line for the touch down. Hart's convert was wide but the Gaitsers led 6-2.

Not to be outdone at this point by Bishop's, the Aggies proceeded to take the resulting kickoff and duplicate the Gaitsers procedure. From their own forty-yard line, the Green and Gold went 60 yards on 13 plays for their only TD of the afternoon. Two fine runs, Darcy Little's 18 yard romp around the left end and Bob Gardner's 13-yard drive to the one-foot line paved the way for the major. It looked for a time as if the Gaitsers might hold the Aggies when they stopped two plays from one-foot out, but on the third and last try Darcy Little scampered over and the Aggies led 8-6. "Bugs" Walker's old time drop-kick convert try split the uprights increasing the Macdonald lead to 9-6.

On the second play of the final quarter it looked like the Aggies had the break they needed. A bad snap to Bishop's kicker Laurie Hart prevented him from getting away the punt and Macdonald took over on Bishop's 47 yard line. Several plays later, however, the real turning point came. Brad Mitchell and Glyn Edwards broke through the Aggie defense and spilled Dave Mowat with driving tackles. Mowat fumbled the ball and Edwards pounced on it to give the Gaitsers possession on their own 50-yard line.

Pratt and Warnock were again the big factors in the drive to touchdown. They put Bishop's on the Macdonald 16 yard line. Then on the first play, Hugh Macdonald faded back and rifled a TD strike to John Pratt on the one-yard line, who spun over for the major. Hart's convert was good and the Gaitsers were ahead 13-9. A few plays later Hart added another single when he kicked to Walker from the Macdonald 25-yard line.

The tremendous defensive work of Sam Poops and John de la Vergne stopped any chance of an Aggie threat in the dying minutes.

Twice they broke through to pin losses on the Macdonald backfielders and the second time Bishop's all-important possession of the ball with less than a minute remaining. The game ended with three consuming line plays by Bishop's quarter Hugh Macdonald.

Little Big Four Football League Holds Closing

In the top photo Jacques Laliberte is seen presenting the Tip Top Tailors Trophy to Captain Gilles Blanchette of the Rough Riders for winning the Little Big Four Football League crown. He is surrounded by his team-mates while in the rear are Bill Hammond, Bob Bedard, Ken Jackson and President Hal Evans.

Joe O'Brien Is Upset, Suffers Fractured Ankles

INGLEWOOD, Calif.—Joe O'Brien, Canadian harness race driver rated as one of the best in the sport, suffered fractures of both ankles Saturday at Hollywood Park.

He was injured in the first race of the wind-up day of the Western Harness Racing Association fall meeting. A horse fell in front of him, his sulky ran over the wheel of the other and O'Brien was thrown against the rail.

O'Brien, 50, has been a consistent winner for years and was leading driver on the grand circuit in 1947. He was born in Glasgow, N.S., and formerly made his home in Alberton, P.E.I.

best lineman in the league while David Covey won the Tot's Town trophy, presented by Izzy Echenberg, as the league's top scorer.

Mike Marshall of the Tiger-Cats was chosen as the Most Sportsmanlike Player by the coaches and executive. He was presented with a windbreaker donated by Fred Conway, Bobby Walters donated a boy's wrist watch which went to the player having the best attendance throughout the season. Nine players had perfect records for the year and their names were put in a hat and Gilles Pilote emerged as the winner of the watch.

Jacques Laliberte presented every player in the league with special crests. Following this the boys watched a film showing last year's Grey Cup Classic between the Montreal Alouettes and Edmonton Eskimos.

Mayor Nadeau spoke briefly to the boys and congratulated them for their fine showing of sportsmanship during the year and thanked the executive for their outstanding work in organizing and operating the league. S. Elkas won the rifle which was drawn on and which tickets were sold during the season.

No one is born a star athlete; you must study and follow a special pattern to reach the top heights, stated Bob Bedard, Canada's number one tennis player and coach of the Sherbrooke Beavers Hockey Club, at the closing dinner of the Little Big Four Football League held Saturday evening at the New Wellington Hotel.

Bob Bedard was guest speaker and outlined to the group of youngsters, and their parents, just what an athlete has to do to reach stardom. He stressed several very important points in his brief but very interesting talk.

Sport is a very important factor in any youngster's life and it helps build good citizens for the future. It can be classified into four different classes, added Bob Bedard. In the first group are those who play for recreation, then those who go in for the honor and those who play for the opportunity of meeting others and in the last, and maybe the ambition of all youngsters, those in the money field.

To acquire success in any one of the four classes one must be ready to make special sacrifices. It may be hard to follow certain rules but if one wishes to reach the top it must be done, stressed

Bob Bedard. Patience and determination are very big points in the setup. Long hours of practice and conditioning are very important and must be followed to the letter.

You must have the proper mental condition and hate to lose as much as you would like to win. One must learn to lose and then, and only then, will you know and appreciate the value of victory. You must be ready to take orders from your coaches and above all things never lose your temper. This is a very important factor and if you can succeed in accomplishing these various points you will be on your way to the top in any sport in which you decide to follow, stated Bob Bedard in closing.

President Hal Evans thanked Bob Bedard for his very interesting talk. Ken Jackson introduced the guest speaker. Following this the presentation of the various trophies and awards took place.

Jacques Laliberte presented the Tip Top Tailors trophy to captain Gilles Blanchette of the Rough Riders for winning the league championship. Paul Emile Bouchard was awarded the Dawson trophy for being judged the

East Beats West in RCAF Fixture

METZ, France — (Reuters)—Eastern Canada beat Western Canada 6-0 Saturday in a tough football game between RCAF teams from the Canadian air base here.

The game was a local version of Canada's Grey Cup East-West football championship. The Eastern team was the stronger throughout the match. The only touchdown of the game was made one minute from the end of the first half by army private Roger Danis of Ottawa, who is attached to the air force here. The touchdown was not converted.

A crowd of about 2,500 watched the match. It was the second annual game of its type.

Josh Gifford Rides Winner After Accident

MANCHESTER, England — (AP)—Fifteen-year-old Josh Gifford rode Trencham Boy to a half-length victory in the Manchester November Handicap Saturday an hour after being badly shaken in a car crash.

Gifford and two other jockeys were treated in hospital for shock. Then a taxi rushed Gifford to the track.

It was a hard fought game and the Gaitsers were champions again. Coach Pugh of the Aggies paid credit to the champions after the game when he said "Last week we had it, this week it was all yours. Your boys played better than ours and they deserved to win."

Major Mystery Develops With Opening Of Olympic Games Only Four Days Away As Pretty Russian Vanishes

MELBOURNE—(P)—A major mystery developed today with the opening of the Olympic Games only four days away as police searched for pretty Nina Paranyuk, Russian stewardess aboard the Soviet Olympic liner Gruzia.

She vanished while touring the Melbourne Zoo Sunday with a group of Russians.

There has been speculation the members of some of the Iron Curtain teams may jump camp and seek refuge in Australia, particularly the Hungarians, but there was no indication the Russian girl had defected.

Australian security officers worked with Melbourne detectives and police in an effort to locate the stewardess, who is unable to speak English.

The games of the XVI Olympiad have been plagued by political overtones, some stemming from the revolution in Hungary. But despite this 4,360 athletes and officials from 66 nations are on hand awaiting the solemn opening Thursday at which the Duke of Edinburgh will preside.

For the competitors, worries over politics were secondary to the problem of the weather. Today saw a sudden morning shower, blustery winds, and noon-time temperatures in the 60's despite a bright sun.

Dalhousie And Bathurst Play To 3-3 Draw

BATHURST, N. B. — (P)—Dalhousie Rangers maintained their three-point lead over second-place Bathurst Papermakers by holding Bathurst to a 3-3 tie in a North Shore Hockey League fixture Saturday.

Maurice Lamirande scored two goals in the second period to give Bathurst a 3-1 lead. Roly Rossignol opened the Bathurst scoring. A screened shot by Clem Tremblay with only three minutes to go tied it up. Previous Dalhousie scorers were Gratien Povlin and Tod Campeau.

Bathurst dressed only 11 players.

Canadiens Win 6-3 But Lose 8-3 To Wings; Hawks Wallop Leafs 6-3; Bruins Remain On Top Of League

Goal-scorers broke out madly in the National Hockey League during the weekend. And those baffling Boston Bruins maintained an unbeaten streak that is causing much bewilderment among other big-league teams.

The hot snipers: Jack McIntyre, Chicago Black Hawks, four goals Saturday. Ted Lindsay, Detroit Red Wings, three, including the 300th of his 13-year NHL career, Sunday.

Gordie Howe, Detroit, two Saturday, two more Sunday. Real Chevrefils, Boston, three Saturday, one Sunday.

The most amazing production came from McIntyre, 26-year-old right winger who had registered only one assist in 15 games.

He erupted for four goals as he led the last-place Hawks to a 6-3 victory over the Maple Leafs at Toronto. In other Saturday engagements, Canadiens walloped the Wings 6-2 in Montreal and the Bruins and Rangers battled to a 4-4 draw in New York.

On Sunday, Wings clobbered Canadiens 8-3 at Detroit, Bruins edged Leafs 4-3 at Boston and Rangers and Hawks deadlocked 2-2 at Chicago.

When it was all over, Bruins were still in the league lead, holding a two-point edge over the second-place Wings. Canadiens are third with 19, while Leafs are fourth with 14. Rangers are next with 1 and Hawks are at the bottom of the standings with eight.

At Toronto, 13,000 customers saw McIntyre give Hawks a 2-0 lead in the first period and then score the final three Chicago goals.

Left winger John Wilson and centre Glen Skov were the other Hawk marksmen. Right winger George Armstrong, left winger Dick Duff and centre Bill Harris tallied for Leafs.

On Sunday Hawks picked up their tie against Rangers when Wally Hergesheimer, a New York castoff, scored in the final period before 2,638 fans. Eddie Litzenberger got the other Chicago goal. Red Sullivan and Gerry Foley were the Ranger scorers.

Andre Pronovost fired two goals as Canadiens breezed to their win over Detroit before a crowd of 14,475 at Montreal Forum. Canadiens took charge from the start, scoring the only goal of the first period and running the margin to 4-0 before Wings counted.

Howe got both Detroit goals and the Montrealers spread their other four among Doug Harvey, Claude Provost, Henri Richard and Dickie Moore.

It was a different story in Detroit Sunday night as Lindsay spearheaded Wings to the most lopsided victory of the current campaign. Lindsay's goals were the third, sixth and eighth for

Ice Capades To Open At Forum On December 2; 17th Edition Typifies Spirit Of Youth With Variations

The 17th edition of the "Ice Capades" which will be seen at the Forum, December 2 to 9, typifies the spirit of youth. Producer John H. Harris, with his keen intuitive sense of what the public wants, brings to eager fans a delectable French morsel in "Parisian Precision" which opens the second half of this all-new, star-studded edition.

The theme of the precision number is based on the popular "Can Can" and "Apache" dance, both exceedingly popular French dances, which have never been presented by precision skaters on ice.

"A precision dance on ice is a very difficult thing to do, as each skater has a different thrust," says Harris. "A skater with a heavy thrust must try to keep in step with a person with a light thrust, which is not easily achieved. Also, since the skaters glide on the ice, it is more difficult to hold a line than in a dance ballet. Long practice, concentration and perfect coordination are required to attain just the effect desired."

Against a modern version of the Eiffel Tower and other well known landmarks, the bright emerald green and white ruffled costumes of the Ice Capades and smart red and gold attire of the Ice Cadets stand out in bold relief against the glistening ice of the rink, as Parisian Precision swings into its rousing, staccato routines evolved by precision experts, Rosemarie Stewart and Robert Dench.

Other featured productions of this John H. Harris fabulous Ice Capades of 1957 are "Bagdad", a modernistic, glittering Oriental revue; a unique ice version of Walt Disney's internationally famous "Disneyland"; the gay, zesty anniversary number, "Seventeen"; a novel ice version of another childhood favorite, "Hans

Brinker and the Silver Skates", for which an entire original libretto was written to tune in with the modernized original version of the story written especially for this ice presentation; and the spirited, captivating finale number, "Ria Marenga", not to mention twenty exciting and humorous acts, bringing to an eye-shattering, rousing close the most spectacular ice show John H. Harris has produced so far, the most glamorous, fabulous show on ice—Ice Capades of 1957!

Stanstead Fish And Game Reduces Debt By \$1,500

AYER'S CLIFF — A regular meeting of the Stanstead County Fish and Game Club was held in St. George's parish hall, with President Win. Hunter of Sherbrooke in the chair.

In the absence of the treasurer, who was ill, Albert Young gave the financial statement.

Last spring the club borrowed the sum of \$3,000 and since then the interest has been paid each month. At this time the club found itself in such good circumstances as to be able to authorize payment of \$1,500, on the debt. After all bills were paid, a balance of around \$445 remained.

Mr. Hunter reported the Whitcomb pond in Hatley will be stocked for a rearing pond in the spring. He thanked John Mitchell and Rupert Hall for their time and work to complete this project before winter.

Charles Clark reported the planting of wild rice to attract ducks in the areas of Fitch Bay, Hatley, Boynton, Little Lake Magog, Lake Massawippi and Baldwin's Mills. It was decided to place "No Hunting" signs at the Club-owned Hatley pond before another season rolls around.

The sum of \$100 was set aside for the purpose of bulldozing a rearing pond below the Stanstead children's pond on the George Moore property. In the spring the "plug" will be pulled and the fish allowed to wander down stream to Crystal Lake.

Charles Brewer came up with the suggestion Crystal Lake be

ranked seventh in the Province and first in the Eastern Townships to date in the Molson's contest. A vote of thanks was given to Charles Brewer for his untiring efforts in securing fish entries in the contest, which will bring a profit to the Stanstead County club.

The club decided to pay for the ammunition used in the next crow shoot, to be held tentatively in May. The Molson trophy won by the club and the fishing contest plaque won last year are now on display in Beebe, then will come to Rock Island and Stanstead. They will be returned at the next meeting and later be placed on display in other county towns.

The secretary was authorized to purchase pins and have them ready for the next meeting in January.

Charles Brewer reported he has stored for the winter months the club-owned boat trailer, which has been lettered as property of the club.

Inquiry is to be made by John Mitchell, Leonard Desève and John Boucher in regard to choice of prize for the summer raffle.

Rupert Hall, chairman of the chicken shoot, reported the sum of \$505.59 cleared on the raffle and chicken shoot, which is believed to be the best in many years financially.

A letter of appreciation is to be written to Mrs. Charles Martin of Ayer's Cliff for the use of her farm property for the shoot. Appreciation was also extended to all others who donated prizes and helped in many ways to make the event a success.

The prize donated by Win. Hunter was won by Camille Bonant of Waterville at the meeting. Bill Rollins was thanked for drawing several yards of gravel for the children's pond free of charge. Approximately 1,200 fish have been deposited in the pond, to assure good fishing for the young folk in the spring.

Club members learned with regret of the loss of a valued member, Rupert Hall of Lennoxville, who has received a promotion and will leave shortly for Brantford, Ont. John Mitchell presented Mr. Hall with a fly rod and reel on behalf of the members. Mr. Hunter announced there

will be a Federation meeting in Granby on November 30th and December 1st and urged as many as possible to attend.

The meeting adjourned and Mr. Charland showed some excellent films pertaining to sports, which were much enjoyed.
