Road Trip

ON THE ROUTE DES NAVIGATEURS

This is the story of a road trip on Route 132. We know when we're leaving, but not always when we're coming back. Meanwhile, we let the road take us where it will to discover a maritime history and culture. We effortlessly follow the easily identifiable signs of the Route des Navigateurs which mainly winds along Route 132 for 470 kilometres. You'll travel through the tourism regions of the Centre-du-Québec, Chaudière-Appalaches, and Bas-Saint-Laurent, from Baie-du-Febvre to Sainte-Luce. Believe us, you will experience many WOW moments!

Taking the Route des Navigateurs means having your breath taken away by the beauty of the landscapes afforded by the St. Lawrence and its islands. It means finding unbelievable panoramic views and experiencing them differently by bike, motorcycle, or car. It also means having inspiring encounters with locals and tasting local products.

Travel through the many charming cities and villages on the 6 segments of this route... you're sure to have a road trip full of great memories.
