Clarendon - Shawville Library opens Friday at Municipal Hall

On Friday, January 26th, the Shawville Council Hall will be the scene of a social event which marks a milestone in the history of this town. The occasion will be the Library Open House.

The Library consists of a series of book shelves which when folded together can be padlocked shut but which when opened up reveal a variety of books for children, adolescents and adults, all for free distribution to the people of Clarendon and Shawville. The books come from the Hull Regional Library travelling service which has been subscribed to by the two Municipal Councils of Shawville and Clarendon.

The first supply of books arrived before Christmas and the Shawville Council has been making arrangements for their use by the public. The Friday night Open House will introduce the books and the librarian to readers and will give an opportunity for Mr. Normand Theriault of the Regional Library to explain the system of borrowing and returning books.

Really needing no introduction though new in this capacity is the appointed librarian, Mrs Hosmer Turner, well known for her work with the Women's Institute and other various posts she has held around Shawville.

Mrs Turner will be on duty every Friday afternoon from three to five and Friday evening from seven to nine. There will be a total of sixteen hundred books on hand at present.

Light refreshments will be served at the Open House on Friday, January 26th and all are welcome from seven to nine.

Kengil gets contracts for homes for the aged

On Wednesday the 10th of January the Kengil Construction Co Ltd of Quyon signed the contracts for the construction of the St Joseph's Manor in Campbell's Bay and the Sacred Heart Manor in Fort Coulonge at the cost of $310,000.00 and $317,000.00 respectively.

These two Homes for the aged will be identical. Each Home will contain one double apartment, three single apartments, 14 double rooms, and 6 single rooms. This will offer accommodations for 39 senior citizens.

In addition to the accommodations mentioned above, the Homes will contain a livingroom and four bedrooms for the Supervisor and her staff. Finally a chapel, a hobby room, a living room, dining room, kitchen, administration office and utility rooms complete the description of these structures.

Construction is already in progress and the Contractor Gatineau Construction (1967) Inc, to whom the contract was transferred by the Kengil Construction, expect that the two manors will be ready for occupancy at the end of June 1968.

Present at the signing of the contract were:

Mr Edgar Lance, President of the St Joseph's Manor Corporation, Rev Father S. M. Shulist, P.P. of Campbell's Bay, Mr Edouard Audet, President of the Sacred Heart Manor Corporation, Rev Father Roland Pilon, P.P., of Fort Coulonge, Mr Edgar Allard legal adviser to both Corporations, Mr Rene Richard Hull Architect who drew up the plans, Mr Kenneth Kerfoot, President of Kengil Construction Co Ltd and Mr I. Jasmin, President of Gatineau Construction (1967) Inc.

Central Mortgage will lend $308,304.00 for St Joseph's Manor and $314,000.00 for the Sacred Heart Manor.

Balance of the monies needed to build these two Manors has been provided by an accumulated fund left by a subscription campaign amongst the Catholic Population of the County of Pontiac which was started 15 years ago by the Most Reverend W. J. Smith Bishop of Pembroke who then was contemplating an early start on an original planned fifty room Home for the Aged.

Following many delays and frustrations as well as after many meetings, a final OK and approval was given by the Family and Welfare Department of Quebec to go ahead with the construction.

It is expected that both Manors will be filled to capacity early after their opening.

Caisse annual meeting shows successful year

The Caisse Populaire Desjardin of Fort Coulonge 23rd annual shareholders meeting was held at the Parish Hall. The president opened the meeting with prayer and welcomed about 60 shareholders who were present.

Mr Maurice L'Ecuyer, manager gave the financial report of 1967. The 31st of August assets of the Caisse was $1,028-263.75 in 1966. The amount of the social capital $79,578.70 at the end of the year 1967. It went up to $95,578.90 savings for 1966 was $694,145.00 for 1967. $861.375.00 Benefits 1966 — $42,520.00 Benefits 1967 — $49,299.00. Going out officers were all re-elected by acclamation. Administration officers are Pres Mr Alfred Aubrey, vice-pres. Mr Emerie Lablanc Sec, Mr Octave Normand, Mr Lorrain Amyotte, Mr Roland Valliere, Mr Louis D. Bertrand and Mr Paul Amyotte. Board of Credit (loans) Mr Leo LeClaire, Pres., Mrs Oclave Norman, Secretary, Mr Louis Amyotte, Commissionaire, Board of Surveyors Mr Philious Amyotte, President, Mr Hector Levesque, secretary and Mr Alfred Amyotte Supervisor. To conclude the President said a few words regarding the new building of the Caisse Populaire being the most Central and modern of the County of Pontiac.

People needing jobs can now be assisted at Campbell's Bay

Unemployment insurance applications also easily available locally

There is an advertisement in this issue of THE EQUITY which informs the public about where to go to get application forms for unemployment insurance. It also notes that any information needed about unemployment insurance should be sought at the Unemployment Insurance Commission in Hull at 45 St Redempteur Street or by phoning 771-7481.

Mrs Huguette Pilon in Campbell's Bay and Mrs Jean Horner in Shawville will give assistance in completing the application form but they are not able to give decisions on who will receive insurance and how much. This is all regulated by an Act which is interpreted elsewhere.

Applications can also be obtained at the post offices in Quyon, Portage du Fort, Bryson, Otter Lake, Waltham, Chapeau and Rapides des Joachims for the convenience of the people in every corner of Pontiac County.

For people who are more interested in being employed than in collecting unemployment insurance, there is a Canada Manpower Centre in Campbell's Bay, open from 8.30 to 4.30 every Wednesday and Thursday, where a senior placement officer will interview applicants for jobs and find them employment. This is a Federal office and the officer Mr. J. M. Levesque is an employee of the Federal Government in Ottawa.

Mr Levesque has at his fingertips a file of job openings right across Canada and also has the means at his disposal to relocate workers to get the right man into the right job.

Mr Levesque also has details on courses in the construction trades including electrical, plumbing, welding, carpentry, masonry, painting, plastering and sheet metal, as well as courses in typing, shorthand and bookkeeping, and the subjects needed to complete grades seven to eleven These courses are free and there is an arrangement whereby the Manpower Centre will pay living allowance to people taking the courses

These courses come under the Department of Education but preliminary applications can be made through the Canada Manpower Centre in Campbell's Bay.

Canada Manpower Centre is the same general organization which used to be known as the National Employment Service and its purpose is still to realize as close to full employment of the labor force as possible. With a constant supply of applicants, the Centre is able to supply workers for employers as well as to supply jobs for workers. Many large employers across Canada rely on the Canada Manpower Centres to obtain for them the best workers in any field.

The Campbell's Bay office is a branch of the Hull Centre which is connected with all the major cities in Canada by means of a telex machine. Information from other Canada Manpower Centres is thus available to this office immediately and is posted here for the information of people seeking work and employers seeking workers.

One of the interesting parts of Mr Levesque's job is the explanation and describing of various occupations to applicants who wish to change their present occupations. By interviewing an applicant Mr Levesque is able to decide what particular job that man or woman is best suited to do, and would be happiest doing. Many of those who come in to talk with Mr Levesque are not unemployed but are merely checking to see what sorts of jobs are available in case they wish to change their occupations.

In one day Mr Levesque might interview a number of employers seeking men, employed people seeking information, new entrants to the labor force such as young people just out of school and immigrants, older workers who must change their occupation, handicapped people seeking special sorts of employment and people who are occupationally maladjusted and need a change.

The officer is well experienced in counselling, being an expert at guidance and with considerable knowledge of vocational training and rehabilitation facilities.

Mr Levesque is handling the entire Canada Manpower Centre job for Pontiac County alone at present on the two days a week (Wednesday and Thursday) but if use of his office continues to increase at the present rate it might be necessary to keep longer hours weekly or provide a second officer.

One of the current projects of this office is the compiling of statistics to determine the trade school needs within Pontiac County. These figures are coming from applications handled through the Campbell's Bay Centre, which is located on Main Street beside the Red and White Grocery Store.

The telephone number for the Manpower Centre is Campbell's Bay 133 and its services are for men and women, both French and English speaking.

Lions Community Centre **(see story on page 7)**

WHERE THE ACTION IS

The Lions Community Centre is the most ambitious, but just one of many projects of the Shawville Lions Club. Doors swing from before dawn to past midnight as the various interested groups take up their different forms of recreation there. Saturday mornings are the busiest with a constant flow of little boys and their coaches streaming in and out to meet the tight Minor Hockey schedule.

HOCKEY NIGHT SATURDAY

Minor Hockey hits high gear this week with a great ice spectacular in Shawville's Arena on Saturday night, January 27th. Spectacular it will be, not only for the fine display of hockey and coaching skill on the part of the regular Minor Hockey people but also for the annual "Old Timers" game which will pit a courageous group of once-a-year players against the entire executive of the Minor Hockey Association.

On the Association team are Carol Sheppard and Gwen Armstrong, along with all the coaches. On the Old Timers team are a number of hockey fathers and at least one hockey grandfather.

Minor Hockey is the sport that makes the winter short for a lot of kids and their moms and dads and it provides an opportunity for leadership to more young men in town than any other organization. For boys who like hockey life would be pretty grim in a town without minor hockey. As members of the Shawville Community, being personally acquainted with a lot of the people who will be playing hockey this Saturday—all for the good cause of raising money for this popular youth activity—you will have a wonderful evening's outing if you take in the games at the Arena.

It's so handy to get to. You could even walk over. You can get a snack on the premises. Admission is very cheap and the entertainment value is absolutely tops.

DRUGS

On March 10, 1965, an unsigned letter from "A Student' in Aylmer informed the editor of THE EQUITY that drugs were being put in cigarettes and used by students of the Aylmer School. The anonymous writer wanted us to print a story about it in THE EQUITY so as to bring this to the attention of parents, teachers and schoolboards so they could stop it before things went too far.

We had no facts for a story but we wrote a letter to the RCMP, Criminal Investigations Branch and they sent up two young men, Cst Walsh and Cst Ford, who told us that drugs could not be put in cigarettes and that there were no drugs being used in the Aylmer School.

Now we are notified in various devious and anonymous ways that drugs have invaded the pastoral precincts of Pontiac. It is said some young men in Shawville are pushers, carriers, or whatever the current name is for people who sell drugs. Whether this is supposed to be LSD or pot we haven't been informed. We have also not been told who sells its, who buys it and whether it is being smoked or chewed, or what.

If anyone has any information, it should be addressed to The Commissioner, Royal Canadian Mounted Police, Ottawa and not to THE EQUITY. Also it might be considered by some to be a criminal act to know details of these things and not to inform the RCMP. It could be better for some mixed up youths to spend time in jail at this stage than to pe permitted to continue in a disastrous life outside the law.

THE LIST

Last year the West Quebec Economic Council published a tourist map including Pontiac County and also a list of public events. Pontiac County did not figure very prominently on either but it was through no fault of the publishers.

This year they are going to do it again. By February 29th they will have collected all the information and will go ahead with the work of printing and distribution so that this summer's tourists will know what's going on hereabouts of interest.

For the private club wishing to attract a good crowd to events it is all free advertising.

Ball teams planning playoffs, parishes planning picnics, service clubs planning sports events, recreation clubs planning regattas, the Saddle and Pony Club planning a rodeo, the Driving Club planning harness races during the summer and fall should all send in their dates before Feb 29. Also on this list will be events right through until May 31, 1969. This means that any event to which the outside public is invited during the winter or early spring should also be listed. The winter is not our big tourist season because the road is so dangerous but if anyone is going to venture into a Winter Carnival or large scale skidoo races next winter, now would be a good time to set the date and get it listed on the West Quebec map and calendar. The address is Box 967, Hull Quebec.

OYB Officers for 1918—W. Bro. E. Workman, Cyril Dale, W E N Hodgins, C. E. Shaw, C. L. Cowan, L. Workman, Cecil Walsh, L. Corrigan and Robt Sheppard, Frank Finnigan, W. A. Howard, G. G. Mcdowell, I. Hamilton, O. B. Cuthbertson, Vincent Hodgins and Reilly Hodgins.

The Municipal elections in town passed off very quietly on Wednesday and Thursday although three new men replaced the retiring functionaries, none of whom were up for re-election. A vote was taken on the choice of six candidates, but it was small, as very little interest was manifested. The retiring councillors were J. G. Elliott, R. C. Woodley and Mervyn Dale. Those elected are Geo. W. Dale, Wm F Smith and J. A. Cowan.

Rev Joseph Burton, Incumbent of Thorne, was married on January 3, at St Clement's Church, Verdun, to Miss Ellen Woods of London, England. Miss Woods is a graduate of the Montreal General Hospital and has practiced in that city for the last two years. The marriage ceremony was performed by Rev F. L. Whitley, of St James the Apostle Church, Montreal. The Rev and Mrs Burton arrived at their home in Charteris on Friday evening. They were greeted by a large number of their parishioners who were anxiously awaiting the arrival of the happy couple.

Arnprior has been created into an Outport of Customs and a warehousing port and placed under the survey of the Collector of Customs at Ottawa.

Those of our subscribers who usually pay their subscriptions in wood, and are desirous of doing so this year are respectfully reminded that, NOW that is, right off at once without delay, in fact, immediately, is the time when it will be most serviceable, and consequently the better appreciated. You will expect the paper to make its appearance weekly no matter how low the thermometer may register, and if the old machine should unfortunately freeze up some fine snapping morning, owing to scarcity of fuel, who in thunder, we ask, should bear the responsibility?

Coulonge notes: Diphtheria has broken out in the village again: the two youngest members of Mr James Colton's family having been smitten with the disease. There was an improvement in their condition today. Nearly all the engineers of the P.P.J. staff are leaving next week for the Gatineau.

The Railway bridge is progressing well and will be ready for traffic in a few days.

Bristol farmers are shipping large quantities of hay and oats at Sand Point this winter. Oats have gone up to a fraction over 40 cents, which is a considerable advance on prices during the early part of the season. Some farmers are holding out however for 50 cents.

Never judge by appearances. A shabby old coat may contain an editor, while the man wearing a high toned pluf hat and supporting a dude cane may be a delinquent subscriber.

Charteris

Our deepest sympathy is extended to Mr Ewart Hodgins and family in the sad passing away of his wife on Friday morning Jan. 19 and to the family of the late Mrs Angus Carty who passed away on Jan 16th in the Civic Hospital in Ottawa; and to Mr Lendon Workman whose sister passed away recently in Victoria, BC.

Mr and Mrs Lorne Hodgins, Deb and Laurie, Mr and Mrs Lloyd Hodgins, Dianne and Pauline of Shawville spent Sunday afternoon ski-dooing at Mr and Mrs N. E. McNeills.

Recent visitors with Mr and Mrs N L Dagg were Mr John and Dave Burrows, Ottawa, Mr and Mrs Willie Lang and Gerry, Shawville.

Mr and Mrs Preston Harris, Foresters Falls spent Sunday with Mr and Mrs Dean Tubman.

Mr and Mrs Allen Kirkham and Alana visited recently with Mr and Mrs Clark Larocque and their new baby at Almonte.

ASK YOUR CHIROPRACTOR

UPSET STOMACH

Question:

I have been told that my problem of upset stomach is something that I will just have to live with. In your opinion, what causes them and can something be done?

Mr. A. W.

Dr. Johnston
Shawville, P.Q.

Answer:

Upset stomach may cover a number of different symptoms. It may include indigestion, gas on the stomach, bilious attacks, pain, nausea and even vomiting. It is important to determine the relationship of these symptoms to eating, whether they occur before meals or after, and whether the symptoms are continuous or periodical.

In general, pain in the stomach before meals, relieved by eating, indicates a hyperacidity or ulcer. Hyperacidity if continued over a long period of time may lead to ulcer formation. Correction of hyperacidity is to locate the cause and remove it if possible. Worry, nervous strain, overwork and lack of exercise are important causes. Displacements of spinal segments, through irritating nerves or interfering with proper nerve function, are a frequent cause.

Bilious attacks with sick headache and nausea may result from a disturbance of the function of the liver which is regarded as the most important organ of digestion. Often people suffering with biolious attacks resort to a "good cleaning" with some harsh cathartic. This can be harmful. To play safe, when you find yourself subject to one of these digestive disorders, resort to an absolute fast from food, taking only water. If the distress persists a wise thing to do is to visit a chiropractor.

Annual meeting of Quyon United Church

On Wednesday, Jan 17 the Annual Meeting of the Quyon congregation of the United Church of Canada was held with a good attendance.

The minister, Rev Roy Huntly presided and opened the meeting with prayer.

The minutes of the last meeting were read for information by the secretary, Mrs Harper Young.

The report of the Sunday School was given by Mrs Wyman MacKechnie and showed a membership of 34 with 7 different teachers. The report showed good progress made in the work and all expenses paid and a small balance on hand. The S.S. gave over $60 to the Missionary and Maintenance Fund of the Church.

Mr MacKechnie, Supt, thanked all the teachers and officers for their services and the congregation for the assistance received during the year.

He looked forward to some growth in the Sunday School and requested the help of more teachers.

Mid-Week Youth Organizations

These organizations show 44 Messengers with an average attendance of 38 during the spring of '67 and of 41 during the Fall. Meetings were held in the Onslow Intermediate School once a month at noon hour on Tuesdays.

Mrs Kay Armitage and Mrs Jean Bronson and Mrs Belva Armitage were assisted by several ladies in their work.

Rev R. C .Huntly reported for the Tyro Group which has a membership of 24 boys.

Mr Huntly was assisted by Neil McColl and Chris Young. Glen Lucas and Bruce Young are assistant leaders.

A special feature was a summer camp during July.

Explorers

Twenty-four girls were enrolled as Explorers under the Leadership of Mrs Roy Huntly and Mrs Wayne Armitage. The group had a most exciting and useful programme. The CGIT was re-organized in February under the leadership of Mrs Ken Davis and Mrs. Laurie MacKechnie. During the year the trip to Expo was one of the highlights. After the summer recess eleven new members were enrolled and a new leader Mrs Garry Young was appointed. The girls were ver yactive. Their new officers are: Jean Draper, Pres., Barbara Bronson, Sec. and Eleanor Armitage, Treas.

The report of the United Church Women shows that a very busy year's work has been accomplished. This part of the report was read by Mrs R. Davis and the financial report was given by Mrs Gladys Horner. Receipts for the year amounted to 1125.51 and expenditures have been 795.98.

The reports show that some improvements have been made in the manse and some work done in the church. The year has been one of great activities for the ladies. The present President is Mrs Ethel Lusk.

Stewards

The report of the Stewards shows that work on the church included the painting of the exterior of the building and re-decorating the interior. A new system of lighting the building is in process of installation.

The election of officers resulted in the re-appointment of Mrs Harper Young as Secretary and Dr R Hudson was re-appointed as organist with Mrs R. Gordon and the Rev R. S. Smith as assistants.

Mr Bruce Armitage was appointed as a Steward to fill the place of Mr R. MacKechnie.

It was decided to express the thanks of the congregation to Dr Hudson for his most invaluable contribution to our church worship as organist, and the Secretary was instructed to write to the Doctor to express these feelings.

The minister also offered the thanks of the congregation to Mrs Gordon and to Mr Smith for their services when required.

Mr Wyman MacKechnie expressed the thanks of the congregation to the Minister and to Mrs Huntly for their very fine work throughout the year and wished them every happiness in the forthcoming year.

The minister thanked the congregation and assured them of his happiness and that of his family in his work on the field.

A vote of thanks was passed to the Principal of the Onslow Intermediate school and to the School Board for permitting the meetings of the Through the Week Activities to be held in the school when necessary.

At the conclusion of the business a time of refreshment was enjoyed by those present.

North Onslow acclamations

Mr. Andrew Bennett, Mr. Bernard Armitage and Mr. Adrien Martineau were re-elected by Acclamation to their respective seats on Township of Onslow North Council for the 1968-69 term of office.

Chris Ebsworth, Kathy Fenton king and queen at Campbell's Bay Home and School Winter Carnival

Campbell's Bay Intermediate School held its annual winter carnival on Saturday Jan 20 The first part was held at the Town rink and began with a tricycle race won by Dana Burman, Roxanne Burman and Bruce Moss.

Costume parade winners: Lloyd Crawford, Janice Reibertz, Marlene Baird.

Skate races were as follows: 6-8—Cindy Burman, Donna Stewart, Sheryl Moss.

9—10: Christopher Ebsworth, Timmy Frost, Terry Richard.

11—12 girls: Jane Laycock, Cathy Fenton, Frances Campbell.

Three legged race winners Boys: Randy Burman, Rudy Schwartz.

Terry Richard and Reggie Thompson; Richard Mousseau and Patrick Larue; Randy Lepine and Richard Cameron.

Puck carrying race 10 and under: Christopher Ebsworth, Reggie Thompson, Phillip Pilon.

10 and over: Randy Burman, Christopher Ebsworth, Rudy Schwartz.

The next event was the crowning of the 1968 Carnival Queen. The Queen for this year was Miss Kathy Fenton and she was crowned by last year's queen Miss Judy Letts. Kathy's escort for the day was the new King Mr Christopher Ebsworth. Also honored were princesses Zella Creighton, and Janie Ebert, and princes Morris Richard and Robert Bhe.

The next event was a broomball game between the graduates and the students in which the Grads won, and a hockey game between the school team and a town team which ended in a 4-4 tie.

The Carnival then moved to the school auditorium with four buses available for transportation from rink to school. The indoor events followed: Pie eating contest in which one partner fed the other in which winners were Jimmy Stewart and Carol Elliott; Jane Laycock and Randy Burman

Pop drinking contest: Donna Stewart and Max Behrens; Sandra Crawford and Brent Lasalle.

Then followed a superb gymnastic display on the box and mat with both boys and girls participating.

All through the afternoon at the auditorium refreshments were sold and many hardy appetites were fed on home baked beans, pie and hot dogs. The carnival was sponsored by the Home and School Association.

It was also noted that two very comical and strange clowns were on the ice during the broomball and hockey games, we are still wondering whose team they were on! !

LETTER TO THE EDITOR

Thank you

Editor of the Equity:

On behalf of the Beech Grove UCW I would like to thank you for printing the report of our meetings in 1967.

Mrs Ernest Emmerson,
Sec. Wesley UCW,
Beechgrove.

BEECHGROVE UCW

The regular meeting of the Wesley UCW was held on Jan 16 at the home of Mrs Lorne Draper, her assistant hostess was Miss Hilda Graham.

The meeting was under the direction of the new president Mrs L. Draper. The devotions and prayer by Mrs R. Hutchison and a very interesting reading of Missionaries in Japan was given by Miss H. Graham.

Eleven members and one visitor answered the roll call each telling of a blessing received.

The various reports were given and adoptions made and payment of fees. A vote of thanks was tendered by Mrs N Fraser sec by Mrs L Draper for those with offices.

The officers for 1968 are as follows: Pres. Mrs Lorne Draper; Vice-Pres Mrs Ronald Hutchinson, Mrs Allan Mohr Sec. Mrs Ernest Emmerson, Treas. Mrs Hubert Emmerson

A Valentine tea has been planned. A donation to the Cup of Milk Fund was made. The meeting was adjourned and closed by prayer by Mr Huntly.

A delicious lunch was served by the Hostess.

The tea prize was won by Mrs Carmen Inglee.

Pontiacs trounce North Stars 7-1

Now tied for second place

At Shawville Friday night, Renfrew North Stars took a seven to one defeat at the hands of a strong home town team. Bryan Murray started the scoring with a single goal just one minute and thirteen seconds after the starting whistle, the only score of the first period. His assists were from Ray Robinson and Royce Richardson. Pontiacs and North Stars each picked up one two minute penalty during the last few minutes of this period, Billy Kuehl of Shawville for elbowing and Renfrew's Ian Mills for tripping.

The second period saw more action on the score board with Shawville goals by Wrenn assisted by Barney Richardson and Desabrais, Don Gamble assisted by Glenn Richardson, Royce Richardson assisted by Bryan Murray and Irv Campbell, and Glenn Richardson again assisted by Wrenn. The only penalty in the second period was another two minutes for tripping to Ian Mills.

Renfrew got into the game at one minute five seconds of the third period with a goal by Ian Mills, assisted by Bert Morrow and Mike Roach, but Shawville increased their 5 to 1 advantage to a neat seven with two more goals by Ray Robinson assisted by Bryan Murray and Don Gamble assisted by Wrenn and Irv Campbell. Three Shawville penalties were meted out in the third period, two minutes to Irv Campbell for high sticking and two penalties to Billy Kuehl for holding and charging.

The Shawville Lions Club is more than meets the eye

Bingos, wheelchairs and a little girl in India, Scholarships and old folks and many other things make up the work of this energetic service club

When you are next asked to buy a ticket on a ski-doo by member of Shawville Lions Club, you might like to know what sorts of things these famous Lions do, other than sell raffle tickets. If you know a Lion personally you'll have noticed that he and his wife are both inextricably dated up for duty at the Lions Community Centre at least one night a week and sometimes on Sunday afternoons.

What do they do over there? Well, they serve hot coffee and hot chocolate and hot dogs and hamburgers and soft drinks and chips and bars and so forth to people who come to the arena to watch the hockey games or to play hockey or to participate in or attend any of the other numerous functions which take place there. The work behind the counter is done as a labor of love to help raise money for the various projects of the club.

In looking over the activities of this most active service club, sight must not be lost of the fact that aside from many good works the Lions also provide for Shawville and district a center of social activities in all seasons, so it can never be said that there is nothing to do in Shawville.

They have brought wrestling and western pop singers and ice follies and dance bands. They provide parties for every occasion and their hall is available for private groups as well, for banquets, dances receptions and meetings.

On Saturday mornings the hall becomes a youth centre with Minor Hockey boys taking their turns on the ice and dancing lessons in progress upstairs and there is little let up in the activities right through the week as young and old use the Lions Community Centre for many activities.

The Lions hold their special meetings and ladies nights in the hall and these events can be rated as the big social occasions of any season. Members include a cross section of the local population and responsibilities are rotated from year to year so all members get an opportunity to act in various capactities.

A list of some of the committees of the Club will give a fairly good picture of the broad scope of Lionism in this area. We'll start with the committee which named most of Shawville's streets, numbered most of Shawville's houses and is still busy at the numbering game. This is the Community Betterment Committee.

Wilbour Sparling is chairman of this group which also maintains a safe and sanitary bathing beach at Green Lake every summer for the free use of people in this area. Over the years this has entailed a great deal of work and expenditure for the Club. This committee also has been involved in painting the seats at the arena and its members have been very busy with their duties at the canteen in the Community Centre.

The work at Green Lake has been done on property provided free by J. M. Argue and includes repairs to the wharf, installing diving board and ladders, erecting men's toilet to complement the ladies' facilities provided by Mr Argue, posting signs and fencing and picnic tables. The Lions also remove garbage regularly during the summer months, this latter chore being taken care of for the most part by Lion Percy Belsher.

The Lions have been sponsors of one hockey team in the Pontiac League for the past four years as well as hosts to all teams in all leagues.

Figure skating has been provided for as many as eighty children during the past years but this year the Lions were unsuccessful in finding a teacher. Joyce Griffith Moore who had been the teacher for the past several years was unable to make the trip down from Pembroke each week and the Lions are hoping to find some local lady who will take it on.

Dancing lessons have been sponsored by the Lions for a number of years. Sylvia Casey was their first teacher and various of her first pupils have taken it over as they have grown up, including Margaret and John Langford, and now Elizabeth Dickson. The classes are conducted in the hall upstairs and culminate each year in a Spring Dance Revue which is open to the public.

Bingo on the second and fourth Tuesday evening of each month has been provided by the Lions Club for many years and has become a big attraction, especially as the jackpots grow. The money realized by the Club at these events goes into the general fund and the games provide an evening of fun for a wide variety of bingo fans coming in from right across the County, and some even from across the river.

The Shawville Lions last year sponsored a new Lions Club at Quyon and saw them successfully through their first Charter Night, bringing to four the number of Lions Clubs in Pontiac County. Bryson and Campbell's Bay are the homes of the other two.

School zone signs to slow traffic around the High School on Centre Street were installed by the Lions last year and the Club added its considerable weight to the community-wide campaign to obtain a flashing light at the intersection of Highway 8 and the road to Starks Corners.

Walter Yach is the chairman of the Education Committee which gives a two hundred dollar bursary to the student at the Shawville High School obtaining the highest standing in grade eleven. Lorna Barber won it last year and the 1966 winner was Donald Richardson.

There is an Agricultural Committee whose chairman is Sidney Sheppard. This committee's work has been mainly in the form of liaison with the Pontiac Agricultural Society in its various financial problems. Advancing the rent when necessary to help through a particular crisis has been one of the ways the Lions Agricultural Committee has assisted the Society.

Sid Sheppard is also chairman of the Wheelchair Committee which purchased and maintains in good condition two invalid wheelchairs. These are used free by anyone who needs them. During the past fifteen years they have been loaned to many people of Shawville and district and are always in use. At present they are both being used by Shawville ladies and there is at least one more person waiting for one.

The Rink Committee chairman is Carson Hodgins. They commenced operations five years ago by leasing the rink from the Agricultural Society for $250 per month. They purchased booth equipment from the former lessee and also bought a thousand dollar bond from the Agricultural Society which has since been repaid. The previous chairman was Bill Orr, who is still on the committee along with Eric Eeg, Doug McLean, Harold Muise and rink manager Cliff Campbell. Each Lion works one night a week and one Sunday afternoon per month during the six month season.

Improvements to the rink and to the entire Lions Community Centre have been many and costly. Upstairs a platform was built at the front of the hall. A $250. floor polisher and $300 wet-dry industrial vacuum, a hundred place setting of dishes and flatware at a cost of $475, six hundred dollars worth of stacking tables and extensions and a used refrigerator have been among the recent purchases.

Downstairs the lobby, dressing rooms, washrooms, spectator seats and rink boards were all painted, at a cost of a thousand dollars each time, in 1965 and again in 1967. Last year the outside cement blocks were also painted.

Showers have been installed in the two large dressing rooms, one in 1966 and the second in 1967, at a cost of over two hundred dollars each.

Last year a $3000 building for the tractor and ice cleaner was built and the Lions spearheaded the campaign during the previous year which raised $43,000 for the installation of artificial ice. The ice plant is now in and is paid in full.

Grading and gravelling around the arena last year cost the club four hundred dollars and has resulted in a good parking area all around the arena. Another $375 was spent putting down new mats in the dressing rooms and the lobby for the use of skaters.

Aside from the above direct and large expenses, the Lions Club takes responsibility for all the general maintenance of the entire building.

Lennis Dean one of the charter Lions and one who has never missed a meeting of the Club and has held most of the important offices at one time or another is now chairman of an International Relations committee. Their major contribution is to provide interesting speakers from Lions International for special events such as Charter nights. As the Shawville Lions Club is a member of an international organization, its membership is in this way kept aware of the work of other Lions around the world.

The Lions Club also has a Health and Welfare Committee with Percy Belsher as its chairman. This group has spent five to six thousand dollars on a polio victim, has supplied wood, oil, groceries, shoes, fares to hospital, medicine, glasses, hearing aids and has paid doctor bills for the needy, and collected glasses for shipment overseas for a total of $20,000 spent on welfare.

They also make a yearly trip to the two hospitals at Christmas time. This year there were 22 boxes taken to the Pontiac Community Hospital and 15 to the Ade Hospital. Also bushel baskets of groceries, chickens, plum pudding and fruit went to needy families in Shawville and the surrounding district.

Percy reports that they have $13,500 in their Old Age Home Fund, some of which was gathered from the drive and the balance added from various Lion endeavors.

The Shawville Lions Club, while doing its utmost for the children of its own immediate community, also provides assistance for two children in far away places. One is a little three year old boy in Sierra Leone, the youngest of six children of an unemployed telephone operator. The other is a 14 year old girl in Bombay, the youngest of three daughters of a "good for nothing" father. The International Union for child welfare in cooperation with the Canadian Save the Children Fund proposed her for a sponsorship grant fearing that she was in moral danger. This is one of the international aspects of Lionism which gets right to the heart of the meaning of service as they see it.

The Lions keep informed on club affairs through a bulletin which is put out regularly by Editor Alex Webster and their Membership committee under Don Russell sees to it that new men in town are invited to join the club, managing to recruit a good roster of energetic people.

The Shawville Club now is one of the largest in the Ottawa Valley with 58 members.

The Lions provide an opportunity for service to the community to everyone interested either through direct participation as a member of the Club or indirectly by contributing and supporting its activities.

One of the reasons for the unusual success, year and year out, of this organization in fulfilling its purpose of service to the community, is a strong inner organization. The club's officers, directors and committeemen keep the interest high at meetings and good attendance does not go unrewarded.

This year's president is Versil Smith, past president is Bill Orr, Vice-presidents are Carson Hodgins, Cliff Campbell and John Carmiachael. Secretary is Ted Hayes and Treasurer is Al Merritt. Directors are Don Russell, Ben Backman, Bill Ade, Bill Krats, Doug McLean, Wm Orr and Percy Belsher is Honorary Director. Ken Hodgins and Morley Hodgins are Honorary Members.

Committee chairmen are Bill Ade Attendance, Cecil Orr Boys and Girls, Darwin Elliott Citizenship, John Carmichael Bingo, Ray Young Constitution and By-Laws, Nelson Angus Convention, Bill Krats Finance, Charles Imison Greeter, Dale Thomson Information, Bev Corrigan and Lennis Dean Program, Bob Bourget Public Relations, Eric Eeg Safety, Percy Belsher Sight Conservation, Doug Fulford Youth Exchange and Llyall Bean is in charge of the Shawville Fair Ski-Doo raffle.

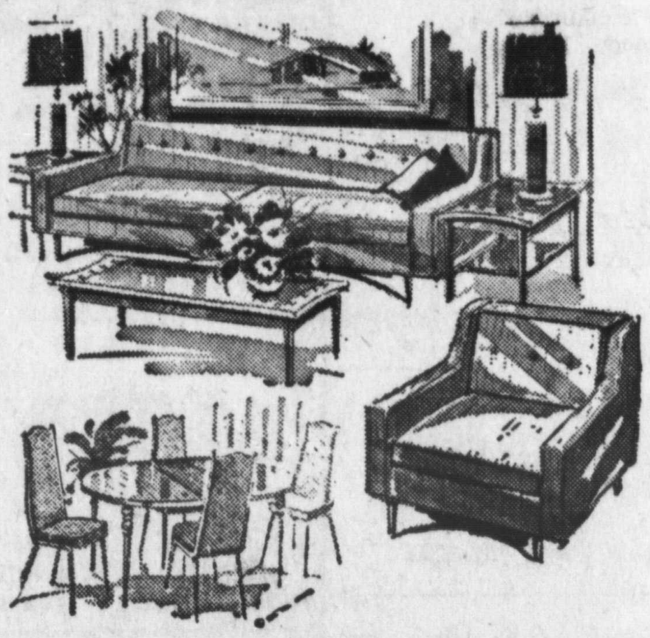

"Help the Lions Help Others" is their motto. By calling on the public at large to help them in their good works they give everyone an opportunity to share in their works of charity and the worthy purposes to which the Lions put their funds give a special focus to all the fun and socializing which goes on within their structure.

It would be hard indeed to imagine Shawville without the Lions.

Shawville and Bryson win last two games in Pontiac League Hockey

The last two games played in the Pontiac League Hockey schedule resulted in a 3-2 victory for Shawville over Campbell's Bay and an 8-3 win for Bryson over Fort Coulonge.

Pastoral comment...

Rev'd John Pearce

Suppose that Satan were invited to write a 'Pastoral Comment'. Imagine what he would say. Perhaps it might be something like this . . .

"If you want to live without knowing God's message to you, I suggest three ways

"First, Restrict its range. Say that it does not apply to politics or business or family relationships. Keep it sentimental and out of touch with daily life.

"Second, filter out its potent points. Turn a deaf ear to the parts of it that are painful and disturbing. Reject anything that speaks of sacrifice or suffering.

"Third, divert it from its true destination. Keep it on a group level and never let it get personal. If you have to, treat it as a mental study, good for an argument or a discussion, but never as a spiritual challenge Never let it touch your soul.

"But be prepared for trouble. For God will seek to get His message into you one way or another.

"Some sermon may lodge in your soul and never give you any rest till you accept it.

"Some friend may say something to you that starts you thinking.

"Some blessing may come to you and touch a sensitive part in your heart.

"Some accident or sickness may happen to you that makes you sit up and take notice.

"And perhaps as you get older, some of your accumulated experience will come hammering on the door of your mind, and demand that certain truths that you have been blind to be must be recognized.

"For God won't stop trying to reach you till after your last moment on earth."

What do you think about it?

OBITUARY

William E. Rowat

William Edward (Bill) Rowat, well known retired civil servant of Huntingdon, Que. died at Queen Mary Veterans Hospital in Montreal on Sunday, an 14, 1968 in his 76th year. His wife the former Jean Cameron, survives him.

He was a brother of Mr H. C. Rowat, Notary of Shawville, and a cousin of Miss Muriel Rowat of Charteris. He never missed visiting Shawville at least twice a year for over 30 years and was well known to many people in the Shawville area.

He was one of the few Canadians who had the distinction of enlisting in the Canadian Army on the first day World War I was declared in August 1914. He was at Valcartier, Salisbury Plains, and in France early in 1915, and in the front line for three years until wounded at Passchendaele in November, 1917 and was invalided home in June, 1918.

In addition to being a literary man, having had several articles published in various magazines, he was fond of golf, fly fishing, hunting and took a great interest in mycology.

ARE YOU A 'Sender' OR A 'Taker'?

The father who sends his boy to the arena usually tucks his feet under the chesterfield, sits back, turns on the TV, watches the Leafs, criticizes the commercials, then goes out and is not home when Junior returns from the arena.

The 'sender' wouldn't know the score of any of the lad's games—he has to bowl when the team needs an extra car to drive them to a game. All in all, he has just too much to do. But maybe Mom can go to the odd game, and a lot of Moms do.

BUT — Junior's team is in the finals! Now we find Mr. Sender one of the first in the arena. First of all, why isn't the heat turned on for the kid's games? I'm going to see about this. Why don't they give the kids decent sweaters? The manager ought to be shot for letting them play with those crummy sticks! And if the coach doesn't put Junior back in I'm going right down and do something about that. Who in blazes ever told him he was a coach!!!??!!

We don't need to say to you "Sir, are you a sender?" You couldn't be, you're going down to the arena this week because its Minor Hockey Week in Canada. But if this IS your first trip, please think it over and come back again.

Incidentally, please pass the word to "Mr Sender" and maybe he'll join you as one of those who will "Take — not Send his boy to the Arena".

Country Notes

By Walker Riley,
Macdonald College, Agricultural Extension

Eastern Canada does not have a good, high-yielding variety of spring wheat. And one of the obstacles in its development, strange as it may seem, is the same grading system that has given Canada a reputation second to none in the wheat markets of the world.

Varieties of wheat exist which can produce 30 per cent more bushels per acre than anything we now grow in Canada. And other potential varieties bide their time in plant breeders plots. But they can not be licensed and sold in Canada.

And the reason is a perfectly good one. Canada's reputation as a producer of high quality wheat must be maintained at all costs. No variety of Red Spring Wheat can be licensed that does not meet very rigid milling tests. They must be high in gluten, an essential characteristic of a good bread flour.

These new varieties are excellent yielders. They could go a long way to filling the feed grain gap in Eastern Canada, and no doubt also open new market possibilities for Western Canada. Outwardly they look identical to the present wheats, but they lack milling quality. And we can't run the risk of them finding their way into the export elevators. So they stay on the shelf, waiting for the day when the grading system may change.

Other things are happening, too, which are bringing pressure on the present grading system. There are indications that European millers may be specifying kinds of protein other than just gluten. This is a result of resarch in milling technology. And our system allows at present no way of adjusting to this demand.

Also, with all the emphasis on nutrition for the world's teeming millions, it may be possible to develop cereal varieties high in lysine or methionine—those building blocks of protein so often short in cereal diets. We already have high lysine corn. But we have no way to handle it, commercially.

Then again, a variety of rapeseed has been developed which yields a special-purpose oil. It could open up exciting new markets. But we have no provision in our grading system to handle it separately from ordinary rapeseed.

Out in Saskatoon this past week Dr Harold Klink presented these problems to the Saskatchewan branch of the Canadian Seed Growers Association. Dr Klink in addition to his duties in the Agronomy Department at MacDonald College is president of the CSGA.

'I am convinced' he said, 'that Canada will hold her position as a leader in the quality wheat export markets as long as there is a demand for the kind of quality for which this country is now known. I believe however, that this demand is on the downswing, and that we will soon fall behind unless we develop a whole new philosophy of commercial grain handling.'

Dr Klink offered a solution to the problems. Why not, he asked, market by variety? Why not simply extend the seed certification program, the system that has made Canada the envy of the world, into the market classes? Already computerized, it should not be difficult to adapt the system to follow each of these crops to their final market destination, he said. Dr Klink went on to develop the plan in detail to his attentive audience.

It takes a lot of courage for an easterner to tell a group of western grain growers how to market their grain. But his ideas were well received, and the western press treated him kindly. It will be interesting to see if this speech marks another milestone in the history of Canadian agriculture.

St Dominic ecumenical service well attended

On Sunday, Jan 21 at 8 p.m. a service of Divine Worship was held in the St Dominic's Church in Luskville with the Rev A. Legault PP conducting worship.

Arrangements for this service 'To the Praise of His Glory' were made by the pastor in conjunction with Rev E. McColl.

Programs were prepared by Mr McColl who was assisted in the secretarial work by Mrs Gil Fraser.

Following the sermon the congregation was led in the Litany by the pastor and in prayers and intercessions by the Rev R Huntly and Rev E. McColl and by Rev T. Klatt, after which all united in repeating The Lord's Prayer.

The closing blessing was pronounced by the pastor Rev A. Legault and the choir chanted the concluding Psalm.

After the service all were invited to the school for a social hour and for refreshments.

The organist for the occasion was Mr L. Alary assisted by Mr Laird Graham.

The clergy included the parish priest The Rev A. Legault, Rev R. S. Smith, Rev. R. Bergeron, Rev R. Huntly, Rev T. Klatt, Rev E. N. McColl.

Rev A. Legault gave a short address of welcome speaking both in French and English.

The hymns were sung in both languages at the same time and the singing was very good indeed.

Prayers were offered during the service by Mr Edgar Mulligan, Mr Robert Bronson, Mrs Y. Alary, Mr. Y. Alary and Mr Edgar Reside as well as by some of the clergy.

The First Lesson taken from St John's Gospel Ch 17 1-13, was read in English by Rev R. S. Smith and the Second Lesson taken from the same chapter was read in French by Rev R. Bergeron.

The hymn 'All people that on earth do dwell" was followed by the Creed.

The Reflection or the Sermon was delivered by Rev E. McColl who spoke first in French and then in English. The sermon was based upon the booklet published for the Week of Prayer for Christian Unity and was based on the text Ephesians 1:14 'To the Praise of His Glory'.

Mr McColl spoke of splendour of God's glory and its revelation in Nature and in Scripture and in the Glory of Jesus Christ the Son of God.

He went on to say that the work of the Church is to tell the world of God's glory; and that the future hope of the Church will be fulfilled in making this great glory known to all the world.

West Quebec calendar deadline February 29

The Western Quebec Regional Economic Council plans this year to publish a completely revised and enlarged tourist map. As well as over two hundred sites of interest to tourists, it will include a calendar of regional events between June 1, 1968 and May 31, 1969. A hundred thousand copies will probably be printed for a wide distribution.

Last year, the calendar of events was on a separate publication but this year it will all be on the same folder as the map of the region which includes Pontiac, Gatineau, Hull and Papineau Counties.

Anyone and any organization is invited to let the Western Quebec Regional Economic Council know the dates of regional events including exhibitions, fairs, festivals, carnivals, conventions, shows, sporting contests and so forth, which will take place from June 1, 1968 to May 31, 1969.

They want to include in this calendar all activities of a regional nature which might interest tourists or outside visitors. Inclusion will be at no cost, being a free service provided by the Economic Council for organizations which want to make use of it.

To have events listed means the dates have to be fixed in advance as all information must be mailed to the Economic Council before February 29th, 1968. The address is Box 967, 167 Main Street, Hull.

It would be worse than useless to publish dates of events which will not actually take place but it will be most useful if some of the towns in Pontiacs County could list a few tourist attractions to bring visitors into this beautiful territory during the coming season. Fairs, races, rodeos, public picnics, regattas, horse shows and other outdoor attractions are particularly suitable for listing on this calendar. Each organization is responsible for sending its own information to the Economic Council.

A message from Shawville Mayor Orla A. Young

Mayor Orla Young is again calling upon all citizens to support Minor Hockey Week in Canada, which started Saturday, January 20th.

In announcing his support of Minor Hockey's most important week, His Worship suggested that the local citizenry would 'do well to keep in step with Canada by attending minor hockey games this week'.

'It is our duty, and I share it with every local citizen' he said, 'to show our appreciation of the efforts of those who make participation in Canada's National Sport possible for our youngsters. Minor Hockey Week is Canada's most successful amateur promotion, and it is our duty to see that the local observance is equal to that of any in Canada".

The Mayor pointed out that we have a minor hockey program operating here that does not need to take a back seat to any in the country, but, he said 'it needs our support'.

'The best way to support the program is by buying a ticket. That starts a chain of events that really supports the local project. First the money helps finance the program. Then the ticket induces us to attend, and our presence encourages the youngsters and those whose efforts are necessary to the success of the local league.'

He urged, however, that our support should not stop at encouragement. The Mayor went on to say that 'we must pay public tribute to the men, and ladies who spend so many hours organizing and operating the many leagues and games for our youngsters. By their work they are providing our youngsters with an opportunity to play hockey. Out of this comes better bodies, healthier minds, better boys and better citizens. What greater reward can we hope for?' he asked.

He did, however go on to voice another hope—that one day, one or more of our boys may make the Canadian National Team, and thus represent our town and our league, on the National team as it carries the name of Canada into international competition. 'Then we shall have just reason to be proud of our town, our boys, and of the men who made it all possible.'

The Mayor concluded by saying 'Because participation in Canada's National Sport provides healthy exercise that will improve the body, discipline that will train the mind, teach co-operation, team play and a respect for rules, the boys are sure to benefit. When the boys benefit, the community benefits, and because the community benefits, the community must contribute. We do this best by supporting Minor Hockey Week. I can suggest no better way than by observance of the official slogan, which is 'don't send—take your boy to the arena' and if you do not have a boy of your, drop in and watch the others. I know you'll enjoy it.'
