ACTON VALE ASKS GOVERNMENT TO GRANT FINANCIAL ASSISTANCE

Residents of Fire-Swept Village Petition Provincial Government for Assistance to Offset Serious Losses Suffered in Conflagration Yesterday—Fire Was Brought Under Control Yesterday Afternoon—Loss Placed at Approximately \$50,000, Covered by Little Insurance.

ACTON VALE, Que., April 11.—Residents of this small town today forwarded a petition to the Provincial Government for financial assistance to offset the serious loss they suffered as a result of the disastrous fire yesterday, which rendered twenty families homeless and destroyed seventeen residences in the north end of the town. The conflagration started in the home of W. Raboin on the Roxton Falls road leading to Montreal. A chimney fire constituted the origin, and the high wind continued the devastation which at one time threatened to engulf the entire residential section. It was about nine o'clock when the blaze was first noticed, and the velocity of the wind spread the fire in record time to adjacent buildings. Within two hours eleven structures in the immediate vicinity fell prey to the fire.

Hotel D'Ville street was the next spot where a fire of undetermined origin was ignited. It is thought that a stray spark from the fire across three blocks to put the already serious situation completely beyond the control of the volunteer brigade. A call for help was sent to Sherbrooke, but a part of that city's apparatus had been sent to Coaticook and assistance could not be rendered. Montreal was then requested to send help and a detachment from No. 3 Station, under the direction of Lieut. Pare, arrived on the scene. Owing to the considerable distance from the Metropolis, it was close on to eleven o'clock before assistance arrived, although the St. Hyacinthe brigade had sent apparatus in an attempt to stem the blaze.

Shortly after one o'clock the combined efforts of the three brigades proved sufficient to arrest the impending doom which threatened the entire town. The wind, which had played havoc earlier, had abated considerably. The amount of damages which was unofficially placed at approximately \$50,000, is understood to be covered by little insurance.

THREE INJURED DURING OUTBREAK AT COATICOOK

COATICOOK, April 11.—Residents of this town were today computing the severe loss they sustained as a result of yesterday's disastrous fire. Calm had been again restored last evening out of the tumult which the conflagration caused, and members of the afflicted families combed the ruins of their residences in an effort to salvage some of their household effects. This, however, was well-nigh impossible. The three homes which were completely demolished were but masses of charred ruins, but repairs were being made to the buildings which had been only partially damaged.

Three men today are suffering from injuries as a direct result of the holocaust. They are Eugene Cutler, Milton Woodman and F. Pyne, who, in attempts to save some of the doomed furniture, were injured. Messrs. Cutler and Woodman were in the Cutler home when the roof collapsed and buried them in the debris. They were extricated without suffering serious injuries. When a chance spark ignited the residence of Mr. Pyne, he climbed on the roof to check the flames' progress. During his fight with the flames he fell to the ground.

Curious spectators last evening drove miles to visit the scene of destruction. The highways experienced the heaviest traffic of the year, when numerous motorists, misled by false rumors that the entire town had been destroyed, went to find out for themselves. The smoldering ruins which met their eyes showed the loss which the afflicted families had suffered. The double tenement in which the conflagration originated was burned to a crisp. The only souvenirs that remained were the framework of a bed and what formerly had been a stove, now reposing in the cellar of the structure. To a casual observer, the ruins would indicate that a new building was in the process of construction. The foundation still stands, but congregated in the basement are fragments of the plaster which had once been bed rooms, sitting rooms and halls. This residence, owned by E. B. Fisher, and housing two families, is a total loss.

An inexplicable fact which sightseers found hard to believe was the situation of the second home in which the fire caught. Another home stands within a distance of twenty feet from the

FLAMES RAZED BUILDINGS AT BROWN'S HILL

Property Belonging to W. H. Temple and Occupied by Roy Heath Completely Destroyed by Fire in Less Than Half an Hour—Few Cattle and Horses Saved.

BROWN'S HILL, April 11.—Despite the frantic attempts by members of the family to salvage some effects from the path of a destructive fire, very little was saved yesterday from a fire which within half an hour razed the W. H. Temple farm buildings to the ground. The buildings are all closely connected and the fire started in the middle of the premises. Spreading both ways, the place was soon a blazing inferno. Mrs. Heath and members of the family succeeded in saving some cattle and horses, but five calves, one hog, all the farm machinery and household furniture were totally destroyed. It is understood that the loss is but partially covered by insurance.

When the fire broke out Mr. Heath was on his way to Ayr's Cliff. The buildings are all closely connected and the fire started in the middle of the premises. Spreading both ways, the place was soon a blazing inferno. Mrs. Heath and members of the family succeeded in saving some cattle and horses, but five calves, one hog, all the farm machinery and household furniture were totally destroyed. It is understood that the loss is but partially covered by insurance.

MANY MEMBERS STILL TO JOIN IN HOUSE DEBATE

Little Likelihood of Budget Being Introduced Until Late in May.

OTTAWA, April 11.—When the House of Commons re-assembles on Monday it is expected that after the Prime Minister has tabled the estimates for the current fiscal year, the debate on the address in reply to the Speech from the Throne will be resumed with Hon. Maurice Dupre, Solicitor-General, the first speaker. Before the Easter adjournment, there seemed a prospect of the address being rapidly disposed of; but the holiday has given a fillip to the debate and quite a number of members who had otherwise not contemplated participating in it are now understood to have decided upon doing so.

While Government legislation is not heavy, the most important portion of it—the budget—has still some way to go before it is in final shape for presentation to the House. Last year, Hon. C. A. Dunning presented his budget on May 1st, but the expectation is that the Prime Minister, in his capacity of Minister of Finance, will not announce the Government's programme in this respect until after that date. Whether it will contain the complete tariff revision promised by Mr. Bennett at the special session last year, is a matter for speculation. A belief persists that only those tariff changes which the Prime Minister regards as urgent will be dealt with and the remainder will be left to the proposed tariff board.

The legislation creating this body has not yet been introduced to the House, but it is likely to precede the budget.

THE WEATHER

FAIR, MUCH COOLER TONIGHT

The trough of low pressure which extends southward over Quebec and along the Atlantic coast has caused showers in many parts of Ontario and Quebec, but elsewhere in the Dominion the weather has been fair. High pressure and cool weather covers the Great Lakes and Western Ontario. It is becoming milder in Manitoba and Saskatchewan, with decreasing pressure.

Forecast: Fresh northwest winds, fair. Much cooler tonight, Sunday, fair and cool.

Northern New England: Fair tonight and Sunday; somewhat colder tonight.

Temperature yesterday: Maximum 66, minimum 34.

Same day last year: Maximum 128, minimum 15.

SENATOR P. E. LESSARD PASSED AWAY TODAY

EDMONTON, ALTA., April 11.—A pioneer of Western Canada, Senator Prosper E. Lessard, died at his home here this morning. Resident of the west since 1898, Senator Lessard was prominent in politics and business for many years, and was a director in many of the city's commercial firms. He was born in Cranbourne, Que., on February 3rd, 1873.

MOTHER AND CHILDREN BURNED TO DEATH

ST. JOHN'S, Nfld., April 11.—Mrs. Sarah Power and her five children were burned to death in a fire which destroyed their home at Shearstown, Bay Roberts, early this morning.

GRAF ZEPPELIN WAS WELCOMED IN JERUSALEM

Thousands Rushed into Streets as Slim, Gray World-Traveller Cruised Over Ancient City.

JERUSALEM, April 11.—The Graf Zeppelin cruised over Jerusalem before noon today, drawing thousands of watchers into the streets. She came here after landing for an hour at Cairo at dawn, returning there this evening before starting her homeward trip to Friedrichshafen.

Will visit Holy Land. The Graf Zeppelin, a gray world traveller, was drawn by British soldiers to a landing at dawn today at Almazra aerodrome, near the head of the Nile delta, site of one of the oldest civilizations in the world.

An hour later, after taking on new passengers, it roared aloft again and allowing those aboard a last look at the pyramids, turned toward the rising sun for a visit to the Holy Land. Despite the early hour, 25,000 persons were at the aerodrome. As soon as the Graf touched ground they broke police lines and thronged about the ship, which was unable to make its departure until firemen turned hoses on them and cleared a space around it.

A member of the Graf's crew descended by parachute a hort while before it was drawn to the ground and instructed a force of 350 British soldiers who acted as a landing crew. They were in charge of Flight Lieutenant Luck, who came to Egypt to arrange the mooring of the ill-fated R-101. When Dr. Eckener heard that he was here he had him come aboard for a long chat. Dr. Eckener's genial face was at a window of the gondola as the Zeppelin drew close to the earth and the crowd gave him an ovation as he stepped to earth after the dirigible had been brought down. The zeppelin will return here to-night, debark its passengers, and take off again for Friedrichshafen, where she will arrive Monday morning.

SIX DIE WHEN HOME IS RAZED BY BAD BLAZE

Man Had Narrow Escape from Burning Structure in St. John's, Newfoundland, This Morning.

ST. JOHN'S, Nfld., April 11.—A shocked he could not explain his own escape, William Power was found early today by neighbors outside his burning home at Shearstown, Bay Roberts, while his wife and five children, believed overcome in their sleep, lay dead in the structure. The heat was so intense attempts at rescue could not be made. Their charred remains were recovered.

The victims are: Mrs. Sarah Power; her children, Patrick, aged 22; Gus, 18; Margaret, 17, and two others, aged eight and six.

POPE TO SEND OUT COINS

VATICAN CITY, April 11.—The Pope is sending out sets of the Vatican City coins to the chiefs of all states with which the Vatican maintains diplomatic relations, to their ambassadors here, and to all the cardinals.

KING APPOINTS SECRETARY LONDON, April 11.—The King has appointed Colonel Sir Clive Wigram as his private secretary to succeed the late Lord Stamfordham.

The new secretary had been assistant to Lord Stamfordham since 1910. He served for many years in India with the British army. He is 58 years old.

SIX CANADIANS ARE ASSUMING FOREIGN POSTS

Recently Appointed Assistant Trade Commissioners Are Leaving to Assume Their Duties.

OTTAWA, April 11.—Six assistant Canadian trade commissioners are leaving Canada within the course of a week to take up their duties in Canadian Government trade offices in England, Holland, Italy, Greece, Argentine and Japan. Two other assistant trade commissioners will be leaving next month to proceed to Norway and Mexico. The eight assistant trade commissioners are as follows:

Robert Guy Carrington Smith, of Quebec City, who sailed yesterday for Buenos Aires, Argentine. Alexander Keith Doull, of Vernon, B.C., who sail today to the commercial secretary at the Canadian Legation at Tokio. Theodore J. Monty, of Three Rivers, Que., and Richard Plant Bower, of Winnipeg, who are sailing on Monday next for Athens office and the Rotterdam office, respectively.

Max Thompson Stewart, of Wingham, Ont., and Robert William McBurney, of Toronto, who sail on April 17 for the Bristol office and the Milan, Italy, office respectively. Harry Leslie Brown, of Vancouver, and Shibley Green K. Macdonald, of Calgary, who will be leaving Canada at a later date for the Mexico City office and the Oslo, Norway, office respectively. The departure of these recently promoted assistant trade commissioners to take up their duties abroad brings the staff of the Commercial Intelligence Service abroad to thirty-four senior trade commissioners and twenty-two assistant trade commissioners.

FATAL SHOOTING IN ALMSHOUSE

BATH, N. H., April 11.—A fatal shooting climaxed a feud of long standing between two elderly inmates of the Stuben County Alms-house yesterday.

While four fellow inmates watched, according to their statements to Sheriff Stanley Hoagland, Earl Glouch, sixty-seven, formerly of Timsit, shot and instantly killed Timist, sixty-two, of Hornell, after a brief argument.

PRICES DECLINED NOTICEABLY ON CANADIAN EXCHANGES THIS WEEK

There Was a Certain Amount of Investment Demand, However, and While This Acted as a Support for Stock Prices, It Proved of Little Avail Against the Increasing Nervousness and Uncertainty Among the Speculative Trading Body.

Share prices declined noticeably on Canadian stock exchanges this week, due to lower commodity prices, professional bear successes in New York and poor earnings statements by Canadian corporations. Canadian car loadings showed a sharp drop during the week. The Canadian wholesale price index at 75.1 for March was the lowest since December, 1915; Canadian steel activity showed no sign of basic improvement, and there was no substantial change in the employment situation. Mercantile circles displayed marked caution as to the future.

There was a certain amount of investment demand, however, and while this acted as a support for stock prices, it proved of little avail against the increasing nervousness, and uncertainty among the speculative trading body. Under the circumstances it was remarkable that Canadian stocks maintained their prices at levels that are not far below those of last week. Brazilian Fraction at 22 1/2 compares with 22 1/2 last week, largely as the result of investment demand attracted by the relatively steady action of the stock early in the week.

Ford of Canada "A" subject to the general weakness of inter-listed shares, nevertheless shows a loss of only 3/4 for the week, closing at 25 1/2. The company's annual report revealed sharply reduced earnings in 1930. International Nickel displayed one of the most consistent movements of the recognized leaders, remaining within a narrow trading area all week. Demand for shares was not any time pronounced yet they met with steady support and at 17 1/2 compares with 17 1/2 last week. Trading, however, was in very limited volume. Massey Harris at 7 1/2 is 3/4 net lower than its price of a week ago, and other declines were shown by City Dairy at 60, Walker's at 7 1/2 against 7 1/2 last week, and Steel of Canada which declined from 39 1/2 to 38 1/2.

C. P. R. shares were directly affected by the pressure against railway stocks in New York, and as a result show a decline from 40 last week to their present level of 35 1/2. Nothing in the week's news, aside from the lower car loadings figures, accounted for the selling of C. P. R. shares which followed almost identically the fluctuations of the New York railroad group. Smelters, which sold at 149 1/2 last week, is now quoted at 153, an advance that is particularly outstanding in view of the action of C. P. R., the controlling company's shares.

GOV.-GENERAL IS ASSOCIATED WITH VETERANS

His Excellency Yesterday Paid Three Dollars for Membership in Canadian Legion and Fifty Cents for a Badge.

OTTAWA, Ont., April 11.—The Earl of Bessborough is now a member of the Canadian Legion. He paid his annual dues of three dollars with fifty cents for a badge yesterday and became enrolled as a regular, not an honorary, member of the veterans' organization.

In his application for membership His Excellency gave his occupation as "Governor-General of Canada," his service as "1914-1918" and his rank on discharge as "Captain."

GANDHI BOYCOTT RESULTED IN LOSS OF FOREIGN TRADE

Estimated that as Result of Working of Nationalist Leader India Lost About One-Fourth of Her Foreign Trade Last Year.

NEW DELHI, April 11.—During the year ended December 31, 1930, India lost nearly one-fourth of her foreign trade, which is regarded as a misfortune of the first magnitude, necessitating a drastic increase in taxes and duties.

In the midst of the general world depression, the Gandhi boycott movement and the drastic fall in commodity prices accounted for an unprecedented drop during the year of about \$50,000,000 in volume of trade, of which about \$300,000,000 represents export losses. The value of the country's total trade in 1930 was only slightly above that of 1913. Due largely to the nationalist boycott movement, India's imports of foreign piece goods decreased by 650,000,000 yards.

Jute exports, which normally constitute one-fourth of the country's exports, declined during the year by \$150,000,000.

HOTEL DESTROYED

SAINT JOHN, N.B., April 11.—Fire which started at one o'clock this morning in a workshop adjoining the Riverview Hotel at Hampton, 2 1/2 miles from here, destroyed the hotel and outstanding station. The damage is estimated at \$200,000. Those in the hotel escaped in night attire.

IMPROVEMENT IN CONDITION OF KING NOTED

For Second Day in Succession Chief Physician Has Not Visited Windsor Palace.

WINDSOR, England, April 11.—The King, an official announcement said today, had a good night and the improvement in his condition was maintained.

For the second day in succession Lord Dawson of Penn, his chief physician, felt it unnecessary to come out from London to visit him. He is suffering from bronchitis.

It was believed that yesterday's sunny weather had benefited His Majesty and it was hoped for a similar improvement today, sunny also. Today's announcement indicated that the slow progress originally mentioned by the doctors was continuing to their satisfaction.

LINER DEPARTS TO OPEN ST. LAWRENCE NAVIGATION

Duchess of Richmond Expected to Arrive in Quebec and Montreal Next Friday.

MONTREAL, Que., April 11.—On Friday or Saturday, April 17th or 18th, Quebec and Montreal will welcome the first passenger liner of the season, and the earliest arrival of a liner in the port's history. The Duchess of Richmond, Canadian Pacific Steamships, sailed yesterday from Liverpool for St. Lawrence ports.

The steamer was originally scheduled to sail for Saint John, N.B., concluding the passenger season at that port for Canadian Pacific boats but the disappearance of ice in the St. Lawrence River so early in the season caused the schedule to be changed.

EXECUTED MEN REGARDED AS TRUE MARTYRS

Baghat Singh and His Two Companions, Executed for Murder of British Police Officer, Given More Respect Than They Ever Received in Life.

CALCUTTA, Bengal, India, April 11.—Baghat Singh and his two companions dead have come to wield a more powerful influence in India than alive they might ever have hoped to hold. Throughout the length and breadth of India Singh and two who were hanged with him at Lahore a few weeks ago for the murder of a British police officer are spoken of as martyrs to the Nationalist cause and are being venerated by the public.

A tragic sequel to the execution today in the town of Mangalore, Madras Province, shows somewhat the extent to which the executions have been publicized. A twelve-year-old boy and some companions there were re-enacting the execution. After a mock court which condemned the three pseudo defendants to death the youngest taking the role of Baghat Singh mounted the scaffold and placed the noose around his neck, exclaiming: "I give my life for India."

In some unaccountable way the noose was tightened and the boy was strangled to death. A passerby seeing what had happened rushed to the boy but life was extinct. His presence, however, saved two other boys who seemed bent on carrying out the same experiment.

Mayor Subhas Chandras Bose, for a while of a radical opposition to Gandhi, recently in an address at Amritsar, declared: "India must produce a thousand Baghat Singhs before she can attain independence." At the same meeting Bandit Malaviya declared: "Every Sikh is expected to come to the firing line."

ALBERTA'S PREMIER SPENT YESTERDAY IN MONTREAL EN ROUTE TO EDMONTON ON "PURELY BUSINESS TRIP"

MONTREAL, April 11.—Eastern and western Canada agree fully on the conference of provincial premiers, held in Ottawa this week, was eminently successful. Premier Taschereau, of Quebec, has already expressed his satisfaction at the outcome of the conference, and yesterday Alberta's premier, Hon. J. E. Brownlee, said that although much had already been said and written on the subject, it was not too late for him to add a word of praise for the manner in which the party had been conducted. He referred particularly to what he regarded as an ample answer from the federal authorities that whatever legislative steps were taken henceforth, the rights of the provinces would be adequately safeguarded.

Mr. Brownlee was only in Montreal a given number of years, but it is strange that whereas before the last elections there were six Labor members in the House, there are only four today," he replied.

Conditions in the western provinces were "not so terrible," he stated, and as far as unemployment was concerned, Alberta by comparison was by no means worse off than any of her sister provinces.

A tall, imposing and businesslike appearing man, Hon. Mr. Brownlee appeared very busy yesterday in his room and was pursuing a sheaf of official-looking documents. He added he had met the Governor-General and the Countess Bessborough and had been very much impressed by their charming personalities.

ROBBERS RIFLED SAFE IN SPITE OF MACHINE GUNS

NEW ORLEANS, La., April 11.—Robbers stole \$14,800 from the safe of the Arabi Club last night while a thousand persons were trying their luck in the gaming rooms and guards armed with machine guns stood at peep holes to thwart holdup men.

The thieves saw a hole in the floor of the club beneath a locker opening into the office and took the money while the cashier was absent a few minutes.

CANADIAN TRADE DELEGATION TO SOUTH AMERICA REACH HALIFAX

Sir George Perley, Government Representative, Optimistic as to Results of Argentine Trade Fair—Record Run Made from Bermuda to Halifax—Members Return With Many Tropical Animals as Souvenirs—Tragedy Marred Voyage.

OPERATORS OF LOTTERIES GET HEAVY FINES

In Passing Sentence Against Two Montreal Men Judge Stressed Shady Nature of Business.

MONTREAL, April 11.—Convicted on a charge of operating a lottery, J. U. Gratton and A. Demers were sentenced to fines of \$1,000 each, with costs, with the alternative of three months in jail, yesterday by Chief Judge Perrault. Thousands of receipts from purchasers of various sweepstake tickets were seized by the morality squad under Inspector Emile Blodet on March 30, when the raid was made on a suite of rooms in the Dandurand building, St. Catherine street east.

Gratton and Demers were arrested in an office where they were directing the work of ten girls, who were sorting out letters from various parts of the United States. The exact charge against Gratton was that of operating a lottery, and against Demers of selling lottery tickets.

Preliminary hearing took place two weeks ago. Yesterday Chief Judge Perrault declared the accused guilty, and in passing sentence drew attention to the shady nature of the business, which was calculated to put this province in an unfavorable light in other parts.

BROWNLEE IS WELL PLEASED WITH PARLEY

Alberta's Premier Spent Yesterday in Montreal En Route to Edmonton on "Purely Business Trip."

MONTREAL, April 11.—Eastern and western Canada agree fully on the conference of provincial premiers, held in Ottawa this week, was eminently successful. Premier Taschereau, of Quebec, has already expressed his satisfaction at the outcome of the conference, and yesterday Alberta's premier, Hon. J. E. Brownlee, said that although much had already been said and written on the subject, it was not too late for him to add a word of praise for the manner in which the party had been conducted. He referred particularly to what he regarded as an ample answer from the federal authorities that whatever legislative steps were taken henceforth, the rights of the provinces would be adequately safeguarded.

Mr. Brownlee was only in Montreal a given number of years, but it is strange that whereas before the last elections there were six Labor members in the House, there are only four today," he replied.

Conditions in the western provinces were "not so terrible," he stated, and as far as unemployment was concerned, Alberta by comparison was by no means worse off than any of her sister provinces.

A tall, imposing and businesslike appearing man, Hon. Mr. Brownlee appeared very busy yesterday in his room and was pursuing a sheaf of official-looking documents. He added he had met the Governor-General and the Countess Bessborough and had been very much impressed by their charming personalities.

It was believed that yesterday's sunny weather had benefited His Majesty and it was hoped for a similar improvement today, sunny also. Today's announcement indicated that the slow progress originally mentioned by the doctors was continuing to their satisfaction.

ALBERTA'S PREMIER SPENT YESTERDAY IN MONTREAL EN ROUTE TO EDMONTON ON "PURELY BUSINESS TRIP"

PRESENT PLAY AT RICHMOND; GENERAL NEWS

Interesting Lecture on Human Side of History Given—Town and Township Councils Met—News Items of Interest from Richmond and Vicinity.

RICHMOND, Que., April 11.—A most enjoyable entertainment was given on Tuesday evening by the members of the Ladies' Guild of St. Anne's Church. The programme consisted of a lecture by Prof. E. E. Boothroyd, of Bishop's University, and a one-act comedy by members of the Guild.

The Boothroyd subject was "The Human Side of History." History, he said, was usually considered a dry subject because in the text books the subject had been so abbreviated as to destroy all interest. History as studied in school and college was only a skeleton of what should be a real pulsating life. His thesis was that humanity in its essence does not change with the passing of the centuries. The heart of humanity is the same in all ages.

The people of ancient Babylon, of Greece, of Rome and of England in the Middle Ages were very much like ourselves in our emotions and interests. Customs change but the heart of man does not change. By way of illustration his theme, he told a number of stories of the early life of the Babylonians, the Egyptians as given by Herodotus in his historical works. In a similar fashion he dealt with the Greeks, Romans and the English of the Middle Ages. His portrayal of a social incident in the life of Napoleon was especially amusing.

Dr. Boothroyd is a most interesting speaker and indulged, as he developed his theme, in numerous witty comments which greatly delighted his audience, who will be pleased to hear him again on some future occasion.

The one-act comedy, "The Piper's Pay" was something of a satire on fads indulged in by certain persons who collect souvenirs by carrying off silver spoons, etc., from high class hotels and restaurants where they have stopped or dined. The plot was laid in the hands of Mrs. Burton, a lady who had a keen desire to "break into society." She suspects that her maid, whom she has had in her employ for a number of years, has lately taken to pilfering. Mrs. Burton has had the detective department of the police installed in their staff who is installed as a waiting maid at an afternoon high tea. Her friends, Miss Freda Dickson and Mrs. Charles Dover, advise her not to allow her suspicions to deprive her of a good and faithful maid. But Mrs. Burton, a woman of high social standing and supposed to be possessed of unswerving moral principles, insists that Mrs. Burton owes it to herself and to society to punish the maid by dismissing her at once without giving her any notice.

During a tete-a-tete between Mrs. Burton, Mrs. Dover and Miss Dickson that Mrs. Burton has a mania for souvenirs and boasts that she has a large number of silver spoons "collected" by the maid. It is in the employ of the Restaurant Association which is determined to make an example of one of these "collectors." She overhears Mrs. Burton's boast, secretly secures the booty, telephases the head of the department of police and is instructed to take Mrs. Burton to headquarters. All the persuasive powers of Mrs. Burton were unavailing with the imperturbable detective-maid. It was the morally minded Mrs. Hereford-Carr who came to her aid and by exploiting her social standing and her liberal patronage of hotels and restaurants, succeeded in having the sleuths of the law called off and Mrs. Burton freed from a most humiliating exposure in the police court.

The cast of the play was: Mrs. Burton, Mrs. Wm. Herriott; Miss May Clark, detective, Miss Eileen Newell; Miss Freda Dickson, Mrs. Kenneth Cook; Mrs. Charles Dover; Miss Alice Dresser; Mrs. Hereford-Carr; Miss Daisy Harkum; Katie, the suspected maid, Miss Edna

Farrar; Miss Evelyn Grant, a reporter; Mrs. John Sinclair; Mrs. H. E. Hibbard filled the difficult position of director of the play. The stage setting was most beautiful and effective, attention having been given to every detail and was arranged by a committee consisting of Mrs. Livsey, Mrs. M. T. J. McKee and Mrs. H. E. Hibbard. Mrs. Herriott who is not a member of St. Anne's Guild was presented with a berry spoon by members of the cast in grateful recognition of her valuable assistance.

TOWN COUNCIL MET At the meeting of the town council, held on Tuesday evening, it was decided to proceed at once with the construction of new side-walks and the repair of others in certain parts of the town. The work on this work will be done by grants from the Government under the unemployment relief scheme and from the municipal revenue. Work of laying a new walk on Stanley street will begin as soon as the surveys have been completed.

MEETING OF CLEVELAND COUNCIL All the members of the Cleveland council were present at the monthly meeting which was held in the office of the secretary, Col. W. R. Stacey, on Tuesday, April 7. The most important item of business transacted was the passing of a by-law empowering the council to levy a tax of eighteen mills, for current expenses to the end of the year, on all assessable property in the municipality. In force. This tax will become due on the first day of May next and will bear interest at the rate of six per cent. until paid. It is interesting to know that this levy is two mills lower than has been levied in the township of Cleveland, for a number of years.

General Notes Mr. George Dresser celebrated his 89th birthday on April 1, receiving congratulations from his numerous friends here and many congratulatory telegrams. Relatives from distant points. Among the latter was a cablegram from Pernambuco, South America, sent by his nephew, Mr. John W. Dresser. Of those who called on Mr. Dresser to pay their respects in person were Mrs. Douglas Stevenson and Mr. A. L. Parkin, of Sherbrooke; Mrs. R. H. Gocley, of Coaticook; his son, Mr. J. A. Dresser, and Mrs. Dresser, of Westmount; and his daughter and grandson, Mrs. Grant Harris and Master Robert, of Asbestos. Mrs. Harris and son remained over for the Easter holidays.

Mr. and Mrs. George Crombie, of Westmount, and Mr. and Mrs. T. G. Torrance, of Montreal, were recent guests of Mr. and Mrs. M. G. Crombie when Mrs. Crombie, Sr., celebrated her birthday.

Miss Muriel Hunt of Montreal was in Lennoxville on Saturday. On her return she was accompanied by her brother, Mr. Saunders, of Lennoxville, who has been quite ill for some months.

Rev. S. Gorley Brown left on Thursday for Toronto, where he will attend the annual meeting of the Board of Home Missions of the United Church of which he is a member. During the absence of Mr. Brown, the services for two Sundays in Chalmers' Church will be taken by Rev. Harvey Carmichael, Ph. D., of Lennoxville, a former minister of Chalmers'.

Chalmers' Church W. M. S. met at the home of Mrs. Thomas McCourt on Wednesday afternoon, April 8. There was a fine attendance and a very interesting programme was given by the members of the group under the leadership of Mrs. T. L. Tanner. Mrs. James Smilie read a scripture lesson, Mrs. A. MacRae read selections on temperance in the homeland and other lands. The study of the intellectual status of the people of Japan, their search for truth and the marvellous growth of the Kingdom of God movement, were most effectively portrayed by Mrs. Tanner. The treasurer, Miss Ewing, was pleased to report that more than the quarterly portion of the allocation had been forwarded to the Presbyterian Treasurer, Mrs. E. Rose, representing the auxiliary, reported having made twelve visits during the month to sick, sorrowing and shut-ins. Mrs. Wm. Ross had sent letters of condolence to the bereaved of the congregation. Mrs. Pepler, supply secretary, presented a request from the Presbyterian for hospital supplies and second-hand clothing which was

received favorably and will be acted on. Prayer, led by Mrs. Brown, closed a very profitable meeting. Miss Dorothy Richmond entertained a number of friends at bridge on Wednesday evening. Mr. Bowman Hall, of Stanstead College, spent the Easter vacation with his parents, Mr. and Mrs. Robert Hall. Dr. and Mrs. Veseneau and family have returned to St. Jerome, after visiting Mr. S. E. Desmarais, M.L.A., and Mrs. Desmarais. Mrs. A. Gausier has returned from Sherbrooke, after visiting friends in that city. Word has been received by Mr. James Gunter, from Detroit, Mich., of the death of Mr. Charles Ingalls, husband of his niece, Gladys Gunter, formerly of Lisgar, Que. The late Mr. Ingalls is survived by his wife and one son. Miss Marjorie Smith, of St. Helen's School, Dunham, who spent Easter with her parents, Mr. and Mrs. S. G. Smith, has left for Montreal, where she will spend a few days before returning to Dunham. Mrs. A. Batters of Montreal, who has been the guest of Mr. and Mrs. Ernest Fowler, has returned to the City. home, being called by the death of their sister, Mrs. Wm. MacAuley. Mr. and Mrs. Louis Day, of Montreal, are guests of Mrs. Roy's mother, Mrs. A. B. Hunt. Miss Hilda Davis, Miss Edythe Stokes and Mr. W. Prangley were at their respective homes for the Easter holidays. Mrs. Bangs has been visiting friends at Ayer's Cliff and Newport, Vt. The little son of Mr. and Mrs. Olie H. Olson was taken to a Sherbrooke hospital last week and operated on for appendicitis. The parents of the little chap will be pleased to know that he is making satisfactory progress towards recovery. The Easter meeting of the W.M.S. was held on Thursday, April 2nd, at the parsonage. The programme was fully carried out and enjoyed by those present. The choir of the United Church presented music at the Easter song service in keeping with the spirit of the day. The special offerings were: solo by Mr. T. G. Stokes, "He is Risen" (Meredit); duet by Mrs. Jas. Whitehead and Mrs. E. A. Stokes, "Go Forth and Tell" (Meredit); Mrs. Wm. Cathcart, Miss G. Lawrence and Miss M. Macdonald, "On Calvary" (Meredit); and a full chorus by the "Red of the Dawning" (Meredit). Mr. and Mrs. Arthur Hunt entertained at their home on Saturday evening. The special service at the United Church on Good Friday evening was attended. Rev. P. Hilliker, B.D., gave a most inspiring address. The service was followed by the administration of the Sacrament of the Lord's Supper. Mr. Frank MacLeod and Mr. Maurice MacLeod were in Sherbrooke on Wednesday, April 1st, called by the sudden death of Mr. J. Fraser, Mr. MacLeod's brother-in-law. The sympathy of the whole community is extended to Mr. Wm. MacAuley and Mrs. R. Wilson in their sudden bereavement by the death of Mrs. MacAuley. Rev. Mr. Graham, of Sherbrooke, was in town on Wednesday, April 1st, assisting in the funeral services for the late Mrs. Wm. MacAuley. Mrs. Gordon Turner, of Montreal, was a visitor at the home of Mr. and Mrs. Everett Wootton on March 24th, and has since returned to Montreal. Mrs. Elwin Coates and daughter have returned to their home at Bulwer after visiting at her sister's, Mrs. E. Wootton. Mr. George Morrow, of Montreal, motorist, was in town on Wednesday, April 1st, assisting in the funeral services for the late Mrs. Wm. MacAuley.

Various Churches Celebrated Easter Sunday—Numerous Visitors from Out of Town. DANVILLE, Que., April 11.—On Easter Sunday the various churches celebrated the event with special music, floral decorations and appropriate sermons. Both services at St. Augustine's Church were conducted by the rector, the Rev. E. K. Wilson. At Trinity United Church the pastor, Rev. W. E. Long, was in charge. At the morning service four new members were received and extended their right hand of fellowship. Mr. Kathleen Armstrong sang "Calvary" (by Rodney), and the choir rendered the anthem "Christ our Passover." At the conclusion of the service the celebration of the Lord's Supper took place. In the choir the anthems "The choir includes Mr. Wright Gibson presided at the organ. The services at the Advent Christian Church were of a choral nature and were conducted by Rev. W. Merton Snow. The orchestra under the direction of Mr. J. J. Porter contributed several instrumental selections and accompanied the congregational singing. Readings were rendered by Miss Bernice Marston and Mr. Milton Marston. The soloists were Mrs. Agnes McCoy, Mrs. B. H. Barnard and Mr. Elton Webb. The pastor's sermon at the morning service was "A Plea for the Morshering of Life." General Notes Mrs. Cora Laundry has gone to Lennoxville, where she will be the guest of her daughter, Mrs. Olive Olive for several days. Mrs. Maude Aitkinson, of Three Rivers, has been the guest of her sister, Mrs. Noah Perkins, for a few days. Mr. Howard Riddle, of Montreal, spent Easter Day in town, the guest of Mr. John Wadleigh. Mr. Clark Reed, of Montreal, was a week-end guest at Isleigh Grange, returning on Monday. Mr. Roland Cleveland, of Montreal, spent Easter with his parents, Dr. and Mrs. H. R. Cleveland, Rock Farm. Mr. William Fisk, of Richmond, was the guest of Mrs. H. Lodge, recently. Mr. Hugh Burritt, of Moncton, N.B., is visiting his grandmother, Mrs. G. F. Cleveland, who will accompany him on his return to the Maritimes. Mr. Harry Lollif was the guest of Miss Beatrice Laxson over the week-end. Mr. Leland Gibson, of Sutton, was the guest of his parents, Mr. and Mrs. E. W. S. Gibson, during the Easter holidays. Miss Sylvia Ward, of Macdonald College, is spending her vacation with her parents, Mr. and Mrs. Ward, at the Canadian Bank of Commerce. Mr. and Mrs. Roland Grey, of Sherbrooke, have returned home, after spending a few days in town. Miss Jessie King, of Montreal, attended the dance in the town hall on Easter Monday. Mrs. Herbert Robinson, of Montreal, who has been for some time with her grandmother, Mrs. Sherman Pope, at present critically ill, has returned home. Miss Charlotte Morrill, of Shawinigan Falls, spent the Easter holidays with her parents, Mr. and Mrs. E. J. Morrill. Miss Doris McNeill, of the teaching staff of the Vernon School, was the guest of her mother, Mrs. Lulu McNeill. Mrs. Watson, of Lachine, is the guest of Mrs. Charlotte Parmelee. Mrs. Genevieve Dawson and Miss Annie Findlay, of Montreal, are spending a few days with their parents, Mr. and Mrs. L. E. Findlay, Academy street. On Easter Monday a dance was given in the Town Hall under the auspices of the Danville Country Club. Refreshments were served at midnight. On Wednesday afternoon Mr. and Mrs. Wheeler gave a "sugaring-off" at their sugar camp for the benefit of the Women's Auxiliary of St. Augustine's Church. Mr. and Mrs. Herman Davidson attended the funeral of Mrs. Davidson's father, Mr. George Norris, in Richmond on Tuesday. Mr. and Mrs. Davidson and family have the sympathy of the community in their sad bereavement. Mr. and Mrs. Fred Ingram, of South Durham, were over-night guests of Mr. and Mrs. Alfred Davidson, on Monday. Messrs. Frank, Alex. Davidson and Earl Tibbitts attended the dance on Monday evening in Richmond. Masters Allen and Lawrence Henderson, of South Durham, spent the holidays here, the guests of Mr. and Mrs. P. Henderson. It was a great shock to the people of this community when they received the sad news on Saturday of the death of Mr. Fred Mallette, who passed away at a hospital in Montreal, on Friday morning, April 3. He underwent an operation on Wednesday morning for mastoid. He leaves to mourn a wife and three children, his mother and two sisters, who all reside in Montreal. The family have the sympathy of this community in their sad bereavement.

COLUMN FROM DANVILLE OF GENERAL NEWS

Various Churches Celebrated Easter Sunday—Numerous Visitors from Out of Town.

DANVILLE, Que., April 11.—On Easter Sunday the various churches celebrated the event with special music, floral decorations and appropriate sermons. Both services at St. Augustine's Church were conducted by the rector, the Rev. E. K. Wilson. At Trinity United Church the pastor, Rev. W. E. Long, was in charge. At the morning service four new members were received and extended their right hand of fellowship. Mr. Kathleen Armstrong sang "Calvary" (by Rodney), and the choir rendered the anthem "Christ our Passover." At the conclusion of the service the celebration of the Lord's Supper took place. In the choir the anthems "The choir includes Mr. Wright Gibson presided at the organ. The services at the Advent Christian Church were of a choral nature and were conducted by Rev. W. Merton Snow. The orchestra under the direction of Mr. J. J. Porter contributed several instrumental selections and accompanied the congregational singing. Readings were rendered by Miss Bernice Marston and Mr. Milton Marston. The soloists were Mrs. Agnes McCoy, Mrs. B. H. Barnard and Mr. Elton Webb. The pastor's sermon at the morning service was "A Plea for the Morshering of Life." General Notes Mrs. Cora Laundry has gone to Lennoxville, where she will be the guest of her daughter, Mrs. Olive Olive for several days. Mrs. Maude Aitkinson, of Three Rivers, has been the guest of her sister, Mrs. Noah Perkins, for a few days. Mr. Howard Riddle, of Montreal, spent Easter Day in town, the guest of Mr. John Wadleigh. Mr. Clark Reed, of Montreal, was a week-end guest at Isleigh Grange, returning on Monday. Mr. Roland Cleveland, of Montreal, spent Easter with his parents, Dr. and Mrs. H. R. Cleveland, Rock Farm. Mr. William Fisk, of Richmond, was the guest of Mrs. H. Lodge, recently. Mr. Hugh Burritt, of Moncton, N.B., is visiting his grandmother, Mrs. G. F. Cleveland, who will accompany him on his return to the Maritimes. Mr

NEWSY NOTES OF INTEREST FROM FARNHAM

Farnham Rebekah Lodge Received Visit from Assembly President—Ladies' Guild Met—Many Visitors in Farnham for Easter Holiday.

FARNHAM, Que., April 11.—At the regular meeting of Yamaska Rebekah Lodge No. 10, held on Tuesday evening, April 7, in the Odd Fellows' Hall, the president of the Rebekah Assn., Sister M. Bridge, made her official visit to this lodge. There was a very good attendance of members present and all greatly enjoyed the remarks given by the president at this time.

LADIES' GUILD MET The Ladies' Guild of St. James' Church held their regular meeting on Thursday, April 2, with a fairly good attendance of members present, and with the president, Mrs. Albert Cook, in the chair, who conducted the devotional exercises at the opening of the meeting.

General Notes A very largely attended dance was held on Monday evening, April 6, in the Odd Fellows' Hall, under the supervision of Mr. A. Richard, and when music for the dancing was furnished by Mr. A. Richard and his orchestra. About one hundred and seventy were present, several attending from out of town, and all greatly enjoyed the dance.

Miss N. Peabody, of Sherbrooke, was a recent guest of her sister, Miss Esther Peabody, on her way to Montreal, where she spent a few days the guest of her sister, Mrs. Brosseau, and family.

Mr. Roy Cook spent the Easter holidays in Montreal, the guest of his parents. Mr. and Mrs. Ed. Ingalls and their niece, Miss Beatrice Moffatt, were recent guests of relatives at Highwater.

Mr. John Bockus was visiting relatives and friends at Waterloo, on Friday, April 3. Mr. and Mrs. Arthur Rogers, of Montreal, spent the Easter week-end with Mr. Rogers' mother.

Mr. Albert Lorimer, of Montreal, was a guest of his parents, Mr. and Mrs. John Lorimer, for the Easter week-end. Miss Marion Brown, Mr. D. Cormack and Mr. H. Watson, of Montreal, were dinner guests on Easter Sunday at the home of Mr. and Mrs. John Bockus en route to Foster.

Miss Esther Peabody spent the Easter week-end as the guest of her parents, Mr. and Mrs. J. Peabody, at Sherbrooke. Mrs. J. Halliday, of Sherbrooke, spent a few days, recently, as a guest of Mr. and Mrs. T. H. Riddick and family.

Miss Bernice Quilty, of Toronto, Ont., spent the Easter holidays with her parents, Mr. and Mrs. B. J. Quilty. Mrs. W. G. Flynn and Miss Ruth Flynn have returned to their home in Sherbrooke, after spending the Easter holidays at the home of Mr. and Mrs. A. S. C. Morrison.

Mr. and Mrs. Stuart Ford, Miss Reggie Ford, and Miss Lucille Winchester motored to Montreal for Easter Sunday. Mrs. Herbert Campbell and her sister, Miss Mildred Callaghan, of Montreal, spent the Easter week-end in Toronto, Ont., the guests of Mr. and Mrs. P. C. Cameron.

Miss Lucille Pickett spent the Easter holidays with friends at Smith's Falls, Ont. Mr. and Mrs. N. T. French spent Easter Sunday at Brome, the guests of Mr. French's mother, Mrs. H. J. French, and his brother, Mr. Howard French.

The Wealth that Makes Wealth, that Builds Factories, Cities, Comes from the Soil - Canadian farmers provide the basic wealth of the Dominion. Under agricultural depression, industrial life stagnates. Self-interest, if nothing else, should actuate every Canadian to do his part to help farmers of Canada to a footing of more permanent prosperity. To this end an event of world-wide interest is planned-

The World's Grain Exhibition and Conference REGINA - JULY 25 - AUG. 6 - 1932

Advertising of this great undertaking has focused the attention of the world on Canada. The Federal Government has issued invitations to eighty-four countries to take part. Already twenty have signified their interest, and before March 1, 1932, fifty will have arranged to participate.

Canada's wealth and place among the nations of the world depends upon her agriculture. The World's Grain Exhibition and Conference is Canada's opportunity to demonstrate to the world the important part she plays, and the much more important part she is destined to play in her bid for agricultural supremacy.

It remains for all citizens of urban Canada to do their part wholeheartedly. Talk the World's Grain Exhibition and Conference. Plan to visit your farmer friends and relatives, making the meeting place Regina, July 25-August 6, 1932. Encourage your overseas friends to visit you. You will see much of interest. You will meet representatives from the four corners of the world. But if impossible for you to attend, take out a membership and secure a copy of "The Report of the Conference Proceedings" and place this where it will do good. All our provinces are organized to insure the success of this great Canadian undertaking. Write any of them for further information.

THE SHERBROOKE WATER SUPPLY SUGGESTS AN

ABATTOIR FOR THIS DISTRICT

H. V. HAIGHT,
President of the Sherbrooke Chamber of
Commerce and Executive Engineer, Canadian
Ingersoll Rand Company.

In my first article I propose to
deal with and explain only the
present system in vogue for
supplying the citizens of Sher-
brooke with drinking water. In
succeeding papers I shall en-
deavour to tell in the simple
language of the layman just why
our citizens should give this ques-
tion their immediate attention
so that the consultations with
and the sequent recommenda-
tions of the Provincial Bureau
of Health may be quickly carried
out. It is in the interests of the
adult population, but more ac-
tively does it appeal to the parents
of the children that this shall be
done.

Dr. R. Barnes, of Ottawa, Ad-
dressed Local Chamber of
Commerce Last Evening—
Stressed Responsibility of Au-
thorities to Protect Citizens
from Food of Inferior Quality.

It was Dr. Barnes, the great British
statesman, who said that health is
the happiness of nature, depending
upon the food of the country. At a
meeting of the Sherbrooke Cham-
ber of Commerce at the New Sher-
brooke House last evening, Dr. R.
Barnes, chief of the meat and can-
ned food division of the Federal
Department of Agriculture, empha-
sized the truth of this statement
and stressed the responsibility of
the authorities to protect the
health of the community by estab-
lishing means to inspect the food
to be consumed by the people. The
erection of a public abattoir in this
city, where government men would
inspect the meat, was suggested.
In this manner citizens would be
afforded protection from unscrup-
ulous dealers, and packers would
be permitted to trade with outside
provinces, the speaker claimed.
"The people are awakening to
the dangers that confront them,"
Dr. Barnes stated, "and are now
anxious to protect themselves
against unhealthy food. However,
they must have help, outside assist-
ance, and it is the duty of public
bodies to offer all aid possible to
ensure marketing of only sanitary
and tested meats."
Packing plants, under the contin-
ual supervision and inspection of
government authorities, of which
department Dr. Barnes himself has
been the head for a number of
years, offer the public a guaranteed
food supply from cattle tested and
closely scrutinized by experts be-
fore being slaughtered.
Dr. Barnes suggested the con-
struction of a public abattoir for
the city of Sherbrooke which
would be open to one and all, and
be operated under the same prin-
ciples as similar plants in other
cities. All cattle would be inspected
before being killed and only first
class meat would be qualified for
marketing.
In order to obtain government

inspection, as there would be in
such a case, many requirements
have to be met. There is no charge
against the city for inspection, the
speaker pointed out, but the author-
ities and people interested have to
possess a building of sound and
sanitary construction, and a certain
amount of business must be car-
ried on. Upon a demand to the de-
partment for an inspector, a man is
sent to look over the plant and ad-
vise the owners what must be done
in the way of alterations. The de-
partment then takes practically full
possession of the place and will
brook no interference.
Dr. Barnes spoke with empha-
sis about the unscrupulous dealers
who place bad meats upon the mar-
ket, declaring that it was the duty
of the authorities to put an end to
this practice by arranging for in-
spection and packing plants that
would stand no attempts at market-
ing meats of inferior quality.
The speaker quoted figures to
show the large number of defect-
ive cattle there are at times in
what is believed to be a first class
herd. He declared that last year
inspectors from his department
picked out \$1,350,000 worth of dis-
eased cattle intermingled with sup-
posedly good herds.
"Protection is yours for the
asking," said Dr. Barnes, "and as
leaders of your city it is your duty
to see that the citizens are protect-
ed. Provided you furnish an ade-
quate plant or public abattoir, con-
trolled if you wish by a Board of

Health, you may have inspection
without cost. And by having in-
spected meats, it would be possible
for you to open a firm market with
outside provinces, especially the
Maritimes.
"Above all if we desire to raise
strong, virile manhood, we must
see that they are fed properly and
are immune from contact with food
of inferior quality."
President H. V. Haight presided
at the dinner and a vote of thanks
was moved the speaker by Mr. John
Nichol, of Lennoxville, who spoke
a few words in favor of erecting an
abattoir in this city for the use of
local dealers.

The population of Sherbrooke is
almost 30,000 and the daily water
consumption is about 4,000,000 im-
perial gallons. The water system is
owned by the city, and the pumping
plant is situated on the Magog river,
about three miles above Sherbrooke,
at what is known as the Drummond
Power plant. The water is pumped
to the reservoirs in the city through
two mains, 20 inches and 24 inches
in diameter. Two mains are installed
as a precaution against an accident
to one. Their total capacity is suf-
ficient for at least three times the
present water consumption. The
water is pumped into two reservoirs
in the West Ward. The piping is
arranged so that either reservoir
may be cleaned while the other sup-
plies the city.

The water is subject to contamina-
tion from the sewage of Newport,
Magog and many smaller places as
well as summer cottages and farms
on Lake Memphremagog and along
the river. To render the water
safer, it is chlorinated at the pump-
ing station, to destroy many of the
bacteria or germs. This chlorina-
tion is done by mixing a very small
quantity of liquid chlorine with the
water as it flows through the main
at the pumping station. Chlorine is
a gas at atmospheric pressure, but
is liquefied by compressing it to
about 100 pounds per square inch.
It is purchased from Montreal in
steel bottles holding about 160
pounds of chlorine in each. To be
effective it must be very thoroughly
mixed with the water, and special
equipment is used at the pumping
station for that purpose. The amount
used at Sherbrooke is about eight
pounds per million gallons of water.
The amount required varies with
the amount of organic matter in the
water. This organic matter uses up
the chlorine and might not leave
enough active chlorine to kill the
germs. The water is, therefore, given
a simple chemical test daily to see
how much chlorine is required. If
too much chlorine is used it makes
the water taste badly, but this is
not particularly injurious to health.

Samples of the treated water are
taken daily. These are taken at the
City Hall by the sanitary inspector.
The tap is allowed to run about five
minutes and then four small bottles
are filled. Each bottle contains also
a small quantity of fluid, which
keeps the bacteria from multiplying
until the water can be tested. These
four samples are mailed daily to
the laboratory of the Provincial
Bureau of Health in Montreal. At
the laboratory these samples are in-
spected for bacillus coli. These bac-
teria or germs are called bacilli be-
cause they are shaped like little
rods, and are further called coli be-
cause they are found in the colon
or large intestine of animals and
human beings. They are not always
harmful, but they may cause dis-
ease. They indicate, however, that
the water is contaminated with sew-
age and may have other germs that
are more deadly, but are hard to re-
cognize. All these bacilli are ex-
ceedingly small. The typhoid bacillus
looks so much like the bacillus coli
that it would be very hard to dis-
tinguish when hundreds of samples
of water are examined daily. It
should also be considered that only
a few thimblefuls of water in every
million gallons are examined, and
that there might be many millions
of typhoid germs in the water and
yet none happen to be in the sam-
ples. If the bacillus coli, or "B. coli"
as it is usually called in medical
parlance, is destroyed, the typhoid
bacillus will also be destroyed, and
that is the only safe thing to do.
The Encyclopedia Britannica says
on this point:
"it is considered that if bacillus
coli is destroyed the occurrence of
epidemic water-borne disease is im-
possible and that, therefore, other
inferential indices of safety lose
much of their significance."
The Provincial Bureau of Health
is, therefore, following the latest
practice in using "B. coli" as a mea-
sure of the safety of the water for
drinking.
The Bureau of Health makes a
daily report to the city engineer of
the result of the examination of the
samples. The Bureau also makes a
monthly report showing the results
for all the samples received from
every place in the province which
makes reports. These results are
graded according to the percentage
of samples of water which show
bacillus coli. The Bureau rates the
water supply as "very good," "good,"
"doubtful" or "bad." The following
is the standing of the various cities

Table with 3 columns: Localities, Tubes, % Received. Lists various locations like Beauharnois, St. Lambert, etc., with their respective water quality percentages.

IN *the* HEIGHTS OF *the* Rockies

IN the heights of the Canadian Rockies were health and recreation, and so national parks were established and hotels were built. Where only the Indians had hunted on the mountains, now the great hotels at Banff and Lake Louise arrest the eye.

¶ In time, from one end of the land to the other: in the Maritimes, in the quaint old French City of Quebec, in Toronto, the Queen City of the Dominion, in the cities of the plains, in the Rockies, and on the shores of the Pacific Ocean, magnificent hostelries have arisen, which give Canada a new and enviable opportunity to tell her story to those who come and see her beauties and opportunities at first hand.

¶ Every Canadian Pacific hotel embodies the ideal of service that has become a tradition of the Company and the country.

CANADIAN PACIFIC TODAY

The Canadian Pacific Railway runs from the Atlantic to the Pacific Ocean. Its liners sail from Vancouver and Victoria to Japan and China, and from Montreal, Quebec and Saint John to Great Britain and the Continent. It operates winter cruises to the Mediterranean, the West Indies and Round the World; summer cruises to Norway and a winter service to Bermuda. Its chateaux and hotels represent the latest word in comfort and luxury. Its telegraph service employs 225,000 miles of wire. Its express travellers' cheques are current all over the world. Canadian Pacific offices and agents are to be found everywhere.

CANADIAN PACIFIC

1881 · FIFTIETH ANNIVERSARY · 1931

Sherbrooke Daily Record

Established Ninth Day of February, 1877. Published Every Week Day by the Sherbrooke Record Company, Limited, at their publishing house, 69 Wellington Street North, in the City of Sherbrooke, Quebec.

In the electrical radio world the morning greeting is: "How does your super-heterodyne wangle its antenna on these bright wave lengths this morning?"

RAILWAY MEN STRUGGLE FOR FREEDOM.

The acceptance of the excursion idea and the reduced week-end rates by the railways of Canada, a plan which we advocated for some time, will tend to revive railway travel.

Drastic measures have been advocated by railway men who are long-sighted, but the stumbling blocks have been their own organization, their associations and the Board of Railway Commissioners.

Organizations deemed necessary thirty years ago are now disruptive and injurious, and they should be dissolved and abolished.

For years the motor trucks and buses have been nibbling at the transportation business of the railway lines, until the motor-powered vehicles now carry more than do the railways.

When the Board of Railway Commissioners was organized and founded the scheme was advanced in Parliament that it was being done in the interests of and for the protection of the public.

Every major rule enforced by that body has been to the detriment of the public, to the further pinching of privileges and removal of courtesies.

Passenger excursions will have to be resumed. For these plant the seed of travel.

There are sixteen golf courses in the Eastern Townships, and instead of hoeing carrots we will mashie divots.

Of course, as in the case of the trusted physician who hung out the cease smoking sign, I can change my doctor and consult the Minister of Agriculture.

Yet my friend Turnbull is already polishing up my clubs, one of which has been exactly thirty years in my bag.

OBSELETE GOVERNMENT PORTFOLIOS AT OTTAWA.

A few good Business Engineers could take the Auditor-General's report and make a survey of the Departments at Ottawa.

The Civil Service Commission is quite alright for relieving members from solicitation by job-hunters, but it has the disadvantage of removing from Parliament the onus of allowing the departments to be overcrowded with clerks.

Drastic cuts are promised in Governmental expenditures by the Prime Minister. He will meet alibis and objections at every turn, for each Minister is expected to stick up for his Department and ward off the priming knife.

If it be true that the Dominion Department of Lands and Colonization is still carrying a large staff there has been a long lack of political economy.

Ontario and Quebec paid the lion's share of the cost

of peopling the West, but the various provincial governments have each been granted this privilege. The Dominion has no farm land to sell. There is no need to-day for a Department of the Interior or for a Department of Immigration and Colonization.

In a spirit of humane consideration the staffs of these departments could be distributed wherever there was a vacancy, and thus maintain the spirit of fairness to a worthy body of civil servants.

EDITOR'S NOTE BOOK.

In New York the gunmen take their victims for a ride. In Glasgow they take them for a walk—and save gas and gasoline taxes.

One of the sixteen mining brokers now in Portsmouth prison promoted himself to a plain burglar. He visited the home of one of his customers, and was so moved to pity that he left \$5 on the dresser.

Hon. Gordon Scott will probably be the Liberal candidate in St. George's, Montreal, which will be a gentle rejoinder to C. E. Gault, the present sitting member who busied himself in Huntingdon.

Sir Matthew Begbie, a famous judge in British Columbia, at one time conducted the oral examinations necessary for an Eastern lawyer to pass before being admitted to the provincial bar.

"I was plucked!" said the tactless one. "I was passed," said the young man of tact.

"How did you do it? He thinks all we Easterners are just North American Chinamen."

"Well I answered his question: What would you do if you encountered a very difficult situation in point of law?" with the reply, "I would call you into consultation, sir."

FRONT WINDOW MUSINGS

Yet the modern woman—free, independent, scornful of men—is less happy than the one who can weep when she breaks one of her china cups.

You can get the old-fashioned 10-cent-a-pound cream-sugar candy, but you have to buy \$1.00 worth of box.

A "backward country" is one that spends more for automobiles than it gets for its chief crop.

No wonder farmers think price-fixing should work. They've always had the buyer fix prices for them.

A metropolis is a place where one neighbor forgets to pull down the shades and the others don't care a rap or even peep.

There's always something. In the country there are goats and bulls to attack from the rear, and in town there are revolving doors.

A profession is not like a trade. The man who has a mere trade doesn't get mad when you offer suggestions.

No man's income is assured forever, except the fellow who rents buildings to the Government.

Debut: An expensive way of telling the world your daughter is now looking for a husband.

Alma Mater: Making the young man work for a degree so he can earn more money; taking the old man's money and giving him an honorary degree.

If evolution really develops protective coverings and the like, why don't great men develop a pump handle for people to shake?

THIS DAY THIRTY YEARS AGO

From the Files of the Sherbrooke Record, April 11th, 1901.

Visits by the stork reported in the Record include: A son to Mr. and Mrs. James Stalker, of Sherbrooke; a son to Mr. and Mrs. Fred Mills, of Magog; also a son to Mr. and Mrs. A. F. Fisk, of Magog.

James Mackinnon, assistant general manager of the Eastern Townships Bank, is attending a meeting of the Canadian Bankers' Association in Montreal.

The agreement between the City and F. M. Clement, of Berlin, N.H., providing for the erection of an opera house in Sherbrooke, has been signed.

M. L. Hunting, of Huntingville, has received an appointment to the Sherbrooke staff of the Customs Department.

The Protestant Board of School Commissioners has appointed Miss Georgie Bradley as assistant to Miss Mitchell at the Prospect street school, the position being made vacant by the continued illness of Miss Odeil.

E. P. F. McCabe has entered the Sherbrooke law firm of Campbell & Deschamps, and will look after the firm's local office at Windsor Mills.

The Coaticook Electric Light and Power Company has declared a dividend at the rate of six per cent. Leading officials of the company include Henry Lovell, M.P., F. E. Lovell, P. T. Baldwin, O. G. G. Webster and W. L. Shurtleff.

H. Price Webber and his Boston Comedy Company have been "pacifying them in" all week at the City Hall. Their final programme will be given tonight, the attraction being "Ten Nights in a Bar-Room."

Thomas Southwood, young son of William Southwood, was the victim of an unfortunate accident when he fell under the wheels of a Grand Trunk freight train in the railway yards here, both his legs being so badly crushed just below the knee as to necessitate their amputation. He was rushed in an ambulance to the Protestant Hospital, where he is being attended by Dr. W. D. Smith.

Isaac Smith, Moses and Samson Echenberg have formed a partnership and will carry on business under the name of the Sherbrooke Iron and Metal Company.

SOCIAL AND PERSONAL

Mr. Leonard Brodie, Queen street, left yesterday for Montreal, where he will spend the week-end with friends.

Mr. Maurice Loomis, of Montreal, is spending the week-end in Sherbrooke a guest of his parents, Mr. and Mrs. W. E. Loomis, Queen street.

Mrs. M. Gardner and Miss Ina L. Gardner returned to Waterloo today, after spending the Easter season with Mrs. Gardner's daughter, Mrs. A. E. Smith, and Mr. Smith, Montreal street.

Mrs. R. G. Costley, Magog street, met with a slight accident recently, which has confined her to the house. Mrs. Costley's friends will be pleased to hear that she is making a good recovery.

Miss Cynthia Adams is arriving tomorrow morning from New York, and will spend some time at home with her parents, Mr. and Mrs. E. M. Adams, Jr., "Miramar," Ontario street.

Master Thomas and Master Alfred Sundborg, Royal street, returned last evening after spending a very happy week in camp with the Sixth Troop Boy Scouts at Moulton Hill.

Mr. Robert Robertson, who spent the Easter season at home with his parents, Mr. and Mrs. C. Robertson, Cliff Road, returned this week to Toronto, where he will spend a few days before proceeding to the west, where at the Pas, five hundred miles north of Winnipeg, he will do missionary work for the Presbyterian Church during the summer.

Mr. F. A. Briggs entertained at a charmingly arranged luncheon and theatre party yesterday for the Reading Club, Mrs. S. R. Fuller, Jr., being the raison d'être and receiving congratulations upon the acceptance of a book she has recently written, and which is to be published shortly. Luncheon was served at St. George's Club, where covers were laid for ten, lovely mixed spring blooms in a silver basket centering the table.

After luncheon, Mrs. Briggs and her guests attended the Granada Theatre, following which Miss Gladys Hale entertained the party at afternoon tea at her home, "St. Francis' Cottage," Melbourne street.

A meeting of St. Paul's A.Y.P.A. was held in the church hall on Thursday evening with a good attendance of members and visitors.

The assistants in the tea room were Miss Margaret Cross, Miss Marjorie Blue, Miss Phyllis Hume, Miss Lydia Hicks and Miss Elizabeth Terrey.

A meeting of the Junior Welfare League took possession of the club room in the MacKinnon Memorial Building yesterday afternoon, and sponsored a most attractive afternoon and food sale for the benefit of their fund.

Members of the Junior Welfare League took possession of the club room in the MacKinnon Memorial Building yesterday afternoon, and sponsored a most attractive afternoon and food sale for the benefit of their fund.

Members of the Junior Welfare League took possession of the club room in the MacKinnon Memorial Building yesterday afternoon, and sponsored a most attractive afternoon and food sale for the benefit of their fund.

WORK TO START ON HIGHWAY AT AN EARLY DATE

Arrangements Made at Meeting of Stanstead Township Council to Begin Work on Gravel Road at Geogville as Soon as Possible—Tomifobia Notes of Interest.

TOMIFOBIA, Que., April 11.—The Stanstead Township Council met here on Tuesday, April 7th, the following members being present: Mayor Baldwin and Councillors Cochrane, Cass, Kimpton, Hibbard, Watson and Bouffard.

The March bills for winter roads were heavy, compared with those for February. Opening the spring roads this year cost more than usual.

Arrangements were made to start the gravel road at Geogville as soon as possible, as that work must be done before the first of July.

Mr. Geo. L. Peikie was authorized as overseer. A compressed air drill will be used to dig the ditches. The gravel will be let by tender as soon as the Government engineer has decided where to obtain it.

Final arrangements for the gravel roads on the Beech-Griffin road and the other piece on the Fairfax road will be finally settled at the May meeting.

A by-law was passed according to section 266 Municipal Code, authorizing the forming of three polling places for the principal election. By this arrangement seats No. 1 and 2 will vote at Fitch Bay, seats No. 3 and 4 at Tomifobia, and seats No. 5 and 6 at Cassville. This will be much more convenient and will save the ratepayers much time and travel in the busy time of spring work, as the municipal elections in this township will be held on May 18th.

General Notes. The Ladies' Aid met with Mrs. R. A. Hatch on Thursday, April 2nd. The proceeds amounted to two dollars.

The Young People's Society met at the home of Mr. and Mrs. R. A. Hatch, Saturday evening, March 28th.

ILL-TREATMENT OF DEPORTEES CONTRADICTED

Department of Immigration Issues Statement to Press Explaining Exact Situation Which Has Been Subject of Recent Comment.

OTTAWA, April 11.—In a statement issued to the press by the Department of Immigration contradiction was made to the charges of ill-treatment to deportees. The charges were made by members of a party of deportees which landed in England two days ago from the S.S. Asonia. The issuing of the statement was believed to be unique, as it has been the customary policy of the department not to come to its own defence when attacked by deportees or immigrants.

The statement was as follows: "An unnamed man claims to have worked in Canada for thirty-six years before being transported back to the Irish Free State. This man is John Parrent. Parrent came to Canada in the autumn of 1920 or 1921, worked at odd jobs until the autumn of 1923 when he became a public charge in the House of Providence in Toronto, and remained such until returned last month at his own request to join his children in Ireland."

"An unnamed man claims to have fought in the Boer and Great Wars and to have been in Canada so long that he lost touch with his relatives in England, and on the return trip was fed on salmon and tinned beef sandwiches. This is Henry Meyrick, who arrived in Canada from England on the January 2nd, 1930, a British pensioner, physically defective, who had done nothing but odd jobs for twenty-six years. Nothing is known of his South African service. He entered Canada from the United States and enlisted at New Westminster in 1915, but was discharged two months later as medically unfit and returned to the United States. This doubtless constitutes his Great War service. He became a public charge at Kamloops in December, 1928, admitted he had suffered for many years from an incurable kidney trouble, and when ordered deported declined to appeal and asked to be returned to England. The department provided him with a tourist sleeper from Kamloops to Halifax."

"Mrs. McCullough claims her husband died in Canada, and that she was returned with five children after a struggle to bring them up Canadianly, only because she asked for help. There was no Mrs. McCullough and family deported on the Asonia. The case is that of Mrs. McKerron, who secured entry to Canada with three children in 1928, falsely claiming to be joining her husband in Hamilton. This woman's husband was never in Canada. He is still in Scotland and she has been separated from him for some years. Because of the conditions existing in the home in Toronto, the mother was in court charged with neglect of her family and the family was sent home after having received public support for several months."

"The Richardson family claims to have been deported after five years fruitless search for farm-work, and after having been treated like criminals. The Richardson family arrived in Canada in May, 1926, for settlement under the three thousand settler scheme. They were placed on a farm near Prince Albert which they left in February, 1928, because Mr. Richardson was unable to carry on through a recurrence of his war disability. He secured work for one year in Prince Albert and gave it up for the same reason. When ordered deported he declined to appeal, and asked to be sent home as he thought his family could live better there on his pension. The family was returned from Prince Albert to England in exactly the same class both rail and steamship as they came to Canada, and at the cost of the Dominion Government."

"William Henry Barraclough claims to have had his photograph published as a criminal, because he asked a Royal Canadian Mounted policeman to arrest him. This man came to Canada in March, 1929, a British Ministry of Labor trainee.

BURBANK, Calif., April 11.—Captain Ira C. Eaker, United States Army Air Corps test pilot, streaked off in a low wing, open cockpit monoplane here at 3:39 a.m. (P.S.T.) today for New York in quest of a new trans-continental speed record.

It was a beautiful take-off. Despite the heavy load of gasoline, Eaker used only about half the 3,500 foot runway to leave the ground. Then he roared off into the darkness for Wichita, Kan., his only scheduled stop.

Taking with him an apple, an orange, some milk, chewing gum and a handful of cigars, Eaker remarked: "I could get along without gas, maybe, but not cigars."

The flier hoped to reach New York in eleven hours or less, including time for refueling at Wichita, which he expected would require about twenty minutes. He said he expected to reach Wichita in about five hours.

Eaker started with 330 gallons of gasoline, one hundred gallons less than capacity, and hoped to average 215 to 220 miles per hour. The record for the west-east flight is 12 hours, 25 minutes, set last July by Captain Frank Hawks, who averaged about 195 miles per hour.

FIRST FOREST FIRE SUDBURY, Ont., April 11.—The first fire of the 1931 season has been reported to the local office of the Ontario Forestry Branch. It was a small grass fire along the Coniston highway, about five miles east of here, and did no damage. This is about four weeks ahead of the first fire last year.

She always looks so smart and trim, Where does she buy her clothes? Her frock for each occasion Tells you that, because she knows.

OLIVE MANN

Skinner Bldg., Sherbrooke

He was placed on several farms, did not save his wages, and almost immediately on becoming unemployed became a public charge in Regina last autumn. Instead of remaining in the relief camp he roamed the country, was picked up and sentenced to thirty days for vagrancy. His story about the publication of his photograph is a myth."

REV. W. C. BROWN NOMINATED AS MODERATOR. BROCKVILLE, Ont., April 11.—The Presbytery of Lanark and Renfrew has nominated Rev. W. C. Brown, of Saskatoon, Sask., as moderator of the next general assembly of the Presbyterian Church in Canada.

RESTRICTIONS AGAINST JEWS IN POLAND RULED OUT. WARSAW, April 11.—A law cancelling the last of old restrictions against Jews in Poland became effective today.

FURS For Spring

Fur neck pieces are in vogue and necessary for every season of the year. We have a wide range of foxes and martens and several other kinds of fur. Our prices are the most reasonable.

STORAGE

Spring is here in earnest. Cool days may still be expected but it is very improbable that winter furs will have to be worn again. Then why risk having them eaten by moths when they cost you but

2 1/2%

to protect them against moths, theft and fire in our safety vaults? For a slight additional cost, you are enabled to enjoy year-round protection. Come and see what we offer.

CANADIAN SHEEPMEN ARE SEEKING A HOME MARKET

Petition Ottawa for Safeguards Against Imports of Wool and Lamb — General Conference Follows Annual Meeting of Wool Growers.

Preservation of the home market for Canadian grown lamb and wool was requested of the Federal authorities at Ottawa in a resolution passed at the Sheep Conference which followed the annual meeting of the Canadian Co-operative Wool Growers in Toronto on March 26th.

At the annual meeting of the co-operative, the president, Colonel Robert McEwen reviewed conditions during the past year. He pointed out that generally speaking wool values had been low but some improvement was noted in the past few weeks.

Notwithstanding the fire of last August which destroyed the main warehouse of the co-operative at Weston as well as seriously damaging the season's clip of wool, a good financial statement was presented by General Manager O'Brien.

All officers and directors were re-elected as follows: Col. Robert McEwen, Ontario, president; Chris Jensen, Alberta, 1st vice-president; S. A. Logan, Nova Scotia, 2nd vice-president; W. A. Dryden, Ontario; Geo. L. Telfer, Ontario; A. W. Sharp, Alberta; John A. McClary, Quebec; Georges Bonchard, Quebec; I. J. Rushton, Saskatchewan; Wm. Kerr, Saskatchewan; George Gordon, Manitoba; J. R. Hume, Manitoba; Geo. C. Hay, British Columbia; A. E. MacLaurin, New Brunswick; Wm. MacGregor, Prince Edward Island.

SHERIFF'S SALE. (The Quebec Official Gazette, March 25th, 1931.)

Public Notice is hereby given that the undermentioned Lands and Tenements have been seized, and will be sold at the respective times and places mentioned below.

Fuel Pianos, Terris Superior Court, District of St. Francis, No. 215, Morisset, Limited, a body politic and corporate, having its principal place of business in the city of Sherbrooke, district of St. Francis, plaintiff, vs. Gasdis Flaminio, of the city of Sherbrooke, district of St. Francis, defendant.

Seized as belonging to the said defendant: That certain parcel of land known and designated as being lot number eight hundred and eleven and lot number eight hundred and ten (811 and 810) on the official plan and book of reference for the East Ward of the city of Sherbrooke, except the forty-five (45) feet East of said lot eight hundred and ten, sold by Henry Bartlett to C. K. Barlett, according to deed of sale before E. B. Worthington, notary, the 5th of May, 1912, and registered in register B, volume 65, number 733—with the buildings and improvements thereon erected and made.

That certain lot of land known and designated as being the thirty-four (34) feet South of lot number thirty-eight (38) and lot number thirty-nine and forty (39-40) on the official plan and book of reference for the East Ward of the city of Sherbrooke, except the forty-five (45) feet East of said lot eight hundred and ten, sold by Henry Bartlett to C. K. Barlett, according to deed of sale before E. B. Worthington, notary, the 5th of May, 1912, and registered in register B, volume 65, number 733—with the buildings and improvements thereon erected and made.

The undermentioned parcels of land known and designated as being part of lot number four (Pt. No. 4), on the official plan and book of reference for the South Ward of the city of Sherbrooke, described as follows: Starting at a point at twenty-three feet and two-tenths of a foot (23 2/10) from the intersection of the West limit of the property of the Grand Trunk, on the South by the residue of said lot number four, on the West by the residue of the land of A. D. Desilets, up to Wellington Street, thence following the East line of Wellington Street up to the land of A. D. Desilets; thence contiguous to the South line of A. D. Desilets to the starting point.

To be sold at my office, at the Court House, in the city of Sherbrooke, on Thurs-day the thirtieth day of the month of April next, at ten o'clock in the forenoon.

C. E. THERRIEN, Sheriff's Office, Sherbrooke, March 23rd, 1931.

BEEBE. The first and only opportunity you have to refreshen the walls of your home with the highest grade of Wallpaper at the lowest prices ever offered in the history of the Eastern Townships. WISE and OTHERWISE

Once upon a time, not many years ago, there were two Farmers named Mr. Wise and Mr. Otherwise who owned adjoining farms. They each had a field of tillage land separated only by their line fence of practically the same soil and drainage and in about the same state of cultivation. These two fields had been plowed the previous Autumn and in each case the proposed crop was to be Oats. Both gentlemen made inquiries concerning the price of Seed Oats and learned they were costing 25c per bushel over the value of Oats for feeding purposes.

Said Mr. Wise, "Well, my Oats are not very heavy, hardly suitable for seed so I shall feed them and buy my Seed Oats," which he did.

Said Mr. Otherwise, "Well, these are hard times and money is scarce so I'll sow my own Oats although they are rather light. At any rate I'll save 25c per bushel and a penny saved is a penny earned, Heh, Heh." So he sowed his own Oats and saved 75c per acre.

AIN'T MEN QUEER

These two fields were prepared and fertilized in the same manner and were seeding during the same week. WHAT WAS THE RESULT?

Mr. Wise harvested a crop that threshed out 56 1/2 measured bushels per acre of heavy grain — while Mr. Otherwise harvested a crop that threshed out only 33 measured bushels of extremely light grain. In other words, for an additional cost of only 75c per acre, Mr. Wise obtained a crop more than double in weight and value than that of Mr. Otherwise. Now, who was WISE and who was OTHERWISE?

The above incident is based on an actual fact and the only liberty we have taken is substituting fictitious names. Furthermore, there are hundreds of parallel cases each Spring.

By the way Mr. Wise, who has gone into Poultry quite extensively, feeds his laying birds UNION LAYING MASH and develops his Chickens with UNION CHICK STARTER and UNION GROWING MASH. He is WISE indeed.

If you are WISE you will send for a copy of our PRICE LIST of Seeds, Fertilizers, Etc. Remember we PREPAY FREIGHT CHARGES on Seed orders amounting to \$25.00 or over.

Great Auction Sale of Horses

One carl ad consigned by J. J. Kerrigan, of Port Arthur, Ont., just out of work. In this lot you will find all good, serviceable workers. A number of matched pairs that have worked together all winter in the lumber woods. These horses were all brought fresh last fall and only worked three months in the woods. Must be sold.

Two carloads of horses consigned by W. C. King, of Alberta, in which you will find a number of well matched pairs. Several young farm mares. In fact almost any kind of horse that you need. Must be sold.

I also have nine pure bred and registered Percheron and Belgian Stallions. One pure bred Percheron mare in foal. Will announce date of sale later. Watch the papers.

M. R. O'DONNELL. MARBLETON Old Time Minstrel Show, Bishop's Crossing, Tuesday, April 14th.

BIRTHS, MARRIAGES, DEATHS

IN MEMORIAM. In fond and loving memory of my father, Henry F. Clifford, who passed away on April 12th, 1920.

Lost to sight but to memory dear. MRS. F. C. DANIELS. Way's Mills, Que.

CARD OF THANKS. We wish to express our sincere thanks and appreciation to all those who assisted us during the illness and death of our dear mother, especially do we thank the Rev. A. J. Oakley and Mr. Whitton, and the choir of St. James Church, and those who sent flowers and loaned their cars. (Signed) MR

HIGHER PRICES ON WALL STREET EXCHANGE TODAY

NEW YORK, April 11.—Stocks worked a little higher today on lazy short covering. Small gains were well distributed, but there was better than average improvement in utilities and steels.

U.S. Steel, Bethlehem, Consolidated Gas, American Telephone, Electric Power and Light, Prairie Pipe and Kennecott rose 1 to 1-1/2. Baltimore and Ohio and Atchafalaya were also up a point, while Union Pacific gained two. American Tobacco made a new 1931 high.

FIND SKELETONS NOT THOSE OF EARLY JESUIT MARTYRS

Believe Remains Are Those of Tortoise Tribe of Iroquois and Two Dutch Traders.

AURIESVILLE, N.Y., April 11.—Skeletons of six Indians and two white men undisturbed through three centuries will be returned to the sod of the Hill of Tortoise from which they were taken in the belief the bodies might be those of three martyred saints killed by Indians.

Rev. Peter F. Cusick, director of the shrine marking the torture and death of the trio of Jesuit missionaries, among the first from North America to be canonized, said today excavations on the same grounds would be discontinued. The bones will be reinterred in another section of the grounds.

It was considered the finding of a small trinket resembling a tortoise fixed the skeletons as those of long ago members of the Tortoise group of the Iroquois Indians. The bones of the white men were believed to be Dutch traders who died while bargaining with the Indians.

inadequate transportation facilities. A monthly Canadian steamer to and from South American ports is reported weak service as compared with ten or twelve from New York alone. This is particularly true today, when prompt service is so large a factor in the development trade. Then, too, there is the question of Canadian commercial representation. One returns from the Latin-American countries impressed with the fact that those who are responsible for representing Canada commercially, scant in numbers and lacking in status, are faced with an almost impossible task, when competing with the representatives of other countries, many much smaller than Canada, but who, nevertheless, are all supported by strong staffs and full status. These matters should have immediate attention.

AN UNUSUALLY LARGE AMOUNT OF GRAIN HELD

Exceptionally Heavy Supplies of Many Grains Noted, Twice as Much as Last Year.

OTTAWA, Ont., April 11.—The total stocks of grain in Canada at March 31st 1931, were higher than in any previous year at the same date.

The quantity of wheat in Canada was 275,190,987 bushels, considerably higher than the figure of 228,646,367 bushels on March 31, 1930. These figures are based on returns received by the Dominion Bureau of Statistics from elevators, flour mills, railway companies, and crop correspondents.

The total wheat in Canada at March 31st last, as compared with the total for March 31, 1930, within brackets, is composed of 169,277,278 bushels (169,954,132) in elevators and 105,913,709 bushels (88,633,000) in farmers' hands; and 7,280,712 bushels (4,358,494) in transit by rail.

The total quantity of oats in Canada on March 31, 1931, is estimated at 210,272,566 bushels, as compared with 105,666,003 bushels at the same date in 1930, the total for 1931 comprising 165,659,076 bushels in elevators and flour mills, 192,104,000 bushels in farmers' hands and 1,509,590 bushels in transit by rail.

The quantity of rye in Canada on March 31, 1931, was 20,773,885 bushels, as compared with 11,040,353 bushels, as compared with 11,040,353 bushels in 1930, the total for 1931 being made up of 13,259,880 bushels in elevators and flour mills, 7,309,000 bushels in farmers' hands and 204,705 bushels in transit by rail.

According to the reports of crop correspondents, 22 per cent of the 1930 wheat crop remained in farmers' hands at March 31, 1931. This proportion represents 88,633,000 bushels out of the estimated production of 397,872,000 bushels. Seed for the 1931 crop included in the stocks in farmers' hands. Comparable figures for March 31, 1930, are 15 per cent and 46,304,000 bushels, and for March 31, 1929, 11 per cent and 64,164,000 bushels. The quantity remaining in farmers' hands this year is lower than expected because of farm disappearance as feed for live stock and poultry.

Of the total estimated wheat crop of 1930, viz. 397,872,000 bushels, 1.1 per cent or 4,302,000 bushels is reported by crop correspondents as having proved of unmerchantable quality. Of the remaining crops, the quantities in elevators and flour mills are 15 per cent and 46,304,000 bushels, and for March 31, 1929, 11 per cent and 64,164,000 bushels. The quantity remaining in farmers' hands this year is lower than expected because of farm disappearance as feed for live stock and poultry.

CONSTRUCTION OF A CIVIC AIR PORT LIKELY

Meteorological Service Will Also Be Established at Toronto, According to Plans at Present Under Consideration.

OTTAWA, Ont., April 11.—Establishment of a civic airport in Toronto, Ont., was discussed here by a deputation headed by Major William Stewart which waited on officials of the Department of National Defence. A departmental expert will go to Toronto and advise the city on the site and other kindred subjects and G. J. Desbarats, Deputy Minister, promised a government grant not exceeding \$10,000 to assist in the cost of installing beacon lights.

BILL TO LEGALIZE SUNDAY MOVIES WAS ISSUED TODAY

Stage Plays and Boxing Matches Barred on Sundays, But Other Forms of Entertainment May Be Held.

LONDON, April 11.—The Government bill to legalize Sunday movies and other Sunday performances was issued yesterday. It gives the local authorities power to grant "Sunday opening licenses" which would permit any place within the area to be open on Sunday for public musical entertainment, motion picture shows, exhibitions of animals or inanimate objects and for public debates, but not for stage plays or boxing.

There is a new siren song in Hollywood. It comes from the thin steel blade of a hand-saw and a caressing violin bow. Marlene Dietrich is the virtuoso of this new means of making sweet music from this strange combination of instruments.

There is a new siren song in Hollywood. It comes from the thin steel blade of a hand-saw and a caressing violin bow. Marlene Dietrich is the virtuoso of this new means of making sweet music from this strange combination of instruments.

STOCK AVERAGES

The average price of twenty representative securities listed on the Montreal Stock Exchange yesterday was 40.90, which was a gain of .17 over the average price of Thursday.

PRICES AND DETAILS OF SHERBROOKE MARKET

A sharp drop in the price of eggs featured the trading at the Sherbrooke Market yesterday. Fresh eggs were offered at twenty-four to twenty-eight cents a dozen, compared with thirty-one to thirty-eight cents a week ago. No storage eggs were offered yesterday.

Maple syrup and sugar were rather scarce, and the quality not up to its standard. Prices were twenty-five cents a pound for sugar and \$2.00 to \$2.25 a gallon for syrup.

CANADIAN TRADE DELEGATION TO SOUTH AMERICA REACH HALIFAX

Colonel Woods, "The trip was on every count most enjoyable and the delegation cannot speak too highly of the splendid services rendered by the Canadian National Steamships." Elmer Davis, president of the Canadian Manufacturers' Association, said "that the Canadian will and trade mission has been successful beyond our highest anticipation will be readily admitted by every member of the mission. We left Halifax as a band of ambassadors for Canada charged with the responsibility of creating a feeling of goodwill toward Canada in the countries we visited and acquiring information as to the possibilities of increased trade.

Quality Features of Higher Priced Cars

HEALTH VITALITY

They are lovely. Never had chicks like them before. They actually look weeks older than they are—thanks to Blatchford's. Now I wish we had used Blatchford's last year.

It costs only 1 1/2 to 2 1/2 cents to raise a chick 30 days on Blatchford's Chick Mash. Protect your investment, avoid losing your chicks—by feeding—Blatchford's Chick Mash.

That's only 12 to 15 cents to raise a chick to 3 months—and Blatchford's builds a real foundation for a life of heavy egg-production.

No other mash costs so little as Blatchford's when figured out on the basis of the actual number of chicks raised in good health.

There is None just as good. Be sure to ask for Blatchford's.

Your Local Dealer

Blatchford's Chick Mash. It provides plenty of all the elements needed to build all parts of the body, strongly and rapidly, ensures the best of health and supplies surplus vitality to resist disease.

Also Blatchford's All-in-One Chick Mash. A balanced All-Mash ration—No grain required.

And Blatchford's Battery Brooder Mash. Especially prepared for Feeding in Brooders.

Blatchford's Chick Mash. THE CERTIFIED SAFE CHICK MASH. EXCLUSIVE PROCESS.

BASKETBALL IS ATTRACTION ON SPORT STAGE

First Eastern Canada Interscholastic Championship Has Been Decided, While Five Teams Remain in Running for Dominion Senior Title.

TORONTO, Ont., April 11.—This is the time of the year when basketball enthusiasts have their innings. With the hockey season practically finished and summer athletic activities a few weeks distant lovers of other varieties of sports join with the supporters of the ball tossing game to cheer their favorites on to the various championships.

In the East three teams are battling it out. At Montreal, Saint John, N. B. Trojans, Maritime titlists, meet North American Life quintets where an unusual conqueror of the Ottawa and district honors, in a two game series for the right to challenge St. Catharines, Ontario's best in the senior division. The Easterners play the first game on Monday and the second on Tuesday.

The Montrealers and Ontario champions are favored to meet in the Eastern final. The North American five lost only one game during a strenuous city league schedule. The fierce battle for their district title provided them with plenty of experience and this factor should give them a slight edge over the clever Maritime representatives.

St. Catharines Grads will keep in fettle for the final by playing exhibition tilts. Tonight they play in Toronto against an all-star squad at Varsity Arena where an unusual experiment has been tried and found a great success. A court was laid out on the ice surface and not only proved fast and smooth but also provided plenty of playing space.

In Western Canada the competition has resolved itself into a test of superiority between Winnipeg Tollers, Manitoba monarchs and the Vancouver five, British Columbia titleholders. The Union Jacks of Raymond, Alberta's survivors, defeated the Tollers, who are ranked one of the finest Western teams produced in years.

For the first time in history Eastern Canada interscholastic championships have been crowned. Pickering College, Newmarket, are the proud holders of the new born title. Last night they defeated Sherbrooke High School, Quebec champions, 36 to 26, in the second game of the series after winning the first on Thursday night, 39 to 25. The successive victories gave them the round, 75 to 51.

Sam Rogers, president of the Canadian Amateur Basketball Association, presented the Pickering College five with a handsome trophy, which will be competed for annually hereafter.

SENIOR CHAMPIONSHIP

MONTREAL, April 11.—St. John Trojans, Maritime senior basketball champions, leave for Montreal tonight for the two-game series with North American Life Assurance Company five, Quebec-Ottawa Valley winners, on Monday and Tuesday nights in the semi-final round of the Eastern Canadian cage playdowns. The winners of the series here will travel to St. Catharines, Ont., where Grads, Ontario champions, will be the opposition in the eastern final.

The local players held their final drill on Thursday night, working out against the championship Central "Y" junior aggregation, but Manager Eddie Gronau will hold one more drill this evening. It will be of a light nature, in a last effort to get the shooting eyes of his forward line tuned up.

Despite the brilliant season which the N.A.L.A.C. team went through, the Assurance players are not displaying over-confidence in the outcome. The Maritime champions are strong and will undoubtedly prove the stiffest opposition that the local champions have met this year, but on their work the followers of the double blue squad are looking for a victory on the round.

GOLF

THREE RYDER CUP PLAYERS REACH SEMI-FINALS

LONDON, April 11.—Three Ryder Cup players and a young and comparatively unknown Irish professional occupied the semi-final round brackets in the annual Rothampton invitation tournament today. Charles Whitcombe, captain of the British Ryder cup squad which will meet the United States at Columbus, Ohio, in June, was matched against Fred Robson in one battle and Herbert C. Jolly against Mike Bingham in the other. Robson and Jolly also will be members of the International team, but Bingham, the youngster, was not even given consideration as a possibility for the team.

HOCKEY

VANCOUVER BEAT OUT RANGERS

VANCOUVER, B.C., April 11.—The last period of the New York Rangers was not enough to carry them past Vancouver Lions here last night, and the Lions won the second of their exhibition hockey series by 5 to 4. Lions led by 4 to 1 at the end of the second period, but two goals by Bun Cook and one by brother Bill nearly put the Rangers even. Frank Jerwa scored for the Lions early in the period, and they just held their lead.

WANTED TO KNOW

Mistress—Are there any questions you would like to ask? New Cook—Yes'm. Where shall I put your car after I get mine in the garage?

PICKERING WON CHAMPIONSHIP LAST EVENING

Defeated Sherbrooke High by Score of 36 to 26 in Second Game to Take First Eastern Canada Interscholastic Basketball Championship by Round Score of 75 to 51.

TORONTO, April 11.—Pickering College, of Newmarket, last evening became the proud possessors of the splendid trophy presented for the Eastern Canada interscholastic basketball championship by vanquishing the threat furnished by a courageous band from Sherbrooke, Que. On the same floor that had been the scene of their initial triumph, the Collegians conquered the Quebec titleholders by a 36 to 26 count last night to win the round and the first championship of this nature by a total score of 75 to 51. While eight thousand enthusiastic fans paid a stirring tribute to the plucky exhibition and sportsmanship of the losing squad, the youthful Faulds accepted the trophy presented for annual competition by Samuel Rogers, president of the Canadian Amateur Basketball Association.

The Sherbrooke aggregation, who took the measure of the Commissioners' High School, of Quebec, the Westmount High School and the Maritime representatives, Carleton Vocational School, of Woodstock, N. B., in their triumphant march which ended last night, were gallant in defeat. Facing a fourteen point deficit as a result of the 39 to 25 defeat they succumbed to on Thursday night, the Eastern Townships lads put up a determined fight in the first half and for a great deal of the first period were within two points of tying the score on the round. At half time, however, the superiority of the Pickering substitutes took its toll, and Sherbrooke's advantage in the match was reduced to a solitary point. The score when the two teams took the floor for the last half stood Sherbrooke 15, Pickering 14.

Pickering, whose substitutes were equally as efficient as the regulars, displayed a decided edge in the second half. The regulars' defence applied a steady pressure on the Sherbrooke defence that rapidly wore down the Easterners' power of resistance. The blue clad clan from Newmarket shook off their opponents and forged ahead to take their point victory and the championship by a comfortable twenty-four point margin.

Pickering's floor game could not be called a decidedly brilliant exhibition, but its wearing effects were evident. Once they found the weakness in their opponents' defence they hammered attack after attack, and most of the baskets that combined to give them their victory were scored from well inside Sherbrooke's defence zone. Alternating their dribbling drives with long shots, the champions presented a diversified attack which at times baffled the Quebec titlists.

While the Ontario representatives gave a heady team display, Sherbrooke was possibly a more brilliant individual quintette. "Horsey" Horsfall, whose hectic, hurried sorties gave both himself and his mates a great many scoring chances, was possibly the most pleasing offensive player of the fracas. Ernie Hall, who held down the left forward berth for the losers, was not afforded many passes by his teammates but his shooting when he did have possession of the ball pestered the Pickering guards.

Personal fouls again robbed Sherbrooke of the services of two of its twine three time regulars, who had proved a thorn in the side of the champions in the first encounter, was taken from the game when referee Webb Bowman called four personal fouls against him, while Russ Harper, brilliant guard, followed in the same manner. Pickering lost Minchinton by the foul route, but the alternate who replaced him kept the winners' attacks as strong as formerly.

McAllister was the high scorer of the evening. He accounted for twelve points through the medium of four field baskets and four penalty shots. Faulds added nine points to his team's total with four baskets and one foul. Horsfall and Ross were next in order with six points each to their credit. Horsfall dented the twine three time regulars, who had proved a thorn in the side of the champions in the first encounter, was taken from the game when referee Webb Bowman called four personal fouls against him, while Russ Harper, brilliant guard, followed in the same manner. WOULD EXTEND TERRITORY OF SOCCER LOOP

Four Teams, Three Rivers, Beebe, Magog and Knowlton, Apply for Admission to Eastern Townships Football Association.

The Eastern Townships' Football League this year may embrace the greatest territory ever covered by a single loop in the Province of Quebec, stretching from Three Rivers on the north to the International boundary and from East Angus to Knowlton.

In addition to the teams already entered, four other squads have applied to the Eastern Townships' Football Association for membership. These are Knowlton, Magog, Beebe and the Wabasso, of Three Rivers, and the applicants will be dealt with at a special meeting to be held in the Y. M. C. A., on Monday evening at 7.30 o'clock, at which representatives from the five teams already in the circuit will discuss the situation.

The League is at present composed of East Angus, Drummondville, Asbestos, Sons of England and Quebec Central, the latter two of Sherbrooke. The two local squads are having their first work out of the season on the Parade grounds this afternoon.

GANDHI AT CONVOCATION OF NATIONAL UNIVERSITY

AHMADABAD, India, April 11.—Mahatma Gandhi, making the presidential address today at convocation of the National University, which he founded in 1920, predicted that if the civil disobedience fight had to be resumed it would be fiercer than before.

"I try my utmost for permanent peace," he said, "but I find nature against us. To win swaraj (home rule) for 300,000,000 people is not easy. Those who have been steeped in slavery will not be awakened soon."

He urged simplicity on the part of all public workers, advising that they travel afoot rather than in automobiles, although if necessity demanded even aeroplanes might properly be used.

BOUCHARD AND CHARTRAND ARE FREED BY JURY

Jury Deliberated Seven and a Half Hours in Case of Civil Service Employees Charged With Manipulation of Examination Papers.

OTTAWA, April 11.—A verdict of not guilty was returned after seven and one half hours deliberation by the jury in the case of J. Leo Bouchard and Lionel Chartrand, Dominion Government employees, charged with conspiracy to defraud in connection with alleged manipulation of Civil Service examination papers.

The verdict, returned shortly before last midnight after an eight day trial at the spring assizes of the Supreme Court of Ontario, does not free Bouchard, former senior examiner for the Civil Service Commission, and Chartrand, employed in the income tax branch. The jury decision disposed of but one of three joint indictments against the men.

The other two counts charge conspiracy, and conspiracy to common law. There are also seven indictments against Bouchard alone, comprising charges of alleged forgery, fraud and falsification of documents. Trial on these remaining charges has been traversed to the fall assizes and in the meantime the two accused are on freedom under \$4,000 bail each.

ACTON VALE ASKS GOVERNMENT TO GRANT FINANCIAL ASSISTANCE

(Continued from Page 1)

Fisher tenement and was unscathed by the flames. The course of the wind must have carried sparks in all directions, for the next point of ignition was the Couture apartments on Major street, a distance across an open field of close to fifty rods from the seat of the outbreak. This new situation required more help than the local brigade could muster, and the emergency call was sent to Sherbrooke. By the time the better-equipped fire apparatus had covered the twenty-five miles the Couture tenement was a mass of flames. When the destruction of this house had been completed the basement was all that remained.

A gaunt chimney is all that remains of what was once the stately

ARE PREPARING FOR BEGINNING OF NAVIGATION

One of the "Duchess" Boats Expected in Montreal Harbor on April 17.

OTTAWA, April 11.—With the opening of navigation on the St. Lawrence River scheduled for a week from yesterday, the Department of Marine is engaged in pushing ahead its work of preparing for the influx of shipping. One of the "Duchess" boats is expected in the Montreal harbor on April 17th, but another steamer, which will make North Sydney, N.S., on April 13th, may prove to be the first boat up the St. Lawrence River this season.

From Montreal down to the sea, the navigation aids, such as buoys, lightships, spars and fog stations, are being renovated and placed in position. Two Government steamers, the Montclair and the MacLean, are standing by at Souris, P.E.I., and North Sydney, N.B., to patrol Cabot Straits when the season opens. All the navigation aids will be in readiness by the middle of next week.

FOOTBALL

MOTHERWELL AND CELTIC PLAYED DRAW

GLASGOW, Scotland, April 11.—Motherwell and Celtic fought to a two all draw in the Scottish Football Association Cup final at Hampden Park today. Motherwell set up a lead of two goals in the first half, but the aggressive Celtic team put on a great rally in the last period to knot the count.

Be thrifty Buy Quality

In artistry of design and brilliance of action, the new Willys-Knight takes front rank among the most luxurious cars of the day. Particularly appealing is this car when it is considered that its price represents a saving of \$800.

Most important of all, the new Willys-Knight gives you all the inherent advantages of the patented Willys-Knight double sleeve-valve engine... the simplest and most efficient of automobile power plants, and to this firmly established engine has been added an enviable array of improvements. It is the most powerful car ever produced by Willys-Overland. It develops 87 horsepower with a top speed of more than 80 miles per hour. It will do 50 miles per hour in second gear, quietly and easily. This remarkable power plant is rubber insulated in a strong, all steel doubledrop frame.

The wheelbase is 121 inches and the tread is 58 1/4 inches wide. The seats are wider and the front seat is adjustable to the angle that fits you. Bodies are roomier.

See this fine car and ride in it. Experience something new in motoring.

\$1625 for the Sedan or Victoria Coupe. All prices F.O.B. Factory, Toronto, Ontario. Taxes extra. Manufactured in Canada

residence of Eugene Cutler. Outlined against the horizon, the tall smokestack stands a sentinel over the ruins of the building of which it had once been a part. Apart from this link with the past, a cement stairway leading to the entrance still stand, a sinister reminder of the beautiful home it had once formed the entrance to.

The Garreau house, adjacent to the Cutler home, was brought into the range of the raging element when the wind veered momentarily. Here, however, the efforts of the firefighters met with success, and beyond damage to the roof and by smoke and water, the house is habitable. The rain, which fell overnight added to the desolation. The irony of rain falling a day too late would probably have been the result had it fallen twenty-four hours earlier.

A chance spark also found its resting place on the Bertrand home, but apart from smoke and water no serious damage was caused there. The combine efforts of the three fire brigades, the local force, aided by Sherbrooke and Dixville, had by this time gained the upper hand. In the Dandenault house, the family had started to remove the furniture when the fire threatened, but a constant stream of water prevented the flames from igniting that residence and the Baldwin premises on Main street. The grass behind the Baldwin home was set afire, but the flames made no further progress.

Although suffering severe losses from the disaster, the unfortunate victims have assumed the stout-heartedness which marked the disposition of the survivors of the 1923 holocaust. Sheltered temporarily by kind relatives and friends, they are preparing to build up new homes on the sites which once had held everything they cherished.

Admiration and thankfulness for the incalculable succour afforded by the Sherbrooke and Dixville firemen was on every tongue today. High words of praise for the valiant efforts of the out-of-town firefighters were heard on all sides, and testified to the appreciation the residents of Costicook feel towards their saviours.

TECO STORE

Hours: Daily 9 a.m. to 6 p.m. Friday: 9 a.m. to 9.30 p.m.

Monday Brings Specials in Women's & Girls' Wear
