Paul Martineau Deputy Speaker

Paul Martineau M.P.

The Prime Minister has stated that Paul Martineau, M.P. for Pontiac-Temiscamingue will be Deputy Speaker of the House of Commons for the coming session.

Nominations across the Pontiac

Nominations took place in many Pontiac municipalities yesterday. At Shawville nine men were nominated being the three present councillors who are up for re-election (Allan Black, Irvine Cone and Russell Judd) as well as six new contenders: Dr. Frank Cowley, Donald Dods, Clarence Dean, Brent Horner, Keith Hodgins and Clifton Woodley.

In Otter Lake four new names will contest three seats. They are Delbert Zacharias, Basil Quail, Rheel Racine and Elmet Earle.

Thorne's Albert Dahms has been returned to Seat 1 by acclamation. Austin Sparling's place is being contested by Max Schwartz and Ebert Turcotte's seat is contested by Walter Yach. Mayor Paul Bretzlaff's council also includes Christie Holt, Fred Milkie and Dave Tubman.

Waltham's election will be between Kenneth J. Robinson and Leonard Perry for seat 3. Robinson has been in council since Jean Paul Pilon was disqualified by non-attendance at three meetings. Cliff Robinson will have Seat 1 by acclamation replacing Guy Rochon. Maurice

Beaubien replaces Lloyd Murray in Seat 2, also by acclamation.

In Litchfield David Belanger, Alfred Jay and Fred Crawford will return to council uncontested.

In Quyon Seat 1 now held by Martin Dowe is being contested by Laurie MacKechnie and Alex Thomas, Seat 2 now held by Marcel Beaudoin is being contested by Basil Murphy and Seat 3 now held by Lyle Bronson is being contested by Leo Gibbons.

Bristol has eight contenders: Clarence Roy and Francis Bourgeau contesting Robert Russett's seat 4, John Smith and Donald Duff contesting William Marks seat 5 and Hilliard Beattie contesting Gerald Ireland's seat 6.

In Clarendon Arthur Carson, Edgar Connolly and Ivan Lewis were nominated for seat 2, now occupied by Ivan. Melvin Stanley and Joe Smiley were returned to seats 6 and 5 by acclamation.

In South Onslow Lorne Draper and William Dowd are running for the latter's seat 1 and J. S. Stanton and Gervais O'Reilly for the latter's seat 3. Vincent Kilroy declined nomination for seat 5 leaving it to Lloyd Henderson by acclamation.

"Fort Coulonge Is An Active Town"

So states an ex-Coulonger writing to give us a blast for not publishing the news from that town. The blast is well deserved and we are just as sorry as he is that we can't seem to get the news in Coulonge.

We do try, though. We even had two correspondents there for a while but since Rev. C. Younger-Lewis left the coverage has never been the same.

If there is anyone in Fort Coulonge who can let us know what the council there is doing, what the fifteen odd clubs are up to, about accidents and breakdowns and weather conditions and sports and school affairs and public meetings and photo-nite winnings at the theatre and birthdays, anniversaries and so forth — please get in touch with us. Write to The Equity, Shawville.

Fort Coulonge is an active town and there is nothing we would rather do than put its news in The Equity.

Shawville Rotary

Shawville Rotary members were not surprised to hear at this week's meeting that they were in debt but the exact amount of overdraft was divulged for the first time. Over three hundred dollars in the hole, the Rotary nevertheless voted a continuance of their regular free skating periods for the children. As always, the skating will be supervised by members of Shawville Rotary.

A suggestion was made that some of those young people in town who, as children, were able to take advantage of free Rotary skating periods might now help out by supervising the little ones. The suggestion was quashed because apparently through experience Rotary has discovered that such young people will not take the responsibility. A committee of Rotarians will draw up duty lists for supervising the rink.

Meanwhile committee work will be going ahead on two other matters. First will be the problems of getting out of the red. With managers of both Shawville banks in the membership and neither showing particular worry about the club's insolvency, the members still feel their service to the community would

come, we shall endeavour, to our way of thinking only, to pick out 3 stars. Certainly we don't expect anyone to agree 100% with us as all eyes don't see alike, but in a friendly way, we want to give credit to those who worked a little harder to make it such a good game. We don't want to be picking the same three every week, so now it is up to you boys to be one of the three occasionally. Our writer sees it this way this week: 1. Ivan Saunders, a hard working, hard hitting and hard falling fellow with one goal to his credit; 2. Desi Keon with two goals which no doubt made him shine; 3. That hard working, fast flying fellow, the one who first found Pembroke's net, Royce Richardson.

Mention must also be made of Earl Powell's fine playing, but perhaps he'll find the top of the list next time.

For lineups see Page Seven.

Merit Certificates For Christmas Decorations

Certificates of Merit for Christmas decorations have been awarded to twelve people by the Chamber of Commerce of Shawville and District. Best decorated home in Clarendon was that of Gordon McBride; in Bristol Ken Musgrove and Charles Russell won the awards. Verner Thrun and Walter Yach shared the honors in Ladysmith and in Shawville the certificates went to John S. Hodgins and Edgar Hodgins.

For commercial establishments, Pontiac House in Shaw-

ville came first with Ruby's Restaurant second. Bretzlaff's Store took first prize in Ladysmith where John Hitz's Silver Maple Inn won the second award. Leo Roy's Store in Bristol Mines won the certificate for that district.

Having completed the Christmas Decorations project for another year, the Chamber of Commerce is now busy trying to select a Citizen of the Year for the area. They would appreciate more suggestions from our readers to be mailed to Chamber of Commerce, Shawville.

New Organization

Mrs. Gordon Paul Heads United Church Women Here

The first meeting of the newly organized U. C. W. (United Church Women) was conducted in the Sunday School room of Shawville United Church, Thursday, January 4.

Rev. E. I. Johnston officially opened the meeting with a few remarks on the successful blending of two well established organizations, namely W. A. and the W.M.S. and the pleasant attitude here of all the ladies towards this new union. He presided for the election of officers which are as follows:-

be facilitated by a plus bank balance. An ingenious suggestion has been made which, if carried out, will create quite an interesting diversion come spring and also wipe out a good part of the debt.

The second matter under consideration is a fitting way to celebrate 15 years of good works as the oldest service club in the district.

Honorary Pres., Mrs. Ervine Johnston; President, Mrs. G. T. Paul; 1st Vice President, Mrs. Milton Hodgins; 2nd vice President, Mrs. Walter Kilgour; 3rd Vice President, Mrs. Allan Black; Recording Secretary, Mrs. Norris Horner; Corresponding Secretary, Mrs. Stan Widdicombe; Treasurer, Mrs. Nellis Hodgins.

Following this a new and interesting business and worship meeting was conducted by the President. Sunday, January 7, Rev. Johnston conducted the inaugural service. This same program was conducted in all United Churches across Canada.

Sunday afternoon, Mrs. Norris Horner was present at Chalmers United Church in Ottawa to attend the election of officers of the Ottawa Presbytery of United Church Women. We are proud that Mrs. Horner should be one of the seven vice-presidents chosen for geographical areas.

Five Generations

Mrs. William John Hodgins was visited by members of five generations at the home of Emery Hodgins, Bristol, recently and a photograph was taken to mark the occasion. In the picture are Mrs. W. H. Hodgins, seated, her son Arthur, standing behind her, grand-daughter Mrs. Fred Stanley, great-grandson Donald Stanley and in front is Mrs. Hodgins great great grand-daughter Betty Lou Stanley.

With The Curlers

Grace Nichols skip, Marge McCredie, Idena Orr and Helen Towell won their match in Renfrew yesterday afternoon in a friendly bonspiel. This afternoon (Thursday) we hope Freda Tanner, Berta Carswell, Pat Harris, Jessie Langdon, Mary Dale, Gladys Black, Mayfred Dods and Doris Hodgins the same luck. They curl against Renfrew at Fort Coulonge in the Lady Tweedsmuir preliminaries.

In the ladies Shield play in Shawville Freda Tanner, Marge McCredie, Idena Orr and Audrey Jacques have yet to be beaten.

The men's pre-preliminaries for the Governor General's trophy are still unfinished but Art Kilgour still looks good with Percy Belsher as a possible second four.

Ron McCredie, Don Dods, Raymie Rowat and Frankie Finnigan came very close to winning the first round of the Jubilee Bonspiel at Pembroke last night. It was the last rock that decided the game. With the winning rock counting for Shawville, our four watched as Arnprior's crack skip, D. Short took it out on the last turn. Anyway they had a good game and a wonderful time was had by all.

'Atomic Survival' At Shawville Hi

The public is invited to hear about atomic survival in the auditorium of Shawville High School next Wednesday, January 17, at 8:30 p.m.

The talk will be given by Col. L. Smith, Commandant of the Canadian Civil Defence College at Arnprior. His address will be

Pontiacs Ground Flyers

In the UOVHL, Shawville Pontiacs defeated Pembroke Runge Flyers here Friday night, January 5, by a score of 6 - 4 in an exciting and cleanly played game. There was a good attendance at this the first game that the Pontiacs have played hosts in the new arena.

The visitors made a good showing in the first period ending

period 3-2, and our boys returned a little happier to their dressing room, back in the game again, but still on the losing end.

The third period provided all the sensation any hockey game could. Fifty seconds after the period opened, Earl Powell slammed home another to tie it 3-3 before a roaring crowd of adults and youths. Powell at this moment became the most loved player on the ice. Then the scoring spree started and the well organized Flyers began to get just a little bit disorganized as our boys put on the pressure. They all wanted to get in on the scoring and by the mid-way mark of the 3rd period Shawville was leading 6-3, supported by a lusty voiced group of Shawville fans. The

ing with a 3-0 lead over the home town team. Shawville players seemed to be out to lunch several times and looked a little tired beside their lively competition.

Lightning struck in the second period but when Royce Richardson found the end where the Pembroke net was, he made his effort pay off with a truly beautiful goal. After a half dozen practice shots on the Pembroke goalie by the Shawville lads, and having made him do the splits, the twist and you name it, Murray had his turn at turning on the red light. Thus ended the 2nd

followed by a film about the effects of an atom bomb and then a question period during which Col Smith will try to answer all queries.

Light refreshments will also be served by the Home and School Association, sponsors of the event.

Flyers scored again at the 13:50 minute mark to make it a 6-4 score frozen here until the end of the game. Last three goals scored for Shawville were by Ivan Saunders with one and Desi Keon with 2. Only 3 penalties were meted out; one to Pembroke's Hal Cain and Shawville's Bob Findlay for roughing and to the home town goalie Therien for the rather unusual performance of trying to mind the net lying behind it, but of course, on top of the puck. It seems that isn't allowed in the hockey book of rules. Oh well, we all learned a few things from our Pontiacs Friday night. One thing for sure in this, any team plays better with support and we the citizens must do just that. So let us get out, support and cheer for our lads. There is just nothing that sets up a players speed like the roar of encouragement from the fans.

This week, as in week's to

FAMILY HISTORIES

We are given to understand that certain of the information in the historical column about Pontiac families is incorrect. This should not surprise anyone because the task that Father Gravelle has set himself is beyond the scope of any one man.

As the columns are published each week, it is the hope of the Historical Society that all the errors will be corrected by the families concerned and these corrections sent to Father Gravelle at Otter Lake or to The Equity in Shawville. These corrections will then be added to his vast genealogical files so the record will be correct. If they aren't corrected in this generation they may never be corrected so it should be done now. It may not seem important to you that a sister or uncle is not included in the record but it will be most helpful to future generations to find them there. Just one person missing can prevent a whole line of descendants from knowing who their ancestors were.

It isn't just everyone who particularly cares but for the sake of those who do and who will, please let us know when you find mistakes in the family histories.

ALCOHOLICS ANONYMOUS

There are alcoholics in Quyon and Chapeau and the country in between. There's nothing anonymous about them. In Shawville, Bryson, Otter Lake, Lady-smith, Campbell's Bay, Fort Coulonge and the rest of the County you just can't be anonymously alcoholic. If you're it, everybody knows. For this reason you're in for a lot of well meant advice from friends and neighbors, to say nothing of relatives.

If you are really an alcoholic you can't follow the advice. Nothing from others can help you — it has to come from yourself.

The organization Alcoholics Anonymous has been operating in many countries for many years on this understanding. The reason they understand the way to cope with alcoholism is that everyone in the organization is or has been an alcoholic. They're not ashamed of that fact any more than one can be ashamed of being nearsighted or diabetic. They just face the fact and do something about it.

Whether you are alcoholic yourself or have become interested in the problem because of some friend or relative, you would find it interesting to hear all about it.

A Protestant minister and a Roman Catholic priest in Campbell's Bay are jointly sponsoring a public discussion of Alcoholics Anonymous. People with the problem will be there to explain how AA works. Men and women from the whole area are invited to attend this meeting, at 3:00 in the afternoon at the St. John High School, Campbell's Bay. Sunday January 14. That's this Sunday.

The best result of the meeting would be the establishment here of a branch of the AA organization. Our alcoholics can never be anonymous but if AA gets started here, a good number of them will also cease to be alcoholics.

CITIZEN OF THE YEAR

The Chamber of Commerce has only one nomination in so far for Citizen of the Year for Shawville and District. They would like a little more scope for choice and the deadline for suggestions is Monday, January 15.

Here are some suggestions from the committee. The C of the Y could be named for bravery, scholarship, leadership, service club work or their contribution to council, school board, hospital board, Home and School, the advancement of sports, town improvement or anything else which is worthwhile for Shawville and district. The award could even go to a group of people who have been jointly responsible for something worthy.

Think. Someone will come to your mind. Then send your suggestion to the C or C soon as possible.

Grains of Sand

Phoebe McCord will be a guest on Valley Weekly over Channel 13, CJOH-TV, Sunday at one o'clock.

When will John Diefenbaker earn??? The Equity is published on Thursday and we would appreciate it if he would make his pronouncements about our Member either Wednesday evening or Thursday morning. NOT on Friday!! By now you all know Paul Martineau will be Deputy Speaker of the House when Parliament reconvenes next Thursday. Congratulations Paul, we're proud of you.

Rink hopping has been observed by some fans now that there is exciting action at both Richardson's and Agricultural every night. That is to say people start out the evening at one rink and finish it out at the other. The favorite for spectators seems to be Agricultural (because you can watch the game through the glass if your feet get cold outside) but some nights, especially Tuesdays, the more exciting games are at Richardson's. But then of course at Ag there's a double header. Decisions, decisions — no wonder some of us are rink hoppers.

Another sort of rink hopper is the mad fan who literally hops over the boards onto the rink to help the referee make his decisions. This often results in more than the usual quota of blood on the ice and doesn't help the game any. Maybe it's one method of keeping warm while watching hockey. There are other methods we might suggest.

Add one new sport to the winter scene. Wrestling. On the ice. Sorry we can't publish a schedule or list of competitors because you never know who or when these things will happen. But you get this added attraction all for the price of a single admission to either rink. Perhaps the curlers should resort to brawls on the ice to attract spectators.

Lady president of Shawville curlers, Berta Carswell informs us all we need to draw people over to the curling rink is tell them about the new hot sandwich maker. (No its not one of the girls — it's a little electric appliance which turns out smoked meat, cheeseburgers, etc. . .)

Inspector Congratulates Bristol School Board

To the Members of the Catholic School Board Municipality of Bristol, c/o Mrs. Jeannine Gionet, Secretary - Treasurer.

To the Trustees:

It is with great pleasure that I write this letter to express my impressions following my recent visit in your municipality.

Your school is new and is kept scrupulously clean. The floors shine with cleanliness. It is easy to see that the teachers take an interest in keeping your school in the same state as it was in the beginning. Furthermore, the classrooms are decorated with taste and intelligence. The maps and pictures are pleasing to the eye and add to the children's education. Congratulations to one and all for this continued care and interest in your beautiful school.

I have had the pleasure to converse with your Principal, Mrs. B. Stanton. This competent and devoted person has the success of classes at heart. Apart from her own grades, she actively supervises the work done by the other teachers. She wants progress and success and I would be very surprised if she didn't obtain them. Mrs. Bilodeau and Miss Dumas, the other teachers, collaborate fully and an inter-

Public Skating has been switched to Friday night 8 to 10 with dancing upstairs 10 to 12 so the Seniors can have the rink Saturday night to play against Deep River Rockets. That should be a game to watch.

This is beginning to look like a hockey column but just one more note — all boys 16 and under who want to play hockey should turn out at Richardson's rink Saturday. From noon to six pm the young lads have that ice for their games in the Minor leagues.

Little skaters who don't play hockey are invited by the Rotary Club of Shawville to a free skating period from 2:30 to 4 pm Saturdays in the Agricultural rink. This is supervised by Rotarians.

The rink committee is still hoping someone will volunteer to help start a group of children in figure skating Saturdays from 1 to 2. You don't have to be an expert — just patient and willing.

esting atmosphere of work and joy exist in the school.

I am pleased with the fact that you spare nothing to render services to your classes. I have noticed that you have added a bulletin board in each room. This instrument of information and knowledge is a precious tool and

each teacher appreciates it to its just value.

All in all, you seem to realize the importance of the real goal of education. The school population of Bristol and also those from Shawville, fully benefit by it. These children can thus enjoy the education which is due them.

Please accept Messrs the Trustees, my sincere appreciation. I remain,

Yours truly,
Roland Dompierre, School Inspector, Hull, Que.

At the regular meeting of the Municipal Council Monday January 8th the Mayor Joseph Hamel suggested that the Provincial Roads Department was remiss in their duty of not correcting the hazardous turn on the Main street road to Calumet Island at the Convent turn. WHAT TO DO WHEN THE LIGHTS GO OUT

1. Find out if your neighbours' lights are out too. If they are not, it is quite likely that the trouble is in your own wiring.
2. Pull the main switch and examine the fuses. If a fuse is burned, look for the cause. It may be caused by too many appliances on the same circuit or by defective appliances or cords. It may be due to a short circuit in the wiring. Be sure to find the cause, as a burned fuse indicates trouble somewhere.
3. If there is lightning or heavy winds in the district, and your neighbors' lights are out, it is probably due to trouble on the power company lines. Wait for a few minutes to see if the power is restored; if not, call the local office of the power company and report the trouble.
4. If it is a clear day, the power company may be working on the lines; a car may have struck a pole, or someone may have felled a tree over the lines. Wait a reasonable time to see if service is restored. If it is not, please report your trouble to the local office of the power company.

By reporting directly to the power company you are taking the most effective method of correcting the trouble.

New Orchestra At High School

It is interesting to learn that this year a small orchestra of amateur boys and girls has been assembled under the leadership of the versatile Mr. John Burrill, English teacher of Shawville High School. The group are all High School pupils and at present are still at the practicing stage, but hope soon to be playing for the school dances. Michael LeRoy of Waltham plays guitar, Nick Elson, of Quyon, guitar; Lloyd Telford of Campbell's Bay saxophone; Bill Black drums, Margaret Kilgour and Lucille Hodgins piano and director Mr. Burrill who plays the clarinet, saxophone, mandolin, piano, violin and maybe even the washboard.

New Year's Dance

Among those winning prizes at the New Year's Dance held in the auditorium of S. H. S. and under the sponsorship of the Order of the Eastern Star were Mr. and Mrs. George Stones, Mr. and Mrs. Nel Angus, who won spot dances. Door prizes were won by Mrs. Thos. MacFarlane, Mrs. Clarence Knox, Mr. Cliff Robitaille and Mrs. G. Stones.

The dance was, as usual, the usual gala event, with a beautifully decorated ballroom, a good orchestra and excellent food. Special thanks must certainly be given to the entertainment and social committees and all the members of this Lodge who planned this event. Already they are making plans and looking forward to the next New Year's party which date will be on a Monday in 1963.

May this event continue for many years in the future!

Trim with Kim

Kim Mahood's exercise show, Figure Mathematics, will now be seen daily on Channel 13 at 3:15 p.m., commencing January 15th.

The most important factor in exercising is regularity, says Kim, and she advocates at least 15 minutes a day, starting out easily and stepping up your program when muscles are responding without strain.

An attractive young woman in her late 20's, Kim is her own best advertisement. She has always been interested and active in sports, and was the only girl in the history of Albert College in Belleville, a co-educational school, to win the outstanding athlete of the year award. She has won awards in amateur diving competitions, and still holds the Canadian Women's Title in weight lifting. At White Rock Swimming Club, the largest of its kind in North America, she was chief swimming coach. She owned and operated her own calisthenics school, and is presently co-ordinator for the Rockcliffe Ski School Council program, and a member of Edelweiss Valley ski patrol.

In Figure Mathematics, Kim will have exercises to banish the bulge, whittle the waistline and hips, relieve tension and tone muscles. She will have beauty hints and tips, and hopes you will trim with Kim.

What Home Means

A little boy coming home from school ran into the house and ran away quickly. In a moment a man seeing him said, why did you go in and come out so quickly? Oh! said the boy, I got into the wrong house, I thought it was ours but it was the house next door. Well isn't that house as nice as yours? Oh! yes much finer he said; then why wouldn't it do for you to stay there just as well as in your own house? Because Mother isn't there was the boy's retort.

Historical Notes

Municipal Organization
In Pontiac County

County of Pontiac files do not contain a record of councillors or Secretary Treasurers of the

local municipalities. Fortunately some of these municipalities have such records preserved since the

incorporation. Unfortunately the early records of some municipalities are yet to be discovered. Let us hope these are not lost forever.

The Mayor of each municipality, during the first half century of this country's existence, was one of seven elected councillors whom the councillors themselves chose as their Chairman. In latter times each Mayor has been elected directly by his Municipal Electors.

Since mayors of local municipalities formed the membership of our County Council these are recorded and I shall list them now from 1855 to 1925 starting with the Municipality of Onslow which at first extended from the Ottawa River far into the Laurentians. Sometimes the Pro-Mayor attended in place of the Mayor. Please inform me if records of the other councillors of their time are available.

In Memoriam

HODGINS — In loving memory of a dear husband, father and grandfather Herbert N. Hodgins, who passed away January 8, 1961.

The blow was great, the shock severe,
We little thought his death so near.

Only those that have lost can tell
The sorrow of parting without farewell.

—Wife, family and grandchildren x

PALMER — In loving memory of my dear husband, father and grandfather Clinton W. Palmer, who passed away Jan. 8, 1961.

God saw you getting weary
He did what he thought best
He put his arms around you
And whispered come and rest
Looking back with memories
Upon the path we trod
We bless the years we had with you,

And leave the rest to God.
Sadly missed,
Wife Veeda and family. x

SNOW THE BEAUTIFUL

Who first called snow the Beautiful.

Knew well what he was calling
With sparkling, weightless particles

Around him gently falling.
Our fields and gardens, lawns and lanes,

All looked a trifle messy,
But now all covered up with snow,

Are white and clean and dressy.
The time has come for sleighs and skis.

No limit as to ages,
Toboggans as a favorite
Are used in many stages.

We need the snow which comes and stays

To hold the soil from shifting
A prairie wind with blizzard force
Could soon start soil adrifting.
When ground is cold we sweep the snow

And bank around our hovel,
But later when it piles too deep
We move it with a shovel.

Our southern friends in torrid zone

Know nothing about coasting,
And when we speak of snow-capped hills,
They think we're only boasting.

Elwyn Hodgins, Medicine Hat.
