BRISTOL FARMERS' CLUB PLANS INCORPORATION

Legion Invites Citizens To Lay Wreaths

The officers and members of the Pontiac Branch of the Canadian Legion extend an invitation to your household to join them at the Remembrance Service which will be held at the Cenotaph, Shawville, at 11.00 a.m. and Campbell's Bay at 3.00 p.m., November 11th, when wreaths will be placed.

Those purchasing a wreath may choose one of their family to lay the wreath, or where this is not possible may call upon a member of the Legion branch.

Poppies also will be sold in the week preceding November 11.

To Reorganize Local Legion

A meeting of the members of the Canadian Legion, Shawville Branch, has announced that a meeting will be held at Finnigan's Hotel, Shawville, on Friday, November 4 at 8 p.m. Officials of the Canadian Legion will be present and an attempt will be made to re-organize the Branch. The executive has expressed the hope that everyone who used to belong to the Branch will attend.

Rotary Members Report On Conference

The Rotary Club's meeting this week was devoted largely to reports on the District Rotary Conference held recently at St. Jerome. Que. Reports were given by President C. F. Jacques; Harland Rowat and W. A. Brown.

Mr Rowat, in his report, paid tribute to the unusually high standards of public speaking maintained by every one of the speakers at the Conference. President Jacques of the Shawville Club delivered one of the speeches, and spoke on the subject of Rotary Foundation, a scholarship fund set up by Rotary to provide scholarships abroad for outstanding students on an exchange basis .

Mr. Brown reporting on the Conference, announced that the Shawville Rotary Resolution prepared here last May and forwarded at that time to the International Rotary Convention in Chicago, received the unanimous endorsation of the St. Jerome Conference: and will be brought before the Philadelphia Convention next year. The resolution urges Rotary International to take the lead in seeking way and means of providing food for hungry countries of the world. When sent to Chicago last spring the resolution didn't receive proper attention mainly because previous notice of it had not been made to the Convention.

Continuing his report, Mr. Brown stated that the address delivered at St. Jerome gave the delegates a larger concept of religion and politics, which may well augur a change in both political and religious thinking in days to come. Mr. Brown saw, reflected in the Convention, a narrowing of differences in beliefs, both political and religious, which, curiously, he said brought the two closer together.

Next week, the regular Rotary supper meeting will not take place. Instead Rotarians are putting on a Hallowe'en party for the children of Shawville at the hockey rink.

Other plans now being made by Shawville Rotary involve the annual President's Ball to be held during the winter and a Giant Auction Sale next spring. From now on the Rotary Club will receive donations of furniture and effects for this projected auction which will take place in the Shawville Arena. Rotarian Hosmer Turner is the convenor to get in touch with if you have any articles to donate.

90 Years. . . But It Stopped

The press broke down! Yes, the wonderful ageless, ceaseless, servant of countless owners which has dependably produced newspapers for Shawville for years beyond the life -span of most present readers, just stopped working. The forms of type were ready to print, the paper was waiting to be imprinted, the pressman threw the switch. We can not truthfully report that nothing happened because something did happen but it just wasn't the right thing. The best mechanical brains of Shawville were called in and as this article is written it is still a matter of speculation whether or not the press can be made to function properly.

Whenever you receive this paper you will know that the press is back in order.

Mrs. John McAra 94th Birthday

Mrs. John McAra, Beechgrove, celebrated her 94th birthday on Sunday October 16 at her home. Mrs. McAra was a former Bristol girl. She and Mr. McAra and family moved to Beechgrove 55 years ago when Mr. McAra sold the Norway Bay ferry to the late Capt. A. McFarlane. Mrs. McAra is enjoying wonderful health and still does not use glasses At the present time she is knitting winter socks for the boys. She was very happy to have so many with her at her birthday party.

Mr. and Mrs. David McAra of Marquette, Mich., her eldest son, Mr. and Mrs. Wilfred McAra of Ottawa, Mr and Mrs. John McAra, Jr., Mr. and Mrs. Cecil McAra and family of Beechgrove, Mr. and Mrs. S. S. McNeill and Miss Patsy McNeill of Maryland, Que., Mr. and Mrs. Fred Fraser and Mr. S. G. Coughlin, Beechgrove and her only sister, Mrs. M. R. Bailey, Maryland, Que., were among those present

A lovely tea was served by Mrs. D. McAra and Mrs M. R. Bailey. The table was adorned by two birthday cakes among the other good things to eat. A nice array of gifts and cards showed you are never too old to be well remembered. A number of pictures were taken of the gathering. All hoped God would bless and spare Mrs. John McAra to celebrate a few more birthdays.

Lions Win Travelling Lion Award

Tuesday night a delegation of Shawville Lions, headed by president Mack Hayes, journeyed to Pembroke for an official inter-club visit. The Shawville Club was awarded the "travelling Lion" for being the club which had travelled the farthest to an inter-club meeting.

Accompanying president Mack on this excursion were Lions Dale Thomson, Ernie Dean, Syd Sheppard, Walter Yach, Bill Hanna, Dave Davies, Milburn Hodgins and Lennis Dean.

Another party of journeying Lions attended the District Rally at Hull last week. Joining other Lions from Pontiac Lions Clubs on the trek down No. 8 were Shawville Lions Dale Thomson, Lennis Dean, Mack Hayes and Charles Imison. On this trip all the wives went along with the exception of veteran Lionette Muriel Imison, still laid up from a recent accident.

Pontiac Institutes Meet In Shawville

The Clarendon Women's Institute this year's winners of the W. I. competitions at both Quyon and Shawville Fairs, further demonstrated their unusual culinary aptitude when they provided an outstanding meal for the semi-annual convention of the Pontiac County Women's Institutes in the United Church Hall, Shawville, October 19.

The convention was opened with the Ode and the Mary Stewart Collect and the singing of the hymn, "We Cannot Think of Them As Dead" in memory of Mrs. Roy MacFarlane and Mrs. Robert Tracy, who have passed away since the last convention.

Secretary, Mrs. Harold Hodgins, read the minutes of the Spring convention and the County convenors read their outlines for 1955-56. The treasurer's report was submitted and branch treasurers were asked to send all money collected to the county treasurer. Branches were also reminded about donations of plates and spoons for the tea room —those who hadn't yet contributed were reminded to do so.

Convenor of Agriculture, Mrs. Leonard Stanley, gave a report of the tea room operation at the Fair. Net proceeds were $184.55.

It was decided to send a get well card to a former president.

Winners of the W. I. scholarships were announced as Miss Mary Labelle, Campbell's Bay and Miss Vera Graham, Shawville, attending Notre Dame and Macdonald, respectively.

It was decided to obtain more information from the "Save The Children Fund" about Helene Serousse of Tunisia, a child sponsored by the County W. I. before sending her any more money. If conditions are satisfactory, the W. I. will continue sponsorship.

Miss Pritchard asked the opinion of the members on what should be done with funds left by the "Farm and Home Beautification Contest" which was discontinued some years ago. Miss Pritchard made the suggestion that this money be donated to the Hospital. All were in favor.

Before luncheon was served by the Cladendon hostesses, the flag was saluted in pirit, there being no actual flag present in the hall. Head table guests were Mrs. G. A. MacDougall and Mrs. D. R. Dickson.

The singing of "O Canada" opened the afternoon session during which the plans were made for W.I. Exhibits at the Fall Fairs in 1956. The list was decided upon as follows:

Articles for a Pre-school girl's bedroom:

1. Home made lamp made and wired by W. I .member.
2. Stuffed toy
3. Flannelete pajamas, plain or fancy any pattern
4. Curtains, not of drapery material.
5. Housecoat of washable material
6. Slippers, any style or material
7. Dresser scarf, appliqued
8. Picture cut out of a magazine and framed.
9. Waste paper basket. Homemade
10. Washable homemade bedspread.

Second vice-president, Mrs. H. M. Turner, introduced Major McCuaig, forester, timber-cruiser and real estate valuator, who spoke of the natural resources of Pontiac County and began by reciting a poem, "Pontiac Sixty Years Ago." Mr. McCuaig said Canada had enjoyed unprecedented lumbering wealth, that the white pine of Pontiac County was unrivalled but indiscriminate cutting and slashing had denuded our forests so badly that in 1923 only seven mills were operating where before there had been ninety, and now only one of those original mills—Gillis' Bros—was in operation. He said that there were not as many good trees up the Gatineau as there are in Rockcliffe Park!

Pontiac used to extend from Montreal to James Bay but has been divided into many counties. It is still larger than Denmark, Holland or Belgium. The Protective Fish and Game organization have persuaded the Quebec Government to create a preserve at Mont Laurier-Senneterre which contains the best stand of white pine in Canada. White pine is used where an unwarping wood is needed. In Pontiac we have more water per square mile than in any settled area in Canada. We have more undeveloped horsepower than the Provnce of Ontario but we need the forests to back up the water supply.

In Pontiac we have agriculture, we have power, veneer wood, plywood, lumber and mines. One of the things that played the biggest part in winning the first war was molybdenite and that was produced from a mine in Onslow. Pontiac has very beautiful lakes and scenery. Tourists who have visited here in the summers have left more money than all the lumber companies. Fourteen million dollars have been invested in summer homes. Sixteen million in hotels and cabins.

Mrs. Roland Graham thanked Major McCuaig for his most interesting address.

Mrs. Earl Fulford led a singsong with Mrs. Rowat at the piano.

Mrs. Earl Findlay asked the members to help in the school cafeteria to help keep school lunch expenses down. Another suggestion was that the branches would donate towards a dishwasher.

Miss Pritchard presented a resolution to abolish soap coupons and keep the price of soap down.

The need of contributing towards the service fund was discussed. The members were asked to support the Pontiac Film Council which circulates National Film Board films through the county. Generosity towards the Anti-Tuberculosis fund was also urged.

Mrs. Muriel Bronson, Mrs. Earl Findlay and Mrs. Dwight McDowell as convenor were named to form a nominating committee.

Mrs. H. M. Turner, president of the Shawville W. I., invited the branches to Shawville for the spring convention

$100 was donated to the Central Auxiliary of the Pontiac Community Hospital. With the singing of "God Save The Queen" the meeting was brought to a close.

Fire Prevention Week Banquet At Bryson

Bryson — Fire Prevention week, set aside by Federal Authorities to instill the idea that most fires can be prevented, was brought to a close here, Saturday night by the Bryson Volunteer Fire Brigade staging a banquet at the Forest Inn at which a lecture by J. J. McCully from the Dominion Fire Commissioners Office, Ottawa who substituted for the Dominion Fire Commissioner Thompson who was unable to attend. Mr. McCully stressed Fire prevention as one of the chief ef-

(Continued on page six)

Gordon McMillan Named President

Members of the Bristol Farmers Club on Tuesday night held a meeting at the Bristol Community Centre for the purpose of enquiring into the possibility of setting up a Co-operative Company to take over the business now conducted by the Farmers' Club.

Club President, Gordon McMillan opened the proceedings with a brief outline of the history of the Bristol Farmers Club.

"Bristol Farmers Club" said Mr. McMillan, "was organized about 35 years ago and has served the farmers in the district continuously over the years by providng service at cost along the lines of feed, seed, twine, apples, salt, meat, cheese and other commodities. For a number of years pure bred boars and bulls were distributed among the farmers with the object of improving the livestock. A pure bred swine club was also n operation for a few was also in operation for a few years. During the present year a 4-H grain club was started with success."

Main Activity Livestock Shipping

"Our chief activity has been the shipment to market of livestock, first by train, and in later years by truck. This was carried out on a commission basis. Strange to say, this is one of the few organizations in the County of Pontiac that has not had any share capital. Over the years we have accumulated assets of $2,143.73 according to the 1954 report."

Arrest Four Men

It has just been reported by the QPP that four men will linger behind bars for from six months to a year on account of recent thefts in Quyon and Shawville. October 3, 1954 merchandise was stolen from Bay Young's store in Quyon. Andre Audet investigated and the theft was traced to Jean Albert of Hull. He was charged on September 29 this year by Andre Audet with breaking and entering and was tried and convicted in Hull and sentenced to six months in jail. His accomplice, Hector Levine, Hull, was arrested September 28, 1955 by Andre Audet, appeared in court a Campbell's Bay on October 26, charged with breaking and entering, and sentenced by Judge Boucher to one year in prison, to be served at Campbell's Bay.

A breakin at Sheppard's Garage in Shawville on September 25, 1954 and a break in at Jos. Vallilee's service station in Quyon on the same night resulted in thefts of merchandise and cash amounting in total to about $300. Investigated by Detective Andre Audet and Detectice Conrad Bourgeois of the Hull Detachment, QPP, two men were picked up on September 28 by the two detectives. The men arrested were Bernard Boutmyre of Gatineau Mills and Jean Albert of Hull. They were charged in Hull with breaking and entering and were sentenced to six months in jail.

Bible Society Annual Appeal

Rev. B. V. MacLean of the Bible Society makes his annual appeal for funds during the week.

On Sunday he will speak at the Wesleyan Methodist Church in the morning, at Zion in the afternoon and St Paul's in the evening. After this service there will be movies in the Parish Hall.

In 1952 the Provincial Department of Agriculture ventured the opinion that the Farmers Club might be operating outside the scope of its powers, granted under the Farmers' Club Act, in its livestock shipping operations.

The meeting on Tuesday night developed in part as a result of that opinion.

The 41 people attending the meeting were agreed that the correct course of action was to make application for a Charter under the Co-operatives Syndicates Act of the Province of Quebec.

The meeting quickly settled down to a discussion of by-laws to govern the proposed co-operative. In this work the meeting was ably advised by Mr. Ste. Marie, of the Rural Economics Branch of Provincial Department of Agriculture.

A brief summary of some of the provsions of he by-laws follow:

Name: Bristol Farmers Co-operative

Founders: The present members.

Territory:The operating area will be limited to Pontiac County.

Qualifications for membership: A member is one who has subscribed for one share of the Capital Stock of the Co-operative.

Voting: Each member shall have one vote.

Share Capital: Shares shall have a nominal value of $20.00. These may be paid for partially, or in full, at the time of becoming a member, or they may be paid for in annual instalments of not less than $2.00.

Withdrawal: Any member may withdraw by serving written notice to the Board of such intention.

Management: The Co-operative shall be managed by a Board of seven members, of which one shall be President, one Vice-President, and one Manager. The Manager alone may be paid for his services.

Surplus: Net surplus of the Co-operative shall be distributed to its members to the extent decided upon by members in annual meeting. Distribution will be in proportion to the value of business done by members during the year.

Twenty-one of the people attending the meeting signed as Charter members of the proposed Co-operative. Others may do likewise by contacting Mr. H. I. Smith in Shawville. It should be noted that under the Co-operaive Syndicates Act the Co-operative will be able to ship livestock for its members ONLY. It will not be allowed to ship for non-members.

Directors Elected

Elected to the Board of Management were the following: Gordon McMillan (later elected President); Everett Armstrong (later elected Vice President); Thomas MacFarlane; Harold Easy; Alex Murray; Gilbert Telford; Ernest Garland. Mr. H. I. Smith has been appointed Secretary.

Herbert Smith's Celebrate Golden Anniversary

Mr. and Mrs. Herbert Smith celebrated their 50th Weddnig Anniversary last week (but owing to ill-health, they could not have open house). They were married by Rev. Lennon, Methodist minister, stationed in Shawville.

At that time their bridesmaid was Miss Mattie Campbell, later Mrs. Thomas Snowden, who passed away in Saskatchewan a number of years ago. The grooms man was Mr. Herbert Wilson, who passed away almost two years ago.

Wanted - a Hero

Will someone on the Council please start the ball rolling again about sewerage for Shawville? Sure there'll be a lot of complaining from the usual complainers that sewers cost money and where is the money coming from but in the end the councillor who initiates the work for town sewers will be a big hero. Who will it be? It'll have to be a strong man because for a long ttime he will be called every sort of thing by the reactionary element in Shawville and of course those who agree with his cause will keep very quiet until they're sure it's a winning cause. That's the way people are. Then when our hero is getting someplace with his sewerage project and the benefits of it are being felt and the grumblers are tired of grumbling, the forward looking, progressive people of Shawville will come forward and say "I thought it was a good idea all along" and the councillor who started it will be a very popular man. That's the way people are. All we need is for a Councillor to understand this and feel strong enough to buck the long, tiresome period of beefing which will accompany his proposal that we get ahead immediately with a plan for sewerage for our town. Some may pefer to spend their money replenishing, replumbing and coddling their own outdated cess pools and tanks rather than pay for a modern system for all. We're fed up with storing our sewage until the town is practically floating on it. Before we even know the identity of our hero, we're behind him a hundred percent.

THE BALANCE OF TRADE

In a letter to the editor published on this page, Mr. Coyne has dealt briefly with his views on Canadian international trade. We feel impelled to make some comment on his remarks because his concept of the situation appears not to coincide with the actual situation here, or for that matter, anywhere else.

Government policy in Canada does not 'stress' a favourable balance of trade. It is however, a fact that if we do sell more goods, services and securities abroad than we purchase abroad, our currency is worth more abroad than if the "balance of trade" were reversed. Thus it happens that the more we sell abroad, relative to the amounts we buy abroad, the cheaper do foreign goods become, in terms of the Canadian dollar. The consequence is that we then tend to buy more abroad, because foreign goods are getting cheaper. This causes a gradual closing of the gap in the amount of exports and the amount of imports, until finally the balance of trade swings the other way and so becomes "unfavorable".

The question of "having" to sell more than we buy simply doesn't arise. We sell what we can, where we can, and at the best prices we can get for our products. As a rule the trading arrangements are the result of agreements between an individual or corporation in Canada and an individual or corporation elsewhere. Only rarely do governments enter into the trading picture as participants in an agreement of this type. It is unwise to generalize about government participation in inernational trade agreements, because each case is different and must be examined by itself. The only generalization that we care to make on the subject is that government should keep out of international trade agreements to the greatest extent possible.

Phyllis Sparling Honoured

A Miscellaneous Shower was given in honor of Miss Phyllis Sparling bride elect of next month, at the home of Mrs. Jackie Clarke.

Mrs. Clarke ushered her to a chair gaily decorated for the occasion. After a corsage was pinned on the bride to be, a basket full of gifts were presented to her. Taken completely by surprise she thanked her friends in a few well chosen words.

Refreshments were served by the hostess, assisted by Mrs. Eldon Carty.

OTTAWA Report:
by Anthony J. Wright

Ottawa—Is there a connection between the dreadful floods New England and Canada have had of late and the fantastic carving up of forests by pulp and paper makers? Are the woods being mined or just harvested? Do the paper companies Canada's biggest single industry directly employing 300,000, cut wisely or without thought for tomorrow? These questions go along with others raised by the outcry here and in the US against the $5 hike per ton of newsprint.

On the increase, the Ottawa Journal, no socialist sheet, has been stung raw. "Why a new grab?" it asks. "Never in their history have they been so well off", it says of Canadian newsprint makers and quotes the New York World-Telegram on the subject of the Bowater Paper Corporation cash register.

The N.Y. paper says of Bowater, "Since World War 2 Bowater has spent more than $150 million on new facilities that have helped to make it the largest producer in Europe and probably the second largest in the world. Bowater had a record net profit of 13 million pounds or about $27 million for its latest 15-month period: it reported reserves and undistributed profits of 14,000,000 pounds sterling or about $30 millions"

Although I depend for a living on newspapers I have no axe to grind and reckon that the good old law of supply and demand will right the balance between what is fair and what can be paid before publishers have to cut the size of their papers or go out of business. Maybe too the Minister of Justice will set his Combines Investigation hounds to scent the ground if, as expected, all newsprint companies put up their prices together. Nothing official yet on a combines charge but lots of thought being given it.

More worrying is the whole conservation question. We don't know whether the Indians had these awful floods before Cartier and Champlain but when you see the Waterbury, Conn. bridge washed out twice in a few weeks and recall the horrible Etobicoke deluge of 1954 you wonder why people cannot leave trees where Nature put them or plant one for every one cut. Next week I hope to be able to present the case of the paper giants.

This year they will produce 6,200,000 tons of newsprint. The new price in Canada: $126 a ton, in the U.S. about $131. Then we have the gall to howl at Washington for trade practices which damage our wheat and other markets. Having the world's largest newsprint monopoly, we can call the paper tune and the Americans have to dance to it, except wise ones like the New York Times and Chicago Tribune which have their own paper plants in Canada.

* * * *

The Canadian farmer is buying less farm tools and machines, from poverty. In 1954, the second year in a row, sales to farmers fell from $238 million in 1953 to $146m, a slip of 38%. The sharpest decline was in the Prairies, sales being almost cut in half. The Maritimes were the next worst sufferers.

* * * *

The real reason, according to scientists here, why Dr. Omond M. Solandt, 46, quit the top job at the Defence Research Board to get double the money at C.N.R. as $32,000 a-year assstant veepee in charge of research and development, is that he was getting unhappy and out of his depth at D.R.B. Sounds unlikely when you recall all the tales of Solandt's brilliance but it is none the less true, D.R.B. is steeped these days in electronics and Solandt is a medical doctor who graduated from bacteriological warfare to research in general. He has no electrical bent and is rather a man with a fine brain not a scientific wizard. He also hates departmental politics which was beginning to involve D.R.B.

* * * *

Nova Scotia has Canada's champion layers my hen sources say. They averaged 201 eggs each in N.S. last year. Saskatchewan hens, shame on them, were bottom of the class with 145 each. Yet the farm price of Saskatchewan eggs at 31 cents a dozen was lowest in Canada and in N.S. the farm price was a high 43 cents, the highest being in neighbouring New Brunswick with 45 cents. Evidently a contradiction of the economists' thesis that the more you produce the lower the unit cost!

LETTERS TO EDITOR

Bryson, Quebec,
Editor, The Equity,
Shawville, Quebec.

A Central Bank, such as our Bank of Canada, should surely promote prosperity, since its function is to regulate the flow of money in true relation to our industrial worth.

The Bank of Canada receives its commission from our Federal Government. It serves the policy of our Federal Government.

Some months ago you ran a guest editorial addressed primarily to the National Conference of Farm Forums, stressing the merit and justice of bartering our surpluses to preserve prices on a Canadian Standard of Values and to promote inter-national goodwill in trade. The idea is sound and practical and truly Christian as well.

The merits of this idea are not recognized by our Federal Government whose policy is stressed in the so-called Favourable Balance of Trade, which means "We Must Sell More Than We Buy".

How do our neighbor nations fare in such a deal? It is a policy of subsidizing dumping on world markets designed to undersell our neighbors and so make enemies.

The logical consequence of such policy is perpetual war (cold or hot!) in which we FORCE the export of more (bushels or missiles!) than we import. In either case we are forcing our surpluses down our neighbor's throat.

That is not what our farmers want: that is not what our members of parliament want: that is not what any neighborly proprietors want.

That is the historic policy of State Capitalism, designed for the hands of State Socialism dupes to smother human dignity and sovietize the world. Right now the Atheistic Communists have that policy down pat.

Leonard Coyne.

Error Of The Wheat Board

By W. A. Brown

The error the Wheat Board was in being a party to the signing of the last world wheat agreement when certain other countries, large buyers and sellers of wheat, did not sign. The signing of the agreement tied Canada's hands and left others free to buy and sell on Worlds markets at the best prices they could obtain. Canadian wheat growers have enjoyed fifteen years of good prices and it is unthinkable that prices of everything should continue to rise all the time.

One way out of the present predicament would be to change and revise upward the standards of quality for Canadian wheat, bring them more in line with commercial requirements. The top commercial grade of any food product should best fit the commercial requirements for that product. The principle use of wheat is for the manufacture of flour yet the first thing the miller does when he buys wheat is to blend the grades. The top commercial grade of wheat should be such, as in and of itself, would, when milled, make the quality of bread that the consumer wants most. A cheaper loaf for those who want it could be made from the lower grades.

It will be argued that the quality of the wheat crop may vary from year to year. When it does the standadrs of quality could also vary, always maintaining the standard of the top commercial grade at a volume that will insure a substantial premium over the lower grades.

It is n the close proximity to each other of the prices of the various grades of wheat that the present inequality lies, and this condition is almost as serious to Canada as a whole as the present in ability to sell wheat at all. It is unthinkable that the live stock feeder should be required to pay almost the same price for No. 6 feed wheat or lower as the miller does for No. 1 wheat for human consumption. By no means is all wheat prduced of milling quality and there should be a substantial differential of at least 40 or 50c a bushel against the producer of low grade wheat and this, in turn, should be passed on to the live stock feeder. True the producer would not get as much as he does for low grade wheat. Why should he? It is not worth as much and the sooner wheat producers view the matter more sanely and do something sensible about it the better it will be for all concerned.

Supervisor's Notebook

By Frank Trecartin
Supervisor of Pontiac County Protestant Schools

Last week in this column I was suggesting that parents and the community at large, by the very nature of the teacher's work, have a right to expect a great deal of teachers individuaily and the teaching profession as a whole.

There is another side to the coin however, and the teacher most certainly has a right to expect a great deal from the parents and the community in which she works.

The teacher asks to be understood as a human being eager for professional and social opportunites. The teacher wants, in short, to "live". The teacher want to be regarded as a bright and important star in the child's educational firmament. The teacher must, if his or her life is to be a happy and satisfying one, feel vital to the community and an acceptable part of the lives of the people.

Teachers are glad to live and work in communities where these intangible but all important values are present.

But alas, all too often in the past and indeed in the present, quite the opposite set of circumstances exist. In reality the teacher finds himself or herself in a sort of educational cloister disregarded by everybody in the community except when something goes wrong.

So far as the teacher is concerned society sets up a pattern which culminates in reducnig his or her living to mere existence. Most of us who have been teaching for any number of years, and many of you who have taught, can recall trying to work effectively under such a system of community surveillance. It is not easy and it certainly isn't pleasant.

The teacher who tries to bring to the classroom and to the pupils all that is best in educational technique, academic achievement and Christian example and precept, finds the task next to impossible if financial worries, job insecurity and social restraints are nagging at him or her all day, every day.

It is true, beyond a shadow of a doubt, that conditions in the teaching profession have improved for the better and in large measure during recent years but in too many instances some or all of the negative and limiting factors which I have mentioned still exist. Where they do exist everybody suffers either directly or indirectly — teachers, pupils and the community.

The teacher is a professional person who contributes to the job of teaching a great deal of his or her own personality and self—probably to a larger degree than in any other profession. Destroy the teacher's idealism and you destroy the teacher's enthusiasm and purpose.

Let us be certain that we make it possible for our teachers to really "live" among us. Then and only then can they give of their best to the job of teaching our youngsters.

County Council

At the last meeting of the Pontiac County Council, it was decided to approach both the Federal and Provincial Departments of Agriculture in the matter of supplying and distributing seed and feed grain to the needy farmers in the drought stricken areas, and determine the terms and arrangements under which this distribution may be effected.

Mr. R. W. Hodgins also addressed Council on the subject of mining development within the county and requested a resolution of co-operation with the various mining authorities and the naming of a committee to work with them with the object of overcoming the various problems involved in their development. Council decided that it would co-operate in every reasonable way with any mining company seeking to establish and bring into production any mine within the limits of the County.

Mr. James McCuaig reported on the reforestation committee, urging immediate action.

Raymond Johnston, MLA, was present at the meeting and pledged his assistance whenever needed.

Last Rites For Robert M. Mulligan

Fort Coulonge—Friends from all parts of Pontiac County gathered together to pay final tribute to Mr. Robert M. Mulligan who met his death in a car accident near Shawville on Sunday night, October 16th. After a brief service held at the residence of his mother, the cortege moved on to St. Andrew's Presbyterian Church, on Thursday October 20. The casket was met at the door of the church by Rev. Dr. C. Younger-Lews and Mr. J. Veldhuis of the United Church The service was conducted by the minister, assisted by Mr. Veldhuis and the music was under the direction of Mr. William Kenny, Jr.

Burial was in the Protestant Cemetery and the interment service was conducted by Rev. Dr. C. Younger-Lewis and Mr. Veldhuis.

Chief mourners were his mother, Mrs. Jane Morrison Mulligan, one sister, Mrs. (Melba) Arnold LaPorte his brothers, George of Kingston, William of Ottawa, Merton of Thessalon and Walter of Ft. Coulonge, also though not present, two half brothers, Amos, Toronto, and Iverson of Bahurst, N.B. Many were the floral tributes and the pall bearers were Merton, William, George and Walter Mulligan, Mr. Arnold LaPorte and Mr. Hugh Proudfoot, MP for Pontiac.

Shawville Council

Shawville Council met October 3rd, 1955 at a regular monthly meeting. Present Mayor Cotie and Crs. Horner, Tanner, Black and McKay.

Minutes of the last regular meeting were read and approved on motion of Crs. McKay and Tanner. Carried.

The following bills were presented to Council:

By-Law No. 153:

Whereas it is necessary and expedient that a tax rate be levied to meet the necessary expenses of this Council, it is hereby resolved and ordained by By-law 153 that a rate of seventeen (17) mills be and is hereby imposed on each and every dollar of taxable property on the Assessment Roll of said Municipality of Shawville and further that a Special Rate of seven (7) mills be and is hereby imposed on every dollar of taxable property adjacent to, local improvements commencing January 1, 1956 and that a discount of 3 per cent be allowed on all current tax paid on or before December 15, 1955, providing all arrears are paid. 5% interest will be charged on all arrears after January 1st, 1956. NO DISCOUNT ON SPECIAL TAX.

First reading moved by Cr. Tanner and seconded by Cr. Horner, by-law 153 was read a first time.

Second reading moved by Crs. Black and seconded by Cr. McKay. By-law 153 was read a second time.

Third reading was moved by Cr. McKay and seconded by Cr. Horner. By-law 153 was read a third time, short and passed. Carriel.

Motion Cr. Black o adjourn.

W. M. Hayes, Sec-Treas.

$50.00 Fine For No Driving Permit

10 Hotel Keepers Fined For Selling Beer To Take Out Of Their Establishment On Sunday

Ten hotel keepers appeared November 19, before district Magistrate's Jacques Boucher, on charges of having sold beer to take out of their hotel on Sunday during the month of September and hav- pleaded guilty, were fined $50 each and ordered to pay the Court cost or to spend 1 month in jail. The offenders were:

Lewis Telen Millar, owner of the Pontiac Hotel at Fort William:

David Brosseau, owner of the Chateau Pontiac, at Portage du Fort.

Dame Rose Bemister and J. A. Essiambre, co-owners of the Lakeside Inn at Portage du Fort.

Louis B. Germain, owner of the Coulonge Chute Inn at Fort Coulonge.

Felix Bertrand, owner of the Old Fort Inn, Davidson.

Joseph Oswald Kenney, owner of the Waltham Inn, Waltham.

Andrew Carmen Keon, owner of the Keon's Hotel, Chapeau.

Eric Vadneau owner of the Exchange Hotel, Otter Lake.

John Hitz, owner of the Silver Maple Inn, Ladysmith.

Frank A. C. Finnigan, owner of the Clarendon Inn, Shawville.

Investigating in all these cases, was Sub. Inspector Linden R. Quaile QPP, Liquor Department, of Campbell's Bay. Sub. Inspector Quaile issued a severe warning to all Hotel Keepers in the District of Pontiac, to either obey the Liquor Law regarding Sunday, or expose themselves to more severe penalties in the future.

George Fraser of Becehgrove, P.Q. pleaded guilty on a charge of having sold alcoholic beverages without a permit to that effect, and was fined $50.00 and costs, or 1 month in jail.

Leonard Watt of Waltham, P.Q., pleaded guilty of having peddled alcoholic liquor and was fined $50 and costs or one month in jail.

Both these cases were investigated by Sub Inspector Linden R. Quaile QPP Liquor Department of Campbell's Bay, Que.

Walter Mulligan of Fort Coulonge, P.Q. pleaded guilty of having allowed his car to be driven on a public street by a person not having a permit required for this purpose, and also having allowed his car to be driven on a public street while the said vehicle was not registered for the then current year. He was fined $50.00 concurrent in both charges and ordered to pay the Court Costs or to spend 8 days in jail.

Wilfred Trudeau of Quyon, pleaded guilty of having driven a motor vehicle not being the holder of a driver's permit and was fined $50 and costs or 15 days in jail.

Kenneth H. Farrell of Portage du Fort, pleaded guilty on a charge of disturbing the peace at the Maple Leaf Inn in Portage du Fort on the 4th day of October 1955 and was fined $10.00 and costs. He also was bonded to the peace on a personal bail bond of $100.00 for a period of 12 months. A previous personal bail bond of $50.00 was confiscated, as he broke the conditions of said bail bond within 12 months.

Melvin Dempsey of Wakefield, pleaded guilty of having operated a motor-vehicle while not having a driver's permit, and was fined $50 and costs.

Welsley Belland of Campbell's Bay, pleaded guilty on a charge of having operated a motor-vehicle while not having a driver's permit, and was fined $50 and costs.

Edouard Sauve of Hull, pleaded guilty on a charge of excessive and dangerous speed in the Village of Shawville and was fined $50.00 and costs.

Wilfred St. Pierre of Montreal, pleaded guilty on a charge of disturbing the peace at the Ottawa House in Campbell's Bay and was fined $5.00 and costs.

Investigating the traffic infractions, were traffic officers Linden A. Young, QPP and John Richardson QPP of Shawville and Edmond Romain QPP of Fort Coulonge.

Mr. Paul A. Martineau of Campbell's Bay, Crown Attorney for the District of Pontiac was Prosecutor in all the foregong cases.

William G. Angus Mourned

The funeral for William George Angus 17 year old son of Mrs. George Angus and the late George Angus of McKee, was held from his mother's home on Tuesday, October 18. Billy died as a result of a car accident on Saturday, October 15.

He received his education at Bristol No. 10 and Elmside Intermediate schools. He was a member of St. Luke's Anglican Church, at Caldwell, also of the Orange Young Britons 304 of Shawville. Before leaving to take a position in Ottawa he was a member of the Shawville Calf Club.

Service was conducted by the Rev. R. G. Elliott to St. Paul's Anglican Church, Shawville. Interment was made in the church cemetery. The Young Britons and Orange men conducted their funeral rites at the grave side, the rituals being read by Mr. Hawley Elliott and Jas. Howard.

Surviving besides his moher are nine brothers Earl and Ken of Ottawa, Pte. Gerald, Aldershot, N.S., Gordon of McKee, Norris and Manson of Chalk River, Ont., David, Ronald and Mervin at home, also five sisters, Mrs. Calvin Meunier (Merle) Shawville, Mrs. Harry Coles (Velma) Clarendon, Mrs. Wm. Laframboise (Georgina) and Mona of Ottawa and Lorna at home.

Pallbearers were: Bob. Campbell, Dalton Hodgins, Jim Knox, Eddie Moyle, Fred Howard, Norris Corrigan.

Form Quebec Farmers Association

At a recent meeting at MacDonald College, the executive of Quebec Farm Forum set up a new organization to be known as the Quebec Farmers Association. This new organization is to be a parallel to Quebec Farm Forum, but will have its own separate executive. Its object is to be the Action Arm of the English speaking farmers, leaving the educational aspects to Quebec Farm Forum. The new group will work in close co-operation with Quebec Federée and the U.C.C., both of which represent the French speaking farm population of Quebec.

The Macdonald College meeting was under he Chairmanship of Dr. George Dion, Dean of Macdonald College.

ADVERTISE IN THE EQUITY AND GET RESULTS

Solution:
A bank loan

You may need extra cash for doctors' bills, for house repairs, to save on a season's fuel supply —or for any sound reason. Don't hesitate—see the bank about it. It's the natural thing to do.

The chartered banks, through inexpensive personal loans large and small, make it possible for people to meet pressing needs or take advantage of bargains. At any branch, you can count on consideration, courtesy, privacy. It is a simple matter to arrange a loan, repayable out of income in instalments that suit your convenience.

The local branch of a chartered bank not only provides personal loans but many other banking services of value to everyone in the community.

Only a chartered bank offers a full range of banking services, including:

SAVINGS ACCOUNTS
Keep your money safe; pay you steady interest; encourage the habit of thrift.

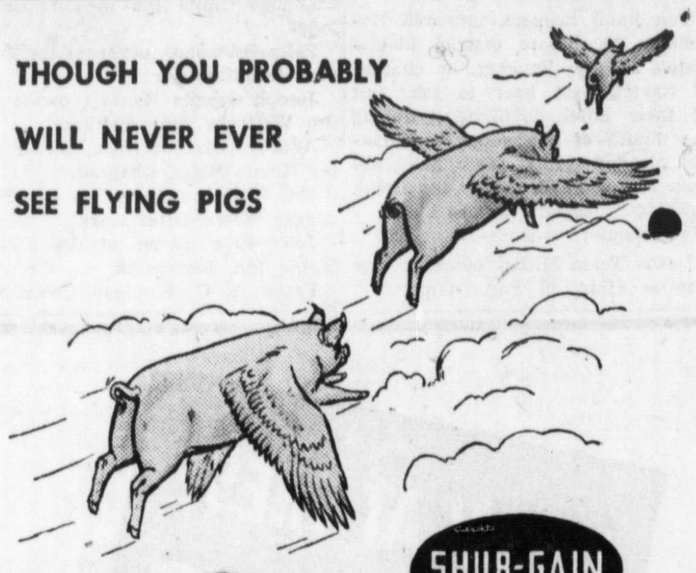

TRAVELLERS CHEQUES
Protect you against theft or loss of cash. They are readily negotiable anywhere.

LETTERS OF CREDIT
For travellers on extended trips, or to finance business transactions at a distance.

HOME IMPROVEMENT LOANS
For repairs, alterations additions to your home.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

THOUGH YOU PROBABLY WILL NEVER EVER SEE FLYING PIGS

Your Feeding Returns Will SOAR When You BALANCE YOUR GRAIN With SHUR-GAIN HOG CONCENTRATE

Well, maybe the thought of flying pigs is a little for-fetched, but it does serve to illustrate two things about pig feeding.

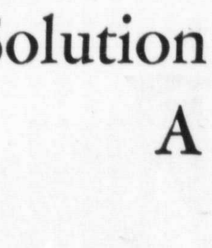

First, anything that flies is usually well balanced. And your home grown grain needs to be balanced with SHUR—GAIN Hog Concentrate, because grain alone can't supply protein, vitamins and minerals in levels required by swine for fast, economical growth.

Second, thing with the power of fight are able to soar. And that's just what your hog feeding returns will do when you add SHUR—GAIN Hog Concentrate. Instead of using 1,100 pounds of grain to put a hog to market, you'll find that about 550 pounds of grain, plus 100 pounds of SHUR-GAIN Hog Concentrate will do it. And do it quicker. So you're money ahead two ways—you save grain and you save labour.

Introducing...the car with the Magic Touch!

NEW 1956 DE SOTO

De Soto Fireflite Four-Door Sedan

De Soto for 1956 truly has a magic air about it!

The first thing you'll see is new pace-setting style. Start with the distinctive new grille . . . let your eye sweep along the sleek side of the car . . . and then thrill to the new upswept rear fender lines.

But the real magic is in the performance of this all-new automobile. Picture yourself here. You've started the new, more powerful Fireflite engine with a turn of the key. Now you press a button to put the Power-Flite automatic transmission in driving range. Step on the accelerator and . . . GO!

You'll find lots more that's new in the magnificent new De Soto for 1956. Visit your Dodge-De Soto dealer now for the complete story.

A styling and engineering achievement . . . manufactured by Chrysler Corporation of Canada, Limited

St. Andrew's Hosts To Regional Meeting

By Mrs. Maude Bailey

On Tuesday, October 4, the Women's Associations of Pontiac held their regional meeting in St. Andrew's Church with the St. Andrew's W. A. president, Mrs. Claude Young in the chair. The opening hymn was "O Jesus I Have Promised To Serve Thee To The End" The lesson was read from St. John.

Rev. Gordon Stewart conducted the worship service and extended kindly greetings to the Ottawa delegates and all present. Mrs. Young then introduced Mrs. H. Armstrong the Regional President from Ottawa, who gave a hearty greeting to all. The delegates from Ottawa were introduced .

The W. A. motto was repeated: "Let the Beauty of the Lord our God be upon us and establish the work of our hands upon us, yea, the it". Mrs. E. Fulford read the minutes of the last meeting which were approved. Mrs. S. S McNeill was appointed secretary for this year

Mrs. LeClair brought greetings from Presbyterial giving an idea how many active W. A. members there are in the United Church and inviting whoever could come to MacKay St. Church for the gathering which will be held there on November 4.

Mrs. Harrington, Literature Secretary gave a descriptive address on the literature which we should have as a program for our meetings. We were then favored with singing of some of the old hymns in their original forms by Miss Lawson who has recently come from Scotland and is making her home in Ottawa. Her beautiful singing was accompanied by Mrs. Ruby Armstrong at the organ.

Mrs. Walter Kilgour then invited the group to Shawville for the next meeting. There were splendid reports from the various branches Reporting were Bryson, Leitchfield Yarm, Charteris, Shawville, Starks Corners and Bristol. Varied and many ways of raising funds were discussed.

Mrs. Armstrong thanked all for the work being done and greeted guests who were not members. A warm welcome was given Mrs. Wm. Graham who celebrated her 90th birthday this summer and who has been a member of St. Andrews congregation for some seventy years.

The meeting adjourned for dinner. At the close of the meal, Mrs. Armstrong thanked the speaker. A vote of thanks was given to the delegates for their timely messages and for being with us.

A verse of the W. A. hymn was sung and Rev. Stewart closed the meeting with prayer.

«Echoes» from hospital hill

(Held Over From Last Week)

The many friends of Therese Jenkins, R.N. will be sorry to hear that she has been a patient at P.C.H. during the past few days. We sincerely hope that it won't be too long before you are back with us Therese

On October 1st, the Doctors and Board Members attended a luncheon in the Hospital Dining Room followed by a brief meeting held in the Penthouse. A bouquet to the Dietary Staff for the very enjoyable luncheon and to Mrs. Arthur Horner for her donation of flowers to the Hospital some of which found their way into the dining room.

Joining the staff at P.C.H. is Mr. Milburn Horner as Engineer. Nice to have you with us Milburn.

September 25th was a happy day for Doris Ladouceur Doris was here since May 31, the day of the C.P.R. accident, and may we say our coke sales have dropped about 90% since Doris left us.

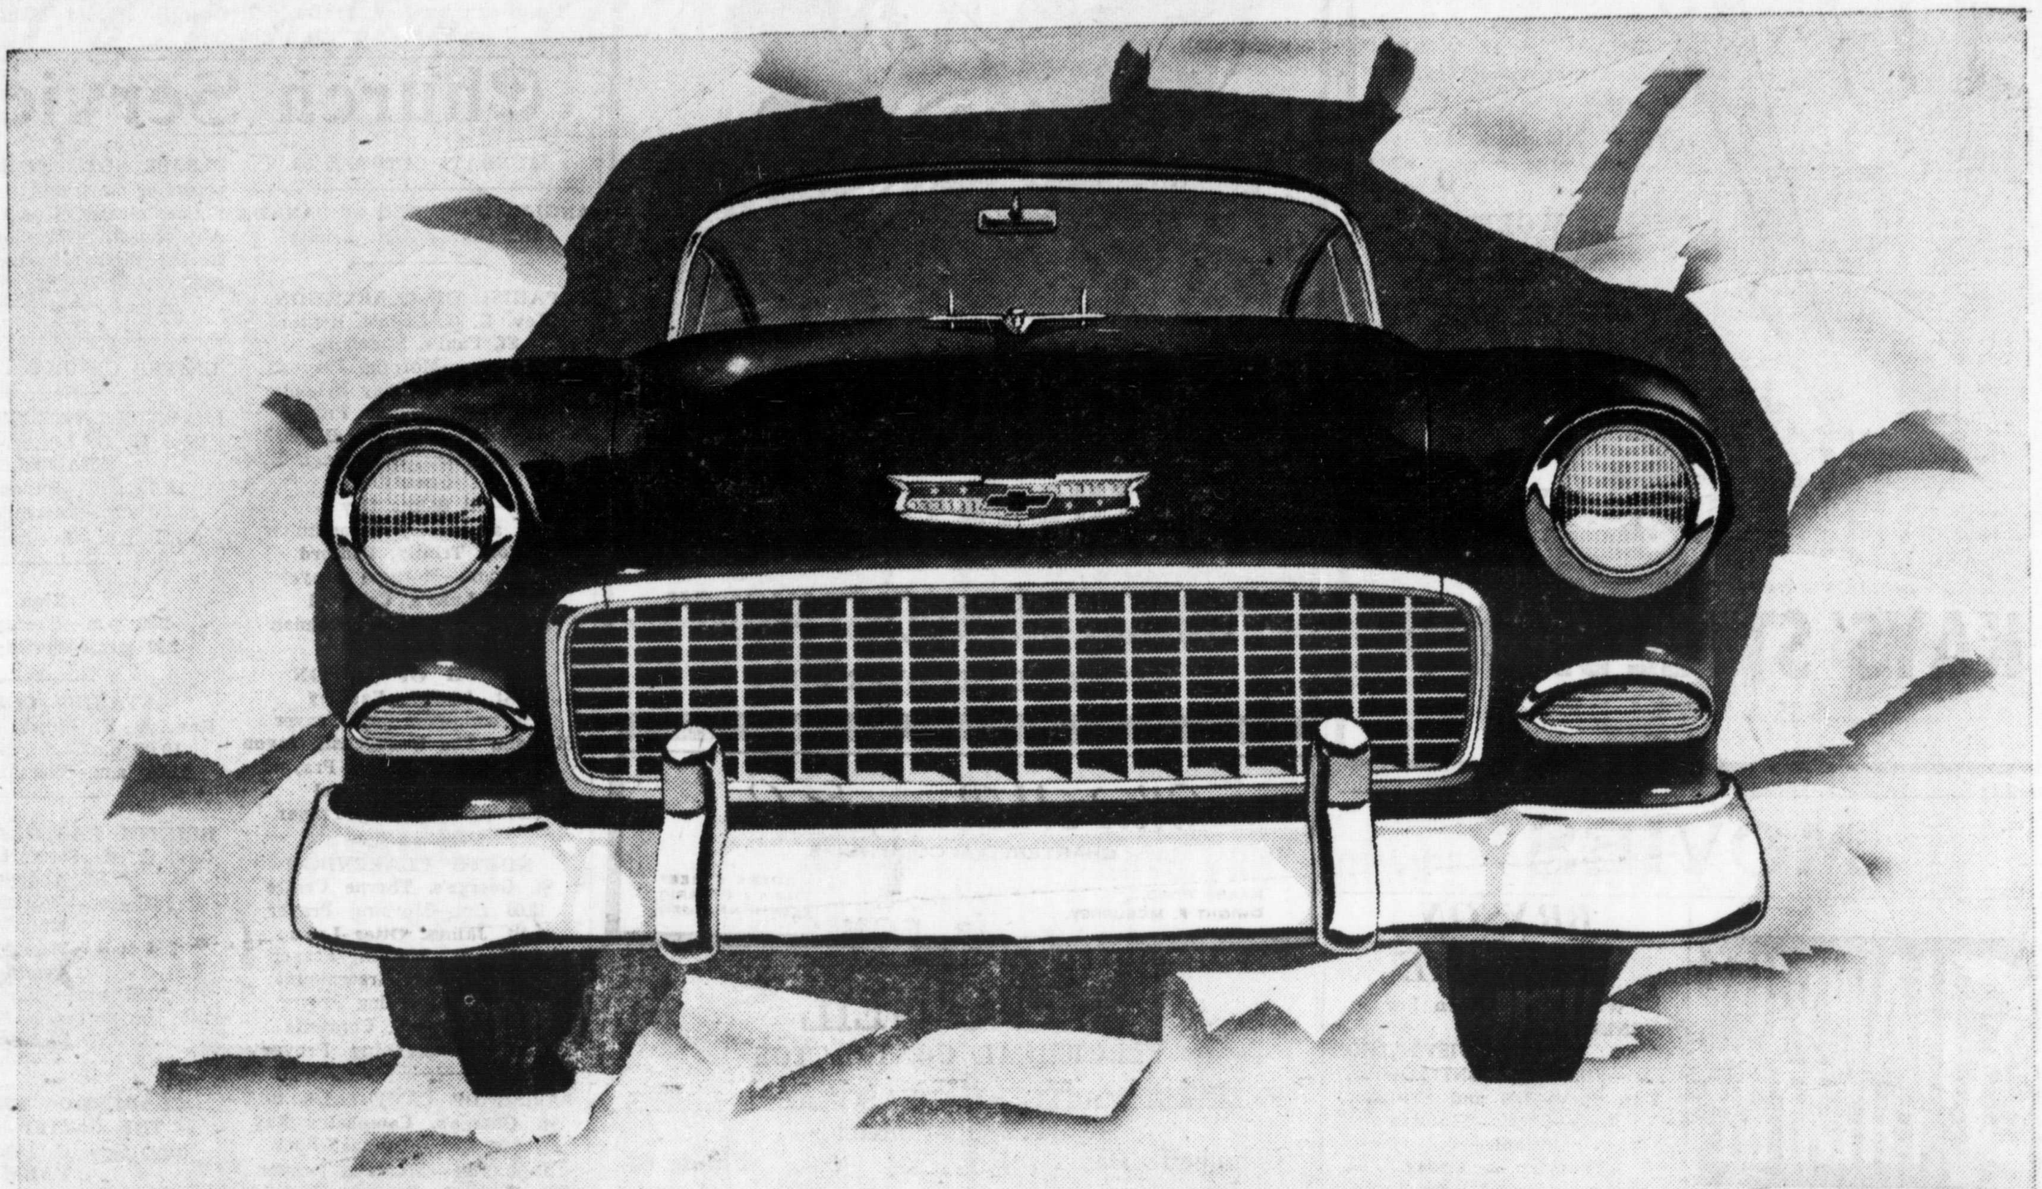

Visitors to the Hospital during the past week included Misses Beryl Edey, Jane Haepenny, Janet Riley and Marguerite Whorry of Ottawa and Miss Kaye Woodley of Shawville. We were very proud to make a tour of the Hospital with these ladies and once again we were complimented on our very modern hospital and they were very impressed with the view from the Penthouse. Racing was in full swing at the track so we borrowed a few minutes and watched the races.

Many thanks to our friends and neighbors in Shawville and district for their donations of fruit and vegetables. We do thank you for remembering us.

HOSPITAL DONATIONS

Rev. R. G. Elliott, apples and vegetables; Merton Glenn, magazines; Mrs. R. W. Hodgins, apples; Mrs Arthur Horner, flowers; Dr. C.F.C. Powles, magazines; Harvey Smiley, Wyman, apples; Zion Auxiliary, Pot holders, canned goods and apples; Mrs. Cecile Walls, Basket tomatoes; Mrs. Hugh Proudfoot, Fort Coulonge, hamper beets; Mrs. Paul Compeau, Calumet Island, onions, citron, pumpkin, turnips, apples, preserves and beets; D. A. MacFarlane, one cauliflower.

According to statistics revealed at the Pontiac Community Hospital, this week, the month of September saw a total of 84 admissions, 24 male and 60 female. Total births, were 21, eight male and 13 female. There were 77 discharges and four deaths. Th total days stay at the hospital for September was 1003, a daily average of 33.3 or 64 percent of the total accommodation available.

STILL UNEQUALLED!

Right from the date of its introduction last fall, the Motoramic Chevrolet has swept its field, to become the fastest selling car in history . . . giving the most in modern beauty, top performance and forthright economy.

Motoramic CHEVROLET

Yes, even while most competitors are offering their latest wares, Chevrolet is still the choice of people everywhere, who realize that today as always, there is no value like Chevrolet value!

Fire Prevention Week

(Continued from Page One)

forts made by Head Office and to encourage care in our daily contact with fire, electricity and explosives. Capt. W. E. Albert of the Hull Fire Brigade told his audience that it is the duty of all Firemen in the Associaton to officially inspect everyones home for fire hazards for their own protection as well as the neighbors.

Deputy Fire Chief J. L. St. Pierre was chairman of the banquet. Among the speakers were Rev. T. P. Tait, PP; Firemen, Theo Spencer, Eldon Keon, Chief New Calumet Mines Fire Brigade and Fred J. Coyne, Secretary of Bryson Municipality. All were complimentary of the local Firemen and Fire Chief Joseph Rodgers on the efficiency of the local brigade.

The visitors were taken on an inspection trip of the modern pumphouse, Fire equipment, hydrant set-up and the extension now being added to the water system in Bryson. The Municipal Fire Prevention Association in the Hull area comprises 10 municipalities from Thurso to Fort Coulonge and at a recent meeting held in Hull, Deputy Fire Chief J. L. St. Pierre, Bryson, was named local organizer. This banquet was attended by a large number of Firemen, and their friends and ended by a dance to the music of the Moonlight Ramblers orchestra.

Mr. and Mrs. Russell Zimmerling and Glen of Prescott, visited Mr. and Mrs. Emerson Horner, last weekend.

Film Circuit

The new National Film Board Program is now at Campbell's Bay in the hands of Mr. Dick Bowie. Those in the district of Campbell's Bay and west may see Mr. Bowie if they would like to use the film before November 2 at which time it should be delivered to Otter Lake, Rev. Emard is in charge of the showing at Otter Lake. The following evening, Thursday, November 4, he film will be shown at Ladysmith by Rev. E. Buehler. Friday, November 4, is the night for Charteris, with Mr. and Mrs. Henry McCord in charge.

On Saturday and Sunday, the film and projector will be in Shawville. Any Shawville group desiring to use either the projector or the film should make arrangements with the treasurer, Mrs. Hosmer Turner in advance.

The circuit starts again Monday, November 7 at Seventh Line, Clarendon; Tuesday, Nov. 8 at Radford; Wednesday, Nov. 9 at Starks Corners; Thursday, Nov. 10 at Portage du Fort; Frday, Nov. 11 at Austin

Again on Saturday and Sunday the film and projector will be available to Shawville. Then Monday, November 14 it goes to Wyman; on Tuesday and Wednesday, Nov. 15 and 16 it will be at Quyon, Thursday at Luskville and Friday at Merrifields.

The next program will be shipped to Campbell's Bay upon arrival later in November. Points west of the Bay are urged to contact Mr. Bowie or president of the Film Council, Harold Richardson, Radford.

Caps Corner

On Wednesday last the Green Six retained its hold on the honor by once again coming through with the most points. Harwood Doherty its Sixer said he would do it next week too, but that remains to be seen. Anyway that is two weeks in succession,, Greens, and you did a good job. Much to the disgust of Baloo who looks after the records of the Pack, Akela made a few changes in the set-up of the different Sixes Donald Russell was made Sixer of the Blues to take the place of Lorne Tubman who has gone up to the Troop and now each Six has just five boys so that leaves room for six Chums who are eight years of age. A game where it was necessary to keep a ping-pong ball on a pop bottle and transfer it to another, the Greens proved their mastery with the Reds in second place. It looked as though most of the time was spent in cashing the ball around the floor. During the work period the tests passed were Somersaul, John Walsh: 1st Star Knots, Whitman Trecartin: Birds and Trees David Wlson: Leap Frog, Billy H. Hobbs, Allan Paul, Miles Barber, Jack Mtchem and Jimmy Tanner: Hopping, Billy H. Hobbs, Allan Paul, Miles Barber, Jack Mitchem Throw and Catch a Ball, Donald Russel, John Walsh.

On Thursday the Commissoner visited the Scout Troop to present the prizes won during the apple campaign and was asked to present a number of proficiency badges and assist at two Investitures. This Troop now has five Queen's Scouts with a fair number of 2nd Class Scouts almost complete for their 1st Class rating. The Troop looked very smart indeed on parade for Inspection and it would be worth while indeed for the public to drop over to the Scout Hall any Thursday and see them in action. On Wednesdays the Cub Pack would be glad o have anyone pay them a visit. The baddges presented to the Troop were Douglas Young, Pathfinders and Queen's Scout Badge and Grade "B" All Round Cords. Sterlnig Knox, Auto Mechanics and Farmers. David Yach, Auto Mechanics, Cyclist, 1st Class and Queen's Scout Badges. Incidently David is the third Yach to become a Queen's Scout in one family. This is an enviable record indeed. Jack Campbell, Citizen: John Tracy, Ambulanceman and Auto Mechanic: Irwin Wilson, Auto Mechanic. Two Investitures were to Glen Splaine and Robert Scott, both of whom were Two Star Cubs and entitled to their Leaping Wolf Badges. Perley Smith the Scoutmaster and Murray Moore the Rover Instructor try to have some tests passed each evening and some gain made in the standing of each Scout. Rover Jack Kehoe gave hem a hand last Thursday and was very welcome since at the moment the Troop is without any registered Assistant Scoutmasters. Stewart Kehoe was presented with the Cub Instructors Badge.

The Registration Forms are being completed and Shawville is registering 32 Wolf Cubs, 33 Boy Scouts and 25 Rover Scouts: in addition there are 13 of the Executive of the Group Committee and the Scouters making well over the 100 mark for this town. There are a few outstanding who have not paid their fee and this must be done by the end of October when previous registrations expire. This is necessary since the fee contains, in part, the fee for the accident policy carried by the Association as a whole covering every adult and boy while on Scout Duty. All mothers of Cubs, Scouts and Rovers are urged to join the Scout Mother's Auxiliary. Mrs. Morley Wilson is the Secretary and she will be very glad to take your name and 25c registration fee. A Scout Mother can help out the Scouters with the Units a great deal by helping their boy understand some point in their work to advance in their grading.

Allan Galbraith

Following and illness of several months duration, V. Allan Galbraith, a resident of the Twin Cities for the past 20 years and who was well-known and highly esteemed in the community, passed away in the Toronto General Hospital on September 22. He was 52 years of age.

An accountant, Mr. Galbraith worked in the early days at the Francoeur and Stadacona mines, and for the Parick Harrison Drilling and Exploration Company. More recently he had been engaged in the insurance business.

Mr. Galbraith was born in the vicinity of Milton, Ont., and resided in Southern Ontario until he came to Northwestern Quebec in the early 1930's.

He was chairman of the Committee of Stewards of the Noranda-Rouyn United church of which congregation he was a member, and was a past Master of the Osisko Masonic Lodge in the Twin Cities.

Mr. Galbraith is survived by his wife, Merle, to whom he had been married for over 30 years.

Also left to mourn his passing are sons Kenneth, who is employed at Noranda Mine and Allan (Bud) who with his wife and two children Ricky and Douglas, reside in North Bay; and daughters, Marion who is a member of the teaching staff of the townsite MacNiven school,, and Mary Lou who is employed by the Northern Quebec Power Company. Mr Galbraith was predeceased by a daughter some years ago.

A Masonic ritual service in which 25 brother Masons took part, was conducted in honor of Mr. Galbraith in the town of Milton on Friday evening, September 23.

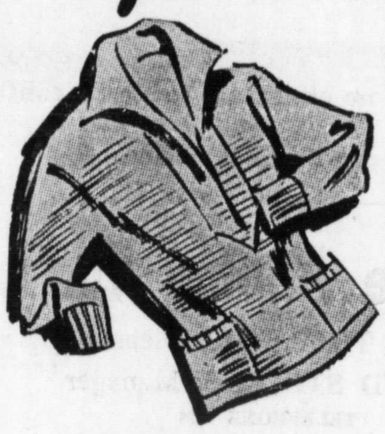

Funeral service was conducted by the Rev. Garth Legge, minister of the Noranda-Rouyn United church in the Milton United Church on September 24 at 2 p.m. Interment was in the Milton cemetary.

Local residents, in addition to the members of his immediate family who attended the services, included Mr .and Mrs. Cliff Thompson, Mr. Irby Stewart, Noranda: Mr. A. V. Corlett, professor at Queen's University: and Mrs. Corlett of Kngston and formerly of Arntfield.

Farewell Party For Lloyd Walsh's

On Friday evening, Mr. and Mrs. Marshall Laughren of Elmside, gave a farewell party for Mrs. Lloyd Walsh, Mr. and Mrs. Walsh are leaving shortly to make their home in Ottawa. Some 30 neighbours and friends gathered and spent a most enjoyable few hours. Games were enjoyed and just as a delicious supper was to be served, Mrs. E. Roy called Mrs. Walsh's attention and on behalf of the assembled guests read a very nicely worded address and Mrs. Laughren presented Mrs. Walsh with an electric kettle. Taken completely by surprise, Mrs. Walsh thanked the gathering most heartily after which they sang "For She's A Jolly Good Fellow" and everyone sat down to the supper. A sing song followed with Mrs. McNeill at the piano.

Co-op. Directors Meet

A meeting of the Supervisory Directors of the Pontiac Co-op Medical Services was held at the home of Gilbert Telford, on the evening of Octobr 5, with the Chairman, Gordon MacMillan presiding. All members of the committee and the executive of the Board of Directors were present.

Minutes of October 26, 1954 meeting were read and adoped on motion of Dr. S. E. McDowell and Lennis Dean. Carried.

REPORTS:

Supervisor Committee: Gordon MacMillan, on behalf of his committee reported on the number of meetings attended by their directors in the county and Ontario. Also recommended that consideration be given to paying 7c mileage or $2.00 per meeting to each director serving on the Board of Directors.

According to the Co-op Syndicates Act all directors are to serve on the board free, but mileage may be paid. After considerable discussion the directors agreed that it did not seem feasible to pay anything towards mileage and that this should be deleted from the report.

Motion Dr. S. E. McDowell and Lennis Dean to accept the balance of the report. Carried.

Board of Directors: The president Charles Russell reported the progress that has been made in the New Combination Plan and reviewed the position in the smaller plan.

Motion Lennis Dean and Dr. McDowell that the report be accepted. Carried.

Manager Secretary's: The financial statement was presented and explained by the secrtary. It was pointed out that these were not final figures, as there maybe late renewals paid which would raise the income as well as outstanding claims that would increase expenditures. The report also showed premiums paid, number of members claims and cost of hospitalization per group.

Motion Charlie Russell, seconded by Lennis Dean that the financial statement be adopted as presented. Carried.

10% collection service: Dr. McDowell reported that the medical fraternity were not in favor of the proposal.

Co-op Meeting, Ottawa: Gordon MacMillan, reported that he and Everett McDowell represented the Association at this meeting, and gave a brief outline of the discussion.

Correspondence: A letter was read from Mrs. Laframboise. The secretary was instructed to write Mrs. Laframboise giving her the decision of the board.

New Business:

(1) Auditor: On motion of Dr. McDowell and Charlie Russell, Mr Harry Wood was appointed to audit the books for the year ending, September 30, 1955. Carried

(2) Agenda Annual meeting:
(a) Increase premiums or modify benefits to new members over 65 years.
(b) Add catastrophic clause.

(3) The following suggestions were agreed upon:
(a) Recognition would be given to the group secretary at the annual meeting who have:
1. The largest percentage of their members present at annual meeting.
2. The largest percentage of policies sold during the year.
3. The first complete group renewals collected and sent in.
(b) Lunch served free to all who attend.

The meeting adjourned on motion.

George L. Morrison Dies In Alberta

George Lloyd Morrison, 61, of Claresholm, Alta., died in Claresholm Municipal Hospital, Sunday, October 9.

He was born in Bristol, Que., and came west to Alberta in 1909. The following year he went to Vancouver and returned to Claresholm in 1912 where he was engaged in farming until his death.

The late Mr. Morrison was vice-chairman of the Macleod School Division until he retired in 1952 and a member of Claresholm United Church Men's Club, the Chamber of Commerce and Fish and Game Society. He was a veteran of the First World War.

He is survived by his wife, Nellie Louise, Claresholm; a son Gordon Keith, Claresholm; two daughters, Mrs. R. Kerr, Calgary, and Mrs. R. Hart, Fort Macleod; two brothers, John D. and Wallace S., both of High River and three grand children.

Funeral services were held at Claresholm United Church, Wednesday at 2.30. Rev. E. W. Oldring officiated.

SHAWVILLE NEWS
(Held From Last Week)

Mr. and Mrs. A. E. Percy Honey and family of Dartford, Ont, visited at the United Church parsonage, Shawville, during the Thanksgiving weekend.

Miss Freeda Horner who graduated from the Civic Hospital in June and finished her training, September 16, spent two weeks vacation at her home in Murrells. While on vacation she did special duty at the Pontiac Community Hospital. She returned to Ottawa October 6 to commence duty in the children's ward of the Civic Hospital.

Currie-Dowe Wed At Quyon

Quyon—An early Autumn wedding of local interest was held on Saturday afternoon in the United Church, Quyon, when Miss Alice Anne Dowe, Ottawa, daughter of Mrs Velma Dowe, became the bride Keith Curry, son of Mrs. Irene Curry, Forrester's Falls, Ont.

The church was decorated with Autumn flowers for the ceremony performed by Rev. Basil Long. Dr. R. M. Hudson played the wedding music and accompanied the soloist, Miss Dorothy Kelly.

Given in marriage by her great-uncle, Percy Doherty, of Ottawa, the bride was attended by Miss Lillian Ross, as maid of honor; Miss Ethel Curry, sister of the bridegroom, as bridesmaid, and little Miss Judy Ballantyne was the flower girl. Earl Curry was best man for his brother. The ushers were another brother, Melville Curry, and Kenneth Davis.

The bride wore a white ballerina length gown of net over satin a bolero of Chantilly lace with Peter Pan collar and lily point sleeves. Her fingertip veil of tulle illusion was arranged from a tiara of seed pearls and sequins. She carried a cascade bouquet of red roses, and white chrysanthemums.

Following a reception in the church hall, the couple left on a wedding trip through the Muskoka district. To travel the bride chose a navy and light blue tweed suit with navy accessories. A corsage of yellow chrysanthemums completed her costume.

Mr. and Mrs. Curry will take up residence at 510 Moffatt street, Pembroke.

ADEQUATE HOUSE WIRING

The wiring in your home is somewhat like the water piping. If the pipes are too small, opening more than one faucet at a time reduces the normal flow of water from each.

Too small house wiring and too many appliances cause excessive voltage drop. The more appliances connected the lower the voltage.

You cannot see the flow of electricity, but you find its effect in the appliances All electrical appliances take longer to do their varied tasks when your wiring is overloaded.

Overloaded circuits are dangerous because overloaded wires heat up to a dangerous degree, charring the insulation and eventually causing fires that could have been prevented.

Modern appliances are more efficient, use more watts and they do their work faster and better than ever before. And there are many more of them than ten years ago.

Your local electrician can help you. We suggest you talk your wiring problems over with him.

GATINEAU POWER COMPANY

"I've never seen anything like it"

"I'm wearing out plenty of shoe leather these days delivering Dow Ale to customers. Waiters in other clubs and taverns are saying the same thing. None of us has ever seen anything like the tremendous increase in calls for Dow. Seems that Dow's *'Cool Control'* brewed flavor is exactly what the customers want."

By Rev. C. Younger-Lewis

Rev. Mr. Griffiths of Campbell's Bay occupied the pulpit of Fort Coulonge United Church on Sunday, October 23rd and dispensed Communion and also performed the rite of baptism, giving the infant daughter of Mr. and Mrs. D. Campbell of Davidson, her christian name of Margaret Francis. Mr. Griffiths also conduced the service and dispensed Communion at Waltham, while Mr. J. Veldhuis conducted the services at Campbell's Bay.

Fort Coulonge is following the Capital city in some degree for on Thursday night, October 2$ the Lyn Theatre was crowded to capacity as there was a Foto night and the prize to be awarded was $100. The name of Mr. Heaney Jr. was called out but also Mr. Heany was not present so it means $105 for the next call.

Mr. Ben Hanson has become richer, if not in money, at least in food, for he shot a moose last week. So many of those who depend upon Mr. Hansen to put on their storm windows will not have to wait too long.

A sure sign of Winter — Bingo Nights — The Farmerettes held a successful Bingo last week, the funds of which go towards helping under - privileged families. We should surely congratulate them for the good work they are doing.

Mr. Gordon Smith of the Western provnices is on a visit to his sister, Mrs. Howard Smith, whom he has not seen for over thirty years.

A very interesting service was held in St. Andrew's Presbyterian Church on Sunday morning, October 23. The usual order of service was changed and the congregation saw the front of the pulpit covered with floral decoration and a baptismal service was conducted. The very hoppy people were Mr. and Mrs. Wm. Kenny, Jr., and his wife's parents and the father's mother. We regret that his father, Mr. Wm Kenny is confined in the Civic Hospital in Ottawa. The smiling boy child was given the name of David Mark (one of the Old Testament heroes name and one of the new). Mr. and Mrs. William Lough were the God parents and sponsorers. The minister, Rev. Dr. C. Younger-Lewis preached on the subject "Rejoice", during the signing of the register. Mr. Norman sang a very appropriate solo. Miss Joan Proudfoot presided at the organ.

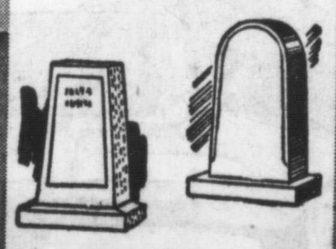

The United Church, Fort Coulonge assisted by some of Waltham congregation held a very successful Rummage Sale on Monday, October 24 in the store kindly lent by Mr. Tony Davis.

Mr. Thomas Smith and Mr. Wallace Smith of Mansfield were visitors to Pembroke last week.

Mr. and Mrs. Kenneth Sinclair, Beth and Bob of Ottawa were Sunday guests of Mr. and Mrs. Hugh Proudfoot and family.

In Memoriam

Holt—In loving memory of Robert C. Holt, who passed away, February 29, 1944.
o —The Holt Family.

Crawford—In loving memory of Joseph Crawford who died suddenly, November 1, 1947.
The rolling stream of life flows on
But still the vacant chair
Recalls the love the voice, the smile
Of one who once sat there.
x Wife and family

Shower To Fete Miss Phyllis Sparling

On Tuesday evening last week a Miscellaneous shower was given by Mrs. Ernest Gillis in honor of Miss Phyllis Sparling bride elect of next month. A basket of beautiful gifts was presented to the bride to be by little Miss Shirley Letts. Taken completely by surprise Miss Sparling thanked her friends in a few well chosen words. A few games were played to pass the evening.

Refreshments were served by the hostess, assisted by Mrs. Roy Sparling and Mrs. Leonard Letts.

Mrs. Jos. Merchant Passes In 81st Year

Final tribute was paid in Bryson on Wednesday to Mrs. Joseph Merchant, who died at St. Vincent's Hospital, Ottawa, Saturday, October 15, after a prolonged illness. She was in her 81st year. The funeral and solemn requiem mass was held in the church of the Immaculate Conception, Bryson, with her son Rev. R. J. Merchant, celebrant; Rev. J. L. Enright, Arnprior, Deacon; Rev., T. G May, Vinton, subdeacon, Rev. T. P. Tait, PP. Prayers at the graveside were said by Fr. Merchant. Attending in the Sanctuary were Very Rev. J. J. Hogan, Campbell's Bay; Rev. D. J. Drohan, Osceola, Rev J. J. Sullivan ,Calabogie.

Born at Calumet Island, Mrs. Merchant was the daughter of the late Timothy Lawn and his wife, Marie Shea, early settlers of the Island. In 1898 she married Joseph Merchant and made their home on Calumet Island. Her husband predeceased her in 1949. Surviving are one son, Rev. R. J. Merchant, Edmonton, Alta; six daughters, Mrs. J. Conway (Pearl) New York City, Mrs. J. Keehler (Mary), Calumet Island, Mrs. E. Gray (Loretta), of Renfrew; Mrs. Ed. Hogan (Rose) Miss Emily Merchant, Ottawa, Mrs. Roy Johnston (Edna) of Bryson. Interment was in the Parish cemetery.
