47 Die In Plane Crash

MIDLAND, Mich. — (AP) — A Capital Airlines Viscount plane crashed at nearby Tri-City Airport Sunday night, killing 47 persons, many of them homeward bound from holiday vacations.

The turbo-prop plane slammed into a muddy field some 300 feet short of the runway. Witnesses said the plane appeared to explode, but reports conflicted on whether the explosion came before the crash or after.

The impact threw bodies across a wide area. Others, burned beyond recognition, were found in the wreckage.

Police and firemen from nearby communities fought through mud to reach the wreckage.

Airline officials said three crew members and 44 passengers were aboard when the plane crashed at 11:15 p.m. A preliminary passenger list included no Canadian names.

Indonesia Rebels On Defensive

SINGAPORE (Reuters)—Indonesian government troops using military trucks recently received from Russia are massing on rebel Central Sumatra's northern frontiers, diplomatic sources reported here today.

The reports said Jakarta forces were streaming towards the frontier supported by planes and armored cars.

"It must be admitted that the picture is not bright at the moment," a rebel spokesman commented here.

But he claimed that the rebellion which started two months ago against President Sukarno's left-wing regime had brought the economy of Java, heaviest populated and poorest of Indonesia's 4,000 islands, to the breaking point.

Faced with an all-out attack by government troops, rebels in Central Sumatra may have to abandon their "capital" of Bukit-tinggi and resort to guerrilla warfare from the jungles.

Reports reaching here indicate government forces on the Indragiri River are about 60 miles east of Bukit-tinggi, and other Jakarta units marching down from Northern Sumatra are about 80 miles northeast of the rebel stronghold.

In his Jakarta capital, meanwhile, President Sukarno's government is reported buying jet fighters and bombers from Communists.

Indonesia sent an arms-shopping mission to Eastern Europe last December after receiving no action on its request to buy arms from Washington.

Sign in a Navy research office: "If it works, it's obsolete."

New England Pounded By Gales, Snow

NEW YORK (AP) — Stormy weather, with snow, rain and strong winds, pounded the north-east section of the United States today following wet weather which dampened most of the country Easter Sunday.

The early spring snow storms gave a wintry look to sections of the midwest states, and falls from six to 10 inches were in prospect today in Northern New England.

Snow or rain fell from Maine southward to Virginia and westward through the middle Mississippi Valley and the Eastern Great Lakes region.

Heaviest precipitation was along the New England coast.

Snow piled up to a depth of nearly a foot in western sections of Northern Michigan, while drifts ranged up to seven feet in extreme western parts of Nebraska.

The weekend snowfalls also hit Northern and Western Wisconsin and Southern Minnesota. As the storm moved eastward, snow also fell in parts of northern Illinois.

STORM HITS EAST

Heavy snow warnings were posted for Northern Maine and parts of New Hampshire, with up to 10 inches of snow indicated.

Severe storms hit the southern Great Lakes region and middle Atlantic states Sunday. Thunderstorms and heavy rain, with gusty winds, hit coastal states from North Carolina into New England.

The heavy rains and snowfalls in the east during the winter have increased the danger of floods in many areas from South Carolina into New England.

Batista Claims Big Victory

HAVANA (AP) — President Fulgencio Batista's army claimed today to have whipped one big contingent of Fidel Castro's rebels, and that it was pursuing it and another major rebel band in the mountains of Eastern Cuba.

The army also claimed it had shot down a two-engine foreign transport plane bringing arms to be dropped to Castro. The announcement said the plane crashed and burned and the crew was killed, but the country where the plane originated and the identities of the crew were not announced.

The general staff said its forces had beaten a large rebel outfit headed by Raul Castro, the rebel chief's brother, which had been operating along the northern coast of Oriente province.

The rebel group was reported scattered, forced back into the Sierra Maestra and "isolated." The communiqué said seven rebels were killed and more than 30 wounded or captured.

CLAIM CASTRO ISOLATED

The army said Saturday it had isolated Fidel Castro and another big group of rebels in the mountains, but rebel sources shrugged this off. They said Castro had been "sealed off" in the Sierra Maestra since he began his revolt 16 months ago.

Batista, visited by reporters at his heavily-guarded farm outside Havana, said the army's strategy will be to reduce the rebel ranks bit by bit.

Soviet Jobless

LONDON (AP) — Some 56,000 Soviet white collar workers have lost their jobs through a streamlining of Russia's industrial and building management, Moscow radio said Sunday.

Few Fish Killed

CAMPBELL RIVER, B.C. (CP) —Only "minor damage" to fish stock in the area of Seymour Narrows resulted from Saturday's gigantic blast of Ripple Rock with 1,375 tons of high explosive. The blast, officials said, resulted in fewer than 100 floating fish carcasses.

Pope Calls For Peace

Christian World Marks Easter

LONDON (CP)—Christian worshippers in churches throughout the world commemorated the Resurrection of Christ on Easter Sunday.

From Jerusalem, the cradle of Christianity, to Communist China, the devout heard retold the joyous story of the risen Christ.

In much of the United States and parts of Canada, rain, snow and chilly winds put a damper on Easter parades and other displays of holiday finery.

New York City's Easter parade was drowned in a gusty downpour. London reported the coldest Easter Sunday of the century.

In his Easter message, Pope Plus called on world leaders to let the light of Christ bring peace to a darkened world. A cosmopolitan throng estimated at

250,000 jammed St. Peter's Square in Rome to hear the Pope say there is no better work for Christians than to labor for a just peace.

FORCE PERMISSABLE
In London, the Roman Catholic primate of Britain said governments must sometimes use force for the protection of society.

Most Rev. William Godfrey, Archbishop of Westminster, said in an Easter sermon that in certain circumstances involving self-defence there might be justification for using the "most powerful nuclear weapon."

War is not intrinsically wrong, he said.

The Archbishop of Canterbury, head of the Anglican Church, said that "if a government has to use force for the protection of society against evil-doers, it is doing what God allows it to do."

For the first time in three years, the Pope's Easter message made no direct reference to nuclear weapons. Nor did he speak of communism directly.

But he called on world crusaders to work sincerely and honestly for peace—to be willing to sacrifice.

MAN'S LIGHT
He spoke often of the light of the risen Christ as man's guide in a troubled age.

Millions heard and saw the Pope on television and radio. A chill wind swept the square as the sound of the 82-year-old Roman Catholic leader's voice wafted over the loudspeaker system. He seemed energetic, and often emphasized his words with gestures.

"Would that men would . . ."

Two Families Wiped Out In Crash At Eastray

EASTRAY — (SPECIAL) — An Easter outing ended in stark tragedy near here last night when two complete families totalling 11 people were wiped out in a level crossing crash in a blinding snowstorm. Seven children under 14 were among the victims.

The car in which they were riding was crushed into a tangled mass of metal by a CPR dayliner travelling from Montreal to Sherbrooke.

The accident occurred at 6:45 p.m. at a sideroad level crossing on the main Montreal-Maritimes CPR line near Eastray station, about two miles from Eastman.

The automobile was wedged under the front wheels of the first car in the two-car self-propelled train, trapping most of the occupants. It was dragged more than 300 yards down the track before the train was brought to a halt.

Victims of the tragedy are:

Heliodore Larose, 39, of Waterloo;
Jeanne Larose, 38, his wife;
Ronald Larose, 13;
Ginette Larose, 12;
Jean-Pierre Larose, 9;
Daniel Larose, 5;
Andre Larose, 15 months;
Jean Claude Roy, 27, of Joliette;
Rejeanne Roy, 23, his wife (the former Rejeanne Larose);
Marcel Roy, 4;
Micheline Roy, 3.

The two families were related and had been visiting relatives in the area for the day. Mrs. Roy was the sister of Mr. Larose.

The CPR line was blocked for hours by the tragedy. A wrecker train was sent from Sherbrooke shortly after 8 last night but the line was not cleared until 12.15 this morning. The wrecker arrived back in Sherbrooke with the first car of the Dayliner in tow some hours later.

Nearly 100 passengers on the train, many of them returning to Sherbrooke from Easter visits to Montreal, were stranded for several hours in the second coach while the track was being cleared.

Engineer of the train was E. Darby of Sherbrooke, a CPR veteran of more than 40 years.

DAYS' OUTING
The victims were returning to Waterloo in Mr. Larose's car after spending the day with his father, Exias Larose, who lives near Eastman.

The crossing, known as the Hollenbeck Crossing locally, is about 50 feet from the main highway. The sideroad crosses the railway line at right angles.

Continued On Page 5

Tragedy Shock To Waterloo

Waterloo awoke to the shocking news this morning that two families had been wiped out in a railway crossing accident last evening.

Dead are Heliodore Larose, 39, his wife, Rejeanne, 38, and their five children, Ronald, 13, Ginette, 12, Jean Pierre, 9, Daniel, 5, and Andre, 15 months, all of Waterloo.

In the second family, the dead are Jean-Claude Roy, 27, of Joliette, his wife, Rejeanne, 23 (a sister of Heliodore) their children, Marcel, 4, and Micheline, 3.

Religious authorities said this morning that special requests for prayers for the relatives of the dead would be asked.

The group was returning from a sugaring-off party at the Eastman farm of Exias Larose, father of Heliodore and Rejeanne Roy, when their car was hit by the C.P.R. diesel passenger train at a small backroad crossing about 6:45 p.m. The car was driven by Heliodore.

Visibility at the time of the accident was almost nil because of a driving snowstorm.

Earlier in the day, the two families had gone to Mass at St. Bernadin's Church in Waterloo and later had their picture taken as a souvenir for Ronald who was to return to his studies at the St. Hyacinthe Seminary after the Easter holidays.

The Roes were guests of the Larose family for the weekend. Mr. Larose ran a successful garage and car sales business on Foster Square in Waterloo. He was described by one local person as a "quiet, accommodating man."

Rev. Father Romeo Robert, vicar of St. Bernadin Church, said the parishioners would be asked to offer their condolences and prayers to the relatives of the Larose family.

"We will ask them to pray for those left behind. It is comforting to know that the Larose family went to Holy Communion yesterday morning," he added.

Brother Marier, director of St. Bernadin School where Jean Pierre was a pupil, was shocked to hear of the tragedy.

He said there would be special sympathies extended to the Larose family.

"We will certainly say prayers and the pupils will go to the funeral parlor."

Ginette, a student at the Sacred Heart Convent in Waterloo, celebrated her 12th birthday only last Saturday.

ACCIDENT VICTIMS — only a few hours before they were killed at a level-crossing, the family of Heliodore Larose posed for this snapshot at his father's home. The camera had been given to Heliodore's son, Roland, for Easter. From left, standing, are Ronald, 13, Ginette, 12, Jean Pierre, 9; seated are Mrs. Larose, Daniel, 5, Mr. Larose and Andre, 15 months.

"Protect Your Property" Wild Life Week Theme

This is National Wild Life Week and in connection with its observance the following article has been submitted to The Record by a member of the Selby Lake Fish and Game Club:

Canada is still a comparatively young country among world nations. Canadians are all concerned with freedom. We have come to know that freedom is the base of our civilization and we have also come to know that our freedom is, in large part, a product of the lands and waters which made possible the prosperity of which to build our nation.

Canada's western and northern areas were developed as our forefathers settled in some of the richest lands in the world. This applies to Quebec, as well as to every other province in Canada. Those pioneers found land free for the taking, and in too many cases, the men who took those lands were indifferent to the wastage of resources for which they were responsible.

There were, however, others who were more foresighted. These were the men who established our first national and provincial parks, and in this province, kept a vast area as Crown Lands, which are managed for the people as a whole.

The opportunity to save and protect these public lands, and our public waters, comes at a time when we are mature enough to learn important lessons from the experiences of other nations. Those lessons have taught us among other things, that no nation can be prosperous, and its people happy, if its natural resources have been ravaged through misuse.

This is National Wildlife Week. Its observance, in this province, is sponsored by the Quebec Federation of Fish and Game Association and the sponsor in this district is the Club de Pêche et Chasse SELBY LAKE Fish and Game Club.

The theme of Wildlife Week, 1956, is: "Protect Your Property." Your property includes all provincial parks, fish and game reserves, and Crown Lands.

These areas are the home of wildlife — fish and game and birds — which are also your property. You are asked to take time, during Wildlife Week, to learn more about these assets of yours, and the way in which they are administered.

Our public lands and waters contribute greatly to our everyday living needs and our enjoyment of the out-of-doors. Our treatment of public lands, however, does not always stack up with that of lands we own privately. In some cases, we have failed to provide the funds required, and to support our conservation agencies, who manage these lands for us, to give all the care and protection they need.

As a result, we are getting only a small part of what we should from these public properties, at a time when there are increasing demands upon them. Their diverse products, ranging from the pleasure of living and picnicking in natural outdoor areas, fishing, hunting or camping; from the lumber and other forest products, and the electrical energy derived from our rivers, are becoming increasingly vital to the greater needs of our growing population.

While there have been shortcomings in the management of this public domain, residents of Quebec can take some pride in the fact that it has remained under public ownership, and that they intend to keep it so for the future. It is from these public lands and waters that Quebec draws much of its economic strength. These lands and waters are our property. It is up to us to recognize the critical need to care for and protect this public estate, so that it may produce to the limit of its capacity.

These problems call for careful consideration, during National Wildlife Week, and during every week of the year.

Parade Cancelled

BELGRADE (Reuters)—Yugoslavia's traditional May Day parade, an annual event since the Communists came to power after the Second World War, will not take place this year, it was announced Friday. No reason was given.

MODERN TARGET

FORT LANGLEY, B.C. (CP)—This community's history tort was rebuilt at a cost of \$250,000, with aid of federal and provincial grants, for the B.C. Centennial year celebrations. Now it's being "shot up" daily by tourists camera fans.

Thetford Church Groups Plan April Events

THETFORD MINES — St. John's Ladies Guild held its semi-monthly meeting in the Parish Hall, with the president, Mrs. O. H. Adams, presiding. Mrs. M. H. W. Seeley, secretary, read the minutes and the treasurer, Mrs. E. Moore, gave her report.

Most of the business part of the meeting was taken up in making plans for the box social to be held on April 18th in the Parish Hall. The boxes, to be decorated according to each lady's fancy, will be auctioned off during the evening and each is expected to contain sufficient lunch for the lady and her partner. Further plans for the affair will be made at the next meeting on April 9.

Hostesses for the meeting were Mrs. C. V. Hacker and Mrs. W. Haddock.

St. John's Senior W. A. held its semi-monthly meeting in the Parish Hall with president, Mrs. Lee Pharo, presiding and a good number of members in attendance. There was also one visitor, Mrs. G. Mathers.

The secretary, Mrs. D. McCann, read the minutes. There was no treasurer's report, as Mrs. C. Wright was absent.

Dorcas Secretary, Mrs. M. H. W. Seeley, asked the ladies to turn in their sewing and knitting as soon as possible in order to have it ready for the tea which will be held on April 12th.

Trouble With The Percenelle

TEXARKANA, Tex. (AP)—A newspaper simply has to have percenelle with proper qualifications to guarantee a readable product.

The Texarkana Gazette gives every applicant for editorial positions a spelling test and the misspelled words in the paragraph above were some of the attempts made by the applicants.

Mrs. Ruth Mahaffey, wife of the Gazette editor, gives the tests and grades the papers.

Out of 30 selected words on the test, one 27-year-old man who said he had worked on newspapers missed 28.

Here are some of the examples taken from his test paper: miscellaneous—mislandison; accommodation—acomadition; secretary—seclatary; accessories—axsesserys; separate—separate; column—colum; unencumbered—uncomibird; vacuum—vacom.

The champion misspeller was a 45-year-old woman who spelled technique t-e-a-c-c-n-i-k and immediate as hemidiate.

"The only person who has made a perfect score," said Mrs. Mahaffey, "was a 47-year-old woman with an eighth grade education and we hired her."

Asbestos Friends, Co-Workers Fete Noel Reakes

ASBESTOS — Friends and co-workers of Noel Reakes gathered in the Golden Room of the Iroquois Club to honor him prior to his departure from Asbestos.

J. C. Kelleher, vice-president and sales and merchandising manager of the fibre division, referred to Mr. Reakes' service of almost 33 years with the Johns-Manville Company and on behalf of those present presented him with an onyx desk pen set. Mr. Reakes expressed his thanks for the gift and said he had cherished memories of the many friends he was leaving behind.

Mr. Reakes has accepted a position with the National Gypsum Co., as a technical service manager, Asbestos Fibre Department.

GENERAL NOTES
Mr. M. Sharratt spent the weekend in Montreal visiting and on business.

The regular monthly meeting of the Evening Auxiliary of the United Church was held at the home of Mrs. A. McKeown, Webb Ave. A large turn out of members assisted in the arrangements for a social evening in the church hall, April 11th. There will be a bake table in connection with the social evening and everyone is cordially invited to attend. The meeting was in charge of Mrs. Jean Campbell.

The minutes were read by the secretary, Mrs. A. McKeown and the treasurer's report by Mrs. E. Coupland. Following the business session refreshments were served by the hostess. The next meeting will be held on the fourth Wednesday of April at the home of Mrs. E. Coupland.

PIONEER CHURCH
GRANDE PRAIRIE, Alta. (CP) Civic officials in this northwestern Alberta city are asking provincial aid to help restore McQueen's Presbyterian church, built of logs for a pioneer congregation in 1911.

Show Business

By BOB THOMAS

HOLLYWOOD (AP)—Neighbors in the Silver Lake district of Los Angeles have been dropping into the home of G. M. Anderson to see if it's true.

It's true, all right. They have only to look on the mantle of Mr. Anderson's cluttered little living room to see the shiny, golden Oscar.

Though his neighbors know him as a wise-cracking, slightly eccentric older who lives alone in a red frame bungalow, film historians recognize him as Broncho Billy Anderson, leading player in the first story film, The Great Train Robbery. Because he pioneered the film industry and created the movie western, the motion picture academy gave him

an honorary award last week. I dropped by to see how he survived the experience.

FEELS YOUNGER

"I feel 30 years younger," he grinned. "No more mothballs for me."

Billy, who is 78, admitted that he was nervous over facing the 2,500 guests at the Pantages Theatre. (The Oscar show run over time, so the honorary awards were given after the telecast.)

Fess Parker helped me a lot," he said. "He kept talking to me in whispers, 'Don't be nervous; you can make it.' That fellow Hugh O'Brien helped, too. They are both very nice fellows."

The two modern gunslingers helped Bette Davis make the award to Broncho Billy.

The Broncho Billy revival started a month ago when I did a series of columns on the western. After much negotiation I landed an interview with Anderson, his first in many years.

It seemed odd to me that the academy had never honored him, since it had given Oscars to D.W. Griffith, Mack Sennett and others for their contributions. So I made the suggestion to academy president George Seaton. He took it

up with the board of governors and the Oscar was voted.

EXCITING LIFE

Broncho Billy's life has been exciting since. He has had offers to go to New York for TV appearances, make movies, attend a celebration at Niles, Calif., where he founded his Essanay Studios.

What about the offers? "It's kinda hard to start a new career at my age," he said. "You're not so sure your mind is going to fire real bullets and not just come up with blanks. But I might do a few things. They'd have to be worth while, though, nothing undignified."

He reflected on his career. "I suppose I did help build the movie business. But if it hadn't been me, it would have been someone else. Shucks, there was no stopping the motion picture; it had to grow no matter what anyone did to it."

COMPTON —

Mrs. Stanley Windum and two sons, Mr. and Mrs. Fred Brown and daughter and Mrs. Edward Knutson, of Toronto, Ont., were weekend guests of Mr. and Mrs.

Nelson Nichols while here to attend the funeral of their uncle, Mr. H. E. Johnson, which was held in Lennoxville on Saturday, March 29.

SAWYERVILLE —

Mr. and Mrs. C. A. Parker and family, of Mississippi, were weekend guests of Mrs. Mary Parker.

Stainless Steel puts a lasting smile on the face of a building

CONTAINING INCO NICKEL

Now under construction, the modern office building of Atlas Steels Limited in Welland, Ontario, will have a bright, shiny stainless steel exterior. The stainless steel used in the curtain walls of this building contains Inco Nickel.

Everyone knows that in time, the face of a city can get pretty grimy. Now it needn't... ever. That's the beauty of this modern method of building... stainless steel curtain wall construction. The bright, smooth surface on the outer wall of a building washes clean with every rainfall. Upkeep expense is negligible.

Curtain wall construction costs less in the long run. The walls go up in panels quickly and easily. They reflect sunlight. They won't crack or buckle. Stainless steel curtain walls are less than half as thick as masonry walls, allowing more useable space. The walls weigh less, too. Builders can use lighter—and less costly—steel columns.

That's the economy of stainless steel curtain wall construction. It explains why a number of new buildings will have these bright, shiny, rust-resistant stainless steel outer walls. And Inco supplies nickel to the Canadian steel company that produces stainless steel.

Nickel helps give stainless steel its rich, silvery lustre and its exceptional strength... makes it easy to fabricate. Small wonder that fine tableware, modern sinks and so many other beautiful and practical items for the home are now made with nickel-containing stainless steel. Another example of the way Inco metals serve the Canadian industries that serve you.

Inco has recently published a colourful and beautifully illustrated 32-page booklet about Canada's important nickel industry, entitled "The Exciting Story of Nickel". It is written primarily for Canadian youth by Alan King, but adults will also find it full of interesting information. Just write to Inco for a free copy of this booklet.

Holiday Accidents Claim 14 Lives In Eastern Townships

BODY NOT RECOVERED — The arrow and broken line parallel the path taken by the tractor that carried 41-year-old Albert Dumais to his death in the turbulent waters of the Watapika River early Saturday morning. Unconfirmed reports that the body of the father of nine was recovered were later denied. An attempt to lift the tractor from the foot of the 50 foot cliff failed when a cable snapped. (Record Photo by Jean Nault)

Asbestos Poolroom Owner Dies Following Argument

ASBESTOS — No charges have been laid yet in the death of Conrad Guimont, 35, a pool room owner who died in hospital Saturday while being operated upon for injuries suffered in a brawl. Asbestos Police Chief Andre Larivee said this morning that the case had been turned over to Provincial Police and that investigations were at a standstill pending the arrival of a Montreal medico-legal expert.

He said an autopsy would be carried out, probably this afternoon. An argument started in the du Roi St. pool hall Friday evening between Guimont and a customer over money. He said a fight ensued in which Guimont suffered a blackened eye and a broken nose.

"He was not hit by a pool cue nor did he fall to the floor," Chief Larivee said.

Guimont filed a complaint with the police Friday evening.

"He walked to the station to file that complaint," Chief Larivee said. Guimont went to the John-Manville Hospital Saturday morning to have his injuries treated. He died on the operating table. Chief Larivee said no charges had been taken against the man who hit Guimont.

Sherbrooke Woman, Valcourt Man Die In Crash On Richmond Road

The Eastern Townships experienced its blackest Easter Day in memory with traffic accidents causing 14 deaths, bringing critical injuries to four and minor injuries to at least eight others.

One of the greatest disasters occurred near Eastman early last evening when a CPR Montreal-Sherbrooke Dayliner ploughed into a car containing eleven persons, killing all the occupants, four adults and seven children — wiping out the entire families of Mr. and Mrs. Heliodor Larose, of Waterloo and Mr. and Mrs. Jean-Claude Roy, of Joliette.

A head-on collision between Richmond and Windsor Mills claimed the lives of Mrs. Clifford Goodfellow, 39, of RR 3 Sherbrooke, and Lucien Bissonnette, 30, of Valcourt. Also critically injured in the crash were Mrs. Goodfellow's two-year-old son, Stephen, and Paul Jeanson, 27, of Valcourt, a passenger in Bissonnette's car.

Clifford Goodfellow, husband of the fatally-injured woman, is in the Sherbrooke Hospital suffering from a broken leg.

Guy Robichaud, 21, of St. Johns, was instantly killed when the car in which he was driving went out of control and struck a tree near Cantic.

His two companions were taken to Notre Dame Hospital in Montreal. The victim's brother, Gerard, 20, of St. Johns was released after treatment, but Jean Louis Gauthier, 36, also of St. Johns, was reported to be in critical condition.

Also critically injured in an accident between Bury and Cookshire was Maurice Laroché, 22, of Bury.

Laroché and the Goodfellow child were removed to the Montreal Neurological Institute after receiving emergency treatment in Sherbrooke.

In Sherbrooke Hospital suffering from not critical injuries are: James Bake, 17, of Bury, facial lacerations and Donald Rudd, 25, of Bury, lacerations to the head.

Treated at the Sherbrooke Hospital and later released were Robert Wright, 19, and Donald Martin, both of Bury.

Treated at St. Vincent de Paul Hospital and released were: Richard Auger, 21, Windsor Mills; Claude Tardif, 17, East Angus; and Marcel Cusseau, 18, Green-lay.

Laroché and the Goodfellow child were removed to the Montreal Neurological Institute after receiving emergency treatment in Sherbrooke.

MR. AND MRS. GOODFELLOW AND OLDER SON BRIAN

Classification Changes Made In Winter Fair

The Directors of the Sherbrooke Winter Fair have revised the classification for market cattle for the 1958 Winter Fair. The market cattle will be judged according to breeds, namely Aberdeen Angus, Hereford and Short-horn. In each breed there will be three sections, small, medium or large or light weights, medium weight and heavy weight. However, the minimum weight will be 700 lbs.

The prizes offered in each class are: \$15, \$13, \$11, \$9, \$7, \$5 and \$4.

The weights in each section will be established after the cattle are weighed, so that the number of entries in the sections for each breed will be fairly even.

Bookmobile To Visit District April 14 To 18

The bookmobile of the McLenan Travelling Libraries will visit a number of communities in the Eastern Townships during the week of April 14 to 18. The schedule announced is as follows: Monday: Drummondville High School, 1 p.m. Tuesday: Richmond High School, 9 a.m.; Danville High School, 10:30 a.m.; Asbestos, Mrs. McGaw, 2:30 p.m.; Danville Village, 4:30 p.m. Wednesday: Windsor Mills High School, 9:30 a.m.; East Angus, Mrs. Coates, 1 p.m.; East Angus Elementary School, at 1:30 p.m.; Cookshire High School, 3 p.m. Thursday: Island Brook, Intermediate School, 9:30 a.m.; Saw-ville High School and Library, 11 a.m.; Lennoxville High School, 1:30 p.m. Friday: Waterville Intermediate School, 9:30 a.m.; Coaticook High School, 11 a.m.; to 1:30 p.m. Coaticook, Mrs. Rafal, 1:30 p.m.; Magog High School, 2:30 to 3:30, children, 3:30 to 4:30 adults.

Sap Volume, Prices Down

MONTREAL (CP) — District farmers have reported that the volume of maple sap collected this year shows a reduction of about 50 per cent from last year's volume.

Top prices paid for maple syrup this year have been running to \$4.00 and \$4.50 a gallon, about 50 cents below last year's top range.

When sap collections have been completed in the eastern parts of the province the total yield is expected to show a drop of between 15 and 20 per cent.

Official figures on last year's syrup crop gave an estimate of 2,700,000 gallons in Quebec, nearly 20 per cent above the normal yield.

Sap is expected to continue running in eastern parts of the province for another two weeks.

Sub Rocket

WASHINGTON (AP) — The navy was reported Sunday planning a new missile that can be fired from the torpedo tubes of a submerged submarine, zoom back through the air and come back into the water to search out enemy submarines. The navy now is conducting "hissing competition" for the missile, said Missiles and Rockets magazine in an article by editor Erik Bergquist.

RICHMOND

Mr. and Mrs. William B. and Mrs. Paul Gerard at St. Lambert.

Miss Mary Stavley and Mr. Alfred Stavley, of Montreal, were weekend guests of Mr. and Mrs. John Barrington, Stanley Ave., while here to attend the funeral of Mrs. Alex R. Johnston of Mel-bourne, which took place on Saturday, March 29, at Melbourne Ridge. Mr. and Mrs. Ernest Barrington and family, of Windsor Mills, were also guests at the same home.

Mr. H. P. Stone, local branch manager of the Southern Canada Power Co., has been transferred to Bedford, Mr. Chatter from Drummondville is replacing Mr. Stone. Mr. Stone will be greatly missed in the town and vicinity. In the number of years here he has been very active in municipal affairs, having been mayor and alderman respectively. He was also a member of the R.D.A. Protestant Central School Board and very active in the Richmond and Melbourne Board of Trade and other civic organizations.

ster were travelling behind a vehicle driven by Mr. Goodfellow's brother, Allan, when an oncoming car, occupied by Bissonnette and Jeanson, went out of control and crashed into the car driven by Clifford Goodfellow, incurring the fatal injuries.

Both Bissonnette and Mrs. Goodfellow died before reaching the hospital.

NEAR COOKSHIRE

Laroché, Bake, Rudd, Martin and Wright were involved in an accident last night when their car went out of control on the road between Bury and Cookshire and crashed into a tree. Laroché's condition was critical enough to warrant him being sent to the Montreal Neurological

Reception For Scientists At Nuclear Talks

QUEBEC — Laval University Sunday held a reception for 30 nuclear scientists attending the second Pugwash conference at nearby Lac Beauport.

The group was welcomed at a student residence by Msgr. Alphonse-Marie Parent, Laval's rector, and members of various faculties in the university.

The conference was arranged by Canadian-born Cleveland industrialist Cyrus Eaton and takes its name from Mr. Eaton's family home at Pugwash Junction, N.S., where the first meeting was held last summer.

The informal discussions at the resort centre began a week ago and will continue until April 11. They are primarily concerned with the perils of a nuclear arms race among nations of the world.

Easter Rabbitt Really Arrived

ST. LOUIS (AP) — A real Easter Rabbitt visited one family Sunday.

She is little Susie Rabbitt, born early Sunday morning, the fifth child of Mr. and Mrs. Thomas F. Rabbitt.

Mother and baby Rabbitt are reported doing fine.

EASTER EGG HUNT — Members of the tadpole, midget and Junior classes at the Sherbrooke Y.M.C.A. are shown before taking off in the annual Easter egg hunt sponsored by the local Y. A variety of prizes were given to the boys bringing in the largest number of eggs. (Record photo by Gerry Lemay)

SHERBROOKS: 10.00 a.m. to 6.00 p.m.
121 Depot Street — April 10, 1958

but with a slight incline up to the track.

Engineer Darby estimated that his speed was about 50 miles an hour at the time of the crash. He had blown the train whistle on approaching the crossing but said later he did not see the car until the train was only some 50 feet from it. He applied the emergency brakes, but was unable to stop the train in time.

Heavy, wet snow was blowing at the time, cutting visibility down to a few yards. Officials said it was impossible to tell whether or not Mr. Larose saw the train before the accident.

The force of the collision scattered wreckage along the track as the front coach of the dayliner rode over the automobile, dragging it for hundreds of feet. Six bodies were trapped in the wreckage for hours before the train could be raised.

Damage to the train was estimated this morning to amount to only \$150.

All the victims were believed to have been killed instantly except for one child, who died on the way to hospital. Ambulances were sent from Waterloo and Eastman to take away the victims.

A large crowd gathered near the scene as news of the tragedy

2,000 March Against H-Bombs

READING, England (Reuters) The ranks of a mile-long "ban the H-bomb" procession swelled today to 2,000 demonstrators as the four-day, 50-mile pilgrimage neared its destination.

A new face at the head of the parade — one of hundreds who travelled from London by train to join 1,000 original marchers — was American singer Bayard Rustin, organizer of an international campaign against nuclear arms.

Radio Quits

WASHINGTON (AP)—One of two radio transmitters in the United States Navy's Vanguard Satellite, launched March 17, has fallen silent.

Air Vets Meet

TORONTO (CP)—The knights of the air—veterans of the Royal Flying Corps and the Royal Naval Air Service—are gathering here to recall their exploits.

spread. The wrecking crew worked under bright lights to free the wreckage from the train.

Traffic over the line was disrupted for more than five hours. A special train from Sherbrooke to Montreal was held at Magog and, earlier, a number of passengers waiting for the regular Montreal train were advised to spend the night in Sherbrooke. The Montreal-Saint John night train was held for several hours at Foster.

A large number of cars lined the highway near the scene slowing down traffic. However, most people were unable to get through the swampy terrain to the train.

The accident was one of the worst in the history of the Eastern Townships.

In addition to the 11 killed at Eastbury, three other people were killed in accidents in the area during the Easter weekend.

FLIGHT CADET DUANE LOWRY, son of Mr. and Mrs. Hazen Lowry, of Sawyerville, is shown above receiving his wings from Group Captain G. F. Jacobsen, DFC, CD, Commanding Officer of the Royal Canadian Air Force Station at Winnipeg, Man. F/C Lowry graduated from the air observer course.

GRANBY

The Paris Lingerie Shop Reg'd Main Street presented a fashion show in the Mt. Shefford Hotel at which well over 150 ladies were present.

All types of ladies clothing were modeled from bathing suits to wedding gowns. The wedding party concluded the show, with Mr. Mido Ariss, proprietor, acting as the groom. The Paris Lingerie Shop donated the proceeds to the current Red Cross campaign.

Mr. and Mrs. J. H. Flack have returned to their home on Drummond Street, after spending several months in Florida.

The choir of St. George's Anglican Church, under the direction of Mr. Colin Carverhill, organist and choir director, presented a special Passion Choral, Sunday evening, March 30. The program consisted of a number of specially appropriate anthems, hymns and Scripture readings. The Scripture selections were read by the rector, Ven. Archdeacon

St. George's Anglican Church will take part in the Choir Festival at Trinity Memorial Church, Sherbrooke Street West, Montreal, on April 26th.

Lana Turner

Friendship With Thug Puzzling

HOLLYWOOD (AP)—The slaying of Johnny Stompanato by Lana Turner's 14-year-old daughter must have most of Hollywood—and the world—asking: How can a known underworld figure become the boy friend of a top movie star?

"It's all my fault, it's all my fault," one close friend quoted Lana on her daughter Cheryl's predicament.

Four times married and divorced—and with numerous boy friends in between—the 38-year-old actress saw in handsome Johnny excitement and new kicks.

It may be hard for people unfamiliar with the town to comprehend, but Hollywood can be dull for movie queens.

SHORTAGE OF MEN

Many a beautiful actress has to sit at home nights for the simple reason that there is a drastic shortage of eligible men. Sexy Barbara Nichols, an unmarried actress who came here from New York, summed it up: "Sure, I'd like to get married, but every interesting man I've met out here is either married or spoken for."

Cheryl, fearful of her mother's life after hearing threats from Stompanato, strode up to him and rammed a brand-new kitchen knife, razor-sharp, into his right side Friday night.

Jerry Giesler, famed film noir lawyer retained by Lana, said he will argue that the slaying was justifiable homicide, and that thus no trial is necessary.

CHRISTIAN WORLD

Continued From Page 1

acknowledge the truth of the sentence of Christ, I am the light of the world, and would (that they) accept it in its full extent, which admits neither limits nor boundaries," he said.

"If they would thus expose their minds and hearts to His divine rays, how much life, how much peace and hope would blossom in this vale of ours."

"Let the wonder of the Resurrection be an invitation to men to put back the world and all that it contains within the life-giving light of Christ, and to conform to His teachings and designs all souls and bodies, peoples and states, their form, laws and plans for the future."

In Jerusalem, holy land pilgrims commemorated the Resurrection at two sites where Christ might have been buried—the Holy Sepulchre and the Garden Tomb, an empty grave in the garden just outside the city walls.

About 20,000 pilgrims jammed the giant underground basilica of St. Pius X in Lourdes, France, for Easter ceremonies. Included were 500 paralyzed men and women from all parts of France.

Radio Peiping reported several thousand Protestants and Roman Catholics at high masses and holy communion services in Peiping, Shanghai and Canton.

At Gettysburg, Pa., President and Mrs. Eisenhower and their family attended services at the local Presbyterian church despite a heavy rainstorm.

Egyptian Oil

CAIRO (Reuters)—Egypt announced Saturday it is prepared to start exporting oil for the first time May 1. The petroleum general authority announced that it will have 500,000 tons of Egyptian crude oil, from fields in the Sinai peninsula, available for export.

O.E.S. Members Enjoy Tour Of Cowansville Plant

COWANSVILLE — The last meeting of the Cowansville Chapter, Order of the Eastern Star, was a particularly large one. It marked the official visit of the Grand Instructor, Sister Grace Cullen. Another distinguished guest of the evening was Sister Marian Hamilton, Past Grand Matron. Refreshments were served at the close of the meeting.

Recently a group of O.E.S. members spent an interesting afternoon when they toured the Bruck Mills. They later enjoyed tea in the Bruck Club where they had the opportunity of viewing the current exhibition of the Cowansville Art Centre, housed in the Club, paintings by a number of Eastern Townships and Montreal artists. At the Club they were greeted by Mrs. Leopold S. Lee, president of the Art Centre and Mrs. W. H. Foster, secretary, both of whom are Star members.

Dr. and Mrs. H. H. Roy have returned by plane from a fortnight's vacation in Jamaica, B.W.I.

Little Cindy and Sheryl Cove-duck, of Montreal, spent a week with their grandparents, Mr. and Mrs. Percy Ogden, while their parents moved to a new home.

DRAPER'S CORNER

Mr. and Mrs. H. H. Allison and Miss Pearl Allison were in Bury called by the sudden death of the former's brother-in-law, Mr. Ernest Burgess. They also attended the funeral on March 28. Mr. and Mrs. F. Paquette were in La Patrie for the week-end.

BEDFORD

Miss Izelda Larocque of Montreal, spent the weekend with her parents, Mr. and Mrs. P. Larocque.

COWANSVILLE

There will be meeting of the Cowansville Lions Club at the New Ottawa Hotel this week. Instead the members will attend the charter banquet on Wednesday, April 9, of the new Bedford Club which with the Farnham Lions, they are cosponsoring. The Cowansville H.C. under the presidency of Fred Whitehead, will entertain teen-age members of the Young People's Society of Granby United Church at a social evening on April 8 in Emmanuel Church Hall.

Plane Crashes

ITAKUNI, Japan (AP)—A U.S. Navy plane with 11 men aboard crashed into the sea near here Sunday. Three were rescued, six are missing and two bodies have been recovered from the water.

Cards of Thanks

MATTHEW — We wish to express our thanks to all who sent flowers, cards, food, and helped in so many ways at the time of the death of our husband and father, Thomas J. Matthew.

MRS. THOMAS J. MATTHEW, AND FAMILY, Eastman, Que.

CHAMBERLAIN — I wish to thank all those who so kindly remembered me in so many ways during my stay in the Sherbrooke Hospital. Especially do I thank Dr. White, Stansfield, Dr. Quintin, Sherbrooke, the nurses and aides for their excellent care; Mrs. Mabel Crawford, Mr. and Mrs. Cyril Crawford, for the lovely plant, Crystal Rebekah Lodge No. 14 for the flowers and cards, Canadian Legion Auxiliary No. 3, members of the Border Christmas Club, neighbours and friends for gifts, and other remembrances sent to me, as well as all those who brought in food during my absence and since my return home, and to all others for kindnesses shown me and my family. Your thoughtfulness will always be remembered.

MRS. HERBERT (MADGE) CHAMBERLAIN, Rock Island, Que.

WOOD — I wish to thank relatives and friends who sent me cards and flowers during my stay in the Sherbrooke Hospital; also Dr. Quintin, the intern and nurses, their aides, and the orderlies on the second floor. Your kindness will always be remembered.

RICHARD W. WOOD, Beebe, Que.

SORENSEN — The family of the late Christian Sorensen wish to express their sincere thanks and appreciation for the acts of kindness, messages of sympathy, and beautiful floral offerings received from their kind friends, relatives and neighbours during the recent bereavement of a beloved husband and father. We would especially like to thank Dr. Wells, Ven. Archdeacon Matthews, the choir and organist of St. George's Church, also Rev. Sidney Jellison and Rev. J. D. Anfin of Bishop's University, and the bearers. Your thoughtfulness was very much appreciated and will always be remembered.

MRS. CHRISTIAN SORESEN, Lennoxville, Que.

We would like to take this opportunity to thank all those who made our recently held dart tournament a success. Mr. Baby and Mr. Bedard for the Del Monty Hotel, Kenneth Ingalls and Lloyd Kezar for their time and work on the score sheets, those who donated the lovely prizes and all who came to play. Thank you for your co-operation.

COURT FORESTINA L-1824.

In Memoriam

WILKIN — In loving memory of Gwendolyn Alice Wilkin who passed away April 6th, 1957.

Little we thought when we awoke that morn,

The sorrow the day would bring; The blow was sudden, the shock severe,

To part with one we loved so dear. Only those who have lost can tell.

The sorrow of parting, without farewell; Wherever we go, whatever we do, Always dear Gwendolyn we are thinking of you.

Ever remembered and sadly missed— EDITH & ROBERT.

LEFEVRE — In loving memory of our father, Frank Lefebvre, who passed away April 1957, and our sister, Queenie Lefebvre, who passed away in May 1949.

Forever in our hearts the memory is kept. Of those we loved so much and will never forget.

Always remembered by— WIFE, MOTHER & FAMILY.

ALLCORN — HETHERINGTON — In fond memory of our friends, Graham and Dickie, who were accidentally killed on April 6, 1957.

A page in our book of memories, Is gently turned today. Sadly missed and always remembered by—

DAVID BRUCKENRIDGE, JIM WRAY.

Anti-Polio Clinic At Coaticook

COATICOOK — The Stanstead County Health Unit will hold a free health clinic in Coaticook on Tuesday and Wednesday, April 8 and 9, when children will be given 1st and 2nd anti-polio shots.

On Tuesday, from 10 to 11 a.m., the clinic will be held at North Coaticook for St. Mark Parish and from 2 to 4 p.m. at the Coaticook Armouries. On Wednesday, from 2 to 4, the clinic will be held at St. Edmond Parish Hall.

Births

ATTO — To Mr. and Mrs. Dennis Atto (nee Joyce Tousaw) at the Royal Victoria Hospital, Montreal, April 4th, 1958, a son. Both well.

BRADSHAW — To Mac and Lucille (nee Adeock) a daughter, Julia Marie on April 6th at Sherbrooke Hospital. A sister for Gower and Leah.

O'KEEFE — Ronald and Pat (nee Miller) wish to announce the birth of their son, David Miller, at the Overlook Hospital, Madison, N. J., on Monday, March 31, 1958.

HUFF — Larry and Dorothy (nee Sewell) wish to announce the birth of their daughter, Sherry Dawn, at the Sherbrooke Hospital on April 5th, 1958. Both well.

Deaths

ADAMS, Pansy — At the New-porth Hospital on Sunday, April 6, 1958, Pansy Arvilla Blodgett, beloved wife of Harley John Adams, in her 64th year. Resting at her late residence, South Bolton, Que. Funeral service from Holy Trinity Church on Tuesday, April 8, at 2:30 p.m. Rev. E. Macklin officiating. Interment at South Bolton, Que. Robb's Funeral Service Reg'd.

The Doctor Says

Edwin P. Jordan, M.D.

INFLAMMATION OF BLADDER IS CLUE TO SERIOUS DISORDER

Mrs. R. has inquired about inflammation of the urinary bladder and whether it is a serious condition requiring medical attention.

This condition carries the medical name of cystitis. There are many possible causes for such inflammation and they certainly do require medical attention.

The most common symptoms include the presence of pus in the urine, pain and frequent urination.

If cystitis develops suddenly, as it often does, chills and fever are likely to be present. The victim often suffers from sleeplessness and loss of weight.

The kind which comes suddenly is known as acute cystitis; the difficulty usually starts near the base of the bladder, but shows a tendency to spread to other parts of the lining membrane of this organ. The wall of the

bladder becomes inflamed and is swollen and bright red in color. The best treatment for acute cystitis is to try to find out the exact cause and remove or treat it.

Chronic cystitis, a condition in which there is long-lasting inflammation of the wall of the bladder with perhaps pain at intervals and pus either constantly or off and on, is another common problem. This often follows acute cystitis.

In such cases expert study, not only of the bladder itself, but of the surrounding tissues including the kidneys, must be carried out.

One important study can be made by using an instrument with lights and mirrors called a cystoscope. This is passed into the bladder through its external passageway so that the physician can look directly at the bladder wall.

As a rule, cystitis or inflammation of the bladder should be considered as a symptom of something wrong elsewhere rather than as a disease in itself. With modern methods, and especially by treatment with some of the newer antibiotic preparations, most cases of cystitis can be brought under control.

Cystitis rarely disappears without treatment. It is foolhardy to neglect the symptoms since serious complications can develop in time. Furthermore, most varieties of cystitis are easier to treat successfully in their early stages than if they have existed for a long time.

Can you say **"NO"** to all these questions?

Do most of your outlets look like this instead of single plugs for each?

Do your fuses blow out frequently when many appliances are on?

Do your appliances heat up too slowly?

Do you have too few outlets and switches?

Do you have to disconnect one appliance to plug in another?

Do your lights dim when you turn on a heater, fan, or other appliance?

Poor wiring is the cause of most electrical troubles in the home. So if you cannot answer "NO" to all the questions above, do send for your electrical contractor to examine your wiring system or call for the guidance and help of a Southern Canada Power representative.

East Angus Institute Plans To Hold Leather Work Course April 14-18

EAST ANGUS — The annual meeting of the Women's Institute was held at the home of Mrs. Leslie Wilkin, with Mrs. Thomas Rowland as joint hostess.

The second vice-president, Mrs. Murray Labonte, was in the chair in the absence of the president, Mrs. R. Hayes. The treasurer reported \$89.94 on hand. Cards of thanks were read from Mrs. Kirkpatrick and Mrs. T. Rowland. A letter was read from Miss Runnells, handicraft technician, asking for outstanding articles to be sent to Handicraft Guild in Montreal to be on display Easter Week.

Mrs. Knapp, home economics convener, read a letter from Miss Runnells stating the handicraft course would be held in the High School from April 14th to 18th. The course will be leather work, also instruction in advanced work in this medium. Mrs. Knapp was asked to write

for prices of skins and also what colors could be had.

Several members stated they would like to attend Cookshire W.I. Historical Society meeting April 19th, final plans as to transportation to be decided later.

Mrs. Ratcliffe, health and welfare convener, reported she had delivered 25 pounds of cotton to the Cancer Clinic in Sherbrooke.

Plans are being made to hold another paper drive, date to be set later. Discussion followed in regards to another \$100 bursary, further discussion to take place at a later date.

New program for year was presented by Mrs. Stanley Bishop, also following slate of officers: President, Mrs. Rance Hayes; 1st vice president, Mrs. J. R. C. Andrews; 2nd vice president, Mrs. Murray Labonte; secretary, Mrs. L. Wilkin; treasurer, Mrs. Stanley Bishop.

Conveners: Agriculture, Mrs. J. R. C. Andrews; citizenship, Mrs. W. Coates; education, Mrs. R. Joyce; home economics, Mrs. Robert Knapp; publicity, Mrs. Thomas Rowland; welfare and health, Mrs. Alfred Ratcliffe; ways and means, Mrs. George Heath; sick committee, Mrs. Murray Labonte and Miss Marion Ord.

The annual reports were read, showing a very good year. A millinery course was held; entertained annual County meeting in May; six children's uniforms were made and sent to W.U.S. Montreal; members attended 60th W.I. anniversary celebrated at Brookbury; made a tour of Dominion Textile Plant in Sherbrooke; attended W.I. meetings at East Clifton and Cookshire; helped needy children with school lunches; held social evening for Compton County W.I. branches, two members attended National Convention at Ottawa.

Donation were made to the following: Sherbrooke Hospital, Cookshire school bursary, prizes for local school, Cookshire school fair, blind committee, Christmas cheer for sick and shut ins, Sherbrooke school for retarded children; cotton sent to Cancer clinic in Sherbrooke; sent knitted squares to Greece; started bank account for new baby; remembered sick members throughout the year with flowers and fruit, also gave the December radio broadcast.

Books were audited by Mrs. Wells Coates and Miss Dorothy Shattuck and found correct. It was moved that all bills be paid.

Mrs. Rance Hayes and Mrs. Thomas Rowland were appointed delegates to June Convention at Macdonald and Mrs. Alfred Rat-

Whittler De Luxe

EDMONTON (CP) — Jack Baines is a whittler de luxe who has carved everything from chess sets to mountain sheep.

Mr. Baines can carve wood in such fashion as to catch the fire in a stallion's eye or the wind in a weathered prairie birch. He has caught the likeness of Queen Elizabeth, Robert Burns and many others in wood, working from pictures.

He won first prize at the 1957 Edmonton exhibition with a three dimensional scene representing bighorn sheep in their natural Rocky mountains setting.

Intricacy of detail is his forte. Mr. Baines, a cheerful, bow-tied young man, began his hobby five years ago to fill in time. He says he was inspired by a carved ivory chess set he received dur-

ing the Second World War.

His first effort was a hobo fisherman. He has carved about 60 more pieces since then. One prizewinner was an unpainted carving of a race horse, straddled by a jockey, standing by a track fence.

The model for a buffalo carving was the picture on a Manitoba telephone book.

Mr. Baines does his work with a hand saw, file and six chisels. Basswood is the best for carving but kiln-dried sugar-white pine is also acceptable, he says.

The character to be carved is sketched on the wood; then the saw is used to cut out the rough shape. From there on it's all whittle and sand, whittle and sand. Mr. Baines advises tempera colors for painting the model.

"Perhaps this all sounds 'too simple,'" he grins. "Maybe it's not quite that easy but neither is it complicated enough to require a preliminary library on theory, an expensive array of mechanical tools, or months of technical training."

"Just the urge to mold wood is needed... and the concentration to visualize subjects in three dimensions."

DUBLIN RANGE —

Mrs. John Dempsey has returned home after spending the weekend with Mr. and Mrs. Malcolm Roarke and family in Rock Forest.

Mr. and Mrs. Albert Carroll visited Mr. Reed Carroll in the P. S. hospital, and found him slightly improved, following the severe burn he suffered when his home burned.

Mrs. Frank Ross and Mr. and Mrs. Walter McCrea were recent guests at the Melrose home.

KIRKDALE —

Mr. and Mrs. M. D. Lynch and family, of Sherbrooke, were recent guests of Mr. and Mrs. A. B. Lyster.

Mrs. L. M. Terrill entertained at three tables of 500 and one table of Canasta, at her home in Ulverton for the benefit of Holy Trinity Guild and W.A. The winners in 500 were: 1st, Mrs. A. B. Lyster, 2nd, Mrs. W. Patrick; consolation, Mrs. Bogle. In Canasta, 1st, Miss H. Boast; consolation, Mrs. E. Davidson.

Recent guests of Mr. and Mrs. Arthur Mace were Mr. and Mrs. Stanley Mace of Granby and Mr. and Mrs. George Mace and family of Drummondville.

Mr. G. R. Conchman is making the collection for the Red Cross in this vicinity.

EAST FARNHAM —

Mrs. G. A. Cook is leaving soon to be near her sister, Miss Elizabeth McNaughton, who is a surgical patient in a Brooklyn, N. Y. hospital.

Miss Claire Crawford was an overnight guest of her cousin, Miss Margaret Clay, at Farnham Centre.

Mr. and Mrs. Stanley Horner, of Austin, were overnight guests of their parents, Mr. and Mrs. C. F. Horner.

DENNIS THE MENACE By Hank Ketchum

"HEY, JOE, HOW'D YA LIKE TO SPOIL YOUR DINNER WITH SOME OF THAT?"

Jet Liners Causing Airport Headaches

MONTREAL (CP) — Leading the battle to expand airports and communications systems to handle big jet transports are the International Civil Aviation Organization and the International Air Transport Association with headquarters in Montreal.

Most ground systems now in use can't be used by the new jets, says IATA. Airports are too small. Loading and unloading facilities are poorly designed. Communications are not fast and reliable enough. And weather forecasting is not yet accurate enough.

The jet transport is big and it flies high and fast. Already in airline service are France's Sud Aviation Caravelle and Russia's Tupolev TU-104, twin-engine jets. Coming late in 1958 and early in 1959 are the Douglas DC-8, Boeing 707 and Convair 440 in the United States and the de Havilland Comet IV in Great Britain.

The free world's closest thing to jets now in regular service are the Vickers Viscount, first commercially successful turbine-propeller plane, and the Bristol Britannia, a bigger turbo-prop.

COSTLY PLANES

The jets, when they come, will carry about 90 to 150 passengers at nearly 600 miles an hour at altitudes of 30,000 to 40,000 feet—almost twice as high and twice as fast as the piston-engined plane. With spare parts, they will cost about \$6,000,000 each.

But if they can keep to tight, precise schedules, if air traffic control is fast and efficient and if they can get on and off the ground quickly they'll make a profit for their operators even with airline fares reduced, their operators expect.

The jet engine's advantages over ordinary engines are the speed it delivers and its lack of noise and vibration—to the passenger.

To outsiders it is a stinking, shrieking, earth-rattling monster. Few sounds are so irritating as its scream and few airports today are well-enough soundproofed to cut it down. Noise suppressors have proved only partially effective.

AIRPORTS LAG

Whole airfields may have to be redesigned to cope with the noise and the spray of kerosene the engine throws behind it while on the ground.

Airports, IATA complains, often are designed merely to look pretty. Space for such things as customs clearance and passenger loading often is so limited that the time a passenger saves by taking a jet, he loses getting through formalities on the ground.

Grant McConachie, president of Canadian Pacific Airlines, has gone so far as to say that in Canada ground-handling has lagged 10 years behind air transportation.

The jet engine, enormously efficient at high altitudes, is just as enormously inefficient at low altitudes in warm, thick air.

Air traffic control systems, ICAO officials say, will have to be revised so that jets can get

right off the ground and up to their operating altitude with no circling and no delays, or come down with a straight-in approach. For a jet, which uses 10 per cent of its whole fuel load getting up to altitude, there can be no missed approaches or go-arounds.

HEAVY RESERVE

Trans-Canada Air Lines, for example, estimates that its transatlantic DC-8's will carry 7,900 pounds of reserve fuel just to cover unexpected happenings. They will carry 9,600 more to allow for an hour's circling over destination if traffic is heavy or the weather bad.

There must be another 9,000 pounds in case the plane is diverted to an alternate airport. Total fuel carried in reserve alone will weigh as much as 130 passengers, and one missed approach would burn up 2,000 pounds of it.

A jet forced off track 100 miles by weather or traffic conditions may use up an extra 2,600 pounds of kerosene. Flying 6,000 feet below its ideal altitude it may use up 4,400 pounds more. Slight temperature changes en route can vary fuel needs by 20 per cent.

All these wastages could be cut down by pinpoint-accurate weather forecasting and close, reliable traffic control. But control is difficult because of the planes' speed.

BIG OUTLAY

With reliable radio control, jets could be spaced closer together than the standard 2,000 feet vertical distance and one hour's horizontal.

Such improvements take money. Canada's transport department estimates it will spend \$750,000,000 on airports and services within the next decade. Spending on airport construction—runways 1½ miles long are nowhere near adequate now and three miles are little better—went up to \$35,000,000 in 1957 from \$18,000,000 in 1956.

Where governments can't afford it, ICAO will use its joint-support committee efforts to get other governments to pay.

ULVERTON —

Mr. and Mrs. Charles Hardy spent a weekend in St. Johns guests of Mr. and Mrs. Charles Ramsey and family.

Mr. Galt Husk, of Montreal, visited his parents, Mr. and Mrs. R. Husk.

Mr. and Mrs. Raymond Waterhouse and son, of Melbourne, were guests of Mr. and Mrs. B. Waterhouse.

Friends here are sorry to learn that Mr. W. Patrick, of Kirkdale, had the misfortune to cut his foot.

An afternoon card party was held recently at the home of Mrs. Lewis Terrill.

Mrs. D. Norris and Mrs. Eric McMannis who have been patients in the Sherbrooke Hospital have returned home.

Several friends and neighbours have called on Mr. L. Gunter who is ill at his home.

REPORTS AUTOMOTIVE AUTHORITY TOM McCAHILL IN MECHANIX ILLUSTRATED

1958 EDSEL

the one car that is really new

If you like to drive, you'll like the 1958 Edsel.

How does it feel behind the wheel of the one car that's really new?

You open the big, wide, solid door and settle yourself comfortably in the contour seat. You turn the key and up to 345 willing horses spring to life. You lightly touch a button in the centre of the steering wheel and Edsel's exclusive Teletouch drive does the rest—electrically. In fact, you can drive Edsel—reverse it—park it—without lifting your hand from the wheel.

A touch of your toe on the gas-pedal and you glide smoothly into the traffic. A touch of your toe and Edsel's big, safe, self-adjusting brakes bring you to a gentle, straight-line stop.

Take this car out onto the highway and in a matter of a few

seconds you're cruising at top legal speed. And as you look out over the long, straight hood with its distinctive "E" emblem, you know that classic elegance has returned to motoring.

Or take a back-country road—even the most formidable looking bumps glide gently under your fleeting wheels.

You will complete your journey feeling rested, relaxed and refreshed—for time flows by as smoothly as the scenery.

There are so many new things you'll like about the Edsel. For instance, the single control Dial-Temp air system—you adjust heating, ventilation and defrosting, with one twist of your wrist. Experience Edsel virtues for yourself—drive 1958 Edsel and feel the real difference behind the wheel.

EDSELebration DAYS are here!

Now you can afford Edsel luxury and performance
 at a price far less than you'd guess. See your

Knowlton High School Band Presents Second In Series Of Spring Concerts

KNOWLTON — The second spring concert, sponsored by the Knowlton High School Band, was held recently under the direction of Harry Long.

The following numbers were presented:

Euryanthe Overture von Weber; Verdi's Fantasia on themes from "Rigoletto", Linda Bockus, clarinet; Suite from "Comedy on the Bridge", Martin; Siegfried's Rhine Journey from Die Gotterdammerung; by Wagner; Waltz from "Eugen Onegin" by Tchaikovsky; Excerpts from "Carmen" by Bizet.

LODGE MEETING
Colfax Rebekah Lodge No. 29 met in regular session in the I.O.O.F. Hall, with the Noble Grand, Sister Jessie Boyd, in the chair.

The minutes were read by the secretary, Sister Rebecca Porritt. Several communications were also read. The treasurer, Sister Nina Barnes, gave the financial statement and all outstanding bills were moved paid.

Reports were given by the convener of the various committees showing that all activities were progressing favorably. The dance which is taking place on April 18th has been well advertised and tickets are being sold.

Refreshments were served by the committee in charge.

CHEERIO MISSION BAND
The meetings of Cheerio Mission Band were resumed in the United Church Hall recently following the winter recess.

The president, Arthur Badger, was in the chair and opened the meeting with the Mission Band hymn and purpose. The minutes were read by the secretary, Linda Miller.

The hymn "The Many Many Children" was sung after which Mrs. H. Northrup reviewed the story of "Kenji". Games were enjoyed and World Friends were given out.

Mrs. Bockus announced that Miss Lucia Knowlton had presented her with several Mission Band Pins and after showing these to the children mentioned that each would be given one after attending five meetings.

The worship service was conducted by Mrs. Bockus. Billy Aldridge read the Scripture verses and the offering was taken up by Lois Hardacker and dedicated. Sharon Mullins read the prayer which the hymn "Jesus Bids Us Shine" was sung.

A Friendship Circle was formed for the closing prayer.

PINK AND BLUE SHOWER
Mrs. Vernon McLellan assisted by Mrs. C. E. Wilken entertained at a delightful pink and blue shower for Mrs. Harold Wilson.

On her arrival, the guest of honor was ushered to a chair decorated in pink and white and a basket containing numerous beautiful gifts, was presented to her.

After the gifts had been admired the hostesses served refreshments. Mrs. Eric Derrick assisted in serving.

FAREWELL TEA
Mrs. P. J. McInnis entertained a few friends at a delightful farewell tea for Mrs. Agnes Duncan and Mrs. Rose McLean who are leaving to spend a month in Scotland. A pleasant social hour was enjoyed after which the hostess served tea which included a beautifully decorated cake on which the inscription read "Bon Voyage Nan and Rose".

GENERAL NOTES
Mr. Alden Mizener and Miss Carol Smith, of Montreal, were weekend guests of the former's parents, Mr. and Mrs. Earl B. Mizener.

Mr. and Mrs. Eric Derrick

MELBOURNE

Recent guests of Mrs. Eva Robert at the home of her daughter, Mrs. J. A. Smith and Rev. Smith, were Mr. and Mrs. Raymond Brousseau, Miss Margaret Brousseau and Raymond Jr. Mr. and Mrs. Archie Lloyd and little daughter and Miss Evelyn Lloyd, Mr. and Mrs. Eli Boucher and family, all of Grandby.

Mr. J. A. Parsons received the news of the passing of his aunt, Mrs. Mary L. Schoff of Montreal.

Mrs. Ernest Hutchings has returned from Dover, N.H., where she was called by the illness of her sister, Mrs. H. Woodard.

Mrs. Elmer Solomon of Laval West and Mr. and Mrs. A. K. Ellis of Sherbrooke, were guests of Mr. Alex R. Johnston, while here to attend the funeral of Mrs. Johnston.

Mr. E. J. Fee, of Rosemount, spent the weekend with his mother, Mrs. L. M. Fee.

The Young Peoples Club of the French Protestant Church were entertained at a sugaring-off party at Lingwick by Mr. Jean Fortier and Miss Fortier.

Fire broke out at the home of Mr. Fred Burrill and Miss Nellie Burrill but with assistance

of neighbours and the Richmond fire brigade, the house was saved with only slight water damage.

Mrs. D. Blouin and son, Mr. Lucien Blouin, of Danville, were recent guests of Mr. and Mrs. G. P. R. Fortier.

Mr. John Fortier conducted divine service at Lingwick on Sunday, March 30.

Mr. and Mrs. P. E. Geaudreault and daughter Christiane, of Montreal, were guests at the home of Rev. J. A. Smith and Mrs. Smith.

Mr. and Mrs. Milton Leet and family and Mr. and Mrs. Frank Davidson of Danville, were recent guests of Mr. and Mrs. L. Davidson.

Miss Margaret Quigley, secretary of Christian Education of the province of Quebec, and Miss Frances Clarke, regional secretary for W.M.S. of the Presbyterian Church, were weekend guests of Rev. J. A. Smith and Mrs. Smith, while here to officiate at a meeting held in l'Eglise des Cantons de l'Est.

Mr. Ernest Lancaster accompanied by Mrs. George Lancaster of Richmond and Mr. Thomas Lancaster of St. Christine, motored to Haverhill on Wednesday,

Fred Fowler's Town Of Mount Royal Rink Retains High School Title

E. E. Denison, Principal of Lennoxville High School, is seen presenting skip Fred Fowler of the victorious Town of Mount Royal rink, with the Denison Trophy they won in the Lennoxville High School Curling Bonsel Saturday.

Second event winners in the High School competition were from Three Rivers High School and are from left to right: skip G. Graham, R. Raynor, A. Harris, P. Davidson.

The third event in the Bonsel went to Dick Gale's Lennoxville High School foursome. Left to right are: skip Gale, Jim Williams, Glen Way, Gary Mizener.

Cop Denison Trophy For Second Straight Year; Three Rivers And Lennoxville Win Other Fixtures

By NEVILLE HAMILTON

"A human precision machine which constantly produces a perfect product."

That was the comment of one onlooker at the second annual Lennoxville High School Bonsel while watching the victorious Town of Mount Royal rink in action.

Fred Fowler's foursome went through their four game draw in the weekend bonsel devoid of defeat to retain the E. E. Denison Trophy for the second consecutive year.

Dick Gale's Lennoxville High School rink was the first to fall before the 'machine' as the 'Mounties' dropped Lennoxville 10-4. Mount Royal then went on to trounce Jack Bateman's Thetford Mines High School rink 13-1 to gain entry into the three team round robin final.

Mike Allatt of Sherbrooke High earned his berth in the finals by way of 9-7 and 8-2 wins over G. Carruthers of Stanstead College and Bert Winget of Lennoxville High. The other rink in the main event final was one from Thetford Mines skipped by D. Ferland.

Fowler and Ferland met in the first game of the round-robin and the trophy winners had little trouble disposing of the Thetford rink 13-3. Mike Allatt's Sherbrooke squad gave the Montreal boys a tough time as the locals held their own until the seventh end when Mount Royal began to pull away. The game wound up 9-5 in favour of T.M.R.

This final win clinched the trophy for the Fowler crew which had Peter Nichol throwing third rock, Barry Jones second and John Godfrey lead. This with the exception of the second was the same rink won the trophy for the first time last year. It was also the same rink, with the exception of Jones and Godfrey, which won the 1958 Quebec Provincial Championship and represented the Province at the Dominion Playdowns in Charlottetown, P.E.I. last month.

In the second event a Three Rivers High School rink skipped by Gary Graham came through with 11-3 and 13-3 victories over D. Bean of North Hatley and Don Wayland of St. Pat's High School, Quebec City, in the finals to win the event. Three Rivers lost their first game to Charlie Tennant's Howick High rink 11-9, but went on to win their remaining three games.

A local rink led by Dick Gale of the Lennoxville High School dropped their first two games to Mount Royal and Wayland's Quebec foursome but then went on to chalk up consecutive wins over J. Bateman of Thetford Mines, B. Corrigan of Sherbrooke and G. Carruthers of Stanstead College to win the other division.

The brand of play displayed by the youngsters evoked many an

JACQUES CHARLAND WINS LAKE PLACID EVENT

LAKE PLACID, N. Y. (AP) — Jacques Charland of Trois Rivières, Que., outjumped a field of 13 in rain and snow Sunday to win the first Easter Invitational ski jump. Charland, a member of Canada's world and Olympic ski teams, leaped 216 and 194 feet for a total of 1423 points.

Plight Of Tigers Getting Worse Despite Manager Tighe's Threats; Dodgers Wallop Milwaukee 11-5

The plight of Detroit Tigers is getting desperate.

Despite threats of fines and reprimands by manager Jack Tighe, the Tigers keep on losing. Despite the addition of Billy Martin, supposed to inject the needed hustle in the club, the Tigers keep on losing.

They have lost six straight exhibition games. In their last four games, including Sunday's 3-0 shutout at the hands of the ram-paging Boston Red Sox at Sarasota, Fla., the Tigers have scored just four runs. The team has hit only one home run during the losing streak.

Sunday, Frank Sullivan and Terry Brewer, Boston's ace right-handers, combined to hold the Tigers to five hits. It marked the 11th Red Sox victory in their last 12 starts. Billy Hoelt was the loser.

REDS' STREAK ENDS

Cincinnati Redlegs also got beaten, but they could well afford the luxury. They hadn't lost a game in their previous seven.

But the 8-3 defeat at Nashville, Tenn., came from an unexpected source, Washington Senators. World series star Lew Burdette found himself in the unusual position of heading for the showers before he could retire a batter. It happened at Fort Worth.

PQLTA President J. J. Desjardins Explains Reasons Why Henri Rochon Was Suspended Indefinitely By Body

MONTREAL (CP) — President J. J. Desjardins of the Province of Quebec Lawn Tennis Association in a statement Sunday detailed for the first time the reasons for the indefinite suspension of Henri Rochon.

The suspension by the PQLTA council was announced last Jan. 20.

Desjardins' statement Sunday gave these reasons for the council's action:

1. Rochon admitted making a statement to a newspaperman, for publication, that the attitude of tennis officials was "disgusting."
2. Default of one match by Rochon; the council rejected his explanation maintaining he played in an exhibition match same day.
3. Rochon's conduct in 1957, with no concern for what may have transpired during the 1956 council's term.
4. Rochon's appeal was not properly lodged before a PQLTA general meeting; a terse letter

Levis Dumps Hull To Win Eastern Canada Cup Event

HULL, Que. (CP)—Gerard Lachance scored three goals Sunday as Levis, Que., defeated Hull Legion 7-1 in the deciding game of their best-of-five Allan Cup hockey quarter-final.

Levis, which added six players to its Quebec intermediate championship team for the series, now meets either Belleville or Kitchener-Waterloo Dutchmen in the Eastern Canada final. Belleville has a two-game lead in the best-of-seven series.

Savoie Favored Over Devlin At Boston Tonight

BOSTON (CP) — Armand Savoie of Montreal, veteran ring campaigner, is favored to end Joe Devlin's unbeaten string to night in their 10-round fight at the Mechanics Building here.

Devlin, from Boston, has won 12 straight bouts—including the last eight by knockouts—but Savoie, former welter and light-weight champion of Canada, has a wide edge in experience.

Bob Turley Out For Five Days

GREENVILLE, S.C. (AP) — Pitcher Bob Turley, who needs as much work as he can get in order to sharpen his control, will be on the sidelines for about five days.

The New York Yankees' right-hander is hobbling around with a bruised right knee. Turley was struck by a line drive off the bat of Bobby Del Greco in pre-game exhibition practice at Jacksonville, Fla., Saturday.

Sara Barber Of Brantford Sets Two Records In Swimming Trials; 70 Take Part In Event As Marks Tumble

MONTREAL (CP) — Smooth-stroking Sara Barber of Brantford, Ont., lead a spectacular assault on the Canadian swimming record book Saturday night at the British Empire Games swimming and diving trials.

The little 17-year-old virtually clinched a place on Canada's 12-member aqua team for the July games in Cardiff, Wales, by shattering two marks while three men swimmers set records in two more events.

Peter Bell, 23, of London, Ont., and Cameron Grout, 18, of Montreal, a pair of university students, and George Park, 25, of Hamilton were the others to set peak times.

The trials opened Friday and continue Monday. A selection committee is to choose the team at the close. More than 70 swimmers and divers from four provinces are competing.

Miss Barber, Canada's youngest swimmer in the 1956 Olympics, lowered her own record for the women's 110-yard backstroke in a qualifying heat and smashed a record held by Montreal's Gladys Priestley for the women's 440-yard freestyle in a final.

Sara Barber Of Brantford Sets Two Records In Swimming Trials; 70 Take Part In Event As Marks Tumble

Park's old mark of 38.6 was eclipsed three times in separate qualifying heats—by Grout, Peter Fowler of London, Ont., and the husky salesman himself. Fowler posted 37.9 in the first qualifying race, Grout tied it in the second and Park lowered it by 1-10th of a second in the third.

Bruins Leave For Montreal, Mohns Left

BOSTON (CP)—Boston Bruins left for Montreal Sunday night without star defenceman Doug Mohns, suffering from a back injury.

Bruins meet Montreal Canadiens Tuesday night in the first game of the Stanley Cup final. If Mohns responds to treatment he will fly to Montreal.

The back condition bothered him Saturday night when Boston walloped New York Rangers 8-2 to take their best-of-seven semi-final 4-2.

Mohns's loss would be a severe blow to the club. He scored three goals and eight assists in the semi-final.

COWANSVILLE —

Mrs. A. MacDonald, of Dunham, and Mrs. Helen Damant and Mrs. W. K. Gowdy, of Cowansville, attended the Champlain Area meeting for the Canadian Girl Guides Association in Montreal. This was followed by a buffet luncheon, after which the delegates foregathered at the Provincial Annual Meeting of the Canadian Girl Guides Association. Members of Brome Division were sorry to learn that the term of office of Mrs. N. R. Mitchell, Division Commissioner, has terminated and that the section is temporarily without a commissioner. It is hoped that a successor will soon be appointed. A highlight of the convention was the address by Mrs. Nepean, Dominion Commissioner on this her first visit to the annual meeting.

Pee Wee Hockey Opens With Two Tilts On Agenda

GODERICH, Ont. (CP) — Lucan's Leprechauns and the Little Monarchs of Mildmay, wading through the early rounds unscathed, meet here today for the "D" series crown in the ninth annual Young Canada Week Pee Wee Hockey Tournament.

For both teams the going wasn't easy. Lucan had to come from behind here twice Saturday to win while Mildmay, who won the series championship back in 1953, had one of their three games Saturday decided in their favor on a shots on goal basis.

Watford, Milverton and Palmerton won the three C series contests of the day's 11-game card. Watford's all girl forward line made three brief appearances on the ice. One of the girls, Dorothy Hollingsworth, drew a two-minute penalty for body checking in the centre ice zone.

Basilio Wants 50-50 Split For Next Encounter

SYRACUSE, N.Y. (AP) — Carmen Basilio said Saturday he is "carefully deliberating" on a third bout with Sugar Ray Robinson but said there would have to be a 50-50 split of all receipts.

Basilio was greeted by a crowd of 75 friends as he arrived by train from Chicago. He spent nine days in a hospital there while his eye healed from the March 25 beating in which Robinson took Basilio's middle-weight crown.

Basilio told reporters: "I have many things to consider in thinking about a return to the ring or retirement. Among those are my health, my family, my wife and my soul. And too, there is the financial end. If I fight it will only be with a 50-50 split of returns with Robinson."

PICKS SIX WINNERS FOR \$55,410

AGUA CALIENTE, Mex. (AP) — An owner and trainer of racing greyhounds found wealth at the horse races Sunday, William Vale, 35, of Phoenix, Ariz., picked six straight winners at the Caliente track and collected a total of \$55,410.

Time for a break...

REMOVE EYES. REMOVE FLESH, AND GILLS UNDER COVERS.

PROP MOUTH OPEN WITH A STICK DURING THE TREATMENT—REMOVE AT FINISH.

PREPARE HEAD AS ABOVE, THEN SOAK FOR 3 DAYS IN A SOLUTION OF 1/2 FORMALIN AND 1/2 WATER. THEN RINSE IN CLEAN WATER AND SOAK FOR 2 DAYS IN A FRESH FORMALIN SOLUTION, MIXED AS BEFORE, THEN RINSE AND LET DRY 10-TO 14 DAYS. FINISH WITH 3 COATS OF SHELLAC, ALLOWING EACH TO DRY BEFORE THE NEXT COAT.

PERHAPS YOU'VE SEEN DRIED FISH HEADS NAILED UP AROUND A FISHING CAMP. THIS METHOD PRESERVES THEIR BEST.

Bruins Batter Rangers 8-2 To Win Semi-Finals

Stanley Cup Finals Open In Montreal

MONTREAL (CP)—First two games of the Stanley Cup final between Boston Bruins and Montreal Canadiens will be played on Montreal's home ice, the National Hockey League announced Saturday.

Dates for the final: At Montreal April 8, 10; at Boston April 13, 15; as necessary, at Montreal April 17; at Boston either April 19 or 20; at Montreal April 22.

Boston entered the final after winning the best-of-seven semi-final playoffs 4-2 with a breezy 8-2 victory Saturday over New York Rangers. Montreal defeated Detroit earlier to go into the final.

IL All Set To Open In Havana On April 16

MIAMI, Fla. (AP)—The International League is going ahead with plans to open the baseball season in Havana as scheduled despite threats of war in Cuba.

League representatives Sunday voted unanimously for this "unless conditions materially change."

Frank J. Shaughnessy, league president, remarked "It's as quiet there as it is here." And, president John C. Stigmeier of the Buffalo team which has the opener in Havana April 16, said he was happy about the decision.

The league representatives, from Toronto, Montreal, five U.S. cities and Havana, met here for two hours behind locked doors to discuss the situation brought on by rebel leader Fidel Castro's campaign against the government of Fulgencio Batista.

Roberto Maduro, owner of the Havana club, said there's no fighting in Havana and Western Cuba and that the rebels are in mountains 750 miles from Havana.

Serious-Minded Canadiens Prepare For Hard Battle With Boston Bruins In Finals Which Opens Tomorrow Night

MONTREAL (CP)—Montreal Canadiens are beginning to take their work more seriously as they prepare for their best-of-seven Stanley Cup final against Boston's bruising Bruins.

Coach Toe Blake, who said previously he didn't care whether Montreal met Boston or New York in the playoff, admitted the Bruins are more rugged and check harder. He whipped his National Hockey League champions through a brisk one-hour workout Saturday and another was scheduled for today.

The Bruins, known for their battering-ram style of play, set up a repeat of last year's Stanley Cup final when they knocked off New York Rangers 8-2 Saturday for a 4-2 victory in the semi-final. Canadiens whipped Detroit four straight in their semi-final.

Should the Montrealers beat Boston again this year, they will become the first team to win the cup three years running since Toronto Maple Leafs did it in 1947-48.

Chics Post Two Wins Over Weekend Against Aces While Royals Top Cats 4-3 In Hard-Fought Battles

The beaten teams refused to lie down and die during the weekend and the Quebec Hockey League's semi-finals remained up in the air.

Chicoutimi Saguenéens, making a last-ditch stand after losing three straight games in their best-of-seven series with Quebec Aces, came back with stunning 3-2 and 2-0 victories over the Aces Saturday and Sunday.

Montreal Royals tied their set with Shawinigan Cataracts 2-2 when they beat the Cats 4-3 in Montreal Sunday.

Veteran defenceman Gerry Glaude cinched Chicoutimi's victory Saturday at 1:46 of an overtime period. Lou Smrke and Jacques Locas had earlier traded goals with Quebec's Gary Blaine and Stan Maxwell.

Saguenéens' goalie Gilles Bois-

WORK HARD

They aren't looking forward to doing it easily. All skated hard and scrimmaged briskly Saturday, but laid off the body checking.

Goalie Jacques Plante had his face-mask broken in the workout when someone's shot—he didn't know whose—smashed into the part protecting his forehead just above the nose. Plante, who has suffered everything from fractured cheeks to concussions in the past, wears the mask during practice only.

Defenceman Tom Johnson, still bothered by an injured knee, missed the practice and is considered unlikely to make the final. Others of the walking wounded are Dickie Moore, the NHL's scoring champion, and Maurice (Rocket) Richard.

Moore plays with a cast on his broken left wrist and Richard admits the cut Achilles tendon he suffered early in the season still bothers him.

vert came up Sunday with an unbeatable defence as Jean Jacques Pichette and Georges Roy fired a goal each in a bitter game that erupted into a first-period fight.

Larry Hillman, Kenny Hayden and John Slevier of Quebec and Smrke, Roy and Greig Hicks of Chicoutimi drew five-minute majors.

In Montreal, Cec Hoekstra scored what looked like an insurance goal at 18:41 of the third period into Shawinigan's empty net and was gratified he did it. The Cataracts got one more and Hoekstra's goal stood up for the win.

Lulu Denis, Wally Clune and Walt Bradley also scored for the Royals while Al Johnson, Dick Wray and Ron Attwell got Shawinigan's goals.

New Kansas City Manager Sets Goal Of 70 Wins For Athletics; Must Cop The One-Run Games, Says Harry Craft

By JOE REICHLER
WEST PALM BEACH, Fla. (AP)—As Harry Craft, the new Kansas City manager, sees it the Athletics have not only the youngest but the best and the most spirited club since they left Philadelphia three years ago.

Craft, who succeeded Lou Boudreau last Aug. 6, would not say his club can improve on last year's seventh-place finish despite its respectable record (23-27) after he took over.

"I know we have strength," he said, "but to be realistic we may not finish any higher. Sixth is about as good as we can hope for. We aren't setting a goal in the standings. Rather, we will set out sights on victories. We are aiming to win at least 70 games. The standings will decide themselves."

Craft believes his team improved in three of four departments. They have more speed, stronger arms and are better defensively. Despite their busy trading winter, they did not acquire more power or potential hitting strength. The Athletics were last in team hitting in 1937.

"We will have to play for one run earlier," Craft said. "The success or failure of the club will be our ability to win the one-run ball games. We've got to win our share of those games. The spirit and determination is higher than ever before."

Only Eight Players Indispensable, Says Coach Phil Watson; Gadsbury Will Be Used For Trading Bait

NEW YORK (AP)—Coach Phil Watson looked at his vanquished New York Rangers today and declared: "I have only eight players that I consider indispensable."

He said Andy Bathgate "will always play for me. So will Lou Fontinato. The others whom I definitely will keep for next season are Red Sullivan, Dave Creighton, Camille Henry, Harry Howell, Dean Prentice and Andy Hebertson."

Rangers, who finished second in the National Hockey League race, were kicked out of the Stanley Cup semi-final by Boston Bruins.

Two players whose jobs are in jeopardy are goaltender Gump Worsley and all-star defenceman

Three pitchers, not on the roster last spring, are definite starters. They are Ralph Terry, 22, Jack Urban, 29, both from the Yankees; and Duke Maas, 27, acquired in the 13-player Detroit trade.

Arnold Portocarrero, 26, may get the fourth starting job. Veterans Alex Kellner and Ned Garver will be spotted. Virgil Trucks will head the bullpen with Murry Dickson, Wally Burnette, Ray Herbert, Ken Johnson and John Tsitouris aiding him in relief.

Key to the infield is Mike Baxes (.303 at Buffalo), the International League's most valuable player in 1937. A shortstop, Baxes has been converted into a second baseman, Vic Power, the cleanup hitter, is a fixture at first base. Joe de Maestri, an underrated shortstop, is set at that position and Hector Lopez appears to have the edge over Billy Hunter at third because of his superior power. The club needs reserve strength in the infield.

Craft is building his outfield around centrefielder Woody Held, another ex-Yankee, who hit 20 home runs and drove in 50 runs in half a season with the Athletics. Bill Tuttle, acquired from Detroit, has been shifted from centre to right. Bob Martyn, the only lefthanded hitter on the starting nine, appears to have the edge over Bob Cerv in left.

Fiery Phil admitted that both players are top performers but said he feels "Lorne will have to fight for his job against Marcel Paille and Bruce Gamble. And Gadsbury could be used as trading bait, so that I could get some needed scoring strength. Next year I want to stress youth. I want young players, young legs. Gadsbury is 30 years old and Worsley is 28."

HULL, England (CP)—A notacanthus, a rare fish which normally lives 400 fathoms down or deeper, has been landed by a trawler here. It was caught off the Norwegian coast, and is being sent to the British Museum.

Managers And Coaches Named For B.E. Games

MONTREAL (CP)—Seven managing and coach appointments for Canada's contingent to the British Empire Games in Cardiff, Wales, in July were announced Sunday night by Major J. W. Davies of Montreal, president of the British Empire and Commonwealth Games Association of Canada.

The appointments include: Lt. - Cmdr. J. F. MacIntosh, Deep Brook, N.S., manager of the boxing team; James Parsons of Edmonton has already been named coach.

Fred F. Nelson, St. Catharines, Ont., manager of the rowing team.

FENCING COACH
Carl Schwende, Montreal, coach-manager of fencing team.

Mrs. Jean Calder, Lakeside Heights, Que., was named as chaperone for the girls' track and fencing squads.

Major Davies said that \$63,000 of the association's drive for \$100,000 has either been collected or pledged so far. He said interest in Canada's sports delegation to Cardiff was increasing and the financial campaign was "stepping up."

The announcements were made after the association met Saturday in Montreal for a general meeting.

It was also announced that the track and field trials will be held June 20-21 in Saskatoon, Sask., with the fencing trials May 17 in Montreal.

The marathon championship will be run May 24 at Hamilton. Canada plans to send 116 athletes to the British Empire Games.

Mackell-Toppazzini-McKenney Unit Pays Off For Bruins, Account For 17 Of 28 Goals; Hustle Big Factor

BOSTON — (AP) — Jerry Toppazzini, who wasn't even supposed to appear in the playoffs, Fleming Mackell and Don McKenney have helped catapult the hustling Boston Bruins into the Stanley Cup hockey finals against heavily-favored Montreal.

The best-of-seven championship series opens in Montreal Tuesday night as a result of Boston's overwhelming 8-2 triumph over New York Saturday that wrapped up their semi-final 4-2.

Coach Milt Schmidt put the Mackell - Toppazzini - McKenney line together Feb. 23 in a major reshuffling move and the results have been little short of incredible.

Boston won that night in Chicago 3-0 and in the remaining 12 contests of the regular National Hockey League season the Bruins took seven, tied three and lost only twice.

Toppazzini missed four of those 12 games because of an eye injury which at first was believed serious enough to sideline him until next season. But he came back for five goals, McKenney added seven in the stretch and Mackell six—18 in all.

CONTINUE IN PLAYOFFS

In the six playoff starts against the Rangers, the threesome accounted for 17 of the 28 goals, 19 of the 46 assists, 36 of the 74 points.

The climax of the surging effort which had 13,909 fans rocking Boston Garden came Saturday night. Toppazzini scored three goals, Mackell collected two and two assists while McKenney got five assists. McKenney thus tied a single game playoff record for assists already shared by Toe Blake and Bert Oimstead.

Arnold Palmer Wins Masters Golf Crown With 284 To Nose Out Ford And Hawkins; Leonard Ties For 4th

AUGUSTA, Ga. (CP)—Arnold Palmer, a thick-shouldered professional of 28, won the Masters golf tournament Sunday with a dramatic final round and an eloquent argument over an imbedded ball.

He fired a one-over-par 73 to knock out the early leader, young Ken Venturi, and other contenders in a stretch battle which at one stage resembled a rush-hour traffic jam.

Palmer, who captured his first major tournament in 1955 by taking the Canadian Open, posted a 72-hole total of 284, four under par. The score was barely good enough to nose out Dog Ford, last year's winner, and Fred Hawkins. They missed birdie putts on the 18th hole and finished in a tie for second place with 285.

Venturi, who set the pace in the first two rounds, had a 286 total, giving him a fourth-place tie with Stan Leonard of Vancouver and Lachute, Que.

Al Balding of Toronto, only other Canadian to last the four rounds at the Augusta national course, had a 286.

Clyde Edges Motherwell 3-2 To Win Way Into Cup Final, To Meet Glasgow Or Edinburgh, Who Played To 2-2 Tie

LONDON (Reuters) — Clyde, Scottish Cup winner in 1955, qualified for the cup final this season when it edged Motherwell 3-2 Saturday at Celtic Park, Glasgow.

Clyde's opponents in the final at Hampden Park April 26 will be either Glasgow Rangers or Edinburgh Hibernians, who played a 2-2 tie in a thriller-packed game on the Hampden ground.

The teams will replay next Wednesday.

With three weeks still to run in the Scottish season, Hearts, which drew 1-1 at Kilmarnock, need only one more point to win the league championship for the first time since 1900.

The second day of the crowded Easter program in English soccer produced some high scoring. Individual honors went to Bill Bradbury and Eddie Smith, who each scored three goals in Hull City's 9-0 triumph over Oldham. But one goal, a penalty kick by Eddie Calmp sufficed to make the league championship a virtual certainty for Wolverhampton Wanderers, which beat Portsmouth 1-0.

Wolves, with 57 points and six by Eddie Calmp sufficed to make the league championship a virtual certainty for Wolverhampton Wanderers, which beat Portsmouth 1-0.

Wolves, with 57 points and six games left, have a five-point lead over Preston, which has played one more game.

Preston surrendered a vital point in a scoreless tie against Manchester United, which has not won a league game since the Munich plane crash Feb. 6.

Sunderland, after steering slowly from the relegation zone with a run of five games without defeat, slipped back into danger when hammered 6-1 at home by Birmingham. They now are third from bottom with 28 points, one above Newcastle and
