## COUNCIL APPOINTMENTS MADE

### City To Celebrate Nat'l Health Week

In connection with National Health Week, sponsored by the Health League of Canada, and being celebrated next week, Dr. M. B. Donaldson, Medical Officer of Health for the City of Westmount, announces that all schools in the city will observe the "week" from Monday to Friday next.

He also reports that the Child Health centre, opened at the end of June 1948, at 150 Hollowell avenue, has been very well attended up to now. There are two doctors, two nurses and one voluntary lay worker in attendance at the clinics held there every Monday and Thursday afternoon. Innoculations take place for babies and pre-school children on the first Monday afternoon of every month. Appointments for these innoculations may be made only through the City Hall.

The City Health Officer wishes to remind mothers with new babies that they may have a nurse call at their home and give them advice re the care of these new babies, if they wish.

Dr. Donaldson joined the staff of the City on the first of November, 1948, replacing Dr. J. J. Day, who left Westmount to take over similar duties in Ottawa last September. Dr. Donaldson is a graduate of the University of Alberta. He spent a post-graduate training period at the University of Toronto and Yale University.

He was in public health departments in both Manitoba and Alberta. During the war, he served two years with the R.C.A.F., and then went to the United Nations Relief and Rehabilitation Association for two years.

Besides his duties in Westmount, Dr. Donaldson teaches in the Department of Health and Social Medicine at McGill University.

The carrying of messages from Christ Church by Dr. Albert E. Cliffe to St. Stephen's, by telephone wires and loud speaker; improvement of the church building, and increased attendance at church services were also mentioned prominently in reports.

An increase in the church's contributions to missions was voted and H. A. Craig and K. R. Schofield, church wardens, were complimented on their work during the past year.

This is the second year in a row that the conference has been held in Canada, a kind gesture on the part of the American clubs to allow Canadian members to keep their allotted \$150 in American money for other trips to the States.

### Putters Club Holds Games Evening Mon.

The Putters Club had another evening of games in the Oak Room of the Victoria Hall last Monday evening.

Mr. Creighton and Mrs. Halverson walked off with the silverware after a very closely contested shuffleboard contest.

This is one of the most interesting nights this club features, but cards, which are planned for next Monday, follow a close second.

### Need Filled

## Parks Dept. Recreation Centre Opens On Monday

A long awaited need will soon be filled with the opening of the Parks Department Recreation

Building in the Westmount Athletic Grounds, 150 Hollowell Avenue, Monday.

The building is primarily for teen-agers and children, both boys and girls, who should drop in and get registered for the various interesting projects planned in the programme.

Newly painted and with a shiny floor, gleaming new Air-line furniture and plastic curtains, a warm, welcome atmosphere pervades throughout.

### Handicraft Program

## City Fathers Keep Wary Eye On Trees

Westmount has long been considered a beautiful, residential city.

When this state of affairs is threatened with being altered, the citizens waste no time in making it known that they are still conservative enough to want things to remain the same. And Westmount's trees are one of its main characteristics. Especially its elms.

So, when the extremely large elm near the corner of Greene avenue and Western avenue was recently cut down, one resident thought it was high time something was done about it. Taking pen in hand, the person wrote the Examiner:

"I want to protest with all my might against the cutting down of these glorious elms in Westmount in order to show

business signs! That lovely, huge elm on Greene avenue, corner of Western, is the latest victim — the only bit of shade on a hot day, on a hot street, to say nothing of the only bit of beauty on that street.

"Who is responsible for this vandalism? Is Westmount a residential or a business section?"

The letter is signed but we will let the writer remain anonymous.

Now, first a word of explanation as to why this particular tree was removed. Although the tree was on the property of the oil company on the corner, the large branches hung over to the other side onto another property. Thus, when a store was to be built in the space where the branches were, the branches had to come off, making the tree lopsided.

City officials say that this would have made it a dangerous menace since it is very old. In case of a storm, either the branches or the whole tree might have fallen.

These officials also hasten to add that no tree is removed from city property except after careful examination, and then only with the greatest reluctance. They have no jurisdiction over trees on private property.

When a citizen wants a tree removed from city property, he must first make application to the superintendent of the parks, who will bring it before the general manager of the city. You can not get it cut down just because you want it.

Only three factors can bring about its removal: 1) if a tree is a menace; 2) if trees have grown so much that they are crowding each other; 3) if the

spacing of the trees is not suitable.

The space the city would like to see between each tree is now 40 feet. Some of the trees, such as on Westmount avenue, were planted only 25 feet apart. These may look all right for the first 10 years of their long life, but after that they must be separated and will be. Officials say only two-thirds of these were meant to be let grow.

On Metcalfe avenue, the city knew the older trees would be coming down, so, five years ago, newer trees were planted and they are now flourishing. As each older tree rots or gets out of shape, it is brought down.

Much planning goes into keeping the city as beautiful as possible and the citizens of Westmount can be very proud that civic officials take so much care.

The meeting closed with announcements, Cub Silence, Lord's Prayer and closing Grand Howl by John Ancrum.

## Businessmen Hold "Booster Meeting"

The Business Association of Westmount held a "booster meeting" recently, J. Philip Page, president, presiding. Each business man discussed his own business and told the other members of the opportunities of buying in Westmount.

Plans for a new business directory, fees and other activities were also discussed. Two new members were present, Les Millette, photographer, and a representative of Canada Paint, who both have their place of business on Sherbrooke street.

An executive meeting will be held in the middle of February and a general meeting some time near the end of that month. Further plans for the compilation of the business directory will be discussed then, the president announced.

## Bill Johnstone Is Advisor to Jr. Hi-Y Club

The next Meeting of the Westmount Junior Hi-Y Club will be held Monday at 4:15 p.m. Bill Johnstone, who conducted a number of activities for boys registered in the Westmount "Y" Summer Camp, has agreed to serve as Advisor to the Club, and was present at the last meeting. ## Y. M. C. A. NOTES

### YOUNG ADULT SECTION

"Make A Note Of It", is good advice, and if you do not want to miss out on any of the activities which are now operating or about to start operating at our branch of the YMCA, you too had better make a note of it. Why not cut out the section which interests you most and have it as a reminder — it has been done.

Top of the list will be the **Sunday Evening Fireside** at 8.45 p.m. As this is the first one to be held by the group, it is to be a very informal affair. Those who come early can assist in the final arrangements; those who stay late can help clear up after the refreshments; and in-between there will be a sing-song which will naturally include a number of the old familiar hymns, some easy-to-listen-to music from the classics, operettas and popular musicals, and, of course, light refreshments.

Another of the experiments to be tried by the members is a two-room dance, their answer to the questions "Am I too young or too old?" Tonight, January 28, the **Friday Social Dance** will see music-as-you-like-it being played in two places at once. You pay one admission and take your choice of music, atmosphere, and partners. Try it, we are!

The new course in **Dance Instruction** under Yves Chatel will begin on Friday, February 4th at 8.30 p.m. This is a continuation of the last series of lessons and will include instruction in the rumba, tango and waltz. There are only a few vacancies so let us have your name tonight.

So far we have had no argument that we operate the only **Chess Club** in Westmount. That is beside the point — we have a Chess Club and it includes members of both sexes. It meets on Friday evenings at 7.30 p.m. and instruction is given to those who feel they need it. We invite anyone interested in the game to drop in on Friday, maybe we can help you — or you can help us.

### BOYS' DIVISION

**Movie Saturday** — This Saturday at 1.15 p.m., the Westmount Y.M.C.A. will show "Rider of the Plains" featuring Geo. Houston (the Lone Rider), with comedy shorts. The second chapter of the serial "Jungle Menace" will also be shown immediately before the regular feature picture.

**Progressive Swim Results** — In the last Inter-Y.M.C.A. Progress-

ive Swimming Meet held at the Westmount Y.M.C.A., on January 21st, the following points were secured by swimmers from the various "Y" Branches:

**BOYS:** — North Branch, 35 points; Westmount, 19½ points; South Western (Verdun), 14 points; N.D.G., 3 points.

**GIRLS:** — South Western (Verdun), 38½ points; North Branch, 20 points; N.D.G., 12½ points.

Jimmy Sherlock and Donald Seller of the Westmount Y.M.C.A. placed first and second in the boys 11 and under 15-yards free style. Jimmy Sherlock's time was 10 seconds for 15 yds. Seller and Sherlock placed second and third in the 15-yards back-stroke, and Jimmy Sherlock third in 15-yards breast.

In boys 13 years and under 30-yards free style, David Smith, Westmount, placed second.

In boys 15 years and under 60-yards, free style, Jimmy Waller, Westmount, placed second, while in 30-yards back-stroke for the same age group Jimmy Waller placed third.

Westmount "Y" boys placed second in the 15 years and under relay, losing out to boys from North Branch.

**Boxing** — The following boys are taking part in the Boys' Boxing Club which meets on Tuesday afternoons under the leadership of Scott Goodnoh: Brian Hutchinson, John Cassels, Albert Hasley, Peter Haley, Roy Smith, Donald Seller, Tom Netterfield, Warren Franklin, George Young, David Taylor and Jimmy Pickford.

This Monday, the Club will meet for training purposes before having a competition with boys in the St. Henri Gra-Y Club.

**Woodwork** — Boys taking part in the regular Monday afternoon Woodwork Group are preparing exhibits for the Westmount Boys and Girls' Hobby Show, which will be held from April 20 to April 23rd.

**Westmount Boys' and Girls' Hobby Show** — The next meeting of the Westmount Boys' and Girls' Hobby Show will be held on Tuesday, February 1, at 7 p.m., in the Cafeteria of the Westmount Y.M.C.A. This is the first official meeting of the 1949 Hobby Show Committee, representatives being chosen from various schools in the Westmount area.

**Teen-Agers** — The regular Saturday Evening Teen-Agers' Dance in the Westmount "Y", featuring Rhandy Whinfield and Orchestra, are proving quite popular among older Teen-Agers in the Westmount Area.

For the last month and a half the Teen-Agers have featured Rhandy Whinfield and his Orchestra, and the attendance is on the increase.

This week there will be special novelty events and prizes. The Teen-Age Executive meets on Tuesday evenings to plan the Dance program, and this Saturday nominations will be taken at the Dance for additional members who would like to serve on this important Committee. The Club plans to have two executives: a) fellows and girls 15 years and under; b) executive or older teen-agers. These executives will run alternate dances.

## Westmount Enthusiasm For Building Campaign Praised

"Everyone is so enthusiastic about this campaign" is the report given by Mrs. R. E. Jamieson, Metcalfe avenue, who is co-chairman with Mrs. Arthur Lyman for Westmount East in the forthcoming Building Campaign of the Y.W.C.A.

"We have nearly 90 workers already," said Mrs. Jamieson, "and expect to have at least 100 by the end of the week. We find Westmount people so co-operative — the church workers, members of the I.O.D.E., doctors' wives, even wives of McGill professors, who might be expected to be a little tired of campaigns! Mrs. J. S. Cameron, wife of the new mayor, is also helping us.

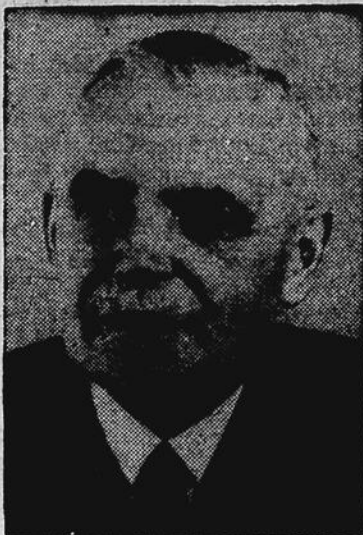

## Present Colors At R.M.R. Armory

A unique ceremony will take place at the St. Catherine Street Armory of the Royal Montreal Regiment, next Sunday at 3.30 p.m., when Maj.-Gen. C. B. Price, C.B., D.S.O., D.C.M., honorary colonel of the regiment, will present colors to the Red Cross Branch of the Canadian Legion. Known as the General Price Branch, Quebec, 206 British Empire Service League, it has only been in existence since May, 1946, and consists of Red Cross overseas personnel.

Taking part in the ceremony will be Mrs. G. A. Copping, president of the Red Cross Branch of the Legion, Mrs. Hugh Clements, 1st vice-president and Mrs. Edna Bregent. The latter will receive the colors from Major-General Price.

The Drum and Bugle Band of the R.M.R. will play the Last Post and Reveille during the presentation. Amongst the guests will be W. V. G. Neish, president of the Provincial Branch of the Canadian Legion, Lt.-Col. R. Schwob, M.C., Commanding Officer R.M.R. On conclusion of the ceremony, tea will be served in the sergeants' mess.

## PREMIER TO VISIT MONTREAL GROUP

Rt. Hon. Louis Stephen St. Laurent, prime minister of Canada, and Mrs. St. Laurent, will pay official visits to McGill University and l'Université de Montréal on March 5. Following his election to premiership, Mr. St. Laurent received invitations from several Montreal organizations, and March 5 has been set as the date of his official visit to some of those organizations.

## Jr. Stamp Club Elects M. Caplan As President

The Westmount Stamp Club had another meeting last Thursday with general trading.

Professor French, of McGill, whose hobby is collecting Canadian stamps, gave a very interesting and informative lecture in connection with stamps.

In the Junior section, a re-election of officers was held and the members unanimously elected Maxwell Caplan as President. Ronald Aldred was placed in the Vice-President's position and Andrew Beckett was made Secretary. Thirty-five new members joined last week as the result of a recent Recreational Survey, and more are expected in the next two weeks. Anyone interested in stamps should take advantage of this active little club—the place, Oak Room of the Victoria Hall, time — 7 p.m., Thursdays.

"We have one large group of business girls who will canvass in the evenings and members of the Westmount Library staff have volunteered to help. Business girls, of course, have good reason to be grateful to the Y.W.C.A. and eager for it to have a new building with greatly enlarged facilities. It gives them so many opportunities to swim, to enjoy athletics and have good times within their means. The women of Westmount who have daughters are equally ready to support the Y.W., because they realize that it gives recreation and fun to local residents and that there is a branch in every big city in Canada ready to show hospitality to girls away from home. That can be a great comfort to a mother's mind."

## Mrs. Lightfoot Chairman

Mrs. N. F. Lightfoot is chairman for the western division of Westmount and the northern division is under the chairmanship of Mrs. Alastair Grant, Roslyn avenue.

The objective of the campaign, which opens on Monday, is \$1,500,000, with which the Y.W. will erect a seven-storey building on the corner of Dorchester and Crescent streets, site of the former Knox-Crescent Church.

## Herbert Reddy Hospital Chairman of Board Dies

Dr. Bernard Augustin Conroy, Chairman of the Board of Herbert Reddy Memorial Hospital, died suddenly on Wednesday morning in his 66th year. For nearly a quarter of a century he was Chief Surgeon and Physician of the Montreal Police Department and was also former M.L.A. for St. Ann's Division.

## Calvary Utd. 72nd Annual Meeting Shows Year of Progressive Work

The 72nd Annual Business Meeting of Calvary United Church and Congregation was held last night. Following a devotional service conducted by the Pastor, the Very Rev. T. W. Jones, M.A., D.D., the Secretarial Report of the year's work was presented by T. H. Skelcher, Secretary of the Church. The statistical section showed that 68 babies had been baptized, 21 burials conducted and 44 marriages performed during the year; also that 53 had been received into the fellowship of the Church, of whom 26 were on confession of faith, including 13 from Dr. Jones' Training Class. The membership roll now stands at 765 Resident, 55 Non-Resident, making a total of 820.

Reports from all departments of the life and work of the congregation were presented. These revealed much activity, earnest labour, and sincere devotion to the cause of Jesus Christ and humanity through this branch of His Church.

The Church Treasurer's report presented by T. Haugland, showed that \$16,000 was raised for the local work of the congregation; while the Missionary and Benevolent Funds report of A. Modler,

## Y.M.C.A. World Service In Action

### BURMA

Burma is going through fire these days as it seeks to establish itself as a self governing nation following its independence from Great Britain in January 1948. With a government notable for its youthful leadership, seeking to create a socialist state in a democratic manner. Burma is being plagued with insurgent troubles brought on by dissident elements and extreme factions. She is now in the process of meeting this problem of division and discord. The ultimate pattern of government is not yet altogether clear.

While the Y.M.C.A. was not active during the Japanese occupation, the spirit of the Association was alive and immediately upon re-occupation a board was formed

and activiness began. With the birth of a new Burmese nation, the Y.M.C.A. took on, for the first time in its forty-five years of service, a definite Burmese colour. A new spirit of oneness has been evident in its revitalised membership.

The Rangoon Y.M.C.A. is the only association in Burma. War bombings, both Japanese and Allied, demolished all but one of her pre-war buildings so that the Y.M.C.A. had to start again from scratch. Thanks to the World Youth Fund, the one building left standing has been rehabilitated as a residence for young men, and quarters have been rented in the heart of the city to house a temporary centre appending the day when new Central Y.M.C.A. building can be erected. These

## GIRL INJURED WHILE SLEEPING IN CAR

Miss Mildred Brown, 29, 1194 McKay Street, Montreal, suffered abrasions on the forehead and slight cuts on the left leg when the car in which she was asleep was hit by another auto on Westmount Blvd., on Saturday morning, at 6.20 a.m.

The auto in which Miss Brown was injured belongs to L. A. Sapenna, Ville Emard and it was hit by a car driven by J. Devroede, Globert Avenue, Montreal.

Devroede claimed he was blinded by another car's lights at the time of the accident.

Miss Brown was taken to the Western Division of the Montreal General Hospital and examined by Dr. Linkletter. She was detained for observation.

## HALF-WAY RENTAL MEASURES UNFAIR

The idea of removing rental control is so unpopular with that majority of voters who are tenants that it is not surprising that the Government hesitates to act, and fiddles with minor measures of relief, such as the plan by which any houses or apartments which become legally vacant will be freed from control.

It looks like a rather wild idea. It will end in some houses and apartments renting at much higher prices than other and identical accommodation. Indeed, the pressure of de-

mand will very probably push the rentals of the premises which become vacant far higher than would be the case if all control were removed.

Already the people who, for one reason or another, have to seek new places to live are beginning to resent the fact that the more fortunate individuals who are comfortably ensconced at low rentals are highly favoured. This discontent will swell, as the rentals of newly vacated premises begin to soar under the new plan.

Already public opinion is becoming irritated at the obvious injustice of the cases in which widows and other people in anything but affluent circumstances, dependent on the rental of property, are left to bear the burden, while tenants able to pay much higher rentals, without any difficulty, are protected against an increase.

It is shocking to hear of cases right in this district, in which poor landlords are forced to continue to accept depression time rentals, plus ten per cent, while richer property owners can double rentals, merely because their present tenants decide to move.

The measures are discriminatory both in respect to property owners and tenants.

### Westmount Baptist

The services of Westmount Baptist Church will be broadcast on Sunday, that of the morning by the courtesy of CBM, and that of the evening by the courtesy of CJAD.

One of the greatest things of life is to have Christian confidence, in God, in ourselves and in our ability, by God's help, to live satisfying and supremely worth-while lives. Paul gives us a lead so that we may have this experience. He says "I can do all things through Christ who strengtheneth me." Because this is true there are undreamed of possibilities for each one of us. No one need fail or go under or be beaten. This will be the theme of the morning sermon in Westmount Baptist Church.

"Joseph was a 'Luckie Felowe' for God Was With Him". In that passage we have a very happy, Old English translation of a passage in Genesis. The theme of Dr. J. A. Johnston's evening address will, therefore, be "Luckie Felowes". This kind of good fortune is within the reach of every one of us. Pessimism, doleful complaining or self pity have no place in a robust, radiant Christian life. The original meaning of Good Luck was to have God's favour.

Westmount Christian Youth Fellowship will meet at the close of the evening service. Part of

the programme will be hearing reports from a Student Missionary Conference, held between Christmas and New Year's. Young people who attended these gatherings will tell the thrilling story.

Under unusual and effective leadership, "Westmount" will carry through a series of special meetings, in conjunction with other bodies, from February 13th to February 27th. These gatherings will have significance for young people. The speaker will be a young man, who has had an amazing experience in world travel, war-time active service and Christian Evangelism. Fuller announcement will be made later.

No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.—St. Matthew 7: 24.

**Christian Science**

"Love" is the subject of the Lesson-Sermon to be read in Churches of Christ, Scientist, on Sunday.

The Golden Text is from Psalms 36:7. "How excellent is thy loving kindness, O God! therefore the children of men put their trust under the shadow of thy wings."

Among the citations which comprise the Lesson-Sermon is the following from the Bible: —

"And when Jesus was entered into Capernaum, there came unto him a centurion, beseeching him and saying, 'Lord, my servant lieth at home sick of the palsy, grievously tormented.' And Jesus said unto the centurion, 'Go thy way; and as thou hast believed, so be it done unto thee.' And his servant was healed in the self-same hour." (St. Matthew 8: 5, 6 and 13.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"The power of Christian Science and Divine Love is omnipotent. It is indeed adequate to unclasp the hold and to destroy disease, sin and death. Every trial of our faith in God makes us stronger. The more difficult seems the material condition to be overcome by Spirit, the stronger should be our faith and the purer our love. The Apostle John says: 'There is no fear in Love, but perfect Love casteth out fear.... He that feareth is not made perfect in Love'. Here is a definite and inspired proclamation of Christian Science." (Pages 412 and 410.)

**St. Andrew's Church**

Reports submitted to the Annual Business Meeting of St. Andrew's last Wednesday night disclosed that the year 1948 was one of progress and success in all departments. The "Session Statement" referred to a "a very happy and encouraging year in the life of our church." The Church School reported "a steady increase in membership as well as attendance", and the Women's Organization as usual, have had "a very successful year." Financially, the over-all picture shows the figure of approximately \$61,400.00. Of this amount \$20,332.00 were for Missions and Benevolences. The Women's Organization raised \$4,812.00 and of this amount, \$3,100.00 were for Missions. St. Andrew's faces the future with confidence.

Next Sunday morning the theme of Mr. Grant's Sermon will be, "The Beauty of Jesus," and in the evening Mr. Ward will preach on "The Reverse Side of Jesus Love."

All the young people's organizations will hold regular meetings during the week, with capable leadership in all departments.

The MacGillivray Auxiliary of the Woman's Missionary Society will meet on Tuesday afternoon with Mrs. E. Bruce Copland as Guest Speaker; and on Thursday evening the Missionary and Church Work Committees will hold its regular monthly meeting.

This organization is sponsoring a Minstrel show, "IT'S A GOOD DAY," to be presented in Victoria Hall on Wednesday evening, February 16th. It has been a long time since a Minstrel Show has been presented, and many will look forward with interest to hearing old favourite songs, together with skits and specialty numbers. The Show will be directed by W. Maxwell Ford and produced by Leonard "Red" Martin, both of whom are well known in amateur theatrical circles.

**MARQUEE DAMAGED**

The Avenue Theatre marquee suffered \$200 damage last Saturday when the tarpaulin top of a truck passing under it caught the neon tubing.

Prehistoric man in northern Europe enjoyed oysters as attested by mounds of oyster shells found there.

Address on Citizenship Given To Local Council of Women

At the Citizenship Day meeting of the Local Council of Women of Montreal, held on January 19, Miss Constance Hayward, Liaison Officer of the Citizenship Branch, Department of State, Ottawa, was the guest speaker. Taking as her subject "What Citizenship Means", Miss Hayward defined citizenship as "the honest effort of each individual to put into practice the principles and ideals in which he believes." With this in mind, Miss Hayward emphasized the need for education for good citizenship for Canadians. This need is even greater now, she went on, in the light of the increasingly important role being played by Canada in world affairs.

Speaking of the influx of immigrants to Canada, Miss Hayward pointed out that, in view of the many difficulties which confront newcomers, these people should be assisted in becoming an integral part of Canadian national life, and should be given a feeling of security. We must realize, the speaker concluded, that upon the individual's contribution toward citizenship, depends the internal strength of the nation, and the survival of democracy.

It was reported at this meeting that a telegram requesting that no measure be taken at the coming session of the Provincial Legislature to prevent women of the province from exercising free choice in the purchase of butter or margarine, had been sent to Premier Duplessis. An interview was also requested, in order that the Council might present its views to the Legislature.

Miss Esther Kerry, President of the Local Council, was chairman for this meeting, and a summary of the Declaration of Human Rights was read by Mrs. W. S. Edgar. The guest speaker was introduced by Mrs. G. F. W. Kuhring, and thanked by Mrs. A. Turner Bone.

MAID TO ORDER

While romping through the "Help Wanted" section of an American newspaper the other day, I came across an interesting item which read "Six Maids Wanted for Upstairs Cleaning". I don't suppose that it's any of my business, but the whole thing has been bothering me. That's an awful lot of maids to have cluttering up the place — especially if there were six maids downstairs, too.

Now one maid I could understand — or even two, one to keep the other company, and perhaps do a little dusting on the side. But six seems to be stretching things just a little too far. A friend of mine says that she wouldn't mind having six BUTLERS around — but then, she's butler-crazy.

Of course there are several types of maids, and there is the possibility, if you take in six (or twelve) at one time, that you will gather a fair cross section of the household help that's running around loose. This will be no end of a help in your practice of good, old-fashioned psychiatry.

There is what is laughingly called the "affectionate type" of maid.

Each morning she greets the man of the house with "Your breakfast is ready, dearie", or "How do you want your eggs, honey?" And nothing could be more nerve-wracking to a faithful husband and loving father, when he's talking to a neighbour than to have the maid scream at him from the doorway — "Come home, dear — your wife says supper's getting cold!" By this time, the wife probably isn't feeling so hot, either.

Every woman wants her household help to be congenial. This doesn't mean that a maid has to throw her whole heart and soul into being the life of the party. Unfortunately, if she's an enterprising soul, all is lost. The hostess might as well melt gracefully into the background, while the maid murmurs, "Nice of you to come, George", and "So you're Alice. Mrs. S— has said so many interesting things about you, but I'm sure you can't be THAT bad!"

After a party of this sort, a few people will come back another time. But not enough to make keeping a maid worthwhile. Some maids have spent years perfecting the fine art of mislaying things — any old thing at all, that looks as if it's worth losing. For instance, if you walk into the living room, and find a sofa and a chair missing, the whole secret is don't panic — be casual.

"Maggie", you may whisper

## Ideas for Bridge Prizes

I am still meeting people who say to me, "Gerry. I know your C.S.L. Gift Shop is unique in that it has no comparison, but can I buy a \$1.50 or \$2.00 gift there." Well ladies, it's true. When you walk into this beautifully appointed shop you are first struck by the richness of the surroundings and the peaceful atmosphere, that is not found in many gift shops, plus the soft spoken attendants; but don't let this deceive you, if you do not see what you are looking for at the price you have in mind, the girls will only be too pleased to show you a \$1.50 or \$2.00 article, for there are many. For instance, the Plichta ware set, the ash tray for \$1.50 and the beer mug for \$2.00, done in a lovely colored old fashioned English hunting scene. There are many lovely china cups and saucers from \$1.75 up to \$3.00. Then the small size coffee cup in fine china with a delicate floral pattern for \$1.50, the tea cup to match for \$1.75 and the miniature cream and sugar sets for \$1.25, ideal for a bridge prize. What could make a guest feel more at home than to have an egg served in one of these fancy china egg cups and covers for \$2.00. In the back of the shop you will find many examples of our French-Canadian handicrafts, from the hand hooked coasters to large size rugs. Did you know that orders are taken here for wall to wall hooked rugs, C.S.L. GIFT SHOP 1480 SHERBROOKE ST. W., near GUY.

ONE SECRET TO MAKING DELICIOUS POTATO SALAD is to cut the potatoes while they're warm and add the onions and salad dressing. As the salad cools, the flavors will penetrate the potatoes.

## The Gals of the Bridge Club

January has been a month of sales, and how the housewives have combed the stores, myself included. In fact this has been the month to think of next Christmas shopping, if one can be optimistic enough to lay away gifts for so long a period. However, what I want to chat about is where to entertain during the lunch hour, and yet not have to exhaust the family budget. My choice today is The Mount Royal Hotel's Coffee Shop. I know many of my reading friends have frequently visited this spot, but for those who may be familiar with the name but not the place let me point out that this restaurant is not exactly what the name implies. "Coffee Shop". A complete meal, a light lunch, or even sandwiches may be obtained here, yes, and even one of the Mount Royal's special cocktails can be ordered. The \$0.80 lunch is a very delicious repast and ample for that time of the day. Like all the other six eating places in the Mount Royal Hotel, you will find a large menu to choose from, and well balanced. This restaurant has a more business

like air than, say, the stately dining room upstairs, The Corinthian Room, but like this famed eating spot the service is exactly the same. This is THE eating spot in town where one is bound to meet more old friends than any other place. Get a party of the bridge club and gather at The Coffee Shop, and you will be delighted with the gay time that will be had by all.

## John Gould's Tales Of Maine Amuse American Women's Club

If the Ottawa Immigration Authorities are at present deep in the process of investigating the American Women's Club, it's all John Gould's fault. Speaking to the American Women in the Vice-Regal Suite of the Ritz-Carlton Hotel on Wednesday afternoon, Gould, who, is a farmer, author, and newspaper editor, in his "spare time," told his audience that he had a bit of trouble with the authorities over the fact that he intended to speak at the American Women's Club. He was forced, he said, to confess that it was "all a mistake," and that he was really coming up to Canada to ski. "They'd never heard of the American Women's Club," he grinned.

Author of six books, two of which have been published in Canada, John Gould maintains that an "author" doesn't necessarily have to be scientific about the whole thing. Rather, he said, it is the gentle, amusing incidents

of every day which one may draw from that will make up a successful book.

Speaking of his own town, Lisbon, Me., Mr. Gould said that he was forever discovering "new chapters" for his book, from such local characters as Doc Plummer, who has a "pretty good" philosophy, and Walter Keith, who "does his own baking." Everyday incidents make good reading, too, said Mr. Gould, relating a series of events which began when the practice of keeping a trout in a well was mentioned in his newspaper "The Enterprise." This was only a good start. Each week Mr. Gould succeeded in finding something new and different in a well, ending up with a team of horses, one of which had to be dug out.—Or so, Mr. Gould says.

"It may be so, it may not be so—but it could be," is the slogan which appears on the mast head of "The Enterprise," of which Mr. Gould is the Editor. A very apt slogan, one might add! Mrs. W. H. Roe, president, presided at the meeting.

AT THE AVENUE THEATRE

Gino Matterna as Alfredo Germont and Nelly Corradi as Violetta Valery in a tender scene from 'The Lost One', excellent filmization of Alexander Dumas' greatest romantic story "Lady Of The Camellias" set to the soul-stirring music of Verdi's opera "La Traviata" which will have its exclusive and only Montreal Showing at the Avenue Theatre starting Saturday. "The Lost One" is narrated in English.

## Exclusive Montreal Showing At Avenue Saturday

A classic love story, as moving today as when it was first written, and some of the most glorious music ever composed have now been combined in a motion picture which is being called an entirely new experience for movie-goers and an artistic achievement.

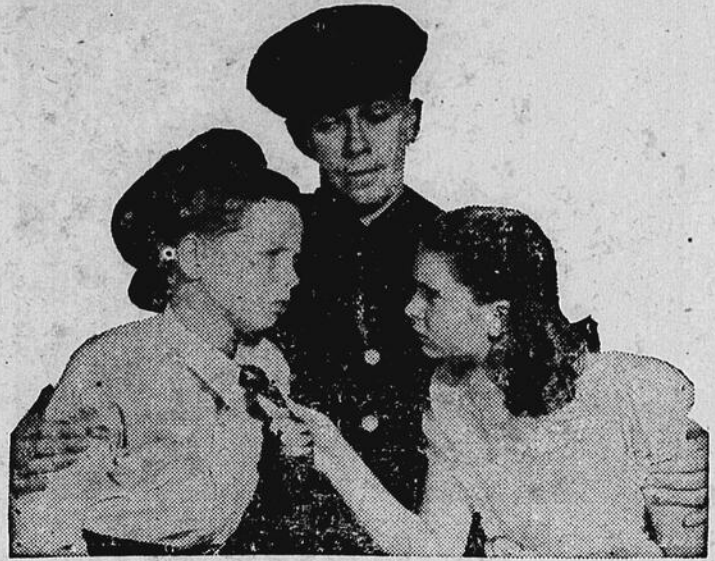

"The Lost One" (La Traviata) which will begin its exclusive and positively only Montreal engagement at the Avenue Theatre starting Saturday, is based on Alexander Dumas' "Lady Of The Camellias" and is set to Verdi's great operatic score. Although sung in Italian, the action has been tenderly unfolded for the first time with English narration.

This romance and the immortal music are familiar to everyone, and yet their appeal seems to grow more intense through the years. Dumas' novel appeared in 1848, the year after the death of the real-life heroine (Alphonsine Plesis) upon whose life the story is based. It is generally believed that the young author was able to write so intimate and vivid an account since he was directly concerned!

Later, the work was made into a play, and such famous actresses as Sarah Bernhardt, Ethel Barrymore, Lillian Gish, Jane Cowl and Eva La Gallienne portrayed the Lady of the Camellias. In opera, her fame was enhanced by Lucrezia Bori, Rosa Ponselle and Adelina Patti. Films also took the tragic heroine to its heart with brilliant characterizations given by Bernhardt, Alla Nazimova and the incomparable Garbo.

In "The Lost One", soprano Nelly Corradi plays the beautiful girl who, adored by all of Paris, gave her love only to young Alfredo Germont and then sacrificed her own life for his happiness. Miss Corradi conveys all the pathos and sublimity inherent in the character. Gino Matterna, new tenor discovery, is Alfredo.

out in winning your appeal, whether it be in her highly dramatic courtroom scenes with Edward Arnold or in her hilarious scrap with Butch Jenkins. On top of that, she does an impersonation, complete to slightly refined "bumps" of the Broadway musical-comedy star, Betty Barrett, that is as uproarious as it is amazing.

George Murphy acts as arbitrator when "Butch" Jenkins and Margaret O'Brien argue heavily in this scene from the delightful musical drama "The Big City," which starts Saturday at the Seville Theatre.

Starring MARK STEVENS • RICHARD WIDMARK • LLOYD NOLAN • BARBARA LAWRENCE

That astute showman, Joe Pasternak, has assembled a notable collection of performers of screen, stage and concert hall for his latest production, "Big City" which comes to the Seville Theatre on Saturday. The result is a picture replete with humor, tender sentiment and delightful musical interludes.

While "Big City" does not fall into the category of a film musical, its multi-faceted story of a New York waif who is brought up by three foster-fathers, each of whom is eager to present her with a "mother," offers most of its principals not only the usual dramatic opportunities but an outlet for a display of other talents as well.

There is, for example, Margaret O'Brien, whose genius for drawing either tears or laughter has made her the outstanding child actress in pictures. As Madge, the little heroine of the present story, she again goes all

## "Black Sambo" To Be Presented At Victoria Hall

Once again, children young and old, are going to be treated to their favourite fairy tale, "Little Black Sambo and The Tigers", when the Theatre for Young Folk revives this old-time favourite at Victoria Hall, on Saturday.

The cast will include players already long familiar to young audiences locally. Neil Madden will dance around the stage as the wonderful Little Black Sambo, with Jacky Buck as Mumbo, the mother, and Gordon Warren as Jumbo, the father.

The zoo will include Marion Dennis, Burt Rosen and Alan Cantwell as monkeys; and Silvio Narizzano, Mary Forde, Helen Kernan and Arthur Voronka as tigers.

One of the high spots of this story, which is already in its second year of local production, is the famous turning of the tigers into a big yellow blob of butter. It really happens! And it is a constant source of wonder to the thousands of children who have seen this play since May of 1947.

Based on the adaptation by Charlotte Chorpennig, and under the direction of Joy Thomson, "Little Black Sambo and the Tigers" is the second of this year's Theatre for Young Folk series.

## Another "Two Big Hit" Show At Monkland, Sat.

Starting Saturday at the Monkland Theatre, the varied vicissitudes of a fledgling home-builder are the makings for one of the season's funniest movies. Translated to the screen by expert acting, the gently satirical book by Eric Hodgins becomes an unforgettable comedy of errors.

Americans have a sense of humor. In almost any situation short of stark tragedy, they can see the comical side of their troubles. To this happy trait is attributable the apparent paradox that finds one of the funniest movies of the season based on America's prime postwar headache—home building.

The movie is "Mr. Blandings

Builds His Dream House," a film version of the novel which Eric Hodgins wrote from his own building experience in Connecticut. It tells the story of Jim Blandings, a New York advertising man with a wife and two daughters, who decides to escape the confines of Manhattan by building a home in the country.

The problems which then beset the blandings range from windows that don't fit to a budget that fits less. A variety of major mishaps drives the Blandings almost to distraction and the audiences almost to hysterics.

With wry wit and the expert comedy technique for which they are famous, Cary Grant, Myrna Loy and Melvyn Douglas make gay theatre of their tribulations.

### Second Feature

The appearance of Fredric March topping the cast of "Another Part of the Forest," starting Saturday at the Monkland Theatre, might well be classified as an outstanding example of the "survival of the fittest" when it comes to motion pictures.

Two decades ago, a Hollywood career was considered about the most precarious of any vocation. That was when March came to the screen for the first time. Up to then few stars had been able to survive more than five years in the "golden" circle. And with the industry in the throes of breaking its silence, nobody would even venture a guess as to what might happen.

In "Another Part of the Forest," which is rated one of the year's most entertaining attractions. Dan

## Marg't Lockwood In Modern Story At Snowdon, Sat.

The latest starring vehicle of Britain's No. 1 feminine star, Margaret Lockwood, is the John Corfield Production "The White Unicorn," which gives our favorite a modern story setting as a change from her recent period pictures.

The last film Margaret Lockwood made which had a modern setting was "Bedelia," also a John Corfield production, and in bringing Margaret Lockwood to the screen again in a present-day story, John Corfield has also re-associated her with the romantic male lead of his earlier production. You will remember that Margaret Lockwood and Ian Hunter were husband and wife in "Bedelia", and they again play a married couple in "The White Unicorn."

Also starring in this production are Dennis Price and Joan Greenwood, and the supporting cast includes Guy Middleton, Paul Dupuis, Joan Rees. Norey, Margaret Lockwood's screen daughter, is portrayed by her real-life daughter, Margaret Julia.

In this story, which was adapted from the novel "The Milk-White Unicorn", by Flora Sandstrom, authoress of many well-known novels, Ian Hunter plays a matter-of-fact barrister, Philip Templar, whose unemotional nature frustrates his affectionate wife, Lucy, portrayed by Margaret Lockwood.

After they have quarrelled over their daughter, Lucy and Philip are divorced and Lucy marries Dick Glover (Dennis Price). But their happiness is short-lived for Dick is killed on their honeymoon.

Joan Greenwood has the role of a slum girl, Lottie, and it is when Lucy is trying to help her that she and her ex-husband, Philip, come into contact again.

This film, which will be shown for the first time in Montreal at the Snowdon Theatre starting Saturday, was produced by Harold Ruth, who in the past has produced such outstanding successes as "Love Story," "They Were Sisters," and "Caravan." The direction was handled by Bernard Knowles, also well-known in that capacity for excellent work

Duryea, Edmond O'Brien and Ann Blyth are co-starred with March in the new production. Michael Gordon directed. Jerry Bresler was the producer and the screenplay is based upon the Broadway stage play success by Lillian Hellman. Florence Eldridge, John Dall and Dona Drake head the supporting cast.

## "Easter Parade" Delightful Show At Westmount

Fred Astaire is back, this time with Judy Garland. This new and captivating co-starring team joins hands with Peter Lawford and Ann Miller to offer top song and dance entertainment in Irving Berlin's "Easter Parade," which starts Sunday at the Westmount Theatre.

It's a sumptuous Technicolor musical, laid in the picturesque theatrical period of the Ziegfeld and Dillingham shows, unfolding an appealing story of a couple of hoofers, and jammed to the hilt with an ear-tingling Irving Berlin score comprising both new hit melodies and memorable Berlin songs of the past.

The acts and specialty numbers are tied together in a plot in which Astaire loses his glamorous dancing partner, Ann Miller, and boasts that he can replace her with any run-of-the-mill chorus girl. Judy Garland is the girl he molds into star material, and the road on which she skyrockets to over-night fame is paved with some of the most luring singing and dexterous dancing seen in a film musical in many a moon.

### Second Feature

Kent Taylor is a happy guy to be facing trouble every morn at nine, and to be fully conscious of what will be meted out to him the next eight or more hours.

It is a course that the polished young man is more than agreeable to face, for he is fast becoming one of the leading exponents in a specialized type of film entertainment with ever-soaring popularity.

His latest adventure into danger, murder and romance is in "Half Past Midnight." Co-featured with blonde, curvaceous Peggy Knudsen, Taylor appears as a brash, dapper man-about-town whose penchant for excitement and blondes leads him, and an unhappy police force, into a series of action-packed predicaments.

## Studio Production At CAT Workshop On Saturday, Feb. 5

On Saturday, Feb. 5 the Children's Workshop of the Canadian Art Theatre will present an afternoon Studio Production in its Monkland Avenue Studios. The production will mark the opening of the second term, when new students will be introduced to the school, and old students will demonstrate to their parents and friends what they have learned since October.

The Studio Production will take the form of four short scenes and a short one-acter. The scenes have been drawn from the classics, with an eye to giving every student a definite role that can be remembered in the program.

From "Oliver Twist", the story of Mr. Bumble and Mrs. Corney has been chosen, with a little of their proposal scene in the London workhouse; Louisa Alcott's "Little Women" is represented by a short scene depicting the proposal of John Brooke to Meg, and the interference of Aunt March. Shakespeare's "A Midsummer Night's Dream" has provided the famous "Pyramus and Thisbe" scene.

A more serious work will be attempted, namely "Symphony in Illusion", a modern allegory of disillusionment and hope for peace. Lastly, "The King's Creampuffs", an original fantasy, will close the program.

The program will be directed by the staff of the Workshop, with the exception of "Symphony in Illusion", which will be handled by Dinnv Stern, a senior student of the Workshop.

Commencing in February, the

Workshop goes into its second term with classes twice a week in Voice, Acting, Movement, Production, and rehearsals for the major production which will be staged at the end of May. A special feature of the new term will be a special boys' class, which, it is hoped, will be formed within the senior age group of twelve to sixteen.

The Children's Workshop is a Canadian Art Theatre School.

# Robitaille Motors Take Over Thrift Franchise

By GEORGE COCHRANE

There was big news emanating from the Snowdon Senior Fastball League meeting held at the Knights of Columbus Hall up Cote des Neiges way Monday evening.

Representatives of the Hampton Food, Steinberg's, Ascension, St. Augustine's and Columbus voted unanimously to accept the application of Robitaille Motors Ltd. to take over the franchise left vacant by Thrift's withdrawal.

That mass of ill-chosen verbiage isn't as ominous as it sounds. What it boils down to is that what was last season known as the Thrift team will this year operate under the title of Robitaille Motors. Now all that remains is for some

waggish individual to christen Paul Laurin, Jack McKissock and the other members of 1948's provincial championship crew "the mechanical men".

The decision to accept genial Harvey Robitaille's application was reached after a copy of a letter from Mr. Juneau, vice-president of Thrift-Stop & Shop, to Pat Patterson was read. The letter announced that Thrift was not interested in backing a softball club in 1949.

### Snyder's First Motion

It was then, after a few words had been banded back and forth with Messrs. Robitaille and Charlie Lortie, business manager of the Robitaille club, out of the room, that Gerry Snyder made his first motion at a Snowdon Senior Fastball League meeting.

Quote the recently appointed Steinberg's manager: "I move that the franchise previously held by Thrift be transferred to Robitaille Motors Ltd." St. Augustine's Moe Conway attended to the seconding chores.

### Set-up Remains Same

With that important bit of business out of the way, president Clarence Strathcona Booth asked the clubs if they all intended to remain in the league for the '49 season. The answer was a resounding affirmative.

It was then agreed that robust Ernest Munday, who was in charge of the public address system that proved such a popular feature at Snowdon games last season, continue to supervise the operation of the p.a.

A three-men committee was appointed to make recommendations on the general subject of umpires for the league. Columbus' Mel Cottle was named chairman with Steinberg's Gerry Snyder and Ken

Smith, of the executive committee, as his aides.

### Manager Changes

A couple of changes in the managerial ranks were announced. Fritz Crowdis was named successor to Ray Girouard as St. Augustine's pilot. Ray will remain with the Saints in an executive capacity.

Ernie Munday has parted company with Moe Wolfe's Hampton Food club. The Ernest one says he will be playing for Pat Patterson this season. Mons. Wolfe told the meeting that he was presently sans manager but hoped to remedy the situation in the very near future.

Gerry Snyder will, as previously revealed in The Monitor, pilot Steinberg's while Pat Patterson (currently flat on his back with pneumonia), Columbus' Jay Killoran and Ascension's Kev Kennedy will all be back to mastermind in 1949.

### Opener May 1

Delegates to the Monday night gab-fest agreed to start the schedule a week earlier this year—on May 1. That will be the earliest opening in the league's short history. Purpose of the early start is to get the season wound up before the chill October breezes start to blow the dust all over the Macdonald Park diamond.

Ray Girouard, who did such a good job on the schedule last year, is being asked for an encore this season. Each team will again play 30 games, making a 90-game schedule.

The next Snowdon get-together is slated for Monday, February 21.

Buildings are either under construction or are contemplated in a number of cities which will, within the next few years lead to six clubs operating in each division of the United States Hockey League.

# McKissock's Aces Topple Panthers In Inter Tilt

On January 18th Jack McKissock's 'Aces' knocked off the Panthers 6-0. Bill Jamieson and Jack McKissock led the attack with two goals each. D. Barnard and Bill Layton notched the other counter.

Two games were scheduled on January 22nd, with the 'Aces' continuing their winning streak defeating Royals 7-4. Bill Layton of the Aces was the outstanding man on the ice, sniping 4 goals. Other scorers for the Aces were Lorne Foy with 2, and Baz Boxer with 1. The Royals points-getters were Noel Romney, Logue McDonald, Don McDonald and Emmett Millan with one goal each.

The Staynor Stars won the game against Alouettes by default when the Alouettes failed to ice a team.

January 24th saw six teams in action. The Royals won the first game defeating the Police and Fire 3-1. Noel Romney led the Royals getting 2 goals. Ewart Reid sunk the other Royal counter. J. Smith got the lone Police marker.

The Panthers beat out the Air Force in a tight game 2-0. A. McPherson and Dave Binmore scored for the Panthers.

The last game of the evening was a honey, with the Alouettes and Aces battling to a 3-3 draw. Each team took turns scoring. Ron Morrow, Frank Boright and Brian Pearse were the Alouette scorers; Jack McKissock, Will Jamieson and Lorne Foy banged in one each for the Aces.

# Tornadoes Top Weredale 4-1

Two games took place in the Juvenile League on Tuesday night. Tornadoes defeated Weredale 4-1 and Panthers knocked off Y.M.C.A. 7-0. In the first game, Jimmy Cotter sniped 3 goals for the hat trick and M. Cybuliak banged in the other solo for the Tornadoes. M. Dlhosh scored the lone Weredale counter.

The Panthers defeated the Y.M.C.A. in the second game of the evening 7-0. The Y.M.C.A. were stopped cold by the sensational play of Ross Rubenstein in the Panthers nets. Harry Wolfe played a great game for the Panthers, with two rushes from his own area, through the 'Y' team ending up in goals. He also scored another goal making it 3 for the night. J. Lafontaine, C. Burton, Clive Pearse and Jack Gill slapped home singles for the Panthers.

### BANTAM HOCKEY

The Bantam Tornadoes had an easy time of it defeating the Y.M.C.A. 6-0. Bud Agnew had a good night notching the first 3 Tornado goals. Will Carter sniped the next two markers, with Laurie Bennett banging in the final goal to complete the scoring.

Players named on the first U.S.H.L. all-star team get \$300 and those on the second squad \$150. The same goes for the coaches picked for each team. The players also receive an engraved miniature gold puck.

# St. Leo's Sports

All good things must come to an end and St. Leo's Senior B

winning streak which extended over two years in league competition, proved no exception as their winning ways were abruptly halted last Monday at the Forum when they absorbed a 4 to 1 lacing at the hands of Catholic High's power packed squad. The score does not indicate the play as the Academites battled all the way on pretty even terms but the fleet skating C.H.S. forwards had a little too much speed at times leaving the leg weary Westmounters behind.

C.H.S.'s first goal early in the first period was a heartbreaker for the local gang as nobody on the sidelines seen the puck go in the net but the trigger happy Durocher student who was acting as goal judge seemed satisfied it was a goal and his decision was upheld by referee Mickey Murray, who by the way has become a constant companion of ours as he has worked every St. Leo's Sr. B vs. C.H.S. at the Forum for the past five years. A protest was made but to no avail and a few seconds after this questionable opening goal the Black and White went two up catching the Academy crew still in the doldrums lamenting on their poor fortunes on the phantom goal. Stung by these reverses the St. Leo's squad fought back savagely and did manage to come close when Ray Losito scored at the outset of the last period. Throwing all caution to the wind the losers put the pressure on in a desperate effort to knot the count and it was from two of these ganging attacks that the speedy C.H.S. forwards showed their heels to the local outfit

to skate in on the ruffled Du-

goals. The loss places the Westmounters in second place but still very much in the running. Coach Andy McGillis is far from discouraged with the prospects and exclaimed after the game, 'My team is young and I expect them to make mistakes but they gave their best and that is all I expect from any team.' Given a decent break and some outdoor ice to practise, it should be a far steadier team that will face Catholic High in the return game at Lachine Arena on Saturday, Feb. 5th. St. Leo's supporters are advised to keep that date open as it promises to be a dandy game.

### SPORT SHORTS

St. Willibrord's Senior B threw a bad scare into the local B outfit camp when they battled them all the way down the line last Saturday at Lachine Arena falling but one goal short of a draw, losing out 2 to 1. Harry Wolfe, scored both of the Saints goals to avert an upset.

The Juniors earned a split in their two games series with St. Willibrord's winning 20-0 at Verdun and been edged out 4 to 3 last Saturday at Lachine Arena. It was the same old story in their defeat last Saturday for after working their way up the ice time and time again completely nullified their wide edge in territorial play with a wierd and pathetic exhibition of shooting when within scoring range.

Jimmy Cotter, Ross Murray and Jack Belanger have been playing steady hockey with the Juniors but their supporting cast is only fair. Mike Saucier and Lenny Mulligan have been playing in disappointing fashion and this has not helped the cause as these two regulars were counted on to supply

## THE OLD YEAR STANDOUTS AND ODDITIES

Looking back in retrospect at 1948, we'd like to pay a belated tribute to the uncrowned champions of the year, and others in the sports field who were involved in unusual incidents at one time or another during the past twelve months. So, our congratulations to:

\* \* \*  
Citation, the year's wonder race horse, who picked up the easiest \$10,000 of 1948, by running around the track alone to win the Pimlico Special.

Ricardo (Pancho) Gonzales, the Mexican-American youth who won only two tournaments all year, but one was the National Singles title, giving him rating by the United States Lawn Tennis Association as the world's No. 1 amateur. He wasn't considered good enough for the U.S. Davis Cup Team.

Bobby Feller, the Cleveland fireballer, who had one of his worst seasons in the big time, winning the poor (for him) total of 19 games, a mark exceeded by only six other major league pitchers.

\* \* \*  
Branch Rickey, the astute head of the wide-awake Brooklyn Dodgers, who sold Clyde King to the Philadelphia Phils for \$10,000 by the walver route, claimed him back a week later for the same sum, and four days after that optioned him to the Montreal Royals, who had no earthly use for him.

Enio Schilizzzi, the hockey player who changed his name to Jimmy Enio and broke into the National Hockey League with Detroit Red Wings this winter.

Sam Wexler, a Toledo businessman, who was sitting in the tenth row at Briggs Stadium, Detroit, and as reported by Bob (Detroit News) Sieger, was hit on the top of the head by a wild pitch by Pitcher Phil Marchildon of the Philadelphia Athletics.

\* \* \*  
Bobby Riggs, the cocky little tennis star, who lost his world's Professional Singles and Doubles titles to Jack Kramer, but still held onto his pride, refusing to admit that Big Jake is his superior.

Gordon Gray, the ex-U.S.C. back, who made one of all-time sport's classic remarks, after being hit by a block by big George Connor, saying, "The engineer shouldn't have let the train get off the track." Gray spoke up after they had revived him.

Harrison Dillard, the U.S. Hurdles champion and the best timber-topper in the world today, who couldn't make his country's Olympic team in his specialty, so turned sprinter and beat the world's best at London to win a gold medal for first place in the 100-metre dash.

\* \* \*  
Vicky Manalo Draves, one gal who implicitly obeyed her husband, and was rewarded with two Olympic diving championships. Hubby's her coach.

Red Barber, the Brooklyn broadcaster, who, after suffering a stroke in Pittsburgh, returned to action weeks later, just in time to see Rex Barney throw his no-hitter against the New York Giants. Red almost went back to bed, however, when the hated Giants beat the Dodgers three in a row in the next three days.

Leo Durocher, the Giants' manager, who gave Giant baseball fans a break and insured there'd be no dull days for the New Yorkers in 1949, when he signed up three of the fun-lovingest guys in baseball as coaches — Red Kress, Frankie Frisch and Freddie Fitzsimmons.

\* \* \*  
Mike Portonova, the employee of the Los Angeles Coliseum who laid out the course for a 100-yard dash, and after Mel Patton had supposedly broken the world's record, re-measured his track, found it was five inches short.

Harry S. Truman, the man from Missouri who had to be shown, and so came from away back to win in the stretch — the longest long-shot of a hectic year.

## Reardon, Lach to Ref Hockey Tilt

Kenny Reardon, Les Canadens' most penalized performer, will get a chance to see what life is like on the other side of the fence out at Loyola Arena tomorrow evening when he'll clench a whistle between his pearly whites to referee a Westmount High-D'Arcy McGee exhibition puck battle.

The tilt, which Reardon will officiate with teammate Elmer Lach, will be the highlight of MISSA's 1949 winter carnival. Other items on the varied programme include skating and dancing.

The Westmount High-McGee battle looms as top-rate hockey fare. The Westmounters, currently perched atop the Protestant Senior A standings, have a gritty, fast-skating club while McGee boast a well-balanced aggregation that has proved no pushover for anybody this season.

Things are slated to get underway at 8 p.m.

## MIDGET HOCKEY

On Monday night the Panther Midgets romped through the Lions team, defeating them 9-1. Jimmy Beaton, Jerry Apostolatos and Malcolm Innes led the Panthers attack getting two goals each. The other scorers were Brian Gallery, John Moore and Pete Stamatelos with a single each. Jean Lünzier banged in the lone Lion counter.

## St. Leo's Sports

(Continued from Page 14)  
a lot of scoring punch to the team. Saucier has size and speed but has been short on aggressiveness and initiative and spends too much time waiting for somebody else to feed him the puck instead of hustling into the corner to fight for it. Mulligan has lost the knack of scoring and probably won't recover it until he forgets about trying to imitate Elmer Lach and set about developing his own natural style.

Before criticising the Senior B performance last Monday against C.H.S. it would be wise to take recognition of the fact that the average age of the Senior B team for that game was fifteen and a half, the youngest team ever iced by the school.

The official sound pictures of the 1948 World Series will be shown at the school around the middle of February. The exact date will be announced in this column later.

The Ski group finally got a break with some snow and their practises in preparation for scholastic competition got underway this week. Neil Potter looked very good in the first few workouts and should be a coming star on the snow capped hills up North.

Only two regular players have escaped the referees finger to date. Morrie Hamilton, who has played 11 games for Oakland and 25 for Portland who along with Norman McKay of San Diego has yet to see the penalty box.

Jack Crawford, one of the finest defencemen in the N.H.L. and a pride with Boston fans, received his first penalty of the season against Canadiens. It speaks well for the clean play of the rugged blocker.

## Roslyn Senators Top Flyers in Pee Wee League

The Pee Wee 'A' section started 4 games last Friday. The St. Leo Maroons shut out the Roslyn Maple Leafs 4-0. Jean Pigeon scored three of the Maroon goals. David Farrell notched the other counter.

The Roslyn Senators defeated the Roslyn Flyers 3-0. Jim Ferrabee scored twice for the Senators with David Angus getting the other solo.

In a tight game Roslyn Comets squeezed out a win over the St. Leo Greens, 1-0. Pete Haldimand was the difference, scoring the lone goal.

Kings 'A' and Queens 'Bulldogs' battled to a 1-1 tie. F. Woodsfirth sniped the first goal for Kings but Gordie Wilson tied it up when he banged home the rubber for the Bulldog six.

**C SECTION**  
In the Pee Wee 'C' section the St. Leo Blues shut out the Roslyn Redwings, 6-0. The goals were well divided with Bob Morrow, Den Renaud, Ken Lyons, Jerry Dwyer, Pete Leger and P. Carramello all getting a goal.

Kings 'C' had a tough time defeating Roslyn Blackhawks 1-0. Gordie Smith scored the only marker of the game.

Queens Flyers led by Terry Gray with three goals, polished off the Roslyn Canadiens 6-0. Ronnie Williams scored 2 and B. Hamilton 1 for the winners.

## FIRST TIME

The fining and suspension of Cal Gardner of Toronto and Kenny Reardon of Canadiens for their stick-swinging duel in Toronto on New Year's Night brings back memories of the Jimmy Orlando-Gaye Stewart fiasco in Toronto on November 7, 1942. Stewart and Orlando were each fined \$100 and suspended for three games for their part in the 1948 fracas.

## Queen's Rovers Tie Roslyn All Stars 2-2

Queens Rovers' and Roslyn 'All Stars' played to a 2-2 draw. George Barton scored first for the Rovers and Ken Copeland tied it up. Barton then came back with his second counter. Clive Kierstead banged in the big goal for the 'All

Stars' to leave the game locked 2-2.

Kings 'B' led by Dean, who notched four goals and had a hand in the goal that Grant Dixon scored shut out the St. Leo Greens 5-0.

Over at Roslyn, the Roslyn 'Sharpshooters' far outclassed the Roslyn 'Raiders' to the tune of 8-0. Martin Raff scored 3. Box Anderson and Laird Cross came up with a brace apiece and Mark Henderson with 1 completed the scoring.

## "Burns' Night" Is Celebrated

There will be "tearin' o' the tartan" and a grand mixture of Scottish accents from "The Borders" to Caithness and from the Isles of the West to the "East Neuk" when members of the Scottish Schools Club and their friends foregather to celebrate the Poet's anniversary on Friday night in the Cardy Room of the Mount Royal Hotel, to which the venue has been transferred from the Ritz Carlton.

The Haggis will be "piped in" in traditional style and it is anticipated that Jack Reekie will be on hand to recite the "Address to the Haggis" in his own inimitable fashion.

The toast to "The Immortal Memory" will be proposed by Archibald MacDonald and the balance of the evening will be devoted to a programme of song and story in what is termed "a wee Scotch night".

then gave an address on "African Violets", and showed, with the help of numerous exhibits, how these plants are raised from leaf cuttings to beautiful plants in full bloom. These plants originally grew in swamps and as a result flourish best when given plenty of water and grown in rich soil, he said. Mr. Meeks' recipe for the best soil mixture was "one third sandy loam, one third leaf mould and one third good old manure". After his talk, the speaker answered many questions submitted by members of the audience who had had their own problems with the popular Saint Paulia.

A technicolor talkie, "Bouquet of Beauty", a film about roses, was then shown and in conclusion S. L. Bains screened several extremely interesting color slides of local gardens, Niagara Falls and other places of interest.

At the conclusion of the meeting, several door prizes were awarded including some of the African Violets which Mr. Meeks had used for demonstrations.

## World Service

(Continued from Page 3)

two branches now boast a total membership of 581.

The Association, again thanks to the World Youth Fund, has secured David Tin Hfla, the outstanding authority on physical and health education in Burma, to be its first Burmese general secretary. With his leadership the movement will, no doubt, become the leading organization in this field as it continues to strengthen its programme and reconstruct its buildings and equipment.

The Y.M.C.A. stands in high regard because of its service over the years, particularly in the field of communal relationships. With large Indian, Chinese and other non-Burmese groups in the city, the problem of relationships has been a potentially serious one, and the Association has played an important part in solving the many inherent difficulties. One prominent Hindu merchant recently said, "I am pleased to contribute to the Y.M.C.A. because it serves all young men regardless of race or creed. We need more organizations like this."

A survey of the national and religious background of the 500 members of the City Centre Y.M.C.A., the temporary unit in the down-town area of Rangoon, is of considerable interest: 90 of the members are Burmese, 240 are Indian, 22 Chinese, 110 Anglo-Burman and 44 are various other nationalities. Their religious affiliations are equally varied; 110 are Christian, 95 Buddhist, 98 Moslem, 97 Hindu and 46 linked with other or no particular religious backgrounds. Under the leadership of a young Indi-Burmese Christian, a comprehensive programme is developing and there is a fine spirit of fellowship among the various communal groups.
