STOP and THINK of the many ways you can use the correct address and vocation of everybody in the city of Montreal by consulting LOVELL'S MONTREAL DIRECTORY, a volume of over 2,400 pages, compiled by a system, which, with over 80 years of experience, is second to none on this continent, and is now as nearly perfect as human endeavour can make it.

STOP and THINK of the many ways you can use the correct address and vocation of everybody in the city of Montreal by consulting LOVELL'S MONTREAL DIRECTORY, a volume of over 2,400 pages, compiled by a system, which, with over 80 years of experience, is second to none on this continent, and is now as nearly perfect as human endeavour can make it.

STOP and THINK of the many ways you can use the correct address and vocation of everybody in the city of Montreal by consulting LOVELL'S MONTREAL DIRECTORY, a volume of over 2,400 pages, compiled by a system, which, with over 80 years of experience, is second to none on this continent, and is now as nearly perfect as human endeavour can make it.

STOP and THINK of the many ways you can use the correct address and vocation of everybody in the city of Montreal by consulting LOVELL'S MONTREAL DIRECTORY, a volume of over 2,400 pages, compiled by a system, which, with over 80 years of experience, is second to none on this continent, and is now as nearly perfect as human endeavour can make it.
